Collect And Sell Your Scrap Rubber Today Big Crowd Expected At Auction Sat.

THIS WEEK'S

WAR MOVES

President Roosevelt ordered an intensive drive this week and next to collect from homes, offices, farms and factories all articles of rubber that have been or can be discarded. The scrap rubber is being collected by the Nation's gasoline filling stations, transported to central collection points by petroleum industry trucks and sold to the Rubber Recovery Corporation. Filling stations are paying a cent a pound for the rubber. Under Secretary of War Patterson reported Army and Navy crude rubber requirements during the 21 months after April 1, 1942, will be 800,000 tons, compared with the present U. S. reserve of 600,000 tons. He said he hoped the difference would be made up by the synthetic production program.

Commerce Secretary Jones said the RFC will finance the construction of a 24-inch pipeline from Longview, Texas, to Salem, Ill., at an estimated cost of \$35 million. The pipeline will be completed December 1 and will have a capacity of 300,000 barrels a day. It will require 125,000 tons of steel, the WPB said, but will not interfere with steel deliveries for Army, Navy and Maritime Commission needs. Mr. Jones said necessary personnel to construct and operate the line will be furnished by the industry.

The WPB limited the use of steel in the manufacture of baby carriages and prohibited the use of any other metal, except gold and silver, in such manufacture. The Board placed similar restrictions on production of liturgical articles such as crucifixes, chalices and candlesticks. Deliveries of welding rods and electrodes were restricted to orders with high preference ratings, or to specified Government agencies and accredited schools of welding. The Board prohibited use of any but low-alloy steels in manufacture of chisels, hammers, punches and other tools, and prohibited after September 1, production of mattresses or pads containing iron or steel.

President Roosevelt created an Office of War Information, headed by Elmer Davis, writer and radio commentator, who was given authority to direct all the war information functions of the Government. The new agency will consolidate the functions and duties of the Office of Facts and Figures, the Office of Government Reports, the Foreign Information Service of the Office of the Co-ordinator of Information, and certain activities of the Division of Information in the Office for Emergency Management.

The White House announced the President and Russian Foreign Commissar Molotov reached "full understanding with regard to the urgent task of opening a second European front in 1942" at discussions held in Washington from May 29 to June 4. In addition, the President and Mr. Molotov discussed measures for speeding U. S. war aid to the Soviet Union and the fundamental problems of post-war cooperation to safeguard "peace and security to the freedom loving peoples. Both sides state with satisfaction the unity of their views on all these questions," the announcement said. The State Department reported the U. S. and the Soviet Union have signed a Lend-Lease agreement similar to those between the U. S. and Britain

(See WAR MOVES page 5)

Father's Service To Be Held Sun.

A special Father's Day Service will be held Sunday morning at the First Methodist Church. The subject of the visiting pastor-evangelist is to be "God's Promise to Abraham."

At the Patriotic service last Monday night the audience stood and pledged allegiance to the Flag of the United States and to the "flag of the Lord Jesus Christ and the kingdom for which it stands," thus linking together "God and Country" in the traditional American way.

"It was for the glory of God and the advancement of the Christian faith that the pilgrims made the dangerous venture of establishing their homes in this country," said the Rev. Huckabee.

The Rev. H. C. Gordon reports, "The attendance at the Methodist meeting has been large and the interest great and the vacation bible school has been well attended by the children." The meeting will probably close with the Sunday night service.

FLYING SCHOOL TO HAVE DEDICATION

Lubbock, June 18 — The behind-the-scenes life of both aviation cadets and enlisted men will be one feature of the special dedication services at the large Lubbock Army Flying School which the public may see on Sunday, June 21.

Besides the barracks themselves, mess halls, link trainer building, day rooms, hanger, and the sub-depot shop and hanger will all be open to the visitors as part of the formal dedication of the advanced twin-engine school.

Opening the gates to the general public at one o'clock Colonel Thomas L. Gilbert has announced that Major - General H. R. Harmon, commanding officer of the Gulf Coast Training Area, will be the principal speaker in the dedicatory services scheduled for two o'clock. Col. Gilbert will also speak.

The Lubbock Army Post Band will play a varied program under the leadership of Warrant Officer George P. Attridge from one to two o'clock.

Until late in the afternoon the visiting public will be admitted to various parts of the Lubbock Field on a general inspection tour. The many aspects of camp life of both aviation cadets and enlisted men may be visited on this occasion.

During the progress of the program on the ground, the aviation cadets will carry out routine flying activities, including take-offs, formations, and landings.

All friends of the Lubbock Army Flying School are cordially invited to be present at these dedication services. Since the general public cannot ordinarily be admitted to camp areas, the program on June 21 offers an excellent opportunity for a close-up view of a typical flying school.

ADVANCED FIRST AID COURSE TO BE GIVEN

Jo Bob Stevens has arranged to start an Advanced Course in First Aid Instructions on July 7th and asks that all those interested in taking the course to notify him or Mr. L. B. Hagerman. Any one who has completed the Standard Course and has a certificate to that effect may enter the Advanced study.

At the present time there are no Standard Courses of First Aid studies being given but any group of people in this vicinity who wish to form a group to take the course of study can secure the instruction at no cost to themselves. Instructors will be designated to teach such courses by Mr. Hagerman or Mr. Stevens upon request.

SLATON POST OFFICE GOES FEMININE

Mrs. Cecil Scott has taken over the duties of her husband, who was inducted into the Army last Friday. She will fill his former position at the Post Office for the duration of the war. Cecil reported to Fort Sill, Oklahoma and hopes to be placed in the Medical or Postal branch of the service. He will be home today on a furlough before entering training.

It will be the policy of the Postal Department to fill vacancies left open by men who have been called into the service with the wives of the men, when ever it is possible.

"Will the men get their jobs back when the war is over? That is a battle that will have to be fought out later," said Postmaster Scudder.

Niehoff's Attend Dallas Meeting

Mr. and Mrs. J. J. Niehoff attended the United States Spanish War Veterans Department Convention held in Dallas June 7, 8 and 9 as delegates for the Tasker H. Bliss Camp Number 50 and Auxiliary Number 29. While gone they visited with Mr. and Mrs. M. Calvin of Ft. Worth. Mrs. Calvin is the former Miss Cora Peoples of Slaton.

FIRE DESTROYS FEED

The Slaton Fire Department was called out to John's Dairy Wednesday during the noon hour to extinguish a fire that burned a large stack of feed. No serious damage was done although it took about an hour to get the fire under control.

