Queen's Contest Has 12 Entries At Deadline

Eight more girls have entered the "Queen's Contest" to be held in connection with the Frontier Day Celebration during the past week making a total of 12 who will vie for this honor. The ones entering since last week's paper are Nancy Clifton, Sue Corley, Coleen Kitten, Judy Thomas, Jeanette Burrell, Helen Anne Norris, Beverly and Jonell Lamb. Those previously entered were Sharon Smith, Della Scoggins, Leslie Mae Collops and Barbara McCoy.

All contestants will ride in the parade on either a float or a decorated car and are sponsored by either an organization, business firm or an individual.

Miss Clifton is a 1955 high school graduate and is the daughter of Mrs. A. L. Clifton. She has been entered by the Civic and Culture Club. She was a member of the Pep Squad, choral club, FHA, business manager for annual staff and secretary of the senior class.

Miss Corley is the daughter of Mr. and Mrs. C. E. Corley and has been entered by Davis Motor Co. She will be classified as a senior in high school this fall and is head cheer leader, a member of the student council, choral club and basketball team. She was chosen as "Football Sweetheart" and as "Most Attractive" for the past two years.

Miss Bland is the daughter of Mr. and Mrs. Woodrow Bland and is a member of the Cress Humble Station. She is a member of the FHA, 4-H Club, girls basketball team and Rainbow Girls. She will be classified as a junior this fall.

Miss Lamb, who is 16, is the daughter of Mrs. J. R. Lamb. She is sponsored by the V. F. W. She is a 1955 graduate of high school and was a member of the FHA, was 4-H Club president, a band major and a member of the senior play cast winning an award for the best actress. She is also a member of the Rainbow.

Miss Norris, who is the daughter of Mr. and Mrs. E. L. Norris, is entered by the Slaton Future Homemakers of America. She is 3rd vice-president of the FHA, Won FHA "Girl of Month" and was 3rd place winner of the "Girl of the Year" honor in FHA. She is a member of the band.

Miss Burrell, daughter of Mr. and Mrs. Gordon Burrell, is being sponsored by Mrs. Lula Caldwell and will be featured as the grand-daughter of one of the oldest pioneers. She is a member of the FHA, Rainbows, choral club, band and will be classified as a senior next year.

Miss Thomas, who is the daughter of Mr. and Mrs. W. J. Thomas, will be entered by the Rainbow Girls. She was president of the FHA this past year and is 1st vice-president for this year. She is a member of Rainbows and M.Y.F. and will be classified as a senior this fall.

Miss Kitten, daughter of Mr. and Mrs. Frank Kitten, Rt. 1, Slaton,

is sponsored by the Slaton Catholic Daughters of America. She graduated from Cooper High School in 1954 where she was a cheer leader, a member of the FHA and is a member of the Sodality. Out-of-town judges will select the queen in ceremonies held on the City Hall lawn Friday, June 3, at approximately 5:30 p.m.

(SLATONITE STAFF PHOTO)

MOST COURTEOUS CLERK FOR MAY is Mrs. Dave (Lois) Draper, who is shown above as her employer, Freddie Schmidt, pins a corsage on her. She has been employed for about three and one half years as a clerk in the Slaton Hardware. Mr. and Mrs. Draper have two children, Jerald 18, and Peggy, 12. Lois, who was dumbfounded, says she just doesn't deserve this honor, that Mrs. Fred Schmidt Sr., and Freddie should receive it, because they have helped her so much since she began working with them. She loves her work and really feels she has been paid a high compliment. This monthly award is being presented by the Chamber of Commerce and the Slatonite, with different judges each month. Schmidt is an active member of the Chamber of Commerce.

SUMMER RECREATION PROGRAM TO GET UNDERWAY MONDAY

SLATON THEATRE TO HAVE MIDNIGHT SHOW SATURDAY

Slaton Theatre will present a pre-1930 Saturday night at 11:30, showing Dean Martin and Jerry Lewis in "3 Ring Circus" in Technicolor for the benefit of those visitors in town for the Frontier Days celebration.

Calendar Of Coming Events

THURSDAY, JUNE 2: Rotary Club, noon, Clubhouse. Opening of Appliance Show, Sereader concert on City Hall square.

FRIDAY, JUNE 3: Frontier Day Celebration. Parade, 4 p.m. Sereader concert. Queen Contestants judged, 5:30 to 6 p.m., City Hall. Rodeo at football stadium arena, 8 p.m.

SATURDAY, JUNE 4: Frontier Day Celebration. Rodeo, football field, 2 p.m. Bathing Beauty contest, swimming pool, 6 p.m. Homecoming registration in City Hall, 1 to 4 p.m. Rodeo, football stadium, 8 p.m.

SUNDAY, JUNE 5: Catholic Daughters, St. Joseph's Hall, 2:30. Methodist Vacation Bible School begins.

MONDAY, JUNE 6: Baptist Vacation Bible School, June 6-15 from 8:30 to 11 a.m. Methodist Vacation Bible school, 2 to 4 p.m., through June 15. Westview Baptist Church Vacation Bible School, 8:30 to 11 - through June 10.

TUESDAY, JUNE 7: Lions Club, noon Clubhouse. Slaton Chapter 580 of O.E.S. public installation, 8 p.m. Masonic Hall.

WEDNESDAY, JUNE 8: VFW, 8 p.m.

The summer recreation program for boys and girls between the ages of 8 and 16 years will get underway Monday of next week when all the girls who are interested in participating are asked to meet at the high school gymnasium. The time of the meeting is 9:30, according to Coach Hedges. A meeting for boys will be held in the afternoon at 2:30.

A director for the program will be selected at a meeting of the City Council on Thursday night of this week. The program for the summer will be under the sponsorship of the City of Slaton, and will be similar to the program that was carried on last summer.

Included in the program will be basketball, volleyball, table tennis, hiking, swimming, arts and crafts, woodwork, over night camping and probably others that will be requested.

MANAGERS, COACHES SELECTED FOR MINOR LEAGUE TEAMS

Managers and coaches for the Minor League baseball teams were selected at a meeting on Monday night, according to Dr. Don Hatcher, president. The teams in the Minor League will be known as the Little Giants, Little Dodgers, Little Yankees and Little Indians and will play the same schedule as the major teams.

Managers and coaches selected Monday night were Cline Cooper, manager, and Brian Sartain as coach of the Little Yankees; Norbert Kitten, manager and Charles Marriott, coach for the Little Dodgers; Aubrey McNeely, manager and Donald Polk, coach for the Little Indians; T. C. Martin, manager and Jim George, coach for the Little Giants. Leonard Anderson was chosen as official umpire for the Minor League.

At a meeting Wednesday night the boys were chosen for the teams and will practice as teams now. Their games will begin Monday when the Little Yankees will play the Little Giants.

First Methodist To Have New Pastor

The Rev. J. B. Sharp, former pastor of St. Mark's Methodist Church in Midland, will preach his first sermon as pastor of Slaton's First Methodist Church Sunday at the 11 a.m. service.

Sharp was named by the Northwest Texas Annual Conference Sunday to succeed the Rev. J. Lloyd Mayhew. Mayhew has served the Slaton church for four years. He will become pastor of the First Methodist Church in Lamesa.

A graduate of McMurry College and Perkins School of Theology at Southern Methodist University, Sharp had served the Midland Church since its organization five years ago.

Since organization of the church it has had 826 joined members and has a present membership of 661. A new parsonage and church have been built there also.

Prior to serving the Midland church, the Rev. Sharp was assistant pastor of First Methodist Church in Corsicana.

Rev. and Mrs. Sharp have two sons' Jimmy, 3½, and Bob, 9 months.

Rev. Sharp is the son of Rev. J. H. Sharp, formerly of Tahoka but now of Memphis.

"I'm happy to be assigned to the Slaton Church," Rev. Sharp said, "and I know our whole family will be happy there."

The Sharps moved to Slaton Thursday of this week, when the Mayhews left for Lamesa.

Visiting Sunday in the home of Mrs. Herbert Gaither were two daughters, Mrs. Lewis Thompson, of Big Spring and Mrs. Sam McMennamy, and Mike of Amarillo.

In the double header last Friday afternoon for the official opening of the League, the Dodgers defeated the Indians 19-13 and the Giants defeated the Yankees 11-2. In the games played Monday and Tuesday of this week the Dodgers won over the Yankees 12-8 and the Indians defeated the Giants 15-5. Thursday afternoon the Dodgers played the Giants and the Indians will play the Yankees on Friday afternoon.

Mrs. Coy Hester and D'Aun of San Diego, Calif., are visiting Mrs. Hester's mother, Mrs. Herbert Gaither. They will be here for several weeks.

Jack Gilliland visited from Saturday until Monday with his parents, Mr. and Mrs. W. H. Gilliland. He is stationed at Ft. Bliss in El Paso.

Large Crowds Expected At Slaton's Frontier Days Celebration Fri. - Sat.

Preparations Complete For Parade, Rodeo, Contests, Square Dance

Frontier Days of 1955 will get underway this afternoon at 4 p.m. when the Biggs Air Force Band from Big Spring heads a parade, beginning at West Ward school at 14th and Lubbock Streets.

Highlighting the 2-day celebration will be a rodeo at the football stadium Friday night, Saturday afternoon, and Saturday night.

Also in the schedule are square dancing Saturday night, a bathing beauty contest Saturday afternoon, and a home appliance show both Friday and Saturday.

A Queen's contest will be held in connection with judging Friday afternoon at City Hall following the parade.

Entrants will be featured on floats and in automobiles in the parade. The 13 contestants entered include Sharon Smith, Della Scoggins, Leslie Mae Collops, Barbara McCoy, Sue Corley, Judy Thomas, Jeanette Burrell, Helen Ann Norris, Beverly Bland, Nancy Clifton, Jonell Lamb, and Colleen Kitten.

About 25 callers will be present for the Square Dance Jubilee scheduled for 8:30 p.m. Saturday. Music will be presented by Walt Gehring's Rhythm Ringers from Lamesa. Included are callers from Brownfield, Snyder, Abernathy, Lubbock, Slaton, Plainview, Dimmitt, Midland, Tahoka, Littlefield, Hart, Grier, N. M., and Clovis, N. M.

Texas is sending a ship load of heifers, gilts, milk goats, baby chicks, feed, tools, sewing machines and anything that can be used by the people of Korea in their rehabilitation program.

The shipment will leave Houston June 15.

Former CROP programs have included milk for the children and cotton and grain. Slaton people have contributed generously to all these programs. W. L. Holloman is district chairman for CROP in the Lubbock district.

Two representatives from this area will accompany the shipment to Korea.

LOCAL S. S. CLASS CONTRIBUTES HEIFER TO STATE CROP DRIVE

The Busy Men's Sunday School class of First Methodist Church is sending a registered Angus heifer, valued at \$100, to Korea as their contribution to the Texas state-wide CROP project. The animal was purchased from Forney Henry,

TYRA JAN MARTIN, 2½ year old daughter of Mr. and Mrs. Harley Martin of Southland, has the Frontier Day fever already and has her "Annie Oakley" suit.

Mrs. Raymond Johnson will present her class in piano and voice in recital at the First Presbyterian Church, Friday, June 10, at 8:15 p.m.

Those taking part on the program are Patsy Ann Dunn, Kyle Page, Arthur Davies, Jane Thompson, Bentley Page, Stephen Haliburton, Teddy Scott, Charlene Kitten, Carlene Taylor, Jean Kahlich, Vernell Meurer, Kay Short, Karen Buxkemper, Jerry Kitten, James Buxkemper.

Lee Meurer, Kathryn Kahlich, Jane Kitten, David Kitten, Roger Kitten, Jerry Hitt, Dolores Heinrich, Sharon Heinrich, Glenda Kitten, Danny Kitten, Ann Hadcock, Mike Bain, Linda Lee Davies, Stephanie Johnson, Debra Kayser, Janice Kahlich and Billy Snider.

WHERE CAN WE PARK

It is not necessary to be an American to have parking troubles. A Washington conference of the World Touring and Automobile Organization brings the news that all the way from New Zealand to Turkey parking space is a commodity of which there is nowhere near enough.

