Caut'ion in Driving Near Schools Urged by Parent-Teacher Officials

Extreme caution in driving around Slaton's schools was urged this week by officials of the Parent-Teacher association.

With more cars bringing children to school, and picking them up after school, the hazard of icy streets increases. Several near-accidents were observed this week near the West Ward School.

Through cooperation with the local Police Department, officers will patrol the area near schools, and those found guilty of traffic violations will be given traffic tickets.

"It's the life of a child we are concerned about, and that child may be yours," they continued.

Underground Water Election Set Tuesday

High Plains Underground Water Conservation District No. 1 will hold its annual election of directors and county committeemen Tuesday, January 14.

Elmer Blankenship, Wilson director for District Precinct No. 1, which includes Lubbock and Lynn counties, stated that two committeemen will be elected in each county.

Precinct 1 will not elect a director, since Blankenship has one more year to serve in his term of office.

Nominees for committeemen in Lubbock county include Earl Weaver, Idalou; Ross Meador, Idalou; Vernice Ford, Lubbock; and George McCleskey, Lubbock.

Candidates elected will serve three year terms. Incumbents are Earl Weaver and Vernice Ford.

Voting places include Idalou City Hall, Wolfforth Frenship school, Slaton City Hall, Shallowater Clubhouse, and Lubbock old Courthouse.

Bingo Party Held at Ranger Meeting Monday

Some 35 persons attended the January meeting of the Slaton Rangers held Monday night at the Ranger Clubhouse.

Main item of entertainment was a Bingo party.

Three guests, Mr. and Mrs. Jerry Melcher, and Mrs. Raymond Smoot, attended the meeting.

Two Slatonites Seeking Election To Buffalo Lakes Board Directors

Tuesday, January 14, will be election day for the Lubbock Water Control and Improvement District No. 1.

Five members will be elected to the board of directors for that organization.

Nine candidates, two of whom are from the Slaton area, are seeking election to the board.

IT'S THE DAD'S NIGHT PROGRAM — These two lovely "ladies" and their actor affiliates will present the program at Dad's Night Monday for the Parent-Teacher Association. Portraying the Queen will be Leon Wals-

ton, left; the King will be T. C. Martin, while David Duke will take the part of the Princess. P. L. Vardy will be the curtain riser.

W. G. Trout Buried Jan. 8

W. G. Bill Trout, 50, was to be buried in Rest Haven Memorial Cemetery, Midland, Wednesday afternoon, following funeral services at First Baptist Church, Slaton.

Trout died Monday of a heart attack while in St. Louis, Missouri.

The Rev. Ted E. Gaze, pastor of First Baptist Church, officiated at the last rites.

Burial in Midland followed graveside services there.

Trout is survived by his wife, three sons, Bob of Amarillo, Harold, and Paul, of Slaton; and one daughter, Mrs. H. E. Bey of Midland.

Williams Funeral Home was in charge of arrangements.

Dad's Night Program Set for P-TA Monday

Dads Night will be observed by the Elementary Parent-Teacher Association Monday evening January 13, when the association meets in West Ward auditorium at 7:45.

Dads will present a skit in three acts, "The Fatal Quest," which promises to be very enter-

taining, according to Mrs. R. E. Ayers, president of the association. Those taking part in the skit will be T. C. Martin, Leon Wals-ton, C. M. McPherson, David Duke, Lee Vardy and W. C. Williams.

Martin will play the part of the king; Leon Wals-ton will be the devoted queen; McPherson will be the duke and David Duke will be the princess. Vardy will operate the curtain and Williams will be the scene shifter.

Another special feature of the evening will be that each Dad present will count as two when the room count is taken.

There will be no recreation room for children for this meeting, according to Mrs. Ayers, as the program promises to be entertaining for the children as well as adults.

Farm Windbreaks Available Through SCS District Office

Arizona Cypress seedlings for farmstead windbreaks are available again this year. Supervisors of the Lubbock County Soil Conservation District, in cooperation with the nurseryman's association, will supply the trees. Trees will be available for delivery beginning May 9, and each consecutive Friday through May 30.

Applications are being taken by the Soil Conservation Service, 1616 19th St., Lubbock, and Mrs. Gerry Strickland, 2021 38th St., Lubbock.

Cost will be 25c each for the six to eight inch seedlings. Minimum delivery will be for 50 trees per cooperator.

Supervisors and SCS technicians recognize that protection from wind is necessary on most farmsteads. Arizona Cypress is one of the best trees for this purpose, an SCS spokesman said. The trees grow rapidly and furnish excellent protection.

This is the fifth consecutive year that the trees have been made available to the SCS co-operators in this district.

Slaton Rangers Host Tyler Couple Saturday

Mr. and Mrs. Buck Thompson of Tyler were honor guests at a dinner given by members of the Slaton Rangers Saturday night at the home of Mr. and Mrs. Jess Tims.

When taking part in the Rose Festival Parade in Tyler, the Rangers were guests of Mr. and Mrs. Thompson. Mr. Thompson is a brother of Mrs. Tims.

Guests attending the dinner, in addition to Mr. and Mrs. Thompson included Mr. and Mrs. Demp Maxfield and three children of Tyler; Mr. and Mrs. Charles Cade and Sherry of Cotton Center; Mr. and Mrs. Boog Miller, and Mr. and Mrs. Cliff Richardson, Mr. and Mrs. Sant of Idalou, and Mrs. Hattie Cade of Slaton.

