Petition Circulating To Ask Court To Order Election On Road Bonds

A committee of three men from Slaton were among the representatives of several area towns in a meeting with the Lubbock Chamber of Commerce in Lubbock Tuesday afternoon. The group was to discuss whether or not to petition the Lubbock County Commissioners Court to set a date for an election to issue \$1,897,000 in bonds to finance right-of-way purchases for highway and farm-to-market roads in the county for the next five years.

The petition was brought out at the meeting by two highways, one from Slaton to Lubbock and the other from the circle at Lubbock to Slaton. Both have already been approved by the Texas Highway Commission. It was further stated that money for the construction of these two roads has been set aside by the state, but that the purchase of the right-of-way by the Commissioners Court up until now has held back the actual construction.

The group then decided to circulate a petition to the residents of Lubbock County asking the Lubbock County Commissioners Court to order a bond election and to use the money received, if the bond election is approved by the voters, for the purchase of right-of-ways for roads in the county.

Representatives from Slaton who attended the meeting were Bruce Pember, Melvin Kunkel, and Dub Williams. Two petitions are being circulated in Slaton. One is at the Slaton Chamber of Commerce office for the benefit of anyone who wishes to sign or read it, according to Pember.

Six Gins In Area Report 7,890 Bales Of Cotton

On Wednesday of this week there had been 7,890 bales of cotton ginned so far in the 1955 season as compared with 16,644 on November 12, 1954. Gins were still 8,754 bales behind the year total at this time.

Workers in the fields lost a day a day and a half this week owing a two inch snowfall over the area. Ginning was expected to pick up again by the end of the week, as rising temperatures meant good working conditions. The six gins polled this week reported an increase of 2,142 bales over last week's figures of 5,748 as ginned.

Campbell Gin this week reported 2,095 bales ginned, Howard Gin, Pusey Gin, 800; Slaton Co-Op No. 1, 2,300; Slaton Co-Op No. 2, 200; and Union Gin, 806.

Auditorium Seats Arrive To Be Installed Next Week

Superintendent of schools Lee Byrd announced early this week that the seats for the high school auditorium had arrived. Byrd said he thought the seats should be installed by next week. The auditorium will have a seating capacity of 750.

Strube Is Mystery Farm Contest Winner

Roy Strube is the winner in this week's "Mystery Farm" contest. He correctly identified the farm as being operated by Clarence Kitten. Strube will be presented with a one-year subscription to the Slatonite and two free passes to the Slaton Theatre.

Readers are reminded that they may enter the contest each week from the time the paper comes out until noon Monday. Names will be placed in a box and the winner drawn each week.

DR. C. WADE FREEMAN, superintendent of the Department of Evangelism of the Baptist General Convention of Texas since 1947 will conduct a revival at the First Baptist Church of Slaton, from November 13th to the 20th.

Revival Planned At First Baptist Church Of Slaton

Dr. Wade C. Freeman, superintendent of the Department of Evangelism of the Baptist General Convention of Texas, will be the evangelist at a seven-day revival to be held at the First Baptist Church in Slaton, from November 13th to the 20th. Dr. Freeman has held his present position since 1947.

Singer at the revival will be Darrell Taylor of Lubbock. Taylor has a television program over KCBH in Lubbock, "Songs of the Country Chapel."

The services will be held at 10 a.m. and 7:30 p.m. each weekday and at the regular hours on Sunday. Special services for men will be held at 6:30 a.m. Wednesday through Friday. Coffee and doughnuts will be served at the men's services.

Dr. Freeman received his doctor's degree at Howard Payne College at Brownwood, Texas.

He is the former pastor of the First Baptist Church of Dallas.

Dr. and Mrs. Freeman have three children.

As Evangelist Superintendent for Texas Baptists, Dr. Freeman directs many simultaneous evangelistic crusades throughout Texas and the United States. He has recently returned from Europe where he participated in the Billy Graham Evangelistic Campaign, preaching to several Baptist Churches in England.

Future Farmers Of America Hold Initiation Monday

The Slaton Chapter of The Future Farmers of America held a formal initiation for the Greenhorns November 7th at 8 p.m. in the Vocational Agriculture Room at High School.

Lee Ham, the chapter president, presided during the initiation and was assisted by the following officers: William Kahlich, vice-president; Joe Bob Jones, reporter; Jerry Don Ross, treasurer; Leroy Kitten, secretary; Jerry Jones, sentinel; and Truett Babb, advisor.

The meeting was opened by the junior chapter conducting team. The chapter voted to assist the Boy's Ranch Project with a donation of 25 cents per member.

Fifty members and guests attended the meeting.

Mr. and Mrs. Clifford Young spent the week end in North Platte, Neb. with Mr. and Mrs. John R. Caldwell of Windom, Minn. Mrs. Young and Mr. Caldwell are cousins.

C Of C Directors To Meet Tuesday Night At City Hall

Slaton Chamber of Commerce will meet Tuesday in their regular monthly meeting at 7:30 p.m. in the C of C office in the city hall.

Hobart Trimpa, chairman of the decoration committee will report to the directors on the drive to raise funds for the decoration of Slaton.

Bruce Pember, chairman of the highway committee will report on the highway meeting which was held in Lubbock Wednesday.

Melvin Kunkel, president of the Chamber of Commerce in Slaton urged all members to attend the meeting Tuesday night as it is a very important one.

DOES SANTA KNOW?

Sure, Johnny and Susie—all of us, your mommy and daddy too, know that you've been a good child, but are you sure that Santa knows??

Tell you what we'll do, if you will mail us your letter to Santa, we will print as many letters each week as we have room for, and we'll see that the letters are sent on to Santa's address at the North Pole.

Just address your letter to Santa Claus, % The Slatonite, Box 775, Slaton.

Nine Member Cities Vote "Yes" In Canadian River Bond Election

Residents of the nine cities concerned with the Canadian River Dam project voted by a margin of nearly 12 to 1 in favor of the project in elections held in respective cities Tuesday.

In the nine cities the total vote was 6,907 to 604 in favor of the project's \$74.8 million bond issue. In Slaton the vote was 198 for the bond issue and 39 against. Election judges, P. R. Brewer and O. N. Alcorn said that they were

well pleased by the unexpectedly large turnout at the polls.

The next step on the road to the ultimate construction of the dam and pipelines is the drawing of new water contracts to be presented to each of the nine member cities for approval by the voters of each city. A majority of the voters in each city must approve the water contracts before that city remains as a member of the authority.

The vote in each of the towns was as follows:

City	For	Opp.
Borger	1,619	125
Plainview	538	72
Lubbock	3,015	239
Slaton	198	39
Tahoka	262	5

"Toys For Tots" Drive Starts For County Children

The Lubbock County 40th Speciality Infantry Company of the Marine Corps Reserve is sponsoring a "Toys For Tots" campaign in an effort to collect toys for under-privileged children.

Usable toys in presentable condition are collected each year in every unit in the United States, according to Jerry Lovelady of Slaton. The yearly campaign started in California.

Slaton residents are urged by Lovelady to bring any usable toys that they might have to Home Furniture before December 15.

Lovelady said that residents, who know the names of any under-privileged children in Slaton, are asked to contact him at Home Furniture.

Local Photographer Named Judge In Contest To Select Maid Of Cotton

Frederic DeVries, Slaton photographer has been named to act as one of the five judges in the annual Maid of Cotton contest. The contest will be held November 14 at Fair Park Coliseum in Lubbock.

The winner of the South Plains contest is an automatic entry in the national finals to be held in Memphis, Tenn., December 28.

Treptow Elected As New Head Of Slaton Ministerial Alliance

The Rev. H. F. Treptow, pastor of the Grace Lutheran Church, was elected to serve as the president of the Slaton Ministerial Alliance at a meeting Monday at 2:30 p.m.

Rev. Treptow succeeds the Rev. Lawrence Lake, pastor of the First Presbyterian Church, as president.

The Rev. Marshall Stewart, pastor of the Church of the Nazarene will serve as the secretary-treasurer of the group.

Term of office for the new officers is from January 1st to December 31st of 1956.

The Alliance voted to purchase 40 hymn books to be used along with 60 already bought by the Busy Men's Sunday School Class of the First Methodist Church. The books, according to outgoing president, Lake, will be used in community services in the future.

Football Royalty Coronation Set For Friday Night

One of four candidates for football queen will be crowned at Tiger stadium Friday night during the half-time activities in the game with the Abernathy Antelopes. The four candidates will be escorted onto the field by four seniors who will be making their final appearance in high school football. The candidates' identities will not be revealed until the half-time Friday night.

The pep squad and the Slaton High School Band will assist with the coronation.

Another feature of the half-time will be the crowning of the pep squad sweetheart.

Before game time, the parents of the Tiger football players will be introduced and then seated on the sidelines for the game.

The Tigers will be playing host to a team that out weighs them about 12 pounds per man. The game will be the last of the season for the Tigers, and will be a conference game. Game time is 8 p.m.

The Antelopes have been defeated only once this season by Spur, and are expected to bring a team to Slaton that is speedy as well as heavy.

Coach Homer Tompkins says that the boys are looking for a big turnout of Slaton residents for the final game of the season.

Slaton Has Two-Inch Snow Fall In Three Hour Period

Farmers in parts of Texas this week were anxiously awaiting the outcome of what was reported to be the earliest snow ever to fall in this section of the country.

Damage to cotton, which was late in maturing this year was not expected to be too heavy in the immediate area, according to K. W. Campbell at Campbell's Gin. Further to the north, he said, there may be considerably more damage to the cotton.

The snow which started falling in Slaton around 6:30 p.m. Monday left a two-inch blanket of white on the ground. Slaton's temperatures Monday night dropped to 29 degrees following the three hour snowfall.

Tuesday morning, residents on their way to work were greeted with blustery winds. Those with cars parked out in the open had ice and snow-covered windshields to contend with before they could take the morning drive to work.

