Local Football Team To Play Two More Games

The Slaton Tigers did not play a football game last Friday, as this was an open date on their calendar. They play Andrews at Andrews tonight, and finish up the season when they play Sundown there Wednesday, November 27.

Both of these teams are rated as rather strong teams, as each has lost only one game, according to Coach Tillery. The game at Sundown will be played in the afternoon and not at night. Let's continue our fine support of the Tigers in these final games of the season.

Hugh Cooke Buys Interest In Mosley Grocery

Hugh Cooke has bought an interest in the Mosley Grocery and the new firm will operate as the C. & M Grocery at the present location. Mr. Cooke is well known to the people of Slaton and vicinity as he has been in this line of business in Slaton the past two years.

Mr. Cooke is an experienced groceryman, having previously managed chain grocery stores at Brownfield, Seagraves, and Plainview. The store has been remodelled and rearranged on the interior so that a large stock can be carried and a better display of merchandise made.

Mr. Mosley, who has been in this line of business in Slaton for a number of years, says that he is greatly pleased to have Mr. Cooke associated with him as he feels that the store can give better service than ever before.

RED CROSS DISASTER SERVICE IS ORGANIZED

Dr. Glen Payne, chairman of the Disaster Service of the American Red Cross, announces the appointment of the following committee chairman to serve in case of disaster: Miss Estella Wimmer, nursing; Elbert Wilson, first aid; Fred Schmidt, food supply; Mrs. Tom Turner, food service; Capt. Jay W. Moore, rescue, shelter, and transportation; Nat D. Heaton, communications; Mrs. L. C. Odom, registrations; and Mrs. Henry Eidson, branch co-ordinator, home service investigations.

A disaster in the Red Cross policy is when a fire, flood, or tornado affects five or more families. While it is hoped that the Red Cross will never have to participate in disaster relief in this community, the above-mentioned committees will be available at all times in the event that a disaster should arise.

This disaster program will have no effect on the home service department in their service to service men and their families, or to veterans and their families.

Dr. Payne and Mrs. Eidson, Home Service chairman, attended a luncheon at the Chicken Village in Lubbock November 14 in order to obtain the proper directives for this program.

HANSEN NEW SANTA FE SAFETY SUPERVISOR

The appointment of Andrew M. Hansen as safety Supervisor of the Santa Fe Railway Southern Lines, with headquarters in Amarillo, was announced today by E. L. Duggan, superintendent of safety for the Santa Fe System. Hansen succeeds Paul K. Sharpe.

Territory to be covered by Hansen embrace the Panhandle, Plains, Pecos and Slaton divisions of the Western Lines in Kansas, Oklahoma, Texas and New Mexico.

The new Safety Supervisor returned to the Santa Fe in January of this year after having been with the U. S. Army since June, 1941. He achieved an outstanding record in military service attaining the rank of Lieutenant Colonel. He received the Legion of Merit award for achievement as Assistant Deputy Director of Administration, 774th Railway Grand Division, Mediterranean Theatre of Operations.

Hansen, born at La Junta, Colorado, in 1900, started employment with the Santa Fe in 1918, following attendance at Colorado College. He served in various capacities at La Junta and Las Vegas, N. M. In 1941 was appointed secretary to the Assistant General Manager at La Junta. Following military service he returned to that position, holding it until the present promotion.

SLATON WILL HAVE DE MOLAY CHAPTER

A chapter of the Order of De Molay is assured for Slaton boys between the ages of 14 and 21 years under the sponsorship of Slaton Chapter No. 387 Royal Arcan Masons. Final plans were completed at a meeting of the advisory Council and committees have been appointed to direct the preliminaries.

Members of the Advisory Council are F. H. Schmidt, chairman; S. A. Peavy, R. M. Shepard, B. B. Castleberry, T. C. Reynolds, A. L. Clifton, Joe W. Tate, and M. J. Nelson.

Any boy of good moral character who comes within the above-mentioned age group is eligible. Within a short time members of the committee will call upon the parents of boys in this area and they hope to have the organization complete and in full operation by the first of the year, according to the committee.

SECOND FIRE WITHIN TWENTY-FOUR HOURS CREATES EXCITEMENT

After the excitement of the disastrous fire Monday night, the citizens of Slaton were even more concerned than usual when the alarm sounded a little after four Tuesday afternoon. Great, billowing clouds of black smoke boiled up in the east of town, as if much of that part of town was on fire. Most of the citizenry of the town went out to see what was burning, finding only that asphalt drained from an oil tanker had caught on fire. The fire department soon had it under control, and the people of Slaton settled down to breathing normally again.