Moved To Home

Claude Anderson was moved to his home in Slaton last week, after having been in a Lubbock hospital since June recuperating from an automobile accident.

BIG FLAKES—And lots of them! Snow nearly as dense as some of the sand storms Slaton has known fell here Saturday. The Snows, which began falling here Satur-

day morning continued until Monday, leaving between 4 and 6 inches on the ground.

A BATTLE ROYAL—Snow forts, snowballs, and the energy of young boys is all it takes to add up to a battle royal among friends. Snowballs, snow men, and lots of

fun for all concerned were the order of the day in Slaton this past week end.

THREE MILLION A YEAR

The population of the United States now stands at close to 173 million. Yet it seems only a very short time ago that there was a general hoop-la because the population had passed the 170 million mark. It seems so far the excellent reason that it was indeed a very short time ago.

The fact is that, whatever else may be slackening, the production of human beings proceeds at a tremendous rate in this country. We enter 1958 with a population 3.1 million larger than the number of Americans that saw the dawn of 1957. And there is good reason to believe that another three million-plus will be on hand when 1958 rolls to a close.

These added millions, coming along in a steady flow as year succeeds year, are essentially a blessing to a nation whose full potential has not yet been realized. Population growth means additional mouths to feed; it also means more hands and minds to produce goods and supply all the services that a complex civilization requires. Business and industry find in the statistics a built-in assurance that there will be a continuing demand for goods and services, and plentiful manpower.

It would be folly, however, not to recognize the fact that an expanding population confronts us increasingly with problems this nation has not had to face in the past. Though America is a rich, spacious land, neither land nor wealth is unlimited. That three-million-per-year increase is handwriting on the wall. It says unmistakably: You must plan now to make the best future use of land and resources for the benefit of all the people.

OUR INDIAN SPOKESMAN

If India climbs off the neutral fence on the side of Uncle Sam, the credit will be partly due to an India-born congressman who represents a California district, Dalip Singh Saund. He has been touring his native land for some weeks, explaining our point of view. The mere fact of his election and of his assignment to the foreign affairs committee of the House of Representatives has been rightly taken as a proof that prejudice against the foreign-born has not prevailed.

The State Department, which has often been accused of paying too little attention to significant current happenings, closely followed Saund's campaign for Congress, and gave it wide publicity in India. Though the department is under Republican control, while Saund is a Democrat, not improbably it was glad of his victory. This may well prove to be a valuable weapon in the effort to win over India's immense population.

With adult education booming throughout the country, many husbands and wives attend classes together. No doubt they occasionally have a hard time hiding their report cards from the children.

STRENGTH FOR THE WEEK

By Bryan Ross
 Westview Baptist Church
 An interesting passage in Jeremiah 18:4 reads: "So he made it again." Jeremiah was watching a potter make a vessel and in the making it became marred. Instead of throwing it outside on the potter's field, the potter took it and "made it again."
 It is natural for God's messengers to take illustrations from life to illustrate great messages. The heart of this message is quite clear. Jeremiah saw in the remaking of the vessel the patience and persevering love of God in his dealings with sinful man. Once God had made man a perfect vessel for his own use, but the vessel became marred by sin. Did God cast him away? No; he set out to remake man. The first attempt was through Abraham and his children. Even though the Jews rejected the Son of God, we see that God still did not forsake them.
 God has been trying to remake man through His church. But in the darkness of sin the Middle Ages became a time of terrible sin. Did God cast man away then? No! He set out to try to remake man again.
 In a personal way Christ has been in the business of remaking lives through salvation by grace through faith. During His time on earth Christ had occasion to cast many aside because of sin, but He did not do that. Surely there was much in the life of Peter that was opposed to the standards of the Lord. We find that even in the case of a marred man like Peter that Christ made of him a great rock of faith. No life is so marred that Jesus cannot remake it.
 "So he made it again." That is the story of the wonderful grace of a loving Lord whose will is not that any should perish.

Slaton Boy Wins Essay Contest Held by Employee's Magazine

First prize in an essay contest conducted among children of employees of Paymaster Feeds was awarded Kyle Page, 9 year old son of Mr. and Mrs. Bentley Page of Slaton.
 His essay, on the assigned title "The Most Unusual Thing that Ever Happened to Me," appeared in the December issue of The Paymaster, employee magazine.
 Kyle's essay was as follows: "I once bought a calf for 4-H. I thought it would be easy to tame my calf and show it for 4-H. But I was wrong. The calf would charge most about anyone who would come near him. The calf would chase me when I would come near to feed him. But when you left him sugar in his feed bucket he would stop to eat the sugar. When they dehorned him he would kick and fight. When Joe Bob Jones came to look at him the calf charged at him, it scared Joe Bob so much that he jumped a wire fence about 6 feet high. We kept the calf about 2 or 3 months. And in that time I tried to fatten him and get him ready for the show. But the calf got so wild that I just couldn't keep him any longer. So I had to have him butchered. And that is just about all I have to tell about the calf.
 "I once had a lamb that was about 24 inches tall. I tried to fatten him for a 4-H project. It was a lamb that weighed about 40 pounds. I was going to show him for his fatness. I was going to show him, but he died the night before the show and then I didn't get to show him."

