## State Department approves public water supply

### Little League all-stars named; playoffs begin July 21, in Post

Members of Slaton Little League's All-Star team were chosen this week. Otis Neill will be manager, with Curly Norris first coach and L. A. Reasoner second coach.

Yankees and Cardinals both have one representative on the all-star roster, the Dodgers and Tigers each have two, and the Giants and Indians each have four members on the roster.

The team will compete in the area playoffs in the tournament to be held in Post on July 21 and 22. Slaton's first game is scheduled for 6:30 p.m. Monday, July 21.

Teams participating in the tournament will include Jayton, Tahoka, Post, and Slaton.

District tournament play will be July 24, 25, and 26 in Brownfield. Some 16 teams compose the district, which is divided into the four areas of four teams each.

Regional play is scheduled for the week beginning July 28

at Rotan. Winner of that tournament will go to Williamsport, Pennsylvania for the Little League World Series play.

Slaton's all-stars include Deanie Hatchett of the Yankees; Paul Deagan of the Cardinals; Dewey Harden and Max White of the Tigers; Pete Harris and Lindell Lee of the Dodgers.

Johnnie Hennington, Larry Smith, Bruce Pember, and Bentley Page of the Giants; and Jimmie Townsend, Leslie Brown, Bennie Bloxom and Bobby Brake of the Indians.

Miss Rees is a senior at TCU in Ft. Worth, majoring in religion. She is to lead the singing and recreation during Round-Up week.

Last summer she was a member of the College Summer Service Group, a "Y" project in New York City. She held a job as social worker and lived in a settlement house.

Her work was with the Fresh Air Fund, and she spent most of her time helping send children from underprivileged areas away to the country for a vacation.

Allen, a native of Albuquerque, New Mexico, is in his second year as a Round-Up team member. He will enter Brite College of the Bible at TCU this fall. He received his degree in history and religion.

While a student at TCU he has served as a youth counselor and church school teacher of junior high school age young people at University Christian Church, Ft. Worth.

Mrs. Travis Mann and three children went to Colorado City last week and visited with Mrs. Mann's father, G. M. Pickett who has a cabin there. They also visited in Abilene with Mrs. Mann's brother, Major Ed Galligan and his family.

Mr. and Mrs. H. B. Richardson attended a Hays' family reunion last Sunday in Lubbock.

Francis E. Perry will also be initiated as a member of SDX, along with about 20 others.

Richard Perry is one of a group of 12 members of the national organization who have been working for about a year toward the formation of the area chapter.

Henry McKee, night editor of the Lubbock Morning Avalanche, is president of the group. Marshall Formby, chairman of the State Highway Commission, and co-owner of four area radio stations, is vice president. The secretary is W. R. Tatum, assistant director of Public Information at Texas Tech; treasurer is W. E. Garets, head of the Journalism department at Tech.

Mr. and Mrs. Silas G. Wilson and Paul have returned home after a visit with their daughter and son-in-law, Dr. and Mrs. Travis W. Ferguson in Albuquerque, New Mexico. While in Albuquerque Mr. and Mrs. Wilson celebrated their 40th wedding anniversary; it was also Dr. Ferguson's 40th birthday as the wife was born on the same day the Wilsons married July 6, 1918.

Mr. and Mrs. Tom Carroll of Dallas visited this week with Mr. and Mrs. Leonard Morris. Mr. and Mrs. Ray Garner of Post visited over the week end with the Morrises. On Sunday they attended a family reunion at the home of Lewis Kuykendall in Shallowater.

More than nine million people attended the World's Fair in Philadelphia in 1876 commemorating the 100th anniversary of U.S. independence.

Andrew Carnegie, industrial tycoon and philanthropist, came to this country from Scotland at the age of 10.

More than half of the some 500 million pounds of cheese produced annually in the U.S. comes from Wisconsin.

### Christian Church plans youth Round-Up week late this month

Youth Round-Up at First Christian Church July 27-August 1 will see two outstanding young people here to direct activities during the period.

Walter Allen, a 1958 graduate from Texas Christian University, will be guest speaker in the pulpit Sunday, July 27; and will speak each evening at 7:30 p.m. during the Round-Up.

Working with Allen will be Miss Linda Rees, of Lexington,

He also served as State Christian Youth Fellowship vice president and president.

Virgil Lawyer to be speaker at Church of Christ

Virgil Lawyer, a teacher at Lubbock Christian College, will be the speaker for both services at the Slaton Church of Christ Sunday, July 13, according to John Berkley.

A new minister has been secured for the church but will not be on the job until the second Sunday in August, according to Berkley. In the meantime, the church is hearing visiting speakers.

Cline Drake of Lubbock will be the speaker at both services for the past two Sundays.

### Slaton youth win honors at country club swimming meet

Several Slaton children whose parents are members of the Lubbock Country Club won honors recently in the club's swimming meet.

Deanie Hatchett tied for high point laurels among the boys last Friday, while Glenna Payne, Marilyn and Nancy McSweeney placed in competition for girls. Deanie also won first in his division in golfing.

Glenna placed second in the back stroke competition for

girls 10 and under, first in breast stroke, and second in the 25 yard free-style.

Marilyn took second place in the breast stroke and free style for girls 11 to 13.

Nancy won third place in the 25 yard breast stroke for girls 10 and under.