Milan, Italy, is starting an underground parking lot. Parking meters are in use in the land of the pyramids; Cairo, Egypt, has adopted them. Cairo also has the added wrinkle of installing telephones at the meters, so that car owners may call their chauffeurs. The conservative British are recognizing that space in which to leave cars is a necessary feature of street construction.

If it should ever be necessary to evacuate our big cities in a hurry, parking cars would constitute an obstacle more serious than almost any other that an enemy could set up.

GRASS ROOTS OPINION

EMPORIA, KAN., GAZETTE: "In this great land of the free and home of the sucker there always is the desire to get something 'at wholesale.' Recently many Kansas towns have been flooded with so-called 'wholesale' catalogs . . . These 'wholesale' houses . . . are . . . trying to bamboozle the public into thinking they are offering something for nothing. You get just what you pay for . . . Moreover the merchandise is likely to be cheap 'seconds.'"

NASHVILLE, ARK., NEWS: "The Chattanooga Times . . . showed that Tennessee since TVA has skidded in population, farm production, retail sales, payrolls, manufacturing output, where her neighbors without the burden of such fraud, have pushed ahead in economics. In effect, socialism damns the giver and the taker."

DILLON, S. C., HERALD: "Karl Marx has been dead nearly seventy-five years, but his warped mind and irregular life are responsible for many of the ills that have afflicted the world for the past half century. His false teachings have cost millions of lives."

MANHEIM, PA., SENTINEL: "It would be a great blessing to humanity and to civilization if governments were under the same compulsion to cut costs as is private enterprise. No matter how large a private business becomes, it is faced with oblivion the moment management becomes lax and inefficient."

THEY WERE SEVENTEEN

Booth Tarkington wrote a delightful book about a boy emerging from adolescence in a small midwestern town. Its hero was William Sylvanus Baxter, the title, "Seventeen."

Willie Baxter knew all of the exhalation, the heartbreak, the loneliness of that period in life when a boy is ceasing to be a boy and becoming a man. He was, in his bumbling seventeen-year-old fashion, searching for love and fulfillment and he vaguely realized that life is a happy and sad, a strange and wonderful, a frightening thing. Willie was the kind of kid we would like our younger brother or our son to be—the sort of boy we are delighted to see call on our daughter, for all of his awkwardness. Lots of kids are still that way at seventeen. Unfortunately not all of them.

Frank Santana is seventeen. He lives in New York City. The other night, coldly, without reason or excuse, he killed another boy, fifteen. At the police station he laughed and joked with other boys who had been arrested with him.

Why did this seventeen-year-old kill? What twisted him until he would kill and then laugh? Did he ever know any of the wonder, the gentle awakening into manhood of the boy in the Tarkington book?

We can look Santana up where it will be difficult for him to kill again. But what of the other seventeen-year-olds who have never been seventeen—who are vicious, cruel and menacing instead of nice, mildly silly, confused kids? Maybe we had better devote more time—a lot more time—to finding the answers.

STATUS QUO NOT ENOUGH

The United States, we are often told, should build an impregnable defense around the country, behind which we would be safe from attack and could ignore the rest of the world.

No action could help the Communists more, declares Robert B. Anderson, Deputy of the Secretary of Defense. Addressing the American Association of Advertising Agencies, he said that if we merely stand our ground behind a cordon of military might, while proposing nothing to help the world out of its dilemma, we shall be lending substances to the Communist charge that we are interested only in defending the status quo. And in a revolutionary situation the defenders of the status quo always lose.

The most we could hope for by such tactics would be not to suffer defeat. We would never better our own situation or the world's.

PICTURE OF THE FUTURE

"AS IT IS WRITTEN, EYE HATH NOT SEEN, NOR EAR HEARD, NEITHER HAVE ENTERED INTO THE HEART OF MAN, THE THINGS WHICH GOD HATH PREPARED FOR THEM THAT LOVE HIM." — I COR 2:9

Theme - Great Chapters Of The Bible.

The American Bible Society lists 50 great chapters of the Bible, of which we will study five not too well known.

Luke 24 is called the "Burning Hearts" chapter, since it is famous for the disciples on the Emmaus road. Looking at the topic contents of the chapter, we see this outline: 1 - 12 Women go to tomb; 12 - 35 Disciples on Emmaus road; 26 - 49 Christ appears to disciples; 50 - 53 Christ's departure.

As one can see, the Emmaus road incident makes up the bulk of the chapter, and narrates the story of two disciples (not named) who failed to know Christ when He was present.

Aren't we that way? At times in our life the Lord is very close to us, and we do not recognize the Holy Spirit comforting us when we need it most. Like the two men we can say after the intimate relationship is over, "Did not our hearts burn within us while he talked to us on the road, while he opened us the scriptures?" (Lk 24:32)

The next time Christ is close acknowledge His presence. Read now Luke 24, and know that you can experience "burning hearts" while you read the scripture.

Don't argue with this baby!

All Chevrolet's competitors and most of the high-priced cars tried it recently in official NASCAR* trials—and took a licking!

Meet the champ! The new Chevrolet "Turbo-Fire V8"—the most modern V8 on the road today. Here's what happened—

Daytona Beach, NASCAR Acceleration Tests Over Measured Mile From Standing Start. Chevrolet captured the 4 top positions in its class! 8 of the first 11! And on a time basis Chevrolet beat every high-priced car, too—but one! But wait!—this is just the beginning!

Daytona Beach, NASCAR Straightaway Running. Open to cars delivered in Florida for \$2,500 or less. Chevrolet captured the first two places, 7 out of the first 11 places!

Daytona Beach, NASCAR 2-Way Straightaway Running Over Measured Mile. Open to cars from 250 to 299 cu. in. displacement. Chevrolet captured 3 of the first 5 places!

Columbia, S. C. NASCAR 100-Mile Race on half-mile track. Very tight turns. Chevrolet finished first!

Fayetteville, N. C. NASCAR Late Model Event. Chevrolet again finished first. Because of even tighter turns the driver chose to run the entire 150 laps in second gear! Yet no overheating or pit stops!

These facts you can't laugh off. Sales leader. Road leader. A crowning achievement of Chevrolet and General Motors. Try a Chevrolet . . . and live in a land of going-away where you win all the arguments! Soon, maybe?

*National Association for Stock Car Auto Racing

Way, way ahead!

DO YOU REMEMBER?

One Year Ago In Slaton
Taken from June 4, 1955

Cecil H. Scott, 900 West Lynn, is officially Slaton's assistant postmaster now. Scott's appointment to this post became effective June 1.

Rev. J. L. Mayhew will continue to serve as pastor of the First Methodist Church here. He was appointed at the Northwest Texas conference held at Amarillo.

Pouring of concrete for two new tennis courts in the County Park began here Wednesday.

Miss Pauline Shelby of Dallas was a week end guest in the home of her mother, Mrs. H. T. Shelby.

A miscellaneous shower honoring Miss Dorothy Mosser bride-elect of Bill Burton of Lubbock, was held Sunday afternoon in the home of Mrs. Nick Neu.

Miss Bettye Jean Havens and Billy Wayne Loggins exchanged wedding vows at 7:30 p.m., Sunday, May 30, at the First Methodist Church, Slaton.

Guests in the home of Mr. and Mrs. Bland Tomlinson last week were Mr. and Mrs. Lee Fletcher and family of King City, Cal., and Mr. and Mrs. Howard White of Friona.

Mrs. Jessie Prosser returned home last week end from a vacation in California. Mrs. Prosser's sister, Mrs. L. T. Arthur, who accompanied her, stayed for an extended visit.

Mr. and Mrs. Marcus Crumley, Mr. and Mrs. Coy Biggs and Mr. and Mrs. Truman Walker spent Memorial Day week end in Ruidoso, N. M.

Mr. and Mrs. Val Wylie, G. W. Wylie and Tracy Crawford visited in east Texas over the Memorial Day week end.

Five Years Ago In Slaton
Taken From June 2, 1950

Rev. O. B. Herring, minister of the local First Methodist Church, received his official re-appointment Sunday, May 28 at the close of the 41st annual conference held in Big Spring.

Maxey Pinson of Lamesa and James Pinson of Lubbock spent the week end with L. A. Harrals.

Mrs. C. L. Pack left Wednesday night to visit her daughter and family, Mr. and Mrs. Neal Hallmark, in Oklahoma City, Okla.

Mrs. Virgie Hunter and Mrs. Yates Key are in Mexico City, where they are visiting friends and touring the country.

Mr. and Mrs. Claude Anderson and Claudia left Tuesday for Encinitas, Calif. to spend some time with their son, Roland, and family.

Mrs. Sterling Alderson left Tuesday night for Oklahoma where she will attend a clothing convention.

Mr. and Mrs. Don Crow are sight-seeing in New Orleans. They plan to visit her parents in Ft. Worth on their way home.

Mrs. Emma Wallace and Wallace Cooper left Saturday morning for a few days visit with Mr. and Mrs. H. L. Basinger of San Antonio.

Miss Sarah Ann Shaw, daughter of Mr. and Mrs. Carter Shaw of Slaton, and B. F. Bell, son of Mrs. E. H. Bell of Lovington, N.M., were married Saturday, May 27 at 7:30 p.m. in the home of her parents.

Mr. and Mrs. J. S. Avent spent Saturday night and Sunday in Earth visiting her brother and family, the W. C. Maxceys.

Ten Years Ago In Slaton
Taken From June 1, 1945

Mrs. F. C. Davis of San Antonio

Model Airplane Club Meets

The next meeting of the Slaton Model Airplane Club will be held on June 7, at 8 p.m., at the west door of the scout hall. At this meeting special training will be given beginners, according to Ray Wilson.

Mr. and Mrs. B. Henry Bollinger returned Friday from a vacation trip. They visited with relatives in Goddard, Okla., Patton, Cape Girardeau and Sedgewichville, Mo.

They fished at Hot Springs, Ark. On their return trip they visited Mr. Bollinger's daughter, Mrs. Sam T. Davise, and family in Dallas and Mrs. Bollinger's son, George Dubose, and family in Post. On Sunday the Duboses visited in Slaton.

Bob Martin, son of Mr. and Mrs. T. C. Martin, entered Mercy Hospital last Thursday.

is visiting her parents, Mr. and Mrs. Ed Childress. Another daughter, Cpl. Mardelle Childress, stationed at Orlando, Florida, will arrive Sunday.

Miss Juanita Elliott has returned from TSCW at Denton.

Visiting Mr. and Mrs. K. C. Scott and Mrs. W. H. Smith this past week end were Dr. and Mrs. S. W. Ball. They were in their way to California.

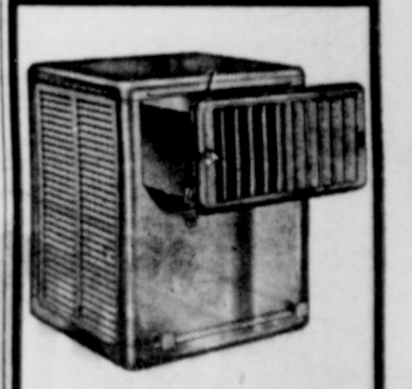

Mrs. Henry Eidson entertained with an outdoor supper Tuesday evening honoring her daughter, Kathleen, on her 14th birthday.

Mrs. L. B. Hagerman presented her piano pupils in recital. Those who played were Delma Sue and Everett Hodge, Vysta Ward, Ruth Burton, Pansy Nell Sloan and Mrs. Lowell Merrell.

J. H. Brewer says that Old King-Cotton is a hard taskmaster and he is devoting most of his farming interest to feed this year.

Phil Brewer returned Monday from Texas A. & M. College. He volunteered and has been accepted in the Naval Air Corp. and will remain in Slaton until he is called.

Mrs. Eddie Johnson of Sweetwater is visiting her sister, Mrs. Fred England for a few days.

April 12, 1955—Long-hoped-for favorable report on Salk polio vaccine is handed to the press at University of Michigan.

Interesting, Rare Coins Comprise Collection of George W. Privett

There's money all over the place at the residence of Geo. W. Privett, 115 N. 8th St., but none of it's to spend.

At least, he wouldn't dream of spending any of the hundreds of interesting and valuable coins that comprise his collection.

