

Cuba Demands Economic Action At Rio Meeting

Speech Comes After Failure Of Conferences

QUITANDINHA, Brazil, Aug. 21. (AP)—Cuba formally presented to the Inter-American defense conference today a demand for joint hemisphere action to protest what it called "the economic independence" of American states.

Guillermo Belt, Cuban ambassador to Washington and aspirant to his country's presidency, told the committee on aggression that "it is impossible to conceive of political independence unless a state also has economic independence."

The presentation of the Cuban demand came after the apparent failure of a series of "coffee table conferences" arranged by Conference president, Raul Fernandes, the Brazilian foreign minister, in an effort to avert an almost certain controversy between the United States and Cuba.

The island republic's stand was against what it called "economic aggression" or "unilateral economic acts and threats."

Secretary of State George C. Marshall told the delegates yesterday that the United States felt the first task of the conference was to draft the treaty contemplated in the Act of Chapultepec, leaving economic considerations until the next inter-American conference, at Bogota in January.

Fernandes' hope was that the issue could be compromised before it reached the 20-nation committee on aggression, where it seemed certain to touch off a major debate.

He conferred for a half hour last night with Marshall and then called Dr. Guillermo Belt, the Cuban delegate, to his table in Quitandinha hotel's coffee room where with other Brazilian and Cuban representatives they set to work on a formula.

After an hour, Fernandes arose with a draft and took it to members of the U. S. delegation, but there was no immediate reaction from them. All participants emphasized, however, that no final Secretary Marshall's speech decision has been reached.

Today, in which he outlined the heavy economic burdens assumed by the United States in Europe and pledged continued help for Latin American countries seeking "a sound basis" for practical economic cooperation, drew optimistic reactions from other delegates.

Action In Java Depends On U. N. Meeting Results

THE HAGUE, Aug. 21. (AP)—A high source said today "there can be no doubt" that Dutch action in Indonesia will be resumed on a large scale "if the security council, in its meeting tomorrow, should refrain from ordering the Indonesian republic to cease their present hostilities by which they violate the council's cease-fire order."

The source did not indicate what the direct objectives of new military action would be, but a drive to Jogjakarta, the republican capital, has been discussed in both the Netherlands and Indonesia.

Some political leaders expressed belief that resumption of military action might lead to a split in the Catholic-labor coalition cabinet, possibly followed by formation of a national emergency cabinet. The powerful Catholic party openly favors Dutch action on a large scale. The majority of the second largest party, labor, opposes this.

Wild Animals With Disease In Mexico To Be Hunted Down

WASHINGTON, Aug. 21. (AP)—Infected deer, antelope, wild swine and other cloven-footed wild animals in foot and mouth disease areas of Mexico will be destroyed along with infected domestic animals.

Extension of the extermination program to wild animals was announced today by a Mexican-United States commission fighting the live-stock malady which broke out in Mexico last year.

The commission said that unless infected wild animals are destroyed they may spread the virus to disease-free areas, including areas along the United States-Mexican border.

Deaths Mount From Heatwave

At least 28 persons have died as a result of the Midwest's prolonged heat wave, and the hot weather continued today with no prospect of relief.

In Chicago, 24 persons were reported to have died of causes induced by heat since midnight Monday, while two such deaths were reported in Indiana and two others in Minnesota.

FEDERAL EXPENDITURES

(FISCAL YEARS 1946, 1947, 1948)

BUDGET REVIEW CHART — This chart, prepared by the Bureau of the Budget, shows federal expenditures for fiscal years 1946 and 1947, and estimate for 1948. (AP Wirephoto).

Tax Cut Backers Aroused By Truman

WASHINGTON, Aug. 21. (AP)—President Truman's forecast of a record smashing treasury surplus of nearly \$5,000,000,000 next June touched off a fresh Republican clamor today for a tax slash in 1948.

Chairman Bridges (R-NH), of the Senate appropriations committee said the President's mid-year budget review estimating tax receipts this year at \$41,667,000,000 — \$12,100,000,000 higher than previous forecast — proves that the country is "robbed of a tax reduction by purely political vetoes."

Mr. Truman twice vetoed efforts of the Republican-dominated Congress earlier this year to trim individual income taxes by \$4,000,000,000.

"Perhaps," Bridges declared at Fall River, Mass., "the President now will not be so determined about vetoing a tax reduction bill when it is presented to him."

But the chief executive said the \$4,667,000,000 treasury surplus expected for the fiscal year ending next June 30 should go to debt retirement and to a stand-by fund to meet any domestic or world emergency.

Thus a new tax battle when Congress returns in January began to take form.

Mr. Truman put the total expected expenditures in the current fiscal year at \$37,000,000,000, and estimated Uncle Sam's income in the same period at \$41,667,000,000.

Last January he set the spending figure at \$37,528,000,000 and the surplus at only \$202,000,000.

His new bright budgetary outlook was hinged on an expectation of continued high prices, taxes, incomes and employment — thus indicating he sees no depression clouds on the horizon.

The President's summation last night of the government's current financial position was issued against a backdrop of sharp controversy over how near the GOP-controlled Congress came to hitting its goal of slashing its 1948 budget by up to \$6,000,000,000.

Mr. Truman's report credited the Republicans with trimming his original spending estimate by \$1,520,000,000 but he said the "net" saving likely will dwindle to only \$528,000,000 or less because of factors that were not foreseen last January.

HCJC Students Interested In Jobs Should See Mrs. Lewis

Students for the fall semester of Howard County Junior college who are interested in classes with placement in part-time jobs, may now contact Mrs. Sally Lewis at the school for information.

Mrs. Lewis arrived early this week to head the Distributive Education classes, similar to high school diversified occupation courses, a new addition to the college curricula.

Students will attend a class in merchandising each day in addition to other subjects which he may wish to take. He will be placed in an after-classes job by the school.

Six units of college credit are earned in the course.

Craft Has Mere 25 Foot Wingspan

MUROC, Calif., Aug. 21. (AP)—A slim, wiry Naval pilot flying a trim, stub-winged experimental airplane today held the international air speed record after having bulleted four times over a three-kilometer (1.863 mile) course at an average of 640.7 miles an hour.

The mark was set with a Douglas built jet-propelled Sky-streak D-558, flown by Commander Turner Foster Caldwell, Jr., 33, of Arlington, Va., a former Pacific combat pilot. After traveling at a higher speed than man had yet attained, he

Britons Face Threat Of More Supply Cuts

Conversion Of Sterling Is Suspended

LONDON, Aug. 21. (AP)—Britons faced the threat today of further shortages in food and other vital imports as the result of a government decision temporarily suspending the convertibility of pounds sterling into dollars.

Hugh Dalton, chancellor of the exchequer, warned of the impending new shortages last night in a broadcast announcing the new financial arrangement, intended to conserve Britain's dwindling dollar reserves. The scheme was effective last midnight.

Dalton said the move stemmed from Washington talks on revision of terms of the \$3,750,000,000 United States loan to Britain.

His figures indicated that this loan, granted in July, 1946, had dwindled to \$758,000,000 this week because of heavy British withdrawals.

Later a treasury spokesman reported that Britain had applied to withdraw another \$450,000,000. This would leave a balance of only \$308,000,000.

In outlining the new financial scheme, Dalton said business men selling goods to this country for pounds no longer would have the right to trade those pounds for dollars.

"Our decision will inevitably cause disturbance of trade over a wide area, and may lead to some interruption of supplies," he declared.

We shall have to face some further shortages of overseas supplies, x x x There will probably have to be some reductions in our rations."

"Sterling will still be able to be exchanged freely into many other currencies," Dalton said.

"The real trouble x x x," he said, "is that we are importing much more than we are exporting. We are buying, or obtaining on credit, much more than we are selling. It is this gap x x x which we must close as soon as we can."

He urged the people to "keep steady, work hard and regularly, save all you can, realize that we are in this fight together."

British treasury experts said the new move would mean less food and clothing for their countrymen.

They said Britain would buy only what she "can afford" and would hold down her buying from countries which would not accept sterling.

Blast Kills Two British Soldiers

JERUSALEM, Aug. 21. (AP)—Two British soldiers were wounded, one seriously when an electrically detonated mine blasted their truck near Nafzara today, and in Jerusalem an Arab store was demolished by a bomb which Army sources said was tossed by an Arab "boycott patrol."

Unofficial sources in the port city of Haifa said \$40,000 was stolen from an Arab bank messenger during a transfer of funds.

The Jerusalem store blast brought a general alarm, the second in 15 hours.

Army sources said a small boy went into the Arab shop, a hardware store, early in the afternoon and handed the clerk a piece of paper on which was printed, in Arabic, the words "this shop is mined." The clerk fled and there were no casualties when the blast followed, a few minutes later.

Army sources said they believed Arabs blasted the store because they suspected its owner of breaking the boycott against dealing with Jews.

MRS. EDISON IS SICK

NEW YORK, Aug. 21. (AP)—The condition of Mrs. Mina Edison, 82, widow of inventor Thomas Alva Edison, remained grave today. She has been a patient at Harkness Pavilion hospital since July 16, and a family spokesman said last night her "strength has been falling progressively and she has been bordering on coma."

Prowler Is Still On Loose

The Highland Park prowler continues to gain more nodding acquaintanceships with residents in that area, whether or not the people relish his company.

Local authorities said the man, who has been keeping persons in that vicinity awake for the last three weeks, Wednesday night called on a woman whose husband had gone to work a short time previously and asked admittance.

The woman alerted the neighborhood with her screams and the intruder hot-footed it into the shadows before help could arrive.

GAS DEALERS HEARD

CHICAGO, Aug. 21. (AP)—A three-member Senate committee began a hearing here today on complaints of hundreds of independent gasoline dealers, small refiners and oil distributors in 12 midwest states that they are being squeezed out of business by allocation of supplies.

Fort Worth Sheep Pens Swept By Fire

GREEK ARMY BUILDS EMPLACEMENTS — Greek soldiers are shown building emplacements in a newly-established army outpost about 25 miles from the village of Levkohori near the Bulgarian border. (AP Wirephoto).

Three Thousand Sheep May Have Died In Flames

Total Damages Estimated At \$120,000

FORT WORTH, Aug. 21. (AP)—The south sheep pens and sheds at the Fort Worth Stockyards Company here were destroyed early today by a three-alarm fire that killed an estimated 3,500 head of sheep. Total damage was estimated at \$85,000 to the yards facilities and \$35,000 for the sheep.

A total of 175 firemen fought the fire for two hours. It was the worst fire at the stockyards here in more than 35 years, Fire Marshal H. A. Owens said.

Stock handlers led 700 head of cattle to safety. A thousand squealing hogs in concrete sheds north of the fire area were doused with water from an overhead sprinkler system and then were driven to safe quarters.

Handlers did not have time however, to obtain "Judah" goats to lead the sheep from their pens, and the animals perished almost mutely. Only a half dozen or so, their wool blackened from the flames, survived the fire.

A carelessly thrown cigar apparently started the blaze, investigators said. Workers had been loading railroad cars last night on the hay-strewn docks where the fire started.

G. Redmond, engineer of the Ft. Worth Stock Yards Company, estimated loss to the sheds, built two years ago, at \$85,000. He said at least two months would be required to rebuild.

The sheep, mostly yesterday's receipts, belonged to both Armour & Co., and Swift & Co.

The frame viaduct over which livestock are driven to the Swift plant was burned and handlers later were driving the animals east on Exchange Avenue to the slaughter sheds.

W. L. Joyce, vice-president of the Fort Worth Stock Yards Company, said enough pens remained for operations to continue unhampered.

The last big fire, in 1911, burned the pens from 23rd street to Exchange avenue, consuming more than twice the two acres leveled today.

Thundershowers Cool Local Area

Localized thundershowers Wednesday afternoon brought some relief from high temperatures and parched soil in some sections of Howard county as the elements went through a promising routine.

Heaviest rainfall apparently was immediately west and southwest of Big Spring, where small clouds poured out moisture at a rapid clip for brief periods. The Municipal airport hangar was directly in the path of a downpour accompanied by a freak wind at about 1:30 p. m.

Jack Cook, airport manager, said the shower moved in with a small twister, which spent itself on the concrete ramp. A private plane owned by G. L. Stanfield of Seminole, which was moored on the ramp, was damaged. The wind snapped a wing on the craft as it strained at the mooring lines.

The weather bureau measured .73 of an inch, and according to reports this morning similar amounts fell in the Elbow and Caudle communities. The showers extended west of the overpass on Highway 80.

Lighter rains were reported for small areas near Knott, with estimates placed at a quarter of an inch. A localized shower near Luther also was reported.

Corn, Oats Hit Record Highs

CHICAGO, Aug. 21. (AP)—Corn and oats advanced to new record highs on the board of trade today as midwestern grains continued to deteriorate from lack of moisture.

September corn sold at \$2.45, beating the high for any corn future set earlier this month at \$2.42 1/2. September oats sold at \$1.08, beating the previous record for any oats future made at \$1.08 1/2 in May, 1920.

Gains in corn, oats, and wheat ranged from two to five cents a bushel around midway in the trading session.

City Studies Long Range Paving Plan

After interviewing representatives of two paving contractors at a called session Wednesday afternoon, Big Spring city commissioners indicated that definite action would be taken at the regular meeting Tuesday toward setting up a long range "program by contract" method.

One contractor submitted a tentative schedule of cost figures at the called meeting, and the other firm probably will have similar list prepared before the regular session Tuesday.