Young Hatchett placed first in the 25 yard backstroke, 25 yard breast stroke and 25 yard free style.

### Buffalo Lakes ski tournament planned Saturday and Sunday

Members of the Lubbock Water Ski Club, Inc., will sponsor a three-event Invitational Open Ski Tournament Saturday and Sunday, July 12 and 13, at Buffalo Lakes.

Entry fee will be \$3 per person, with registration closing 30 minutes prior to each event.

Registration will begin at 7 a.m. Saturday, and continue throughout the day.

Scheduled events for Saturday are as follows:

8:30-9:15 a.m. Boys Slalom; 9:15-9:45 a.m. Girls Slalom; 9:45-10:15 a.m. Womens Slalom; 10:15-11 a.m. Veterans Slalom; 11-12 noon Girls Tricks.

Lunch period will be observed from 12 until 1 p.m.

1-2 p.m. Boys Tricks; 2-2:45 p.m. Veterans Tricks; 2:45-3:30 p.m. Girls Jumping; 3:30-5:30

Men's Slalom. Sunday schedule will begin at 9 a.m. with the Veterans jumping. At 9:45 will be the Womens Jumping, followed at 10:30 by Mens Tricks.

After the lunch hour, Boys jumping will begin at 1 p.m., with the Womens Tricks starting at 2 p.m. At 3:30 Men's Jumping will begin.

Award of tournament trophies will climax the evening, with ceremonies starting at 6 p.m.

Trophies will be awarded only for first place in individual events. Medals and plaques will be awarded for second and third places.

Rules of the 1958 AWSA Tournament will be in effect. The tournament is not a sanctioned tournament.

### Pony League tournament planned here beginning Monday, July 21

Slaton will host the Area 3 PONY League tournament beginning Monday, July 21, at the local PONY League park, according to an announcement made this week by league officials.

Playing in the tournament will be all-star teams from

Floydada, Post-Tahoka, Southwest of Lubbock, Southern of Lubbock, and Slaton.

Leading off the schedule will be a game between Floydada and Post-Tahoka, beginning at 6 p.m. Monday. A second game that evening will begin at 8 p.m., when Slaton meets South-

west Lubbock. Southern Lubbock drew a bye for the first round.

All-star team members from Slaton will be selected in the near future, according to League President Sam Ellis. Members are selected by local managers, and then the players select their manager and coach.

Approval of Slaton's Public Water Supply was made by the State Department of Health on July 3, according to a letter received this week by Mayor O. N. Alcorn.

Dr. Henry A. Holle, commissioner of health, stated that "Since the Division of Sanitary Engineering has informed me that the requirements to attain this honor have been met, it gives me great pleasure to advise you that the City of Slaton, Texas, is recognized as having facilities so classified, in view of the many improvements which have been made in recent months."

HOLLE STATED that approval was based on the results of a survey of the local water system on June 17 by the Senior Sanitarian of the department.

The survey was made "for the purpose of locating possible sources of contamination, to determine the protective measures which have been provided to safeguard the water from contamination, to review the operating practices being followed, and to evaluate the chemical and bacteriological quality of the water being supplied."

APPROVAL of the water supply system is the culmination of efforts on the part of city officials and water department employees, as well as the general citizenry of Slaton. Efforts to gain passage of a bond issue in which were included funds for a chlorination system for the water supply were successful about a year ago, and

resulted in a chlorination system being installed.

Since that time, additional work has been necessary to meet physical requirements around pumping and storage stations in order to comply with state health department regulations.

SPECIFICATIONS for a "Public Water Supply Approved" sign were enclosed with the letter from Dr. Holle, and the signs will be erected at the entrances to the City Limits within the near future.

"We certainly appreciate your interest in these facilities, and we wish to compliment you for your cooperation in complying with the recommendations made

by our representatives to achieve this honor, and sincerely hope that the improved general appearance of pump stations will be continued so that the viewing public will be appraised of the excellent standards of operation and maintenance that are being met.

Mayor Alcorn stated that notification of the approval of the water system here was no small thing, but a project which has taken hard work on the part of city employees in order to be attained.

"We're extremely proud to add our town to the list of those throughout the state who have safe and adequate water facilities," he said.

### Giants, Indians tie for first place in Little League Minor competition

Minor league play in Little League ended Monday afternoon, when the Giants met the Dodgers. Major League play will continue through July 24.

Tied for first place were the Indians and Giants, both of whom won eight games and lost two. The Indians were managed by Frank Chappel and his son, Frank Jr. Managing the Giants were J. E. Eckert Jr. and Troy Pickens.

In second place were the Dodgers, with six wins and four losses, managed by Joe Fondy.

In third place were the Yankees and Tigers, both of whom

won three and lost seven. Floyd Boyd was manager for the Yanks, while the Tigers were managed by Leonard Foster.

The Cardinals finished in fourth place, winning two games and losing eight. Managers were Paul Brasfield and Woody Underwood.

A total of 91 boys were registered with Minor League this summer.

Minor league officials and managers expressed their appreciation to the umpires, Messrs. Trawick, Hunter, Felly and Hollingsworth, and to the mothers of the boys who did the scorekeeping.

### 4-H members gather today for annual Rally Day celebration

More than 200 4-H Club members from over Lubbock County will be at the Panhandle-Plains Fairgrounds today for the annual Rally Day.