Big Celebration In Flats Today

Perhaps today is just another day to many people here in Slaton but to the colored population of this section it is a day that rivals Christmas, New Years and the 4th of July, in fact it is the red letter day of the year. The big event will be a ball playing contest between the Slaton Cats, the Ralls Spiders and the Post Rebels in which a bruised and battered winner will be decided. In a blazing circular the good news is being spread far and wide warning every one that every place in Texas is going to a very dull except Slaton where the rip roaring ball games will be contested. And not only does this circular promise excitement but also tells of the many wonderful places to eat such as Flantroy's, Hill's, Jackson's, Earnest's, Rhaney's, Winnie's and Charlie's. Even while the game is going on the gormant may rush into a place run by C. Fisher and fill up with cat fish, corn bread and other delicacies and perhaps if one has a pocket full of loose change, he or she, may be able to buy an egg size water melon.

Yes Slaton may be a dull place for some folks but it is the day of days for the shine boy, the man who cuts your lawn, the woman who washes clothes and if you have been depending on any of them to do your work then you should have gotten up early this morning and taken on these menial tasks yourself for there are big things happening down in the flats and the grass must go uncut, the shoes unshined and the clothes unwashed until after June-teenth has been properly celebrated.

Why all the celebration? Why this is the day that Jonah knocked Goliath out with the jaw bone of a mule, said one of the colored boys who is promoting the ball game.

Rites Read For Aaron C. Melugin

Funeral services for Aaron C. Melugin, 42, were held Tuesday afternoon at the First Baptist Church. Mr. Melugin died suddenly at his home in Slaton early Monday morning.

Mr. Melugin was born in 1900 in Fannin County, Texas. He married Miss Mabel Bradshaw in 1921 and they have one son, Teddy Aaron. Since 1925 they have been residing in Lubbock county.

He is survived by his wife and son, two step-sons, Gerald and Neal Bradshaw both of Slaton; his father and stepmother of Savoy, Texas; three brothers, Rob Melugin in the United States Army; Bob Melugin from Denison, Texas; B. Q. Melugin from Savoy, Texas; one sister, Mrs. Sid Woodruff of Ector, Texas; and a half brother, Edwin Melugin of Denison, Texas.

Harral Elected Rotary President

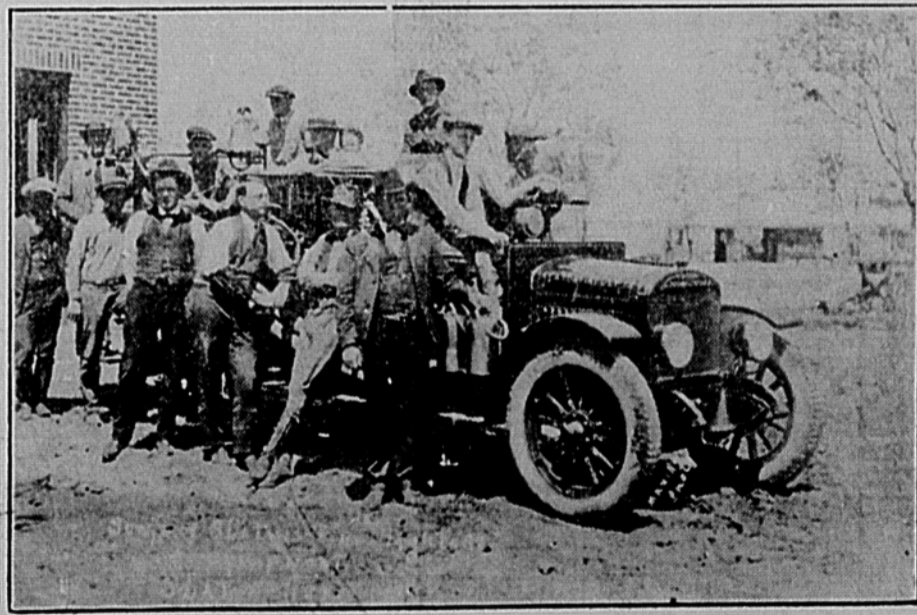

Inauguration of new Rotary officers will be made at a chicken barbecue on the club house lawn Thursday night, July 2. Leonard Harral is the incoming president; Odie Hood, vice president; Allan Payne, secretary-treasurer and M. S. Kavanaugh, sergeant-at-arms. The Rotary Annys are in charge of the program.

Sewing Room Open Three Week Days

The Red Cross Sewing Room is open from 9 a. m. to 12 noon on Monday, Tuesday and Wednesday of each week. Women may register to sew for either one, two or three hours on the above days. Mr. Fred Schmidt is the registration chairman.

The Red Cross has just made (See SEWING ROOM back page)

One of Slaton's First Fire Trucks and its Crew of Fire Fighters

Fire Department Demonstrates Tires Will Wear 13 Years

Demonstrating what care of tires and equipment will do, the Slaton Fire Department has an example of conservation that should be an incentive to the motorists of today who still have a fair set of tires left on their cars.

The original tires that came on the reserve truck that is still in use at the Slaton fire department are still in excellent shape. The truck was purchased in 1929 making the tires and the car thirteen

USO Drive Pushes Forward In Slaton

By noon Tuesday Slaton had almost reached the two-thirds mark on its quota of \$1,500 in the USO drive. Nine hundred and fifty dollars had been paid or promised and there were more citizens to contact, many of whom had been out of town during the campaign. The committee was hopeful that the quota would be reached by noon Thursday.

"Wednesday was the day originally set for the closing of the drive, but since so many of the Slaton residents have been away, the dead-line for the drive was extended until noon Thursday," said Mr. H. R. McKee, head of the committee.

Radio School Begins Tues.

The radio code school will start Tuesday, June 23, at 8 p. m. at Marriott's Electric Shop. Twenty-five persons have already registered for the class and others desiring to register, must do so before Tuesday night. The class will meet twice weekly.

Mr. C. D. Marriott will teach code, radio theory, sending and receiving short wave, and how to prepare for securing an amateur license.

The pupils are requested to bring a pencil and notebook to the first meeting.

BCD WILL MEET TUESDAY

The directors of the Board of City Development will meet in regular session Tuesday, June 23. Briggs Robertson, manager, is requesting the attendance of every board member at this meeting to discuss vital questions concerning projects connected with our all-out war program.

THIRD WEEKLY AUCTION TO BE HELD TOMORROW

Slaton's third weekly Auction Sale will start tomorrow, June 20, at 3 p. m. instead of at 2:30 p. m. as it did last week. A large crowd is expected as a much larger assortment of merchandise and live stock, poultry and farm implements will be offered than at any sale held so far.

Several new features have been added to give the crowd a thrill and one of the biggest crowds to be in Slaton for many months is expected.

There is no charge for attendance. The location of the sale is the former location of the Rockwell Bros. Lumber Yard at Texas Avenue and 7th Street where a loud speaker has been installed and where the Sale Merchandise will be on display. Whether you are in the market for any of the items for sale or not you will enjoy attending the sale.