Christmas guests in the home of Mrs. J. R. Baker included Mr. and Mrs. K. R. Baker of Folbrook, California; Mr. and Mrs. L. R. Baker of Amarillo; Mr. and Mrs. H. E. Baker and family of Meadow; Mr. and Mrs. E. L. Dawes of Pawnee, Okla.; Mr. and Mrs. Eural Leslue and family of Dalhart; Mr. and Mrs. J. C. Arthur and sons of Littlefield; Mr. and Mrs. J. R. Baker and family, Mrs. G. W. Williams and Mr. and Mrs. Stewart of Lubbock.
 Mr. and Mrs. Leroy Holt, Rebecca and Phillip, left last week for Weatherford, Okla., where he will enter the school of pharmacy at Southwestern College.

Country Newspaper..

I am a country newspaper.
 I am the friend of the family, the bringer of tidings from other friends; I speak to the home in the evening of summer's vine-clad porch or the glow of the winter's lamp.
 I help to make this evening hour: I record the great and the small, the varied acts of the days and the weeks that go to make up life.
 I am for and of the home: I follow those who leave humble beginnings; whether they go to greatness or to the gutter, I take to them the thrill of old days, with wholesome messages.
 I speak the language of the common man; my words are filled to his understanding. My congregation is larger than that of any church in my town, my readers are more than in the school. Young and old alike find in me stimulation, solace, comfort. I am the chronicler of man's existence.
 I am the word of the week, the history of the year, the record of my community in the archives of state and nation.
 I am the lives of my readers.

Tornadoes, Drought - Breaking, Other Weather Highlight News Headlines in '57

Weather was the most talked about subject during 1957; Slaton showed more evidence of growth with businesses and churches opening and moving into bigger and better buildings, and the city voters approved a bond issue to improve and expand water and sewer facilities.

The seven-year drought was broken, and the agricultural outlook was its best in years. But, late-season rains and an early snow reduced the expected cotton and grain yield.

Tornadoes in the spring and high winds in the late fall caused considerable damage in surrounding communities, but Slaton was fortunate to escape any damaging effects.

What happened in Slaton during 1957? Here are some of the highlights of the year . . . January 5—The First Baptist Church opened its new auditorium with three services and an open house. The new auditorium has a seating capacity of 700.

January 13 — The El Lora Motel held an open house. The motel, owned and operated by Mrs. Electa Williams and Mrs. Lora Williams, was the culmination of a project by the Slaton Chamber of Commerce to promote building of a motel in Slaton.

January 14—Francis E. Perry, published of the Slatonite, was a member of the press accompanying President Eisenhower on his inspection tour of the drought area around Clovis, N. M.

January 15—Slaton voters approved two of the proposed

amendments to the City Charter and rejected two of the proposals. Approved were two proposals concerning annexation of territory to the City of Slaton, and turned down were proposals to have the city commissioners voted from the city at large instead of by wards and deletion of the 12,000 population requirement before a City Manager could be hired.

January 15—Truett Babb was named president of the Slaton Chamber of Commerce and Board of City Development by members of the board of directors. Named to serve with Babb were Bruce Pember, vice-president, and Don Britt, treasurer. Mrs. R. D. Bisbee was named secretary-manager.

January 28—Very little damage was reported to power and telephone lines in the Slaton area because of ice. About six lines were reported down, and heavy ice caused some lines to be weighted almost to the ground.

January 31—Slaton Jaycees issued 341 Poll Tax receipts and 12 exemptions during their Poll Tax drive. Some 698 tax receipts were issued by the local deputy tax assessor-collector, Mrs. F. A. Drewry, bringing the total number of eligible voters in Slaton this year to over 1,000.

February 24 — Highlighting the 31st Annual Chamber of Commerce Banquet were the presentations of the Outstanding Citizen Award to Elbert Wilson and the Woman of the Year Award to Mrs. A. L. Brannon. New directors of the organization were named. They are Ray Belt, M. G. Davis, Dr. Don Hatchett, John Schmidt, and Ted Swanner. The former Attorney General of Texas, John Ben Shepperd was the guest speaker for the banquet.

March 6—About 1,000 persons had visited the Slaton School system in observance of the state-wide Public School Week.

March 17—Members of Slaton's Church of Christ dedicated their new auditorium. Three services highlighted the day.

March 23—The Slaton High School Choralists took sweepstakes honors in Brownfield at the 1957 Choral Competition Festival.

April 2—More than 900 voters went to the polls here Tuesday and elected O. N. Alcorn as Slaton's Mayor. Commissioners named in the election were Chester L. Williams, Ward 1, and B. A. Hanna, Ward 3.

May 3—A parade, barbecue dinner, and two out-of-town performing groups were scheduled for the annual Western Day at Slaton High School.

May 21—Commencement exercises closed the Slaton High School activities during which time 54 graduating seniors received diplomas.

\$50,000,000 Being Paid Yearly To Keep Our Highways Cleaned Up

Highway business is picking up. Any member of a highway maintenance crew can tell you—but this time it's bad news.

