## Workman Killed By Electricity

The Williams Funeral Home Ambulance made an emergency run to the Magnolia Wholesale Oil Depot here at 1 p. m. Wednesday with the Slaton Fire Department pulling in an attempt to save the life of Woodrow Winsett, a workman from Amarillo, who was working on a crane that had become entangled in the electric high line that supplies electricity to this area. The pulmotor was used until about four o'clock but Mr. Winsett died without regaining consciousness.

He was an employee of the Go-forth Construction Co. of Amarillo that is installing storage tanks for J. W. Chenoweth, local wholesale dealer for Magnolia products. Winsett's home was in Amarillo and he was a World War II veteran, and is survived by his wife and one child.

The body was taken to Bowie, Texas, his former home by the Williams Funeral Home Ambulance, and the funeral will be held there today.

## PERSONALS

Among the flu victims this week are Patsy Hickman Dorothy Davis, Mrs. J. D. Sargent, Mrs. M. A. Pember and Bruce Pember.

Mrs. E. R. Legg is ill in Mercy Hospital.

## Last Rites Read In Dallas For Camille Kirby

Last rites were read in St. Paul's Cathedral in Dallas Tuesday, March 18, at 9:30 a. m. for Miss Camille Kirby, granddaughter of Mrs. Gus Seel of Slaton. Miss Kirby, 17, passed away Saturday, March 15, at 8 p. m. after having been ill for almost a year from a malignant ailment.

Miss Kirby was the only child of Mr. and Mrs. Wray Kirby of Dallas, and the granddaughter of Mr. and Mrs. Tom Kirby also of Dallas. Other survivors include two aunts, Mrs. A. J. Butler of El Paso, Mrs. A. C. Lamar of Denver, Colo., and an uncle, Leo Wisely of Dallas. All were former residents of Slaton.

The Kirby family were once residents of Slaton, and the deceased has visited here many times where she was very popular with the younger set.

Mr. and Mrs. Gus Seel went to Dallas for the funeral rites.

## SPEECH PLAY TO BE PRESENTED APRIL 18

"The Clue Of The Red Ribbon" is the title of the annual speech play to be presented April 18, in the High School Auditorium.

The all girl cast includes Joyce Pember, Mary Harral, Vysta Ward, Glenna Sue Liles, Norma Jean Bickers, Lavenia Wilson, Frances Hart, Betty Willis, Ella Belle Johnson and Fannie Lou Shaw.

At your grocers, get a can of Mazy's Hot Time Tamales and Chili—made in Slaton.

## Baptist Revival Will Begin On Easter Sunday

A revival meeting will begin at the First Baptist Church April 8, and will continue through April 20. D. E. Hamilton of Levelland will direct the singing. Mr. Hamilton is no stranger to the people of Slaton as he has been in charge of the singing at the church here before.

Beginning Monday night, March 31, there will be cottage prayer meetings, the places of meeting will be announced later. A prayer service will be held in each section of the city. Watch for date and place of meetings and attend the one nearest you.

A very cordial welcome is extended to all to come and worship during the revival season, according to the pastor, Rev. W. F. Ferguson.

M. S. KANAUGH

## M. S. Kavanaugh Appointed A. & M. Staff

M. S. Kavanaugh who has been superintendent of the Slaton School system for past several years, has accepted position to teach in the department of Psychology at A. & M. He will assume his duties there about the middle of April.

Mr. Kavanaugh has a M. A. degree from Columbia University, and has done graduate work towards his Doctor of Philosophy degree.

He has had several years experience teaching in the schools before coming to Slaton from Shamrock, where he was superintendent of schools.

## Matlock Fatal Held Wednesday

A. J. Matlock, 67, Route 1, Post, died at 10 a. m. Sunday, March 17, in Southland following a long illness. He had been in Southland for a short time.

His farm home had been near Post, Texas. Mr. Matlock, a resident of Dallas, had lived near Southland 25 years. Funeral services were held Wednesday at 3 p. m. in the Southland Baptist Church. Rev. J. T. Clinton of Lubbock officiating. Interment was in the Southland cemetery under the direction of Williams Funeral Home.

Survivors include his two brothers, O. C. of Post and Will of Nugent; and his wife, Mrs. Ettie Wiley and three daughters, Mrs. E. J. Jones, both of Odessa.

## School Tax Will Be 4 to 1 Major

A very light vote was cast in the election held Saturday to determine whether the school rate should be raised to \$100.00 evaluation per \$100.00 evaluation. The vote was 4 to 1 in favor of the raise and in opposition to the raise in evaluation.

This does not necessitate that individual school taxes be higher, as the evaluation has to have been raised rather than just the section in order to meet the demand for funds for operation of Slaton schools. This makes it possible for the school system to receive aid, hence the individual will get more for his tax than would have been otherwise.

It is very gratifying to the local school system will receive additional funds to help the School Board meet the standards and maintain a progressive school system.

Mr. and Mrs. O. E. H. of Route 1, Slaton, are the parents of a son weighing 5 pounds 10 ounces. The baby was born Monday, March 10, in a Lubbock hospital.

Water proof—Shockproof—Mens watches \$37.50—Credit Jewelry.

## RUBINOFF APPEARS IN RETURN ENGAGEMENT IN LUBBOCK SATURDAY

By popular demand Rubinoff and his violin will return to Lubbock for another concert sponsored by the Junior Chamber of Commerce Saturday evening, March 22, at the Senior High school auditorium.

The return engagement has been arranged because hundreds were turned away at Rubinoff's recent concert here, and because many people, particularly those living out of the city, were unable to attend because of bad weather. He proved to be one of the most popular artists to appear in Lubbock in a long time.

## Slaton To Have Baseball Team In Oil League

Slaton is to be represented in the Oil Belt Amateur Base Ball League when it starts the spring season according to C. E. McCoy and Coach Clarence Tillery, athletic coach for the Slaton High School.

A baseball diamond is being constructed west of the Tiger football field and the first game will be played in Slaton on April 13th with the Seagraves organization.

The teams that are in the league are Post, Seminole, Seagraves, Levelland, and Sundown.

All players will be amateurs, will not be paid except for traveling expenses and local men who are interested in the Slaton organization may secure information from either McCoy or Tillery. Work outs will begin on March 30.

Among the men who recently received promotions at the 28th General Hospital, Osaka, Japan was Technician fifth grade Robert E. Moore of Slaton, who was promoted to Technician fourth grade. He is the son of Mrs. H. L. Moore who resides in Slaton.

W. R. Sanner Y-3 is here on a 30-day leave visiting his parents, Mr. and Mrs. R. C. Sanner. He will return to Bangor, Maine, where he may be stationed for two years.

Revere Westminster Chime Electric Mantel Clock—Champion's Credit Jewelry.

## Senior Play Is Very Successful

The senior class of the Slaton High school presented their play, "His Ozark Cousin" to a large and enthusiastic audience last Friday evening, March 14.

The cast of characters includes Joy Holloman, Don Finley, Vysta Ward, Peggy Jean Abernathy, Roy German, Billie Marie Taylor, J. Frank Jones, Roland McCormick, Joene Tate, Jack Thompson, Helen Ruth Ferguson, and Bobby Hoover. Jesse Eckles was stage manager; Sam Burnett, assistant stage manager; and Evelyn Brown, business manager. Committees were as follows: advertisements Peggy Tudor, Billie Marie Taylor, Anne McKaughan, and Norma Bickers; tickets, Betty Willis, Joy Wrenry, Elizabeth Sims, Otis Johnson, and John Schmidt; property committee, Mary Harral, Dorothy Davis, and Betty Caldwell; and program committee, Mary Harral, Grace Shaw, James Brake, and Kenneth Atnip. Ushers were Lavinia Wilson, Dolly Ann Payton, Edna Alfred, and Joyce Smith.

