Full Reports of Slaton  
Activities.

VOL. XVIII

Slaton, Lubbock County, Texas, Friday, March 1, 1929.

Number 54.

## Chicken Theft Suspects Taken In Custody Here

Two men, who gave their names as J. A. Math and H. L. Jackson, were arrested in Slaton early Thursday morning by U. L. George and W. F. Tarpley, local police officers, after the two men had sold to Slaton produce dealers two lots of chickens on Tuesday and Thursday morning.

Officers believed the fowls to have been stolen at some distant point, and are attempting to identify the rightful owners.

The first lot of chickens sold here by these two men were brought in on Tuesday morning of this week, and were sold to Kelly Produce Co., for \$30.77. The second lot was sold to the Progressive Hatchery early Thursday morning, for \$48.79. Most of the first group were said by officers to have been Silver Laced Wyandottes, while all except four of the second group were Rhode Island Reds. None of the fowls bore tags to aid in identifying their owners.

The check paid the two men by the Kelly Produce company had been cashed, it was said, but the arrest of the pair early Thursday occurred so soon after they had sold the fowls that they had not had time to cash the second check.

Officers succeeded in arresting the two only after a merry chase, and when caught they had apparently thrown the check away, as it could not be found on their persons, it was stated.

The men arrived in Slaton just after daylight on both mornings, and said they were culling their flocks, finding they had a rather large number of fowls that should be disposed of. Suspicions of local officers had been aroused by the first sale, and when the second lot of chickens were brought in, the arrests were made. The men refused to give their addresses. They were lodged in the county jail at Lubbock on Thursday.

## Junior High has Best Attendance At Sunday School

High School, 42 percent, Mrs. Pevehouse leading, 55 percent.

Junior High, 50 percent, Mrs. Wilhite leading, 76 percent.

West Ward, 44 percent, Miss N. Sealy leading, 59 percent.

East Ward, 31 percent, Mrs. Pickens leading, 75 percent.

It will be noted that Mrs. Wilhite's room in Junior High and Mrs. Pickens' room in East Ward have made record percentages. It is also to be noted that Junior High has the best standing at 50 percent.

The entire school system is showing only 44 percent. Many of our teachers are using some very splendid plans to encourage Sunday school attendance.—C. L. Sone.

## Sophs Win in Final Inter-Class Games

A round-robin series of inter-class basket ball games in Slaton High School ended Thursday, the Sophomores emerging victorious, having defeated the Freshmen, 27 to 14, in the final game, which was played at noon.

The Senior team ranked third in the tilts, while the Juniors trailed the most.

## RALLS MAN TAKES RAWLEIGH LINE HERE

W. P. Brittain, recently of Ralls, has moved to Slaton, and has taken over the Rawleigh line of extracts, toilet articles, spices, etc. Mr. Brittain states his family will join him here as soon as the present school term is ended.

## BANKS TO CLOSE SATURDAY

Slaton banks, The First State Bank and the Slaton State Bank, will remain closed all day Saturday, March 2nd, it has been announced by officials of these institutions. This occasion will be in commemoration of Texas Independence Day.

## Famous Lecturer to Be Here on March 8

G. W. SULLEY

Arrangements have been made for the appearance of G. W. Sulley, prominent merchandising authority from the Merchants Service Division of the National Cash Register Company at Dayton, Ohio, who will speak before the Retail Merchants Association at the City Hall auditorium on March 8, at 7:45 p. m.

The address to be given by the Dayton speaker will be of interest to merchants, salespeople and business men generally, because of his intimate association with the latest developments in retailing and his background of thorough study in merchandising, according to reports from other cities where he has spoken.

In his address, the speaker will deal with the modern methods of building better retail business, it is announced. The most successful selling methods, plans for cooperation between merchants, idea in buying and selling, store service and store management, all will enter into the discussion. The importance and proper use of advertising will be dealt with thoroughly by the speaker.

Every point in the address will be illustrated clearly by numerous charts. These graphic illustrations serve to distinguish the discussions on better retailing given by Mr. Sulley from the ordinary business talk.

The speaker comes to this city after visiting many centers in this part of the country where he has spoken before trade conventions, merchants, and salespeople.

## Try-Outs for League Meet are Being Held

About twenty girls met in Miss Smith's studio last Monday afternoon to try out for parts in the Interscholastic League play to be given in March.

"Trifles," by Susan Glaspell, is the play selected by the Slaton Little Theatre to enter the tournament, which will be held in Lubbock.

With Miss Smith and Miss Lokey acting as judges, Flora May Cook and Cordia Grantham were selected for the two leading parts.

A try-out for the boys was announced to be held later in the week.—Reporter.

## REVIVAL SERVICES AT FIRST CHRISTIAN CHURCH BEING WELL ATTENDED

The revival services being conducted by Rev. Howard Rogers, of Clovis, N. M., at the First Christian Church are being well attended, considering the many other attractions, this week. Rev. Rogers is a forceful speaker and an excellent Bible student, and all of his discourses are helpful.

Through the urge of this man of God, the local members have taken on new life and are making plans for doing greater things for their Master here in Slaton.

The services are to continue over Sunday, and perhaps longer, so there is sufficient time yet for you, who have not yet heard Bro. Rogers, to avail yourselves of the opportunity. Those who have already accepted Christ as their Savior will receive great benefit, and those who have not made this step, will hear in each sermon the plan of salvation explained in all its truth and simplicity.

A cordial invitation is extended to all of Slaton. Services begin at 7:30 promptly, closing at about 9 o'clock.

F. A. Henderson, of Plainview, spent Sunday in Slaton visiting Mrs. G. R. Evans and H. L. Henderson.

## Urge Business Men and Farmers To Mass Meeting

Slaton business men and farmers in surrounding territory are urged to attend the mass meeting to be held at the city hall, Friday night at 8 o'clock, to go into details with reference to the creamery project for Slaton.

Every person interested in the creamery coming here should by all means attend this meeting, according to chairmen of committees that are working in the campaign. A short session is all that will be necessary, but it is to be an important meeting, the announcement said.

## Paper Made From Corn Stalks Now On the Markets

Copies of the Anderson Herald, published at Anderson, Indiana, and printed on paper made entirely from corn stalks, has been received here by S. E. Staggs, of the Terminal Grain & Heads Handling Co.

