Hard Ball Park Is Planned For Slaton Oil Belt For Next Season

Rotary Governor To Be Here, 26

DR. IRA A. WOODS

The Rotary Club of Slaton will welcome Dr. Ira A. Woods, Governor of the 127th District of Rotary International, which includes 35 Rotary Clubs in Northwest Texas. Dr. Woods is an optometrist in Littlefield, and is a member of the Rotary Club of Littlefield.

Dr. Woods will visit the Rotary Club of Slaton to advise and assist President Pember, Secretary Maxey and other officers of the Club on matters pertaining to Club administration and Rotary service activities. He is one of the 180 District Governors of Rotary International who are supervising the activities of some 6,500 Rotary Clubs which have a membership of 315,000 business and professional executives in 80 countries and geographical regions throughout the world.

Wherever Rotary Clubs are located, their activities are similar to those of the Rotary Club of Slaton because they are based on the same general objectives—developing better understanding and fellowship among business and professional men, promoting community betterment undertakings, raising the standards of businesses and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. During the last fiscal year, 278 new Rotary Clubs were organized in 34 countries of North, South and Central America, Europe, Asia, Africa, and the Islands of the Pacific.

OPTOMETRIST TO OPEN OFFICES HERE MONDAY

Dr. R. W. Ragsdale, Jr., Optometrist, is preparing for the opening of his offices at 120 West Lynn St., on Monday, August 23. Dr. Ragsdale has recently been associated with Dr. Joe E. Webb of Plainview, having charge of the office during Dr. Webb's vacation.

Dr. Ragsdale is the son of Mr. and Mrs. R. W. Ragsdale, Sr., of Slaton, a graduate of Slaton High School, attended Texas Tech, served as a Naval Officer during World War II, and received his B. S. and O. D. degrees at Northern Illinois College of Optometry.

Mr. and Mrs. Walter Stillel of Vernon returned home Monday after a visit here with her sister, Mrs. A. J. Baker.

Miss Melba Potthast spent several days last week visiting in San Angelo, returning home Sunday night.

Mrs. Clifford Young, daughter, Ethlyn, and Donna Singleton visited her daughter, Mrs. Pete King and family at Levelland Wednesday.

S/Sgt. and Mrs. Tom Fenley of Fort Jackson, S. C., are visiting her mother, Mrs. Lula Caldwell, and family.

Visitors in the home of Mr. and Mrs. B. H. Coston for the week end were Mr. and Mrs. W. D. Abbott of Josephine, and Mr. and Mrs. R. D. Lee and son, Rondall Mack, of Caddo Mills.

Mrs. Rose Owens of Pampa is visiting this week in the home of her daughter, Mrs. J. J. Maxey.

Plans are under way to build a modern baseball park with covered grand stand and a grass diamond according to P. G. Meading, Secretary-Manager of the Slaton B.C.D. and C. of C.

If the plans work out, the money for constructing the fence around the park and the construction of the grand stand will be raised by selling advertising on the fence surrounding the park. The park would be located where the present hard ball diamond is located.

Many of the fans who have witnessed the games at the present ball field report that the games have been better in many ways than those witnessed at the West Texas-New Mexico League parks and it is probable that the Slaton team could give the Lubbock Hubbers a good run for the money.

The ball park that was constructed in Post for the Oil Belt League players is not as large as the one in Lubbock but it is much better for spectators in many ways and has many more comforts. It is proposed to build a park here that would be similar to the one in Post.

That Slaton has not supported the local team is an admitted fact and it is especially regrettable because the Slaton team has been a consistent leader all season. The unpaid players have been loyal and excellent sportsmen and those who enjoy good baseball should see them play.

"We hope to have the ball park ready by next season," said Mr. Meading.

Tom Hill Buried Here Thursday

Funeral services were held on Thursday at 4:30 from the First Baptist Church for Tom M. Hill, long time resident of Slaton who died Wednesday after a long illness.

Services were held by Reverend W. F. Ferguson and burial was in Englewood Cemetery.

Mr. Hill was in the Grocery business for many years and was 79 years of age at the time of his death. He is survived by two sons and one daughter. One son, Glen Hill is a resident of Slaton and Pete Hill, lived here until a few weeks ago. His wife died several years ago.

NEW CHURCH IS HOLDING SERVICES AT 8TH AND KNOX

The new Pentecostal Holiness Church, located on the corner of S. 8th and W. Knox Sts., is inviting all who are not attending services elsewhere to worship with them. The church has been in progress only a short time and a full schedule of services has been outlined.

Misses Sarah Honeywell and Elizabeth Todd have been stationed as pastors here. Both of these young ladies are experienced pastors and specialize in the field of young people's work and Sunday School work.

J. L. Merrell is the Sunday School Superintendent, Miss Elizabeth Todd, one of the teachers, reports that a race is being conducted to increase attendance in the Sunday School.

TRIALS START FOR JAPS WHO KILLED SLATON MAN

Military trials started in Yokohama, Japan, Monday, August 2, for sixteen Japanese who are charged with most cruel torture of 139 American soldiers, eleven of whom escaped and are now at home in the United States.

Among the 139 was Theodore McNally of Slaton, Texas, who did not escape and, from all evidence available, must have died a most cruel death.

Miss Evelyn Krause, daughter of Mr. and Mrs. Albert Krause of Slaton, returned to school in Dallas Sunday, August 15, where she plans to complete her final year as a student nurse. Miss Krause has been visiting relatives and friends at Southland, Wilson and Slaton for the past three weeks.

Mr. and Mrs. O. O. Chiddix and John William of Rosevelt, Okla., are visiting this week in the home of Mrs. Chiddix's sister, Mrs. F. D. Bostick.

Dear Mr. Congressman

A few actual letters from the book by Juliet Lowell, reprinted in The Reader's Digest for September

To Congressman Leslie Arends:

I understand that you have free mailing privileges. I am sending you all my Christmas cards. Would you be good enough to drop them in the mail for me? Thank you.

Hester M.

To Senator Bushfield:

All my friends are saving pictures of movie stars and I want to be different, so please send me photos of 12 Congressmen. Please pick carefully, even the best are sort of funny looking. Thank you.

Amanda Y.

To the Housing Committee:

Please do something about our house—the roof leaks. I was having dinner during the storm last night and the roof leaked so bad, I finished my soup three times.

Norman E.

To Senator James Kem:

Besides Washington and Lincoln what other Presidents happened to be born on Holidays? Thanking you for the reply.

Eidson Advises The Farmers To Take Advantage Of AAA Loans

Over the Wire

Henry Eidson, Vice President and grain buyer for Ray C. Ayers and Son, said this week that some of the grain growers in this section are not familiar with the Commodity Credit Corporation support price program and that he believes many of them would take advantage of the program if they fully understood it.

Some of the farmers have the plan confused with program of lending money on stored grain but it is altogether different. The new plan is loans of \$2.28 per one hundred pounds on No. 2 grain sorghum until April 30, 1949 on grain that is produced in 1948. The government guarantees to purchase the grain at the support price after that date. There is a nominal charge by the Government for this service.

Mr. Eidson says that there is very little if any chance of additional storage space for grain sorghums being available and all that can be used is now full and if a farmer does take advantage of the loan he will have to provide his own storage or take his chances on outside storage with the risk of loss in grade and volumes of grain.

With grain at its present depressed price Mr. Eidson says that he would advise the grain farmers to take advantage of the new plan. Full information on the loan is available at any AAA office or from any AAA representative.

Mr. and Mrs. Geo. McCarty of Amarillo have returned to their home after having brought their daughter, Mrs. Jack Watkins, to be with her husband, who is at the bedside of his mother, Mrs. Jack Watkins of Slaton, who is seriously ill in Mercy Hospital.

