# McFarland To Speak At Banquet

## District Court Convenes Monday

### Six Cases Scheduled To Go Before Jury

Bailey County District Court will convene Monday morning, January 10, at the courthouse with District Judge Pat Boone, Jr., presiding.

The following six cases are scheduled to begin on Monday: Genaro H. Silguero versus B.O. McDaniell, Medical Malpractice; Wade Polk versus Texas Employers Insurance Association, Workmen's Compensation; Elmer Ray Davis versus Joyce Louise Mills, Child Custody; Essie Dalrymple versus Globe Life and Accident Insurance Company of North America, Insurance Claim; Nolan Mesecke versus Randolph Johnson, Breach of Contract for Purchase of Cattle.

The following jurors are to appear at 1:30 p.m. Monday afternoon: Robert Blackwood, V. T. Tanner, J. L. Hodnett, Aubrey Heathington, Ruby Lambert, Curby Brantley, W. L. Speak, Beck Allen, Ladene Spears,

Mrs. R. R. Kendall, Ronald D. Kemp, Mrs. R. O. Gregory, Judy Hale, D. B. Adkisson, James C. Embry, Gilbert Kalbas, Mrs. Roy Jordan, Hattie F. Heathington, Houston Hart, H. D. Hunter, Buelah Kelton, Milton Oylet, Joel Nowlin, Mrs. Sam Fox, Mrs. Charles Abbe, Mrs. Elmo Owen, Mrs. George D. McNeely, Mrs. Marvin Drake, Gayland Altman, Charles Christian, Mrs. Richard Black, Mrs. Bob Byrd, Alvin Allison, Charles Gray, Mrs. Marshall Cook and Cleve Bland.

Also J. A. Carter, Mrs. Douglas Bales, Carroll Fort, Harold Cowan, Mrs. J. W. Coppedge, Mrs. Arnold Alcorn, Mrs. Afon Stancell, Marlene St. Clair, Alfred Flores, Arthur F. Parker, Zeffa Shafer, Mrs. S. M. Ethridge, Merlyn Neel, Mrs. Jewel H. Anderson, Mrs. Gene Caldwell, Marvin Davenport, Patsy I. Gunter, Harmon Elliott, Lester Howard, Charles E. King, Mrs. Morris Douglass, Franklin O. Fine, Ralph Hall, A. D. McCarty, Owen Jones,

CATTLE ON WHEAT PASTURE...Bailey County seems to be growing in cattle population as there are thousands of cattle now out on wheat pasture in the county. This is just another economy boost for the county and its citizens with the cattle industry becoming a major one in this county and the surrounding area.

## Chamber Of Commerce Will Award Plaques

Dr. Kenneth McFarland, well-known public speaker, will be featured at this year's annual Chamber of Commerce Banquet. The banquet is scheduled for Thursday evening, January 13, at 7:30 p.m. in the Muleshoe High School cafeteria.

Rev. Doug DuBose will be master of ceremonies for the evening. During the banquet, a plaque will be presented to the Soil Conservation Farmer of the Year to a local farmer by Henry Stoneham.

"Red Coaters will be greeting guests and the ambassadors will be registering guests and selling tickets at the door. Frank Ellis, outgoing Chamber of Commerce President, will be presented with a plaque as will the following outgoing directors: Bill Wimberly, Neal Dillman, Haney Poyner and Don Harmon.

New officers, elected in the past several months are R.A. Bradley, president; Clarence Jones, vice-president; Jimmy Crawford, secretary; and the following directors: Max King, Roger Albertson, Doyce Turner, Derrell Oliver, Don Rempe, Bill Loyd, Joe Pat Wagon, Corky Green, Dave Sudduth, Kenneth Henry and Charles Bratcher.

The menu will consist of roast beef, baked potatoes, green beans, cherry cobbler, salad, tea or coffee. Robert L. Jones will present the speaker after the meal is served in the high school auditorium.

Dr. McFarland has been awarded the American Academy of Achievement Golden Plate Award for being "America's Number One" speaker. Other awards the distinguished speaker has been presented include the National Free-Cont. on Page 3, col. 2

## Friends Of Library Meets

The Friends of the Muleshoe Area Public Library met Tuesday afternoon in the new library.

Present for the meeting was Jeff Smith, acting president, Joe Harbin, Blanche Johnson, Anne Camp and Mrs. Jack Young. They discussed the sale of the old library building which has recently been sold.

The group voted to accept some children's chairs that had been ordered by mistake.

A discussion was held on the dedication of the new library, but no action was taken.

The members decided that any future projects taken on by the FOL would go through the city manager's office.

Acting president, Jeff Smith, was elected to appoint a nominating committee for new officers to be elected soon.

It was voted to give a resolution to the city for them to take care of insurance for the furnishings in the new library.

## City Council Holds First Meeting Of The New Year

The Muleshoe City Council met in regular session January 4 for their first meeting of the new year.

Present for the meeting were Mayor Irvin St. Clair and councilmen Alex Williams, Frank Ellis, Aubrey Heathington, and Lindal Murray. Others present were City Manager Albert Field, John Martin, assistant city manager, and Marcia Henry, city secretary.

A general discussion was held on revision of the fire zone building ordinance. Albert Field

presented some additional information on the subject but no action was taken.

Mrs. L.T. Green requested permission from the council to have a sign painted on the Mental Health and Mental Retardation referral center building and her request was approved.

The van for the new city dog catcher was equipped with a radio operating on the police frequency instead of the city's.

Lindal Murray, representative to the Airport Board from the City Council, gave a report on activities at the airport. He reported that the new direct dial weather system to the Lubbock Flight Service had been installed and was being used to the advantage of local pilots.

He also reported that the local airport now had more school and ratings than any airport in the state of New Mexico.

The members discussed the need for additional pavement on the runways and the need to install a pay phone at the airport.

A general discussion was held on several area towns. Delinquent accounts amounting to \$24.64 were approved to be transferred to bad debts.

Alex Williams, secretary of the South Plains Association of Governments, requested permission to invite the SPAG officials to hold a meeting in Muleshoe. The council approved the request and will serve as hosts to a luncheon when they meet sometime in the near future.

The next regular meeting of the council will be the first Tuesday in February.

## Census Bureau Will Survey 9 Farm Types

Shortly after the first of January 1972, the Bureau of the Census will be mailing out "type of farm" survey report forms to a selected group of farmers.

There will be nine different survey forms used. One each for cash grain, tobacco, cotton, potatoes, sugar and other specialized field crops, vegetables, fruit, livestock, dairy and poultry.

Each form is designed to collect information pertinent to that particular type of farm enterprise. Each form is designed by sections so that if the answer to the lead question is "no" the farmer may skip to the next section.

The trends shown in the 1969 Census of Agriculture indicate that there is an increasing degree of specialization. The com-

Cont. on Page 3, col. 3

## Family Living Seminars Are Scheduled

Epsilon Sigma Alpha sorority is presenting to the Public free of charge "Family Living Seminars" to begin Monday, January 10, at 7 p.m. and again each consecutive Monday through January. The seminars will be held in the Bailey County Electric Community Room.

Dr. John Patterson and his staff from the Mental Health and Retardation Center in Plainview will conduct the seminars.

Some of the topics to be discussed are Prenatal and Young Marriage, Child Adjustment and Development and Child and Parent Relations.

A question and answer period will be allowed at each seminar. An ESA spokesman stated that the public is invited to attend all four seminars at no charge.

Cont. on Page 3, col. 3

## Commissioners Race Has First Entry

C.A. Petree of near Maple has officially filed for the office of County Commissioner of Precinct Three, reports Harvey Bass, Bailey County Democratic Chairman.

The chairman states that the total filing fees are uncertain at this time, but a minimum filing deposit of \$50 must accompany each applicant in order for the name to be placed on the ballot.