The program, for 4-H boys and girls and their parents, will begin at 10 a.m. and continue until about 3:30 p.m.

Members of the Lubbock County 4-H Club Council will open the program with educational demonstrations. 4-H Club girls will present a vegetable demonstration, along with a demonstration on electricity.

Two Slaton boys, Roy Strube, and Joe Bob Jones, will present a demonstration for boys on rifle safety.

With demonstrations being held during the morning, the afternoon will be taken up with games and swimming in Mackenzie State Park.

Lowell Richardson and Nathan Boardman, assistant Lubbock County Agents, and Joyce Hazelton, assistant Lubbock County Home Demonstration Agent, will supervise the Rally Day activities.

**NOT A NEW DEBATE**

Some persons newly involved in the controversy over what kind of education the public school should provide are inclined to forget that the problem is a very ancient one. The fundamental question whether the young should merely be stuffed with information, or whether they should be taught virtues and character traits which might fit them for the good life, has been debated for more than 2,000 years.

Aristotle, who lived in Athens some three centuries before the time of Christ, found the practice in his time "perplexing," and added that "no one knows on what principle we should proceed—should the useful in life, or should virtue, or should the higher knowledge, be the main aim of our training?"

It may very well be that education need not be placed on any such "either this or that" basis. Surely no one would wish to go back to the rigid system of learning by rote, without any interplay of question and answer and discussion to examine facts and viewpoints. Nor should classroom time be taken up overmuch with fringe subjects and "social integration," at the expense of basic knowledge.

The problem seems to be to combine training of the intellect with the development of character and value standards. Alfred North Whitehead, one of the great 20th century philosophers, said illuminatingly on this subject, "The problem of education is to make the pupil see the wood by means of the trees." Both trees and forest are important. The trick is to find the right combination in teaching.

**FRUITFUL LEISURE**

One of the interesting changes in the patterns of American life is a trend toward more spending for leisure-time pursuits that might broadly be described as "play" activities. The number of pleasure boats has nearly tripled during the past decade, for example; more than 87,000 private homes have swimming pools, as against about 2,500 in 1947; sales of outdoor sports equipment are up tremendously.

A recent survey also indicates far heavier spending for records and high fidelity players. Sales of outdoor furniture have more than doubled in five years. Gardening supplies and equipment are on the upgrade, reflecting the fact that more and more people are engaged in this rewarding hobby.

One might uncritically say that all this is to the good; the more fun in life, the better. Yet too much amusement can be stultifying. A society that devotes too much time to pleasure cannot realize its full potentiality. More leisure time is coming for millions of Americans. We have much to learn about fruitful ways to spend it when the search for amusement palls. The problem is not yet here to any great extent, but it will surely come. Now is the time to start doing something about it.

**HAWAII'S NEXT**

By agreement, statehood for Alaska and statehood for Hawaii have been considered separately at this session of Congress. Though the reasons for that seemed obscure, it now appears that they may have been well founded. Half the job at any rate, has been done.

There is even less excuse than before, now that Alaska's bid for statehood has been approved, for Congress to withhold approval from Hawaii. The claims of the two territories have similar merit. Both have for some years amply met all the requirements for full participation in the family of states.

In addition to the justice of Alaska and Hawaiian claims, there is the compelling fact that both Republicans and Democrats pledged themselves in their 1956 party platforms to work for statehood. The pledge has been partially fulfilled. Congress should speedily carry out the rest of it and make Hawaii the 50th state.

**STRENGTH FOR THE WEEK**

The world needs the Gospel of Jesus Christ as never before. Our whole civilization is tottering on the brink of destruction. While we hope that this will not happen, yet we must admit, that the specter of atomic war looms before us with frightfulness beyond description.

It has been said: "We learn from history that we learn nothing. Nevertheless, we ought to realize very keenly that if in the past no treaty, alliance or international government has ever been able to avert bloodshed, so now none has the promise of permanent success. Every page in history, all the failures of men, the beginning and end of every war, all testify to the truth: "The world needs Christ!"

You cannot give the world permanent peace and happiness by bloody war, for then our generation which, as the prologue to the United Nations Charter sadly reminds us, has twice witnessed "the scourge of war," would witness an era of peace, happiness and blessing.

You cannot make the world better by enacting new legislation. Whenever things are not what they are supposed to be, then the remark is immediately heard: "There ought to be a law." But laws never make people better.

Laws cannot change the human heart. The most that a law can do is to restrain an individual from committing a certain act. The desire to commit the act has not been removed.

You have not changed the nature of a tiger simply because you have put him into a cage. The tiger still remains the same old tiger. And when the opportunity arises he will show that he is the same old animal that he was before.

Human society cannot be made better by police methods. Militarism begets militarism, and force provokes counterforce. The prophet Jeremiah shows how utterly impossible it is for evil men to do good when he raises the question, "Can the Ethiopian change his skin or the leopard his spots? Then also you can do good who are accustomed to evil." Jer. 13:23.

O Lord help us to realize how desperately the world needs Christ. Amen.

**Question:** "If it is true that God has a plan for every life, how may I know what He wants me to do?"

**Answer:** That is a big question and requires more time for answer than I can give here. It is true that God does have a plan for every life, but it is also to be remembered that God calls some folk differently than others. His calls may be divided up into two main groups: the call for every-day Christian service, and the call for special service. The business man, the farmer, and the housewife would illustrate the first kind of call, while the preacher, educational director, or the missionary would illustrate the other kind.

