First Bale Arrives In Slaton--Rain Damaging Feed

SLATON'S FIRST BALE OF COTTON BRINGS O. E. PATTERSON \$142.14

O. E. Patterson, who lives 8 miles north of Slaton brought the first bale of cotton of the season to Slaton last Thursday afternoon and it was placed on display on the Northeast corner of the square. The cotton was sold at auction last Saturday afternoon to John T. Lokey, of Lubbock, Texas and brought 15 1/2 cents per pound. The bale weighed 458 pounds. In addition to the price paid for the cotton a bonus was made up by the following firms and individuals to bring the amount Mr. Patterson received to \$142.14.

Firms and individuals contributing were:

Bostick Laundry, Slaton Slatonite, Slaton Coal & Grain, Aircraft Studio, Payne's Ready-to-Wear, Piggly-Wiggly, Bill Layne Plumbing, Model Grocery, Hoffman Insurance, Carter Hardware, City Drug, Martin Jewelry, Teague Drug, O. Z. Ball, Texas-New Mexico Utilities, Crow-Harral Chevrolet Co., Van Stokes Sales Co., Berkeley & Haddock, Slaton Pharmacy, Carl Evans, Slaton Steam Laundry, Chick's Grocery, Jeff Custer Service Station, Union Compress & Warehouse Co., Slaton Chamber of Commerce, West Texas Cotton Oil Co., Gaither Service Station, Heinrich Bros. Service Station, Kessel's Dept. Store, Carlock & Carlock, Lubbock and John T. Lokey, Lubbock.

The L. B. Thornton and Sons Gin ginned the bale free of charge for Mr. Patterson and furnished bagging and ties.

NYA Work Open To Many Texas Students

AUSTIN, Sept. 30.—Eighty-six colleges and 1,650 secondary schools in Texas have been approved to participate in the NYA College, Graduate and School Work Programs during the current school year, according to J. C. Kellam, state NYA administrator. He said an additional four hundred secondary schools have been recommended for participation by the County Placement Committees and are expected to qualify.

Through 9,161 NYA jobs in secondary school and 4,489 in colleges, approximately twenty thousand young people in the State between the ages of 16 and 24, inclusive, will be enabled to stay in school this year. In the allotment of these jobs particular attention has been given to the needs of school within defense areas to care for increased enrollments brought about by the influx of workers. Emphasis also has been placed upon the needs of schools within crop failure areas and within areas along the Gulf of Mexico recently hit by a hurricane.

School officials in each community are responsible for the selection of these students for employment in NYA jobs and for placing them at work in suitable types of activities. Students are selected to participate in the NYA Student Work Program upon the basis of proved need and of demonstrated scholastic ability. In secondary schools they receive from \$3 to \$6 a month, in colleges from \$10 to \$20, and as graduate students in colleges from \$10 to \$30.

"Although they are required to work a given number of hours each month, in addition to the time spent at their regular studies, NYA students have maintained better than average grades," the State Youth Administrator pointed out.

Rotary Ann Banquet To Be Tues., Oct. 14

A banquet for the Rotary Annals for Tuesday night, October 14th, was announced at the regular meeting of the Rotary Club yesterday. Next week's program will be in charge of Miss Maud Dean and her class.

Fall Style Show For New Models

Although the reports are that the production of automobiles have been cut, the dealers in Slaton are not having as much trouble getting new model cars as most of them contemplated.

Crow-Harral introduced the new 1942 Chevrolet last week, Jeff Custer announced the new 1942 Pontiac and Van Stokes is showing the 1942 Plymouth for the first time this week. The Slaton Motor Company unveils the 1942 Ford today and the automobile style show is open.

Contrary to expectations, there is more chromium in evidence in the new models than ever before and the appearance of all of the cars has been changed. More streamlined than ever, massive bumpers and disappearing running boards, improved mechanism and interior fittings make the new models more appealing than ever.

Funeral Of Joseph Brazell Saturday

The funeral of Joseph Brazell of Woodrow, who died last Tuesday afternoon, will be held at the First Baptist Church at Southland tomorrow afternoon at 3 p. m.

Mr. Brazell died while enroute to a doctor and had been in ill health for some time. He was born in Alabama and was sixty-two years of age. He is survived by his wife and three children. The Williams Funeral Home was in charge of the funeral arrangements.

AAA Responsible For Cotton Prices

Near parity prices being received by farmers for their cotton are a result of the over-all farm program, Fred Rennels, assistant AAA administrative officer in Texas, pointed out this week.

"The cotton picture still isn't all rosy," the AAA official said. "We have a tremendous carry-over of cotton, a year's supply over and above this year's production. Most of our foreign markets still are cut off by the war. Exports in the year just ended didn't amount to much more than a million bales, and prospects for the current year are not much better."

Since the government guaranteed a minimum price for cotton this year with the 85 percent of parity loan, the Texas cotton farmer knows when he takes his bale to market approximately what he will receive and he knows the price will be fair, Rennels said.

"I hesitate to think what the price of cotton would be without the loan," he continued. "I know the cotton farmer realizes that the price he is getting for his cotton is based on the loan, and I know he realizes, also, that without the full operations of the farm program, the loan would be impossible."

Rennels pointed out that cotton farmers this year probably would be asked again to vote upon cotton marketing quotas as a means of adjusting the cotton supply to demand. Government loans cannot be offered in any crop year in which quotas are rejected by the growers.

Rennels cited a recent speech by I. W. Duggan, director of the Southern division of the AAA, in which the director pointed out that because of the large carry-over of American cotton in this country and the large stocks of cotton in the outside world, the price of American cotton would be exceedingly low in the absence of the AAA program.

Jack Norman, manager of the Slaton Chamber of Commerce, as he pays off to O. E. Patterson for the First Bale of the Season.

Revival Meeting To End Sunday

Reverend Paul Stevens, pastor of the First Presbyterian Church, reports that the Revival meeting that has been in progress at the church since Sunday night, Sept. 21st, has been unusually well attended, considering the inclement weather. Reverend Stevens is holding the services and Jack Norman is leading the song service.

The revival will end next Sunday with communion. The subject for Friday night will be "Pleasure or Character?" and for Saturday night, "Rejection or Acceptance?" The services start at 7:30 sharp each night and people of all denominations are welcome.

Drivers' License For All Must Be Renewed Soon

AUSTIN.—Issuance of long-awaited new drivers' licenses in Texas, scheduled to begin Oct. 1, will be delayed a week or ten days, State Police Director Homer Garrison announced today.

Garrison said paper stock for the printing of applications and other supplies, ordered more than two months ago, have just now been received. "Several days will be required for printing and distributing the applications," he said. "We're going to get started as soon as humanly possible."

Due to be renewed by Dec. 31 are old licenses numbered from 1 to 450,000. Licenses bearing numbers above 450,000 will be renewable at later periods.

Applications for renewal will be available from Highway Patrol offices, Driver's License Examiners, sheriff and police departments, banks and other public places, or by writing direct to the Department of Public Safety in Austin.

Applications must be executed on a typewriter or printed in ink and mailed to the department in Austin along with a 50-cent money order or cashier's check. Stamps or personal checks will not be accepted. The new licenses, good for two years, will be mailed to applicants from Austin.

Persons renewing licenses will not have to take an examination unless they have had records for traffic violations or collisions.

Hensley Resigns As Band Director

J. J. Hensley, who has been teaching the band in the Slaton High School since Oct., 1940, resigned his position with the schools last Monday night and will accept work at the Air Base School in Lubbock.

Mr. Hensley tutored the Band for the contests that were held last term when the Slaton band won high honors both at Amarillo and Enid, Oklahoma.

The resignation of the Band Teacher was effective this week and as the school board will not meet again until next Monday, no one has been chosen to fill the place.

As there has been difficulty in securing men teachers in the schools all over the United States, the Board is likely to find it hard to find a new band director.

New Tax Levy Hits Many Businesses

Practically every merchant in Slaton received a notice from the treasurers department giving a list of articles that will have more federal taxes added to the sale prices. Among them are furs, jewelry and toilet preparations, coin operated amusement and gaming devices, bowling alleys and pool tables, use of automobiles and boats, brandy and wine, but not beer, capital stock tax, estate and gift taxes, safe deposit boxes, telephone or radio conversation or message, local telephone charges, admission tax, cigaret tax, club dues tax, radio, phonograph, records, musical instruments, refrigerators, refrigerator apparatus, air conditioners and matches. Passenger automobiles and motorcycles, trucks, truck trailers and semi-trailers included, sporting goods, luggage, electric, gas and oil appliances, photographic apparatus, electric signs and advertising devices, business and store machines, rubber articles, washing machines, optical equipment and electric light bulbs.