Except for scattered patches in the shade, most of the snow in Slaton had melted by noon Tuesday. Temperatures ranged from a high of 43 to a low of 20 during the night.

The area was expected to warm up Wednesday with a predicted high of 55.

Scout Finance Drive Completed Here This Week

A total of over \$363.50 in cash and sustaining memberships was collected in the annual finance drive for the South Plains Area Boy Scout Council in Slaton which was completed this week.

The results of the drive were made public this week by J. S. Edwards, treasurer for the drive.

The drive began October 27th as solicitation teams began visiting businessmen and individuals throughout Slaton. The money that has been taken in will be used for the scouting program in the South Plains Council. About 1% of the funds will go to the national organization.

Two camps, Post and Camp Haynes, are maintained with the contributions received each year.

Methodist Church Adds Educational Director To Staff

Hubert Carson of Throckmorton has been employed by the First Methodist Church of Slaton to be full time minister of music and educational work. Carson has been band and choral director of Throckmorton High School for the past seven years.

A graduate of McMurry College, Carson has studied private voice in New York and has been a faithful layman in the First Methodist Church of Throckmorton.

In commenting on his employment here, the Rev. J. B. Sharp, pastor of the church, said, "Mr. Carson has been considering this field of work in the church for several years. When we received his contract, we felt that it was a great step in his personal life as well as a new day of our church. We are delighted to have him as a part of our staff. Plans are being developed so that his ministry may reach its full potentiality."

Community Wide Services Planned For Thanksgiving

Residents of Slaton are reminded by the Rev. Ed Gorom that the Union Thanksgiving Service will be held at the Grace Lutheran Church on November 23rd at 7:30 p.m. The Rev. H. F. Treptow is pastor of the Lutheran Church.

All residents of Slaton are invited to attend the services, according to Rev. Gorom.

District Board Of Soil Conservation Supervisors Meet

Lubbock County Soil Conservation District Board of Supervisors met Friday morning, November 4, in Lubbock for its monthly meeting. Chairman Joe S. Walker of Slaton presided, with four of the five-man board attending. Those attending in addition to Walker were Edwin Merrell, Frank Gray, George Hindman, Mrs. Alton Strickland, district Business Manager; and M. C. Pennington, WUC, Soil Conservation Service.

New district co-operators for this month include Mary E. Woodward, C. Harrison, H. L. Weems, and W. W. Allen, whose agreements totaling 480 acres were approved in the meeting. Also approved was an amendment adding 20 acres to the agreement of Robert L. Callahan.

The board approved an arrangement with three Lubbock nurserymen, to supply district co-operators who apply, a total of 15,000 Arizona Cypress Trees at 25 cents per potted tree. The three nurserymen are Holden-Dodson, Kershner, and Winter Garden. Walker stated that applications should be made through the Soil Conservation Service Office, where technical assistance can be obtained.

Arrangements were completed for a planning meeting to be held November 18th, when business and professional people of Lubbock will be invited to assist in preparations for entertaining the 1956 Association of Texas Soil Conservation District Supervisors' Annual Convention.

Mr. and Mrs. Sherman Vaughn and daughter, Donna Gale, of Houston visited last Friday with Mr. and Mrs. Melvin Kunkel and Wanda Jane.

Legion Auxiliary Poppy Day Sale Takes \$150 Total

"The American Legion Auxiliary wishes to thank the people of Slaton for the way they responded to the poppy sale held here Saturday," Mrs. Alvin White announced this week.

The auxiliary took in a total of \$150 in the one day sale of poppies. The actual selling was done by 15 girl scouts of Slaton troop No. 6, under the direction of Mrs. George Privett and Mrs. Alton Meeks.

The money taken in here, according to Mrs. White, will be used in the child welfare program which is handled by the Legion Auxiliary in Slaton.

The poppies were worn in honor of America's war dead and have been made by the disabled veterans of three wars, the two world wars and the Korean conflict.

The crepe paper flowers were made at the Legion hospital at Kerrville under the direction of the Texas department of the auxiliary.

The work for the most part is given to those who could profit from its occupational therapy value and who are in need of the earnings.

L. A. ENLOE OF SLATON SPOTTED what he thought was and elk on Oct. 20, the first day of the hunting season, and ended up with a deer. Enloe was hunting on the Conejos River near Platoro in Colorado when he saw and shot the elk which turned out to be a 13-point buck. He bagged the deer near timberline in the mountains. The deer weighed around 400 pounds and dressed out at 225 pounds. Enloe is a conductor for the Santa Fe Railroad, Slaton Division.

SAFETY TURNING POINT

After years of virtual silence on the subject, auto makers are beginning to talk out loud about safety they are building into their product. Various devices intended to prevent injuries and save lives are available in some new cars, and manufacturers are making much of this in their advertisements. For this they are to be commended, though they have been rather slow about jumping on the safety bandwagon.

It is not that the auto people have been indifferent to safety. Far from it. They have consistently improved car bodies, brakes, tires, steering mechanisms with safety in mind. But they have generally hesitated to talk too much about how safe an automobile is lest the public begin to be over-concerned about the hazards of driving.

Various things are being done to make a crashing car less of a death trap.

There are safety belts to keep occupants from smashing against steering wheel or dashboard, extra-strong latches to keep doors from springing open, crash padding to absorb shock. Auto makers intend to keep on testing with the idea of installing more safety devices as they become available.

The public will benefit though no belt nor latch can be proof against reckless, incompetent driving. We may be on the verge of that happy time when the traffic toll, instead of rising, will begin a definite trend downward.

LESSON IN VALOR

Many a war hero, his chest bright with medals and ribbons acknowledge valor under fire, could learn a lesson in courage and tenacity from Prof. Mario Ponzio of Italy.

Professor Ponzio, now 70, is a radiologist. Nearly 40 years ago, in the early days of X-ray experimentation, he suffered radium burns on both hands. Since then, life for him has been an unrelenting battle against the spread of damage from radiation.

It would have been easy—and certainly justifiable—for Professor Ponzio to give up his dangerous work. Instead, he persisted in his efforts to devise ways of protecting fellow radiologists. Fifteen years ago he founded the Institute of Radiology in Turin. He continued, until early this year, to lecture at the University of Turin.

Now that is no longer possible. Last July Professor Ponzio lost his left arm and collar bone in his 18th operation. Another operation will soon claim his right hand. Yet he says to those about him, "Don't make a hero of me."

Professor Ponzio has no medals to show for his long years of suffering and dedicated service. But his heroism will live in the hearts of all who value human courage.

EGYPT THROUGH A TOMB

Much of man's past remains shadowy and obscure. For this reason, considerable interest surrounds the newly-discovered pyramid of Sekhem-Khet in Sakkara, Egypt. This unfinished pyramid, built almost 5,000 years ago for Sekhem-Khet, also known as Zoser II, was discovered only four years ago. Because it is probably the second oldest pyramid in existence, it is regarded as a major archaeological find.

The excavation, led by Dr. Zakaria Ganeim, is slow because the labyrinthine interior of the pyramid must be bolstered with masonry. So far no trace of a mummy has been discovered, although an empty sarcophagus, covered with a flower offering, was found. It is now believed this was merely a decoy for protection against robbers and that a second burial chamber will be found at the end of a newly-opened shaft.

The project, which will require another 10 years to complete, will help illumine the past, perhaps giving a new picture of what Egypt was like at its height and what led to its downfall. It is always exciting for an archaeologist or an historian to be able to patch with newly found knowledge the holes in the past. His is a rare contribution to man's knowledge of himself. His work is a reminder that some day our monuments and the world-rocking affairs of today may be excavated and "discovered" by future generations of archaeologists.

What can religion do? Is there any power in it?

Solomon advised his son: "Keep thy father's commandments, and forsake not the law of thy mother." (Proverbs 6:20). Included in this advice were methods of remembrance. "Blind them continually upon thine heart, and tie them about thy neck." (Proverbs 6:21).

Religion can help us if we will permit God to work in and through us. There is power in religion. Consider specific power mentioned by Solomon.

Religion guides. "When thou goest, it shall lead thee." It was the power of religion leading Joseph H. Gilmore to sing: "He leadeth me, O blessed thought!"

Religion protects. "When thou sleepest, it shall keep thee." How many people would pray that they could sing:

"I will both lay me down in peace, and sleep; for thou, Lord, only makest me dwell in safety." (Psalm 4:8).

Religion preserves. "When thou awakest, it shall talk with thee." (Proverbs 6:22). We have to live with ourselves. Whether asleep or awake, religion is speaking to us. It may be jarring our conscience, or it may be spurring on to great-

Hoffman Speaks On Canadian Dam

Howard Hoffman spoke to the Slaton Rotary Club on the Canadian River Dam project and the election that was held on Tuesday of this week concerning it. The history of the forming of the Canadian River Authority was given.

"All of us that live on the plains know that water is all important," said the speaker. Pamphlets were passed out that contained much information.

Eleven visitors were present: A. E. Quest, Lubbock; Rufus Grisham, Lubbock; Edwin Forrest, Lubbock; Geo. W. Brassell, Lubbock; Abe Kessel, Dallas; B. E. Adair, Lubbock; David Walker, Slaton's Junior Rotarian for the month; Phil Brewer, representing the Slaton Classroom Teachers Association; Geo. Gilkerson, County Attorney of Lubbock; Bill Gillispie, Lubbock; Gene Collins, Lubbock.

Mrs. W. T. Slaughter is expecting her son and daughter-in-law, Mr. and Mrs. C. F. Slaughter, of Houston to come Friday for a few days visit.

Mrs. R. H. McLary and children of Dallas visited from Friday until Sunday in the home of Mr. and Mrs. Clark Wood. Also visiting was the Woods' daughter, Juanita, who attends Texas Tech.

Mr. and Mrs. Jack VanNess and Royce of Sudan visited Sunday with Mr. VanNess' parents, Mr. and Mrs. W. M. VanNess.

Cafeteria Opened At Junior High School Recently

The new cafeteria at Slaton Junior High School was opened recently and is serving meals to both junior and senior high students, according to junior high principal J. D. Perkins.