Mr. and Mrs. Van L. Stokes and daughter, Jo Ann, of Dallas arrived Monday night to visit this week in the homes of their parents, Mr. and Mrs. W. B. Hestand and Mrs. P. G. Stokes. They plan to return home Saturday night.

J. A. Elliott made a business trip to Dallas the first of the week.

Pat Patterson, Rt. 1, free pass to the Slaton Theatre.

B-29's In England

SCAMPTON, ENGLAND—(Soundphoto)—One of the first of sixty U.S. Airforce B-29 Superfortresses to arrive in Britain is shown shortly after landing. Members of the crew and base personnel are standing in front of the big bomber. The crew of Superfortresses carried more than 1,200 men who were warmly greeted by men of the Royal Air Force, with whom they will drill. The American crews are made up almost entirely of combat-hardened veterans who will engage in simulated bomb-missions over Europe, where the Russians are currently threatening to put the squeeze on allied planes feeding Berlin by air.

Funeral Services Are Held Here For Joe Bob Stevens

Funeral services were held Monday afternoon at three o'clock for Joe Bob Stevens, who before moving to Munday about two years ago, had been a resident of Slaton since 1926. Mr. Stevens became ill while on a business trip to Amarillo, and passed away in his sleep early Friday morning at a hotel there.

Joe Bob Stevens was just under 43 years of age. He was married in 1926 to Miss Vera Remy. He has been an employee of the West Texas Cottonoll Co., for the past twenty-one years, serving as seed buyer here and manager at Munday.

Services were held Sunday at 6 p. m. in the Church of Christ at Munday, with Dean Brookshire of Plainview, formerly of Slaton, officiating, assisted by Mr. Ashley, minister of the Munday Church. The body was then brought to Slaton where services were held on Monday at the Church of Christ, with Mr. Lloyd Moyer, local minister, assisting Mr. Brookshire. Interment was in Englewood Cemetery under the direction of the Williams Funeral Home.

Survivors include his wife, three sons, R. C. Stevens of Slaton, and Jbe and Gordon of Munday; his mother, Mrs. C. E. Stevens of Lorenzo; one brother, J. D. Stevens of Bowina, and two sisters, Mrs. Acklas Martin of Lorenzo and Mrs. B. F. Campbell of Littlefield.

Pallbearers were Ed Haddock, Johnnie Berkley, Travis Reynolds, Heywood Basinger, James C. Watkins, Johnny Collins, Roy Mack, and Clark Self.

Among many out-of-town relatives and friends attending the funeral were Mr. and Mrs. Remy of Arkansas, parents of Mrs. Stevens; Mr. and Mrs. Dee Remy of El Paso, brothers of Mrs. Stevens. Upon receipt of the death message Friday, Mr. and Mrs. R. C. Stevens and Mr. and Mrs. Weldon Martin left for Munday, returning to Slaton for the services here on Monday, Mr. Martin is a nephew of Joe Bob Stevens.

TEMPERATURE HITS 98

Have you been suffering from the cold weather this week? It has been practically freezing compared to the temperature dealt out last week. According to West Texas Gas Companies the thermometer the reading on every day last week was a much as 102 with Saturday and Sunday reaching 105; the warmest shown this week has been 98 but don't put your summer clothes away for the cold spell is about over.

Mr. and Mrs. R. D. Hickman and Patsy spent a few days the first of the week visiting in San Angelo and Baird.

Mr. and Mrs. Oscar Barkley and Lehman and Mrs. Albert Krause and Glen visited friends in Ralls, Sunday.

BIRTHS

Born August 14 at Mercy Hospital to Mr. and Mrs. L. J. Richardson a girl weighing 6 lbs., 11 ozs.

Born August 14 at Mercy Hospital to Mr. and Mrs. L. E. Lee a girl weighing 8 lbs., 1 oz.

Born August 14 at Mercy Hospital to Mr. and Mrs. S. Bandal a girl weighing 5 lbs., 4 ozs.

Born August 17 at Mercy Hospital to Mr. and Mrs. Keith Stovall a girl weighing 7 lbs., 10 ozs.

A nine pound, two and one-fourth ounce son was born to Mr. and Mrs. Grady P. Patterson, 16 West Ave. K, San Angelo, at 2:34 o'clock Wednesday morning of last week. The baby has been named Grady Dewayne. Mr. and Mrs. Grady Patterson formerly lived in Slaton until he was transferred to the San Angelo Board, where he is employed as an engineer on the Santa Fe. Grandparents are Mr. and Mrs. Ola E. Patterson of Live Oak, Calif. and Mr. J. O. Eckles of Slaton.

Superintendent Lee Vardy reports that Frank Perkins is the new grade school principal. Mr. Perkins has taught in the Friona Schools and the Schools of Lamar County. He has a BA degree and nine years experience.

Mr. Vardy said the Slaton Independent School Trustees will expand the health program and plans are completed for each child to be checked by a physician. All defects found will be put on record and the parent will be notified. Each child beginning school this year will need to be vaccinated for smallpox. The trustees are also asking that each child be vaccinated for diphtheria. These items are very important in the health and safety of the children.

Seniors in high school will enroll Friday, September 3, at 9:00 a. m. Juniors will enroll Friday, September 3 at 1:00 p. m. All other students will enroll Monday, September 6 at 9:00 a. m.

The dividing line between East and West Ward Schools will be the same as has been in the past. Those students living on the east side of ninth street will attend East Ward School through the sixth grade. The students living on the West Side of ninth street will attend West Ward School through the fifth grade. The sixth grade pupils living West of ninth street will come to High School. All students in the seventh and eighth grades will also come to the High School. The classrooms on the first and second floors of the High School building will be used almost exclusively by the sixth, seventh and eighth grades. The commercial department will be kept on the first floor. Most of the high school classes will be taught on the third floor.

Until the new building is completed the school will not have all the room facilities that we will want but under the above plan general school work will proceed as nearly as normal as possible.

"We are hoping that the new building will be ready for use soon after January 1. All class work through the eighth grade will then be taught in either East or West Ward Schools," said Supt. Vardy.

It will be impossible to operate either cafeteria until after the completion of the new building. Then a cafeteria will be in operation in both elementary schools.

WINNERS IN GLIDER CONTEST ANNOUNCED

The results of the glider contest, sponsored by the Slaton Model Club, held at the airport, Sunday, August 15, were as follows: Grand Prize winner was Everett Hodge, 18" glider, Junior division: 1st place, Stanley White; 2nd, Donald Marsh, 18" glider, Senior division: 1st place, Everett Hodge; 2nd, Duane Tefettler, 30" glider, Junior division: 1st place, Stanley White; 2nd, Charles Woodfin, 30" glider, Senior division: 1st, Everett Hodge; 2nd, Harley Castleberry.

There were 19 planes entered in the contest by 14 boys. The proceeds from the sale of pop went to the Slaton Model Club treasury. The contest was very successful and additional contests will be held in the very near future.

SLATON BOY HURT WHEN RUBBER GUN BACKFIRES

Jerry Reynolds, son of Mr. and Mrs. Travis Reynolds of Slaton, was taken to a hospital in Lubbock Monday with a seriously injured eye, a rubber gun casualty. He remained in the hospital overnight and return home Tuesday. The injury was not as serious as was at first feared and, except for having to be very quiet for a few days, it is not thought Jerry will suffer any ill effects from the accident. Jerry was visiting in the home of his uncle, Mr. and Mrs. Basil Reynolds of Lubbock, and was struck in the eye when his rubber gun backfired.

Visitors in the Geo. Hilbers home Monday were the following: Mr. and Mrs. J. T. Redden and children, Jimmie and Loxie; of Midland; Mrs. Willis of California; Mrs. Grace Holmorton of Lubbock; Mr. and Mrs. Clifford Hilbers and son, Gerry, of Lorenzo.

