## THIS WEEK'S WAR MOVES

Merchant's Commission reports U. S. yards delivered 36 merchant vessels in April. Fifty-one vessels, double the January number, were launched during the month. The WPB established a Service Branch to clear priority and other problems confronting about 3 million service institutions such as banks, laundries, etc. The Commerce Department said income payments to individuals during March were 21 percent higher than a year ago and reached the record annual rate of \$106 billion.

The War Department announced the planes which recently raided Japan were U. S. Army bombers. The attack was made in clear weather, in the middle of the day, and at low altitudes. The selected targets "were accurately attacked with demolition and incendiary bombs," the Department said. Japanese broadcasts admitted that between 3,000 and 4,000 casualties and fires which raged for 48 hours were caused by the raid, the Department said.

The Navy Department said 21 Japanese warships were sunk or damaged in the battle of the Coral Sea with relatively slight losses to U. S. forces.

Navy Secretary Knox reported Navy personnel now totals 500,000 compared with 140,000 in the Summer of 1940. He said the Navy will include one million men by July 1943. The Senate sent to the White House a bill authorizing an increase of 200,000 tons in the U. S. Submarine Fleet. The Navy said two new aviation technical schools will be constructed—at Memphis, Tenn. and Norman, Okla.—to train 10,000 men every six months. The training center for negro enlisted men will be at the Naval Training Center, Great Lakes, Illinois.

The Treasury reported War Bond sales during the first six business days of May were 21 percent greater than in the same period in April and totaled more than 25 percent of the Nation's May quota of \$600 million. Treasury Secretary Morgenthau, in a letter to Congress, said the time has come to lower personal exemptions under the individual income tax to \$600 for single persons, \$1,200 for married couples, and \$300 for each dependent.

The WPB prohibited use of copper, bronze or brass after May 31 in manufacture of about 100 household and common civilian items. Use of iron and steel in more than 400 such items was prohibited after July 3. The orders include such products as waste baskets, fountain pens, flashlights, electric razors, cash registers and baking pans. Designs of glass containers were restricted to existing mold equipment. The Board said this standardization would increase production of such containers by 30 percent and help meet a possible tin can shortage. Grinding of cocoa beans during the rest of May and June was restricted to 70 percent of the amount ground in the corresponding period last year.

## Fun Is Going To Pop In Slaton

"Funsoppin'" and a Baby Popularity Contest, that is what is in store for Slaton fun lovers on May 22nd, when The Daughters of the Pioneer Study Club will present a rip-roaring, fast-moving musical comedy at the High School auditorium. "Funsoppin'" is under the direction of Mrs. Alma Bunnell who comes here from Kansas City, Mo. Mrs. Bunnell has an A. B. Degree from Northwestern University and has many years experience with the Morris Dramatic School in St. Louis, Missouri, and comes highly recommended as a director of plays of this character. She has selected her cast from the best actors and actresses in this community and promises one of the

# Memorial Day Plans To Be Completed

## Company "C" Of Slaton To Take Part In Battalion Maneuvers

Company "C," 39th Battalion will participate in 39th Battalion Maneuver which is scheduled to start Saturday, May 23rd, 1942, around 5:00 p. m. and continue through Saturday night and most of Sunday. Five companies of the 39th Battalion will participate in this event, Lubbock, Crosbyton, Slaton, Levelland and Plainview.

There will be a Battalion review Saturday afternoon late in Lubbock, and then camp will be pitched in the spacious McKenzie Park. Companies will be located at strategic points throughout the park. Guard will be posted throughout the night, and a battle problem will be worked out during the night and probably terminating in the early hours of the morning with the Battalion attacking and capturing their objective.

The Company understands that it will be very inconvenient for some of the men of this Company to get off at five o'clock Saturday afternoon, and some employers will not be willing to let these men off at this time; however to the men and to the employers, let us state that this is no picnic or tea party we are going to attend. It is dead serious business, and will give very valuable training and experience to the men, training and experience that will mean a lot to the men when they are called to the United States Army. The men will get actual training and hardships, marching, eating and sleeping on the ground, attacking and retreating, the same they would get in actual battle, and because of this, we appeal to every man, and every employer to make a special effort to see that the soldiers of Company "C," do not miss this Battalion maneuver. It

is the first maneuver of this kind we have had, and will be a long time before there is another; therefore it is very important that we have every man in the Company participating in this event. We sincerely hope that all employers will cooperate with the War effort in this matter, and let their employees who are members of the Texas Defense Guard participate in this maneuver.

We also need arms for the Company. There are many old Springfield (Krag) 1896-1898 Model Rifles in Slaton, which the men of this Company need in this maneuver. We appeal to the citizens of Slaton who do have these Army rifles or who have single barreled shotguns to lend them to this Company for training purposes. A receipt will be given to the lender from the Company. The gun will be locked and stored in a very safe place, with no chance of being stolen. The rifle will be cleaned and oiled and kept in good condition, and will be returned to the lender at any time he desires.

Anybody having any of the above equipment and wishing to lend them to this Company can do so by contacting any of the Officers or non-commissioned officers of this company and a receipt will be given to you from the Commanding Officer.

Other towns have supplied their Company with just such arms, and we see no reason why Slaton cannot, so let us come forth with all kinds of guns available, and strengthen Slaton's reputation as being the most patriotic town in the State, not only in buying bonds but in helping and aiding in supporting a unit of the Texas Defense Guard here.

## To Slaton Men And Men Of This Section In The Service Of Our Armed Forces We Pay Tribute!

Proof that Slaton men are more than doing their part in the armed forces of the nation will be illustrated in the Slatonite of May 22, when we will publish a brief account of over 50 men together with their photographs. These men are all from Slaton and surrounding communities and we take pride in publishing them and the only regret we have is that we are unable to give a likeness of every man from this section of Lubbock County who is in our armed forces. A number of photographs were submitted to us after Saturday, May 9th, that we could not have made into cuts for the issue coming out next week, as the regular process of engraving requires from seven to ten days, however we will in the near future print more pictures of men who have gone into the service from this section and we will be glad to have more pictures submitted to us for publication. The future date for publishing these photographs will be announced in the Slatonite, we will however be glad to publish the names and brief information concerning each man in next weeks issue without photographs if information is supplied.

We have had many advance requests made for extra copies of next weeks paper and in order to get an estimate on the number of extra copies that will be needed we will appreciate it if those who expect them will notify us in advance as to the number of papers they will want. As you will note in next weeks paper, Slaton has men in every branch of the service, and we of Slaton take pride in the patriotism that is being shown by men from this community. Watch for next weeks Slatonite and with us let us pay tribute to Slaton men who are defending our freedom and our democracy—Slaton Salutes the Men in Service.

## Hollywood Stars Give Us A Thrill

The secret got out Wednesday afternoon when the Hollywood Star Train stopped in Slaton for half hour and a major part of the feminine population and children together with all the men who could slip away from their work, were at the railway station to make the stop here a bedlam of noise and excitement.

The train arrived at 3:10 and the stars were most gracious in giving autographs and in entertaining the crowd. Among those who appeared on the platform were Pat O'Brian, James Cagney, Eleanor Powell, Claudette Colbert and Harpo Marx. Young Miss Mary Harrah had the thrill of her life when she had her picture taken with Eleanor Powell.

## Authorization Of DeMolay Chapter For Slaton Expected Within Week

In a letter from George H. Hammock, District Deputy of the order of DeMolay from Amarillo to Wayne Jarvis of Slaton, Mr. Hammock stated that he had forwarded all papers in connection with the organization of a chapter of DeMolay here, to Kansas City for ratification. Mr. Hammock also stated that as soon as authorization has been given that he would arrange to meet with the young men here who will form the Slaton

## SLATON ROTARIANS SEND AID TO CROWELL

In co-operation with the other 45 Rotary Clubs that make up the 127 District, the Slaton Rotary Club sent \$25.00 to a subscription fund that was raised to aid the stricken people of Crowell, Oklahoma, when that town was almost totally destroyed by a tornado last week.

A total of more than \$1,500.00 was raised by the district for this purpose. Cal Farley, president of the 127 district made the appeal from Amarillo.

## MONTHLY SINGING TO BE HELD SUNDAY

The regular monthly singing will be held at the First Christian Church next Sunday at 2:30 p. m. at which time visitors will be most welcome as well as all those who wish to take part in singing. The past meetings have proven very popular and a large attendance is expected said W. P. Florence who is taking active part in the monthly meetings.

## Mass Meeting Monday Night To Plan Memorial Day Services

### Hoppers Become Major Problem

Reports from some farmers in this section are that the grasshoppers are invading their farms while others report little or no signs of them. Judge Smith says that they have eaten up a lot of his wheat, sudan and peas while J. H. Brewer says he has seen no signs of hoppers on his land. Most of the farmers around Posey say that great damage is being done to their crops and some of them have been poisoning. Pat Patterson who has a farm near Posey has poisoned his crop and his mother, Mrs. O. R. Patterson, is planning on going the same on her land. S. N. Gentry, who lives at Posey, says the hoppers have almost ruined his melon and cantaloupe patch and that the hopper problem is getting grave.

