AUXILIARY LOCALS

Mrs. J. L. Sweet, who has been suffering with sinus trouble, is much improved.

Prof. A. B. Myers, who will be the Interlocutor in the Legion's minstrel show, came up from Grassland school house, where he is principal, for the minstrel rehearsal last Friday evening.

Mrs. Effie Fowler, mother of Mrs. Oscar Killian, who has been ill for some time is reported to be greatly improved.

The Auxiliary will meet at the clubhouse Friday night, February 27, at 7:30. Everybody be on hand as there is important business to be attended to.

Mrs. Raymond Johnson attended the piano recital by Ignace Jan Paderewski in Amarillo last Friday night.

D. E. Kemp transacted business in Sweetwater, Wednesday.

Raymond Johnson is in the Santa Fe hospital at Clovis, New Mexico, where he underwent an operation last week. He is reported doing nicely.

YEAR'S WORK FOR FIFTH DIVISION

The outline of the year's work for the Fifth Division, American Legion Auxiliary, Department of Texas, as recommended and planned by Mrs. Tillman Jones, of Post, who is Division Chairman:

Child Welfare Americanism

- (a). Teaching of Flag Etiquette.
- (b). Proper observance of Patriotic holidays.

Legislation

- (a). Renewing of old Units.
- (b). Formation of new Units.

Rehabilitation

Work of Auxiliary

Child Welfare

Since Child Welfare has been, and still is, the supreme aim of this administration, our first thought for the Fifth Division, composed of the 16th, 17th and 18th Districts, is to further the plans of the State Department by following out every plan and suggestion which is brought to us from them. The Immediate Problem is the children at Legion. There are many ways we can aid in furthering the work as planned for them. Let us at the end of the year match, and, if possible, surpass the magnificent record of Child Welfare work reported at the last convention.

Americanism

It is the plan of the Auxiliary to teach flag etiquette in the different grades of the schools and thus give an added inspiration to the children to properly observe the correct use of the flag. Also to see that patriotic days are properly observed and if possible to celebrate them with appropriate programs and parades. This will tend to foster patriotism in the minds of the young more than can be realized.

Legislative Program

The Universal Draft Act is the goal of the Auxiliary's legislative effort.

This will be the biggest piece of work that can be done toward the prevention of another World War.

Rehabilitation Work To Be Done

The Auxiliary keeps in constant contact with the hospitals for the disabled soldiers and the rehabilitation work being done and always answers every call made for help and assist in every way possible.

It is the earnest desire of the Division Chairman, Mrs. Tillman Jones, whose home is in our neighboring city of Post, that every effort be put forth to make this one of the biggest year's in the history of the Legion Auxiliary in the 18th District.

TWO FINE FAVORITES IN BIG COMEDY

Fifteen years ago a silent screen version of "39 East" was made. Reginald Denny played the lead and a featured player in the cast was Alston Shipworth who had played in the stage production. Miss Skipworth and Denny went their respective ways and came together again this year in "Oh, for a Man!" a Hamilton MacFadden production for Fox Movietone-cofeaturing Jeannette MacDonald and Denny.

"Oh, for a Man!" deals with a burglar and a prima donna, with the burglar coming to the apartment of the prima donna to steal her jewels and remaining to steal her affections.

Miss Skipworth plays the role of "Laura," maid to the prima donna, a very important role and one in which she scores heavily.

The story is an adaption by Philip Klein and Lynn Starling of a Mary F. Wilkins' story and the cast, in addition to those mentioned, includes Warren Hymen, Marjorie White, Albert Conti, Bela Lugosi and William Davidson.

This picture starts Sunday at the Palace and will continue on through Tuesday and Wednesday.

"THE PERFECT FOOL"

There have been fools of one kind and another since the first caveman accidentally bounced his club off the head of his partner while they were hunting the dinosaur who bothered them nights. Very few have admitted, much less boasted, their lack of reasoning power. Most of them have fought to hide it.

It took the dizzy twentieth century to produce the man who glorifies in

the title to such an extent that he made the amusement world call him "The Perfect Fool." That man is Ed Wynn, who, after a scintillating comedy career on the Broadway stage, makes his talking screen debut in "Follow the Leader," opening at the Palace theatre next Wednesday and also shown on Thursday.

HIGH SCHOOL P.-T. A. HAS IMPRESSIVE SERVICE

The High School Parent-Teacher association held its regular meeting Tuesday afternoon. A very interesting program on Citizenship was rendered which consisted of the following numbers:

Lincoln's Contribution to Citizenship, Mildred Rucker.

Lincoln as a Private Citizen, Robert Rayburn.

Washington's Contribution to Citizenship, John Rayburn.