Mrs. D. J. Neill and Mrs. J. B. Neill were the directors of the play.

It is the consensus of opinion that this was one of the best senior plays Slaton has ever had, and the coaches and participants are being congratulated upon their excellent performances.

## Summer Recreation Program Assured For Slaton Youth

Plans for the summer recreation program for the children of Slaton are being completed and will be in operation by the time school closes for summer vacation, according to Max Arrants, secretary of the Chamber of Commerce.

The Chamber of Commerce has underwritten the costs of the program, and other civic clubs are giving their support and financial aid in this very worthwhile civic undertaking. Coach and Mrs. Tillery will have charge of the supervised play periods.

The Slaton Rotary Club gave \$100 toward buying the equipment necessary, and the local Lions Club has secured all concession rights at the softball park and will donate half the proceeds toward paying salaries of the supervisors.

The activities will include softball, tennis, horseshoe pitching, baseball, football, basket ball and volley ball. Play periods and games will be provided for both boys and girls of all ages. Parents are urged to cooperate in this program by seeing to it that their children participate and benefit from such an opportunity as this program provides. The detailed schedule will be worked out later and will be announced at the time it will go into effect.

## Red Cross Drive Nets \$834.50

The annual Red Cross drive for funds has been quite successful to date in Slaton, according to Bill Sewell, chairman of the local drive committee. The drive had netted \$834.50 at the end of the three-day period, and there are numerous individuals who had not had an opportunity to make their contributions, and a number of business firms have not been contacted to date.

The drive will continue through the remainder of the month of March. Contributions, or membership fees, may be paid to Mr. Sewell at the Bank, or may be left at the Southwestern Public Service office on the north side of the square.

## Better Weather Reports Coming

The Slatonite will endeavor to give more accurate weather reports in the future than in the past if full cooperation can be secured from two new sources that have been reported.

H. C. Maxey says since he has recovered from the automobile accident he was in several years ago he can tell by the rheumatic pains in his knee just when a change in the weather is approaching and Tom Turner says he gets asthma in advance of each wet spell, so if we can contact both these men regularly the Slatonite should have advance information on all weather changes.

Of course the earth worms and Leonard Harrals chickens will come under close observation as will the length of Charlie Austin's whiskers but if Mr. Maxey and Mr. Turner have not over estimated their knees and asthma the Slatonite will be able to tell well in advance when longhandles should be put on or taken off.

See our new Royal Haeger console sets—Champion's Credit Jewelry.

## Six Run Afoul Of The Law Over Past Week-end

Local law enforcement officers had a quiet week-end, according to Chief of Police Ernest Ward.

Two were charged in County Court with violation of the liquor law, or with boot-legging. Four were arraigned in City Court, two were charged with gambling and two with drunkenness.

For something good try Mazy's Hot Time Tamales and Chili.

## LOCAL PASTOR IS AWAY CONDUCTING MEETINGS

J. Lloyd Moyer, pastor of the local Church of Christ, left Monday to conduct a 10-day revival at Littlefield. From there he will go to San Leandro, Cal., to hold another Gospel meeting, returning here April 5. During his absence the pulpit will be filled by men of the congregation.

## Father of Local Residents Dies

John W. Burleson, age 90, pioneer banker and rancher of Dawson County died Tuesday, March 11, at his home at 2308 18th Street in Lubbock. Funeral services were held at the First Baptist Church in Lamesa with Rev. Hancock of Lamesa officiating. Interment was in the family plot in the Lamesa cemetery.

The deceased came from Mills County in 1901 to Dawson County, where he engaged in business until 1919, when he retired and moved to Lubbock. His wife preceded him in death in 1935.

Survivors include Mrs. W. L. Housour, a daughter, and O. O. Burleson, a son both of Slaton. Two other daughters are Mrs. J. T. Simmons and Mrs. H. G. Donaldson both of Lubbock, Elzie of Lamesa, and James Orr and W. L. Burleson of Tahoka, sons also survive him. A sister, Mrs. Ella Stockbridge of Lubbock, is a survivor. He is also survived by 21 grandchildren and 27 great-grandchildren.

## UNUSED MEDICAL MONEY TO CONSTITUTE BASIS FOR EMERGENCY FUND

About \$300 remains of the funds raised by local clubs and civic organizations for the medical treatment of the small Mexican child after the funeral expenses were paid, according to Max Arrants. The child succumbed to miliary tuberculosis some time ago.

Since it is impossible to return the unused amount to the donors, it will constitute an emergency fund to be used when some similar situation develops.

## City and School Election Warming

The plot thickened this week in the City election scheduled for Tuesday April 1st, with the filing of a petition for the name of Gene Kirkpatrick to be added to the candidates for Mayor of Slaton.

Gene is a returned Navy Veteran of World War II and is the operator of the Kirkpatrick Taxi and Service Station. Mayor Lee Wootton is a candidate to succeed himself and Austin Yates announced for mayor several weeks ago.

Clark Self and J. B. Hockabay are candidates for Commissioners of Ward 1 and J. T. Brown and Paul Brasfield are candidates for Ward 3. Mr. Brown is now serving as Commissioner from this ward. Mr. Brasfield is employed by the Santa Fe railroad.

In the Slaton Independent School District election called for Saturday April 5th, Ray C. Ayers and Fred Stephens are the only two for whom petitions have been filed as candidates for trustees.

In the City election for Mayor and more Commissioners there are more men in the contests than have been in many years.

## LEVELLAND RODEO TO BE HELD MARCH 23

Four more events have been lined up to supplement the matched roping contest between Toots Mansfield and Troy Fort to be held in the Levelland Rodeo Arena on March 23 according to W. J. Robertson, president of the Levelland Rodeo Association.

For a quick cold weather meal try Mazy's Hot Time Tamales and Chili.

## Slaton Airport Almost Ready For Small Planes

The Slaton municipal airport is rapidly taking shape, according to Max Arrants, secretary of the Chamber of Commerce. The County has graded the runways and construction of the two T hangers and a small office building will begin soon.

This airport will be ready for use by small planes probably as soon as the ground dries sufficiently for the work on runways to be completed.

The drive for funds in the amount of \$1,000 in subscriptions from local business men will probably get underway next Monday.

## Calf Scramble To Be Featured At Fat Stock Show

One of the features of the sixth annual 4-H and F.F.A. Fat Stock Show to be held here tomorrow is the "calf scramble," the above cut shows one of the winners at the "calf scramble" at last year's show. The name of the boy in the picture is not known, but his smile of satisfaction is typical of the boys lucky enough to catch one of the calves.

Boys who are eligible are divided into two groups, and five calves are turned loose for each group to scramble for. The boy who catches a calf will feed it for a year; then after showing it next year, he will be expected to pay half the purchase price of the calf.

Six Lubbock Civic Clubs have made appropriations of \$25.00 United States Government Bonds to be given as Special Prizes to the boys who enter animals in the Lubbock County Live Stock Show. The Clubs that will give the awards are The Lubbock Rotary Club, the ABC Club, The Optimist, The Lions, The Kiwanis and the Lubbock Junior Chamber of Commerce Club.

The show will be held on the Athletic Field north of the Club House, and entrants are asked to have their entries there by 10 a. m. if at all possible. Judging will begin at 1:30 p. m. The show is sponsored by the Chamber of Commerce, the City of Slaton, Slaton Businessmen and the F.F.A. Chapter of Slaton. A. C. Strickland, local vocational agriculture teacher, is to be congratulated on the success of the show, as he has spent much time and energy to make this show possible.

## Softball League Is Re-organized

The Softball League is in the progress of organization at the present time, and will be completed by the time the baseball season starts. Nine groups have signified their intention of participating in the League this year, and one other has indicated an interest in becoming a part of the League.

