## INTEREST BECOMES TENSE IN OIL ACTIVITIES NEAR SLATON

Test on Robertson Ranch Nearing What Should be Pay; Another Test Signed for.

Watching with close interest the deep test for oil being drilled on the Robertson Ranch, five miles east of here, by the El Capitan Company, many are expecting something to develop at almost any time. Drilling is considerably below 3,000 feet with showings looking very favorable, it is reported. Not only local men, but numbers of outsiders, are keeping a constant watch on developments connected with this test. Contract depth is 3,500 feet.

The Boles No. 1 test, northwest of here, was the second test started in the Slaton territory, and now comes the announcement that a third deep test will be started within at least 120 days, 14 miles south of Slaton in Lynn County. The contract has been signed for drilling to be done by the Texas & Pacific Coal & Oil Company, it is said, and several thousand acres in leases have been blocked for this well. It will probably be located slightly west and south of Wilson. Geologists are reported working on making the exact location.

This test was promoted by William Green, capitalist of San Antonio, and large land owner in the Wilson territory. The test will be a thorough one, reports indicate.

Besides growing interest and greatly increased activities in Slaton's immediate territory within the past few weeks, much interest is being shown by local men in developments in the Justiceburg field east of here.

In the opinion of those in closest touch with the activities here, indications are very encouraging for the discovery of a producing field right around Slaton, and some predict that the bomb is likely to be set off by the El Capitan well on the Robertson Ranch.

### Mrs. Cavener Awarded Mirror at Elrod Furn.

The beautiful mirror, which was announced some time ago to be given away by Elrod's Furniture last Saturday, was awarded to Mrs. H. E. Cavener, her name being on the ticket drawn.

### Baseball Game Matched With Lubbock Team

The Slaton Tigers, high school baseball team, will play the high school team, of Lubbock, the Lubbock Westerners, at Tiger Park here Friday afternoon, it is announced this week by Coach Gus Miller, who for the past several weeks has been putting his Tiger nine through training. The game will be called at 4 p. m., it is stated. Local fans are urged to attend. A good game is assured.

The Rev. B. W. Dodson, presiding elder of the Sweetwater district, M. E. Church, is visiting Mr. and Mrs. A. B. Robertson, of the V Ranch. Wednesday night he favored Slaton people with a sermon at the Methodist church.

F. V. Williams will move to a farm near Wilson which he has rented. He had the Avery Turner farm south of Slaton for this year, and was preparing it for a big crop when it was sold to T. J. Abel.

Mr. and Mrs. J. I. Drury left Slaton Sunday for their old home at Bella, Texas, where they will live this summer.

J. S. Edwards purchased a new Ford car last week, and he and R. H. Tudor made the initial trip in it Saturday, going down to Sprenburg, near Big Spring, on a business trip.

### Jones Sale Draws Big Crowds to the Store

The Pre-Easter Sale, which was inaugurated last Friday at the Jonas Dry Goods store here, drew large crowds of shoppers from Slaton and surrounding territory, according to Oscar Killian, manager of the store. Mr. Killian states the sale is still in progress, and that each day's business shows increased interest on the part of the buyers.

### Chamber of Commerce News Notes

Reported by  
L. A. WILSON, Secretary.

A delegation of Slaton people are attending the district convention of the West Texas Chamber of Commerce at Crosbyton today. They left here shortly before nine o'clock this morning with the intention of giving Slaton all possible publicity at the meeting in Crosbyton. The trip was sponsored by the Chamber of Commerce.

The next monthly luncheon (or dinner) of the Chamber of Commerce will be held at the Bon Ton cafe next Tuesday evening at 8 o'clock. Each of the fifteen directors will bring with him an invited guest. The program will be in charge of the Publicity committee composed of the following members: A. J. Payne, chairman, Alex DeLong, R. W. Collier, Jr., S. E. Staggs and R. A. Baldwin.

The list of contestants in the "Pretty Homes" prize contest is still growing rapidly. Sign the coupon NOW and mail or bring it to the Chamber of Commerce. Fifty dollars in prizes are to be awarded to winners on Aug. 15, divided as follows: Home owners, first prize, \$15, second prize, \$10. Rented homes, first prize, \$15, second prize, \$10. Shade trees, flowers, grass, general appearance, neatness and care are the main items on which the judges will base their decisions. There is a coupon in this issue of The Slatonite for you to sign. Clip and sign it today.

Many are interested in winning the \$20 cash prize offered for a suitable slogan to be used in Advertising Slaton. The contest closes at 5 p. m. Tues., Apr. 26. Each person may submit only one slogan. Only persons in Slaton or immediate trade territory are eligible to compete. Mail or bring your suggestion to the Chamber of Commerce.

Be sure to read the list of those who joined the West Texas Chamber of Commerce last week when E. H. Whitehead, representative of the organization, was in Slaton conducting the drive for the new and renewal members. He was assisted by local men and was well satisfied with the response. The list appears in this issue of The Slatonite.

The construction of many new sidewalks in the town is in progress and many have just been completed. There are places where more walks needed, however, and wherever possible, owners would be helping the appearance and convenience of the town by having walks built.

It now appears that additional paving in the residence section of the city will soon be seen. L. H. Howard, contractor, hopes to be ready to start work on the project within a short time. He was in Slaton early this week in the interest of the paving.

Taylor & Ellis, Tailors, are new members of the Chamber of Commerce.

### Associational B. Y. P. U. Meet Held at Idalou

The quarterly session of the Associational B. Y. P. U. of the Lubbock Baptist Association was held last Sunday afternoon at 3 o'clock with the Baptist church of Idalou. Representatives were there from Slaton, Lorenzo, Ralls, Plainview, Idalou and Lubbock. Thirty-eight attended from Slaton. The total attendance was 160.

The Adult and Senior B. Y. P. U. of the Baptist church here rendered a program, followed by programs by the Lorenzo and Lubbock organizations. Officers were elected, among them 3 Slaton people, Miss Beryl Hardesty, pianist; Miss Ruby Catching, secretary, and Mrs. E. C. Foster, primary leader.

The next quarterly session will be held at Lubbock, Sunday afternoon, July 3.

It was made known at the Idalou meeting Sunday that the Association now enjoys the honor of having one of its pastors as president of the West Texas B. Y. P. U. Convention. This is Rev. B. G. Holloway, of Slaton. He thus becomes, automatically, a vice-president of the State B. Y. P. U. Convention.