Bass further explained that due to state legislation, filing fees, part of which is to be assessed from salaries, is not known at this time.

Cont. on Page 3, col. 3

## Commissioners Race Has First Entry

Bass stated that in his opinion the best way to finance political party elections is through filing fee salary assessments as has been done in the past. In the past, filing fees have been based on a percentage of the first month's salary less the initial \$50 fee as required by law when filing.

The county chairman as well as other party officials said that the four per cent levy would not be sufficient money to pay for an election.

Harvey Bass said should all political party candidates, re-Cont. on Page 3, col. 1

## around muleshoe with the journal staff

State Senator and Mrs. Max Sherman from Amarillo were in Muleshoe Thursday to visit with citizens in the area. Bailey County will be included in his district this year.

Mrs. Jerry Harrison has been appointed the local campaign director for the March of Dimes Drive. The Drive will be conducted in January with the date to be announced soon. The National Foundation of the March of Dimes works to prevent birth defects through treatment, research and education.

Mrs. Lula Kistler spent Christmas and New Year's holidays with her daughter and son-in-law, Mr. and Mrs. J. A. Arwine of Floydada. Mrs. Kistler's visit was extended when she was snowed in by the recent storm.

Mr. and Mrs. Arnold Prater, Derek and Misti will be moving to Independence, Kansas on January 16. Prater has farmed locally and Mrs. Prater was employed by the Muleshoe State Bank.

As of Friday, January 7, 1972, the Muleshoe Area United Fund had reached 64 per cent of its goal. A spokesman for the United Fund said they were still behind in their efforts to reach 100 per cent of their goal.

## Jaycee Week Scheduled

The week of January 16 through 22 will be "Jaycee Week" in Muleshoe and the local Jaycees have several projects planned during the week. A Radio Day will be held with Jaycees taking over the station for a day. Joe Pattie is chairman of this event with Corky Green as co-chairman.

On January 20, the annual Jaycee Bosses Night Banquet will be held. John Martin and Curtis Walker are co-chairmen of this event. During the banquet, Jaycee bosses will be honored. Also during the banquet the Outstanding Young Farmer Award will be presented along with the Outstanding Merchant Award and the Outstanding Young Man Award.

MRS. LELA BARRON

## Mrs. Barron's Services Will Be Sunday

A long-time resident of Muleshoe, Mrs. Lela T. Barron, 78, died Friday morning, January 7, at 5:30 a.m. in West Plains Memorial Hospital.

She made her home at 422 South First and had been a resident of Muleshoe since moving here in 1908 from Dimmitt. She and her late husband, Luther S. Barron, opened the

Bailey County Abstract Company which she still operated at the time of her death.

She was a charter member of the First Baptist Church of Muleshoe.

Funeral services will be at 2:30 p.m. Sunday at the First Baptist Church with Rev. Doug DuBose, pastor of the church, and Rev. Bill Hart, pastor of the Circleback Baptist Church, officiating.

Interment will be in the Bailey County Memorial Park under the direction of Singleton-Ellis Funeral Home.

Pallbearers will be Mike Barron, Phillip Barron, Jim Vaughn, Jerry Vaughn, George Vaughn and Jack Wood.

Survivors include a daughter, Mrs. George Vaughn of Albuquerque; two sisters, Miss Gertrude Tucker of Austin, and Mrs. Stewart Wallace of Dayton, Ohio; two brothers, J. O. Tucker of Baton Rouge, La., and Son Tucker of Houston; five grandchildren and one great-grandchild.

## Bob Henderson, Morris Take Scabies Course

Bob Henderson, a livestock inspector with the Texas Animal Health Commission at Muleshoe, has completed a training course in cattle scabies identification. Henderson will be working in Bailey County to help cattlemen move their livestock to market during the current cattle scabies quarantine.

The quarantine is aimed at halting the worst cattle scabies outbreak to hit the nation since 1959. The eradication effort needs specially trained men like Henderson because the mites that cause cattle scab are hard to spot. The mites are often masked by pesticides used to kill ticks and lice.

Henderson and other inspectors in the quarantine area are helping cattlemen identify infected animals and clean them of mites. If every head of infected and exposed cattle in the quarantine area is inspected and the affected animal is properly dipped for scabies, the quarantine can be lifted.

Melvin Morris, a livestock inspector with the Animal and Plant Health Service (APHIS) at Muleshoe, has completed a training course in cattle scabies identification. Morris will be working in Bailey County to help cattlemen move their livestock to market during the current cattle scabies quarantine.

The quarantine is aimed at halting the worst cattle scabies outbreak to hit the nation since 1959. The eradication effort needs specially trained men like Morris because the mites that cause cattle scabies are hard to spot. The mites are often masked by pesticides used to kill ticks and lice.

Morris and other inspectors

## Dillman To Be On Program At Workshop

AUSTIN--Neal B. Dillman, superintendent of the Muleshoe schools, will be on the program for a statewide teachers' workshop on human relations scheduled here Friday and Saturday.

The workshop, sponsored by the Texas State Teachers Association, is expected to attract some 70 educators, including TSTA's 20 district human relations committee chairmen. Dillman is vice-chairman of the Association's state committee on human relations, which will lead a panel discussion on "the many faces of human relations" at the Friday evening session.

Archie A. Roberts of Beville, state committee on human relations, which will lead a panel discussion on "the many faces of human relations" at the Friday evening session.

Archie A. Roberts of Beville, state president of TSTA, will speak at the first session at 7 p.m. Friday at the Villa Capri Motor Hotel.

Speaker for the final session at noon Saturday will be L.P. Sturgeon, executive secretary.

TSTA state, district and local

## SPAG Awarded \$27,000 Grant

The following telegram was received by the Journal Friday from U. S. Senator John G. Tower and Congressman Bob Price:

"The Farmers Home Administration today awarded a \$27,000 grant to the South Plains Association of Government for the counties of Crosby, Lubbock, Motley, Terry, Bailey, Dickens, Garza, Hale, King and Lynn.

The grant will enable the 10 counties association to prepare a comprehensive plan for

Cont. on page 3, col. 1

SPRIT FADES QUICKLY...The spirit of the holidays soon departs after the Christmas tree has been taken down and dismantled. Employees of Bailey County Electric are shown taking the lights off of the huge tree that has brightened the Muleshoe Memorial site for several months. It will be a long wait until the next Christmas if the Christmas spirit in people fades like that of the decorations.

# Southwestern Public Service Announces Growth Program

A five-year construction and improvement program which envisions an investment of more than \$144-million between now and the end of 1976 to stay ahead of the electric service needs of this area was announced today by Roy Talk, president of Southwestern Public Service Company.

"We see nothing but growth - real growth - in the future of our area. It is not a question of a 'created demand' for electric power, which is the current battle cry of the uninformed critics of our industry, but it is a true growth based on the development of the area's economic potential and customers' need for more electrical power. There really wouldn't be much sense in planning to invest nearly \$150 million if all you were doing was trying to make headlines.

"This region, and the nation as well, needs more electric power not only for growth, but for environmental considerations. Electricity is the cleanest of all energies at the point of consumption, and we will need more and more clean energy for sewage and water treatment, disposal of wastes and the solution of other environmental problems," Talk said in announcing the construction plans.

Generating station additions scheduled for the five-year period will add more than 600,000 kilowatts to the company's power production capability. At the present time, the 11 major power stations produce a little more than 2,000,000 kilowatts.

The first of these capacity

Regardless of party affiliation he required to send filing fees to the secretary of state's office as suggested by Secretary of State Bob Bullock, it would kill local interest in political activities.

He further explained that local political parties like to handle their own finances of which records are made available to the public.