SLATON DELEGATION ATTEND POST RODEO

A large delegation from Slaton attended the Post Rodeo yesterday to take part in the opening parade and pageant. Mrs. Dorothy Gregory was Slaton's sponsor and the delegation was directed by Jo Bob Stevens who rode Ray Ayers Palmino stallion. Stevens was assisted by Briggs Robertson. Judge Smith and several other Slaton men sent mounts that were in the pageant. All of the Slaton delegation wore Slaton batbands.

The performance at 2:30 and the one tonight will conclude the celebration in which approximately \$1500 will have been given in prizes. A street parade will be held at 1:00 today and an old fashioned dance tonight.

Slatonites attending the Post Rodeo Friday are requested to come by the Chamber of Commerce office and get a Slaton hatband to wear to the rodeo. These hatbands are free to all who will come by for them.

Service Stations in and near Slaton report a fair response to the President's appeal for scrap rubber. According to statistics and the laws of average there should be a great deal more scrap rubber available in and near Slaton than has been turned in.

That the release of all scrap rubber is of vital importance to every patriotic American should be self evident. The citizens of this community have shown their loyalty by buying generously of War Bonds and even though they are perhaps slow in acting to the appeal of our President in the end our share of scrap rubber will be delivered.

Upon the results of the campaign depends the extent gasoline rationing will be enforced and the amount of deliveries and use of trucks and tractors for farm use.

All of the large and small petroleum refineries of the nation have banded together to make the campaign a success and have taken on the responsibility of buying the scrap rubber which will be sold to the Government or donated to the USO, the Red Cross and Army and Navy Relief.

There are two ways that scrap rubber is being accepted by the Service Stations. Those who wish to sell their scrap are paid 1 cent per pound, those who wish to donate the scrap may do so. The donated rubber is kept separate from that that is bought and the revenue from the donated scrap is given to the charities mentioned above. Those bringing in scrap should remove all metal or wood and cloth from the discarded articles before delivery to the Service Stations.

One service station reported Tuesday that John Childress of Slaton had donated over 100 pounds All old tires will be accepted at their net weight and paid for at the rate of 1c per pound regardless of condition.

Below are suggestions on items that can be salvaged:

Wearing Apparel:

Rubber aprons, rubber sleeves and gloves, rubber pants, elastic bandages, belts, buttons, arm bands, raincoats and capes, boots and shoes, hats, galoshes, bathing suits and caps, bowling shoes, medical and hospital goods, elastic tape heels and soles, crepe rubber soles, tennis shoes, girdles, garters.

Farms, Homes, Offices, Any Place:

Rubber desk mats, telephone and memo pads, typewriter rollers, keys, cushions or pads, trays, window sash packing, grips and handles, ash trays, coasters, bands and straps, bags, ink rollers, stamps, mattresses, cuspidor mats, sponge rubber cushions, seat and chair pads, stair treads, carpet pads, hot water bottles, tubing, rubber bulbs and cups, belting, rubber gloves and fingers, rubber sponges and squeegees, rubber balls, tennis balls, rubber toys and dolls, tennis racket covers, billiard table cushions, dice cups and mats, TIRES AND TUBES, car, bus, truck and tractor; fan belts, radiator hose, rubber floor mats, air and gasoline hose, fire hose, hose gaskets, shock absorber bumpers, rubber valves and stoppers, solid rubber tires, jar rings, garden hose and washers, crutch tips, feet, bumpers.

Factories, Warehouses, Etc., Rubber Industrial Goods

Air hose, steam and water hose, hose gaskets, mallets, tubing and stoppers, bulbs and floats, laboratory supplies, wearing apparel (see above), window sash gaskets and packing, grips and handles, rubber packing, belting, truck tires, conveyor belts, matting, sheeting, floor pads, rubber flooring and tile, sponge or solid rubber bumpers, pads, cushions, rubber and rubber covered electrical supplies — cable tape, insulators, conveyor rollers, printers and paper mill rollers and blankets, plumbers suction cups, floats, tank linings, diaphragms, rubber buckets and dippers, door mats and stair treads, cushions, squeegees and sponges, plumbing supplies—cups, valves, gaskets, washers.

(See COLLECT RUBBER page 5)

Welch, "but this it not true as the driver of a fire truck is trained to drive carefully and to care for the equipment. From my experience in the automobile business as well as in the fire department I learned early that the proper care of automobile tires on the fire trucks, as well as on my own car, is most important and that fast driving not only destroys the tires in short order, but quite often destroys the driver as well. It would be a good law if a speed limit of 40 miles per hour were passed and enforced; then perhaps the necessity of rationing gasoline would be eliminated."

JUST TALK
 by
 A.M.J.

Here is some sentimental poetry that was printed in the State Game and Fish bulletin. It flows along real nicely and the title is "What I Want."

Fish can be bought in the market place
 So it isn't the fish I'm after;
 I want to get free from the care-drawn face
 And back to an honest laughter.
 I want to get out where the skies

are clean,
 And rest on a mossy brink.
 I want to get out where the woods are green
 And I want a few hours to think.
 Oh, it isn't the fish I am greedy for
 It's the chatter and song of birds,
 And the talk of trees that I've known before,
 I am weary of selfish words.
 I want to stretch out, just my soul and I
 In a place from the strife afar,
 And let a few care-filled hours pass by
 As I think of the things that are.

Oh, it isn't the fish that I go to get,
 Though there's joy in a swishing line
 And a splendid thrill when my grip I set
 And a speckled brook trout is mine.
 But my soul seems cramped in the stifling air
 That is heavy with talk of gain,
 And I want to get out where the world is fair
 And there isn't so much of pain.

Fish can be bought in the market place,
 But I long for the running streams
 And I want to stretch out, just my soul and I
 On a sun-kissed river shore,
 And be, as a few mad hours rush by,
 The man that I am, once more.
 —Anonymous.

Now then, if you can stomach any more, I have added what "I Want":

I want to get out where the chiggers thrive
 And stumble around on a rock-bound shore,
 To let the gnats and flies crawl over me
 And gripe and fuss and get sore.

I want to eat the things I should not eat
 And try to sleep on a cot and listen
 To my companions groan as they try to do the same;
 I want to lie and listen to lies,

About the fish that have been caught, and to sit and hope
 About the silly dope! "Fishing being fine."

Fish can be bought in the market place
 So it's that kind of fish I'm going after when the trip is over,
 And forget the stream with its hot sun beams,
 And the big windy lies about the fish that thrive between its barren and trash strewn shores.

John Crawford came in to visit me last week. He has gained about twenty pounds and is very enthusiastic about his work as Assistant Radio Engineer at the North American Aviation, Inc. Airplane Factory in Kansas City. John would not talk much about his work, but said there are over 10,000 men working in the plant and that it is probable that the planes that bombed Tokio were made in the factory at Kansas City. He has taken off for Kansas City but his wife will remain here to check up on friends.