Those who have definitely committed themselves to participation are Pleasant Valley, New Home, Southland, Acuff, Posey, Wilson, Ray C. Ayers, Santa Fe, State Guard, and Drive-In Food Market. New Home is a possible participant.

The playing field at the Softball Park is now being sodder for the convenience not only of the players, but also of the large number of spectators who enjoy the games.

## West Texas

## Roundup

Local readers of Life Magazine were somewhat shocked when they opened the copy of the publication this week to see the picture of A. D. Payne on a double page spread with the pictures of criminals and crime writers. The pictures were printed in order to allow the readers to guess as to which one fell into one of the two classes.

—Canyon News

When this spring's annual Stampede and rodeo is unreel here in the new rodeo plant, construction of which will get underway next week, the liveliest herd of rodeo stock ever to appear here will go into action, reports Walter S. Duckworth, president of the Post Stampede, Inc. A contract has been made with Bill Lyons of Petrolia, Texas, to furnish the stock.

Andrews Mustang trackster finished in second place last Saturday at the fourth annual South Plains Invitational Track and Field meet held at Chapman Field, Luggock.

—Andrews County News

According to previous announcement, the commissioners' court let a contract Thursday of last week for the construction of 26,564 miles of farm to market roads in the northwest quarter of Lynn county.

The Lynn County News

The Levelland Rodeo Association delivered the deed for 16.61 acres of land which they had purchased from the Double U company to Bob Ford, president of the Levelland Cemetery association, recently.

The Hockley County Herald

A \$25.00 prize is being offered this month by the Hereford Chamber of Commerce for the best design submitted for highway signs to be erected at the Deaf Smith county line on each end of Highways 60 and 51, and over Highway 60 near the Main Street intersection.

The Hereford Brand

Clovis Contracting Company of Clovis, New Mexico is this week entering the "home stretch" on construction of Snyder's new concrete water reservoir in Southeast Snyder.

The Scurry County Times

Contract has been let for a new parsonage for the First Baptist Church, it was announced this week. The new home will be a modern 3-bedroom brick, located on a lot west of the church.

The Gaines County Times

Thirty-five civic and business leaders of Ralls got together Monday night and took some long needed action on the question of "what to do for the boys" during the summer months.

The Boys Club of Ralls is now a reality. A tentative budget of \$800 has been approved to provide supervised play and athletic equipment for approximately 120 boys from 7 to 17 years of age.

The Ralls Banner

Delivery of trees in the Lions Club "plant-a-tree" campaign are expected to be made early Sunday morning, it was announced Wednesday by Jimmy Myers, chair of the "plant-a-tree" committee.

The Gaines County Times

The State Highway Commission has called for bids in this issue of the News for the farm-to-market projects in the north part of the county, in Precinct No. 4.

These projects are on Western Avenue and on Georgia Street. They were designated as farm-to-market roads by the commission, although both are adjoining the city of Amarillo.

**POULTRY RAISERS MAY HIT CHICKEN SHORTAGE**  
Texas poultry raisers who delay "until the last minute" ordering their 1947 poulters are likely to find hatcheries unable to fill orders. That warning is given by Ted Martin, Extension poultry husbandman of Texas A. and M. College. Martin says Texas hatcherymen are reporting early poulters are moving very slowly, and that when the late rush to buy poulters comes along, the hatcheries may not have enough birds on hand to supply all needs. Even though growers do not want poulters until April, Martin advises them to get the poulters on order now to give hatcherymen a chance to know what their needs will be, so that orders can be filled when the time comes.  
Growers have found it pays to be prepared for the poulters before they arrive, Martin says. Cleaning the brooders, putting heating and water equipment in order are a few of the jobs that will help the

**CHICK CHATS**  
by Robert Huser of Huser's Hatchery  
"BE PREPARED" IN CHICK RAISING  
Spring is the time for chick raising, of course, and this year promises to be a big one for raisers across the nation. Are you one of the millions of Americans who are going to engage in this money-making, satisfying endeavor? If you are, plan to raise your chicks right!

In the first place, give your chicks the right kind of home. A modern, sound brooder house is the best. Obtain one that is large enough for the number of chicks you plan on; follow the rule of two chicks per square foot of floor space, or 50 square feet per 100 chicks. It is better to give the room they need, and raise a healthy, profitable flock, than to overcrowd them and lose money.  
In raising chicks, as in every other stage of poultry management, strict sanitation is highly important. It is essential to disease prevention. If you are using an old brooder house or other chick quarters, make it absolutely sanitary several days before you get your chicks.  
A Cleaning Program  
Follow these recommendations in cleaning and disinfecting before the arrival of the chicks.  
(1) Get all dirt, dust, litter, etc. out of brooder house by vigorous scraping and sweeping. (2) Scrub floor and walls with hot water and laundry soap. (3) Set up the brooder—clean, of course—and start it; check burner, flue, thermostat, etc. at this time. (4) When temperature is about 70 degrees, spray floor and walls thoroughly with a good disinfectant. (5) Don't neglect disinfecting all equipment.  
When this job is finished, leave brooder running, to make house warm and dry. After a few days, put down clean litter, two or three inches deep. Over litter place three layers of clean newspapers so that chicks cannot pick up bits of litter before they learn to feed.  
Next, arrange plenty of small feeders and waterers around brooder and hover. Remember—it is preferable to invest in a little extra equipment for feeding and watering rather than lose chicks because of insufficient hoppers and fountains. Let "Be Prepared" be your motto in raising chicks!

**Expert Upholstering**

grower be prepared for his poulters when they arrive.  
The need also exists for products to get their baby chick orders in now if they have not made arrangements already. Unlike poulters chicks are moving fast and some hatcheries are already reported sold out. Commenting on the quality of Texas baby chicks, Martin says that hatcheries in this state are now producing as good quality baby chicks as can be found anywhere. "There is absolutely no need for farmers to order chicks from out of state hatcheries", he says "when they can get just as good birds close to home."  
A lot of producers are now asking themselves a lot of questions on the poultry situation, Martin says. Many of them have become cautious about representatives of the

as how much feed required to produce a broiler, a hen eggs, or a 20-pound turkey, how many eggs and how much poultry meat are in storage in the state; and other information that should help producers figure out many chickens and turkeys they want to raise

this year. These statistics on poultry were gathered for the purpose of helping the grower size up the chicken and turkey situation, Martin says, and can be of help to him in casting an eye to the future in the poultry industry.

From where I sit... by Joe Marsh

**Do Men Like Women?**

Maybe you read that recent article in a national magazine, claiming that American men don't really like the company of women. They just put them up on a pedestal and leave them there.

But I wouldn't say that that was so in our town. Look at any married couple—like the Cuppers. Jane wouldn't nag if Dee spent his evenings "with the boys"—but actually Dee likes nothing better than to stay home with the fire, sharing a glass of beer with Jane, playing cribbage, or just talking.

And when he does go out, for an afternoon of fishing down at Seward's Creek, or for an evening glass of beer at Andy Botkin's Garden Tavern, Jane is almost always with him (except when she's got a spot of baking in the oven).

From where I sit, respect doesn't rule out everyday companionship... and never should. They go together—essential parts of a successful marriage.

Joe Marsh

**POSEY ITEMS**  
 R. L. BOYD

The matter of obtaining some kind of church building was discussed Sunday morning after regular services. A committee, of which M. P. Gentry is chairman, is going to inspect a building at Big Spring which is in an army camp that has been declared surplus. Also they are to find out from a house mover if it is practical to move a building that is about 35x100 feet. Too, some lots are being considered which are located south of the Lutheran parsonage.

J. R. Boyd has returned from Ft. Worth where he attended the Fat Stock Show. While there he attended a live stock meeting of which he is a member.