### Fills Baptist Pulpit In Pastor's Absence

Rev. A. Kelly, Baptist pastor at Ralls, preached at the Baptist church here Sunday morning and Sunday night, supplying in the absence of Rev. B. G. Holloway, who is preaching in a revival meeting with the Ralls church. The Ralls revival started Sunday, Mar. 27, and is expected to close next Sunday.

It is announced that Dr. M. E. Davis, head of the Bible department at Howard Payne College, Brownwood, will speak from the Baptist pulpit here Sunday morning, while Dr. P. W. Horn, president of the Tech College at Lubbock, will deliver an address in the church Sunday night.

Miss Jackie Farker has accepted a position as cashier and bookkeeper at the Williams Auto Supply here.

Mr. and Mrs. S. E. Staggs have returned from an extended visit with relatives in Indiana. They report a very enjoyable vacation.

Mrs. H. C. McGee and daughter, who were guests here of relatives last week, left Friday for their home in Amarillo.

The baby boy of Mr. and Mrs. R. T. Williams has been quite ill for the past several days, but is reported much improved.

Miss Addie Killian, of Colorado, is visiting her brother, Oscar Killian, local manager for Jones Dry Goods, Inc.

Mrs. J. H. Brewer has received word that her father who has been seriously ill in Alabama, is very much improved in health.

A splendid picture of Mr. Kuykendall, of California, formerly of Slaton, has been received and placed among the group of past-Masters at the local Masonic hall.

Mrs. J. B. Moss and son have returned from Waco, where they have been the past few months on account of Mrs. Moss' health. Mrs. Moss has as her guest her sister, Mrs. Shockley, of Oklahoma.

E. R. Legg, manager for the M. G. Davis Gin here, is in Dallas this week, attending the annual convention of Texas Ginners' Association, which is in session there today and Friday. Mr. Legg expects to return Saturday.

The Slatonite has been requested to state that Jobe's Grocery, of which L. E. Jobe is proprietor, is now giving trades' day tickets to its customers. Mr. Jobe's name was not on the first list published.

### Pair Attempting Burglary Caught Monday Morning

While making an attempt at breaking a filling station pump lock at the Williams Auto Supply near 3 a. m. Monday, two men were surprised and arrested by officers U. L. George and Cleve Cobb. The men were driving a practically new Ford coupe bearing an Oklahoma license plate, and before reaching the main part of town, had stopped at Harrison's Filling Station near the west entrance to the city and there stole a ten-gallon gasoline can. This they evidently meant to fill from the Williams' pump, but were unexpectedly interrupted.

The two men were placed in the city jail following their arrest, and were questioned at length by Police Chief J. A. Grigsby and W. B. Jones, Santa Fe officer, during Monday morning. Officer Jones thumb-printed the two men.

The men gave their names as Chas. T. Tuttle and Marshall Smith, about 22 and 26 years old, respectively. They were not talkative, however, and little valuable information was obtained from them at that time. Later reports say, however, that the pair acknowledged to theft in Oklahoma of the car they were driving, and following this admission, they were taken to Lubbock by Chief Grigsby Wednesday morning and lodged in the county jail.

### Relatives Return Home Following Funeral

The following relatives, having attended the funeral of Mrs. Mathis, who died at her home here March 26, have returned to their respective homes: Mr. and Mrs. H. W. Mathis, Belen, New Mexico; Mr. and Mrs. W. B. Mathis, of Clovis; Claude Hackley, Clovis; Mr. and Mrs. C. C. Hackley and family, Lockney; Mrs. J. C. Dutton, Lockney; Mrs. J. T. Green, Ft. Worth; Wm. Mathis, El Paso.

### Two Courts in Session; Local Men are on Jury

The new 99th district court, recently created by the Texas legislature opened its initial term in Lubbock county Monday morning, with Judge Clark M. Mullican, who has been confined to his home for the past two weeks with bronchial pneumonia, on the bench. While no jury list have been drawn for the court, officials have been busy engaged in arranging this. The court recessed after being duly called Monday morning until afternoon when settings were to be made on the appearance and non-jury docket.

Opening simultaneously with the 99th, the 72nd district court opened a six-weeks term, and the grand jury was duly empaneled and set to work by Judge Homer L. Pharr.

Walter W. Royalty, Lubbock man, was appointed foreman of the grand jury for the 72nd court. Other members of the inquisitorial body are J. H. Brewer, Slaton; B. F. Houston, Idalou; H. W. Ragsdale, Slaton; Alex Weaver, Idalou; Terry Austin, Slaton; Mel Cope, Lubbock; J. W. Lam', Slaton; Frank Blidsoe, Beeton; P. R. Caraway, Lubbock; W. B. Copeland, Slyde, and John M. Duncan, Lubbock. R. J. Murray, summoned for grand jury service, did not appear and was fined \$25, Judge Pharr ordering that this be included in minutes of the court.

Judge Pharr, in his charge to the grand jury, enumerated law violations of various nature, and asked for a careful and thorough investigation of all phases of law violation. He described the "crime wave" that is now sweeping the country, attributing it to the lack of co-operation on the part of the citizenship at large and the "wholesale pardoning" that he said has been in effect in Texas the past two years.—Lubbock Journal.

C. A. Bruner, with headquarters at Abilene, spent the week-end in Slaton with his family.

## LITTLE INTEREST SHOWN IN SATURDAY-TUESDAY ELECTIONS

School Trustees and City Commissioners are Re-elected by Easy Margins

### Slaton Boy Prominent On Tech Debate Team

William Sewell, son of Attorney and Mrs. W. H. Sewell, of near Slaton, with his colleague, E. E. Jordan, of Amarillo, recently defeated the T. C. U. team, which is composed of Chambers and Boon, of Fort Worth, in the first debate of the season between that institution and the Texas Technological College, Lubbock, of which Sewell and Jordan are students.

Young Sewell, a freshman at the Tech, is gaining a wide reputation as a debater, and will make several long trips this spring and summer with the Tech debating team, according to recent announcements.

### Mrs. Catching Suffers Broken Arm Thursday

Mrs. G. J. Catching suffered the misfortune late last Thursday of breaking an arm, when she slipped and fell to the sidewalk. The left arm was broken just above the wrist. The broken member was immediately set by a local physician, and Mrs. Catching is reported to be rapidly recovering from the injury.

FORKNER—BLANTON

Last Saturday afternoon J. H. Forkner and Miss Ovil Blanton drove to Snyder and were united in marriage, the county attorney there performing the ceremony. After a short stay in Snyder, Mr. and Mrs. Forkner returned to Slaton. Mr. Forkner is chef at the Lone Star Cafe. His bride is a sister of Mrs. Joe Biggerstaff, of Slaton, and has been making her home here.

