Slaton Men In Fight For Freedom

47 Slaton Boys And Girls Get High School Diplomas This Year

Commencement Exercises May 14 climaxed eleven years of school for 47 Seniors.

But who, might you ask, WHO can we rely upon for these responsibilities of such vital importance? — Young America — that's who will take up every last conflict, and battle it with a steadfastness that no ferocious power can conquer. It is the youth who will preserve the old America and keep it a refuge and haven of the world. Since the preservation of our Republic cannot continue to exist without war, youth is willing to face this desperate necessity. They, like every other American, believe that our Republic is worth saving. Their one vital interest is their country, and the principles for which it stands. They know that the whole intent of envious dictators is to break down these standards. "Freedom will exist only so long as the people take care of the government," are the immortal words of Woodrow Wilson, and a truth that will increase the youth's interest in the welfare of Democracy," said Bonnie Mercer in her Valedictorian speech.

Mary Frances Landreth, as salutatorian welcomed the guests to commencement.

Dr. J. O. Ellsworth, head professor of economics and business administration at Texas Technological college, addressed the class on "The Probable Place of Young People in the Business World of the Future."

Jimmy Jean Guinn and Charles Reese received the American Legion awards for writing the two best themes on "What America Means to Me." Nathan Johnson, Slaton post commander, presented these awards.

Eight high school students received certificates for being neither absent nor tardy during the year. They are: Ray Lee Yandell, Charlene Yandell, Maude Harp, Ruth Doherty, James Garland, Billie Jean Jarman, and Merry Nell Culver.

Processional and recessional were played by Mrs. Allen Ferrell, invocation was offered by Rev. J. Luryl Nisbett and benediction by Rev. H. C. Gordon. Special piano numbers were presented by Viola K. Martin, Jimmie Jean Guinn and Donna Sanner, and a vocal number, by Mary Frances Landreth.

Diplomas were presented by Charlie Austin, school board president.

Graduates are: Mary Ann Schmidt, Mary Ruth Verble, Mary Frances Landreth, M. G. Davis, Phyllis McReynolds, Corinne Cates, Miriam Gordon, Everett Robertson, Mary Laurie Ashley, Jimmie Jean Guinn, Donna Sanner, Betty Lou Turner, Billy Miller, Thelma Jo Felton, Johnette Foster Bell, Billie Frances Ballinger, Merry Nell Culver, Jenny Lou Garland, Maxine McMillen, Billy Lokey, Viola K. Martin, Teddy Swanner.

Fern Wheatley, Connie Henry, Paul Melton, Wilma Jeanne Wells, Rebecca Wilson, Irene Gentry, Dora Grabber, Marie Hartnett, Lave Reed, Sam Finley, Joyce Marr, Bonnie Mae Mercer, Billie Fae Wicker, Marian Holden, Mary Alice Johnson, Phyllis Atnip, Joe Turner, Juanita Elliott, Charles Reese, Garnetta Bailey, Charlie Sult, Wilda Hannah and Frank Todd.

SAINT JOSEPH'S CHURCH INVESTS IN U. S. BONDS

Father T. D. O'Brien of the St. Joseph's Catholic Church reports that his church has invested \$1000 more in Victory Bonds. This makes a total of \$4000.000 that Saint Joseph's Church has invested in Bonds within the past few months.

Slaton Soldier Air School Grad

KEESLER FIELD, Miss., May 20—Pvt. John R. Childress, son of Mr. and Mrs. J. R. Childress, Slaton, today was graduated from the huge Air Corps Technical School here after an intensive 19-week course which prepared him to serve as an Airplane Mechanic "on the line."

Private Childress' class, which numbered in the hundreds, will be dispersed among the many units of the Army Air Forces to maintain and service Uncle Sam's planes. The course here includes training in aircraft maintenance fundamentals, airplane structures, hydraulic systems, propellers, instruments, engines, electrical systems, fuel systems, engine operation, and inspection of single and multi-motored planes.

Stores To Close Saturday, May 30 In Observance Of Memorial Day

ROY FOUTZ DRAWS LARGE ATTENDANCE

Reverend J. Luryl Nisbett, pastor of the Church of Christ reports that the revival meetings that have been in progress at his church

have been unusually well attended.

The services have been conducted by Roy Foutz of Idalou, since May 17th and will continue through next Sunday, May 24th. Two services daily are being held, one at 10:00 a. m. and another beginning at 8:30 p. m. People of all denominations are welcome.

"FUNZAPOPPIN" TO SHOW AGAIN TONIGHT

To be presented for the second time tonight the highly amusing Musical Comedy and play "FUNZAPOPPIN" will be shown at the high school auditorium at 8:29 tonight.

