

Garza County's 1947 cotton crop, most 14 times larger than the 1946 crop, netted a total of 15,177 bales which sold for approximately \$1,750,000.

The business men and individuals of Crosbyton have announced that they will hold a livestock show there Saturday, February 21 and several hundred dollars will be awarded the winning contestants.

Saturday, February 21, has been announced by Alvin G. Davis, president of the Garza County 4-H Clubs, as the date of the Garza County 4-H Fat Stock Show.

T. E. Johnson of the Amarillo Times finally got around to answering the charge of the Canyon News in last week's issue that the statements which he made against Randall County officials were false and his article was uncalled for.

To W. O. Fortenberry of Monroe goes the distinction of being the leading individual ginners in Texas for 1947. His electrically-powered gin plant has turned out over 10,500 bales of cotton from the 1947 crop.

Lewis McMaughton of Dallas will be in Amarillo Friday morning to discuss the water situation in Amarillo. Mr. McMaughton is a noted engineer and geologist of the firm of DeGolyer & McMaughton.

Bill Henderson of Levelland and an agriculture student in Texas Tech, took a three-round decision over Celve Steed of the Wichita Falls District Wednesday night in his opening fight in the Texas Golden Gloves tournament.

At a meeting of the City Commission Tuesday night, West Texas Gas Company officials, including Ray F. Hinchey, vice president and C. F. "Stony" Wall, also a vice president, definitely promised that during 1948 the company would install standby compressors and install sufficient pipe capacity between Littlefield and Levelland to assure a sufficient supply of gas here.

Mrs. Tess Bruner of Hamilton and Mrs. Curtis Hamilton of Slaton spent the week end in the home of Mr. and Mrs. M. W. Abernathy.

The body of Mrs. W. T. Branam who died in Dallas, Wednesday night will arrive here today. She was the mother of Mrs. Travis Irons, and the sister of Mrs. W. A. Tucker.

Mr. and Mrs. Curtis Hamilton of Slaton spent the week end in the home of Mr. and Mrs. M. W. Abernathy.

MRS. BRANAM TO BE BURIED The body of Mrs. W. T. Branam who died in Dallas, Wednesday night will arrive here today. She was the mother of Mrs. Travis Irons, and the sister of Mrs. W. A. Tucker.

SLATON BOY SCOUTS TAKE OVER CITY MANAGEMENT THURSDAY

Posey Church Has Pastoral Conference

The Lubbock Conference of the Texas District, American Lutheran Church met at the Posey Lutheran Church of which Rev. C. Schulte is pastor on February 16, 17th.

A divine worship service was held on Monday night at 7:30 p. m. Holy Communion was celebrated in which all pastors and visitors took part.

After the service, the assembled congregation and pastors were privileged to pre-view the new sound picture on Lutheran World Action entitled "The March of Faith," a picture which depicts the work and the results of the work of the Lutheran Church in the relief and rehabilitation of post-war Europe.

Tuesday was taken over by various reports from institutional representatives from the Lutheran Welfare Society, from the Department of Stewardships and Finance at Columbus, Ohio, and various state and local representatives.

The Conference comprises 12 parishes and includes a West Texas area from Wichita Falls to San Angelo, and as far north as Littlefield and Amarillo. Four of these parishes are missions of the American Lutheran Church, one of which is the Shepherd King of Lubbock, of which Pastor D. V. Sieberg is pastor.

Slaton H. S. Band To Give Concert

The Slaton High School Band, under the leadership of Mr. B. B. Herring went to Ralls Thursday night to attend a Band Clinic. The trip was made in the new school bus.

On Friday, February 27, at 7:30 a band concert will be given by the Slaton band in the high school auditorium. This concert will be free of charge and the public is cordially invited to attend.

BODIES TO BE REBURIED

Mrs. Webber Williams reports that the Williams Funeral Home has received a telegram stating that the bodies of Martin Verkamp and John Green will arrive here at an early date. Both were killed in the Eastern Theatre of war and will be reburied here when the bodies arrive.

John Green is a negro and Martin Verkamp is the son of a well known white farmer of this territory.

BIRTHS Born February 13 at Mercy Hospital to Mr. and Mrs. Melvin Harrell, a boy weighing 8 pounds and 2 ounces.

Because of the extremely bad weather last week, which was official Boy Scout Week, the Scouts postponed taking over the management of the City until Thursday of this week.

Mayor, David McCloud, 12. Commissioners, Bobby Glasscock, A. A. Gartman, Johnnie Hogue, James Drury, City Secretary, Don Kendrick, City Health Officer, Everett Hodges; assistants, Donald Sikes and R. A. Thompson, Fire Chief, Red Pearson, Firemen, John Petty and Ren Cross.

Police: Billy Butler, chief, David White, Ray Aylsworth, Harley Patterson, Jerry Lemon, Darwin Duckett, Cliff Elston, Jeff Pate, Harley Castleberry, Lyle Berry, and Joe Sparkman.

On Monday night of last week a Pot Luck Supper was held at the First Christian Church, at which time a large number of the boys were present, but the attendance of parents was rather small.

October 22, 1947, Tenderfoot Recognition: Jeff Pate, David D. White, Harley Patterson, Johnnie Hogue, Merit Badges, David McLeod, swimming, reading, art.

December 6, 1947, Merit Badges: Bobby Norris, Indian Lore, home repairs; Billy Butler, Indian Lore home repairs; Everett Hodges, home repairs; Don Kendrick, home repairs.

February 9, 1948, Tenderfoot Recognition: Mark McLeod, John Petty, Ray Aylsworth. Promoted to second class: Lyle Berry, Harley Patterson, R. A. Cross, Johnnie Hogue, Ray Aylsworth. Promoted to First Class, Bill Butler.

Slaton And Wilson Tangle In Ring

A number of Slaton ring fans went to Wilson Tuesday night to attend a fight program, put on by Wilson boys and Coach Clarence Tillery's young fighters. Winners by decision were named in 12 bouts.

Gerald Coleman of Slaton defeated W. A. Biggs, Wilson, in the initial go of the card, then Rudy Bounds of Slaton pounded out a win over Douglas Scott, Wilson.

Other decisions were as follows: Charles Scott of Wilson defeated Red Pearson, Slaton; Joe Stone defeated Javon Schneider, both of Wilson; Scooter deaconed Splawn both of Slaton; Bobbie Brown defeated Cecil Bybee, both of Slaton; Rhodes won over Swanner, both of Slaton; Macker defeated Kirby, both of Wilson; Herring defeated Williams, both of Slaton; Berkley of Slaton gained a win over Crumbley of Slaton; Tommy Bednazzo of Wilson edged Johnny Melcher of Slaton; and Jerry Lovelady deaconed Carlton Serrogins of Slaton.

Bo Sexton of Lubbock was referee for the bouts, while Cleo Wright, Albert Wuensche and R. L. Kahlich served as judges.

Another Match Scheduled Coach Tillery of the Slaton High School reports that a Boxing Bout has been arranged between the Wilson students and Slaton to be held next Tuesday, February 24th. There will be from 14 to 16 contests between boys weighing from 60 to 140 pounds.

The tickets will be on sale Saturday at the Drug stores here in Slaton. It promises to be a real contest.

FONDY CHILD DIES

Robert Dee Fondy, five months old son of Mr. and Mrs. D. V. Fondy, jr., of San Bernardino California, died late Thursday night of strangulation in Havana, Cuba, where Mr. Fondy, a professional baseball player was in winter training. Mr. and Mrs. Fondy returned by plane with the body to San Bernardino last Saturday. Mr. D. V. Fondy, jr., is the son of Mr. D. V. Fondy, sr., former resident of Slaton who is now living in San Bernardino.

We Salute-

(Editor's Note: From time to time we hope to be able to publish a short biography of some of the men and women of Slaton, giving their impressions of our town, and we appreciate their co-operation in this venture. Today we salute Mrs. Fred Stottlemire.)

