Tuesday, Wednesday Designated Public School Week Visiting Days

Slaton Schools will observe Texas Public Schools Week next week, March 3 to March 8, 1958. The Governor of Texas and the Mayor of Slaton have set

aside this week for the purpose of acquainting the public with its public schools. All parents are cordially invited by P. L. Vardy, superintendent of Slaton Schools, to visit at least one school next week and if possible to visit all of them. Tuesday and Wednesday have been designated as

regular visiting day but Mr. Vardy says "if you can't come then, come anytime during the week, or any time during the year that you wish to see your schools in action."

Special Events

The Slaton Elementary P-TA and the music department of West Ward School will present an operetta Monday evening at 7:30 at the High School auditorium. On Tuesday evening the High School Choraleers and the Junior High School Chorus will present a musical program in the High School auditorium at 7:30 p.m.

Slaton Schools will be dismissed Friday March 7, so that the faculty can attend the annual District Teacher's meeting. If parents would like to know and see first hand, the Audio-Visual materials that the children have available for their studies they will have an opportunity on visiting days. Mrs. Ruth Smoot, who co-ordinates the audio visual program throughout the Slaton Schools, will have charge of two periods of this work.

Mrs. Smoot says "you will probably be surprised to know just how much material for learning our schools provide. The programs will demonstrate how we use our eyes as gates of learning."

On Tuesday, March 4, from 10 until 10:45 and audio-visual program for primary grades will be given. In the afternoon from 2 until 2:30 the upper elementary will be demonstrated. This is a new feature of Public School Week and parents are invited to be in the West Ward auditorium at these hours and see the program in action.

Following the programs, guides will direct the guests to the different class rooms for the regular work program.

"Prove your interest in our schools by being present at your schools this year" says Mr. Vardy.

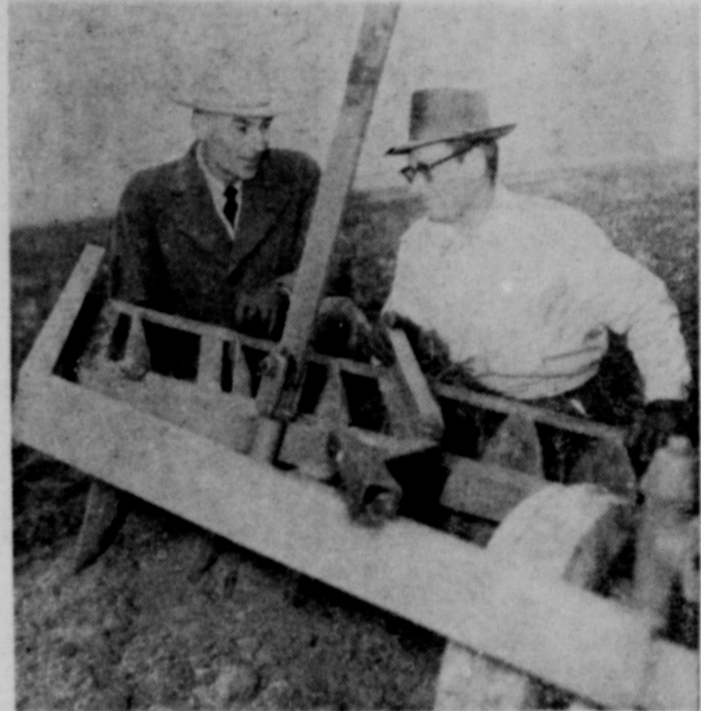

P-TA To Meet Monday Night At High School

In cooperation with Texas Public Schools Week March 3-7, Slaton Elementary Parent-Teacher Association will have their March meeting next Monday, March 3, instead of the regular second Monday.

Mrs. J. D. Perkins, public school music teacher for West Ward will present 120 second grade children in an operetta, "The Children of Old Mother Goose."

The business meeting will begin at 7:15 in the high school library and the program, which will be given in the auditorium, will begin promptly at 7:30, according to Mrs. Robert E. Ayers, P-TA president.

Admission to the operetta will be 25 cents for adults and 15 cents for children.

\$542.44 Raised For Heart Fund

A total of \$542.44 was collected last week end in Slaton for the Heart Fund, according to Mrs. George Privett, who with her husband were directors of the drive in Slaton.

Girl Scouts from troops 107, 108 and 260 conducted the Tag Day in downtown Saturday and received a total of 177.75. The Heart Sunday Drive under the direction of the Athenian Study Club netted \$364.69. Collections which have not been counted from the plastic hearts and from the envelopes left at homes where there was no one at home, are expected to swell the total to Slaton's goal of \$600.

Representatives from several organizations assisted with the house-to-house canvass, including the study clubs, cub scouts, youth of First Baptist and Pentecostal Holiness churches.

Local Youths Charged in Garza Theft

Twelve Slaton youths have been charged by Garza County Attorney Carleton P. Webb with theft of dynamite.

Charges were filed last week in Garza County. They allege theft of dynamite valued at \$15 from Elliott Taylor. The theft allegedly took place "on or about December 12" and the charge states that the dynamite was taken from an abandoned gravel pit in Garza County, just south of the Crosby County line.

Charged were Howard Limmer, Patrick Joseph Adamek, Gilbert Becker, Albert William Trawick, Delmar Wilkie, Dale Gordon, Wayne Banks, Robert Hurst, Billy Balmanno, Ronnie Heinrich, Gerald Heinrich, and Chris Gindorf.

The youths were apprehended and questioned last December by Garza and Lubbock County officers after a county bridge was dynamited east of Southland in Garza County, and other blasts were set off in canyons, river beds and highways.

Mr. and Mrs. Douglas Milliken, Vicki and Debby, and Mrs. Andrew Jackson visited over the week end in Altus, Oklahoma with Mrs. Milliken's sister, Mrs. Howard Neel, and family. Mrs. Jackson is Mrs. Neel's mother.

Mr. and Mrs. Bob Ritchey of Lubbock were dinner guests in the home of the Rev. and Mrs. J. B. Sharp Monday evening.

Lubbock County Stock Show Here Saturday at Old Cotton Oil Mill Site

The 17th annual Lubbock County Stock Show will be held in Slaton at the Cotton Oil Mill grounds on East Division Street on Saturday, March 1st. The Show will be under the sponsorship of the Slaton Chapter of Future Farmers of America and will be participated in by FFA boys from throughout Lubbock County and Wilson. They have been given the backing of the Slaton Chamber of Commerce and the business men of Slaton, Lubbock, Shallowater, Idalou, New Deal, Posey, Southland, Wilson and Wolfroth.

Truett Babb, local Agricultural teacher, reports that he expects entries to include 225 hogs, 50 sheep and about 20 calves this year. The exact size of the show will not be known until showtime.

Dr. Casey Fine, head of the Animal Husbandry Department, Texas Technological College, will judge the show.

The public is invited to attend, states Truett Babb. Considerable interest has been shown in past years in this annual affair and this year's attendance is expected to be even greater.