Contributions of Longfellow, Miss Maude Dean.

A sketch of the Life of the Founders of the National P.-T. A., Mrs. A. M. Sprinkle.

After the program was rendered the group was invited into the home economics room where an impressive ceremony commemorating the thirty-fourth anniversary of the founding of the Parent-Teacher organization was conducted.

A short talk was given by Mrs. Jas. Rayburn, as Mrs. W. B. Montague lighted the large central candle on the birthday cake representing the life of Mrs. Theodore Birney, the founder. After which Mrs. W. H. Bowman, president of the East Ward Parent-Teacher association, lighted the

thirty-four candles from the central candle, dedicating them to the thirty-four years of constant effort of the nation to catch a greater light as radiated by the purpose and ideals of the founders, who first had a vision of the development of a more intelligent, sympathetic parenthood.

Prayer was offered by Rev. James Rayburn.

After services the cake was cut by Mrs. J. R. McAtee. Tea was served to the home economics girls to the twenty-three parents and teachers present.

The next meeting will be held on March 17 and the program on Child Welfare will be given at that time.

SEWING CLASS TO BE ORGANIZED FOR WOMEN

A class in sewing, for women, will be organized Friday afternoon, February 27, at four o'clock. At this time persons will select patterns and materials for a dress.

The class will meet twice a week during the month of March, when each lady will work on her dress. Demonstrations will be given in fitting and altering of dresses and in tailored finishes.

Come to the home economics room at the high school Friday afternoon at 4 o'clock.

More Power

IN THE HOME!

should be the slogan of every woman, whether she lives in a small apartment in the city, or a house in the country.

The history of civilization shows that the first step in the "emancipation of women" is freeing women from drudgery. Labor-saving devices are also time-savers—time that can be spent with her children, or on herself.

No woman who values her health and beauty and charm will spend her time drudging—in doing work that can be done for her for a few cents a day. It means mental and physical stagnation.

This also applies to her farm sister. Not only is the use of electricity on the farm important in the farm work itself, but in the home it relieves the farm woman of many burdensome tasks. It makes her work more pleasant; it cuts down her working hours, giving her some leisure.

Electricity can do much in the home. Let there be MORE POWER IN YOUR HOME.

Painful Condition

"WHEN I was just a girl at home," writes Mrs. B. F. Riggan, of Baird, Texas, "I took Cardui for cramping and pains in my side and back, and it helped me at that time.

"After I was married, I found myself in a weak, run-down condition. I suffered a great deal with my back, which was so weak it hurt me to get up or when I would stand on my feet. I fell off in weight.

"A friend of mine, seeing how bad I felt, advised me to take Cardui, which I did. By the time I had taken two bottles, I felt stronger and better than I had in a long time."

OUT OF DEBT

We All Owe Somebody-Let's Pay Him, So He Can Pay The Fellow He Owes; Then He Can Pay Us!

On Monday, March 2, 22 Slaton Business Firms will each issue a check for \$5.00, cashable at the bank on which it is written ONLY after it has received 25 endorsements.

The checks are to be used EXCLUSIVELY in payment of debts and each person who receives one is asked to endorse it and pass it on to somebody you owe as quickly as possible.

The idea is to clear up \$2,750 worth of indebtedness in the community quickly without anybody being the loser. If somebody pays you \$5.00 and you pay somebody else \$5.00 you are in better financial shape, and none

the loser. So is the person who paid you and the person you paid.

There will be 550 endorsements on the checks when they all come in. The chances are you will receive one. Watch the progress of these checks. It will surprise you how many bills \$5.00 can cancel.

Indebtedness is largely a state of mind. We can't pay the people we owe because the people who owe us can't pay us. The people who owe us feel the same way about it and so do the people we owe.

Now here's an opportunity for all of us to start paying up at the same time. Be on the lookout for the 22 "Pay-Up" Checks which will be issued Monday, Mar. 2.

Argotane Proves To Abilene Carpenter That It Is Totally Different From Other Medicines

"I saw so many Abilene people were taking Argotane with good results and inasmuch as I have tried the medicine, I cannot explain to you that what it has done for me cannot be measured in dollars and cents," says C. B. Summers, 642 Simmons Avenue, Abilene, Texas.

"It had rid me of indigestion and constipation that caused me to have such cramps and dizzy spells that I felt that I would faint. Instead of food feeling like knots in my stomach it now digests thoroughly and I don't have any more restless nights, but sleep like a top and feel fine in every way. I am glad to tell others what this new medicine will do for a person for Argotane is different from other medicines and is in a class by itself."