MRS. FRED STOTTELMIRE

Mrs. Fred Stottlemire of 305 W. Garza has been a resident of Slaton for 33 years. She was formerly Miss Bertha Watkins, born in Maryville, Tenn., and educated in Tennessee and Oklahoma. Her ambition as a very young girl was to be an old maid school teacher which she carried out by marrying Fred Stottlemire, at the age of 17.

The Stottlemires began their married life in Woodward, Okla., moving first to Amarillo, then to Canadian and locating in Slaton on January 25, 1915. Mr. Stottlemire was a locomotive engineer employed by the Santa Fe Railway until he passed away December 19, 1944.

Mrs. Stottlemire says it has been interesting and inspiring to watch Slaton grow. These 33 years have seen many and great changes in our town. When she arrived here her husband was out on a run, and "Uncle" George Marriott met her at the train, took her to the Santa Fe reading room, and from the door there, pointed out the house which was to be her new home. It was located on what is now E. Panhandle Ave., and there was nothing but a path between there and the railroad.

At her earliest opportunity, Mrs. Stottlemire placed her membership in the First Baptist Church here and through all the years she has been a faithful worker for the Kingdom. She was Supt. of the Primary Dept., for five years, President of the Homemakers Class for twelve years and has always been a teacher in the Sunday School and worked in the missionary society and in B.T.U.

She tells of the time when there were only two protestant churches in Slaton. They faced each other in what is now almost the center of town, and each held Sunday School every Sunday. Neither being able to have a full time pastor, they held services every other Sunday. After Sunday School, the Methodists would all move over to the Baptist Church for preaching one Sunday and the next Sunday the Baptists would visit the Methodists.

Mrs. Stottlemire also remembers with amusement the 4th of July Celebration years ago, a picture of which was published in The Slatonite recently, when there was a windmill and water tank in the Square and a fine crop of weeds where now the city has a nice, well kept lawn. She tells of the time when high top white shoes were the style. One night they left for church under a fine clear sky, and when the time came to return home the water and mud came up over the tops of those fine white kid shoes. Anyone remembering that experience can really appreciate the blocks and blocks of pavement and sidewalks of Slaton today.

Mrs. Stottlemire is the mother of two daughters, Mrs. Mable Dix of San Francisco and Mrs. Melba Osborne of Lubbock. She also has two fine grandsons who have spent

Over the Wire

The freezing weather during the last of January and the first part of February did not seem to discourage the fruit trees, roses and other flowers. They are going to bloom regardless of the weather, the libs are swelling and the blooms are almost ready to come out.

C. of C. Secretary Strickland says that he hopes that the home owners of Slaton will take an interest in getting their houses numbered. Some plan and style of numbers should be selected and all of the houses should use the same kind of numbers and place the numbers over the front doors.

The C. of C. Directors are expected to take up the problem of getting the streets named and numbered at an early date. There are a number of civic improvements that should be considered and Secretary Strickland says he is open to suggestions from any source.

Bill Sewell made a speech last week at Fort Worth to a gathering of Texas Bankers.

Real estate dealers report that exchanges in ownership of local property are not as active as several months ago, but that the insurance business has been picking up and that large numbers of new automobiles, new homes and other insurance activities have made this line of business good.

Grocers say that there is still a shortage of many food items and that they do not expect many of them to be relieved soon particularly paper items.

Unless very unusual conditions arise Slaton is expected to have the best water supply that it has ever had. The Hospital and the West side of town now have the best water pressure ever received in this part of town.

What is the population of Slaton. No very accurate count will be made until 1950 but local guesses vary anywhere from 4000 to 6000. Local estimates based on any way of scaling the amount will be published if sent in to the Slatonite.

While Slaton has not suffered any large individual fire losses lately there have been a number of small fires that may affect the fire insurance rate if they continue. While some of the causes of the fires have been traced others have not and the possibility of arson might be considered.

Henry Jarman Is Snack Shack Owner

H. V. Jarmon, long time resident of Slaton, is now operating the Snack Shack on North 9th St., formerly owned and operated by Bert Thornton. Mr. Jarman has had years of experience in the restaurant business and is well known here. He promises to give the people of Slaton first class service and the best of everything good to eat.

Donald Cherry Is A. & M. Graduate

Among the mid-term graduates in the Department of Engineering, Texas A. & M. College, is Donald Davis Cherry, son of Mr. and Mrs. W. T. Cherry of 300 West Lubbock Street.

Rev. and Mrs. Cal Wright are visiting in Fort Worth and Dallas this week.

a great part of their lives in her home here. Since Mr. Stottlemire passed away, she has been in the insurance business, also keeping up her church work and maintaining one of the loveliest homes in Slaton.

Bond Election To Be Held March 6th For \$50,000 More School Funds

Horse Sense Is Proving Popular

Slaton was the first town in West Texas and one of the first in the nation to be tested on the Horse Sense Quiz Contest that is being inaugurated in many parts of the State in both the Leon Theatres and in other organized Theatre enterprises.

The local reaction has been closely watched by the Theatre owners over this section and last Tuesday night Mr. C. D. Leon, the General Manager of the organization came to Slaton and held the contest himself. The entertainment went off with zest under his crisp direction and the Theatre was filled with standing room nearly taken up.

The contest is held very much like the radio quiz contest only everyone who is present at the Theatre is entitled to try for the prize.

The prize of \$100.00 in silver dollars was won last Tuesday night by Mrs. Bennie Moeller, who answered all six of the questions correctly. The prize will again be \$100 next Tuesday night when another set of questions will be asked from the stage. In case there are no correct answers \$25.00 will be added to the amount and offered as a prize the following week with \$25.00 added each week until there are one or more winners. When there are more than one winner at one of the entertainments the money is divided among them.

"It looks like 'Horse Sense' is going over big and will be even more popular as time goes on," said Andy Stone, local Manager of the Leon Theatres.

Mr. Leon reported that T. H. Duckett, who opened the Slaton Theatre here, is now promoting Horse Sense over the state and will be occupied in this activity for some time but will be back in Slaton when it is fully established and running in towns where other Leon Theatres are operating.

R. M. A. Banquet Arrangements Are Being Completed

Mrs. Lee Green, Secretary of the Retail Merchants Association, reports that arrangements are being completed for the annual banquet, which is to be held Friday, February 27th, at 7:30 at the Slaton Club House with Mrs. H. H. Edmondson and Mrs. Ben Mansker in charge of serving the dinner.

An interesting program is being prepared and business people and their employees are invited. Tickets are to be on sale by the directors and at the Secretary's office.

Mrs. Whit Worley and son, Jimmie Don Edmondson, of Sweetwater spent Sunday in the home of her parents, Mr. and Mrs. H. H. Edmondson.

AMATEUR SHOW TO BE HELD IN SLATON BY LIONS CLUB

The Slaton Lion's Club committee to promote an Amateur Talent Show is busy working out publicity and promotions of the entertainment that will be held some time next month. The show will be held in Slaton and will be open to any one who wishes to enter as long as they are amateurs.

There will be three prizes given the winners with the first prize \$150.00, the second prize \$75.00, and the third prize \$50.00. According to reports a number of novel acts have already been booked and the Club will

The Board of Education of the Slaton Independent School District upon receipt of a petition signed by the required number of qualified voters of this school district has issued an order for an election to be held on March 6, 1948 on the question of issuing \$50,000.00 in bonds. If this sum is voted, it is to be used to supplement a previous issue of \$125,000.00 making a total of \$175,000.00. This money will be spent for erection and equipping of an elementary school building and to repair other buildings to meet the needs of the Slaton School. It is to be a modern sixteen classroom building, meeting all the standards of the building code of the State Department of Education as set out in the statutes of the State of Texas.

After careful consideration and inspection of school buildings that have been recently completed in other school districts, the Board of Education concluded that it was imperative and necessary that this construction be started and completed as soon as possible. This will provide for this school an adequate building for the present and for the years ahead.

This is an important item in the advancement of educational opportunities in this school district. Those who have given careful and serious consideration to this question, have all concluded that it should be done as soon as possible.

Slaton Chapter of Red Cross Will Hold Meeting

The Slaton branch of the American Red Cross will hold its annual meeting Wednesday, February 25 at 8 p. m., in the City Secretary's office. Reports will be made by the various officers and new officers will be elected.