An enthusiastic crowd that attended the first performance last night gave high praise of the show that is filled with amusing comedy and good music. The cast has been well trained and the highly amusing show holds interest from the flashing start to the uproarious finish. It is being sponsored by the Daughters of The Pioneer Study Club. The feature for tonight will be the awarding of prizes to the most popular baby in Slaton which is a part of the performance.

TERRACING OF 10,000 ACRES DONE IN 1942

Ben Mansker, Commissioner, Precinct No. 2, reports that he has terraced 10,000 acres of farm land in 1942 with the road machinery used in his Precinct.

Each landowner pays for his acreage when the terracing is completed and this money is credited to the County Road and Bridge Fund.

The acreage was checked and verified by Robert E. Miller, Licensed Land Surveyor. This is a wonderful record considering the condition of the County Roads after the many rains that fell in this County in 1941.

Slaton will probably be the only town in the United States South of the Mason-Dixon line to observe Memorial Day in a manner that has made it a day of great importance in many parts of the nation.

Practically all business houses in Slaton will close from 10 a. m. until 4 p. m. Saturday, May 30 in order that a full attendance at the services may be made possible for all employees. At 10 a. m. a memorial parade will be formed at the City Hall in which the High School Band, the Slaton Company of the Texas Defense Guard, American Legion members and other civic organizations will take part. The parade will go from the City Hall to the Cemetery where a Memorial Day address will be given by prominent leaders from this part of Texas and services held for the men who have given their lives for our nation.

Invitations have been sent out to the people of other towns on the South Plains to attend the ceremonies and Memorial Day in Slaton is expected to be one of great solemnity.

Mrs. Oscar Lee Clark has just returned from a three-weeks stay with her grandmother and others at Commerce, Texas.

Mr. A. M. Jackson, Editor
The Slatonite
Slaton, Texas

Dear Mr. Jackson:

This headquarters is pleased to learn that you will publish a special edition on May twenty-second, in compliment of the men of your community in the Armed Forces of our Nation.

We share with you and the families and friends of these splendid men, the justifiable pride you feel in the patriotic impulse which prompted their action.

Yours truly,

Slaton Firm Has Army Of Its Own

Harold Stubbs, manager of the City Drug Store is laying claims to the title of having more men in the service who have worked at the City Drug Store, than have been employed by any other business organization in Slaton. He admits that he has no record on other business houses here but he feels sure that none have more former employees in the armed forces than they have. Those who have worked for them are:

James Charles Flemmin, now serving in the air force.
Jack Turner, serving in the South Pacific.

Luther Faulkner Jr., in the air corps in South America.

Robert Fordham Bailey, in the marines in California.

James Stotts, air corps at Vernon, Texas.

Willie Alamo Gibson, branch of service unknown.

Carlton William Whatley, branch of service unknown.

Leon Davis Harkins, marine corps, California.

Ellis Armstrong, stationed in Missouri.

A. C. Strickland Jr., now serving in the air corps.

Thomas Robert Turner, air corps in Colorado.

"We believe we are holding a record," said Mr. Stubbs, "but how long it will be top we will not say as we are having to use a lot of high school graduates now."

Slaton Man Missing In Action

Mrs. John F. Standefor received word this week from the Navy department that her son John Young Standefor is missing in action in the war zone. John is the grandson of Mrs. F. D. Young and the nephew of Mrs. Clifford Young. He is 21 years of age and entered the service on September of 1940. He is well known in Slaton and surrounding vicinity. His home was eight miles southwest of Slaton before he entered the service.

LUBBOCK COUNTY 7TH IN NAVY RECRUITS

Most Texans dismounted from the hurricane decks of their broncs a generation ago—but Lone Star state men still like the feel of movement beneath them, navy recruiters at Lubbock declare.

Northern Texans have volunteered for naval service to such an extent that they have put their recruiting district in seventh place for enlistments in the navy, according to report released today from Washington. The figures are (see Lubbock County 7th page 8)

Here they are folks! Over sixty photographs of men who are more than doing their share in the Fight for the Freedom of our Nation.

It is with pride that we reproduce these likenesses for you and our only regret is that we were unable to secure the photograph of every man from this part of Lubbock County who is now in the fighting forces of the United States. The time required to have the photographs made into cuts made it impossible to give you many pictures that were submitted to us but we hope in the near future to be able to give you another paper with more pictures and information concerning our own men in this vicinity who are doing their part for our fight for freedom.

We appreciate very much the use of the pictures that were submitted to us by parents, relatives and friends of the men whose likeness you will find in this paper and we feel sure that every one who receives a copy of today's Slatonite will read about them with interest.