The dining hall has a seating capacity of from 160 to 175 students and has been serving about

125 each day. The cost of a meal in the new cafeteria is 30 cents for students and 35 cents for teachers. Students and teachers are served from 11:55 a.m. until everyone has been fed. Mrs. E. B. Custer and Mrs. Gladys White cook and serve the noon crowd. The two women are assisted with the serving by student help. The cafeteria is situated in the former home economics department in the junior high school. The stoves which were originally in the department are used for the cooking. To facilitate the food handling, a new steam table and a big refrigerator have also been

added. So that senior high students might make use of the cafeteria a bus runs between senior high and the cafeteria each day at the noon hour. Mr. and Mrs. Johnny Graves and children of Childress spent the week end visiting Mrs. Graves' sister, Mrs. Hugo Mosser, and family.

Tuesday visitors in the home of Mr. and Mrs. Floyd Kitchens were Bill Kitchens and Buck Fielder of Dimmitt and C. D. Kitchens of Hereford.

Gus J. Vival Services Held Wednesday

Funeral services were conducted Wednesday morning, Nov. 9 at 9 a.m. in St. Joseph's Catholic Church for Gus J. Vival who died Monday, Nov. 7, in Mercy Hospital following a short illness.

Vival, 53, was born in Floresville, Texas, and moved to Slaton in 1924. Except for a short time he was engaged in the dairy business in Schulenburg. Mr. Vival has made his home in Slaton where he has been in the real estate business.

Rosary was held Tuesday, Nov. 8 at 7:30 p.m. in Williams Funeral Chapel with Msgr. T. D. O'Brien officiating. Burial was made in Englewood Cemetery under the direction of Williams Funeral directors.

Survivors include his wife, the former Olga Maeker; two sons, James of Slaton and R. E. of Lubbock; two granddaughters, Shelly Ann and Sherry Lynn of Lubbock and one brother, Robert Lee, of Schulenburg.

Pallbearers were Guy Wall of Hurlwood, Freddie Koenig and Wernie Maeker of Wilson, Clifford Behlen of Lubbock and Raymond Buxkemper of Slaton, all nephews of Mr. Vival.

Mr. and Mrs. C. E. Corley and family spent the week end in Abilene visiting Ezra Corley, who attends McMurry College. They attended the homecoming football game between McMurry and Howard Payne.

Guests in the home of Mr. and Mrs. T. R. Joines on Wednesday of last week were Mrs. Joines' mother, Mrs. C. E. Reynolds, and her aunt, Mrs. Woody Stone, and daughter, Connie and Susan, all of Lubbock.

Grid Careers End For Four Seniors

When the Slaton Tigers leave the field Friday night at the conclusion of the game, four of the players will have completed their last high school football game. The boys will graduate at the end of the school year. Slaton can well be proud of the four boys, because even though they played during a year that saw the scoring go against Slaton they never stopped trying.

The boys are: Wendall Akin, quarterback; Tracy Crawford, center; Henry Adamek, guard; Jerry Don Ross, back. The boys are all four lettermen, Tracy will have lettered three years when he graduates and the other boys will each have two letters to their credit.

Junior Grid Team Ends Season with Four Win Record

Slaton's Junior High 6th and 7th grade football team, coached by J. E. Owens, finished the season with a record of four wins out of a five-game schedule. The only loss of the season was to the Plainview team when they defeated the local eleven by a score of 26-14.

Playing on the team were FB, James Wright; HB, Moses Diaz; HB, Johnny Clack; QB, Gene Talbert; HB, Kelly Mack Bowns; C, Billy Patterson; E, Julian Perez; G, Dale Burleson.

G, Ronnie McCormick; T, Don Hackles; T, Eddie Gravell; E, Gerald Merck; E, Johnny Morris; G, Mike Lovelady; G, Allen Walker; T, Rafael Diaz; G, Harold Talley; TB, Danny Edwards; and E, John deLeon.

WINSOME CLASS DINNER HELD TUESDAY EVENING

The Winsome Class of the Westview Baptist Church held their annual Thanksgiving dinner at the Clubhouse Tuesday, Nov. 8, at 7:30 p.m. The devotional was given by Mrs. Dave Robertson. Mrs. J. G. Harper is the teacher of this class. Forty-four attended.

Visiting recently in the home of Mr. and Mrs. B. C. Martin were Mrs. Martin's parents, Mr. and Mrs. O. C. Owens, her sister, Verlyn, and her brother and sister-in-law, Mr. and Mrs. Charles Owens, and son, David Lee, all of Littlefield.

Mr. and Mrs. Raymond Sampley and Debbie have been in Corpus Christi on a fishing trip for almost two weeks. Word was received last week end by friends in Slaton that they had been in a car wreck, completely demolishing their new car. Mrs. Sampley was the only one injured enough to require hospitalization. They are expected home in a few days, according to friends.

Sharon Boyd Is Grid Sweetheart

Miss Sharon Boyd was crowned Junior High football sweetheart during half time activities of the Slaton-Wilson football game Tuesday night.

Sharon, the daughter of Mr. and Mrs. Floyd C. Boyd, 245 E. Panhandle, was cheerleader last fall and has served as head cheerleader for the past football season. She was crowned and presented with a football by Tri-captains J. L. Talley, Johnny Elliott, and Randy Sanders.

Attendants to the queen were Jan Cooper, daughter of Mr. and Mrs. C. B. Cooper and Cherie Arrants, daughter of Mr. and Mrs. Max Arrants.

Jan has been a majorette for two years. Cherie was a cheerleader last fall, president of the Girl's Choral Club, and is now vice-president of the Pep Squad.

The ceremony took place within a heart formed by members of the pep squad, cheerleaders, and mascots.

Men's Breakfast Monday Morning Has 26 Present

Ted Swanner gave the devotional at the Men's Breakfast at Fellowship Hall in the First Methodist Church Monday at 6:30 a.m.

The Breakfast each Monday is open to all men of Slaton, according to the Rev. J. B. Sharp, pastor of the First Methodist Church. The meal is 50 cents per person.

There were 26 men present this week.

Howard Hoffman, Chester Williams, Leon Vaughn, Bartlett Jones, and Dick Ragsdale will do the cooking at next week's morning meal.

W. C. "Dub" Williams will give the devotional at next Monday's breakfast.

Mr. and Mrs. Francis Perry attended homecoming at Coolidge, Texas, last Saturday. This was where Mr. Perry spent his childhood. On Friday night they visited with Mr. and Mrs. Lamar Butler and son Jo Mar, Mr. Perry's sister and her family. They returned to Dublin on Saturday night and visited with friends there, returning to Slaton Sunday night.

For '56

New Sweep-ahead styling
New Sizzle to match

WHAT YOU SEE pictured here is Buick for 1956— and from the gleam of that "V" grille to the sassy slant of the tail fins, you can see it has no equal for gorgeous good looks.

But what you see from the curb is fully matched by what you feel at the wheel—and that's gospel. For this Buick gets its zoom from a mighty 322-cubic-inch V8 engine lofted to a new record high in power and compression—and from a spectacular new advance in Variable Pitch Dynaflo.*

What's new in the '56 Dynaflo is this: in the first inch of pedal travel—and not with wide-open throttle—your Buick moves from standstill to cruise with silk-smooth, instant and certain getaway.

But comes a sudden need for safety-surge action to get out of a tight spot—and you floor the pedal to switch the pitch of this airplane-inspired transmission. Instantly and smoothly, you're at full-power acceleration—a thrill beyond words.

There's a lot more we could tell you about these great new Buicks—about brilliant new interiors, a superb new ride with a safer "sense of direction," and new safety features everywhere you look.

But the best way to get the whole story of the best Buick yet is right at the wheel of one of these '56 beauties. So drop in this week and do just that.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Tahoka Bulldogs Make Conference Win From Slaton

And German carried the ball in Slaton's only tally of the evening in a conference game played at Slaton Friday against the Tahoka Bulldogs.

The Slaton score came about midway in the second half of play, as the Tahoka already leading the game in the ballgame 31-0.

Slaton took the ball on their 31 yard-line and in a series of six pass plays, four of which were complete, moved the ball to the Bulldog five yard-line. From the five the Tigers punted on the ground in two plays to the Bulldog three, and German

Wendell Akin

carried the three yards to score. Approximately a thousand fans watched Quarterback Wendell Akin fill the air with passes as Slaton made an attempt to stay in the one-sided ball game.

The final score stood at 43-6 in favor of the Bulldogs.

Tahoka scorers were: Castleberry, one touchdown; Harter, one; Pridmore, one; Williams, two; and Blair, two. Tahoka's Cloe kicked the only extra point of the ballgame.

The hottest features for '56

are in the new Chevrolet

Chevrolet never had it so good for you before . . . and no other car in its field even comes close. See if Chevrolet doesn't feature everything you want for '56.

All New! The Bel Air Sport Sedan with 4 doors, and no sideposts

Bold, new Motoramic Styling

Just look it over—the lower, longer hood . . . the wider grille that spans the full front end . . . the big bold parking lights. From the side, you see the sweeping new speedline chrome styling and high-set taillights. Colorful new contemporary interiors add the final touch! Body by Fisher, of course.

V8 Horsepower Zooms to 205

That's what the new "Super Turbo-Fire V8" pours out (an extra-cost option). You can see why we say the hot one's even *hotter!*

Hideaway Gas Cap

Chevrolet's left-side taillight holds a stylish secret. Hinged at the bottom, it swings down to uncover the gas cap. Closed up, the cap's concealed—and there's nothing in sight but the taillight!

12-volt Electrical System

Packs twice the punch of ordinary 6-volt systems . . . spins the engine up to one-third faster. You get surer starting in all weather. And you have a greater electrical reserve supply.

A new 6 with 140 H.P.

The new "Blue-Flame" 6 brings you this higher horsepower plus a higher compression ratio (8 to 1) and oil-hushed hydraulic valve lifters.