### Georgous Scenery In New Fox Film

One hundred and twenty beautiful dancing girls, who made themselves famous by performance at the Hollywood Bowl, are seen in Colleen Moore's latest picture, "Twinkletoes".

They figure in a dream sequence in the picture and form an entrancing vision of feminine loveliness—also an effective contrast to the dingy but picturesque Limehouse atmosphere of "Twinkletoes".

The picture is an adaptation by Winifred Dunn of one of Thomas Burke's famous Limehouse stories, produced for First National by John McCormick and directed by Charles Brabin.

Colleen herself—who, by the way, wears golden curls in "Twinkletoes," because the Burke heroine wore them—appears as a dancer headlining a second group of dancers, "The Quayside Kids," at a Limehouse theatre.

Kenneth Harlan plays opposite the star in the role of a champion pugilist, and other picturesque characters of the famous slum by the Thames are depicted by Gladys Brockwell, Warner Oland, Tully Marshall, Julianne Johnston and John Philip Kolk.

Coming to The Palace Monday and Tuesday.

In the school trustee election held here Saturday, M. W. Uzzell, Terry Austin and S. A. Peavy were re-elected by almost unanimous majorities. No other candidates opposed them, and only seventy votes were cast. Sixty-eight were straight ballots. Two ballots were changed slightly from their printed form, and three different persons were given two votes, one vote and one vote respectively, whose names did not appear on the ticket. It was the lightest vote seen in an election here in several years.

The city election Tuesday brought 249 people to the polls, another small percentage of the voting strength of the city. John T. Lokey and J. I. Bradley, city commissioners for the past two years, were re-elected for another two year term. The vote stood: Lokey, 178; Bradley, 189; A. L. Tudor, 66; G. M. Cullar, 59.

The voting population within the city limits of Slaton is said to be more than seven hundred, while that of the school district is probably around 1,000.

### William DeLong Injured When Hit by Auto

While riding his bicycle at the intersection of Lubbock and Ninth Sts. late last Thursday, William, the 11 year old son of Mr. and Mrs. R. A. DeLong, was struck by a car, and suffered very painful, though not serious injuries.

The driver of the car, who is said to have made every effort possible to avoid the collision, carried the injured boy to the hotel near there, where surgical attention was given by local physicians. It is thought a high wind which was blowing a flurry of dust, was responsible for the accident.

William, accompanied by his mother, went to Sweetwater Friday following the accident, and the boy is now in a sanitarium at that place. Last reports went to the effect that he was rapidly recovering from the injuries.

### Slaton Train Crew Aids Wreck Victims

Special to The Slatonite:  
Post, April 4.—An automobile driven by R. A. Morgan, and accompanied by his daughter, Alley, 16, turned over on the highway between Post and Justiceburg at 10:30 this morning, pinning the occupants under the car.

The wreck was discovered by W. B. Montague, of Slaton, who was in charge of Extra No. 3300 west. Conductor Montague stopped his train and rendered aid, and brought the victims of the wreck to Post, where they were turned over to a doctor for treatment. Mr. Morgan's home is in Roby.

Both the injured parties were deep in their praise of Mr. Montague, who took charge of the situation and brought them to Post with the least possible delay.

The Santa Fe Railroad Co. should be proud of Mr. Montague, and the people of Slaton should feel complimented by having him as one of their citizens.

There could be neither good nor evil  
 in this world if we did not have the

 isn't it!

He who can see but one side of a  
 question is usually able to form "deep  
 seated convictions" on some side of every

Have you ever noticed that those  
 who grumble loudest at high taxes  
 squander enough time each year to  
 pay their taxes several times over?

In all the world's literature we have  
 not been able to find any account either  
 of a birth or a death that was based  
 upon the author's experience.

Dressing up a monkey in man's  
 clothes makes him look much more  
 like a man than he looked before, but  
 he is not of course, any nearer being  
 a man than ever, and lots of male  
 humans are exactly that way, too.

Education is not entirely a matter  
 of the head. It is said that our great-  
 est intellects were flogged often when  
 they were young, and that these flog-  
 gings made up a material part of their  
 training, but the flogging was not ap-  
 plied to the head, although the re-  
 sults were most observable there.

The fellow who invented the old  
 fashioned courting sofa perhaps  
 thought he had accomplished some-  
 thing quite wonderful, but think of  
 the man who conceived the idea of  
 putting that sofa on four wheels, a  
 closed top over it, and a steering  
 wheel at one end.

**STICKY.**

Ima Knocker, who resides at Slaton  
 and lets little things worry her,  
 writes in to complain of the lost mo-  
 tion required in licking a large post-  
 age stamp. "A stamp half the size of  
 the ones now being sent out from  
 Washington would serve the purpose  
 of posting letters just as well, and  
 would greatly lighten the load of the  
 rural mail carriers throughout the  
 country," asserts Ima. The label to  
 which she refers is quite a sizable  
 sticker, but it was made big because it  
 was intended to advertise the Sesqui-  
 centennial Exposition, at Philadelphia,  
 last year. It has a picture of the  
 Liberty Bell on it, besides the name of  
 the show it was advertising. The Sesqui-  
 centennial which was expected to be  
 a wow, turned out to be a flop. But  
 the Government has a lot of the  
 propaganda stamps on hand, and must  
 use them. Mr. Coolidge would get  
 mad if they were thrown away. In  
 addition to the paper and the printing,  
 the glue on the back of the stamp can  
 be saved only by making use of it for  
 postage purposes. Our Slaton custom-  
 er should consider these considera-  
 tions and not begrudge the excess  
 licking required, to make the big  
 stamp adhesive. There have been  
 good winter rains at Slaton and no  
 one there should begrudge the expendi-  
 ture of a little extra moisture.—State  
 Press in Dallas News.