Naydiene Smith, who helps to make Carter Hardware click, tried to run over me with her bicycle last week and has made sour remarks about my driving ability. Naydiene snakes around the corners with both eyes closed, rides on the wrong side of the street, does not hold out her hand when she makes a right turn, makes no stops at intersections and does not know that there are signal lights on the Highway—and yet she is still alive, and from all appearances, fairly happy.

The bream and perch are ravenous out at Buffalo say the fly and grasshopper fishermen who have been flocking to the lake recently. L. B. Wooten, H. G. Schuette, W. D. Donald and many others who have been out for bream and perch say that a good mess of fish can be caught any day at Buffalo.

It is no trouble at all to get grasshopper bait and the bream and perch seem to go for them, several nice bass have been caught on hoppers too.

The city dads have been doing some good work in having the sidewalks cleared of weeds on Texas Avenue. Most visitors get their first impression of Slaton as they come from the railway station into town and first impressions pay dividends, so the girls say.

When I talk to the men who come home on furloughs from the army, navy, air force and other branches of the service and find out how many different flavors of serum is shot into each one I wonder how most of us ever reached maturity.

To have escaped from all of the diseases which these serums are supposed to offer protection, is a feat that should deserve some recognition. To such men as K. C. Scott, H. G. Sanders, Antone Buxkemper, C. E. Lilley, Judge Smith, Si Wilson, W. T. Davis, Joe Walker, John Hardy Morgan and many others a plaque or diploma of some kind should be given for being so tough that the germs could not get the best of them.

If the serum popularity keeps on growing all the chickens, stock and human beings of the future will be as full of holes as a screen door. Just the thought of a doctor with a bicycle pump full of serum gives me the get away blues.

You could have knocked me down with a sledge hammer last Friday when Garford Wilkerson from Amarillo cornered me in Slaton. Garford used to hustle "hokey" for the Amarillo papers while I chased elusive advertising from one end of the town to the other. After five or six years of the tread mill Garford cornered a good berth with the Farm Administration and now has put on so much weight that he has to buy out size britches. Garford and a couple of men from the Farm Administration offices stopped ever

in Slaton for a short while and all three of them agreed that Slaton is one of the best looking towns in West Texas.

"This is the first town I have seen where I would like to make my home," said Mr. Wilkerson. All of which pleased me very much but just the same I have not grown so hefty that I have had to buy "portly" size suits, with the big apron front coats, to fit over a fallen chest.

One of the things that attracted my attention when I came to Slaton was the attractiveness of the residential section and the lack of paint and the neglect of many of the business houses. Since that time a number of the business men have made extensive improvements in their business homes and now comes The Brewer Insurance office and the Walker — Norris Barber Shop with a paint job that has made an improvement in the looks of the entire town.

After having lived here for nearly two years I have, like most of our residents, become accustomed to many things that at first struck me as eye sores, and now a good paint job is a terrible shock to my nerves.

Under present conditions there is not a great deal that can be done in extensive improvements to any buildings but the property occupied by the Brewer Insurance and the Walker-Norris Barber Shop is an example of what a bucket of paint will do and we can still be thankful that paint is not yet in the same category as sugar and automobiles.

Roosevelt added another—and most authoritative—voice to those which recently have warned the American people against undue optimism. These warnings must be heeded if whatever bad news the immediate future may hold is not to be magnified or if hope merely deferred is not to appear a calamity. The Axis may collapse suddenly, but it is safer and, on the basis of present information, far more logical to assume that the war will

be long and hard.—New York Herald-Tribune (Rep.).

Rubber from Rover, The dog

house will surely yield a mutilated ball, a rubber bone or a headless doll, and they'll all help the big guns bark sharply at the Japs.

Our Weekly Sermon—
 Christian Optimism

By the Rev. Kenneth S. Wuest, Member of Faculty Moody Bible Institute, Chicago
 Text: "Blessed be the God and Father of our Lord Jesus Christ, which according to his abundant mercy hath begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead"—1 Peter 1:3.

This message is for Christians, those who have been born from above in answer to their faith in the Lord Jesus as Savior.

One of the results of the new birth, Peter tells us, is a lively hope. It is an actively living hope. It is an attitude of heart and mind that always hopes for the best and not on the dark side. It is real Christian optimism.

But this is not a mere attitude of mind and heart to "jolly one along," so to speak, until the worst comes. It is not a mere philosophy, pain of worry. Not at all. The worst a mental opium that deadens the nerve comes to a child of God. He has a right to look forward to the brighter things, because that is the way God takes care of His children. The unsaved have nothing to look forward to but trouble and dark ominous clouds. "But the path of the just is as the shining light, that shineth more and more unto the perfect day. The way of the wicked is as darkness; they know not at what they stumble" (Prov. 4: 18, 19).

Do you want this Christian optimism in your life? Then saturate yourself with the Word of God, and be filled with the Holy Spirit. What must one do to be filled with the Spirit? Have a real heart-desire that the Holy Spirit control your every thought, word, and deed; yield yourself to Him; depend upon Him for His ministry in your life, and trust the Lord Jesus for that fullness of the Spirit (John 7:37, 38; Eph. 5:18). Then that Christian optimism will be produced in your

life, and you will live a more joyful and useful life in the service of the Lord Jesus.

COOPER NEWS

Kathryn Robertson, Correspondent
 Beverly Ann Durham, daughter of Mr. and Mrs. J. M. Durham visited her aunt and uncle, Mr. and Mrs. E. Durham of Morton, last week.

Miss Toye Lightsey of Littlefield was a weekend guest of Mr. and Mrs. E. A. Robertson and family.

Raymond Jarvis, son of Mr. and Mrs. M. A. Jarvis graduated May 29 from the world's largest Air Corps school at Sheppard Field, where he has been attending classes for the past five months. He is qualified as one of eight specialists necessary to keep one plane in the air and is eligible for assignment to any unit maintained by the Air Corps.

Alvin Phillips, son of Mr. H. B. Phillips, who is a member of Battery C of the 345 Field Artillery battalion, has been promoted to rank of Sergeant.

Mr. and Mrs. Amos Zedwick and daughter of Littlefield, visited Mr. and Mrs. B. B. Jones and family last weekend.

Mr. and Mrs. D. W. Gill and granddaughter, Beatrice Johnson, visited in the home of Mr. and Mrs. Charlie Gill and family Sunday.

Mrs. R. L. Goode is seriously ill in the Clark hospital at Lubbock. A son, John L. Goode, who is in the United States Army, at Chicago, Ill., has been called to her bedside. He is expected to come by plane Saturday, June 20.