Mr. and Mrs. Tom Thomas of Goodwell, Okla., spent last week end in the home of his brother, F. D. Bostick.

West Texas Roundup

The contract to build a new cafeteria on the southeast corner of the grade school grounds was let to Elbert (Lefty) Davies last week by the Post Independent School District.

Construction was to get underway within 10 days and the project is to be completed within 90 days, Supt. G. R. Day said yesterday.

The spread of polio has been so rapid in many sections of Texas that towns are called upon for clean up campaigns which will destroy the breeding places of disease germs.

With continued weekly rains, weeds are growing in every part of town. Weeds are the favored breeding places of insects and germs, and the only way to control disease is to eliminate weeds.

The federal Fish Hatchery of Santa Rosa, N. M., will place several thousand fish in Buffalo Lake Thursday morning.

This is the first time in several years that a large quantity of small fish have been released in the Lake.

In spite of the large number of fish caught in the Lake this year, it is reported that the Lake is well stocked, with indications that the fish population has not materially diminished during the season.

William Weaver, 18, Levelland, is recovering from a mild case of polio and is apparently well except for a slight stiffness in the left hand. He is under treatment by a local physician, Dr. H. N. Lusk. This makes two cases here this summer, the other one being "Butch" Combs, who was taken to Dallas during the week end for a check-up by Dr. Carroll. The Dallas physician pronounced him recovering satisfactorily and allowed him to be brought back home to convalesce.

Veterans Memorial Park was officially dedicated before a cheering crowd of about 500 who watched the American Legion eke out a 3-2 victory over the VFW team Tuesday in the first night game at the new ball park.

The dedication address was made by W. H. Russell, who acknowledged the services and sacrifices of the men from both World Wars to whom the park was dedicated. He was introduced by Ralph Smith who acted as master of ceremonies.

Producing and projected deep oil tests continued to hold the spotlight in Scurry County oil developments this week.

New wells about ready to start drilling, one or two already plugging away in new territories, and another endeavoring to get started again after a week-end mishap furnished the interest for maintained fever heat on the oil front.

The All-Pullet Flock Is Popular

There are several reasons why the all-pullet flock has become increasingly popular during the past several years. There can be little doubt that such a flock is more profitable than one consisting of birds of mixed ages.

Here are some of the reasons so many poultry raisers now prefer all-pullet flocks rather than mixed-age flocks:

1. Pullets lay more eggs than hens over a year's time.
2. Pullets lay more eggs when eggs are at the highest price level.
3. The cost of feeding a pullet for the 6-month period is about the same as the cost of feeding a hen during her 4-month molt—and, at the end of the growing months, you have a pullet representing four pounds of meat and dozens of eggs, instead of just an old hen with a new coat of feathers.
4. There is less danger of disease and, therefore, lower mortality among all-pullet flocks.

More Eggs
Tests have shown that pullets lay from 20 to 30 percent more eggs annually than hens. A U. S. Department of Agriculture test showed that uncultured Leghorn pullets laid from 178 to 208 eggs in a year whereas selected Leghorn hens laid 141 to 187. There have been other tests to substantiate the findings in the USDA experiments.

Remember that when egg prices are highest in the fall and early winter, pullet flocks are just reaching a high production rate while hens are molting or taking a rest. No poultry raiser likes to spend money on feed for hens that aren't producing.

Hens often carry such diseases as tuberculosis, cholera, pullorum, and coryza—another good reason for raising pullets separately. Mortality rates in all-pullet flocks run from 3 to 5 percent lower than in mixed flocks.

Brighton Remains Queen
Brighton remains queen of England's seaside resorts. Her seaside supremacy began with publication of a book by a physician in 1750, and the visits of a new-making prince of pranks. The prince later King George IV of England, built Brighton's pavilion as a royal residence. He was only 21 when he first went there in 1783 to visit his uncle. Where the prince led, the fashionable young court circle followed. Brighton became the seaside center of aristocracy, of nobles and notables, including virtually all English men of letters.

Casual Comment

By Mrs. Nora Billingsley

At the recent dedication of the new \$70,000.00 R.E.A. building at Tahoka the growth of rural electrification in this area was highlighted by the fact that the first months collection was \$551.40. Last months dues collected amounted to \$25,618.30. The Lyntegar Electric Co-Op was started only 10 years ago but now electric service has become a very important part of rural life; which reminds me of the time when electricity first came to the farm. I had grown up by the light of lamps and used them so long, that when wind blew in at open doors or windows, there was a feeling, deeply planted in the subconscious I suppose—that the lights would blow out.

Up from the subconscious also, came much the same reaction when after having driven horses for so many years — I first began to drive a car then I would "scare" at a piece of blowing paper, or a cow lying beside the road. Speaking of the subconscious, just now I'm trying to plant in it a knowledge of touch typing but, judging by the speed I have achieved so far, I don't think it has yet "caught on" to what I'm trying to do.

I had an interesting letter a few days ago from a nephew who is stationed on the island of Adak in the Aleutians. I'll do "even worse" than he suggests about "bragging at the club" — I'll send it to the paper.

Dear Aunt Nora and Uncle Basil: If you want to brag a little at the next club meeting just say that your "letters to the Slatonite" are read from Slaton to Adak. Even includes San Pablo, Calif. You see Mama sent some of your writing to Mary Alice and she in turn sent them to me.

Wish I had your power of words and discription to tell you about this Aleutian Island Chain. I've seen a very little of this old world, but this is so far different from anything that I've seen, that it might be another world. We sometimes begin to think that it is, but that is just a touch of "Rock Happiness."

Weather and isolation are the two big problems out here. Just consider that we are 1300 miles from the nearest real civilization at Anchorage, and you get an idea of the isolation of this place, or this "Rock" as we refer to it. The weather reminds me more of winter in England, with about 5 times as much wind, than any other comparison I can think of.

Here is is the last day of July and a coat is still a necessary item of dress outside, and our oil burning stoves are left on 24 hours daily. It really isn't cold—about 50 degrees during the day — but the wind and the damp rainy weather makes it seem much colder. Wish we could trade you some of our wet weather for some of your dry.

Geographically we are only a little further north than Seattle, Washington, but there is a world of difference in the climate. We have cold Bering Sea on one side and the not too warm North Pacific Ocean on the other. The two meet along the chain, which gives us our low ceilings, fog and rain—and this winter it will give us snow.

The winds remind me of those you have there at home in March. However, the wind blows all the time here. Think I could take one of your worst sand-storms without batting an eye. It's nothing uncommon to have steady winds of 25 to 50 miles per hour for days on end, and the worst is yet to come. This winter we can expect winds of over 100 miles per hour.

Flying the chain is very little, if any, more dangerous than State-side flying, especially with our long range B-17's. With our range, we can usually find at least fair weather some place along the chain to go into.

We have a 4000 foot mountain about 10 miles from our field and I had been here over a month before I ever saw the top of it. Just gives you some idea of the clouds we have around.

Anyone would get a big kick out of flying up and down the chain and seeing all the volcanoes which are usually sticking up above the clouds. There are supposed to be over 30 active volcanoes on the chain, but there are only 8 or 10 which are smoking all the time. The nearest to us is Great Sitkin, about 30 miles away. It's not too active, which suits me O.K.

I did enjoy your "letters to the paper" and would appreciate you sending them to me yourself — along with a letter from you letting me know how you all are getting along.

Your Nephew,
Jack.

Make these 4 comparisons before you buy any car

COMPARE THE VALUE

Yes, compare the features—compare the prices—compare what you get for what you pay—and you, too, will come to the conclusion that Chevrolet continues to be first in value, just as it continues to be first in Big-Car Quality at Lowest Cost, and just as it continues first in demand, year after year.

