## CITIZENS WILL VOTE ON BONDS NEXT TUESDAY

### Economy in Insurance Rates Seen As Good Reason for O. K.

Next Tuesday, May 8, is the day for the city bond election when Slaton voters will accept or reject the issuance of bonds of \$25,000 for a modern fire station and water extensions. The election will be held at the city hall.

According to statements by E. R. Childress, fire department chief, and by the various business leaders in Slaton, the bond issue should have strong support because of the better protection it will afford Slaton property against fire, and because it will result in actual economy for the tax payers.

If the bonds are voted, money now being used for water extensions will be available for buying a new and larger fire truck, which is badly needed to bring Slaton's fire-fighting facilities up to standard, it is said by numerous individuals who are in position to know the facts. The purchase of such a truck demands the erection of a fire station, providing for housing equipment.

It is also foreseen that another city well must be provided to increase the city's water supply in the very near future, and water department officials say that in case a well now used should fail in its supply the city would suffer a water famine.

With the bonds voted, an annual saving in fire insurance rates for property owners will be had, more than offsetting the amount required to retire the bonds each year. The increased property valuations will care for the payment on bonds, without increasing the city tax. These are the reasons given by those who are in close touch with the situation as fully justifying the bonds being voted next Tuesday.

### Installation of Pastor Sunday

Installation services will be held Sunday at 11 o'clock at the First Presbyterian church here, it has been announced by church officials, when the new pastor, Rev. James Rayburn, will be installed into the pastorate of the church. All Presbyterians are asked to attend, it is stated, and the general public is cordially invited.

## Farmers and Business Men Asked To Meet at City Hall Monday To Discuss Poultry Marketing Plans

A co-operative poultry marketing association for several South Plains counties is being organized as a result of meetings held at Lubbock during the past week, attended by representatives from six or seven different counties.

In order that Slaton poultrymen may understand the proposition thoroughly, a meeting has been called for next Monday afternoon, May 7, for 2 o'clock at the city hall, at which the matter will be thoroughly gone into, it is announced by members of the Slaton poultry association, including W. L. Splawn, Pierce Youngblood, and

## Good Prospects For Large Scout Training Class

The training class in boy scout work to be given here for men, beginning next Monday night and continuing until four weekly meetings have been finished, will be attended by about twenty-five men, according to scout executive for the South Plains present indications, said Warren Knox area council, while here Wednesday.

Patrols from several different organizations and churches are being formed, and leaders are well pleased with results so far, Mr. Knox said.

Monday night's meeting will begin promptly at 7 o'clock, it is announced and all who plan taking the course are urged to be on hand. The Slaton club house is the meeting place.

## Slaton Hatching Record Noticed By Other Firms

"I have read a clipping from your paper where the question has come up in regard to hatching turkey eggs," writes Oliver G. Calloway, hatchery operator, of Palestine, Texas, who goes ahead to state that he too, has been delivering turkeys, and ducks, from his hatchery there.

The Slatonite carried, in a recent issue, an account of the local hatchery turning out a 100 per cent perfect hatch from a setting of turkey eggs. That was the clipping referred to.

If one hatchery can give this good service of course others can, it is pointed out. The main reason for the article referred to being published was to encourage the raising of turkeys in this section.

## Drouth Broken by Rain Wednesday Nite

Continuous dry, windy days were broken Wednesday night when a much-welcomed rain visited the Slaton section. Though the moisture Wednesday was not as much as has been hoped for by local citizens, it greatly refreshes the atmosphere and stimulates spring growth. Old timers here, who study weather conditions, express the belief that additional moisture will come soon.

Mrs. M. F. King, Mrs. T. A. Kirby, and Misses Tommie Kirby and Evelyn Thornton were Lubbock visitors Monday afternoon.

## TRIP TO ACUFF WENT OVER BIG; POSEY IS NEXT

### About Fifty People 1st Good-Will Jaunt; Expect More this Week

Between forty and fifty Slaton people went to Acuff last Friday night on the first good-will trip made under the schedule which provides for visits to about sixteen communities around Slaton during the spring and summer months.

More than 225 Acuff people were present at the community auditorium to welcome the Slaton delegation. The Acuff school band, composed of boys and girls, rendered several numbers, directed by R. L. Hooten, school superintendent. Miss Linnie Bounds of Acuff gave two readings and the program was then turned over to the Slaton visitors.

Under direction of L. A. Wilson, Chamber of Commerce Secretary, several pep songs were enjoyed by the crowd, after which talks were made. Speakers included: J. W. Hood, president of the Chamber of Commerce; W. H. Smith, chairman of the public relations committee; Judge D. E. Kemp, Slaton attorney; and L. A. Wilson.

Ice cream, furnished by the Slaton delegation, was then served to all present, and the people spent nearly an hour in a social informal way, making new acquaintances and strengthening existing friendships.

The Slaton party turned homeward about ten o'clock, feeling that a most enjoyable occasion had ended. All expressed themselves as delighted with the success of the first good-will jaunt, and passed many compliments upon the people of the Acuff community for the royal welcome given them.

The next trip will be made to Posey Friday night of this week. The people of that community have issued a cordial invitation for Slaton to be present, and another good time is looked forward to by those who saw the pleasure of last Friday night's trip. Ice cream will be carried along again this time, and it has been hinted that Posey people will be there with cake to go with it.

J. W. Hood, president of the Chamber of Commerce issued this statement Tuesday:

"These good-will trips have been arranged for all Slaton people to take part in. It is a real opportunity for all of you. There should be more people go to Posey this week than went to Acuff last Friday night, for that was the first trip and we had to get things started. But, having a tremendously enjoyable visit with Acuff people, there will likely be more folks who will go with us Friday night to Posey. We want you to do that. Let's all go together. Meet us at the City Hall at 7:15 o'clock Friday evening.

It is hoped that the Slaton band will be able to make the trip to Posey, and if so, those having extra riding space in their cars should carry a band member with them, it is announced. Previous arrangements prevented the band going to Acuff last Friday night.

## Thurman Now Has Manire Studio

Mel Thurman, who for the past several months has been associated with the Art Studios at Lubbock, has leased the Manire Studio here, it was announced early this week. Mr. Thurman having already taken charge of the affairs of the studio.

The new proprietor of the Manire Studio was connected with the business two or three years ago, and he has many friends here who are glad to know of his return.

In retiring from the business, Mrs. Manire and her family are moving to a home they recently purchased on Panhandle Avenue, it is stated.

Mr. and Mrs. Greer Whitaker and Mr. and Mrs. Jesse Manning left Wednesday for a two weeks' fishing and outing trip on Devil's river.

## City Drug Store Sells Last Week To Lubbock Men

The City Drug Store, fronting Texas Avenue, and extending through to Eighth St., was sold late last week to Messrs H. S. Riggs, and C. B. Myers of Lubbock. The new owners have already taken over the affairs of the business, and are actively in charge of the store.