FERTILIZER MEETING THURSDAY NIGHT

J. B. Schmaltz, Slaton distributor for the Olin Mathieson Chemical Corp., announces that there will be an educational fertilizer meeting free to the public on Thursday night, February 27. The meeting is to be at 7:30 at the VFW Hall in Slaton.

Dr. William O. Trogdon will speak. Mr. Schmaltz states that this speaker is constantly booked up and they were fortunate in being able to get him here. The public is invited to attend.

Little Larry Vandergriff, 3, had just had a spanking from his dad, and later Mr. Vandergriff asked the lad, "You love Daddy?" Larry, no doubt remembering the busting, answered, "Sometimes me do—sometimes me don't."

Same deal with this column, sometimes me do sometimes me don't.

Most everyone admires the Girl Scouts and those persons that work to make the organization a success, don't they. Well, if you have a typewriter you are not using, you have a chance to really help by lending it to one of the ladies who works with and for that group. She is Mrs. J. W. Pettigrew 150 N. 5th, and a wonderful person she is.

It might be well to note that Mrs. Pettigrew's work with the Girl Scouts is entirely without monetary consideration. In other words, she does not make a red cent. But without a doubt she spends a good deal out of her own pocket. If you should want to lend her a typewriter, call her at VA 8-3559.

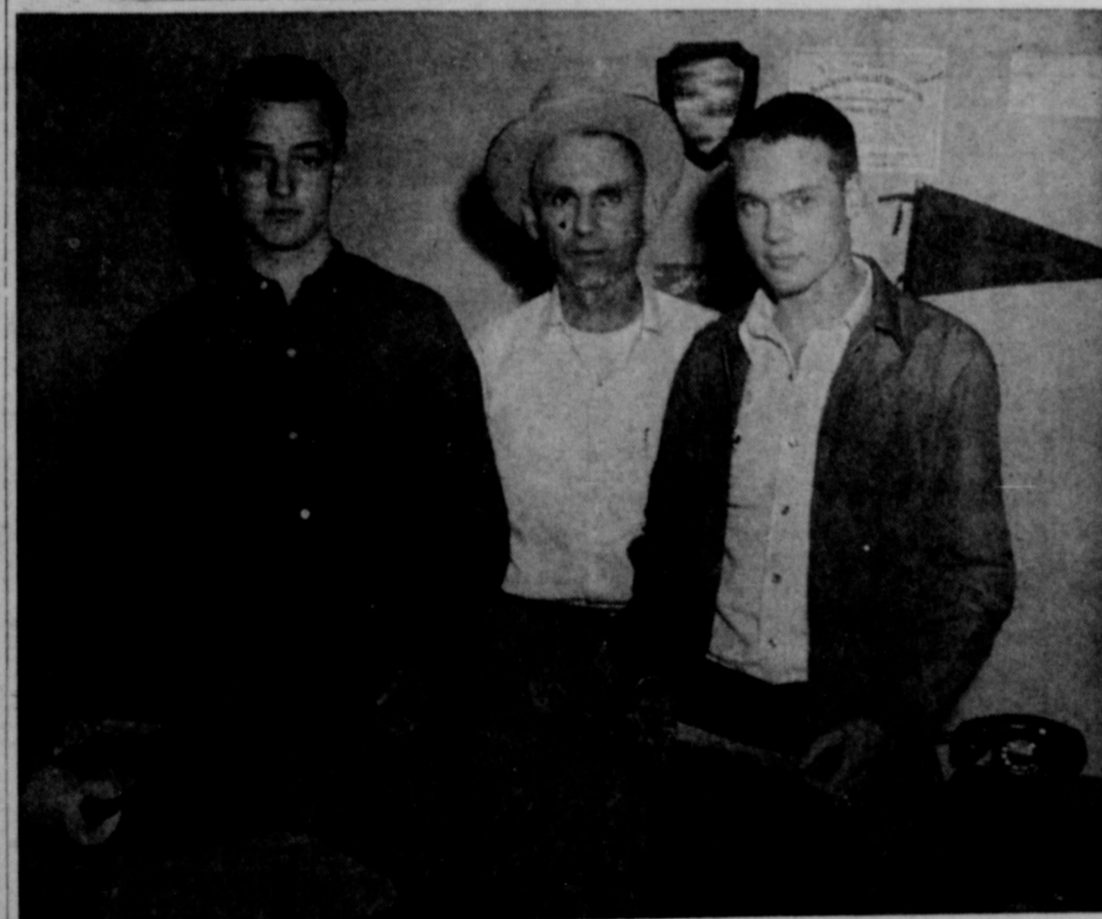

If you see any of the Slatonite crew staggering around, don't misjudge them. The old flu bug got most of us. Richard surrendered and went to bed Tuesday. Wednesday he came down and took some film out of the camera for us. I could only hope that he made it back home. He looked so sick as to make it doubtful.

Mr. Perry and James had their bad times over the week end when things were not so pressing. Mrs. Perry, perhaps the slickest of them all, just didn't quit.

I have one person very concerned lest I get the flu, too. My daughter Karen, can just see her birthday party being interrupted by a sick mother.

Speaking of parties reminds me of the birthday present given all who register their birth dates at the Weaver Roller Rink. A free pass will be given to the birthday boy or girl. The Rink Manager will also hold a drawing every Saturday night, with the winner being given very nice prizes.

The skating rink has been undergoing some changes. The building has been ceiled, and other improvements are being made. Mr. Weaver plans to add kiddie rides and miniature golf and hopes to have them ready before too long.

Slaton Boy Wins Top Award in Lubbock County 4-H Cotton Contest

Roy Strube, 17-year-old son of Mr. and Mrs. F. A. Strube, was awarded top money and a special plaque at an Awards Banquet held in the Slide Road Community House, Thursday night, in the Lubbock County 4-H Cotton Contest for 1957.

Young Strube was declared winner in the dryland division, and another Slaton Youth, Joe Bob Jones was awarded \$25. Also in the dryland division, a medal was presented to Stiles Belcher.

R. A. Boyd, president of the Lubbock County Farm Bureau presided at the banquet and Bob Stephens, Farm Director of Radio Station KFYO, was the guest speaker.

The contest was sponsored by the Lubbock County Farm Bureau and members of all Lubbock County 4-H Clubs participated.

The top winners will compete in a 20-county district sponsored by the Plains Co-operative Oil Mill.

The Slaton Co-op Gins announced special award for all Slaton 4-H Club youths participating—planting seed for five acres for next year's competition.

The winning land lay in a low place and had been planted in cotton the previous year, according to Roy Strube. The youth practiced contour farming and stated that his crop received rain every time that it needed it.

Shilling Selected As Top Conservation Farmer

L. H. Schilling, Slaton farmer, was given the high honor this week of being selected as the outstanding conservation farmer of 1957. This selection was made by the Lubbock County Soil Conservation District supervisors after thorough study of other farms in the district.

