STOCK SHOW TO BE MARCH 16 AT ATHLETIC FIELD

FFA and 4H Club L. W. Bell For Members To Show Representative Best Animals

The Lubbock County Stock show, scheduled to be held in Slaton March 16, will not be staged in the same location that it has for the past four years but will be held on the Athletic Field north of the Slaton Club House Park instead of on the east side of the Square.

A. C. Strickland, who has directed the show each year, reports that approximately \$600 in cash prizes will be awarded to those who win top places. The show will start at 1:30 p. m. and only members of the FFA and 4-H Club members will be allowed to enter their animals.

The show is being sponsored by the Slaton Chamber of Commerce, the City of Slaton and the business men of the town.

Some of the finest stock in West Texas will be on display at the show in classification of fat steers, dairy heifers, fat hogs, heavy and light gilts, sows with pigs, fat lambs and breeding ewes.

One of the most amusing parts of the program will be held last, when a calf scramble will be staged. A number of calves will be turned loose in a large pen and the boys will scramble with each other and with the calves for possession of the animals.

There will be no charge for attending the show and the more attendance that the show attracts the more encouragement it will be for the boys and to those who are sponsoring the show.

Local Student Receives Honors

Mr. and Mrs. Henry Eidson received a letter from the San Marcos Academy this week complimenting them and their daughter, Kathleen Eidson, upon the high record she has made.

Miss Eidson, who is attending the Academy, was one of the 28 to make an average of 90 in all of their academic work, and as the standards of the Academy are very high this is an unusual accomplishment.

"STRICTLY FORMAL" IS EXPECTED TO BE GOOD

Now that the Speech Class of the Slaton High School knows all about grease paint, beard and wrinkles, they are almost ready for the Speech Class play, "Strictly Formal," that will be held the last part of April.

The class devoted two hours last Tuesday night to the study of the above mentioned subjects and have the problems well under control and will demonstrate some new wrinkles in the forthcoming play.

Music Featured In "Radio Stars On Parade"

Top-notch personalities of radio add to the mirth and madness of RKO Radio's glittering new comedy with music, "Radio Stars on Parade," starring Wally Brown, Dan Carney and Frances Langford, showing today and Saturday at the Palace Theater.

Skinny Ennis and his band provide the music; Ralph Edwards and his "Truth or Consequences" troupe put on one of their funniest stunt shows with the added assistance of Brown and Carney; Jack Benny's favorite announcer, the rotund Don Wilson, plays himself; Tony Romano and his guitar accompanies Miss Langford in "Don't Believe Everything You Dream"; The Town Criers give out with "My Grandfather's Clock," and the Cappy Bara Boys, with their harmonicas, render "Come Out, Come Out, Wherever You Are."

L. W. BELL

In announcing my candidacy, I do so with full knowledge of the responsibilities connected with the office, if I am to carry out the wishes and desires of the people of the district. I promise that, if elected to that office, to give my time and effort to the end that the people of West Texas and particularly this district shall have a determined voice in the Texas state legislature, that their problems will be made known and that various abuses this district has suffered in the past will be corrected.

To correct these abuses, I shall first carry on a vigorous campaign to bring about the redistricting of the state for legislative purposes, so that we of West Texas might have more equal representation in the legislature and claim our rights and privileges guaranteed by the state constitution.

I shall press constantly for more aid and appropriations for Texas Tech which we so rightfully deserve but have been denied, and shall fight with every ounce of my strength any effort that may be made to satisfy us with anything short of our just portion of college aid and state support.

I strongly favor more adequate appropriations and aid for the State Department of Public Health, raising the health standards of the state equal to those of any other place in the world.

I shall make a determined fight that none of our old age pensioners receive less than \$30 per month.

To safeguard and protect the youth of our land and do much to do away with the term "juvenile delinquency," I favor a schooling program equal to that of any other in our modern schools under the supervision of our most able instructors and social workers—not more sheriffs, more marshals or more judges, but more instruction, more guidance and more faith.

I favor more aid and support for our eleemosynary institutions so as to increase their efficiency.

I was born in Foard County, Texas, and have lived in Lubbock County since 1927. I was reared on the farms and ranches of West Texas, and my association with the people of West Texas has given me a great knowledge of them and their problems. For the last eight years I have been a peace officer in the city of Lubbock. I was granted a leave of absence from the police department to enter the armed service of my country. I resumed my duties with the police after my discharge, but resigned Feb. 1 to make this campaign.

I am married, and the father of two children, and no man has more at stake or more interest in the government of this state than L. W. Bell. I'm willing to base my candidacy for this office on the foregoing statements and a sincere promise that, if elected, my chief aim and desire will be the promotion of sound and constructive government so that my children and yours can truthfully say when they take over the reins of this state government that they

RETAIL MERCHANTS TO HAVE BANQUET AND ELECT OFFICERS

The annual banquet and election of officers for the Slaton Retail Merchants Association will be held at the Slaton Club House next Tuesday, March 5, beginning at 7:30 p. m.

According to Mrs. Lee Green, the manager of the Retail Merchants, the ladies of the First Christian Church will serve the banquet, Judge George W. Dupree, of Lubbock is scheduled to make an address and Mrs. Green will give a report on the accomplishments of the past year and ballots will be taken for four directors to take the place of the four whose term of office expires this month.

The present board of directors are M. W. Abernathy, O. Z. Ball, E. B. Castleberry, Ed Haddock, Nat B. Heaton, J. D. Holt, Fred H. Schmidt, W. R. Sewell and J. S. Teague. The last four of these will retire this month and the four to take their places will be

Paving Program About Completed

L. W. Fanning, contractor, who has been doing the paving of a number of streets over Slaton reports that unless a number of the difficulties that have arisen on several paving projects are cleared up in the near future that he will finish what work he has now under contract and will move his equipment to some other locality.