Members of the commission said the contract method appeared to be the best procedure in view of developments during the summer.

Dozens of home owners have sought paving under the voluntary program, but failure of a few property owners on the respective streets to enter into the program has made it impossible for the city to line up the work on a continuous project, they pointed out.

Costs by contract will be substantially higher than those quoted by the city for the voluntary program. However, the commissioners said they believed that a majority of the home owners on several streets in the city favored adoption of a contract program rather than see the plans fail.

U. S. Protests Darien Occupation

WASHINGTON, Aug. 21. (AP)—A new United States protest to Russia against the continued Soviet occupation of the Chinese port of Darien was disclosed today by the state department.

A note delivered to Moscow Aug. 14 said that this government "will of necessity hold the Soviet government responsible" for treatment accorded American interests in the port city while it is under red army rule.

Under a 1945 treaty, Darien was to be returned to Chinese administration and opened to world trade. Russia, however, has banned from the port all foreign shipping, including American naval vessels taking mail and supplies to U. S. consular general there.

More Hughes Hearings Seen

FALL RIVER, Mass., Aug. 21. (AP)—Senator Brewster (R-Me.) announced today that Republicans will not ask for an extension of the life of the Senate War investigating committee beyond next January 31.

Brewster, who heads the controversial-enveloped committee, told a reporter he is "certain" the group will resume its investigation of Howard Hughes' wartime plane contracts on November 17.

But the Maine Senator, here to attend Fall River's celebration of "Joe Martin Day," said he and other Republicans have no intention of suggesting that the group, when the latter was a Senator, continue its inquiries in the next session of Congress.

Senate Democrats have made it plain they would fight any such move.

"It was never the intention to continue the special committee," Brewster told a reporter. "Under the congressional reorganization act, the standing committees should take over these investigations. We will be ready for that in January—in fact, our final report is already half drawn."

Senator Ferguson (R-Mich.) abruptly ended these hearings recently in a blaze of charges that politics had played a part in the group's investigation into the expenditures of Johnny Meyer, Hughes' publicity man.

In addition, Brewster said the committee has some "interesting" hearings coming up in connection with the Navy's wartime purchase of Arabian oil.

Reds Protest Talks On German Industry

WASHINGTON, Aug. 21. (AP)—Russia has protested the proposed American-British-French conferences on raising the level of German industry.

Official United States sources acknowledged this today, but did not disclose the reasons the Soviets gave for their objection.

It is understood, however, that Russia claims the plans for the conference would nullify terms of the Potsdam agreement holding down German industrial productivity.

The conference is scheduled to open in London Friday as part of a joint Anglo-American attempt to strengthen the economic affairs of the western world to speedy recovery.

Even before this development, the United States apparently was ready to write off—in favor of a new approach—attempts to reach agreement with Russia on Korea and Austria.

The protest, together with the deadlocks on Austria and Korea, lent emphasis to a Library of Congress summary of United States-Soviet relations as having deteriorated "dangerously." This summary was disclosed yesterday.

On Germany, the situation in brief is this: Under the terms of the Potsdam agreement, production of metals, chemicals and machinery were ordered to be "rigidly" controlled and restricted to Germany's peacetime needs.

This level was fixed with a cell. See PROTEST Pg. 10, Col. 4.

Livestock Market Boom Continues

The market boomed again at the Big Spring Livestock Auction company Wednesday, with fat calves and hogs topping the sale.

Hogs were particularly strong in the face of light receipts, hitting 27.50 cents.

More than 550 head of cattle and calves went through the auction ring, and all classes and grades registered strong.

Fat calves ranged up to 23.50; fat yearlings, 17.00-21.00; fat bulls, 16.50 tops; fat cows, 16.50 tops; butcher cows, 9.00-13.00; stocker steer calves, 21.00; stocker heifer calves, 19.00-20.00.

Cows and calves topped the stocker market, however, ranging from \$160 to \$170 a pair.

Brewster Predicts End Of War Probes

FALL RIVER, Mass., Aug. 21. (AP)—Senator Brewster (R-Me.) announced today that Republicans will not ask for an extension of the life of the Senate War investigating committee beyond next January 31.

Brewster, who heads the controversial-enveloped committee, told a reporter he is "certain" the group will resume its investigation of Howard Hughes' wartime plane contracts on November 17.

## BEDICHEK SAYS CALF SCRAMBLES CAN GET AROUND I. L. RULING

AUSTIN, Aug. 21. (AP)—Roy Bedichek, Interscholastic League director, today said the various fat stock shows should be able to work out a rule whereby schoolboy athletes could receive calves caught in calf scrambles.

"Some calf scrambles already have rules adjusted so that the reward of the calf is for the boy's job of caring for the calf under someone's sponsorship for a year," Bedichek said.

He emphasized that he was not making a new ruling, but was merely presenting the view consistently held by the league's executive committee of which he is a member.

Bedichek said there would be no violation of the league's amateur rule if a schoolboy athlete received a calf but was not given title until after a year of scientific feeding and caring for the calf.

"The reward would then be for the caring of the calf instead of the catching," the League Director commented.

## Russia Newspaper Brings Charge

### Reds Say U. S., Britain Sabotage Joint Decision On Returning DP's

MOSCOW, Aug. 21. (AP)—Izvestia accused occupation authorities of the western zones of Germany today of "sabotaging" decisions of the foreign ministers' council on the return of displaced persons to their homelands.

"According to figures which are far from complete," a commentator wrote in the Soviet government newspaper, "There are about 300,000 Soviet citizens among the displaced persons in Germany. Over 130,000 are in the British zone, 150,000 in the American zone and over 10,000 in the French zone. Most of them are located in 380 camps in various parts of western Germany.

"The regime has gotten worse in the camps as the desire to re-

## War Research Is Taboo

### Nazi Brain Trust Is Reconverted

BERLIN—The Kaiser Wilhelm Scientific Institutes, which provided much of the scientific brains behind Hitler's war machine, have turned again to peaceful research work.

But whereas they once had millions of marks and the best possible scientific equipment to work with, today they are operating on a shoestring.

With limited equipment and often in bomb battered laboratories German scientists are searching into the mysteries of cancer, into silicosis which is a heavy killer among miners and stone-workers, juvenile delinquency, psychiatry and a host of other public welfare problems.

Research into anything of a possible war potential value is taboo. Allied research control officers pop into the Kaiser Wilhelm institutes regularly to check what's going on. Every four months the German scientists must submit reports on what they've accomplished, what they're doing and what they intend to do.

"Their toughest problem is to catch up with the rest of the world," C. H. Nordstrom, head of American Military Government's branch for control of scientific research, said. "The six war years are a blank because there was no influx of foreign literature.

"By and large, they are way behind. This is particularly true in medicine. While German researchers are busily engaged in worthwhile projects in medicine, for example, they are unhappy because they don't know whether their work already has been done.

"In addition, the whole question of patent rights is a terrific drag. This is not so true in medicine where the scientists are willing to do any amount of unrewarded work for public welfare. In industrial research however, it is a different story and at the moment the German scientist or inventor has no patent protection."

The institutes are dependent on contributions from the German Academy of Science, from private individuals and institutions interested in scientific work and from the Berlin city council.

We don't have the money now to train young scientists," said one German researcher. "We even think twice whether to use a certain chemical in our tests."

At the peak of its development, the Kaiser Wilhelm society had 53 institutes, experimental stations, observatories and endowed chairs and universities. These were established throughout Germany and even in foreign countries such as Austria, Italy, Bulgaria, Greece and Brazil. There still are 35 institutes.

The war scattered most of the institutes from the main center in Berlin. Libraries were evacuated. Many professors moved their sections to the west to escape the bombings. Records were lost. Technical equipment was removed

by the Russians.

Aryanization by the Nazis, then denazification by the Allies cut off the staff sharply. A number of the buildings, which were virtually undamaged by the war, have been requisitioned by the occupation authorities.

"The Kaiser Wilhelm institutes are treated just as any other scientific body without receiving any special consideration," one American official said. "We are placing no obstacles in their way aside from the check to determine that they do not develop anything which would have a war potential."

## Wedemeyer With-Holds China Views

NANKING, Aug. 21. (AP)—Gen. Albert C. Wedemeyer plans to leave China Sunday without indicating publicly his recommendations to President Truman regarding future United States policy in this strife-plagued land.

Chinese officialdom, from Generalissimo Chiang Kai-shek downward, has been on pins and needles since the arrival of Wedemeyer's fact-finding mission because of inability to draw from the envoy or his assistants any hint of their recommendations.

Some Chinese leaders expressed vexation because of the General's refusal to give them any idea of what he will tell President Truman and Secretary of State Marshall. Wedemeyer is expected to make a formal statement prior to his departure, but informed sources said it will not contain any "startling" disclosures.

A spokesman said the mission would fly to Tokyo Sunday for conferences with General MacArthur before spending 10 days in Korea studying conditions in that occupied country.

## Labor Camps Must May Be Used Only For Migratory Workers

McALLEN, Aug. 21. (AP)—Cities or counties that acquire the six South Texas federal farm labor supply camps will have to continue to operate them primarily for migrant farm workers.

That was an opinion expressed here by State Labor Commissioner M. B. Morgan, who with Assistant Attorney General David

Wunsch, concluded a two-day tour of the camps yesterday.

Morgan said the governor's committee he heads certainly "wants to help" those seeking to acquire the camps.

He said the city of Sinton is trying to obtain the Sinton camp, Nueces county the Robstown camp, Willacy county the Raymondville camp, Cameron county, the Harlingen center, the city of Weslaco and other local agencies the Weslaco camp, and McAllen the McAllen camp.

## MORE OPPOSITION FOR LONG SKIRTS

BATON ROUGE, La., Aug. 21. (AP)—Girls employed in the state capitol here know where they want their hemlines to be—and it isn't four inches lower than last year's styles.

More than 100 of them signed their names today in an organizing petition for formation of a local "Little Below The Knee" club, pledging themselves to boycott the new and longer dress styles.

# Japanese Girls Rush To Marry U. S. Soldiers Before Deadline

YOKOHAMA, Aug. 21. (AP)—Eager Japanese girls made an eleven-hour rush to marry American soldiers today and beat the deadline for entry into the "fabulous" United States.

Midnight tonight ends the one-month period during which the U. S. Congress lifted the ban on Japanese immigration to enable veterans to marry and take their girls met in this occupied country.

In most cases, Nisei soldiers marrying the Japanese girls, but there was a sprinkling of white Americans—perhaps 30, who had been discharged from the army here to take occupation jobs rather than leave their oriental

sweethearts.

The most talked-about marriage during the period was that of former Lt. Frank White of Somerset, Pa., to pretty Pia Kurosu, daughter of former Ambassador Saburo Kurosu, who was negotiating in Washington during the attack on Pearl Harbor. They were married Aug. 14.

About 550 girls are estimated to have wed since July 22 in Yokohama and Kobe to Americans eligible to return them to the United States—men who served in the armed forces prior to December, 1946.

"The number has been somewhat larger than I originally ex-

# Success Of Pep Fight Assured

FLINT, Mich., Aug. 21. (AP)—The crowd won't be as big as some, but if youthful Promoter Tommy Cussans' predictions ring true the boxoffice "gate" for Willie Pep's Featherweight title defense against home-bred Jock Leslie, in Flint's Atwood stadium Friday night will be the largest Pep ever has attracted.

Cussans, the 30-year-old rookie of barely 18 months experience in ring promotions, declared today he already had banked \$45,000 on approximately 7,500 advance admissions and asserted, "we'll have no trouble passing the \$75,000 mark."

Only about 12,000 fans are expected in Flint's roomy football arena for the 15-round title show but Cussans already has marked it up as a financial success. So has Pep, who received a \$25,000 guarantee to put his title on the line against the hard-punching Leslie, a Flint product who built most of his ring reputation as a headliner in New Orleans.

pected," said American Consul General U. Alexis Johnson.

There were about 75 marriages on the final day. A steady procession of couples entered the austere, white stone consulate for their ceremonies. Some of the little brides wore kimonos and wooden sandals, others were in high heels and occidental dress.

Here and there, apparently baffled by the proceedings, stood poker-faced Japanese papas and mamas. Adding a somewhat theatrical touch were several Japanese fathers wearing wooden sandals, long kimonos, western grey fedoras and carrying umbrellas.

The brides will not need even a passport to accompany their husbands to the United States. Most of them know much about America, but they expect to find:

"Choco spyen rayto, dansu, ice creamos, mooby and rupo stick."

Translated from pidgin English, creamos, mooby and reepo stick—that's chocolate, dance, ice cream, movies and lipstick.

# Juarez Hospital Celebrates Its Centennial Year

MEXICO CITY, Aug. 21. (AP)—Juarez hospital, which celebrated its 100th anniversary yesterday, cared for soldiers wounded in the battle of Padrierna, where the Mex-

icans fought invading U. S. troops a century ago.

The hospital's celebration included the graduation of the first class of trained nurses from a Mexican hospital with standard courses.

Diplomas were presented in the name of Dona Beatriz Velasco De Aleman, wife of President Aleman.

# Chick Association Changes Its Name

FORT WORTH, Aug. 21. (AP)—The Texas Baby Chick Association today becomes the Texas Poultry Improvement Association.

New President of the association

is Stuart T. Nash of Kaufman, the first poultry man dealing exclusively in Turkeys to head the organization.

The name of the association was changed in recognition of the growing influence of turkey producers in the \$2,000,000 Texas poultry industry.