A Home-Coming program for all ex-students of the Tahoka public schools has been planned for this afternoon, and all students and ex-students are urged to be present, according to Miss Nan Weathers, one of the promoters of the event.

A new paved road into one of the best farming areas in the Seagraves trade territory became a certainty Tuesday when the Gaines county commissioners' court agreed to meet the projected Yoakum county road through Bennett and Sligo.

Plans have been completed for improvement of the farm-to-market road from Crosbyton a distance of 10 miles south of town.

West Texas Roundup

Canyon schools needs higher salaries for the teachers; needs more facilities and buildings. In the high school building the cafeteria is on the third floor, making class work almost impossible as the grade children are served their lunch; industrial courses create much noise and confusion for the other students; vocational agriculture is confined to one small room; and the band must practice in same building. All of these should be in a separate building.

Amarillo will be host to the Texas Congress of Parents and Teachers for its 38th Annual Convention, November 20 to 22.

Special speakers in addition to the National president will be Dr. Kenneth McFarland, superintendent of schools in Topeka, Kansas; Judge Phillips Gilliam of the Juvenile Court, Denver, Colo.; Dr. J. B. Schoolland, University of Colorado; Dr. A. D. Foreman, Baptist minister in Amarillo; and Charles H. Tennyson, public relations director for the Texas State Teachers Association.

—The Canyon News.

Postmasters in both Idalou and Lorenzo report a big increase in the sale of air-mail stamps since the first of October when the rate dropped to five cents an ounce.

Postmaster Laird says many of the cotton pickers, who are here from South Texas, buy the air-mail stamps in preference to the regular 3-cent stamps.

—The Tribune (Lorenzo)

Addition to the Post Clinic of a large x-ray, the type used in hospitals, and which was found to be especially useful by military medical units during the war, is another step taken by Doctors Surman, Williams, and Kahler in giving Post and Garza County residents a fine modern clinic.

City officials have made notable progress in putting the dump grounds into usable condition. They expect to employ a system of disposal that will keep the ground clean at all times.

—The Post Dispatch

Hereford voters overwhelmingly approved the proposed \$35,000 school district bond issue in Saturday's special election by a margin of more than 16 to 1, according to C. C. Acker, presiding judge at the election.

The vote was 134 for the bond issue, and only 8 opposed, a relatively heavy turn-out for a district election.

Little Pat Rusk 5 year old son of Mr. and Mrs. W. F. Rusk, is Deaf Smith county's latest polo victim.

The case was diagnosed as polio on November 2, and through the aid of the Deaf Smith county chapter of the National Foundation for Infantile paralysis, the boy was immediately admitted to the West Texas Polio Clinic at Plainview.

—Hereford Brand

A Home-Coming program for all ex-students of the Tahoka public schools has been planned for this afternoon, and all students and ex-students are urged to be present, according to Miss Nan Weathers, one of the promoters of the event.

A new paved road into one of the best farming areas in the Seagraves trade territory became a certainty Tuesday when the Gaines county commissioners' court agreed to meet the projected Yoakum county road through Bennett and Sligo.

Plans have been completed for improvement of the farm-to-market road from Crosbyton a distance of 10 miles south of town.

TWO ACCIDENTS OCCUR IN SLATON RECENTLY

Last Friday a car from Snyder, driven by Ralph Evans, collided with a Chevrolet pick-up owned by the Locker Plant and driven by Raz Hamilton, colored. The colored driver was fined for driving without a drivers license, and the Snyder man was fined for careless driving.

Sunday afternoon at about 5 p. m. a 1946 Chevrolet driven by R. L. Taylor of Littlefield was in a collision with a 1941 Chevrolet driven by C. W. Jones of Route 2, Lubbock. Both cars were badly damaged, but no one was injured other than bruises. C. W. Jones was fined, charged with speeding into the intersection and for having defective brakes, according to Chiey of Police Ernest Ward.

MRS. BREWER'S MOTHER DIES IN FLORIDA

J. H. Brewer left Thursday morning for Florida to attend the funeral of Mrs. Brewer's mother, Mrs. H. A. Lee who passed away at her home in Marianna, Florida, Wednesday night.

Mrs. Brewer was called to Marianna about two weeks ago because of the serious illness of her mother.