The paper is apparently excellent for use in printing. It is perfectly white, and somewhat glazed, giving the print a clear-cut and easy-to-read appearance.

Staggs believes that the industry of manufacturing paper from corn stalks will be rapidly developed, as the finished product has been proven to be satisfactory.

## Change in Age of Scholastics Will Become Law Soon

A bill, introduced recently into the Texas legislature, providing the scholastic age limit in the State be lowered from seven to six years, passed both House and Senate, and has been signed by the governor. Hence, this measure now becomes a law.

The lowering of the scholastic age, however, will not affect Texas schools until the first of the 1930-31 terms, it is pointed out. At that time, children of six years of age may enter school, whereas heretofore they were required to be seven years old before they could be accepted as students in public schools in Texas.

Indications are that this new law will affect Slaton schools to the extent that two or three additional teachers will be necessary, as well as the probable need of an additional building.

## Junior C. and C. Club Meets Saturday

The Junior Civic and Culture club will meet Saturday, March 2nd, at 3 p. m., with Miss Lucile McCann as hostess at the home of Mr. and Mrs. P. A. Minor, 355 West Garza.

The program for the afternoon is on Joseph Conrad's "The Nigger of the Narcissus", with Vennie Suit as leader. The program is as follows:

Conrad's Study of the Mind and the Emotions of the "Narcissus"—Ruby Dan Smith.

Conrad's Attempt to Portray the Soul, True Spirit, and Mystery of the Sea in the "Nigger of the Narcissus"—Addie Lea Morrison.

The Pleasure and Profit to be Derived from a Novel of Imagination in Contrast With That to be Obtained From a Novel With a Social Purpose—Dorothy Guyton.

## HONEA—DALTON.

Mr. Richard A. Honea and Miss Marguerite Dalton were married Wednesday evening, February 27, at the home of the bride's mother, Mrs. Clara Dalton, here. The newly married couple are now enjoying a honeymoon trip to Ft. Worth. Upon their return from that city they expect to make their home in Lubbock.

Mrs. N. R. Northcutt and Mrs. F. A. Henderson have returned to Plainview, after spending several days visiting with their sister and brother, Mrs. G. R. Evans and H. L. Henderson, and families.

## Milton Thomas to Manage Barrier Bros. New Store

Announcement was made yesterday by Paul Barrier and W. L. Rivers, of Barrier Brothers, Inc., that Milton Thomas, of Slaton, well known here, will be the manager of the Barrier Brothers store, which will open Saturday morning at nine o'clock in the T. M. George building on Garza Street, just north of the city hall square.

Mr. Thomas, who has been in the mercantile business in Slaton for the past several years, states that the new Barrier Bros. store in Slaton will be opened with a complete stock of new and up-to-date spring ready-to-wear for men, women and children, and he invites the public to visit this new enterprise Saturday.

Elsewhere in this issue of The Slatonite appears a large advertisement, announcing the opening of the new store.

## Lone Star Cafe Moves to Forrest Hotel; Buys Fixtures

E. F. Jarman, owner of the Lone Star Cafe, which has heretofore been located on Texas Avenue, has bought the fixtures of the Hotel Cafe, next door to Hotel Forrest. The new eating house is being opened today.

In its new location, the Lone Star will be much better prepared to serve its customers, Mr. Jarman stated. The equipment is new and modern, with all conveniences necessary for the operation of an up-to-date eating house.

Mr. Jarman stated that the same name, The Lone Star Cafe, will be used for the new cafe. He invites his customers to visit the new eating house.

## "Kessel's" is Name Of New Lubbock Firm

The new dry goods store at Lubbock, which was opened there about a month ago, under the temporary name of "The Question Mark Store," has been named "Kessel's". This name is the result of a contest which has been conducted.

Norton Kessel, manager of the store at Lubbock, located at 913 Broadway, stated that many of their early customers insisted that the name of "Kessel's" be given the firm. The reason for this selection of a name is given, due to the manager, Norton Kessel, has been in and around Lubbock for several years—since 1914, in fact. The firm name, then, will be well known to most everyone in that section.

Norton Kessel is a brother of A. Kessel, owner of Kessel's Department Store in Slaton.

## George Green Chosen Director of C. of C.

At a meeting of the board of directors of the Slaton Chamber of Commerce, held Tuesday night, George Green was elected as a director of the organization to succeed Irvin M. Brewer, who recently resigned because of his removal to Temple. This was announced yesterday by Horace Hawkins, president of the Slaton Chamber.

Mr. Green will accept the place on the board, and will assume his place at the next regular meeting of that body, it was announced.

## BABY DIES.

Monroe William, 1 month and 11 days old son of Mr. and Mrs. C. E. Hoelscher, who live west of Union, died Wednesday morning, Feb. 27th, at 1:30 o'clock.

His death was caused from influenza.

Funeral services were held at the Catholic church Wednesday afternoon at 4 o'clock, by Rev. Father Thos. D. O'Brien. Interment was made at Englewood cemetery.

Mr. and Mrs. C. O. Grantham, of Plainview, spent Thursday with Mr. and Mrs. N. Alcorn.

## CREAMERY STOCK SALES CAN BE FINISHED SOON IF WORKERS AID

Slaton Business Men Must Rally to Cause for Few More Days of Intensive Effort; Optimism Prevails.

## Ticket Sales for Carnival Indicate Large Attendance

If the number of tickets purchased is any indication of the success of the show, the third annual carnival, sponsored by the West Ward Parent-Teacher Association, which will be held tonight at the West Ward school auditorium, will be a one hundred percent success—it will be the best yet held in point of attendance.

School children of the different rooms of the West Ward schools are conducting a ticket-selling campaign, competing for prizes for their rooms, and they are meeting with the best of success, according to Principal J. B. Caldwell. Wednesday morning a second order of tickets were printed.

Very reasonable prices for admission are being charged. Mrs. L. C. Odum, president of West Ward P.-T. A. said, and she, and others of the organization assure a big time for all who attend.

The first show will begin promptly at 7:00 o'clock. That's tonight, Friday, March 1st.

Proceeds of the carnival will be expended in beautifying the West Ward school campus, officials of the P.-T. A. announced.

## Ford-Cole Motor Co., To Handle Oakland And Pontiac Cars

J. B. Cole and H. Ford, of Lubbock, were in Slaton Wednesday, in company with E. N. Twaddle, and closed a deal for the lease of the Twaddle Building, at 166 North Texas Avenue.