THE HOT ONE'S EVEN HOTTER

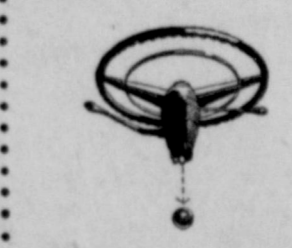

It's the Pikes Peak Record Breaker!

The '56 Chevrolet proved its surer, safer driving control by breaking the Pikes Peak record!

Everything in Automatic Power Features

Junior High Team Defeat Mustangs By 12-7 Margin

Slaton's Junior High football team defeated the Wilson eleven by a score of 12-7 Tuesday evening giving them a 6-win, 2-lose record for the season.

The Mustangs held the Tigers to a scoreless first half with the first Tiger tally coming in the third quarter on an end zone recovery by quarterback Randy Sanders.

Wilson retaliated with a 60 yard drive for a TD giving them a 7-6 lead over Slaton. The Mustangs held this score until the last 30 seconds of the game when Sanders again crossed the goal line for the Tigers. For the second time the attempt for extra point failed.

Playing for Coach M. W. Kerr this season were Sanders; LH, Jimmy Vaughn; RH, Giles Smith; FB, Clyde Talley; C, Johnny Elliott; RG, Bobby Baxley; LG, Macky Belcher; LT, Dwayne Smith; E, Jackie Burleson; E, Charles White; E, Bill Barry; E, Frank Chapple; E, Tommy Stell; LH, Jerry Harlan; LH, Billy Dixon; QB, Danny Winn; E, Glen Bailey; and T Manuel George.

Service Station To Celebrate One Year Anniversary

N. L. Cress of Cress Humble Service Station in Slaton announced Wednesday that the station will celebrate its anniversary of one year in business Saturday.

Those attending will receive free souvenirs and will be entertained by a band from KDAV radio station in Lubbock. The band will play from 10 a.m. to noon, and from 2 p.m. to 4 p.m.

All residents of Slaton are invited, by Cress, to attend the anniversary celebration.

The Humble Station operator came to Slaton from Abilene, where he was employed with the Humble Refining Company in the Sales Department.

Before taking over the Slaton Station, he attended a service managers school in Abilene for 10 months, where he received training for the type of work he is doing here.

Mr. and Mrs. Cress have two children, Tony, who is eight; and Candy, six.

Guests in the home of Mr. and Mrs. M. M. Metts last Sunday were Mrs. Metts' mother, Mrs. W. W. Bell, and her brother, E. R. Bell, and family all of Littlefield.

Visiting the A. C. McKinnys last week end were their daughter and son-in-law, Mr. and Mrs. G. B. Hightower, of Goodland and their granddaughter, Mrs. Charles Morris, Mr. Morris and daughter of Lubbock.

MRS. JOE WALKER JR. is shown in the kitchen of her new home as she is preparing a recipe on the built-in electric stove. The kitchen has natural woodwork and is very conveniently arranged.

Slaton Women Give Their Favorite Tested Recipes

Cooking is something that Mrs. Joe Walker Jr. really enjoys and she chose a salad recipe, as it is one she has enjoyed serving.

Souffle Salad

- 1 pkg. lemon Jello
- 1 cup hot water
- 1/2 cup cold water
- 1/2 cup mayonnaise
- 2 tsp. lemon juice
- 1/4 teas. salt
- 1 cup diced, peeled apples
- 3/4 cup seeded red grapes
- 1 cup crushed pineapple
- 1/4 cup chopped walnut

Method: Dissolve the Jello in the hot water. Add the cold water, mayonnaise, lemon juice and salt. Blend well with a rotary beater. Pour into refrigerator freezing tray. Freeze 15 to 20 minutes or until firm about one inch from edge but soft in center. (While chilling, prepare fruits) Turn mixture into bowl and whip until fluffy. Fold in the apples, grapes, pineapple and walnuts. Pour into 1 qt. mold and chill in refrigerator (not in freezing unit). Unmold and garnish with grapes. Serves 4 to 6.

New Home On 17th

The Walkers have recently moved into a new home on 17th Street and Mrs. Walker has been very busy getting things arranged. She says she has found that although a house is new you still have to dust and pick up things to keep it looking nice.

Mrs. Walker, who was Maxine Conner before her marriage, is the daughter of Mrs. Ray Conner and the late Mr. Conner. She was born in Lamesa and started to grade school in Crosbyton although her family moved to Slaton before she was out of the first grade. She is a graduate of Slaton High School and attended Texas Tech for 3 1/2 years before she and Joe married in 1942.

He was in the Air Force for some time after they were married and was stationed in England during his tour of duty. He is engaged in farming now and of course, this is a very busy season for them.

Have Two Daughters

The Walkers have two daughters: Linda, who is 12 years old and Catha who is 11. They are both in the sixth grade and Mrs. Walker says she stays busy keeping up with their activities and being a room mother.

Activities at the First Methodist Church keep the entire family busy. Maxine is an officer in the WSCS this year and is the superintendent of the Junior Department in Sunday School. She has been a member of the Daughters of the Pioneer Study Club for a number of years. She has been active until this year in Girl Scouts.

MRS. LEON McREYNOLDS IS COMPLIMENTED BY TEA SUNDAY

An introductory tea honoring Mrs. Leon McReynolds was held Sunday afternoon in the home of Mr. and Mrs. R. E. McReynolds at 625 So. 14th st. In the receiving line were Mrs. R. E. McReynolds, the honoree and Mrs. A. B. Haws Jr. of Brownfield, who was co-hostess for the event. The tea table was laid with a yellow silk lace cloth with yellow chrysanthemums placed in a cut glass bowl for the centerpiece. Antique cut glass candle sticks holding yellow candles and a silver tea service and trays completed the table appointments. Fall flowers of pink chrysanthemums and rose florabunda decorated the living room with bou-

quets of bronze and yellow chrysanthemums in the bedrooms. Greeting guests were Mrs. Ray Hickman and Mrs. A. E. Whitehead, while Mrs. W. E. Smart and Mrs. A. B. Haws Sr. of Post poured at alternate hours. Others in the house party were Mesdames Wade Thompson, P. A. Minor, Troy Pickens, Fred England, Alton Kenney, J. S. Edwards Jr., R. M. Shepard, Seaborn Teague and Douglas Chambers and Misses Shirley Teague, Dorothy Jones, Elaine Pickens and little Miss Denise Haws. Sixty-six guests were registered. The honoree will join her husband in Temple Nov. 20 where the couple will make their home.

Win One Class Has Monthly Social

The Win One Class of the First Methodist Church met Oct. 28 in the home of Mrs. George Jones with Mrs. Elbert Wilson as co-hostess. The meeting was opened with a prayer led by Mrs. George Evans. "What a Friend We Have In Jesus" was sung. Roll call was answered with a verse of scripture. Mrs. George Taylor brought the devotion on "A Quiet Meditation" taken from Isaiah. A recording "Each Step of the Way" was played. Mrs. F. D. Bostick, the president, appointed officers for the next year. The meeting was closed with a prayer led by Mrs. Bostick.

The Halloween motif was carried out in the refreshments served to 12 members. The class will have their Thanksgiving luncheon on Nov. 16 in Fellowship Hall. They are inviting their husbands.

Mrs. Bobby Jack Jones

Rainey-Jones Vows Read Friday Night

Southside Church of Christ of Lubbock was the scene at 7 o'clock Friday night of the marriage of Miss Dorothy Kay Rainey, daughter of Mr. and Mrs. B. F. Rainey, Route 4, Lubbock, and Bobby Jack Jones, son of Mr. and Mrs. Lee Jones.

Bobby Hoover performed a double ring service before an arch of tropical foliage flanked by arrangements of white chrysanthemums and candelabra. The altar was banked with Hawaiian foliage and baskets of white chrysanthemums. The Southside Church of Christ sang "Through the Years," "My God and I" and "Savior, Like a Shepherd Lead Us."

In Wedding Party Mrs. Bessie Brashear of Leveland attended the bride as matron of honor. Miss Anita Rainey was bridesmaid. They wore waltz-length dresses of pink and blue tulle and taffeta, respectively. The dresses were styled with puff sleeves, sweetheart necklines and full skirts.

J. Frank Jones of Slaton served as best man and ushers were by Coleman and George Rainey. At a reception which followed, the bride and groom were seated at a table with white lace cloth over a white lace cloth over a pink and blue three-tiered cake topped by a miniature bride and groom. Mrs. Floyd H. Davis and Mrs. Ray Sooter, sisters of the bride, assisted in hospitalities. For a wedding trip to Colorado, the bride chose a first green suit with brown accessories. The couple will be at home at 713 31st in Lubbock after Thursday.

Local Dealer Awarded 10 Year Service Plaque

R. W. Cudd of Cudd Implement was recently awarded a plaque as an award of merit for "10 years of outstanding service of the highest standard as a dealer for the Minneapolis-Moline Machinery Company and its predecessors." Cudd Implement was located for two years, where Arrants Locker Plant is at present. The business has been in its present location on the Lubbock Highway for eight years.

Mrs. Verna Barkley visited during the week end in Southland and Gordon. She attended church in Gordon on Sunday.

