NO. 42

SLATON'S GUARD UNIT TO HAVE RIFLE TEAM

Much interest is being shown in Slaton's new Guard unit in the selection of the company Rifle team. It looks now as though Co. C, will have two rifle teams, as the squad of ex-marines seem to have a complete team of their own, and there are some ex-sailors and soldiers that seem to think the Marines are not the only ones that can shoot straight. This was demonstrated recently on the 39th Battalion's rifle range at the Johnson rifle range.

How to be a good marksman is only one of the things that a Guardsman is taught. Close order drill, military discipline, good cit-

izenship, first aid, signaling. The guard is equipped with Walkie-Talkie radios, field telephones, and other modern equipment. If you have a son 16 years old or over, the training he would receive in the guard would be very beneficial to him. You veterans of World War II will be proud to join your buddies in the all-veteran platoon, of Company C., weekly drill periods are each Monday night 8:15 p. m., City Hall.

For full particulars see Major Walter F. Smith, West Texas director of recruiting and public relations, at the Moore-Lee Furniture Mart, in Slaton.

WATER SHORTAGE RELIEF IS EXPECTED FROM NEW WELL

Mayor L. B. Wootton reports that the city is drilling a new water well and hope to make quick connection and relieve the water shortage as quickly as possible. The well had been drilled to a depth of 105 feet Monday afternoon, which is believed to be about one half the depth which will be necessary in order to complete the well. However, Mayor Wootton states that equipment, is still scarce and hard to secure, which adds to the difficulty in relieving the shortage more quickly.

Mayor Wootton wishes to thank the people for their co-operation with the city officials in response to the appeal in last week's Slatonite and states that such cooperation has greatly relieved the acuteness of the situation.

The Mayor and the physicians of the city would especially like to emphasize the inconvenience and suffering caused at the hospitals by the lack of water, especially in the afternoons. They have suffered in relation to the water shortage, and the officials say that these places must be supplied regardless of other needs. However, the watering of lawns in the morning has greatly alleviated this inconvenience and discomfort at the hospitals of the city.

The water problem is not only serious in Slaton but also in nearly every small and large town in this section, including Lubbock, where the situation is more serious than in Slaton. The water levels have dropped in every part, where the drought has been severe and where irrigation and heavy municipal water plants are in operation.

It has been very inconvenient here for the past several weeks but with the Santa Fe wells and the Compress storage tank full of water there is no danger at the present time from a lack of water in case of fire as both these supplies could be turned into the mains on very short notice.

HORACE NEWBERRY IS ACCIDENTALLY KILLED

Mrs. Betty Dozier returned this week from Rochester, Texas, where she attended the funeral of her nephew, Horace Newberry, who was accidentally killed there on June 10th when he and a cousin were hunting. The relative was carrying his cocked gun through the brush and it accidentally went off and killed young Newberry.

Horace was the son of Mrs. Grady Newberry and had visited in Slaton a number of times.

Boy's Club Rodeo To Be June 26-29

Plans are being completed for the Fourth Annual ABC Boys' Club Rodeo to be held the nights of June 26, 27, 28, and 29th, at the Panhandle-South Plains Fair Grounds in Lubbock. A "real old-time rodeo" with plenty of spills and excitement is promised to Lewis Kerr, ABC President.

The Boys' Club Rodeo is sponsored by the American Business Club and other Civic Clubs of Lubbock. Proceeds go to the Lubbock Boys' Club for the expansion and maintenance of the Club, which has shown a steady growth since its organization.

Performers at the rodeo will be cowhands, some of whom are holders of world records in roping, riding, bull-dogging and competition will be keen. Beatler Brothers of Elk City, Oklahoma, who are producing the show, will furnish some of the wildest and best horses and cattle obtainable.

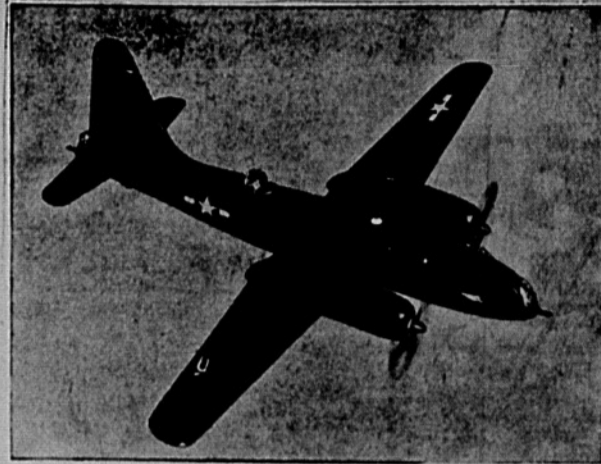

Chairman of the rodeo committee is Harry Van Horn and all members of the ABC Club are working to make the rodeo this year bigger and better than ever. Advance ticket sales will be made and tickets may be obtained from any member of the ABC Club. A booth for ticket sales will be set up in a downtown location to be announced later.

The rodeo will start promptly at 8:15 each night on Wednesday, Thursday, Friday and Saturday nights. A cowboy parade will be held at 2:00 P. M. Wednesday, June 26th, the opening day, through downtown Lubbock. Old timers are urged to enter the parade and may contact Crady Harris or Paul Willis.

Guaranteed prize money for the contestants will total \$2,000 plus entrance fees. The money will be divided among the winning contestants of the calf roping, bull-dogging, bronc and steer riding events.

Spectacular feats of trick and fancy roping and riding will be held for further enjoyment of the spectators. Several new features are added this year, not presented in this rodeo before. And, of course clowns will be on hand to keep everyone entertained with their antics.

The concession stand will be operated by the Lubbock Lions Club.

Official U. S. Navy Photo

THE TWAIN MEETS—IN RECORD-BREAKING TIME!—A new east-west speed record was set by this new Navy Neptune patrol bomber, a two-motored Lockheed P-2V, when it sat down at Burbank Field, Calif., 9 hours 23 minutes and 2 seconds after its take-off from Floyd Bennett Field. This sliced 39 minutes off the previous best speed, despite poor flying conditions that forced the plane 150 miles off course. The Neptune was piloted by Commander Thomas D. Davies, of Chevy Chase, Md., and carried three naval crewmen and two civilian passengers.

Lions Club Has Feature Program

Lions Club members were entertained last night at their regular meeting with a special program under the leadership of Miss Martha Rae Cudd. Jimmy Cherry sang several numbers, Miss Cudd gave two readings and Mary Harrah and Mrs. Allen Ferrell played duets.

Bishop Charles C. Selecman

Bishop Charles C. Selecman, former president of Southern Methodist University and resident bishop of the Dallas Area of The Methodist Church, will be heard on The Methodist Hour on Sunday June 23rd. He will speak on "The Supremacy of Personality," and the program will originate from WSB in Atlanta at 8:30 A. M. EST.

New Tiger Coach Visits In Slaton

Clarence Tillery, new Tiger Coach for next year, was in Slaton Monday getting acquainted with the boys who will constitute material for next year's team and other local persons especially interested in Slaton football.

He comes from Grapevine, Texas, but was only recently discharged from the armed services after four years in the armed forces, thirty two months of which were spent in the Pacific, especially New Guinea and the Philippines.

Coach Tillery was a student in Texas Technological College when hostilities broke out, and has resumed his studies there. He is at present teaching a class in physical education in addition to his other studies. While a student in Tech he played football, as he had done while in high school.

The football schedule for the Slaton High school is completed, and the Tigers are looking forward to a great football year. New equipment has been ordered, and will be on hand when the new coach actually begins his work on September 1.

Tillery succeeds Earl Brasfield, who resigned to take a similar position in Seminole.

5 day watch repair service. — Champion Jewelry.

Wilson Leading In Softball League

Wilson is still leading the softball league, having won over the Bakery by 21 to 6 in the Tuesday night game. Posey won over the Hardware the same night by 14 to 3.

Posey and Southland won the two Monday night games.—Posey winning over the Bakery 13 to 6, and Southland over Santa Fe 10 to 7.

Southland is scheduled to play the Oilers and Santa Fe the Oilers on Thursday; while on Friday the Bakery comes up against the Hardware, and Southland will meet the Vibrators.

The ranking of the several teams comprising the league is as follows: Wilson, leading; Southland, second; Posey third; Santa Fe, fourth; Hardware, fifth; Vibrators, sixth; Oilers, seventh; and the Bakery, trailing.

TINA KAY SPRADLEY INJURED IN ACCIDENT

Tina Kay, the four-year-old daughter of Mr. and Mrs. H. A. Spradley of the Spradley Upholstery Company, was seriously injured last Monday when a mattress on which she was riding in the back of a moving truck was blown from the truck throwing her to the pavement. She suffered a fractured skull as well as minor cuts and bruises. Though she is still hospitalized, her condition at the present is satisfactory, and her recovery is assured barring complications.

Chief Topics

Santa Fe System carloadings for week ending June 15, 1946, were 29,545 compared with 29,114 for same week in 1945. Cars received from connections totaled 10,054 compared with 15,097 for same week in 1945. Total cars moved were 39,599 compared with 44,211 for same week in 1945. Santa Fe handled a total of 36,909 cars in preceding week of this year.

NEFF VISITS SLATON

Pat M. Neff, Jr., of Houston, candidate for Attorney General, was in Slaton Wednesday in the interest of his campaign.

While here Neff shook hands with as many friends and new acquaintances as possible and expressed regret that he could not stay longer and meet more people.

SERVICES SUNDAY AT CHRISTIAN CHURCH

M. T. Nelson, layman, will preach at the First Christian Church, Sunday, June 24, at 11 o'clock. There will be Sunday School as usual at 9:45.

Elgin wrist watches, Mens and Ladies. Champion Jewelry.

Cynthia is the name of the daughter, born to Mr. and Mrs. A. C. Sanders Jr., Lubbock, Friday, June 14, at 8:30 a. m. Mrs. Sanders was formerly Crystelle Scudder.