Messrs. Cole and Ford will handle Oakland and Pontiac cars, they said, and will keep on display the latest models and types of these cars. The firm-name will be Ford-Cole Motor Company.

The building will be occupied by the new firm as soon as necessary alterations can be made, Mr. Twaddle, the owner, stated. Driveways, for both front and rear of the building, are to be constructed.

Both Mr. Ford and Mr. Cole expect to move to Slaton with their families within the next few days, and both of these men will give their entire time to the Oakland-Pontiac automobile business.

## Grand Jury to Meet In Called Session

Judge Homer L. Pharr, district judge of the 72nd Judicial District, has called the grand jury to reconvene today, Friday, March 1.

J. H. Teague, Sr., of Slaton, is foreman of the jury, and other members from Slaton include J. W. Henry, J. H. Brewer and C. J. Slaton.

## James L. Dow Buys Newspaper at Ralls

The Ralls Banner, formerly owned by "Dick" Hyatt, was sold early this week to Jas. L. Dow, of Lubbock, pioneer newspaperman of the South Plains, Mr. Hyatt taking the Dow Printing Company's plant, at Lubbock, as part payment on the Banner.

James R. Dow, manager of the Dow Printing Co., is moving to Ralls, and will be resident publisher of the Banner, it was stated. Mr. Hyatt will operate the commercial printing plant and stationery business in Lubbock. James L. Dow, new owner of the Banner, expects to remain in Lubbock.

Mr. and Mrs. H. T. Newby left here Wednesday for Silver City, New Mexico, in response to a message advising them of the serious illness of the latter's father, S. B. Withers, who is 92 years of age.

Considering the excellent progress made this week in the sale of creamery stock, members of the various committees at work in the campaign were optimistic about the success of the project, and said Thursday that the final goal is in sight if Slaton business men will only rally to the cause for a few days of very intensive effort in completing the stock sales.

"Every business man in Slaton who can possibly spend a few hours or a few days at this task should by all means volunteer his services now in the interest of his own business and the welfare of the community," said L. A. Wilson, secretary of the Slaton Chamber of Commerce, in talking with The Slatonite on Thursday afternoon. "There is too much at stake for us to stop now; we must stay on the job until the campaign is over, because the increased prosperity of this city and of the farmers of this territory is hanging in the balances," he added.

This statement made by Mr. Wilson was approved by many of Slaton's leading business men, and is the general sentiment felt by Slaton leaders who have taken an active interest in the campaign from the very beginning, it was declared.

Workers in the campaign said Thursday afternoon that they are thoroughly confident the creamery project will be finished successfully, and they point out that if such proves true, Mr. Fraser, president of the creamery company, has contracted to see that the creamery will begin operating by the first week in April.

Farmers who buy stock in the creamery will be able to pay it out on easy deferred payments, receiving more in advanced prices for their cream than their stock will cost them during the paying-out period, it is declared by campaign leaders. Business men will benefit from the creamery in sufficient amount to justify their taking stock, and all such stock pays seven per cent on the investment, as has been explained heretofore.

A final rally in seeing the people who have not yet been seen is now the main thing to be accomplished, and the business men of Slaton are depended upon to put the campaign over in good shape, it was declared Thursday.

## Local Realtor is Married at Post Wednesday Evening

As a complete surprise to Slaton friends, word was received here Thursday of the marriage of J. T. Overby, local realtor, to Mrs. Florine Connell, of Post. The ceremony was performed at Post Wednesday evening, Feb. 27, by the Rev. M. C. Bishop, pastor of the Baptist church there.

Mr. and Mrs. Overby expressed intentions of making their home in Slaton.

The groom, who has been a resident of Slaton since the founding of the city, has been prominently identified with civic and commercial bodies for years. He has been for several years of the past, director of the Slaton Chamber of Commerce; is now treasurer of the Slaton Rotary club, and treasurer of the Slaton National Farm Loan Association. He is owner of the restricted residential district west of the County Park, and has had much to do with the development of residential section of Slaton.

Overby's many friends here are hastening to him with hearty congratulations, and are offering to his bride a "welcome to our city," wishing them many years of happiness and prosperity.

## ATTENDS REUNION.

Uncle George Marriott, manager of the local Santa Fe reading room, in Post Tuesday night attended annual reunion of old time Texas. He reported a successful occasion. During the reunion George took

NOTICE OF CHARTER ELECTION, and declaring an emergency.

AN ORDINANCE, ordering an election in and for the territory described in Section 1 of this Ordinance, to be held on the 19th day of March, A. D. 1929, for the purpose of submitting to the qualified voters resident within the said territory the question of the adoption or rejection of the proposed Charter prepared and framed by the Charter Commission heretofore selected; designating the place at which said election is to be held; appointing a presiding officer of said election,

WHEREAS, on the first day of November, A. D. 1928, the citizens of the City of Slaton, Texas, in public meeting assembled, held at the City Hall in said city, selected a Charter Commission of fifteen (15) qualified citizens of said city to frame a new Charter for the said city; and, WHEREAS, the City Commission of the City of Slaton, Texas, has examined into and investigated the regularity of the proceedings for the selection of the said Charter Commission

and finds that the same were had in due and legal manner and in strict conformity with all the requirements of law; and, WHEREAS, each and all of said fifteen citizens, so selected as aforesaid, duly qualified as members of said Charter Commission; and met and organized same, and duly proceeded to frame a new Charter for the City of Slaton, Texas, and heretofore, on the 4th day of February, A. D. 1929, as such Commissioners, signed such proposed new Charter, and duly provided for the submission of same to a vote of the qualified voters of said city and territory, at an election to be held upon the question of the adoption or rejection of such Charter upon the 19th day of March, A. D. 1929; and, WHEREAS, the said Charter Commission provided that the present City Commission shall call the election for such purpose; and,

WHEREAS, the said Charter Commission will ratify and confirm and make the enactment of this Ordinance its act and deed, and will make such Ordinance its order for such election, all of which will be evidenced by the signatures of the members of said Charter Commission appended heretofore under the words: "APPROVED BY CHARTER COMMISSION"; therefore,

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF SLATON, TEXAS:

Section 1. That an election shall be held on the 19th day of March, A. D. 1929, within and for the territory set forth in the proposed Charter, as constituting the City of Slaton, Texas, described by metes and bounds as follows, to-wit:

Beginning at the southwest corner of Survey No. 44 in Block S;

Thence West 640 feet to a point in the south boundary line of Survey No. 47, same block;

Thence South 3,000 feet to the southwest corner of the northwest quarter of Survey No. 20, in Block No. 24;

Thence East 7,920 feet to the southeast corner of the northwest quarter of Survey No. 19, in Block No. 24;

Thence North 2,009.2 feet, being thirty (30) feet north of the Northeast corner of Lot No. 1 in Block No. 52 in the South Park Addition to the Town of Slaton, Texas;

Thence East on the south boundary line of Geneva Street 2,640 feet to the west boundary line of Survey No. 18 in Block No. 24;

Thence North on Avenue F 612 feet to an iron stake for corner;

Thence East along the south boundary line of Block No. 117 in the South Slaton Addition to Slaton, Texas, 320 feet to the east line of said block;

Thence North 2,400 feet to stake for corner;

Thence in a Northwesterly direction approximately 6,200 feet to an iron stake in the south boundary line of Survey No. 43, Block S, 300 feet north of the northwest corner of Lot No. 50 in the extension of Block A of the Original Town of Slaton, Texas;

Thence South 400 feet to the southwest corner of Lot No. 50 in the extension of Block A of the Original Town of Slaton, Texas;

Thence in a southeasterly direction along the south boundary line of the extension of said Block A of the Original Town of Slaton, Texas, 1,000 feet to the southwest corner of Lot No. 30 in said Block A;

Thence South 34 deg. 32 min. west 2,090 feet to a monument;

Thence North 55 deg. 33 min. west 3,192 feet to the west line of Survey No. 44, Block S;

Thence South 4,572 feet to a stone, being the southwest corner of Survey No. 44, in Block S, the point of beginning; at which the following proposition shall be submitted:

Shall the Charter reported by the Charter Commission to the City Commission of the City of Slaton, Texas, on the 4th day of February, A. D. 1929, and which had been duly prepared by the Charter Commission duly selected by the qualified citizens of said city in mass meeting assembled on the 1st day of November, A. D. 1928, be adopted as the Charter of the City of Slaton, Texas, as contemplated and authorized by the Constitution and laws of the State of Texas, including Chapter 13 of Title 28, Revised Civil Statutes of the State of Texas of 1925?

Section 2. Said election shall be held at the City Hall in the said City of Slaton. J. H. Teague, Sr., is hereby designated and appointed presiding officer at said election, and he shall select two judges and two clerks to assist him in holding the same.

Section 3. That said election shall be held under the provisions of Chapter 13 of Title 28 of the Revised Civil Statutes of the State of Texas of 1925, and all persons resident within the limits of the territory defined in Section 1 of this Ordinance who are qualified voters under the laws of Texas regulating general elections shall be allowed to vote.

Section 4. That the manner of holding said election shall be governed by the general laws of the State of Texas, regulating general elections, when not in conflict with the provisions of the law hereinbefore referred to.

Section 5. All voters desiring to adopt the Charter so prepared and reported by the Charter Commission shall have printed on their ballots the following:

"OFFICIAL BALLOT CITY ELECTION. QUESTION: Shall the Charter framed by the Charter Commission be adopted?"

FOR the adoption of the Charter". All voters opposed to adopting the Charter so prepared and reported by the Charter Commission shall have printed on their ballots the following:

"OFFICIAL BALLOT CITY ELECTION. QUESTION: Shall the Charter framed by the Charter Commission be adopted?"

AGAINST the adoption of the Charter."

Section 6. That the actions of the aforesaid Charter Commission, and of the City Commission, in calling the election for the purpose hereinabove stated, and in all other respects with reference to the framing of said Charter and submitting the same for adoption or rejection, are hereby ratified and confirmed, and the said Charter shall be held to be the Charter of the City of Slaton, Texas, from and after the date of its adoption.

done by the present City Commission of the City of Slaton, Texas, with respect to the matters and things dealt with in this Ordinance, and shall make the same their act and deed by subscribing their respective names hereto under the caption, "APPROVED BY CHARTER COMMISSION," and such names so subscribed shall be published as a part of this Ordinance.

Section 7. A copy of this Ordinance shall be sufficient notice of said election, and thirty days' notice of the time and place of holding the said election shall be given by posting certified copies thereof in three public and conspicuous places within the said designated territory as set out in Section 1 of this Ordinance, one of which shall be at the City Hall, at least thirty days prior to holding said election, and by publication of such notice once each week for five weeks, the date of first publication being not less than thirty full days prior to the date of said election.

Section 8. The fact that the present form of government of the City of Slaton is inadequate, and that the public interest requires a change in the form of the government of said city, creates an emergency and an imperative public necessity that this Ordinance take effect and be in full force from and after its passage (there being no Ordinance of said City requiring Ordinances to be read at more than one meeting of the Commission), and it is ordained that this Ordinance shall take effect and be in full force immediately upon its passage and approval.

Passed and approved this 15th day of February, A. D. 1929.

W. G. REESE, Mayor.  
ATTEST: HARVEY AUSTIN, (SEAL) City Secretary.  
APPROVED BY CHARTER COMMISSION.

THE STATE OF TEXAS,  
CITY OF SLATON,  
COUNTY OF LUBBOCK.

I, Harvey Austin, City Secretary of the City of Slaton, Texas, do hereby certify that the above and foregoing is a full, true and correct copy of the Ordinance Ordering Charter Election passed by the City Commission of said City of Slaton on the 15th day of February, A. D. 1929.

In Testimony Whereof, I have hereunto set my official hand and affixed the Seal of said City, at office in Slaton, Texas, this 15th day of February, A. D. 1929.  
(SEAL) HARVEY AUSTIN, City Secretary, City of Slaton, Texas.

HORSE SENSE.

A well known auctioneer, who enjoys something of a reputation as a judge of horseflesh, once received about such a letter as this, asking for advice:

"I have a horse that appears normal at times, and at other times is lame and ill tempered to an alarming degree. What shall I do?"

The auctioneer's answer was: "The next time he seems normal, sell him."