This program will affect a large part of the business firms in Slaton as well as those in every town in the United States.

TIGERS MEET WILDCATS TONIGHT IN FIRST HOME GAME OF SEASON

The Slaton High School Tigers were defeated with a 14-7 score by the Muleshoe Yellowjackets in Slaton's first game of the season last Friday afternoon at Muleshoe. The loss can probably be accounted for due to the fact that the team had not had any practice in defense work. There have not been enough out this season to scrimmage or to work out any plays. There were several inexperienced men in the game and the star line plunger, Elzo Collier, who was recovering from the flu, did not show up as well as usual. The boys fought hard, but could not stand up to the fresh team of their opponent.

Billy Ray Waldrep, left half-back, made Slaton's only touchdown which was made in the first quarter of the game. At the half, the teams were tied, with Muleshoe coming through in the last quarter with 7 more points to cap the victory.

The Tigers meet the Littlefield Wildcats in the first home game tonight at the Tiger Stadium. They should show up better than last week, due to the fact that they have had some work on defensive plays. Collier will be back in the game going strong and Cates is making good material for the center position. Cleveland showed up good in Friday's game and is working hard to give his best in the game tonight.

The public is urged to come out and boost the Tigers to victory. The game begins at 8:00.

The Wildcats have a whale of a lineup and promise a hard fight. They have a large number of boys out and therefore have a selection of players for their positions.

New Service Man For Van Stokes Co.

Mr. Van Stokes of the Van Stokes Motor Co., Plymouth and De Soto dealer for Slaton, announced this week that Mr. Troy Champion is now in charge of their Service Department.

"Mr. Champion comes to us very highly recommended," said Mr. Stokes. "He was for six years in the service department in Lubbock with the Hub Motor Co., the De Soto and Plymouth dealers there. Mr. Champion also was in the service department of Webb-Kent, Buick dealers, in Fort Worth for a number of years. He is a factory trained expert on Chrysler cars and is thoroughly competent to service fine cars. We are now prepared to give the most satisfactory service on all makes of cars and believe we have the equipment and help to insure work in this line that will equal that to be found in any shop in West Texas. Mr. Champion will make his home here in Slaton."

New Plymouths Here

The new service department at the Van Stokes Motor Co. comes at a very appropriate time, as the new line of Plymouth cars make their first appearance in Slaton this week. There are changes and improvements in the new Plymouth, lower slung bodies, wider seats and more interior space, enclosed space between bumper and body and many mechanical advantages never before offered in a lower priced car.

"Many people who have not expected changes in new models from last year will be greatly surprised and pleased in the new Plymouth," said Mr. Stokes.

The new Plymouth is now on display at the Van Stokes Motor Co.

Benjamin Kessel, student at Tech, who is a nephew of Mr. A. Kessel, visited in the Kessel home over the weekend.

Mrs. J. D. Saunders is visiting her daughter, Mrs. C. E. Spence, and family for a few days.

Hood Quits Post Office Position

Announcement was made this week by Odie A. Hood of his resignation from his former position with the Post Office here in Slaton. "It has been a great pleasure to have worked with Postmaster Scudder and the force at the Post Office," said Mr. Hood, "the personal contacts I have made and the experience in dealing with the public, has been of great benefit to me, but I have felt for some months that I would like to be in business for myself. For several years I have devoted a part of my time to representing the Southland Life Insurance Company of Dallas and I feel that the time has now come for me to devote all of my time to this line of work. The Southland Life Insurance Company of Dallas is one of the oldest Insurance Companies in the state of Texas and I feel it a great honor to represent them in this territory. This company offers all the most desirable policies and their record is one of the best in the nation. I am thoroughly familiar with most of the problems facing those who buy insurance and will be glad to discuss these matters at any time."

Mr. Cecil Scott, who formerly worked in the Post Office here in Slaton but who has lived in Spur, Texas for the past few years, will fill the position left open by Mr. Hood's resignation. Mr. Scott's parents have lived in Slaton for years and he is well known here.

Lay Committee Arranges Apartments

The Housekeeping W. P. A. Project with its center in the house north of the East Ward School, 620 S. 7th Street, has arranged a one-room apartment and a three-room apartment, each sufficiently furnished for a family of four people. The public is cordially invited to visit the project and inspect these between 9:00 and 4:00 next Monday or between 3:00 and 4:00 on Wednesday or Thursday of next week. Several interested people have already visited the project, and many others are expected to next week.

The project have been in operation for three and one half months, and during that time the women have spent a total of 2,571 hours working in the center and a total of 4,836 hours in the ninety-seven homes of Slaton which have been aided by this project.

The colored Lay Committee will meet at the project center tomorrow morning to discuss ways in which the project can better help the colored people of the city.

The Lay Committee for the white people will meet next Tuesday afternoon, Oct. 7th, 2:30 p. m., at the project center. Every member is urged to be present at this meeting. Any who cannot be present are asked to send a substitute which will represent the organization which they represent on the committee.

Wed., Oct. 8th, To Be Slaton Day At Fair

Wednesday, Oct. 8th, has been designated as Slaton Day at the Panhandle South Plains Fair, this day will also be Children's Day at the Fair and the Slaton Tiger Band will be on hand in Lubbock to put pep in the celebration.

M. S. Kavanaugh, superintendent of the Slaton Public Schools, announced that the children will be turned out in order that they may help celebrate Slaton Day at the Fair.

Mr. G. H. Orr reports approximately 1 inch of rain this week.

While most people have been doing a lot of worrying about the effect the rain will have on the cotton crop, it seems that not enough worry has been put in on the feed crop for unless the sun comes out and stays out for a few days, the major part of the feed will be ruined.

Ray Ayers, manager of the Plains Grain and Heads Handling Company, says that continued moisture will cause the grain to start sprouting in the heads, unless it is gathered soon. Under ordinary conditions the Heads Handling Company would be running day and night at this season of the year, but weather conditions have made operations slow for this time of the year.

While the moisture is not helping the cotton crop, most farmers do not consider it to be doing a great deal of harm. The worms are due to hatch out again soon and the continued rain will keep the cotton growers from dusting poison, but there is still much optimism for the cotton crop.

1942 Ford Cars Make Debut Today

"The new 1942 Ford sixes and eights are the most automobile for the money I have ever seen," says Harry Stokes, manager of the Slaton Motor Co. Inc., "they are luxurious in appearance, more economical than ever before to drive, riding comfort supreme and powered for trigger quick action, and long, hard service. They are the most artistically designed cars Ford has ever produced and include features never offered before in any automobile."

The new 1941 Ford cars are being shown for the first time over the nation today and The Slaton Motor Company will hold open house today and tomorrow to the public. Every one interested in automobiles will be welcomed.

Last Rites Read For S. F. Garland

S. F. Garland, 62, well-known pioneer ginner of Pilot Grove, died Tuesday, September 30, following a major operation. He is the brother of L. T. and Brice Garland, both of Slaton.

Funeral services were held Wednesday, October 1, from Pilot Grove Methodist Church, with Rev. Howard McSpadden Baptist minister, officiating. Interment was in the Pilot Grove cemetery.

Surviving are his wife, two children and four grandchildren.

Mr. Garland was born and raised in Pilot Grove and had been a ginner there for the past 35 years.

Those attending the funeral from Slaton were, Mr. and Mrs. Brice Garland and daughters, and L. T. Garland and daughter, Mina.

Ottis Jones New Resident Here

John Berkley, of Berkley and Haddock Grocery Store, announced this week that they have added Mr. Ottis Jones to their staff.

Mr. Jones has for the past thirteen years been employed in Lubbock in the grocery business and before going to Lubbock, was in the grocery business here.

"We feel fortunate in being able to secure Mr. Jones," said Mr. Berkley, "for not only is he one of the most conscientious grocery men I have ever known, but he is also well known here in Slaton. His many years of experience will enable us to give our customers better service. Mr. Jones has moved to Slaton with his family and is residing at 155 N. 4th St."

Gip Gipson, who has been employed at the City Drug Co. for several months has moved to Wichita Falls.