Over the Wire

Motorists who do not have drivers licenses, or do not carry them with them are more likely to get into trouble these days as the Highway patrolmen are enforcing the laws on unlicensed drivers more closely than ever. A number of drivers were arrested this week in Slaton.

Occupants of the Forrest Hotel suffered considerably from the smoke from the fire last Monday night a number of them moved their belongings to the lobby for safety in case the hotel building should be damaged.

Real estate dealings in Slaton are still active and the housing shortage just about as difficult as it has ever been. There have not been as many cracker box houses built in Slaton, as in many towns, and it may prove a benefit in the long run for there is nothing as unsightly or unsalable as poorly built houses when conditions are anywhere near normal.

No specific plans for any kind of observance of Thanksgiving or Christmas for this community except for the closing of the stores on those two days, have been disclosed to date, although some ideas were discussed early in the fall for a Christmas celebration for Slaton.

The long string of grain trucks that have been forming at the elevators, both day and night, are reminiscent of the good old days. It is probable that the farmers will make some Christmas money yet.

Food stores report that there are more food products coming on the market than have been available in many months. The reason is accredited to the lifting of ceiling prices.

The new Venetian blinds that were installed at the Slaton Club House recently by the Daughters of Pioneer Study Club have greatly improved the appearance of the interior. If the club would promote a fund to provide some uncracked dishes and utensils for cooking and serving food at the Club House, Slaton would have one of the best places of its kind on the South Plains in which to hold public meetings. The Slaton Club House is a credit to the community and it is one thing in which to which all of us can point with pride.

5c MIGHT HAVE PREVENTED DISASTROUS FIRE HERE

KEEPING HIS WIG WARM—Fred Allen gets into the mood for Thanksgiving by reverting to the garb of the early Indians of his native Massachusetts. He dons his shirt, dons a chief's coiffure and substitutes a belligerent scowl for tribal war paint as he smokes out new gags for his NBC comedy program.

CIVIC CLUBS

A zone meeting highlighted the last Lions Club meeting with District Governor Frank Jordan of Brownfield, presiding. Following the zone meeting a banquet was enjoyed by the local Lions club members and their wives. Other guests were Lions from Post, Larissa, and Brownfield. Brian Sarntain and Mrs. Webber Williams gave two violin-piano numbers. Members of the high school class gave a program.

"Education for the Atomic Age" was the topic of the program presented by the speech class of the Slaton High school in observance of American Education Week at the Rotary Club November 14. Those taking part were Joyce Pember, Mary Harral, Vysta Ward, Mrs. L. A. Harral was accompanist for the musical number. Classification talks were given by J. D. Holt and Elbert Loveless at the last meeting of the Rotary Club.

PERSONALS

Rev. W. F. Ferguson, Mrs. J. R. Butler, Mrs. Fred Stottelmeire, and Mrs. Clifford Young attended the State Baptist Convention held recently in Mineral Wells. They report a most enjoyable time and very inspiring sessions of the convention.

Clifford Young and R. L. Wicker returned Wednesday from a hunting trip to South Texas, they had no deer.

In an election to be held December 3, Snyder voters will decide the fate of three bond issues totaling \$150,000 for the City of Snyder.

Taking of two large size blocks by Ohio Oil Company, plugging of a deep project approximately nine miles northwest of Snyder and moving in of Seismic Enterprises, Incorporated, a seismograph firm of Houston, highlighted Scurry County oil front developments this week.

—The Scurry County Times

LOCAL COURTS CHARGE SEVENTEEN WITH LAW VIOLATIONS RECENTLY

Seventeen law violators were charged with offenses in the city and justice courts recently, according to the local enforcing officers.

Ten cases were filed in city court for Saturday night and Sunday night offenses, according to Ernest Ward, Chiey of Police. Six of these charges were drunkenness and four were gambling.

The Justice court fined four persons Friday and three Saturday for driving without drivers' licenses.

Mr. and Mrs. Howard T. Rucker, Route 2, are the parents of a daughter, Blanche Serena, born November 14 and weighed 8 lbs. 3 oz. The father is employed at J. D. Hufstedlers, Lubbock. Mrs. Rucker was formerly Miss Vivian Hartnett.

Mr. and Mrs. Kirby R. Dunlap are the parents of a son born Monday, November 18, at the Mercy Hospital. He weighs 7 pounds 14 ounces and has been named Hiram Gerald. The father is the owner and operator of Dunlap Motor Freight. The mother is the former Evelyn Saage, daughter of Mr. and Mrs. A. G. Saage.