COMPARE THE POPULARITY

You can identify the biggest value in any list of products by picking out the one product which enjoys greatest popularity, year after year; and, of course, in the field of motor cars, that one product is Chevrolet—outstanding leader in popularity for the total 17-year period, 1931 to date!

COMPARE THE FEATURES

Only Chevrolet combines the Unitized Knee-Action Ride for gliding smoothness; the world's champion Valve-in-Head engine for performance and economy; Body by Fisher for tasteful beauty; and Fisher Unisteel Construction plus Positive-Action Hydraulic Brakes for all-round safety protection!

COMPARE THE PRICES

You'll agree with millions of other car buyers that prices—like quality—are a major consideration in these times; and just as Chevrolet's Big-Car quality is unique in its price range, so Chevrolet prices are the lowest in its field. Chevrolet costs less to buy, to run and to maintain!

Only Chevrolet gives BIG-CAR QUALITY AT LOWEST PRICES... that's why

JUST TALK

by
A.M.J.

JUST TALK
 Either I am not associating with the right people or folks have gone soft around here, for I have not heard a good grievous bellyache in a long, long time. Even Dr. Payne, George Jones, Howard Swanner and B. G. Guinn have only feeble gripes to make when I talk to them, and if something is not done before long, the whole country is going to pot.

It has been a one man fight with me and my gripes about the weeds, traffic congestion and the need for a water softening system for Slaton have been about all that I have been able to make a fuss over. Of course, the world situation, the Russians and the hot weather have had my serious attention, but I have about given up hope of being able to do anything about them. How about some good old fashioned bellyaches from somebody? This Pollyanna world is getting monotonous.

Not having made any predictions about the weather in a long time, because it seems to me that it has gotten into a rut, I will now make the prediction that we are soon to have a real wet spell and that the farmers will be yelling like Comanches for the rain to stop. There are reports of some cotton worms in the cotton and a good rain would probably make them multiply, so I have the feeling that if anything can go wrong with the cotton crop and the weather, then it is sure to do it at the right time.

The residential section of Slaton has improved faster than the business part of town and Slaton needs a lot of fresh paint. The appearance of Allan Payne's store has been greatly improved, as has the White Auto Store, and the new building on South 9th street will make that part of town appear more modern; but there are a lot of buildings on the Square that have signs on them that must have been put there when Taft was President.

Slaton is not much different from most other towns, for they all have their old land marks in the way of buildings, but it might be possible for Slaton to be a better

looking town than most. We have a good start.

One business man made the remark that Slaton is different from most towns because we have only one chain store.

There are ideas about such a condition that might be expressed, but there is one thing certain, and that is, Slaton is improving in both appearance and business activity every year. We do need one or two medium size manufacturing plants of some kind and now would be a good time to do something to encourage the establishment of something of this kind here, as many plants are being moved from the congested parts of the country to locations like Slaton, where housing and weather conditions are better suited for production. The Santa Fe Railroad is a big industry and means a lot for the town, but we should not depend too much upon one thing.

If there is one thing I like better to eat than anything else, it is peach ice cream and I have about worked my wife into a relapse, and all our neighbors start groping around in their pantries for ice cream freezers when I knock on their back door, because they know I have come to borrow their machine and I have about knocked myself out twisting the tail on somebody's ice cream freezer this summer for we have had more peaches on our two trees this year than we have ever had before.

Every peach has had one or two bad spots on it, but that has not stopped me and it has been a battle between me and the worms to see which will get the peach just at the time it is ripe.

Not only have the worms been competing with me but birds, bugs and the Mayor have been caught in the act. The contest is about over and not any too soon, for peach ice cream is about to start running out of my ears.

There are some folks who seem to be burdened with ambitions and Clay Oates is one of them. Clay is as busy as a hunting dog all day and half of the night figuring things out. He moves his millin-

ery department to the north side, the shoe department to the west end and then moves the millinery department back to the south side, goes out and gets a cup of coffee and comes back and starts to write an advertisement, but thinks about ordering some new fall dresses, goes out and gets another cup of coffee and decides he should go to New York or Dallas, finishes the ad, goes out and gets another cup of coffee and comes back to build a deck in the rear of the building; gets a flock of carpenters and moves in to build the deck, goes out and gets another cup of coffee; folks, there never is a dull moment around Clay Oates' Department Store.

Between war, deflation, inflation, the prospects of a shortage of materials and the probability that the market will be glutted with merchandise, the business folks are certainly in a stew.

If President Truman and the Republican Congress don't run us all nuts before the election is over I will be greatly surprised; in fact, I think I'll just reserve me a good room in the Booby hatch now.

From "Life in These United States"
 Pert, pretty, and in a hurry, she sailed around a corner into New York's Fifth Avenue. Tall and in equal haste, he came in the opposite direction. They crashed head-on, stepped back to apologize, then started off, again—directly in the other's path. Five times they blocked on another, first on this side, then that. Finally his exasperated drawl brought her to a dead halt: "Just once more, honey, then I really have to go."

Mary Elizabeth Guetersloh Is Bride Of Chas. Gentry, Posey

The marriage of Miss Elizabeth Mary Guetersloh, daughter of Mr. and Mrs. Henry Guetersloh, and Charles S. Gentry, son of Mr. and Mrs. S. N. Gentry, all of route 1, was solemnized at Immanuel Lutheran church at Posey Thursday night, August 12 at 8 o'clock.

Rev. Carl F. Schulte read the double ring service before an altar decorated with candelabra, floor stand baskets of pink and white gladioli, palms and greenery.

Mrs. David Sieberg of Lubbock played a medley of organ selections and as Mrs. Ray Johnson and Miss LaVerne Gentry, sister of the bridegroom, lighted the altar candles and the tapers which marked the end of the aisles, she played "Dreams." Rev. David Sieberg sang "Because" before the ceremony and sang "Molotte" setting to "The Lord's Prayer" as benediction. Traditional wedding marches were used.

The bride, given in marriage by her father, wore a white slipper satin gown made with lace yoke with small self-covered buttons down the back and trimming the long fitted sleeves which ended in points over the hands. The skirt, which ended in a long train, was gathered to a fitted bodice and a set-in gore down the front and six rows of lace gathered horizontally from the waist to hem. Her lace-edged fingertip veil was caught to a tiara of beads outlined in seed pearls. She carried a bouquet of pink roses centered with detachable corsage of white rosebuds and a white Bible, gift from the bridegroom's mother. Something old she wore a ring belonging to her great-grandmother and something new a double strand of pearls, gift from the bridegroom.

Miss Wilma Chisum of Cooper, maid of honor, wore a white satin dress fashioned like the bride's, a pink headress and pink pearls and carried a bouquet of pink roses. Misses Inez Rainey and Vera Forester of route 6, Lubbock, bridesmaids, wore white taffeta dresses, fashioned with fitted bodices, plegiums and circular skirts and wore pink headresses and carried carnations.

Carolyn Guetersloh, sister of the bride and flower girl, wore a white silk crepe dress trimmed with gathered net at the neck and hem-

ANNA DORIS PHILLIPS IS SLUMBER PARTY HOSTESS

Miss Anna Doris Phillips was hostess last Friday night, August 13, to nine young ladies at a slumber party. The party first attended the revival services being held at the Baptist Church, then went to the Jinx Preview at Lubbock. Following the preview a midnight snack was enjoyed.

The following young ladies were guests: Joyce Pember, Dorothy Davis, Nancy Teague, Helen Ruth Ferguson, Lena Schmidt, Betty Jo Gentry, Glenna Sue Liles, and Vysta Ward.

line. Vaughn Campbell of Lubbock was best man and ushers were Louis Shambeck Jr., Wilson, and Douglas Ray, of Lubbock, Ronald Lee Mangum of Waco, nephew of Mr. Gentry was ring bearer.