The Slatonite is inclined to take  
 Ima's part—that is, to use some effort  
 to defend her position. While it is too  
 late now to prevent excess licking and  
 weight caused by the manufacture of  
 the Sesquicentennial stamps in ques-  
 tion nevertheless such a mistake should  
 not be made by Uncle Sam again. Ima's  
 complaint was justified but cannot  
 be remedied on the Sesqui stamp  
 proposition, for, as State Press claims,  
 the stamps must be used. In their use  
 we are daily reminded that the Sesqui-  
 centennial was a flop instead of a  
 wow. Being experts in certain phases  
 of publicity matters, The Slatonite  
 holds an individual opinion as to the  
 reason for the Expositions failure  
 financially. The simple truth is that  
 the event was not properly advertised,  
 thus failing to have a sufficient at-  
 tention to bring gate receipts to the  
 point of liquidating the enormous ex-  
 penses. True, that an effort was made  
 to advertise the show, but the public-  
 ity usually took the form of material  
 sent to the daily and weekly papers  
 of the United States to be used by

**JUST A RHYME**

**LEND A HAND**

When you see a poor fellow stuck up in the mud,  
 Or settled down deep in the sand;  
 Don't you leave him to dig out his jitney alone,  
 Come on with a smile. Lend a hand.

Well, of course, you are busy and want to go on,  
 And feel like the mud you can't stand.  
 But you won't miss the time and the mud will come off,  
 So be a good scout. Lend a hand.

For this man is your brother though stranger is he  
 Or hails from a far distant strand,  
 And so, when you remember the bright Golden Rule,  
 Your heart's sure to say, "Lend a hand."

Lend a hand to your own, why of course, first of all,  
 Nor miss any one of your band,  
 For there's none that's too high and there's none that's too low  
 To be served, so then, Lend a hand.

Because this is the way that all happiness comes,  
 True brotherhood thus has been planned,

those papers gratis and marked "For  
 immediate release." Whether justified  
 in their action or not most editors im-  
 mediately released it to the waste  
 basket. This because there was no  
 such statement as "Hewith enclosed  
 please find check to cover cost of in-  
 serting advertising as per accompany-  
 ing instructions." As any newspaper  
 editor will tell you, the latter policy  
 would have brought more satisfactory  
 net results. The advertising, greatly  
 increasing interest in the Sesqui,  
 would have more than paid for the  
 cost of publicity, furnishing a very  
 sizeable sum to apply in the end to  
 other expense items. In brief, adver-  
 tising pays when you are willing to  
 pay for the advertising. And, the fel-  
 low who promises to pay for his ad-  
 vertising but does not, is the recipient  
 of benefits the cost of which is borne  
 by the newspaper editor's family,  
 showing itself in the form of ragged  
 clothing, hungry mouths and no  
 theatre tickets. The Sesqui should  
 have been properly advertised. Local  
 merchants should apply the moral of  
 the Sesqui's failure to their own busi-  
 ness ventures. It pays to advertise.

 tax bill in the special session which  
 it is expected Governor Moody will  
 call soon. The meeting determined to  
 ask the Governor to submit the measure  
 to the special session, pointing out  
 that "at that time the schools would  
 be needing money."

**Run-Down  
 gave out easily**

"My health wasn't any ac-  
 count at all," says Mrs.  
 H. L. Cayton, of Washington,  
 N. C. "I would start to do  
 my housework and I would  
 give out before I had done  
 anything at all. I did not  
 have any strength, and if I did  
 the least thing it seemed to  
 tax me so I could not finish.  
 I was run-down sure enough.  
 "Several of my friends had  
 taken Cardui and they said  
 to me, "Why don't you try it?"  
 I knew I needed something to  
 build up my general health  
 and to increase my strength.  
 "Finally one day when I  
 was recovering from a spell  
 of sickness, I decided to try  
 Cardui. I got a bottle and be-  
 gan to take it. I could notice  
 that I was improving as my  
 appetite got better and I did  
 not give out nearly so quick.  
 I took several bottles and I  
 felt lots better.  
 "Two years ago I decided  
 to take it again. It built me  
 up and made me feel like a  
 different person. It is the  
 greatest medicine for women  
 that I know anything about."

**CARDUI**  
 For Female Troubles

There is no mistake about the as-  
 sumption that the schools will be need-  
 ing money. But there is more than a  
 doubt as to whether for the relief of  
 a temporary condition of need there  
 ought to be imposed a permanent tax  
 which is unquitos and objectionable  
 in many ways. The schools need money  
 because money was not provided for  
 them in the usual way when it was  
 time to make the provision. But it  
 is political and moral slackness to  
 overlook that fact and turn to a tax  
 which has no bearing on the situation  
 other than the obvious ease with which  
 it can be levied.

The so-called tobacco tax bill was  
 well disposed of when it was permitted  
 to die in the Senate of the regular  
 session. It should not be revived in  
 the special session.—Fl. Worth Star-  
 Telegram.

The schools need money, but the to-  
 bacco tax, in the form it was offered,  
 was far from equitable. Why tax cer-  
 tain classes of tobacco without tax-  
 ing all classes. The bill did not im-  
 pose a tax to be borne by the "chew-  
 ers" and the "dippers". Furthermore,  
 it would have caused extra burden on  
 all tobacco dealers. A tobacco tax is  
 all right, if properly applied. There  
 is no more reason for not taxing to-  
 bacco than gasoline. We have the  
 gasoline tax. We could stand a to-  
 bacco tax. But, let it be in proper  
 form, equitably arranged and easily  
 applied. The bill as recently killed  
 should not be revived in the special  
 session.

SOMEBODY SAID the voting was en-  
 tirely too light in the school trustee  
 election Saturday.

SOMEBODY SAID it is good to see  
 so many people devoting attention  
 to their lawns and gardens.

SOMEBODY SAID one of the quick-  
 est ways for a man to forget a  
 grievance is to quit nursing it.

SOMEBODY SAID the Slaton Rotary  
 Club, or at least a few of the mem-  
 bers, were victims of an "April Fool"  
 joke played by the ladies serving the  
 luncheon last Friday. Cream puffs,  
 with cotton in the center, were served  
 as the first course.

SOMEBODY SAID the surest sign  
 that things are in good shape in the  
 Slaton country is that business just  
 keeps on showing steady growth.

SOMEBODY SAID the man with the  
 easiest conscience is either the man  
 without a conscience or the man who  
 lets other people's business alone.

SOMEBODY SAID the bank-robbing  
 custom is getting too close for Sla-  
 ton folks to feel entirely comfortable.  
 There are thousands of criminals  
 loose in Texas, as well as in every  
 other part of the United States and  
 law-abiding citizens are suffering as  
 a result of it.

**G. W. CATCHING**

G. W. Catching, resident of this city prior to his death, passed away at the home of a daughter at Groveton, Texas, Mar. 17, 1927. Funeral services were held at the First Baptist church, Slaton, Sunday afternoon, Mar. 20, interment following in Englewood cemetery here.