The hoppers seem to be worse on the tight land than on the sandy land. E. R. Legg reports that the hoppers are ruining his alfalfa crop and he does not wish to put out poison as it might ruin the hay for feeding purposes.

Should the hopper problem become serious in this locality it has been pointed out that should it become necessary to distribute poison it will be of little benefit unless all farmers follow the same plan as the poison does little good unless all the hoppers are killed as they multiply very fast.

A call meeting of all public spirited citizens of Slaton is scheduled to be held next Monday night at the City Hall when plans will be formulated on the observance of Memorial Day, May 30. All Slaton stores have been asked to close from 10 a. m. until 4 p. m. on Memorial Day. Veterans of all wars, their wives and widows of Veterans are urgently requested to be present at the meeting which will start at 8:30 p. m.

Extensive plans are being made to observe Memorial Day in Slaton and invitations will be sent to other towns and communities inviting representatives to be here. All civic organizations and clubs will take part and it is hoped that an observance day befitting a cause of this kind can be made successful.

"Practically every store and business house in Slaton has agreed to close from the hours of 10 a. m. until 4 p. m.," said Briggs Robertson, secretary of the Slaton Chamber of Commerce who is in charge of the Memorial Day services, "and from all quarters we have been encouraged, we hope that we can make it a day of real significance."

## SLATON SCHOOLS TO FACE DIFFICULTIES

That Slaton schools and the public schools all over the nation will face the most difficult problems in the history of our nation, is considered most probable by Superintendent Kavanaugh of the Slaton Independent School District.

M. S. KAVANAUGH

The most serious difficulty for the coming school term will be the teaching forces said the superintendent.

"All of our remaining men teachers are subject to the draft," said Mr. Kavanaugh, "and there is a probability that all of us will go into the army. There is a nationwide demand for teachers of all subjects and just what difficulties we will face when school opens next September, could hardly be predicted, but most certainly they will be many. Particularly hard hit will be the athletic department of all schools as many of the athletic directors have been called into the service and from all indications many more will be. If my services are not required by the Government I will do everything in my power to continue our athletic program or as much of it as possible. My own plans for the summer were to attend College during my vacation but under present conditions it may prove impractical, but whatever the difficulties I feel sure that our Slaton boys and girls will get the best that is available next year and every year in the way of educational facilities."

The turn of events will most certainly make the scholastic situation better or worse but it is most likely that our local school trustees, together with thousands of others over the nation, will be having lots of headaches before school opens next year.

The freshmen of Slaton High school spent Friday at Buffalo Springs. Beside having beautiful sun-tan and freckles, they all had fun.

### Official U. S. Treasury War Bond Quotas For May

**TEXAS**  
U. S. Treasury  
Official War Bond Quotas for May  
May Quota for State, \$18,594,500

The above map of Texas shows the War Bond quotas, by counties, for the month of May, 1942. Total War Bond quota for the State is \$18,594,500. Every income earner in the State is expected to step up War Bond purchases on a basis of ten per cent of more of income. This is necessary to help America's

## Fun Is Going To Pop In Slaton

fastest moving and most amusing plays ever presented here, complete with chorus girls, comedy and song. In addition to the "Funsoppin'" there will be a Baby Popularity Contest in which Slaton's most popular baby will be chosen by votes which are available at many different business places over the city; the winner will be presented on the stage Friday night, May 22nd. Those who will take part in Funsoppin' are: Corinne Cates, Bobby Williams, Frank Todd, Charles Reese, Viola K. Martin, Myrtle Teague, Mary Watkins, Wilda Ruth Hannah, Mrs. R. A. Singer, Briggs Robertson, Mrs. Arthur Haddock and Mrs. T. J. Settle.

## Draft Board Warns Draftees

Mr. J. H. Brewer, Slaton member of the Lubbock County Draft Board reports that the board is having difficulty in getting questionnaires filled out properly that have been sent to men subject to draft. "Many of these questionnaires come back to us with many of the questions left blank," said Mr. Brewer, "and while in the past we have called men before the board we will not be able to do so from now on except in extreme cases, due to the increase in work that the board is doing. It is therefore very important to each man who received a questionnaire that it be filled out in full."

## POSEY ITEMS

Mrs. S. N. Gentry, Correspondent

Most of the farmers in the Posey Community have their crops up. They say that crop prospects would be bright except that the grasshoppers are devouring everything—including the weeds. Poison has been put out, but there are still too many hoppers to suit them.

Mr. and Mrs. Edward Walthers of Lubbock were visitors in Posey last weekend. Mr. Walthers is now at the Lubbock Air Base and Mrs. Walthers is the former Miss Mary Frances Cloninger of Posey.

Mrs. J. T. Cox of Kennedy and Mrs. Everett Mangum and son Ronald Lee left last Friday to join Sgt. Everett Mangum who is stationed at Scott Field, Ill. Mrs. Cox is Mr. Mangum's mother. All will remain with him until he completes his school there. Mr. Mangum is in a radio school.

The little grandson of Mr. and Mrs. Joe Morrison has been ill in a Lubbock hospital. He is the son of Mr. and Mrs. L. C. Morrison of the Robertson Community.

Doris Dell, daughter of Mr. and Mrs. W. W. Allen of near Wolf-orth, also a granddaughter of Mr. and Mrs. Joe Morrison is recovering from a serious meior operation.

The little daughter of Mr. and Mrs. Melvin Johnson has been named Veretta June. She was born May 3. Mr. Johnson is employed at the Lubbock Air Base. Mrs. Johnson and her baby daughter are living in Lubbock with Mr. Johnson's parents.

Mr. and Mrs. Neece and son, of New Mexico, spent the weekend with Mrs. J. C. Gentry. Mrs. Neece, who is the former Nadine Childress, is a sister to Mrs. Gentry.

Mr. and Mrs. R. L. Johnson, Mr. and Mrs. Elmer Johnson and daughter and Wanda McClendon of Pettit spent last weekend with the Sam Gentry's. They report that there is also an abundance of grass hoppers near their home.

Those from Posey to graduate in Slaton High school are Irene Gentry, Charles Gentry, Mary Alice Johnson, and Mary Frances Joplin.

Miss Mona Keeter visited Club girls in the Posey Community last week.

Jim Gentry, who is in the Army and has been stationed in Washington State has been transferred to his original camp in California.

Mrs. O. R. Patterson and Mr. Wesley Gentry are on the sick list this week.

Mr. and Mrs. Joe Morrison, Mr. and Mrs. Carl Miller and son Gene and M. P. and S. N. Gentry attended the meeting of the District Conference of the Methodist Church Friday at Levelland.

## Will Rogers' Humorous Story

By WILL ROGERS

IT'S quite a problem for employers of lots of girls to keep the young ladies from using most of the office hours for capturing men.

Well, anyway, that's what the employers say. And you'll have to give them credit for trying to tell the truth. They may be cuckoo, but they want to be honest.

So many girls use the office phones to talk something besides business, you know. Oh well, maybe not. I didn't say so. I'm just quoting what some of my friends that have offices tell me.

One boss called his secretary in and says to her, "You may not use the phone to talk over your love affairs during office hours."

"But," she says, "I never do that. Strictly business with me."

"Then how about that last hour's conversation?"

"That was business, of course, with a client of the firm."

"All right then. Don't let me hear you calling our clients old fuzzy, wussy and sweet dandy and more. Our clients don't understand that kind of commercial language."

American News Features, Inc.

"SONG of the ISLANDS" showing at PALACE THEATRE SOON

Mr. H. L. Rodgers is now employed by the Hick's Hatchery at Lubbock.

Mr. and Mrs. Alvin Burns have recently moved to Lubbock. Mr. Burns is now employed at the Lubbock Air Base.

Mrs. Julius Stahl has added a room to her rent house where the Joe Moellers now reside.

Mrs. Nathan Johnson's parents, Mr. and Mrs. W. F. Banks of Brownfield visited her in Posey last weekend.

The Posey School, the parents and teachers will meet at the McKenzie Park in Lubbock, Friday, May 16, for a picnic.

## COOPER NEWS

Kathryn Robertson, Correspondent

The Cooper Home Demonstration Club met Wednesday afternoon with Mrs. L. F. Linecum.

John Lewis Goode and Clarence E. French left Thursday night for Dallas to take physical examinations to seek service in the reserve forces.

Achievement pins were presented to boys and girls of the Cooper 4-H clubs at a meeting Thursday night at the school.

The third-year Home Economics class took a field trip Friday afternoon visiting in the home of Virginia Peterson and Kathryn Robertson. Improving the homes was a class project whereas the girls inspected and discussed them.