Mr. Riggs, who has been business manager for the Lubbock Clinic and Elwood hospital, at Lubbock, has moved to Slaton with his family, and they are at home on South 5th St. He will be actively in charge of the store.

Jno. Dabney, and his son, Otis, former owners of the business, have made no definite announcement as to their plans for the future but indicate they will remain in Slaton. They will be associated with the store for some time yet, it is stated.

Messrs Riggs and Myers invite the public of Slaton and communities to drop into their place of business and get acquainted. They state that an up-to-date store will be operated, and that the best of attention will be given to the filling of prescriptions. They come to Slaton reputed to be experienced druggists and progressive wide-awake citizens.

## 12 High School Students Leave For State Meet

Twelve students of Slaton high school left Wednesday for Austin to participate in the state interscholastic league track meet, and other phases of state contests. The track team, winners of the district meet at Lubbock, Apr. 20 and 21, was accompanied by Coach Odus Mitchell to Austin. The girls were chaperoned by Mrs. R. M. Nash, teacher in the commercial department.

Those going from Slaton and the events they will enter are: Cecil Austin—100 yd. dash, 220 yd. dash, 220 low hurdles, broad jump and javelin throw; Ardie Nowell—high jump, low hurdles; Clarence Nichols—pole vault; Harry McDonald—100 yd. dash, 220 yd. dash and broad jump; John Simmons, one mile run; J. E. Armes—high hurdles, shotput; Joyce Price and Jewell Johnson, girls' tennis doubles; Ruby Catching, typewriting; Journalism, Roy Wilmesmeier, Ruby Catching, LaVerne Manire, Paul Houston and Harry McDonald.

The entire group expect to return home Sunday.

## Sand and Gravel Supply is Growing Rapidly Near Here

During the past few weeks, a source of supply for building sand and gravel has been rapidly developing on the canyon ranch lands six miles northwest of Slaton owned by Sheriff H. L. Johnson, of this county.

Modern machinery for digging loading on trucks and reloading on cars has been installed. The daily output of sand and gravel has passed beyond an average of three carloads. The material is loaded at Posey, five miles northwest of Slaton. Recently, the city of Rails used the entire output for several days in connection with the street paving there.

The payroll for employees engaged in handling the output of the material has already grown beyond \$4,000 per month, it is reported on good authority. These men will likely establish their permanent headquarters in Slaton, it is said, going to and from their work each day and having all the city advantages for their families.

Securing plentiful supply of sand and gravel in this immediate section will prove a distinct advantage to builders all over the South Plains, it is said, due to the fact that a shortened distance for transporting the material will mean reduction in cost. The material is said to be of fine quality and practically unlimited in quantity.

## THREE CONTESTANTS MAY WIN 100,000 VOTE BONUS SATURDAY

More Could if They Would Get Started in Time. Big Bonus is Awarded With Every Total of \$30 in Subscriptions until 9 Saturday Night.

Modess Denny, leads for	\$ 25	18,700 votes
Thelma Garland, leads for	\$ 35	19,200 votes
Miss Nellie Johnson, leads for	\$ 40	21,200 votes
Mrs. Grace McAtee Olive, leads for	\$ 50	21,400 votes
Mrs. Geo. H. Jones, leads for	\$ 75	22,400 votes
Mrs. Margie Jones, leads for	\$150	24,700 votes
Mrs. E. G. Carpenter, leads for	\$500	25,700 votes

Ambitious candidates are making strenuous efforts to get in every possible subscription before 9 Saturday night, for until then a bonus of 100,000 extra votes is awarded with every total of \$30 in subscriptions brought in by contestants.

One extra subscription secured this week, instead of next, may be worth \$350 to some contestant, for it may decide between the winners of the \$500 and the \$150 cash prizes.

### Seven Prizes.

There are seven cash prizes to be won in this contest, and every one of them is easily within the reach of almost any woman or girl residing in the territory reached by the Slatonite. Most contestants who have been voted for are still hesitating, most of them thinking some others will devote more time and effort toward getting subscriptions than they can. Few realize that all the others are hesitating for the same reasons themselves.

### \$150 a Week.

The time of some contestant is now worth \$150 a week, for the contest ends three weeks from Saturday and someone is going to win \$500 at the end of that time. Few business men earn as much by devoting their whole time to business effort, yet some contestant is going to put in her time during the next three weeks in such way as to earn for her more money than most successful business men can earn in the same time.

### Vote Coupons at Palace.

Each Saturday night at the Palace theatre 100 free votes are issued to each patron at the show. They can vote them for themselves or any desired candidate.

## "On To Lamesa Next Thursday" Is Slogan Urging Large Delegation To District Meeting of W. T. C. C.

Urging a large attendance of Slaton people upon the district convention of the West Texas Chamber of Commerce to be held at Lamesa next Thursday, May 10, officials of the Slaton Chamber are hoping to secure the convention for Slaton in 1929, it is declared. And, everyone knows that the larger the attendance from Slaton, the better chances Slaton will have in landing next year's district session, because votes count.

The Slaton band has been invited to go on the trip, and they are expected to attend as guests of the Chamber of Commerce. Transportation must be provided for the band members and for such others desiring to go as need conveyance.

The publicity committee of the Chamber of Commerce composed of A. J. Payne, chairman; L. R. Cyfert

and R. W. Collier, Jr., will have the responsibility of making some plans for attending, providing suitable badges for identification and so forth.

At least 100 or more Slaton business men and farmers are wanted to make this trip. The days program includes several important farm talks and Cone Johnson member of the State Highway commission, is to speak.

In order to be at Lamesa by 9:30 a. m. when the convention opens, it will be necessary for the Slaton delegation to assemble at the city hall and leave here by 7 a. m. It is said. This is one time when everybody should feel a responsibility for making the trip properly representative of Slaton by attending the convention it is declared by leaders here, and they urge a large delegation to be ready at 7 a. m. next Thursday.

## Father McGrath Closes Two Weeks Mission in City Sunday Night

"There is one sovereign remedy for the evils of the nation, the family and the individual, and that sovereign and only remedy is 'Back to Christ,'" said Father Thomas J. S. McGrath, S. J., in the closing sermon of his two weeks mission at the Catholic church Sunday evening, entitled "Back to Christ."

Talking as his text, "And I live, now not I but Christ liveth in me," (Galatians 2-20), the speaker began by referring to the marvelous progress of the Twentieth Century and the self-complacency and self-satisfaction that people today have in their accomplishments, and continued, "Yes, the twentieth century has reason to be pardonably proud of its undreamed of progress it has gone back in things spiritual and in things of God."

Age of "Less"  
The twentieth is a century of "less" wireless telegraphy, horseless carriages, smokeless powder, fireless cookers, and painless surgery. It is fast becoming an age of Christless Christianity and we can apply to it the stinging words of Romans 1:28.