The public is invited so that they may better understand what their annual donations to the Red Cross are used for.

W. L. Pearson is the local chairman. All Slaton branch officers are full time volunteers. No salaries are paid out of donations here.

MOTHER OF SLATON WOMAN BURIED IN KERRVILLE

Funeral services were held Sunday in Kerrville for Mrs. Warren, mother of Mrs. J. L. Preston of Slaton. Mrs. Warren passed away in Amarillo the latter part of last week following a long illness. She had been with her daughter, who lives southeast of town, most of the time for the past several months.

Jack Berkley, R. C. Stevens and Pip Dawson flew to Hereford and back Sunday, with Jack Berkley piloting the plane.

Mr. and Mrs. Joe Bob Stevens and Gordon of Munday were in Slaton Sunday evening for a short visit with their son, R. C., who is employed by the West Texas Cotton Oil Co., here.

BIRTHS logo and text: Born February 13 at Mercy Hospital to Mr. and Mrs. Melvin Harrell, a boy weighing 8 pounds and 2 ounces.

AMATEUR SHOW TO BE HELD IN SLATON BY LIONS CLUB logo and text: The show all over the South Plains in order to encourage acts of all kinds to the show. It is expected that there will be some unusual talent brought out and the Lions expect to produce one of the most entertaining ever held.

CHICK CHATS
By Robert Huser of Huser's Hatchery
Start Your Chicks Right

Start your chicks right and your chances of experiencing a profitable poultry-raising season will be greatly enhanced. Everything should be in readiness when the chicks arrive. The brooding house should be cleaned, scoured, and thoroughly dried out beforehand. Equipment should be clean and sanitary. The brooder stove should be in operation and the brooder house warm and cozy. When the chicks are first placed in the brooder house, it is advisable to have the litter covered with newspapers or burlap. This will prevent the birds from eating bits of litter.

Use a Hover Guard fine the chicks to an area near the chics to an area near the brooder stove by erecting a hover guard which keeps them near the source of heat. The guard may be hardware cloth, chicken wire, or some other suitable material. It should be about two feet from the edge of the hover at first and then may be moved back gradually each day until the end of the first week when it may be removed completely. For the first few days, place feed on box lids or new egg case flats. This enables the baby chicks to locate the feed easier and to fall into a satisfactory feeding routine quicker. In a few days the regular chick-size feeds can be used. Have at least one inch of feeding space per chick for the first three weeks and double it thereafter. Figure at least two one-gallon waterers for each 100 chicks.

Brooder Stove Temperature
Strive to keep the birds warm and comfortable. The temperature at the edge of the hover should be 90 degrees to 92 degrees for the first week. Then it may be lowered gradually until the end of the sixth week at which time artificial heat may be dispensed with unless weather is severe. Watch your brood closely for signs of discomfort. If chicks are warm, well fed and content, they will "talk" in a low-toned "cheep." When they are noisier than normal and their "cheeping" becomes rapid and high, look for something wrong. A shrill, noisy brood may be either hungry, thirsty or cold.

Just an Old Wind-Bag
If you think you're using modern slang when you call someone an old "wind-bag," you're wrong. Aelius was the father of the winds in Greek mythology. World Book encyclopedia says he kept the wind in bags and loosed them according to his whims. Sometimes he released gentle winds to help sailors on their way. Sometimes he let out fierce ones to create great storms. The term "wind-bag" came from this ancient legend.

Blade of a Knife
Most of the carving knives today are composed of alloy steel or stainless. Experts say the finest blade is made of vanadium steel plated with chromium. The greater the carbon content in steel, the better the quality of the knife.
Sealding and airing at night is the way to prevent that "stale" odor in the lunch pail which may give an unpleasant taste to food carried in it.

Texas Tech Notes

Enrollment at Texas Technological College for the current semester is 5562, an increase of 379 over the figure for spring, 1947, the registrar's office announces.

Appointment of E. Douglas Anderson as lecturer in civil engineering and of Mrs. Meda Johnson as instructor in architecture and allied arts for the spring semester at Texas Technological College has been announced by Pres. W. M. Whyburn.

Anderson holds a BS degree in civil engineering from Texas Tech. He served with the naval air corps during the war. Mrs. Johnston has a BA degree from Texas College for Women and has taught art in the Iran and Odessa public schools for five years.

It is believed that every student who completed degree requirements this fall at Texas Technological College and who was seeking employment has already found work, according to Mrs. Harmon Jenkins, college placement service secretary.

A small but important collection of books and documents on early history of Texas and the Southwest

has been placed in a special room of the Texas Technological College library to make it easily available to interested persons, Librarian A. S. Gaylord announces.

The material on hand forms the nucleus of a collection which the library expects to expand to a large extent as a service to people seeking information on Southwestern lore, Gaylord said.

The library has recently received microfilm reproductions of the early Texas newspapers and rare books, donated by Lewis MacNaughton of Dallas. These reproductions are valued at approximately \$1000.

Eight steers from Texas Tech sold at auction last week during the Southwestern Exposition and Fat Stock Show at Fort Worth for an average of \$489.69 each, believed to be the highest price ever paid at public auction for show steers at the Fort Worth event, according to Dean of Agriculture W. L. Stangel.

Dr. W. M. Whyburn, president of Texas Technological College, and W. L. Stangel, dean of Agriculture, will attend the second annual 4-H and FFA calf show in Hereford, February 21.

Dean Stangel will serve as calf judge.

The Texas Tech-Hardin Simmons basketball game scheduled for February 27 in the Tech gym has been shifted to February 26 to avert conflict with the regional Class B high school tournament scheduled for the gym February 27-28, Morley Jennings, Tech athletic director, has announced.

Mr. and Mrs. Ma Toa Seng of Foochow, China, paid more than forty million dollars in fees to enroll in Texas Technological College this semester. That's the figure in Chinese National currency from a licensed dealer. If from the black market it would run to sixty million, maybe seventy million, maybe eighty million, Ma says.

Mr. and Mrs. Ma came to Texas Tech as culmination of a dream which started in 1943, a dream which came true because a Lubbock flier kept a promise.

Lt. Ernest Winters of Lubbock, former Texas Tech student now enrolled in Baylor Dental school, Dallas, was shot down in Chinese waters and was rescued by fishermen. The underground took him almost 400 miles through the mountains back to American fore-

es. During the last half of the journey his guide and guardian was Ma Toa Seng, a guerilla. Throughout the week Winters talked long and often of the United States, Lubbock and Texas Tech. He promised to help the Mas get to Tech.

Back in Lubbock after the war Winters negotiated. Two weeks ago the Chinese couple arrived on the campus. Two days later they were in Dallas visiting their American friend and benefactor, returning this week to Texas Tech for registration.

Dr. W. M. Whyburn, president of Texas Technological College, will attend a regional planning meeting on higher education and engineering research and education in the South to be held at

the University of Florida March 3-5.

Nine former high school football stars of Texas have enrolled in Texas Technological College this semester and Coach Dell Morgan and his aides feel they are all likely prospects for the Red Raider teams of the future. The group includes: Jackie Cockburn, Denison and Norman Dalton, Abilene, tackles; Richard Jackson, Phillips, Pete Jones of St. Jo; and Arbie Minzenmeyer, Granger, ends; Jerrell Price, Brownfield, Rex Pinson of Falfurrias, and Jamse Roberson, Bowie, guards; and Roy Jackson of Denison is the new back.

SOUTHLAND MRS. FLOY KING

Monday was Mrs. C. S. Lindsey's birthday and after the ball game that night the high school students surprised her with an ice cream party in the gym. Mrs. Lindsey says it was a very happy surprise.

Mrs. Dora Harrell of Roswell, N. M., visited the past week with her father, C. T. Anderson, and her brother, Leonard Anderson, and family.

Visiting the Fred Woods last week on Tuesday were Mrs. O. O. Burlison and family and Mrs. Fred Sooter and three children, all of Slaton, and on Thursday, Mr. and Mrs. Cliff Weaver and son, Donald.