Reception Follows Service

The bride's table at the reception that followed the wedding in the Guetersloh home was laid with a damask cloth and held a two-tiered wedding cake centering a reflector surrounded by a frill of white net. The cake was embossed in pink confection roses and topped with a miniature bridal couple.

Mrs. Alfred Hill of Littlefield presided at the punch bowl and Mrs. Theodore Campbell of Wilson served the cake.

Guests were present from Littlefield, Levelland, Waco, Lubbock and Wilson.

After a four-day wedding trip to Ruidoso, N. M., the couple will be at home at 2606 Twenty-third, in Lubbock. The bride traveled in a gray pin-striped faille suit with red and black accessories and a corsage of white rosebuds. She is a graduate of Cooper High school and is organist at the Immanuel Lutheran church at Posey. Mr. Gentry is a graduate of Slaton High school and is employed by the Santa Fe railroad. He served for three years with the Navy in the South Pacific.

Mr. and Mrs. R. E. Fleming visited Dr. Edward E. Edmondson and Dr. and Mrs. Everett L. Edmondson in Amarillo, Thursday.

R. C. Stevens And Fae Crawford Of Abilene Marry

Miss Fae Crawford of Abilene and R. C. Stevens of Slaton were married Monday, August 9, at Abilene in the home of Mr. Walters, minister of the Abilene Church of Christ.

R. C. is the son of the late Joe Bob Stevens and Mrs. Stevens, who were formerly residents of Slaton. R. C. is employed at the Cottonoil Mill here. The young couple are at home at 225 E. Garza. They were called home from their wedding trip by the serious illness and sudden death of his father, Joe Bob Stevens, in Amarillo, August 13.

Attending the wedding were: Jack Berkley of Slaton, who served as best man, Mrs. Ola Mae Jenkins, sister of the bride and matron of honor, Mr. and Mrs. Joe Bob Stevens and sons, Joe and Gordon, Mrs. Crawford, the mother of the bride, and Thomas Parks of Slaton.

Following the ceremony the wedding party was served dinner at the Wooten Hotel in Abilene.

CATHOLIC DAUGHTERS CELEBRATE FOURTH ANNIVERSARY SUNDAY

The Catholic Daughters celebrated their fourth anniversary Sunday with going to Communion in a body, which was followed by a breakfast served by the Children of Mary in the school house.

The breakfast tables were decorated with purple, gold and white flowers, the colors of the Court. Orange juice, rolls, doughnuts, and coffee were served. Napkins were white with "Catholic Daughters" printed in gold. Thirty members attended.

Mr. and Mrs. Clyde Doyle and daughter, Georgene, and G. A. Lewis, all of McKinney, are visiting in the home of Mr. Lewis' son and Mrs. Doyle's brother, Carl Lewis.

Melon Cutting Is Enjoyed By Order Of Eastern Star

The Slaton Chapter of the Order of the Eastern Star met Tuesday night, August 10, in their regular stated meeting, with Mrs. Dudley Bery, W. M., presiding over the business session.

A program on Robert Morris, organizer of Eastern Star work, was in the form of a quiz, with Mrs. Lee Vardy, program chairman, asking the questions, and the following members taking part: B. A. Hanna, Mrs. F. A. Drewry, R. L. Smith, Mrs. E. N. Pickens, Mrs. R. L. Smith, Mrs. J. B. Caldwell, Mrs. W. E. McCain, and Mrs. E. E. Culver.

Following the meeting a watermelon cutting was enjoyed. Thirty-seven members attended.

BAPTIST W. M. U. MET IN YOUNG HOME MONDAY

The Women's Missionary Union of the First Baptist Church met Monday evening at 8 o'clock in the country home of Mrs. Clifford Young.

Mrs. George Green was leader of the program, "Our Savior for Latin America." The devotional was brought by Mrs. J. C. Smith, Jr.

Mrs. Watson gave a review of the program, after which Mrs. Fannie Patterson presided for a short business meeting.

Refreshments of ice cream and cake were served to twenty present.

Mr. and Mrs. J. W. Chenoweth returned Tuesday from a vacation trip on which they were joined by friends from several other towns. They spent the time sightseeing around Estes Park in Colorado and on an extended trip to points of interest in New Mexico.

At a tea given at the Slaton Club House Thursday night, August 19, Mrs. E. R. Burns announced the approaching marriage of her daughter, Miss Billie Georgia, on Friday, the tenth of September to Mr. Joe L. Tyson, of Lubbock.

A yellow and white color scheme was used throughout the decorations. Receiving hours were from eight until nine-thirty. Mrs. E. E. Culver greeted guests at the door and presented them to the receiving line composed of Mrs. E. R. Burns, Billie Georgia, Mrs. J. Tyson, Miss Sue Tyson, Miss Gail Tyson and Mrs. Jerome Burns.

Mrs. Bob Fondy and Mrs. Bennie Moeller presided at the bride's book. Betty Jo Gentry played piano selections during the receiving hours.

The lace covered serving table was centered with yellow and white daisies arranged in a crystal bowl placed on a reflector and flanked by yellow candles in crystal holders. Napkins were white, decorated in yellow. Mrs. A. M. Fry and Mrs. W. F. Ferguson alternated at the punch bowl.

Announcement of the wedding date was made by Mrs. R. L. Smith, and Mrs. Bobbie Leake announced the reception.

Others assisting in the house party were Mesdames C. T. Scroggins, Bill Sledge, O. D. Morris, Bill Mosley, Claud Herndon, J. A. Willingham of Southland, and George Green.

BILLY LEE REED IS TO MARRY TAHOKA GIRL

Announcement is being made of the approaching marriage of Billy Lee Reed son of Mr. and Mrs. C. T. Reed of 900 South 9th St., and Miss Mable Green, daughter of Mr. and Mrs. Oliver Green of Tahoka. They are to be married in a double ring ceremony August 20th at Brownfield, and after a few days honeymoon, they will be at home in Slaton.

Mr. and Mrs. Dan E. Lydick, Junior and Cynthia, of Ft. Worth are visiting this week in the homes of Mrs. Lydick's parents, Mr. and Mrs. Carl Evans, and sister, Mrs. Joe Greenfield.

FURNITURE FASHIONS by Frances Ainsworth

GRAND RAPIDS, MICHIGAN—Distinctive "Bunching Bureau" . . . charming illustrations of the careful following of authentic designs . . . and the fine eye to detail which is characteristic of fine Grand Rapids furniture. French Provincial in styling, these handsome pieces may be used singly—or "bunched" two, three, or four together to form a long bureau for the bedroom . . . or a handsome credenza for living room or study. Painted in true provincial manner . . . pieces such as these impart a warm, friendly air to a room. The faithful reproduction of French Provincial style . . . the grace and beauty in every line is truly representative of the Grand Rapids century-old tradition of fine furniture.

CHICKEN DINNER HONORS LAKE DALLAS GUEST

Mr. Charles Sanders of Lake Dallas was honor guest at a chicken dinner given in the home of Mr. and Mrs. Robert Elbert, on Sunday, August 8.

Other guests were Mrs. George Hilbers, Mr. and Mrs. Bill Walter, and children, Willie Mae, Duwain, and Rubin all of Slaton, Rt. 2, and Mr. and Mrs. Dail H. Sanders and children, George and Martha of Acuff.

Three tables were set, one for the men, one for the ladies and one for the children. Good food and fellowship were enjoyed by all.

PICNIC HONORS GUESTS FROM HERMLEIGH

Mr. and Mrs. Aubrey Williams and four children of Hermleigh, guests in the home of her brother, Mr. and Mrs. Albert Kuss, were honor guests at a picnic held at McKenzie Park Sunday afternoon. Approximately fifty relatives and friends attended.