Picking up litter thrown on the highways of the nation costs more than \$50,000,000 a year in tax dollars used to clear trash from the highways and right of way.

In an effort to combat the thrash-throwing litterbug in Texas, the Texas Highway Department recently conducted a survey to see if the distribution of litterbags to motorists, as recommended by the national Keep America Beautiful, Inc., and other organizations, would reduce the litter problem along Texas highways.

For Debris

A litterbag is a paper sack for stowing away the normal debris which collects in a car or truck during a trip. During a four-month test period (June, July, August, and September), the Texas Highway Department through its seven Highway Travel information Bureau at various entry points on the Texas border distributed 50,000 litterbags to motorists. The litterbags were furnished by the Texas Motel Association.

At the completion of the test period a poll of 200 highway maintenance foremen throughout the state was taken to get

their opinions of the litterbag.

Few Bags Discarded

The fact that very few of the bags were found discarded along the roadsides indicated that the bags were being used, emptied, and re-used by the traveling public. About 70 per cent of the foremen were in favor of the litterbag idea for reducing highway cleanups.

The survey clearly indicated that the worst litterbugs were local people, not out-of-state visitors nor motorists from another area of the state, but local residents who discarded trash, bottles, and cans from automobiles and trucks. As one foreman put it, "People will do things at home they wouldn't dare do away from home."

Distribution Cited

Crewmen who clean the highways and rights of way stated that a wide distribution of the litterbags to both local and out-of-state motorists through the facilities of filling stations, restaurants, motels, and allied tourist services might do a great deal toward making Texans conscious of the litterbug problem.

One foreman commented, "There are two relatively new innovations in automobiles which will help hold litter to a minimum—air conditioning the built-in rubbish compartments. People are reluctant to roll a window down in an air-cooled automobile and get a blast of hot air just to throw something out the window."

Though progress has been slow, indications are that one day Texas highways and roadside parks may be free of unsightly litter—and the litterbug vanquished by the litterbag plus a genuine desire among motorists to keep the roadsides clean.

Local School System Audio-Visual Needs Filled by Area Library

An increased use of audio-visual teaching aids to beef up the lag in science education equipment may help solve the problem facing the nation's school systems in training more young people in this space era, Henry R. McCarty said in Lubbock recently.

McCarty is director of the West Texas Cooperative Audio Visual Services headquartered at Texas Tech.

At a time when the nation is increasingly aware of a need for more science education in the public schools, McCarty points to a film project recently completed by Encyclopedia Britannica films.

It is a full course in basic physics consisting of 162 half-hour films designed to leave class room time for questions, quizzes and assignments.

Watching Things

Because much of a physics course is spent in watching things happen and learning why and how they happen, the film is expected to be a great teaching aid in explanation and repetition of experiments.

One purpose of the project is to help schools that are short of science teachers, as many

are, McCarty said. The films will be sold for \$13,000 a set in black and white and will have a life expectancy of 10 years service. One physics course in film can be used by several schools and many classes, thus making it a bargain in education.

Today teachers in 41 school systems in this area are using educational films from the West Texas Cooperative Audio-Visual Services. Among those participating is the Slaton Independent School District.

Sixth Year

Beginning its sixth year of enabling an estimated 58,500 public school students and 8,500 college students to flex their mental muscles in general and technical subjects, the Audio-Visual service has an estimated 3,000 film prints about 1,600 subjects on 16 mm. sound film.

McCarty said the number of students served in West Texas has increased from about 47,000 when the cooperative was formed in 1952 to 67,000 in 1957.

Each participating school pays into the cooperative 50c

for each student in its system while Tech participates in the program by providing housing consultant and advisory service for the service, McCarty said. About 10 per cent of the films are for college level use.

10,000 Increase

As the need for visual aids has come more in demand throughout the West Texas schools, the annual distribution has increased from 9,543 in 1952-53 to 19,854 in 1957. Meanwhile the average cost of booking a film by schools has dropped from \$2.76 to \$1.45, he said.

Today the total value of films in the services library is estimated at \$125,000, he said.

In addition to providing educational film distribution, the organization provides professional direction, in-service education and consultant services in the field of teaching materials.

Unlike a library of books which are kept for reference years after their contemporary use has passed, the Audio-Visual films are continually being brought up to date by revised "editions." Old films are sent in to educational film companies who return a new version at a lower revised edition price, McCarty pointed out.

Pfc. and Mrs. Harley "Pat" Patterson and baby, Cindy, have returned to Fort Rucker, Alabama, where Mr. Patterson is stationed, after having spent the holidays with his mother, Mrs. Verna Patterson, and his sister, Mrs. J. Local Men Fined \$1500 in Liquor Violations

Four Slaton men received fines of \$1500 plus costs in County Court-at-Law this week, in connection with liquor cases. Ozie Lee Bray, 29, was fined \$300; Layton Hardrick, 48, \$550; John Arris, 57, \$350; and Albert Artison, 40, \$300.

Eleven persons were jailed in Slaton since January 1. Charges included theft over \$50, desertion, liquor law violations, curfew violations, drunkenness, and traffic violation.

Three accidents were investigated within the city limits, caused by icy streets.

Traffic tickets were issued during the same period for violations of driving without an operator's license; imprudent speeding, running a red light, and failure to grant right of way.