"And why do I say we are of the twentieth century, we of this glorious nation, deserve St. Paul's severe rebuke? Because the nation has departed from Christ, the family has departed from Christ and the individual in countless numbers of cases, has departed from Christ—from his example His ideals, His principles.

The evils of the nation he said were its Godlessness, its divided Christianity and its religious hatred.

"90 per cent of our nation," he said "have no religious affiliation whatever and as a result we have a condition of refined paganism, worse, it seems to me than the ancient paganism of Rome and Greece. They at least had this in their favor that they never heard of Christ or learned of his doctrines. For countless thousands, God is scarcely more than a tribal God whose Ten Commandments are out of date. For them religion is but a superstitious foolishness. They have no thought of a soul or its immortality, and, in many cases, they make a perfect fetish of humanity. And, worst of all, these views are being taught in our schools and universities and our literature.

"And what is the remedy? There is but one remedy that is universal and sovereign, and that remedy is 'Back to Christ.' Yes, Back to Christ, his examples and his principles. Back to Christ who said 'thou shalt love the Lord, thy God, with thy whole heart; and with thy whole soul and with thy whole mind. This is the first and greatest commandment whereby Christ teaches us that our chief and paramount duty is towards the God who has made us and brought us into being; to the God whom we live and move and are.

"And how is this duty shown, how is this love proved? Christ Himself gives the answer, 'if you love me keep the commandments.'

Divided Christianity  
"And what of the 40 per cent of our nation who claim religious affiliation. Who profess allegiance to Christ? They are split up and divided into many different sects, 176 of which are given by John L. Stoddard on pages 82, 83 and 84 of his "Rebuilding a lost Faith. The World's Almanac for 1922 puts the number at well nigh 200. Yes, a divided Christianity with different tenets and different creeds. Some teach that Christ was God, while others teach that he was only man. Some defend the virgin birth, while others deny it as possible. Some say baptism is necessary for salvation, while others claim it is a mere optional ceremony. Some say that there are seven sacraments, while others say there are but three, or two or one. Some say that hell is a reality while others say it is only fiction. Some that man, by the power of God can forgive sins, while others hold up their hands, in holy horror and say, "who can forgive sins but God?" Yes a divided Christianity. And is it any wonder that the progress of christianity has been hampered.

"And what is the remedy? There is but one remedy and that remedy is 'Back to Christ.' Yes, Back to Christ who spoke of one fold and one shepherd; who prayed for unity and union among His disciples, who said a divided house could not stand and that a kingdom divided against itself could not endure.

Religious Hatred  
"And as a direct result of this divided Christianity, we have a condition of religious hatred and bitterness that is heart breaking; for all of hatred is most unreasonable, and fanatical.

"Put a flock of 1000 sheep into the same pasture and they will graze

along in peace and harmony and contentment. Put 1000 christians, taken soon you will see hatred, bitterness at random, into one community, and and bickering. And this in the name of Christ whose Easter message was peace, peace, peace.

"Am I exaggerating? If you think so then go in different cities, from one some Sunday night and listen to mes- Christian church to another, tune in sages going out from Christian pulpits calculated to stir up one Christian against another Christian, one disciple of Christ against another—messages in a word, of hatred, bitterness and antagonism. And all this in the name of Jesus Christ, whose Easter message was peace.

"Oh, how different from the first Christians of whom we read, and the multitude of believers had but one heart and one mind. The pagans said of them, as Tertullian tells us, 'Behold, how they love one another. Could we say the same of Christians of today? No we could not, and be within the realms of truth.

"And yet we ought to love one another, for are we not all children of the same father? Are we not all brothers of the same Christ? Have we not all been redeemed with his heart's precious blood? Do we all hope for the same heavenly reward with the Christ of peace and love.

"And what is the remedy for this situation among followers among Christ? There is but one remedy and one only, and that remedy, is, 'Back to Christ' who made love for our neighbor, Christian, Jew or Gentile, his second commandment. Back to Christ who made charity the touchstone of Christianity when he said, 'by this shall all men know that you are my disciples, that you have love for one another. Back to Christ whose dying request was, 'keep them in thy name.' Back to Christ whose loved disciples said, 'if anyone say I love God and hateth his brother, he is a liar. . . for is he not his brother whom he seeth, how can he love God when he seeth not.

The evils of the family, the priest said were divorce, birth control and neglect of the proper training and education of children. The evils of the individual in thousands of cases he said were that individuals were money mad and pleasure crazy.

After painting each evil in bold relief, the priest had the same remedy 'Back to Christ,' and gave the words of the Saviour or of his apostles.

### Recital By Miss McDonald's Pupils

Pupils of Miss Eunice McDonald, music teacher at Southland, appeared in recital at the high school auditorium in that city Monday evening, with many people of Southland and nearby communities attending the program. Several from Slaton attended also, it was stated. Miss McDonald is the daughter of Mr. and Mrs. J. S. McDonald, of Slaton, and is reputed to be one of this city's most accomplished artists.

Miss Eunice has numerous pupils at Southland, and those attending the recital Monday expressed the belief that her year spent there has

been a marvelous success, each pupil appearing on the program delighted careful and skillful training. Southland folks express indication that they realize their good fortune in having her associated with them in their school work.

### Borger Man Gets Cottage Camp Park

Will Newsom, who recently moved here with his family from Borger, has leased the Cottage Camp Park and grocery on the highway leading toward Lubbock. He states that in addition to maintaining the best of camping service and accommodations, he will operate an up-to-date grocery store and service station.

Mr. Newsom is having natural gas piped to each tourist cottage at the camp grounds, he states, and intends to furnish travelers with accommodations second to none in this section. He invites local people to call and visit his place.

Dr. and Mrs. H. H. Ball and children and H. M. Mason, manager of the Lockney Cotton Oil Company were Slaton visitors Sunday afternoon.

J. S. Edwards is spending the week in Mineral Wells, driving there Sunday.

## Mayor Tosses 1st Ball In City Loop Series; Strike One

(From Last Week)  
It was opening day in Slaton's 1928 city baseball league, last Monday. Texas Avenue and Santa Fe teams were ready to start it off. Mayor W. G. Reese entered the pitcher's box and tossed the first ball. It was strike one, and he swung at it. Owen Bybee, playing with Texas Avenue, was the batter. Evidently he was surprised at the mayor's hurling skill, said the fans.

And so the city league is at it again

**THANKS ACUFF**

The Slatonite is pleased at the reports given on the trip to Acuff made by nearly fifty Slaton people last Friday night, who went as good-will ambassadors for this city. They say the people of Acuff extended a most cordial greeting to them and entertained them in fine style. The Acuff school band was a particularly complimented feature of the evening's program.