The deceased was born in Franklin county, Tenn., Nov. 23, 1848. At the time of his death he was 78 years, 3 months and 24 days old. He was reared in Tennessee, was married to Miss Rebecca Annie Skeens Aug. 24, 1874. Prior to his marriage he had moved to Austin, Texas, when 19 years old. Their wedded life covered almost a half century, 49 years, 11 months and 21 days, at which time Mrs. Catching preceded her husband in death, exactly 2 years and 7 months prior to the going of her husband.

Five girls and six boys were born to the union, five of whom, two boys and three girls, survive their parents. There is one adopted daughter. The living children are: Mrs. E. Barton, Slaton; Mrs. R. H. Moore, Groveton, Texas; J. W. Catching, Lovington, N. M.; Mrs. W. H. Howe, Lubbock; B. H. Catching, San Antonio, and Mrs. W. G. Moseley, Sweetwater. Eighteen of thirty grandchildren and seven of nine great-grandchildren survive the deceased, as does also a sister, Mrs. Mary Wells, of Beaumont, Texas.

Joining the Baptist church 42 years ago, Mr. Catching had lived a consistent Christian life all through the years. At the time of his death, he was visiting his daughter, Mrs. R. H. Moore, of Groveton, Texas. His burial at Slaton was in keeping with his request made some time ago.

Ill health which he had suffered for several months caused his death, which was not expected by the family at the time he passed away. For several years he had lived in the home of his daughter, Mrs. E. Barton, of Slaton. All his children, most of the grandchildren and all the great-grandchildren attended the funeral services conducted here.

S. A. Abbott, Slaton citizen and former near neighbor and friend of Mr. Catching, in speaking of his life, said: "I knew him as a young man. He never drank nor swore. His language was always clean. His life was exemplary Christian. He never indulged in foul talk or gossip. He was conservative in his political life, always taking what he considered the right side of any moral question. He was a good adviser, strictly honest, charitable in all things, in fact, his life was indeed a righteous one."

The Slatonite joins the many sorrowing relatives and friends in the loss they have sustained by the passing of this good man.

in internal medicine demonstrating his system of treating diseases and deformities without surgical operation.

**WILL GIVE FREE TREATMENT**

At the Higbee Hotel, Tuesday, April 26. Office Hours, 11 a. m. to 6 p. m.

**ONE DAY ONLY.**

Dr. Hamilton is a regular graduate in medicine and surgery. He visits professionally the more important towns and cities and offers to all who call on this trip his services free of charge.

According to his method of treatment he does not operate for chronic appendicitis, gall stones, ulcers of stomach, gaiter tonsils or adenoids.

He has to his credit many wonderful results in diseases of the stomach, liver, bowels, blood, skin, nerves, heart, kidney, bladder, bed wetting, catarrh, weak lungs, rheumatism, sciatica, leg ulcers, and slow growth in children.

If you have been ailing for any length of time and do not get any better do not fail to call, as improper measures rather than disease are very often the cause of your long standing trouble.

Remember the above date and that his services on this trip will be free, making only a charge for medicines in cases which are accepted for treatment.

All that is asked in return for these professional services, is that those who need tell their neighbors as to how they have been benefited.

Married ladies must be accompanied by their husbands.

**Slaton Man Placed On Honor Roll of Trinity University**

WAXAHACHIE, Texas, March 28.—Samuel M. Willbanks of Slaton, son of Rev. and Mrs. J. W. Willbanks, has become distinguished for his scholarship in Trinity University in being designated by the Dean as an honor student for his work the first term of the present session. To be so designated a student must make twelve quality points. An A counts two, B two and C one.

With the work of Trinity University now conforming to the standards set by the Association of Colleges and Secondary Schools of the South, work of the highest grade is required of a student to be listed in the honor section. Only four other denominational schools in Texas enjoy the high rating that Trinity University holds by being a member of this accrediting association, which is the only organization of the kind in the south today.

The ratio of students of honor grade in the first term to the enrollment was about 1 to 5, which in itself indicates the strict grading which is made on students for their work. While there is great emphasis placed on scholarship by the officers and teachers of the university there is also a purposeful diversion of interest of students to extra curricula activities, such as oratory, public speaking, reading, singing, playing, physical recreations in games and organized athletics and participation in organizations which encourage original enterprise and leadership, and most of the honor students are those

The number of members Slaton had in the organization last year was smaller than usual, there having been only nineteen. This year, however, as a result of the campaign conducted last week, there are thirty-one. Mr. Whitehead expressed himself as being thoroughly pleased with the more than fifty per cent increase. He stated before leaving Wednesday that he had been given a very cordial reception in Slaton while making the canvass.

### No Absentees For Drawing Last Saturday

Hundreds of Slaton and Slaton community folks were on the streets last Saturday to attend the awarding of the five \$5 prizes, which are given away here a 4 o'clock each Saturday by local merchants.

This was the first Saturday since the plan was inaugurated that all whose names were called were present to receive their awards. It is reported by the secretary, who furnishes the list of Saturday's awards, as follows: Mrs. C. L. Nugent, Margaret Jones, J. B. Neely, Mrs. J. F. Merrill and Lorin Cullar. All are of Slaton.

### To Build Gin in McClung Community

Special to Slatonite: Dean & Webb have closed a deal with W. G. Abernathy for 5 acres of land 1 3/4 miles east of the McClung Schoolhouse, on which to build a gin. These men are well gin men. The names of Dean & Webb connected with a gin is evidence enough to say that the cotton will be cared for. And Dean & Webb should congratulate themselves in getting the location, as it is in one of the best cotton sections of the Plains. Work will start at once, and a modern up-to-date plant will be built.

### To Our Friends and Voters of Slaton

We are taking this means of trying to express our thanks for the good vote cast for us on last Tuesday. We know that we have made mistakes, but have done the best that we know on all occasions. And have tried to be fair to all alike regardless of whether the party affected was our best friend or worst enemy. If we have an enemy, or have mistreated anyone in regard to the city's business we apologize for the mistake and hope it right if within our power. We furthermore promise to

the voters of Slaton to do our best for the next two years and ask the whole-hearted co-operation of all the citizens of Slaton whether you voted for us or not. We feel like we will all be friends if we get better acquainted and put our shoulders to the wheel and all pull for our town together. We also want to thank everyone that has been a help to us in the last two years by their advice and encouragement.

Thanking you again, we are  
Respectfully,  
J. T. LOKEY,  
J. I. BRADLEY.