Schilling, who lives 1 mile east of Woodrow, will represent the Lubbock County SCD in the area competition, which covers 57 counties. The area winner will receive \$200 and will move into the state finals, where \$500 is the top award.

Schilling, who was reared on his father's farm 3 miles north of Slaton, remembers using horses to cultivate and plant crops, a far cry from his modern operation of today.

"We used to work in the fields from the time we could see in the morning until it was too dark that night," he recalls. "It was a hard life, but I enjoyed it and never seriously considered entering another field."

Schilling started farming for himself in 1942, when he was 21 years old. He farmed 160 acres "on the halves" with his father that year. He now owns his present 32-acre home place, which he bought eight years ago.

It was on his father's farm that Schilling received his first taste of conservation farming—with contour rows. He recalls that contour farming was somewhat unique at the time, but it paid off in more uniform growth of crops and better yields.

Today, Schilling uses many soil conservation practices. His latest is bench-leveling, which he plans to install on his entire farm. His farm has underground tile for irrigation. Growing of grasses and irrigation of grass has proven very successful. Using extensive fertilizers is just part of farming over the years, he says. All kinds of fertilizers are used.

The growing of soil building crops and rotation are among his soil conservation projects. All of these projects together have made Schilling the most outstanding farmer of this district, an honor he well deserves.

Heart disease causes more deaths in the United States each year than all the other causes combined, according to U. S. Government statistics quoted by the Texas Heart Fund.

Mr. and Mrs. Schilling have nine children—Linda, 13; Jimmy, 11; Larry, 10; Sandra, 9; Vincent, 7; Angelo, 6; Clyde, 5; Kevin, 3; and Perry, 9 months.

SCENE OF ANNUAL BANQUET of Slaton Cub Scouts Tuesday night at West Ward Cafeteria.

Cub Scouts Receive Awards

Cub Scout Pack 128 had its annual Blue and Gold banquet Tuesday evening, February 25 at the West Ward cafeteria with 164 Cubs and guests in attendance.

Rev. H. E. Summers gave the invocation. Sgt. Fred Marshall from the Texas Department of Public Safety was the speaker of the evening. Other numbers on the program included the flag salute by Den Chiefs; a song by Den 10; an instrumental number using homemade instruments by Den 11; an accordion solo by Dale Pierce; a piano solo by Don Boyd; vocal trio by David Edwards, Doug Keese and Allen Miles accompanied by Don Edwards, and a poem by Mrs. W. A. Riley.

Bobcat pins were awarded Baxter Coffee, Chester Spurlock and Dennis Brush. Charlie Gravel, Tommy Williams, Charles Underwood and Pat Wheeler received Wolf badges. Lion badges went to Robby Edmondson and Richard Ray while Danny Lain, Dewayne Patterson, Frankie Vardell, Phil Swift, Roger Sammons and Wayne Coffee received Bear badges.

Arrow Points were received by Robby Edmondson, Leland Martin, Rickie Summers, Earl Eblen, Roy Clay Green and Larry Hayes. A one year pin

was presented Earl Eblen. Den mothers presented a gift of appreciation to Alex Webb for his work with the Cubs the past year. All den mothers and assistants received cards of appreciation and gifts from the Rotary Club which sponsors the Cub Scouts in Slaton.

The project the Cubs will be working on for the next three months will be "Bicycle Safety."

ALCOHOLICS ARE ILL

Despite all the weight of evidence suggesting that chronic alcoholism is a disease and should be treated as such, treatment of this kind is still the exception rather than the rule. In many cases, alcoholics are shunted from pillar to post instead of being given the help they so desperately need.

Hospitals often refuse to admit chronic drinkers for treatment. It is that facet of the situation that was deplored recently by the American Medical Association council on mental health. "Chronic alcoholism," said the council, "should not be considered an illness which bars admission to a hospital, but rather as qualification for admission when the patient requests such admission and is cooperative."

Recognition of the wisdom of this would be a sensible first step toward rehabilitating alcoholics and restoring them to a useful place in society.

FINANCIAL JUGGLING

The national debt is now less than a billion short of the 275-billion-dollar limit imposed by law. This has prevented the government from borrowing cash needed to pay for current expenses. To get out of the squeeze, the Treasury recently fattened its cash accounts by transferring to them 100 million dollars of the "free gold" acquired during the 1934 dollar devaluation.

This kind of fiscal maneuvering may strike the casual observer as being rather silly, and so it is. However, the gold transfer is only the most recent of various steps taken by the government to stay within the letter of the debt limit law. Some of the other measures taken were more complicated and expensive.

All this points up the need for speedier action on the administration's request for a higher national debt limit. Until Congress shows a willingness to reduce federal expenditures by cutting where it hurts, occasional boosts in the debt ceiling will continue to be necessary. They might as well be authorized early enough to avoid financial juggling.

PUBLIC AND PRIVATE

When a trusted public official uses his office and influence for personal gain most people are shocked. This is as it should be. Heaven forbid that we ever reach the point where official misconduct is accepted as a matter of course.

Yet immorality in government can sometimes be a symptom of immorality in the citizenry. Every worker who delivers less than an honest day's work for his pay contributes to this immorality. Every voter who accepts an unwarranted favor from a politician, every salesman who makes a sale by promising a kickback, every employer who tries to pay an employe less than he deserves, carries a measure of guilt.

We have a right to expect that public officials will regard their offices as public trusts. We have the right, that is, as long as we ourselves are honest in our dealing with other people.

ON GUARD, MEN!

In the spring a woman's fancy lightly turns to thoughts of hats. This great truth is being newly borne in upon the menfolk, though Easter be still weeks away. Let the menfolk take the threat too lightly, we quote herewith a chilling exchange between a fashion writer and a hat designer.

The fashion writer asked: "Why does a custom (made-to-order) hat cost as much as \$75 when an unlimited selection of ready-made bonnets may be purchased for \$2.98 at the nearest hat bar?" To which the designer replied: "Once a woman tries on a hat that has been made especially for her, she instinctively knows the difference. Explanations are not necessary."

More than a word to the wise is not necessary, either. So men, here's the word: The thing to do is to steer the little woman into the nearest hat bar before she can get her hands on one of those custom chapeaux.

Ike proposes to spend a billion dollars on federal aid to education. One billion dollars! And the next day the National Education Association says it's not nearly enough. This is known as deflation.

Grim thought: The first cold fall day will seem balmy a month or two hence.

Three Kinds of People
Some wit has said that there are two kinds of people: the people who divide people into two classes and the people who don't.
Personally, I think people are to be divided into three classes like ancient Gaul. There are those who make things happen; there are those who watch

things happen; and then there is a great majority who have no idea what is happening.

This rough classification fits in most any area of history. It was true in the first Christian century. There were the devoted few who, like Peter and Paul, were making preaching the gospel of Christ, advocating the sacredness of human life, making frontal attacks against the injustices of their day. They established churches, schools, built hospitals and orphanages.

There were hosts of people who took no active part in the early struggle of the church. They never stuck their necks out in behalf of an unpopular cause. They simply watched the struggle from the grandstand, snugly wrapped in their warm blankets.