Miss Jeannie Martin, a student at North Texas State University in Denton, flew home to be with her parents, Mr. and Mrs. Ira Martin, during the holidays. She went to Willis Point, Texas, on January 7 to be an attendant in a wedding. She will resume classes at North Texas State University on January 17.

Mr. and Mrs. James Wedel and children visited their daughter, Mr. and Mrs. Chuck Lence and sons, in Phoenix, Arizona.

Mr. and Mrs. Bryan Jennings returned home after a year and a half in Germany. They visited with her parents Mr. and Mrs. James Wedel in Muleshoe and will make their home in Lubbock.

For their 25th wedding anniversary, the children of Mr. and Mrs. Murray Lemons gave them a trip to the Super Bowl in New Orleans on Sunday, January 16.

water and sewer service needs in rural areas of the county. This plan will help to eliminate pollution in the area and avoid any duplication of the services.

additions is already under construction as the second unit at Jones Station, southeast of Lubbock. A 256,000 kilowatt unit, it is scheduled to be in service for the summer of 1974. The first Jones Station generator, also a 256,000 kilowatt unit, went into service earlier this year.

The generating unit planned for 1976 operation is slated to be the company's first 350,000 kilowatt machine. However, the company has "reserved" three capabilities - 250,000, 350,000 and 450,000 - with the manufacturer, and the final decision will be made after all growth factors have been weighed.

"We have some interesting options with this 1976 unit. In June of 1972, we will complete an intertie between our company and the Public Service Company of Oklahoma. This is our first major interconnection with another utility. The tie line offers us the opportunity to exchange power, to sell power into power-deficient areas; to install units with larger capacity; and to locate units where fuel and water resources and load balances are most favorable. These are factors of efficiency and economy which are important to our customers, as these factors will be combined to provide the least costly kilowatt hour for our customers," Talk said.

Also, in its continuing efforts to conserve the resources of the region, the company plans to install a combined cycle unit at its Riverview Station, near Borger, in 1973.

The combined cycle unit is a gas turbine capable of producing 25,000 kilowatts of electric power.

The heat that remains in the gas turbine exhaust, after the electric power is produced, is used to provide a major part of the steam requirement for a steam turbine unit at the plant. The result is that more power is generated with less fuel and water as a result of the combination than could be accomplished with the two units operating separately. So there is both fuel and water conservation.

Expanding on the intertie with Public Service Company of Ok-

in the quarantine area are helping cattlemen identify infected animals and clean them of mites. If every head of infected and exposed cattle in the quarantine area is inspected and the affected animal properly dipped for scabies the quarantine can be lifted.

lahoma, Talk said that the 23,000 volt transmission line would run from Southwestern's Nichols Station, northeast of Amarillo, to Elk City, Oklahoma.

"We have been responsible for providing our own power resources since this company was formed. I'm happy to say that we have always had an

# Fertilization Of Leveled Land

LUBBOCK--Land leveling can be used to improve water conservation and allow efficient furrow irrigation, but it also presents a whole new set of soil fertilization problems.

"During the leveling process, the soil that is highest in organic matter and plant nutrients is often moved into the low areas, leaving poor soil on the graded land," says Herb Sunderman, soil scientist at the Texas A&M University Agricultural Research and Extension Center of Lubbock.

He explains that while most High Plains soils are naturally low in organic matter, the amount present is usually an adequate source of most micro-nutrients and may contribute small amounts of the major plant nutrients.

If the topsoil is removed in land leveling, the remaining layer may be severely deficient in plant nutrients; in addition to being alkaline and having poor structure.

Studies to correct this problem were begun at the Center in 1963 on land that had been bench-leveled in 1962. The research team has spent the past several years trying to increase the production on the graded portion through application of materials such as cotton burs, nitrogen, phosphorus, potassium, iron, zinc and sulfur.

"After eight years, yields from the cut area are still well below those from the fill area, but the yield differential is decreasing," Sunderman explains. In 1963, yield on cotton lint between the cut and fill areas differed as much as 440

pounds per acre. But in 1970, the greatest spread was only 290 pounds.

Sunderman says this points out the importance of proper fertilization of cut areas when land is leveled. He advises land owners to plan specific fertility programs around soil tests. These can be done by the Soil Testing Laboratory

adequate supply and ample reserves. This new tie will make us members of the Southwest Power Pool and will provide a market for any excess power we might have at off-peak times. It is conceivable that, by the process of transformation from one adjacent area to another, our excess off-peak capability will make it possible to help other companies meet their needs as far away as the east coast," Talk pointed out.

Continuing on the reliability and capability to serve them, Talk went on to say that the company was projecting a 22% reserve margin of available

power for the peak demand expected in the summer of 1972. This is a relatively high margin, but Talk pointed out that 1972 will be the first full year of operation of the Jones Station first unit, which was installed to meet three years of normal load growth, and that it is normal for the reserve to be higher at this time.

"We'll be right back down to a normal reserve capability when it is time for the 1974 unit to come on the line. Then, we'll have additional new capacity to assure our reserve position again. Once you get started in the utility business it's

like perpetual motion, you must stay ahead to meet your obligations to your customers," Talk said.

Southwestern Public Service Company serves 230,000 customers in a 45,000 square-mile service area running from the southwest corner of Kansas across the Oklahoma and Texas Panhandles, the South Plains of Texas to the Clovis - Portales and Pecos Valley regions of New Mexico.

MRS. DENNIS WARREN BEENE, Debra Gayle Hayes

## Double Ring Ceremony Unites Debra Hayes, Dennis Beene

Miss Debra Gayle Hayes, Muleshoe, and Dennis Warren Beene, Needmore, were united in marriage Friday, December 31, 1971 at 7 p.m. in the Circleback Baptist Church. Rev. Charles K. Harvey performed the double ring ceremony.

Parents of the couple are Mr. and Mrs. John A. Hayes of Muleshoe and Mr. and Mrs. Eddie Beene of Needmore.

Candelabra holding white tapers, flanked by gladiola and red carnations, decorated the altar.

Mrs. Charles Harvey, pianist, from Muleshoe, played traditional wedding music, Miss Ann Douglass, Muleshoe, sang "More" and "Whiter Thou Goest."

Mrs. Terry Field, Canyon, was matron of honor and Miss Kay Beene, sister of the groom, was bridesmaid.

The attendants wore floor length, red acetate satin dresses and carried bouquets of gladiola flowerets with red Frenched carnations.

Flower girl was Miss Lisa Schmidt, cousin of the bride, from Amarillo. She wore a floor length dress similar in design to those of the other attendants. She carried a basket of red and white love knots.

Miss Laura Beene, sister of the groom, Needmore, and Ricky Hayes, brother of the bride, Muleshoe, were candelighters. Ronnie Barrett, Needmore, served as best man and Raymond Davenport, Needmore, was groomsman.

Larry Beene, brother of the groom, was ring bearer. Johnny Hayes, Muleshoe, brother of the bride; Garry Elliott, Lazbuddie and Barry Bishop, McGargel, Texas, served as ushers.

Given in marriage by her father, the bride wore a floor

length dress of Candelight slipper satin with a high rounded collar and bishop sleeves. Appliques of lace medallions and seed pearls accented the dress and chapel train. The gown was made by Mr. John Schmidt, aunt of the bride. The illusion veil cascaded from a floweret of satin and seed pearls to the bride's shoulders. For "something old", the bride wore a Cameo necklace belonging to the bride's grandmother. She also wore a blue garter. The bridal bouquet was a Cymbidium orchid surrounded by Frenched carnations.