The genial Santa Fe brakeman started collecting coins 2½ years ago on a modest scale and has built his collection into one of the most complete in the South Plains. He declined to estimate the value of his coins because "some of the other collectors might think that I was boasting."

Privett first started collecting Lincoln Head pennies, and he now has each of the Lincoln pennies from 1909 to the present. For persons desiring to start a coin collection, he advises them to first start collecting Lincoln pennies.

'Not The Age'

"It's not the age of a coin, but the scarcity of that particular issue and the condition of the coin that makes it valuable," Privett declared. He pointed out that one of his coins—a Roman silver coin that was minted in 200 A.D.—is worth only \$1.75 in the coin collector's realm.

One of the most interesting coins of Privett's collection is an ordinary Buffalo nickel issued by the Denver mint in 1937. If a person examines it closely, he will find the Buffalo has only one front leg as compared with two front legs that are found on other nickels of this type. He estimates the value of this coin to be about \$5.

Some of the other unusual coins includes: a two-cent gold piece issued in 1865; a commemorative half dollar for the Oregon Trail; a silver dollar issued in 1795; a half dime issued in 1834; a three-cent piece issued in 1865; a small penny issued in 1857 and a large penny issued in 1862; a trade dollar issued in 1877 that has printed on the coin the amount of silver it contains; and a number of gold coins.

Unusual Currency

While Privett is not particularly interested in collecting unusual currency, he has several unusual bills. One of these is an ordinary \$1 bill that was printed with a crease in it. Other interesting currency in his collection include large and small bills as compared with current bills.

"One of the most fascinating things about coin collecting is that each coin tells a story and represents a particular era in our nation's history," Privett said. "It is also well to bear in mind that coins require an Act of Congress to be minted or taken out of circulation," he said.

To further his knowledge of coin collecting as well as buying and selling coins with other collectors Privett attends a meeting of South Plains collectors the second Monday night of each month at 7:30 at Harvey's Book Nook, 902 18th St., Lubbock. He pointed out that Harvey's also has a number of reliable books and folders for persons de-

(SLATONITE STAFF PHOTO)

SLATON COIN COLLECTOR—Geo. W. Privett, 115 N. 6th St., is shown with a few of the valuable and unusual coins that he has collected during the past 2½ years. Employed as a Santa Fe brakeman, Privett finds that collecting coins is an interesting and educational hobby.

HOW NOT TO HURDLE—Iowa's Rich Ferguson turns high hurdles into a swimming event during the Kansas Relays Steeplechase at Lawrence, Kan. Untimely spill at the water trap dampened the defender's speed, and Ferguson finished second in the event.

siring to get into the coin collecting hobby. Privett has also attended meetings of the Corpus Christi Coin Club and the Topeka, Kans. Coin Club.

Son Interested

Privett's wife, the former Miss Mary Grace Reed of Slaton, has yet to "catch the coin collecting fever," but his oldest son, George Jr., 12, likes to collect coins and helps his father with the collection. The Privetts have two other children, Areta, 9, and Tony, 2½.

A resident of Slaton since 1937, Privett has been employed by the Santa Fe since 1942. He and his wife were chairman and co-chairman of the Slaton P.T.A. for the current year and have been re-elected for next year. They are

also members of the First Baptist Church.

Privett said he was particularly interested in helping young people in starting a coin collection and would be glad to give them advice. He suggested that young collectors wait until they know where they stand, before spending any money to further their collections.

"Most advertisements offering fabulous prices for Indian Head pennies are merely come-ons to get you to send 25 cents for a folder," he pointed out as one of the hazards to be encountered in coin collecting.

In 1954, nearly two million casualties were recorded for motor vehicle accidents.

Vacation Church School June 6-15 At Methodist

Vacation Church School at the First Methodist Church will begin June 6 and continue through June 15. In addition to these days the Sunday school hour on June 5 will also be devoted to this plan of study.

The workers for this special school have spent a great deal of time in preparation according to the director, Mrs. Howard Hoffman. Sixteen workers attended a training school held in St. John's Methodist Church in Lubbock in March as they were looking forward to this school.

In addition to the plans for studies a picnic, movies and other suitable entertainment will be offered. At the close of the school on June 15 at 7:30 p.m., the children will present a program for the parents and following this an open house will be held in the recreation room of the new Education building.

The following will be workers in the various departments: kindergarten, Mesdames R. H. Todd Jr., W. L. Blaylock and R. B. Lain; primary, Mesdames A. C. Burk, W. C. Williams, Troy Pickens, W. A. Shelton, Alton Edwards and Oree Glasscock; Juniors, Mesdames S. W. Clark, Joe Walker Jr., C. L. Heaton, Bill Ball, Charles Walton and Roy Spage with Mrs. Hoffman as director of the entire school.

Mrs. Hoffman asks the co-operation of the parents in making this a successful and profitable time with the children by encouraging them to attend.

Early Season Control Of Thrips Fleahoppers On High Plains

AUSTIN—Cash income of Texas farmers rose to \$345.9 million in January-March to total 5 per cent above the \$328.6 million mark of the first quarter of 1954. This represents a gain of \$17.3 million. The principal increase recorded in this year-to-year comparison include a 55 per cent upturn in revenue from wheat (from \$5.8 million to \$9.0 million), the largest gain reported, and a 35 per cent increase in cash income from sheep lambs. The third biggest gain (plus 34 per cent) was in revenue from corn. Oats were also up a considerable amount (plus 29 per cent), and peanuts registered a plus 22 per cent upturn.

Decreases occurring in the first quarter of 1955 as against 1954 were slight, the largest one being a minus 6 per cent setback in income from hogs. A 4 per cent drop was recorded for wool, and a 2 per cent for mohair.

The index of prices received by Texas farmers and ranchers stood at 267 on April 15, according to the Crop Reporting Board of the U. S. Department of Agriculture. This is 1 point above the mid-March level of 226, and 3 points lower than mid-April 1954.

The livestock and products index of prices received by farmers stood unchanged at mid-April from the 233 recorded on March 15, but was 18 points lower than a year ago. The all-crop index, which registered 253 on March 15, was up 2 points by the middle of April.

Wheat Crop Down
This year's winter wheat crop in Texas will down 56 per cent from last year's total, according to the U. S. Department of Agriculture forecast of 12,924,000 bushels for 1955. Texas produced 30,894,000 bushels in 1954. The department's estimate for the nation's winter wheat crop, about 652 million bushels, also is down about one-sixth from last year's crop. Stocks of wheat on Texas farms April 1 totalled 618,000 bushels, compared with 576,000 bushels in 1954. The drought and further cutbacks in planting under the crop control program was reflected in the decline.

Seventy-four Texas counties have been designated to share in the \$4,275,000 earmarked for use in combatting dust storms. The presidential emergency funds will pay for costs of deep plowing to limit wind erosion.

A chemical spray that forms a

hard, thin crust from loose soil particles has been developed by Dowell, Inc., of Tulsa, a subsidiary of Dow Chemical Company. Although another year of laboratory work and field testing is planned by the company, preliminary tests indicate the new chemical spray will prevent wind erosion and allow water to percolate through the crust.

Arthur Park, Dowell's chemist in charge of soil conservation, became interested in surface applications for the sodium silicate he was studying for use in oil wells. He reasoned that if the chemical could harden the earth underground, it could do the same of the surface. His guess was right.

Initial tests made in April reveal that a spray job needs a curing period of about three days. A one-and-a-half-inch rain that fell 12 hours after one test application did not damage the chemical, and the rain water permeated the crust without difficulty.

Spray Advantages
The advantages of this spray to Texas farmers seem great. Farmers now combat wind erosion by deep-plowing their land. This costs about \$10 an acre and is effective for only about three years at the most. Nor is there any assurance it will work for more than a month or so. The chemical spray will also cost \$10 an acre, but present indications indicate that it will be effective at least from one plowing to the next. The spray also could be applied in mixture with fertilizers and weed-killers for farmers who intend to use them anyway.

The pyramids of ancient Egypt were used as the tombs of rulers. Chicago was once called Old Fort Dearborn.

Cathay is an old name for China.

OPEN ALL NIGHT SATURADYS
1400 S. 9th St. Slaton, Texas

1929-30 FOOTBALL TEAM is shown above and several of these are expected to be here June 11, for the 25th reunion of the Class of 1930. They are front row, left to right: Otis Cannon, Lubbock; Jimmy Savage, Muskogee, Okla.; Cecil Austin, Slaton; Frank Johnson, Carrollton, Texas; Demp Cannon, Coffeyville, Kan.; Dee Jackson, Levelland; second row: Randolph Hodge, address unknown; Artie Nowell, Lovington, N. M.; J. J. Maxey, Slaton; John Simmons, Overton, Texas; Lt. Col. Choice Rucker, Arkadelphia, Ark.; David Lemon, who was principal of high school, now of Sulphur Springs; back row: Paul Fright, the coach, now of Gunnison, Colo.; Cecil Scott, Slaton; Rev. Woodson Armes, Ft. Worth; Jim Smith, Amarillo; Lee Jackson, Lovington, N. M.; Dr. Sam McMennamy, Amarillo. That year this team won 8 and lost 2 games, losing to Lubbock 7-6, and Lamesa 31-13.

25th Reunion To Be Held June 11 By Class Of 1930

A reunion of the Class of 1930 of the Slaton High School will be held Saturday, June 11, at the Clubhouse celebrating the silver anniversary of their graduation.

Registration begins at 10 a.m., with a visiting hour until the luncheon at 12 noon. During the afternoon a tour will be made of the old and the new high schools. At 3 p.m., the parents of the students have been asked to call and enjoy the program with them. A picnic supper will be held at 6 p.m.

In 1950 when the last reunion was held, 34 members of the class

Mr. and Mrs. C. E. Fox and family attended graduation services at Texas A & M College last Friday night for their son, Harold. They returned home Sunday. Harold will visit for a week and then go to Santa Monica, Calif., where he will be employed by the Douglas Aircraft Corporation.

Mr. and Mrs. Joe Tucker of Littlefield visited Tuesday night and Wednesday with Mr. Tucker's mother, Mrs. I. C. Tucker.

Mrs. C. A. Adsit of Los Angeles, Calif., is visiting her sister, Mrs. J. A. Elliott, and Mr. Elliott. She will be here for about eight weeks.

WANT ADS GET RESULTS

attended with their families and it is hoped for a larger group this year.

BUDDY SYSTEM STILL IN EFFECT

The buddy system of Air Force Training, which assures enlistees that they may enlist in the U. S. Air Force as buddies and be assigned to the same training unit for their basic training, provided they enlist together, is still in effect within the 3504th USAF Recruiting Group, according to T-Sgt. Ulbrich, of the Air Force Recruiting Office in Lubbock.

Special arrangements with the training center located at Lackland Air Force Base, San Antonio, Texas, makes it possible for buddies or acquaintances from the same town or community to enlist together and be assigned to the same training unit where they will train together for the duration of their basic training.

Sgt. Ulbrich also pointed out that the Air Force will promise enlistees that they will not be separated during this period provided that

The Slaton, Tex., Slatonite Friday, June 3, 1955

R. L. Bain left Tuesday to go to Winslow, Wash. to see his daughter, Mrs. Wayne. She will also visit her grandmother, Mrs. Huddlestone, born Monday, May 30. Mrs. Huddlestone is the wife of Luna Lee Bain.

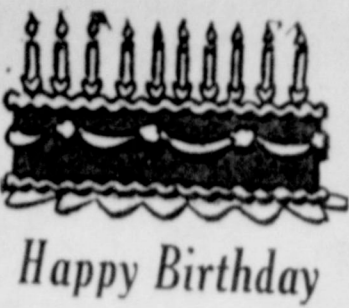

W. T. Richardson and son, of Newton, Kan., arrived today to spend a few days with Mr. and Mrs. Wade. Mrs. Richardson is the wife of Maggie George and lived in this city.

TEACHERS TAKE TRIP

Mrs. Virgie Hunter, Mrs. Otis Gunter, Doris Hanna and Joan Green left Saturday morning to go to New York City, N.Y., for a vacation trip. On the way they stopped off in Shreveport, La., and appeared on the Louisiana Hayride. They plan to visit in Charlotte, N.C., Norfolk, Va., and Washington, D.C., before returning home.