Kenneth Tanner visited in the home of his parents, Mr. and Mrs. C. L. Tanner, over the weekend.

JUST TALK

by
A.M.J.

Doctor Elbert Loveless has his chest all stuck out because he has the ugliest dog in town. It arrived last week from Kansas City. It is an English Bull and is the daughter of Lord Lub the First and the Queen of Downs. Its under jaw sticks out like a small boy's sore toe and its skin fits it like one of S. S. Forrest's suits would fit G. H. Orr. It looks like Alley Oop.

.....
If you don't want a frozen

locker box don't stop and talk to Max Arrants; he's dangerous. From what he says frozen fruits are much better than nature ever intended them to be, chickens left in the lockers make ordinary chickens taste like they had been vulcanized and steaks left in a frozen locker for a few minutes become so tender that you can throw away your knife at the table and just use your fork or spoon.

.....
Ollie Crow's knees and my back are all broken down and J. H. Brewer's patch is minus a car load of wagon-wheel sized watermelons.

Friday morning of last week J. H. came by and asked Ollie and me to go out on an inspection tour of his farm and as a bribe said he would give us a watermelon. Being inexperienced in going out to watermelon patches I made the mistake and went. Ollie knew what he was getting into.

When we got to the farm Ollie and I got out and passed our expert opinions on the botanical menagerie of funny named cotton and various breeds of maize, jimson weed and johnson grass and then had to take gunny sacks and load up the car with watermelons. The melon patches are all from a half mile to a mile from the road, the land is rough and covered with sand burs, the sand leaks through your shoes and the smaller melons weigh about fifty pounds each. The next time I go, if ever, I'm going to take a wheelbarrow. The Slatonite is off the market in trade on any farm land and I'm sure Ollie would not trade a second hand Ford for a section of the best watermelon land on the South Plains. J. H. sure raises good watermelons.

.....
One war expert has estimated from the reports that the Germans made and the estimates the Russians have given on the number of German prisoners taken, that practically all the Russian soldiers are prisoners in Germany and all the German soldiers are prisoners in Russia. He suggests that they just switch sides and start all over again.

J. J. Niehoff came in the office this week and has a suggestion for jaded appetites such as mine, and that is Boa constrictor steaks. Mr. Niehoff says that he unintentionally ate boa constrictor steaks when he was stationed in the Phillipine Islands and that the meat was better than any fish he has ever eaten.

.....
Think I'll go out and knock me a couple of boa constrictors in the head some time soon and leave off my cereal for breakfast.

.....
Between the sob stories one hears about the shortage of materials on one side and the good crop prospects for this section on the other hand, I am all in a dither and do not know whether to throw up both hands and go down howling or to be cheerful and care-free. Looks like the farmers are going to have plenty of money and nothing to spend it on.

.....
Judge Smith says it does not pay to underestimate a negro's mental ability. The Judge came to this conclusion not long ago when he had a negro youth out pulling up fence posts. They had worked hard all morning and the noon day sun was getting hot when the negro straightened up and yelled "Yes'um I'll be there in a minute, I'ze busy."

.....
The Judge decided that his own hearing was getting bad for he had heard no one calling the boy.

.....
"Yes'um I'm coming," yelled the negro again and turned to Judge Smith and said, "my mammy is calling me," and he ran off across the field.

.....
"When I asked the boy's mother what she wanted him for she told me she had not called him at all," said Judge.

.....
There is a lot of propaganda now days about making friends and influencing people but no one has ever explained to me how the old boys with the big bank rolls are usually rather glum and they most certainly do not go out of their way to make friends. Nearly all of the popular men I have known in my rough road through life, were nearly always one jump out of bankruptcy. As to influencing people I have found that the first thing you know you have the tables turned on you and come home with a double action vacuum cleaner or a boy scout ax when you started out to sell some one else a good ad in the newspaper.

.....
There seems to be a lot of inconsistency in life, especially among women. Scientists worked for years to invent electric lights so that the old coal oil lamp could be discarded so they put the light fixtures up out of the way but now we find floor lamps, bridge lamps and bed-room lamps cluttering up the homes until an ordinary living room looks like a forest of light fixtures; some women have even gone so far as to dig out the old coal oil lamps to have them fitted with electric connections.

.....
All homes used to have to be heated with coal or wood and so they had chimneys; now

there is no use whatever for a chimney on most houses but artificial chimneys are built just the same. Of what use is a fire-place in a home heated with gas? But no home is complete without a fancy fire-place. Canned food takes up very little space and two-thirds of our meals are dealt to us out of cans but the women need bigger kitchens with more fancy cabinets than they ever had before. It is a serious condition and something should be done about it.

.....
There must be something valuable in a college education for a boy cannot get a job in a filling station now days without one and it is said that the ten cent stores are as strict about college degrees for their employees as the High schools are when they select teachers, but on the other hand the colleges admit that they cannot teach anyone how to make money. There are thousands of illiterate or very poorly educated foreigners in our country who have made fortunes and a large per cent of our wealthiest men have had very little education. The colleges put forth the argument that a college education will not teach the trick of making money but they do enable students to get a great deal more out of life because they can enjoy the finer things through education, which is worth more than money . . . and yet there is an old saying that ignorance is bliss . . . I should be having a wonderful time myself.

.....
Here's one that sounds reasonable from The American Legion Magazine:

.....
Legionaire Earl Braly, of Palestine, Texas, avers that a couple of

mosquitoes swept down upon a soldier, who was snoring away in his put tent in a Southern camp: "Shall we eat him here, or take him with us?" asked the smaller of the two marauders.

.....
"Let's eat him here," replied the leader. "If we take him to the swamp the big ones will take him away from us."

Our Weekly Sermon—

The Gospel of God's Grace

By Dr. Max I. Reich, Director of Jewish Missions Course Moody Bible Institute, Chicago.

The word "gospel" comes from an old Anglo-Saxon root and simply means glad tidings. God would have all men be made glad with the tidings that His grace is available to meet their deepest need.

Now this wonderful gospel may be considered under three heads.

1. The glad tidings of the grace that saves.

To the man who knows that sin has ruined him, who fears the judgment of divine holiness on sin, who feels bankrupt and lost and is helpless to extricate himself from the deep mire in which he is sinking, the gospel of the grace that saves is good news indeed.

2. The glad tidings of the grace that keeps.

A "saved" man may become fearful that he may fall into his besetting sins and be lost again. The gospel of the grace of God reassures such a one. Grace is the overflow of a "love which doth not alter when it alternation finds," to quote the great words of Shakespeare. It keeps as well as saves. It is a "love which will not let us go" until it has placed our feet within the Father's house above.

3. The glad tidings of the grace that restores.

What of the one who has grown cold and wandered off into the far country among the swine? What about the poor, unhappy backslider? The gospel of God speaks of RESTORING grace that follows us into the deepest darkness of self-despair and to the farthest distance of separation from the purity and plenty of the Father's house. It may have to hedge up all our ways with thorns, except the one way home again. But it

will bring back its own.

Abraham, when he believed God and it was reckoned to him for righteousness, illustrates the first kind of grace.

The consciously helpless believer is "kept by the power of God through faith," and experiences the second kind of grace.

The bruised, broken, and discouraged backslider learns of the persistence and perseverance of the love that gave it all on the cross of Calvary, and that like the potter in Jeremiah's parable does not throw away the marred vessel, but remakes it until it becomes the vessel that reflects credit on His master-skill.

For 1942—a Beautiful New

FORD

"6" OR "8"

IN THESE UNUSUAL TIMES we invite you to inspect an unusual new car—new in its beauty, its comfort, its choice of two fine 90 horsepower engines, 6 cylinders or 8.

See it and you sense at once that here is new style that will stay good for years. On a lower, wider chassis, we have designed new long, low, wide and modern lines.

Interior treatment is entirely fresh, distinctive, pleasing. The beauty of this Ford will more than hold its own in any company.

Inside, the car is big—wide across the seats, generous in knee-room, leg-room, elbow-room.

On the road this year you find the "new Ford ride" still further advanced in its softness, quietness, steadiness and all-round comfort.

At the wheel, you will find driving easier than ever. Steering, gear-shifting, action of the big and sure hydraulic brakes have all been made smoother and easier.

In quality, the car is sound to the last detail. Defense requirements have all been met without a single reduction in the basic and lasting goodness of the Ford mechanically. Some new materials have replaced old ones, usually at a greater cost to us, but in every case the new is equal to or better than the old.