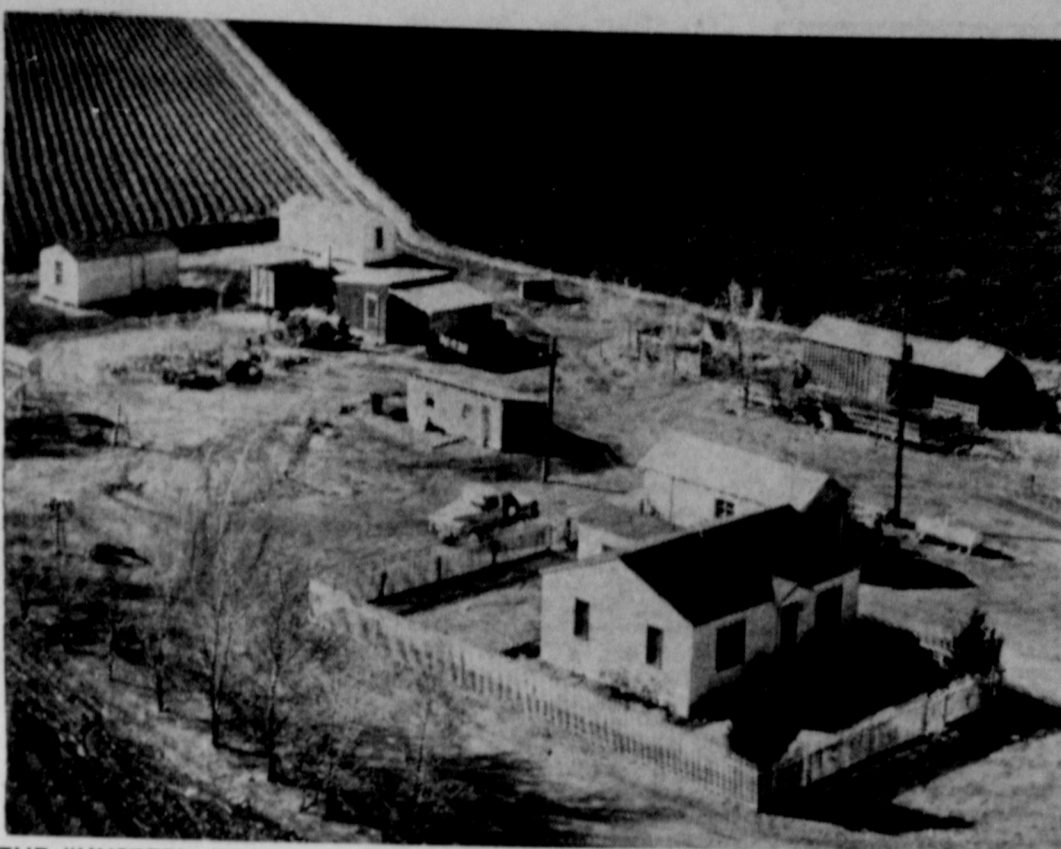

Mr. and Mrs. Joe Neu of Arcadia, Iowa and Mr. and Mrs. Matt Neu of Gainesville spent the week end visiting Joe and Matt's brother, Dick Neu, and Mrs. Neu.

Dr. and Mrs. Ross V. Pierpont of Baltimore, Md. arrived by plane Monday to visit Dr. and Mrs. M. J. McSween Jr. and family. The Pierponts and the McSweens left Wednesday to make a brief tour of Ft. Worth, Dallas, Austin and San Antonio. The McSweens will return to Slaton on Sunday and the Pierponts will go to Houston before returning home.

Mr. and Mrs. A. Kessel returned to their home in Dallas Tuesday after several weeks stay here. Their home address in Dallas is 3800 Centenary.

Mrs. C. L. Pack returned recently from a three week's visit in Oklahoma City, Okla. with her daughter, Mrs. Neal Hallmark, and family. Mr. Pack stayed the last week and they returned home together.

Mr. and Mrs. Leonard Morris and children spent Saturday night in Littlefield visiting Mrs. Morris' brother, Lewis Kuykendall, and family. Sunday they visited Mr. Morris' parents, Mr. and Mrs. W. C. W. Morris, in Muleshoe.

THE "MYSTERY FARM" which appeared in last week's Slatonite is operated by the Clarence Kitten family. The farm is located approximately five miles southwest of Slaton. The family has been on the farm since January of 1953.

Clarence Kitten Operates Mystery Farm Near Slaton

Mr. and Mrs. Clarence Kitten operate the "Mystery Farm" which appeared in the Slatonite last week. The farm is located about five miles southwest of Slaton and is owned by August Kitten, Clarence Kitten's father. Floyd Roberts was the former owner of the farm.

Clarence and his wife, the former Carol Sue Sokoll, have lived on the farm since their marriage in January 1953. They have two children, Bradley, two, and Carol, seven months.

He served in the army with the armored division for two years, 17 months of which he spent overseas in Germany. He was discharged one month before his marriage.

Since moving to the farm, Kitten has added some improvements to the farm buildings. Kitten says he is too busy for hobbies, but his wife likes to spend her spare time working in the yard.

Asked about unusual events that have happened since he has been on the farm, Kitten said that the nicest thing that ever hap-

pened was when about 15 of his neighbors came early one morning and plowed his land for him, while he was recovering from a broken leg he received shortly after moving to the farm. With the eight to ten tractors the neighbors were able to make quick work of the plowing.

The Kittens are members of St. Joseph's Catholic Church. He is Grand Knight in the Knights of Columbus, and a member of the Farm Bureau. Mrs. Kitten is a member of the Catholic Daughters of America.

Kitten can irrigate 175 acres of the 190 acres on his farm. He has 90 acres planted in cotton and the remainder in grain sorghums.

He has 12 head of combination milk and beef cattle. "Enough to have meat for our own use and a few to sell," he said.

If Kitten will go by the Slaton Farm Store, he will be presented with an attractive picture of the farm.

Mrs. C. E. McCoy and girls spent the week end in Hamlin visiting Mrs. McCoy's father, Louis Bailey.

Power? You bet!

The fabulous Thunderbird Y-8

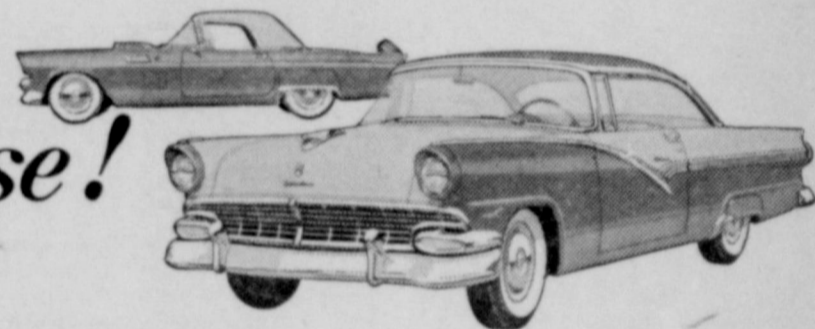

Ford goes like the Thunderbird! This exciting new "Go"-power will let you smile at hills, have new confidence in passing. The Thunderbird Y-8 engine can be yours at no extra cost, for it is the standard eight in all Ford Fairlane and Station Wagon models.

Beauty? Of course!

Inspired by the Thunderbird

The new '56 Ford and the fabulous Ford Thunderbird are really look-alikes! You can see the resemblance in every long, low line... every graceful contour. And you can expect to be envied no matter where you may drive in your new '56 Ford.

Safety? Only FORD gives you LIFEGUARD DESIGN

Even more important than Ford's Thunderbird looks and go is Ford's exclusive new Lifeguard Design. It gives you extra protection from serious injuries in accidents. To cushion you from the steering post, Ford has a deep-center Lifeguard steering wheel. To reduce the possibility of doors springing open under impact, Ford has Lifeguard

double-grip door latches. To help lessen injuries from impact, Ford offers optional seat belts and Lifeguard cushioning for control panel and sun visors. A new double-swivel Lifeguard rear view mirror is designed to "give" under impact. But, come in! See how safe, how beautiful, how powerful a car in Ford's field can be.

District Governor Speaks To Lions Club At Luncheon

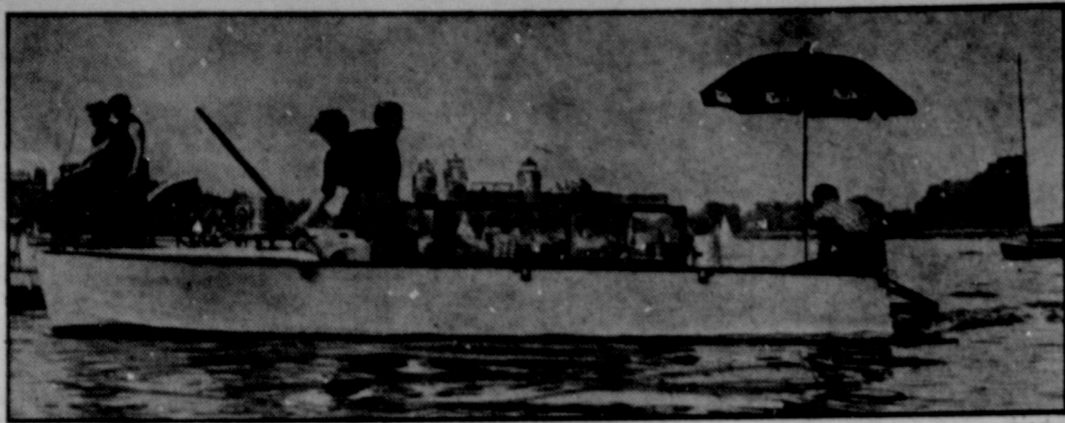

A choral group of about 60 boys under the direction of Mrs. M. G. Davis entertained the Lions Club at its Tuesday meeting.

The group sang four numbers and was accompanied at the piano by Don Edwards.

The boys in the choir are composed of sixth, seventh and eighth grade boys and have only recently been organized, Mrs. Davis said.

Dub Nelson, District Lions Governor, spoke to the club during the remainder of the meeting.

He reviewed the different programs being carried out by the various clubs throughout the country. One of the biggest programs carried on by the Lions Clubs in the state is the crippled children's summer camp at Kerrville, where lame children have all the facilities

LUNCH LAUNCH—No need to leave the boat or climb out of the cooling water. An enterprising boat owner on West Berlin's Havel River solves the problem. The floating snack bar brings food, drinks, cigarets and other items right to its customers in midstream.

of a summer program. Nelson quoted one child as saying to a healthy visitor to the camp, "Gee, I bet you wish you were crippled so you could come down here with us for the summer."