Mr. and Mrs. Robert Choate and children spent the week end visiting Mrs. Choate's parents, Mr. and Mrs. W. A. Priest, and Mr. Choate's mother, Mrs. J. J. Choate in Margaret and Mrs. Choate's sister, Mrs. Ralph Schultz, Mr. Shultz and Judy in Vernon.

Deanna Cole accompanied Mr. and Mrs. J. H. Eaves to Springer, N. M., last week end.

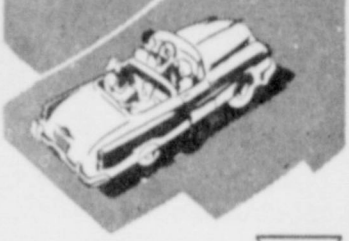

Happy Birthday

June 3: Mrs. Arthur Kahlich, Irby G. Smith and Pam Stansell.
 June 4: Earl Lancaster, Mrs. James R. Burton and A. D. Adams.
 June 5: Earl Forester, Mrs. Sherman Brashears Sr., Dana Lou Heaton and Lois Merrell.
 June 6: Mrs. Robert Hall Davis, Clyde Schilling, A. C. Taylor, Suzanne Neill, Junior Gartman, Nan Saage, DeElta Buskemper and Pat Davis.
 June 7: Mrs. Francis Perry, Mrs. Weldon Martin, Milton Pionka, Joyce Schroeder, James Wylie Rodgers, Tommy David Stell, Luther Jones and Beverly Ann Myers.
 June 8: Judy Martin, A. J. Kitten, Shirley Kay Kitten, Edward Maeker and Sue Layne.
 June 9: Hazel Ruth Lancaster, Judy Milliken and Ronald Dean Bridges.

Mr. and Mrs. Milton Davis and family spent the week end at Lake Thomas.

 Magnolia Petroleum Co.

By Vern Sanford

AUSTIN, TEXAS—It's amazing how quickly pennies can grow into millions of dollars.

But, it is with pennies that Texas is solving its financial problem.

Big discussion of the week has been the proposed two cent increase in gasoline taxes. Right behind that big topic has been the 1c increase in cigarette taxes and the hike to 1c per bottle (\$1.30 per barrel) in beer taxes.

With these topics before them, the Legislators come back almost to where they started — namely Gov. Allan Shivers' original tax recommendations. Tossed out by the Senators, after many hearings on numerous phases of taxation, were virtually all other tax proposals.

When the tax bill bogged down in the Senate, Governor Shivers threw in a surprise strategy move.

By message, he told the House and Senate—now working without pay—that if they wanted to end this session, he would call them back in a special session when they would be paid \$25 a day.

LI. Gov. Ben Ramsey and Speaker Jim Lindsey at once responded that the session could complete the tax chore, unblock the bill and a half dollar appropriation bill, and finish its job.

Fillbuster Record Busted

For the third time during the 1955 Legislative session, a new talkathon mark was established by a member of the usually sedate Senate.

This time the speaker was Sen. Kilmer Corbin of Lubbock who took 28 hours, 25 minutes against a state water project financing plan.

Previous holder of the record was Sen. Wayne Wagonseller of Bowie. Before that it was Sen. Jimmie Phillips of Angleton.

Corbin was opposing a committee report on Sen. Dorsey Hardeman's proposed constitutional amendment to the \$100,000,000 water program. He was objecting to the three-cent ad valorem levy.

Governor Shivers had advocated the plan as a key part of his water conservation legislation. The proposal would set up a six-man board, to be appointed by the Governor. Corbin also contended that the board should be elected, rather than appointed. In objecting to the method of taxation, Corbin said that it would cause dry land farmers to bear the burden of water projects in other districts.

Like the other "billibuster," it was fruitless.

Rain Steals the Show

General rains throughout the state stole the spotlight for the Legislators the past week. It was NEWS—BIG news. Even where floods there were smiles of gratitude for the moisture.

As for the capital city, weathermen here report that Austin already has received more rain this year than it did throughout 1954.

Recent almost statewide rains have changed Texas' crop outlook from "dismal failure" to "fairly good" according to Agricultural Commissioner John C. White. Rain came too late to help the wheat and oats, says White, but benefits to pasturelands were rated "excellent." He pointed out the need for a normal amount of moisture the rest of the year.

Probe in Senate

Lack of information promoted them to approve veterans land deals as a matter of routine. So said two state officials testifying in the Senate phase of the Land Office investigations.

State Comptroller Robert S. Calvert and State Auditor C. H. Cavness were the witnesses.

Cavness showed a form used by Giles to request funds for loans. Bearing the seal of the land board, the form carried no signature other than Giles'.

"Nothing came to us to cause us to have any suspicions," Cavness said, adding that he had assumed the deals had been approved by a majority of the three-member board.

Governor Shivers and Atty. Gen. John Ben Shepperd recently have made affidavits to the effect that they were absent from board meetings on certain dates when the minutes cited that they were present.

From San Antonio, the district attorney's office announced it was demanding the maximum 10-year prison term for Giles, in his scheduled trial on charges of accepting a \$30,000 bribe. Also that C. V. Wymn and Arthur McKenzie of San Antonio, charged with offering the bribe, would "turn state's evidence" against Giles.

Week-end discussion of a further postponement of the trial was based on the reported employment of an unnamed member of the legislature as counsel. This is automatic grounds for continuance until 30 days after adjournment of the Leg-

IMPROVED CROP OUTLOOK

Recent heavy rains in many areas of the state have changed the Texas crop outlook from "dismal failure" to "hopeful prospects".

Yet, regardless of the immediate picture, it is evident that Texas farmers and ranchmen still will need a "normal" amount of additional moisture the rest of this year.

Enough rain has fallen to assure a good grain sorghum planting conditions in the production belt from Corpus Christi to the High Plains region. In the next few weeks, farmers will be busily planting millions of acres to this crop.

Cotton prospects are now fairly good after a disheartening start. Even though the rain washed out some fields and some hail damaged others, it is not too late to replant, in most cases. Hopes for corn look even better than cotton.

Unfortunately, the rain came too late to do much good for Texas wheat. Oats are gone for the most part but benefits to pastureland cannot be underestimated. Ranch-

Norman Spears and Otis Gunter spent from Saturday evening until Monday evening fishing at Oak Creek Lake near Blackwell. They joined Mr. and Mrs. Earl Eblen and children and Mr. Eblen's father, V. A. Eblen.

men hail the rains as "the best in the last five years" in Central and North Central Texas.

Despite the unusual amount of rainfall, however, the relief cannot be termed as a "drought breaker". Damage done by five extremely dry years will not be repaired by a week of rain. A vast area of South Texas, extending from Alice to Laredo and north to San Antonio has received only spotted downpours.

Water reserves are still short in many sections except those which received more than five inches. The initial showers must be followed by additional moisture equal to a normal year's supply before the threat to our water reserve is past.

Briefly, the rains are a blessing—but Texas needs more! At least a full "wet" year will be necessary to put agriculture back on its feet.

The Slaton, Tex., Slatonite Friday, June 3, 1955

Mr. and Mrs. Thomas Claiborne, Tommy, Kathy and Joan spent the week end in Amarillo visiting Mr. Claiborne's mother, Mrs. W. H. Claiborne.

Mr. and Mrs. Billy Dixon, Pat and Sandy of Post visited Saturday with Mr. Dixon's sister, Mrs. James Cole, and family.

Bonnie and Betty Cole spent last week in Post visiting their grandparents, Mr. and Mrs. J. W. Dixon. Mr. and Mrs. James Cole and family went down for the parade and rodeo.

Mr. and Mrs. C. H. Norris returned Monday evening from attending baccalaureate and commencement services and the commencement tea at Hardin-Simmons University in Abilene, where their son, Bobby, was a candidate for the Bachelor of Arts Degree.

Fred R. Potthast of Dallas spent the week end visiting his mother, Mrs. C. R. Potthast.

 "Where A Dime is Still Worth 10 Cents"

Mr. and Mrs. Byron Jeter of Woodrow and Mr. and Mrs. J. C. Jeter, Bill and Clay of San Angelo visited Saturday with Mr. and Mrs. H. W. Jeter. Also arriving Saturday to visit with the Jeters were Mrs. John Gregg and grandson, Bobby Stennett of Brigslow, Ark. They will be here for several days.

Mr. and Mrs. Kenneth Atnip of Wichita, Kan., were week end guests in the home of Mr. Atnip's parents, Mr. and Mrs. H. E. Atnip. On Monday they all visited with Mr. and Mrs. Hunter Tolbert and children, Hunt and Susie, in Lubbock. Mrs. Tolbert is Kenneth Atnip's sister.

The Rev. W. W. Cuiwell of Abilene visited with his sister, Mrs. H. H. White, and family last week. He also attended the Annual meeting of Northwest Texas Methodist Churches.

Short Snorts

Venue in the future income tax trial of George B. Parr, political boss of the Duval County area, has been transferred to Austin.

Sen. William H. Moore of Bryan has pending in the Senate a resolution to investigate Southwest Conference athletic recruiting, following accusations against A. & M. College.

A Senate committee struck from the House-passed "unfair sales" bill authority for a trade association to sue a merchant for selling goods below cost. Sponsors said they wanted that proviso because an individual merchant might hesitate to sue—and give housewives the idea he was trying to keep them from buying as cheaply as possible.

Cuts in allowable oil production, made by the Railroad Commission, whittled the State's prospective revenue from oil. June allowable was cut 64,820 barrels daily, and July 67,219.

The Senate joined the House in passing Rep. Dolph Briscoe's stringent bill regulating veterans' land sales and outlawing block deals. Briscoe's constitutional amendment replaces the Governor and Attorney General as Veterans Land Board members.

TURNER-COCHRAN WEDDING VOWS EXCHANGED SUNDAY EVENING

Mrs. Coy Cochran

Wedding vows were exchanged Sunday, May 29 in the First Baptist Church, by Miss Dorothy Turner, daughter of Mr. and Mrs. L. S. Turner, and Coy Cochran, son of Mr. and Mrs. W. E. Cochran all of Slaton. The single ring ceremony was read at 5 p. m., by the Rev. J. T. Bolding, pastor.

An arch of greenery and white ribbon bows with a white wedding bell was placed at the altar.

Wedding music was played by the organist, Mrs. Aubrey McNeely, who accompanied Al Wilson as he sang "I Love You Truly" and "I'm In Love With The Lover Of My Soul".

The bride, who was given in marriage by her father, wore a gown of white lace. She wore a bandeau of white velvet and her accessories were white. She also wore a blue garter for something blue, pearls belonging to her mother for something borrowed and carried a white handkerchief belonging to her mother for something old. The bride's uncle brought this to her mother in 1918 from France. She carried a white Bible topped with white carnations.

Miss Patsy Turner, the bride's sister, was the maid of honor, and wore a dress of blue and pink silk organza over iridescent pink taffeta. She wore a corsage of pink carnations.

Bill Love of Lubbock served the groom as best man. Ushers were Roy Carpenter and Billy Earl Caldwell.

After a short wedding trip the couple will be at home in Lubbock.

The bride is a 1955 graduate of Slaton High School and the groom attended school in Ballinger. At the present he is employed by International Harvester of Lubbock.

WANDA MARIE PRUITT TO MARRY JOHN E. HOGUE JULY 23

Wanda Marie Pruitt

Mr. and Mrs. Linton Pruitt announce the engagement and approaching marriage of their daughter, Wanda Marie, to John E. Hogue, son of Mr. and Mrs. C. E. Hogue.

The wedding vows will be exchanged in the First Baptist Church July 23 at 7 p. m.

Miss Pruitt is a 1955 graduate of Slaton High School. John is a graduate of Slaton High School and is employed by the Santa Fe.

SUZANNE NEILL COMPLIMENTED BY PARTY WED.

Mrs. Don Hatchett and Mrs. Vassar Browning complimented Miss Suzanne Neill on her graduation with a swimming party and picnic at the County Park Wednesday, May 25 at 4 p. m.

She was presented a hostess gift. Those attending were Sandra

Football Mothers Hold Picnic In County Park

Members of the 1954 Football Mother's Club were hostesses to the prospective new members and their families at a picnic Saturday evening, May 4, at the City Park. Approximately 25 persons attended.