Jazz King Turns To Car Salesman

From the muted trombone to a bona fide order for a new automobile may be a far cry in the life of the average musician, but to Paul Whiteman, recognized king of jazz, the role of car salesman of maestro falls easily and naturally.

Years ago Whiteman sold cars in Denver, Colo. He sold cars while studying music and dreaming of the day when he would turn the voice of the saxophone into coin of the realm. So it was perfectly in character for him recently, while rendering concerts at the opening of a new Oakland-Pontiac salesroom at Detroit, to give up the baton for the fountain pen, step from the concert platform to the sales floor and demonstrate that he had lost none of his old-time finesse in the matter of getting names on the dotted line.

Whiteman's first sale was for two new Pontiac Big Six 2-door sedans. In two and a half hours he sold five cars, and in five days he ran this total to thirteen.

His own success in the venture prompted him to sponsor an automobile sales contest among his band members. Whiteman put up a new Pontiac Big Six sport roadster as a first prize. Between concert numbers members of the band took up predetermined positions on the floor alongside display models of the new Pontiac or the latest Oakland All-American Six—two musicians to a car, and a regularly employed salesman also in attendance to answer detailed questions of prospects.

Kurt Dieterle, violinist extraordinary, ran away with the prize, averaging two sales a night for the five days. The rivalry developed by the contest among the thirty-odd musicians, resulted in the sale of 134 Oakland and Pontiac Sixes.

CONOCO-ETHYL is weatherproof

Conoco Ethyl Gasoline performs at its best twelve months out of every year. It knows no seasons.

It gives the same quick start in February as it does in May—and it follows through by delivering steady, sustained, "knockless" power against the piston heads.

That's important! It's not hard to find a motor fuel that will start easily. Your chief concern should be in what it does after starting.

Being a combination of Conoco, the Triple-Test Gasoline, and Ethyl Brand of Anti-Knock Compound developed by General Motors, Conoco Ethyl is the ideal motor fuel. You'll feel the difference in the operation of your car the very second you switch to Conoco Ethyl.

So why not join the thousands of contented Conoco Ethyl users? Why not get out of your car all of the power which its designers put into it?

Start the habit today by drawing up to a Conoco Ethyl Pump—at service stations and garages.

**Health is Better Following Campaign For Better Foods**

**MATADOR.**—A better foods program conducted in Motley county last year by Miss Norma Morrow, home demonstration agent, has resulted in 70 percent of home demonstration club women using more raw fruits and vegetables and cooking vegetables and meats better. Nearly every member has followed the practice of preserving foods for winter use and half of them have used the canning budget advocated by the Extension Service to insure a year-around supply of health giving foods for the family. Reports to Miss Morrow show that the general health conditions of the families adopting these practices have been much improved, and the study of food in relation to health is becoming very popular in Motley county.

**How to Get Higher Prices For Farm Crops**

Hit or miss methods in the feeding of good crops which cost the farmer money and time to grow do not add to the farmer's profit, according to Dr. F. B. Morrison, nationally known authority on animal nutrition. Experiments have shown that it doesn't cost any more to raise crops that contain just the right elements for a ration than the other kind.

**A dairy cow capable of producing 30 pounds of milk daily with 5.5 percent butterfat is frequently fed a daily ration of 12 pounds timothy hay, 36 pounds corn silage, four pounds ground barley. This daily ration costs the farmer 34c, but the cow only produces 10.3 pounds of milk daily.**

The same cow, Mr. Morrison states, could be fed a daily ration costing the farmer exactly the same price and yet produce three times as much milk. The properly balanced ration would be 12 pounds alfalfa hay, 36 pounds corn silage, four pounds wheat bran, and four pounds linseed meal.

The first ration kept down the cow's potential productivity because it did not contain enough protein. The farmer can pay for the wheat bran and the linseed meal which he must buy from the increased production of milk and still show a nice profit.

Crops that are fed in the form of balanced rations and are then figuratively sold to good highly productive animals are sold on the highest paying market in the world. Comparing the profits obtained from the first ration and the balanced ration, the farmer who uses the balanced ration gets \$1.06 per ton more for every ton of silage, \$5.32 more for every ton of hay, 79c for every bushel of corn, and 84c for every bushel of barley after the cost of the wheat bran and linseed meal have been deducted from the earnings.

Another good balanced daily ration for the dairy cow is one pound of hay and three pounds of silage for each 100 pounds of the cow's weight in addition to one pound of a mixture of corn, oats, barley and other home grown grains with linseed meal to every three or four pounds of milk produced daily.

**WHAT IS THE FARM OUTLOOK FOR 1929?**

Boiled down to the fewest words possible, the February 15 Oklahoma Farmer-Stockman gives the outlook for each crop and kind of livestock in 1929 as follows:

**Cotton:** Acreage should not be expanded. Holdover fully normal. Prices last year due largely to low acre yield. High yields this year on same acreage will bring low prices.

**Wheat:** Holdover above normal. Winter wheat acreage above five-year average. No evidence of prices much, if any, better than received for the 1928 crop. World acreage of wheat expanding. American farmers facing more competition from new, cheap lands every year.

**Potatoes:** Outlook not bright and very uncertain. Old crop holdover larger than last year.

**Peanuts:** Same acreage as in 1928 should result in about the same price

in 1929. Acreage should not be expanded. Large acreage and average yields will bring low prices.

**Eggs:** Lower prices first half of 1929 than in first half of 1928. Second half of 1929 uncertain.

**Poultry for meat:** Higher prices during first half of 1929 than during first half of 1928. Second half uncertain.

**Butterfat:** Probably about the same spread between fat prices and feed prices as during 1928, if industrial activity maintains demand for butter.

**Hogs:** Smaller supplies expected to bring better prices than in 1928.

**Sheep:** Favorable prices for wool, of which we produce only one-half of our consumption. Larger supplies of lambs expected to bring lower prices unless consumption increases.

**Beef cattle:** Continued good prices throughout 1929, barring severe industrial depression.

She: "Why do you suppose the nurse mixed those babies up?"  
He: "Wanted a change of hair, I suppose."

**NEW GARDENING BULLETIN AVAILABLE**

**COLLEGE STATION.**—Gardening as a science, an art and as a means to health is discussed in a recent bulletin published by the A. and M. College Extension Service and distributed free upon request under the name, "Gardening, B-70." It is the work of J. F. Rosborough, horticulturist in the Extension Service, and Frank S. Jamison, assistant professor of horticulture in the School of Agriculture. It is the first complete garden bulletin issued by the Extension Service in a number of years and the only one available at present strictly applicable to Texas conditions.