# Bengals Clash With Jewelers Friday Night

Ynez Yanez's Big Spring baseball Tigers play two games this weekend in Steer park, clashing with Freddy Acton's Nathan's Jewelers Friday night and Forsan's Pipelers Sunday afternoon.

A double win would give the Bengals the unofficial Howard county championship in semi-pro baseball circles.

Yanez said a game had also been booked with Grandfalls here for Sept. 7.

Forsan substituted as a Sunday opponent after Yanez was notified that the Presidio club would not be able to make the trip. The Presidio game had been booked for six weeks but Yanez received a wire from Frank Wilks, Presidio manager, Wednesday that the team would not be here.

# Bethel Baptist Church Will Hold 10-Day Revival

A 10-day revival will begin Friday night at the Bethel Missionary Baptist Church at Luther.

The Rev. J. W. Patterson, former pastor of the church, now of Cleburne, is to be guest evangelist during the meeting. The Rev. Roy O'Brien is pastor of the church.

Members of the Bethel Church have extended a special invitation to the general public to attend the services, which will continue through Aug. 31.

Hines, Mr. and Mrs. Glover of Big Spring, Mr. and Mrs. Bob Kneer, Aquilla and Haroldine West, Peggy Painter, Evelyn Martin, Peggy Robertson, Dee Anderson and Gene Anderson.

### Couple Married At Colorado City, Living In Abilene

COLORADO CITY, Aug. 21. (Sp.)—Now at home in Abilene, following their honeymoon trip, are Mr. and Mrs. Lee Ruddick of 1225 South Ninth Street. The marriage of the couple took place in Colorado City Saturday evening, August 16, in a ceremony performed at the Oak Street Baptist church. The bride, before her marriage, Vivian Smith, is the daughter of Mr. and Mrs. J. P. Smith. The bridegroom is the son of Mrs. Rosa Ruddick. Pastor of the church, the Rev. Truett Stovall, read the double ring ceremony as the couple stood before a candlelighted altar decorated with baskets of pink gladioli and greenery. Wedding soloist was Frankie Dearen and Mrs. Robert Miller was pianist. Candles were lighted by Mrs. Kenneth Ezell. Mrs. Clyde C. Alexander, sister of the bride, was matron of honor. She wore a dress of dove grey crepe, black accessories, and a shoulder corsage of pink carnations. Lawrence Ruddick attended his brother as best man. The bride, who entered with her brother, A. G. Smith of McCamey, wore a tailored suit of heavenly blue wool. Her accessories were black, her flowers, white carnations arranged in an epaulet. She is a recent graduate of Colorado City high school with the class of 1947. Graduate of Westbrook high school, the bridegroom saw two years' service with the AAF. He fought in the Rhineland and Central Europe as sergeant in the 8th AAF. He will enter business college in Abilene in September.

## TRY THIS AMAZING HOME RECIPE TO TAKE OFF UGLY FAT

Right in Your Own Home, You Can Lose Pounds Of Excess Weight Without Starvation Diet or Strainous Exercise

It's simple. It's amazing, how quickly one may lose pounds of bulky, unsightly fat right in your own home. Make this recipe yourself. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your drugist and ask for four ounces of liquid Barcetrate. Pour this into a pint bottle and add enough grapefruit juice to fill bottle. Then take two tablespoons twice a day. That's all there is to it.

LOSE UGLY FAT With Barcetrate. Why not slim down your figure without a lot of fuss and bother? Try the Barcetrate way. Wear your streamlined frocks and slacks gracefully. Remember, if the very first bottle of Barcetrate doesn't show you the sensible way to lose weight, your money will be refunded. Reduce With Barcetrate. Perhaps you are overweight due to over indulgence in food or the wrong kind of food. With the Barcetrate home recipe method, you do not have to starve yourself or go hungry. Just follow the simple instructions given on the label and you should get satisfactory results quickly. The very first pint you make up should show results.

**Sports Roundup**

**Gun Aces Have Tales All Own**

By FRITZ HOWELL (for Hugh Fullerton, Jr.)  
VANDALIA, O., Aug. 21. —(AP) Trapshoot topics: Golfers dote on telling long tales of how they missed the short putt, and fishermen will flay your ears for hours about the big one that got away—but you should hear these Grand American trapshooters moan and wail about how they muffed a crucial target.  
There are hundreds of ways of missing 'em, and Jack Mitchell of Bridgeport, Conn., as a Remington representative has been compelled to listen to long stories about all of them. And listening to those tales takes a lot of time.  
So Jack has a stunt which he

Big Spring (Texas) Herald, Thurs., Aug. 21, 1947 5

is willing to pass along to friends of golfers and fishermen, a stunt guaranteed to cut down the listening time. He has fixed up a long list of all the alibis, excuses and reason for missing targets, each one numbered. Some have subdivisions, which are lettered. He passed them out to all the shooters, so all the marksman has to do is step up to Mitchell and say: "Three, seven and nine."—and Jack has the whole story in a nutshell.  
Predictions  
You also may look for an announcement soon that the Western Amateur golf championship, to be held in 1948 in Wichita, will be staged at Toledo's Sylvania club in 1949—a break for "Muscies" Frankie Stranahan.  
Dick McGeorge, sports expert with the Toledo Blade for 20 years, has deserted the scribe ranks to take a job with Frankie Stranahan's dad. . . . Folks from around Las Vegas are predicting that their Col. Bob Russell, who couldn't make it to the 1947 Grand American trapshoot, will cop the Veterans crown here next year despite his 75 years. They're giving away about \$50,000 in prizes at the "Roaring Grand" this week, but any shooter who takes part in all of the six-day races must plank down \$447.50 at the entry window.

**Boom Boomerangs**

RICHMOND, Va. — (AP) — Virginia spent \$1,400,000 for rights of way for highways last year. A. H. Pettigrew, chief engineer, said costs were excessive and that some projects were dropped because of excessive prices asked by landowners.

**Rosen Nearing Batting Crown**

DALLAS, Aug. 21. (AP) — Texas league managers have a little more than two weeks left in which to find Al Rosen's batting weakness if he has one.  
The dynamic third baseman of the Oklahoma City Indians, called by President J. Alvin Gardner one of the best ball players the circuit ever has produced, is giving the other clubs their last chance to determine if there's any safe way to pitch to him except issue him a base on balls.  
No player in a quarter of a century has so dominated the league in batting. Not since the days of Ike Boone at San Antonio in 1923 has anyone so run away with the hitting titles.  
Rosen tops in seven departments

—batting, runs, hits, doubles, total bases, extra bases and runs batted in. Only in one-base hits, triples and home runs is he behind and he has an excellent chance of grabbing the home run crown since he's in second place and only a few circuit clouts behind Nick Gregory of Shreveport, who has slowed down greatly of late.  
You can look for Al With Cleveland along about Sept. 8. The Texas league race closes on Sept. 7 and unless Oklahoma City is in rather doubtful at this time, Rosen is due to go to the Indians, who have a working agreement with Oklahoma City.

**Many Never Suspect Cause of Backaches**

**This Old Treatment Often Brings Happy Relief**  
Many sufferers retire seething indignantly, once they discover that the real cause of their trouble may be tired kidneys. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder. Don't wait! Ask your druggist for Dr. Williams' Pink Pills, a stimulant diuretic, used successfully by millions for over 50 years. Don't give happy relief and will help the 15 million of kidney troubles flash out poisonous waste from your blood. Get Dr. Williams' Pink Pills.

**Top Calves Bring \$22.80 Here**  
**Livestock Auction Shows Strength**

Topped by a consignment of fat calves by Howard Reed which hit \$22.80 cwt. the market at the West Texas Livestock Auction company showed new strength Tuesday, when more than 600 head of cattle and 20 hogs went through the auction ring.  
Butcher and fat classes were in greatest demand, but some grades of stockers also caught the fancy of bidders.  
Mixed cows and calves ranged from \$90 to \$136 a pair; fat cows, 15.50-17.10 cwt.; heiferettes, 20.50 tops; fat yearlings, 20.00-22.70; fat calves, 20.00-22.90; stocker cows, 10.50-12.75; stocker yearlings, 18.00-20.00; stocker calves, 20.00-21.90; canner and cutter cows, 8.00-13.00; bulls, 16.00 tops; hogs, 26.75.

**Armed Triumphs In Stake Race**

CHICAGO, Aug. 21. (AP) — If race horses win, the great Assault, arriving here yesterday for the \$100,000 winner take all match race with Armed Aug. 20, must have won a bit as Armed set a new track record in winning the \$43,750 Whirlaway Stakes at Washington Park.  
The Calumet Farm's golden gelding, Armed, proved his fitness by galloping the mile and a furlong in 1:48-3-5, clipping four-fifths of a second off the old mark set by Be Faithful a year ago.  
Armed's match race with Assault will be a furlong longer than yesterday's affair. Assault was accompanied from Saratoga by C. V. Whitney's Phalanx, the nation's leading three-year-old which is entered in the \$95,000 American Derby next Saturday.  
Handlers reported that the King Ranch's Assault was not bothered by the long train trip, but they expressed concern over Chicago's sweltering heat.  
Yesterday's triumph netted the Calumet Farm \$29,325 and raised Armed's earnings to \$604,080.  
Assault, second leading money winner of all time, has won \$623,370.

**Berlin Burglaries Occur Constantly**

BERLING, (AP) — The German press has demanded a "swiftly working, hard-hitting elite Police" such as Edgar J. Hoover's FBI to combat crime in Berlin. In suggesting such a police organization, Der Abend said there were 16,167 house breakings from January to April of this year—a daily rate of 133 burglaries.  
Palmer Evans topped to heiferette market at 20.50 and also the fat yearling market at 22.70. H. O. Phillips, Big Spring, saw one of his stocker calves bring 21.90, which was high for the day.  
Best load of animals was consigned by Bud Flanagan. His stocker heifers brought 19.35, while stocker steers from the load brought 21.30.

**Hodges Earns Golf Premium**

Lois Hodges picked up the top prize in the women's putting tournament at the country club Tuesday night after she had posted a sparkling 78 for the 18 holes.  
Thelma Black came along to take second place with a 76 while Bernice Jordan fashioned a 78 for third place. Mrs. Black was in the money in the last tournament.  
A mixed couples' tournament will be held at the course next Tuesday. Pro Shirley Robbins has announced.

**Burglars Chill His Optimism**

INDIANAPOLIS, Ind. — (AP) — A wave of gasoline station burglaries had Malcolm Honeywell, local station proprietor, worried enough to make him take his cash box home for safekeeping.  
When thieves got around to his station, Honeywell was pleased to report to police that they got nothing more valuable than a few cartons of oil. Then he went home and found the burglars had preceded him. They carried off the cash box containing \$45.

# State Representative Hits College Building Program

ABILENE, Aug. 21. (U.P.)—A copy of a letter today that State Rep. Sterling Williams of Snyder made public here last night said the representative could not understand why the governor was "so strongly supporting" the proposed college building amendment to the state constitution.

Williams asserted in the letter passage of the bill would give the University of Texas around \$45,000,000 in 20 years, which he said was "more than the amendment will give the other small 14 colleges combined over the same period."

"Perhaps this action as a member of the board of regents of the University of Texas might be understandable," Williams said "but such action as Governor of Texas is not understandable."

He continued:

"How, Governor, can you say that a program financed by ad valorem taxes totaling \$45,000,000 is no new tax on the taxpayers of Texas? It would be just as reasonable, and no more fallacious, to say that this proposed tax is in lieu of and instead of a frontier tax for protection against Indian raids as it is to say it is in lieu of and instead of a tax voted by the people 54 years ago to pay pensions to the confederate soldiers and their widows."

## Cotton Belt Railway Avoids Stock Forfeit

WASHINGTON, Aug. 21. (U.P.)—Senator Reed (R-Kan.) said today a voluntary reorganization plan agreed to by creditors and the debtor of the St. Louis Southwestern (Cotton Belt) railway avoided entirely any "forfeiture" of stock.

Reed said another plan approved by the Interstate Commerce Commission would have "wiped out" all the common and preferred stock amounting to \$37,000,000 and unsecured claims of \$8,000,000.

The Associated Press, in a previous interview with Reed, stated erroneously that the reorganization had the effect of wiping out these stocks.

Reed said the Supreme Court twice refused to review the ICC plan, which "included the forfeiture." The last order of the Supreme Court he added, had the effect of placing the court's "approval, at least not its disapproval, on the original ICC plan which contained the \$45,000,000 forfeiture."

## SPORTS LAUGHS

Many years ago one of the great point-a-minute Michigan teams, coached by Fielding Yost, was playing Buffalo University.

The Wolverines were battering Buffalo and the score mounted steadily. The Buffalo players were also taking a bruising beating physically. The rule book at that time said that once a player left the

game he could not return, but Yost waived the rule and allowed the Buffalo boys to move in and out of play.

Finally a Buffalo player came off the field exhausted and sat down on the Michigan bench, alongside of Yost.

The Michigan coach said: "Young man, you belong on the other side."

Gasping for breath, the player replied:

"Please don't send me away. Mr. Yost, I want to stay here. I've been in that game four times already and I don't want to go back again."

## Shivers Backs Amendment To Aid Colleges

AUSTIN, Aug. 21. (U.P.)—Acting Gov. Allan Shivers and a post commander of the Veterans of Foreign Wars, last night, in a joint radio broadcast urged adoption of the proposed college building amendment.