Harry Bryant local cotton-man left Wednesday, for the Valley to buy cotton. He will return to Slaton about the middle of August.

Marbut Asks Re-election As Lubbock County Attorney

Syrian E. Marbut issued the following formal statement in connection with his candidacy for a second elective term as Lubbock county attorney, subject to the Democratic primaries:

"I stand for enforcement of law, as my past record as county attorney unequivocally bears me out.

"My attention to duties of the office is constant, and has such ramifications as assistance, when called upon, of the county commissioners court, and in handling of juvenile matters and cases relating to neglected and dependent children, jurisdiction of which lies in the district court.

"In brief, my qualification for the office, aside from experience gained in my first elective term, includes the college degrees of B. A. and LL. B. and regular practice of law since moving to Lubbock in 1932."

Marbut is married and lives at 2005 Ninth in Lubbock.

"In seeking a second elective term in the office," Marbut said, "I should like to renew a pledge of fairness and impartiality in conduct of my office, and cooperation

SYRIAN E. MARBUT

with elective officials and the public at large.

"At the same time, I should like to say my appreciation to the public and to such elective officials not only for past support at the polls, but for their generous attitude of cooperation. And I will be grateful for continued support and influence of all.

City Officials Go To Water Meet

Mayor L. B. Wootton, City Secretary J. J. Maxey, F. C. Davis and Grady Elder of the Water Department attended the Permian Basin water System organization which met at Midland last Tuesday.

The subject was the management of water systems and Mr. Maxey reported that they gathered some very valuable information.

JOHN STEELE MAKES FORMAL STATEMENT

JOHN STEELE

John Steele, who practiced law in Lubbock for five years prior to his entry into the Army Service on June 3, 1942, has announced officially for the office of county attorney in Lubbock county.

Following his discharge from the service last October 19, Steele was for three months associated with the pension department of the Veterans administration at Dallas. He recently resigned from that post to return to Lubbock and resume his law practice. He is associated with Cunningham and Boling, in the Lubbock National bank building, where he "will be glad to assist any veteran or member of his family in any way possible."

Steele graduated from the University of Texas law school in 1937, and practiced law in Lubbock prior to entering the service. He served 20 months overseas with the 30th Infantry Division, in parts of England, France, Belgium, Holland and Germany and was discharged last Oct. 19th.

Steele announces "If elected to this office I will treat all persons, white or black, rich or poor, with courtesy and consideration and will at all times carry on the business of this office to the best of my ability, prosecuting those cases coming before me with vigor and skill."

"Your vote and influence will be appreciated."

OUR BOYS WITH THE COLORS

R. L. Smith, fireman, second class, from Slaton is assigned to the USS O'Brien, a destroyer which will take part in "Operation Crossroads."

The mission of joint Army-Navy Task Force One is primarily to determine the effects of the atomic bomb upon Naval vessels and military equipment in order to gain information of value to national defense.

For some time before the explosion of the atomic bomb, the O'Brien, a unit of Destroyer Division 71, will be on patrol, performing routine services in the Marshalls. After the explosion, the destroyer with Army, Navy, and civilian scientists aboard will obtain special oceanographic data.

CHURCH OF CHRIST TO HEAR CALIFORNIAN

Harold Payden of George Pepperdine College, Los Angeles, California will speak at the local Church of Christ, Wednesday, June 26, at 8 p. m., according to J. Lloyd Moyer, pastor. The public is cordially invited to come out and hear the guest speaker.

ADVISOR TO BE HERE

John Palmer, manager of the Social Security Board, Lubbock, will be in Slaton at the U. S. Post Office Wednesday, July 3, at 4:00 p. m. for the purpose of answering any questions you may have on Social Security, discussing possible benefits and taking claims from persons who seem to be entitled to benefits, and of taking applications for Social Security account number cards.

Stokes Withdraws From County Race

Newton Stokes announces this week his withdrawal from the candidacy for Assessor and Collector of taxes in Lubbock County. His decision to withdraw from the race was prompted in part by the recent death of his father and in part by the fact that two returned servicemen have announced their candidacies for the office, according to Mr. Stokes in authorizing the Slatonite to announce his withdrawal.

Mr. Stokes states that he had considerable encouragement as to the probable success of his campaign, and he wishes to express his appreciation for the statements of encouragement offered in support of his candidacy by his immediate friends and others who wished him well in the campaign.

Philippine Belle Loses Shoes, Gains USO Honor

Dancing in a USO club with a thousand GIs from every state in the Union, wore out three pairs of her shoes (when shoe-leather was never scarcer in Manila) but won for Monsay Gaskell the honor of being "top-hour" junior volunteer at the Escoto USO, and a pin representing 173 1/2 dancing-hours over four months, presented by Thomas D. Hinton, director of USO Philippine operations. Incidentally, USO will launch a campaign this Fall to raise \$19,000,000 for 1947.

**Garage Offers
Wrecker Service**

"A friend in need is a friend
indeed", and no greater need ever
exists than when one has car trou-
ble on the highway. Rainbow Gar-
age comes to your aid when this
need occurs, as it gives twenty-
four hour wrecker service, and
goes anywhere on short notice. The
Rainbow Garage, owned and oper-
ated by L. A. (Slim) Young, is
now operating at its new location
at 1008 Avenue H., while its build-
ing is being remodeled at its per-
manent location.

When the garage is moved to its
permanent location it will have the
most up to-date equipment obtain-
able in order to give the best
brake and electric service possible
as well as other types of garage
service, according to Mr. Young.
He plans to have the most modern
garage in West Texas when he
moves into his permanent place of
business.

The Rainbow Garage works on
all makes of cars and trucks, and
the workmen are especially skilled
in the performance of their special
tasks. After having been in busi-
ness over ten years, the quality of
service speaks for itself, and the
acquiring of new customers each
year is evidence of satisfactory
workmanship.

and improved equipment it is in
position to give more prompt and
efficient service than ever in mak-
ing over your old mattresses into a
new innerspring at a reasonable
cost. It also makes mattresses to
order. See the Slaton Mattress Co.
for your sleep needs.

Side Lights From Washington

By George Mahon
This column is being written on Saturday afternoon, June 15. There is much uncertainty as to just when Congress will recess or adjourn. The best guess seems to be that Congress will recess about July 15.

Lots of Nylons? Not Until 1947

Supplies of nylon will not be available before next year. Reasons for the continuing shortage of nylon here are the facts that the country is depending almost exclusively on nylon to fill its needs, as the rayon formerly used for stockings is being used for clothing, and there is a lack of both machinery and skilled labor for the making of nylon and nylon hose, according to an article in the June issue of Cosmopolitan magazine which is based on an exhaustive investigation of the nylon situation.

Charges that the nylon hose shortage resulted from hoarding by manufacturers who were holding them back for higher prices, or that it had been caused by manufacturers shipping them out of the country were found to be absolutely untrue in the investigation.

For the future, the picture is somewhat brighter, according to the article, which states in part: "The entire industry is confident that it will still achieve its goal of thirty million dozen pairs of hose by the end of the year. Also it is confident that in 1947—with du Pont's capacity vastly increased, with a great deal of new machinery on hand and with new skills developed in labor—the production of stockings can reach a level which will insure abundant supplies."

for a period of three months. Such a recess would be very much in order, as Congress has been in session all or a part of practically every month since the war began more than four years ago.

On Thursday of this week I was able to secure passage in the House of my bill involving appropriations and programs for all Government owned corporations - 40 in number. Under the bill the Commodity Credit Corporation will have sufficient funds to carry on the support price and loan programs on cotton and wheat and other basic crops. Parity prices fixed by the Department of Agriculture, unfortunately, do not take into consideration all labor costs, but the approval of the Commodity Credit program will prevent the possibility of a collapse in the price of cotton, grain and other important crops for at least a two-year period. This is the most hopeful thing on the horizon for West Texas farmers. But on account of the continued drouth, prices guarantees for the present do not mean too much.

On Friday, June 21st, we are scheduled to present to the House the bill making appropriations for the Army for the fiscal year beginning July 1st. This will be the biggest bill presented to Congress this year. We are providing funds for pay and equipment for a modern Army and occupation force which will average about 1,250,000 men during the year. The sum recommended will be 7 billion dollars—a huge sum—but we have proceeded on the basis that the American people believe in a strong national defense program and are willing to pay whatever may be

CUTIES •• By E. Simms Campbell

Copyright 1946, KING FEATURES SYNDICATE, INC. WORLD RIGHTS RESERVED. 5-31

necessary. Under the law, all appropriation bills for the regular agencies of the Government must be passed prior to July 1st of each year, and the month of June is always a very busy month in Congress.

During the week we passed by unanimous vote the bill providing terminal leave pay for enlisted men of our armed forces. The bill has now gone to the Senate, where favorable action is expected. The bill is of interest to all enlisted men and their families.

Following the veto by the President of the so-called Case Bill, involving Labor-Industry disputes, a vote was taken in the House on

the question of whether the House would override the veto. A two-thirds majority is required to override the veto. In the death of Senator John Bankhead of Alabama, the farmers of America have lost a true and powerful friend. The farmers of the Nation did not always agree with Senator Bankhead, but they never questioned his loyalty to the cause of agriculture. In the post-war years our agricultural producers will be confronted with problems varied and difficult, and we will need the best possible leadership.

Prior to the death of the late Senator, the State of Alabama had kept a Bankhead in Congress for 60 consecutive years.

We're making progress on rural telephones . . .

If you live on a farm and don't have telephone service now, you can be sure the telephone company is using every means to speed the day when you can have it.

Extension and improvement of rural service was interrupted by the war, but plans to resume it went right ahead. Surveys were made, maps drawn, thousands of farmers asked what kind of rural service they liked best. The result is a 14-million-dollar postwar program for improving and extending service to rural areas in the Southwest.

Now the building job is under way again. Our goal by the end of the year is to have 40,000 new rural telephones in service. Within the next five years we expect to add 165,000.

There is still much to be done, and it will be some time before everyone has service who wants it. But we are well on our way.