The district governor told the club that it was a wonderful thing

to see a crippled child struggle up to the edge of the camp's swimming pool, throw away his crutches and braces, topple over into the pool and swim away. The child who has very little ability to move under his own power on land, often proves quite agile in the

water. Nelson invited the Lions to attend the District 271 Lions Convention in Amarillo May 17, 18, and 19. All eight district governors will be present, and the Lions International president will be the principal speaker.

Photographers Of Slaton Take Part In Photo Exhibit

"Photorama," an exhibition described as "a panorama of photography at its finest," and which opens November 15 for a two week period at the Texas Tech Museum, will feature the works of two local photographic studios. Kertan Studio and Marinell Portraits, in cooperation with other members of the professional Photographers Association of Lubbock and vicinity, are providing three of the more than 15 artistic arrangements of portraiture in home surroundings of grace and beauty.

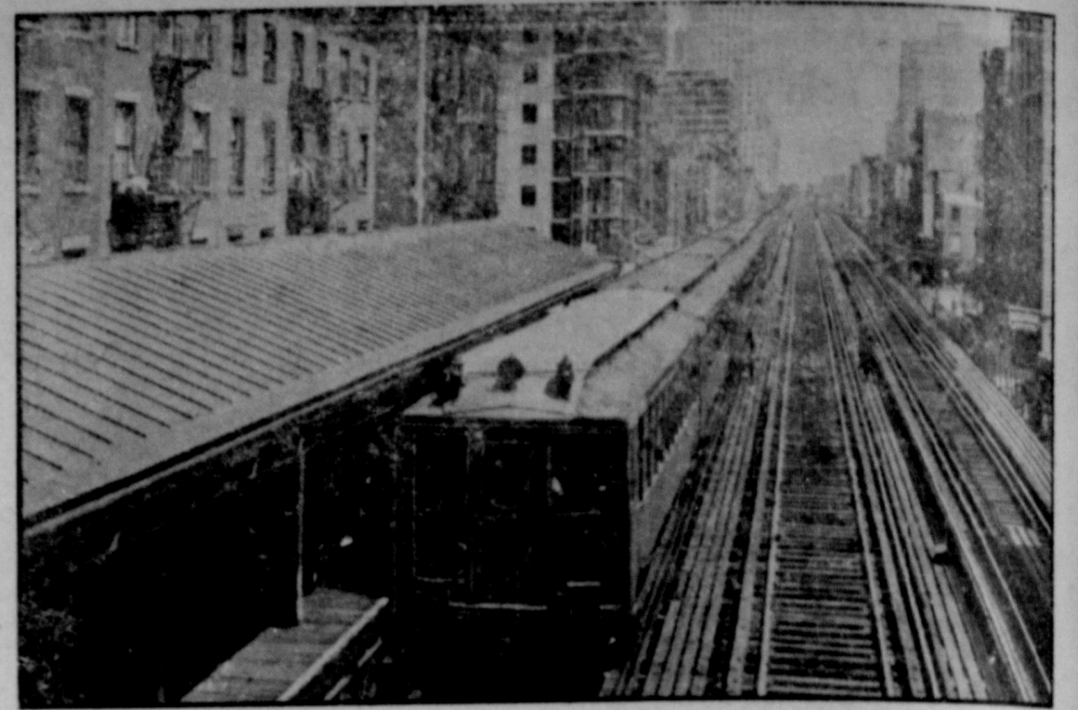

In addition to the original room and wall displays showing how to decorate "every room in the house" with black and white, painted and direct color photographs, "Photorama" will include a display of the outstanding salon prints made by non-professional photographers, and a special display of prize-winning photographs.

An open house, to which the public is invited, is scheduled for "Photorama" Tuesday, from 7:30 to 9:30 p.m., according to Fredric deVries of Marinell Portraits. There is to be a premiere showing at 8 p.m. of a motion picture entitled "M-Day," filmed in Eastman color. The movie tells the story of how a typical American family of mother, dad, and three children, found new and exciting ways of enjoying the photographs they took or had professional photographers make. Booklets of general interest will be distributed to those attending, de Vries said.

An added feature of "Photorama" will be an old studio set-up of camera, skylight, models, and accessories dating back to the year 1900.

Heading the arrangements for the professional exhibition is B. Fredric de Vries, of Marinell Portraits, president of the Professional Photographers Association of Lubbock and vicinity.

"Photorama" will be open to the public daily, except Mondays and during the Thanksgiving weekend, from Tuesday, November 15 to Wednesday, November 30.

A-L-L-L-L ABOARD FOR OBLIVION—Four-car train meanders down the lonely expanse of New York City's Third Avenue Elevated in closing days of service for the venerable line, last of the four elevated railroads which once provided New Yorkers with their principal transportation. Decline in revenues as riders switch to subways and surface transportation has caused transit authorities to order abandonment.

"GOTTA GET THOSE WEEDS!"—Milosare D. Metrovich is going to get those weeds cut, come the hot place or high water. This unseemly zeal, which goes beyond the most avid gardener's call to duty, is all in the day's work for the St. Louis Park Department employee. He's cleaning weeds and rushes from a park lake, a nice cool spot in which to be with the temperature bubbling at the 96-degree mark.

Introducing a Big and Vital General Motors "Automotive First!"

A new Strato-Flight Hydra-Matic—coupled with Pontiac's 227-H.P. Strato-Streak V-8—results in performance so new and dramatic it must be experienced to be believed!

IT'S THE GREATEST THRILL IN HIGHWAY HISTORY!

If you've come to think of driving as just routine, it's high time you tried the tremendous "go" of this masterful new monarch of the highway.

Here's a car with such exhilarating drive—eager oil-smooth response and safe, secure handling—that even monotonous home-to-work driving becomes your finest hour!

And out on the open highway, the fabulous '56 Pontiac comes alive with all the eager, heads-up alertness of a thoroughbred.

Its blazing 227-h.p. Strato-Streak V-8, coupled with silken smooth Strato-Flight Hydra-Matic, thrives on challenges. The hill you see looming up virtually disappears before your eyes.

And at any legal speed, there's such a reserve of power that your engine literally loafs—ready at a touch to spring into the most thrilling, satisfying action that ever shortened a country mile.

Of course, this is only a hint of what's awaiting you. The difference in performance—in driving, smoothness, ride and control—is so terrific that it can only be appreciated at the wheel.

So come in and take charge of one of these glamorous new beauties yourself. Choose your own test route and sample the greatest "go"—and enjoy the greatest safety ever built into a car. Then you'll know why the word's spreading—"They'll be a long time catching up to this one!"

HUNTER - LAKE DIRECT PROGRAM AT CHURCH MEET

"Children of Our Town" was the subject for the lesson at the meeting of the Women's Council of the First Presbyterian Church Monday night, Nov. 7. Mrs. Virgie Hunter directed the program which dealt with the children of their church and those who attend church. Mrs. Hunter was assisted by the pastor, the Rev. Harry Lake. Mrs. A. L. Brannon gave the devotion from the Yearbook of Prayer.

During the business session presided over by Mrs. Hunter, officers for the ensuing two years were elected. Mrs. Clifford M. Simms was named vice president; Mrs. Mildred Lokey, recording secretary; Mrs. C. L. Pack, treasurer; Mrs. S. A. Peavy, fellowship chairman; Mrs. Sherrill Boyd, program chairman; Mrs. R. D. Hickman, world service chairman and Mrs. E. D. Cummings, historian. The Rev. Lake and Mrs. Mildred Lokey reported on the fall Presbytery which was held in Tulsa in October.

There will be a Praise Service at the church on Sunday night, Nov. 20.

A Grand Jury consists of a body of 25 citizens.

Mrs. Frank Love Is Shower Honoree On Tuesday Evening

A miscellaneous shower honoring Mrs. Frank Love, the former Sue Tefertiller, was given Tuesday, Nov. 8, from 7:30 until 9 p.m. in the home of Mrs. M. H. Lasater. Mrs. Lasater greeted the guests and presented them to the receiving line composed of Mrs. C. B. Tefertiller, mother of the honoree, the honoree and Mrs. J. B. Clark, her sister.

Mrs. George Harlan poured and Mrs. Everett Hodge and Miss Gwendolyn Fox presided at the guest register. The tea table was laid with a white Madeira cut-work cloth with a centerpiece of yellow chrysanthemums and greenery. Yellow tapers were placed in crystal holders. A silver service and silver and crystal appointments completed the setting.

A hostess gift of a Martha Washington bedspread and pillows was given.

Hostesses were Mesdames Truett Boudns, Harlan, Fred Stephens, Linton Pruitt, Mildred Lokey, Delma Hodge, S. O. Henry, H. G. Stokes, Hodge, George Kirk, J. B. Butler, Robert Lee, Elton Smith, Bill Deaver, Harold Tucker, Lasater and Miss Fox.

A TEA HONORING THE STUDENT BODY was given in the Homemaking Department by the FHA Thursday afternoon with Della Scroggins and Pam Maxey in charge. Della is shown as she serves punch to Billy Earl Caldwell, president of the Student Council, and Pam serving Billy Nell Parmer.

"TOWARD NEW HORIZONS" is the theme of the Homemaking display window for the past week in connection with FHA week. Mrs. G. K. Haile, one of the Homemaking teachers is shown on the left as she looks over the window with the girls who had charge of the decorations. They are Beth Lowry and Sandra Long.

VARIOUS ACTIVITIES HELP TO MAKE FHA WEEK A BIG SUCCESS

The Slaton Chapter of the Future Homemakers of America joined with other chapters in the United States, Hawaii, Guam and Puerto Rico in the celebration of FHA week last week and held various activities during the week.

The activities of the week started with each girl and her family attending the church of their choice on Sunday Oct. 30. Monday was tag and display day with each girl being presented a tag to wear all during the week.

Tuesday a countywide FHA picnic was held at Mackenzie Park at 4:30 p.m. A large group of the local chapter attended. Sonny Curtis, Bobo Searcy and Don Street furnished music and entertainment before the lunch.