If your family needs a new car, go see and drive this Ford. For what it is today and for what it will be through the years ahead, we believe that you will find in it more and better transportation for your money than you have ever found before.

Junior High Notes

THE SPORTS REVIEW

The Tiger Cubs won their first football game of the season from the Post Junior High team last Thursday. The score was 14-12. The Cubs scored early in the first period when Dwayne Walters, fullback, tossed a long pass to Grady Burnett, end, who eluded a couple of Post backfield men, and went over for the score. The extra point was made by a plunge, by Grady Elders, left half. Post scored in the second period but failed to make the extra point. Both teams made numerous fumbles, and then in the third period, Post scored again, making the score 12-7. Walters, who hurt his knees during the first half, went back in during the fourth period, and ran back a punt, good for about 45 yards, to make another touchdown for the Cubs. Again the extra point was made on a plunge.

The game was rather exciting, for in the last three minutes, Post had a touchdown pass recalled because of their tackle going down the field before the pass. On their next play, the Cub's right half, Earl Roberts intercepted a pass, and for the rest of the game Slaton had possession of the ball. Dwayne Walters and Bill Green were captain and co-captain during the first half, and Grady Burnett and Freddie Schmidt had the same honor during the last half.

Despite several fumbles, most of the boys played a good game, and already are working hard for the Levelland game here next Thursday. This game will be one of the toughest of the season.

MISS YEATS' ROOM.

The fifth grade citizenship club was entertained by the following people: Joy Holloman read a story on honesty, and Kelly Everette gave a reading. A short business meeting followed. Officers were elected to represent the room in the big citizenship club. Joy Holloman, mayor; assistant mayor, Kelly Everette; most improved girl, Glenna Sue Liles; and the most improved boy, Burney Dillard. Douglas Lively, the fifth representative, was selected by the teacher. The meeting was adjourned.

MR. HARVEY'S ROOM.

Mr. Harvey's Eighth grade room elected the following officers for the month of October. Mayor, Grady Burnett; assistant, Bobby Ray Stevenson; secretary, Ella Faye Wheatley; citizenship club, Durwood Crawford, Tommy Davis, Mary Lou Punkaney, Fred Schmidt, Wilma Faye Faulkner. Room mothers: Mrs. F. H. Schmidt and Mrs. C. H. Sartin.

MISS WATKINS' 7TH GRADE

The Seventh Grade, sponsored by Miss Watkins, elected class officers at the regular class meeting on Sept. 30. Those elected were Bert Loring, mayor; Welker McDonald, assistant mayor; Edna Mathis, secretary; the most improved girl and boy, Billie Jean McKaughan and Johnie Zimmer-

UNDER SCHOOL ACTIVITIES. SCHOOL LIBRARIAN INVITES FRESHMEN TO STUDY IN OPEN LETTER

Dear Freshman:
In the library we have over 3,000 books for your benefit. Some were donated by different ones, and now we give them to you students of Slaton High School and Citizens of Slaton, "The keys to the Kingdom" of books. "All around the room your Silent servants wait Your friends in every season Bright and dim." "The library staff" greets you and waits your visits with happy anticipation.

Your friend,
MRS. WOOD.

BAND PARENTS MEETING.

The Band Parents Club will meet the second Monday in October rather than the first Monday, which was the statement given previously.

Mr. and Mrs. E. D. Hart of Slaton have recently moved to Lubbock.

...the best girl and boy, Claire Matthews and Edwin Martin, who will be the new representatives to the Citizenship club. Miss Watkins selected Elizabeth Sims to attend the Citizenship club as reporter.

MISS POOL'S SEVENTH GRADE

The room elected officers for the month of October. Mrs. Dick Skelton was elected Room Mother for the year. She will be assisted by Mrs. Grady Wilson, who will take Mrs. F. H. Schmidt's place during the month of October.

The following officers of the class were elected: Best girl citizen, Reta Stephens; most improved, Betty Ann Wilson; best boy citizen, Edwin Burton; most improved, Elza Smith; appointed member, Vysta Waid; mayor, Reta Stephens; president, Phyllis Tefertiller; vice president, Jack Thompson; secretary, Gloria Schillings.

The Citizenship club of all the school elected John Schmidt to remain a member of the Citizenship club.

MRS. JOHNS' 7TH GRADE.

The pupils in Mrs. Johns' room have elected the following officers for the month of Oct.:

President of room, Annie Faye Allred; vice president, Niclosa Aguilar; secretary, Bobbie Joyce Hancock; mayor, Peggy Jean Abernathy; assistant mayor, Joy Gentry; best boy, James Broke; most improved boy, Junior Eckles.

The students had a food sale Saturday, to make money for improving the room and were very successful, making \$7.15.

The room mothers, Mrs. P. T. Gentry and Mrs. M. L. Abernathy gave the children a watermelon feast at the clubhouse last Thursday afternoon. Everyone had an enjoyable time.

MRS. MCKINNON'S 6TH GRADE.

Mrs. McKinnon's room has elected new officers for the Citizenship club. Mayor is Blanchard Pritchard, Jr.; vice mayor, Peggy Ann Tudor; secretary, Marion Snider; treasurer, Mary Louise Reynolds; room keepers, Delia Haliburton and J. J. Jenkins; playground monitors, Claude L. Ward and Barbara Schillings; play monitors, Billy Joe Payne, Joe Tucker, Joan Sikes and Peggy Simmons. The door keeper is Marilyn Jane Stotts. The room is proud of Melvin Henderson, who was the first pupil in Junior High school to get his name in the merit box. His name was placed there because of his outstanding honesty.

For the first month of school, the percentage of attendance was 97. Most of the boys and girls are taking the public school music course that is being offered.

West Ward Notes.

FIRST GRADE ROOM

The First Grade room in West Ward school underwent a major operation last week. The stage was removed, the walls and the window frames received a coating of white paint. This gave much more space in the room and made everything look much cleaner and more cheerful, the children and Miss Haggard included.

The children are learning about different animals from their unit on the zoo. The animals are in cages along the blackboard.

The children know and can make their numbers to 10. They are learning to read from a chart; it will be several days before they get books. They are drawing some very interesting and unusual pictures.

There are 38 beginners in West Ward.

"We wish to express our appreciation to the Board of Trustees, Mr. Kavanaugh, Mr. Jenkins, Mr. Drewry, Mr. Jones, Mr. Wolf and the mothers, for the great improvement in our room. Especially do we thank Mr. Wolf, who did most of the work. We want all of you to come visit our nice room!"—The First Grade.

TEACHER OUT.

Mrs. Earl Reasoner, the 4th grade teacher in the West Ward school, who has been ill for the past three weeks, is improving. It is hoped she will be back teaching before many days.

Mrs. Neil, who is substituting for Mrs. Reasoner, is doing a grand job. She is a well trained and experienced teacher and is conscientious about her work.

Woodrow Wilson Citizenship Club

The Citizenship Club met in Miss Robert's room, September 30.

The house was called to order by the president and the minutes were read by the secretary. Two of the members were absent. The Club discussed, being a better citizen and how to defend the nation. Glen Powers, Reporter.

Co-Operation

(By Lela Walker, Freshman in High School)

The dictionary says co-operation means to join together in doing something (worth-while). To work together like we do in keeping our class rooms clean and in helping our teachers. In Lincoln's address to Congress before the Civil War, he spoke these words:

"United we stand; Divided we fall."

True Democracy is true co-operation. Truth in completion is true co-operation. This is a day when all young Americans should realize we should co-operate in all things. If you are not going to co-operate in all things, and do not co-operate with your fellowman what good do you think you can do in a thing where you are going to have to co-operate? If we will all work together, or in other words if we co-operate we can make our school better, our football team better, our city better and when we grow older we can help make Democracy stand, and we want Democracy to stand forever. We must realize that America will lay on our younger generations some day. We must learn to co-operate now. For us assembled here this afternoon this means pure unselfish co-operation for everyone in our library club to be a great success. Let us start the co-operative system in our school and we will have more of what is being said these days about the School Spirit. Let us do our best.

CLINIC REPORT

TONSILLECTOMIES:
Billie and Betty Weir, son and daughter of Mr. and Mrs. A. W. Weir of Slaton, Rt. 2.

Billie Ray, son of Mr. and Mrs. T. A. Glasscock.

Darks - Haddock Vows Read In Wetumka, Okla.