The co-operation of the business firms of Slaton and of Lubbock County who have helped make this extra effort possible, is also greatly appreciated, and those who read this paper with its messages of pride in our men, who are representing us on the far flung battlefields, will find the Slaton business men and firms just as conscientious in their business dealings. Our town has much to pride itself upon in the way of patriotic efforts. Our First Aid classes, that have been so well attended, and most of all the full hearted and patriotic way our men have gone into the armed forces. Slaton has done well and will do anything that will help win the war. WE SALUTE OUR MEN OF SLATON WHO ARE ON THE FRONT FOR US.

Slaton Man Hurt

Reports from a Plainview hospital are that W. B. (Babe) Trammel is in a serious condition after falling from a tower. It was feared that his back had been broken.

Mr. Trammel who has been employed by the Union Compress Co. for over five years, is a resident of Slaton and was in Plainview on special construction work. His brother, Lionel Trammel, went to Plainview Wednesday to be with him.

81 Students Graduate From Junior High Last Monday Night

Rev. H. C. Gordon, pastor of the first Methodist church, delivered the Commencement address to 81 graduating eighth graders May 12. W. A. Sikes and Lavaughn Bounds, voted by the teachers and student body the two best citizens of the school, were also the two students making the highest grades this year.

Other members of the citizenship club are: Bourney Dillard, Dorothy Davis, Peggy Abernathy, Lavaughn Boyle, Jack Thompson, Johnny Schmidt, Tom Gregory, Bobby Ruth Biggs, Uvaughn Bounds, Joyce Hartnett, Cleo Joyce Keese, Darl McCulough, Lucille Caldwell, Lavenia Wilson, W. A. Sikes, Ella Faye Wheatley, Dorothy Payton, and Amalee Schuette.

Five students were given certificates for being neither absent or tardy during the year. They are: Tipton Culver, Jackie Thompson, Reta Jo Atkins, Johnny Schmidt and Mary Louise Brown. Mothers of the graduating class gave them a banquet at the Club House before the Commencement Exercises.

Tommie Davis welcomed the class. Reta Jo Atkins gave a reading, Brian Sartain played and sang "White Cliffs of Dover" and "Breathless"; and the group concluded the program by singing "Deep in the Heart of Texas" and "God Bless America."

Graduates are: Reta Jo Atkins, Don Appling, John Appling, Reba Dell Bartley, Jackie Berkley, Bobby Ruth Biggs, Uvaughn Bounds, Lavaughn Boyle, Mary Lois Brasfield, Billie Louise Brown, Bobby Burnett, Grady Burnett, Billie Jo Cantrell, Fannie Mae Cheek, Bobby Conner, Alene Cooper, Durwood

Reports from the Post Office and the Citizens State Bank of Slaton show that more than \$198,000 in Victory Bonds and Stamps have been sold between May 1, 1941 and May 15, 1942. Of this amount only \$21,000 had been sold between May 1, 1941 until December 1941.

The Citizens State Bank report the sale of over \$27,000.00 within the past two months. Since the 1st of January, 1942 until the 15th of May, 1942 there has been \$154,526 worth of bonds sold through the Post Office here and the Citizens State Bank. These figures do not include payroll deductions that have been made through the Santa Fe Offices here on sales of bonds but which will count on the quota for this part of Lubbock County.

The indications are that Bond Sales Quotas will be raised in all parts of the United States. Slaton to date has made a better record than other parts of Lubbock County but the necessity for buying more and more bonds is being stressed. The war must be paid for and it is a matter of choice whether we pay in taxes or by buying bonds.

It is impossible to give you a complete list of the names of the men who are doing their part for our fight for freedom. We appreciate very much the use of the pictures that were submitted to us by parents, relatives and friends of the men whose likeness you will find in this paper and we feel sure that every one who receives a copy of today's Slatonite will read about them with interest.

The appeal is for metal immediately and regardless of how much or how little. The people of this section should answer the call. Every housewife should gather up her old electric irons, leaky pans and tubs and everything of metal, the farmers are urged to clean out their barns, tool sheds, etc. and the business firms to sell all broken and useless machinery, out of date equipment and everything made of metal. Make Monday, May 25th through Saturday, May 30th a week we will be proud of... let us help our boys whip Hitler with scrap metal.

INFANT CHILD BURIED SATURDAY

The infant daughter of Mr. and Mrs. W. H. Nazworth of 750 South 12th street was buried last Saturday at Englewood Cemetery. Shirley Ann Nazworth was born March 18, 1942 and died May 15, 1942. Besides her parents she is survived by two brothers, Calvin Ray and Roy Mack Nazworth. The funeral services were conducted by Reverend H. C. Gordon.

In co-operation with a state-wide drive to collect the last pound of scrap metal in Texas the Slaton Chamber of Commerce, together with other civic organizations are urging every farmer, business man and individual home owner to gather up all scrap metal and to sell it to a metal dealer. The drive begins Monday, May 25 and continues through Saturday, May 30.