Polly Stotts left Wednesday for Denton to visit relatives.

Mr. and Mrs. W. W. Gilliland have been in Slaton all this week helping to take care of the children of their daughter, Mrs. Dave Draper, who underwent an operation in Lubbock last Monday.

Cliffy, little grandson of Mr. and Mrs. Harry King, stayed with them from Thursday until Saturday while his mother, Mrs. Pete King, was in a Levelland hospital. They took the baby home Saturday and spent the week end there.

Southland boys and girls basketball teams won both games against Cooper here Monday night, but lost to Friendship Tuesday night at Friendship.

Supt. C. S. Lindsey, who was chairman of Southland march of dimes, reports that \$73.50 was contributed here.

Mr. and Mrs. Walter Kellum and Mr. and Mrs. Oscar Barkley and granddaughter, Nelda Joyce Tollison, visited a sister of Mrs. Kellum and Mr. Barkley, Mrs. Vernon Frye, and family in Sweetwater, Sunday.

Lehman Barkley of Lubbock plans to spend his vacation at home here, starting February 18.

Billy Tollison and his father, Roy Tollison, are visiting relatives in East Texas.

Mrs. Sammie Hendricks and son are visiting her parents, Mr. and Mrs. John Leake.

Mr. and Mrs. Edd Denton are in Commerce at the bedside of her father, who is ill.

Mrs. Edd Portwood is in the hospital again.

Mrs. Dean, who has been visiting her son, Harlan, and family, has returned home.

Mr. and Mrs. J. F. Winterrowd and Mr. and Mrs. E. D. Jackson went to Odessa Saturday to visit Mrs. Winterrowd's aunt, Mrs. S. P. Morton, and family.

Howard and Clyde Anthony of Tokio were visiting relatives here Sunday.

Mr. J. P. Howard of Post is expected to be dismissed from St. Mary's hospital in Lubbock this

week after major surgery January 19. He will remain in Southland with a daughter, Mrs. A. A. Ferguson, until able to return to Post. He is the father of Elmer and Harvey Howard of Post.

Mrs. Kellum, Mrs. Winterrowd and Mrs. King extend thanks to all who had a part in putting on the play for the benefit of the community lunch room.

Girl Scout News

Brownie Troop No. 2, under the leadership of Mrs. W. L. Pearson, met Monday afternoon at 3 o'clock. It being a lovely day to be outdoors, the troop went to the park for their activities, following which refreshments were served by a Brownie mother.

Girl Scout Troop No. 7 met in the annex at the Baptist Church Monday afternoon at 3:45. There are 18 members in this troop and Mrs. Tom Herod is the leader, with Mrs. Delma Hodge recently elected as assistant. On Monday the girls had a lesson in First Aid, studying the application of bandages, following which games were played.

Committee members Mrs. Clarence Wells and Mrs. Paul Brasfield met with the leaders to plan future activities.

This in International Friendship Month in Girl Scouting and next week the girls of this troop will pack a box to be sent to a little girl in Holland, to whom they sent a box at Christmas time.

—Janet Pearson, reporter

BRUCE OUT OF CATTLE BIZ.
Bruce Pember, while attending the Fort Worth Stock Show purchased three head of registered pooled Herefords with the intention of going into cattle raising, but his brother, Royce, liked the looks of the Herefords so that he talked Bruce out of them and now Bruce is out of the cattle business.

POSEY ITEMS

R. L. BOYD

Mr. W. L. Holloman of Slaton spoke at 11 o'clock Sunday morning. His subject concerned the home, community and church. A larger crowd than average was present.

Mr. and Mrs. Jim Sain and daughters visited hte J.H. Stone family at Cousey, N. M., Friday.

Earl Johnson, in a car and motorcycle accident, suffered painful but not serious injuries in a collision south of Slaton Saturday evening.

Robert and Shorty Boyce of Slaton visited M. P. Gentry last Thursday night.

H. D. Carroll, a grandson of A. M. Carroll has had influenza.

On Sunday February 22nd, Rev. Ray Cox of Lubbock will be present for 4th Sunday services.

Mr. and Mrs. Jay Carroll of Pep, N. M., visited Mr. and Mrs. A. M. Carroll Sunday evening. They were enroute to Childress to see their son, Joe, and wife, who has been in a hospital.

M. P. Gentry and Fabian Stahl have been appointed judge and associate judge by the commissioner's court to hold the general and special elections this year.

V. F. Boyd and B. Boyd visited relatives at Lubbock Sunday afternoon.

A conference meeting was held Monday and Tuesday at the Posey Immanuel Lutheran Church where Rev. Charles F. Schulte is pastor and also secretary-treasurer of the conference. Monday evening a motion picture "The March of Faith," was shown.

Ed Hunter of Burris and a man from Muleshoe were inspecting a Posey community farm, which was for sale, a few days ago. Because the farm is not believed to be suitable for irrigation, the men were not interested.

Billy Boyce and son, Robert, have purchased the John Cates store which they will enlarge and operate.

came about two years after the first world war and lasted about six months. We may have some hectic times in the near future.

What I want to know is "what are you going to eat for supper?" That is one of the major problems at our house and my wife never asks me at noon what I want to eat that night. She waits until I get home from work and bowls me over with the question then after I have put my full mental powers on the problem and come up with the suggestion that I would like to have a melted cheese sandwich, some lettuce salad and a hard boiled egg she tells me that we have no cheese, the lettuce is all wilted and there is just one egg in the house and she wants it for her breakfast, then I suggest a can of vienna sausage, some olives and a can of baked beans and we discover that we have some canned soup, a bouquet of celery and an onion that is about to sprout so I have soup, onion and celery for supper and the stomach ache the next morning at breakfast.

Of course there are greater problems in life than what we are going to have for supper and one of them is what we are going to have for dinner and I have often wondered why it is the man's duty to figure all of these things out along with the income tax, why the bath room faucet leaks and how to put mange cure on the dog. It is the man who pays and pays and pays.

Fruits and vegetables freeze more successfully after their moisture is reduced, scientists find, because there is less breakage of the cell tissues from large ice crystals which form when more water is present.

One only 2 drawer steel letter box at the Slatonite.

A Good Market For Beef Cattle Assured

COLLEGE STATION, Feb. 16—There will be fewer meat animals and less meat in '48 which is hard on the consumer but money in the pocket for the producer. The situation holds true for Texas as well as the whole nation.

Extension farm management specialists for Texas A. & M. College say there are several favorable factors affecting the livestock market. Cattle prices will be affected by the heavy marketing of cattle and calves in 1947, as it brought breeding cattle numbers down and means a short calf crop in '48 for certain. Fewer calves and strong demand mean good prices for beef. The recent cold wave may cause still more breeding cattle to be marketed because of the high cost of winter feeds.

An early spring and good pasture conditions in the Feed Belt

would make a good market for Texas cattle, as many farmers in that area plan to buy younger and medium to good grade cattle for use on their pastures this spring and summer and will feed them only a little corn until the new crop comes on in the fall.

Not only will there be fewer cattle to market this year, but also fewer lambs. Many ewes in Texas are in poor condition and won't be able to stand continued severe weather without heavy feeding. Winter wheat pastures in Texas as a whole are in relatively poor condition. Last year small grain pastures carried a million lambs, but very few moved to that area in late '47 because of the drought. Many ranchmen have culled their flocks closely.

All in all, it looks like the demand will be good and the prices right for the livestock producer in Texas in 1948.

"VOLATILITY CONTROLLED" TO GIVE YOU FAST STARTS!

JUST TALK

by
A.M.J.

"It isn't always so bad. Suppose you had a television set and had to watch commercials instead of just hear them." Dakota County Star, South Sioux City, Neb.

The battle between television and standard broadcasting is going to be something if television ever gets going in all parts of the country. When I made my famous talk before the Journalism class at Tech one of the students asked me what would be the effect of broadcasting stations going into the smaller towns and I told him I had spent considerable thought on the subject but had no answer myself.