It is probably true that the greatest majority had no idea what was taking place in their world. They were too close to the scene to know or care what was going on.

This three-point classification can be seen in our early American history. There was a devoted and courageous group of pioneers who were writing in bold letters a charter of liberty and freedom; they were laying the foundation of a democracy "of the people, by the people and for the people."

There was a large number who sat around "waiting to see

Dr. Dooley Will Be Lubbock Speaker On March 7

At 7:30 p.m. on Friday, March 7, Dr. Thomas A. Dooley will speak at the Lubbock Municipal Auditorium, sponsored by the United Church Women of Lubbock.

"That Free Men May Live" is the title he gives to the story he will tell of the work of six young Americans working in Indo China to combat disease and Communism. He has just returned from the Kingdom of Laos, where he and his team established two jungle hospitals, one only five miles from the frontier of Communist China. They worked under the auspices of the International Rescue Committee, a private organization. Dr. Dooley believes that medicine is America's most potent foreign policy tool.

Dr. Dooley told the story of the valiant people of Indo China who endured many hardships and risked death to seek freedom, when he came to Lubbock in 1956. Those who heard him enjoyed the humor he injected into his lecture, but were profoundly moved by his earnestness regarding the crucial role of Americans in the world today.

Dr. Dooley will arrive in Lub-

bock early on the day of March 7. Tickets for his lecture will be sold at several downtown stores and at the auditorium. Admission is \$1.00 per person.

Doesn't this classification fit the local church today? Some 10% of the local congregation has its shoulders to the wheel. They are the teachers in the Sunday School, the officials of the church, the singers in the choir, the "doers of the word."

There is an additional 30% who watch the passing events from the safe distance of the padded pew. They are the sympathetic "bench warmers"—but still bystanders.

There is a great majority who know little about what is happening, what is being attempted or being done.

Did you ever think about how the spiritual atmosphere of a community would be changed if we had a real promotion day in the church—promoted all the people in divisions two and three up to division one? Local Rotary Clubs have averages of 80% or 90% attendance each week. So why can't that happen at church. Of course, I'll never live to see it, but you can't stop me from dreaming.

HOW TO VIEW TV . . . Remember your television set is NOT a movie screen. It was not designed to be viewed in a totally dark room. The contrast between the white light of the screen and the blackness surrounding it, causes the eyes to squint and strains your eyes. Have a room lamp on while you view TV. It should be of the indirect lighting type and cast its light upwards on the ceiling or wall. Second choice is a shaded lamp, placed where it is not in line with your vision and where its reflection is not seen in the picture tube. Local Auto Dealers Co-Sponsoring West Texas-National Auto Show

Five Slaton automobile dealers will join with others from over the South Plains in sponsoring exhibits of the second annual West Texas-National Automobile Show, scheduled for Lubbock Municipal Coliseum March 26-30.

Local dealers joining in the show will be Doc Crow Chevrolet Co., Williams Buick Co., Slaton Motor Co., Davis Motor Co., and Kendrick Pontiac.

Tickets for the exhibition are on sale at all five local concerns at \$1 for adults and 50 cents for children under 12 years of age.

Displays Up

Predictions call for the second annual auto show to exceed by far the 1957 exhibition in the number of displays and in attendance.

Tickets have been sold in advance at a far greater rate than for last year's program the Lubbock New Car and Truck Dealers Assn., show sponsor, reports.

Show exhibits will cover every available square foot of the floor and concourse at the mammoth Municipal Coliseum. Displays will include new cars, experimental models, foreign cars and cutaway exhibits of mechanical innovations.

Two Programs

In addition, two entertainment programs will be presented each day of the show with music to be provided by the famous Dixieland band of Pee Wee Hunt, former star of the Casa Loma Orchestra and noted for Jazz recordings.

Under his contract with Capitol records, Hunt has put on wax some of the finest examples of Dixieland offered in the United States in recent years.

The Hunt band's rendition of "Twelfth Street Rag," recorded for Capitol in 1948, was easily the largest-selling record of that year. To date, it has sold more than two million copies.

\$22,000 Budget

The auto show budget, set at \$22,000, will provide for additional specialty acts to appear with Hunt's band.

Hostesses for the auto show,

to be chosen from among Texas Tech's prettiest co-eds, will be featured in exhibits to help show each car.

One hostess will be chosen queen of the 1958 auto show on the program's last day, March 30.

One of the most elaborate decorating schemes ever used in municipal coliseum will highlight the show. All arena exhibit areas will be carpeted. Overhead decorations will span the massive roof of the coliseum and special lighting will be used in all arena exhibits.

Another lighted and decorated area just in front of the east entrance to the coliseum will be provided for trucking forms and other dealers in automotive or allied equipment too large to get into the coliseum.

Dr. Scott Speaks At Father-Son Banquet Thurs.

Dr. J. Harvey Scott, pastor of First Baptist Church at Petersburg, was the speaker for the annual FFA Father-Son banquet held last Thursday at the club house.

Awards were presented several FFA members for their outstanding accomplishments during the past year, by Randy Sanders, chapter president.

Those receiving awards were Carlton Tumlinson who won the DeKalb award and Maxie Slone who exhibited outstanding leadership and cooperation. Members of the chapter conducting teams received certificates of merit for their work.

Elton Smith and Truett Babb, advisor of the local chapter, received honorary chapter farmer degrees. Smith was awarded a plaque for his work with the cotton crop this year and Babb was honored for the outstanding job he has done with the local chapter.

Tumlinson's award was one given to the outstanding senior FFA member each year. His was won by his work with the junior chapter conducting team which won second place at the state contests held in Huntsville.

Slone was awarded a shirt for his work with the concession stands and other money making projects during the year.

The banquet was attended by 89 Future Farmers, their fathers and guests, Dr. Scott and W. R. Collier, state vice president, from Idalou.

Mr. and Mrs. Harry Bell and children of Muleshoe were week end guests in the home of Mrs. Bell's sister, Mrs. Truett Bownds, Mr. Bownds and children.

Factory Exhibits

Factory exhibits featuring major automobiles of West Texas and Eastern New Mexico will be sponsored by groups of dealers from the areas.

Exhibits scheduled for arena display include GMC Trucks, Mercury, Dodge, Plymouth, Oldsmobile, Rambler, Pontiac, DeSoto, Cadillac, Buick, Chrysler, Ford and Chevrolet.

Special prizes, including a new 1958 automobile to be announced later, will be awarded.

A parade in downtown Lubbock on March 26 will open this show. Hostesses and new cars will be featured in the event.

Hours for the show will be 6 to 11 p.m. March 26, 27 and 28; 2 to 11 p.m. on Saturday, March 29; and 1:30 to 7 p.m. Sunday, March 30.

Teague Drug Monthly News

A message from Teague's Drug, "Your Pharmacist"

LAST YEAR ABOUT 500 NEW MEDICINES WERE INTRODUCED.