The property owners on a number of streets have signified their desire to have streets paved, but it is necessary for all property owners to agree to pay for the work on any street before it can be undertaken under the present way of having the work done. Mr. Fanning expects to clean up what he has under construction at an early date.

SLATON SCOUT LEADERS PLAN FOR THE FUTURE

Approximately 25 representatives from Slaton were present at the Boy Scout District meeting held in Lubbock last Tuesday night at which time Frank B. Malone was reelected as president of the council for the 13th consecutive time.

L. B. Hagerman of Slaton was chosen as a member of the council at large. The many problems of the postwar conditions and their effect on the future of the youths of today were discussed along with the great increase in juvenile delinquency and the important work that the Boy Scouts will be called upon to do. The Slaton Scout program for the past year has been active and the program for the coming year is even better and those in charge of the Slaton Scout work hope to increase both the membership and the activity locally and to work with the national and district in close harmony.

Tickets to the banquet and meetings are on sale at the Retail Merchants office at the City Hall and by the directors. Any citizen of Slaton or this area will be welcome.

Mothers Club To Present Play

The Mothers' Club of the East Ward seem to feel that the amusement addicts of this area have recovered sufficiently from the effects of an all-man cast of characters in the play recently perpetrated and sponsored by the Auxiliary of the American Legion and the Mothers Club will offer an all woman characterization in a play, "Sweet Sally Brown," to be presented at the Slaton High School on March 8, at the Slaton High School auditorium.

The women have been working for weeks on the play and expect to make the men's feeble attempt in this line of work look like what it really was, a farce.

All of the revenue above actual expenses will be used to secure playground equipment for the children of the East Ward.

City Election To Be April 2

Notice of an election for two City Commissioners is being published in this week's Slatonite, the date for the balloting to be April 2.

To date the two men whose terms of office expire have not expressed their intentions as to whether they will be candidates for reelection or not. The two wards for which commissioners are to be chosen are the 2nd and fourth and the present commissioners are O. O. Crow and Tom Turner.

The procedure for becoming a candidate is by petition of 25 names or more for each candidate signed by voters from the ward for which a commissioner is to be selected.

NOTICE OF MEETING

Next meeting of the Wesleyan Service Guild will be held Thursday, March 7 at 7:30 p. m. in the basement of the First Methodist Church with Mrs. Jesse Prosser as hostess. All members are asked to attend.

Karakul Sheep Farm Started Fifteen Miles South of Slaton

Something new in the way an industry for the South Plains is being inaugurated just 15 miles south of Slaton. It is the first attempt in this area to raise Karakul sheep, an industry that has proven highly profitable in parts of California and in other Western states.

Last week Mrs. Leora S. Tef-teller installed over 100 registered Karakuls on the land near Southland that she has chosen for the purpose and she expects to raise these sturdy but rare animals for breeding purposes and for their valuable hides.

A report on the Karakul sheep says:

Karakul sheep are indigenous to desert countries. They can endure any climate or elevation. A well drained country is best for their development. They can cover tremendous distances and will even thrive on Russian thistles. No domestic animal can compare with the Karakul as a destroyer of underbrush and obnoxious weeds. They run in close herds on the range, and rarely wear their teeth down, even on dry short grass range. They mature about one-third earlier than other breeds. We find many Karakuls at the age of 16 years with a full mouth and at the height of production.

Karakul sheep are fed and cared for the same as other sheep. In producing two crops of lambs each year, the lambs should be weaned when not older than three months and the ewes should have good feed before the second crop is expected. Lambs should be put on grain feed if weaned before grass starts. If the lambs are taken away from the mother the first day, the ewe being on good feed, an increase in weight will usually cause her to breed again within 14 to 21 days.

The cost of feed is not much and if well fed they more than pay the extra cost in larger lambs and more wool of higher quality. All sheep like a variety of clean feed, fed in clean feed racks. Always see that your flock has access to salt and a supply of clean cool water. While they can go a long time without either, they do best when these are supplied regularly.

BOX SUPPER ATTRACTS MODEST CROWD

The attendance at the box supper sponsored by the Lions Club and High School Senior class at High School auditorium Thursday, Feb. 21 was smaller than hoped for but those present were very generous with their money and a neat return was realized for the number of boxes that were sold.

Mr. Mays of Lubbock was the auctioneer and whatever success was due to his ability as an auctioneer. Mr. Mays donated his services and to him a great debt of gratitude is owed.

An ugly lion contest was staged with seven of the ugliest fellows ever entered in one race. This contest was won in a walk by Lion President C. E. Willis, who immediately made a charge of frame-up.

The boxes were very attractive and the food good. The proceeds from this activity will be used to install lights and finish up tennis courts and croquet courts on Club House grounds. President Willis said that the support of those present was very much appreciated and the Lions Club will stage other activities in the future and to support community betterment.

THE WEATHER

G. H. Orr, local weather recorder, reports that 3/4 inch of snow fell on Feb. 9; the coldest days were Feb. 6 and 14 when 22 degrees was registered; the warmest days were 22nd and 25th. On the 22nd 80 degrees was recorded and on the 25th 86.

ularly. Both are cheap and their presence or absence often makes the difference between profit and loss.

Mrs. Tef-teller expects to show some of her animals at the Lubbock County Live Stock Show here in Slaton this month.

Maurice Middleton, Y1/C, stationed at Houston, is home on a 15-day furlough visiting his parents, Mr. and Mrs. G. B. Middleton.