The school trustee election will be held Saturday, April 5th. M. P. Gentry is judge and F. H. Stohl is assistant, also there will be a check.

M. H. Duncan, son and daughter, Dorothy, of Lubbock visited relatives here Sunday afternoon.

Mr. and Mrs. Ernest Stokes of Lynn County visited Vivian Boyd Sunday. They were driving a new car and had just returned from trips to Borger and Ft. Worth.

Mrs. Henry Krey of Lubbock, a former resident, who was a Sunday School visitor, was here for the week-end.

The powerful radio station a few miles northwest, now has three

**Iwo Jima's Still Tough**

LOS ANGELES, CAL.—(Sound-photo) — Two of those rescued when the S.S. Lake Sapor hit a reef near Iwo Jima were Mrs. Hallywig Kolsoe, wife of Lake Sapor's Captain, and son, Reider Kolsoe. They are shown on rescue ship S.S. Colgate Victory as she arrived in L.A. Harbor. All 39 on board the Lake Sapor were rescued.

very high towers for aerials which have several red beacons which flash off and on at night.

Mr. and Mrs. Wallace M. Cox were called to Tucumcari, N. M. the latter part of the week to attend the funeral of a friend.

The stopping of payment of cotton insurance claims proved disappointing to some policy holders as they had not yet obtained payments. However, everyone believes the government will make payment soon.

The J. M. Shafer family, the George Leer, Truman Burlison and Mr. French are families which have moved from the community this year.

George Lee said that his son who was with the American Army in Korea, has received his army discharge and is now living in California.

Rev. Bill Fleming will hold regular fourth Sunday appointment, March 23rd He has been the Methodist pastor about four years but will probably be here only a few more months as he graduates from Tech in June.

One resident, as he was returning from Ft. Worth, had car trouble in King County. Since he could not obtain parts for the car, he had to leave it at Guthrie and return home by bus.

George Hayes, who has charge of the Red Cross collection last year, says there will be no house to house canvas now.

Mrs. L. K. Hart, a Slaton High school teacher, attended the Teachers meeting in Lubbock last Friday.

Mrs. Hazelwood was absent two days from teaching her classes this past week because of sickness.

**WESTERN MARKET NEWS**

As Of March 15th  
 Hogs fell, while cattle and lambs lost ground at some markets last week according to the Production & Marketing Administration U.S. Department of Agriculture. Some vegetables weakened too, but other southwest farm products held steady to strong.

Grains emerged strong from another week of wide fluctuations with net gains of mostly 5 to 25 cents. No. 1 hard wheat closed Friday at \$3.00 per bushel, bulk, carlot, at Fort Worth and Galveston; and corn \$2.03 for No. 2 white, and \$1.91 for No. 2 yellow. Sorghums rose to \$3.03 to \$3.08 per hundred pounds.

Rice continued firm last week as growers held remaining rough rice for seed. Feed prices surged upward in the wake of grains. Bran and shorts up \$10.50 per ton, and were quoted \$60 and \$64 at Fort Worth and Dallas. Hay found renewed interest at prices \$1.00 per ton higher. Peanuts, oil and meal, joined the upward procession with sharp increases. Some domestic wools sold above Commodity Credit Corporation prices for the first time, as foreign wools became scarce. Most Texas spring clip mohair has been sold.

Continued good demand for eggs and poultry held prices firm. Week's egg prices averaged 36 cents per dozen at Amarillo and San Antonio; 36½ to 37½ at Denver; 41 at Shreveport and Houston; and 37½ to 38½ at Fort Worth,

Dallas, and New Orleans. Cattle ruled generally steady to strong for the week at Texas markets, but most slaughter classes dropped unevenly at Oklahoma City and Denver. Week's bulk of common to medium steers and yearlings brought \$12 to \$17 at Houston; while low to average medium kinds moved at \$17 to \$19 at an Antonio. Medium and good slaughter steers and yearlings turned at \$17 to \$15.00 at Fort Worth; \$18.50 to \$15.00 at Oklahoma City; \$18.50 to \$22.50 at Wichita; and \$18.5 to \$24.60 at Denver.

Hog prices slumped during the week to levels only 50 cents to a dollar or more per. Top prices for the week were \$26 at San Antonio; and \$26 at Fort Worth, \$27.75 at Oklahoma City; \$27.85 at Denver. Spot cotton climbed another \$3.50 per bale last week, although markets saw less activity. Offerings appeared adequate to satisfy demand.

Have your prescriptions filled at TEAGUE'S DRUG STORE by a registered pharmacist.

**Why we ask people to take party-line telephones**

Bringing telephone service as quickly as possible to thousands of people waiting for it in the Southwest is our Number One job. One way we are doing it is by furnishing party lines to residence customers. This makes it possible for limited amounts of telephone equipment to serve more people.

After everyone who wants service has it, then we can begin the job of providing the kind of service you want when you want it.

**IF YOU HAVE PARTY-LINE SERVICE**

...you can get the greatest value from it by doing these simple things:

1. When you have several calls to make, allow a little time between them. That gives others on the line time to make or receive calls.
2. If the line is in use when you try to call, please hang up quietly. Wait awhile before trying again.
3. If you have children, teach them how to use the party line properly, too.

SOUTHWESTERN BELL TELEPHONE CO.

**Relief At Last For Your Cough**

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

**How women and girls may get wanted relief from functional periodic pain**

Cardui, many women say, has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 2 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!  
**CARDUI**

**What's he got that —**

makes millions of women (and even men) shout with glee when he turns up on the radio in the morning. Could be his personality. Could be his jokes. Could even be those screwy hats he wears. All-right, what's YOUR reason?

**JUST TALK**  
 by  
**A.M.J.**

There is a lot of talk in the papers and probably in the higher places in Washington about war with Russia and a lot of folks think that it is bound to come sooner or later. The United States could come nearer winning a war with Russia now than we could in 10 years and if it is inevitable as many believe, we might as well go at it and get the job over.

Don Shelby, the Slaton man who won so many decorations in World War II made the statement before the Rotary Club when he made a talk to the local men, that he thought that the American troops should not have stopped at Berlin but should have gone on to Moscow and Stalingrad.

It must be that spring is almost here, the buds are swelling, the women are wearing summer hats and Charlie Austin has taken off his long handles and stands around shivering when he comes to town.

P. G. Meading is really going into the rose culture in a big way. He said that he bought \$50.00 worth of roses and has roses by the acre.

From now on he and Judge Smith can fight it out, I'm going to join the amateurs and get in the ten dollar class.

Years ago the Slaton Chamber of Commerce or some Womans club sponsored an exchange of shrubs and perennial flowers but the war put a kibosh on that activity and it has never been revived. This friendly horse trading was quite a success and a lot of folks gave away shrubs that were growing so profusely and got in exchange some things that they could use. Now is the time of the year that another exchange would be most successful and if there is any organization that would sponsor it I would be glad to give publicity space for it in the Slatonite.

A good many towns had lawn and garden contests last year for the first time since the war and Slaton use to have contests of this kind. Perhaps this could be revived again. It caused considerable interest, confusion, and

games for the summer and it appears that there will be more teams contesting and more out of town visitors to witness the games. It will require more seating capacity and more equipment if the crowd is to be accommodated.

A letter from the secretary of the Lubbock County Johnson grass control Committee said that a lot of good work has been done, but that even greater efforts must be made if Lubbock County is to escape the fate of a lot of the Counties to the South of us. The County road gangs and the railroads have been most cooperative and if the farmers themselves will exert the proper interest Lubbock County need never become a Johnson grass wilderness.

Either a lot of folks did not pay their poll tax or were so little interested in the Slaton Schools that they did not go to the trouble of voting last Saturday.