Mr. and Mrs. A. F. Jones are the parents of a daughter, Laurins Kaye, born November 19th, weight 8 lbs. 4 oz.

A son was born to Mr. and Mrs. C. J. Rhoads in the Lubbock Hospital Monday, November 18, Joe Roland is his name.

Anna Fay Elizabeth is the name of the daughter born November 11, to Mr. and Mrs. Hilton Foerster. Mrs. Foerster was formerly Anna Belle Caldwell of Slaton.

As there is no dependable way of securing birth reports in this area this paper must be notified if such news is to be published.

COTTON GINNING REPORT

Census report shows that 22083 bales of cotton were ginned in Lubbock County Texas from the crop of 1946 prior to November 1, as compared with 7,704 bales for the crop of 1945.

—The Hockley County Herald

A large crowd gathered in the street watching the firemen battle a fire of undetermined origin which destroyed two buildings and most of the contents last Monday night. Hotel guests were unceremoniously routed from their rooms, two doots to the south, while post office officials anxiously watched that building which is next door on the north. A firewall on either side of the two burned buildings is credited with preventing the rapid spread of the fire to the entire west side of the square. The lack of wind was most fortunate in handling the fire, which was well beyond control in the first building when discovered.

The fire was discovered shortly after 9 p. m. and local fireman battled the blaze until approximately 10:35, when they asked assistance from the Lubbock Fire Department. Lubbock sent one large truck, which aided the local fire department until after midnight. The best information is that a small boy in passing saw a blaze on the floor to the back of the Moore-Lee Furniture Mart. The blaze spread rapidly to the Elliott Radio and Electric Shop and the Elliott Electrical Appliance store, both of which were housed in the same building.

It is reported that when the fire was discovered by the small boy he ran into the hotel lobby to call the fire department, but his call was refused as this was a pay station and he did not have a nickel to deposit for a pay call. He then ran to the Palace Theatre, a block away, and turned in the alarm.

Both buildings, owned by S. S. Forrest, were completely burned. His loss is fairly well covered by insurance. Moore-Lee Furniture, owned by Jay W. Moore of Slaton and Hub Lee of Lubbock, is almost a total loss, their stock was covered by insurance. The Radio and Electric Shop owned and operated by Mike Elliott was estimated at \$3,500, and was insured. Very little of the contents of either were saved. The Electrical Appliances store owned by J. A. Elliott, was valued at about \$2,000, and was almost a total loss, as water damaged much of the stock not burned. This stock was partially covered by insurance.

The ammunition supply for Company C, Slaton Unit of the Texas State Guard, had been removed the last few hours from the rear of the furniture store where the fire started. This removal was very fortunate indeed, as this hazard to both lives and property was safely away from the actual scene of the fire.

Some looting occurred after the fire was discovered and before the State Guard members of the Slaton Company could be summoned to act as guards, both of the buildings and of the stock items. Two radios and an electric roaster and six electric irons were recovered from the weeds in the back of the buildings, where they had been hidden evidently with the intention of being safely retrieved later.

Much of the stocks burned consisted of hard-to-get items as scarce furniture, radios, electric refrigerators, washers, irons, stoves, etc. Some of the material had just arrived, and had not been opened.

The material for re-building the buildings can probably be secured with the exception of plate glass for the windows, which is impossible to obtain at the present time. No information could be secured as to whether these business firms planned to go back into business, as they have to secure locations and try to inventory their losses before decisions as to the future can be reached.

Earnest Ward, Jr., and wife and baby of Houston are visiting his parents, Mr. and Mrs. Earnest Ward, Sr.

TEMPERING — It's a sure bet blend of the old and the new when NBC comedian Alan Young, in traditional costume, shows modern Doris Singleton that the proper place for a temping, Thanksgiving turkey is as filler for a hamburger roll.

KEEP RECORD ON PRODUCTION COSTS

No businessman would attempt his enterprise without keeping a record in detail of each transaction, each expenditure, and each inventory. Failure to keep records would make it difficult, if not impossible for him to determine if his business is showing a profit or losing money.

While perhaps it is not necessary for him to keep a record in such detail, the poultryman should also keep track of his cost of production and his poultry income in order to know where he stands financially with his flock. A simple bookkeeping system will suffice. About the only requirements are that your figuring is accurate and that entries are kept up to date to avoid the omission of certain items.