A reception at the church followed the ceremony. The table was covered with a white cloth and decorated with the bridal bouquet and red tapers held in crystal candelabra. Red punch, served from a crystal punch bowl, and wedding cake were served by Miss Donna Heathington and Miss Debbie Bruns. Guests were registered by Miss Brenda Scott. Members of the houseparty were Mrs. Jodie Barrett, Mrs. Martin Davenport, Mrs. Lewis Wayne Shaffer, Mrs. R.L. Scott, Mrs. Aubrey Heathington and Mrs. Dale Burden.

For travel, the bride wore a white knit dress with black accessories and a corsage lifted from her bridal bouquet.

Following a wedding trip to an undisclosed destination, the couple will be at home at 203 28th St., Apt. 12, Canyon.

The couple are both 1970 graduates of Muleshoe High School and are sophomore students at West Texas State University. The new Mrs. Beene is a math major and Beene is majoring in finance.

Out of town guests attending the wedding included the groom's grandfather, W. J. Weeks, Floydada; the bride's grandparents, Mr. and Mrs. J.W. LaDuke, O'Brien; Mr. and Mrs. Jamie Beene, Cleburn; Mrs. Margaret Webb, Brownfield; Mr. and Mrs. Roy Hines, Leslie and Clay, Euless; Mr. and Mrs. Eddie LaDuke, Hamilton; Mr. and Mrs. John Schmidt, Jack and Shannon, Amarillo and Mr. and Mrs. L. L. LaDuke and Patti Wilkinson of Olton.

A rehearsal dinner was hosted by the groom's parents at the Corral Restaurant on the evening of December 28.

ESA HOSTESSES...Mrs. Hugh Young, left, and Mrs. Jerry Harrison were co-hostesses for the Epsilon Sigma Alpha meeting held Tuesday evening in the home of Mrs. Young.

## ESA Selects Beauty Queen For District Competition

Epsilon Chi Chapter of Epsilon Sigma Alpha met Tuesday evening, January 4 in the home of Mrs. Hugh Young with Mrs. Jerry Harrison as co-hostess. Mrs. John Gentry presided over the business meeting.

Mrs. Jack Rennels reported on the Christmas party given the Special Education class before the holidays. Mrs. Jerry Harrison reported that the March of Dimes Drive will be conducted this month, with the date to be announced soon. Two elementary students have been selected to receive eye glasses as an ESA project.

Mrs. Gary Smith was selected as ESA beauty queen to be entered in district competition. Due to Mrs. Jerry Hutton

moving to Amarillo, three new officers were selected. The new officers are Mrs. John Blackwell, treasurer; Mrs. Stephen Bass, publicity chairman and Mrs. Gary Smith, awards chairman.

Attending the meeting were Mrs. Jerry Hutton, Mrs. Gary Smith, Mrs. Stephen Bass, Mrs. Lucien Armand, Mrs. Dick Howard, Mrs. Jack Rennels, Mrs. John Blackwell, Mrs. Paul Wilbanks, Mrs. Dick Chitwood, Mrs. Corky Green, Mrs. Eugene Howard, Mrs. John Gentry, Mrs. Clem Peden, Mrs. Clifford Black and the hostesses, Mrs. Young and Mrs. Harrison. The next meeting will be a social in the home of Mrs. Eugene Howard.

## Daughter Born To Jerry Carpenters

Mr. and Mrs. Jerry Carpenter of Earth are the parents

of a daughter, Christi Dian, born Christmas Day, Christi Dian

weighed seven pounds. Grandparents are Mr. and Mrs. A.M. Carpenter of Muleshoe and Mr. and Mrs. Carl Gregory of the Dodd Community.

Given in marriage by her father, the bride wore a floor

## Mildred Neely Shows Slides Of Spain Tour To Friendship Club

The Friendship Club met Thursday, January 6 in the home of Mrs. J.W. Witherspoon. Mrs. Beryl Wingo was co-hostess.

Mrs. Jewel Griffiths gave the invocation, after which a dinner was served. The tables were decorated with lighted red candles and a New Year's motif.

Mrs. Mildred Neely showed slides and told about her tour to Madrid and other tourist sites in Spain.

Mrs. Jackie Tate presided over the business meeting. The

project chairman gave a report. The project for January is to give a donation to the Rodney Speck Fund.

Members attending were Mrs. W.T. Andrews, Mrs. A.J. Shaffer, Mrs. N.C. Moore, Mrs. George Johnson, Mrs. O.D. Ray, Mrs. Joe Darnon, Mrs. Scott Swafford, Mrs. Viola Layne, Mrs. Jewel Griffiths, Mrs. Jackie Tate, Mrs. Mary Young, Mrs. Mae Busbice, Mrs. Gladys Darsey and the hostesses. Two guests, Mrs. Mildred Neely and Mrs. Matilda Stemmmons, also attended.

## WEEKLY RECIPE

Sarah Anne Sheridan

This vegetable is best when prepared just before serving because the celery should be crisp. It goes with practically any meat.

- Celery Amadine**
- 1/2 c blanched almonds (whole or slivered)
  - 2 T butter or margarine
  - 4 c diagonally-sliced celery
  - 1 chicken bouillon cube, crumbled
  - 1 T instant minced onion.
  - 1 t monosodium glutamate
  - 1/2 t sugar
  - 1/8 t ground ginger

About thirty minutes before dinner saute the almonds in 2 tablespoons of butter until lightly browned. Add remaining ingredients and stir until mixed. Cover and cook, stirring occasionally, ten minutes or until celery is tender-crisp.

\*Serves three or four.

## Eastern Star Plans Pancake Supper

The regular meeting of Muleshoe Chapter No. 792, Order of the Eastern Star was held Tuesday evening, January 4, in Masonic Hall.

Routine business was transacted under the supervision of Mrs. Wilford Boren, Worthy Matron, and Alex Williams, Worthy Patron.

Invitations were received from Muleshoe Chapter, Order of DeMolay to the Open Installation of Officers Friday evening, January 7 in Masonic Hall; and from Clyde Chapter No. 308 to a Winter Fantasy Tea honoring Mrs. Doris Eastering, Grand Examiner of District 3, and other Grand Officers January 30 in Clyde, Texas.

Alex Williams, Worthy Patron, supervised the Obligation Ceremony.

The following Eastern Stars and Masons were approved by

the Chapter to serve on the Advisory Board of Muleshoe Assembly No. 161, Order of the Rainbow for Girls for 1972: Mr. and Mrs. Murrell Brown, John Lee Dunbar, Mrs. Harold Cowan, Mr. and Mrs. Alton Epting, Mrs. Bobby G. Free, Mr. and Mrs. Ernest Kerr, James Jennings, Jim Small and Mrs. Maxine LaGrone, Mrs. LaGrone will serve as Mother Advisor of the Assembly.

At the close of the meeting, refreshments were served by Mr. and Mrs. Spencer Beavers.

PREVENTING LOSS OF VITAMINS--Losses of vitamins A and C occur when vegetable tissues are bruised. To prevent bruising, Extension home economics specialists suggests using a sharp blade when trimming, cutting or shredding vegetables.

**NOTICE**

Since I have moved from Lud Taylors Barber Shop, I invite all my friends and customers to see me at the Imperial Barber Shop next block south. MACK REED

"Take Five" to millions of military veterans means to take time off to rest.

To us, "take five" means detailed work and planning for the next five years.

We'll be investing more than \$144 million in power plant capacity and the lines and equipment needed to get an adequate supply of electricity to you. Electricity that will be needed for sewage and water treatment, disposal of wastes and for other environmental "clean-ups". Electricity, the cleanest of all energies at the point of consumption, is being depended upon as the means for effectively and efficiently cleaning up our environment.

And, adequate electricity will be needed just for the normal growth of people, their industries, their jobs, their resources — nothing frivolous, mind you — just normal, everyday solid growth.

Yes, through 1976, we'll be taking five — doing the worrying — so you won't have to... so when you want electric power it'll be there at the flick of a switch.