And when it come to being a member of the School Board about all any one gets out of it is the trouble and blame. The School situation all over the United States is in the worst tangled mess that it has ever been and the responsibility that the members of the Slaton Independent School District are taking on should be appreciated by every citizen of the community and those who have children attending school and those who are just paying taxes should co-operate in every way to help make the tasks of the school board members as light as possible.

An election is coming up for the voters to elect two members to the school board and I hope more voters go to the polls than went on the tax regulation question last Saturday . . . but I'm afraid I'm going to be disappointed. It's a lot of trouble to go vote unless there is a lot of balloahoo and it's mighty hard to get competition for a job that has no salary, no glory and brings a lot of argument but just the same I've a good

notion to run against Ray Ayers for he might try to put some kind of feed grinding equipment in the basement of the High School.

It hardly seemed worth while to pay my poll tax this year so far as getting to vote but since the City and Schools have broken out with a rash of bonds and things to vote on I feel that I really got a bargain.

It has always seemed wrong to me that one should have to have a poll tax to vote in a City election, it seems that every one who is a citizen of a town should have a right to vote on questions concerning the city and if they'll let me rewrite the city charter I'll let everybody cast a vote and we'll really have a hot time.

The manufacturers must be having a little trouble selling the second grade post war stuff they have been making, as I see more salesmen on the road than I have since before the war but prices are higher than at any time I can remember. A chart that I saw showed that prices are about the same as in 1920 but it seems to me that they are much higher now than they were in 1920, however I had so little in 1920 that prices made little difference to me, I had just come out of the first world war and gotten married, and at a time like that money was a small matter and one did not have to keep up an automobile, a home and a doctor.

**HE KNEW**  
 Glowing young husband: "When I got home last night, my wife met me with a big kiss. She had a swell dinner ready, and she let me off wiping the dishes, and—"  
 Gloomy veteran: "And how did you like her new hat?"—Rotary pep, Frankfort, Indiana.

**MAY BE**  
 The people who drive fastest past a school are the same ones who took so long going through it! —Spatters, Monongahela, Penn.

**QUESTION OF DOUBT**  
 Uncle: "You boys of today want too much money. Do you know what I was getting when I married your aunt?"  
 Nephew: "Nope, and I bet you didn't either!"—The Weekly Broadcaster, Welch, W. Virginia.

**SUITABLY INSCRIBED**  
 Little Timothy had bought Grandma a book for Christmas and wanted to write a suitable inscription on the fly-leaf. He racked his brain, until suddenly he remembered that his father had a book with an inscription, of which he was very proud. So Tim decided to copy it.  
 You can imagine Grandma's surprise on Christmas morning when she opened her gift, a Bible, and found neatly inscribed the following: "To Grandma, with the compliments of the Author."—Park City Rotary News, Bridgeport Connecticut.

NOTICE OF ELECTION STATE OF TEXAS COUNTY OF LUBBOCK CITY OF SLATON

PURSUANT TO AN ORDER OF THE TRUSTEES OF THE S L A T O N INDEPENDENT SCHOOL DISTRICT, SLATON, TEXAS

Notice is hereby given that an election will be held within the City of Slaton, Texas, on the first Saturday in April A. D. 1947, the same being the 5th day of April A. D. 1947, for the purpose of electing two trustees for the above named School District, and shall serve for a term of three (3) years, and/or until their successors shall have been duly elected and qualified.

Said election shall be held in the City Hall in the City of Slaton, Texas for one day only. The polls shall be opened at 8 o'clock in the forenoon and remain open until seven (7) o'clock in the afternoon of said day.

All persons who are qualified electors under the constitution and laws of the State of Texas, and who have resided within the said School District for six months preceding said election shall be qualified to vote at said election.

C. F. Austin having been appointed by the Trustees to hold said election on the above date.

The Judge shall appoint clerks to serve with him at election.

Said election shall be held as nearly in accordance with the General Elections of the State of Texas, affecting elections as may be practical.

In testimony whereof, witness the official hand and seal of said Slaton Independent School District, this 25th day of February, A. D. 1947.

**ROY S. MACK**  
President Slaton Independent School District, Board of Trustees.

**WASHINGTON HIGHLIGHTS**

By GEORGE MAHON

When the Secretary of Agriculture announced last week that the cotton crop insurance program was out of money, I got in touch with the Director of the Crop Insurance Corporation and other officials with the hope of being helpful to West Texas cotton growers who had participated in the program. Mr. Gus Geissler, Manager of the Corporation, explained that on account of heavy losses, funds to redeem the certificates of those who participated in last year's program had been exhausted. Of those entitled to collect on their 1946 cotton insurance 45 per cent remain unpaid. To make these additional payments it is estimated that a total of 18 million dollars will be required. Mr. Geissler says that a Congressional appropriation of this amount will be necessary before outstanding certificates can be honored. The Corporation will continue to accept certificates, but checks will not be issued until further funds are available.

Growers have entered into contracts with the government and they have a right to expect payment. The future of the program is uncertain, but it is unthinkable to me that Congress would refuse to

appropriate the money to liquidate this outstanding indebtedness, and that is the position I am taking in my efforts here.

The Republican Party is not greatly concerned about the southern cotton producers, and in view of the Republican leadership in the House and Senate, there will be difficulty in getting prompt action. However, most people with whom I have conferred agree that the necessary money will eventually be forthcoming. Action should be taken and the uncertainty removed as soon as possible.

The theory of crop insurance is good, but I have never felt that a workable program has been devised. I think nearly all cotton growers share that feeling. Indeed, not more than 11% of the nation's cotton farmers have thought well enough of the cotton insurance program offered them on any given year to participate in it.

The hope has been that with experience, a workable formula would eventually be hit upon. But in view of recent developments the whole future of cotton crop insurance is more uncertain than ever.

Here is a brief history of the program. By act of Congress, the cotton insurance program was placed in operation in 1942 and 1943. It was then eliminated, but new legislation started the program in operation in 1945, and that legislation is still in force.

It was difficult to get sufficient

support in Congress to pass a cotton crop insurance law after the program went out of operation in 1944. The complaint was made that the venture was a losing proposition for the Government and that cotton producers were not interested in it, figures being cited to show the small percentage of farmers who had participated. Nevertheless, both political parties at their National Conventions had endorsed crop insurance and, after several attempts, a new crop insurance law was enacted.

Financially the cotton crop insurance has always been a losing proposition for the government, ranging from a net loss of over million dollars in 1942 to an estimated loss of 38 million dollars for the crop year of 1946.

As stated, not more than an average of 11% of the nation's cotton farms have ever been insured for any one crop year. However, the Texas coverage in 1946 was 28% and the West Texas coverage was much heavier.

West Texas cotton producers will collect proportionately far more out of the cotton crop insurance program than any other section of the cotton belt, therefore have a big stake in the outcome of the difficulty over the 1946 insurance payments. The 19th

**LUBBOCK FAT STOCK SHOW RECEIVES MANY AND VARIED ENTRIES**

With last minute entries still pouring in, nearly 500 head of livestock from 18 of the 29 eligible counties had been entered by 4-H Club and FFA members in the 14th Annual South Plains Junior Fat Stock Show on March 15, according to general chairman Vernice Ford.

Congressional District has collected, or will collect a net of several million dollars. The coverage ranges from 95% of the cotton farms in several of the counties to no insurance at all in two counties. The coverage in Lubbock County was reported to be 51%.

The show opens Monday, March 24, at the Panhandle South Plains Fair grounds, and runs through March 26.

**Any price is too high if it can be reduced**

**International Harvester announces \$20,000,000 price reductions**

We believe there is nothing more important to this country than to lower the prices of the goods that people buy.

The American people have insisted that the government withdraw from its attempts to control prices in peacetime. That places the responsibility where it belongs—in the hands of business and industry. Not all business can reduce prices now. Not all can reduce by the same amount.