Sam H. Edwards, motor machinist's mate, has received his discharge from the navy and has returned to his home, Route 1, Slaton.

Jimmie Henry, E. M. 3/C, who has been home on leave has returned to San Francisco, Calif., for reassignment in the navy. Jimmie hopes to receive his discharge soon.

Kenneth Tudor has received his discharge from the army and has returned home. He says he will rest up a while and then decide on what to do next. Kenneth says he is glad to be back home.

William B. Becker, RM2/C, son of Mr. and Mrs. A. J. Becker of southland, received his discharge Feb. 20. He is visiting his fiancée in Portland, Ore., before returning home.

Robert G. Edmondson, S1/C, son of Mr. and Mrs. H. H. Edmondson, is home from the Pacific on a 30-day furlough. He served two years in the Pacific.

Pfc. J. T. Taylor writes his mother from Camp Shanks, N. Y. He has just returned from La Havre, France, where he went as guard. There were 1480 German P.W.s and 50 guards. He said there was snow on the ground and it was plenty cold but he was sure glad to get back in the good old U. S. A.

Seaman 1/C Robert T. Taylor, whose home is at 350 South 8th St., and James L. Scott, Seaman 2/C, of 220 South 7th St., have received their discharges from the navy.

Jack Turner, who was a prisoner of the Japs, has received a Purple Heart medal. He was wounded while in action on Java.

Sgt. Harold M. Morrison, who is still stationed in Tokyo, Japan, writes that they have had a very large snow and each company had a big snow fight and they all had lots of fun. His wife received the rifle last week that he sent her. He also has other packages on the way home. Harold was recently made a sergeant.

S/Sgt. Leroy F. Buxkemper, son of Mr. and Mrs. A. J. Buxkemper, of Slaton, is stationed on Honshu Island, Japan. Sergeant Buxkemper will be moved soon. He holds the infantry combat badge and is still assigned to the famous 32nd Infantry Division, which he served with in the Luzon, P. I. campaign.

Henry Robert Lloyd, who has served in the navy for the past 18 months, has received his discharge. He has been awarded one star and four ribbons and medals. He graduated from the Slaton High School and was employed as a brakeman on the Santa Fe Railroad before entering the navy.

In Washington

By GEORGE MAHON

This is being written on George Washington's birthday and shortly after the reading in the House of Representatives of Washington's Farewell Address, an annual custom.

I think the Father of our Country would approve the action we took in Congress yesterday in passing overwhelmingly a bill designed to curb the actions of James Caesar Petrillo, head of the Musicians Union. You will remember that this is the man who in recent years has set himself up as the dictator in the field of music.

On one occasion, he refused to permit the broadcasting of a special program at a national cemetery in Virginia, commemorating Memorial Day, because a U. S. Army band furnished the music. He demanded \$2,800 of one of the Washington theaters because some young women who were members of the armed forces were allowed to put on a home-talent play at a program sponsoring the sale of war bonds. He stopped a home-talent program for crippled children on one occasion. These and other unreasonable actions by Mr. Petrillo have brought down the wrath of the people upon his head.

The general public, as well as labor unions whose cause has been unfairly injured by the unwise actions of Petrillo, will, no doubt, be glad to see Caesar's wings clipped.

On yesterday we also had the roll call vote on whether to continue participation in the school lunch program. The vote was 275 for and 101 against. I voted to continue the program.

The program was begun several years ago, the Federal Government sharing in the purchase of the food and seeking to stimulate the wise disposition of surplus farm products. It is felt here that the school children and the people generally approve the program.

My mail on the subject was very light. Six Parent-Teacher Associations and 37 individuals in our district wired or wrote to me, requesting that I vote to continue the school lunch program.

Bill Sims, former army sergeant of Fluvanna, Scurry County, is a frequent visitor in my office. Bill is a Tech graduate and is now attending Georgetown Law School.

Capt. Harold Brennand, Colorado City, has invited Mrs. Mahon and me to attend his wedding, which is to take place in Washington on March 2, Independence Day.

West Point graduate Bill Jones of Lubbock called to say goodbye last week before taking off from the Washington airport for Germany where he will take up his duty as a U. S. vice-consul with the State Department.

Clint Cook of Post, who is now out of the navy, called me on the telephone the other day and reported that he was in Washington and back on his old job with the Department of Agriculture.

Naval Academy graduate Lt. (j.g.) Bob Crawley of Lamesa and his wife, Peggy, came by for a little visit. Bob will be on duty in Washington for a few weeks before returning to the fleet.

Capt. Crawford Bates of Littlefield, recently returned from overseas, came by the House Restaurant for lunch with me a few days ago.

Buckwheat Good For What Ails You

College Station—Buckwheat will soon be noted for something besides griddle cakes, and that something is rutin.

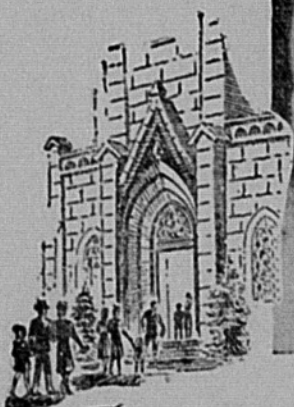

Rutin, a yellow non-toxic powder, has proven effective in the treatment for high blood pressure. It also shows promise of having good nutritional value when used as a glucoside. It is estimated that 1,300,000 pounds of rutin will be needed annually.

Buckwheat leads all known crops with a four per cent rutin content.

The medical research on rutin was conducted by the Pennsylvania University Medical School. The USDA Bureau of Agriculture and Industrial Chemistry ran the tests on rutin content and worked out details of the commercial manufacture of the new drug from buckwheat.