**LONG DISTANCE GAS TRANSMISSION MAIN COMPLETED**

To give better and more uniform service to consumers, the gas industry is rapidly abandoning many small uneconomical plants and is turning to high pressure transmission lines and large economical gas manufacturing

plants, just as large electric stations are being interconnected throughout the country.

Probably the largest of such gas systems in the East was recently made fully available when a 20-inch main crossing under the Quinnipiac River, Connecticut, was completed. The main is 65 miles in length and connects the distribution systems of Hartford and New Haven and the towns and cities en route, with the large gas plants at Hartford and New

Haven. Gas generating plants in intermediate cities have been discontinued.

**Beg Your Pardon.**

Here's a gem from one of our exchanges:

"Miss Josie Diviny and Fred Browne were married at Hoxie, Kansas, some weeks ago. They are both very highly respected and we did not suspect it until yesterday."

Cotton Seed of the Western Wonder variety from the Hall Co. Seed Co., Memphis, Texas. This seed is from cotton which made a bale per acre, of high lint, and good staple, not bad to fall out. Will mature two weeks earlier than any seed grown in the East or South. Almost perfect germination. Price \$1.75 per bushel, while they last.

**Slaton Produce Co.**  
Texas Ave. Slaton, Texas

**Worried Night after Night as health declined**

"I SUFFERED frequently from nervous headaches, and I could not sleep well," says Mrs. Cora Dover, R. F. D. 2, Hickory Grove, S. C. "I was thin and pale. I was so weak I could scarcely walk. I tried several remedies which were suggested, but nothing seemed to help me. Night after night I worried because I could see I was going down-hill. I had my children to look after, and I was afraid of what would become of them if anything happened to me."

"I began to take Cardui on the recommendation of a friend. It wasn't long until I was beginning to pick up. My strength gradually began to return. I rested better at night and was less nervous. I took several bottles of Cardui, and when I had finished taking it I was in fine health."

**CARDUI Helps Women To Health**

Take Theford's Black-Draught for Constipation, Indigestion and Biliousness.

**A TIGHTWAD---**

Such a reputation is never acquired by the prudent, thrifty person who makes regular savings an important part of his rule of conduct.

The spendthrift—the person who wastes his money—is the real tightwad—the one who is never in a position to meet financial responsibilities.

Be prepared to play your part in the life of the community and to meet your responsibilities to your family and relatives.

**"THE TRAIL OF '98" IS  
REAL EPIC OF NORTH**

What "The Covered Wagon" was to the west, "The Birth of a Nation" was to the south, "Way Down East" was to New England, is just what "The Trail of '98" is to the far north.

It is only once in a great while that film producers succeed in turning out a real epic. Not that they don't try; it's because there isn't enough material of the right kind to make many epics.

But Metro-Goldwyn-Mayer has certainly hit on a story of epic quality in "The Trail of '98", which was directed by Clarence Brown and is now being shown with sound synchronization and a surrounding sound program at the Palace Theatre on Friday and Saturday.

When you see this picture you not only see the days of the mad gold rush to the Klondike—you live them.

Every member of the enormous cast deserves credit for what he did in "The Trail of '98". There's Dolores Del Rio, who has always been a good performer. In this picture she is an artist. We haven't seen as much of Ralph Forbes on the screen as we

would like to; we want to see him often. All of us know and love Harry Carey as a sterling actor. He is at his best in the villainous role of Jack Locasto.

There are Karl Dane, George Cooper, Emily Fitzroy, troupers all, and mighty fine performers.

Take the love story out of "The Trail of '98" and you still have a marvelous spectacle—put it back and you have an epic.

Clarence Brown has succeeded in doing something which is seldom done. He has filmed mighty, spectacular scenes but he shows them only to let you realize the effect they have on the individuals in his picture.

You see thousands of people in a single scene, but that scene isn't crowded. It has square miles of background—background that takes away the spectacular and gives balance. The picture has real grandeur and magnificence, but it also has heart interest.

The total volume of water flowing into the Gulf from Texas streams is approximately 26,913,000 acre-feet a year.

**CLASSIFIED ADS**

**Classified Advertising Must be Paid Strictly in Advance**

Due to the fact that considerable time and expense is required in keeping books on small accounts, and that collecting them is, in many cases, very difficult and unpleasant, The Slatonite will positively no longer accept classified advertisements for publication unless cash accompanies the order.

We firmly believe the classified advertisement column is a profitable column for our customers. This has been proven conclusively time and again. Hence, we believe when the column is used the user should pay for the service.

The rate for this class of advertising is two cents per word for each insertion, with a minimum charge of twenty-five cents. This is very plain and easy to figure.

Please do not ask us to accept classified advertisements over the telephone, for they will positively not be inserted in the paper. Send the "copy" to our office, accompanied by payment, figured at the above quoted rate.—The Publishers.

**New Recipe for Kraut.**  
In bottom of buttered baking dish place a layer of kraut, then a layer of cooked egg-noodles and a layer of crumbled sausage; repeat until dish is filled; place whole sausages on top and bake slowly until the meat is browned (about 1 hour).

**Doctors Disagree**  
When children are irritable and peevish, grind their teeth and sleep restlessly, have digestive troubles and disturbances, lack of appetite, and have itching eyes, nose and fingers, doctors will not always agree that they are suffering from worms. Many mothers, too, will not believe that their carefully brought up children can have worms. The fact remains that these symptoms will yield, in a great majority of cases, to a few doses of White's Cream Vermifuge, the sure expellant of round and pin worms. If your child has any of these symptoms, try this harmless, old fashioned remedy, which you can get at 35c per bottle from City Drug Store.

**Probable Members  
Of Hoover's Cabinet**

Col. Henry L. Stimson  
It is reported that Col. Stimson is slated for a post in the Hoover cabinet, said to be that of Secretary of State. He is Governor General of the Philippine Islands.

Dr. Ray Lyman Wilbur  
Dr. Wilbur, of San Francisco, brother of Curtis D. Wilbur, is being mentioned as a possible Secretary of the Interior in the cabinet of Herbert Hoover. He is president of Stanford University.