Shivers, serving as governor while Gov. Beauford Jester vacates in Central America, cautioned that failure of the amendment at the polls Saturday "will cast a dark shadow of doubt on Texas' intention toward its deserving veterans and its youth in general."

"The people can now determine whether they wish Texas' higher educational system to progress rapidly and meet the immediate needs of veterans who are overcrowding our schools and also meet the needs of future high school graduates who will attend college," he said. "Adoption of the amendment will assure that these needs will be met promptly and efficiently."

He notes that "most of the daily and weekly newspapers of the state realize the importance of this amendment... and editorially are urging its support." He quoted from editorials of the Port Arthur News, Dallas Morning News, San Antonio Express and Rock Springs Mohair Weekly.

Sydney Lester, commander of Wayne Cherry Post, VFW, Commerce, said an advertisement attacking the amendment which appeared in the VFW newspaper "does not represent the point of view of all Texas VFW members."

A resolution opposing the amendment had been unanimously adopted by the VFW in state convention and the organization's state commander, Roger Q. Evans of Denison, has actively campaigned against the amendment.

Lester said he knew he spoke "for thousands of veterans of the American Legion and the Veterans of Foreign Wars."

## Choice Of France Or DP Camp

### British Give 4000 Jewish Blockade Runners Ultimatum

HAMBURG, Germany, Aug. 21. (U.P.)—A spokesman for the international refugee organization said here today that the 4,000 Jewish refugees of the "Exodus 1947" would be sent to a displaced persons camp at Bergen-Belsen if they are disembarked in the British zone of Germany.

"The British handed the refugees, now aboard three vessels off the coast of southern France awaiting disposition, an ultimatum today telling them that if they did not disembark in France by noon EST tomorrow they would be taken to the British zone of Germany."

The Hohn displaced persons camp is less than a mile from the site of the Nazi's infamous Beisen concentration camp; which was burned down after being captured by British troops near the end of the war. It is the largest Jewish camp in the British zone.

More than 10,000 of the 11,000 Jewish displaced persons in the British zone lived in former German army barracks at Hohn.

(Jews aboard the ships said last night they would go on a hunger strike if they were not permitted to enter Palestine.)

The foreign office announcement said the refugees—most of whom are of Polish nationality—had been offered hospitality by the French government but rejected it "under the influence of persistent Zionist threats and propaganda."

"It is clearly impossible to leave the three British transports indefinitely in French waters," the announcement continued, "and it has therefore been decided that, unless the Jews begin to disembark before 5 p. m. GMT (11 a. m. CST) August 12, the ships will sail for the British zone of Germany, where their passengers will be immediately disembarked."

"This is the only territory under British jurisdiction outside Cyprus (where the British have detention camps for Jews who tried and failed to run the blockade) where such a large number of people can be adequately housed and fed at short notice."

The announcement was issued simultaneously in Palestine, by British authorities in Berlin and at Paris and Marseille in France.

It said the British believed the Jewish agency for Palestine could persuade the Jews to land in France and added:

"If the Jewish agency really have the interests of these illegal immigrants at heart, they should be prepared to send a representative x x x to Port De Bouc in order to make a last appeal to reason."

In all other recent cases the British have transhipped illegal immigrants to Cyprus rather than their country of origin. But following such a policy, the announcement said, "has only encouraged the organizers of the traffic x x x. Therefore, it stated, in this case Britain was exercising her "undoubted right to return illegal immigrants to the country where they embarked for Palestine."

## Labor Leader Backs Taft-Hartley Act

FORT WORTH, Aug. 21. (U.P.)—Earl Melton of Birmingham, Ala., announced here that "even though we don't like the vicious Taft-Hartley Act," the International Association of Machinists will comply with the labor law.

Melton, general vice-president of the IAM, made the announcement after it was reported in Washington that the CIO unions would defy the labor act.

## Twenty-Two Farm Laborers Hurt

HARLINGEN, Aug. 21. (U.P.)—Twenty-two farm laborers today were nursing injuries suffered yesterday when the truck on which they were riding was in collision with an automobile, the driver of which was killed.

He was tentatively identified as F. O. Landrum of Laguna, Uvalde county.

The accident occurred on U. S. Hwy. 77, four miles north of here.

## BIG ORDER OF SCRAMBLED EGGS

DETROIT, Aug. 21. (U.P.)—Mrs. Grace Kluger, who "really only wanted one dozen eggs," got 26 dozen of them scrambled on her front lawn and 25 pounds of butter as well, she told traffic Judge John M. Wise yesterday.

She reported she hailed Albert S. Miller, a butter and egg salesman driver, from her front door. Catching her signal, he swung his truck around for the sale, but hit another car and overturned on the Kluger lawn, spilling his load.

## Jewelers Play Knott Sunday

Nathan's Jewelers, managed by Freddy Acton, and a Knott's All-Stars will tangle in a baseball game at the Bombardier school field starting at 3 p. m. Sunday and it's all for free.

Freddy Acton, skipper of the Gem-Setters, said there would be no admission charge.

Acton has lined up a strong team for both Friday night's game with the Big Spring Tigers at Steer park and the Sunday go with Knott. He'll have Wayne Johnston, Bill Brown and Red Fields available for hill duty. Chock Smith or Red Womack behind the plate, an infield composed of James Tidwell, Bernard Savage, Lewis Heuvel and Bill Neece, Red Gross and Huck Doe in the outfield.

## Fishing Rodeo Is Resumed

PORT ISABEL, Aug. 21. (U.P.)—Eighth annual Rio Grande Valley Fishing Rodeo, postponed last week because of a hurricane threat, reopened here today cloudless skies although a second tropical storm was heading toward the Texas coast.

About 50 contestants were expected to participate in the three day event. Prizes will be awarded Sunday and a free fish fry will be given.

A. B. Pally, Harlingen, is leading the field because of a tarpon he caught last week just before the rodeo was postponed.

Prizes total about \$2,000 for a prizes total about \$2,000 for catches in the various divisions of marlin, sailfish and tarpon. Champions will have names engraved on perpetual trophies.

## First Bale In Mitchell County Brings 36 Cents

COLORADO CITY, Aug. 21. — Harold Bennett, bidding for the Colorado City Jaycees Wednesday afternoon, bought the first bale of cotton here. The bale was offered at public auction and brought its gorger, Wadell Strain, 36 cents the pound, four cents above market price. Young Strain, former 4-H and FFA member and in his first year of large-scale farming on his own, pulled the cotton from 30 acres of his Cuthbert farm and beat two other contenders for the first Mitchell bale honors this year by the mater of hours.

Premium cash, presented by Jasper Wood, first vice president of the Colorado City chamber of commerce, totaled \$248.48, one of the highest premiums of any recent year. Buford Co-op gin gave free ginning as its contribution to the fund. The bale weighed 570 pounds, lint cotton, middling grade, and was ginned at one p. m. Monday.

## Mexico Eases Ban

REYNOSA, Mex., Aug. 21. (U.P.)—Mexico's ban on imports of luxury items was partially lifted today. Customs Officer Guillermo Alarcon said border zone residents were now permitted to bring in \$10 worth of necessities weekly.

## Swiss Set Floor For Buzzing Planes

BERN, (U.P.)—Inhabitants of the Swiss capital protested against the buzzing of airplanes.

Airfield authorities instructed pilots not to fly lower than 700 meters (about 2,280 feet) over the capital and to be as noiseless as possible.

## Tire Full Of Fish Costs \$200 Fine

VALLEJO, Calif. (U.P.)—If a man stuffs 50 undersized striped bass into a slit inner tube, there is a presumption he knows it isn't legal.

Thus reacted Judge Milo Dye as he fined Ernest Turner \$200 on the "undersized and over-limit" charge.

## Ex-Queen Among Swiss

LUCERNE, Switzerland (U.P.)—The former queen of Spain, Eugenie-Victoria, and mother of don Juan, pretender to the throne, arrived here recently for an extended visit.

**BURGLARS ON JOB**

TOPEKA, Kans. (U.P.)—"I'll leave this for the burglars," Marcus Reevs, manager of a lumber company, said jokingly as he stuck \$2.65 from a late sale into a desk drawer rather than reopen a locked safe. The next morning burglars had taken the \$2.65, leaving a note: "Kilroy was here."

*Wonderful! Marvelous!*

*A pen you can write your name with!*

*(and then see what happens!)*

Here is the miracle pen to end all miracle pens!

It won't write under water. It won't make 28 carbons. But, brother—that's smalltime stuff! Look what it can do!

It can help send your children through college. It can help buy you a home. It can help you retire—or help send you around the world!

How does it do all this?

Simple! You just use it once to sign your name on the application form that will put you on the Payroll Savings Plan. Or on the new Bond-a-Month Plan today.

It's the easiest, surest way there is to save the money you need for the things you want.

Then—automatically, regularly—your banker or employer will buy U. S. Savings Bonds for you.

Isn't that a wonderful trick for a pen to do?

Nothing more for you to do to buy Bonds except watch them pile up and collect that smooth, velvety interest—25% in ten years!

So grasp this marvel of science firmly in your hand and sign up for the Payroll Savings Plan or Bond-a-Month Plan today.

Save the easy, automatic way—with U.S. Savings Bonds

**THE DAILY HERALD**

This is an official U. S. Treasury advertisement—prepared under auspices of Treasury Department and Advertising Council.

*Which Twin has the Toni?*

(And which had her permanent at a beauty shop? No one could tell the Ring twins' permanents apart — can you? See the answer below!)

Yes, you can give yourself a lovely **TONI Home Permanent** for your date tonight

Take a tip from the Toni Twin, Kathleen Ring of Chicago... give yourself a Toni Permanent at home today and look lovelier tonight. It's this easy:

1. Roll your hair up on curlers, dabbing on Toni Creme Lotion as you go.
2. Tie a turban round your head and relax for 2 to 3 hours. (No sitting under a hot dryer.)
3. Saturate each curl with Toni Neutralizer and rinse.

With your hair set, step to the mirror and admire your new Toni Permanent. See the deep, wonderful waves. Feel the silky softness of your hair. Notice its radiant natural luster. Toni is a Creme Lotion that gently coaxes your hair into deep waves that are frizz-free and easy to manage from the start. And they last as long as a \$15 permanent.

Toni works like a charm on any hair that will take a permanent—even gray, dyed, bleached or baby-fine hair. Every hour of the day another 1000 women use Toni. So ask for the Toni Home Permanent Kit. On sale at leading cosmetic, drug and notion counters.

Kathlene, the twin with the Toni Home Permanent, is on the right above. Did you guess?

Sixth Grade Journalists

News About Berlin Is Unbiased In U. S. Youngsters' Newspaper

BERLIN—Sixth Graders of the American depends school are issuing an unbiased, nonpolitical newspaper in this city of inter-

alled squabbles and many partisan publications.

These transplanted "kleiner Amerikaner" find their news in jokes, chit-chat, and gossip. Unlike their stateside counterparts, they write glibly of trips to England, Paris, Brussels, and all points west north, and south of Berlin.

"Ingrid Wenck is now on a tour in Switzerland," reports the paper. "Dennis Holberg is going to Denmark the last of this month. Phyllis Brown is to be in England and Barbara Wolfberger is going to Paris."

Even "teacher" is not staying behind this year, for "Mrs. Wahler will go on a trip to Denmark, Norway, and Sweden."

"We are studying in History about the British Empire, Eire, India, and Africa. It is very interesting," report the editors. "We are also studying English, Spelling, German, Art, Music, and Arithmetic."

Under "Kindergarten News" the lovely sixth graders reported that the little Americans "are learning German and can speak fairly well." As for themselves, the sixth graders said they recently held a songfest with a German girls' school and "everybody had a good time, for everybody was just one big-group instead of two."

"We sang German songs with them while they sang America songs with us," said the newspaper. "We sang Tra-ri-ra. They sang Yankee Doodle and Oh Susanna very well. The American girls did the Virginia Reel which you all know is an American folk dance. The German girls did two folk dances."

"At the end of the last one each German girl chose an American girl and danced with her. That is, all of them were girls except Frank Wheeler who was picked out by a very lovely German girl. At the very end of the entertainment a news man took Debora Felix and Victoria Gray's picture with two German boys."

The newspaper warned its readers to stop swinging on the coat hangers in the gym.

"All the clothing hooks in the gym have been brutally torn off," it said. "Anyone seen mutilating these poor defenseless creatures will get the same treatment. After all, those hooks have feelings too, you know—haven't you heard them screech when you pull them off?"

Colorado Jaycees Lauded By State Vice President

COLORADO CITY, Aug. 21. — "The reputation of Colorado City Jaycees is spreading throughout this state," said U. A. Hyde, executive vice president of the state organization whose headquarters are in Abilene. Hyde was guest speaker at the Wednesday luncheon hour of local Jaycees this week.

With him was Charles E. Dick, Junior chamber of commerce state director of Abilene.

Hyde highly praised activities of the Colorado City group, organized in April of last year, and commended their weekly paper, the Echo, as "One of the outstanding in the whole state." Copies of the Colorado City Jaycees Echo were recently included in kits prepared for new officers of Texas Jaycees.

"You have exhibited sweat, muscle, and determination," the visiting speaker said as he congratulated members on their recent pipelaying project when 20 Jaycees volunteered to help city water works employees lay pipe during a critical water shortage. He also mentioned their community playground project, clean-up campaign, "Vote As You Please But Please Vote" campaigns, and their youth program.