D. S. Richardson, Rt. 2, free pass to the Slaton Theatre.

Save Stock from Waste
One of the most remarkable waste-saving operations in the lumber and woodworking industry is the process for manufacturing core stock from waste. A Wilmington, N. C. firm uses only discarded pine slabs and veneer log cores for raw materials. The former is used for softwood lumber core and the latter for hardwood cores. Three-quarter-inch-thick boards are salvaged from the slabs and log cores, kiln dried, ripped into strips, run through a glue spreader and processed through a homemade lumber core press. The finished product is a quality panel which has a fine reputation among consumers.

Increase in Vending
Manufacturers of automatic merchandise equipment now are turning out machines to the tune of more than 100 million dollars per year. It is estimated that there now are in use about 200,000 carbonated bottle and cup beverage machines, 200,000 five-cent candy machines, 25,000 cigarette machines, 750,000 penny gum and peanut machines, 350,000 service machines, such as scales and parcel lockers. Within five years there will be a combined total of 3,800,000 vending machines at the present rate of increase.

Prepare Now For Storing Grain

COLLEGE STATION, Aug. 19.—“With the shortage of grain storage space, there probably will be a lot of corn and grain sorghums stored on farms in Texas this year,” Dr. H. G. Johnston, extension entomologist of Texas A. & M. College, points out. “The wise man will start early to protect his grains against weevils.”

The first thing is to be sure that storage bins are weather and fumigant tight, Dr. Johnston says. If the grain is not in storage yet, clean the bins and spray thoroughly with a five percent DDT spray.

Dr. Johnston recommends two mixtures for the fumigation process. The first is three parts of ethylene dichloride and one part carbon tetrachloride. One thousand bushels of grain will use six gallons of the fumigant. Sprinkle with ordinary sprinkling cans over the top of the grain.

The second mixture recommended is one part carbon disulfide (high life) and four parts carbon tetrachloride. Again, six gallons of the mixture will fumigate 1,000 bushels of grain. Pour it in shallow pans and place around the bin—it will evaporate and the fumes soak through the grain.

“Weevil control is important,” Dr. Johnston concludes, “not only

Bread New in Cans
Bread has been added to the ranks of canned foods, the Can Manufacturers Institute announces. Vacuum-packed in tin or steel, the product is made of rye meal, cracked wheat, rice bran, barley flour, cracked oats and soya flour. It is enriched further by adding vitamin B complex, iron and niacin.

Grade Crossing Accidents
The number of persons who met death in railway-highway grade crossing accidents in the United States was reduced from 2,568 in 1928 to 1,653 in 1946.

Paris' 'Muddy Ones'
In Paris street cleaners and garbage collectors are known as 'les boueux', the "muddy ones."

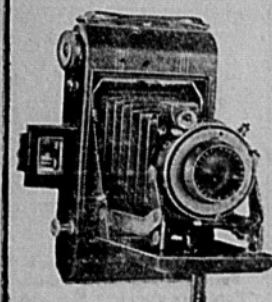

Papa Does the Job
The female of the sea horse deposits her eggs in a pouch carried by the male, who carries the brood until birth.

Home Washed Neckties
Neckties can be washed at home in lukewarm water; after a good rinse they should be blotted momentarily in a towel. Next, put a clean cloth over it and just touch with a warm iron. If possible, use a tie form inside the tie.

Some Fish Lore
Did you ever wonder why fish choose gravel beds instead of sand flats in which to spawn their eggs? One reason is that the casings of the eggs are so soft that particles of sand would puncture them, but the pieces of gravel, in proportion to the eggs, are blunt and will not cut.

SCHOOL STARTS SEPTEMBER 6th

and NOW is the time to have your car checked for safe driving---

As a licensed driver, you hold the power of life and death—Wield it in favor of life by exercising extreme, deliberate caution each time you take the wheel.

Today this child blithely skips rope with her comrades . . . If you make one false move at the wheel she may be hopelessly crippled, even dead, tomorrow. Keep her safe by being a safe driver—Your traffic police is your guide!

School days are here again—and with them the need for more than usual driving care. Think of each child in your path as your own—then cross that intersection, turn down that street. BE CAREFUL!

Back up your knowledge and application of safe driving rules by making sure your brakes can stop on a dime! For the most complete safety possible, we suggest that you service your auto regularly.

**S. J. R. NO. 2
A JOINT RESOLUTION**

proposing an amendment to Section 28 of Article III of the Constitution of the State of Texas, so as to provide for a Board for apportioning the state into senatorial districts and representative districts in the event the Legislature fails to make such apportionment; providing for the issuance of the necessary proclamation by the Governor; and making an appropriation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 28 of Article III of the Constitution of the State of Texas be amended so as hereafter to read as follows:

"Section 28. The Legislature shall, at its first regular session after the publication of each United States decennial census, on the state into senatorial and representative districts, agreeable to the provisions of Sections 25, 26, and 28-a of this Article. In the event the Legislature shall at any such first regular session following the publication of a United States decennial census, fail to make such apportionment, same shall be done by a Legislative Redistricting Board of Texas, which is hereby created, and shall be composed of five (5) members, as follows: The Lieutenant Governor, the Speaker of the House of Representatives, the Attorney General, the Comptroller of Public Accounts and the Commissioner of the General Land Office, a majority of whom shall constitute a quorum. Said Board shall assemble in the City of Austin within ninety (90) days after the final adjournment of such regular session. The Board shall, within sixty (60) days after assembling, apportion the state into senatorial and representative districts, or into senatorial or representative districts, as the failure of action of such Legislature may make necessary. Such apportionment shall be in writing and signed by three (3) or more of the members of the Board duly acknowledged as the act and deed of such Board, and, when so executed and filed with the Secretary of State, shall have force and effect of law. Such apportionment shall become effective at the next succeeding statewide general election. The Supreme Court of Texas shall have jurisdiction to compel such Commission to perform its duties in accordance with the provisions of this section by writ of mandamus or other extraordinary writs conformable to the usage of law. The Legislature shall provided necessary funds for clerical and technical aid and for other expenses incidental to the work of the Board, and the Lieutenant Governor and the Speaker of the House of Representatives shall be entitled to receive per diem and travel expense during the Board's session in the same manner and amount as they would receive while attending a special session of the Legislature. This amendment shall become effective January 1, 1951."

Sec. 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held throughout the state on the first Tuesday after the first Monday in November, A. D. 1948, at which all ballots shall have printed thereon:

"For the amendment to Section 28, Article III of the Constitution of Texas providing for a Board for apportionment of the state into senatorial districts and representative districts in the event the Legislature fails to make such apportionment."

Each voter at such election shall mark out one of such clauses on the ballot, leaving the clause expressing his vote on the proposed amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this state.

Sec. 4. The sum of Ten Thousand (\$10,000.00) Dollars or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of this state not otherwise appropriated, to pay the expenses of such publication and election.

HOUSE JOINT RESOLUTION**

proposing an Amendment to Article IV, of the Constitution of the State of Texas, by adding a new Section to be known as Section 3a, so as to provide for succession to the office of Governor in the event the Governor-elect dies, or becomes disabled, or fails to qualify, before taking his oath of office as Governor; and providing for the issuance of the necessary proclamation and publication by the Governor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IV of the Constitution of the State of Texas, be and the same is hereby amended, by adding another Section to follow Section 3, and be designated Section 3a, to read as follows:

"Section 3a. If, at the time the Legislature shall canvass the election returns for the offices of Governor and Lieutenant Governor, the person receiving the highest number of votes for the office of Governor, as declared by the Speaker, has died, then the person having the highest number of votes for the office of Lieutenant Governor shall act as Governor until after the next general election. It is further provided that in the event the person with the highest number of votes for the office of Governor, as declared by the Speaker, shall become disabled, or fail to qualify, then the Lieutenant Governor shall act as Governor until a person has qualified for the office of Governor, or until after the next general election. Any succession to the Governorship not otherwise provided for in this Constitution, may be provided for by law; provided, however, that any person succeeding to the office of Governor shall be qualified as otherwise provided in this Constitution, and shall, during the entire term to which he may succeed, be under all the restrictions and inhibitions imposed in this Constitution on the Governor."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at a General Election to be held throughout this State on the date provided by law in the month of November, A. D. 1948, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing for gubernatorial succession in the event the Governor-elect dies, or becomes disabled, before qualifying and for such succession in other contingencies."