Girls attending were: Fay Williams Euton Stephenson, Lorene Cummins, Corene Bailey, Wannell Maginnis, the teacher, Mrs. R. A. Burford and the hostesses.

Jesse M. Johnson, agriculture teacher, discussed grasshoppers to the farmers Wednesday night. Many farmers in this community poisoned the past week and reported the grasshoppers to have been very destroyable.

The Young Peoples' Training Union of the Slide Community met

at the home of Mr. and Mrs. W. O. Reiger Friday night for a "newspaper" party. Heads of the departments were elected and a paper "published."

Those attending were: Misses Deloise Giddons, Louise Penuel, Rachael Selman, De Lois Williams, Joyce Littlejohn, Billy Ray, Kathryn Peek, Ruth Hopping, Messrs. Jennings Price, Edward Ward, Willie Littlejohn, Herbert D. Henderson, Mrs. Lee Reiger, and Mr. and Mrs. R. V. Giddons.

Those visiting in the home of Mr. and Mrs. R. M. Cade Sunday were: Mr. and Mrs. H. M. Cade and family, Mr. and Mrs. V. L. Cade and children, Mr. and Mrs. A. M. Cade of Tahoka and Mrs. S. R. Cade.

Brother Vaughn, Pastor of the Slide community, held the service at the Baptist church at Union Sunday and Sunday evening.

Mr. and Mrs. D. J. Speed and son of Littlefield, Mr. and Mrs. R. D. Presley, Mr. and Mrs. Elmer Allen and son of near Ropes, Mr. and Mrs. Woodrow Eilenberber of Roswell, New Mexico and Miss Euton Stephenson spent Mothers Day with Mrs. M. D. Gamble and family.

Mr. and Mrs. W. L. Meeks and Miss Corene Patterson of Lubbock spent Mothers Day in the home of Mr. and Mrs. T. E. Patterson.

Mr. and Mrs. L. G. Bailey and family visited Mr. and Mrs. H. R. Curry Sunday.

Mr. and Mrs. Jim Drewry and small daughter moved Monday to

Lubbock. Mr. Drewry was formerly a school mechanic here and will continue his work in Lubbock.

Little Beverly Ann Durham, daughter of Mr. and Mrs. J. M. Durham, visited school Monday. Mr. and Mrs. T. C. Roberts and family visited in the home of Mr. and Mrs. J. S. Hampton of Slaton Sunday.

Those visiting in the home of Mr. and Mrs. R. L. Goode Sunday were: Mr. and Mrs. Clay Richardson of Ropes, Mrs. E. A. Robertson, Helen Richardson, Mr. and Mrs. C. C. Jones and Miss Nanna Lee Goode of Lubbock.

Miss Helen Richardson returned home Sunday evening with her aunt and uncle, Mr. and Mrs. Clay Richardson of Ropes. She plans to spend the week.

Miss Geneva Smith of Roosevelt has been visiting Mrs. Buck Huckabee.

Job Printing Neatly Done.

## "CHIEF" TOPICS

by the SCOUT

Engineers J. A. Smith, I. P. Phillips, E. J. Hill, E. J. Brown, and R. L. Smith Jr. have been called to the Plains Division of the Panhandle Santa Fe Railroad at Amarillo for temporary service.

Delma Hodge has transferred to Albuquerque, New Mexico for back shop experience.

T. M. Hymie has been transferred from Albuquerque, New Mexico, branch to Slaton for Round House experience.

W. E. Gerron and J. N. Colston returned this week from a vacation in South Texas.

The 12 auxiliary firemen who

registered in January are reported making excellent progress. They are taking two hours per day instruction and will have to complete 22 hours before they are qualified.

The Santa Fe System carloadings for the week ending May 9, 1942, were 21,325 compared with 20,750 for the same week in 1941. Received from connections 9,629 compared with 7,363 for the same week in 1941. The total cars moved were 30,954 compared with 28,122 for the same week in 1941. The Santa Fe handled a total of 32,034 cars during the preceding week of this year.

## Our Weekly Sermon—

By the Rev. Ralph E. Stewart, Associate Director of WMBI

The greatest scientists who ever lived have been unable to explain physical life — what it is and where it came from. If we cannot define physical life, how shall we possibly explain with satisfaction the beginning of spiritual life? Nicodemus found the problem of the new birth difficult to understand. He asked, "How can a man be born when he is old?" (John 3:4) In reply to Nicodemus' question how, Jesus answered, "Verily, verily, I say unto thee, except a man be born of water and of the Spirit, he cannot enter the kingdom of God. That which is born of the flesh is flesh; and that which is born of the Spirit is spirit." Then Jesus continued to explain, "The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the spirit."

Nicodemus had objected to the truth because he did not understand it. Jesus showed him that he constantly believed things quite as difficult to understand. In the op-

erations of both the wind and the Spirit we see changes produced. In the realm of the spirit, we see sinful men become holy; the thoughtless become serious; the vicious, moral; the moral, religious; the prayerless, prayerful; the rebellious and obstinate, meek and gentle. When we see such changes, we ought no more to doubt that they are produced by some mighty agent than when we see the trees and clouds moved by the wind. The clear evidence of conversion is the effects in the life.

The Spirit may use a variety of modes of operation. As the wind sometimes sweeps with a tempest and prostrates all before it, and sometimes breathes in a mild evening zephyr, so it is with the operations of the Spirit. The sinner sometimes trembles and is prostrate before the truth; sometimes he is sweetly and gently drawn to the cross of Christ.

But by what means does the Spirit work? Peter says: Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth forever" (1 Peter 1:23). The Spirit's instrument in the new birth is God's Word. And this Word says: "He that believeth on the son hath everlasting life." Therefore, on the authority of this Word, if you this day believe on Jesus Christ, God's Son, as your Saviour, the Spirit of God will operate so in your life that you will be born again.

If you have not experienced this new life in Christ, make this your spiritual birthday.

## TEACHER SHORTAGE FOR NEXT YEAR

Lubbock, May, Facing an evident shortage of public school teachers for the coming year, Dean J. M. Gordon of Texas Technological College, held a conference recently with school executives. These facts are considered outstanding:

In the elementary schools the shortage will be largely in public school music. The main shortage will likely be in the high schools. This will include commercial teachers (acute shortage), teachers of natural science, coaches, band directors, choral club directors, and teachers of manual arts.

It is agreed that the larger school systems will not suffer as much as the smaller schools, particularly those in the rural districts. Course offerings in the summer school at Texas Tech are designed to meet the needs of teachers who want to prepare themselves to fill expected vacancies.

Speaking specifically for the Arts and Sciences Division, Dean Gordon calls attention to the fact that a number of regular courses in education will meet definite requirements. In addition the following courses are suggested:

Methods of Teaching Penmanship in the elementary grades; Basic Skills in the Elementary Grades; Materials and Methods in the Social Studies of the Elementary Grades; High School Methods Workshop Procedures in Improving Classroom Conditions; Diagnosis and Improvement of reading, including a Reading Clinic; High School Problems; Public School Interpretation; a Teacher's Course in Methods of Teaching Spanish, in which some two weeks of the term

will be devoted to the teachings of Spanish in the grades; Public School Music; Band conducting; Methods of Teaching Algebra and Geometry, and probably a course in the teaching of arithmetic; Methods of Teaching Physical Education in the High School; Methods in Physical Education for the Elementary School Teacher; Safety and First Aid, including the regular Red Cross First Aid Course.

## ON THE HOME FRONT

The call to arms was heard in every sheet metal shop in the Southwest during the last week as the War Production Board enlisted their iron and steel for the duration.

Practically every community is affected, because nearly all have such sheet metal fabricators which the home folks call "tin shops."

The call to arms was an order forbidding the use of iron and steel after a 90-day tapering off period, after which no more iron and steel can be used in more than 400 civilian products. It means that the "tin shops" and other affected will have to turn to using wood or cease operating. Of course if wished, they can use gold and silver as substitutes as these are the only two metals still allowed in the manufacture of the lost list of articles.

Most American's weren't surprised when the iron and steel order was issued, virtually eliminating uses in civilian products, because steel is the raw material of victory. It is perhaps the most important single material in modern warfare.

But when those in every community start looking around, they may be surprised to see how widely effective is the order. The outlawed list includes such products as attic fans, bath tubs, bird and chick feeders, building ornaments and ornamental hardware, corn cribs, grain storage bins except for strapping and reinforcing materials, culverts, feed troughs, fence

posts and ornamental and chain link fencing, gutters, spouting, conductor pipe, and fittings for single-family dwellings, novelties and souvenirs of all kinds, parking meters, sign posts, weather stripping, and many other products.

Final date of the tapering off period is August 3, 1942, and it applies to used and scrap iron and steel as well as new material.

Enlistment of delivery trucks and rubber-tired wagons under war restrictions was effected by a series of orders from the Office of Defense Transportation. Practically every type of delivery and hauling service was included.