Portrait of a Soul

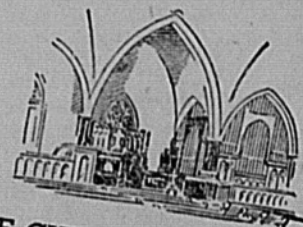

Did you think a soul was invisible? Did you even suspect that it was a theological concept that only ministers could understand?

Well, look into this boy's eyes! Do you see happiness . . . the certainty that life is full of beauty and truth? Do you see hope . . . the assurance that every tomorrow will be better than every today? Do you see courage . . . the fortitude that will look through defeat to victory? Do you see faith . . . the confidence that God hears, and knows, and cares, and helps?

You're looking into a soul! You're seeing the spark of Himself which God has put into every one of us. And you're seeing it still unblemished by the cares and disappointments of life.

You can see a soul through your own child's eyes. But unless you give that soul a chance to grow up with the body and mind that possess it . . . soon you'll no longer see it in your child's eyes . . . and perhaps, someday, you'll no longer see it in his life.

The Church, through careful religious education, develops that spiritual inner-being which we call the soul. Your child deserves the advantage of the Church's instruction. And, in church worship, you will rediscover the beauty and strength of your own soul.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the Church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to Church on Sunday.

OUR TEXAS

By **EUGENE C. BARKER**

Professor of American History The University of Texas (Last of a Series)

Congress approved the Texas constitution on Dec. 29, 1845. From that date Texas was a member of the Union, but the transition to state government was delayed for seven weeks. The newly elected legislature met at Austin on February 16, 1846, and, after organizing, prepared for the ceremony of ending the government of the republic. On Feb. 19, the ceremony took place.

Picturesque details that we would expect in a newspaper today are lacking. An extra of the Austin Democrat issued the next day contents itself with the meager statement that "Preparations were made for this event by decorating the Capitol with flags, etc. Their excellencies, the President and the Governor-elect, made their appearance, attended by a joint committee of both Houses, and escorted by the United States officers of this station. After being introduced, seated, etc., a prayer rich with fervor of the Christian patriot, was made by the Hon. R. E. B. Baylor. He was loudly applauded. The President then arose and delivered his valedictory. He was loudly applauded. The oath of office was administered to the governor by the speaker of the House and the inaugural followed."

President Jnes' speech ended with an eloquent paragraph that is often quoted: "The lone star of

Texas, which ten years since arose amid cloud, over fields of carnage, and obscurely shone for a while, has culminated, and, following an inscrutable destiny, has passed on and become fixed forever in that glorious constellation which all freemen and lovers of freedom in the world must reverence and adore—the American Union. Blending its rays with its sister stars, long may it continue to shine, and may a gracious heaven smile upon this consummation of the wishes of the two republics, now joined together in one. 'May the union be perpetual, and may it be by the means of conferring benefits and blessings upon the people of all the states' is my ardent prayer. The final act in this great drama is now performed. The Republic of Texas is no more."

Fredericksburg, Texas, has the longest name of any town in Texas, 14 letters.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION for Coughs, Chest Colds, Bronchitis

THRICE HONORED!—NBC's Jack Benny, who was elected honorary mayor of Anaheim, Azusa and Cucamonga, Cal., receives the keys to the cities at a formal ceremony. Shown with Benny and Mary Livingstone are (left to right) Ernie Moeller, secretary of the Anaheim Chamber of Commerce; Cornelius Smith, secretary of the Azusa Chamber of Commerce, and Cliff Chappell, president of the Cucamonga Service Club. Benny was triply triumphant.

POSEY ITEMS
R. L. BOYD

The Texas Tech ministerial student, W. R. Fleming, who preached Sunday morning, took his text from the 6th chapter of Micah, 6-9th verses. His subject was based on Fairness, Kindness and Humility.

A. L. Johnson has been given a pot plant, a red begonia, by the Posey Home Demonstration Club. Mr. Johnson is improving but must remain bedfast for several more days.

April 13 is the date named for the next quarterly meeting for the Methodists of this district. The place will be at the Liberty Church.

H. D. Carroll has recently landed in San Francisco. H. D. has been stationed on the island of Guam.

Mr. and Mrs. R. B. Boyd and daughter Rochelle and R. L. Boyd attended the Friday games of the Girls' District Basketball tournament which was held at Cooper.

The Posey Independent Soft Ball team known as the Wild Cats have been practicing steadily. Some of the most likely candidates are: Jim Sain, Red Slone. George

Hayes, Andrew Loke, Robertson, Vaughn Campbell, Luther Jones, Kyle Hart, W. Wilkie and Earl Johnson.

Mr. and Mrs. J. M. Shafer left Tuesday on a fishing trip on the Devil's River. From there Mr. and Mrs. Shafer plan to go to Old Mexico and travel in their car to various places of scenic and historical interest.

The spring-like weather of the past several days has caused the farmers to start thinking about the coming crop, which is needed and promises good prices.

Mr. and Mrs. John T. Fullingim of Petersburg visited in the Posey community Friday evening.

R. B. Boyd and wife and daughter of Burris were Sunday School visitors and attended church Sunday morning.

Mr. and Mrs. Willie J. Shafer are now living on the farm vacated by George Klattenhoff who has moved across the canyon. Mr. Shafer, an ex-service man, and his wife have been employed in Slatno.

Concrete has been poured and the floor is about done for the new and larger building which is being built by Raymond Gentry. The structure will replace a building razed by fire on Feb. 12.