In order to make it as convenient as possible arrangements have been made with Lee Tudor to pay cash for all scrap metal except cast iron when it is delivered to him at The Slaton Coal and Grain Company. Mr. Tudor will pay \$7.50 per ton for the metal, which is a fair price for it in Slaton. Arrangements have also been made with The Slaton Co-operative Gin Co., The Ray C. Ayers & Son Grain Dealers and the West Texas Cottonoil Co., to weigh the metal. Mr. Tudor will accept the weight tickets issued by these concerns as correct. Those who will have metal for sale should go to one of the weighing places first, have the metal weighed and then deliver to The Slaton Coal and Grain Co.

There is no appeal being made for anyone to donate metal and the metal dealers are anxious to pay a fair price but it is most urgent that the metal be turned in.

There is a definite shortage of a wide variety of metals and when the mills that are reclaiming the metals are forced to shut down on account of shortage of scrap it requires six weeks to reline the furnaces once the fires have been shut off. It is an unpleasant task to gather and haul scrap metal but it is one that every patriotic citizen should be more than glad to do in an emergency such as the one that faces our nation today.

The appeal is for metal immediately and regardless of how much or how little. The people of this section should answer the call. Every housewife should gather up her old electric irons, leaky pans and tubs and everything of metal, the farmers are urged to clean out their barns, tool sheds, etc. and the business firms to sell all broken and useless machinery, out of date equipment and everything made of metal. Make Monday, May 25th through Saturday, May 30th a week we will be proud of... let us help our boys whip Hitler with scrap metal.

REVEREND HUCKABEE TO HOLD MEETINGS

Beginning June 7th, Reverend R. N. Huckabee, pastor of the Muleshoe, Texas First Methodist Church will start a series of revivalistic meetings in Slaton at the First Methodist Church. Rev.

Huckabee is a member of the Northwest Texas Conference and has wide popularity as a speaker.

The services will be held daily at 10:00 a. m. and 8:30 p. m. The musical program will be furnished by local talent. Reverend H. C. Gordon says that the meetings will be open to the public and that people of all denominations will be welcome.

George Harlan, southwest of town, was getting his farm machinery in first-class repair here Saturday.

CADET JAMES E. FLOYD, son of Mr. and Mrs. J. H. Floyd of Slaton. He is graduated from the Slaton High School in 1940, is 19 years of age and volunteered on January 9th 1942. He is stationed at Sheppard Field in the 421st Technical School Squadron.

PVT. W. H. Mudgett, son of Mr. and Mrs. Jerry Mudgett is a 1940 graduate of Slaton High school and attended college a short while in California. He is 20 years of age and enlisted January 1st in the air corps, stationed at Kelly Field, San Antonio.

HARRY WILLIAMS, son of Mr. and Mrs. E. E. Williams was born in Collin County and is 36 years of age. He has been stationed at Ft. Sam Houston 15 years and is an instructor, is married and has one child.

Double Amount Of Cotton Seed Needed This Years Says Experts

Lubbock—Cotton planters can probably get a normal stand this year by planting double the amount of seed ordinarily used, according to Early Peltier, analyst in charge of the state seed testing laboratory at Texas Technological College.

More than 7,700 germination tests have been made thus far in 1942 at the Lubbock branch laboratory, as compared with a normal year's testing of 2,000 samples. Average test on germination for cotton this year has run 47 per cent compared with a four-year average of 80 per cent. Heavy rain damage to the 1941 seeds has caused both the high number of tests and the low germination average, Peltier says.

"If a farmer has been using half a bushel of seed to the acre, he should use a bushel this year," he explained. "Farmers are apparently prepared with enough seed for the first planting, although the situation may become grave for the first replanting if rain or wind destroys all of their first crop." Cotton germination averages this year have been based on the first 3,000 samples tested, practically all of which came from the West Texas area. Seed have come from a much wider territory during the entire season, including parts of Oklahoma and New Mexico.

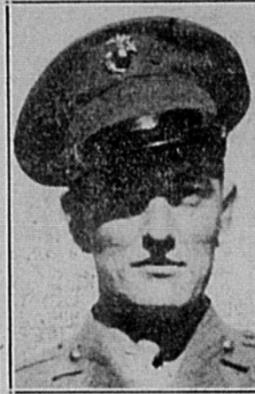

Sorghum tests have shown more nearly normal germination than cotton. Averages for various feed crops for the four years the laboratory has been in operation at Tech, and for 1942 tests, are as follows:

	4-Year Avg.	1942 Avg.
Sudan	82	76
Milo	91	66
Hegari	87	73
Kafir	92	90
Red Top Cane	85	87
Millet	90	84
Alfalfa	78	75

The Carl Meriwethers and Howard Hoffman have returned from New Orleans, where they visited Dr. and Mrs. O. D. Groshart, former Slatonites.