National Guard Plans Recruiting Drive

AUSTIN, Aug. 21. (AP)—A state wide recruiting drive to enlist 3,925 new members into the Texas National Guard was in the planning stage today.

State Adjutant General K. L. Berry said the state campaign will be a part of a national effort to secure 88,888 officers and men in national guard units between Sept. 16 and Nov. 16.

Each state's champion enlisted man recruiter will go to Washington at the expense of the national guard bureau and will be the guest of the secretary of war and the superintendent of the U.S. Military Academy at the Army-Navy game in Philadelphia Nov. 29, Berry said.

### Local Swimmers Go To Fort Worth

Several members of the YMCA who participated in the recent swimming courses sponsored by the organization left Wednesday afternoon for Fort Worth where they were to appear today before the regional YMCA swimming council.

Purpose of the trip was to demonstrate before the council examples of results obtained from the courses. Several who made the trip were non-swimmers before taking the YMCA instruction.

Making the trip were A. M. Jones, one of the instructors for the course, Billy and Buddy Martin, Nancy Clark, Sandra Swartz, Nancy and Jo Ann Smith, James Mackles. They were accompanied by W. R. Dawes and Mr. and Mrs. H. W. Smith. The group is scheduled to return Friday.

### Program To Provide Free Service

## Red Cross Seeks Blood Gifts To Supply All U. S. Hospitals

**By Associated Press**  
WASHINGTON—The blood of Pennsylvania miners, Wall Street bankers, Iowa farmwives, Hollywood stars and D. C. government girls saved the lives of millions on the front lines of our world-wide encircling battlefields during World War II.

The wartime program was an spectacular success. Now the Red Cross is embarking on a peacetime program to provide blood and its derivatives to the nation's hospitals without cost for all the people.

Some 6,600,000 persons, averaging two pints each, donated blood during the war years. By January 1945 each week 100,000 persons—church groups, labor unions, students, housewives and soldiers and sailors—were giving blood at the 35 donor centers or to the 63 mobile collecting units which the Red Cross was operating throughout the country for the purpose.

This project, the largest singly-controlled medical undertaking in history, started out in a small way back in 1941.

The surgeons general of the Army and Navy had requested the Red Cross and the National Research Council to cooperate in collecting human blood to be processed into dried plasma and

used by the army and navy medical departments, chiefly in combating traumatic shock.

Such shock frequently follows severe injuries, loss of blood or burns and is accompanied by an alarming fall in blood pressure and general collapse of the patient. Blood transfusion had been the essential feature in shock treatment.

New properties of blood were then discovered. Their usefulness in a wide variety of diseases became revealed.

### East Seventh Street Section Gets Asphalt

A seal coat of asphalt was put down on the 200 block of East Seventh street this morning, and work was to continue until all streets needing the additional topping are completed.

Largest project on the list is Runnels street between the High school and South 18th. The streets receiving seal coats are those which were not finished in the 1946 paving program.

### Reuben Choates Have Baby Boy

Mr. and Mrs. Reuben Choate, formerly of Big Spring but now of Phoenix, Ariz., are the parents of a baby boy born at 7:35 a. m. Wednesday. The youngster, who weighed seven pounds 13 ounces upon arrival has been named Eddie George Choate.

The father is the son of Mr. and Mrs. J. M. Choate of Big Spring and is associated with an elevator concern in the Arizona capital.

### Pleads Guilty To Liquor Charges

B. W. Barbee, caught by local members of the Texas Liquor Control board in Mitchell county Wednesday, entered a plea of guilty in Mitchell county court later in the day to the charge of transporting liquor in a dry area for purposes of sale and was fined \$200 plus expenses.

Five cases of whiskey taken from Barbee's car was confiscated and brought here.

### Markets

**WALL STREET**  
NEW YORK, Aug. 21.—Irregularly lower price tendencies persisted in today's stock market, although selling remained on the timid side.

Brokers' offices found the news a bit contains marketwise, particularly the Anglo-American loan accord which it was felt might mean a substantial cut in British imports. The growing scarcity of dollars abroad still was a healthy influence. "Little buying here and there again was predicated on the hope of a dividend liquidation meant that the list was in shape for a September rise if conditions permit.

Declines slowed after a moderately active start and fractional declines predominated near midday.

Bonds were uneven and cotton futures easy.

### COTTON

NEW YORK, Aug. 21.—Cotton futures at noon were 45 to 55 cents a bale higher than the previous close, Oct. 32.95, Dec. 31.98 and March 31.83.

**LIVESTOCK**  
FORT WORTH, Aug. 21.—Cattle: 2,200; calves 1,300; most classes cattle and calves fairly active and steady; cows steady to strong; low grade calves slow at weak prices; common to medium slaughter steers and yearlings 13.00 to 20.00; good fat cows 15.50 to 16.75; common to medium cows 12.00 to 14.00; canners and cutters 9.00 to 12.00; bulls 10.50 to 15.50.

Good fat calves 18.00 to 21.50; best heavy calves quotable to 22.00 and above; medium grade slaughter calves 14.00 to 17.50; cull and common kinds 10.00 to 12.50; Stocker calves and yearlings 16.00 to 21.00.

HOGS: 300; trade active; butcher hogs and sows mostly 50 cents above Wednesday; feeder pigs and some light butcher hogs steady; top 27.75 paid for good and choice 180 to 170 lb butchers; good and choice 160 to 170 lbs 27.00 to 27.50; good and choice 280 to 350 lbs 26.50 to 27.50; good sows 23.00 to 24.50; light sows to 25.00; good feeder pigs 22.00 to 24.00.

SHEEP: 2,100; active and fairly steady; early lamb sale of lambs and yearlings 50 cents to 81 lower; medium and good slaughter spring lambs 16.00 to 21.00; yearlings 15.00 to 18.00; medium and good shorn aged sheep 8.00 to 9.00; medium and good feeder lambs 14.00 to 18.00.

### Protest

(Continued From Page One)

ing which United States authorities now deem too low to give Germany an export trade sufficiently high to pay for imports and at the same time play a necessary role in helping the rest of Europe rebuild.

### Drivers' Licenses Checked By Patrol

State highway patrolmen continued to crack down Wednesday on persons who were caught at the wheel of vehicles without up-to-date drivers' licenses.

Seven of the parties were hauled into justice court during the day and each paid fines of \$1 and costs.

In addition, one of the motorists was charged with speeding within the city limits and penalized accordingly.

### VET REUNION

WASHINGTON, Aug. 21.—Veterans of the 36th infantry division, now a Texas National Guard division, will hold their annual reunion in San Antonio Sept. 6-7.

### FORGERY SUSPECT

Rebecca Rezer was taken into custody by members of the sheriff's office this morning on a charge of passing several bogus checks.

## 4-H Club Rodeo Starts Friday

Junior cowboys from Howard and adjoining counties will get a chance to show their skill Friday night at the annual Howard County 4-H club rodeo, which will be held at the Big Spring Cowboy Reunion rodeo grounds.

All boys under 18 years old are eligible to enter, and prospects were today that close to half a hundred would be in the thick of competition. Entries early this morning totalled 25, most of them from Howard county. However, several had signed up from Garden City, and boys in that area are expected to be top contenders for prizes.

Zale's Jewelry store is offering a wrist watch to the outstanding performer in the event, and also a silver buckie set for a consolation award.

Tickets already are on sale. They may be obtained at the county agent's office or from any one of several 4-H club boys who are circulating the duets through town.

Proceeds derived from gate receipts will be added to the county 4-H club fund. A major purchase which the group plans to make with the funds is a portable barley crimper. The apparatus will be made available for use by all club members in the county.

## Variety Show Set For Friday

Another variety show has been arranged for the weekly amateur program scheduled for Friday night at the City park amphitheatre, the chamber of commerce announced this morning.

Several vocal numbers are listed on the program. Solos will be presented by Peggy Rose Barbee, Charles Gates, Patricia Jean Adams and June Seier. Duets will feature Mary Alice Rutherford and Geraldine Cross, and Rosemary Lawson and Lanelle Marton.

Betty Jo Adams will present accordeon numbers, while readings will be given by Rosemary Lawson, Newlin James, Clinton Wood, Deanna Hunter, Arthur Dodds.

Cigarettes were popular in England before they began to be used extensively in the United States.

## They Make Service Experience Pay

# Navy Vets Retrieve Waterlogged Logs

ST MARIES, Idaho.—Three former Navy divers are making a good living hauling sunken logs up from the bottom of the St. Joe river to sell to sawmills.

The underwater loggers are Dee McVay, Lloyd O'Dell and Norman Cox. They retrieve 4,000 board feet of timber a day from the "shadowy St. Joe" where woodmen have been floating logs for 50 years.

"We are fishing for soakers," McVay said, "and business is good."

The veterans don't worry about such traditional logging problems as felling trees, "swamping out" skid roads, disposing of brush or maintaining a sustained yield.

On the other hand, they encounter difficulties in their underwater "forest" which never faced the dry land disciples of Paul Bunyan.

During the half century that the St. Joe waterway has been used to transport timber to mills, thousands of logs have become waterlogged and have slipped to the bottom.

Some of these "soakers" drift about mill ponds, partially submerged. These "deadheads" create hazards to boats.

Occasional removal of "deadheads" to prevent boat wrecks was the only treatment of the sunken logs until the Navy veterans started looking for a way to use their diving training commercially.

Knowing that water-soaked logs can be converted into good lumber, they bought war surplus equipment from the War Assets Administration for their unusual business.

## No Damage In Service Station Fire

No damage resulted from a fire at the McDaniel Service station on the corner of Fourth and Gregg streets at 8:45 a. m. today, the fire department reported.

A gasoline transport truck caught fire while filling storage tanks at the station, but the vehicle was removed and the blaze was extinguished promptly.

**BIG SPRING HARDWARE CO.**  
117-119 MAIN STREET, BIG SPRING, TEXAS

**Storm Moves Northwestward**

NEW ORLEANS, Aug. 21.—A tropical storm with strongest winds estimated at 40 to 50 miles per hour is moving northwestward in the mid-Gulf of Mexico at the rate of about ten miles per hour.

The United States weather bureau located the center of the disturbance at 9 a. m. Central Standard Time about 225 miles south of Burrwood, La.

Burrwood is located at the mouth of the Mississippi river.

The 9 a. m. advisory reported that there had been no increase in intensity and that strongest winds are estimated at 40 to 50 miles per hour "in heavier squalls within 50 miles northeast of the center."

Squalls extend outward about 250 miles to the north and east of the center.

The weather bureau said that continued movement toward the northwest is indicated during the next 24 hours.

# Jose Cindan Registered 21st Win As Broncs Turn Back Braves, 11-2

## Martin Clouts 28th Home Run

MIDLAND, Aug. 21.—Jose Cindan registered his 21st pitching triumph of the 1947 season as the Big Spring Broncs flattened the Midland Indians, 11-2, in an important Longhorn baseball league contest here Wednesday night.

Cindan had easy sailing after the second round. His mates gave him three tallies in Round One then added another pair in the second. Cindan's delivery was touched for ten safeties but he was always in command. Only the Melillo boys, Henry and Eddie, found him for extra bases blows. Each had doubles.

Pepper Martin sparked the 13-hit Big Spring assault with a fifth inning home run, his 28th of the campaign. Pat Stacey collected three blows and his sixth in two nights.

Lefty Grove started on the rubber for the Tribe but exited in the first in favor of Weldon Stewart.

Orlando Moeno started the first inning fireworks with a base on balls. Jake McClain followed with a one-baser, sending the first runner to third. Stacey hit, driving in Moreno. Mario Varona stroled and Martin singled, crashing home a pair. That was all for Grove.

Either Bert Baez or Gerry Rodriguez will assume pitching chores for the Steeds tonight while Ernie Nelson is slated to pitch for Midland.

The victory re-established the Big Spring lead at 2 1/2 games, eliminated Sweetwater — which lost to Vernon — as a first place contender and evened the season's series count between the two clubs at 11-all. The win also snapped a Midland winning streak, which had extended through five games.

**TEXANS WITH CHICAGO CARDINALS** — Standing, left to right are Raymond "Buddy" Parker, ass't. coach, attended Centenary College, home: Kemp, Texas; Stan Mauldin, tackle, U. of Texas, home: Houston; Billy Dewell, end, SMU, home: Chicago; Joe Coomer, tackle, Austin College, home: Peniel, Texas; Joe Parker, end, U. of Texas, home: Wichita Falls; Bill Blackburn, center, Rice Institute, home: Houston; and coach Jim Conbelman, not from Texas but can lead a stirring "Deep in the Heart of Texas" in appreciation of these Texas boys.

## LOOKING 'EM OVER

With TOMMY HART

"Why not a Pat Stacey Night?" asks Cy Terrazas, A-1 Bronc fan who was quite a semi-pro first sacker himself in days gone by.

"They've had a Harold Webb Night in Midland and one for Harold McFarland in Odessa," says Cy. "What's wrong with honoring the fellow who has had his club on top in the Longhorn league standings all season? He's a local boy and has always been 'right' with the fans."

Such an occasion would be the public's way of showing appreciation for a job well done. All too little credit goes Patrick's way for bringing the national pastime back to Big Spring. As late as the last of March, the site of the local park hadn't even been decided. It wasn't until long after the regular season had gotten underway that the plant was ready.

However, Stacey—and his co-workers—kept plugging away. They did a commendable job of salesmanship, of selling baseball to the local people. A lot of the potential customers had been weaned away from the game because the city had been without baseball for such a long time.