Hundred Years Old

MEERS, OKLA.— Bishop W. Angie Smith of Oklahoma City traveled roads made treacherous by winter snow and mud to fulfill the request of Hunting Horse, famous Kiowa Indian, to preach a sermon at his 100th birthday celebration.

Thought to be the last Custer Scout, Army personnel from Fort Sill in recent years have honored this medal-wearer with an annual buffalo barbecue and mammoth birthday cake.

Sixty years ago Hunting Horse set out to scalp a missionary for preaching the white man's God to the Indians. He returned a convert to Christianity. Now his chief pride is in two sons and a son-in-law, all Methodist ministers.

Mrs. Beattie Allen has sent a note of thanks to the Sunday School for a gift which she received when she was in a Lubbock Hospital.

Pvt. Calvin Willis who has been stationed at Camp Roberts, California, is now home on furlough. He will report back to a Massachusetts camp.

Mr. and Mrs. Kyle Hart were fortunate to escape injury in a recent road accident but their car was considerably damaged.

O. E. Patterson visited in Muleshoe Saturday.

Mr. and Mrs. M. P. Gentry visited Mr. and Mrs. A. L. Johnson Sunday afternoon.

Miss Marlee Jones and Leo Bell, an ex-service man, were married Thursday in Hollis, Okla.

H. Fabian Stahl, Hattie Kelly of Amarillo, Mrs. Roland Schuette and Joe Moelner left Saturday to visit an uncle in Cook County who has been in ill health.

Mr. and Mrs. Melvin Johnson left Sunday afternoon for a base in Louisiana where Mr. Johnson will obtain his release from naval service.

Miss Elizabeth Gutersch is a squad member of the Cooper Girls' basketball team which won the district championship Saturday night.

UNION NEWS

MRS. M. D. GAMBLE

Several enjoyed the singing in the home of Mr. and Mrs. F. B. Pair one night last week.

Mrs. Gene Evans answered the door Wednesday afternoon and to a very pleasant surprise there stood Mrs. Wilson Dial, her little daughter and nephew. They had a very enjoyable afternoon together.

Visiting Mrs. Christine Allen last Wednesday was Mrs. Jess Dozier and Mrs. Dell Jordan of Meadow.

Mr. and Mrs. August Kitten, two sons and Arvel Kitten are visiting in Fall County this week and attended the wedding of one of Mrs. Kitten's cousins.

Mr. and Mrs. H. F. Doyle had visiting them for dinner Sunday her sister and husband, Mr. and Mrs. Martin from Brownfield, who brought the news of their aunt's death. They all attended the funeral at Lubbock Sunday afternoon.

Mr. and Mrs. Orbin Houchin, Mr. and Mrs. Joe Gamble, Mr. and Mrs. Charlie Meyers met in the home of Mr. and Mrs. Howard White last Thursday night and enjoyed an ice cream supper.

Mr. and Mrs. L. L. Greene and family spent the day Sunday in Clovis visiting with her mother and family, Mr. and Mrs. Ward.

Mr. and Mrs. Melvin Cade returned home Sunday night from San Angelo. Mrs. Cade went to have her eyes treated and they visited with Mr. Cade's sister, Mrs. Ammie Russel while there.

The girls won in the district basketball championship last week at the high school gym at Cooper and will enter the state tournament at Hillsboro March 6, 7, 8 and 9.

Mr. and Mrs. Joe Gamble and daughter are visiting her parents and brother, B. E. and I. B. Stephenson near Dallas this week.

Mr. and Mrs. Jean Evans and girls spent Sunday afternoon with the Earl Johnson family of Smyer.

Mr. and Mrs. Gene Crooks and family were also there.

Mr. Johnson almost has his new home finished. The Evans report it's really nice.

Visiting in Mrs. Christine Allen's home Sunday were Mr. and Mrs. J. A. Lynn of Lubbock, Mr. and Mrs. R. D. Presley and children of Abernathy.

Miss Lovetta Sooter is visiting in the home of her sister, Mrs. F. H. Griffin.

Mrs. Floyd Roberts spent Sunday in Clovis, New Mexico, with her sister, Mrs. C. W. Hampton and family.

Lenard Partels of Hermleigh was a guest of Clarence Kitten Saturday night.

There was no Sunday school at the Methodist Church Sunday. The preacher asked that they all meet with Cooper for the Layman's Day program. A nice program was given and H. E. Owen made the address, "Our Timeless Mandate: To Serve, To Seek, To

Save." The program was enjoyed by all.

Visiting Mr. and Mrs. C. L. Griffin Sunday were their daughter, Mr. and Mrs. Marshal Gaddy and daughter of Lubbock.

Mr. and Mrs. F. B. Pair and children spent the day Sunday with his parents, Mr. and Mrs. A. M. Pair near Lorenzo. A brother, Capt. Jerry Pair, was there for a short visit. He has recently reenlisted in service.

Visiting in Mrs. Lula Gamble's home Sunday afternoon was Mr. and Mrs. Alton Edwards, Glenn Hampton and his girl friend.

"YES SIR, YOUR SORGHUMS ARE THE FINEST IN THE WORLD!"

The Panhandle-Plains and Southeastern New Mexico area is made to order for raising sorghums and many an enterprising farmer has found how easy it is to make new income from this much-demanded product. Extensive tests have been made and experts tell us that sorghums grown in this territory can't be beat. Heavy beef is being profitably finished on these fine sorghums. The climate and soil conditions here are ideal for sorghum—and a lot of other agricultural products for that matter.

Yes, the Panhandle-Plains and Pecos Valley area has everything—including plenty of dependable, low cost electricity for irrigation, water pumping, milking and scores of other farm uses.