A. C. STRICKLAND JR., son of Mr. and Mrs. A. C. Strickland Sr. of Slaton attended school at Texas Tech. He is 21 years of age and is a Flying Cadet at Perrin Field, Sherman, Texas.

PVT. CURTIS E. BROWN, son of Mr. and Mrs. C. E. Brown of Slaton, is a graduate of Slaton High School and won a medal as an expert rifleman. He enlisted January 1, 1942 and is with the Marines in San Diego, California.

PRIVATE EDWARD TUCKER, son of Mr. and Mrs. W. E. Tucker of Slaton, 26 years old and attended school at McClung, Texas. He entered service January 15th and is now with Company G. 60th Infantry, Fort Bragg, North Carolina.

STOREKEEPER GEORGE EDWARD LOTT, son of Mr. and Mrs. E. M. Lott has lived in Slaton since 1917 and is a Slaton High school graduate. He was employed by the Santa Fe Railroad for 7 years. George Edward is now stationed in Corpus Christi, Texas.

SERGEANT LEVELE FRAZIER, son of the late L. L. Frazier, is a 1940 graduate of Slaton High school and is 20 years old. He graduated from the air corps Brook Field with an A. M. rating, then graduated from Chahute Field, Ill.

Jimmy Clemmons, who volunteered in the Air Corps, was a visitor in the home of the Harold Stubbs Friday night.

Have your prescriptions filled at TEAGUE'S DRUG STORE by a registered pharmacist.

PVT. MACK JOHNSON, son of Mrs. J. L. Johnson was born and reared in Slaton and attended school in Slaton. He enlisted in the U. S. Army December 18, 1940 and is in the 38th Infantry at Ft. Sam Houston.

He enlisted in the U. S. Navy on January 20 and is now pharmacist mate in the U. S. Naval main dispensary at San Diego, California.

SERGEANT JOHN B. SHELTON, son of Mr. and Mrs. L. A. Shelton of Slaton, enlisted in the Army Air Corps on Jan. 2, 1942 and was stationed at Barkedale Field, Shreveport, La.; he has recently been transferred to Davis Monthan Field, Tucson, Arizona. He is now qualified as an administrative clerk.

SHIRLEY BUTLER, son of Mr. and Mrs. J. B. Butler, 1105 West Lynn, lived in Slaton seven years and attended Slaton High School. He was a prominent football player. Shirley enlisted Jan. 23, 1942 and went to Fort Sill, Oklahoma; from there he went to Sheppard Field, Wichita Falls, and is now with the U. S. Air Corps, San Bernardino, California.

BAGS AND EGG CRATES BECOMING VERY SCARCE

Lubbock County farmers, farm organizations, grain, feed, and seed dealers were asked today by Mr. J. P. Steele, Chairman of the Lubbock County War Board, to aid in the nation-wide bag conservation program launched recently by Secretary of Agriculture Claude R. Wickard.

"Every farmer and dealer in this County," Mr. Steele said, "has an important part to take in the conservation of fabric bags (burlap and cotton) needed for agricultural commodities this year. There is a shortage of bags now, but if we take care of those we have and keep them in use we will be doing much to offset the shortage and a great deal to prevent it from becoming a serious one."

"Wartime expansion in American agriculture means that approximately two billion bags will be needed for packaging farm commodities in 1942. That is roughly 500 million more bags than would

be used under normal conditions." Egg crates are the latest item to be listed as a vital war material. Handle them gently and don't hoard.

According to Mr. J. P. Steele, chairman of the Lubbock County USDA War Board, the increased production of eggs in the nation has strained the egg crate capacity, so the board has been asked to urge careful handling and rapid movement of all used egg crates.

CLOSING OUT 310 SUITS FROM NEW STOCK!

WHY?

OUR MILITARY DEPARTMENT MUST HAVE MORE SPACE—We are to carry stock of some 300 Uniforms for Aviation Officers and must place these in some of the cases previously used for civilian clothing.

OUR CIVILIAN STOCK OF CLOTHING SHALL BE COMPLETE FOR THE MAN OF THIRTY OR OLDER. During the last ten years we have featured many clothing styles for men between ages of 20 to 35 years—there is now less demand for highly styled suits and we are therefore carrying a smaller stock. However, in more CONSERVATIVE STYLES, we shall have even a larger selection than before. Smaller but more frequent shipments will conserve our space and allow you selection from fresh stock at all times of the year.

THREE BIG SALE GROUPS

All Wool suits made by leading manufacturers. Lightweights for summer wear, Tweeds and Worsteds for fall and winter wear and 'Year' Round weights of gabardines and donegal teeds. THESE SUITS ARE REGULARLY PRICED MOSTLY IN \$35., \$40. and \$45 price ranges—Many would be priced \$10. higher if bought on today's market.