ELECTRICITY—IT DOES SO MUCH GOOD

SIX MONTHS QUEEN...Myrtle Chambless was crowned six months queen at a TOPS salad supper on January 6.

## TOPS Crown Six Months Queen

The Muleshoe Jenny TOPS Chapter 34 met Thursday night, January 6 at 7 p.m. in the Bailey County Electric meeting room for a salad supper.

Selma Redwine called the meeting to order. The members repeated the pledge and sang the Friendship song. Roll call was given by Anna McDonald, weight recorder. Twenty-four members weighed in.

The weekly queen was Anna McDonald, First runner-up was Linda Vinson and second runner-up was Clara Crane.

Linda Vinson was the monthly queen for December, with Laurnette Mason as her runner-up.

Crowned six months queen was Myrtle Chambless. Runners-up were Mary Johnson, Judy Newman, Ruth Clements, Laurnette Mason, Ann Vinson, and Linda Vinson.

Ruth Miller was graduated from KIW (indicating she had reached her weight loss goal and maintained it for three months) to TOPS (Keep Off

Pounds Sensibly), Mae Provence conducted the graduation ceremony.

Mae Provence will give the pep talk at the next meeting, Thursday night, January 13.

The meeting was adjourned with the members singing the goodnight song.

### Conklins Parents Of Kelly Kay

Capt. and Mrs. Norris Conklin of McGuire Air Force Base, New Jersey, are the parents of a daughter born December 29. The new baby weighed seven pounds, 12 3/4 ounces, and has been named Kelly Kay. This is the first child for the Conklins. Mrs. Conklin is the former Becky Mason.

Maternal grandparents are Mr. and Mrs. Raleigh Mason, Muleshoe and the paternal grandparents are Mr. and Mrs. F.N. Conklin, Forrest, New Mexico.

The problem of living is to find time for the things that we would like to do.

KOPS GRADUATE...Ruth Miller graduated from KIW to KOPS (Keep Off Pounds Sensibly) in graduation ceremony conducted by Mae Provence at the TOPS meeting Thursday night.

### PTA To Hear Program On Mother-Daughter Relationships

The Muleshoe Elementary P.T.A. will meet Monday afternoon, January 10th at 4:15 p.m. in the Mary DeShazo Lunch-room.

Mothers! Who says "You Can't Be in the Know?" Bring your fifth and sixth grade girls to hear Judy Hood of Lubbock on how to create a better mother-daughter relationship.

## Bethany Sunday School Class Has Meeting

The Bethany Sunday School class of the First Baptist Church met Thursday, January 6, at 2:30 p.m. in the Church library. Outreach leader, Mrs. Bob Stovall was in charge of the business session. Visitation assignments were made. Plans were made to have the next meeting on February 3, when slides of the Holy Land will be shown. Prayer was led by Mrs. Cooper Young.

Refreshments of cookies and cokes were served to the following:

### Meeting Set For Hospital Auxiliary

### WHO KNOWS?

There will be a meeting of the Muleshoe Hospital and Nursing Home Auxiliary on Wednesday, January 12 at 2 p.m. in the dining room of the Nursing Home.

Mrs. J.E. McVickers reports that all members are urged to be present and anyone interested in joining the Auxiliary is cordially invited to attend.

ing members: Mrs. Ronnie Black, Mrs. Lindy Chancey, Mrs. Robert Hunt, Mrs. Herb Ramage, Mrs. Bob Stovall, Mrs. Joe Rhodes, Mrs. Cooper Young, Mrs. Jerry Hoover and Mrs. George Washington.

## Enochs News

By Mrs. J.D. Bayless

Mrs. George Fine was able to return home from the Morton Hospital Friday, where she had been a patient for most of the week.

Theo Vanlandingham and son from Los Angeles, Calif., arrived Monday for a visit with his parents, Mr. and Mrs. J.B. Vanlandingham.

Mr. and Mrs. Duanne Petree and children, and Mr. and Mrs. Kenneth Petree and baby of Lubbock spent Christmas Eve night with their parents, the Chester Petrees.

Mrs. Ted Hall was a dinner guest New Year's day in the home of her daughter and husband, Mr. and Mrs. John Pool at Morton.

Mrs. J.W. Layton and Mrs. Edward Crume were in Muleshoe Wednesday and took Mr. and Mrs. H.H. Snow a 50th wedding anniversary gift.

Mr. and Mrs. Cleo Hall and children of Phoenix, Ariz., returned to their home early Friday morning after a week's visit with their relatives in the community.

Mr. and Mrs. Jim Byars of Odessa visited his brother, Mr. and Mrs. Charlie Byars, Friday till Monday. Other guests Sunday were their children, Mr. and Mrs. Henry Hardaway and children of Littlefield and Mr. and Mrs. Tom Byars of Lubbock.

Mr. and Mrs. J.W. Layton and Mrs. Edward Crume were in Muleshoe Wednesday and took Mr. and Mrs. H.H. Snow a 50th wedding anniversary gift.

Mr. and Mrs. Cleo Hall and children of Phoenix, Ariz., returned to their home early Friday morning after a week's visit with their relatives in the community.

When you're in a mood for romantic suspense try THE NIGHT OF FOUR HUNDRED RABBITS by Elizabeth Peters. Or try SAVANNAG PURCHASE BY Jane Aiken Hodge, or THE KNOCKER ON DEATH'S DOOR by Ellis Peters. The latter is a gothic, more chilling than romantic.

In a nostalgic mood? Read Nancy Hale's SECRETS, a poignant memory of childhood in the 1920's. And read THE GOLDEN EVENINGS OF SUMMER by Will Stanton. It will take you back to the thirties. And read THE WHIRLIGIG OF TIME by Isabel Bolton, a picture of life at the turn of the century that may remind you of Edith Wharton.

VILLAGE HORSEDOCTOR by Ben K. Green. In the yarn-spinning fashion of HORSE TRADING and WILD COW TALES, Ben (Doc) Green tells about the 15 years he spent as a practicing horse doctor in the far Southwest along the Pecos and the Rio Grande.

## Muleshoe Library And Bookmobile Book News

Everyone who enjoys reading or browsing through books will enjoy coming to the Bookmobile and looking through the books. The following titles are among some of the MOST IN DEMAND among all libraries. THE ADVENTURES OF BEING WIFE by Mrs. Norman Vincent Peale. The wife of the world famous clergyman tells how she applied her own brand of "positive thinking" to the duties of being a good wife. This is her story of how she met and fell in love with a young minister and, as his wife, encouraged those qualities which were to gain him renown. She gives plenty of sound advice on the institution of marriage based on her experiences. Mrs. Peale's underlying principle is that to have a good marriage one must work hard at it. Catherine Cookson's first... KATIE MULLHOLLAN, then... THE GLASS VIRGIN and now... the dwelling place... This Gothic romance portrays a young woman whose determination defies the circumstances

of her birth and allows her to achieve unprecedented social mobility. Growing up in Victorian England, Cissie Brodie knew only a life of poverty. Despite offers of wealth from Ford Fische's father she refused to give up her child, and it was years before she gained the respectability she desired.

 VARIOUS STYLE BLOUSES AND 2 PIECE SETS. NICE ASSORTMENT TO CHOOSE

**33 1/3 OFF**

# STATE CAPITAL Highlights AND Sidelights

by Bill Boykin

TEXAS PRESS ASSOCIATION

AUSTIN, Tex.--A three-judge court in San Antonio stunned Texas public officials with a Christmas Eve decision that the state's system of financing public schools is unconstitutional. The ruling, which Lt. Gov. Ben Barnes called one of the most far-reaching in recent history, triggered a round of new studies and re-directed attention to prior studies of alternative finance formulas.