Right now you should start, if you haven't already, to pray that God might reveal His will to you. If you feel a call to special service, but don't know what it is, surrender your life to the Lord and ask the Lord to reveal to you what type of call it is. At the same time you will need to remember that God doesn't reveal all of His will at the same time. Sometimes business men may surrender to preach, then later be called to be college presidents, and maybe later on directed into some type of denominational service.

We find the Lord's will through prayer, meditation and by taking note of the doors that are opened and the ones closed to us. We need to also take into account our interests, our talents, the needs, and the opportunities that we have for service.

If not called into special service, we need to seek His leadership in choosing our vocation, our life's mate, where we are to go to school, and where we are to live. We have a God who is related to every phase of our lives. We will find supreme happiness in the center of His will. It is true that God does have a permissive will, but His first will is best for us. I suggest that you seek to find that will.

**Homeowning Can Be Hazardous Too!**

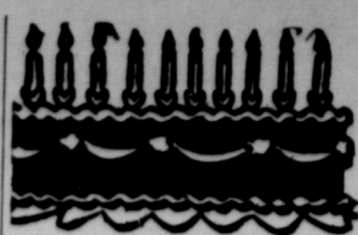

Just as the bullfighter may become overconfident with success, so may the homeowner not stop to think of hazards he faces in owning a home.

A fire, windstorm, or explosion could destroy his home. An injury on his property could result in a crippling lawsuit.

If you are a homeowner, don't let trouble take you by surprise. Call your local independent insurance agent and let him protect your property with insurance placed in a Capital Stock Insurance Company, the standard bearer of reliable protection for more than a century.

## Former residents celebrate Golden Anniversary

Mr. and Mrs. J. S. McDonald of San Angelo, formerly of Slaton, celebrated their 50th wedding anniversary with a chicken barbecue supper in the backyard of their home.

The serving table was laid with an Irish linen and gold lace cloth, yellow rose buds and a three-tiered gold wedding cake.

Mrs. McDonald was Miss Clara Gronthom before her marriage to Sam McDonald on July 8, 1908 in Farwell.

The couple moved to Slaton with their two children, Eunice

and Harry in 1911 and lived here until 1946 when they retired and moved to San Angelo.

Mr. McDonald was a clerk for the Santa Fe and Mrs. McDonald worked for a department store.

Their son, Harry, and his daughter, Natalie, of Bakersfield, Calif., were present for the occasion. Their daughter Eunice is employed with the Santa Fe and lives in San Angelo.

Friends from Slaton, Lubbock and San Angelo attended the celebration.

## Kittens entertain with supper

Mr. and Mrs. L. B. Kitten entertained relatives with a barbecue supper at their home Sunday, July 6.

Those attending were Mr. and Mrs. Norbert Kitten and family, Bill Kitten, Mr. and Mrs. Arvel Kitten, Steven Bruce and Linda of San Antonio who are spending their vacation here, Mr. and Mrs. Clark Schultz and children of Ponca City, Okla.

Mr. and Mrs. John Kveeton and daughters of Abernathy and Misses Rusty and Audrey Kitten and Mrs. Frances Reuss of Lubbock.

## Charles Schroeders will live in Windthorst after wedding here Tuesday

Rev. Monsignor T. D. O'Brien officiated at the double ring ceremony for Miss Glenda Lou Kitten and Charles Schroeder, at St. Joseph's Catholic Church Tuesday, July 8, at 4 p.m. White daisies and gladioli were used for the decorations.

Parents of the couple are Mr. and Mrs. C. V. Kitten of Route 1, Slaton and Mr. and Mrs. Fred

## Jolly Quilting Club meets July 1

The Jolly Quilting Club met Tuesday, July 1, in the home of Mrs. W. A. Cook, for an all day meeting highlighted with a covered dish luncheon. Those present were Mesdames

J. E. Rucker, J. F. Richey, W. R. Greer, Ford Stansell, R. F. Swafford, Clyde McGinley, and two visitors, Mrs. E. M. Lott and Mrs. A. J. Baker.

One quilt was completed.

## Glenda Lou Kitten shower honoree

Miss Glenda Lou Kitten, bride-elect of Charles Schroeder, was honored at a shower in the home of Mrs. Nestor Kitten, Sunday afternoon, June 29.

The serving table was laid with a white taffeta cloth covered with net and a centerpiece of notes of music entwined with ivy and daisies. The centerpiece was completed with a miniature bride and groom.

A crystal punch bowl was set on a mirror surrounded by ivy, blue daisies and blue candles. Silver appointments were used.

Receiving the 175 guests which called were the honoree, her mother, Mrs. C. V. Kitten; the prospective groom's mother, Mrs. Fred Schroeder; bridesmaids, Joan Bednarz and Susan Hill, Lubbock; Mrs. Rose Schroeder and Mrs. Charlie Meurer, grandmothers of the prospective groom; and Mrs. W. L. Meurer, grandmother of the honoree.

Marilyn Kitten registered guests.

The hostesses presented the honored guest with a night stand and a lamp.