As soon as each one was clinically proved we stocked it in our prescription department. We intend to continue getting any new drugs as fast as they are available.

WE CAN COMPOUND ANY PRESCRIPTION.

Even if from another city, any physician's prescription will be filled according to his exact specifications.

YOUR PHYSICIAN NOW CAN HELP YOU MORE.

Improved techniques of diagnosis and treatment, plus the new drugs, are so important that we sincerely advise you to depend more on your physician's advice. Most home remedies and patent medicines are relics of a vanishing past.

WHEN YOU ARE SICK—

Let your physician prescribe the particular medicine that will help you most. The moderate charge for his fee and the prescription can save you sickness time and perhaps your very life.

Proposed Changes in Criminal Code Told Local Rotarians

Local Rotarians heard Attorney Truett Smith of Tahoka tell of changes in Texas criminal laws that would improve our criminal code.

Included in the changes suggested was having a jury of 13 members rather than 12, and removing technicalities of indictments, which he said were too strict at the present.

Smith suggested that the trial judge qualify the jurors rather than the attorneys for the prosecution and the defense as the system now calls for. He also endorsed the Public Defender system for persons unable to secure the services of a lawyer.

Guests at the meeting included S. W. Adams of Florida and Bill Horn of Lubbock.

Ellis To Head Pony League

Sam Ellis was named president of the Pony League at a called meeting Monday evening. Elected to serve with him were Dr. Joe Belote as vice president and E. D. Cummings as secretary-treasurer.

Ellis states there will be a meeting at 7:30 p.m. Monday, March 3, at the high school, when the parents of Pony Leaguers and all persons interested in the league are invited to be present.

All managers and those who would be interested in managing a team are urged to attend the meeting Monday evening, according to Mr. Ellis.

The American Heart Association is the only national voluntary organization exclusively concerned with the development of research, education and community heart programs to fight the heart diseases.

NEW HAT!—If you're a girl, you're never too young to get a big boost from a new Easter bonnet as our young model shows with her radiant smile. A famous New York designer has turned his attention to the latest fashion plates as he creates a charming little skimmer of white satin straw. Delicate flowers bloom at the base of the shallow crown and classic streamers trim the back of the youngster's chapeau.

NEW SAFETY CHIEF—Gov. Price Daniel has named Brad Smith (above) of Waco, Texas, as state traffic safety director. Smith assumed his duties in the governor's office on Feb. 1. His job is to coordinate safety activities of state agencies. He will head the newly created Texas Traffic Safety Council authorized by the 55th Legislature. Smith, who is a past president of the Texas Press Association, has been in newspaper, radio and television work. In these posts he has done much public information work on traffic safety.

Mrs. Crowley Elected Secretary of Area Organization Friday

Mrs. Allen Crowley, assistant secretary of the City of Slaton, was elected secretary of the South Plains Association of City Secretaries and Clerks at a meeting held in Lorenzo last Friday.

Other officers elected were A. J. Geron, City Secretary of Brownfield, president; J. J. Maxey, City Secretary of Slaton, vice president.

Seventeen members including Mrs. Myrl Carpenter, immediate past president of the state organization, were in attendance at the meeting, representing cities from Borger to the north to Seagraves to the south. This organization meets quarterly.

The American Heart Association and its affiliates have channeled more than \$25,000,000 into heart research since 1943. Help Your Heart Fund Help Your Heart.

The slogan of the 1958 Heart Fund is "Help Your Heart Fund Help Your Heart."

FFA Projects Exceed \$10,000 Last Year

Slaton's FFA Chapter is carrying on an outstanding supervised farming program, having had three state farmers last year, the first time in its history.

Last year the combined projects for the chapter included 39 pigs for pork; three gilts for pig production; one brood sow; 2500 broilers; 153 acres of cotton; and 14 acres of milo.

From this assortment of projects, chapter members cleared \$10,175.64, one of the highest totals in many years for the local chapter.

Another outstanding achievement of the chapter was 7 boys in the local chapter won places in the county show, the only first place going to Jerry Kit ten on his senior Poland China Division entry.

Plans are going forward for enlarging facilities for town boys' projects. Chicken houses are being completed and more work is being done on the hog pens. Completion of these improvements will help the chapter to have more state farmers in the years to come.

Outstanding farming programs in the chapter include those of Lee Meurer, James Buxkemper, Giles Smith and James Cole. All these boys will be applying for the Lone Star Farmer degrees within a year or so.

Makes McMurry Honor Roll for Fall Semester

Nancy Clifton, a former Slaton High School student, has been named to the fall semester honor roll at McMurry College, Abilene.

A junior, she compiled a 2.60 grade point average out of a possible 3.0.

The honor roll list was completed at the end of fall semester examinations.

Kitten Is Winner Of Driving Contest

Jerry Kitten was named winner of the local FFA Tractor Driving Contest held in Slaton, February 7.

Kitten won the honor along with Lee Meurer. To determine the winner the boys each wrote an essay on "Why Good Plowing is Essential to Good Farming." A committee of three judges, determined Kitten's es-

say best. Five boys participated in the contest.

Kitten will compete in the county contest which will be held at Lubbock at a later date. —The Tiger's Cage

Raymond Gentry Announces For Commissioner

Raymond Gentry

Raymond Gentry, 52, has announced that he is a candidate for the Democratic nomination as County Commissioner of Precinct Two of Lubbock County, Texas.

Raymond Gentry knows the problems of the farmer and also of the business men because he has been both. He farmed in Lubbock County for some twenty-five years — until 1939 when he opened a Grocery Store at Posey.

Gentry is married, has a married daughter, Mrs. C. V. Brake, and two grandchildren: Connie 8 and David 4. He is a member of the Church of Christ, Slaton, Texas, and the Texas Retail Grocers Association.

Lubbock County is a large metropolitan county now and Gentry believes its affairs should be run efficiently so that it will give the most service to every citizen at the lowest possible cost to its taxpayers.

Every governmental unit has been raising taxes periodically of late. Raymond Gentry, if elected, promises to guard the expenditure of each dollar so that there will be no unnecessary increase in County taxes. There have been many already.

Raymond Gentry promises to give full time to the office if elected. He has leased his Grocery store.

He invites anyone not acquainted with him to ask the people who have known him personally since he came to this precinct back in 1914 as to his honesty, habits and demeanor.

Raymond Gentry is no kin to any other County official.

He is seeking this office because he believes he can do the job, and if elected he will try to serve every citizen of this

precinct impartially and efficiently—he promises if elected—he will be a true servant of the public.

His motto is efficiency and economy.

Juniors Take Top Honors In Contest

The junior class won the Mr. and Miss SHS contest February 14, with a total of \$355.81. The freshmen were second with \$202.84, seniors were third with \$190, and the sophomores placed fourth with \$101.65.

The candidates from the junior class were Shirley Kitten and John Fincher. The juniors won the contest by various methods; \$140 for name tags, \$1.80 for candy, \$41 on 2 parties, \$64 on cake sales, and \$109 at a bridge party.