EXTRA TROUSERS AVAILABLE with many suits.

Over 200 of the 310 suits offered at sale price are in one of the three price ranges. Sport Coats are offered in \$14.86 and \$17.86 groups.

PFC. ROBERT F. BAILEY, son of Mrs. R. H. Bailey and the late Robert H. Bailey, was born in Slaton October 15, 1924. He enlisted in the U. S. Marines August 21, 1941 and was sent to San Diego for basic training. He was promoted to private First Class February 1, 1942, and is now stationed at Camp Elliott with Co. A, Second Marine Division.

PLAINVIEW, May 15—It's now Private Marshall Formby of the U. S. Army. In this district he's still Senator Formby, however. Private Formby was inducted May 11 at Lubbock and went from there to Fort Sill, Okla. He did not know Saturday (15th) where he would be stationed.

JACK CLEVELAND, son of Mr. and Mrs. W. O. Cleveland was born December 20, 1924. He is a graduate of the Slaton High school and was a prominent football player. Jack volunteered December 10, 1941 and is in the air corps at Marsh Field, California.

TOM MADDEN, son of Mr. and Mrs. I. E. Madden, was born and reared in Slaton. He is a 1936 High school graduate and then attended Tech. Tom enlisted in the navy November 1940 and is now Air Medalsmith 3rd class petty officer, U. S. Navy, stationed at San Diego.

PRIVATE JOHN R. CHILDRESS, son of Mr. and Mrs. J. R. Childress of Slaton, Route 2. He attended the Slaton Public Schools. He enlisted in the Air Corps December 1st, 1941 and is serving as an airplane mechanic at Keesler Field, Mississippi.

PVT. R. C. BRACKEEN, son of Mrs. T. E. McClanahan attended school in Slaton and enlisted Sept. 29, 1941 at 17 years of age. R. C. was with the Marines at San Diego, California and sailed Jan. 1st. When the all-Marine show "To the Shores of Tripoli" was filmed, he got a big thrill being in the chorus.

MEMORIAL

Saturday, May 30th is MEMORIAL DAY, designated by the United States Government as the day all Americans might pay tribute to the heroic soldier dead of this nation. Many homes throughout this land will be saddened by this occasion because it will bring back vivid memories of that bright faced smiling youngster as he gaily marched away to defend the freedom and liberty of the greatest nation on God's green earth. Most of our soldier dead today are those young men, in their teens and twenties, some of them just out of high school, some of them just out of college. Men that had just reached the threshold of life, eager to live and do. That eagerness was the spirit that carried them to heroic achievements, to historic victories, and to death.

They fought, they bled, they died, in defense of all Americans, that Americans might carry on. "Greater Love Hath No Man Than This, That A Man Lay Down His Life For His Friends."

Slaton closes shop on Memorial Day to pay tribute to those immortal Americans. Slaton is proud of the distinction to be the first city south of the Mason-Dixon Line to observe this occasion to the full extent. Slaton feels that her highest tribute shall always be small in the face of the price they paid, but Slaton salutes with a heart-throb "America's Soldier Dead."

COTTON STAMPS
 Austin—The Cotton Stamp program will be discontinued on May 30, 1942, the Department of Public Welfare has been advised by the Agricultural Marketing Administration. Executive Director J. S. Murchison explained that this action was made necessary because the government finds it imperative to release all manufacturing facilities of the cotton industry.

Cotton stamps were exchangeable for cotton goods and were issued to public assistance recipients in seven counties of Texas. These included Tarrant, Dallas, Hill, McLennan, Travis, Harris, and El Paso.

Lesson: Studies in the Book of Genesis. The Life of Joseph, chapters 37-41.

1. What experience taught Joseph the truth expressed in Ps. 118: 8, 9? Gen. 40:13-15, 20-23?

2. What was the meaning of the names of Joseph's two sons? 41:50-52.

3. Is an exaltation similar to Joseph's (from a slave to a prince) open to all who will have it? John 1:12, Acts 26:18.

4. During the seven years of plenty, what made Joseph so sure that it was necessary to provide for the evil days to follow? 41:31, 32.

5. What is the best lesson taught in these chapters?

IT'S EASY TO USE SUGAR SUBSTITUTES

By observing several simple rules, homemakers successfully can substitute honey or molasses for part or all of the sugar required in their favorite recipes.

Hazel Phipps, Extension Service specialist in food preparation, says the characteristic flavors of molasses and sorghum make many foods more delicious. Both vary in moisture and acidity, she says, so the amounts she recommends for sugar substitution are "approximate."

It takes about 1½ cups of molasses or sorghum to equal one cup of sugar in sweetness. Each cup contains approximately one-fourth cup of water so the liquid in a recipe should be reduced in proportion. In products which are leavened, about one-fourth teaspoon of soda should be used for each cup of molasses or sorghum.