As far as the newspaper business and the radio I believe the radio has done about all the damage it can do to newspaper advertising and it is going to be fun to sit back and watch the hair pulling when the two broadcasting cats get to fighting. Like the old boy in Sioux City it seems nauseating to even think of having to watch a commercial, listening is bad enough.

"Life must be worth living—the cost has doubled and we still hang on." Salem (Ind.) Republican-Leader.

The above clipping from an Indiana paper has some food for thought. There are a lot of folks who seem to enjoy living and if they are having as nice a time as they seem to be having I'd like to get their recipe. Preacher Lloyd Moyer seems to me to always be enjoying himself, John Berkley very seldom seems out of spirit, John Sims is always "cocky" and full of interest and Doc Crow is mighty hard to argue into a despondent mood. Personally I am worried about prices going up, and prices going down, the threat of war, a fancied depression and who is going to run for Senator.

It is interesting to have letters from readers of the Slatonite and I appreciate very much getting the letter written last week by Mrs. Nora Billingley who lives at Hackberry. Mrs. Billingley has an excellent command of English, she expressed herself well and shows in her writing that she is alert to everything that goes on in many phases of life.

Any views that you wish to express will be gladly published in

the Slatonite whether we agree with them or not.

We are always glad to get news items, social items, club news and items of personal interest but in order for us to get most of them in the paper we must have the information by Wednesday at 3:00 p. m., earlier if possible. We usually have eight pages of the paper printed by Wednesday night and have only a limited amount of space to devote to late stories. The people of this area have been most cooperative about giving us news and we appreciate the favor very much. Phone, write or bring it in and we'll do our best to let folks know about what's happening.

Would it be possible for Slaton to have the Highway on both sides of the town made beautiful this spring and summer with some flowers. Many communities in Central and South Texas have made it a practice for a number of years to plant wild flower seeds such as blue bonnet and "Indian Blanket" seeds and the results have been most startling and attractive. While these kinds of wild flowers do not grow readily in this climate there are hardy cultivated flowers that would likely grow if they were planted. Larkspur will almost grow on cement. And they are really attractive.

This is a suggestion that some womans club might undertake. It seems to me that most clubs for both men and women have very little to offer as reasons for their existence except some kind of theoretical mumbo jumbo about brotherly love or sisterly love, which if practiced would be good but where some real activity is provided those who put in their time can have something concrete to work on and feel the reward for having accomplished something worth while.

The big question in most of the peoples mind these days is will there be a depression or a recession. Few of us will deny that prices have been too nika, but a few business men want them to come down, most of us have been unable to keep our prices in line with increasing wholesale prices as they have gone up, for there has been no way of keeping posted on price rises. The wholesalers and manufacturers have been quoting no prices and we have been accepting merchandise at any price they wanted to charge and selling merchandise bought in the past at the original mark up. Now it things start down we are going to take more punishment only the customers are going to tighten up and wait to see what is going to happen. With the whole world starving for new merchandises it would seem that a recession could not come but one

From where I sit... by Joe Marsh

Free Ride For You—on the Freedom Train!

We had a real thrill in Our Town just the other day—when the Freedom Train stopped by!

You've heard about it, of course—an actual train that's touring the country to remind us again what true Democracy means. It carries such Americana as the Declaration of Independence, the Bill of Rights, and other immortal documents that guarantee every citizen his liberty.

A great idea! And from where I sit, we're all riding along with that Freedom Train—right now—by liv-

ing in a country that protects our individual liberties—whether they apply to our right to vote, to choose our church, to speak our minds, or enjoy a glass of beer with friends.

Only thing is—we've got to prove ourselves worthy of the ride... by guarding zealously against whatever forces of intolerance encroach upon our American concepts of live-and-let-live, in a free and strong Democracy!

Joe Marsh

Getting telephones for those waiting

1 Besides a telephone instrument, we need cables and switchboards to furnish telephone service.

2 Factories are turning out this equipment faster and faster.

3 But the need is nation-wide. In the Southwest alone equipment is needed in 700 cities to serve 235,000 people. We are getting our share of what the factories produce and we're putting it in as quickly as we can. By ingenuity and hard work, we'll have this job licked one of these days.

"Australia" Is Subject Of Civic And Culture Club

Mrs. Lee Green was hostess to the Civic and Culture Club last Saturday afternoon in the home of her daughter, Mrs. R. W. Ragsdale, 155 N. 6th. Twenty members and one guest speaker were in attendance.

Mrs. J. W. Chenoweth was the leader for the program which was on "Australia." Miss Myrtle Teague was a guest speaker and her topic was, "Australia's Past." Mrs. W. T. Cherry discussed, "Neighboring New Zealand," and Mrs. P. G. Meading talked on, "Literary and Art Treasures."

Decorations in the home carried out the Valentine motif, and valentines were given as plate favors. Mrs. O. O. Crow assisted Mrs. Green and Mrs. Ragsdale in serving refreshments.

The Tri-Club meeting is scheduled for tonight, February 20, and will be a formal dinner at the Slaton Club House.

Mrs. Tanner To Give Art Club Program

Slaton Art Club will have their regular meeting Tuesday, February 24 at 3 p. m., with Mrs. S. H. Adams and Mrs. Geo. Marriott as hostesses.

The program will be given by Mrs. C. L. Tanner, whose theme will be, "Art in Photography."

Ruby Farmer and daughter visited in Ropesville, Texas, Sunday with Mrs. Farmer's brother, B. L. Rudd.

McCall-Worley Vows Exchanged Thursday

On Thursday, February 12, at 8:30 p. m., in the home of Rev. W. F. Ferguson, officiating minister, Mrs. Ethel Lee McCall and T. A. Worley, jr., were united in marriage. Mr. Worley's mother, Mrs. T. A. Worley, sr., of 705 S. 11th St., and Mr. and Mrs. B. B. Castleberry, 220 S. 10th, were attendants.

Mr. and Mrs. Worley left Friday for Roswell, N. M., where they attended the wedding of Mrs. Worley's sister, returning Sunday. They are at home at 643 S. 8th St., Slaton.

Blue Bonnet Club Elects Officers

The Blue Bonnet Club met in the home of Mrs. Dan Liles on Wednesday, February 11, with Mrs. Liles presiding. Roll call was answered with favorite movie stars.

Election of officers was held as follows: President, Mrs. R. C. Sanner; vice president, Mrs. Arthur Dennis; secretary, Mrs. Joe Teague, jr.; treasurer, Mrs. Henry Jarman, parliamentarian Mrs. Geo. Culwell; reporter, Mrs. Carl Evans. The next meeting will be the annual luncheon, which will be held in the home of Mrs. J. D. Barry, February 25, at 1 o'clock, and will be in honor of the outgoing and new officers.

Sunday visitors in the home of Mr. and Mrs. R. A. Cross were his brother, Mr. and Mrs. Mike Cross and children, and Forrest Chapman of Plainview.

Society - Clubs

Jolene Marie Tate And John M. Fondy Exchanged Marriage Vows Sunday

Miss Jolene Marie Tate, daughter of Mrs. Joe W. Tate, 705 South Seventh, Slaton, and John Marvin Fondy, jr., son of Mr. and Mrs. John M. Fondy, sr., Route 2 Slaton, were married last Sunday at 5 p. m. in the Slaton First Baptist church. Rev. W. F. Ferguson performed the double ring ceremony before an altar decorated with a wedding arch of greenery and white gladioli. Long tapers in tiered candelabra were on each side of the arch and tall baskets of gladioli decorated the altar. The bridal aisle was lighted by groups of two candles in holders tied with white maline bows.

The bride, given in marriage by her mother, wore a gown of white slipper satin fashioned with long sleeves coming to points at the wrists and lined with minute self covered buttons. The yoke of silk woven lace was high necked and was accented with a bertha of satin. The bodice is long and fitted with small self-covered buttons down the center of the front. The full flared skirt extended into a train, and the finger tip veil of illusion was anchored by a high tiara of pearlized orange blossoms. Her mother made the ensemble. Something old was a solid gold brooch belonging to the bride's great-great-grandmother, and a string of pearls, a gift from the bridegroom, was something new. For something borrowed the bride had chosen a lace handkerchief belonging to her mother and a garter belonging to the matron of honor was something blue. For good luck, a penny was worn in her shoe. Bridal flowers were an arm bouquet of white gladioli centered with a large purple orchid and tied with a white satin bow with long satin streamers.