Former Southland Woman Dies Saturday in Hereford

Among our college students who have returned to school after the holidays were Harriet Bean, Ross Dunn, and George Ellis to McMurry at Abilene; Karen Gale and Jerry Pennell, Joe Hargrove, E. L. Dunn and Gerald Dabbs have returned to Tech; and Fred Myers to Sul Ross at Alpine. After a lingering illness, Mrs. John Draper passed away Saturday morning in her home at Hereford. She is survived by her husband, two daughters, Mrs. Avis Huff of Amarillo and Mrs. Sammy Edwards of Clovis, New Mexico; two sons, Gene of New Home, and Dave of Ropes; a number of grandchildren and great grandchildren. The Drap-

er family lived in the Southland community for a number of years before moving to Hereford. Mr. and Mrs. Alton Hurst and two sons of Levelland visited her grandparents, the F. E. Weavers, during the holidays and while they were here papered the house for their grandparents. Among our sick who have been hospitalized are Mrs. Jesse Ward, Sam Martin and Mrs. M. M. Bruster. All are in Mercy Hospital in Slaton. Mr. and Mrs. T. A. Warren and Miss Ora Mining have moved to Slaton where they will be associated with the Slaton Pharmacy.

O. W. Tucker, Gordon store owner, is ill with pneumonia at his home. He became ill Saturday night. Mr. and Mrs. Spencer Brewer returned home last week after having spent Christmas with their daughter, Woodena, in San Francisco, Calif. They also visited with Mrs. Brewer's sister, Mrs. J. O. Inscore, and family and a brother, Ernest Jarrett, and family in Los Angeles. Woodrow Stuart had the misfortune of breaking his arm just above the elbow the day after Christmas. Recent guests in the home of Mr. and Mrs. Gus Gatzki were his sister, Mrs. Chris Marsch, and Mr. Marsch from Aberdeen, Iowa; another sister, Miss Minnie Gatzki, and a brother, Walter, of Megargle; a cousin, Miss Lavon Muscher of Corsicana. While they were here they all visited with the Gatzkies' daughter, Mrs. Vernon Clems, and family in Seagraves. New Year's guests in the home of Mr. and Mrs. George Baker, Loyce and Royce, were two of Mrs. Baker's sisters, Mrs. N. R. King of Post, and Mrs. John Myers, of Lubbock and their families. Mr. and Mrs. Donald Edmunds and children and Mrs. Edmunds' mother, Mrs. B. F. Gunnell, and children spent New Year's Day in Sweetwater visiting with friends. Among the people from Southland who attended the Cottonbowl football game New Year's Day were Mr. and Mrs. Kenneth Davies, Jack Haire and Miss Ann Porterfield of Post and Mr. and Mrs. Donald Basinger. Mr. and Mrs. W. C. Pearce and Sue Ann returned last week from a visit with Mr. Pearce's parents, Mr. and Mrs. J. N. Pearce, in Vernon. A. F. Davis spent last week with his daughter, Mrs. Josephine Spikes, and children in Lubbock.

Santa Fe Announces Increase In 4-H Club Scholarship Awards

NEW ARRIVALS IN SLATON

The Santa Fe Railway has announced an increase in its annual scholarship awards to 4-H Club boys and girls. E. S. Marsh, Santa Fe President, announced in Chicago that effective with the 1958 program, the twenty-five 4-H Club college scholarships will be increased by \$100 each, so that each will amount to \$350. The annual awards are made through the Santa Fe Foundation and have been in effect since 1951. Winners are selected by the State 4-H Club leader and the scholarships are administered by them. Nine states served by the Santa Fe participate in the scholarship program. They are Arizona, California, Colorado, Illinois, Kansas, Missouri, New Mexico, Oklahoma, and Texas.

Lela Ann Harper Buried Here

The 15-year old granddaughter of Mrs. Nora Harper was buried Thursday in Englewood Cemetery after funeral services in the Vandalia Church of Christ, Lubbock. Lela Ann Harper, the daughter of Mr. and Mrs. Robert L. Harper Sr., died late Tuesday in a Lubbock hospital. A victim of cerebral palsy, she had been seriously ill about a month. Bob Harper, minister of the Vandalia church, officiated at the rites. Survivors, in addition to the parents include two brothers, Robert L. Jr., and Jack, and one sister, Juanita; and two grandmothers, Mrs. Harper, and Mrs. Lula Massingill of Portland, Oregon.

Slaton Area Farmers Install Irrigation Pipe

William R. Wilson of Slaton has recently completed installation of 1235 feet of twelve inch concrete irrigation pipe. A portion of the cost was shared by the Lubbock County ASC Program. Engineering work was done by Soil Conservation technicians. Other farmers in the Slaton area who have recently installed concrete irrigation pipe are: S. G. Wilson, 1627 feet; and Walter Bednarz, 1222 feet. Mr. and Mrs. Albert McCarty from Chimney Rock, Colo., were guests in the home of Mr. and Milton Davis New Year's Day.

State Capital NEWS

By Vern Sanford

AUSTIN, Tex.—January is poll tax month.

Officially, poll tax sales begin in October. But nobody pays too much attention.

However, after the first of the year, organized drives get underway, in a deadline-month appeal to induce citizens to protect

their right to vote by payment of the poll tax.