The orders were made mandatory by the rubber shortage, and the necessity for conserving tires and equipment that isn't being manufactured for civilian uses.

The transportation orders, listing specific exceptions, included: No more local delivery trips of more than 15 miles in length; no special deliveries except to hospitals, to armor forces, or in emergencies for protection of public health, life and safety; no call

backs; not more than one delivery a day to any one person; local carriers must reduce monthly vehicle mileage by at least 25 per cent, compared with the same month of 1941, in addition to complying with other restrictions.

For private haulers, no more loads exceeding by more than 20 per cent of vehicle capacity; no over-the-road service unless truck is loaded to capacity at origin 75 per cent of capacity on the re-point and loaded to not less than turn trip, or vice versa.

# Cotton and Cottonseed Products For ALL Who Work and Fight For FREEDOM

Fortunately for all, December 7 found America with valuable stockpiles of cotton lint—with farmers who can produce cotton more abundantly, probably, than any other crop, with more than 400 Cotton Oil Mills equipped and ready to convert cottonseed into Cotton Linters for explosives—Cottonseed Oil for food—Cottonseed Meal, Cake and Hulls for livestock feed.

All of these products are helping win this war. BUT, they can also be produced abundantly enough—in far larger amounts than they are now being produced—so that all civilians, as well as all in our armed forces, may have an abundance of cotton and cottonseed products. Use cotton and cottonseed products for their familiar uses and for new uses to replace scarcer, costlier materials. Put cotton and cottonseed products on your "must use" list—during NATIONAL COTTON WEEK, MAY 15 - 23, and throughout 1942.

# National Cotton Week Finds Us "In Fightin' Trim" Producing for Uncle Sam and You

Your local Cotton Oil Mill, like all Americans, is proud to be playing an important part in winning this war. Our products are going into munitions on the battleline, and in the sea and air—into fats that keep Americans fighting and working—into the feeding of livestock that produce "Food for Victory."

We take pride, also in being able to render efficient service to this community—in peace or war—and invite you to give us every opportunity to serve you more.

## Alathean Class Has Social At Bert Thornton Home

Mrs. Bert Thornton entertained members of the First Baptist Church Alathean Class Wednesday, May 6. Mrs. L. T. Hoover was co-hostess. Mrs. J. D. Loring gave a devotional and Mrs. Carl Gryder gave a biblical reading. Mrs. Fred Stephens, Mrs. Vaughn and Mrs. Wampler gave short talks. Mrs. Vilas Tudor directed a social hour. Members attending were: Mesdames Carl Sartain, Vilas Tudor, Fred Stephens, J. S. Vaughn, C. B. Teffertiller, Jess Burton, W. H. Edwards, Myrtle Verble, T. E. McClanahan, J. D. Loring, Cary Gryder, Wampler and Clack.

## MOTHER'S DAY DINNER GIVEN IN HINSON HOME

A Mother's Day dinner was given in the home of Mrs. Mattie Hinson and her son, Monroe, Sunday, May 10. Dinner was served to the following: Mr. and Mrs. L. E. Hinson and son, Mr. and Mrs. Will Meyer and children, Mr. and Mrs. Percy Hinson, Mr. and Mrs. Ernest Hinson, Mr. and Mrs. G. B. Gartman and son, Mrs. Selma Hinson and children, Mr. and Mrs. E. D. Hart of Lubbock, Mr. and Mrs. A. A. Gartman and children, and Mr. Leonard McCane.

## O. E. S. HAS INITIATION CEREMONY MONDAY

Three candidates received the degrees of the order at the call meeting of Chapter No. 585 of the Order of the Eastern Star last Monday evening. They were Mrs. Minnie Kessel and Mr. and Mrs. Sam T. Phillips.

There was a large number of members present and four guests. The guests were Mr. and Mrs. Carl O. Stewart and their daughter Ruby, former Slaton members now of the Lubbock Chapter and Mrs. F. L. Barton of the Albuquerque, New Mexico Chapter.

Refreshments were served in the Masonic dining room which was attractively decorated with larkspur and iris.

## BIBLE STUDY

The Forrest Bible Study will meet 3:30 p. m. Tuesday at the Methodist Church.

Lesson: Studies in the Book of Genesis. The Life of Joseph. Chapters 37-40.

1. Give two other reasons besides the one given in 37:3 why you think Jacob may have loved Joseph more than his other sons.
2. What shows the fearlessness of Joseph even as a boy? 37:2, 8-10, 13.
3. Name the various sins of which Joseph's brethren were guilty. 37:4, 11, 20, 24, 25, 26, 31, 32, 35. Cf. 42:21.
4. Name some of the admirable traits of Joseph's character. 39:8, 9, 40:6, 7, 8, 41:15, 16, 37, 38, 39.
5. What was the one reason for Potiphar, the keeper of the prison, and the king, all trusting Joseph so implicitly and giving him such a place of power? 39:3, 4, 21-23, 41:38-41. Cf. Acts 6:3.
6. Which do you think showed more wisdom in the selection of a ruler, Pharaoh or the average modern politician or even some modern churches? Why?

Mrs. L. R. Tibbs

Have your prescriptions filled at TEAGUE'S DRUG STORE by a registered pharmacist.

New residents of Slaton are Mr. and Mrs. W. H. Carter and small son who have recently moved here from Artesia, New Mexico. Mr. Carter is employed at the Piggly Wiggly grocery store.

Mrs. Guy Keith of Crosbyton was a guest of her sister, Mrs. M. L. Turnbow last week.

David Todd of Amarillo, son of Mr. and Mrs. R. H. Todd spent the weekend visiting his parents here.

## Personals

Mrs. W. W. Watson has just returned from Florida where she and Mr. Watson have been visiting their son, Sergeant Billy Watson and Corporal Don Shelby both of whom are serving in the Artillery. Mr. Watson remained in the South to visit relatives.

Mr. and Mrs. C. O. Clifton and Mr. and Mrs. W. T. Ward of Lubbock were guests in the J. W. Ward home last weekend.

Have your prescriptions filled at TEAGUE'S DRUG STORE by a registered pharmacist.

Mrs. L. C. Odom is in Fort Worth visiting her sister, Mrs. Oscar Wyatt, this week.

Mrs. J. W. Henry, her daughter, Connie and Miss Garnetta Bailey are leaving today for San Diego, California to visit Garnetta's brother, Bobby, who is stationed there. They expect to return in about two weeks.

Joe Turner is calling crews this week.

Mrs. W. E. Olive of Henderson, State medical meeting in Houston Monday in the studio of the Griffith School of Music, examining students of Mrs. A. B. Griffith of Slaton and Mrs. Ashley Lawson of Post.

Have your prescriptions filled at TEAGUE'S DRUG STORE by a registered pharmacist.

Dr. and Mrs. Roy G. Loveless are attending the State Medical convention this week.

W. E. Payne is attending the State medical meeting in Houston this week.

Miss Mina Garland of Abilene, daughter of Mr. and Mrs. L. T. Garland visited her parents and friends in Slaton this week.

Guests in the home of Mrs. R. H. Bailey and Garnetta, are two aunts of Garnetta's. They are Miss Elizabeth Stanford and Mrs. J. M. James both of Fort Worth.

Mr. and Mrs. Guy Ely left Wednesday for a two weeks visit with

Mrs. Ely's relatives at Whitewright. William Kidd accompanied them to visit his grandmother who also lives in Whitewright.

Mrs. Victor Buxkemper, formerly Miss Alvera Hutfless, left Friday to visit Mr. Buxkemper who is stationed at Fort Bliss, El Paso, Texas.

Mrs. W. E. Edwards left Thursday evening for Honey Grove, Texas to spend a week visiting her parents.

Pete Felton and T. K. McMillan of the Hestand-Kimbell Wholesale Grocer Co. left Saturday noon to meet other employees of the Grocery Co. at Big Spring. From there the entire force will leave for San Angelo for the Company's annual excursion. Pete said upon leaving that his only objection to these

affairs was that someone always wanted to take fishing equipment along, spoiling all the fun.

Sgt. Frank Moss and Flying Cadet James "Dink" Stotts of Victory Field, Vernon, Texas, spent Saturday and Sunday visiting their parents and friends. They were recently transferred from Kelly Field. Miss Jean Evans and J. W. Martindale accompanied them on the return trip.

Mr. and Mrs. Graham Steele of Clovis, N. M. visited their aunt, Mrs. Perry Moss, last week.

Mr. and Mrs. Perry Moss, long-time residents of Slaton are moving to Lubbock May 20th. They will be at home at 1712 18th street.

Mrs. George S. Lemon, of Lubbock, daughter of Mr. and Mrs. H.

G. Sanders, and her three children are visiting in Slaton this week.

Mrs. C. C. Hoffman is visiting friends and relatives in Tahoka.

Billy Tom Taylor is visiting his sister, Mrs. Carlon Stotts, the former Miss Jerry Taylor, in Tucumcari this week.