Attendants To Couple
Mrs. R. J. Fondy of Slaton, sister-in-law of the bridegroom, was matron of honor, and R. J. Fondy brother of the bridegroom, was best man. Attendants of the bride wore dresses designed on the lines of the bridal gown and made of pastel shades of faille taffeta with yokes and veils of nylon chiffon of matching colors. Tiaras of carnations tinted to match the pastel shades of the dresses were also worn. The matron of honor was gowned in sky blue. Bridesmaids were Miss Vysta Ward, wearing pale rose; Miss Reta Fred Stephens dressed in aqua; Miss Glenna Sue Liles, appearing in yellow; and Miss Betty Jo Gentry, gowned in orchid. Each of the bride's attendants carried an arm bouquet of white gladioli tied with white satin bows and streamers. Miss Stephens is attending Baylor university in Waco, and the other bridesmaids are from Slaton. Candelighters were Miss Anna Doris Phillips of Slaton and Miss Mary Evelyn Cook of Wilson. The ushers were Louis and Joe Fondy,

brothers of the bridegroom, Glen Scroggins, Bobby Martindale, Sam Phillips, Henry Payton, and Jerome Burns; all of Slaton.

Before the ceremony Mrs. L. B. Hagerman, organist, and Miss Billie Jean Tucker, pianist, played two duos, "Always," and "Will You Remember." Accompanied by the organ, Miss Nancy Teague, soloist sang, "I Love You Truly." As the candles were lighted Miss Tucker and Mrs. Hagerman played "Indian Love Call," and Miss Teague sang "Because." "Clair de Lune" was played during the ceremony. The couple knelt on a satin pillow as the benediction was said and as Miss Teague sang "A Wedding Prayer." The traditional wedding march was used.

Reception Is Held

After the service a reception was held in the home of the bride. The couple was assisted in receiving by their parents. The serving table was laid with a lace cloth and centered with an arrangement of white gladioli flanked on each side by white embossed candles. The couple cut the three-tiered wedding cake topped with miniature bride and bridegroom. Mrs. Lula Caldwell attended the silver coffee service. Out-of-town guests were Mrs. A. L. Young of San Bernardino, Calif., and Mr. and Mrs. Chester Calloway of Janesville, Wis., Mr. and Mrs. W. B. Elkins and daughter, Benny, of Hamlin, Mr. and Mrs. Gene Eaton of Hamlin, Mr. and Mrs. Ramon Elkins of Lubbock, Mr. and Mrs. N. P. Tate of Luke, and Mr. and

Adrian Wier Weds Dorothy Rogers Of Lubbock

In a double ring ceremony on Saturday, February 8, at 7 p. m. Miss Dorothy Rogers of 1915 Fifteenth, Lubbock, became the bride of Adrian Wier, son of Mr. and Mrs. A. W. Wier of Slaton. The ceremony was read by Rev. Waymond D. Miller in the home of the bride's parents, Mr. and Mrs. Paul Rogers of Acuff.

The bride wore a flesh pink street length dress and a black straw hat with a corsage of deep red roses. Something old and blue was a garter worn by the bride's mother at her wedding. A linen handkerchief was borrowed from an aunt, Miss Melba Ballard, 1915 Fifteenth, maid of honor, wore a pale blue dress and a small black felt hat trimmed with light pink feathers. Her corsage was of pale pink roses. Jimmy Davis of Slaton served the bridegroom as best man. Miss Ida Hobbs, 1915 Fifteenth, was usherette, and Miss Beth Rogers, sister of the bride, lighted the candles.

Reception Honors Couple

After the ceremony, a wedding reception was held in the home of the bride's parents. Pink carnations, fern and candles decorated the white damask laid table which was centered with a two-tiered wedding cake topped with a miniature bride and bridegroom. Miss Martha Ann Smith finished cutting the cake and Lurline Ballard presided at the punch bowl.

Guests present were the parents of the bridegroom, Mr. and Mrs. Pierce Winn, Mr. and Mrs. Jimmie Davis, Billie Joe Wier, Miss Mary Belle Morgan and Howard Wier of Amarillo.

Both the bride and bridegroom attended Roosevelt High school, and the bride attended Draughon's Business college. Wier is engaged in farming near Slaton and she is employed in Lubbock. The couple will reside at 2808 Merthel, Lubbock.

Mr. and Mrs. Jerry Mudgett spent the week end in Lawton, Okla., visiting in the home of their son, Wiley Mudgett and family. Mrs. Mudgett was called to Pampa the first of the week because of the serious illness of her mother, Mrs. S. H. Bybee.

A. J. Payne moved into his new home on South 8th St. this week.

Mrs. W. T. Murphree of Snyder. On their wedding trip to New Mexico the bride's traveling costume was a dress of palmolive crepe with forest green accessories and a purple orchid corsage. The couple will make their home in Slaton, where Mr. Fondy is in business.

The bridegroom attended high school in Edgerton, Wis., and served three years in the Army Air Forces. Miss Tate graduated from Slaton High school and attended Mary-Hardin Baylor college.

Mothers of Pre-School Children To Hear Lecture

Mrs. Ivy Savage, Principal of Roscoe Wilson School in Lubbock, whose previous engagement in Slaton was postponed because of the inclement weather, is scheduled to fill her appointment with the Slaton Child Study Forum next Wednesday, February 25, at 4 p. m., in the chapel of the Methodist Church. Her topic for discussion is to be, "Adults' Responsibilities in Preparing the Pre-School Child for Public School."

Girl Scout Patrol, 1, sponsored by Mrs. M. L. German, is to have charge of the nursery and kindergarten for children of the forum members who wish to attend the lecture. The patrol is planning the activities and social hour for their children and will complete their child care badges with this project.

The play school sponsored by the Forum meets each Wednesday from 8:30 until 11 a. m. Games, co-operative play, stories and handicraft make up the morning's activities. Mothers who are interested may call Mrs. J. E. Edwards, jr., 100-J or Mrs. Joe Walker, jr., 167-W.

All mothers of pre-school children, infants, toddlers, etc., are urged to hear Mrs. Savage at 4 p. m., February 25.

Mr. and Mrs. C. F. Smith of San Angelo visited in the home of Mr. and Mrs. A. R. Keys over the week end.

REHEARSAL DINNER HONORS WEDDING PARTY

Mrs. Joe W. Tate gave the rehearsal dinner for her daughter's wedding party Saturday night at 7 p. m., at the Slaton Club House. The bride and groom presented each of their attendants a gift.

Those present were as follows: The bride, Jolene Tate, and groom John Fondy, jr., Misses Vysta Ward, Glenna Liles, Betty Jo Gentry, Reta Fred Stephens, Anna Doris Phillips, Mary Evelyn Cook, Nancy Teague, Billie Jean Tucker, Mrs. Bob Fondy, Mrs. L. B. Hagerman, Rev. and Mrs. W. F. Ferguson, Messrs. Bob, Louis and Joe Fondy, Glen Scroggins, Bobby Martindale, Henry Payton, Sam Phillips; Mr. and Mrs. Jerome Burns and Mrs. J. M. Tate, sr., Mr. and Mrs. Chester Calloway of Janesville, Wis.

Mrs. Clifford Young and Mrs. Gordon Burrell assisted the hostesses.

Mr. and Mrs. L. R. Moeller of Saint Paul, Minn., visited Mr. and Mrs. Bruce Pember this week. They left Tuesday after visiting in Portales at the home of Mr. and Mrs. Royce Pember where they went with Mr. and Mrs. Bruce Pember. Mr. Moeller and Mr. Pember attended College together and had not seen each other in many years.

Mr. and Mrs. A. J. McBrayer and Mr. and Mrs. Homer Jones spent the week end in Roswell, N. M., visiting with Mrs. Pete Berry.