Miss Virginia Pate was honored with a picnic and skating party last Monday evening. Those attending were: Buford Peterson, Joe Dane, Virginia Peterson, Betty Alexander, Cortez Pitts, Nellie Jones, Melba Slater, Tom Payne, Alice, Marie Slater, Betty Robertson, Walter Beverly, Virginia Pate, Virginia Johnson, Jinks Meyers, James Paul Jones, Lois Slater, J. B. Potts, Helen Wilson, Jas. Potts, Mrs. E. R. Slater and Donald Wayne Chesser.

Mr. and Mrs. E. E. Maginnis and daughter, Wannell, have recently moved from the Cooper Community. Mrs. R. A. Burford, home economics teacher, visited members of the summer homemaking class Thursday.

Mrs. D. J. Speed and sons, Jimmie Lyan and Billy Lee, returned to their home in Littlefield Sunday.

POSEY ITEMS

Mrs. S. N. Gentry, Correspondent
 At 7:00 o'clock Saturday evening Miss Ella Frances Myer, daughter of A. Myer of Booker, Texas, was married to Lieut. Lloyd Savage of Las Vegas, Nevada, in the home of Mr. and Mrs. Jim Langsley of Plainview, with the Rev. Clark, of College Avenue Baptist Church, presiding.

The bride wore a daytime frock of navy blue, with white accessories and a pink rosebud corsage. Mrs. Savage graduated from Southland high school and has been attending Wayland College while employed as cashier of a drug store in Plainview.

Lieut. Savage is stationed at an airport in Las Vegas, Nevada, where the couple will reside.

Guests in the home of the B. R. Arthur's Sunday were: Mr. and Mrs. Lloyd Savage, Mrs. Lola James, Mr. and Mrs. G. D. Ellis, Mr. and Mrs. John Baker and Mr. and Mrs. A. F. Davies.

Jack Kuykendall, son of Mr. and Mrs. Willie Kuykendall, left Monday for the Army.

Mr. and Mrs. Herbert Dunn and son E. L. spent Sunday with Mrs. Dunn's parents, Mr. and Mrs. Ed Day. Talmadge Day was home on a furlough.

Mr. and Mrs. Charles Sokoff's two grandchildren are visiting them.

Mrs. Dutch Luman returned home to Borger Thursday after spending a week here with her sister, Mrs. Tom Craft. Their mother, Mrs. Sidney Finohem, remained here with Mrs. Craft.

All the Southland ladies taking the Slaton Red Cross Course on Home Hygiene and Care of the Sick passed their examinations Friday. Those taking this six-week course were: Agnes Collinsworth, Mary Gray, Alice Martin, Mary Green, Audie Harris and five ladies of Slaton.

Mr. and Mrs. Bill Ellis are moving to Seymour Wednesday.

Doris Gray spent the weekend with her mother, Mrs. O. O. Gray.

Mrs. Walter Maeker had these guests on her birthday: Mr. and Mrs. E. Becker, Mr. and Mrs. Wallace Becker, Mr. and Mrs. Walter Voigt and sons, Mr. and Mrs. G. Herber and children, Mr. and Mrs. Louie Mueller, Mr. and Mrs. Frank Snyder and children, Mr. and Mrs. Edmund Maeker and Mr. and Mrs. John Maeker.

The Rev. H. B. Coggin is attending a twelve-day pastor's school in Dallas, Charles, Wayne and Morris are visiting their grandparents in Abilene.

About 35 attended the shower at Mrs. J. D. Hord's home Thursday for Mrs. Wilburn Fields.

The Sunbeams met at Mrs. Marvin Truelock's Friday evening. Those attending were: Connie, Tiny Jim, Roy and Mary Lou Fields, Mary Frances King, Richard Royce McGuire, Esavia and Martina, Glenda and Calvin Truelock, Flora Truelock, Norma Jean Hancock, Norma Lou McGuire and Virginia King helped entertain.

Armour Announce \$5,000 Contest

Today Armour and Company announces the opening of "Vegetole's Big Victory Jingle Contest" with one hundred forty-two prizes in War Bonds totaling five thousand dollars in maturity value. The big

grand prize is a thousand dollar bond.

In discussing the contest, one of the sales officials of Armour and company, said: "The jingles are easy—and since this contest is just for the people in the Southern section of the country, everyone has a good chance to win. Somebody down here is going to get a big thrill when they win that thousand dollar bond."

Anyone can enter the contest by following the simple rules on the entry blank, which may be obtained at any store where Vegetole shortening is sold. Contestants for the one hundred forty-two prizes in War Bonds are urged to get their entries in at once.

NTSTC Proud Of Former Student

Denton—North Texas State Teachers College was sticking out its chest in behalf of another of its exes Friday at it read that First Lieut. Robert O. Pate of Dallas, and NTSTC student from 1937 to 1940, was one of the fliers who plastered the Japs during the re-

Acid Indigestion

What many Doctors do for it
 When excess stomach acid causes gas, sour stomach or heartburn, doctors prescribe the famous-acting medicine known for symptomatic relief—medicines like those in Bell-and Tablets. Try Bell-and yourself, at first sign of distress. They neutralize acid, relieve gas, and bring comfort very quickly—yet are not a habit! Only Bell-and at drug stores. If your very first trial doesn't prove Bell-and better, return bottle to us and get double your money back.

A quiet, good-looking youth who aspired to be a school teacher, Pate helped pay his college expense by piloting one of the college-owned cars at the Denton Teachers College.

As a college driver, Pate had the duty of delivering NTSTC student-teachers to Sanger, Center Point, and the city schools of Denton, where they were learning the profession of teaching by practice in the classrooms.

Now he's delivering bombs to the Japs, and his latest cabled report to his family, according to the Associated Press, was "Back safe and sound. Hunting good."

That understatement meant that Pate had helped dump explosives on Jap aircraft carriers and other ships in the great Jap armada which struck at Midway in an apparent attempt to reach Pearl Harbor a second time.

For writing last line to this EASY VEGETOLE JINGLE

Since Star Lard and shortening in tin Are gone till the Axis gives in—Vegetole I'll be buying, For all baking and frying,

SEE FREE ENTRY BLANK BELOW. CONTEST CLOSES JULY 12, 1942.

PURPOSE OF CONTEST: To induce you to discover Texturated VEGETOLE, the only shortening that comes in the economical self-measuring carton!

HOW TO WIN A \$1000 BOND! Think of the thrill of owning a \$1000 U.S. War Bond! . . . your chance for real security . . . money that's piling up interest for you and helping Uncle Sam at the same time! It may be yours this easy way! . . .

EASY TO WIN . . . Get your whole family in on this big Vegetole Jingle Contest. Even a child may win. All you do for a try at the \$1000 War Bond and the 141 other prizes is to write a last line to the jingle above. It's easy, it's fun, it only takes a few minutes!