After the picnic a short business session was held in which plans for activities during the coming football season were discussed.

Coach Homer Tompkins appointed the following nominating committee to recommend new officers for 1955: Mesdames C. E. Corley, M. E. Ford, Magnus Klattenhoff, H. H. White and W. J. Thomas.

Bridal Shower Honors Miss Dorothy Turner

A bridal shower honoring Miss Dorothy Turner was held in the home of Mrs. W. V. Childers Tuesday, May 24, from 8 until 9 p. m.

The tea table was laid with a white Madeira cut-work cloth and centered with an arrangement of pink peonies and flanked on either side with pink tapers.

Mrs. Childers greeted the guests and presented them to the receiving line composed of the honoree, her mother, Mrs. L. S. Turner, and the groom's mother, Mrs. W. E. Cochran.

Mrs. J. B. Huckabay and Mrs. C. J. Rhoads presided over the bride's book.

The hostess gift was a blanket, bedspread and two sheets.

The hostesses were Mesdames Childers, Dudley Berry, Jack Clark, Floyd Guelker, M. M. Tumlinson, D. J. Bourn, L. O. Lemon, Rhoads, Bert Polk, O. D. Morris, B. B. Green, Aubrey McNeely, C. E. Gravel, L. D. Poer, T. C. Martin, Huckabay and Misses Natreille Limmer, Nelda Lemon, Callie White and Carrall Ann Mann.

Win One Class Holds Monthly Meeting

The Win One Class of the First Methodist Church met May 27 in the home of Mrs. Paul Houston for their social meeting. Mrs. George Evans was co-hostess.

The meeting was opened with a song "What A Friend We Have In Jesus". Mrs. Evans led the opening prayer. Mrs. Nola Waldrop brought the devotion from Luke 5:1-12 and also read "Launch Out In The Deep." Mrs. J. T. Pinkston gave a reading "Our Help Cometh From The Lord." The meeting was closed by all members repeating the Lord's Prayer.

Refreshments were served to 17 members. The next meeting will be June 24, in the home of Mrs. Joe Walker Sr., and at that time the Sunshine Sisters will be revealed.

Mrs. Bill Clary of San Angelo is visiting her sister, Mrs. L. N. Foster, and family. She came Tuesday and will stay until after the week end.

Waymon Muse left Tuesday of last week to go to Carlsbad, N. M., where he will work as an electrician's helper during the summer. He will be working at the International Potash Mine.

(SLATONITE STAFF PHOTO)

BIG SISTER 'CAN' HELP and it can still be fun, as is plainly seen. Peggy Kirksey, who plays a mean "12th Street Rag", loves to play and sing and her big sister, Vicki Lynn, is proud of her accomplishments. Mother, Mrs. C. C. Kirksey, looks on with pleasure.

Slaton Women Give Their Favorite Tested Recipes

One of Mrs. C. C. Kirksey's favorite recipes is for Fudge Cookies. They are especially good to serve on dessert plate.

Fudge Cookies

- 2 cups sugar
- 1 cup milk
- 6 tsp. butter
- 2 cups graham cracker crumbs
- 1 1/2 cups cocoanut
- 1 tsp. vanilla
- 20 marshmallows

Method: Boil sugar, milk and butter until soft ball stage. Remove from fire and add 20 marsh-

mallows. Beat until dissolved. Then add 2 cups of graham cracker crumbs and the cocoanut. Add vanilla. Spread on greased plate.

The Kirkseys were both reared in Slaton. Chris moved here in 1927 and lived here until 1939. Mrs. Kirksey, who was Adele Custer, moved to Slaton when she was two years old, from Post. She lived here until 1927 when the family moved to Rising Star. They moved back here in 1933.

Adele was a freshman in high school when Chris was a senior and before they began going together he used to say, "That's the girl I'm going to marry." Adele laughed and said the first time they went with each other, she was attending a medicine show and Chris took her home. They were married four years later, at the time of their marriage and about a year before, she worked at the Slatonite.

The Kirkseys moved to California in 1939 and lived most of the time they were there in Bell, Calif. They returned to Slaton in 1952 and since then Mr. Kirksey has been a consignee of the Gulf Oil Co. Mrs. Kirksey is his bookkeeper. Her only complaint is that she has to work.

They have two daughters: Vicki Lynn, who is 13 and will be a freshman next year; and Peggy Ann, who is seven and in the second grade. They are both interested in music and are taking piano lessons. Peggy loves to sing. After the eighth grade graduation May 20, Vicki had her entire class and some of the parents in her home for a party.

Adele's hobbies are limited by lack of time. While living in California she enjoyed working with

First Double Wedding Is Held In Westview Church

Church Of God Girls Are Attending Camp

Four Slaton young people left Sunday, May 29, for Ft. Worth where they are attending a Church of God Youth Camp that is being held at Camp Carter. They are Karen Bowerman, Betty and Marilyn Clark, and Algerita Clark. They were accompanied by the Rev. Louis Bowerman and Mrs. Jesse L. Swindle, who are teachers in the camp. Mrs. Swindle is teaching hand-work and Rev. Bowerman is teaching several different things beside being a counsellor.

After the camp, from Monday through Friday, the group will meet Jesse L. Swindle and his daughter, Mrs. Louis Bowerman, at Weatherford to attend the Camp Meeting starting today, June 3. T. Hegirl's parents are to go to Weatherford to bring them home.

ceramics and has several pieces in her home. She says they entertained more there as she was not working and had more time at home.

They are members of the First Baptist Church. Vicki played the piano at the Mexican Mission, part time, until recently.

One of the biggest thrills Mrs. Kirksey ever had was when Peggy won a beauty contest over about 100 children when she was four years old. She was crowned "Miss Tri-City" and won three trophies at one time.

In the first double wedding held in the Westview Baptist Church Miss Betty Ruth Brush became the bride of Raymon Madison Wilkins and Miss Betty Jean Olive married Ray Anderson Wilkins.

The double-ring twin rites were read at 3 p. m., Sunday, May 29, by the Rev. Bryan Ross, pastor of the Westview Church. The altar was decorated with pink gladioluses and greenery.

Mrs. Raymon Wilkins is the daughter of Mr. and Mrs. W. C. Brush and Mrs. Ray Wilkins is the daughter of Mr. and Mrs. J. D. Martin. Ray and Raymon are the identical twin sons of Mr. and Mrs. R. C. Wilkins.

Miss Nancy Clifton was pianist and accompanied Mrs. M. G. Davis as she sang "I Love You Truly".

Brides' Gowns

Both brides wore white faille princess style dresses designed with a white lace bolero. They wore ice-blue shoes and hats and carried white Bibles topped with white carnations. Mrs. Raymon Wilkins was given in marriage by her father, W. C. Brush, and Mrs. Ray Wilkins by her step-father, J. D. Martin.

Mrs. Raymon Wilkins' attendant was Miss Fredda Blair. She wore a blue taffeta suit with red carnations. Mrs. Ray Wilkins' attendant was her sister, Miss Joy Ann Olive. She wore a blue satin dress with white accessories and white carnations.

Coy Cochran served Raymon as best man and Gene Strange served Ray. Ushers were Lyndol Grigsby, Gordon Stinnett, Kenneth and Richard Brush.

Reception Held

A reception was held in the home of Mr. and Mrs. W. C. Brush honoring Mr. and Mrs. Raymon Wilkins.

Miss Mary Wilson and Miss Blair

presided at the tea table, which was laid with a lace cloth and centered with orchid carnations. Miss Dorothy Gravel presided at the register.

Mrs. Raymon Wilkins wore an aqua linen suit with white accessories on the couple's wedding trip to Arkansas. They plan to be gone a week. They are 1955 graduates of Slaton High School.

Mrs. Ray Wilkins chose navy blue linen for her traveling suit. They went to Lake Texoma for a week. Ray graduated from Slaton High School this spring and is employed by Western Auto Store. They will reside at 605 S. 9th.

Out-of-town guests were Mr. and Mrs. Troy A. Martin, Waco, Mr. and Mrs. Troy Edwards and Mr. and Mrs. F. M. Chancy and Mrs. Payne, Lubbock, Mr. and Mrs. Sid Lowery Mr. and Mrs. W. D. Macon of Albany, Miss Katheline Davis of Ft. Worth, Mr. and Mrs. Sims R. Riley, Mr. and Mrs. Johnny Hensley and Mr. and Mrs. Charles Davis all of Odessa, Mr. and Mrs. T. W. Morrison and Bobbie June Buchanan of Sherman.

Bownds Home Scene Of Class Meeting

Fidelis Matrons Sunday School Class of the First Baptist Church met in the home of Mrs. Truett Bownds Tuesday, May 31, at 8 p. m.

Mrs. Cooksey Burleson led the opening prayer with Mrs. Ray Samples bringing the devotion.

Games and refreshments were enjoyed by Mesdames Don Britt, teacher, Paul Melton, Gordon Davis, Lynn Perdue, Samples, Floyd Guelker, Burleson, Roy Hodges, Travis Mann and Charlotte Ryno.

Just Talk

By A. M. J.

Not being in a position to issue engraved scrolls, carved plaques or to bestow even a badge of honor, I would like to take off my hat and bow low to Dr. Don Hatchett for his efforts, beyond the call of duty, in directing and working with the youngsters taking part in the Major and Little League ball program in Slaton.

Knowing that the young Doctor may be acting, to some extent in self defense, as he has a very enthusiastic force of youngsters of his own, he must still be given credit for devoting a lot of patience and understanding to help keep the wild and effervescent spirits of a good part of the youngsters of our town employed.

Not long ago I visited in Doctor Hatchett's dentist office. After he had ground a rough place off one of my teeth I asked what the labor charges were. "Not a thing," said the Doctor, "I'm feeling good today and don't need the money."

Deciding that it was a very good time for me to leave before he changed his mind, I started for the door and as I closed it behind me I heard some woman's voice from one of his torture chambers say, "I heard that." I've wondered several times how he got out of that corner.

That the Doctor believes in keeping his own brood in top physical shape was brought home to me last Thanksgiving Day when his youngest daughter came over to sit on our front porch when she was visiting Beverly Arrants, the four year old who lives across the street from us.

The time was shortly afternoon and I made the remark that I'd bet that they were both full of turkey.

"Not me," said Miss Hatchett, "I'm full of vitamins."

Regardless of whether the Slaton Little League wins any pennants or not, those who are helping to make it popular in our town are doing something worth while and I envy the women and men who have the ability and who are willing to take the time to work with the Davy Crockett gang.

While it's probably near Heresy out here in West Texas I am going to admit that I am not a rip snorting Rodeo fan.

After considering this lack of enthusiasm from my amateur scien-

tific point of view I have decided it is caused from an experience I had in my formative years.

When I was seven or eight years of age I used to play with the son of a doctor who lived on the street just back of our home in Paris, Texas. The doctor had an old buggy horse that looms in my memory as being much taller than a camel and built much on the same lines. Occasionally the doctor would let this playmate of mine ride the horse. One morning he invited me to get up behind him. He had a saddle to ride on but I didn't. He insisted that I should not hold on to him but to the rim of the saddle. We got along very nicely for about a mile until he dug his sharp little heels into the flanks of the horse. We took off at a mile a minute, with me bouncing around on the rear holding on the saddle with the grip of grim death.

The saddle slipped off and I went with it clear under the belly of the horse and came out on the other side gasping for breath and sure that the end of the world had arrived for me. The master of the horse went over the top of the hill bare back with the saddle upside down on the underside of the steed.

Bruised and bleeding, I made my way home to get blamed by the doctor's son for pulling his saddle out from under him. One more attempt at horse back riding not any more successful that the one on the doctor's horse, ended my interest in such activities and although I can work up a mild interest in rodeos I always think of my own efforts along this line and my back gets stiff and my digestion queezy.

It is said that you do not have to be smart to run a weekly newspaper because every body in town will tell you how. Its not the news most folks are looking for, as it spreads so fast by word of mouth that a jet bomber cannot keep up with it. What the folks are interested in is how many mistakes are made in reporting and in the lack of details that even the most daring newspaper leaves out. It's the easiest business in the world if you like to live with a telephone ringing in your ears all day, enjoy wearing clothes with ink spots in the most conspicuous places and don't mind taking the blame for barking dogs, howling cats, boys throwing rocks and bumps in the pavement.