Miss Phipps gives this caution: Molasses and sorghum burn easily, so the temperature for baking should be lower than the temper-

Official Food Guide Tells Which Foods Are Best For Health

All over America the call rings out: "Eat the right foods every day . . . the foods for strength . . . stamina . . . vitality!" That's the way to build a victorious nation.

To help you choose the right foods . . . to help homemakers plan meals that will make the nation stronger . . . our government has established this Food Guide. It shows you which foods are essential—the ones you should eat every day.

Statistics show that in the past only about one-fourth of our nation has been choosing a well-balanced diet . . . a diet that produces maximum efficiency.

But today, we must have men and women with keen eyes, strong bodies, steady nerves, buoyant spirits! Our growing children must eat the foods that will build strong bodies to meet the great challenge of the future! Never in the history of this free land has a well-balanced diet been so vitally important. Strong Americans today . . . strong Americans tomorrow . . . are every bit as important as bombers, tanks, ships!

Will you join this crusade for a stronger America? Then clip Uncle Sam's Food Guide from this page now! Keep it in your pocket to help you order meals in a restaurant. Pin it up in the kitchen to guide your meal-planning.

Remember . . . every day, three times a day . . . you can help make America strong.

Recipe for baking mixtures made with sugar.

Rules for substituting honey for sugar are quite similar. Mixtures with honey brown easily and high heat changes the flavor of honey, so cooking temperatures should be lowered. A cup of honey gives approximately the same amount of sweetness as one cup of sugar, so the exact amount may be substituted. However, each cup of honey, like molasses, contains about one-fourth of liquid, so the liquid requirements of the recipe should be reduced one-fourth cup for every cup of honey used.

The specialist's final advice is: Use approximately one-eighth to one-fourth teaspoon of soda per cup of honey in baked products such as cakes or quick breads.

The Baptist W.M.U. met Monday afternoon at the rural home of their president, Mrs. C. W.

Dean, for their monthly business meeting and social. Refreshments of sandwiches, potato chips, cookies and punch were served to Mesdames Gene Draper, H. C. White, S. N. Hendrix, J. H. Robbins, M. A. Truelock, S. M. Truelock, several children and the hostess.

The Lutheran Ladies Aid met last Wednesday with Mrs. August Becker as hostess. The theme of this monthly meeting was Mother's Day, and appropriate readings were given by Mrs. Albert Krause, Bernice Neugebauer, and Evelyn Krause.

During the business session, the ladies made a contribution to the Lutheran World Action—a movement which includes helping war orphans, and helping provide spiritual service to men in the army.

They also voted to buy new pulpit hangings, authorizing Rev. Herber to purchase them. After the program, the first Rer Cross quilt to be finished in the community was quilted.

acter lead, and William Farnum, star of the original "Spoilers."

The keynote of the new "Spoilers" is the famous quotation from Kipling, "There's never a law of man or God holds North of '53."

It is the story of La Dietrich as Cherry Malotte, a shrewd, seductive, beautiful woman, and of the two men who fought to the death over her love and the possession of the fabulous Midas gold mine.

It is said that the unforgettable fist-fight of the first "Spoilers" has been re-filmed by Producer Lloyd with even closer vividness and spell-binding action. Another high-light is the scene in which Miss Dietrich turns on Wayne with wildcat fury at the break of their love affair.

Buffalo Lakes Very Popular

"Hundreds of people who have lived in Lubbock County for many years have discovered Buffalo Lakes for the first time," said W. H. Rogers, manager of the popular playground of the South Plains last week when commenting on the unusual activity that has been manifested around the lakes within the past two weeks.

"The bridge paths around the grounds are getting the worse pounding they have ever had as the folks around here seem to have gone in for horseback riding more this season and the grounds are covered with outdoor picnicking parties over the weekend until the place looks like a Georgia camp meeting. We expect one of the biggest seasons we have ever had," said Mr. Rogers, "as the tire situation is going to restrict travel and folks in all localities will have to look for vacation grounds near at hand. We have spent many thousands of dollars making Buffalo Lakes an ideal local vacation spot, they are the right size for fishing and boating, the rugged scenery is unusual and attractive, we have all of the conveniences that could be asked for at a resort and we believe the people will find that Buffalo Lakes offers them more fun for the money than any place they can go this summer."

Recipes for "artificial sugar" and for a coffee substitute are included in "Typically Texian," annual brochure published by a University of Texas English class studying literature and folklore of the Southwest. The recipes were found in early Texas newspapers by Corinne Wilton of Teague.

The artificial sugar was a concoction of brown sugar, water, honey, cream of tartar and essence of roses, all boiled together in a brass kettle. Egg whites and more honey were added after the mixture was cooked, while the epicure might call for a little slippery elm bark added to the honey.