A MESSAGE TO INSPIRE CHRISTIAN UNITY

J. LLOYD MOYER Phone Res. 295-J
Box 583, Slaton, Texas Office 333

SUBJECT: WAY OF LIFE

Rom. 1:16 1 Cor. 9:16 Gal. 1:18

The fact that you are reading this article just now is evidence that you are interested in some way in the gospel of Christ. Is it that you hope to spend eternity in Heaven? And do you think that from this reading you will learn of the way to Heaven? Does the Bible tell us the way to Heaven or does it leave us to grope our way along in darkness? Jesus said: "Enter ye in by the narrow gate; for wide is the gate, and broad is the way, that leadeth to destruction, and many are they that enter in thereby. For narrow is the gate, and straitened the way, that leadeth unto life, and few are they that find it." (Matt. 7:13-14). What is that "narrow way" to Heaven which only a few find? Jesus said: "I am the way, and the truth, and the life; no one cometh unto the Father, but by me." (John 14:6). Jesus is the way and the only way to Heaven and no man can enter any other way. If we are in Jesus we are in the way—for Jesus said: "I am the

way." And the "way" is the "narrow way" which only a few find and there is no other way to the Father.

If we are in Jesus we are in His body because we cannot be in Jesus without being in His body. But if in His body we are in "the way" which is the "narrow way" and the only way to Heaven. Things equal to the same thing are equal to each other. What does it mean to be in the body of Christ? Paul, speaking of Christ, said: "And gave him to be head over all things to the church, which is His body." (Eph. 1:22-23). The body is the church. Again Paul said: "And he is the head of the body, the church." (Cor. 1:18). Therefore if we are in the body we are in Jesus, and if in Jesus in the "narrow way" which is the church. How many bodies are there? Paul said: "There is one body, and one Spirit—one Lord, one faith, one baptism, one God—" (Eph. 4:4-6). Again: "But now there are many members, but one body." (1 Cor. 12:20). Since there is

"but one body" there is but one church for the body in the church. There is only one Christ and only one way to Heaven. "No one cometh unto the Father, but by me."

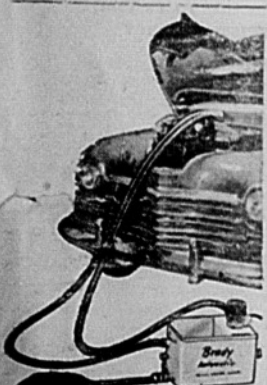

Are there many ways to Heaven and are we at liberty to choose the way we want to travel? Can we choose the Christ we wish to serve when there is only one? Can we unite ourselves to "the body" of our own selection when there is "but one body"? Can we "join the church of our choice" when our Lord built but one church? There is only one way, one Christ, one body, and one church. There is no other way to Heaven. We have no choice. There are other ways that look plausible to men who have devised them but the wise man said: "There is a way which seemeth right unto a man; but the end thereof are the ways of death." (Prov. 14:12). Choose Christ, His way and His church and be saved.

The CHURCH of CHRIST
SLATON, TEXAS

MARKET NEWS

As of February 11 (USDA)—Major farm products continued sharply lower trends last week, the U. S. Department of Agriculture's Production and Marketing Administration reports. Wheat, corn and barley fell 27 to 33 cents a bushel in the week's trading, as oats lost a cent and sorghums 35 cents a hundred-weight, for a two-week decline of around 50 to 70 cents on most grains. Lower values brought depressed marketings, and slack demand reflected traders' lack of confidence in recent high prices. Feed prices nosedived along with grains for losses of \$10 to \$20 a ton, but hay and rice held firm. Farmer's stock peanuts sold at CCC support prices, and most shelled peanuts went to the government under contract for export. Cotton prices dropped \$9 to \$10 per bale for the week in sympathy with other commodity markets. Sales decreased in less active trading. Volume of fruit and vegetable shipments from the Lower Rio Grande Valley swelled during the week but tapered off toward the close because of wet fields and unfavorable weather. Cabbage prices sank steadily most of the week to reach a low of 60 to 70 cents per 50 pound sack f.o.b. and \$10 a ton to growers. Spinach dropped sharply too but carrots, beets and broccoli sold steady to higher. Prices eased a little on fryers and broilers during the week, but other poultry changed little, and eggs held firm. Fryers sold from 34 to 37 cents a pound in north Texas, around 37 at New Orleans, and 33 to 34 on Arkansas commercial farms. Current receipt eggs remained around 40 to 45 cents at Dallas and Fort Worth. More sheep and hogs and fewer cattle went to market in the Southwest the past week. Cattle prices dropped \$1 to \$3 or more per hundred pounds in slow, weak markets. Denver moved good steers at \$24 to \$25.50, as medium and good steers and yearlings ranged from \$19 to \$25 at other southwest terminals. Common and medium cows brought generally from \$15 to \$18, and canners and cutters from \$10 to \$15. Butcher hogs fell \$1 to \$3 or more for the week at southwest markets, and sows and pigs less to \$4 or \$5. Late-week top stood at \$21 at San Antonio, \$22 at Fort Worth, \$22.50 at Oklahoma City, \$2.75 at Wichita, and \$23.25 at Denver. Sows moved generally at \$15 to \$18, and feeder pigs \$10 to \$15.

One only 2 drawer steel letter size filing cabinet at The Slatonite.

Mrs. W. H. Sanders and daughter, Mrs. J. L. Osburn, and her daughter-in-law, Mrs. W. M. Sanders, visited in Tulla, Texas, last Sunday with another daughter, Mrs. Billy G. Hutta.

USDA textile chemists say to work from the underside of the cloth when sponging out a stain in the fabric, since this method washes off rather than driving the stain into or through the cloth.

Mr. and Mrs. W. T. Wilson visited Mrs. Wilson's sister, Mrs. A. D. Adams in Texon over the week end.

Mr. and Mrs. C. C. Barthe from Honolulu, Hawaii visited here last week end with Bob Milliken.

Farmers Invited To Motion Picture

Farmers of this community and their families have been invited to attend the showing of a motion picture in color which tells the story of agriculture through the ages and of its importance to mankind. The film will be shown here on Saturday, February 21st, in Slaton High School as part of a program arranged by Cudd Implement Co., the local Minneapolis-Moline farm implement dealer.

Entitled "Saga of the Soil" and produced by Minneapolis-Moline Power Implement Company, the film emphasizes the importance of agriculture in the development

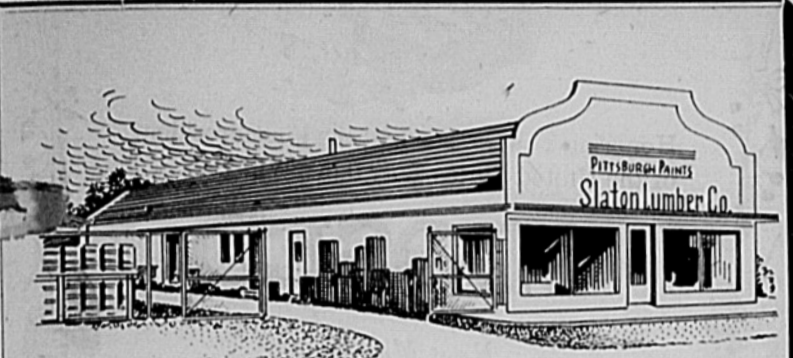

of past civilizations and the contributions agriculture has made and is making in stabilizing the welfare of a nation. Most of the scenes for this colorful picture were filmed in Europe, Africa, and the Near East.

In announcing the showing of this film, Cudd Implement, owner of the local farm implement store, declared that a diversified program has been planned for this event. In addition to the main film, other color films of special interest to farmers will be shown. The program is scheduled to begin at 2 p. m.

ONE POUND OF COTTONSEED MEAL

Saves

2 to 6 POUNDS of GRAIN

Feeding experiments show that 100 pounds of cottonseed meal, in a balanced ration, are worth 287 pounds of corn for fattening steers. 500 to 600 pounds of corn are saved by 100 pounds of protein supplement in feeding pigs. Dairy cows fed liberal amounts of protein produce 25 to 60% more milk and fat than those fed on limited protein.