JUST TALK
 by
A.M.J.

It looks as if Slaton is going to have a number of new business establishments and a lot of shifting around. The old town is showing signs of new life in many different ways and I hope that in the shuffle we will get some lines of services that are not available here now such as a good sign painter, a typewriter repair man and other things of this kind that cannot be supplied at home.

I'm looking for a good hard freeze in about two weeks, one of those dry freezes that will play the devil with the fruit trees, the flowers and set a lot of other things back so that Judge Smith, Charley Austin, J. H. Brewer, Antone Buxkemper, Forney Henry, P. H. Appling, J. T. Pinkston, Al Johnson, Clem Kitten and O. E. Heinrich can blame the weather for not working and for a failure in their vegetable gardens but I'll bet that every one of them will raise as much feed or cotton as any men in the county.

Out at our house we have seven cherry trees that are three years old, one apple tree that is three years old, one apricot that is four years old, and two peach trees that are four years old. To date we have no idea as to what kind of fruit any one of these trees could bear but old optimistic me, I expect a big fruit crop every year and in my dreams I picture the finest fruits on each one of them and I'm probably enjoying them more than I ever will if they bear fruit.

Along this line I used to have an old reprobate of an uncle who used to quote a saying: "He who expects nothing shall not be disappointed." He told me that it was

from the Bible but I am sure he was not familiar enough with the Good Book to know and I am not familiar enough with it to deny it.

An other wise saying he used to propound on every occasion that he could work it in was "To him who hath shall be given, to him who hath not shall be taken away." Where he claimed to have gotten this I have forgotten, but I know it works out that way.

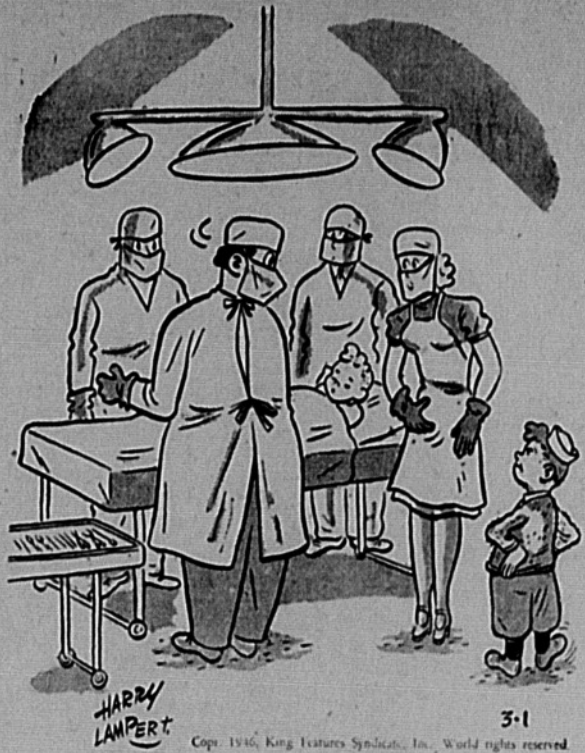

In one of last week's papers an account of a social event was described as a "decent party" which led me to wonder whether most of the parties held in Lubbock were of some other kind. My wife feels sure that it was a typographical error and should have been reported as a "recent" party.

One of the boys who was a prisoner of the Japs is back at his home in Lubbock and is talking of some of his experiences. He said that an air dale dog makes pretty roast but a cat makes sorry eating even to a man who is nearly starved. He said he had a Dutch friend who killed three big wharf rats and was frying them in Neet's Foot oil. We asked him if he was not afraid of getting bubonic plague. The Dutchman replied that bubonic plague cooked in Neet's Foot oil might be good for one.

The Japs put each man through a series of questions and made them work at any kind of trade in which they had been trained. The Lubbock boy said he told them that he was a drummer in a band and they never did find any way to use him.

The weather here the last few days has made me home sick for Amarillo in the spring time when the air is filled with newspapers, hats, two-by-fours, refuse from the back alleys and curses. The only difference is that here the manure predominates over the sand as so many folks have been spreading the stuff over their gardens and lawns. If the rains don't come soon the manure and

garden seed will all be up in the air.

I owe Bill Sewell and the directors of the last year's Chamber of Commerce an apology. Last week we ran a heading "C. of C. Plans To Become Active." This heading worked out just fine to fill the space but its meaning was somewhat terse for in writing it I did not mean to infer that the Chamber of Commerce had been inactive in the past. Mr. Sewell, as president of the directors, and the directors, did a wonderful war time job with keeping a rationing office open here when there was no other non-county seat town anywhere else in the country that had such an office and they ended up the 1945 year by establishing and completing one of the best camps for transient laborers in the state.

Perhaps those gentlemen will forgive me for the heading—for I most certainly did not mean to make a dirty crack, although I must admit that there is a lot of fun in taking shots at the public. However, I reserve the right to throw rocks at the new directors of the Chamber of Commerce and unless they get busy and get things done I'm going to do all I can to make them sorry they ever took the jobs . . . and while I think of it I'm going to make dirty cracks about the city officials, the Rotary Club, the Lions Club and

the water department, but I'm not going to say one word about the gabbing that goes on at the missionary societies or women's bridge clubs. It would be too dangerous. And while I am at it I might as well admit that I think that the folks owe Heywood Basinger a vote of thanks for the fine work he did last year as manager of the C. of C., especially in getting the transient laborers camp completed. Anyone who could get a coal bin completed or a screen door put on the kitchen deserves a gold medal and when one considers all of the difficulties that Heywood must have gone through to get that job done it brings tears of sympathy coursing down their rugged cheeks. No wonder Heywood has gone back to the farm where driving a tractor is an easy day's work. Heywood made a mighty fine C. of C. manager and we would do well if we could keep him on the job.