Hostesses were Mesdames Andrew Hlavaty, Loy Meurer, Allen Meurer, Alex Bednarz, Edmund Kitten, O. F. Kitten, Emil Wimmer, Wilfred Kitten, Royce Hill, R. Wolf, Paul Meurer.

Clarence Miller, H. S. Schilling, Ray Miller, Joe L. Kitten, August Kitten, Joe Kitten, Oscar Buxkemper, Royce Bednarz, John Steffens, Leonard Foster, Ray Kitten, Alvin Bednarz, Misses Rose Kahlich, Marilyn Kitten, and Mrs. Nestor Kitten.

Mr. and Mrs. Earl Miller of Long Beach, Calif., visited last week with Mrs. Miller's sister, Mrs. Nestor Kitten and Mr. Kitten.

## YWA's present Miss Pam Maxey with white Bible

The YWA's of the First Baptist Church presented Miss Pam Maxey with a white Bible in a White Bible Ceremony held Wednesday, July 2, in the First Baptist Church auditorium.

Before the ceremony took place in the auditorium, the YWA's had a supper in Fellowship Hall.

Those on program other than the YWA girls were the Rev. Ted Gaze, pastor of the First Baptist Church; and Mrs. L. O. Lemon, president of the WMU. Miss Maxey is the bride-elect of Jerry Jones.

maid of honor. Bridesmaids were Susan Hill, cousin of the bride from Lubbock, Miss Lynn Miller, cousin of the bride from Houston, and Miss Joan Bednarz, cousin of the bride from Slaton. The attendants were dressed in identical gowns of ice blue taffeta and lace designed with sweetheart neckline and molded bodice which was emphasized by crushed cummerbund of taffeta. Their waist-length skirts were fully shirred over layers of net. They wore large picture hats of blue horsehair braid and net trimmed with rosebuds.

Debbie Carter of Windthorst was flower girl. Her gown was designed with a taffeta bodice and a skirt of white lace ruffles over net and taffeta. Her hat was white starched lace covered with sequins.

Rodney Kitten, cousin of the bride, was best man. Other male attendants were Lewis Schroeder, Windthorst, Kenneth Bednarz, Lorenzo, cousins of the groom, Danny Kitten, brother of the bride, and Clifford Kitten, cousin of the bride. Acolytes were Joe Bednarz and Kenneth Kitten, the bride's cousins, Alex Bednarz, Clarence Miller, Paul Meurer and Wilfred Kitten were ushers.

Following the ceremony, a reception was held in St. Joseph's Hall which was decorated with blue and white streamers and white wedding bells.

When the newlyweds left for a honeymoon at Ruidoso, N. M., the bride was wearing a navy blue chemise dress with white sailor collar and white accessories. Upon their return they will make their home in Windthorst.

Mrs. Schroeder is a graduate of Slaton High School and was employed as bookkeeper at Hemphill-Wells in Lubbock. Mr. Schroeder graduated from Windthorst High School and is engaged in dairy farming.

Out of town guests attending the wedding came from Houston, Amarillo, Hereford, Windthorst and Wichita Falls.

## Selective kill of shad at Possum Kingdom Aug. 6

Selective kill of gizzard shad on Possum Kingdom Lake has been set for August 6, reports the Director of Inland Fisheries of the Game and Fish Commission.

A rotenone solution sprayed from airplanes will obtain the desired selective treatment, according to preliminary tests conducted earlier this month. The treatment has been designed to kill only shad and freshwater drum since a stronger solution for reducing buffalo and carp increases the likelihood of game fish kill. The game fish has been estimated at only one-half of one per cent, according to the Director.

Approximately 10,000 gallons of rotenone will be needed for treating Possum Kingdom Lake. Higher early estimates were made prior to a careful study of the lake. The above amount takes into account the summer drop in the lake level from the present 21,000 surface acres to some 17,000 acres by August.

Should poor flying conditions occur on August 6, the treatment will be postponed until conditions improve.

The Director warns 'dip netters' to stay clear of an area while the airplanes are spraying. "Besides," he added, "it

will take about 30 minutes for the treatment to take effect and the fish start surfacing." Persons are reminded that when the fish surface they are still very much alive and edible.

Roteneone will be used because it kills by suffocation and is not poisonous. The selective treatment method has the advantage of varying the strength of the solution to include more species in a fish kill if desired. Gar are reported to have the most resistance to rotenone of any fish.

## 'Hurri-kari' result of hurry on U.S. highways

"How accidental are traffic accidents?"

This question was asked by J. O. Musick, general manager of the Texas Safety Association, today, in connection with TSA's current Slow Down and Live program for Texas.

"The term 'accident' hardly seems appropriate for mishaps on the highway that are invited through careless or unlawful acts," Musick said. "Of course many violations are not deliberate—just inattention or an impulse to take a chance—but they are still inexcusable because of the damage they cause."

Musick said some people, through their carelessness behind the wheel, commit harakiri by using an automobile instead of a Japanese dagger. He changed the suicidal term slightly by calling it Hurri-Kari. "Improper speed doesn't shorten the road; it shortens life," Musick said. "And this is

## Hawaiian Islands included in Pony League activities this year

Pony League baseball for 13 and 14-year old boys has expanded its program and will grant official sanction to teams in the Hawaiian Islands this season.

The League also operates a Graduate division for boys 15 and 16.