"AGAINST the Constitutional Amendment providing for gubernatorial succession in the event the Governor-elect dies, or becomes disabled, before qualifying and for such succession in other contingencies."

Each voter at such election shall mark out one of such clauses on the ballot, leaving the clause expressing his vote on the proposed amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this State.

**H. J. R. NO. 13
HOUSE JOINT RESOLUTION**

amending Section 15 of Article XVI of the Constitution of the State of Texas, by adding thereto a provision that the husband and wife from time to time may in writing partition between themselves in severally or into undivided interests all or any part of their community property, whereupon without prejudice to the right of existing creditors the portion or interest set aside to each spouse shall be and constitute a part of the separate property of such spouse; further providing that such Constitutional Amendment if adopted shall be self-operative and self-executing; providing for the submission of this Amendment to the voters of this State; prescribing the form of ballot; providing for the proclamation and publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 15 of Article XVI of the Constitution of the State of Texas be amended so as to read as follows:

"Section 15. All property, both real and personal, of the wife, owned or claimed by her before marriage, and that acquired afterward by gift, devise or descent, shall be the separate property of the wife; and laws shall be passed more clearly defining the rights of the wife, in relation as well to her separate property as that held in common with her husband; provided that husband and wife, without prejudice to pre-existing creditors, may from time to time by written instrument as if the wife were a feme sole partition between themselves in severally or into equal undivided interests all or any part of their existing community property, or exchange between themselves the community interest of one spouse in any property for the community interest of the other spouse in other community property, whereupon the portion or interest set aside to each spouse shall be and constitute a part of the separate property of such spouse."

This Amendment is self-operative, but laws may be passed prescribing requirements as to the form and manner of execution of such instruments, and providing for their recordation, and for such other reasonable requirements not inconsistent herewith as the Legislature may from time to time con-

sider proper with relation to the subject of this Amendment. Should the Legislature pass an Act dealing with the subject of this Amendment and prescribing requirements as to the form and manner of the execution of such instruments and providing for their recordation and other reasonable requirements not inconsistent herewith and anticipatory hereto, such Act shall not be invalid by reason of its anticipatory character and shall take effect just as though this Constitutional Amendment was in effect when the Act was passed."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State of Texas at an election to be held throughout the State on the second day of November, 1948, at which election all voters favoring said proposed Amendment shall write or have printed on their ballots the words:

"FOR the Amendment to the Constitution of the State of Texas providing that husband and wife from time to time may in writing partition between themselves in severally or into undivided interests community property existing at the time of partition so as to convert same into separate property of the respective spouses without prejudice to the rights of pre-existing creditors."

Those opposing said proposed Amendment shall write or have printed on their ballots the words:

"AGAINST the Amendment to the Constitution of the State of Texas providing that husband and wife from time to time may in writing partition between themselves in severally or into undivided interests community property existing at the time of partition so as to convert same into separate property of the respective spouses without prejudice to the rights of pre-existing creditors."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have the same published as required by the Constitution for amendments thereto.

HOUSE JOINT RESOLUTION**

proposing an Amendment of Section 1-a of Article VIII of the Constitution of Texas to provide that no ad valorem tax shall be levied for State general revenue purposes after January 1, 1951, and authorizing the several counties to levy additional ad valorem taxes for certain purposes, providing for a Three Thousand Dollars (\$3,000) residential homestead exemption, and providing for tax levies in counties having tax donations; providing for submission to the qualified electors and for the necessary proclamation by the Governor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 1-a of Article VIII of the Constitution be amended so as to be and read as follows:

"Section 1-a. From and after January 1, 1951, no State ad valorem tax shall be levied upon any property within this State for general revenue purposes. From and after January 1, 1951, the several counties of the State are authorized to levy ad valorem taxes upon all property within their respective boundaries for county purposes, except the first Three Thousand Dollars (\$3,000) value of residential homesteads, not to exceed thirty cents (30c) on each One Hundred Dollars (\$100) valuation, in addition to all other ad valorem taxes authorized by the Constitution of this State, provided the revenue derived therefrom shall be used for construction and maintenance of Farm to Market Roads or for Flood Control, except as herein otherwise provided."

"Provided that in those counties or political subdivisions or area of the State from which tax donations have heretofore been granted, the State Automatic Tax Board shall continue to levy the full amount of the State ad valorem tax for the duration of such donation, or until all legal obligation heretofore authorized by the law granting such donation or donations shall have been fully discharged, whichever shall first occur; provided that if such donation or subdivision is for less than the full amount of State ad valorem taxes so levied, the portion of such taxes remaining over and above said donation shall be retained by said county or subdivision."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the date fixed by law for the General Election in November, A. D. 1948, at which all ballots shall have printed thereon "FOR the Constitutional Amendment of Section 1-a of Article VIII of the Constitution of the State of Texas to provide that no ad valorem tax shall be levied for State general revenue purposes after January 1, 1951, and authorizing the several counties to levy additional ad valorem taxes, pro-

viding for a Three Thousand Dollars (\$3,000) residential homestead exemption, and providing for tax levies in counties having tax donations," and "AGAINST the Constitutional Amendment of Section 1-a of Article VIII of the Constitution of the State of Texas to provide that no ad valorem tax shall be levied for State general revenue purposes after January 1, 1951, and authorizing the several counties to levy additional ad valorem taxes, providing for a Three Thousand Dollars (\$3,000) residential homestead exemption, and providing for tax levies in counties having tax donations."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

proposing an amendment to Article III of the Constitution of the State of Texas by adding thereto another Section to be designated as "Section 60" to authorize counties of this State to provide insurance for county employees; providing for the Governor's proclamation, and submission to the electorate.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the State Constitution be and the same is hereby amended by adding thereto another Section following Section 59, to be designated "Section 60" to read as follows:

"Section 60. The Legislature shall have the power to pass such laws as may be necessary to enable all counties of this State to provide Workman's Compensation Insurance, including the right to provide its own insurance risk, for all county employees as in its judgment is necessary or required; and the Legislature shall provide suitable laws for the administration of such insurance in the counties of this State and for the payment of the costs, charges and premiums on such policies of insurance and the benefits to be paid thereunder."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the date fixed by law for the General Election in November, A. D. 1948, at which all ballots shall have printed thereon "FOR the Constitutional Amendment providing Workman's Compensation Insurance for county employees," and "AGAINST the Constitutional Amendment providing Workman's Compensation Insurance for county employees."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter may vote on such machine for or against the Constitutional Amendment.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

proposing an amendment to Article VIII of the Constitution of the State of Texas to provide that Three Thousand Dollars (\$3,000) of the assessed taxable value of all residence homesteads as now defined by law shall be exempt from all taxation for all State purposes; providing the effective date; providing for the submission of said amendment to a vote of the qualified voters at an election and providing for necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 1-b and 1-c be added to Article VIII of the Constitution of the State of Texas to read as follows:

"Section 1-b. Three Thousand Dollars (\$3,000) of the assessed taxable value of all residence homesteads as now defined by law shall be exempt from all taxation for all State purposes."