Mr. and Mrs. Eugene Smith and sons of Sacramento, California are visiting Mr. Smith's parents, Mr. and Mrs. Duke J. Smith.

Mrs. Gunter Garland of Amarillo visited her parents last week.

Cecil Scott was in Spur last week on business.

Wayne Smith of Roswell, New Mexico, is visiting in Slaton this week.

Mr. Webber Williams was in charge of two funerals in Spur last week.

Ray C. Ayers returned Monday from Dallas where he attended the Texas Grain Dealers association. Mr. Ayers is director of the organization.

### Crystal Glamor For The Console

Modern American crystal is in high favor for the dining room buffet or entrance hall table. Recent design is this centerpiece bowl and matching candleholders, designed to display to full advantage the remarkable clarity of lead crystal. White and yellow tulips rise gracefully above the flared rim of the bowl, while the satin-smooth bases of the three pieces catch and hold a thousand reflections. This arrangement on the entrance hall table says "Welcome" to the entering guest. Global war has once again made America the world center for the making of fine crystal—a heritage that began here in colonial days. Glassmaking is America's oldest industry having been established at Jamestown, 1609. Names like Baron Steigel, Edw. Drummond Libbey and other illustrious Americans are forever linked with the 5,000-year-old history of glass.

J. M. James, were present.

#### Class Goes to Buffalo Lakes

The senior class of Slaton High school spent Monday afternoon, Monday night and Tuesday at Buffalo Lakes on their annual class excursion. They were accompanied by their sponsor, Miss Irene Armes, Mrs. R. H. Todd, Mrs. R. H. Bailey and Mr. M. S. Kavanaugh.

Monday afternoon and evening was spent in dancing, eating, boating, and hiking. Some of the boys were even brave enough to get their first swim of the year.

They were a happy but tired looking group when they returned home Tuesday and all of them reported a "swell" time.

#### ELIZABETH BOSTICK IN RECITAL

Miss Elizabeth Bostick, pupil of Mrs. Myrtle Dunn Short, will be presented in a piano recital at Mrs. Short's studio, 2013 - 14th street Lubbock at 8:30 p. m. May 18. She will be assisted by Miss Gertrude Parrott. The program is as follows:

Prelude, I. Bach; Arioso, Bach-

Pirani; Sonata, Haydn, Allegro con brio, Largo e sostenuto, Presto ma non troppo.

They Call Me Mimi (La Boheme) Puccini; Ouvre ton Coeur, Bizet—Gertrude Parrott.

Why? (Warum?), Op. 12, No. 3, Schumann; Soaring (Aufschwung), Op. 12, No. 3, Schumann. By a Lovely Forrest Pathway, Griffes; A spirit Flower, Campbell-Tipton—Gertrude Parrott.

Romance, Op. 24, No. 9, Sibelius; May Night, Palmgren; Puck (Kobold), Op. 71, No. 3, Greig; Polichinello, Op. 3, No. 4, Rachmaninoff.

#### Officers For Next Year Elected At Club Meeting

The Junior Civic and Culture Club met in the home of Miss Gertrude King Monday evening with a covered dish dinner. A patriotic theme was carried out at tables set for four and miniature airplanes marked the places for Misses Lilac Yates, Ura Mae Haggard, Addie Lee Morrison, Ruby

### Miss Margaret W. Weeks And Miss Mable D. Erwin Guests At School

Last week the Freshmen Home-making class entertained their parents and the eighth grade girls with a style show and tea at the High school. Special guests were Miss Margaret W. Weeks, dean of Home Economics at Tech and Miss Mabel D. Erwin, Head of the Clothing Department at Tech.

#### PICNIC SCHEDULED FOR AUXILIARY MEETING

Mrs. Tess Bruner was hostess to the Presbyterian Auxiliary when it met last Monday, May 11.

After the business meeting over which the president, Mrs. C. L. Pack, presided, Mrs. J. Paul Stevens read the introductory chapter of "The Americanization of Edward Bok." Mrs. Pack gave the devotional. There were fourteen members present.

The next meeting will be at the home of Mr. and Mrs. John Hardy Morgan. It will be a picnic and will be the last meeting until next fall.

#### W. S. C. S. TO MEET IN CIRCLES MONDAY

The W.S.C.S. will meet in circles next Monday.

Circle 1 will meet with Mrs. W. L. Holloman.

Circle 2 will meet at the home of Mrs. H. G. Sanders.

Circle 3 will meet with Mrs. Allen Ferrell.

Monday is Social Day for the Society and the study will be the second lesson in the Bible Study.

#### CARD OF THANKS

We desire to express our thanks and appreciation to the many friends for the many acts of kindness during the illness and death of J. Lon Hoffman; also for the nice floral offerings.

Sincerely,  
Dave Hoffman and Family  
T. A. Battin and Family  
Sam Hoffman

Lee Waller, Mable Scudder, Phyllis Drake and Mesdames Joe Bob Stevens, Wade Thompson, Jack Sheppard, Vasker Browning, Tom Settle, Charles Walton, Otis Neil, Jimmie Wright, E. J. Kenney, Roy Boyd and the hostess.

After the dinner a short business meeting was held and the following officers were elected for the next calendar year: President, Mrs. Walton; vice president, Mrs. Sheppard; treasurer, Mrs. Kenney; corresponding secretary, Miss Lilac Yates; recording secretary, Mrs. Settle; critic, Miss Waller; parliamentarian, Miss Scudder; reporter, Mrs. Vasker Browning.

The club is adjourned until next September with the exception of one social meeting each month.

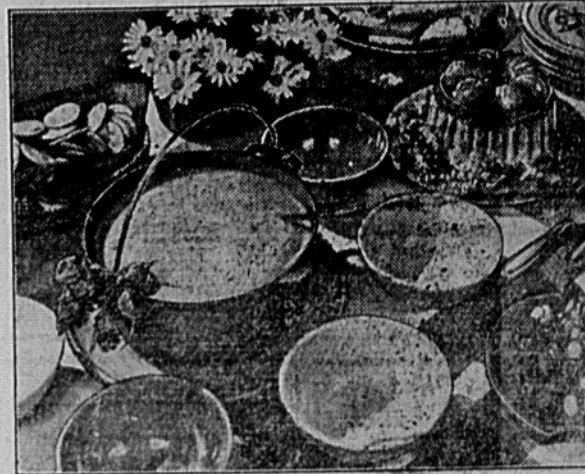

### When Daughter Entertains at LUNCHEON

Simple food in a gay setting is smart and youthful

by Dorothy Greig

SUCH glad flurry around the house preparing for the luncheon daughter is giving the girls in her crowd. Everything must be exactly so—yet look easy as though it had happened all by itself.

Well, let's see now . . . how about a menu that stars just

Simple food . . . gay peasant setting . . . suggest light hearted informality for a young girl's luncheon party.

two main dishes? Soup and a wonderful dessert salad? It's smart, does away with complications and everyone enjoys it from start to finish. To carry out the youthful informality of the occasion we'll set our table in peasant style—with a plaid cloth, bright pottery dishes and sturdy wooden ware. Here's the outline for just such a luncheon:

#### LUNCHEON MENU

\*Tomato Corn Chowder  
Stuffed Olives  
Crackers  
Radishes

#### Jellied Ginger Pear and Chicken Mold

The first dish is a great turech of soup—a special chowder gloriously thick and creamy and of unusual flavor. Why, it's lightly rosy in hue! That's because it contains condensed tomato soup, a reason also for its distinguished flavor. For fun, we set on the table the very cast iron pot in which the soup was blended and ladle the soup into colored pottery bowls:

\*Tomato-Corn Chowder  
3 tablespoons salt pork, finely diced  
1/2 cup onion, chopped  
1/2 cup celery, sliced  
2 cups potatoes, diced  
1 1/2 cups boiling water  
2 cups corn, cream style  
1/2 cup milk  
1 can condensed tomato soup  
1/2 teaspoon salt  
Pinch of pepper

Cook salt pork in heavy saucepan or kettle until lightly browned, then add chopped onions and sliced celery, cover, and cook until both vegetables are yellow and soft. Add diced potatoes and boiling water and cook until the potatoes are tender. Heat the cream style corn and

milk together, bring to boiling and add to potato mixture. Then add the tomato soup, salt and pepper; heat again, but do not boil. Makes approximately 2 quarts of soup.

And now for the salad that is both salad and dessert:

#### Jellied Ginger Pear and Chicken Mold

1 package lime flavored gelatin dessert  
1 cup boiling water  
1 cup pineapple  
2 tablespoons fresh lime juice  
4-6 pear halves, (canned)  
Pour the boiling water over the lime flavored gelatin and stir until dissolved. Cool to room temperature and gingerale, fresh lime juice and halves of pears (cut in half). Arrange pear sections in bottom of mold in sun burst design. Put in refrigerator for 1-2 hours until jelly is set. Then pour chicken mousse (white layer) over the jellied ginger pears and let chill.