Folks who never before set foot in a ball orchard are now regular patrons at Steer park. Much of the credit for their conversion must go to Stacey, who worked hard to give them a winner.

He would be deserving of any honor bestowed upon him.

Sweetwater's Sports, fighting hard to land in the Longhorn league's Shaughnessy playoffs, had a chance to pick up Henry Culp, a Waco hurler, last week but decided to see the season through with their present staff. Culp would have cost the Sports \$750. The day after he rejoined Waco, he beat Gainsville, 15-10, but was touched for 16 safeties.

Doyle Turney will take his Big Spring Hardware softball team to Odessa the first of next month to compete in an invitational tournament. Cash prizes are in the offing to the winners.

Rice's Owls are going to win the 1947 football title of the Southwest Conference, according to J. Willard Ridings, chief of the publicity department at TCU.

Ridings didn't come to that conclusion himself. He made the announcement after checking the results of a poll of sports writers and radio sports announcers in the Southwest. It seems more than half the voters (64 of 101) named the Feathered Flocks as kings-to-be.

Arkansas, last year's champion, was relegated to the fourth spot in the ballot.

Pete Zimirovich, a member of the great 1941 Big Spring baseball team, drew a suspension in the Cotton States league recently after he made an alleged obscene gesture at the stands. He was out of sorts after being batted from the hill. Pete is with Greenwood.

The All-Star Six-Man football game, a highlight of the American Business Club's Annual Coaching school here Aug. 29-30, was moved from Steer stadium to Forsan because (1) the local baseball team will be playing at home on that particular evening and (2) the lights at the Highland Park stadium here haven't been installed yet.

Forsan and its fans will welcome the game. The community supports anything of athletic venture—and will probably outfit itself to have a capacity turnout for the classic.

Incidentally, the contest is booked for the evening of Friday Aug. 29. A spangled aggregation, coached by Elvin Mathis, Water-

## Lamesans Lose 21-2 Decision

By The Associated Press

The run-happy West Texas-New Mexico league had a couple of games that filled the description last night. Borger bounced Lamesa, 21-2, and Lubbock edged Clovis, 15-14.

The other two games were milder. Abilene defeated Amarillo, 6-3, and Pampa divided with Albuquerque—taking the second game, 7-4, after losing the first, 5-4.

Clem Cola's ninth inning home run—his second of the game—beat Clovis, while Borger racked up 16 runs in the second inning to sink Lamesa.

## FORD NAMED COACH

BEAUMONT, Aug. 21. (AP)—Lewis Vernon Ford, former coach at Bruceville-Eddy high school, has been named head coach at French high school here.

## Open Net Tourney Underway Today

WICHITA FALLS, Aug. 21. (AP)—The second annual Northwest Texas Open Tennis tournament was ready to open today on two clay courts here.

Thirty-two singles matches were scheduled for the men's division. Sixteen were scheduled for the Junior Men's division and about 15 in the men's doubles.

The finals will be played Sunday.

Earl Stewart, ranking player from Oklahoma City university and Oklahoma City champion was seeded No. 1 in the men's division. Gus Craig of Paris, Texas, was seeded No. 2.

## Pipeliners To Meet ABC At Forsan

Cosden's Pipeliners of Forsan have a chance to sew up the Muni softball league crown this evening when they square off with the American Business club team of Big Spring in a contest at Forsan. Game time is 8 o'clock.

Blacky Hines' South Howard county aggregation bowled over the ABCers Tuesday night, 11-4, and looked good in doing it. L. D. Cunningham, who labored for the hill for the Cosdens, will be ready for hill duty.

Willis Carlton is set to pitch for Conn Isaacs' Big Springers again. Should the ABC clan triumph, the deciding game will be unreheated at City park Saturday night.

Forsan laid claim to the first half championship in Muni play while ABC was among the leaders in last half competition.

## Games Today

**LONGHORN LEAGUE**  
BIG SPRING at Midland.  
Vernon at Sweetwater.  
Odessa at Ballinger.

**WEST TEXAS-NEW MEXICO**  
Abilene at Borger.  
Lamesa at Amarillo.  
Lubbock at Albuquerque.  
Pampa at Clovis.

**TEXAS LEAGUE**  
Houston at Fort Worth.  
San Antonio at Dallas.  
Beaumont at Tulsa.  
Shreveport at Oklahoma City.

**NATIONAL LEAGUE**  
Pittsburgh at New York (night)—Hube (10-10) vs. Hartung (7-6).  
Cincinnati at Brooklyn — Blackwell (19-5) vs. King (3-3).  
St. Louis at Philadelphia (2) — Hearn (9-5) and Munger (10-3) vs. Hueshe (6-7) and Judd (1-12).  
Chicago at Boston (2) — Erickson (7-7) and Chitman (8-4) vs. Spahn (18-8) and Vetsells (9-11).

**AMERICAN LEAGUE**  
New York at Cleveland (night) — Bevens (4-10) or Drees (5-2) vs. Feller (14).  
Boston at Chicago (night) — Hushon (10-9) vs. Lopat (11-10).  
Philadelphia at St. Louis (night) — Fowler (8-8) vs. Kramer (8-11).  
Washington at Detroit (2) — Wynn (12-12) and Ferrick (13-3) vs. Hutchinson (12-2) and Newhouse (12-13).

## Sports Victims Of No-Hit Hill Job By Brave

By The Associated Press

The Texas league was apt to be tagged a "pitcher's circuit" after this season.

Lyman Linde twirled the fourth no-hit, no-run game of the year last night as Oklahoma City blanked Shreveport 10-0.

The feat tied the modern mark set in 1920, but fell one shy of the 1910 and 1908 seasons. These were far behind the control twirling of 1905 when 11 no-hitters were recorded.

Added to the four no-hit games is the fact that only eleven batters boast a .300 or better average with the season nearly over.

In other games last night, Fort Worth handed Houston its third straight setback, 7-1; San Antonio trounced Dallas, 9-5, and Tulsa split with Beaumont, losing the opener, 1-0, but taking the nightcap, 9-2.

Righthander Linde notched his 13th victory against 11 defeats in facing just 30 men. He did not issue a single walk and struck out six men.

A six-run blast in the second inning scuttled Shreveport.

Charley Samaklis' 16th win of the season cut Houston's league lead to a mere five and one-half games. A Cat rally that produced two runs in the sixth and five in the eighth wrapped up the game.

San Antonio got off to a fast three-run start against Dallas and added to the margin throughout the game. Hank Oana took over Dallas' pitching in the third from Quentin Altizer. The big Hawaiian right-hander shipped in a two-run homer in the seventh inning.

Harry Grubb held Tulsa to three hits while his mates made the most of four off John Stone in the opening game at Tulsa. In the nightcap 12 Tulsa hits were too much for the Exporters.

The same teams play again tonight. Houston continues at Fort Worth in a doubleheader. San Antonio and Dallas square off. Beaumont meets Tulsa and Shreveport is at Oklahoma City.

## JACUNSKI AT HARVARD

BOSTON, Aug. 21. (AP)—Harry Jacunski, ex-Fordham and Green Bay Packer end, is assisting Coach Dick Harlow with the Harvard football team this season. Jacunski was on the Notre Dame staff last season.

## Red Birds Stage Dramatic Rally To Defeat Brooklyn

By The Associated Press

The baseball world was agog today over the spirit of St. Louis — and 25,762 Ebbets Field fans who yesterday

Phil Rizzuto

beamed damp, dreary weather to watch a tense diamond drama come away echoing the memorable words attributed to the late fight impresario, Tex Rickard, "I never seed anything like it."

The Cardinals climbed back to defeat the league leading Brooklyn Dodgers 3-2 in 12 furiously fought innings and cut the Brooks' margin back to four and a half games. A home run smash by Whitey Kurovski broke up the game.

For two thrill-packed hours fans had sat enthralled at the marvelous pitching of Ralph Branca, Brooklyn's ace hurler. At the end of eight dramatic innings, the Birds had only one safety off Branca and were trailing 2-0. Red Schoendienst, St. Louis leadoff hitter in the 9th, walked, but the 21-year-old fireballer quickly disposed of the next two batters. Then Branca whipped over two strikes on Enos Slaughter.

Slaughter walked. Now there were two on and two out. Branca threw two very wide pitches to Ron Northey and Manager Burt Shotton called on cool Hugh Casey.

Northey singled to score Schoendienst and sent Slaughter to third. Johnny Jorgensen bobbled Kurovski's hopper and Slaughter scored the tying run.

Then came the turbulent tenth. Ed Stanky punched a single to right, and was bunted along by Jackie Robinson. Pete Reiser walked and Carl Furillo drilled a line hit through the right side.

Chuck Diering came charging in on the ball and rifled a line throw to Catcher Del Rice who put the tag on Stanky.

Then came Kurovski's Ruthian smash. The third-place Boston Braves remained seven games back of the Dodgers when the Pittsburgh Pirates defeated them in a 16-10 slugfest on 20 hits.

Johnny Mize walloped his 37th home run of the season as the New York Giants split a doubleheader with the Cincinnati Reds at the Polo Grounds. The Giants

won the opener 10-3 and the Reds took the second 3-2. The Philadelphia Phillies and Chicago Cubs played a 1-1 tie in Philadelphia in a game halted at the end of seven innings by rain.

Overcoming a 13-5 Detroit lead after the Tigers had scored nine runs in the seventh inning, the New York Yankees came on to win 14-13 in 11 innings, tying the score with five runs in the ninth and winning in the 11th on a single by Johnny Lindell and a double by Phil Rizzuto.

The Philadelphia Athletics scored a tying run in the ninth and added three more in the top of the 10th to defeat the White Sox in Chicago 5-2.

The Cleveland Indians swept a doubleheader from the Washington Senators 4-3 and 7-6, winning both games in extra innings.

The scheduled game between the Red Sox and the Browns in St. Louis was rained out.

## Williams, Ache Pace Bowlers

Marvin Williams and Ernie Ache were the top scorers in Teen-Age Bowling league play at the West Texas Recreation center Wednesday night, which saw victories go to Teams No. 1 and 2.

Williams accumulated a 201 for single tops while Ache posted an aggregate of 534.

No. 2 thrashed No. 4 in three games while No. 1 won a forfeit from No. 3.

When you're pulling in the big ones, there's an extra thrill in the mellow, satisfying flavor of Y-B Cigars. Y-B's are a blend of fine imported Cuban and Puerto Rican filler and tobacco... bait for any man who enjoys a good cigar. Try a Y-B today.

**Capps Suits**

We are mere infants in the business compared to Capps. They have been making men's clothes for over 100 years. They've kept pace with style and are famous for better woolsens. The best recommendation for anything is proof. Ask the man who wears them. In single and double breasted models. Free and easy shoulder. Fall 1947 styles. Prices start at \$40.

**Elmo Wasson**  
— The Men's Store —

**Barbecue For Parties**

What's more fun than a barbecue whether it's planned as a party or supper for the family. Meats barbecued in the oven can have all the succulence of outdoor broiling. In fact, barbecuing indoors has become so popular many of the new ranges have special broiling ovens just perfect for barbecuing.

**ALL-PURPOSE**

**ALL-VEGETABLE**

**Cool Fruit Punch**

4 cups sugar  
3 cups water  
2 dozen lemons  
1 dozen oranges  
2 quarts strawberry juice, bottled, or 2 quarts crushed fresh fruit  
2 quarts freshly made strong tea  
3/4 teaspoon salt  
1 quart ginger ale or carbonated water  
Boil the sugar and water together to make a heavy sirup, and cool. Scrub the oranges and lemons, and squeeze out the juice. Barely cover the fruit skins with water, let stand for an hour or longer, pour off the water, and add to the fruit juice. Add the other fruits, sirup, and the tea. Just before serving, add chopped ice, the ginger ale or carbonated water, and if the punch is too strong, ice water in small quantities until the punch is the flavor desired.

**Coffee Maker For One**

Good news for career girls is an individual coffee maker which brews coffee right in the cup. The little drip top is made of aluminum and fits over a glass cup encased in a non-heating plastic holder with handle. There is no pot to wash as the cup and pot are one.

**Month Of Fishermen Suggests Fish Dinner**

This is the month of fishermen and vacation time. Every stream from "crick" to ocean will be fished, and scandalous yarns will be told. This month sees the 354th birthday of Izaak Walton, "The Compleat Angler." If your luck is not as good as English Izaak's, then cast your net at the market and get your share of fresh, fine and favorite fish.

Fish and seafood are great menu favorites on warm summer days. Their popularity is well deserved, too, from the point of view of food value, variety and speed of preparation. They are excellent sources of high grade protein, minerals and some of the essential vitamins.

What goes with fish? Tartar sauce, browned paprika potatoes and crackling bread. Old fashioned cole slaw lends a crunchy note and certainly any fish dinner should wind up with a fragrant cup of good coffee—the perfect ending to any meal.

There are as many ways to prepare fish as there are varieties that swim the seas. But one of the most delicious and one of the simplest ways to prepare small fresh fish or fillets of larger types is by quick baking.

Here's a fish dinner that can be prepared in double-quick time:

**Crisp Baked Fish**  
1 pound fish fillets of small fish  
1 cup milk  
4 teaspoons cooking oil or melted shortening  
1 tablespoon salt  
4 cups corn flakes  
Dip fish in salted milk, then in finely crushed corn flakes. Arrange on well-oiled baking sheet. Sprinkle with oil. Bake in very hot oven (500 degrees F.) 12 to 15 minutes.  
Yield: 4 4-ounce servings.