#### ZONE MEETING.

The first meeting of zone number five, of the Lubbock District met at the First Methodist Church, Slaton, Texas, March 30, 1927, at ten-thirty o'clock, Mrs. Metcalf of Wilson, presiding. Each auxiliary in the zone was well represented.

The opening devotional was led by Mrs. Elmer Crabtree, of Southland, after which the aims and purposes of the zone organization were explained by Mrs. Metcalf. The officers of the different auxiliaries were then introduced and each responded with a short talk.

The group meetings proved very interesting and the women felt it an hour well spent, discussing their problems together. After the group meetings, luncheon was served by the Slaton Auxiliaries in the basement of the church. Everyone present enjoyed the luncheon very much.

The afternoon session was opened by a very pretty piano solo. "I am Thine, O Lord" was sung by the congregation and Mrs. Adams led in prayer.

Mrs. J. R. Durrett of Post, led a round table discussion on Responsibility and Power for Leadership, which proved very interesting and helpful.

The special rendered by three of Slaton's young ladies was very beautiful, and the illustrated talk on Mission Study by Mrs. A. C. Whitehead of Slaton was one of the best we have ever heard.

The reports from the auxiliaries were fine and each president promised to try to have her auxiliary on the Honor Roll this quarter. The next zone meeting was voted on

and will be held in Southland, the last part of May.

It was decided to give a silver loving cup to the auxiliary having the largest percent of members present at each zone meeting. Dixie won the cup this time by having 66 2/3 percent of her membership present.

The last on the program was a very impressive consecration service, led by Mrs. S. H. Adams. We were dismissed with prayer by Rev. Lane.

MRS. CLYDE E. HUNDLEY, Sec.

### Beautiful Fantasy of Dream is Shown

Comedy comes into its own in the thrilling drama based on a dog's life, "Wings of the Storm," which is to be the feature film at the Palace Theatre, for next Wednesday and Thursday.

J. G. Blystone, Fox Films director, responsible for the production, is well known for his flair for laugh-provoking situations. And it is said by those who have previewed the picture that it is rich in mirthful scenes.

Thunder, the sensational police dog featured in the film, is declared to give a remarkable performance. And, since the action of the story is based on the development of the dog, mentally and physically, from a weakling to a leader of his kind, lovers of dumb animals and all others, for that matter have a real treat looming on the theatrical horizon.

### FAMOUS KENNELS SEEN IN FOX FILM

Probably the most picturesque kennels ever seen in a motion picture provide the locale of one of the most interesting and amusing sequences in Fox Films version of "Wings of the Storm," coming to the Palace Theatre, Slaton, Wednesday and Thursday, April 13-14, with Thunder, the marvelous police dog star in the featured role.

Virginia Brown Faire, Reed Howes, and William Russell appear in the principal roles of the human drama depicted.

### TEXAS PROGRESS NOTES.

Texas City—A contract has been made by the Houston Pipe Line Company with industries at Texas City to supply natural gas through a sixteen-inch line.

Paducah—A modern switchboard and many other improvements are being installed in the local telephone exchange.

Dalhart—Construction has begun on a telephone line to connect Dalhart with Boise City.

### Storage Problem.

Old Gentleman (seeing the small colored boy was having some trouble in getting away with the large melon he was trying to eat)—"To much melon, isn't it, Rastus?"

Small Colored Boy—"No, suh, boss, not enough niggah."—The Open Road.

### GENTLEMEN PREFER THEM, SO COLLEEN BECOMES A BLONDE

Changing from a brunette to a blonde is a serious matter with a screen star.

Colleen Moore, whose smart dark

bob has become world famous, debated for weeks before she decided to wear long blonde curls in the title role of "Twinkletoes," which is to be shown at the Palace Theatre of Slaton Monday and Tuesday, April 11-12. She was afraid people might not like her in blonde hair after having seen her as a brunette ever since she entered pictures. But the author of the colorful Limehouse Nights story, Thomas Burke, refers so often to "Twinks" blonde curls and they seem so much a part of the character that the decision was made.

Those who have seen this First National picture, which John McCormick

produced, are enthusiastic over Colleen as a blonde.

The average population per square mile in the United States is 35.5 which lacks only one-tenth of being double that of Texas which is 17.8.

Potter county has the largest percentage in Texas of population living in town and cities with 92.7 per cent.

Ninety-four and eight-tenths per cent of the population of Hartley County lives in the country, that county leading in Texas in percentage of rural population.

## We Offer For Poultry This Week,

Heavy Hens, per lb. 18c  
Light Hens and Leghorns, per lb. 15c  
Old Roosters, per lb. 6c

Eggs, market value.

The poultry prices have remained around this figure for quite awhile, but we think it will be profitable for those having chickens to sell, to sell them before the weather gets hot, as the old hen will lose weight as the summer advances.

Bring us your eggs, poultry and cream.

**ENTERTAINS AT BRIDGE**

Mrs. Walter Tomlinson entertained Saturday afternoon very delightfully at her new home in West Slaton. Bridge was the afternoon's diversion and after playing a few games, lunch was served to the following: Mesdames Hestand, Ragsdale, Smith, Bannon, Ragsdale, Smith, Brewer, Bradey and Baldwin.

**TRES MESA CLUB**

On Thursday afternoon, March 31, the Tres Mesa Bridge club met with Mrs. Zeph Fogerson. Bridge was enjoyed by the guests and members who were Mesdames Parker, Bradey, Towers, Woolfskill, Donnell, Brewer, Stuart, McAtee, Tudor, Scott, Robertson, and Rogers. Mrs. Fogerson served a two-course lunch at the close of the afternoon. The next meeting of the club will be with Mrs. F. S. Hewes, at her home 645 S. 8th St., on April 14.

**JUNIOR CIVIC AND CULTURE CLUB**

The Junior Civic and Culture club will meet Saturday, April 16, with Miss Ouida Buzbee as hostess, at the home of Mrs. Harry Burrus. Personal independence program.

Leader—Gertrude King.  
1. Response to roll call: Quotations of a stanza (from 4 to 8 lines) of modern America poetry. Name author and poem. Quotation to be selected from poets not studied in this course. Each member to be careful in choosing independently, not revealing her choice to any other member, so that the element of suspense and surprise may add to the element of independent choice, of poets and poems chosen.

2. Three-minute recommendations of or talks on the poets from whom the quotation was chosen. The talks to be based on the poem containing the quotation; any biographical note on the poet; any mention of other poems by this poet.