#### Chicken Mousse (white layer):

1 can condensed chicken soup  
1 egg, separated  
2 1/2 teaspoons gelatin (softened in 3 tablespoons cold water)  
1 cup cooked chicken, chopped finely  
1/2 cup whipping cream  
1 tablespoon fresh lime juice  
Strain the chicken soup and heat in double boiler. Add chopped chicken to the soup, chicken and celery strained from the soup. Beat egg yolk, add hot soup to it; then cook in double boiler until slightly thickened. Pour hot mixture over gelatin and stir until dissolved. When it begins to thicken, fold in beaten egg white, whipped cream and remaining ingredients. Pour over the jellied ginger pears, let chill until firm. Serves 8-10.

### MUSIC IN TEXAS IS STUDIED BY CULTURE CLUB SATURDAY

The Civic and Culture Club met at the home of Mrs. W. E. Smart Saturday, May 9, for a covered-dish luncheon.

elled their dresses. All of these designs were simple in design suitable for school and sports wear and were made of percales, ginghams, chambrays and seersuckers. The cost of the dresses ranged from 57c to about \$2.00.

Following the style show the girls served punch and cookies in the clothing laboratory. They had arranged a very attractive table with a pale yellow cloth, a centerpiece of white gladioli and crystal punch service. Ann Evans poured the punch.

In the absence of Mrs. Lee Green, the club president, Mrs. R. M. Cham pion, vice president, presided over the business meeting.

After the business meeting Mrs. Smart, leader of the program, took charge. The theme was Music in Texas and Mrs. Smart had as her topic, "Musical Beginnings in Texas." Mrs. W. L. Cherry spoke on "Folk Songs of Texas" and Mrs. A. C. Strickland Sr. on "Present Day Texas Composers." Mrs. Strickland also offered several musical selections and accompanied Mrs. E. H. Todd as she gave two musical readings. They were "Man With the Hoe" by Edward Markham and "Parable for Mithers" by Temple Bailey. Also on the program were several high school girls and boys. Miss Betty Lou Turner accompanied the high school quartette which was composed of Kenneth Tudor, Frank Todd, Billy Bob Tibbs and Charles Reeder. They sang "The Bolweevil" and "Round-up in Glory." Miss Mary Frances Landreth sang "Soldier" and was also accompanied by Miss Turner.

Mrs. John J. Jenkins will be hostess to the club in their last meeting until September. The meeting will be at the club house May 23.

**JUST TALK**  
by  
A.M.J.

Jake Martin is my candidate as King Pin Gardener of Slaton. He has a half block of garden planted and on a windy evening he stirs up so much dust with his hoe that many residents out on Lubbock street go out and look toward his house and rush indoors to close all windows and doors to keep the sand out. If he is going to distribute fresh garden truck to residents up and down Lubbock street I would like to suggest that Jake put in a nice size patch of tomatoes, sweet corn, white onions and one eyed peas and as far as I am concerned he can omit okra, cabbage, sweet potatoes, radishes and parsley.

Why do people plant parsley? Several times I have considered tasting it when it has been served to me on a platter of meat but my nerve has always failed when some woman glared at me as if I were about to poison myself. Is parsley supposed to be eaten or not?

When the war first started I got out several maps and tried to figure out where the fighting is going on but I have given up. It was like having the itch and trying to scratch seven places at one time.

Lon Boynton of Paris is editor of the Echo. When asked the name of his paper, he says, "A second-hand noise."

We are eating on our last coconut cake until Hitler goes

where he belongs. It is not a genuine fresh coconut cake like Mrs. Cherry baked last Christmas but it certainly tastes good. Tears mingle with each bite as I see it slowly giving way before our onslaughts each day and I did not sleep all night one day last week when my wife gave a slice away to a visitor. Tess Bruner is in deep sympathy with me because his wife donated a third of their cake to one of their close friends and several men have confided to me that they have cakes in their locker boxes at the bank. Does any one have a recipe for coconut cake that can be made with sorghum molasses?

Here's something I swiped from a paper that I know swiped it from some other paper and the man who figured it out gets no credit but just the same he was an excellent mathematician:

A cow is an angular feminine bovine, with four legs, an alto voice, a well established milk route and a face that inspires confidence.

A cow's husband is a bull. A cow's brat is a calf. Calves are generally used in the manufacture of chicken salad. When part of a calf gets breaded, it is called a cutlet.

A cow provides vitamins for double chocolate malted milks until she is old enough to enter a can of corn-beef hash.

Her tail is fastened to the rear of her back. It has a universal joint at one end and a fly swatter at the other.

An old cow has a tough time of it. In the end, she gets skinned by those she has benefited—even as you and I.

A slice of a cow's hindquarters is very valuable to a cow but it is worth only a nickel to a farmer, 16 cents to a meat packer, 46 cents to a retail butcher, and \$1.25 in a restaurant, not counting the tip.

A. J. Buxkemper reports that his son has gone into the army and left him with another farm on his hands. Mr. Buxkemper did not consider seriously my proposition to trade him the Slatonite for the farm for he said he could not eat a newspaper but might be able to raise something worth while on the farm even if he is short of help.

Whether the Government has done the public a favor by

price control or not is yet to be determined for it looks like we are going to have to pay the merchants a profit on their goods which is more than a lot of them have gotten for a long time.

W. F. Martin, representative for Slaton Lodge 278 B. of L.F. & E. who met in April at Wichita Falls at a convention of the organization says Texas Labor is whole heartedly behind the war effort and brought back the following statement made by E. J. McGovern:

"With war material rolling off the assembly lines in unheard of speed and with commercial and war ships being completed ahead of schedule, some as much as six and eight months ahead of time, it would appear that those that are criticizing labor would give labor a little praise for the wholehearted effort that we know we are giving at this time. The Texas Labor record since the National Defense program was started, and especially since our war started, has compared favorably or better than any Nation and we defy anyone to point out anything to the contrary. The workers of Texas, we believe are setting as good an example as any other Nation in the World.

"The position of labor during this crisis has been and will be the same as it has throughout the history of human existence. Labor contends that democracy is the only way of life and will fight for it to the end. Organized labor with all its faults, is the greatest bulwark we have for Democracy and it is about time that the interests who are bent on our destruction by using the war as a subterfuge should at least give us a pat on the back once in a while and not be condemning us at all times."

The most serious problems in the lives of every living American are facing us now both as a group and individually and it is only natural that the war

and its serious consequences are constantly in our minds and under discussion but we must not lose sight of the fact that there is a place for a certain amount of recreation. To do the things that will help in the war efforts is of the greatest importance but why not take time to smile a little, to take advantage of the many pleasures that are still ours and to mix with friends. Give serious consideration to co-operating with every worth while cause but at the same time live today, forget yesterday's troubles and get some recreation for our own good and for the good of our cause.

The questionnaire the government is sending out has seriously befuddled a large number of the colored population. One doleful looking negro man hailed me as I came across the street at Vascar Brown's Palace of Eats, and pulled his questionnaire on me like he was

drawing a pistol from his pocket. "Mister can you tell me how to fill this thing out," he asked. After a hasty examination of the document my confidence in my own ability as a questionnaire filler-outer fell 100 per cent and I told him to go and see Briggs Robertson. Later I saw the negro again and he was looking for a man who had formerly worked for the Slaton Motor Co. Someone told him that the Slaton Motor Co. man would help him. Whether he ever got the questions answered or not I am

not sure but I'll bet he will be in the army soon.

So many questionnaires have come to me that I shiver every time I get a letter that even resembles a Government communication and now the insurance companies have gone to sending me long lists of questions and I have gotten so used to writing my age and the fact that I am a man with blue eyes, faded blonde hair that I put it on the bottom of every letter I write, and those that re-

quire a notary public seal really give me the ague and I wake up in the middle of the night and wonder if I have not signed my way into jail.

Your fellow countrymen in the Navy need you—Enlist now!

**"UNCLE SAM" wants Your Gas Range to LAST!**

Your Gas Range is one of the most durable of cooking appliances—a reliable, economical servant. It will give you perfect performance for years if you exercise a little care in its use.