Acuff is one of the many fine communities in the Slaton territory. It is peopled by a fine citizenship and is thoroughly progressive in everything: schools, churches, agriculture, social life, etc. Mr. R. L. Hooten, superintendent of the Acuff school, is a real leader among his people.

The example set by Acuff in greeting the Slaton visitors is one which will doubtless be followed in spirit by all the other communities to be visited this spring and summer. We predict a hearty reception in each community we visit and the more frequent such trips be made, the better all of us will understand and be able to help each other in our many problems as citizens of the Great Plains country.

If women's styles continue to change during the next few years in the same trend as they have in the past, the appearance of Eve, dressed in her conventional fig leaf would create considerable comment. People would wonder why she is all bundled up.

Holding hands is the beginning of love. Holding arguments ends it.

"Everything comes to him who waits."—if he knows where to wait for it.

We have just run across a bunch of questions that are worrying us.

Some of them are: What ocean is the deepest, Atlantic or Pacific? Why does a ducks back shed water? How many karats is pure gold? Where do sponges come from? Do fish shut their eyes? Are alligators born or do they come from eggs? We would like to know the answer to these but have not time to find out.

Prof. Thompson of Texas University stated before the West Texas Press Convention at Childress, last week, that the newspaper business is the greatest mirage seen in the West, as all profits taken in during the morning goes for expenses before night. The professor was about right.

There should be an epidemic of sidewalk building in Slaton this spring especially in the residence sections of the city. The city agrees, we are informed, to connect street crossing with walks, when walks are built to the street on either side, and the city should take advantage of this.

Farmers of the Slaton section are now ready to plant, and when the moisture falls, which it is sure to do, they will get busy—and keep busy—until their planting is finished. Conditions are still looking good here, and with the coming of moisture within the next few weeks, this section will be one busy place, presenting a display of real progressiveness. Farmers here use modern methods, modern machinery and put the necessary energy behind their farming. This, largely is what makes the land in this section yield with such noticeable results. Slaton farmers, or most of them, are progressive farmers.

The Lockney Beacon, published in Floyd County, of which H. B. Adams, is editor, has "jumped on" Alvin Ousley, candidate for the U. S. Senate, with unmerciful denunciation. Ousley has, in our opinion, made a success at everything he's tackled, and will, doubtless, make a good senator, if elected. Just who one favors for president, or for any other office, as for that matter, makes little difference. The suggestion is, is he able to efficiently hold the office he seeks. We believe Ousley is.

**ATTENDS CONVENTION**

If every person were highly ambitious, this would be a miserable world. But there will always be plenty who prefer manual labor to mathematics and ditch digging to book making. Education should be as free as possible but not too literary.—Pampa Daily News.

Education should really prepare people to fit into the scheme of things, so to speak, so that they may do their best work as individuals and as members of a great social structure. It is indeed fortunate that not all people like the same tasks, and therefore any systems of education which permits no variation in type of preparation is doomed to fail in doing the most for the masses. Education has many angles and embodies, in its truest sense, the development of each person in numerous ways.

J. W. Lamb and family were the guests of J. R. Hamilton and family of Wilson last Sunday.

Miss Enid Griffin was the Sunday guest of Miss Eva Presley.

Several members of the T. L. Peterson family have been sick with the flu. An uncle, Mr. Stevens, has been

suffering from erysipelas. He seems to be improving at this time.

Mr. and Mrs. B. A. Myers were in Abernathy on business Saturday.

Mrs. G. L. Cobb was in Lubbock Saturday.

Mr. and Mrs. C. L. Griffin visited Mr. Griffin's sister Mrs. T. L. Peterson, Sunday.

A. C. McRae was in Slaton, Monday.

A committee composed of ladies from the Baptist and Methodist churches are now at work on a program for Mother's Day.

**CHURCH OF CHRIST**

The Church of Christ, Slaton has just closed an exchange meeting with the church of Idalou. The exchange was an agreeable affair. Bro. J. W. Brents is the local minister at Idalou. Bro. Brents is a very fine man and an excellent preacher. The meetings resulted in several additions to the

churches, besides much good accomplished otherwise.

I will preach in Slaton next Sunday morning and night. I will be very glad to meet my friends at each service. You cannot spend a more profitable hour than can be spent in these services.

If you are hunting hospitality come to the Church of Christ and enjoy a feast of good things.

### ROBERTSON DEVELOPING SAND AND GRAVEL PIT

Both sand and gravel of number one quality, is being hauled daily from the A. L. Robertson ranch, eight miles southeast of Slaton it was stated to a Slatonite representative this week by Mr. Robertson, who says he is furnishing this material for building and paving material in Lubbock, as well as supplying Slaton contractors for their concrete work here.

Mr. Robertson is of the opinion that a portion of his ranch lands will in the future be developed into one of the largest sand and gravel pits in this section. The site is only four miles from Southland, he says, hence a short haul to a railway loading station will be accessible.

### STATISTICS GIVEN

Data compiled recently by the Southwestern Bell Telephone Co. gives out the following numbers of telephones in Slaton on January 1 each year since the year 1920:

1920-138	1923-222	1926-373
1921-183	1924-267	1927-401
1922-195	1925-360	1928-399

J. H. Brewer, president of the First State Bank, and Attorney D. E. Kemp, were in Idalou last Thursday on business. When there, Attorney Kemp, who is candidate for county judge met and talked with many Lubbock county voters.

### SURPRISE BIRTHDAY PARTY

On April 26, Mrs. W. L. Jones gave a surprise party at the club house, honoring her son, Weldon's eighth birthday. All of Weldon's classmates were present, and all were pupils of Mrs. Smart except three. Games, songs and reading were enjoyed by all.

Those present were: Wayne Liles, James Riney, George Talbert, Milford Tecker, Robert E. Martin, William Henry, Billy L. Splawn, T. M. Hill, Roe L. Bullock, Lenaven Hill, Curtis Sikes, Billy Joe Jones, John Merle Martin, Claude Poland, Jr., Luther Tate, Louie Evans, Jerome Burns, John Burns, John D. Smith, Lloyd Htnry, Billy Smith James Smith, Weldon Jones.

Flake Young left early this week for Pecos, where he has accepted a position as salesman in a chain store.

D. D. Roderick, manager of the Avalanche-Journal, and family of Lubbock, were here Saturday evening, visiting his parents Mr. and Mrs. T. E. Roderick.

### FOR WORKING PEOPLE

The best of workers get out of sorts when the liver fails to act. They feel languid, half-sick, "blue" and discouraged and think they are getting laxy. Neglect of these symptoms might result in a sick spell, therefore the sensible course is to take a dose or two of Herbine. It is just the medicine needed to purify the system and restore the vim and ambition of health. Price 60c. Sold by CITY DRUG STORE

### Rotarians Talk Of District Meet; Officers Elected

"What I learned about Rotary at the District Conference at Lubbock", was the subject discussed at the Slaton Rotary Club luncheon last Friday. Sam E. Staggs, Floyd C. Rector, J. Tom Overby and Walter E. Olive were the speakers.