Our company has felt a duty to act as promptly as possible. In our case, the business outlook now makes it possible to move toward the goal of lower prices. The only way out of the vicious circle of higher and higher prices is to break through.

We have taken this step not because of present competitive conditions nor because of a drop in demand from customers. We have taken it because of our belief that ANY PRICE IS TOO HIGH IF IT CAN BE REDUCED.

These reductions, which will save the users of our products approximately \$20,000,000 a year, will become effective before April 1, and will apply to a selected list of tractor, farm machine, motor truck, and industrial power products. Since we lose money on a few of our products, and barely break even on some others, these reductions will not apply to our entire line. Reductions will be made individually on products. Some will be cut more than others. Exact details will be announced as soon as possible.

Our ability to maintain this lower level of prices will depend in part on what happens to the prices and flow of materials that we buy from others. Because we believe price reduction is vital, we are willing to assume the risks that are involved.

prices had not gone up as much or as fast as many others

Here are Average Price Increases since 1941

All Manufactured Products (U. S. Government Reports)	63.7%
Metals and Metal Products (U. S. Government Reports)	41.2%
Motor Trucks	35%
Industrial Power Products	34%
Farm Machines	27%

These benefits to customers will depend, too, on uninterrupted production at reasonable wage levels. This is not a program that can be carried out if it is hampered by strikes or work stoppages.

Our employees have had substantial increases in pay, and wage questions are currently being discussed with many of the unions with which we deal. Stockholders have recently had an increase in dividend rate. Having considered the interests of these two groups, we are now making these price reductions for the benefit of the third group—our customers.

Business, to our way of thinking, has a social as well as an economic responsibility. This company has long followed the policy of operating in the interests of three groups—its customers, its employees and its stockholders. The duty of the management is to see that equal justice is done as between the three groups.

This price reduction program is another demonstration of our policy in action.

**A MESSAGE TO INSPIRE CHRISTIAN UNITY**

J. Lloyd Moyer Phone Res. 239 J Office 333  
Box 583, Slaton, Texas

Subject—MAN AND SIN

God so loved the world that He gave His son to save men from sin. Christ came into the world to save men from sin. To this end He lived and to this end He died. The Holy Spirit was sent from heaven to unfold the gospel plan of salvation to men, which is God's power to save them from sin.

With all the three persons of the God-head have done for man, that he might be saved, nothing is available unless man can be brought to consciousness of sin, led to repentance of sin, and is baptized for remission of sins. There is the human part in redemption as well as the divine.

One tragedy of our age is the general disregard for sin; man has lost consciousness of guilt and separation from God by this terrible monster. Sin no longer pricks the consciousness of man, causing the heart to pant after God as the heart for the cooling springs of the mountain. Man has forgotten that sin brought death into the world (Rom. 5: 12); that sin separates man from God, the source of life (Isaiah 59:1-2); that sin enslaves man in bondage far worse than that of the Israelites in Egypt, or of the Europeans under Hitler (John 8:31-36);

that sin provokes the wrath of God against disobedience (Rom. 2:3-9; Eph. 5:6); and finally, that sin damns the soul to an eternal separation from God, for which man himself is responsible beyond death (Ezek. 18:20; Rom. 6:23).

One may ask, "why has this generation lost its consciousness of sin and its blighting effect?" Several answers might be involved. It takes time for reflection and consideration if one is to become conscious of his real condition. Our fast-living machine age, with so many things to do and to be done, does not afford time for such meditation, reading of the scriptures, and self-examination. Modern preaching, which has tended toward what it calls the "Social Gospel," has left sin and the blood of Christ out, thereby robbing its message of convicting and saving power. Materialism, which denies the immortality of the soul, has contributed to the numbing of the conscience to the destructive power of sin. Evolution as taught in our schools, and the fickle foolishness of the press have added to this condition.

Does the situation look hopeless?—Emphatically, No! The

Lord declared the Spirit should "convict of sin" (John 16:7-11), which it began doing on Pentecost, and continued to do throughout apostolic times, by preaching of the gospel message. Human nature is the same today as then; the gospel has the same power as then; it is simply a matter of persuading men to listen and reason for sufficient time to give the gospel a chance to do its work. Not only is human nature the same, and does the gospel contain the same power, but the terms of pardon announced by the Spirit are the same: simple, understandable, reasonable. To men convicted of sin by preaching of the word, who asked "Brethren, what shall we do?" The reply was "Repent ye, and be baptized every one of you in the name of Jesus Christ unto the remission of your sins; and ye shall receive the gift of the Holy Spirit" (Acts 2:37-38).

The task just now is that of making men conscious that rebellion against God, transgressing of His laws, failure to do His will, is SIN. To then tell those convicted of sin what to do about it, and persuade them to do it will be relatively easy.

"Making their way by the way they're made."

**SOUTHLAND**

**MRS. FLOY KING**

The training Union Course at the Baptist Church closed Friday night.

Rev. Luther Kirk of Slaton preached at the Methodist Church Sunday.

Brother Perry from A.C.C. preached at the Church of Christ Sunday morning and night. His wife accompanied him here. They were dinner guests of the Roy Williams.

Mr. Sam Hamaker of Lubbock spent the week-end here with his son Mr. and Mrs. James Hamaker.

A program will be put on tonight by the grade school. The First and Second grade with their Rhythm band, Mrs. Stolts as teacher and instructor, and the Third and Fourth grade will give a play. This will be the only play put on this Spring by the grade school.

Mr. and Mrs. R. E. P. King of Plainview spent the week-end here with their son Skinney King and wife.

Mrs. Peyton Crawford is home again after having to go back to the hospital Monday for another blood transfusion.

We have had several out of school on the account of sickness.

Margie Becker was in Lubbock Hospital part of last week, but is at home and in school.

Mrs. H. D. Hallman underwent surgery in West Texas Hospital Wednesday. She is improving at this writing.

Mr. and Mrs. J. L. Whited are up again after having had the flu.

Mrs. Harry King and daughter were in Lubbock Saturday and while there met Rev. and Mrs. Vick Allen former Southland residents. Mr. Allen is now able to get around without crutch or cane.

Mrs. Pauline Stof gave her little son Royce, a party on his sixth birthday, Thursday at the Gym. The decorations were red white and blue balloons. There were about sixty children present and Royce received many gifts. After they played games, refreshments of Ice Cream were served.

A birthday party was given at Mrs. Frank Leizur Friday evening for her daughter Beverly Jo and Shirley Gary for their sixth birthday. There were about twenty present.

The Lutheran ladies held their regular monthly Ladies Aid meeting in the home of Mrs. Malcolm Limme on the afternoon of Mar. 12th. The theme was "A Study of Hymns." After an appropriate scripture and prayer were given by Rev. Poehlman, the following studies of hymns were given: "Stand Up, Stand Up for Jesus," by Mrs. Willie Becker; "Jesus

Lover of My Soul," by Mrs. August Becker; and "Blest Be The Tie That Binds" by Mrs. Ed Becker.

After a short business meeting the hostess served refreshments to fifteen members.