Sipping milk through a straw may not seem like good table manners to you. But what would provide a better reminder of the importance of bottled milk in the child's daily diet and the fact that June is National Dairy Month. This pretty mother and her photogenic children drink a quart a day.

WETTABLE DDT IS RECOMMENDED

College Station, - Texas county agricultural agents have been advised that for the present, the only treatment recommended by the Texas A. and M. College Extension service for the control of horn flies, lice and mosquitos on livestock in wetable DDT powder.

DDT for this purpose is now on the market in two very different forms, 1) dry, in wetable powder and 2) liquid, in oil or xylene solutions or emulsions. Both forms may be diluted with water for use as a spray or dip.

The decision to recommend only DDT in wetable powder form for use on livestock was made by a committee of entomologists and animal husbandmen who checked allknown sources of information. The group will make further recommendations as research on DDT goes on.

The committee pointed out that DDT in wetable powder goes into suspension when diluted with water for use as a spray or dip. There was no evidence that it was harmful to animals even if used at strength somewhat greater than that recommended by the manufacturer.

It was further reported that DDT in oil solution or emulsion form does not remain in suspension but goes into a true solution. When applied to animals in this form it can be absorbed through the animal's skin. If the solution is used as a spray or dip at less than the manufacturer's recommended strength, it may not give effective or lasting control. If it is used at more than the recommended strength and if the precautions listed by the manufacturer are not exactly followed, it may have toxic results.

Acid Indigestion

Relieved in 5 minutes or double your money back

When excess stomach acid causes painful, suffocating gas, sour stomach and heartburn, doctors usually prescribe the fastest acting medicine known for symptomatic relief—medicine like those in Bell-u-s Tablets. No laxative. Bell-u-s brings comfort in a jiffy or double your money back on return of bottle to us. It's at all drugists.

Smooth Sailing

A new-type motorboat seat which smooths out the ups and downs of choppy water is shown above as pictured in the June issue of Science Illustrated magazine. The seat utilizes a coil spring plus a hydraulic shock absorber to cushion the ride, while a stabilizer eliminates sideways.

LOCKER PLANTS ON INCREASE IN TEXAS

College Station, - Texas now has 403 frozen food locker plants in operation in comparison with 268 eleven months ago, an increase of 33per cent in less than a year. A recent survey by the BAE's Texas Division of Agricultural statistics showed that 46 of this number are cooperatives, including 26 K&A coops. Five of the number are branch plants serviced by central systems.

Roy Snyder, Extension meat specialist who also supervises a frozen food locker for the Texas A. and M. College, observes several other trends in the locker business besides a rapid expansion in numbers.

For one thing, a large number of locker systems have ben installing their own small killing plants or abatoirs.

For the last few years, frozen food plants have been in their heyday, and rationing increased the popularity of the family locker, Snyder believes. He predicts that as fresh foods become more plentiful, city people are more likely to drop out as customers, buying custom frozen foods in stores rather than processing their own.

As far as technique is concerned great changes likely are in store in the processing of frozen food. Enzymes, which effect the ripening of fruits and vegetables have ben inactivated in the past by steam or boiling water. In the future, they might be inactivated electronically, and thawing may be done the same way. Flash sterilization also may be a new development in the frozen food field, Snyder believes.

A great deal of research remains to be done on the use of salts and seasonings in sausage and other ground meats, and in determining the best kinds of wrappers and containers for frozen foods. A. and M. research workers are investigating both these problems, Snyder says.

A woman who lost her thumb in a train wreck was awarded \$50,000 as damages, by a female jury, because it was the thumb she kept her husband under.

There are more than 30,000 kinds of flies.

DARTS FOR DOUGH

Are you PALE? WEAK? from loss of BLOOD-IRON?

Here's One Of The Best Home Ways To Build Up Red Blood!

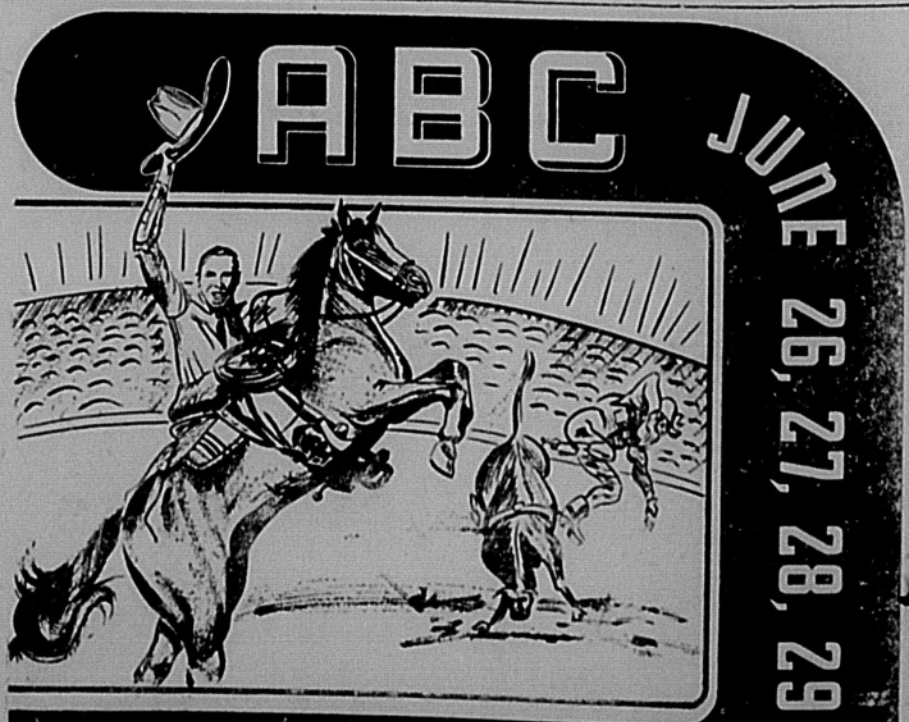

You girls who suffer from simple anemia or who lose so much during monthly periods that you are pale, feel tired, weak, "dragged out"—this may be due to low blood-iron—

So start today—try Lydia E. Pinkham's TABLETS—one of the greatest blood-iron tonics you can buy to help build up red blood to give more strength and energy—in such cases.

Pinkham's Tablets help build up the red quality of the blood (very important) by reinforcing the haemoglobin of red blood cells.

Just try Pinkham's Tablets for 30 days—then see if you, too, don't remarkably benefit. All drugstores.

Engagement Of Dora Caldwell Announced At Afternoon Tea

The country home of Mrs. Lula Caldwell was the scene of a tea given Sunday afternoon to announce the engagement and approaching marriage of her daughter, Dora Elizabeth, to W. L. Housour, Jr. son of Mr. and Mrs. W. L. Housour of this city.

The receiving hours were from four to six o'clock.

Guests were greeted at the entrance hall by Mrs. H. G. Stokes. Mrs. Clifford Young, sister of the bride-elect, directed them to the receiving room where Mrs. Fred Stottlemire then presented them to Mrs. Caldwell, the honoree, Mrs. Housour, Miss Jean Holt, Mrs. Tom Fenley of San Antonio, and Mrs. Gordon Burrell, the latter two being sisters of the bride elect. They were directed into the dining room by Mrs. Key Ely and Mrs. R. L. Smith Jr.

The table was laid in a hand embroidered, white linen cloth with a pink net cover and white silk marquise draped around it and caught at intervals with pink satin bows with long streamers. The reflector was circled with gathered pink net and satin ribbon. The centerpiece was an arrangement of pink carnations in a crystal bowl and crystal holders held the white tapers. Mrs. B. A. Hanna and Mrs. O. O. Crow poured punch and Misses Alice Meading and Glynda Williams served cakes.

The guests were directed by Mrs. Douglas Wilson and Miss Virginia Saage to the guest register which was presided over by Misses Marion Bain and Ruth Austin.

Miniature white leather bridesbooks bound in pink satin ribbon with the lettering "Bud and Dora, June 23" in gold were handed out by Misses Lucille Caldwell, sister of the bride elect, and her niece Lavinia Wilson.

Mrs. Allen Ferrell and Mrs. Jimmy Wright played piano selections during the evening.

Mesdames Joe Rhodes, Grady Wilson, Hilkon Foerster, Ed Caldwell, Fred Scooter, and C. N. Price, sisters and sisters-in-law of the bride-elect and bridesmaids visited with guests in the side living room where good-byes were said to Mrs. Johnnie Beckley and Mrs. H. V. Jarman. Others assisting in hospitalities were Mesdames Elbert Wilson, Roy Holt and T. E. McClanahan.

Garden flowers decorated the house throughout. Approximately 150 guests called during the evening.

W.S.C.S. HOLD MEETINGS

Circle One of WSCS of the Methodist Church met at the church Monday afternoon with Mrs. J. D. Barry presiding. Mrs. J. E. Eckert opened with prayer and read a song "Peace Passeth all Understanding." She also gave a talk on the second assembly of WSCS.

Mrs. Wallace King gave missions in this new era. Mrs. C. R. Westernman closed with prayer. Seven members were present.

Circle Two met with Mrs. Fred Tudor, with Mrs. J. H. Brewer presiding. Mrs. W. J. Bybee gave devotional. Mrs. V. O. Newton gave the lesson from Literature and Publication, with Mrs. L. A. Haral and Mrs. Tudor assisting. Six attended.

Circle No. Three met with Mrs. A. E. Whitehead with Mrs. H. W. Jeter giving the devotional. Mrs. S. H. Adams talked on Missions and Mrs. S. S. Forrest gave a report on the Second Assembly. Mrs. Zelda Parkhill discussed several topics.

Mrs. W. H. Proctor read a prayer. A refreshment plate was served to ten members and two guests, Mrs. Rose of Amarillo and Mrs. Pinkston from Houston.

Circle Three will meet in the church basement during the month of July.