Special Assembly
A special assembly was held Wednesday featuring a candlelight presentation of rose bushes to P. L. Vardy and John Gilbert to begin the landscaping around the new high school. The girls who participated in the assembly were Beverly Bland, Judy Thomas, Helen Ann Norris, Karen Cooper, Rose Custer, Venita Green, Barbara Wilke, Glenda Lou Kitten, Burdine Becker, Carrall Ann Mann, Jeanette Burrell, Billie Nell Mann, Alma Roberts, Mary Ann Klattenhoff and Viola Walton.

Thursday was good deed day and the girls gave a tea for the entire student body in the Homemaking Department fifth period. The table was laid with a red cloth and centered with an arrangement of white carnations. Della Scroggins served punch while Pam Maxey served assorted rolls. Dorothy Heaton presided at the guest register. The book was red and white to carry out the FHA colors.

FHA-FFA Sweethearts
Friday was courtesy day and election of the FHA and FFA sweethearts was completed. The junior class candidates, Paltie Cooper and Larry White, were

elected. Saturday was be-kind-to-mothers day. Each girl tried to relieve her mother of as many responsibilities as possible.

One of the highlights of FHA week was the display window at the end of the hall at high school. The display was constructed under the direction of Beth Lowry and Sandra Long and shows what a girl must do to obtain a degree of achievement, step by step to her Junior, Chapter and finally her State Degree. Each doll on the stairway represents a major step in each degree.

BIBLE STUDY HELD IN WMU WEDNESDAY

'LITTLE SISTERS' ORGANIZED BY FRESHMAN GIRLS

All freshmen FHA members met Monday, Nov. 7, in the Homemaking Department at high school to organize a "Little Sisters" organization as a means of becoming better acquainted with FHA work.

First on the program was Judy Thomas, who explained to the group how they could obtain Junior Degrees in Homemaking.

The group elected officers are Shirley Kitten, president; Francis Brumfield, vice-president; Gail Huser, secretary; Vicki Kirksey, treasurer; Martha McCormick, reporter. The club sponsor is Miss Harriett Harris.

The name, "Little Sisters", was decided on as they are the youngest in FHA.

Refreshments were served by the hostesses: Betty Clark, Evelyn Cox, Betty Haliburton and June Lytle.

Girls Working On Cooking - Sewing Badges In Troop 2

Mrs. Byron Johnson's home was the scene of the meeting of Girl Scout Troop 11 Friday afternoon, Nov. 4.

The meeting was called to order by the patrol leader, Patsy Pettigrew. The meeting was concluded by the continuation of work on the cooking and sewing badges.

Members attending were Patsy Pettigrew, Linda Shelton, Jeanette Price, Greta Clark, Linda Hogue, Dora Tucker, Kay Short, Sheelah McCormack, Stephanie Johnson, Laura Isbell, Annie Mae Clark, Elaine Pickens and the leaders Mrs. Johnson and Mrs. W. A. Shelton.

The next meeting will be Nov. 11.

Gardening Hints For The Week

LILY-OF-THE-VALLEY may be reset now, being divided so that there will be about six roots to a clump. They should be set two inches underground. Beds of LILY-OF-THE-VALLEY should be made over at least once in four years.

FUSHSIAS should have been growing rapidly all summer. If so, they are ready to be ripened by storing them in the cellar without water until the end of December, when they will be ready for forcing into bloom.

Sam Elkins of Justiceburg visited last week with his niece, Mrs. T. P. Keane. On Thursday they went to Pampa to visit Mr. Elkins' sister-in-law, Mrs. Harmon Elkins, who broke her hip recently. Mr. Elkins returned to Justiceburg on Friday.

Week end guests in the home of Mrs. W. C. Church were her daughter and son-in-law, Mr. and Mrs. R. A. Shaver, and children, R. A. III and Marsha, of Rochester and her son, W. C. Church, Mrs. Church, Jerry and Joyce of Wilson.

Mrs. Winnie McGraw
This is Mrs. Winnie McGraw's fifth year to teach school and her first year to teach in Slaton schools. She is teaching the third grade in East Ward. She received her B.S. degree from Hardin-Simmons in 1953. She graduated from high school in Parthenon, Ark. in 1929. At the present she is working on her master degree at Texas Tech. Mr. McGraw is an associate professor of history at Tech and is also working on his doctor's degree. The McGraws have three children: James, a graduate of Texas Tech; John, who is a junior at Tech; and Jensey, who is a junior in Lubbock High School.

Mrs. McGraw has taught in Arkansas, the Hawaiian Islands and in Texas schools.

Mrs. Virgie Hunter
Mrs. Virgie Hunter, a third grade teacher at West Ward, received her B.S. degree in 1951 from Texas Tech and her Masters of Education in 1953 from the same college. Mrs. Hunter has taught 12 years in Slaton and "dearly loves it" to use her own words.

She is a member of the Classroom Teachers Association, a charter member of the Westava (an audio-visual group) also a member of the Texaved. She is a member of the Junior Civic and Culture Club; member of the Order of Eastern Star and charter member of the Past Matron's Club.

Mrs. Hunter has twin daughters, Phyllis and Frances, and a 14 month old granddaughter, Phyllis Lane, who is Frances' daughter.

Highlights and Sidelights FROM Your State CAPITOL

By — Vern Sanford
AUSTIN, Tex.—One thousand education-minded Texans, meeting in Austin, selected "No federal aid, no federal control" as the theme they will take to the White House Conference on Education Nov. 28-30.

Texas is one of five states that refuses federal funds for staging state and local education conferences.

Gov. Allan Shivers told the delegates to the conference that Texas did not seek federal aid to education. Further aid to the school system, he said, should come from the state, but without strings of control from the state level upon the local districts.

Rather than federal aid, one leader suggested "relief from the stupendous federal tax burden" to allow states more latitude for school financing. A re-examining of the state's total tax structure in search of additional school revenue was proposed.

Other problems on which the Texas Conference on Education exchanged ideas were: 12-months-a-year or six-days-a-week use of buildings; attracting and holding good teachers; keeping curricula up-to-date.

A consensus of their findings will be compiled into a report to be taken to the White House Conference.

Court Re-Considers
Texas Court of Criminal Appeals is, for the second time, pondering the legality of the Duval Co. grand jury which returned 104 indictments against county officials.

This time it also is considering charges by Atty. Gen. John Ben Shepperd that it "misrepresented facts" on its Oct. 5 decision nullifying the grand jury's action.

In a vigorous argument for reversal, Shepperd contended the

majority opinion reflected on the "propriety and motives" of himself and Judge A. S. Broadfoot. He referred specifically to statements concerning alleged collusion between himself and Broadfoot.

Judge Broadfoot dismissed one grand jury in Duval County and made arrangements for a new one, which the high court held illegal. Shepperd's office assisted with the South Texas investigations.

Master Plan Outlined
Visitors to Austin will have new sights to see in the Capitol area before long.

Guiding factors for the creation of a "state government center", with the Capitol building at the core, have been outlined by a professional planning firm.

A new state courts building and a state office building are to be constructed in the area soon. In locating them the planning specialists suggested:

1. That none should tower over the capitol dome.
2. That off-street parking be provided.
3. That easy pedestrian access be provided for all buildings.
4. That further commercial development in the capitol area be controlled.

Land Sale Reopened
Requests from over 3,000 veterans were included in a drawing which officially reopened the Texas land program last week.

The first 300 drawn were to receive application forms immediately. The remainder will receive notices of where they stand in line and will receive their application forms at a later date.

Land Office Commissioner J. Earl Rudder looked on as Charles L. Downey, department commander of the American Legion, drew the name of Olin R. Talley of Buffalo Gap as the first on the application list.

Rudder said careful measures are being taken to prevent favoritism. This was one of the factors revealed in the investigations which caused the program to be shut down last November.

Skelton Elected
In electing him chairman of the Texas Democratic Committee, Byron Skelton of Temple told the DAC they had, in effect, made him chairman of the Democratic Party in Texas.

A resolution at the DAC meeting in Waco, to leave the national committee adopted post vacant until the May convention was rejected. In its place, the committee adopted a resolution setting forth "prime qualifications" for a national committeeman and committee woman.

No direct reference was made to the choice of Lt. Gov. Ben Ramsey, recently named committeeman. Ramsey's appointment had the approval of Speaker Sam Rayburn, who organized the DAC to fill the place of national committeeman after Wright Morrow was ousted from the post.

Johnson Dinner Planned
If plans materialize, a testimonial dinner for U. S. Sen. Lyndon B. Johnson will be given in Austin in December.

Meantime, there have been suggestions to name Johnson Texas' "favorite son" candidate for president. Johnson said he had no intention of being proposed as a candidate. He said he had every hope of forming a legislative program in Congress which can be carried to the people. "If we do our job in Congress right, the election will take care of itself."

Texas Schools Praised
A letter to Governor Shivers

from Maj. Gen. John G. Van Houten at Ft. Carson, Colo. praised Texas' public school system.

General Van Houten said outstanding trainees are selected from approximately 1,500 newly inducted soldiers each month in the basic training program.

"To date the greatest number of outstanding trainees selected have come from the state of Texas," the general said. He is commanding general of the Eighth Infantry Division.

SHORT SNORTS: Miss Marie McCutcheon of Dallas has been named assistant secretary of state by the new secretary, Tom Reavley. Roger Tyler, former assistant secretary of state, is now chief counsel for the Brazos River Authority.

Davis Grant of Bryan has been named first assistant attorney general, replacing Robert S. Trotter who resigned to join a Dallas law firm. Texas should reach an all-time high in employment by mid-November, says the Texas Employment Commission. Texas cash farm income dropped nine per cent in the first nine months of 1955.

Mr. and Mrs. James Buckner of Amarillo spent the week end visiting Mrs. Buckner's parents, Mr. and Mrs. M. T. Townsend.

Mr. and Mrs. R. F. Swafford spent Sunday in Lubbock visiting their daughter, Mrs. Lawrence Evans, Mr. Evans and Robert.