Women's Column

By A SLATON WOMAN
for Slaton women

THE COMMUNITY SING-SONG

The Community Sing, which was held last week by the local P. T. A.'s and sponsored by the Civic and Culture club, was proof of the public spirit and high ideals of Slaton clubwomen. This idea was conceived in pure patriotism and community spirit with no thought of monetary gain.

THE GARBAGE PROBLEM

Speaking of community spirit and civic pride, I believe Slaton club women can do more to beautify this city than any group or organization. When we women start to do things they usually get done.

The writer wonders what could be done toward a city trash and garbage collection. It's the tin cans in back yards that detract most from general appearance of cleanliness and beauty. Do you realize how much covered garbage cans and semi-weekly or even weekly collection of garbage would do to exterminate the fly?

THINK THIS OVER?

Couldn't we have a Garden club, giving prizes for the best kept yards and flower gardens in different sections of town?

Of course, this idea isn't new or original, but it is a good one and it works wonders. It would be a real civic movement, too.

SLATON'S FRIENDLINESS

Recently newcomers to Slaton have been heard to pay tribute to Slaton's friendly spirit and especially to the hospitality of Slaton women. Slaton is a friendly town and we hope to keep it so.

THE PARENT-TEACHER ASSN.

The Parent-Teacher movement is gaining in popularity everywhere. No organization can do so great a work in child welfare and parental education and can reach into so many and various types of homes as the Parent-Teacher association. It is hoped many Slaton women will attend the district conference of P. T. A. at Lamesa, on April 8, 9 and 10.

Our own homes and our own children come first, of course, and next we should stand behind any movement that seeks to benefit the other woman's home and the other woman's children.

"WILL POWER AND BACKBONE"

A Slaton school boy remarked the other day that one of his teachers is constantly speaking of "will power and backbone" to do this or that. So often does she repeat this homely truth that it has become a byword on the playground. When the boys make

a score or throw a goal, they say, "It took 'will power and backbone' to do that."

The teacher knows and you and I know that they, although they make a joke of it, the idea that with "will power and backbone" they can accomplish things is becoming a part of those children's characters. Later in life when faced with hard tasks they will unconsciously stiffen their backbones and call on their will power and get results.

Mother's, let's thank our stars for teachers who preach such things. More power to them.

ENTHUSIASM

While on the subject of character, let's quote a few lines J. Ogden Armour said, among other things, about enthusiasm:

"If you would be a power among men, cultivate enthusiasm. Put your soul into your work and people will believe in you just as they believe in electricity when they get into touch with a dynamo."

WOMEN'S PART

What can women do to help overcome the present depression? Let's put on our thinking caps and come through with some ideas. Let's show the men how to do things. If we make a concerted effort we can pull at least one community out of the slump. Send in your ideas to this column.

What can the farm women do? The rural women are especially invited to write in. The writer would like to hear what rural women and rural clubs are doing.

With "will power, backbone and enthusiasm" anything is possible.

DO YOU LIKE THIS COLUMN?

If you like having this column in the Slatonite call or write the Slatonite office and say so. It is for you, the

women of Slaton and surrounding communities, and if you like it we'll continue it.

It is your column and we want you to send in items or suggestions for subjects for discussion. Club announcements are also welcome.

"I've just read Swift & Company's 1931 Year Book . . .

"This book is most interesting to me, because I'm one of the 200,000 producers of cream, poultry and eggs who sell to Swift & Company. It is just as interesting to everyone who has something to sell to Swift & Company, as well as the housewife who buys food for her family.

"This book showed me the source of Swift & Company's profits, which come, mainly, from savings in expenses, and not at the expense of the producer or the consumer. What impressed me was that Swift earns its dividend from an average profit from all sources of only a small fraction of a cent a pound.

"The chapter on Swift & Company's produce plants on page 35 held my attention, for here is shown how the company creates a direct road to remote markets for the producers' products. And you may learn how Swift's marvelous distributing plan serves producer, small retailer and consumer in every corner of the country.

"I know that Swift & Company will gladly send you the 1931 Year Book free of charge. Send for it; there's information of interest to every man and woman. Just fill out this coupon below."

Mrs. G. L. Sledge was honoree at a Surprise Birthday party last Friday evening, February 20 at her home, 140 West Panhandle.

Mrs. Sledge went for a short car ride and on returning, was asked to pick up a string at the front door and wind to the starting point, where she found many nice and useful gifts.

Delicious refreshments were served to Messrs and Mesdames T. J. Abel, Sam Selman, Ralph Wynn of Lubbock, W. J. Walker, Willie Sledge, A. L. Elkins, Mesdames G. J. Cason, H. E. Cavenor, E. F. Jarman, W. J. Anderson, M. O. Napps and W. E. Tillman of Eldorado, Okla.