Personally, I enjoyed it until my fuse blew out.

It is said that the people of West Texas will drive farther than any people in the United States to see less, because we lead such monotonous lives that a tree or a puddle of water throws us into fits of ecstasy.

Having lived out here long enough to feel that I am a West Texan, I would like to put in my paddle to say that I hope the project to enlarge and improve Buffalo Lakes will materialize.

The present set up out there has been a boon to the people of this area and if Mr. Will Rogers and Mr. Etz had not provided this excellent play ground for the folks of Slaton and surrounding area a lot of us would have spent a lot more dull summer days than we have in the past.

After a long talk with Mr. Rogers not long ago I got so enthusiastic that I went out to our storage room where my wife had stacked my fishing tackle under an old gas stove and some broken window frames, and spent a whole evening untangling some rusty hooks, bass lures and about one hundred feet of fishing line and I've got it all spread out on our dining room table. She has put up a terrible howl but I have staved her off by explaining that we eat on the breakfast table all the time anyway but the situation is getting pretty tangled up and if I don't get the stuff straightened out before long I and the tackle will have to go to the garage. Maybe I'll just throw it all in my tackle box like it was to start with and go to Buffalo.

Mr. and Mrs. Royce Pember and daughter, Mrs. Jim Hobbs, of Roswell, N. M., visited Tuesday and Wednesday of last week with Mr. Pember's mother, Mrs. M. A. Pember.

WILSON NEWS

Juanita Murray

The Wilson Baptist Church is having their Vacation Bible School this week. 82 children participated in the annual parade last Saturday morning.

Mr. and Mrs. C. H. Nelson visited in the home of Mr. and Mrs. W. M. Weaver of Lubbock.

Miss Noretta Thratham of Woolf-orth visited in the home of Mr. and Mrs. Ira Clary and family recently.

Week end guests in the home of Mr. and Mrs. L. A. Coleman were Mr. and Mrs. Marion Callan and Beverly of Vernal, Utah. Mr. and Mrs. Dewey Winstead of Lubbock and Mrs. Selma Allen of Sterling City.

The Rev. G. W. McLain of Texline spent Saturday night in the G. C. Coleman home.

Mr. and Mrs. Ira Clary and Carolyn visited in the home of Mrs. Josie Henderson of Tahoka recently.

Mr. and Mrs. Hub Brown and Mary Ann of Leuders visited in the home of Mr. and Mrs. D. A. Brown Saturday night. All of them went to Brownfield Sunday to attend a family reunion.

Mr. and Mrs. John Ford and son, Kenneth, and Mrs. Pauline Rogers and children spent the week end with their son and in Odessa who have a new baby girl.

Mr. and Mrs. Curly Sloan had as their guests Saturday night for an ice cream party, Mr. and Mrs. Pete

Carpenter and family of Lubbock, Mr. and Mrs. Buford Powers and Mr. and Mrs. Russell "Runt" Moore and family of Wilson.

Mr. and Mrs. Thomas Autry of Albuquerque visited in the home of Mrs. Autry's parents, Mr. and Mrs. Walter Steinhauser.

Mr. and Mrs. Red Sloan of Slaton visited in the home of Mr. and Mrs. Curley Sloan and family Sunday night.

Mr. and Mrs. Clarence Church and family and Mr. and Mrs. Grover Coleman attended the annual conference of the Methodist Church in Lubbock Sunday.

Mrs. J. J. Riney is visiting relatives in California and Arizona this week.

Mr. and Mrs. Malcolm Coleman and son of Clovis are visiting in the home of Mr. Coleman's parents, Mr. and Mrs. C. C. Coleman.

Mr. and Mrs. W. O. Lemon and family of Lubbock and Mrs. O. W. Ray and daughter visited in the home of Mr. and Mrs. J. W. Iamb and family Saturday night.

Mrs. M. L. Murray was in the Methodist Hospital at Lubbock the first three days of this week. She is reported to be doing fine.

Mr. and Mrs. Walter Ray Steen have a new baby girl, born Tuesday at St. Mary's Hospital in Lubbock.

To kiss the Blarney Stone in Ireland one must hang by his feet.

Mrs. W. D. Cooper, Susie and Sally left Wednesday to go to Chicago, Ill., to visit Mr. Cooper, who has been working there. Mrs. Gertie Kramer, who has been visiting Sally here will go with them to her home in Michigan City, Ind., and Sally will visit with her for about a month.

Lena Schmidt arrived home on Thursday of last week and then went to Amarillo to attend the wedding of a friend. She has been teaching school in Seminole.

Looks like the Thunderbird—
Acts like it, too!

A Test Drive will prove Ford's Trigger-Torque power lives up to the promise of Ford's Thunderbird styling

Ford used the long, low Thunderbird as an inspiration for the styling of its 18 models for 1955.

Ford also captured a lot of the Thunderbird's "Go" . . . a lot of its easy handling . . . and a lot of its interior beauty.

You'll find Ford's Trigger-Torque power gives you action right when you want it. You'll feel safer—pass faster.

You'll find Ford's Ball-Joint Front Suspension helps Ford hold the road like a coat of paint . . . and a new front suspension mounting gives Ford a silky-smooth Angle-Poised Ride.

Then, Ford interiors, like those of the Thunderbird, are rich, colorful and completely new! Come in and see why Ford's worth more.

You can see the Thunderbird look in the long, low lines of the Ford Fairlane Sunliner

News Of Slaton Men In Service

Hollis Barkley, EMFM/3, of the U. S. Navy arrived home May 21 for a visit with his mother, Mrs. Verna Barkley of 730 So. 7th. He is stationed on the USS Charr, a submarine. Barkley has been in the Navy since 1950. He is to leave Friday or Saturday to return to California.

Pvt. Richard Perry, son of Mr. and Mrs. Francis Perry, has just completed eight weeks of Basic Administration course at Ft. Ord, Calif. He reported June 1 for duty with the 64th Battalion Ordnance Special Weapons at Albuquerque, N. M.

The Rev. Bryan Ross went to San Angelo Sunday night to be with his mother-in-law, Mrs. Lottie Cook, who underwent surgery Monday morning. He returned Tuesday.

Mr. and Mrs. J. J. Maxey and daughters, Pam, and Mrs. Mack Hudgins, Mr. Hudgins and Jay Mac, spent the holidays visiting Mr. and Mrs. Bruce Maxey in Amarillo and Mr. and Mrs. H. C. Knapp in Panhandle. They also visited with friends in both places.

The Rev. and Mrs. Jordan Grooms of Big Spring were dinner guests in the home of Mr. and Mrs. Francis E. Perry Sunday evening. They were en route home after attending annual conference in Lubbock last week.

Mrs. George Marriott returned home from the hospital in Albuquerque, N.M., last Tuesday. She is reported to be doing fine but will have to return to the hospital the last of the month.

Guests in the home of Miss Cora Sealy last week end were Mrs. Reba Harry and Mrs. Crystal Lovelady of Albuquerque, N.M.

Mr. and Mrs. Charles Marriott were in Blackwell, Okla. the day after the tornado struck there. They described the situation as horrible to see and said they had some relatives there that had property destroyed but escaped serious injury.

The Slaton, Tex., Slatonite Friday, June 3, 1955
Ben Nevis is the highest mountain in Great Britain.

Thrips . . . universal pest, responsible for extensive damage to cotton in early season. About 1/20 of an inch long, they are slender, active bugs, pointed at both ends and varying in color from light yellow to almost black.

The flea hopper feeds on the juices of tender parts of the cotton plant . . . causing greatest damage to immature squares. The infested plants grow tall and whiplike with fewer branches . . . produce only a few bolls near the top.

Get higher cotton yields
KILL THRIPS and FLEAHOPPERS with dieldrin

Use dieldrin early to kill thrips, flea hoppers and other cotton insects. Dieldrin-treated cotton gets a good early start . . . pays bigger dividends. You get better quality cotton and earlier harvest—less danger of heavy loss due to early frost.

Tested at Texas A. & M. (1954), dieldrin-treated cotton produced almost three times as many blooms in a three-week period after treatment as did the untreated cotton. It pays to use dieldrin! Here's why:

- It's long lasting!** Dieldrin gives long-lasting protection. Days after application, dieldrin still has lethal effect.
- It's easy to use!** Used as a dust, dieldrin is smooth-textured, free-flowing. In a spray, dieldrin forms top-creaming emulsions . . . eliminates nozzle clogging.
- It's economical!** Two to three applications at the recommended dosage—1/10 pound of actual dieldrin per acre—gives top control.

Use dieldrin early this year! Your insecticide dealer has dieldrin and information on latest methods of application best suited for your use. Don't delay—order dieldrin today!

"TELEPHONE IS THE CENTER OF OUR FAMILY CIRCLE"

These are the words of Mrs. Colin Stewart, one of a group of Southwestern Bell customers who recently kept a day-to-day record of telephone calls made and received during one week.

Until she kept this record of calls, Mrs. Stewart says she never really realized how important a part the telephone plays in her family life.

You see, Mrs. Stewart's husband is retired now, and though they spend more time together, she still likes to keep in touch with all of her family—a daughter, son-in-law and four grandchildren.

Above are just a few of the telephone calls Mrs. Stewart listed during one day. They show why she says that the telephone is the center of her family circle.

The telephone in your home is only the beginning of the greater telephone convenience you may enjoy. For information on how you can have modern, complete home telephone service, please call the telephone business office.

Long distance is twice as fast when you call by number.

No pillar or post

for this wide-open beauty

It's the new kind of hardtop—**The 4-Door Riviera!**

There seems to be some confusion about what a hardtop really is, and we'd like to set the matter straight.

A hardtop is a car that looks like a Convertible with the top up—but has a solid steel roof overhead—and no center posts in the side window areas.

Up until just recently, it could be built in volume only with two doors—not more—because it would take wholly new structural principles to hinge another set of doors without floor-to-roof center posts.

But Buick came up with those new structural principles and is now building—in volume—hardtops with four doors.

You see one pictured here. It's the 4-Door Riviera. And it's taking the country by storm . . .

Because here, at long last, is an automobile with the sleek and sporty styling of a true hardtop—but with separate doors for rear-seat passengers, plus the added room of a full-size Buick Sedan.

On top of that, this beauty is all Buick—with the buoyant ride of Buick's all-coil springing—the walloping might of Buick's record-high V8 power—the whip-quick getaway and sizable gas savings of Buick's spectacular Variable Pitch Dynaflo.*

And it's available in Buick's two lowest-priced Series—the budget-tagged 188-hp SPECIAL, and the high-performance 236-hp CENTURY, illustrated here.

Come visit us for a first-hand meeting with the 4-Door Riviera—and see how quickly and how easily the last word in automobiles can be yours.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Westview Church Vacation School In Progress

The vacation Bible School of the Westview Baptist Church began Wednesday morning, and will continue through Friday morning June 10th. It started off the first day with an enrollment of 116 and an attendance of 115. The pastor, Rev. Bryan Ross, states that the goal for the school is 150 enrolled. Preparation Day was held last Tuesday morning and was climaxed with a parade and refreshment period.

The school meets each week-day morning from 8:30 until 11:00 a.m., (except Saturday morning). The following items are included in each days activities: Joint services, character stories, mission activities, Bible study, refreshments, hand-work, and games for the younger groups.

Friday morning May 10th there will be a Bible School picnic at 10:45 a.m., and the commencement will be held that night at Westview Baptist Church. The time of meeting will be 8 p.m. At this time there will be a program given by the various departments. The handwork will also be displayed for the parents to see.

A silver dollar was given to the one yesterday that brought the most new members. Another one will be given this morning.