ONCE YOU'VE TRIED VEGETOLE, you'll find last lines come easy. Vegetole not only makes wonderful cakes and deep fried foods—it makes prize-winning pies and biscuits! And Vegetole is the only shortening that comes in a self-measuring carton. You just slice yourself a cup—or half a cup—without using a measure. Vegetole is Texturated, too—that means it's pre-creamed so it makes finer textured, lighter pastries.

BUY VEGETOLE . . . AND ENTER NOW!—Send in as many last lines as you want . . . just be sure each one is accompanied by the "Money-back Guarantee" seal (or facsimile) from a Vegetole carton.

HINTS ON WRITING LAST LINES! Read the jingle over several times, then think of all the words you can that rhyme with "in" and "in". Use one of these words for the last word in your last line. For example: "That will simply delight all my kin."
 Send in all your last lines . . . The one you think can't win may bring you the \$1000 bond. Fill out and send your entry today!

FREE ENTRY BLANK, CLIP NOW!

EASY RULES

- Simply write or print your "last line" on the entry blank or on any ordinary sheet of paper. Use sufficient words to complete the jingle and make sure the last word in your last line rhymes with "in". Print your name and address and the name of dealer from whom you purchased Vegetole on your entry.
- Mail to Vegetole Judges, P.O. Box 6310-A, Chicago, Illinois. Your entry must be postmarked before midnight, July 12, 1942. Send as many entries as you wish, but with each, send the "Money-back Guarantee" seal (or facsimile) from a Vegetole carton.
- There will be 142 prizes in this contest: 1st prize—\$1000.00 U.S. War Bond; 2nd prize—\$500.00 U.S. War Bond; and 140 prizes—each a \$25.00 U.S. War Bond.
- Entries will be judged for uniqueness, suitability and aptness. Decisions of the judges will be final. Duplicate prizes in case of ties. No entries returned. Entries, contents and ideas therein become property of Armour and Company.
- Any resident of the continental United States may compete, except employees of Armour and Company, its subsidiaries, advertising agency and their families. Contest subject to federal, state and local regulations.
- All prize winners will be notified by mail approximately 2 weeks after this contest closes. Complete list of all winners will be sent on request after August 1.

Since Star Lard and shortening in tin Are gone till the Axis gives in—Vegetole I'll be buying, For all baking and frying.

Ben Mansker C. Z. Fine

FOR PUBLIC WEIGHER, Precinct No. 2: A. A. Gartman, (Re-election 2nd term)

appear before the Honorable 99th District Court of Lubbock County at the Court House thereof, in Lubbock, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 20th day of July A. D. 1942, then and there to answer Plaintiff's Petition filed in said Court, on the 2nd day of June A. D. 1942, in this cause numbered 10177 on the docket of said court and styled Johnnie M. Courtwright Plaintiff, vs. S. G. Courtwright Defendant.

A brief statement of the nature of this suit is as follows to wit: Plaintiff is a resident of Lubbock County, Texas, where she has resided regularly and continuously for more than twelve months, defendant's residence and place of abode is unknown to plaintiff. On August 17, 1938, plaintiff and defendant were lawfully married at

Belen, New Mexico, and continued to live together as husband and wife until October 22, 1938, at which time they separated and have not since resumed their marital relationship. Shortly after they were married defendant began a course of harsh, unkind treatment cursing and abusing plaintiff, rendering their living together impossible and such conduct continued from the date of their marriage until their final separation. No children were born unto said marriage and no community property was accumulated as a result thereof. Plaintiff prays for a divorce and for such other legal and equitable relief as she may show herself entitled to as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and Seal of said Court, at office in Lubbock, Texas this the 3rd day of June A. D. 1942.

Attest:

Royal Ferguson, Clerk, 99th Dist. Court, Lubbock County, Texas. (Seal) By Elmo Payne Deputy. 4tc46

WAR MOVES—

(Continued from page 1)

and China.

The President announced the U. S. and Britain have established combined production and resources board to bring together "the production programs of the United States and the United Kingdom into a single integrated program, adjusted to the strategic requirements of the war . . . and to all relevant production factors." Mr. Roosevelt also announced this country and Britain have established a combined food board to investigate and formulate plans on any question, common to both countries, "relating to the supply, production, transportation, disposal, allocation or distribution, in or to any part of the world, of foods, agricultural materials from which foods are derived, and equipment and no-food materials ancillary to the production of such foods."

The Senate completed Congressional action on legislation to raise the base pay of members of the Armed Forces to \$50 a month, retroactive to June 1. The House passed and returned to the Senate a bill authorizing a basic allowance of \$50 a month for dependents of members of the Armed Forces, \$28 to be paid by the Government and \$22 to be withheld from pay. The War Department reported arrangements have been completed for voluntary transfer to U. S. Armed Forces of Americans serving with Canadian armed forces.

The President asked Congress to appropriate \$40 billion for the fiscal 1943 Army Supply Bill, including approximately \$11 billion for the Air Forces, \$10 billion for Ordnance, \$7 billion for Quartermaster and transportation services \$4 billion for Army pay, \$3 billion for the Signal Corps, and \$3 billion for the Corps of Engineers. The Senate passed and returned to the House an appropriation bill providing \$650 million in cash and \$2 billion in contract authorizations for the Navy Department. The House passed and returned to the Senate a bill authorizing the Navy to acquire a total of 200 lighter-than-air craft, an increase from 72 specified in the Senate legislation.

The War Department announced that previous flying expenses has been eliminated as a necessary qualification for glider pilot candidates. Applicants must be between 18 and 36. Those without prior flying experience will receive five weeks instruction in light power-driven airplanes. The Department said applicants for WAAC commissions will not be accepted if they have persons who are dependent on their pay.

The Navy announced the Japanese "have made landings on a small scale at Attu Island, at the extreme tip of the Aleutian Archipelago and . . . Japanese ships have been reported in the Harbor of Kiska in the Rat Group." Continual Army and Navy aircraft attacks have forced the enemy to retire from the populated regions of the islands, the Navy said. These U. S. attacks are continuing, despite unfavorable weather condi-

tions. The War Department announced arrival of additional units of the U. S. Army, including Negro troops, in the British Isles. Results of the Coral Sea battle showed U. S. Naval Task Forces and land-based bombers sank one enemy aircraft carrier, three heavy cruisers, one light cruiser, two destroyers, several transports and small vessels; severely damaged and probably sank a cruiser and a destroyer; seriously damaged 20 additional vessels and shot down more than 100 enemy planes. U. S. losses were the aircraft carrier Lexington, the destroyer Sims and the tanker Neosho. In the battle of Midway Island two of the largest enemy aircraft carriers were sunk, two other medium-sized carriers were sunk and at least 250 Japanese

planes were destroyed, the Navy said.