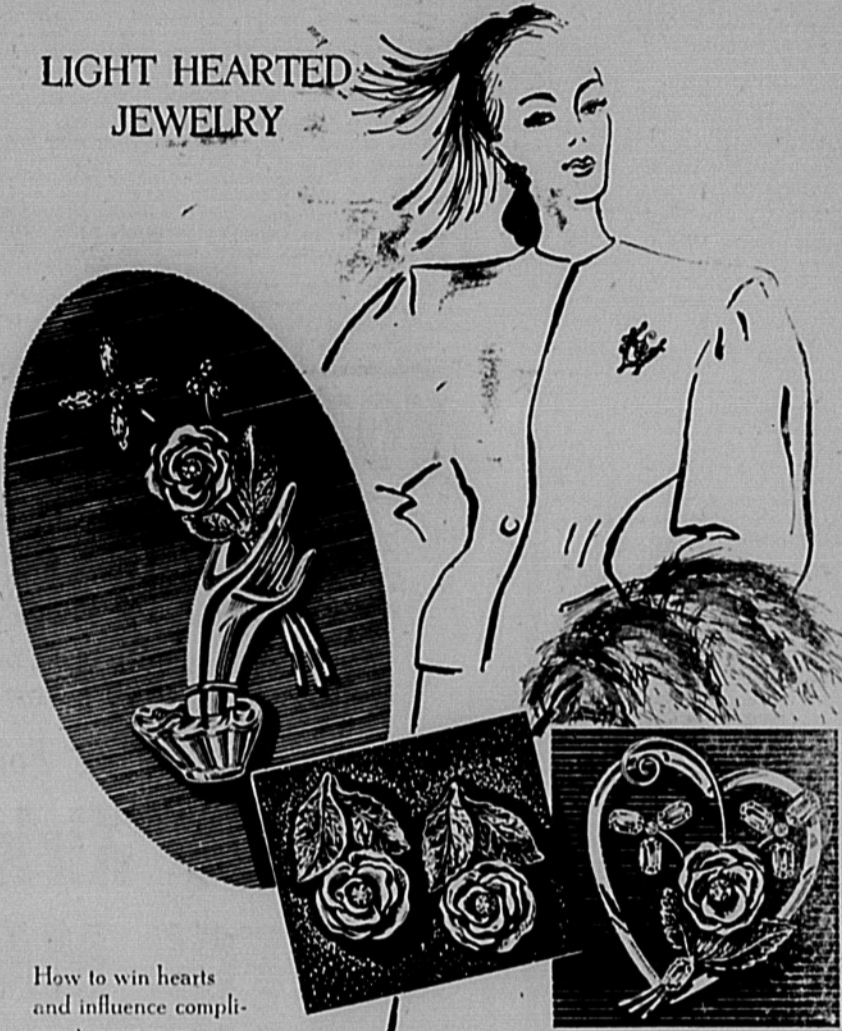

We have a limited number of very attractive lace paper place mats, 100 to the box for \$1.00 at The Slatonite.

**NOTICE OF BOND ELECTION**

THE STATE OF TEXAS COUNTY OF LUBBOCK CITY OF SLATON TO THE RESIDENT QUALIFIED VOTERS OF THE CITY OF SLATON, TEXAS, who own taxable property within said city, and who have duly rendered the same for taxation:

Take notice that an election will be held within and for the City of Slaton, Texas on the first day of April, 1947, the same being the first Tuesday in April, 1947, on the propositions and at the places more particularly set forth in the election ordinances adopted by the City Commission on the 10th day of March, 1947, which election ordinance is substantially as follows:

AN ORDINANCE BY THE CITY COMMISSION OF THE CITY OF SLATON, TEXAS, DETERMINING THE NECESSITY FOR THE CONSTRUCTION, IMPROVEMENT AND EXTENSION OF THE WATERWORKS SYSTEM AND SEWER SYSTEM OF THE CITY OF SLATON, TEXAS, AND THE ADVISABILITY OF THE ISSUANCE OF BONDS FOR THE PURPOSE OF DEFrayING THE COST THEREOF; CALLING AN ELECTION FOR THE PURPOSE OF DETERMINING WHETHER OR NOT BONDS OF SAID CITY SHALL BE ISSUED IN THE AMOUNT

OF \$40,000.00 FOR THE PURPOSE OF EXTENDING AND IMPROVING THE WATER SYSTEM OF SAID CITY, AND \$15,000.00 FOR THE PURPOSE OF EXTENDING AND IMPROVING THE SEWER SYSTEM OF SAID CITY; FIXING THE TIME AND PLACES FOR HOLDING SUCH ELECTION; APPOINTING THE JUDGES OF SAID ELECTION; PRESCRIBING THE FORM, TIME AND MANNER OF GIVING NOTICE OF SUCH ELECTION; PRESCRIBING THE MAXIMUM MATURITY AND INTEREST RATE OF SUCH BONDS AND THE METHOD OF HOLDING THE ELECTION; AND DECLARING AN EMERGENCY.

the State of Texas, when not in conflict with the statutes and the charter aforementioned.

All persons who are legally qualified resident property tax paying voters of Slaton, Texas and who own taxable property therein, and who have duly rendered the same for taxation, shall be entitled to vote at said election; and the ballots for said election shall have written or printed thereon the following:

**OFFICIAL BALLOT**  
**PROPOSITION NUMBER ONE**  
 "FOR THE ISSUANCE OF THE WATERWORKS EXTENSION AND IMPROVEMENT BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."  
 "AGAINST THE ISSUANCE OF THE WATERWORKS EXTENSION AND IMPROVEMENT BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."

**PROPOSITION NUMBER TWO**  
 "FOR THE ISSUANCE OF THE SEWER EXTENSION AND IMPROVEMENT BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."  
 "AGAINST THE ISSUANCE OF THE SEWER EXTENSION AND IMPROVEMENT BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."

As to each of the foregoing propositions, each voter shall mark out with black ink or pencil one of the above expressions, thus leaving the other as indicating his vote on the proposition.

**III**  
 The polling places and presiding officers of said election shall be respectively as follows:

In Ward No. 1, in the South West corner of the city hall building in Slaton, Texas, with L. A. Harral as presiding Judge;

In Ward No. 2, in the North West corner of the city hall building in Slaton, Texas, with J. H. Brewer as presiding Judge;

In Ward No. 3, in the North East corner of the city hall building in Slaton, Texas, with Chas Whalen as presiding Judge;

In Ward No. 4, in the South East corner of the city hall building in Slaton, Texas, with W. A. Robertson as presiding Judge.

**IV.**  
 Each presiding Judge is authorized to appoint sufficient clerks to assist in holding said election; that notice of said election shall be given by posting a substantial copy of this ordinance in each of the election precincts of the City of Slaton, Texas, and at the city hall building, and such notice

shall also be published on the same day in each of two successive weeks, in the Slatonite, a newspaper of general circulation published in the City of Slaton, Texas, the date of the first publication to be not less than fourteen days prior to the date set for said election; and, in deference to the provisions of Article 5, Section 1 of the charter, such notice shall be published one additional week prior to the date of such election.

The Mayor and City Secretary shall cause such notices to be prepared and posted and published as provided for herein and shall make due returns to the City Commission.

Immediately after said election has been held the officers holding the same shall make returns of the results thereof to the City Secretary of the City of Slaton for canvassing by the City Commission, and shall return the ballot boxes to the City Secretary for safe keeping.

The manner of holding such election and making and canvassing the returns thereof shall be governed by the general laws of the

State of Texas, when not in conflict with the provisions of the hereinabove mentioned statutes, and the City Commission will furnish the necessary ballots and other election supplies requisite for said election.

The fact that it is affirmatively found by the City Commission of the City of Slaton, Texas that there is an urgent need to proceed immediately with the construction extension and improvement of the sewer system of said city, in order to make the same more convenient for the public at large and protect the health and welfare of the citizens of Slaton, creates an emergency and public necessity demanding that the rule requiring the reading of this ordinance on more than one day before final passage be suspended, and such rule is hereby suspended, and it is ordained that this ordinance be and it is hereby declared an emergency measure by unanimous vote of the City Commission, and the same shall take effect from and after its passage.

PASSED, APPROVED AND ADOPTED this 10th day of March, 1947.