3. Open forum: Some other poet "my poet today" may be compared with, and why.

**BRIDGE LUNCHEON AT READING ROOM**

On Tuesday, March 29, at the reading room, Mesdames George Marriott, S. A. Peavy and W. H. McKirahan were hostesses to a bridge luncheon. The rooms were gay and spring-like, with baskets of flowers and singing birds used as decorations. Place cards and favors were also in keeping with the season, and all made a very pretty and effective setting for the 2-course luncheon served. The guests invited included: James J. B. Bierau, of Amarillo; W. Walker, Clovis; Roy F. Amarillo; Truman Case, Dolin Miller, Robertson, Tower, Brewes, Green, Odom, Minor, Rogannon, Bradey, Webb, Tudor, Klash, Brown, Anton, Ragsdale, McAtee, Parker, Ragsdale, McGinnis, Woolfskill, Fogerson, Hestand, Bechtel, Wilson, DeLong, Scudder, Stuart, F. We are now ready for business at the Harrison Bros. wholesale and retail stands and will deliver your oils anywhere in town or country. The members of this Club will please take notice. Business of others is solicited.

Station in town for benefit of club, at the A. C. Harrison stand, on corner of Lynn St. and Panhandle Ave., Anton Kahlich, Mgr., invites the public to call and give him a share of their business. Shares in this Club are still on the market. Prospective members call at the town station, or at the club wholesale station. Par value of these shares, \$5.00.

After April 15th shares will be \$10 each.

This organization enables its membership to obtain its oils at special low rates. Non-members, current prices.

Seems as though "Paw" is out in the garage all the time since he lined it with Sheetrock and made it cozy and comfortable. Working in his shop all the time—and the old car never ran as well as it does now.

**SHEETROCK**—the fireproof wall-board, is easy to apply—saws and nails like lumber—big broad sheets cover the space quickly (standard building uses). Stop and look at a sample, or telephone—

## Special offer to the readers of this paper

WE want you to know that each of the seven quality automobiles named below is a General Motors car. We want you to know how General Motors doubly guarantees these cars—how it is passing the savings of vast manufacturing operations (1,200,000 cars last year) on to you—in finely built engines, Fisher Bodies, Duco finish, quality materials in those vital points where quality counts most in comfort, safety, long life and high resale value.

Read about the General Motors line. "A car for every purse and purpose." See the wide choice of models—the wide range of prices. Decide which car interests you most; then clip and mail the coupon.

As a special offer, we will also send you a wonderfully interesting little book about the General Motors Proving Ground. It gives facts which you ought to have before you select any car. Fully illustrated. And its reading may save you hard cash. Act today.

### CHEVROLET 7 models—\$525 to \$745

The quality car of the low-priced field. 3-speed transmission. Strong rear axle. Smooth dry-disc clutch. Over-head valve engine. Fisher Bodies. Duco finish. Alemite lubrication. Fully equipped. CHEVROLET TRUCK CHASSIS: ½-ton, \$395; 1-ton, \$495.

### PONTIAC 5 models—\$775 to \$975

A low-priced "six" which is a quality product in appearance and construction. Has largest 6-cylinder engine in its price class. Beautiful, stylish lines. Fisher Bodies. Duco finish. All conveniences included. Value proved by unprecedented sale.

### OLDSMOBILE 11 models—\$875 to \$1190

Gratifies your finer taste; satisfies every need. A truly fine car at moderate cost. Beautiful Fisher Bodies. Duco finish. Powerful 6-cylinder motor. Harmonic balancer. 4-wheel brakes. Many other new improvements. And a wide range of models to choose from.

### OAKLAND 7 models—\$1095 to \$1295

Winning and holding goodwill everywhere because of its advanced engineering and precision construction. Fisher Bodies. Duco finish. Rubber silenced chassis. 4-wheel brakes. A "six" whose quality is doubly assured as a product of General Motors.

### BUICK 18 models—\$1195 to \$1995

Everybody knows Buick's worth. General Motors emphasizes Buick's statement that its new models represent "The Greatest Buick Ever Built." Vibrationless beyond belief. Famous 6-cylinder valve-in-head engine. Bodies by Fisher. Duco finish. Many models.

### LASALLE 6 models—\$2495 to \$2685

General Motors' latest contribution to the fine car field. This is the new and beautiful car designed and built by Cadillac as a companion car to Cadillac. Has V-type 8-cylinder engine. Fisher Bodies. Duco finish. Now on display.

### CADILLAC 50 body styles and types —\$2995 to \$9000

The pioneer in the 8-cylinder field. Standard of the world. Improved V-type 90-degree engine. Marvelous bodies by Fisher and Fleetwood. Duco finishes. A choice of 500 different color and upholstery combinations to emphasize individuality in ownership.

### ALSO—

FRIGIDAIRE electric refrigerators. The largest selling electric refrigerator in the world. Built by General Motors. Many models—many prices.

DELCO-LIGHT electric plants. Another General Motors product. Brings you all the conveniences and labor-saving devices of electricity.

[ALL PRICES F.O.B. FACTORIES]

## Rotarians to Discuss What is Business Success?

The Slaton Rotary Club will at its regular weekly luncheon tomorrow discuss what constitutes success in business, with Jess Swint and Joe K. Rogers in charge of the program. Their subject is, "When is One's Business a Success From the Standpoint of (1) the Owner, (2) His Competitor, and (3) the Community?"

The meeting last week showed a large attendance with a number of visitors present. The program was in charge of Alex DeLong, J. W. Phillips and O. Z. Ball. Dr. Phillips presented a paper on "Memorable Moments in the Lives of Rotarians," showing that many of the great men in Rotary have achieved memorable moments by fidelity to the principles of service which go to make up Rotary philosophy.

Rev. B. G. Holloway was called on to make a report of the Waco Rotary District Convention held on March 24 and 25, and his account was both interesting and instructive. Allen J. Payne also made an interesting report on the convention.

Visitors present were W. H. Taylor of Ralls, Ed Warren and Ivan Stoker, of Post Rotary Club, W. L. Blake, manager of the Panhandle Sash & Door Co., Amarillo, and W. C. Wilson, of Slaton. E. S. Brooks was admitted to membership in the Club, with classification of Bakery.

At the meeting tomorrow nominations will be made for officers of the Slaton Rotary Club for the ensuing year, and the election will be held on April 22.

President Fred Rector announced at the meeting last Friday that elaborate plans are being made for the Intercity Meeting to be held on April 15, at which time the Lubbock and Post Clubs will be guests of the Slaton Club, and the Post Club will put on the program. This meeting will be held at night at the Slaton Santa Fe Park Club House.