Ayers-Davis Engagement Is Announced At Afternoon Tea

The engagement and approaching marriage of Miss Patsy Ayers, daughter of Mr. and Mrs. Ray Ayers, to Robert Hall Davis, son of Mrs. Kate Davis of Post, was announced Tuesday evening at a tea given by Mrs. Ayers from 5 until 7 o'clock at her home. The wedding will take place at 8:30 p. m., June 28, at the home of the bride.

Mrs. Opal Hightower, from Austin, greeted the guests as they arrived. The receiving line was composed of Mrs. Ray Ayers, mother of the bride-elect; Patsy Ayers, bride-elect; Mrs. Kate Davis, mother of the groom; and Mrs. Ida Mae Hefflinger from Plainview, Mrs. Ayers' sister.

The table, laid with a white Madeira cutwork linen cloth, was centered with a heart-shaped outline of blue cornflowers and pink carnations on a round reflector. "Pat and Bob, June 28" was written in blue letters in the center of the flower arrangement. The house was decorated with bouquets of pink gladioli.

Miss Ayers wore a white starched marquette formal dress and a corsage of pink gladioli. Mrs. Ayers' gown was of pale blue lace and she wore a corsage of white gladioli. Mrs. Kate Davis wore a blue crepe dress and Mrs. Ida Mae Hefflinger an aqua crepe. Both had corsages of pink carnations.

Virginia Hall and Catherine Mullins from Lubbock presided at the refreshment table. Assisting in the dining room were Misses Freeline Shoemaker, from Abilene, Martha Frank Plants from Seymour, and Mesdames L. J. Sallis from Lubbock, E. S. Hall from Lubbock and Royce Pember from Slaton. Mrs. Allen Ferrell played piano selections during the tea.

The announcement was made on tiny scrolls having miniature bellies tied to them with pink ribbons. Celia and Marcia Pember presented these to the guests.

Vera Nell Davis, sister of the groom-elect, presided at the bride's book. Wynell McClure, from Spur, ushered the guests out after they signed the bride's book. Approximately one-hundred guests were registered.

M.E. SOCIETY TO HAVE GROUP MEETING MONDAY

The three circles of the Women's Society of Christian Service will meet together in the regular monthly business meeting in the parsonage at 4 o'clock Monday afternoon. This meeting will close the second quarter of year and officers are requested to have their reports ready.

Twenty-one members attended the circle meetings last Monday in the homes of Mrs. M. G. Martin, Mrs. Guest and Mrs. R. H. Todd.

DON'T LET CONSTIPATION SLOW YOU UP

When bowels are sluggish — when you feel irritable, headachy and everything you do is an effort — do as millions of folks do. Chew FEEN-A-MINT, the modern chewing gum laxative. FEEN-A-MINT looks and tastes like your favorite gum — you'll like its fresh mint flavor. Simply chew FEEN-A-MINT at bedtime — sleep without being disturbed — next morning gentle, effective relief. You'll feel like a million, full of your old pep again. A generous family supply of FEEN-A-MINT costs only 10¢.

Quilt Club Meets With Mrs. Scott

The Jolly Quilting Club met in the home of Mrs. J. W. Scott with Mrs. W. T. Shelton as co-hostess.

Members attending were: Mesdames P. M. Wheatley, W. P. Shelton, E. E. Wilson, H. H. Edmondson, Ben Mansker, W. P. Florence, and J. W. Scott. Visitors were: Mesdames C. V. Jarman and Jim Ewing. The group quilted two quilts.

Mrs. Ema Wallace will be hostess to the club at the next meeting.

BIBLE STUDY

The Forrest Bible Study will meet Tuesday 3:30 p. m. at the Methodist Church.

Lesson: Studies in the Book of Genesis, The Life of Joseph. Chapters 46-50.

1. How did Pharaoh treat the descendants of Abraham? 45:17-20, 47:5-8.
2. What were the names of Joseph's sons? Which received the chief blessing? Ch. 48.
3. Who besides his sons attended Jacob's funeral? 50:1-10.
4. How old was Joseph when he died? 50:22.
5. What promise did Joseph exact from his brethren? 50:24-26.
6. Which Character do you admire most, Abraham, Jacob or Joseph? Why?
7. Which of the three best illustrates God's power to transform character?

Mrs. L. R. Tibbs

Mrs. H. H. White and sons, Larry and Stanley, have moved to Slaton to join Mr. White who is employed by the railroad. They will occupy the J. C. Jenkins home.

John B. Shelton Gets Promotion

S/Sgt. John B. Shelton, 15, son of Mr. and Mrs. L. A. Shelton of 156 S. Eighth St., has been promoted to technical sergeant at Davis-Monthan Field, Tuscon, Arizona, where he is stationed.

T/Sgt. Shelton, who enlisted in the Army Air Corps January 2, 1941, has made a record of fast promotions since his entry into the army. On February 1, 1942, he was promoted to corporal; March 1, he received his sergeantcy; March 23, he was made staff sergeant.

Join in the rubber campaign! There are at least a dozen good pieces of rubber scrap you can probably find right in your kitchen. For instance — an apron, gloves, dish scraper, sink plug, faucet spray, preserve jar rings, soap dish, drain plug, drain mat, dish drainer, window wedge and an ice cube tray.

Scene from "The Spoilers" starring John Wayne and Marlene Dietrich coming soon to the Palace

The Movie Reporter

That Peck's bad boy of Holly-wood and the airwaves—Henry Aldrich—is on his way to the screen of the Palace Theatre, due to arrive there Friday and Saturday, June 19 and 20 with a load of troubles and laughs. Jimmy Lydon, Paramounts screen Henry, plays the role again. He's accompanied, as usual, by friend Dizzy, in the person of Charles Smith, together with whom he manages to raise more sand than ever. The picture is Paramounts "Henry and Dizzy," and from all accounts it is the best of the Aldrich Family films to date. The perpetually distressed parents of Henry in this case are John Litel and Olive Blakeney. Phillis, Henry's girl, is again played by petite Mary Anderson. Don't miss "Henry and Dizzy" at the

Palace Friday and Saturday.

Alfred Hitchcock, long recog- nized as the master builder of screen suspense, adds another im- pressive hit to his already exten- sive list of box-office winners with the release of Universal's "Saboteur" which will open Prevue Sat- urday night and Sunday and Mon-

day, June 21, 22 at the Palace Theatre. Co-starring Priscilla Lane

2 way help

POPULAR
FOR 61 YEARS!

and Robert Cummings, who turn in the finest performances of their separate careers. "Saboteur" will probably go down in Hollywood annals not only as an outstanding picture, but for the vital part it will play in Uncle Sam's defense efforts. Both Miss Lane and Cum- mings, thoroughly established as stars in the light comedy field, as- sume new and greater importance in the cinematic realm as a result of their work in this offering, in which they give deft characteriza- tions. Other outstanding portray- als are those of Otto Kruger, as the multi-millionaire head of the saboteurs; Alma Kruger as the society leader who becomes in- volved with the gang; Dorothy Pe- tersen, as the mother of the dead airplane worker and Norman Loyd, Broadway stage character actor as the vicious killer of the saboteur. "Saboteur" should be a "must see" for every American.