Several visitors were present, including Neil H. Wright, Warren Knox and R. J. Murray of Lubbock. Each responded with a short talk, the last two emphasizing scout training course to be given in Slaton on four Monday nights, May 7, 14, 21, and 28. They urged Slaton to take the course, pointing out its many-sided benefits in boys work.

Friday was annual election time for officers to serve during the year 1928. The following were chosen: John W. Hood, president; W. H. Smith, vice-president; Allen J. Payne, secretary; J. Tom Overby, treasurer; Jee K. Rogers, sergeant at arms; Lucy A. Wilson, song leader; and these two directors; Oskar Korn and P. G. Stokes. These officers will begin their duties July 1. All were re-election except the first two and the last two named.

Other visitors at Friday's meeting included: Rev. James Rayburn, pastor of the Presbyterian church here; Billie Bloodworth, of Floydada; E. N. Taylor, of Abilene; and Tom Bonner, Fort Worth.

At tomorrow's session, a program will be given by the following teachers of the fine arts department of the Slaton schools: Misses Jeanette Ramsey, Grace Bailey, Frances Guffin and Aleene Phillips.

### Lawn Contest Entry Date Limit, May 15

If you are planning to enter the "Pretty Lawn Contest", better not delay much longer, as the final date for entering is May 15. This is the information given out this week by the committee in charge.

Fill out the coupon and mail or carry it to the Chamber of Commerce office at the city hall, if you wish to enter. A larger number of homes have been entered this year already than were in last year's contest, it is announced.

### "My Town" Speaker to Be Selected Tuesday

Slaton's speaker who will represent the city in the "My Home Town" contest at the annual West Texas Chamber of Commerce convention in Fort Worth, June 18, 19, and 20, will be selected next Tuesday afternoon in a tryout at the high school, according to Chamber of Commerce officials. About a dozen students of the school, boys and girls have been working out several days on their speeches. The try-out starts at 3:45 o'clock, and local judges will select the Slaton representative.

### 4-H CLUB GIRLS.

The 4-H Club girls of Posey met in the local leader's home April 25. Nineteen members were present. The yearbook was copied and each member was given a part in the program. Miss Baird did not attend because of the short course. We are sure she will be with us next meeting with some interesting talks, so all members attend. Reporter.

### JACK LOKEY IS REPORTED BETTER

Last reports from the Lubbock Sanitarium indicated that Jack Lokey, of Slaton, who was taken there several days ago for an operation for appendicitis, was on the road to recovery. Following the operation Mr. Lokey developed pneumonia, and for a time his case was considered quite serious, according to reports. Friends will be glad to know of his improved condition.

### Mail Carrier Undergoes Operation Last Monday

W. J. Klattenhoff, of Slaton, carrier of U. S. Mail on Route 2, out of Slaton, was carried to the Lubbock Sanitarium Monday, where, on Tuesday he underwent an operation for appendicitis.

Latest information received at the Slaton office indicated that "Bill" was resting as well as could be expected, which news is welcomed by his many friends here who hope to see him home at the earliest possible time.

George Klattenhoff, younger brother of W. J., is carrying the mail on Rt. 2 in the absence of his brother.

### RENEWING SPARK PLUGS FOUND ACTUAL ECONOMY

National Change Week this year is from May 6 to 12. It is the week in which the Champion Spark Plug Co., strongly advocates that every car owner whose spark plugs have been used a year, or have gone 10,000 miles, should install a complete new set.

The reasons why it is actual dollars and cents economy to do this are easily understood when the part that spark plugs play in general motor car operating efficiency is explained, points out O. C. Rhode, chief engineer of the Champion Company.

"Each spark plug in a motor car fires its charge about 1500 times for every mile the car runs, regardless of whether the engine has four, six or eight cylinders," says Mr. Rhode. "To give efficient engine performance, each plug should give the strongest possible spark at the proper thousandth of a second. Throughout a season of driving, each plug is asked to continue this perfectly timed firing.

"Commencing seven years ago, improved materials, almost countless laboratory tests and highly modernized manufacturing methods were introduced into the manufacture of spark plugs, literally revolutionizing the performance they had previously given. Since that time further radical improvements have been made.

"Yet it is an established fact that they should be replaced every 10,000 miles.

"No automotive product has yet been made which does not deteriorate in service. Probably none will ever be. And probably no product of any description has ever been made which will continue to give the same satisfaction day after day, and year after year, as was capable of giving while new. No matter how well designed or manufactured they may be now or in the future, spark plugs are susceptible to deterioration the same as anything else. They deteriorate almost imperceptibly, it is true, but actual deterioration is there nevertheless. In 10,000 mile of driving each spark plug is called on to fire the astounding number of at least 19,000,000 times, whether or not the car has four, six, or eight cylinders. Because not one per cent of the motor cars in use are constantly kept in the best possible conditions, the spark plug's work is made harder.

### CLASS MEETING.

The Home Makers' class of the Baptist Sunday school held their monthly and social meeting Wednesday afternoon at the home of Mrs. R. W. Collier, Jr., with Mesdames C. M. Lee, M. O. Napps, and Collier as hostesses.

A good attendance was reported, most all class members and several guests being present. Following the transaction of the regular routine of business, enjoyable social events were held. Then refreshments were served by the hostesses.

The next meeting of the class will be held on the first Wednesday in June, at the home of Mrs. E. G. Holloway.

Mr. and Mrs. Carroll Wilson, of Lorenza, visited here Wednesday with the former's brother, L. A. Wilson, and family.

Virginia E. Wilson, of Lubbock, candidate for county attorney, was in Slaton Wednesday meeting voters.

### City League Teams Have Re-organized

The City baseball league has been re-organized and the following teams will start the regular schedule next Monday afternoon, although games are being played this week: West Side, North Side, Texas Avenue, Texas Utilities, Santa Fe Shops, and B. of L. F. & E.

The schedule for next week is as follows:

Monday: North Side vs. Texas Utilities.

Tuesday: Santa Fe Shops vs. West Side.

Wednesday: B. of L. F. & E. vs. Texas Utilities.

Thursday: Texas Avenue vs. North Side.

Friday: Santa Fe Shops vs. Texas Utilities.

### PRESBYTERIAN AUXILIARY

The ladies of the Presbyterian Auxiliary met in a social meeting at the home of Mrs. S. A. Peavy Monday afternoon. Mrs. Pogue and Mrs. Peavy were hostesses. Three contests and a fortune telling scheme were used for entertainment and a dainty plate lunch was served. Those present were Mesdames: George B. Hickok, N. A. Stuart, W. F. Maxey, Clifford Simmons, Martha Heitlerley, Robert Bechtel, Tom Blair, Amick, R. W. Smith, W. Donald, F. A. Donnell, James Rayburn, Zeph Ferguson, George Jones, K. L. Seudder, Ernest Pogue and S. A. Peavy.