Society - Clubs

Marriage Announcement Holds Spotlight In Social Circles

Miss Mary Ann Schmidt of Slaton and Mr. Cyrus Milton Fields of Dallas will be married July 17 according to an announcement made Friday evening, June 14, at a tea given by Miss Schmidt's mother, Mrs. Fred H. Schmidt, at the Club House in Slaton.

Guests were greeted at the door the first hour by Mrs. K. C. Scott and Mrs. Robert C. Goodwin, and the second hour by Mrs. S. H. Adams and Mrs. W. C. Holden. They were then directed to the receiving line made up of Mrs. Fred Schmidt, Miss Schmidt, Miss Lena Schmidt, Mrs. Clifford Jones and Misses Juanita Elliot, Merry Nell Culver, and Imogene Bell.

The spacious reception room was filled to overflowing with friends of Mary Ann who mingled and exchanged greetings as they partook of dainty refreshments from a table covered with a blue marquisette banquet cloth stenciled in delicate pink flowers, which was the work of the bride-to-be in applied arts at Texas Tech. The centerpiece was of pink rosebuds. Mesdames Fred England, R. E. McReynolds, Roy Boyd and R. D. Hickman alternated at the punch bowl which had been given to the Eastern Star in memory of the bride-to-be's grandparents, the late Mr. and Mrs. W. H. Meador.

Misses Mildred Boone and Evelyn Jones gave the guests small scrolls tied with dainty ribbon from a tiny white basket held by little Nancy Kay Castleberry. These revealed the wedding date, July 17.

Baskets of gladioli, crystal bowls filled with pink roses and giant daisies and pink snap dragons made the room attractive and garden-like as a soft light glowed from a

pair of pink Dresden lamps, a gift from the bride-to-be's uncle and aunt, Col. and Mrs. Roy N. Hagerity.

Mrs. B. B. Castleberry softly played love songs on the violin, accompanied by Miss Wilda Hannah and Mrs. Mildred Lokey.

The guests registered in a bride's

book bound in white leather. Misses Nina Lee Hickman and Thelma Jo Felton and Mrs. Otis Cannon attended to the registering of the guests.

Others in the house party who assisted with the hospitalities were Mesdames S. A. Peavy, J. M. Hannah, Neil Wright, Odie A. Hood, A. V. Weaver, W. R. Lovett, A. L. Brannon, E. E. Culver, Clifford M. Simmons, J. A. Elliot, Hugh Adair, W. P. Layne, H. G. Sanders, J. S. McDonald, W. T. Driver, J. C. Champion and Burnon Maws.

LIFEGUARD'S TIPS FOR SAFETY IN SWIMMING

WATER wings and inner tubes are dangerous accessories for the novice swimmer.

That's the opinion of one of America's leading life guards, Michael Borodkin, dean of the Municipal Lifeguard Training Course of the New York City Department of Parks.

Supervisor of 200 expert guards at Rockaway Beach, the largest protected swimming area in the world, Mr. Borodkin has compiled safety rules for swimmers from 17 years of experience as a life guard and chief. He holds New York's Medal of Valor for life saving.

While some still cling to the idea of breaking in a swimmer with water wings or an inflated tube, Mr. Borodkin believes their use promotes false confidence. Teach them to swim in shallow water, he says, and they won't need water wings.

He also contends that exposure to the sun can be as dangerous as carelessness in the water. "Too many people take a look at the bronze-skinned life guard," Mr. Borodkin said, "and expect to come home the first day with a coat of tan like his."

Take the sun in small doses at first, is his expert advice. And protect the skin by applying a suntan lotion before exposure. Generous use of a bottle of suntan oil will avoid a painful sunburn later.

Here are some of Mr. Borodkin's rules for safe swimming at the beach, the pond or the pool: (1) Don't run on wet tile. (2) Don't take a running dive off the side of a pool. (3) Don't swim under diving boards.

Youth Of Today Is SHD Program

Youth of Today was the topic program given by the Slaton H. D. Club Wednesday June 19, at the club house. Mrs. Douglas Wilson gave "We teach our children to pray." Mrs. Clea Young spoke on "Youngster in trouble."

"Get the Kids out of jail," by Mrs. E. E. Wilson. Mrs. R. C. Hall spoke about the "British Children Going back Home from America." Some of the different speech differences to be detected, is the use of certain American words such as "billboard" for the English word "boarding" boxcar" for "goods van," "garters" for "sock suspenders," "undershirt" for "vest," "how come" for "why," "vest" for "waistcoat," she said.

The next meeting will be July 3.

HOMEMAKERS MEET WITH MRS. C. B. MARTIN

The Home Makers S. S. Class met in the home of Mrs. C. B. Martin, June 3, for their regular business and social meeting. Mrs. Fannie Patterson, presided. Opening prayer by Mrs. E. M. Lott. Mrs. Arthur led the social hour. Refreshments were served to the following Mesdames C. E. Jarman, E. M. Lott, I. C. Tucker, Vern Johnson, B. G. Norman, J. B. Butler, J. R. Robertson, Fannie Patterson, J. Baker, Henry Jarman, Ben Mansker, visitors, Fred Stottlemire, Pearl Mitchell, A. P. Wilson, L. T. Arthur.

Closing prayer by Mrs. Norman. Next meeting will be with Mrs. A. P. Wilson.

If all of us profited by our errors we'd be busy declaring dividends.

He's a lucky man who has a wife and a cigarette lighter, and both working.

Recently we had the pleasure of celebrating the 10th anniversary of a woman's 25th birthday.

Pinwheel Biscuits Will Brighten Table

Homemakers looking for something new to brighten the breakfast table will find biscuits in pinwheels just the thing, writes Marjorie Griffin, Rural Home editor of nationally circulated Capper's Farmer.

Flavorsome topping combines raisins, corn sirup and cloves, she points out in the magazine read by 1,250,000 farm families. Just divide dough into eight pieces and shape into strips. Rolling and cutting aren't necessary.

RAISIN PINWHEELS
2 C. flour 1/4 to 1 C. milk
2 tsp. baking powder, 2 C. seedless raisins
1/2 tsp. salt 2 tb. corn sirup
1/4 C. shortening 1/2 tsp. cloves
Sift together flour, baking powder and salt. Cut in shortening. Add enough of the milk to make a soft dough. Divide dough into 7 or 8 pieces; shape each piece into a strip. Roll strips into pinwheels and place them in a greased pan. Mix together raisins, corn sirup and cloves. Sprinkle mixture on biscuits, pressing raisins into dough. Bake biscuits in hot oven (425° F.) 15 to 20 minutes. Makes 7 or 8 large biscuits.

Baptist W M U Meets Monday In Caldwell Home

The Royal Service Program of WMU of the First Baptist church was held Monday evening in the home of Mrs. Lula Caldwell with Mrs. Clifford Young assisting.

Rev. W. F. Ferguson brought the Bible Study. The topic of the program, "Living up to our Moral Standards" was led by Mrs. Dudley Berry. Mrs. L. O. Lemon, "A Nations Morals", Mrs. W. V. Childers gave "Conditions That Alarm", Mrs. R. L. Smith's topic was "Alcoholic Drinks", Mrs. O. O. Crow spoke on "Delinquency" and Mrs. Fred Stottlemire's subject was "Habits that Harm", "Living up to Our Moral Standards" was given by Mrs. W. F. Ferguson.

There was a special song by Helen Ruth Ferguson, Shirley Teague and Anna Doris Phillips. Mrs. Smith gave a musical reading accompanied by Mrs. Mildred Lokey.

A social hour followed with Mrs. Stottlemire and Mrs. Young serving punch and cookies from a tea table that held an arrangement of carnations.

There were thirty-eight in attendance.

MRS. DUDLEY BERRY ENTERTAINS CLUB

The Bluebonnet Club met in the home of Mrs. Dudley Berry, Wednesday, June 12th, with fifteen members and one guest, Mrs. Fannie Patterson present.

During the business meeting presided over by Mrs. E. R. Legg, the Club voted to disperse with both both August meetings. They also voted to have the summer meetings from 9:30 to 11 a. m. Mrs. Legg, 750 West Lubbock, will be the next hostess June 26th.

JUST TALK
by
A.M.J.

Proving the high quality of the air conditioners that Carl Self has for sale. I am told that last week Carl installed one in his own home, went to choir practice without installing a cut off switch and left the air conditioner going full blast.

The choir practice did not break up, which is the habit of choir practices and many other activities, until late, and when Carl got home his wife had gone to bed, she had the floor furnace going full blast and was covered up with three blankets, icicles were hanging from the kitchen faucet and the weather indicator signaled a sudden change in temperature.

And while I am on the subject of Slaton and our need for plans for the future I would like to say that nearly all the towns in this part of the state as large as Slaton, have secondary air ports. There is an excellent air port in Canyon and the pilots in that part of the state have organized themselves into a breakfast club. They fly from Childress, Hereford and other towns to a breakfast held at regular intervals and return to their home towns in time to do their daily work.

As I said before the only way I would consent to get into an airplane would be because of an emergency. One young lady I have heard about has had both her ear drums to break because of having been in an airplane on a long trip, but most folks are not as old fashioned as I am and are in a lots

bigger hurry and I am sure that the future will be more air minded than ever. Slaton should at least have an organization to investigate the possibility of an airport for it will not be long before a town that is not on some kind of air route will be like a town that does not have railroad service.

The old horse and buggy days are good enough for me but I like to watch the air planes fly overhead and gripe about the young whipper snappers who fly them.

If Congress lets OPA go boom it is my personal opinion that we are in for another series of strikes and in addition high prices that will be fantastic. The lack of goods is not as much the fault of labor strikes as it is on account of the manufacturers who make the goods. If price controls are lifted and prices go up the men who got the increases in wages will not be as well off as they were before they struck the first time, the folks who are not in organized unions will be in a much worse fix and I believe that Congress is at fault. They are trying to straddle the fence and will lose prestige with both sides. Our confusion is playing right into the hands of the Russians and the kind of ideology that brought on the war. Hitler, if he is alive could not wish for anything much different.