To make education "a function of the local property tax base" violates constitutional guarantees of equal protection under the laws, the three judges held. Parents and children of Edgewood Independent School District (Bexar County) filed the suit on July 30, 1968.

Allowing each district to set property taxes to raise a portion of instructional costs discriminates against poor districts with low property values and frequently high minority group populations, the court contended.

Judges gave state legislators two years to work out a new system. If lawmakers fail, they warned, the court "will take such further steps as may be necessary to implement both the purpose and the spirit of this order."

Some observers feared the ruling would undermine local control of school districts. Atty. Gen. Crawford Martin asked the court to clarify whether the decision meant districts could not continue to pay off their bonds from property taxes.

Gov. Preston Smith said it would be premature to speculate on ultimate effect of the ruling on taxes and educational programs. Some predicted state corporate and personal income taxes will be necessary to pick up a new state cost load estimated to range at least as high as \$500 million a biennium. Smith called for a team effort by state officials and agencies, local school authorities and the courts to reach a satisfactory solution. The Senate Committee on Occupational Education immediately took up the problem. Texas Research League already is studying the foundation school program, and plans to offer some choices by the end of next year.

Governor said he is considering naming an education task force which will cooperate with other study groups.

State Education Commissioner Dr. J.W. Edgar viewed the present crisis "as another opportunity for the people to design a better public educational opportunity for the children and youth of Texas." He expressed confidence such a plan can be developed which will preserve local school control.

State Board of Education will review the decision at a January 8 meeting. Meanwhile, Martin asked the court whether the ruling permits an appeal.

**WELFARE PROBLEMS GROWING**--Warning that Texas faces its most difficult welfare problem during the next two years, Governor Smith said drastic assistance cuts may be necessary after next September. At the same time, the Governor announced appointment of former U.S. Secretary of Health, Education and Welfare Wilbur Cohen as a special adviser to help him formulate plans in the areas of welfare and child development.

Smith said he will go before the U.S. Senate finance committee next month to renew a plea for complete federalization of welfare program financing.

Current assistance levels can be maintained within the state's \$80 million constitutional ceiling for major categorical welfare programs the rest of this fiscal year. After next September, however, he said average aid to families with dependent children grants may have to be slashed from \$116.66 a month to \$77.

Smith assigned top priority to attacking the growing welfare problem which he estimated will cost \$325 million next year. He said findings of a new commission on children and youth will be among cornerstones of his message to the 1972 special legislative session.

**REDISTRICT SUIT ADVANCES**--A three-judge federal court was due to begin trial Monday (January 3) of suits attacking 1971 legislative redistricting.

The consolidated cases were filed in Dallas, Houston, Tyler

and San Antonio and transferred to Austin for hearing.

Judges originally named University of Texas law partner George Schatzki a special master to collect evidence and

draw conclusions in the cases. However, the order naming Schatzki was rescinded after Attorney General Martin and State Democratic Chairman Roy Orr complained of the professor's former close professional relationship with attorneys and plaintiffs in the cases. Houston attorney Leon Jaworski will direct the state's defense as a special attorney.

**AG OPINIONS**--Private clubs in dry areas may buy beer from a general distributor and transport it in under proper permits and written agreements, Attorney General Martin held. In other recent opinions, Martin concluded:

\*Microfilms of student loan applications are not legal documents.

\*The Texas International Trade Office in Mexico City may use state funds to buy Mexican postage stamps.

\*Counties can buy two-way radios for sheriffs' personally-owned cars.

\*Only two types of lifesavers equipment meet requirements of a new law requiring children 12 and under to wear life preservers in motorboats.

\*State employees can travel first class on airlines, even if cheaper tourist seats are available.

**APPOINTMENTS ANNOUNCED**--James F. Warren of Na-

vasota was named by the governor as 12th district judge succeeding Judge Reginald Bracewell of Navasota who resigned effective January 1.

Other recent appointments or reappointments by Smith included the following:

Mrs. Marie H. Winters of Austin (reappointment) as firemen's pension commissioner, Dan Hemphill of Odessa and Don L. Scarborough of Georgetown to the Texas Library and Historical Commission, Walter E. Long of Austin was reappointed.

Ernest A. Emerson of Dallas to the Commission on Fire Protection, Personal Standards and Education. Reappointments of

Hugh V. Keepers of Dallas and Richard Russell of Richardson were announced.

**DDT BAN ANNOUNCED**--DDT will not be allowed for household use in Texas after August 31, under an order issued by Agriculture Commissioner John C. White.

White's order follows recommendations of the Pesticide Advisory Committee created by the legislature.

White emphasized it has no bearing on DDT for agriculture and public health uses. About half DDT now used in the state is utilized around the home. After August, registration of DDT for household purposes will not be permitted.

**UNEMPLOYMENT BENEFITS EXTENDED**--Extended unemployment compensation benefits will go into effect early in January.

January 10 is the first date claims may be filed for them in Texas. Benefits are payable only to claimants who have exhausted regular benefits. Claimants may receive as much as 50 per cent of total regular unemployment benefits, payable at the same weekly rate as regular benefits. Those covered must not be eligible for regular benefits in any state or territory and must have a benefit year that ends on or after January 2.

**SHORT SNORTS**--Top Texas officials are still pushing for retroactive pay raises for all Texas state employees, including school teachers.

More than half the drug offenders in Texas prisons have been involved in other crimes. About 12.4 per cent of the total prison population is made up of these drug users.

The State Board of Education will hold no more hearings on 1971 textbook adoptions at its January meeting.

An application has been filed to charter Sugar Creek bank in Sugarland.

First Savings and Loan association of Bowie is seeking a branch office in Gainesville.

EDITOR Jan Jinks

SUNDAY, JANUARY 9, 1972

## MHS Varsity Basketball Spotlited

### Individual Players Saluted By Staff

Special salutations this week go to the Boy's Varsity Basketball team. This is a comprehensive group which portrays the 'real life' of MHS. All the students of high school are honored to have nine Seniors and one Junior of the team to represent them. These boys stay in there and keep hitting hard even in the shadow of taller cagers.

Our Basketball team is proving to be a fine competitor and is going to be a menace to other district contenders although comparatively average in height and speed.

Everyone is invited and urged to come out and support the Mules as they start in district competition. First district home game is Tuesday, January 11, as the Mules take on the Tulsa Hornets.

Coach Raymond Schroeder is the mentor who is responsible for the fine Basketball team for MHS. This gentleman and coach

is doing a tremendous job and making a great effort in leading the Mules to Victory during the 1972 basketball season.

With all those who are backing this fine team, it will be hard to stop.

CHARLIE CHANDLER

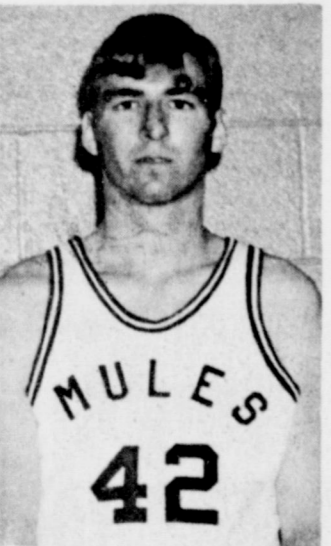

Someone needed to wrap an ankle or find a towel? It's hard to imagine anyone but Charlie Chandler.

Charlie, a senior, at MHS is the son of Mr. and Mrs. O.R. Chandler. With girls around who could do anything wrong? Charlie is fortunate enough to have, not one, but three sisters to help him stay straightened out. Cynthia is a sophomore at MHS, and Betty and Bonnie attend A and M University, where Charlie plans to further his education after his high school graduation.

In school, Charlie's activities include journalism and video tape personnel for the Athletic Department.