ELDERLY LADIES ENTERTAINED HERE WEDNESDAY

Mrs. J. E. Cherry delightfully entertained a bunch of the elderly ladies of Slaton at her home, 705 E. Lubbock street, Wednesday from 10 a. m. until 4 p. m.

At the noon hour a bountiful dinner was served, after which games, contests, readings, music and general merry-making was enjoyed by all.

The young girls of today would have been amazed at the jolly good time enjoyed by these elderly ladies.

Before departing they sang one verse of "Blest Be the Tie That Binds," and prayer was offered by Mrs. Patrick. Those enjoying the day were:

Mrs. Kate Talbot, 67; Mrs. P. R. Tucker, 81; Mrs. S. F. Haddock, 78; Mrs. S. E. Wolf, 81; Mrs. W. H. Patrick, 62; Mrs. J. A. Bean, 71; Mrs. R. S. Roberts, 84; Mrs. M. V. Bownds, 78; Mrs. Mary M. Hestand, 81; Mrs. P. H. Whalen, 65; and Mrs. S. F. McKinney, 76.

What is more noble, what is more grand

Than the aged mothers of our land. Their forms are bent and their steps are slow

But their hearts are young and their eyes aglow, They well may feel proud of lives well spent

Though hair is silver and form is bent

For it has been theirs to love and share

A families happiness, sorrow or care.

As they cross the river one by one Sweet memories of mother shall ever live on.

EAST WARD THANKS WORKERS IN SING-SONG

The East Ward Parent-Teacher association wishes to publicly thank all who appeared in the Sing-Song program. We want to thank Mr. Gassaway for being such a faithful leader, Mr. George Marriott for his special number, Mrs. Hill for her services as soloist, and the young men who sang in the quartette. We also want to extend thanks and appreciation to all who worked so faithfully in the singing and costuming.

To the Civic and Culture club we wish to give thanks for the ten dollars and thirty-seven cents. With this we are going to plant a grove of shade trees east of our buildings.

Texas has 797,695 acres of land under irrigation and 1,567,642 acres irrigable, according to the Census Bureau. Two counties—Hidalgo and Cameron with 229,787 and 155,804 acres respectively—have almost half of the State's total.

More than 600 coyotes were estimated to have been killed in a poisoning campaign in Garza county in which 28,000 poisoned baits were distributed by ranchmen under general supervision of the United States Biological survey and the county farm agent. It is estimated that the cost of killing a coyote in this cooperative poisoning is less than 25 cents.

Ranchers plan to repeat the venture in the spring.

Patriotic Program Was Great Success

A patriotic program sponsored by the Civic and Culture club was enjoyed Thursday evening, February 19, at the high school auditorium.

L. T. Green, superintendent of the Slaton schools, acted as master of ceremonies for the evening and introduced Mayor T. M. George, who gave the welcome address and explained the nature of the program, which was a Sing-Song with the three Slaton schools, West Ward East Ward and the High school competing for the ten dollars offered by the Civic and Culture club for the best Sing-Song rendered.

The Parent-Teacher associations of the three schools arranged and directed the program. After much competition the East Ward organization was awarded the prize of \$10.37, which is to be used in the beautification of the school grounds of that ward. The West Ward received second.

The Civic and Culture club, in order to promote Citizenship in the public schools gave four prizes of one dollar each in the high school for the best essays on "How to Teach Citizenship by Living It." The winners were: Allene Sprinkle, Mary Dell Dunlap, Morris Ward and Raymond Johns. The Seventh district of Federated clubs, of which the Civic and Culture club is a member, has offered a prize of ten dollars for the best essay on this subject, and these essays will be entered in this contest.

In the junior high school, a prize of one dollar was awarded Jack Frye for the best essay on "The Washington Memorial." Every pupil in junior high turned in an essay.

In the Ward schools a declamation contest was held the subject was "Our Flag," and Betty Stanford, of the East Ward, was winner and received a prize of one dollar.

Mrs. A. L. Robertson, president of

the club, awarded the prizes.

These prizes which totaled \$16.37 represented a sum of money the club earned two years ago to be used in Citizenship work, also a prize of \$10 awarded the club two years ago for the best work done in Citizenship in clubs.

Mrs. W. R. Lovett and Mrs. J. W. Wallace formed the committee that made plans for the patriotic program, and are to be complimented on their work, as it has been stated that it was the largest assemblage of Slaton people for any such entertainment in a number of years, standing room was in demand and many were turned away because of the overcrowded condition. It has been acclaimed a great success and the clubs are to be commended for promoting such a program for the purpose of cooperating and stimulating a stronger idea of citizenship in our schools and among the patrons and public.