But a good percentage of potential voters ignore it all. Many, jolted at the last minute, flood into courthouses after knocking off work Jan. 31. Penalty for the putter-offers is usually a long wait in line.

Many more never get there at all. Texas Almanac reports show that in past non-presidential election years, less than half the potential voters paid poll taxes or secured exemptions.

Poll tax costs \$1.75 and usually may be secured at several different places in every community. No charge for 21-year-olds getting their first vote and those 60 years and over, but an exemption certificate must be obtained. (Persons living outside cities of 10,000 or more may vote on affidavit without an exemption certificate.)

SAFETY PROGRAM PAYS OFF—Texas traffic deaths fell below the Department of Public Safety prediction for the Christmas-New Year holiday period, as a result of the concerted efforts of the Governor's Safety Program.

DPS predicted that 113 persons would die on Texas highways. Final number probably will be 103.

Both Governor Daniel and DPS Director Homer Garrison Jr. has high praise for Texas citizens, law enforcement officers and news media, for the success of the program. "Much of the credit should go to the newspapers, radio and TV which played a major role in aiding law enforcement and focusing public attention on the increased driving hazards of the holiday season," Garrison stated.

And Governor Daniel stressed that one of the chief aims of his administration during 1958 will be "to reduce our traffic deaths and injuries even farther below the 1956 record. It can be done... this is best illustrated by the results of our efforts during the past holiday season when the nation's death total increased but the Texas total decreased."

If the DPS figure of 103 proves accurate, it will be the lowest since 1952 when 98 persons were killed in the holiday

traffic crush.
TWICE AS MUCH WATER—New State Water Development Board has set up shop with the aim of doubling Texas' water storage space. Board members predict the program will bring the state an additional \$600,000,000 in conservation projects—without cost to state tax payers.

Board is authorized to raise \$100,000,000 by selling bonds at four per cent interest—and another \$100,000,000 later, on say-so of Legislature. This money can be lent at five per cent interest to help pay up to one-third of cost of local conservation projects.

"I firmly believe the program will be self-liquidating," said Board Vice-Chairman W. E. (Buck) Tinsley of Austin.

Board hired Joe Carter at its \$10,000-a-year executive secretary. Carter was legal counsel to the State Board of Water Engineers until animosity from two board members forced his resignation last spring.

After that, Carter served on Gov. Price Daniel's staff, assisting with water legislation drafting. He is a former state senator from Sherman.

BREATHING FOR SCHOOLS—Some 600 still-segregated school districts in Texas are more relaxed now. Many had feared that court-enforced integration in Texas would begin this winter in Dallas.

Federal Judge A. T. Atwell of Dallas ruled last year that Dallas schools must integrate at mid-term (January, 1958). But a higher court (U. S. Fifth Circuit Court of Appeals in New Orleans) overruled. It said Dallas school officials should be given "a reasonable further opportunity" to plan for integration.

Decision leaves intact, for the time being, a state law passed last spring designed to delay desegregation. It prohibits school districts from integrating unless instructed to do so in a local election. Integration without a voter mandate would bring loss of state aid.

For Dallas, this would have meant \$1,500,000 a year.

UNWANTED "EGGS"—Estate Life Insurance Co. of Amarillo is asking the state to take back some "rotten eggs" it bought at a bankruptcy sale.

Last summer Estate took over some \$11,000,000 worth of policies that had belonged to Physicians Life Insurance Co. Physicians had gone broke, and its affairs were being settled by the state liquidator.

Estate's attorney charged at an Insurance Board hearing that the contract arranged by State Liquidator J. D. Wheeler was unfair to Estate. Same batch of business (mostly burial policies on older people) has passed through three companies—Southern Bankers, American Atlas and Physicians. It bankrupted all three, said the Estate attorney, who called the business "a bunch of rotten eggs."

Girl Scout Council Annual Meeting Planned Tuesday

Persons interested in Girl Scout work are invited to attend the annual meeting of the Caprock Girl Scout Council on Tuesday, January 14, according to Mrs. A. W. Young, president of the council. The meeting will be held at noon at the Lubbock Hotel.

Tickets, which are priced at \$1.65, may be obtained from neighborhood chairmen or the Girl Scout office in Lubbock before Friday afternoon, January 10. Mrs. Young said that no tickets would be sold at the door.

The Caprock Council was chartered last year on January 8. Included are Lubbock, Hale, Crosby, Hockley, Terry, Lamb, Cochran, Bailey, and Parmer counties.

Members of the board of directors will meet prior to the luncheon Tuesday.

On the agenda for the annual meeting are included the election of members for the board of directors; reports of chairmen

of committees, and report from delegates attending the national convention in Philadelphia in November.

Mrs. Robert Choate and children, Lural, Kay and Randol, returned home last Thursday after having visited in the home of her parents, Mr. and Mrs. W. A. Priest, and Mr. Choate's mother, Mrs. J. J. Choate, in Margaret during the holiday season.

H. F. Martens left Saturday morning for Albuquerque, New Mexico, where he has been transferred by the Santa Fe Railway. His family will join him there in a few weeks. The Martens have made Slaton their home for the past six years.