Mr. and Mrs. Kenneth Ruckler and three girls spent Sunday in Morton visiting Mrs. Ruckler's brother and sister-in-law, Mr. and Mrs. Junior Gartman, and daughter, Debbie.

Mr. and Mrs. Q. W. Withers and three boys of Hermleigh spent the week end visiting Mrs. Withers' parents, Mr. and Mrs. E. D. Bason.

Mr. and Mrs. Thurman Reynolds of Midland spent the week end visiting Mr. Reynolds' parents, Mr. and Mrs. T. C. Reynolds.

LAST STRAW DOESN'T SHOW—L. D. Wilson, shown reloading all this hay on his truck, thought he had found the last straw once the mess, caused by one broken bale, was cleared from this Topeka, Kan., street. He was wrong. After reloading, Wilson found that his truck had a flat tire, and he had to unload again.

A COMPLETE AUTO SERVICE FOR WILSON

"WE WIRED FOR HELP!"

says Mr. Roland Champion, 808 S. Plains Park Drive, Roswell, N. M.

Wiring — good wiring — is an investment that never depreciates. And good wiring never costs less than it does when you build.

As H. D. Danenberg, who wired the Champion's home, points out: "With their present system, they won't have any expensive additions in the future."

Whether you build or remodel, be sure that wiring is part of your plan — if you plan to live the modern way.

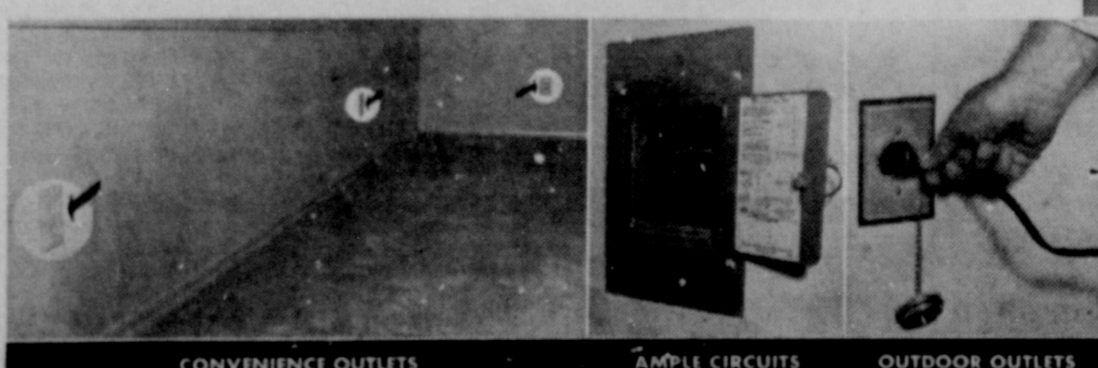

The lifeline of modern living is your home electrical wiring system. When it's up-to-date, you're up-to-date.

Mr. and Mrs. Roland Champion of Roswell know the pleasures of modern electric living, for their home is wired for today — and the future.

Mr. Champion says: "With our home wired for our needs, we live very comfortably, and certainly conveniently."

Mrs. Champion gets right down to cases. "Our wiring lets us have an electric range. I wouldn't have any other kind. The outlets in the kitchen are so handy, and in the living room they're just right for the arrangement of furniture. Our wiring serves us from daylight to dark, right around the clock."

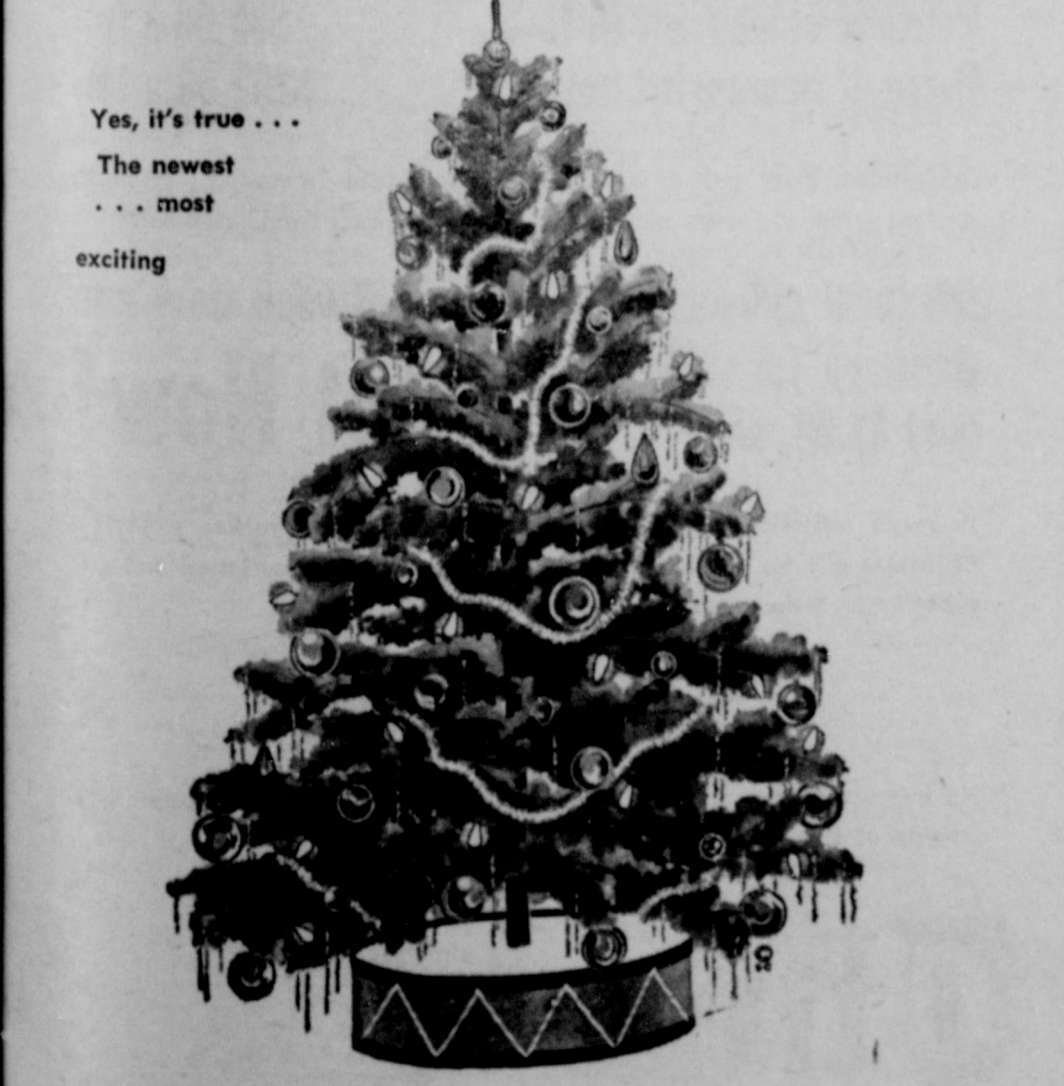

For pleasant living — electric living — wire ahead in your home now.

BY HER OWN BOOTSTRAPS—“Monitor,” experimental craft built under Naval contract, skims across Lake Mendota, Wis., on hydrofoils. The ladder-like devices supply lift in the same fashion as do the wings of a plane. They raise the craft about 30 inches above the water when it is under sail. Monitor made a land speed of 30 miles per hour under a moderate (15 miles per hour) wind. Her trial speed bests that of the hitherto speed-queen of sail—the Catamaran.

Insecticides Kill Farm Mosquitoes Research Shows

COLLEGE STATION.—Mosquitoes can be a severe problem, as well as an annoyance, on the farm. They often cause livestock to lose weight by driving them away from lush pasture and may also cause poultry to lose weight and lay fewer eggs, says entomologists of the Texas Agricultural Extension Service.

To get rid of mosquitoes, the entomologists suggests that you first look for standing water on or near your property. Mosquitoes breed in such places as temporary rain pools, flooded areas, irrigated pastures, salt marshes, ponds, and even in water caught in tin cans, rain gutters, or discarded tires.

Wherever possible, eliminate these breeding places by removing the water. In the case of ponds and irrigated pastures, the entire water surface should be sprayed or dusted with an insecticide.

The following sprays are recommended for controlling mosquito larvae in standing water: (1) A one-percent emulsion or oil solution of DDT, chlordane, toxaphene, TDE, or methoxychlor, or (2) a 0.5 (five-tenths) percent emulsion or oil solution of lindrin, or heptachlor. Each of these should be applied at a rate of 1 ounce per 100 square feet, or about 10 quarts per acre of water surface.

If it is easier to dust the water surface, a ready-mixed 5 or 10-percent DDT dust may be applied at a rate of 2 to 5 pounds per acre. A very light mist of pyrethrum is recommended to kill mosquito larvae in fishponds and ornamental pools without poisoning the fish or plants. This also is available ready for use from insecticide dealers. No more than 1 ounce of spray should be applied per 100 square feet of water surface.

It may be necessary to use a residual spray on areas where adult mosquitoes rest or hide. For this purpose a 5-percent DDT, 2-percent chlordane, or 1-percent lindane spray, applied to foundations and underparts of buildings, tree trunks, logs, and vegetation will be effective for a week or more.

County Agents can give directions for mixing these recommended sprays at the proper strength. Oil solutions and emulsions should not be used on vegetation because they may burn the leaves, say the entomologists.

School Color Day Observed At SHS

Black and red were the colors seen at Slaton High School Friday, Oct. 28, school color day. Every person at SHS had on something red and black, everyone that is, except Phil Brewer who wore a pink shirt all day. Finally someone gave him a red and black package of gaffer matches which he wore hanging out of his pocket.

School color day was a real success. There were many different costumes of red and black. Some of the boys, Phil Pearson, Roland German, Tracy Crawford, Larry White and others wore bright red shirts with black dress trousers. Black Bermuda shorts, red blouses, skirts, and sweaters were the most common dress of the girls. The members of the faculty were also smartly dressed in red and black.