The general officers of the school are as follows: Principal - Bryan Ross, Refreshment committee - Mrs. A. E. Clack, and Mrs. Pat Patterson, Character story - Mrs. Mable Vaughn, Pianist - Venita Green. The workers in the departments are as follows: Intermediates - Mrs. J. Gray, Mrs. Mable Todd, Mrs. W. B. Flores, Juniors - Mrs. J. G. Harper Jr., Mrs. J. C. Strange, Mrs. B. B. Clack; Primaries - Mrs. Ray Belt, Mrs. Blair Milliken, Mrs. Geo. Green, Mrs. Martha Sain, Mrs. Calvin Willis, Mrs. Melvin Johnson; Beginner - Mrs. Dave Robison, Mrs. Bryan Ross, Mrs. Wesley Gentry, Mrs. T. H. Armstrong, Mrs. Douglas Milliken; Age 3 - Mrs. Raymond Samply, Mrs. Cagle, Mrs. R. C. Brush, Mrs. Bill Roche; Nursery - Mrs. Robert Brake, Mrs. T. V. Ellis, Mrs. Kenneth Brush, Mrs. Robert Sartain, Mrs. P. E. Rakes.

Mr. and Mrs. Earnest Kercheval and Beverly visited during the holidays with Mrs. Kercheval's father, Dr. M. L. Stanphill, and her brother, Dr. V. C. Stanphill, in Denison and another brother, Dr. A. L. Stanphill in Sherman and their families. They also made a trip to Dallas and attended the "Cinerama".

Mr. and Mrs. Charles Felty and Mr. and Mrs. C. A. Pierce spent three days last week fishing at Red River, N. M. They reported a good catch. They were also in an 18 inch snow.

Mr. and Mrs. J. P. Haliburton and Steve have just returned from a trip to San Antonio, Austin and Dallas. They visited Mrs. Joe Teague Sr., and Myrtle while in Dallas.

Mr. and Mrs. Pat Bullock and Pam St. Clair of Muleshoe visited Wednesday with Mr. and Mrs. O. N. Alcorn. Mrs. Bullock is a sister of the late Mrs. Aronld Alcorn.

Mr. and Mrs. Otis Glascock of Snyder visited Friday night and Saturday with Mr. Glascock's parents, Mr. and Mrs. Hershel Glascock.

Mr. and Mrs. Harmon Thompson and Jane and Mr. and Mrs. J. P. Haliburton and Steve spent the week end in Carlsbad, N.M. They went through the Caverns while they were there.

Mrs. P. M. Wrenn of Whitewright and her brother, James L. Bennett, of Duncan, Okla., returned to their homes last Saturday after a 10-day visit with their sister, Mrs. E. E. Wilson.

Mrs. Bertha Reeder of Dallas and Mrs. Doyle Prater and daughter, Rebecca, of Amarillo spent Thursday night and Friday with Mrs. E. E. Wilson. Mrs. Reeder is Mrs. Wilson's sister and Mrs. Prater is her niece.

Mrs. C. M. Russey and daughter, Marilyn, and two sons, Terry and Bob, of Ft. Worth visited last week with Mrs. Russey's aunt, Mrs. E. E. Wilson.

Mr. and Mrs. Russell McCormick and two boys of Albuquerque, N. M., spent the week end visiting Mrs. McCormick's parents, Mr. and Mrs. M. C. Eakin.

Mr. and Mrs. T. N. Moorhead and boys, Mike and Greg, of Big Spring visited Sunday with Mrs. Roy Parks, and Mr. Parks.

Mrs. Mac Hudgins and Jay Mac visited with Mr. and Mrs. J. J. Maxey and Pam Wednesday.

Mr. and Mrs. Allen Crowley and Iva and Mr. and Mrs. S. V. Champlin spent from Wednesday of last week until Tuesday on a sight seeing trip to Grand Canyon, Flagstaff, Oak Creek Canyon and Phoenix, Ariz. Mrs. Champlin is Mr. Crowley's sister.

The Slaton, Tex., Slatonite Friday, June 3, 1955

Meet Your MINISTER'S WIFE

"Although I was in religious work before I married, I enjoy it even more working with my husband in this worthwhile and satisfying work," says Mrs. Larry Lake, wife of the minister of the First Presbyterian Church of Slaton.

They were married and moved here two years ago this August. This is Rev. Lake's second pastorate, the other being in Dumas, Texas. Rev. Lake was reared under the church's atmosphere as his parents were missionaries to Japan for about 25 years. In fact he was born there and returned to the states when he was 14. His parents were "invited" to leave by the Japanese government before Pearl Harbor, and they returned to America. They now reside in Colorado Springs, Colo.

Reared in Clayton

Mrs. Lake, who was Louise Edmondson before her marriage, was reared in Clayton, N.M., and was graduated from high school there. She received her degree from University of New Mexico and received her master's in religious education from Southwestern Baptist Seminary in Ft. Worth. During the war she took a special course in aeronautical engineering at the University of Texas and worked one year for Curtis Wright in St. Louis. This training and years work interrupted her college work and she returned afterward and got her degree.

She did educational and youth work in Waxahachie and Dumas. She met her husband while in Dumas.

Steven Allen who is six and a half months old is extremely important member of the Lake household. He is a pleasant baby and is very, very friendly.

Church Activities

Louise teaches the young women's class in Sunday school and is program chairman for the local Women's Council of the Presbyterian church. She also helps in the nursery when needed. At the present she is looking forward to vacation Bible School, which is to

begin June 13 in their church. She says she is to do whatever is needed as she is a substitute in this church endeavor.

Her hobbies through the years have been reading and music. She plays the piano and has played in church services some but since the birth of Steven she hasn't done this. She says Stevie has also taken care of a great deal of her reading, but she still enjoys it. She also likes to cook, especially Japanese food as they are a favorite of her husband. She told of a dish she prepares called "Sukiyaki". It contains meat, celery, green peppers, onion, bamboo shoots, bean sprouts and Shoyu sauce (similar to the Chinese Soy sauce). Louise says, "Of course you serve it on rice." They get the Shoyu sauce from Denver.

One of the nicest trips she has taken was a tour through the Northwest, down California and to Boulder Dam, which she and Rev. Lake took on their three week honeymoon. They went over into Canada.

Louise is a member of the Athenian Study Club and has been elected to serve as vice-president for this next club year.

TEAGUE HOME IS SCENE OF CLUB MEETING

Mrs. Joe Teague Jr. was hostess to the members of the Blue Bonnet Club at her home on Wednesday afternoon, May 25. 14 members answered roll call with current events.

During the business session Mesdames Teague, Dan Liles and Fannie Patterson were appointed delegates to the County Federation meeting which was held in Lubbock on Tuesday, May 31.

Canasta, bridge and 42 were enjoyed by the members and two guests, Mrs. Dudley Berry and Mrs. Charles Walton.

(SLATONITE STAFF PHOTO)

AN IMPORTANT MEMBER OF THE Lake household is Master Steven Allen, who was very busy at the moment and seemed to be ignoring his mother, Mrs. Larry Lake, as she was offering him a toy.

18 ENROLLED AT NURSERY SCHOOL

Eighteen children from ages two to six registered and attended the Nursery School conducted by the Summer Homemaking Class last week Tuesday, May 24, through Saturday, May 28.

Children enrolled were Linda and Debora Moore, Kenneth Winchester, Don Smith, Alan Willis, Mike and Carol Green, Judy Gibson, Dubbin and Robert Englund, Danny and Randy Roberts, Charley Bill Behlen, Duane Stewart, Elaine Bland, Danny Ray, Judy Ann and Mary Beth Pugh.

Girls who conducted the school were Fay Nell Wiley, Pauline Miller, Beverly Bland, Louise Moore, Linda Smith, Peggy Ray, Venita Green, Beverly Kercheval, Kay

Castleberry, Sandra Long, Shirley Love, Pam Maxey, Karen Cooper, Delma Tucker, Pauline Martin, Loretta Gerengross, Joan Barber, Dorothy Heaton, Mary Jane Lovelady, Opal Willis, Charlene Limmer, Bonnie Limmer, Patsy Daniel, Alma Roberts, Helen Ann Norris, Barbara Wilke, Rose Custer, Billie Jean Malone, Ova Sue Wilson, Beth Lowery, Mary Ann Klattenhoff, Lucille Wyatt, Patsy Hogue and Sharon Smith.

Mrs. G. K. Haile and Mrs. Jerry Lovelady are the directors of the summer work and both are to supervise the home work. Mrs. Haile will conduct three craft classes during the months of June and July.

Mr. and Mrs. Herschel Glascock and family visited Sunday with Mr. Glascock's sister, W. O. Bayers, and family of Lubbock.

Early Season Control Of Thrips Fleahoppers On High Plains

COLLEGE STATION, May —longer periods. Early-season cotton insect control paid up to \$108.33 per acre at the Lubbock Experiment Station in 1954.

Insecticide tests at the station included pre-square applications for thrips control and post-square treatments for fleahoppers and thrips control. Toxaphene and dieldrin sprays also were compared in two experiments.

W. L. Owen, Jr., entomologist at the station, reports that the pre-square toxaphene applications controlled thrips effectively for at least one week. Two treatments reduced plant malformation but did not protect cotton from thrips were compared to two experiments, for fleahoppers and thrips control. Toxaphene and dieldrin sprays also were compared in two experiments.

Where fleahoppers and thrips occurred in damaging infestations, economical control was gained with two or three applications of toxaphene or dieldrin sprays. Owen says. Although both materials were equally effective in controlling fleahoppers, dieldrin was superior to toxaphene for thrips control since infestations were reduced for

Yields of seed cotton were 653 pounds to the acre with two applications of toxaphene while two treatments of dieldrin produced 700 pounds of seed cotton per acre more than untreated cotton. Three applications of toxaphene and dieldrin increased yields 727 and 934 pounds per acre over untreated cotton.

Owen says assuming the lint from treated and untreated cotton was equal in quality the average gross return from control was \$96.46 per acre for toxaphene and \$108.33 per acre for the dieldrin treatments.

FINE BOX SCORE

AUSTIN—The pine box score of Texas traffic deaths in 1954 was 2,431. This was a 2.7 per cent increase over the deaths in 1953 when 2,368 people were killed. (Traffic fatalities in the nation in 1954 decreased 5 per cent from 38,300 to 36,300.) During 1954 someone was killed in a traffic accident every three hours and 36 minutes on an average. Someone was injured every 5 minutes and 7 seconds.

Protecting chickens against Newcastle and infectious bronchitis disease is made easier when vaccines are added to the drinking water.

Early-season cotton insect control paid up to \$108.33 an acre at the Lubbock Experiment Station in 1954.

The Rock of Gibraltar is almost 1,500 feet in height.

and Mrs. Lee Vardy and Mrs. Vardy's mother, E. Farley, will leave Saturday to Dallas. The Vardy's Richard, will receive his Doctors degree from Western Medical School Monday. Mrs. Farley plans to visit her sister, Mrs. Annie Wilkin Bonham before returning.

Mr. and Mrs. J. S. Hampton, Jiggs, Harold and Doug, Mrs. Alton Edwards, Judy and Jacque and Mr. and Mrs. Roland Hampton all of Slaton and Mr. and Mrs. Max Jackson and Don Wayne of Gordon attended the annual White family reunion at Seymour last Sunday. There were 85 relatives and friends present.

Harold Hampton is at home after recently receiving his discharge at Ft. Bliss in El Paso. He had been stationed in Germany.

**AGRICULTURAL STUDENTS
TO MEET JUNE 8-10
AT A & M COLLEGE**

4-H Club members, their leaders and friends will be on the Texas A. & M. College campus June 8-10 for their annual 4-H Roundup. Winners in 18 judging and team demonstrations contest will be decided and 17 short courses in subject-matter fields will be given.

Texas wheat farmers will join with the nation's growers on June 25 to vote in a national referendum on whether marketing quotas will continue in effect for the 1956 wheat crop.

Farmers and ranchmen are warned to get the hatching grasshoppers before they leave the hatching beds. Control is easier and cheaper and more effective if done before the 'hoppers begin migrating.'

Alaska is more than twice the size of Texas.

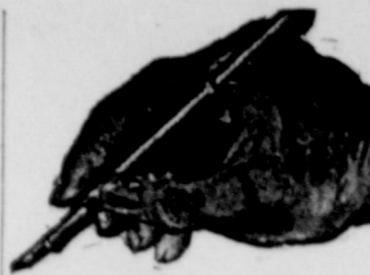

**Sunday School Attendance
Totals 1,574 For May 29**

Attendance at church schools in Slaton Sunday, May 30, totaled 1,574 in the 13 churches which reported.