Candidates from the freshmen class were Judy Bishop and Joe Melcher; sophomores candidates were June Johnson and Steve Smith; and senior nominees were Kay Castleberry and Jerry Jones.

FORT CARSON, COLO. (AHTNC)—Pvt. Winford H. McNeely, 19, son of Mr. and Mrs. John T. McNeely, Route 1, Wilson, Tex., is receiving eight weeks of basic combat training with the 9th Infantry Division at Fort Carson, Colo.

He entered the Army last January.

McNeely is a 1957 graduate of Tahoka High School.

Choir Groups To Sing Next Week

Highlighted by the appearance of the junior high and senior high choral groups, Public School Week will begin Monday, March 3, and continue through Friday, March 7. The week will start with an opera sponsored in connection with the elementary PTA meeting on Monday night, March 3, at the high school auditorium. The public has been invited to visit the high school on Tuesday, March 4, and Wednesday, March 5.

Tuesday night the junior and senior high choirs will present a musical program in the high school auditorium. The high point of the week, in the students' point of view, will be Friday, March 7, when school will be dismissed so that the faculty may attend the teachers meeting in Odessa.

Public School Week is an annual event to encourage the citizens of the community to visit their school system and see how their children are being educated.

Slatonite dated Feb. 22, 1957

Youth from Slaton churches
will call on residents of Slaton
Sunday afternoon for funds for
the 1957 Heart Fund. Designat-
ed nationally as "Heart Sun-
day," the occasion for funds will
be the climax of efforts to se-
cure money for research and
education concerning the dis-
ease.

One of the most general rains
in many moons has been fall-
ing over Texas since Sunday.
According to reports from over
the state, farmers and ranchers
from one corner of the state to
the other have hopes that the
drouth which has lasted for the
past seven years has been brok-
en.

An address by the former At-
torney-General of Texas, John
Ben Shepperd, will be the high-
light of the 31st Annual Cham-
ber of Commerce banquet which
will be held February 25 at the
clubhouse.

Plans for a General Religious
Survey of Slaton have been an-
nounced by the Ministerial Al-
liance. The survey will be con-
ducted Sunday, March 10, be-

tween 2 and 4:30 p.m.

Mary Alice Kenney, Texas
Tech junior from Slaton, has
been awarded a \$50 Sears and
Roebuck Foundation Scholar-
ship in Home Economics for the
spring semester.

Slaton tracksters will partic-
ipate in five meets this spring
beginning March 9 with the
Canyon Reef Relays at Snyder.

Mrs. Fannie Patterson was
elected president of the Blue-
bonnet Club at the meeting
Wednesday, February 13, in the
home of Mrs. R. F. Stansell.

Girl Scout Troop II has
changed its name since Slaton
has become a member of the
Caprock Council. It will now
be called Caprock, Troop 96.

Mrs. Joe Teague Jr. and Mrs.
W. R. Mabry were joint host-
esses for the T.E.L. Sunday
School class of First Baptist
Church for a Valentine party in
the Teague home Wednesday.

The investiture service for
2nd grade Brownie Scout Troop
was held at a called meeting
of the troop Monday evening
in the First Christian Church.

Little Miss Debra Milliken
was the honoree at a party on
her second birthday, January 28.

Slatonite dated Feb. 27, 1953

Question of the week: "Would
you like to see another Frontier
Day celebration staged in Sla-
ton this year?" The majority
of answers favored having one
and suggested having a rodeo
with the celebration.

The First Baptist Church is
happy to announce the licens-
ing of Jerry Lemon to the Gos-
pel ministry, announced J. T.
Bolding, the pastor.

An announcement tea honor-
ing Miss Fannie Lou Shaw,
bride-elect of Wesley Shelton
of Andrews, Texas, was given
Sunday afternoon in the home
of her mother, Mrs. Carter
Shaw.

A party honoring Miss Mary
Lou Kitten on her seventeenth
birthday was held in the home
of her parents, Mr. and Mrs.
Ray Kitten, Monday night.

A reunion dinner for seven
girls who graduated together
from grade school at Posey was
held in the home of Mrs. Louie
Melcher, Meadow; Elzy McGin-
Mrs. J. H. Sloan was co-hostess.
Present were Mesdames Edgar
Melcher, Meadow; Elzy McGin-
nis, Oklahoma City; Guy Wall,
Tony Angerer, Miss Rusty Kit-
ten and the hostesses, Mrs.

Melcher and Mrs. Sloan.

Mr. and Mrs. H. C. Hein-
rich and son, Gerald, accompa-
nied by Mr. and Mrs. R. R. Drey-
er, spent about eight days in
California visiting with their
son, Marvin who is leaving on
a 14 month overseas tour with
the Navy.

Mr. and Mrs. Clarence Kitten,
Marcella Hollinden, Mary Lee
Schuette, Walter Lee Bednarz
and E. J. Raschke spent the
last week end in Tres Ritas
skiing resort in New Mexico.

Some folks are publicity seek-
ers and some are not. Robert
Huser, Mr. Chicken and Egg
Man of Slaton, is among those
who aren't. Even so, we'd like
to comment that we think it
was a mighty fine gesture on
his part to provide a whooping
good fried chicken dinner for
the SHS basketball team mem-
bers last Friday night at Bruce's
Cafe.

Jimmy Barton and Bobby
Reynolds escaped serious injury
Tuesday of last week when they
were involved in a traffic ac-
cident in Fort Worth. They
were on their way to New Or-
leans for the Mardi Gras.

The Slaton Schools extended
invitation to the public to
visit the school room during
open house week, March 1-7.

The American Legion Auxil-
ary will meet on March 5 at
7:00 p.m. at the Legion Hall,
and plans will be completed for
the Legion's birthday party
which will be held Monday
night, March 16.

The newest change in busi-
ness operations in Slaton is that
H. G. Schuette who sold his in-
terest in the Drive-In Grocery
several weeks ago to H. C.
Heinrich and is announcing
his purchase of the Heinrich
Bros. Service Station on North
9th Street that he made last
week.

Charles Marriott, who has
been with Montgomery Ward
Company of Sherman for the
past three years, has purchased
the interest of W. L. Meurer

in the firm of Meurer and

Browning, Real Estate Agents.
Mayor Wootton says Slaton
has grown faster in the last
three years than it has grown
in any three years since he
has been here. He reports that
new homes are going up all over
the town and that they are
good substantial homes, too.

February 6, at 8:30 p.m., the
Sub-Deb Valentine presenta-
tion was held for Miss Shirley
Teague. Members and their
dates present were: Nancy Tea-
gue, Hoover McDonald, Glenna

Where food is finest, it's cooked with Gas! Why?
Because Gas lends itself to complete control! Remember,
completely "automatic" does not mean completely
"controlled". Only the oven thermostat on an
automatic gas range permits you to set-and-forget the
time and temperature, confident in the fact that
the temperature setting will be held within a margin
of only five degrees! This is just one of the many
advantages of Gas cooking! Let us give you the
rest of the facts, then visit your gas appliance dealer.