Miss Burdine Becker returned to Texas Lutheran College at Seguin Sunday after having spent the holidays with her parents, Mr. and Mrs. Wallace Becker. She went back with

Open House at the new El Lora Motel will be held Sunday, January 13, according to the operators, Mrs. Electa Williams and Mrs. Lora Wicker.

Slaton residents will go to the polls Tuesday, January 15, to vote on four amendments to the Charter of the City of Slaton. The first of the four proposals provides for the voluntary annexation of territory when the inhabitants of the territory elect to do so. By passage of the second amendment, The City would be able to take into its limits, by ordinance, additional territory where the best interests of the City as a whole

would be served.

Members of Slaton's First Baptist Church will worship in their new auditorium Sunday, January 6. The services have been scheduled for that day, in addition to an Open House being planned from 3 to 5 p.m. Sunday.

Eighteen months of working and planning will end in the realization of a dream come true for Girl Scout workers in the nine South Plains Counties on January 8. This is the meeting to vote on the proposed Caprock Council.

A Slaton resident for 21 years, H. E. Beard, retired effective January 1, from the Santa Fe Railway. Beard was honored last week by co-workers at the Santa Fe divisional offices here with coffee and donuts and was presented a gift.

J. J. Maxey, city secretary, and J. E. Eckert, commissioner from Precinct Three, will be in Austin on Monday, January 12, when the State Board of Water Engineers will hold an official hearing on the need of a Water District proposed for 12 Panhandle and South Plains cities

in connection with the Canadian River Dam project.

If business was any slower here in 1952 that it was in 1951, you can't prove it by receipts at the Slaton Post Office. According to T. E. McClanahan, acting postmaster, postal receipts here during the year just ended bettered by \$1,919.28 the amount of business transacted at the Slaton Post Office during 1951.

Deposits at the Citizens State Bank here on December 31 totaled \$4,921,814.80—about one and one-third million dollars more than deposits as of the last statement of condition on Sept. 5, 1952. The increase in deposits, according to T. A. Worley Jr., cashier, reflects the cotton harvest.

Deposits at the close of 1952 were approximately half a million dollars less than deposits at the close of 1951, Worley said. This is partly due to a larger cotton "hold over" this year and also to the fact that cotton sales averaged about \$25 a bale less this year.

WSCS Will Host WSG January 15

WSCS of First Methodist Church will be hosts to the members of the Wesleyan Service Guild for their January meeting on Wednesday, January 15 at 7:15 p.m. The meeting will be held in Fellowship Hall of the church. The WSCS will serve dinner and the Wesleyan Service Guild will furnish the program.

This is the first meeting of its kind to be held by the two groups and according to Mrs. W. R. Wilson of the WSCS, an interesting program and an evening of fine fellowship is anticipated.

Missionary Education Discussed at WSCS

Eleven members of the WSCS attended the meeting of the society Monday afternoon in the sanctuary of the church. Mrs. A. C. Burk, president presided over a business meeting.

The program was led by Mrs. Fred Tudor, secretary of Missionary Education, giving the program on her department's work. Mrs. Tudor was assisted with the program by Mrs. C. A. Womack and Mrs. Elmer Crabtree.

At next week's meeting, to be held Wednesday night with the Wesleyan Service Guild as guests, the guild will introduce the new mission study from the book "Japan."

Home Remedies Told At Club Meet Monday

"Simplicity of all things, is the hardest to be copied," was the quotation introducing the program for the Daughters of the Pioneer Study Club Monday evening. Mrs. Joe Walker Jr. was hostess to the club.

A program on "Grandma's Home Remedies" was given by Mrs. Alex Webb. Besides the home remedies referred to, Mrs. Webb read a number of selected readings.

During the business session it was voted to contribute \$10 to the Welfare Center. Mrs. Howard Hoffman was named vice president to fill the unexpired term of Mrs. Leroy Holt who resigned when she moved to Weatherford, Okla.

Those present were Mesdames R. E. Ayers, Bill Ball, Carter Caldwell, Thomas Claiborne, Bob Conner, Don Crow, John Morris, Jack Nowlin, Glen Payne, Earl Reasoner, Cecil Scott, J. B. Sharp, Bill Smith, Joe Teague III, R. H. Todd Jr., Webb, Hoffman and Walker.

Mrs. Allen Strube
... the former Ruth Yandell ...

Yandell-Strube Vows Read in San Angelo

Sacred Heart Catholic Church in San Angelo was the scene of the recent marriage of Miss Ruth Yandell and Pvt. Allen John Paul Strube.

The Rev. Irwin Gehring heard the couple's vows.

The bride is the daughter of Mr. and Mrs. A. S. Yandell of San Angelo and the groom is the son of Mr. and Mrs. F. A. Strube of this city.

Escorted by her father, the bride was wearing a bouffant, waltz-length dress of white slipper satin designed with a V neckline, accented with lace appliques. The bodice extended into points, front and back, waistline.

A white pearl crown held her shoulder-length veil of illusion. She carried white roses atop a white prayer book.

Miss Barbara Ann Brewer was maid of honor. L. C. Strube, brother of the bridegroom from Van Court, Texas was best man.

Ushers were Quentin Strube, brother of the bridegroom, and Sgt. Ray L. Yandell, brother of the bride.