**Easy-to-Follow Hints for Longer Service**

- HOW TO PRESERVE THE ENAMEL**
1. After use wipe range enamel with soft dry cloth while range is warm... NOT HOT.
  2. If further leaning is necessary, wash with mild soap, rinse and dry.
  3. Don't place wet dishes, bottles or glasses on top of the range.
- HOW TO CARE FOR TOP BURNERS**
1. Wipe burners with damp cloth after use.
  2. When necessary, clean with mild soapy water, rinse and dry thoroughly.
  3. If burners become clogged, clean with stiff brush. Modern range burners are non-clog.
  4. Do not boil aluminum or enamel burners in soda. Cast iron burners may be boiled in a solution of one tablespoon sal soda to each three quarts of water. Wipe dry and turn upside down to drain before replacing.
- HOW TO CLEAN THE BROILER**
1. Remove broiler pan and grill after food has been served.
  2. Allow to cool before washing.
  3. Wash broiler compartment with soap and warm water.
  4. If broiler is beneath oven, remove empty broiler pan when oven is in use.
- HOW TO CLEAN OVEN**
1. If boil-overs occur, allow oven to cool and then remove char with a good cleaner or fine steel wool.
  2. Wash sides, bottom, door and racks of oven occasionally with warm water and soap.
  3. Do not place oven bottom into water if it is insulated.
  4. Low temperature roasting of meat reduces spattering of grease... mini-mizes oven cleaning.

Good Care Will Pay . . .

Virginia King, Correspondent

Willie Mae Davies, one of our 1941 graduates was one of the pages in the Recognition Service at Tech Tuesday evening. Freshman co-eds are not included in this annual honorary service, but each honoree chooses her page from a list of first year girls of outstanding scholarship.

Mr. and Mrs. Charles Clark moved Tuesday to the home of her parents, Mr. and Mrs. J. L. Parks of Wilson.

Tuesday afternoon Mrs. Barney Stewart gave a shower, honoring Mrs. D. Stewart, nee Le Nora Corley. The patriotic color scheme was carried out in the Liberty Bell cookies and punch. Those registering in the Bride's Book were: Misses Bettye Hitt, Olive Davies, Idilla Corley, Virginia King, Roella Rankin, Gertrude and Elsie Stewart, Gaynell Corley, Agnes Craft, and Mesdames H. B. Coggins, Wes Donahoo, Winston Davies, Clyde Haire, Alfred Basinger, Herbert Dunn, J. W. Stotts, Marion Corley, Sloan McClevey of Lubbock, Ed Stewart, Leonard Anderson. Many sent gifts.

Ben Etta Mining was hostess Saturday evening at the Freshman and Sophomore party. Cookies and orange pop were served to: Melba Greer, Estalee Altman, Janey Morris, Virginia King, Ruth Reed, Jimmy Morris, Joe Boyce, Billy George Kelley, Royce Dabbs, Elbert Corey, Don Max Jackson, Jacky and Billy Lancaster, Odell Donahoo, James Fields, and Virgil Smith.

Mr. and Mrs. Walter Voight and sons attended Commencement Exercises at Wilson Wednesday evening. Mrs. Voight's nephew was one of the graduates.

Miss Myrtle Wilke of Lubbock spent the weekend here with her parents.

Rev. O. E. McGaw of Shallowater spent last Wednesday here working at the parsonage, preparatory to moving here the latter part of next week.

Miss Mary Green, the Home Ec teacher, was visiting several of her pupils last week in the interest of a class this summer. Only five girls met at the school house last Wednesday: Ella Mae Stolle, Melba Greer, Virginia King, Janey Ruth Morris and Marilee Crisp and her mother.

The Santa Fe purchased 30 acres of the Brazil place southeast and have two crews excavating a drainage ditch 18 ft. wide and 18 ft. deep, to take the water down into

Those attending the Grand Chapter of Texas Order of Eastern Star's School of Instruction in Lubbock last Thursday were: Worthy Matron Amanda Cook, associate Matron Doll Haire, and Mesdames Horace Wheeler, Nettie Kellum, Kenneth Davies, S. W. Gregory, and Mr. and Mrs. R. E. King and Mr. and Mrs. Lonnie Collingsworth. Local people present at the Western supper and program of the Post chapter were: Mesdames J. R. Wood, Hub Haire (

Nettie Kellum, Kenneth Davies, S. W. Gregory, R. E. King, and Mr. and Mrs. Walter Kellum, and Mr. and Mrs. Lonnie Collingsworth.

Mr. and Mrs. Robert Buhrkuhl and daughter of Kress visited her mother, Mrs. W. K. Regean Sunday. Royce Regeon returned to Kress with them for an extended visit.

Mr. and Mrs. W. G. Todd and Mr. and Mrs. C. L. Blair who are moving from Fort Worth to their new home in Littlefield visited Mrs. D. A. Blair of Southland Tuesday afternoon.

Roy King is visiting relatives and friends in Haskell, Texas and will return Tuesday or Wednesday.

Pauline Gilliland and Elizabeth Hendrix are visiting Mrs. P. T. Walker and other friends in Slaton this week.

Mr. and Mrs. Louis Donahoo from Bakersfield, California came Tuesday to visit their parents, Mr. and Mrs. Wes Donahoo of Southland.

The Southland Community Play House will present their play Fri-

day, May 22. The name of the play is, "Aunt Jerushy on the War Path" by Lt. Beale Cormack. All the money made in presentation of the play will go to War Relief Funds. Musicians between acts with entertainment. Director of the play, is Mrs. H. Taylor. At Southland High school auditorium at 9:00 p. m.

Mr. and Mrs. J. R. King of Southland returned Sunday night after a 10-day trip to Tucson and Phoenix, Arizona.

Mr. and Mrs. Leslie King and family, Mr. and Mrs. Lowell King

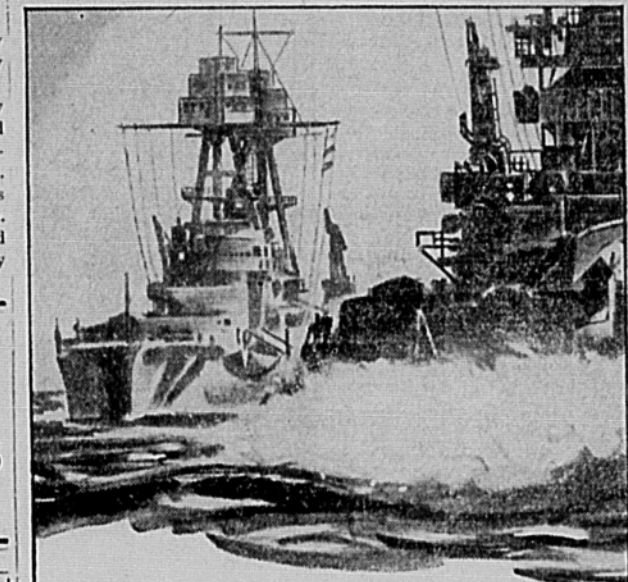

and family of Hale Center, and Mr. and Mrs. J. W. King and son of Post were Mother's Day guests of Mr. and Mrs. R. E. King of Southland.

Typewriter Ribbons and Supplies at The Slatonite.

### Acid Indigestion

What many Doctors do for it When excess stomach acid causes gas, your stomach or heartburn, doctors prescribe the fastest-acting medicine known for symptomatic relief—medicines like those in *Shil-sha* Tablets. Try *Shil-sha* yourself, at first step of distress. They neutralize acid, relieve gas, and bring comfort very quickly—yet are not a habit! Only 25c. at drug stores. If your very first trial doesn't prove *Shil-sha* better, return bottle to us and get double your money back.

Mr. and Mrs. V. Johnson spent the weekend in Abilene with her parents. Her brother, who is attending an officers' training school, was also there.

### War Material Shortage Limits Telephone Service

You probably have heard about certain government restrictions on telephone service and equipment now in effect. We should like to tell you a little more about these restrictions—why they are necessary, and what they will mean to you.

The reason for them is simple and complete. They are to save materials which are needed to fight the war.

What will they mean to you, the telephone user?

If you have a telephone now, they mean no change except that in many Texas cities affected by war growth you may have to have other parties on your line. And, in all cases, you can't get an extension telephone in your home if you haven't one already.\*

For people who have no telephones and want them, or for present users who move to new locations, we shall supply at least party-line service wherever there are now enough lines and switchboards. But in general, where new construction of this type would be

necessary, we shall not be able to provide service.\*

This will mean inconvenience and perhaps hardship to a few people now. As time goes on it will probably mean inconvenience and hardship to more people, but we need your help and sympathetic understanding in this important step to save the maximum of materials for the war.

Beside the great savings in materials already made by substitution and wartime engineering, the new restrictions will mean that more lead, iron, steel, zinc, copper, and rubber used in telephone equipment will now go into arms.

In spite of all this, and while telephone service may not be available to all who want it, we believe we can keep the service up to a high standard. At any rate, we shall do our level best. These difficulties are something that neither the government nor the telephone companies can help. They are part of the price of protecting liberty.

\*Except for those cases where the need for telephone service has been recognized by the War Production Board as necessary for defense or public health, welfare or security. SOUTHWESTERN BELL TELEPHONE CO.