"Section 1-c. Provided, however, the terms of this Resolution shall not be effective unless House Joint Resolution No. 24 is adopted by the people and in no event shall this Resolution go into effect until January 1, 1951."

Sec. 2. The foregoing Constitu-

tional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the date fixed by law for the General Election in November, A. D. 1948, at which all ballots shall have printed thereon the following words:

"FOR the Constitutional Amendment exempting Three Thousand Dollars (\$3,000) of the assessed taxable value of all residence homesteads from all State taxes," and

"AGAINST the Constitutional Amendment exempting Three Thousand Dollars (\$3,000) of the assessed taxable value of all residence homesteads from all State taxes."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment. In counties and other subdivisions using voting machines, the above provisions for voting for and against this Constitutional Amendment shall be placed on said machine for or against the Constitutional Amendment.

proposing an Amendment to Section 61, Article XVI of the Constitution of the State of Texas so as to provide that all sheriffs, deputy sheriffs, county law enforcement officers including sheriffs who also perform the duties of assessor and collector of taxes, and their deputies, constables, deputy constables, and precinct law enforcement officers shall be compensated on a salary basis in all of the counties in this State beginning January 1, 1949; providing for submission of this Amendment to the vote of the people of Texas; providing the time, means and manner thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 61, Article XVI of the Constitution of the State of Texas be amended so as to read as follows:

"Section 61. All district officers in the State of Texas and all county officers in counties having a population of twenty thousand (20,000) or more, according to the then last preceding Federal Census, shall be compensated on a salary basis. In all counties in this State, the Commissioners Courts shall be authorized to determine whether precinct officers shall be compensated on a fee basis or on a salary basis, with the exception that it shall be mandatory upon the Commissioners Courts, to compensate all constables, deputy constables and precinct law enforcement officers on a salary basis beginning January 1, 1949; and in counties having a population of less than twenty thousand (20,000), according to the then last preceding Federal Census, the Commissioners Courts shall also have the authority to determine whether county officers shall be compensated on a fee basis or on a salary basis, with the exception that it shall be mandatory upon the Commissioners Courts to compensate all sheriffs, deputy sheriffs, county law enforcement officers including sheriffs who also perform duties of assessor and collector of taxes, and their deputies, on a salary basis beginning January 1, 1949."

"All fees earned by district county and precinct officers shall be paid into the county treasury where earned for the account of the proper fund, provided that fees incurred by the State, county and any municipality, or in case where a pauper's oath is filed, shall be paid into the county treasury when collected and provided that where any officer is compensated wholly on a fee basis such fees may be retained by such officer or paid into the treasury of the county as the Commissioners Court may direct. All Notaries Public, county surveyors and public weighers shall continue to be compensated on a fee basis."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the date fixed by law for the General Election in November, A. D. 1948, at which all ballots shall have printed thereon:

"FOR the Constitutional Amendment of Section 61, Article XVI of the Texas Constitution providing that all sheriffs, deputy sheriffs, constables, deputy constables and other law enforcement officers shall be compensated on a salary basis"; and

"FOR the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the retirement and compensation of Judges and Commissioners of the Appellate Courts and Judges of the District and Criminal Courts of this State on account of length of service, age or disability and for their reassignment to active duty where and when needed."

No Imitation Found
For many years, man has tried to imitate wool. He has found ways to imitate wool's appearance and has developed substitutes with a few of its qualities, but he never has been able to imitate all of wool's unusual qualities in one fiber.

Hope for Cancer
A serum from rabbit's blood is being tested as a cure for cancer. It has been found that the serum increases the activity of body tissue.

R. L. BOYD

A liberal offering was made Sunday for Rev. Alfred Cooley of Lubbock, who had been holding the Methodist Revival at the Community Church. The baptismal services were held Saturday night.

F. H. Stahl and R. J. Schuette went to Amarillo the first of the week on business.

Guy Gentry is planning to leave Saturday for Coffeyville, Kansas, where he will enter college. He will start football training soon.

Louis Schulz of Sundown was visiting Mr. and Mrs. Loke Sunday.

The C. W. Boyce store is being enlarged and new fixtures added. Some crops show the need of rain, but it is believed that the yields will be good.

R. B. Boyd and family planned to leave Tuesday on a vacation trip to Colorado and other places farther north.

August Stolle of Portales, New Mexico, has been visiting his brother, F. H. Stolle. He reported plenty of rain in that section.

Mr. and Mrs. L. K. Hart had as visitors, Mr. Truman Shepherd and family of Fort Worth.

S. M. Gentry has been serving on the district grand jury.

Mrs. Betty Sue Painter and daughter of Collin County visited K. Boyd, Wednesday.

Mr. and Mrs. W. E. Lourance, school teachers of Lubbock, at-

tended the revival meeting a few nights.

Rev. F. T. Sager, former Posey Lutheran pastor who now lives in Central Texas, has been visiting friends here and at Littlefield and Lockney.

Mr. and Mrs. C. E. Nabors and daughter, Bobby Lee, of Houston have been visiting relatives here.

Mrs. Fannie Patterson was one of the County Judges who selected the Gold Star 4-H Club girl.

The Calvin Willis, J. G. Harper families and Robert Boyce went on a fishing trip to Possum Kingdom Monday.

The Lutheran parsonage and the Church are being given a coat of paint.

Mr. and Mrs. Charles S. Gentry returned Sunday from Ruidoso.

Mr. and Mrs. Roy Mack and son, Scott, and daughter, Martha, returned home Saturday night from a three weeks vacation trip during which they visited the Grand Canyon, Boulder and other places of interest in Colorado, Los Angeles, San Francisco and Yosemite National Park in California, and several places in New Mexico, including a visit with the Carl Merriwethers at Las Cruces, N. M.

Habits of Flies
House flies are capable of flying distances up to 13 miles. They contaminate food with filth and germs from garbage pails and decaying vegetable matter in which they breed.

Oldest American College
The University of Santo Domingo, founded October 28, 1538, by the Papal Bull in Apostolatum Culmine of Pope Paul III, is the oldest institution of higher learning in the Americas. The original buildings of the university were completely destroyed years ago. A new site was purchased and an extensive building program is under way on the outskirts of Ciudad Trujillo. Plans for this new university plant are modern in every respect. Sixteen buildings already have been constructed and were dedicated last year.

Most Ancient Fabric
Of all fabrics, felt is the simplest in construction and the most ancient. Felt sometimes is adulterated by the mixing in of cotton or other fibers that have no felting property.

TO THE PEOPLE OF PRECT. 2. I AM DOING MY BEST TO CONTACT EVERY VOTER IN THE RUN-OFF FOR COMMISSIONER, BUT DUE TO THE SERIOUS ILLNESS OF MY FATHER THERE MAY BE SOME THAT I WILL BE UNABLE TO SEE MYSELF. SO TO THOSE WHO DID NOT SUPPORT ME IN THE FIRST PRIMARY I EARNESTLY SOLICIT YOUR VOTE AND INFLUENCE IN THE SECOND PRIMARY ON AUG. 28TH.

TEXAS must lead the fight FOR FREEDOM

Texas, your personal freedom and the freedom of your children is in danger. Truman's so-called civil rights program will destroy our way of life. Never since the Alamo has Texas been in such danger.

If we are to be saved, we must unite today... all creeds, all factions, farmers, laborers, businessmen, EVERYBODY!

If the Truman forces steal the Fort Worth Convention on September 14 by unseating the States' Rights delegation, you will still have the chance to vote for STROM THURMOND AND FIELDING WRIGHT.

Money must be raised... it is YOUR fight. It is now or never! Send one dollar with your name and address to: W. B. BATES, Treasurer c/o Second National Bank Houston, Texas

TEXAS WILL FIGHT FOR THURMOND AND WRIGHT