Miss Doris Darks of Wetumka, Oklahoma daughter of Mr. and Mrs. H. H. Darks, became the bride of Arthur Haddock of Slaton, son of Mrs. J. M. Olive, Wednesday, October 1, at the First Methodist Church in Wetumka, with Rev. J. E. Snell, former pastor, officiating.

The couple exchanged vows before an altar of greenery and flowers. Baskets of flowers were standing throughout the church and the floor was covered in white.

Miss Darks, who was given in marriage by her father, wore a white satin gown styled with a sweetheart neckline and fingertip veil. She wore a corsage of tuberoses and carried a white prayer book.

Miss Helen Hurst of Oklahoma City, who acted as maid of honor, wore a gown of gold color and the matron of honor, Mrs. Willard Darks, wore a similarly fashioned gown of rust. The bridesmaids were: Miss Milda Ruth Jackson, Mrs. D. L. Wenrick and Mrs. Theo Maloy. They were dressed similarly in gowns of green with bronze chrysanthemums as corsages.

Little Miss Margaret Ann Yohola acted as flower girl.

Ushers were Messrs. Max Darks and George Summers Jr., and the best man was Mr. Melvin Sisk of Levelland, Texas.

Mrs. Julia Williams Brown of Wetumka offered the traditional wedding marches and played throughout the ceremony.

After the ceremony a reception was held in the home of the bride's parents. The maid of honor presided at the traditional wedding cake after the first slice was cut by the bride. The matron of honor poured coffee, assisted by Mrs. Yohola.

Following the reception the couple left for a trip to points in Oklahoma, Arkansas and Texas, after which they will be at home in Slaton, where Mr. Haddock is manager of the Hestand-Kimbell Wholesale Grocery.

For her going away costume, the bride chose a tailored suit in olive with brown accessories.

The bride is a former student of several colleges and universities, such as: Oklahoma University, Oklahoma A. and M., William Woods, and Texas Technological College.

Those attending the wedding groom.

Slaton Art Club Has Opening Meeting In Anderson Home

Rainy weather did not daunt the attendance of the Art Club members at the first meeting of the year in the home of Mrs. C. F. Anderson, Tuesday, September 30. There were 20 present and Mrs. D. L. Kent, president of the group, presided at the business meeting.

Mrs. Warren Henry was elected to membership and after the business session, Mrs. T. K. Martin was in charge of the program. The roll call was, "Highlights of a vacation." Such art centers as Taos and Santa Fe, New Mexico, Denver and Manitou, Colorado; Washington, Chicago and California, were discussed. Mrs. J. R. McAtee discussed "Your Own Studio at Home."

Musical selections were offered by Misses Claudia Anderson and Viola Martin. Miss Anderson gave Melody of Peace on the piano and Miss Martin also gave a piano arrangement, which was Hungarian March.

Mrs. Chester Hubbard of Lubbock talked on Taos Art Colonies and hand-hammered metal trays and plates. She exhibited one of her works, "Rio Grande Gorge, near Taos." Miss Cordelia Grantham of Sacramento, California, talked on California Art. Picture exhibits were interpretations of Big Bend Landscape by each of the members. Some in oils, some pastels, and some water colors.

11 members were present and the visitors were Mesdames Hubbard, J. W. Baker, R. G. Kirkpatrick, Henry, C. L. Pack, W. R. Lovett, and Misses Grantham and Martin.

The next meeting will be a sketch trip to Palo Duro Canyon.

MR. SMITH IS HONORED

Mr. D. F. Smith was honored on his seventieth birthday September 22 with a steak dinner at his home.

Those attending were. Messrs. Tracy Lovelady, C. C. Wicker, Earl Reasoner, Webber Williams, Ben Mansker, Tess Bruner, and Joe Teague, Jr.

After dinner the men played dominos.

from Slaton were Mr. and Mrs. Edwin Haddock and son, Mike, and Mr. and Mrs. Olive, mother of the

Society - Clubs

MISS BETTY MCKEE

Engagement Of Miss Betty McKee To Mr. Richard Hall Robbins Is Announced Sunday Afternoon

The home of Mrs. Hiram Robert McKee was the scene of a late afternoon tea Sunday, announcing the engagement and approaching marriage of her daughter, Betty, to Richard Hall Robbins of Santa Barbara, California, which will take place sometime in October.

Members of the house party included Mesdames Robert McKee of Albuquerque, New Mexico, Roy G. Loveless, L. A. Harral, N. R. Carter, Carl O. Meriwether, Roy S. Matthews, Allan Ferrell, O. O. Askren and daughter, Ann, of Roswell, New Mexico, Mrs. Deane Hutton and Misses Anita Seay and Mary Ann Wood of Lubbock.

Mrs. Gomer Custer presided at the register in which approximately 100 guests were listed between the hours of 4:00 and 6:00 p. m.

An arrangement of white chrysanthemums of various sizes centered the refreshment table which was laid with a cutwork cloth. White tapers in crystal candelabra lighted the table.

The betrothal was announced in the form of scrolls, attached to miniature airplanes and tied with white ribbons.

Mesdames Harral and Ferrell offered musical selections during the afternoon.

Miss McKee is a graduate of Colorado College in Colorado Springs, where she was a member of Kappa Alpha Theta sorority.

Mr. Robbins is a co-pilot for the United Air Lines. He is a former student of Colorado College and a member of Beta Theta Pi fraternity.

Sunday Guests In Robertson Home

Mr. and Mrs. P. H. Robertson were host and hostess to a dinner in their home at Meadow, Sunday. Those in attendance were Messrs. and Mesdames L. L. Sibley, Jr. and daughter, of Littlefield, E. D. Hart and A. A. Gartman and children of Slaton, Truman Richardson of Lubbock, Louis Robertson and children of Levelland, Earl Mauldin and daughter of Meadow, Miss Billye D. Hicks of Brownwood, Mr. L. L. Sibley, Sr., of Meadow, the host and hostess and their sons.

Alathean S. S. Class Meet In Tudor Home

The Alathean S. S. Class of the Baptist Church met Wednesday night for the monthly business and social meeting in the home of Mrs. Vilas Tudor.

Those attending were Mesdames J. S. Vaughn, T. E. McClanahan, Taylor, C. B. Teftiller, W. H. Edwards, J. D. Loreing, Mable Verble, C. R. Bain, Bill Deaver, Carl Sartain, Jes Burton, L. M. Conner, Bert Thornton, C. B. Martin, and a visitor, Mrs. M. B. Tudor.

Young People Have Regular Meeting

Christian Endeavor met Sunday, September 28, in the First Christian Church. Geraldine Pickett was the leader of the devotional. The leader for next Sunday's program is Clyde Gentry. The subject for study will be "A Seven Day Christian".

The Bible Drill is coming along fine. The boys and girls are learning a lot about the Bible that is new to them.

All young people are urged to attend Endeavor from 7:00 p. m. to 8:00 p. m., on Sunday at the Church.

Texas Day Program At Club Meeting

The Texas Day program of the Wednesday Study Club, October 1, was held in the home of Mrs. K. L. Scudder, with Mrs. A. M. Jackson as a guest.

The roll call was "Texas Antiques". Mrs. J. H. Brewer gave a short talk on historical objects, old buildings, and landmarks in Texas. Mrs. G. L. Stokes gave a sketch of Elizabeth Ney a native sculptress. "Early Crafts for Women" was given by Mrs. Bentley Page and "Stage Coach and Tavern Days of Texas," by Mrs. R. D. Hickman.

The next meeting will be October fifteenth in the home of Mrs. S. A. Peavy.

O. E. S. 42 Party Proves Successful

A "42" party sponsored by the Slaton Chapter of the Order of Eastern Star was held at the Club House Tuesday evening, September 30. A large crowd attended, regardless of the unfavorable weather.

The Club House was decorated with flowers throughout and the evening was a success. Refreshments were served to approximately 50 guests.

The next regular meeting will be held October 14, on which date, the annual memorial program will be held. All members and visitors are urged to be present.

Band Parents Club To Meet On Friday

The Band Parents Club of the Slaton Tiger Band will have a call meeting Friday October 3, at 10:00. All parents, and especially fathers, are urged to be present.

Billy Lekey, Band President, will have charge of the details of the band and will be assisted by the drum major, James Thornton, until another director has been selected by the school board, to fill the position left vacant by J. J. Hensley.