Though a number of Hawaiian teams have been affiliated with PONY League for several years, this marks the first time any have been fully sanctioned.

Hilo, Kona, and West Kauai were the first Hawaiian communities to receive official league sanction and Hilo was also the first to receive sanction for a Pony graduate league.

Hawaiian leagues will conduct their own elimination tournament in the Islands and the winner, in both the Pony and Pony Grads divisions will compete in the United States Region Eight tournament.

The winners of the Region Eight tournaments will take part in the Pony Division World Series at Washington, Pa., August 21-26, and in the Pony League Grads World Series at Springfield, Illinois, on August 28-September 1.

Pony League Commissioners Lew Hays said the decision to grant full sanction to the Hawaiian leagues was made by

the Pony League board of directors, headed by actor-comedian Joe E. Brown, International President of Pony League.

## Enlistment program for women told by Lubbock recruiter

T/Sgt. Art Candelaria, NCO in charge of the Marine Corps Recruiting sub-station in Lubbock, has announced that women may now enlist in the Women Marines for two, three, or four years.

The requirements for women enlistments are age 18 through 30 years; single, and a high school graduate.

Upon enlistment the women are sent to Parris Island, South Carolina, for eight weeks of basic training, after which they come home on a 15-day leave. They are then assigned to one of the many posts or stations of the Marine Corps, for either school or duty in the U.S., Hawaii, or Europe.

Sgt. Candelaria also said that women may now enlist in the

120-day delay plan being offered by the Marine Corps. For information about the Women Marines, call PO2-8181 in Lubbock, or write to the Marine Corps Recruiting Sub-station, Box 127, Lubbock.

Mrs. Marcus Crumbly and daughter visited with Mrs. Crumbly's parents, Mr. and Mrs. J. L. House, last week.

Visiting in the home of Mrs. S. A. Abbott and Mr. and Mrs. W. P. Layne last week was Mrs. Abbott's granddaughter and Mr. Layne's aunt, Virginia Lawrence.

Mr. and Mrs. Ned House visited with relatives in Turkey over the Fourth of July holiday.

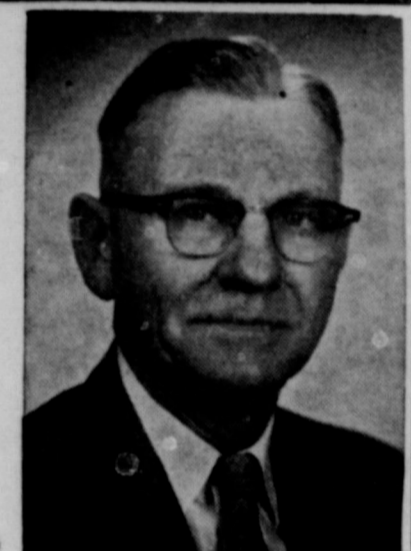

Mr. and Mrs. C. C. McCormick had as guests last Friday Mrs. Fred Edwards and Mr. and Mrs. L. L. Hamilton of Lubbock; Mr. and Mrs. Earnest Durham and Mr. and Mrs. Jim Durham of Littlefield; Mr. and Mrs. John Hill and family, Tahoka; and Mr. and Mrs. McCormick's son and family, Mr. and Mrs. Lloyd McCormick and family of Modesto, Calif.

The Rev. and Mrs. V. F. Love and Patricia visited with friends in Uvalde last week.

Mrs. Frank Lawrence

Will appreciate your vote and support for Justice of the Peace, Precinct 2.

George G. Green

Above map shows roads paved under administration of present commissioner.

## ARE YOU interested in your County Government?

ARE YOU interested in the roads in your own neighborhood?  
ARE YOU interested in keeping taxes at a minimum?

Your commissioner is an important member of your county governing body. This is where your tax rate is made. With my help we have kept your county taxes down. Lubbock County of all the 254 counties in Texas rates 212 from the top, or 42nd from the bottom of the list. Our county tax rate is 83c per 100 valuation. This low rate has been maintained in the face of a tremendous growth in population over the past years.

### OUR ROADS

Building roads is the duty and responsibility of your commissioner. During my administration there have been 45 miles of roads paved by precinct funds. 32 miles of roads have been paved by state funds with 12 more miles to be built by the state this year. We are in the process of paving about nine more miles of roads with precinct funds this year.

The cemetery streets in Slaton have been paved and the County-Slaton park has been improved tremendously and kept in good condition at all times.

My time has been spent in every worthwhile effort to improve these things for the public. My many friends tell me that Precinct 2 does not need a change at this time. This decision is based upon the accomplishments of this office over the past years.

I devote all my time to the duties of county commissioner and have no other business interests. This I will continue to do if continued in office.

# Minor league standing

July 1st the Braves defeated the Red Sox by a score of 9 to 3 with Loke, Ellis, Keys and Cummings getting one hit each and Hatchett and J. Lancaster getting two each for the Red Sox was by Gregg.

July 3rd the Cubs and Red Sox tied for third place in league play again, with a 4 win loss record when the Cubs defeated the Red Sox 12 to 6. Gregg accounted for 3 of the Red Sox hits with Enloe and one. For the Cubs Smoot and Jones, Lowry, M. Kitten and Reyes each got a hit and Thomas got two hits with one. "Thomas" being a home run.