**Browned Paprika Potatoes**  
6 medium potatoes  
1 tablespoon melted fat or drippings  
1 cup corn flakes

1 teaspoon paprika  
1 teaspoon salt  
Pare potatoes and cook in boiling water until almost tender, about 20 minutes. Drain and brush with fat. Roll corn flakes into fine crumbs and mix with paprika and salt. Roll potatoes in crumb mixture until well covered. Bake in shallow greased baking pan in moderate oven (425 degrees F.) about 35 minutes.  
Yield: 6 servings.

**Crackling Bread**  
1 cup sifted flour  
2 teaspoons baking powder  
1 teaspoon salt  
1/2 teaspoon soda  
2 tablespoons sugar  
1/2 cup cornmeal  
1/2 cup bran  
1 egg  
1/2 cups sour milk  
4 tablespoons melted shortening  
1/2 cup dry, chopped cracklings  
Sift dry ingredients; mix with cornmeal and bran. Beat egg well, add milk. Combine with dry ingredients, stirring only until flour disappears. Add shortening and cracklings. Bake in greased pan in moderately hot oven (400 degrees F.) about 40 minutes. Serve hot with butter.  
Yield: 9 squares (3 x 3 inches).

**Buttercrisp Ice Cream**  
2 cups oven-popped rice cereal  
3 tablespoons brown sugar  
1/4 cup chopped nuts  
2 tablespoons butter or margarine  
1 quart vanilla ice cream  
Crush oven-popped rice cereal into fine crumbs; mix with brown sugar and nuts. Melt butter in heavy frying pan; add cereal mixture. Cook, stirring constantly until sugar melts and caramelizes slightly. Cool and crumble. Fold into partially frozen ice cream after second beating. If commercial ice cream is used allow to soften slightly. Stir in crumbled cereal mixture and pack in refrigerator trays or in paper cups. Freeze.  
Yield: 8 servings (1 1/4 cups butter crisp mixture).

**Fresh Blueberry Pie Topped With Ice Cream**

By Charlotte Adams  
Associated Press Food Editor  
Is there anybody who doesn't relish blueberries? The big, frosty, blue cultivated ones are a taste treat which lasts all summer, as good things should!  
So—have you been having lots of blueberry pie? And just to make it really perfect, have you been

servicing it topped with home-made vanilla ice cream. Here's how!  
**Blueberry Pie**  
1 recipe rich pastry  
2 pint boxes cultivated blueberries  
3-4 cup sugar  
2 tablespoons flour  
1-4 teaspoon cinnamon  
1-8 teaspoon salt  
1 teaspoon lemon juice  
1 tablespoon butter  
Line a 9-inch pie plate with pastry. Wash the blueberries and drain well. Combine sugar, flour, cinnamon and salt, and mix with blueberries. Pour into pie shell. Sprinkle lemon juice over the top and dot with butter. Cover with top crust, which has been pricked with fork. Bake in 450F oven for 10 minutes. Reduce the heat to 350 degrees and bake pie for 30 minutes longer.

**Meal-In-One Casserole**  
Spaghetti, macaroni or noodle dishes break the monotony of meat and potato meals. Make a meal-in-one casserole by combining these potato substitutes with meat, cheese, eggs or vegetables. They're supper enough, too, with a crisp garden-patch salad and a fruit pie for dessert.

**STRANGE CARGO**  
NEW YORK (UP) — A Pan American World Airways cargo plane arrived at La Guardia Field from Georgetown, British Guiana, with an odd collection of passengers. They included 75 small alligators, 50 lizards, 32 monkeys, three boa constrictors and a turtle, all en route to various consignees in the United States.

## Levelland Rodeo Will Open Soon

LEVELLAND, Aug. 21. (Sp.)—Competing in dead earnest for \$8,000 in rewards for fastest time, eight of the Nation's top rodeo stars will ride in the annual Steer Roping and Branding in Levelland on Sunday, August 21st. Scene will be the Levelland Rodeo Association's Arena, Texas' largest, with a seating capacity of 10,000 persons.

Objectives of the flying lariats of the ropers will be fifty Mexican steers, fresh from the ranges of Oklahoma. The herd was purchased by the Rodeo Association especially for the Levelland show.

Performers who have been competing in other recent shows, and who expect to be at the peak of their skill when they go after the wild Mexican steers are Cotton Lee, Fort Sumner, New Mexico; Carl Arnold, Buckeye, Arizona; Buck Godspeed, Wetumpka, Oklahoma; Toots Mansfield, Big Spring; Everett Shaw, Stone-wall, Oklahoma; Jeff Good, Yeso, New Mexico; Ike Rude, Dodge City, Kansas; and Billie Wilkinson, Cheyenne, Wyoming.

Announcing events will be the well-known Lefty Irby, of Clovis, New Mexico. Experienced and nimble witted, Irby keeps up a running chatter which pleases the crowds.

A fast show is assured, according to W. J. Robertson president of the Levelland Rodeo Association. He said that plans have been made to keep the animals following each other out of the chutes in quick succession.

## Two-Story Fall Calls For Philosophy

CHICAGO — Henry Packer fell out of a window of his second floor apartment and landed in the grass below. Examination at a hospital disclosed he had suffered only a cut on the face. He attributed the accident to a dizzy spell, and said: "I must be getting old." Packer is 74.

## Chinese Farm Story Is Quite Colored

SHANGHAI. (U)—Chinese farmers are not noted more for their practicality than for their aesthetic appreciation. Therefore UNRRA's chemists in the UNRRA pesticides manufacturing plant here, where UNRRA is training young Chinese to produce insect-killing sprays and dusts, were puzzled at requests that DDT dust, pyrethrum powder and other chemicals be tinted rose and azure and maize. But the reason was purely practical.

When UNRRA first distributed bug poisons in China, it used American-made pesticides which had been tinted according to various state laws. The pink and blue poisons did their work—and the farmers were convinced it was the color that did it!

## Clock Ticks Hours, Days, Months, Years

SPARTANBURG, S. C. — A clock made about 1880 is still ticking away here—keeping time, charting movements of the moon and sun and keeping track of days and months—all on a master wheel rotating once each 15 years. The four-faced clock is the creation of Daniel Davis, who used crude tools to cut its wheels, gears and cabinet in his small cabin on the North Carolina mountains.

One face records the 24-hour progress of the sun. Another charts the course and phases of the moon. A third tells the day and month, even allowing for the extra leap year day. The fourth face performs a clock's ordinary time-keeping duty.

The novel gadget is the property of R. O. Davis, grandson of its skilled maker.

## First Aid Class Gets Its Victim

MORRISVILLE, Vt. — Resting from a trip up Elmore mountain, group leader Richard Lawrence showed his 4-H club boys how to bandage an injured ankle. A few minutes later the group put the first aid demonstration to good use. Lawrence sprained an ankle on the downward hike.

## All Educators Back Plan

# College Building Program Gains Momentum In State

AUSTIN, Tex., Aug. 21.—Progress of the constitutional amendment which will provide \$60,000,000 for Texas' 16 state-supported colleges and universities to build new buildings is being considered remarkably by supporters of the proposal. The amendment will be voted on August 23.

In the course of a few months educational leaders in the 16 schools agreed that a constitutional amendment along the lines proposed was the best answer. Those educators wrote their ideas into the form of an amendment resolution. When the legislature convened in January the resolution was recognized as so urgent that it was labeled Senate Joint Resolution Four. It passed the Senate 27 to 2 and the House 110 to 28.

Now the people of Texas will decide whether they want to amend their constitution to provide funds for a 30-year building program for their state colleges and universities.

Here is the proposal: (1) It will give 14 state-supported colleges (excluding the University of Texas and Texas A. & M. College) \$45,000,000 over a 30-year period in contrast to \$5,900,000 obtained by these same schools through individual efforts for building purposes in the past 25 years. (2) It will give the University of Texas \$10,000,000 and Texas A. & M. \$5,000,000. (3) The amendment, if passed, will mean no new taxes. It will allocate a five-cent unused portion of the now authorized seven-cent state property tax for Confederate pensions to the building program of the 14 colleges. At the same time it reduces the 35-cent general property tax to a maximum of 30 cents. The present two-cent tax for Confederate pensions will not be touched. (4) A. & M. College and the University of Texas will get no part of the re-allocated 5-cent tax. Those two schools will be permitted to issue bonds payable out of their shared income from the Permanent University Fund. (5) Revenue from the re-allocated tax would be apportioned to the 14 state-supported colleges on the basis of enrollment with readjustments every 10 years. The approximate amounts available for each school over the 30-year period would be: College of Mines and Metallurgy, El Paso—\$2,115,000. East Texas State Teachers College, Commerce—\$3,645,000. John Tarleton Agricultural College, Stephenville—\$2,565,000. North Texas Agricultural Col-

lege, Arlington—\$3,150,000. North Texas State Teachers College, Denton—\$5,670,000. Prairie View Agricultural and Mechanical College, Prairie View, \$2,385,000. Sam Houston State Teachers College, Huntsville—\$2,475,000. Southwest Texas State Teachers College, San Marcos—\$5,015,000. Stephen F. Austin State Teachers College, Nacogdoches—\$2,025,000.

Sul Ross State Teachers College, Alpine—\$945,000. Texas College of Arts and Industries, Kingsville—\$2,115,000. Texas State College for Women, Denton—\$5,175,000. Texas Technological College, Lubbock—\$7,425,000. West Texas State Teachers College, Canyon—\$2,436,000.

Supporters of the amendment are deathly afraid of one thing—lethargy on election day on the part of those who favor the plan and a concentrated drive to defeat it by the opposition.

## Dog Chases Fawn; Doe Chases Dog

REDDING, Calif. — "I saw the worm turn," says forest ranger Clyde Lewis. He was riding with rancher Elison Saunders in the rugged Yolla Bolly mountains, when Saunders' dog jumped a fawn and chased it into some brush. The dog came streaking back. After him bounded a doe, slashing at him with her hooves at every leap. She chased him to within ten feet of the men, then stood there pawing the earth, her tail straight out and every hair

Big Spring (Texas) Herald, Thurs., Aug. 21, 1947 3

along her backbone standing straight up. A bale of cotton linters makes enough powder to shoot 100,000 bullets. "Worst frightened dog I ever lets."

When pennies count, drink the food that counts... **MILK!**

ONE QUART OF BORDEN'S MILK GIVES YOU ALL THIS!	THE CALCIUM in 3 pounds of broccoli.	THE RIBOFLAVIN (Vitamin B <sub>2</sub> ) in 2½ pounds of round steak.	THE PROTEIN in 2 pork chops.
THE VITAMIN A in 2 eggs.	THE PHOSPHORUS in 2 pounds of whole fish.	THE ENERGY VALUE of 10 slices of bread.	THE THIAMINE (Vitamin B <sub>1</sub> ) in 4 ounces of liver.

America's No. 1 GRAPEFRUIT JUICE

There's a world of energy and vigor building qualities in pure undiluted fruit juices—and Grapefruit Juice is one of the best. Children love its natural sweetness—and they benefit tremendously from the generous supply of Vitamin C that good Grapefruit Juice gives them.

TEXSUN CITRUS EXCHANGE, WESLACO, TEXAS

**Bores Wardens Boar Hunting**

MONTEREY, Calif. — Hunting wild boar at night is definitely out on Monterey peninsula, declare game wardens Owen Mello and Ellis Berry. They are tired of hearing illegal deer hunters, who use powerful lights to blind deer at night, claim they are hunting wild boar. The wardens point to a section of the game code which forbids taking anything but predatory birds and animals at night. The wild boar is not predatory. Raccoons are, however, so it's still all right to go 'coon hunting at night.

# FURR'S SUPER MARKETS

**Expert Sees No Depression Soon**

WASHINGTON, Aug. 21.—Ewan Clague, director of the Bureau of Labor Statistics, said today there is no business recession in sight with a predicted summer business slump "postponed indefinitely."

Referring to peak employment which remained about 60,000,000 in July for the second consecutive month, Clague told a news conference:

"From my vantage point of viewing employment and construction, I don't see any weakness yet. Nothing looks starting and I don't see anything that will topple us over."

**MONEY BACK DOUBLE GUARANTEE**

with every sack of Aunt Jemima Family Flour you buy!

**GUARANTEE**  
If you do not love Aunt Jemima Enriched Family Flour in its fine soft texture, you will pay you (1) your money back, and (2) DOUBLE THE COST of all other brands of flour.

You can't go wrong when you buy Aunt Jemima Enriched Family Flour. Because every sack of this fine flour bears this famous DOUBLE GUARANTEE. You can see and taste the difference—in everything from bread to sponge cake. It's milled from a special blend of choice wheats by one of the world's largest milling companies—makers of Quaker and Mother's Oats, Aunt Jemima Ready-Mix for Pancakes and other famous foods!

**Australians Believe Demand For Wool Will Show Increase**

SYDNEY, Aug. 21, (AP)—Australia, with its external trade riding on the sheep's back, has a three-fold hope of keeping its multi-million pound wool industry booming in the face of the challenge of synthetics and continued United States tariff.