Five Study Clubs Represented In Federation Day Program

The Federated Study Clubs of Slaton met in a joint meeting Saturday, September 27, at 3:00 at the Slaton Clubhouse, with Mrs. Lee Green, President of the Civic and Culture Club, presiding.

Mrs. Green introduced the speaker for the afternoon, Mrs. H. F. Godeke of Lubbock, president of the Seventh District of Federated Clubs. Her subject for the afternoon was "Woman Power". She spoke of the accomplishments of Federated Women in the past fifty years. She then outlined the present goal for the Defense Program. In looking forward we find that women must educate themselves to meet the demands of Society and to be able to perform their duties in an intelligent way. Women are now spending 85% of the family income, making education necessary.

Mrs. Jimmie Wright and Miss Myrtle Teague offered several musical selections. The 1940 Study Club read the collect for club women in unison. Special music was furnished by Mrs. Allan Ferrell of the Wednesday Study Club.

The hostesses were Mesdames J. A. Elliott and C. L. Suit of the Civic and Culture Club; Mesdames J. Paul Stevens and Ferrell of the Wednesday Study Club; Miss

Teague of the Daughters of Pioneer Study Club; Misses Ruby Waller and Addie Lea Morrison of the Junior Civic and Culture Club, and Mesdames P. M. Porter and C. C. Cramer of the 1940 Study Club.

An ice course in patriotic colors was served to the members of the various clubs.

Bluebonnets Meet On Wednesday

Mrs. R. C. Sanner entertained the members of the Bluebonnet club Wednesday, September 24th in a regular meeting.

After the business meeting a social hour was held in which Miss Donna Sanner offered musical selections for the group. Games of Chinese Checkers and "42" were played and some of the ladies sewed.

Refreshments consisting of a salad course were served to Mesdames J. D. Barry, J. P. Brooks, A. L. Clifton, C. C. Cramer, George Culwell, H. H. Edmonson, Carl Evans, J. H. Teague, Jr., C. F. Stanford, W. P. Shelton, D. W. Liles, Wallace King, J. D. Holt, L. T. Garland, L. R. Tibbs, H. V. Jarman, Fred Tudor, Miss Sanner and the hostess.

Miss Ferguson Is Elected For Office

Waco, Texas, Sept. 27—Miss Marian Frances Ferguson of Slaton, junior at Baylor University has been elected historian of the Psychology club for the coming year. Miss Ferguson is also a member of Alpha Omega, girls social club, and the Psychology club.

She was graduated from Slaton High school in Slaton in 1939. She is the daughter of Rev. and Mrs. W. F. Ferguson of Slaton.

Methodist Society Meets In Parsonage

The Women's Society of Christian Service met in the Methodist parsonage Monday, September 29, with Mesdames H. C. Gordon, J. D. Barry, and Charlie Walston as hostesses.

Mrs. S. H. Adams, president of the organization, was in charge of the meeting. Mrs. W. R. Lovett held the devotional and Mrs. R. H. Todd lead the study.

Twelve members and one visitor were present.

The next meeting will be in the home of Mrs. E. R. Legg, 750 West Lubbock, Monday, October 6.

A hospital in Paris, Tennessee, was granted a three months leave of absence from the club at the business meeting.

The next meeting will be in the home of Mrs. E. R. Legg, 750 West Lubbock, October 8.

SOUTH PLAINS BUSINESS AND INDUSTRIAL GUIDE

What Does The Future Hold?

At the present time no one can be sure of what the future holds, as to the manufacture of certain articles, and the distribution of others. Lee Tudor suggests that every one who burns coal get his supply while he can be certain of securing it. While there may not be a shortage in coal there will probably be a lack of men to mine it and also a shortage of coal cars to haul it to selling points. It is a good idea to secure information on coal prices, now for your winter supply.

Mr. Tudor can supply you with all types of growing mash and chicken starter. He also carries many lines of planting seeds and grains. Call at Slaton Coal and Grain for prices and information on all kinds of stock and poultry supplies. Mr. Tudor will be glad to give you much valuable information on the care of your live stock.

Here's a Preview of 1942 Ford

DEARBORN, Mich.—A distinctive frontal design sets the style for the new Ford passenger car line for 1942, introduced recently at a preview for the nation's automobile editors. The new Fords will be shown to the public soon in all Ford dealers' showrooms. A rustless steel radiator grille blends gracefully with an entirely new front contour which features a new arrangement of headlights and parking lamps. Offered in three lines—the Super DeLuxe, DeLuxe and Special, the 1942 Ford has a distinctive trim for each series of cars. Engineering improvements emphasize comfort and safety. The Super DeLuxe and DeLuxe lines are offered with either the famous V-8 or the new Ford "6" engine.

Mothers Feel A Responsibility

A mother considers the purchasing of pure clean milk products for her family a great responsibility. It is a task to choose wholesome foods for a large family in order to have a variety, and with rich milk products children as well as grown-ups get pure food value. Milk is the backbone of vitamin giving foods and is essential in every diet. In securing good milk and milk products, efficiency in dealer, quality of milk, and absolute dependability should be considered.

Johns Jersey Dairy in Slaton supplies the best milk and dairy products. His cows are T.B. tested and daily delivery service is available. These products can be obtained at all leading grocers or can be delivered to your home. Mr. Johns is always glad to have visitors to come and inspect his dairy.

Southland News

By Helen White

Mrs. Frank Swantz of Blancoe, Iowa and Mrs. Tom Croghan of Omaha, Neb. are the house guests of Mr. and Mrs. J. R. King.

Mr. and Mrs. I. J. Duff and family visited in Colorado City Sunday. Mrs. Carl McNeese and son have been visiting her mother, Mrs. J. R. Childress, in Slaton.

Plummer Neeley of Happy has been visiting friends in Southland. Alvin and Wesley Lambright of Slaton visited their grandparents, Mr. and Mrs. John Irwin, last week. Mr. and Mrs. J. C. Roland of California, visited his sister, Mrs. S. M. Truelock, and family Saturday.

Callen and Wilburn Cash visited their brother near Justiceburg last week. Mrs. Callen Cash and daughter visited Mrs. Callie Cash while they were away.

Barney Walker visited his parents in Anton last Saturday.

Mr. and Mrs. Ivan Powell and son of Snyder visited Mr. and Mrs. H. C. White Tuesday.

Mr. and Mrs. Leslie Ellis visited in Lorenzo Sunday. Mrs. Lutie Ellis of Houston returned with them.

Mr. and Mrs. Walter McNabb and family of Lubbock visited Mr. and Mrs. Tim Fields and family and Mr. and Mrs. Gene Draper and son last Friday.

Mr. and Mrs. Earl Maddox of Lamesa visited the O. J. Harmonsons last week.

Coach Charles Clark, Billy White, Norman Bedford, and Robert Russell scouted the Petersburg-New Deal football game at Petersburg.

Now is the time to rid your flock of **PARASITES**
We have the proper remedies.

burg last Friday.

Sunday guests of Mr. and Mrs. Walter Kellum were: Mr. and Mrs. Knox Reagan and sons, Rev. and Mrs. H. B. Coggins and sons, Mrs. T. S. Kellum and Miss Minnie Farrell.

Mr. and Mrs. Lonnie Collingsworth returned Monday from San Angelo, where they visited Mr. F. G. Browning, who is seriously ill. Mr. Browning moved from Southland in 1938.

Mr. and Mrs. Doyle Saunders and daughter, Betty Ann, of Lubbock visited Mr. and Mrs. Floyd Meers and Mr. and Mrs. Royal Saunders Wednesday.

Those helping Mrs. H. C. White quilt last Wednesday were: Mesdames Bill Gilliland, H. B. Coggin, S. N. Hendrix, W. P. Lester, C. H. Lester, Howton Haire, O. J. Harmonson, Aubrey McNeely, Cliff Johnson, John Fleming, Sam Martin, John Irwin, Herbert Foust, and Misses Mary Alice Martin, Hattie Irwin, Florene Shelton and Maureen Lester.

The first anniversary of the missionary society of the Methodist Church was celebrated at the home of Mrs. H. B. Coggin Monday. Refreshments of punch and cake were served to Mesdames Herbert Dunn, Knox Reagan, J. D. Hord, S. B. Edwards, F. T. Harlan, Horace Wheeler, and the hostesses.