Churches reporting and their attendance was as follows:

First Christian	45
Church of God	51
First Methodist	280
First Baptist	397
Church of the Nazarene	75
Westview Baptist	149
First Presbyterian	21
Grace Lutheran	100
Church of Christ	177
First Baptist Mission	91
Assembly of God	80
Pentecostal Holiness	43
Bible Baptist	60

The amount of plant food ordinarily recommended on soil tests returns is neither a maximum nor minimum. It is the "optimum" amount of fertilizer needed to produce a crop economically under expected moisture and growing conditions.

What They Write

We, the officers of the Slaton Little League, would like to acknowledge contributions of material and labor that went into the construction of the Slaton Little League Ball Park.

Commissioner Geo. Green made the wonderful location of the park possible. The original clearing and cleaning of the land was done by Mr. Grady Elder and the City street and sanitation department.

Surveying of the land was done by Santa Fe civil engineers, J. B. Huckabay, Bobby Taylor, and T. M. Wright. Materials for the out fence were donated by the four local lumber yards.

A power post hole auger was furnished by Harold Wilson. Truett Babb and the FFA boys, along with Coach Homer and the PE boys assisted in the actual construction of the fence.

M. H. Edwards Jr. did the concrete construction on the dug-out and concession stand at a considerable reduction in cost, while the lumber and roofing for the buildings were furnished by the Slaton lumber stores at cost. The poles for the back stops were furnished and set by the Southwestern Public Service Company.

The V.F.W. donated the center field flag and flag pole and Deal's Machine Shop donated the work on the pole. The score board was built and furnished by Liles Sheet Metal.

Carl Lewis is the man that is responsible for the nice playing field surface.

After practice sessions were actually started on the field there were a great many of the dads who contributed of their time and labor on the back-stop wire and foul line fences.

If we have overlooked any who assisted with this project we apologize. Among those who helped with the work were: D. W. Polk, James George, F. E. Chapple, A. C. Burks, Elmer Sparkman, W. W. Holingsworth, C. C. Hunter, Cline Cooper, L. M. Wright, E. C. Davidson, Val Wiley Jr., J. P. Haliburton and Jim Shelby.

Fred Schmidt, Homer Tompkins, Coach Kerr, John Reed, Norbett Kitten, James E. George, Otis Gunter, Doc Reasoner and his crew, Martin Diez, Kenneth Brush and

**Luggage Carts
Receive Great
Public Favor**

Self-service luggage carts, placed in experimental service by Santa Fe Railway at Topeka early this year, have met with such an enthusiastic reception that the railroad has decided to expand the program in June to include a number of other stations in Texas, Colorado, New Mexico, Kansas and California.

The carts, developed by the Folding Carriage Corp. of Oklahoma City from the railroad's design, will be used in Texas at Temple, Amarillo and Lubbock. In New Mexico they will be placed in service at Albuquerque and Clovis; in Kansas at Arkansas City and Hutchinson; in California at Fullerton, Fresno and Pasadena; and in Colorado at La Junta.

Available free of charge to passengers as a supplement to regular red cap service at the stations, the carts are made of Chrome-Plated Tubular Steel and Wire, are equipped with four sealed bearing wheels and have capacity of approximately 400 pounds of luggage.

Passengers entering the stations may place their luggage on a cart and push it to the location where they will board the train, at which point a train attendant places the bags aboard — all at no cost to the traveler.

A wire basket atop each cart may be used as a safe seat for small children or as a handy rack for small packages.

Kay and Marsha Porter left Monday night to go to Temple to visit Kay's grandmother, Mrs. W. R. Tomlinson.

Mr. and Mrs. O. D. Kenney and Peggy visited Mr. and Mrs. A. J. Lindsey in New Boston Saturday. On Monday they visited Mrs. H. S. Crews in Greenville.

Joe Schilling and Harold Steffens are home for the summer from St. Mary's College in St. Mary, Ky. Their parents are Mr. and Mrs. H. F. Schilling and Mr. and Mrs. John Steffens.

Mrs. Sanders Walker of Vernon visited Saturday night and Sunday with her niece, Mrs. O. L. Doyle and family. Miss Charlotte Ann Martin of Brownfield is spending the week with them. She is the niece of Mr. Doyle.

De S. Rhodes, 60, Poring In Music Texas Tech

LUBBOCK, May—A grandfather already completed a successful career in farming is showing the young whipper-snappers of Texas Tech that you can get old dogs new tricks.

Rhodes, Sr., of Abernathy, 60-year-old sophomore music major, first entered Tech on a basis in January, 1954.

Rhodes has shown a great deal of enthusiasm in his music and Raymond Elliott, associate professor of music, says, "He is a constant challenge to his young associates and an inspiration to teachers."

Full four decades separated the Mr. Rhodes finished high school and resumed his formal education. During that time he became a leading cream producer, father of 11 children, and a accomplished musician.

His son was enrolled at Tech when his father first arrived last year to satisfy his yearning for an education in music.

Rhodes was already a well-known musician in Abernathy, playing the piano and organ for religious services for many years.

His instructors have great respect for his wanting to increase his knowledge. "We can't help but be a man like Clyde Rhodes," commented Herbert Colvin, piano instructor. "He is one of the hard-working students we have and consistently above the average of his class."

Currently, Mr. Rhodes is maintaining a high B average in classes

Mrs. Ada Jarrell and her daughter, Mrs. Ruby McCrummen, of Dallas are visiting in the home of Mr. and Mrs. W. T. Brown and daughter, Mrs. Mildred Lokey. Mrs. Lokey and Mrs. McCrummen visited Mrs. Ethel Montgomery in Muleshoe on Monday and Tuesday.

Guests in the Fred Walter's home Sunday were Mr. Walter's brother, O. L. Walters, and family of Loop and his niece, Miss Shirline Strube, of Robert Lee.

Mrs. Bessie Crowley is visiting her son, Perry Crowley, and her daughter, Mrs. David Mathieson, in El Paso.

Mrs. O. C. Norris of Roscoe is visiting her daughter-in-law, Mrs. J. D. Norris. She arrived Sunday and returned home Wednesday.

Mr. and Mrs. O. E. Edwards of Lubbock visited Monday with their son, W. D. Edwards, and family.

of piano, organ, music appreciation and music theory.

Prior to his recent retirement, Mr. Rhodes became annoyed at his inability to speak with his Mexican workers and decided to remedy the situation. He started studying Spanish and soon became fluent in the language. He has become so proficient that he now reads the New Testament in Spanish.

Mr. Rhodes has expressed his gratitude to his teachers for tolerating a grandpa in their classes, but his instructors have assured him that they find it gratifying to see a man so eager to become a skilled musician.

Shivers Vetos Bill To Increase Speed Limit

AUSTIN.—Gov. Allan Shivers today vetoed a bill increasing speed limits from 60 to 65 miles per hour on all highways and to 70 miles per hour day and night on four-lane divided highways.

The governor based his veto on evidence that increased speed limits "result in an increase in the mileage death rate no matter how well-planned and constructed the highway system might be and even if no one violated the posted limit."

Shivers cited statistics showing that the mileage death rate on the Pennsylvania turnpike, with a speed limit of 70 mph, is three times that of the death rate on the New York thruway with a 60 mph limit.

"Should this bill be allowed to become law," he continued, "the efficiency of our highway system would be greatly reduced and traffic accidents would be more severe."

"Until safer highways can be built and more effective means of speed control devised, I cannot conscientiously approve a bill which in all probability would result in an increase in the number of traffic deaths, injuries and property destruction."

Mr. and Mrs. O. D. Dillard and son, Gary, spent the week end in El Paso visiting Mr. and Mrs. Lee Ray Dillard. Mrs. J. E. Dillard accompanied them on the trip.

(SLATONITE STAFF PHOTO) **THREE FISHERMEN WHO CAUGHT A "BIG ONE"** are shown above holding a 37 lb. yellow catfish caught at Possum Kingdom. They are Melvin Wall, Wayne West and B. W. West all of Slaton. They left Slaton Wednesday, May 25, and returned home Saturday, May 28. They also caught 14 channel cat, several crappie and three or four bass. They report a wonderful time.

Mrs. Maurice Middleton and son, Tracy, of Tulsa, Okla., arrived Sunday to spend two weeks visiting her parents, Mr. and Mrs. George Culwell.

State May Win Estate In Absence Of Will

Made your will? If not, the State of Texas may wind up as owner of your estate upon your death. Under our statutes, the estates of persons having no heirs who die intestate revert, or "escheat", to the State.

Such provisions have been carried over from the English common law. There, under such circumstances, the estate escheated to the British crown. The theory of the process is that the sovereign (or State), having been the original owner of all lands before they were parceled out to individuals, is entitled to a return of such lands when the possibilities of legal inheritance have been exhausted.

This idea has been expanded to include personal property as well as real estate. It also applies in the case of a person absent for a term of seven years and not known to exist who leaves no heirs and no will.

Presumably, there is hardly a person who does not have some individual or charity that he would prefer to have his estate, rather than have it go to the State by default, so to speak. Yet, surprisingly, estates worth many thousands of dollars do escheat to the various states from time to time.

Now, before you shrug the matter

off with the idea that these statutory provisions could not possibly apply to you, better think a minute. Suppose you and your spouse have no heirs besides each other and your children. Many people do fall into this category.

In event of a catastrophe resulting in death for you and your entire immediate family, no legal heirs would remain. Therefore if you had no will, your property would go to the State. In preparing a will, it is possible to provide for such an eventuality.

In this hypothetical case, you would probably want to designate some friend as executor, to take care of all necessary arrangements and then distribute the estate according to your wishes.

On the other hand, if you have plenty of possible heirs, a will could be used to designate which of them shall participate in the division of the estate. And even if you wish your property to be distributed entirely in accordance with our statutes of descent and distribution as explained in previous columns, a will can perform useful functions. Among other uses, a will could provide for an orderly and economical partition of your property, preventing any waste of the assets by heirs impatient for a settlement.

What happens to property which escheats to the State? Following certain required legal formalities and court proceedings, all escheated lands are set apart to

the Permanent Free School Fund of the State, and may be leased and sold by the Land Commissioner under certain regulations. Escheated personal property is sold by the local sheriff under writ and the money received therefrom paid into the State Treasury.

A fee pamphlet containing useful information on wills and related matters has been prepared by Texas lawyers. To obtain a copy, merely print your name and address on a postcard and mail to State Bar of Texas, Colorado at Fifteenth, Austin 1, Texas.

(This column, based on Texas law, is written to inform—not advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts because the facts may change the application of the law.)

Mr. and Mrs. Joe T. Holland spent the week end fishing at Possum Kingdom.

Mrs. R. G. Shankle suffered a stroke on Monday of last week. She is in Mercy Hospital.

Pink Bollworm Controls Delayed

Two extremely opposite weather conditions have posed a threat to the cotton pink bollworm control program in Texas.

Unusual weather is nothing new here—it is practically normal for Texas as a matter of fact—but it can seriously damage the State Department of Agriculture's efforts to keep insect populations to a minimum.

Sixty-four cotton growing counties in the South and Central portion of Texas have planting and plow-up deadlines enforced on cotton crops. This is designed to cut the breeding periods of the pink bollworm. In order to be effective, cotton must be planted before a certain date and then the stalks destroyed as soon as practical after harvest.

This spring the planting deadline was extended in more than 30 counties for two reasons. At one time, it was too dry to plant the cotton. Ten days later, the fields were too wet to plow.

Irregular planting provides an almost continuous supply of young tender cotton which is ideal food for the pink bollworm. The situation cannot be helped to any great extent this year due to the weather. As a result, the control program hinges on strict compliance to the plow-up deadline. No winter hibernating places must be left in Texas cotton fields which would encourage a large insect build-up next year.

As an added precaution, farmers over the state are urged to follow a practical program of control over all types of insects this season. Careful planning of spraying or dusting keeps down cotton pests, and gives added value to the crop.

County agents, the Extension Service and the Texas Department of Agriculture are ready to offer advice on the best times for control measures. To spray or dust cotton at improper intervals means dollars lost to the farmer.

Get the facts first! Then act to your best advantage.