Hunting, reading and chess provide enjoyment for Charlie also.

Charlie's outstanding ability has been a real help in the past and will continue in the future.

RAND BAKER

A snake strikes and puts its all into the bite to do a good and piercing job.

The snake at MHS also one of this type, Rand Baker, Rand, a senior center, is the son of Mr. and Mrs. Jacques Baker. The Baker's have three other sons, Craig, Brad, and Scott, 1716 West Avenue G is the residence for the Baker family.

During football, Rand was an active member who helped make up the team, but now he is enjoying his last season in high school basketball.

Outside of school, flying and music interest Rand.

When asked to comment, Rand said, "We have the ability, with a few breaks, we can win district."

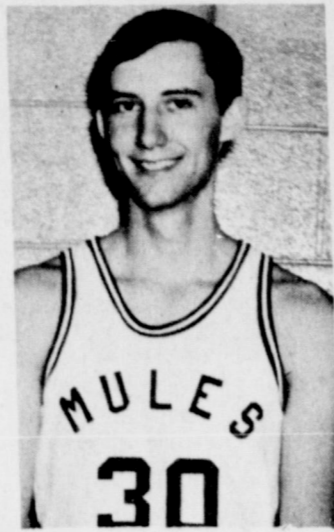

### Freshmen Win Contest

Yes! The mighty Fish of MHS have done it again! Before Christmas a contest was held with the Freshmen, Sophomore, Juniors and Senior classes competing to see which class could collect the most for the area Goodfellows. The clothes, toys, and canned goods were distributed by the Goodfellows to needy families for Christmas. The Freshmen won the contest and were treated to a coke party by the Student Council on December 22 during orientation period.

Congratulations to the Fish and their victory!

### Student Council Report

The MHS Student Council Talent Show will be held January 19 at 10:30 a.m. Admission will be 25 cents for each person. There have been quite a few entries and the Student Council is expecting an excellent display of talent.

JAMES TURNBOW

Switching from zone to man to man never goes this guy up. Always on the ball and ready to go is senior player James Turnbow.

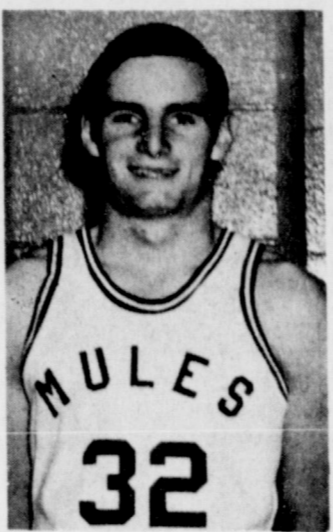

James is new at MHS this year. His parents, Mr. and Mrs. Bill Turnbow, moved to Lariat in 1970 with his brother Rodney, a freshman at MHS, and his sister Tina who is 6. This year James moved from Anton, Texas, to join his family once again.

In school James is a member of National Honor Society and participates in golf, and, of course, basketball where he plays the positions of center and forward.

James includes baseball and eating as two of his hobbies. In his leisure time, James can be found at another interest, snooker.

Putting forth all his knowledge of the past five years, James is striving for a winning season.

When James expressed his comments, he said "I think we have a good record thus far this season considering the competition we have faced, I feel we have the ability needed to go all the way if we work hard and give forth that 100% effort." With the ability and desire that is invested by each team member, State in '72 is in the bag for the Muleshoe Mules.

TOMME CLEMENTS

"This year's team has a lot of potential. If our team can put it all together, I believe this year the Mules can go all the way," is how Tomme Clements commented about his team.

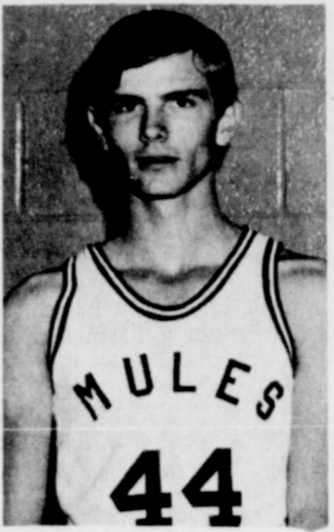

As senior, playing the positions of both guard and forward, Tomme's last year of basketball is gradually coming to a close.

Along with basketball, Tomme's school activities include football, co-editor of the annual staff, and member of FTA. Some sandy hill may provide the sight for a motorcycle race, or just a straight highway for a cruise. Nevertheless, you'll find Tomme.

Mr. and Mrs. Fred Clements of 226 East Date are the proud parents of this fine young man.

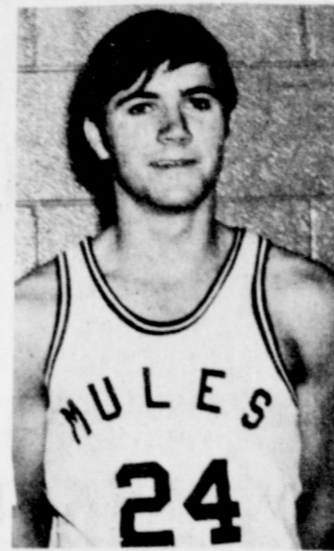

Tomme is one of the ten fine athletes that make up the Mules Varsity Basketball team.

Good luck in your remaining games.

RAMOND DAVENPORT

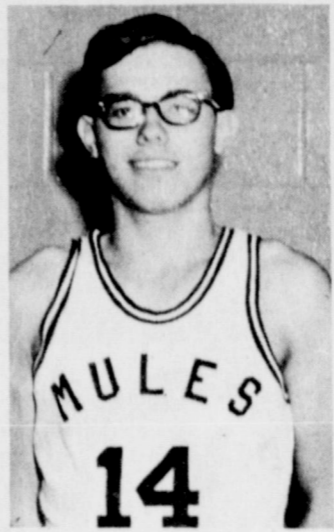

The only Junior member of the Mighty Mules is Ramond Davenport. He plays forward on the team. Ramond's school activities include FFA, FTA and basketball. His parents are Mr. and Mrs. Marvin Davenport.

MIKE RILEY

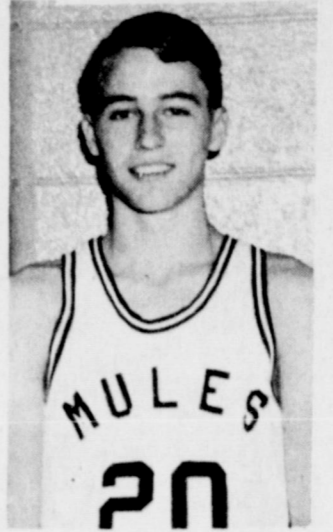

Mike Riley is a guard for the Mighty Mules. Mike's parents are Mr. and Mrs. C.V. Riley; and he has one brother, Joe Pat, who is a student at the University of Texas. They reside at 218 18th Street. Mike is a Senior and his school activities include basketball and golf. He lists his hobbies as baseball, golf and basketball.

Mike's comment was "I think we have had a good effort so far this year, and if we keep having this kind of effort we will have a good chance to win district."

JOHNNY HAYES

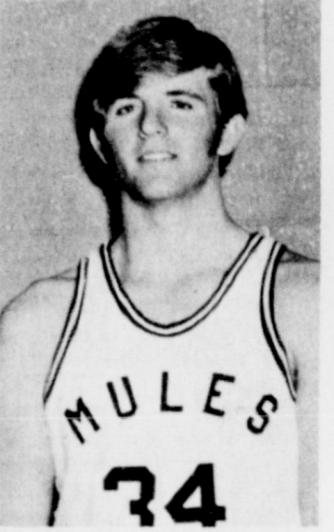

Johnny Hayes, another dedicated Senior player for the Mules, plays guard on the team. His parents are Mr. and Mrs. John A. Hayes. He has one brother Ricky and one sister Debra. Johnny's school activities include Basketball, FTA, and President of the National Honor Society. When asked to comment, Johnny said "We have one of the best teams Muleshoe has had in a long while. With a good team effort and a little luck, we can win district this year."