The league leader Braves and runner-up Tigers met in a thriller July 4th that saw the Braves come from behind to take the game by a score of 12 to 11 in eight innings. Loke and Keys got four hits each for the Braves with one of Keys' being his second homer. Cummings got two hits; Tefertiller, Hatchett, Haire and T. Lancaster got one hit each with Lancaster's being his fourth homer. For the Tigers, Polk and J. King got three hits each; Burk, R. King and Ball one each. This left the Braves with a 10-2 record and the Tigers with a 6-6 record.

July 7th the Tigers took the Red Sox by a score of 12 to 8, leaving the Tigers in second place with a 7-6 record and dropping the Red Sox in last place with a 4-9 record. Hitters for the Tigers were R. King with three, Wheeler with two, Polk, C. Curtis and E. Curtis with one each. For the Red Sox Gregg got three hits including his second and third home runs; Caldwell got two hits; Davis, Bain and Dubbs one hit each.

STATE CAPITAL  
Highlights  
AND Sidelights  
by Vern Sanford  
TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — Mid-way  
through the so-called "recession  
year" of 1958, Texas economic  
forecasters are turning their  
eyes upward again.  
Statistical reports show steady  
improvement in overall busi-  
ness activity since the bleak  
lows of February and March. If  
the hoped-for pick-up in oil de-  
mand develops during the lat-  
ter half, analysts say, "1958 may  
be a good year after all."

Some of the bases for the cur-  
rent atmosphere of cautious  
optimism are these:

**BANK DEPOSITS:** Folks  
have lots of money in the banks;  
in most areas, more than last  
year. Response to the Texas  
Banking Commission's mid-year  
call for condition of banks show-  
ed that most have higher de-  
posits than last summer and  
some are at new record highs.  
Dallas County bank deposits in-  
creased by \$333,000,000; Harris  
County (Houston) by more than  
\$267,000,000 over a year ago.  
Towns with all-time high de-  
posits were Amarillo, Corpus  
Christi, Tyler, Midland, Denton  
and Port Arthur.

**RETAIL SALES:** Despite sags  
here and here, Texas retail sales  
are expected to run some 7  
per cent ahead of '57, says the  
University of Texas Bureau of  
Business Research. Because of  
low months early in the year,  
sales volume for the first five  
months of '58 were 1 per cent  
below the same period for '57.  
But a late spring upsurge put  
May, 1958, sales ahead of those  
for May, 1957. Apparently Tex-  
ans are concentrating on essen-  
tials. Compared to last year,  
farm implement sales were up  
27 per cent, food up 11 per  
cent, autos down 8 per cent.

**BUSINESS INDEX:** BBR's  
latest report shows the 1958  
level of general business activi-  
ty 4 per cent below May 1957.  
But May, 1957, was a dizzy pin-  
nacle, the highest point every  
reached by the Texas business  
index. Since the low in March  
the index has made encouraging  
progress, pulling up by 8 points.  
Fall will bring the tip-off, says  
BBR, as to whether recovery  
momentum is sufficient for a  
rise to a new crest.

**EMPLOYMENT:** Although  
thousands more were out of  
work than a year ago, Texas  
Employment Commission's most  
recent over-all survey showed a  
substantial shortening of the  
jobless lines. Like the general  
business index, employment

seemed to be making a steady  
recovery from the early spring  
"trough." Number of unemploy-  
ed dropped 4,200 during May,  
TEC reported, and non-farm  
employment rose to almost  
three million. Insured unem-  
ployment in Texas was only  
4.1 per cent of the working force  
compared with the national  
average of 7.2 per cent.

**COMPANY CHALLENGED** —  
A king-size clash is in prospect  
July 15 between the State In-  
surance Department and Na-  
tional Bankers Life Insurance  
Company of Dallas.  
Commissioner William A.  
Harrison has ordered the com-  
pany to prove fitness of its  
management or lose its license.  
National Bankers, regarded  
as one of the largest and most  
prosperous companies in the  
Southwest, claims more than  
\$19,000,000 in assets. Some \$5-  
000,000 of these are discounted  
by the Department as unsound  
or unsuitable for an insurance  
company. Specifically question-  
ed by the state are a number  
of mortgage loans made by the  
company to other firms in which  
the company's officers or di-  
rectors have an interest.  
Company President Lester F.  
Hall said the firm's financial  
footing is so sound it could  
raise \$5,000,000 in a matter of  
hours. He said the company had  
a premium income of \$10,000-  
000 last year and net earnings  
of \$1,000,000.

**GLAD TO MOVE OVER** — De-  
spite the prospect of losing  
"biggest state" honors, Texas  
officials say they're happy to  
welcome Alaska as No. 49  
Sample comments:  
Gov. Price Daniel: "We will  
still have the biggest navy."  
Sec'y of State Zollie Steakley:  
"I'm glad another state will  
bear the brunt of the gags about  
being the largest state."  
Atty. Gen Will Wilson: "I  
suggest they nail down their off-  
shore lands before they enter  
the union."

**SEMI-WESTWARD HO!** — Re-  
designed Texas-tan uniforms  
have brought a new look to the  
Texas Highway Patrol. Semi-  
western in style, the uniforms  
sport black trim, black shoes,  
wide-brimmed gray hats with  
western crease.