Funeral services were held Thursday afternoon in Merkel for Mrs. Dahl, mother of Mrs. M. A. Dunn of Southland. Mrs. Dahl died Wednesday morning in an Abilene hospital of injuries suffered in a car wreck early Tuesday night.

Those from Southland attending the services were: Mr. and Mrs. Herbert Dunn and son, Mrs. G. N. Smallwood and Mr. L. A. Dunn.

Mr. and Mrs. M. A. Dunn are at the bedside of Mr. Dahl, who was seriously injured.

The Southland Eagles chalked up their second straight victory when they defeated Roy Morris' Frenship team, 13-6. Billy White caught a pass and scampered 48 yards to a touchdown to score in the second period. Harold Smith carried the ball over for the extra point.

Frenship scored in the second period. In the last minutes of the fourth period, James Fields ran twenty yards for the second touchdown for Southland.

Because Southland fans are not turning out for the games, the team is having to take several of the games away from home. The Eagles will meet Petersburg Friday.

ORDINANCE NO. 99
 AN ORDINANCE WHEREBY THE CITY OF SLATON, TEXAS, AND THE SOUTHWESTERN BELL TELEPHONE COMPANY AGREE THAT THE TELEPHONE COMPANY SHALL CONTINUE TO ERECT AND MAINTAIN ITS POLES, WIRES, ANCHORS, CABLES, MANHOLES, CONDUITS, AND OTHER PLANT CONSTRUCTION AND APPURTENANCES ALONG, ACROSS, ON, OVER, THROUGH, ABOVE AND UNDER ALL PUBLIC STREETS, AVENUES, ALLEYS, PUBLIC GROUNDS AND PLACES IN SAID CITY, UNDER REGULATIONS AND RESTRICTIONS AND THAT THE CITY SHALL RECEIVE AN ANNUAL PAYMENT AND THE RIGHT TO USE CERTAIN FACILITIES OF THE TELEPHONE COMPANY, ALL AS HEREIN PROVIDED:

WHEREAS, the Southwestern Bell Telephone Company, hereinafter referred to as the "Telephone Company," is now and has been engaged in the telephone business in the State of Texas, and in furtherance thereof, has erected and maintained certain items of its plant construction in the city of Slaton, Texas, hereinafter referred to as the "City" for many years pursuant to such rights as have been granted it by and under the laws of the State of Texas, and subject to the exercise of such reasonable rights of regulation under the police power as have been also lawfully granted by and under said laws to said City; and

WHEREAS, it is to the mutual advantage of both the City and the Telephone Company that an agreement should be entered into between the Telephone Company and the City establishing the conditions under which the Telephone Company shall operate in the City,

NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF SLATON, THAT:

SECTION 1—CONSTRUCTION AND MAINTENANCE OF TELEPHONE PLANT AND SERVICE.

The poles, wires, anchors, cables, manholes, conduits and other plant construction and appurtenances, used in or incident to the giving of telephone service and to the maintenance of a telephone business and system by the Telephone Company in the City, shall remain as now constructed, subject to such changes as under the limitations and conditions herein prescribed may be considered necessary by the City in the exercise of its lawful powers and by the Telephone Company in the exercise of its business of furnishing telephone service; and the Telephone Company shall continue to exercise its right to place, remove, construct and reconstruct, extend and maintain its said plant and appurtenances as the business and purposes for which it is or may be incorporated may from time to time require along, across, on, over, through, above, and under all the public streets, avenues, alleys and public grounds and places within the present limits of the City and within said limits as the same from time to time may be extended, subject to the regulations, limitations and conditions herein prescribed.

SECTION 2—SUPERVISION BY CITY OF LOCATION OF POLES AND CONDUIT.

All poles to be placed shall be of sound material and reasonably straight, and shall be so set that they will not interfere with the flow of water in any gutter or drain, and so that the same will interfere as little as practicable with the ordinary travel, on the street or sidewalk. The location and route of all poles, stubs, guys, anchors, conduits and cables to be placed and constructed by the Telephone Company in the construction and maintenance of its telephone system in the City, and the location of all conduits to be laid by the Telephone Company within the limits of the City under this ordinance, shall be subject to the reasonable and proper regulations, control and direction of the City Commission or of any City official to whom such duties have been or may be delegated.

SECTION 3—STREETS TO BE RESTORED TO GOOD CONDITION.

The surface of any street, alley, highway, or public place disturbed by the Telephone Company in building, constructing, renewing or maintaining its telephone plant and system shall be restored within a reasonable time after the completion of the work to as good a condition as before the commencement of the work and maintained to the satisfaction of the City Commission, or of any City

official to whom such duties have been or may be delegated, for one year from the date the surface of said street, alley, highway, or public place is broken for such construction or maintenance work, after which time responsibility for the maintenance shall become the duty of the City. No street, alley, highway or public place shall be encumbered for a longer period than shall be necessary to execute the work.

SECTION 4—OPERATION AND MAINTENANCE OF TELEPHONE PLANT.

The Telephone Company shall maintain its system in reasonable operating condition at all normal times during the continuance of this agreement. An exception to this condition is automatically in effect when service furnished by the Telephone Company is interrupted, impaired, or prevented by fires, strikes, riots, or other occurrences beyond the control of the Telephone Company, or by storms, floods or other casualties, in any of which events the Telephone Company shall do all things, reasonably within its power, to do, to restore normal service.

SECTION 5—TEMPORARY REMOVAL OF WIRES.

The Telephone Company on the request of any person shall remove or raise or lower its wires temporarily to permit the moving of houses or other bulky structures. The expense of such temporary removal, raising or lowering of wires shall be paid by the benefited party or parties, and the Telephone Company may require such payment in advance. The Telephone Company shall be given not less than forty-eight hours advance notice to arrange for such temporary wire changes.

SECTION 6—TREE TRIMMING.

The right, license, privilege and permission is hereby granted to the Telephone Company, its successors and assigns, to trim trees upon and overhanging the streets, alleys, sidewalks and public places of the City, so as to prevent the branches of such trees from coming in contact with the wires or cables of the Telephone Company, and when so ordered by the City, said trimming shall be done under the supervision and direction of the City Commission or of any City official to whom said duties have been or may be delegated.

SECTION 7—ANNUAL CASH CONSIDERATION TO BE PAID BY THE TELEPHONE COMPANY.

To indemnify the City for any and all possible damages to its streets, alleys, and public grounds which may result from the placing and maintenance therein or thereon of the Telephone Company's poles, conduits, or other telephone equipment or apparatus, and to compensate the City for its superintendence of this agreement, and as the cash consideration for the same, the Telephone Company agrees to pay to the City annually during the continuance of the agreement a sum of money equal to two per cent (2 per cent) of the annual gross receipts for the preceding year received by the Company from the rendition of local exchange telephone transmission service within the corporate limits of the City. The first payment hereunder shall be made April 1, 1942, and shall equal in amount two per cent (2 per cent) of the gross receipts received from January 1, 1941, to December 31, 1941; and thereafter payment shall be made annually on April 1, as herein provided.

SECTION 8—PAYMENT OF CASH CONSIDERATION TO BE IN LIEU OF ANY OTHER PAYMENTS EXCEPT USUAL GENERAL OR SPECIAL AD VALOREM TAXES.

The City agrees that the consideration set forth in the preceding section hereof, shall be paid and received in lieu of any tax, license, charge, fee, street or alley rental or other character of charge for use and occupancy of the streets, alleys and public places of the City; in lieu of any pole tax or inspection fee tax; in lieu of any easement or franchise tax, whether levied as an ad valorem, special or other character of tax; and in lieu of any imposition other than the usual general or special ad valorem taxes now or hereafter levied. Should the City not have the legal power to agree that the payment of the foregoing cash consideration shall be in lieu of the taxes, licenses, charges, fees, rentals, and easement or franchise taxes aforesaid, then the City agrees that it will apply so much of said payment as may be necessary to the satisfaction of the Telephone Company's obligations, if any, to pay any such taxes, licenses, charges,

fees, rentals, and easement or franchise taxes.

SECTION 9—FACILITIES TO BE FURNISHED CITY AS ADDITIONAL CONSIDERATION.