William N. Doak  
William N. Doak of West Virginia, vice president of the Brotherhood of Railway Trainmen, is reported to be slated by Hoover for the post of Secretary of Labor.

**Glycerin Mixture  
Stops Constipation**

The simple mixture of glycerin, buckthorn bark, saline, etc. (Adlerika) acts on BOTH upper and lower bowel and relieves constipation in TWO hours! Brings out old waste matter you never thought was in your system. Don't waste time with pills or remedies which clean only PART of the bowels, but let Adlerika give stomach and bowels a REAL cleaning and see how good you feel. City Drug Store.

**Date Pudding.**  
1 cup chopped dates, 1 cup chopped

pecans, ¼ cup sugar, 2½ tbs. flour, 3½ tbs. milk, 2 eggs, 1 tsp. baking powder. Sift dry ingredients, add milk and eggs, then dates and nuts; beat well, bake for 30 or 40 minutes in buttered pan, set in hot water. Serve with whipped cream or foamy sauce.

Mrs. L. R. Gregory is reported to be ill at her home on West Garza Street, suffering with influenza.

**A Great Discovery**

When Pasteur discovered, in 1852, that the infection of wounds was caused by malignant bacteria, he performed a service of inestimable value to mankind. Since then medical science has been producing better and better antiseptics, to kill these germs that may enter the smallest cut and give us diseases such as typhoid, tuberculosis and lockjaw. Now, all you have to do to be sure that these dreadful germs will not infect a wound, is to wash that wound, however small, thoroughly with Liquid Borozone, the modern antiseptic. You can get Liquid Borozone, in a size to fit your needs and purse, from City Drug Store.

**Bigger Profits on the Farm  
This Year**

The successful farmer of today is a manufacturer. He must be as well informed on the latest mechanical equipment as the big factory owner.

And each year brings forth new implements, new machinery, that spells reduced labor costs and bigger production per acre and per man at work.

As distributors of the OLIVER line of farm implements, it is our desire always to be first with the latest here in implement. We are placing great emphasis upon our implement department this year. See us when you begin to make plans for the new year.

### FAMOUS ALASKA GAMBLER HAS PART IN PICTURE, "THE TRAIL OF '98"

The Cherokee Kid, famous gambler and dealer, through whose hands more than \$50,000,000 are said to have passed in more than a half century at the gaming tables, has reformed.

He's in the movies! "The Cherokee Kid" plays a bit in "The Trail of '98," Metro-Goldwyn-Mayer's great northern epic directed by Clarence Brown, which will be shown at the Palace Theatre Friday and Saturday, with sound synchronization. Of course that bit portrays him as a gambler—a dealer in the notorious Monte Carlo gambling casino in Dawson City in 1898 when the Klondike gold rush was at its height. Scott Turner, the real name of the Cherokee Kid, is seventy-two years of age. He has been a gambler and dealer since he was sixteen.

## News Of Union

Mrs. Allen Young is very sick. A doctor was called from Lubbock for her Tuesday morning.

The ladies of the community played against the school girls Tuesday afternoon in a basketball game. The score was 5 to 7, in favor of the girls.

Mrs. E. A. Dearing is still on the sick list.

Rev. J. T. Clynton will begin the Baptist Revival Meeting the third Sunday in March, the 17th. Everyone is cordially invited to attend.

Mr. and Mrs. B. T. Ussery attended the Baptist Workers Conference at Levelland February 19, and also spent the night with their daughter, Mrs. A. C. Weaver, who lives there.

Mrs. Morris Pierce spent Sunday night with her mother, Mrs. Price.

Mrs. Bill McGlothlin visited Mrs. Allen Young Tuesday afternoon.

### \$1 Fine for Each Fish.

New York. — Louis Kostowsky told a fish story to the judge to explain his failure to stop his auto on signal. He said he was in a rush to bring fish he had caught home to his wife. The magistrate fined him \$1 apiece for the three fish he had caught.

He has amassed and lost a dozen fortunes—usually by the turn of a card.

"In all these years I never had more than a half million dollars at one time," says the Kid. "I just couldn't do anything with it, so I gave it away."

"Today I am working for seventy-five dollars a week as a film gambler. It doesn't pay to gamble."

Ralph Forbes, Dolores Del Rio, and Harry Carey head a cast of fifty well-known screen players who appear in the production.

## Announcement

To our already efficient service we have added an expert mechanic, Mr. T. T. Crass, recently of Marling Oil Co., Midland. Mr. Crass is an expert in lathe work, welding, and all kinds of automobile work.

Bring your troubles to us, and you will be assured of the best of service—with reasonable prices.

## GOLD FISH FAVORITE PETS AT JARVIS HALL

FORT WORTH.—Gold fish seem to be the favorite pets for the girls in Jarvis Hall at Texas Christian University. These fish are found in all shapes, sizes and shades.

Some of the girls name their pets after their favorite characters in Old English poetry, such as Beowulf, Grendel or Widsith. Others choose names of great philosophers such as Socrates and Plato. Two of the girls have even named their gold fish for two of their boy friends.

"That's not their names, however," the girls explain. "Since examinations, instead of Bill and Scott, we call our pets after our two favorite courses—Bust and Flunk!"

Miss Inez Evans, who has a position in Plainview, visited with her parents, Mr. and Mrs. G. R. Evans a few days this week.

### Just Like An Ostrich

A medical authority says that a person who tries to cover up skin blemishes and pimples with toilet creams and powders is just as foolish as an ostrich that buries its head in the sand to avoid danger. Skin eruptions are nature's warning that constipation is throwing poisons into your blood stream and weakening your system. Remove the constipated condition and you will strengthen your system against disease and clear up your disfigured skin. The best way to do this is with a course of Herbine, the vegetable medicine that acts naturally and easily, which you can get at

City Drug Store.

**Utility Man Saves School and Bridge**

How J. Price Dukemenier, of Childress, employe of the West Texas Utilities Company, probably averted a railroad wreck, saved property of the Fort Worth & Denver Railroad from fire, and a few days later extinguished flames which were threatening to destroy the Prairie Hill school house near Wellington, became known when he modestly exhibited a letter of thanks from an official of the railroad.

Driving along the highway beside the railroad right of way, Dukemenier discovered the railroad bridge, spanning Red River, afire.