### Ken Maynard a Super-Hero in Latest Picture

Ken Maynard is already a hero to thousands of children, but in the First National West Coast Studies, where he made "The Wagon Show," a circus picture, coming next Saturday, May 5th, matinee and night, to the Palace Theatre, he is a super-hero.

Near the studio was a large tent, calliope, elephants, hot-dog stands and everything that goes with a circus lot, for the making of this First National picture. Every day found at least a hundred children gathered there. The American boy's idea of a circus is almost heaven anyway, but when Ken treated the youthful contingent to popcorn, hot dogs and so forth, and then allowed them to sit in the stands and watch the performance seven days running, the world took on a roseate hue indeed.

They applauded lustily at the appearance of the clowns or when Ken made one of his daring rides on Taran. It was just like a regular circus.

"The Wagon Show" was especially written for Maynard by Forde Leebee and deals with a small circus traveling through the Middle West in 1905. There have been many pictures made dealing with circus life, but "The Wagon Show" is one of the most authentic and realistic, for Maynard was a star rider with Ringling Bros. and Barnum and Bailey for over twelve years and is familiar with the life, its hardships and its rewards.

REV. W. H. PHILLIPS.

Mrs. C. R. Cain and son, Joe, of Lorenza, are visiting in the home of her sister, Mrs. J. A. Elliott.

### Next Bible Class Is Friday Night

On Friday night, 8 p. m., May 4, the next Men's Bible class will be held at the First Christian church, (in the basement). This Bible class is a non-denominational class, and we cordially invite all to attend, and wish to especially reach those who do not have an opportunity to attend elsewhere. This class will be held at 8 p. m. each Friday evening hereafter. The subject for the next meeting is: "Seven Dispensations as GOD has given it in HIS WORD, covering Church history from the period of Christ to the new heaven and the new earth.

### PRINT SHOP SELLS TO LUBBOCK MAN

The commercial printing plant, located on Ninth St., which has been known recently as the Slaton Publishing Co., owned by David Fawcett, has been sold by Mr. Fawcett to Gay Eaves of Lubbock, according to recent announcement.

The former owner, who purchased the plant two or three months ago from Stockton Henry, has moved with his family to Lubbock, where he is employed in a commercial printing establishment. Mr. Eaves has not stated whether or not he expects to move to Slaton.

### CARD OF THANKS

We wish to thank those who assisted us through the terrible ordeal of losing our precious baby. For the flowers kind words and other services, we are deeply grateful, and pray that you may be spared such sorrow.

Mr. and Mrs. L. A. McDaniel and family.

### Dem. Convention Meets Saturday

A precinct democratic convention comprising the voting precincts of Slaton, will be held at the city hall Saturday, May 5, at 2:30 p. m., it was stated this week by C. A. Bruner, chairman of precinct No. 24 and H. D. Talley, precinct No. 5, chairman. At this precinct convention delegates to the county convention, to be held at Lubbock, Tuesday, May 8, will be elected it is stated. All democratic voters of the Slaton precincts are requested to attend this meeting.

The republican precinct convention announced last week, the meeting to be called at 3 p. m., at the city hall.

### High Prices Bring Grain to Market

### Successful Year Reviewed as Negro School Term Ends

The school for negroes in Slaton closed with appropriate programs last Thursday and Friday nights, ending what is described as the most successful school term ever had here by the negroes.

E. J. Hoffman, who has been engaged in the teaching profession for 25 years and who has taught in Slaton for the past two years, is principal of the school, and says he will stay with his work in Slaton again next year.

Total enrollment in the negro school this year reached 142. Two students graduated last week, finishing their work in the tenth grade. They were Louise Cadd and Ernest Johnson. These students assisted Hoffman during the last term in teaching. Without this help, Hoffman would have been unable to care for 142 students in the school, he said. The negro baptist church was used as a school building.

Early this week, Hoffman, who is a recognized leader among the people of his race, left for Chicago to attend the annual session of the National Methodist Conference (colored). He attends that convention as the lay floor leader for the Texas delegation, an honor which is considered unusually important.

Besides being a leading school man among his people, having graduated from Prairie View Normal, a Texas negro college, Hoffman is also a leader in fraternal circles. He organized the K. of P. Lodge (colored) in Slaton, and is its chancellor commander. He is the deputy grand organizer among colored people for this lodge in Texas.

Furthermore, Hoffman is a member of the Grand United Order of Odd Fellows, and is connected with other fraternal bodies.

#### NEW HOPE NEWS

Our good friend, Lewis Richardson, has moved to Lubbock, where he has accepted a position with the J. R. Watkins Co. We regret to lose him from our midst, and will greatly miss him.

Miss Modess Denny spent last Saturday with her friend, Miss Mary Scharm.

Mr. and Mrs. Bert McDonald, of Slaton, were guests at the B. E. Denny home last Saturday night.

We are proud to note that Alvin Peterson has fully recovered from an attack of flu.

Mr. and Mrs. R. L. Staple and daughter, Miss Louise, were callers at the Denny home Monday afternoon.

SLATON, TEXAS

**NOTICE OF ELECTION.**

WHEREAS, the City Commission of the City of Slaton, Texas, deems it advisable to issue bonds of the said city for the purposes hereinafter mentioned: Therefore,

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF SLATON, TEXAS, that an election be held in said city on the 8th day of May, 1928, at which election the following propositions shall be submitted:

1st: "Shall the City Commission of the City of Slaton, Texas, be authorized to issue the bonds of the City of Slaton, in the sum of Fifteen Thousand Dollars (\$15,000.00), payable serially from one to forty years from their date, in such denominations as the City Commission shall determine, bearing interest at the rate of 5 1/2 percent per annum payable semi-annually, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to redeem them as they mature, for the purpose of erecting, constructing and equipping a fire station within and for said city, under authority of the Constitution and laws of the State of Texas relating thereto?" and

2nd: "Shall the City Commission of the City of Slaton, Texas, be authorized to issue the bonds of the City of Slaton, in the sum of Ten Thousand Dollars (\$10,000.00), payable serially from one to forty years from their date, in such denominations as the City Commission shall determine, bearing interest at the rate of 5 1/2 percent per annum payable semi-annually, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to redeem them as they mature, for the purpose of improving and enlarging the waterworks system of the City of Slaton, under authority of the Constitution and laws of the State of Texas relating thereto?"

The said election shall be held at the City Hall in the City of Slaton, and the following persons are hereby appointed managers of said election, to-wit: J. A. Elliott, Presiding Judge; J. H. Brewer, Assistant Judge; J. V. Merrill, Clerk, and W. E. Smart, Clerk. The said election shall be held under the provisions of the Constitution and laws of the State of Texas, and only qualified voters, who are property tax payers of said city, shall be allowed to vote.