In addition to the consideration set forth in Section 7, the Telephone Company shall hold itself ready to furnish, subject to the use of the City, such wire space as may be required from time to time by the City upon the poles now owned or hereafter erected by the Telephone Company in the City for the use of the City's police and fire alarm system; provided that the required wire space shall not exceed the wire capacity of one cross arm on any one pole. The location on the poles of this fire and police wire space shall be determined on specific applications for space, at the time the applications are received from the City, and will be allotted in accordance with the considerations for electrical construction of the United States Department of Commerce, Bureau of Standards. In its wire construction on the Telephone Company's poles, the City will follow the suggestions and requirements laid down for wire construction in the Rules and Regulations of the Bureau of Standards of the United States Department of Commerce. Where conduits are laid or are constructed by the Telephone Company, said company shall hold itself ready to furnish sufficient duct space not to exceed capacity of one duct for use by the City in carrying its police and fire alarm wires. All such wires, whether on poles or in conduits, shall be constructed, maintained and operated in such manner as not to interfere with nor create undue hazard in the operation of the telephone system of the Telephone

Company. It is further agreed that the Telephone Company shall not be responsible to any party or parties whatsoever for any claims, demands, losses, suits, judgements for damages or injuries to persons or property by reason of the construction, maintenance, inspection or use of the police and fire alarm wires belonging to the City, and the City shall insure, indemnify and hold the Telephone Company harmless against all such claims, losses, demands, suits and judgements.

SECTION 10—ATTACHMENTS ON POLES AND SPACE IN DUCTS NOT HERE AFFECTED.

Nothing in this ordinance contained shall be construed to require or permit any electric light or power wire attachments by the City or for the City, nor to require or permit any electric light or power wires to be placed in any ducts used by the City in the Telephone Company's conduits. If light or power attachments are desired by the City or for the City, or if the City desires to place electric light or power wires in any duct used by the City, then a further separate non-contingent agreement shall be a prerequisite to such attachments or such use of any duct used by the City. Nothing herein contained shall obligate or restrict the Telephone Company in exercising its right voluntarily to enter into pole attachment, pole usage, joint ownership, and other wire space and facilities agreements with light and power companies and with other wire using companies which may be privileged to operate within the City.

SECTION 11—PERIOD OF TIME OF THIS ORDINANCE—TERMINATION.

This agreement shall be in force and effect for a full term and period of twenty (20) years from and after its effective date hereinafter provided.

SECTION 12—NO EXCLUSIVE PRIVILEGE CONFERRED BY THIS ORDINANCE.

Nothing herein contained shall be construed as giving to the Telephone Company any exclusive privilege.

SECTION 13—SUCCESSORS AND ASSIGNS.

The rights, powers, limitations, duties and restrictions herein provided for shall inure to and be binding upon the parties hereto and upon their respective successors and assigns.

SECTION 14—PARTIAL INVALIDITY AND REPEAL PROVISIONS.

If any section, sentence, clause or phrase of this ordinance is for any reason held to be illegal, ultra vires or unconstitutional, such invalidity shall not affect the validity of the remaining portions of this ordinance. All ordinances and agreements and parts of ordinances and agreements in conflict herewith are hereby repealed.

SECTION 15—ACCEPTANCE OF AGREEMENT.

The telephone company shall have sixty (60) days from and

"No Harsh Laxatives For Me"

ZORIMA, Queen of the New York Worlds' Fair last year, and one of the outstanding attractions at the San Francisco Worlds' Fair, will, with her sun-bathers colony, be a featured attraction of the Beckmann & Gerety Shows at the 28th annual Panhandle South Plains Fair at Lubbock October 6 to 11. This talented artist, believed to have been the most photographed woman in the United States last year, has a company of 20 beautiful sun-bathers which is said to be the most beautiful attraction ever offered by any carnival.

"Chief" Topics
by the SCOUT

E. H. Turner spent the past week in Oklahoma visiting relatives.

Firebuilder Williams returned to work after 10 days spent in Missouri visiting his mother and relatives. He reports lots of rain.

Car inspector J. M. Carter underwent an operation for appendicitis last week. He is recuperating rapidly.

O. D. Morris, who has been called boy at the Santa Fe was called in to the army this week. J. L. Scott, who has been the 3rd trick round house labor, will fill the position left vacant by Morris.

Engineer A. D. Woods was called to Paris, Tenn., where his wife is ill.

W. R. Lovett and Mrs. Lovett will leave today for the Ozarks in Arkansas to attend the yearly reunion of Mrs. Lovett's family. Mr. Lovett has sharpened his knife and fork and is ready to enter the contest at the dinner table when he gets there. W. R. has some excellent kodak pictures of the recent floods at Carlsbad, where a big Santa Fe bridge was washed out.

The Santa Fe's net railway operating income for August was \$5,275,455, according to a statement released by President E. J. Engel today. This is an increase of \$3,022,026, compared with August, 1940.

Gross for the System was \$20,628,256, an increase over August 1940 of \$5,996,571, or 40.98 per cent.

Operating expenses were \$13,308,095, an increase of \$2,411,316 or 22.13 per cent over the same month of 1940. Railway tax accruals were \$2,038,746, an increase of \$480,300, of 30.79 per cent.

The Santa Fe Railway System carloadings for the week ending Sept. 27, 1941, were 23,117 compared with 21,183 for the same week in 1940. Received from connections were 9,524 compared with 6,808 for the same week in 1940. The total cars moved were 32,641 compared with 27,991 for the same week in 1940. The Santa Fe handled a total of 31,877 cars during the preceding week of this year.

Southern Cotton Fields Aid Farmers

Smoke billowing from factory stacks, lengthening lines of workers before pay-windows of defense plants, and many other industrial developments are being hailed as new opportunities for the South; but, agricultural leaders point out, today's opportunities for Southern farmers and stockmen to develop sound, efficient practices, as a result of increased farm income, may be of even greater economic importance.

Too often, history shows, larger agricultural income has been dissipated for luxuries of immediate value, only, or in unwise expansion, rather than invested in permanent improvements and better breeding stock that increase the efficiency and productivity of land, livestock and labor. Today's increasing revenue from more efficient production of livestock, livestock products and crops of the South should be converted into better breeding stock, improved buildings and equipment, terraces and trench silos, and other sound investments that pay returns in the form of

greater efficiency on the farm or ranch. Such use of income, authorities add represents a lasting value that aids the individual and nation in "weathering" periods of reduced income.

By combining the South's proved ability to produce feeds abundantly with greater efficiency in using these feed resources for livestock production, Southern farmers and ranchmen can profit from present demands for livestock products and, at the same time, develop a better-balanced agriculture for the future. In protein-rich cottonseed meal, or cake; in grains and other carbohydrate feeds; in hays, pas-

tures, cotton seed hulls and other sources of roughage, the Cotton Belt has the "raw materials" for producing a far-larger share of the nation's food supply, and for balancing production of cotton, tobacco, wheat and other cash crops.

Because of the economic importance of cottonseed feed products to the livestock industry as well as of cotton and cottonseed to cotton growers, cottonseed meal, cake and hulls can play an important part in these sound developments.

By supplying nutrients essential for a properly-balanced ration, such protein concentrates as cottonseed meal enable livestock feeders to produce more pounds of meat, milk or wool per animal; and secure more productive value from every pound of grain or other carbohydrate feed used in the ration. In addition, the availability of cottonseed meal or cake enables ranchmen and farmers to maintain their stock through cold winter months or dry periods without

costly losses of weight and condition.

Southern cotton fields, in this way, provide essential feeds to aid farmers and stockmen not only in securing more immediate cash return from their land and labor, but also in building a farming and livestock system for the future. By utilizing with increasing efficiency its crop and livestock resources that are already available, the South can profit most from the present demand for, and revenue from, its products.

WORM DANGE ROVER.

G. A. Taylor says that the farmers can forget about the worms and go to worrying about the rain. "The worms are nearly all in the web now and the leaves are so tough and hard that the worms will not do much damage when they come out again." Mr. Taylor believes that if the sun would come out, the cotton would start popping out like popcorn on a hot stove.

Mr. and Mrs. E. O. McIver of Brownfield and Mrs. Louis Doyle and daughter Mrs. Diane Hutton of Lubbock, were Sunday guests of Mr. and Mrs. L. C. Odem.

Mr. Melvin Sisk of Levelland, former Slaton High school teacher, now connected with the Levelland Chamber of Commerce, spent a few days in Slaton this week.

Mrs. B. L. Dieterman and daughter of Dallas were guests in the home of Mr. and Mrs. Vilas Tudor last week.

Studies made at a state University reveal that only 37 percent of pre-school children in many rural areas of the country have ever had a health examination.