A. Pot Wagoning is ended when the Burner-With-A-Brain makes every pan an automatic utensil. A hypersensitive thermostat prevents scorching and boil-overs.

B. Perfect baking results are the rule in a self-starting, self-stopping GAS oven with the most accurate thermostat yet devised by mechanical science.

C. Closed door broiling— with no odors escaping into your kitchen—is advisable only with Gas, because only a live flame can CONSUME cooking vapors.

D. A meat thermometer operating the control of your automatic gas oven assures finer flavor and texture, with much less shrinkage and drying in the meats you serve.

'More Teeth' in Juvenile Laws Termed 'Not the Answer'

By Judge Sarah T. Hughes (Ed. Note: This is another in a series of articles on the state's growing problem of juvenile delinquency by one of Texas's foremost authorities on the subject, District Judge Sarah T. Hughes of Dallas.)

In the face of shocking crimes and a wave of vandalism throughout the country involving children, the cry has gone up for "tougher" laws to punish teenage delinquents.

Repeal of the indeterminate sentence law for juveniles has been advocated and the lowering of the age limits from 17 to 14 recommended so as to subject those 14 and over to the same punishment as adults. Several

"get tougher" bills were introduced in his last Texas legislature.

Tried and Failed

But treating young offenders like criminals isn't the answer. It has been tried before and it has failed. Less than 150 years ago all children over 7 were held responsible for their crimes.

Severe punishment, or, more aptly, retaliation, was the established pattern for a good many centuries.

Children in Texas were subject to the death penalty until 1856; and until 1907 children could be confined in the Texas penitentiary. As late as 1814 three boys in England, 8, 9, and 11 years old, were hanged for the theft of a pair of shoes.

Teaches Them More Crime

Classifying youngsters as criminals and imprisoning them won't do anything except complete their education as criminals. They learn additional techniques in crime and additional criminal attitudes from older or more hardened boys or men.

In comparing boys who had been officially whipped with those who had been put on probation, a royal investigating commission in England recently found that far more of those whipped became repeaters, that their companions regarded them as heroes. In two industrial centers 440 children out of 574 who had been whipped were in court again within two years.

Toughness Differs from Firmness

In this country likewise "getting tough"—different from being firm—has failed. One parish priest who has worked in an underprivileged area of Denver had this to say to the Senate Committee investigating juvenile delinquency:

"Getting tough with the kids... is the worst thing you can do... A lot of them come from rough families and rough neighborhoods. They are used to bru-

Need More Probation Officers

Those who have studied the causes of delinquency and worked with teen-age offenders recommend probation in the child's home wherever possible. This means more supervision—and calls for more supervisors. When probation is not advisable the delinquents should be put in an institution where there will be treatment and a program of education and rehabilitation.

Finally, in the home what is the place of punishment? The Senate Committee investigating delinquency had this to say:

Firm But Not Hostile

"The critical point seems to be whether the disciplinary measures (in the home) are consistent or not, whether discipline is cruel or firm and kindly, and—most important—whether it is given by a parent who really loves the child or one who is indifferent or hostile to the youngster."

In the home, as elsewhere, coercion doesn't work. Punishment which tries to prevent delinquency from fear alone is not the answer.

Stronger than Fear

There must be a stronger reason than fear for good behavior. Otherwise as soon as the parents—or policeman—is absent, the child will go and sin some more.

Guidance and training by parents with character and mature love must go along with punishment. To the children for whom these are not available, society must provide more probation officers with skill and wisdom, additional training school supervisory officials and more training school space.

Two SHS Grads Receive Honors

Two ex-students from Slaton, Nancy Mosley and Beverly Bland, both seniors last year, had great honors bestowed upon them recently at the colleges they are attending, Sul Ross College at Alpine and West Texas State College in Canyon respectively.

Miss Mosley, a former SHS majorette, was chosen Valentine Sweetheart and was presented at the annual formal Valentine dance at Sul Ross. She is a 1957 graduate of Slaton High and is the daughter of Mr. and Mrs. Bill Mosley. Nancy is majoring in business and is a freshman this year.

West Texas State College chose Beverly Bland, freshman from Slaton, and Charles Quattlebaum, Hereford junior as their "Campus Sweethearts" for 1958. Quattlebaum and Miss Bland won the titles over 10 other couples in the election sponsored by Kappa Tau Phi, campus women's social club. The winners were presented at a "Sweetheart Dance" before a crowd of 300 students.

Some 60 to 70 varieties of amaryllis are native to the Americas.

PROJECT WORK—Lee Meurer, left, and James Buxkemper, right, pitched in to give Frank Chapple a hand in brushing down his Chester White hog recently, all part of the work that goes into getting an entry ready for a stock show.

Those presiding over the Junior Club last week were Mrs. Don Briley, Mrs. Joe Belote, J. Ray Conner, J. Hunter, J. F. Kincer, C. E. King, C. E. King, and Key at King.

'No Time for Sergeants' Planned For Lubbock Showing March 28-29

Advance ticket sales will begin Monday, March 3, for "No Time for Sergeants," which will be at Lubbock Auditorium on March 28 and 29.

Presented by Maurice Evans, television and theatrical producer, in association with Emmett Rogers, the New York company of the comedy hit began its cross-country trek after a two-year hit on Broadway. The production to be seen in Lubbock will be an exact replica of the New York presentation—including members of the Broadway cast.

In addition to Charles Hohman, who played the irrepressibly happy Will Stockdale in New York for over a year, the company features Rex Everhart as the harassed Sergeant whose troubles mount with each gesture of good will made by the warm-hearted private.

The "Sergeants" troupe represents the initial venture of Broadway Theatre Alliance to bring first-class Broadway productions to cities all over the United States in much the same manner that top ballet and musical attractions have been previously presented.

The production is directed by Morton Da Costa, who staged the original Broadway presentation as well as the National company of the hit comedy.

Prices for the two performances in Lubbock range from \$4.50 to \$2.00. The box office in the lobby of the Auditorium will be open from 9 a.m. until 5 p.m. Monday through Saturday, throughout the month of March. Mail orders will also be accepted and filled in the order of their receipt. Attach check or money order to request and mail to Civic Lubbock, Inc., City Hall, Lubbock, Texas.

Avoid over-weight. It puts a needless work load on your heart and blood vessels, says the Texas Heart Association, sponsor of the 1958 Heart Fund.

Egotism is something that enables a man in a rut to think he's in the groove.

It's a good idea to believe only half of what people say, but be sure the half you believe isn't the wrong half.

An old-timer is a person who can remember when a man with a coat on in the summer was either a drummer or a visiting preacher.

At the side of the road a woman looked helplessly at a flat tire. A passerby stopped and fixed it for her. Then the woman said, "Let the jack down easy. My husband is sleeping in the back seat."