Music was presented by Miss Joyce Ocker of Rowena, organist, and Miss Anne Marie Wilde, Miss Anell Gerngross and Miss

Norma Jean Gerngross. A reception was held in Wood Fellowship Hall of First Presbyterian Church. In the house party were Miss Martha Ann Strube, Slaton, Mrs. L. C. Strube, Van Court, Mrs. R. L. Yandell, San Angelo and Mrs. O. D. Morris of Slaton.

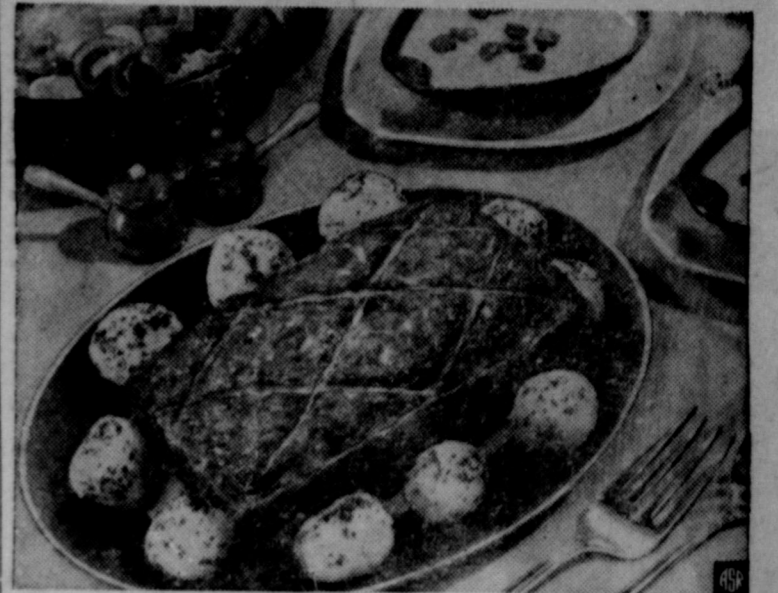

Refreshments were served from a table laid with white net over saim accented by the bride's attendant's bouquets flanked by red lighted tapers.

Following the reception a supper was held in Wall, Texas at the St. Ambrose Parish Hall.

The bride is a graduate of San Angelo High School and attended Texas Women's University, where she was a member of Delian Literary Social Club. She is a member of Phi Beta Sigma and Insurance Women of San Angelo.

Mr. Strube is a graduate of Slaton High School and is serving with the U. S. Armed Forces.

Cure Budget Jitters With Inexpensive Meat Loaf

'Round about this time every year bills are pouring in, and the food budget is suffering a slight attack of anemia. The result, of course... Mrs. Homemaker is left draining her brain of ideas for serving inexpensive meals that still remain hearty and fine tasting.

No one will deny that meat loaf is a standby during these days and here's a really good recipe for one that furnishes extra nourishment with the addition of the cereal favorite... 40% bran flakes.

Start off the meal, why don't you, with a good hot soup. Then on the meat loaf platter add parsley potatoes and serve with large quantities of mixed green salad. Plenty of hot coffee (milk for the kids) will be welcome along with a simple dessert. No one will ever guess the pocketbook is "broke" if you don't mention it.

Savory Meat Loaf

- | | |
|--|------------------------------------|
| 1 1/2 tablespoons diced salt pork or bacon | 2 teaspoons salt |
| 1/4 cup finely chopped onion | 1/4 teaspoon pepper |
| 2 pounds ground beef | 1 1/2 cups crushed canned tomatoes |
| | 1 cup 40% bran flakes |

Fry salt pork or bacon with the onion until the meat is crisp and the onion is golden brown. Combine with other ingredients and mix thoroughly. Pack into 10 x 5 x 3-inch loaf pan. Bake in moderate oven (350° F.) 1 hour, or until done. Serve hot or cold. Garnish with parsley. Makes 8 to 12 servings.

Note: If desired, add 1/2 cup drained cooked peas to the meat mixture and mix lightly.

Raiders, Mustangs in Friday Meet at Lubbock

Texas Tech meets Southern Methodist University in Lubbock Municipal Coliseum Friday night in the Red Raiders' last local contest until January 25.

Coach Polk Robinson's Red Raiders play the University of Arkansas in Fayetteville Monday night, January 13. Following examinations, Tech meets Baylor in Lubbock on January 25.

In the preliminary game Friday night, Coach Gene Gibson will send the Tech freshmen against the Hardin-Simmons first year men. Preliminary game starts at 6 p.m., with the varsity contest beginning at 8 p.m.

Recent contests have resulted in SMU and Tech breaking even, and Arkansas adding to its edge

over the Raiders. SMU nipped Tech 68-67 in the 1956 National Collegiate playoffs at Wichita, Kansas, and walloped the Raiders 101-72 the following December in Dallas.

Last February, however, Tech upset SMU 68-67 here. In the pre-season tournament at Houston in December, Tech slipped by SMU 72-70 in an overtime. In the same tournament in the battle for third place, Arkansas staved off a closing rally to down Tech 71-69.

Mr. and Mrs. Don Crow and children spent the New Year's holiday in Fort Worth with Mrs. Crow's parents, Mr. and Mrs. Van Prince. They attended the Cottonbowl football game in Dallas New Year's Day.