## The Movie Reporter

The "Fleet's In" and the fun's on, with a broadside of gals, gags, gobs and gobs, plus stars-stars-stars! In fact, more stars than an Admiral's sleeve. It's the flagship of the fleet, as giddy as shore leave, as tumultuous as the Navy band, as romantic as a red and a gal on a park bench. As big as our two-ocean Navy. Seven sassy, swiny songs—DONOHU LAMOUR, EDDIE BRACKEN, WILLIAM HOLDEN, and JIMMY DORSEY and THE ORCHESTRA featuring BOB EBERLY and HELEN O'CONNELL in "THE FLEET'S IN." Songs: "Not Mine," "Tangerine," "I Remember You," "Arthur Murray Taught Me Dancing in a Hurry," "If You Build a Deter Mousetrap," "When You Hear the Signal," "The Fleet's In!" EXTRA—entertainment surprise—CASS DALEY, LORRAINE, and ROGAN with GIL LAMB, each good for a million laughs. The brightest broadside of entertainment that ever had you rocking with rhythm and rolling with laughter! Prevue Saturday night, Sunday and Monday, May 17, and 18.

"HERE COMES MR. JORDAN"—the show you've heard so much about. The man who died, and was sent back to earth to find his body had been cremated. Then came the problem of finding a new body, and as the show goes on the laughs will come your way. Starring ROBERT MONTGOMERY and RITA JOHNSON. Tuesday, Wednesday and Thursday, May 19, 20 and 21.

WILLIAM HOLDEN and BRIAN DONLEVY in the "REMARKABLE ANDREWS." This picture

will please every one seeing it. Showing Friday and Saturday, May 22 and 23.

At last it's here! "SONG OF THE ISLANDS" with BETTE GRABLE, VICTOR MATURE and JACK OAKIE. Starts May 24 and 25. Following that is—"KING'S ROW" the town you've heard about—only in whisperm. May 26, 27 and 28.

## DAUGHTER OF SLATON WOMAN IN ACCIDENT

Mr. and Mrs. L. L. Duckett and small son Darwin, of Levelland, who were in an automobile accident last Sunday in Lubbock, have been dismissed from the hospital and have returned home. The accident occurred on College Avenue when the family were enroute to Slaton to visit Mrs. Duckett's mother, Mrs. J. B. Butler. Both Mr. and Mrs. Duckett were severely bruised and received abrasions while the young son suffered severe injuries to the head. Mrs. Duckett, before her marriage, was a resident of Slaton.

## PAYNE AND HARRAL GO TO DISTRICT ROTARY

Reports from Allan Payne and Leonard Harral who went as delegates to the District Meeting of Rotary Clubs at Wichita Falls last Saturday and Monday, were that a most enthusiastic meeting was held. A report was given at the meeting of funds that are being solicited for Crowell, Oklahoma storm sufferers showing that over \$900.00 had been subscribed by members of Rotary in this district and it was expected that over \$1500.00 would be the total amount for this purpose before the week is out.

A. A. Gartman, (Re-election 2nd term)

## MERCHANTS MEET TO DISCUSS DELIVERIES

A meeting was held Tuesday afternoon by the Retail Merchants Association at the City Hall to discuss the new regulations concerning deliveries.

No definite decision was agreed upon by those present as the date on which the regulations were to go into effect has been postponed from May 15th to June 1st. The postponement applies to the special requiring elimination of the deliveries, call backs and more than one delivery per day to the same person.

No plan of action could be arranged as the exact changes in the regulations could not be ascertained but the business men who were present all agreed that local deliveries would be regulated according to the new regulations on the date set for them to go into effect.

## COTTON WEEK TO BE MAY 15 TO MAY 23

College Station—Rural people of Texas will be among the most enthusiastic to celebrate National Cotton Week, May 15-23, because they know the importance of cotton in the economic life of their state and nation, says Mildren Hortin, vice director of the A. and M. College Extension Service and a member of the Texas National Cotton Week Committee.

Through the state's 217 county home demonstration and assistant agents, Texas farm families are being urged to emphasize "conservation" of cotton during the observance.

## L. L. Frazier Funeral Held

The burial of L. L. Frazier, who died Sunday afternoon, was held Tuesday and interment was at Englewood Cemetery. Mr. Frazier was 39 years of age and had been in the employ of the Santa Fe Railway Company for 18 years. His death was attributed to heart failure. Survivors are his wife, two daughters, Joy and Linda Lee, two sons, Lavelle who is in Military service and Glenn who is with a defense construction company in Las Vegas, Nevada, his mother, Mrs. C. C. Frazier, of Maverick, Texas, four brothers and three sisters.

The services were held by Rev. H. C. Gordon.

## LOANS TO BE MADE ON TEXAS GRAINS

College Station—Texas grain sorghum, rye and barley growers will have a loan program again this year.

Loan rate for farm-stored rye grading No. 2 or better will be 60 cents per bushel at all locations. Barley loan rates, on farm-storage basis, will be 55 cents per bushel for No. 1, 54 cents for No. 2, 52 cents for No. 3, 49 cents for No. 4 and 45 cents for No. 5. Rates on grain sorghum, on same type storage, will be 55, 53, 50, and 45 cents per bushel respectively. Mixed barley and grain sorghum rates will be 2 cents per bushel less.

If grain is stored in warehouses, storage charges must be paid in advance, otherwise a deduction of 7 cents per bushel will be made from the loan rate. P. C. Colgin, state AAA commodity loan specialist, announced.

## Mrs. H. E. Woods Burial Thursday

Funeral services were held in Paris Tennessee, yesterday, Thursday, May 14, at 2 p. m. for Mrs. H. E. Woods who died there Tuesday, May 12, after a long illness.

Mrs. Woods had been a resident of Slaton for the past four years and was well known in church and social circles. She was a member of the Methodist church and the Eastern Star. Mr. Woods is an employee of the Panhandle-Santa Fe Railway.

Mrs. Woods is survived by her parents, Mr. and Mrs. C. V. Kridler and one sister who lives in Tennessee.

## SEED DEALERS ASKED TO LIST ADDRESSES

A request to the Chamber of Commerce office from the AAA directors for a list of all feed dealers in this section has been received and Briggs Robertson, Secretary for the Chamber of Commerce, would like to have every seed dealer in this part of Lubbock County to notify him by mail or telephone as to their correct name and location.

The purpose of the information is to arrange a meeting of all seed dealers in this locality and to determine whether U. S. Government owned cover seed shall be distributed by one or more local dealers or if it will be done otherwise.

## Rail oddities

**PST. BARNUM'S GREATEST SHOW ON EARTH**  
WAS THE FIRST CIRCUS TO TRAVEL BY RAILROAD—MAKING ITS FIRST TRIP IN 1872 IN 65 SPECIAL CARS.

**MORE THAN SIXTEEN MILLION TONS OF ICE ARE USED EACH YEAR BY THE AMERICAN RAILROADS IN REFRIGERATOR CARS, DINING CARS, RESTAURANTS AND THE LIKE.**

**"KEEPING 'EM ROLLING"**  
EVERY MINUTE IN 1941 THE AMERICAN RAILROADS MOVED AN AVERAGE OF 90,000 TONS OF FREIGHT ONE MILE—THE HIGHEST AVERAGE IN RAILROAD HISTORY!

ASSOCIATION OF AMERICAN RAILROADS, INC.

## TWO TECH ENGINEERS TO GO INTO ARMED FORCES

Lubbock, May, Two of Texas Tech's textile engineering faculty begin active duty with the United States armed forces soon. Prof. C. M. Stanley, jr., head professor, leaves this week for Camp Roberts, California, where he will assume duties as first lieutenant in the field artillery.

John Worth Gamel, assistant professor, goes to Notre Dame July 1 for one month's training as a candidate for ensign's commission with the navy. He will spend three months in training in New York before being assigned to active sea duty.

## COACH INTO AIR CORPS

Canyon—Al Baggett, athletic director at West Texas State College, left Monday for duty in the U. S. Army Air Corps. His first destination will be Knowl-

wood Field, North Carolina, site of the Air Corps Technical Training Command.

Baggett will be assistant to Dr. C. L. Brownell, special consultant in the Air Corps physical education program. Baggett and all civilian instructors in physical education are expected to be commissioned in the Air Corps and sent to the Officers Candidate School at Miami Beach, Florida, before being assigned to field duty.

## Bond Thermometer To Be Constructed

At the meeting of the Slaton Chamber of Commerce last Tuesday night the directors voted to authorize a sign to be made that will be designed as a thermometer showing the rate of bond sales in

Slaton instead of the temperature of the weather. When completed the Bond Thermometer will be placed on display in a prominent place on the highway. It was also decided that the big sign near the Santa Fe Depot should be repaired and repainted and placed on display on the Highway near the center of Slaton. Other routing business was attended to.

## SISTER OF O. N. ALCORN BURIED IN OKLAHOMA

Mr. O. N. Alcorn was called to Quannah last Monday by the death of his sister Mrs. A. M. McGinnis, who died there last Wednesday. She was only six weeks time resident of that section of the state.

Funeral services were held yesterday at Eldorado, Oklahoma, the former home of Mrs. McGinnis.