### Springtime.

By J. J. Ross.

When all nature rises in its mighty glory, dressed in the rainbow hues, portraying art's greatest beauty made sublime by the touch of God's divine love.

Beneath the blue sky set with starry diamonds of light, we are permitted to live in the garden divine and behold the setting of God's handiwork. Here and there millions of dainty flowers bloom and nod their welcome to the glory of man. We wander on enjoying the beauty and grandeur of God's eternal creation. Their dainty, laughing beauties seem to speak in terms of love and as if to say, "Come listen to my story. I will tell you of the beautiful garden in the beginning of man, God's own creation, when beauty and grandeur crowned the glory, and my rainbow leaf became the first dress that clothed the beauty and grandeur of God's eternal creation.

How beautiful the setting, how beautiful the surroundings as we walk up and down life's pathway, viewing

the handiwork and glory of our Lord Divine. Then we turn and look away to yonder distant mountain, dressed in the snow white garments of winters past. We stop and wonder at the fullness and sublime grandeur of God's earthly garden. While in the distance, in the arms of nature's chilly mountain, sleeps winter's children, as they live covered with the fleecy blanket of snow. While in the distance we look down upon the foothills in the valley far below. There we hear the shouting, the joy and behold the grandeur and the glory of springtime, as she awakens in the life of nature, transposing itself into the hearts and glory of mankind.

They seem to speak in terms, "I see you as I peep from my winter's bed." These beautiful gardens turn back the winter's blanket of snow and bathe themselves in the garden sunshine and ripple their petals in the blamy winds of springtime love. Each little flower seem to have its love-mate as they sway and nod their fragrant beauty in the odor and sweetness of their painted colors, they catch the pelen of life that blends their beauty into the rich colors of the rainbow.

They vie one with the other to outdress. In the richness of color they catch the honey dew that is wafted from garden to garden and from flower to flower until the honey bee comes to share its part in the transformation of this beautiful flower into the life of man. And on we go mounting step by step the wonder and grandeur of God's creation until we reach the great garden where the soul of man is baptised into the eternal garden that lives, grows and blooms with joy forever and ever.

The warmth of springtime, the song of the mocking bird, the blossoming of millions of flowers, awakens the very soul of man and seems to tell him of the old, old story of man and seems to tell where pain and death of God's only begotten Son created the eternal hope of mortal man and locked the gates of hell and spoke peace on earth, good will to men.

Ere long we will hear the shouts of children as they gather on the green grassy rug of spring's newly made garment. We will soon be gathering down by the beautiful stream where the picnic boxes will be opened with the sweet dainties prepared by our lover's hands. Here we will hear

the sweet songsters as they warble from yonder budding vine, and the cooing of the dove calling for his mate. Then lovers will steal away among the daisies who never tell. New hope is born and we each pass on our way gathering the flowers that tell us in the silent language of the purity of God's eternal kingdom. Now let us enjoy the coming of springtime for ere long before our work is done, the archangel will come to gather the souls of the blessed.

### Mrs. Nannie Mathis Buried Here Monday

Mrs. Nannie Mathis, wife of O. T. Mathis, died at her home here Saturday night. Her death, while unexpected at the time it occurred, was the culmination of severely ill health for several years. Mrs. Mathis and her husband have lived in Slaton for several years, and have formed a large circle of friends here.

Funeral services were held Monday at 4 p. m. at the First Baptist church, with the pastor, Rev. B. G. Holloway, in charge. Interment followed in Englewood Cemetery. A large crowd of sorrowing friends and relatives attended the services and accompanied the body to the final earthly resting place. Abundant and beautiful floral offerings testified that the deceased was loved and respected for her splendid Christian character by large numbers.

Mrs. Mathis, at the time of her death, was exactly 67 years old, passing away on her birthday, March 26. She was born in 1860.

A letter, addressed to her children in which she gave final words of instruction and admonition, was found among her effects, evidently having been written a comparatively short while before her death. In it she stated

#### MOTHERS

Watch for symptoms of worms in your children. These parasites are the great destroyers of child life. If you have reason to think your child has worms, act quickly. Give the little one a dose or two of White's Cream Vermifuge. Worms cannot exist where this time-tried and successful remedy is used. It drives out the worms and restores the rosy hue of health to baby cheeks. Price 35c. Sold by **CITY DRUG STORE**

#### KEEP YOUR TEETH IN ORDER

It takes but a little of your time to drop occasionally and let us examine your teeth. We can forestall trouble and keep your teeth sound and healthy at very little expense to you. Neglect means decay and only too often the necessity of extractions and the substitution of false teeth. Be ever mindful of your teeth.

DR. J. W. PHILIPS, Slaton, Texas.

## Value is the secret of Buick Success

Because of the number of Buicks that people buy, you get value in a Buick that simply cannot be equalled at the Buick price. Buick puts the savings of volume—the earnings of leadership—right back into Buick quality. That's why Buick gives the satisfaction it does—why there are more than a million enthusiastic Buick owners. Slaughter Motor Co. Lubbock, Texas

that she knew her health would not permit her living very long, but said she was ready to go when called away. She asked that her children meet her in Heaven.

Mrs. Mathis leaves, besides her husband, nine children and several grandchildren. The following children, most of them with their families, attended the funeral: Mrs. Brentie Dutton, Lockney; Curd Hackney, Lockney; Claude Hackney, Carlsbad, N. M.; W. B. Mathis, Clovis, N. M.; H. W. Mathis, Belen, N. M.; Mrs. Purdie Green, Ft. Worth, Texas; and Mrs. J. W. Hood, of Slaton. Two other children, Mrs. F. L. Payne, of San Diego, Calif., and T. M. Mathis, of Mayfield, Ky., were unable to attend the funeral. W. A. Mathis, of El Paso, Texas, only living brother of O. T. Mathis, husband of the deceased, also was here for the funeral.

The deceased wife and mother joined the Baptist church early in her youth and lived a consistent and consecrated Christian life. Under her first marriage, her name was Hackney. Part of the nine surviving children are of that union. The others are of her second marriage, the husband and father, O. T. Mathis, surviving.

The Slatonite extends condolence to all the bereaved.

### Could You Pay Any Judgment?

Increased wages, better living standards, greater earning power have placed a new value on human life. Where a few years ago a \$2,500 verdict was comparatively uncommon, juries today are bringing in verdicts of \$25,000 for injuries or death by automobiles.

Today prudent men carry \$10,000—\$20,000 automobile insurance, and the cost for the double protection is trifling, compared to the original premium.