Although I have gotten to the point where beautiful women have very little effect on my blood pressure I must admit that the Slaton chapter of the FFA selected a very attractive looking young lady and the voting must have been on the level. Anyone who can impart personality and glamour to a newspaper photograph must be overflowing with both of those qualities.

Still Not Satisfied

Salesman: "I've been trying all week to see you; may I have an appointment?"

Big businessman: "Make a date with my secretary."

Salesman: "I did, and we had a grand time, but I still want to see you."—The Rotator, Abilene, Tex.

Same Old Tune

Love making hasn't changed in 2,500 years. Greek girls used to sit and listen to a lyre all evening.—The Cook Book, Fayetteville, W. Va.

Positive Proof

A stranger appeared at the combined general store and post office and inquired if a registered letter addressed to Jake Fry had been received.

"Yup," said the postmaster chewing languidly, "such a letter is here but can you prove your identity?"

The stranger scratched his head, then produced a small photograph of himself. After carefully comparing the picture and the stranger, the postmaster exclaimed, "By heck, that's you, all right. Here's your letter."—Rotary Hub, Hornell, New York.

Sweet Reward

Walking around the barracks, the colonel noticed a long queue of men waiting outside the stables. Each held a lump of sugar.

"I'm glad to see you love animals so much," he remarked to one recruit. "I suppose the horse you're giving the sugar to is the pet of the regiment?"

"Not 'arf, sir," replied the recruit. "He's the one what kicked the sergeant."—South Dakota Highway Magazine.

Some singers should be advertised as vocalamities.

Speed-Up

Two men were flying East in a passenger plane, making the first air trip of their lives. The plane touched down at St. Louis and a little red truck sped out to its side to refuel it. The plane landed again at Cleveland and again a little red truck dashed up to it. The third stop was Albany and the same thing happened. The first of the two men looked at his watch and turned to his companion.

"This plane makes wonderful time."

"Yes," said the other, "and that little red truck ain't doing so bad, either."—Rotary News, St. Charles, Charles, Illinois.

Surprised

It was a dark alley in one of the worst parts of town. Three men were waiting. One of them pulled a slouch hat down over his eyes and said, "D'ya see him?" Another took a quick peek around the corner. "Yes, here he comes!" he hissed. The man with the slouch hat picked up a short thick section of pipe. Another took a heavy wrench and the third grabbed a smaller wrench that was nonetheless effective in close quarters. "All right, fellers, let's go," he whispered. An thus, when the boss got around the corner, he found his three plumbers busy at work.—Rotary Bulletin, Aberdeen, Washington.

There is nothing on earth more useless than an airplane.

New Potato Breed Resists Disease

College Station—Sebago, a new, white-skinned, disease resistant, high yielding Irish potato variety, is the best answer so far found for Irish potato growers' problems of late blight, scab and wind damage, according to the Texas Agricultural Experiment Station.
Pontiac, having the same seed parent as Sebago, an outstanding, new red-skinned potato variety, has also been found to be disease and wind resistant.
The Station has just released Progress Report No. 986, by Dr. B. S. Pickett, horticulturist for the Lower Rio Grande Substation at Weslaco, where an eight-year study on Irish potato varieties has been conducted.

Several potato varieties developed by USDA scientists are listed by Dr. Pickett as showing wide adaptability. These include Sebago and Pontiac, and three additional white-skinned varieties, Katahdin, Chippewa and Mohawk.
The Katahdin variety is somewhat resistant to scab, but Chippewa is subject to this disease to some extent. Both varieties are distinctly resistant to late blight, and both, like Sebago, have vigorous plants with broad, rather thin leaves and somewhat trailing vines, Pickett said.
The report also discusses possibilities of Bliss Triumph, the Valley's most important commercial variety at this time, Warba, Irish Cobbler and White Rose.

It Pays To Have Tires Retreaded

Don't be misled by the propaganda about plenty of tires in the near future. Unless conditions change considerably the tire situation will continue just as it is or get worse. If your tires are getting thin but still have good side walls you will be smart to have the Hooper Tire Company in Lubbock remake your tires into new ones, in other words, into tires that will last as long as new ones by retreading them by Hooper's factory method.

Only the very best materials available go into Hooper retreads and folks who have been traveling for many thousands of miles on Hooper retreads will tell you that they are more than worth the money. Even if new tires were available it would be worth while to get Hooper retreads for they almost double the life of your tires. If you will drop in at the Hooper Tire Company they will inspect your tires and tell you whether they are worth retreading. It takes only a few minutes and it might save you a great deal of time, money and trouble.

THIS WEEK'S LESSON
"Christ Jesus" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, March 3.
The Golden Text is: "Behold, the days come, saith the Lord, that I will raise unto David a righteous Branch, and a King shall reign and prosper, and shall execute judgment, and justice in the earth . . . And this is his name whereby he shall be called, The Lord Our Righteousness" Jeremiah 23: 5, 6, 5, 6).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name" (John 1:12).
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Christ expresses God's spiritual, eternal nature" (page 333).