A young man who signs his letter "A Citizen of Slaton" and who explains that he is a veteran of World War II expresses his feelings about Slaton in no uncertain words, and perhaps he expressed the feelings of many of the young men who have returned from the war.

While we have printed communications in the past that have come to us unsigned I would like to say that we will not do so in the future and that anyone wishing to

express critical views in the Slatonite will have to sign their names to such articles before we will publish them and if it is too critical we will not publish them at all.

An old philosopher once told me that until one could do better himself he should not criticize some one else or that one should never destroy something that is serving a purpose unless something better could be provided to take its place.

In this particular letter I think the young man is blaming some of the short comings of Slaton on people who are endeavoring to make Slaton a better town when the reason for our lack of industrial growth should be blamed on those who could have done big things for the town ten or fifteen years ago and did not. Of course there is no use crying over spilled milk and what we must do is to take stock of what we have here today now, to make some constructive plans and endeavor to make Slaton a better town in the future.

Many of the men who have lived here for years have become accustomed to things as they are, many of them would dislike to see them changed but I believe a new day is coming and it is not far off. The young men who have returned from the wars have seen things, they have done things and they are not going to linger long in a town that is asleep.

In looking back over the past year it seems to me that a good many changes have been made. Slaton is a better town than it was a year ago, a much better town as far as business activity goes, than it was three years ago but that is not enough if we hope to interest the young men who will be the backbone of Slaton five or ten years from now.

This particular letter is critical of a great many things in Slaton, most of them are deserved to some extent and the business men of Slaton should take stock and if possible check up on the attitude that these young men have toward our business activities.

Howard Swanner reports an experience that is very unusual in the Banking industry . . . a man

THIS WEEK'S LESSON

"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 23.

The Golden Text is: "The Lord by wisdom hath founded the earth; by understanding hath he established the heavens" (Proverbs 3: 19).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "O Lord, how manifold are thy works! in

who borrowed about thirty dollars over ten years ago and left the country, returned and paid the debt with all back interest.

"Been feeling good all day," said Howard. There are not near as many heels in the world as there was before that fellow built back a little of my faith in my fellow man."

Here are some old sayings and some original sayings, written by Carl Sanberg and taken from Carl Sanberg's latest book, "The People Yes."

Wedlock is a padlock.
Take a good look at the mother before getting tied up with the daughter.

Let a mother be ever so bad, she wants her daughter to be good.

The man hardly ever marries the woman he jokes about; she often marries the man she laughs at.

Keep your eyes open before marriage, half-shut afterward.

A wife is not a guitar you can hang on the wall after playing it.

The shabby genteel would be better in rags.

Wishes won't wash dishes.

Let the guts be full for they carry the legs.

Love your neighbor as yourself but don't take down the fence.

Except in fairy tales the bashful get less.

A beggar's hand has no bottom. Be polite but not too polite.

Even God gets tired of too much hallelujah.

Lips however rosy must be fed. Some kill with a feather.

Life goes before we know what it is.

One fool is enough in a house.

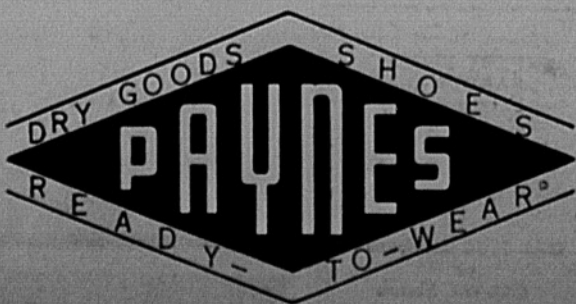

The Clothing Shortage

IS NATIONWIDE

What's New Today?

It may be 4 dozen Van Heusen shirts, or 2 dozen Van Heusen pajamas, or 3 dozen Van Heusen ties . . . Merchandise comes in such small lots that it is "in again . . . out again!" It arrives in the morning gone by noon. Call 491 and we will be just as happy as you will be if we can say . . . yes we just received a shipment this morning.

wisdom hast thou made them all: the earth is full of thy riches" (Psalms 104:24).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God creates and governs the universe, including man. The universe is filled with spiritual ideas, which He evolves, and they are obedient to 'the Mind that makes them'" (page 295).

Anybody who ever tried to steer a boat can understand why they call one she.

We don't know nor care why what we would like to know is whether, when the hen cackles, she is laying or lying.

**REGIONAL VETERANS
ADMINISTRATION NOW
READY TO OPERATE**

The veterans administration Lubbock regional office, under the management of Robert W. Sisson, swung into action this week in its temporary location at Lubbock Army Air Field. While some divisions are not completely organized as yet, all are reported to be in operation.

The Lubbock regional office is composed of ten major divisions as follows: adjudication, vocational rehabilitation and education, contact, medical, supply, communications and record, finance, legal, loan guarantee, and personal.

In addition to the manager and assistant manager the organization is supported by a coordination and planning division and public re-

lations division.

Benjamin O. Murphy is chief of the adjudication division. This division, in the first week of operation, has already adjudicated more than 220 claims for VA benefits. It is responsible for the preparation and adjudication of all claims for disability and death cases, evaluation or pension and determining eligibility to hospitalization. Within this division are Rating Boards, each composed of a lawyer, a doctor and a layman. Their duty is to determine service connection in disability and death cases, evaluation of disability, prewar occupation, vocational handicap and mental status of claimants and beneficiaries.

The vocational rehabilitation and education division, headed by Eldon F. Fuller, is a popular division

**Rodeo To Be At
Levelland 3-4-5**

Completion of a new all-steel grandstand at the Levelland rodeo grounds has tripled the seating capacity for Texas' largest arena which will be the scene for the town's annual show July 3, 4 and 5. Over \$1,650.00 in added prize money will go to the winners in seven events—saddle bronc riding, calf roping, team roping, bulldogging, steer riding and two-way sponsor contests. Both junior and

senior cowgirl sponsors will compete. Street banners, placards, circulars and western attire of citizens are heralding Levelland's annual three-day rodeo. Afternoon performances scheduled all three days will begin at 2 o'clock. Night shows on July 3 and 4 will get underway at 8 o'clock.

Included in the specialties will be the picturesque mounted quadrille, clowns and trick riding, President W. J. Robertson of the Levelland Rodeo association has announced.

Downtown parades will be forerunners of the rodeo performances. Booster trips to towns within a 200-mile radius will begin on June 24. Advertisers of the annual rodeo will take along musicians to stage their booster programs in towns of the area.

among veterans. It is here that they receive authorization for, and supervision of education, on-the-job training and vocational rehabilitation.

**HENS MUST LAY OVER
DOZEN EGGS MONTHLY**

Any hen laying less than a dozen eggs a month is losing money for her owner, considering prevailing prices of feed and eggs. These inefficient hens should be culled from laying flocks, the Texas A. and M. College Extension Service is advising farm families and backyard poultry raisers of the state.

A hen consumes about five pounds of feed per month even though she is not laying, so further reduction of laying flocks is being sought by the government in view of the current feed shortage. For the nation as a whole, the reduction sought is one of every seven hens.

According to Sam Moore, Extension poultry specialists, most Texas flocks could lose one of every seven hens, and with proper culling profits would increase. Until recently, he says, Texas egg production this year has exceeded last year's for the same period, although the state has reduced its poultry population to or below pre-war numbers. This indicates a rise in production per bird.

While chick production this spring was 20 per cent less than last year with good management an average number of pullets should go into production on Texas farms this fall, Moore says. He indicates that there are large amounts of shell eggs and poultry meat in storage and the demand for fresh eggs has been good this spring.

**A MESSAGE TO INSPIRE
CHRISTIAN UNITY**

J. Lloyd Moyer.

Box 583, Slaton, Texas

Phone
Res. 239 J
Office 333

SUBJECT: "THE SIN OF DIVISION
AND ITS CURE" (NO. 4)

Rom. 1:16 1 Cor. 9:16 Gal. 1:8

**SOME THINGS ALREADY
LEARNED:**

In previous articles we learned that DIVISION is a Sin; and that in order to effect a CURE, the CAUSE must be removed. It was found that an IMPROPER ATTITUDE toward the Bible, is the spring from which all division flows.

We tried to show that as long as the attitude that the Bible is an imperfect book and that it needs something added to it, the field is wide open to those who claim to get revelations from GOD. It was learned that we must try (test) these prophets: (7) (Jno. 4:1) The doctrine or teaching of Christ is that by which we are to test their claims. (11 Jno. 9) (1 Peter 4:11) If their claims do not harmonize with the teaching of Christ we are not to "receive them into our house, neither bid them Godspeak." (11 Jno. 10)

**ANOTHER HINDRANCE
TO UNITY**

Another great hindrance to the unity of God's people, which also comes from an improper attitude toward the scriptures, is the use of creeds, disciplines, articles of Faith, manuals, catechisms, etc. That these things hinder the unity of all professed believers in Christ, is evident from the fact that they are different in doctrine and rules of of faith and practice.

If one group holds to the doctrines of any one of these "man-made" creeds, they are just naturally alienated from the groups holding to the doctrines of all other creeds. This is division; the very thing we wish to eliminate. Since this is true, the ques-

tion arises, Why have these "human-creeds?" It must be assumed that there is a NEED for them, in order to justify their existence. But to assume a NEED, presupposes a LACK.

This brings us back to the cause of all division. "That the Bible is imperfect, that it is NOT a perfect guide for GOD's people, that it NEEDS something in addition." This is equal to saying that God could not and did not give man a perfect guide. Therefore, man must assist God by writing a creed, manual, etc. Friends, if the Book God gave to man is inadequate to guide us religiously then it is foolish and absurd for man to try to write one.

Even if it were possible for man to write a creed, upon which all could unite, it would still be wrong in the sight of God, Jesus said, "But in VAIN do they worship me, teaching for doctrine the commandments of Men" (Matt. 15:9) Why is this true? Simply because it would be doing that which pleases man and God wants us to do that which pleases HIM. He has told us what He wants us to do in the Book called the BIBLE. For man to reject that and do something else is open rebellion to God.