All voters who favor the proposition to issue the fire station bonds shall have written or printed on their ballots the words: "For the issuance of \$15,000.00 of bonds for the purpose of erecting a fire station and the levying of the tax therefor." And those opposed shall have written or printed on their ballots the words: "Against the issuance of \$15,000.00 of bonds for the purpose of erecting a fire station and the levying of the tax therefor."

All voters who favor the proposition to issue the waterworks bonds shall have written or printed on their ballots the words: "For the issuance of \$10,000.00 of bonds for the purpose of improving and enlarging the waterworks system and the levying of the tax therefor." And those opposed shall have written or printed on their ballots the words: "Against the issuance of \$10,000.00 of bonds for the purpose of improving and enlarging the waterworks system and the levying of the tax therefor."

The manner of holding said election shall be governed by the laws of the State of Texas regulating general elections.

A copy of this order, signed by the Mayor of the City of Slaton, Texas, attested by the City Secretary of said City, shall serve as a proper notice of said election.

The Mayor is authorized and directed to cause notices of said election to be posted at three public places in the City of Slaton, one of which shall be at the City Hall (the place herein designated for holding said election) for at least thirty days prior to the date of said election.

The Mayor is further authorized and directed to have said notice of election published in the Slaton Slatonite, a newspaper of general circulation published in the City of Slaton, which notice shall be published once each week for five successive weeks, the date of the first publication being not less than thirty days prior to the date of said election.

**CIVIC AND CULTURE CLUB (From Last Week)**

The Civic and Culture Club met Saturday afternoon at the home of Mrs. Donald, in response to a call by the president to transact the regular business, in order to free the members to attend the county meeting at Lubbock, Saturday, April 28.

The president, Mrs. M. A. Pember, being absent, the meeting was called to order by the vice president, Mrs. S. H. Adams. Mrs. Fred Schmidt, chairman of a committee appointed to ascertain the possibilities of establishing a Student Loan Fund for boys and girls of Slaton and community, reported that the plan was

favorable, and put before the body, it passed unanimously.

The club will, therefore, establish a student loan fund for either high school or college work, and will have school or college work, and will have available at the beginning of the first semester approximately \$100.00.

At the close of the business session, Mrs. Lee Green, program leader took charge of the meeting, and a very interesting series of talks followed, including Current Events, by Mrs. Frye; Forestry aptly depicted, by Mrs. McHugh, and How to Live, a most interesting and vital subject, by Mrs. Adams.

Mrs. Green eloquently gave an interesting talk on cleanliness of thought closing with the beautiful admonition of St. Paul to the Philippians—4th Chapter 8th verse.

The meeting adjourned to meet at the clubhouse on May 11, and then followed a lovely ice cream course, served by Mrs. Donald, assisted by Miss Beryl Hardesty.

Went to Pieces

"I suffered a long time, before I tried Cardui," says Mrs. Lillie Pruitt, 130 "K" St., Anderson, S. C. "I was badly run-down in health. My nerves went to pieces, and I had to go to bed. I got so bad off, I could not bear to have anybody walk across the floor of my room. The least little thing upset me. Sometimes I become hysterical. I had bad pains in my back and sides, and my head and limbs would take spells of aching, which almost set me wild. "One day I saw where a woman, who had a trouble like my own, had been relieved by Cardui. I decided at once to try it. It began to help me from the very first. I took Cardui regularly, for several months, and my improvement was so remarkable my family and friends were delighted." Try Cardui for your troubles.

every type of weather under all kinds of driving conditions.

Of two to four passenger capacity, the convertible cab with the top up resembles the sport cabriolet in appearance. The top, however, is fully collapsible and folds so completely out of the way that full vision ahead is possible from the rumble seat. An additional feature is the inclusion of a nickel banding around the windows, with the top lowered, as an added protection against the wind.

Finished in Romany Red, with black body beading striped in gold, and embellished with artistic touches of polished nickel, the new model sounds a distinctive style note in the field of low cost transportation. The disc wheels are of the same brilliant color combination as the body.

## Tech Wins in Great Plains College Meet

### THE MATADORS BREAK FOUR RECORDS IN CONTESTS LAST WEEK.

(From the Toreador)  
Beginning by placing practically every man entered in the preliminary events held at Canyon Friday, Texas Tech finished to win the meet Saturday by accumulating the greatest number of points. Some seven Plains colleges were entered in the meet, which is styled the Great Plains meet. Captain Tadlock of the Matadors equalled the 120 yard high hurdle record in the preliminary heat Friday.

On Saturday Fisher ran the 220 low hurdles in 24.8 setting a new record. Payne's relay team, likewise, set a new record making the mile in 3.33;6, while Rosy Edmonds tossed the shot for a new mark of 42 feet 8 1/2 inches. Tadlock tied with Naylor of Clarendon in the high jump at a mark of 6 feet 3 1/4 inches, also setting a new mark.

#### WEST WARD NOTES

We have begun our last month of school. Everyone seems hard at work. New pupils are continuing to enter and work is going on as usual. Our annual exhibit of work done by the school children is to be given Friday, May 4. Everyone is invited to attend and see the work done by the pupils.

Mr. Holloway's baseball boys played High School Friday afternoon and beat them by the score of 15 to 10. This makes five straight games the West Ward boys have beaten High School.

Practice has begun on the Seventh Grade program for the Commencement Exercises to be held May 16th. There are about one hundred and thirty-five members of the class this year.

Miss Mitchell and Miss Clarice Smith spent the day visiting schools away from Elaton. Oleta Russell and I. J. T'onton substituted for them.

Mrs. Mitchell's fourth grade gave a program in chapel on Thursday morning. It was on the line of "Better Table Manners."

At the Parent-Teacher Association were elected:

- Mrs. Odom, president.
  - Mrs. Frye, first vice-president.
  - meeting April 19, the following officers:
  - Mrs. Stottlemire, second v-president.
  - Mrs. Wootton, third v-president.
  - Clarice Smith secretary.
  - Elizabeth Smith, treasurer.
- Our next meeting will be held May 3, 1928. We hope there will be a large number of the parents present.

### Season's Last Santa Fe Number Here Next Tues.

The season's last Santa Fe entertainment will be presented at the high school auditorium Tuesday evening, May 8, according to Uncle George Marriott, manager of the local Santa Fe reading room, who states he believes this program to be one of the best presented this season.

Following is the cast, and a statement by G. R. Miller, superintendent of reading rooms, with headquarters at Albuquerque, N. M.:

#### Personnel

Gladys Jolley Rosser, Soprano; Emma B. Harris, Dramatic reader; William Pilcher, Tenor; and Effie H. Compton, pianist and manager.

The Hollywood Concert Company will be the last of the season and one of the best. This company is composed of four people who are great artists each in their particular line of entertainment.