L. B. Wootton, Mayor of Slaton, Texas

ATTEST: J. J. Maxey, City Secretary, City of Slaton, Texas (Corporate Seal)

THE STATE OF TEXAS COUNTY OF LUBBOCK CITY OF SLATON

I, J. J. Maxey, City Secretary of the City of Slaton, Texas, do hereby certify that the above and foregoing is a true, full and correct copy of an ordinance passed by the City Commission of the City of Slaton, Texas on March 10, 1947, as the same now appears of record in Volume 2 at Page 205 of the Ordinance Register of said city. I further certify that such copy is an executed copy, and that the signatures appearing thereon are the true and genuine signatures of the officials named.

Given under my hand and seal of said City this 10th day of March, A. D., 1947.

J. J. Maxey, City Secretary, City of Slaton, Texas (Corporate Seal)

**TECH TO HOLD RODEO**

The dates April 11, 12 have been proclaimed by Texas Technological College as All Western Days on the campus. This is a traditional, annual event celebrated with a downtown parade, an all college rodeo, and climaxed with the coronation of the Rodeo Queen at a western dance on the campus.

**Survey Made Of Extension Work**

A survey of Extension work in Lubbock County has been completed by 15 members of the Texas A. and M. College Extension Service headquarters staff.

Extension service representatives visited in the homes of 350 Lubbock County farmers to get information concerning the value of Texas Extension work in aiding rural people in farming and home making, and to determine how Extension methods can be improved. Miss Kate Adele Hill, Extension Extension district agent and chairman of the evaluation committee, states that the 15 interviewers were received "very graciously" in the Lubbock County farm homes, and that results and conclusions on the survey would be announced soon.

The survey was the first of its kind conducted in Texas, and the results are expected to reveal facts that will be valuable in improving Texas Extension work, Miss Hill says.

**PUSHOVER**

A girl had won first prize in English composition. Mother was delighted.

"Dear," she exclaimed, "weren't you awfully afraid you wouldn't get it, when there were so many other brilliant contestants?"

"Not for a spec," was the careless rejoinder. "Why, with that bunch of dripkies, Mon, it was a lead-pipe cinch."—Wichita Eagle.

**THIS WEEK'S LESSON**

"Matter" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, March 23.

The Golden Text is: "Set your affection on things above, not on things on the earth" (Colossians 3:2).

Among the citations which comprise the Lesson-Sermon is the following from the Bible. "Love not the world, neither the things that are in the world. If any man loves the world, the love of the Father is not in him" (1 John 2:15).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Divine Science, rising above physical theories, excludes matter, resolves things into thoughts, and replaces the objects of material sense with spiritual ideas" (page 123).

**TWO CHANGES MADE IN BOARD OF DIRECTORS**

The Christian Science Board of Directors announce the resignation of W. Stuart Booth, C. S. B., for eight years a member of the Board, and the appointment of Alfred Pittman, C. S. B., to succeed him. As Mr. Pittman's successor as Publishers' Agent, the Trustees under the Will of Mary Baker Eddy announce the appointment of Hudson C. Burr, C. S., who resigns from the Board of Trustees of The Christian Science Publishing Society.

*Good Stories are Priceless*

Everyone enjoys a good story—children, young people, adults—there are no exceptions. The better the story is told, the more thrilling the action, the more appealing the characters, so much greater is the enjoyment. And if the story is true, then new lustre is added.

Parents are continually looking for stories to tell their children. And wise parents look for stories that also teach everlasting truths about life, and how it can best be lived.

The stories in the Bible are the cherished stories of generations. They are told by masters in the art of story telling. Their characters are interesting, their plots exciting. They are stories of real people, containing timeless truths.

You and your children will find them some and thrilling. You and your children can look forward to many happy evenings, as you discover together the eternal appeal of the Bible stories.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

**How Many Is a Million?**

**A MILLION DAYS** have not yet passed since the birth of Christ—and there won't be for another 792 years.

A stack of file cards (100 to the inch) as high as the Washington Monument would not total a MILLION. It would have to be one-fourth higher to make a MILLION.

Year 2730 A.D. DECEMBER 25

NEVADA 110,247  
IDAHO 524,873

It requires the combined population of three states to equal a MILLION.

The 1940 Census gave none of these important cities as much as a MILLION population.

The nation's Methodists are trying to visualize a million. The 16 months emphasis on evangelism of their "Crusade for Christ" has surpassed its goal, having brought into the churches 1,050,889 new members; 567,233 on confession of faith, 483,656 by transfer.

During the same period 894 new churches have been organized and declining church (Sunday) school enrollment trend has been reversed, showing a gain of 458,896.

**Betty Hutton, Sonny Tufts  
Star In "Cross My Heart"**

**MISS HUTTON'S UP TO NO GOOD**

Next week, beginning Tuesday, the Palace Theatre will feature "Cross My Heart," a new Paramount comedy, co-starring Betty Hutton and Sonny Tufts, and featuring Michael Cheklov, Rhys Williams, Ruth Donnelly, Iris Adrian and Howard Freeman, among others.

"Cross My Heart" is, according to advance reports, a riotously funny film that tells the story of a chronic liar (Betty Hutton) and her honest-to-a-fault lawyer fiancé (Sonny Tufts).

Betty portrays a show girl who accepts the job of secretary to a producer-wolf because he hints that he may be able to throw some law business to Sonny. The latter's excessive honesty has played havoc with his progress in the legal profession.

"Love Is the Darndest Thing." Two other numbers "It Hasn't Been Chilly In Chile" and "Does Baby Feel Alright?" are also featured.

"Cross My Heart" was produced by Harry Tugend and directed by John Berry, who recently directed "Miss Susie Slagle's."

**FITZGERALD  
DRUG**

Betty, who optimistically thinks she can handle any wolf, is forced to deliver a knock-out punch to her employer and run out of his house. When she returns with her mother to retrieve her hat and bag, she is greeted by the police, who are in conference over her very dead ex-employer. Whereupon Betty gets one of her lying streaks and decides to "confess" the murder, so Sonny can defend her brilliantly in court and become famous. All goes well until evidences of her "guilt" pile up a little too heavily for her comfort, but by then the lying little lady is really in a jam.

How she extricates herself from it and how the real murderer is brought to justice, is said to fill "Cross My Heart" with many hilarious moments and to give Betty a chance to do some excellent work as a comedian. The film also provides her with opportunity to sing three new song hits by Johnny Burke and James Van Heusen—"How Do You Do It," "That Little Dream Got Nowhere," and

**UNION NEWS**

MRS. M. D. GAMBLE

There will be a Quarterly Conference at the Methodist Church at Cooper Sunday, March 23. Dr. J. O. Haymes of Lubbock will preach at eleven o'clock. Dinner will be served at the Church.

Mr. and Mrs. R. M. Cade and son, Charles, spent the week-end in Fort Worth at the Fat Stock Show.

Congratulations to Mr. and Mrs. Orbin Houchin on the birth of a son Monday evening in a Lubbock hospital.

Mr. and Mrs. Joe Gamble, Joyce, and Larry Mack spent Sunday with her parents, Mr. and Mrs. B. E. Stephenson, near Tahoka.

Due to the bad roads the school bus didn't run Tuesday afternoon and Wednesday.

The boys of the Future Farmers Fat Stock Show had a fine time putting on their show Saturday even if the snow did disturb their sleep Friday night. These boys have done a good job fattening their calves, hogs, and sheep for their show under the F.F.A. teacher, H. E. Owen.

The winners from here were Marvin Kitten, Grand Champion on his Duroc fat Barrow, and his Poland China hog; Clyde Green won Reserve Champion on his Duroc Barrow.

Clarence Kitten won first place with his Sorghum heads, and Clyde Greene won first place on his pen of Squirrels.

An exhibit showing the uses and advantages of pig brooders prepared by Marvin Kitten won first place in the Educational division. Entries in the show totaled 71 head of livestock, 11 crop exhibits, 12 educational exhibits, and 13 miscellaneous exhibits.