BRUCE BRUNS

Bruce Bruns is another member of the Mighty Mules. Bruce is the son of Mr. and Mrs. Les Bruns, who reside at 402 West 8th Street. He is a senior and plays guard on the team.

Bruce lists his hobby as horseback riding. When asked for comments about the team Bruce said, "This year we have one of the best chances to have a good team that Muleshoe has had in a long time. All the players on the team are putting a lot of effort into having a winning team. I think this is one of the hardest working groups in MHS, and I enjoy being able to associate with them."

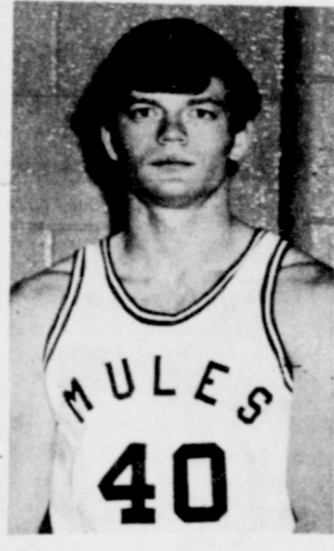

DON HEATHINGTON

Don Heathington is a Senior at MHS. His position on the basketball team is post. Don's parents are Mr. and Mrs. Aubrey Heathington. He has one older sister, Donna, who attends Abilene Christian College.

Don's school activities include, President of FTA and a member of the Art Club. Don received Honorable Mention in all District Football.

In commenting, Don was highly complimentary of his teammates and said "Coach is really all right too."

RANDY FIELD

Another dedicated Senior for the Mules is Randy Field. His position on the team is forward. Randy's parents are Mr. and Mrs. Albert Field. He has two sisters, Mary a 6th grader and Rhonda who is a freshman. Randy's hobbies are baseball and basketball. When asked for Randy's comments, he said, "We have the desire and the ability to win district this year."

### Mulette Manuvers

The Varsity Basketball girls played in the Slaton Tournament over the Christmas holidays. They lost their first game to New Deal, 57-50. They won their second game with Tahoka, 47-22. Their third game was lost with New Home, 45-52. The girls got a great deal of experience by playing in this tournament.

The Varsity A and B girls' next game is with Lockney here Tuesday, January 11, at 5:00 p.m.

The first District game will be Friday, January 14, at Canyon at 5:00 p.m. Canyon has been rated 1st in the state in 3 A Basketball.

The records for the girls are as follows: Varsity Girls-6-9; B Girls-5-6; Freshmen-3-0.

Come out and support our girls.

### Last Week Of Semester

The first semester of the 1971-1972 school year is rapidly coming to a close.

The high school students will be taking semester tests this week. You can see students busy studying, making that last-minute effort to keep that good grade or boost that low grade.

The high school test schedule is: 7th period--Wednesday; 2nd, 4th and 6th periods--Thursday; and 1st and 5th periods Friday.

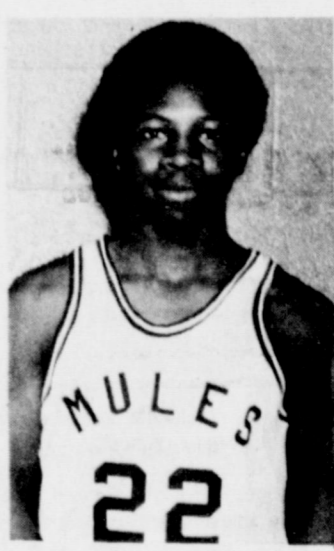

### FTA News

The FTA met in the Auditorium, January 5. Coming events were discussed. Those with the most points will go to Dallas for the state FTA convention, February 24-27.

The FTA will hold the Faculty Basketball game, February 19. The Juniors and Senior who are FTA members will teach April 24-28, May 9 the Freshman, Sophomore, and Junior FTA members will hold a party for the Senior members.

### Explanation

Lady--How were you wounded young man?  
Soldier--By a shell, lady.  
Lady--Did it explode?  
Soldier--No. It crept up close and bit me.

LARRY MITCHELL

Senior Larry Mitchell has put out a great effort this year. He plays guard on the team. Larry's parents are Mr. and Mrs. George Mitchell, and he has one brother George Allen. Larry's hobbies include Basketball, pool and bowling. When asked for his comments, he said, "We have a good chance to win district for the first time in years. The other nine players will give a 110% to win. I am going to do my best to make that great effort. We appreciate ya'll's support."

### Senior Class Has Meeting

The Senior Class met Tuesday. Several items of business were transacted. The class voted to rent the traditional caps and gowns. Paying class dues was discussed as well as reminding seniors who had not ordered invitations to complete their orders this week. Contestants for the Thespian Beauty Pageant to be held on February 19 were elected. They were Judy Winn, Jenny Milburn, Becky Milner, Susan Gaston, Don Heathington, Ronny Meason, Larry Stafer, and David McVicker.

### Pure Luck

Stern Father (to son departing for boarding school)--Now, don't let me hear any bad reports about you.

Son--I'll try hard, dad. But you know how those things leak out.

### Birthmark

"Your son ordered these photographs from me."  
"Ah, yes. Well, they certainly look very much like him. Has he paid for them?"  
"No, sir, he hasn't."  
"Ah, yes. Very like him, very like him."

### Coaches

The Mules were defeated in the finals of the Muleshoe Tournament by Herford 69 to 52. Mistakes and the inability to hit from the field the first half gave Herford too much of a lead for the Mules to overcome in the second half. The Mules managed to hit only one for seventeen for six percent from the field in the first quarter while Herford was hitting 60% of their shots from the field.

Eventhough the Mules trailed at half-time, I was immensely pleased with our play in the second half. We had some players that gave an all-out effort and at one point were almost back into the game, trailing only by ten points. This is one mark of a champion, being able to come back against a good team when the odds are against him. This was real encouraging to me and with an effort like this, the Mules have an opportunity to win district.

We would like to express our appreciation for the support and the help of those who kept the gate in the tournament. This was the most successful tournament we've had and a lot of credit goes to the fans of the Muleshoe Mules.

This week end the Mules traveled to Perryton Friday night and to Dumas Saturday night. In order to win district we have to win on the road. If we win these two games this weekend, the Mules will be in excellent position to take the first-half-district crown. Next week the Mules will host Tulsa on Tuesday night and Levelland on Friday night.

Although the Mules were picked to finish fifth in district, we feel like we have an excellent opportunity to win the district. I would like for the fans to support and encourage these boys in their drive to bring the district championship to Muleshoe.

Proper Spirit Parishioner: "Ah, Dr. Grimes! How did you like those brandied peaches we sent?"  
Rector: "My dear Mrs. Vesper, they were indeed delicious; but what we appreciated especially was the spirit in which they were given."

### School Menu

January 10-14, 1972

MONDAY  
Milk  
Red Beans  
Buttered Corn  
Pickles--Onions  
Lazy Daisy Cake

TUESDAY  
Milk

JOHNNY HAYES

### Thespian Best Of The Week

This week Thespians present Johnny Hayes, the 18 year old son of Mr. and Mrs. John H. Hayes. He has one older sister, Debra, and one younger brother, Ricky.

Johnny is president of MHS parliamentarian of FTA and Mr. FTA. He also has one of the highest shooting averages in basketball.

Thespians recognize Johnny and congratulate him for his fine achievements.

Some Israel immigrants ask return to Soviet.