Gladys Jolley Rosser is the possessor of a dramatic soprano voice of dramatic beauty and seemingly limitless power. Press comments show her to be known over the entire country as a brilliant young artist.

Emma B. Harris, the reader, is a graduate of three fine schools and is known throughout the West as the "Mission Girl" Reader over KNX, who gave the stories and legends of the California Missions.

William Pilcher is a member of the Los Angeles and San Francisco Grand Opera Companies, and has sung the leading tenor role in the "Prince of Pilsen." Mr. Pilchre has unlimited press comments which speak highly of him and his work from such newspapers as the Kansas City Star, Denver Times and Los Angeles Times.

Effie H. Compton, the Pianist and Accompanist, is without question one of the foremost artists of the East. A graduate of the Chicago Music College, Mrs. Compton has been closely affiliated with various prominent musical organizations of Los Angeles.

#### THE B SHARP MUSIC CLUB

The B Sharp Music Club met Tuesday, April 17 at the home of Mrs. Mangrum with Frances Rose Carpenter and Doris Mangrum as hostesses.

A very short and interesting musical program was given. Then the Melody Way pupils of Mrs. Guist held a contest. The winners were:

#### Group 1:

Doris Mangrum, first.  
Virginia Davis, second.

#### Group 2:

Charles Marriott, first.  
Vernell Gale, second.

Delicious refreshments of punch and ice cream sandwiches were served to the members of the club and several visitors.

#### Petty Buys Building For Plumbing Shop

T. O. Petty, local plumber, has bought the W. J. Anderson brick building on Texas Avenue, it was announced early this week, when he moved his plumbing shop and supplies into the building.

Mr. Petty now has more room and a more convenient location for his business, he states. Soon he will add new and modern sheet metal working equipment, he says, and will be ready, he says, and will be equipped to do any work along plumbing and sheet metal lines.

#### NEW HOPE NEWS. (From Last Week)

The District interscholastic league meet held at Lubbock Friday and Saturday, Virginia Mathis won first place in Senior girls declamation, rural school division.

This will be Virginia's second trip to Austin as she went as a junior two years ago in this same line of work.

Brother Logan filled his regular appointment here Sunday and Sunday night.

**NOTICE**

Beginning May 1, all classified advertisements appearing in The Slatonite will be charged for at the rate of two cents per word, payable in advance.

Classified advertisements are not expensive to the user, and are real result getters, and The Slatonite believes they are worthy of being paid for in advance. When they are carried on charge accounts, an enormous amount of bookkeeping is required, to say nothing of the collection expenses, and for the reason that it is necessary that all overhead expense possible be reduced, we have firmly decided to require cash to accompany orders for classified advertisements.

Please do not ask us to carry charge accounts on classified advertisements, for we cannot do it.

Respectfully,  
The Publishers.

**GARAGE BURNS.**

The frame garage of R. H. Bailey, in East Lynn St., was destroyed by fire late Wednesday. Unusually high winds prevented the fire department from saving the building from destruction, it was stated. C. L. Alexander, member of the Slaton Volunteer fire department, suffered injury by having his right leg crushed as the fire fighting apparatus approached the scene. The accident occurred as he alighted from the fire truck, reports indicated.

**Can't Talk to Wife,  
Too Cross and Nervous**

"Even my husband couldn't talk to me, I was so cross and nervous. Vinol has made me a different and happy woman."—Mrs. N. McCall.

Vinol is compound of iron, phosphates, cod liver pep tone, etc. The very first bottle makes you sleep better and have a BIG appetite. Nervous, easy tired people are surprised how QUICK the iron, phosphates, etc., give new life and pep. Vinol tastes delicious.—CITY DRUG STORE.

Mrs. J. A. Klaser was reported ill at her home this week.

The three-year-old son of Judge and Mrs. D. E. Kemp was reported very ill with influenza this week.

Mr. and Mrs. S. T. Florence, of Rule, Texas, left Tuesday, after visiting here with their son, W. P. Florence, and family. They will visit relatives at Amherst and other points before returning to their home.

The Slaton Motor Company, local Ford dealers, recently delivered a Tudor sedan, of the new type, to Carl Greer.

**Attire Counts**

Any man may be in good spirits and good temper when he's well dressed. There ain't much credit in that.—Charles Dickens.

**Slatonite Adds  
New Machinery**

In keeping with the policy of the publishers to expand and improve as the town grows and as business justifies, The Slatonite has this week installed an additional commercial printing press. It is a Chandler & Price, new series, high-speed press, driven by individual motor power.

With this additional equipment, The Slatonite is in still better position to give its customers prompt and efficient printing service. The next time you need printing, call 20, The Slatonite, "Here Since 1911."

**S. F. READING ROOM  
PROGRAM WAS ENJOYED**

Slaton was again happily entertained by an excellent Santa Fe program on the night of April 25.

This company was smaller than some which have come to us but they lived up to the old axiom that "precious articles are done up in small packages." It was the unanimous opinion of the audience that it was one of the best programs that have been offered by the Reading Room this season.

In the person of Miss Sara Jane Simmone the manager had a unique combination and a versatile entertainer for Miss Simmone was both soprano and soloist and reader and in each line she "surpassed herself." She had been to Slaton before some years ago and expressed gratification at the growth and general improvement of Slaton. We are hoping that the Santa Fe will see fit to send her this way again.

It is not often that we have been entertained by an entire family but that is the case in the instance of the Connors. Father, daughter and wife, all musicians of such pleasing personality and marked ability to entertain. The father with the saxophone and clarinet, the daughter on the violin, and the wife as accompanist, charmed us all into wonder. Paul Conner, Miss Margaret Conner and Mrs. Myrtle Armstrong Conner are this happy and gifted trio. We invite them to come back when and as often as they can for their music is beautiful and their influence wholesome to our community.—Contributed.

**DEATHS.**

R. R. Hughes, 72-years of age, and father of Mrs. R. C. Ferrester, of Wilson, died at his daughter's home Friday, April 27, death having occurred suddenly, it was stated, while Mr. Hughes was in a bath tub. His body was buried Saturday in the Tahoka cemetery with Foster Funeral Home, of Slaton, in charge of arrangements.

The year-old son of Mr. and Mrs. L. A. McDaniel, who died Wednesday night of last week, was buried Thursday afternoon in Englewood cemetery, following funeral services conducted by Rev. B. G. Holloway. Foster Funeral Home attended to the body and funeral arrangements. Mr. McDaniel, who is a contractor, was out of town at the time of the death of their baby which occurred after a very brief illness. He returned home as soon as he was advised of the sad misfortune.

Mrs. Roy Gaultney and children, of Lamsa, were here Monday, visiting her father, W. A. Brooks, and family. Mrs. A. M. Martin and baby, of Slaton, accompanied her here. Mrs. Martin is a sister of Mrs. Gaultney and had been visiting in Lamsa.