Regular attention determines how smooth and faithfully the family car runs. Keep it in top condition by using top products. You'll find them at Self's "66" Service Station

Onita Ehlers To Marry in April

Mr. and Mrs. Herbert Ehlers, Rt. 2 Wilson, announce the engagement and approaching marriage of their daughter, Onita, and Victor Steinhauser, son of Mr. and Mrs. W. C. Steinhauser of Rt. 2, Wilson.

Miss Ehler and Mr. Steinhauser are both graduates of Wilson High School and have attended college.

The wedding date has been set for April 5.

Elton Smith, J. C. Smith Sr., Jim Rucker, W. T. Taylor and Floyd Guelker went to Del Rio recently on a fishing trip and report very good luck. They were gone four days and caught about 100 fish.

Grand Officers, Visitors, Attend Rainbow Meeting

Mrs. T. A. Worley Jr., Grand Visitor of the Grand Assembly of the Order of Rainbow For Girls of the state of Texas, visited Slaton chapter in her official capacity Monday evening, February 24.

Miss Kay Castleberry, drill leader, presented the following Grand Officers and escorted them to the East where Miss Mary Jane Lovelady, Worthy Advisor of the Slaton Assembly introduced Jean Shawver, Grand Religion, Donna Sue Nelson, Junior member of the Grand Executive Committee and LaRhea Greathouse, Grand Representative of Texas to New Mexico.

Others present were the Worthy Advisor of Lubbock Assembly, No. 98; Mrs. Artie Hunt, Mother Advisor of Lubbock; and Mrs. Durham, past Mother Advisor of Assembly 76 of Lubbock; Mrs. B. A. Hanna, Representative of Nevada to Texas of the Grand Officers of the Order of Eastern Star; Mrs. Elizabeth Marbut, Worthy Matron of Chapter 76 of Lubbock.

Representatives from Brownfield, Tahoka and Lubbock Assemblies were recognized and welcomed. Gifts were presented the Grand officers and the Grand Visitor.

Misses Pam Maxey and Cherie Arrants rendered a duet dedicated to Mrs. Worley. They were accompanied by Ann Haddock.

A social hour in the candle-lighted dining hall with individual tables followed the meeting hour.

Melvin Kunkel Shows Films To Study Club

Mrs. Clark Self Jr. was hostess to the Centurette Study Club Monday evening when Melvin Kunkel from the Southwestern Public Service Company showed two films, "Baby Meets His Parents" and "Baby's Day At 48 Weeks."

Mrs. J. R. Brush was program chairman for the evening.

Refreshments of hot tea, coffee and cake were served to Mesdames Bill Brown, Hobart Limmer, Jack Haliburton, Grady Smith, Joe Holland, Tipton Culver, Bill Love, Donald Sikes and Self and one new member, Mrs. Earl Johnson.

Next meeting of the club will be on March 14 when all the study clubs of the town meet at the club house for a joint meeting.

Girl Scouts Have Busy Day

Girl Scout troop 107 had their regular meeting last Friday afternoon with 20 girls and their two leaders, Mrs. Francis Grabber and Mrs. Leon Grochowsky, present.

Some of the girls worked on their tenderfoot requirements, some worked on their badges and others made planetarium from tin cans. The meeting was concluded with the flag ceremony.

Members of this troop joined girls from other troops last Saturday and solicited Heart Funds from 8 a.m. to 4 p.m. They have been making a bank for collection of their Juliette Low Birthday fund.

Royal Service Program Led By L. Moon Circle

"Doorposts and Gates," a study of the Jewish people, was the theme of the program given by the Lottie Moon Circle for the Royal Service program of the WMU of First Baptist Church last Wednesday morning.

Each of the 17 members present were presented a scroll as they arrived with the printed program outlined.

Mrs. R. L. Smith Jr., gave a devotion, "A Declaration of Faith." The Jews as good citizens and a religious debt were discussed by Mrs. Fannie Patterson. Mrs. Joe Teague Jr. told of the Revival in Judaism with Mrs. Joe Neilon and Mrs. H. G. Stokes each having parts on the program. Mrs. E. L. Norris closed the meeting with a prayer.

"Rise Up, Oh Women of God," concluded the morning program. Mrs. L. O. Lemon, president of the WMU presided, introducing the program with an inspirational talk.

Former Slaton Girl Marries In Missouri Home Wedding

Mrs. Ronald Dale High

Miss Peggy Jean Merrell, daughter of Mr. and Mrs. Lois Merrell of Gainesville, Mo., former residents of Slaton, and Mr. Ronald Dale High were united in marriage in a double ring ceremony, Thursday, February 13, at 3 p.m. in the home of the bride.

Mr. High is the son of Mr. and Mrs. Elmer High of Noble, Mo.

Vows were read before an altar banked with white and yellow snap dragons and ferns. Rev. Martin Sifford, pastor of First Baptist Church of Gainesville, officiated. A reception followed the ceremony.

The bride, given in marriage by her father, wore a soft blue brocade satin princess dress designed with a portrait neckline and full skirt. Her accessories were navy and white and her corsage was pink sweetheart rosebuds. She carried a white Bible.

Mrs. Darrell Crisp, twin sister of the bride, was matron of honor. She was wearing a dress of honey brown daron batiste accented with cinnamon brown accessories and a corsage of yellow mums.

Jimmy High attended his brother as best man. The bride was wearing a black and white daron with black accessories for her wedding trip to Rockaway Beach, Mo.

They will be at home in Kansas City, Mo., where Mr. High is employed with Gene Thompson Construction Co., and Mrs. High with the Hallmark Cards Co.

Mrs. High attended schools in Slaton through mid-term of her sophomore year and graduated from Gainesville High School in 1956. She served as cheerleader, majorette and class officer both years there.

High is a 1955 graduate of Gainesville High School and has served two years in Germany with the U. S. Army.

Certificates Given To 16 Slatonites In Red Cross Course

The Red Cross First Aid Course taught by Mrs. C. H. Shoemaker of Lubbock was completed last week with 15 women graduates, according to Mrs. J. W. Pettigrew, Girl Scout Neighborhood Chairman.

Meeting two hours each morning in the home of Mrs. Alton Meeks, the group was taught how and when to administer first aid. The course included instruction on what to do in case of drowning, poisoning, strokes, heart attacks, treatment of burns, wounds, electric shock, asphyxiation, and the transportation of accident victims. Splinting of legs and limbs and dislocation of bones was also studied.

One complete session was devoted to safety rules in the home and on the road.

The 16 women who received certificates were Mesdames J. T. Kendrick, J. W. Pettigrew, Eugene Eddings, Jerry Melcher, Toni Steffins, Tom Longtin, W. H. Dawson, Ray Bell, J. E. Meekhan, O. B. Chambers, Alton Meeks, Ray Cook, W. L. Roche, Mary Hill, Nada Brewer and Francis Grabber.

The women presented Mrs. Shoemaker with an appreciation gift.

The Texas Heart association says: "Some forms of the heart diseases can be prevented, some cured and almost all helped with proper treatment after early diagnosis."

Taylor Home Scene Of Class Party