Men in the wool industry, which brings in as much foreign exchange as all Australia's other exports combined, have pinned their faith in the maintenance of this season's unprecedented high prices of fleece in:

1. Development of coarser-weight woolen fabrics on a commercial basis that will compete with silk, nylon.
2. Rising United States demand for woolen clothes that will continue to outstrip American domestic production of wool.
3. Opening of sales outlets to millions of Asiatics who have never used wool, combined with bigger sales to wool-starved Europe. Americans bid top prices in the last year, and took 1,024,270 bales—one third of Australia's clip and 10 times the quantity that went to the United States before the war. Their enthusiastic bidding was the biggest reason for the record average price of 24.486 Australian pence (about 33 cents) a pound for greasy wool, and 41.454 pence (58 cents) a pound for scoured. The U. S. took twice

as much wool as Britain.

The Australian on the sheep station believes the demand for woolen clothes is increasing swiftly in the United States. Newspapers have reported the American serviceman had a sample of woolen clothing during his war service, and today, back in civilian life, he is demanding more woolen wear.

Before the war Americans used four pounds of wool a person a year compared with nine in Britain and eight and a half in Australia. Russia and Poland used less than two pounds of wool a person a year.

Men closely associated with the industry will not admit they are unduly concerned about the development of a low-priced substitute for the fleece. They believe, however, wool and synthetic mixtures may be used together extensively on a commercial basis; but they argue many people would then be wearing woolen mixtures instead of pure synthetics or cottons.

**Control Speed, Watch Hills —**

**Trailer Tourists Are Warned Of Safety Precautions Needed**

SAN FRANCISCO—Touring with a trailer this summer? From the land that sees more trailers than any other, the California State Automobile Association offers these rules:

The trailer solves some problems, creates others. Like a turtle, you carry your roof with you, but you also are slower and heavier than an ordinary car. Keep well to the right on wide roads, and on narrow roads pull aside now and then to let traffic pile up behind get past.

**Control Speed**  
Never go faster than 30 miles per hour. In most cases it's safer to go slower.

Your extra width, length and weight hooked on behind means more care in starting, stopping, passing and overtaking other vehicles.

Different states require different equipment for trailers. In California you need a license, an approved signal device, a sideview mirror, safety chain, clearance and running lights, and brakes if the trailer weighs more than 1,500 pounds.

Learn how to back up. Be sure your car and trailer are in a straight line, then think how you would back without the trailer and do just the opposite.

Check your trailer tongue weight on a public scale, first with the hitch connected, then with the weight supported on the caster wheel. It should be around 150 pounds for safe tracking. If more, you need auxiliary rear springs and 6 or 8 ply rear tires on your car.

Watch the Hills  
Don't wait too long to shift gears going uphill. Never stop on an upgrade unless absolutely necessary. Use intermediate or low gear

going down hill. Save brakes. When applying brakes, the trailer brake should be applied a second before those of the car.

Don't overload the drawers and cabinets in your trailer. Maximum trailer weights according to trips:

- For side roads and mountain roads up to 10,000 feet—1,000 lbs.
- Main highways and not too mountainous terrain—3,000 lbs.
- Level main highways, provided car has oversized radiator and extra-low gears—5,000 lbs.

**SOME PARENT**

KANSAS CITY, Aug. 21. (AP)—Dave McMillan, 49, became a father and a grandfather on the same day.

Boys were born to McMillan's wife and to their 21-year-old son's wife yesterday in the same hospital.

"I've been a father three times and a grandfather twice before," McMillan said. "A fellow might as well do them together."

**Radio Network Planned For National Guard**

FORT WORTH, Aug. 21.—Plans for a National Guard radio network linking up headquarters in Austin with major units throughout Texas were announced in Fort Worth Wednesday by Major Albert E. Duran of the signal corps. The network possibly will be in operation before the end of the year, Duran said.

**ORDERS TROUT CAUGHT, GETS IT**

RED LODGE, Mont., Aug. 21.—When Dr. Lee Hudson of Dallas, announced at Camp Bear-tooth near here that he was going fishing in Chain Lakes, a friend, Hubert Martin, asked him to bring back a trout which had taken his fly and leader one day earlier.

Dr. Hudson returned that night with a good-sized rainbow—and Martin's missing fly and leader.

# Christianity Put To Work In A Prison

AP Newsfeatures  
 LA GRANGE, Ky.—The "practical Christianity" of a group of Louisville churchmen is finding its way inside the walls of Kentucky State Reformatory here and state officials, from the governor down to the prison guards, give it credit for improving Kentuck's efforts to rehabilitate her erring sons.

Most of the suggestions to date by this group of "Christian citizens" have been adopted at the reformatory, said Warden F. S. Kiernen.

The warden, a retired colonel of Marines, says these churchmen are helping him and the state do a better job of reforming all the inmates who are capable of reformation.

The men Col. Kiernen speaks of are members of the Committee on Institutions of the Louisville Council of Churches.

The La Grange Reformatory owns 3,000 acres of land. In past years comparatively little use was made of this farm. The committee found prisoners from the cities working awkwardly in the fields, while inmates from rural areas were trying to master machines in the prison shops.

Richard V. Wood, prisons committee chairman, enlisted Ed Westerman, a retired farmer, to head a subcommittee on the best crops to raise and how.

The farm output in 1946 was 38 percent higher than in 1945.

Similar aid was given reformatory officials in their prisoner education program. Col. Kiernen points out that a very large proportion of those who enter his institution have less than a grade school education. He also finds that many of his "repeaters" come back because they are not trained in any vocation.

The churchmen brought in another subcommittee, headed by Dr. W. M. Strickler, director of the adult education division of the University of Louisville, to set up both academic and vocational courses.

On the morale side, there are committees to arrange for motion picture films, other entertainments, books, magazines and religious services for those who want them—and many do. The committee has obtained a chaplain, the Rev. Walter P. Bell, and the Louisville Council of Churches pays a part of his salary.

And the churchmen's committee members the man who leaves the reformatory and tries to re-establish himself, ready to help with temporary shelter, clothing, loans, fellowship and jobs.

## New Chemical Paint Is Fatal To Roaches

NEW YORK (AP)—Gaston Johnston, an ex GI of New York City, has made a paint that kills roaches.

It is brushed on floors or other places where roaches appear and dries to a varnish-like hardness. Johnston, a chemist, says it lasts about six months, and that it kills roaches that walk on it anytime during that period.

The varnish can be washed off with water but he says it requires hard scrubbing. He reports that the varnish contains a nerve poison that paralyzes cockroaches and does not harm other animals in the concentration used for the roaches.

Johnston produced the roach varnish as a result of an appeal from his sister Mrs. G. Dahlberg, who is in charge of a nursery at Tucson, Ariz. She had trouble with roaches and did not want to use roach poisons because of risks to the little ones. She wrote her brother here, who heads a new chemical specialty company. He said six months research produced the roach killer.

## 92 Year-Old Teacher Is Still At Post

CHATTANOOGA, Tenn.—(AP)—Miss Yula Beatty says she'll be right back on her teaching job when school begins in Coaling, Ala., next fall — her 92 years notwithstanding.

Visiting here, Miss Beatty said she would teach the Bible once more to the youngest at Coaling High School. She has taught more than 70 years.

Miss Beatty, who says she has no retirement plans, said she had found just one flaw in teaching—"I've always wanted to have just one grade to teach, just to see what I could do with the students. But that has never been possible for me. Even when I was principal of my school I had more than one grade."

## Knock-Knees Fret Australian Doctor

MELBOURNE, Australia. (AP)—Why do more pre-school age Australian children today have knock-knees than before the war?

The medical officer of the Returned Soldiers' League, Dr. A. P. Derham, says it might be because collapsible wooden "playgrounds" tempted youngsters to stand or walk for long periods.

Other causes he said, might be: Young children standing with their mothers in shopping queues. Increased use of concrete and other hard substances in paths. A possible deterioration of diet during the war.

Beautiful diamond engagement ring. 14K gold. \$59.75

**Children Pioneer Archaeology Work**

**JERUSALEM**—A number of incense burners and over 100 miniature vases and bowls which were symbolic offerings to the goddess Astarte or Ashtoreth are among the findings at a Canaanite temple excavated north of the Palestine seaside resort of Nahariya between Acre and the Lebanese frontier.  
The temple is built of sandstone. Pottery has been used to date the structure in the first half of second millennium BC, nearly contemporary with the age of patriarchs.  
The first hint of important archaeological remains came when school children started digging on their own and even prepared archaeological maps which they sent to the government antiquities department.

**India Still Biggest Source Of Plague**

**NEW DELHI**—India is still the largest reservoir of smallpox, cholera and plague, according to the annual report of the Public Health Commissioner for the government of India.  
Chronic malnutrition, a low level of sanitation and an almost total absence of controlled and protected water supplies also are given as main reasons for the high incidence of deaths.  
The report points out that existing health arrangements are totally inadequate to meet the needs of the people. Poor vaccination and inoculation arrangements and lack of transport add to the country's difficulties.

**Fire Bomb Jelly For German Soap**

**FRANKFURT**—Five hundred thousand gallons of fire-bomb jelly—left over from the American air campaign against Germany—have been allocated for conversion to soap and gasoline for the German people.  
The jelly, priced at \$126,000, will be charged by the U. S. military government to the German economy and processed by German factories.  
Stored in 12,000 steel drums at two air depots near Frankfurt and Nuernberg, a portion of the jelly has deteriorated to such a point that it no longer is of military use, officials said.

**Guam Gets First U. S. War Payments**

**GUAM**—Nearly three years after this key military base was won from the Japanese, the United States has made its first payments to Guamanians for deaths and injuries during the occupation.  
Vice Adm. Charles S. Pownall, naval governor, presented the first two payments. A maximum of \$4,000 went to the widow of a Yona villager executed by the Japanese. The other was a \$2,167 payment to an Agat villager for injuries.

**Germans Are Using Substitute For Milk**

**HAMBURG**—German doctors here have started to combat undernourishment with a milk substitute made of soya bean flour and special tablets using whites of fish eggs and steer blood. The tablets can be issued to undernourished persons together with their food ration.

**Days Of Maharajas Not Past New India Clings To Its Old Color**

**NEW DELHI, India**—Whatever happens to the two newly forming Indian nations, they will remain for a long time among the most colorful spots of the world.  
Maharajas still ride through their capitals on holidays, perched high on elephants from which they throw handfuls of gold and silver coins to their scrambling subjects. Costumes of glaring color and richness long forgotten elsewhere in the world are common daily wear. Richness in jewels and personal goods is not rivaled elsewhere in the world and beside it is poverty so degrading that even animals fare better.  
Ancient almost mythical Hindu rulers and more recent historical Muslim monarchs of India have set traditions of lavish display, charity, unrelenting cruelty, piety and fanaticism too garish even for fiction.  
The great fourteenth century Muslim ruler of Delhi, Mohammed-ibn Tughlak boasted that his armies had once killed more than a hundred thousand unbelieving Hindus in a single day.  
Akbar the Great, who once graciously received a delegation from Queen Elizabeth at his sumptuous court, built himself an entirely new city, Fatehpur Sikri, where the evening sport was to play chess with dancing girls as chess pieces. Tiring of the sport and of the city, he later abandoned the place and it remains almost intact to this day. The chess squares still show in the courtyard, but only jackals, cobras and a few tourists visit the place.  
Yogis with mental and physical skills perfected through thousands of years of experimentation by yogi forbears will live for days sealed in an earthen grave and emerge in prime health.  
An Indian well known to this correspondent, tells this story. He was converted to Christianity, went to Oxford and returned to India as a missionary. He was reading quietly one day in his little chapel when an old Hindu sadhu strolled in and folded his legs under him on the floor.  
"You're planning to teach Christianity around here?" he finally asked.  
"Yes," replied the missionary.  
"You're going to have quite a hard time, aren't you?" the ragged old sadhu commented, cackling and chuckling.  
"Perhaps," replied the missionary, "but I shall do what I can."  
Slowly then the old sadhu ascended from the floor to the ceiling, still in a squatting position, then as slowly he settled back to the floor, chuckling the whole time.  
"You're going to have quite a hard time, aren't you," the sadhu again commented, and strolled out of the chapel.  
In four hundred years of Christian work in India, with government support in recent years, the Christian population in India totals six million of the four hundred million population.

**Throng In India Promises Virtue**

**BOMBAY**—Colemny, a throng of villagers stood before Home Minister Morarji Desai of Bombay Province recently and pledged themselves in unison not to get drunk or engage in banditry.  
They were residents of a Provincial rural area known as Dohad Taluka which long has been notorious for the number of bandits, and where the men liked their potent home made liquor.  
Desai praised their spirit and promised them that their living standards would rise in a free and independent India.

**Aussies Lack Cars**

**CANBERRA**—The New South Wales Department of Road Transport is holding 20,662 applications for new automobiles but only about 760 new cars are available each month, according to figures disclosed by the administrator of the department, J. J. O'Rourke. This is typical of the shortage "rough" out Australia of new automobiles which may be purchased only by government permit.  
Rodents are the largest order of mammals.

**Jester Will Visit Aleman**

**AUSTIN, Aug. 21**—Gov. Beauford H. Jester plans to consult with Mexico's President Aleman and other officials of the national government while in Mexico City this week-end, the governor's office announced today.  
Jester's executive secretary, William L. McGill, said the Governor, who is on vacation in Central America, will leave Guatemala tomorrow morning for Mexico City.  
He said the Governor would discuss with Mexico's leaders the matters of foot and mouth disease, promotion of good neighbor relations between Mexico and Texas and other subjects of mutual interest.

Fishes scales overlap each other like shingles on a roof.