Romantic drama played against the vast sweep of our own vast country with the thrills and power that went into its development is headed this way in Paramount's triple-starring film, "The Great Man's Lady," with Barbara Stan- wyck, Joel McCrea, and Brian Don- levy. Due to arrive at the Palace Theatre Tuesday, Wednesday and Thursday, June 23, 24 and 25. "The Great Man's Lady" is said to com- bine the excitement of the highly successful "Union Pacific" and the romantic fireworks of "Ball of Fire." Advance reports have it that the picture has more than its share of thrilling moments, and that the three stars top every-

thing they have done before—in- dividually and collectively. That ought to make "The Great Man's Lady" one of the outstanding films of the year.

COAL & GRAIN

AIM TO GET
THE BEST
OUT OF YOUR
COOKING

Follow These Rules:

Roast meat at low temperature in your Gas oven and reduce shrinkage.
Remember that the flexible Gas flame can be regulated to any degree of heat you need, eliminating scorching and overcooking of food.
Use any remaining vegetable liquids in soups, gravies, sauces, or cold in tomato juice.
Plan one casserole dish a week to use left-overs.
Cook vegetables by the "waterless" method for which your Gas range is especially suited. The flexible Gas flame will give you the exact degree of heat you need.
Bring vegetables to boiling point quickly over full Gas flame, then turn flame low and cook gently.
Keep utensils covered and do not use soda in vegetables. Do not pre-heat your Gas oven or broiler too long. Re- member, Gas is fast.
Plan complete oven and broiler meals, to make full use of Gas.
Avoid using small pans on large or giant top burners.

OPPORTUNITIES OPEN FOR GLIDER PILOTS

LubbockThe golden door of opportunity has been swung wide open to far-sighted private pilots willing to pioneer a new field vitally important to American defense at present and one that bears much promise of becoming a great new post-war industry with a far-reaching effect on the world.

Immediate ratings of staff sergeant with flight pay are given all recruits. After only six weeks of intensive training graduate pilots displaying outstanding qualities of leadership, judgement, force, and discipline may be commissioned second lieutenants in the army.

To be eligible for training applicants must be citizens, between the ages of 18 and 35, hold a current CAA certificate of private grade or higher, or hold such a certificate which has lapsed since the first of January, or have completed at least 200 hours of glider flights. Former aviation cadets with as much as fifty hours flying time and graduates of CAA elementary pilot training courses are also eligible.

Many civilian pilots and private pilots now enlisted in the regular army who have not, heretofore, been able to qualify as combat pilots because of age or physical condition will now be able to participate in the military aviation program. The vision of glider pilots may be 20-40 if correctible to 20-20. Pilots who were unable to pass the screening test for regular pilots may also be eligible for glider training. Applicants who have all other qualifications will be accepted if they score 65 or more on the No. 10-B Cadet qualifying examination or 75 or more on the No. 10-A examination. These are mental aptitude tests. No. 10-B being in current use.

Sometime before June 20, find time to go up to the attic and bring down that tricycle or scooter Johnny has outgrown. The rubber tires, said to the rubber salvage campaign, will help to "keep 'em rolling" in the scrap with the Jap.

SLATON MERCHANTS TO KEEP SUGAR RATIONING OFFICE OPEN HERE

Ever mindful of the fact that service oftentimes goes far from the front door of his store, every grocery merchant in Slaton pooled funds this week to maintain a sugar rationing office in Slaton.

This office will be maintained in the office of the Chamber of Commerce with a lady at the desk from 8:30 a. m. till 5:30 p. m. each day excepting Saturday, when the office will close at 3 p. m.

This service is designed to save you many gallons of gasoline and many quarts of oil and rubber. The following grocery stores offer you this sugar office:

- Chick's Grocery, Savell Grocery, Bender's Grocery, Uncle Dave's Grocery, Slaton Food Center, Berkley and Haddock, Pakce Grocery, Figgly Wigley Grocery, Alford's Grocery, Ely's Grocery & Market, Buis Bros., Texas Grocery, C. E. Mager's Grocery, Collins Grocery, Ray O'Connor, Dawson Grocery, Jackson's Grocery, (colored), Holt Grocery & Station, Model Grocery, H. G.'s Grocery, Williams Grocery.

You want your old galoshes to be among the 1000 pairs that are going to provide the scrap for a bombing plane, don't you? Then ransack the hall closet for old rubbers and galoshes for the rubber salvage campaign.

Refrigerators Controlled

Distributors and manufacturers may sell, ship or deliver domestic mechanical refrigerators only to fill contracts for the armed services, the Panama Canal or upon a certificate of transfer issued by the WPB's Director of Industry Operations, in accordance with a new WPB order, effective June 15. Expression of new refrigerators for default in payments also is permitted but the same rules apply for resale of such machines.

The Santa Fe System carloadings for the week ending June 13, 1942, were 23,027 compared with 22,107 for the same week in 1941. Received from connections were 10,633 compared with 7,015 for the same week in 1941. The total cars moved were 33,660 compared with 29,122 for the same week in 1941. The Santa Fe handled a total of 32,590 cars during the preceding week of this year.

MANY POSITIONS OPEN FOR DEFENSE WORKERS

In order to fill the great demand for skilled labor in war factories all over the nation the representatives of a number of training

schools in California are touring this part of the country to give first hand information on the courses open to women and men who are interested in helping the war effort and in securing lucrative positions.

This information will be given in full to anyone calling at rooms 305 and 306 at the Hilton Hotel at any time from June 19 to 22nd.

SOIL CONSERVATION IMPORTANT NOW

College Station, June 18 Soil Conservation always has been a sound farm policy; but this year it's a war necessity.

Failure of Texas farmers to carry out conservation practices this year not only would result in loss of thousands of dollars in AAA soil-auditing payments but would seriously affect production under next year's Food for Freedom program.

In making these statements, George Slaughter, Chairman, Texas AAA committee, urged each farmer to carry out practices essential to

continuous production. Construction of terraces and dams, seeding summer legumes and other cover crops are some of the practical conservation practices which should be carried out during June in some of the states.

"Every farmer knows that the best way to increase production per farm is to increase production per acre and the only way to increase production per acre is to farm the conservation way," the chairman said.