In the words of Paul, the great apostle, I exhort you, "Touch not; taste not; handle not; Which all are to perish with the using; after the commandments and doctrines of men." (Col. 2:21-22) May our attitude be that the scriptures "are profitable for doctrine... and thoroughly furnish us unto

every good work" (11 Tim. 3:16-17).

That God "hath given unto us ALL things that pertain unto life and Godliness" (11 Peter 1:3) May we ever "speak as the Oracles of God" (1 Peter 4:11) and "Abide in the doctrine of Christ" (11 Jno. 9) Not "go beyond the things which are written" (1 or. 4:6; R. V.). May we never "Add unto His word." (Prov. 30:6) nor take from it. (Rev. 22:19).

If this attitude characterized the religious world today, we would not be divided into fighting sects. Infidels would have nothing upon which to base an argument. We could put the enemies of Jehovah to flight, by presenting a united front against the forces of evil.

This does not mean that any of us will have to sacrifice any truth. It is not a case of You coming to me or me coming to you, but it does mean that all will have to give up their own peculiar ideas and theories and come to the Bible. And after all, we should all be happy to do this. If any of us are doing anything, religiously, that is contrary to God's will, we should be glad to give it up. And I might add that the one who shows us wherein we err, is doing us the greatest favor possible.

James says, "Brethren, if any of you do err from the truth, and one convert him; Let him know, that he which converteth the sinner from the error of his way shall save a soul from death, and shall hide a multitude of sins."

SOUTHLAND

Had two good services at the Baptist church Sunday. Being Father's Day, Rev. Brooks presented a Bible to the youngest father present who was Mr. Lewis Price and the eldest, Mr. A. F. Davies. Fred Meyer gave a reading "Father's Choice." The Baptist summer revival begins the second Sunday in August, with Rev. F. R. Cole of Abilene to deliver the sermons and Rev. Fred Blake, pastor at Bronte to have charge of the song service.

There were two good services at the Methodist church Sunday. Their summer revival begins the second day of August, they do not have their plans complete at this time.

Wednesday and Thursday the Wayne Pharris of Lubbock left their daughter Linda, with Mrs. Pharris sister, Mrs. Audrey McNeely of Hackberry while they visit the Carlsbad Caverns.

Joe Gayle Fleming is at Goodlett Texas working in the wheat harvest.

Jimmy Morris arrived home Sunday from Fort Sill, Oklahoma on a three day leave.

Supt. J. P. Hewlett and son John left Friday for South Texas to visit friends and relatives.

Mr. and Mrs. Edd King and daughter Mrs. J. H. Young visited the Mangums Sunday afternoon, returning by way of Southland and had a short visit with the H. A. Kings.

Mr. and Mrs. C. King and two children of Lubbock, visited the Harveys Sunday.

Jimmy Ferguson, left Friday for Amarillo where he accompanied his uncle and aunt, Mr. and Mrs. Cedarholm to St. Louis to visit relatives.

La Vonne Ferguson is spending a week with her grandparents in Post.

There was a large crowd out to watch the ball game in Slaton Saturday night between Southland boys and girls. Our boys won over Roberson after playing off the tie. The Roberson girls beat our girls, it was their first game and was also practice games.

"I wouldn't let you keep me waiting if my future happiness didn't depend on you!"

Mr. John Irwin who has been real sick in Slaton Hospital, was some better Saturday.

Mrs. Tommy Head and son of Pleasant Valley and Mrs. Bill Lawrence and children of Post spent Sunday afternoon with Mrs. F. O. DeBusk and children, all enjoyed the evening in Mackenzie Park.

Sunday guests of the A. F. Davies were Mr. and Mrs. Blanton Martin, Mr. and Mrs. Woodrow Locklear and daughter, Mr. and Mrs. Grady King and sons, Mr. and Mrs. Winston Davies and son.

Thursday was Mrs. A. Wilkie's sixty-second birthday, all of her children were present, except Mrs. LeRoy Muller of Oshposh, Wisconsin, and Mrs. Buster Betts of New Mexico. The nine children present were: Mr. and Mrs. Walter Sienhouser and children of Lubbock, Mr. and Mrs. Walter Wilkie and sons of Hamilton, Mr. and Mrs.

Martin Wilkie and son, Mr. and Mrs. Elmer Gindorf and daughters, Mr. and Mrs. Chris (Jake) Gindorf and sons, Mr. and Ms. C. C. Stobins and M. and Mrs. Edmund Wilkie, the latter had just received his army discharge two days before. Many other friends called in the afternoon to congratulate the honoree.

Junior Hord of Lubbock, formerly of Southland visited Wayne Whited, Sunday.

Mrs. J. L. Whited will spend this week in East Texas, to can peaches.

Mr. and Mrs. Roy Williams and son Billie visited in Trent, part of last week.

Southland chapter of the Order of the Eastern Star installed officers at a public ceremony Tues-

day night at the local Masonic Hall. Mrs. Ben V. Smith of Lubbock, Grand Worthy Matron served as grand installing officer, Mrs. Rafe Nabors grand marshal, Mrs. Novis D. Minig, grand secretary, all of Lubbock. Mrs. Nettie Kellum, grand chaplain and Mrs. Hubert Taylor as guest organist, both of Southland.

Installed were: Mrs. Belle Woods, Worthy Matron, Mr. W. J. Kellum, Worthy Patron; Mrs. Allyn Dunn, Associate Matron; Mr. Clay Johnston, Associate Patron Mrs. Doll Haire, Secretary, Mrs. Nellie Mathis, Conductress, Mrs. Shirley Mayfield, Associate Conductress, Mrs. Alice Martin, Chaplain, Mrs. Julia Kellum, Marshall; Mrs. Beulah Wheeler, Organist; Mrs. Lanora Siewert, Adah, Mrs. Coriia Johnston, Ruth, Mrs. Dauline Dunn, Esther, Mrs. Opal Pennell, Martha, Mrs. Nellie Anderson, Electa; Mrs. Tinnie Smallwood, Warder, and Mrs. Emily Deen, Sentinel.

Uncle Sam should import some of those German generals; teach them a little deportment; then deport them.

One can catch the devil without being fleet of foot.

Rail oddities

WITHIN THE NEXT YEAR, RAILROADS WILL BUY AS MANY NEW PASSENGER CARS AS THEY BOUGHT IN THE WAR YEARS AND TEN YEARS BEFORE THAT.

BEFORE THE USE OF THE TELEGRAPH, RAILROAD STATION AGENTS OFFERED CLIMBERS UP TO LIFTY PERCHES TO SCAN THE HORIZON FOR THE APPROACHING TRAIN.

EVERY PART OF THE UNITED STATES SINCE 1830 HAS BEEN TRAVELED BY SPECIAL RAILROAD TRAIN. FROM PHOENIX TO SHELBYVILLE THE LONGEST TRIP—2,274 MILES, COVERING 23 STATES.

GLASSES

UNION NEWS

The 4-H club girls enjoyed a program at the school house Thursday from 10:30 to 2 o'clock, with lunch spread picnic style at the noon hour.

Mr. and Mrs. F. B. Pair and children spent Father's Day with his parents, Mr. and Mrs. A. M. Pair, near Lorenza. All nine of the children and their families, all except two, met to honor their father.

Miss Corrine Patterson returned home to Long Beach, California last week after a visit here with parents, Mr. and Mrs. Edward Patterson.

Mrs. R. M. Cade entertained the sewing club last Wednesday afternoon with six members present. Visitors were Mrs. C. T. Ashford of Odessa and Miss Patsy Standifer.

Mr. and Mrs. Joe Gamble and daughter, spent Saturday night with his sister, Mrs. R. D. Presley and family near Abernathy.

Mr. and Mrs. H. F. Doyle, had as their guests last week her mother, Mrs. Bevers, of Lubbock.

Mrs. H. M. Cade and Mrs. Lula Gamble attended the shower for Mrs. Melba Slater, at Mrs. Phillips, in the Cooper community last Thursday, June 13 who is to be married to James Potts, June 28. Miss Slater once lived in this community.

Mr. and Mrs. Brown Montgomery of Idalou, visited her mother, Mrs. T. L. Patterson and family last Friday.

There were fifteen enjoyed the weiner roast at Mr. and Mrs. Howard Whites, home last Thursday night.

Mrs. Ruth Hill of Tahoka, visited last week with Mrs. Hattie Cade.

Miss Nellie Joe Jones spent the week end at home with her parents Mr. and Mrs. B. B. Jones. Others visiting in the Jones home Sunday were their other two daughters and their families, Mr. and Mrs. Earl Peterson of Morton and Mr. and Mrs. Amos Sedgwick of near Littlefield.

Mrs. Charlie Meyers and Mrs. Howard White attended a meeting at Wilson Monday of the Baptist Ladies Society.