He jumped from his automobile, found water in the barrels alongside the bridge and extinguished the flames.

Several days later Dukemenier was driving past the Prairie Hill school and noticed smoke curling out from

under the doors and windows. Investigating he found fire had broken out in the coal bin in the basement of the building. He had no firefighting apparatus, but called the Wellington fire department. When the engines arrived the firemen found the smoke so dense it was difficult to enter the building. Dukemenier donned his gas mask, which is a part of his safety equipment, and entered the building and extinguished the flames with chemicals.

**Rabbit a la Mode.**

Soak cut-up rabbit in salt water for ½ hour, then for 24 hours in 2-3 qt. mild vinegar seasoned with a big slice onion, 1 bay leaf, salt, pepper and cloves to taste. After 24 hours remove meat, roll in flour, fry in butter until brown, then pour over it the vinegar liquid, simmer for 1½ hours and thicken gravy with butter and flour.

**A. C. C. to Have Lecture Week Program**

The annual Abilene Christian College Lecture Week Program will be held from February 24 to February 28 in the college gymnasium it has been announced by President Batsell Baxter. The announcement was necessitated by the fire which recently destroyed the A. C. C. Administration Building and auditorium.

The lectureship, which is held at A. C. C., each year during the last week of February, is the outstanding meeting of preachers and members of the Church of Christ in the Southwest. Outstanding leaders of the Church lecture to gatherings held three times daily. The principal lecturer this year is to be Hall L. Calhoun, Ph. D., of Nashville, Tennessee, an outstanding writer and preacher of the Church. J. P. Sewell of San Antonio, President-emeritus of A. C. C., James H. Childress of Dallas, graduate of Abilene Christian College, and W. F. Ledlow of Denton, are among the other lecturers on the program.

**A SIGNIFICANT FACT.**

"It is significant that the United States has 64 per cent of the world's telephones, Europe 26 per cent and the rest of the world 11 per cent," says the Vallejo, California, Evening News, in an editorial. "It is also significant that there are 13,7 telephones per hundred population in this country, while Europe has 1.3 and Asia but 0.1.

"Fifty years ago the telephone was an impractical invention, representing so much wasted time for an equally impractical inventor. Now the American people each year talk 20,500,000,000 times over the telephone.

"Some importance must be attached to the fact that 71 per cent of the world's telephone lines are owned by private capital and that 88 per cent of the lines controlled by private capital are in the United States. Private ownership of the telephone, it is manifest, has not retarded its growth in this country."

**FIFTY STUDENT ORGANIZATIONS AT TECH COLLEGS**

LUBBOCK, Texas.—There are 50 student organizations, listed as extracurricular activities, in existence on the campus of Texas Technological College. The combined membership of these organizations is 1500. Such organizations are encouraged, but an effort is made to have the membership distributed generally among the student body. According to President Horn, if all the students belong to a few such clubs, it is desirable, but if a few students belong to a great many clubs that is undesirable.

One of the most active organizations is the Agricultural club with a membership of 70. The Engineering Society has a large membership.

There is much interest also in the Debating club which has a large and active roster of both young men and women. The Press club includes students active in literary and journalistic work. All the classes have organizations, the Band has a membership of 80, and there are social clubs, scholarship organizations, and various sectional groups.

Hymn for Year—"The Kingdom is Coming".  
Watchword for Year—"Enlarge, Spare Not, Lengthen, Strengthen".  
Week's Watchword—"Righteousness Exalteth a Nation".

### Women's Missionary Society Has Meeting

The Women's Missionary Society had its usual Monday afternoon meeting, with fifteen present.  
Mrs. H. W. Ragsdale had arranged the program, but in her absence, Mrs. Adams led the services.  
Mrs. Webb very beautifully told the story of Isaac and Rebecca. Mrs. Eckhart read the twenty-fifth chapter of Deuteronomy, and Mrs. Harlan gave the last three chapters of Deuteronomy.  
These Bible lessons are very inter-

esting, and every woman in this church should come and take an active part. We get out of anything just what we put into it.—Press Reporter.

### DORCAS CLASS.

The Dorcas class of the Baptist Sunday school met February 26, with Mrs. George Marriott, for a business and social meeting, with fifteen present. A very interesting hour was spent. All left, hoping to meet with Mrs. Marriott soon again. Delicious refreshments were served.—Reporter.

### ECONOMIZE—Use Ground Feeds

You will find that it pays to use ground and mixed feeds. I am equipped to do your mixing and grinding on short notice. Charges are liberal—service good.

### Mrs. J. R. Thompson Is Hostess to Class

The Win One class of the Methodist Sunday school met Friday, February 22, at the home of Mrs. J. R. Thompson, 440 West Lynn St., with twenty-three present.  
After all business was attended to, the remainder of the afternoon was spent in playing games, after which refreshments were served.  
The hostesses were Mrs. E. V. Woolever and Mrs. J. R. Thompson.—Reporter.

Bird's Eye View of Principal Mills and Warehouses owned by  
**MARSHALL FIELD & COMPANY, Wholesale**

This composite picture represents the vast resources of Marshall Field & Co. It includes the actual mills, warehouses, distributing houses and foreign branches in all parts of the world.

No other institution has such vast sources of production or so tremendous purchasing possibilities as this great organization with their basis in this country and radiating from and to all parts of the globe.

The greatest part of their merchandise is produced in their own mills, and on account of our close association with them for many years BARRIER BROS., Inc., of Slaton, has unusual access to this wonderful organization, together with their exceptional operating guidance.

All of this purchasing power is used to assemble and distribute the most dependable of qualities and the greatest of values. Everything that Marshall Field & Co., can provide comes to us on a primary basis direct from the mills.

**WHAT THIS MEANS TO YOU**

IN QUALITY AND SERVICE

The advent of Barrier Bros., Inc., in the city of Slaton does not mean merely the opening of another store, it means much more than that! It means that one of the greatest sources of supply in the world is at your service. When you buy from Barrier Bros., Inc., you are coming in direct contact with Marshall Field & Co., Wholesale, Chicago. The largest supply house in the world. It is through our affiliation with this great firm that we can bring higher quality merchandise to Slaton, and sell it so you can save money. The vast production facilities, marketing resources, world wide contacts with style centers, business policies and guidance of Marshall Field & Co., Wholesale, have brought the buying power of the whole world right to your own city.