The coffee substitute, recommended by "The National Register" of December 27, 1845, called for mixing okra seeds with real coffee—"the okra cannot be distinguished from the coffee, even the best Java."

Mr. and Mrs. Bill Taylor were visitors in Slaton last week. Mrs. Taylor was Miss Paula Atmip before her recent marriage. Bill, who is with the army at Luke Field, Arizona, is having a custom house car built and Mrs. Taylor will live in the trailer in Arizona; he is on a 15-day furlough and they are honeymooning in South, Texas.

J. M. Brewer of Wilson was in Slaton this week getting cultivators and go-devils built.

Navy recruiters say the navy's program of teaching men skilled trades, providing regular opportunities for advancement and comfortable living quarters under nearly all conditions is proving popular with young Texans who want to do their part in the war.

Man for man, northern Texas navy recruiters lead all others in "selling" men on the advantages of naval service, the report from Washington also showed.

"CHIEF" TOPICS by the SCOUT

All-out war has imposed a great and growing traffic load upon American railroads. Movements of troops and war materials must have first call. But Western travelers can do much to help maintain regular civilian rail transportation by doing any one or all of these things!

Make reservations in advance; purchase tickets at the same time, if possible.

WHAT TO PUT IN COFFEE IF YOU CAN GET COFFEE

Austin—When you can't buy that extra amount of sugar that's needed for preserving that batch of strawberries, don't think you're exclusive in your forfeiture.

Before this war, Texans were having to think of substitutes to take care of food shortages. And sugar and coffee, two items which are being restricted today were shorter than now.

Recipes for "artificial sugar" and for a coffee substitute are included in "Typically Texian," annual brochure published by a University of Texas English class studying literature and folklore of the Southwest. The recipes were found in early Texas newspapers by Corinne Wilton of Teague.

If reservations must be cancelled, do so promptly, thus releasing space for others.

Travel is highest during July and August, on week-ends and holidays—pick other months and other days whenever convenient.

Consult passenger representatives for advice on travel problems.

This is the advice of T. B. Gallaher, Chicago, passenger traffic manager of the Santa Fe System Lines, who declared, "Nothing has been or will be permitted to interfere with the utilization of any Santa Fe facilities required to win the war. Subject always to this prime obligation, however, we will make every effort to maintain regular and efficient service for civilian travel to, from, or in California and the Southwest."

For the present, he said, and within the limits of war-time vacations, one is as free as ever to enjoy most of the infinitely varied attractions of California; the ranches and resorts of Colorado, New Mexico and Arizona and other attractions throughout Santa Fe territory.

What You Buy With WAR BONDS

Our army spells and pronounces it "pontoon", not "ponton", as you do. Pontoon bridges cost all the way from \$15,000 to \$700,000. The smaller bridge using individual metal pontoons is pictured here. The largest pontoon bridge is 1,080 feet long and is made of rubber instead of aluminum.

One small bridge has a weight capacity of 25 tons, using about 2,000 individual metal pontoons. The smallest is used only to take troops over smaller streams. But whether our army uses the smaller or largest pontoon, our engineers need plenty of them. If you and every American invests at least 10 percent of income in War Bonds every pay day we can apply our fighting forces with these essentials to a victorious war.

There is no present thought of closing our national parks, he pointed out. For short vacations, travelers can still enjoy delightful circle trips that include Grand Canyon, Carlsbad Caverns, Rocky Mountain and Estes Parks and the Indian country roundabout Old Santa Fe, New Mexico.

For transcontinental travel—on war work, civilian business or recreational trips—the swift all-Pullman Santa Fe streamliners, Super Chief and Chief, save many precious hours.

For the thrifty traveler, Santa Fe continues to offer its transcontinental economy trains. Foremost of these is El Capitan, only all-chair streamliner train between Chicago and Los Angeles that is as fast as the Super Chief.

Other Santa Fe transcontinental trains include the Scout, known as the "budget special" and providing service to and from California via Carlsbad Caverns National Park, and the Grand Canyon Limited, with standard pullman service direct to the South Rim of Grand Canyon National Park.

SENSATIONAL CAST ENACTS REX BEACH'S "THE SPOILERS"

Heralded as one of the most memorable pictures of screen history and based on the best of Rex Beach's best-seller books, "The Spoilers" comes to the Palace Theatre May 31, June 1.

The raw, teeming saga of the Klondike co-stars Marlene Dietrich, Randolph Scott and John Wayne. Produced for Universal by Frank Lloyd, maker of such screen smashies as "Mutiny on the Bounty" and the contemporary "Saboteur," the film backs its three way constellation with a pretentious supporting cast. Among the featured players are Margaret Lindsay, who will have the opposite feminine lead; Harry Carey, top-liner of more than 300 pictures; Richard Barthelmess, in a comeback char-