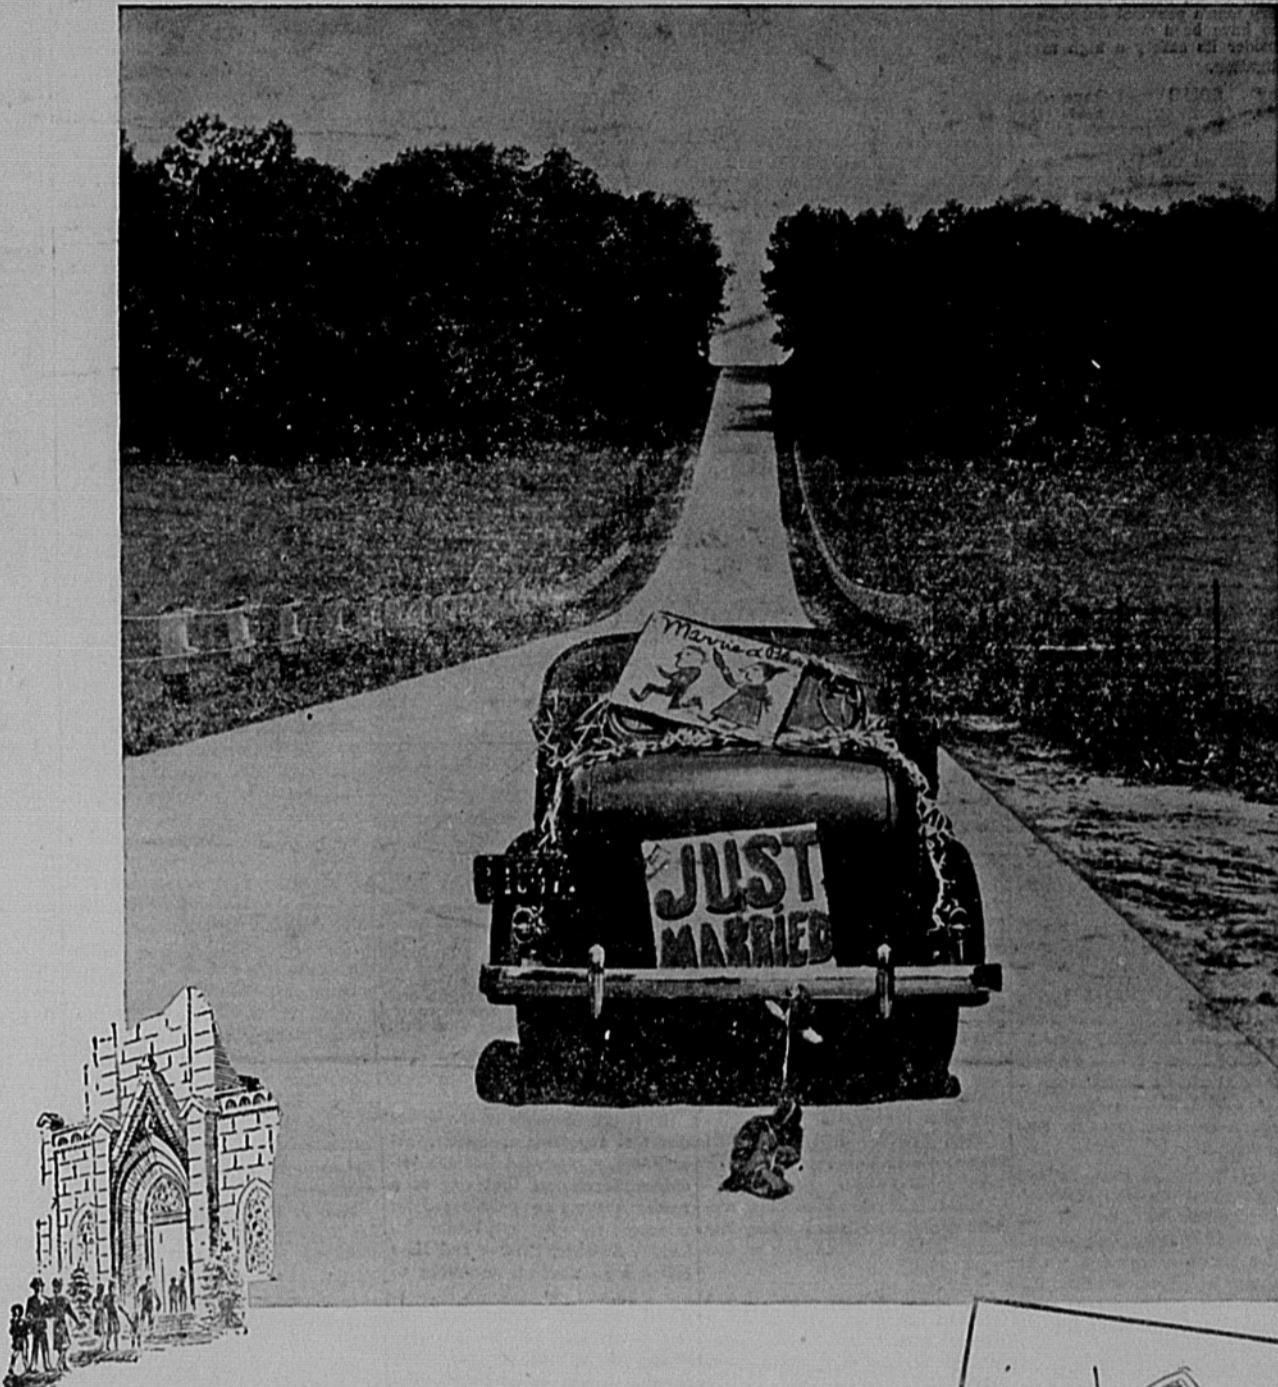

Little Don Presley of Abernathy spent the week end with his grandmother Gamble. His parents, Mr. and Mrs. R. D. Presley and daughter, also visited in the Gamble home Sunday.

Mrs. J. G. Hampton returned home Saturday after spending three weeks with her daughter Mrs. V. L. Cade and family near Lubbock.

Mr. and Mrs. George Buckingham of Slide visited in the community Monday.

The F.F.A. Boys met at the school house Monday night in their regular meeting and plans were made for their trip next week to Yellowstone National Park.

His dad admonished him to never let grass grow under his feet—so he joined the navy.

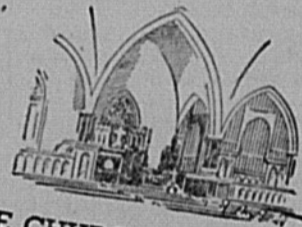

THE ONE IN SIX ?

Will this be the one in six . . . the one American marriage in every six which ends in divorce?

There is no reason why it should be! No unrelenting destiny dictates that one in every six marriages *must* end in divorce. Men and women dictate that . . . by choosing foolishly . . . by living selfishly . . . by starving love and nursing bitterness.

It could be one in a hundred—or none in ten thousand! For the foundations of happy marriage are the simple foundations of Christian living: love, understanding, sympathy, sacrifice, loyalty, courage, faith. And in our free land those riches can become the possession of every child and man and woman who will seek them where they can be found.

In the Church which invokes God's blessing on marriage is taught the religious truth which guides us to happiness and to God. Our children need the worship, the instruction, the encouragement of the Church. Husbands and wives need them too!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday.

This advertisement contributed to the cause of the Church by the following patriotic citizens and business establishments:

WALTER DAVIES, COUNTY JUDGE
"Parents, attend Church with children;
Hold down Juvenile Delinquency."

Cecil Self—Editor

Howdy Folks: After reading all the best authorities on horse racing we have finally made up our minds as to what horse is safe to put your shirt on . . . a clothes-horse.

Even so, we'll never bet on a horse race. We're afraid of the "bookie-man."

Of course horse sense is what teaches a girl to say "neigh!"

Whether a horse is a race horse or a work horse, he should never get so hungry he bites his fodder.

On the other hand, a nag is a woman who rides a man.

Men and women are both coming to our Mobilgas and Mobil Oil Station for more and more.

Ask any of our customers about the value of this product.

Let's Review

By GEORGE S. BENSON
President of Harding College
Searcy, Arkansas

EDUCATION, or the lack of it, gets blamed for about all the world's ills. It is pretty generally agreed that the peoples of Earth need teaching, or perhaps re-teaching. Moreover it is not much trouble in any company to start a free-for-all discussion about the science of education. In fact there are some who insist that teaching is an art and not a science at all.

George William Curtis once wrote: "While good men sit at home, not knowing that there's anything to be done, nor caring to know, half persuaded that this republic is the contemptible rule of a mob and secretly longing for some splendid and vigorous despotism... remember that it is not a government mastered by ignorance; it is a government betrayed by intelligence."

Study SCHOOLING actually does not help people much unless it makes better neighbors of them. It should, by all means, train them to engage in activities with other people, for the benefit of all. Today this is clearly the most essential feature of education because people who don't understand cooperation are being led by the nose straight through collectivism to dictatorship.

We have a sad state of affairs indeed when intelligent people realize that things are taking place which they suspect are very bad for the country, yet fail to take a hand in remedying mat-

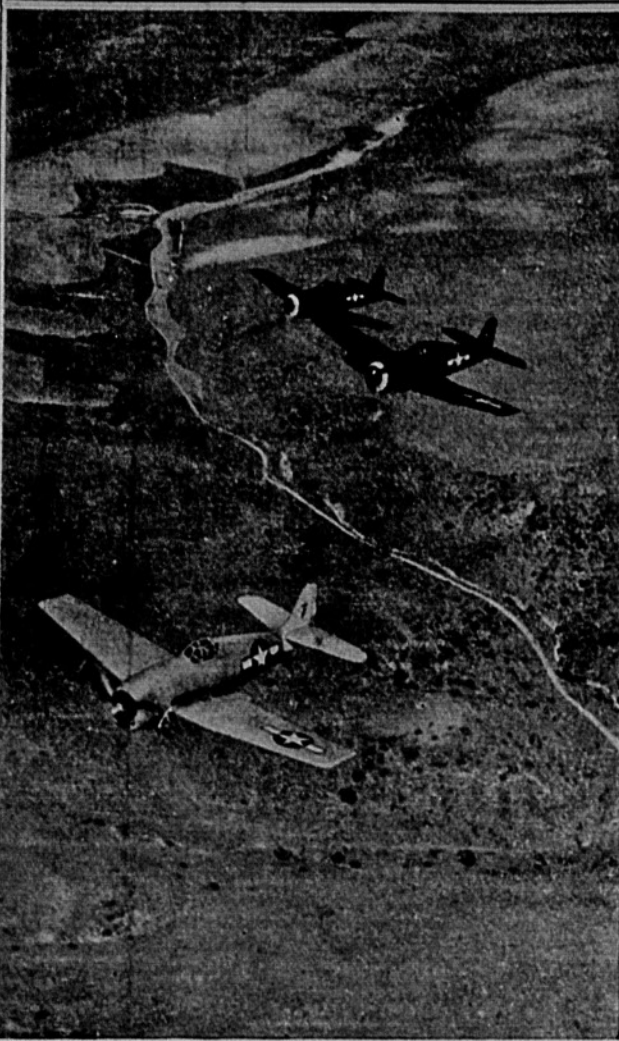

ters. Preserving the personal liberty of all people ought to be every man's personal duty. Those who have been without freedom consider its safety a high moral obligation.