THE OLD JUDGE SAYS...
OLD JUDGE: "Hank, you're a big grain producer...let me ask you a question or two?"
HANK: "Glad to have you, Judge."
OLD JUDGE: "Do you think the grain used by distillers is wasted as some folks are saying?"
HANK: "I certainly do Not! As a matter of fact, it is just the opposite."
OLD JUDGE: "How do you figure that, Hank?"
HANK: "From my own experience and from reports I've read. For the year endin' last June, the distillers produced over 1,200,000,000 pounds of distillers' dried grains...the best feed supplements we can lay our hands on. They are rich in nutrients. Why...I've never had such fat dairy cows, livestock and poultry as I have since I've been usin' these dried grains."
OLD JUDGE: "How do you use them, Hank?"
HANK: "I blend them in with original grain. This balanced ration has far greater feed value than the original grain itself. I can cut down on my whole grain feeding about 20% and still get better results."

A & M FEED ANALYSIS NOW AVAILABLE

College Station—Buyers of Live-stock and poultry feeds in Texas will be interested in "Commercial Feeding Stuffs," a bulletin by the Texas Agricultural Experiment Station showing analyses of official samples of the product of various feed manufacturers doing business in Texas. This information will be helpful to buyers in determining the quality of feeds offered for sale on the open market.

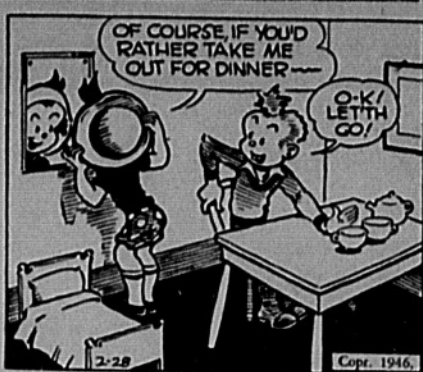

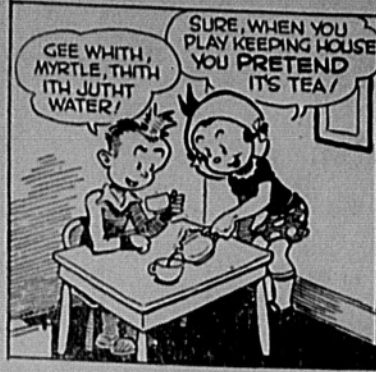

This Station Bulletin No. 673 and copies will be sent free upon request by stockmen and poultry raisers to the Division of Feed Control Service, Texas Agricultural Experiment Station, College Station, Texas.

Being the 40th annual report on the inspection of feeding stuffs sold in Texas under provisions of the Texas Feed Law, the bulletin covers analyses taken during the state's fiscal year ending Aug. 31, 1945. During this time, 3,570 samples were subjected to the regular chemical feed analysis and miscro-

scopical examination by the Division of Chemistry, 3,432 of which were secured by Feed Control Division inspectors. In addition, 37 samples of feed were tested for caratene content. Twenty-nine samples of cottonseed cake were examined for hardness. Determinations of salt totaling 1,123 and 1,114 determinations of carbonate of lime in mixed feeds were also made.

Tables are given showing the average composition, digestible protein and productive energy of many feeding stuffs analyzed. An estimated total of 3,178,266 tons of commercial feeding stuffs were sold in the state during the fiscal year covered by this report.

Chemical standards for special-purpose mixed feeds are shown together with additional information on the requirements of the Texas Feed Law and the composition of feeding stuffs.

Reasons for Growing More COTTON in '46

YOUR COTTON PATCH IS AN "OIL FIELD"

No.

Your Cottonseed supplies essential vegetable oil needed in larger quantities for food products. Your "oil field" will flow on, forever, if you follow a soil-building, balanced farming program with Cotton as the key Cash, Food and Feed crop.

KEEP YOUR "OIL FIELD" FLOWING BY PRODUCING MORE COTTONSEED IN 1946.

FIRST GRADE

We want to thank our Mothers' Club for the new swings and teeter-totters. We are having lots of fun on them.
The following boys and girls

made a perfect grade of 100 for their first six weeks in spelling: Pedro Torres, Carlos Lopez, Wanda Lou Barnes, Erin Moore, Helen Ann Norris, Neutle Nan Watson and Melvin Osburn.

Erin Moore attended a birthday party at the home of his aunt, Mrs. Ray Moore, on Feb. 27.

The Busy Bee class is rather excited over being the first group to complete reading all their primers. They are now reading first readers.

SECOND GRADE

Edward Strickland entered school Wednesday from Ballinger, Texas.

Play Dear Hill entered school Monday from Childress, Texas.

Ewlys Pitty moved to Monahans, Texas.

Billy Earl Caldwell, Carl Margouick and Sally Cooper made an average of one hundred in their spelling for the last six weeks.

These pupils on the honor roll for the last six weeks: Billy Earl Caldwell, Sally Cooper, Carroll Ann Mann, Ova Sue Wilson, Junie Sue Clark, Guy Hubbard, Barbara Nell Kelly and Veleta Pork.

THIRD GRADE

Shirley McCormick's father came home Sunday from Galveston, where he has been in the hospital.

The children who never missed a word in reading the past six weeks were guests of Mrs. Hunter at a theater party Saturday afternoon. They were Roy Lynn Wells, Billy McCarver, Johanna Clevenger, James Hogue, James Wade Osburn and Ann Moor.

FOURTH GRADE

Mr. Robinson has been sick. He is back now. The children of East Ward School sent him flowers.

In geography we are studying about the Amazon Basin.

We took our arithmetic test Friday.

We are about to finish a reader. It is a very good book.

Frankie Elders has missed school but is back with us now.

The pupils of the fourth grade thank the Mothers' Club for our new swings and see-saw.

We have a new girl. Her name is Vergie Strickland from Ballenger, Texas.

FIFTH GRADE

Trava was absent this week because her mother was ill. We have finished our health book and we are taking up science now.

Notice—There will be a patrol at East Ward School starting at Feb. 28.