Only 380 patrolmen and  
other division members of the  
Department of Public Safety  
are outfitted at present. New  
uniforms for the rest of the  
force will have to wait for an-  
other appropriation from the  
Legislature.

**TAXPAYERS GET WARY** —  
Slump in federal income tax  
collections in Texas the past  
several months has been noted  
by Internal Revenue officials.  
Cause has been attributed to  
recession-minded taxpayers low-  
ering their estimates of in-  
come for the year. South Texas  
Collector Bob Phinney thinks,  
however, most will wind up  
making just as much money as  
last year.

Last year Texans paid a  
record-breaking \$2,600,000,000  
in federal income taxes, about  
\$128,000,000 more than in the  
year previous.

**SCHOOL COST CLIMB SEEN** —  
Texas counties expect cost of  
education to climb \$70,000,000  
annually in the next five years.  
This was revealed in reports  
of 251 counties to the Hale-  
Aiken Survey Committee on  
Public Education. Most of the  
increase would go for expan-  
sions necessary to keep up with  
increasing enrollment.  
Counties differed as to how  
the money should be raised.  
Twenty-five per cent favored  
higher local taxes or increased  
valuation. Forty-four per cent  
wanted additional money from  
the state. Nine counties favored  
federal aid. Thirty-five recom-  
mended a sales or income levy.  
**SHORT SNORTS** — Walter Buck-  
ner, publisher of the San Marcos  
Record and past-president of

the Texas Press Association,  
has been named by Governor  
Daniel to the Industrial Accident  
Board. He will serve as the  
employer representative. The  
two other members of the board  
are Ned Price of Tyler, repre-  
senting labor; and Leonard Carl-  
ton of Austin, representing em-  
ployees. . . A \$20,500 grant for  
re-codifying Texas school laws  
has been provided by the M.  
D. Anderson Foundation of  
Houston. A legislative commit-  
tee headed by Rep. Robert H.  
Hughes of Dallas is in charge  
of the work. . . Preliminary  
report on a comprehensive sur-  
vey of Texas water resources  
has been submitted to Governor  
Daniel. It was requested by Sen.  
Lyndon B. Johnson and pre-  
pared jointly by state and fed-  
eral water agencies. Contents

of the report will not be re-  
leased for publication until final  
approval is given. . . Farm  
experts expect that the 92-year-  
old record for cotton yield per  
acre may be topped this year.  
Second-highest yield was re-  
corded last year at 295 pounds.  
All-time high was 325 pounds  
per acre in 1896—when soil was  
virgin. . . Governor Daniel has  
proclaimed July 14-20 as State  
Park Week to call attention to  
the 56-park unit begun in 1924  
when Gov. Pat Neff and his  
family donated "Mother Neff  
Park," to the state. . . Texas  
draft quota for August will be  
539 men, only one more than  
were called for July. State Se-  
lective Service Headquarters  
also announced that some 1,700  
men are to take pre-induction  
exams in August.

**Last week's mystery farm owned, operated by Herman Klesel**

Last week's mystery farm was  
identified by Mrs. W. A. Ba-  
singer, Rt. 2 Post. She will re-  
ceive a year's subscription to  
The Slatonite.  
Herman Klesel is the owner  
and operator of the farm.  
Mr. Klesel has been operat-  
ing the farm since 1938; Paul  
Noack was the previous owner.  
In 1937 Klesel was married to  
Selma Voigt. They have three  
children, Beatrice, Glen, and  
Judy, all living at home.  
The Klesels are members of  
the Grace Lutheran Church,  
Slaton, and their children are  
all active in the 4-H Club.  
Mrs. Klesel spends her extra  
time working with her flowers,  
and Mr. Klesel is kept busy with  
his cotton and feed crop, chick-  
ens and cows.

Mr. and Mrs. P. A. Minor  
visited last week end in Ama-  
rillo with Mrs. Minor's sister,  
Mrs. E. A. Bownds and Mr.  
Bownds.

Mr. and Mrs. Woodrow Chan-  
dlers of Greenville and Mr. and  
Mrs. Bud Gentry of Mabank  
visited over the week end with  
Mr. and Mrs. Clark Self Sr.

Mr. and Mrs. E. R. Legg visit-  
ed last week in Vernon with  
Mr. Legg's sister Mrs. Jim Ab-  
bot and Mr. Abbott; and in  
Athens with Mrs. Legg's mother,  
Mrs. E. M. Robinson. While in  
Vernon they attended the Santa  
Rosa Rodeo.

**WITH MY ELECTRIC HOME FREEZER PROVES WHAT I USED TO HEAR THE HOME SERVICE ADVISORS SAY!"**

says MRS. ROBERT J. ELSEY,  
4213 ONG • AMARILLO, TEXAS

In the picture at upper left, Mrs. Elsey entertains, with the help of her freezer, three other young homemakers, Mrs. Robert Crump, Mrs. Charles Cooke, Jr., and Mrs. Bill Rutter.

"I was a secretary at the Public Service Company and I used to overhear the Home Service Advisors tell about electric home freezers — how they saved money — how you could get better meals — how you could preserve the garden-freshness of vegetables — how a freezer could save a housewife lots of time. What they said made sense to me but the words just can't equal the actual experiences of owning your own home freezer. I find that everything those girls say is true — especially do I find the freezer ideal for entertaining," says Mrs. Elsey.