SACRIFICIAL SUPPER GIVEN AT CHURCH

Members of the First Christian Church gathered in the basement Wednesday evening for a Brotherhood Supper, at which no meat was served, and the money thus saved was given to enlarge the offering for the Week of Compassion which closes next Sunday. This is a special offering in which all denominations are joined together for the relief of suffering overseas. Young matrons of the church had charge of the serving of the supper.

W. S. C. S. CIRCLES TO MEET MONDAY

The Women's Society of Christian Service will hold Circle meetings next Monday as follows: Circle 1 with Mrs. W. B. Hestand, Circle 2 in the parsonage; Circle 3 with Mrs. J. H. Brewer.

Mr. and Mrs. Clarence Belcher, who are now living at 505 W. Crosby, placed their membership in the First Christian Church here, Sunday, Mr. Belcher is with the Atlantic Refining Co., which has recently opened offices here.

Mrs. Marriott Leads Royal Service Program In Ferguson Home

The ladies of the First Baptist Church met Monday afternoon in the home of Rev. and Mrs. W. F. Ferguson for the Royal Service program.

The topic for the program was, "The Unfinished Task in Our Home Land," with Mrs. Geo. Marriott as leader. The watchword for the year is, "That at the name of Jesus every knee should bow." Phil. 2:10.

Mrs. Marriott brought the devotional message from the 13th and 18th chapters of Joshua. The following program was then given:

Prayer, led by Mrs. E. M. Lott. Hymn, "America the Beautiful." "Our Country," Mrs. R. L. Smith.

Hymn, "America." The Home Mission Task, Mrs. Fred Stottlemire.

The Task Unfinished, Mrs. Guy Brown.

Prayer, Mrs. Robertson.

Working At The Task, Mrs. A. C. Strickland.

Hymn, "Loyalty To Christ."

Urgency of the Task, Mrs. J. C. Smith, jr.

Closing prayer, Mrs. Carter Shaw.

Following the program delicious

Laymen's Days To Be Observed By Methodists

This Sunday at the Methodist Church is to be Laymen's Day. The laymen will have entire charge of the services and a great occasion is planned.

Mr. Lee Vardy, Superintendent of the Slaton Public Schools, is to be the speaker at the eleven o'clock hour and everyone is urged to attend and help to make this a great day in the church.

W. S. C. S. HAS BIBLE LESSON ON PRAYERS

The Women's Society of Christian Service met for their regular Bible lesson at the church Monday, Mrs. S. S. Forrest is teaching the study course on "The Great Prayers of the Bible."

refreshments were served by Mrs. Ferguson, assisted by Mrs. Patton and Mrs. Clifford Young.

Luncheon Honors Jolene Tate

One of the most charming of the pre-nuptial courtesies extended Miss Jolene Tate, who became the bride of John M. Fondy, Jr., 122 Sunday evening, was a luncheon given Saturday at noon in the home of Miss Glenna Liles, with Miss Betty Jo Gentry as co-hostess.

The Valentine motif was carried out with hearts, flowers and candies in the table decorations, and a gift was presented to the bride.

Those present, who were the bride's attendants at the wedding, were as follows: Mrs. Evelyn Fondy and Misses Vysta Ward, Reta Fred Stephens, Nancy Teague, Anna Doris Phillips, and Mary Evelyn Cook.

One only 2 drawer steel letter box at the Slatonite.

Billie Johnsons Have House Warming

Friends and neighbors of Mr. and Mrs. Billie Johnson gathered Saturday night for a house warming in their newly completed home at 340 North 11th. Many useful and beautiful gifts were received and refreshments were served.

Mr. Johnson served five years in the Army and since his discharge has been carrying a full schedule at Tech, working at a part time job and has constructed their new home almost entirely by himself.

Mr. and Mrs. J. D. Norris returned the first of the week from Presidio where they had expected to spend a month vacationing. Mrs. Norris's mother, Mrs. Suits, has been quite ill.

THE STATE OF TEXAS

TO: HARRY O. MARAGASON, DEFENDANT, GREETING:

You are hereby commanded to appear before the Honorable 99th District Court of Lubbock County at the Court House thereof, in Lubbock, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty two days from the date of issuance of this citation, same being the 15 day of March A. D. 1948, then and there to answer Plaintiff's Petition filed in said Court, on the 29 day of January A. D. 1948, in this cause, numbered 15401 on the docket of said court and styled Neoma S. Maragason, Plaintiff, vs Harry O. Maragason, Defendant.

A brief statement of the nature of this suit is as follows, to wit: This is a suit for divorce, as is more fully shown by Plaintiff's Petition on file in this suit. The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. If citation is not served within ninety days after date of issuance, it shall be returned unserved.

Issued and given under my hand and the Seal of said Court, at office in Lubbock, Texas, this the 29 day of January, A. D. 1948.

Attest:
Royal Furgeson, Clerk 99th, Dist. Court, Lubbock County, Texas.

YES, JUDGE, HE WOULDN'T EVEN TAKE LUMBER FROM THE NEW HOUSE THAT IS BEING BUILT NEXT DOOR TO HIM?

First Balloon Passengers
First passengers ever to ride in a balloon were a duck, a rooster and a sheep. They were placed in the basket under a paper-lined cloth bag filled with hot air and sent aloft by the Montgolfier brothers in France in 1793, according to World Book encyclopedia. The flight lasted eight minutes and the animals landed safely.

Time to Play Symphony
While one symphony orchestra may perform a symphony in 40 minutes, others will take as long as 70 minutes for the same one. It all depends upon the conductor.

Tree Planters' State
Nebraska was named the "Tree Planters' state" by act of legislature in 1895 because Arbor Day was originated there by J. Sterling Morton and because forestry was emphasized by its pioneers and their successors, according to Encyclopaedia Britannica. The name "Nebraska" itself, suggested by Fremont in 1843, was derived from the Otoe Indian name for the Platte river—"Ne-brath-ka," meaning "Shallow Water."

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Chief Topics

The Santa Fe Railway has placed an order for 56 lightweight sleeping cars, according to an announcement released today by Fred G. Gurley railway president. Twenty-nine of the streamlined lightweight cars have been ordered from the American Car and Foundry Company and the remainder from the Budd Company. The total number of lightweight cars which the Santa Fe System now has on order is 72. At present 414 cars are in operation and with the receipt of those on order, Santa Fe will have a fleet of lightweight cars totaling 4486.

Santa Fe System carloadings for week ending February 14, 1948 were 22,899 compared with 25,587 for same week in 1947.

Cars received from connections totaled 10,284 compared with 10,963 for same week in 1947.

Total cars moved were 33,183 compared with 36,230 for same week in 1947.

Santa Fe handled a total of 34,897 cars in preceding week of this year.

Farmers Should Plant Green Crops for Hogs

COLLEGE STATION, Feb. 16—Most people think of hogs as livestock that just lie around in mudholes and get rations of grain; that's a hog's life to some people. But not to the hogs—if they can help it. Hogs must go out on pasture like sheep and cattle.

E. M. Regenbrecht, extension swine husbandman of the Texas A. & M. College, says green grazing is the best source of vitamins and minerals. Farmers are encouraged in every possible way to plant more grazing crops for their hogs, and utilize these grazing crops in the best possible manner.

Good green grazing is an excellent source of protein for the swine, and it reduces the amount of protein supplement required in the ration by 50 percent. Many of the hogs in Texas suffer from a deficiency of mineral supplements and vitamins. To remedy this, the farmers are encouraged to use supplements that will supply the necessary minerals that are quite often absent in the hog ration. This is also true of vitamins.

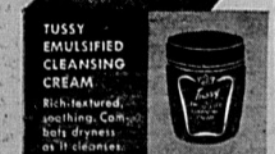

Putting hogs on green pasture automatically improves the vitamin and mineral content of the ration, and cuts down on the amount of the protein supplement that would otherwise have to be fed to the hogs.

Mrs. Stevens Woodruff of Wolfe, Wyo., is visiting this week in the home of her brother, Nat Heaton, and wife.