Stay SOME men have deep Free learning in fields that do not embrace history, government or economics. Others have gained far-flung knowledge without sensing the duties of citizenship or any obligation toward other people. Curtis long has ended before this century began but he saw the political dangers of this day with amazing clearness: "Betrayed by intelligence," he said.

The notion that a nation may be governed, not by a ruler but by the people themselves, was not new in Mr. Curtis' time. Our own republic was hardly half as old as now when he began writing for Harper's Monthly. Otherwise he had all the examples we have. One big difference in his generation and ours is this: They still appreciated their freedom.

Some commentators crusade for penetrating study in narrow fields of learning while others advocate wider browsing ranges. Consolidating our recent scientific gains and preserving our freedom is, however, our No. 1 problem. Our vital classroom need is a refresher course in comparative welfare. Who, when and where have people lived best? Answer: We, right here in the U. S. A.

NAVY DRONE PLANE REHEARSES FOR BIKINI

Trailed by two "mother" planes, a pilotless Navy Helicat (Grumman F6F) soars over the San Diego area in a dress rehearsal for similar air data operations planned as part of the atomic bomb tests at Bikini atoll this summer. The drone (foreground) is controlled by the "mother" Helicat immediately in the rear while a second plane serves as standby should the first one fail. During the test four drones, each with two control planes, will be launched from the USS Shangri-la and will be controlled first from the carrier's deck, then from a mother plane in the air and finally from the ground control operator on Roi Island where they will land. (Joint Army-Navy Task Force One Photo.)

Personals

Miss Barbara Wolfkill who underwent major surgery in Houston recently is reported out of danger. Her aunt, Mrs. Allen Ferrell and son Jimmy are leaving Sunday to visit her.

S/Sgt. and Mrs. Tom Fenley of San Antonio are visiting her mother, Mrs. Lula Caldwell and family and to attend the wedding of her sister Dora.

Mrs. F. D. Young has been quite ill at her home the last ten days.

Mrs. Sam Ball of Amarillo, has been visiting her mother, Mrs. W. H. Smith and her sister, Mrs. K. C. Scott.

Mr. and Mrs. Ira McCarver and little daughter, Linda Louise, visited her twin brother, Delma McCatum and family, her sister Mrs. Earl Jernigan and husband all of Sherman, last week. They visited Mr. and Mrs. Sonntag of Frisco. Mrs. Sonntag is Mr. McCarver's sister.

Mrs. Edwin H. Haddock, 345 S. 10, is visiting relatives and friends in Kentucky and Tennessee.

Mrs. Josie Ainsley and Mr. and Mrs. Leon Walston have had as their guests this past week several members of their family. Among those visiting in the Walston home were Mr. and Mrs. Damion Blake-way and daughter, Patricia Ann, of Houston; Mr. and Mrs. Q. B. Murpree and son, Bob, also of Houston; and Mr. and Mrs. Sam Mosely and son Sammie, of Hillsboro.

Mr. and Mrs. Jack Deer of Irving, Texas, have been visiting in the home of Mr. and Mrs. Bill Mosely for the past week.

Miss Shirley Ann Thornton arrived Monday from Miami, Arizona to spend several weeks with Mr. and Mrs. Bert Thornton.

Mrs. Jim Allen has been visiting relatives and friends in Trenton for the past two weeks.

Mrs. L. B. Thornton returned home Monday after visiting relatives and friends in Dallas and Commerce.

Mrs. Thelma Cottingham of Beverly Hills, California visited her mother, Mrs. L. T. Arthur and her aunt, Mrs. Jessie Prosser, this past week.

Mrs. J. D. Lawson of Houston, has been visiting her mother, Mrs. Fannie Patterson. Little John and Pattie Lawson of Houston are spending the summer with their grandmother, Mrs. Fannie Patterson.

Mrs. Lee Green has returned from Corpus Christi where she visited her son, Arthur K. Green

NAPLES, ITALY—Baby Peppino gets what the UNRRA poster promises—Food, Health, and Hope. Peppino is one of over a hundred little inmates of an UNRRA hospital in Naples.

Regional Roundup

BY PAT FLYNN

BIG SPRING will let a contract this week for 50 blocks of street paving, will open Moss Creek to fishermen and announces a new cattle auction sale each Tuesday in the future.

THE TEXAS COWBOY REUNION will be held in Stamford July 2-4 and will feature a Quarter Horse Show in connection with a rodeo and other outdoor attractions.

LAMESA'S First Christian Church launches a drive to erect a new \$30,000 building immediately.

SONORA, TEX., has opened a Teen Canteen this week.

COLORADO CITY, TEX., heard an engineer's report this week that they could support a small airport and the chamber of commerce is now studying such possibilities.

COLEMAN, TEX., has asked for lower gas rates in view of the fact two clothing factories have tentatively approved the city for future locations.

SNYDER will present its ultra-

extravagant rodeo celebration July 17-20 with record crowds expected in attendance.

SEMINOLE, TEX., announces plans for a Class Two airport within the immediate future.

LITTLEFIELD, Tex., is laying extensive water and sewer lines this week, and its county commission contributes \$1,950 to Fair Grounds as a civic investment.

FLOYDADA, Tex., announces its first farm-to-market road is now being topped.

KERMIT, Tex., city fathers have placed the housing emergency program in the hands of the chamber of commerce; passed parking amendments this week; announced a school election for last Wednesday; and featured news on Stanolind's 35-A Hendrick oil well showing salt water on test below 11,400 feet.

MATADOR, Tex., reports a bumper crop of grasshoppers for the week and a boom on poisoning compounds through dealers.

TULIA celebrates its birthday anniversary July 17-18 and will

feature a rodeo carnival, parade and other entertainment.

THE NEW HOME-WILSON highway, near Tahoka, is ready for topping this week.

MEMPHIS votes June 21 on airport bonds, and heard plans this week on a \$423,000 power and light plant.

OLTON'S former court house building has been obtained for a Memorial Hospital. Approximately 300 memberships have been sold.

HASKELL residents expect an early start on a major irrigation and water conservation project for the area. Preliminary surveys on the Brazos Dam project north of Rule began last week.

SLATON may secure a National Guard Armory if a strong enough plea is made, according to Major Walter Smith of the Texas State Guard.

SWISHER COUNTY Electric Cooperative, Inc., has received approval of \$155,000 for REA construction. Major construction will include Swisher, Briscoe and Hale Counties.

FLOYDADA voters approved an increase in the legal levy for schools from \$1 to \$1.50, and favored a bond issue of \$100,000 for school building funds 190 to 53.

TAHOKA'S Youth Center held its formal opening with over 200 teen-agers and adults attending.

BAYLOR COUNTY is estimating a million bushels of wheat for

the county this year.

KERMIT Chamber of Commerce directors expressed unanimous dissatisfaction with the present telephone service of that city at a recent meeting and have asked for increased facilities and equipment.

Swisher, Briscoe and Hale collector is worried, according to the Winkler County News. A man, whose conscience hurt, sent the tax department \$45 for an auto license that should have been bought in the early 1930's. The worry—where does the money go?

LAMESA is improving its street lighting. Four new mercury lights were installed last week, with a total of 36 to be installed when the program is complete.

PAT BULLOCK is the new prexy of the Frontier Round-Up Assn., of Colorado City. Tentative dates for the rodeo are Sept. 12-14.

PADUCAH has made plans for a permanent organization of "Boys Club," for boys from 6 to 16.

BROWNWOOD, latest development in the swift moving campaign of Boyce House for Lieutenant Governor is the withdrawal of Bob Moore, Amarillo and Brownwood publisher, from the race, and the announcement of his support of House.

Moore, one of the leading candidates until his withdrawal several days ago, is widely known over the state and political observers had predicted he would have polled a credible vote.

WILLIAMS FAMILY HELD REUNION RECENTLY

who was seriously ill. He is responding slowly.

Mr. and Mrs. C. H. Clark, son Charles and daughter, Jane Ann of Hillsboro, visited Mr. and Mrs. R. D. Hickman last week. They were accompanied home by Miss Nina Ray Hickman who will also visit in Ft. Worth and Dallas.

Visiting Mr. and Mrs. L. A. Harral last week were Mrs. Harral's brother, A. H. Maxey and son Charles of Ft. Worth.

Mrs. Nellie Keese of Jefferson is spending the summer with her daughter, Mrs. Nat Heaton.

Simon Lokey of Plainview visited his sister, Mrs. J. A. Elliott the first of the week.

Joe Teague III, who is attending State University at Austin, will arrive home Sunday to spend five days between semesters.

Mrs. Cornelia Marable who fell

The Carl E. Williams family held a family reunion at Roaring Springs, Texas at the home of the oldest daughter, Mrs. Ola Fay Tarrant of that place. All of the family were present except one son-in-law, F. N. Bratcher, who was unable to be present.

Those present were Mr. and Mrs. Carl Williams and son, Carl Ray; Mr. and Mrs. J. T. Williams and son, Charley; Mr. and Mrs. Bob Brasfield, and daughter, Eobbie Sue; Mrs. F. N. Bratcher and children, La Dell and Harold Ray; Mr. and Mrs. Odell Cook; and Mr. and Mrs. W. A. Tarrant and children, Lyndia, Jerry Vada, and Dee.

and broke her arm last Friday, is getting along nicely. Mrs. Marable is the mother of Mrs. J. F. Merrill.

For Lieutenant Governor

ALLAN SHIVERS of Jefferson County

Senator Allan Shivers will officially open his campaign for lieutenant governor in Port Arthur, Thursday, June 27. Dean of the Texas Senate and World War II overseas veteran, his speech, which will be broadcast over the Texas Quality Network, 8 to 8:30 P. M., will be of interest to every voter in Texas.