Cut Production Costs
By keeping such a record, the poultryman not only is able to see how much money his flock is making, but also probably visualize more easily how production costs could be reduced. Flock owners who keep no records run the risk of letting their expenses get out of hand.

The poultryman has two big items of expense. These are the cost of the chicks and the cost of feed, and they may account for 90 per cent or more of his total expense. Others which must be calculated are cost of medicine, litter, insurance, fuel, miscellaneous supplies, and depreciation on house and equipment. Another is bird mortality—and this presents the greatest opportunity for boosting profits. Mortality of 15 per cent is not considered much above average, yet if this could be cut to 10 per cent or less the cost of production per bird would be reduced and income would be greater.

Increase Rate of Lay
If your birds are laying, care of eggs and the rate of egg production are the important factors. Do what you can to keep egg production from falling and establish a system for handling and storing eggs in such a way as to maintain the highest possible quality between the time they are hatched and when they are taken to market.

How you manage your flock will probably determine whether your expenses are greater or less than average. Be alert for every opportunity to spare costs without risking the good health of your flock. A flock record book will help you to do this.

Insulate Now For Winter

Insulate now and save enough on fuel during the winter months to pay the cost of having it installed. Insulation not only saves on the fuel bill in winter, but makes your home several degrees cooler in summer. The Texas Roofing Company is equipped to do the job right, as they have skilled workmen trained to install any of the types of insulation which you prefer.

The Texas Roofing Company of 1902 Avenue F, Lubbock, will be glad to have you come in and talk over your insulation needs with them and get their estimates on the cost of materials and labor for doing the type of insulation you want done.

The Texas Roofing Company also has roofing of all kinds, and overhead doors, as well as many other items to repair your home or to make it more comfortable.

THIS WEEK'S LESSON

"Soul and Body" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 24.

The Golden Text is: "I beseech you, therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service" (Romans 12.-).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "My flesh and my heart faileth; but God is the strength of my heart, and my portion for ever" (Psalms 73:26).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Life is, always has been, and ever will be independent of matter; for Life is God, and man is the idea of God, not formed materially but spiritually and not subject to decay and dust" (page 200).

POSEY ITEMS R. L. BOYD

In the absence of Supt. George Hayes at Sunday School, S. N. Gentry who has held the position for several terms, had charge of services. At 7:00 o'clock Sunday evening, singing was held at regular Third Sunday services. Rev. W. R. Fleming will preach next Sunday as he has been reappointed supply pastor.

Mr. J. C. Godsey has been named school bus driver to take the place of Mr. Hansen who resigned. The price of cottonseed has been raised again and the Posey Gin has been paying \$110 per ton.

Mr. and Mrs. Buck Craig have moved back to Posey and Mr. Craig is now employed at Lubbock.

Mr. and Mrs. J. M. Shafer have sold their farm to their son-in-law M. M. Brieger. They will retire from live farming and move to Slaton.

Uncle Dave Sooter will move to his Hale county irrigated farm next year. Thurman Burleson will work the farm.

J. R. Boyd has bought two colts, one for \$100 and the other \$125 from a Crosby county stock farmer.

Mr. and Mrs. J. T. Fullingham of Petersburg visited relatives near

Posey Sunday afternoon. Guy Gentry says that he plans to play football with the Slaton Tigers again next season and will probably be the quarterback because of his experience.

New subscribers to the Slatonite are Raymond Gentry, Ed Masker and Wallace M. Cox.

Joe Moeller of near Cooper visited relatives here Sunday. Mrs. Moeller has been at Galveston for several weeks recovering from illness.

M. P. Gentry who is the election judge appointed by the commissioner's court says there will be no more elections this year unless

there is a special election.

The deer hunters, Fred and Robert Stolle and R. B. Boyd are planning to spend most of this week in Mason county.

Charles S. Gentry has recently been employed by Santa Fe.

A Posey farmer was offered \$125 for a common milk cow which he did not sell. It seems that milk cows have about doubled in price since the heavy fall rains.

A relative to the brother of Mr. Cates of the Cates Grocery was killed in a road accident near O'Donnell last week.

Mr. Cleveland and Shorty Wicker of Slaton made a business trip

near Buffalo Lakes Monday.

There are only two Posey boys in the army overseas at present. At last account O. L. Johnson was in Korea and Howard Johnson was in the Philippines.

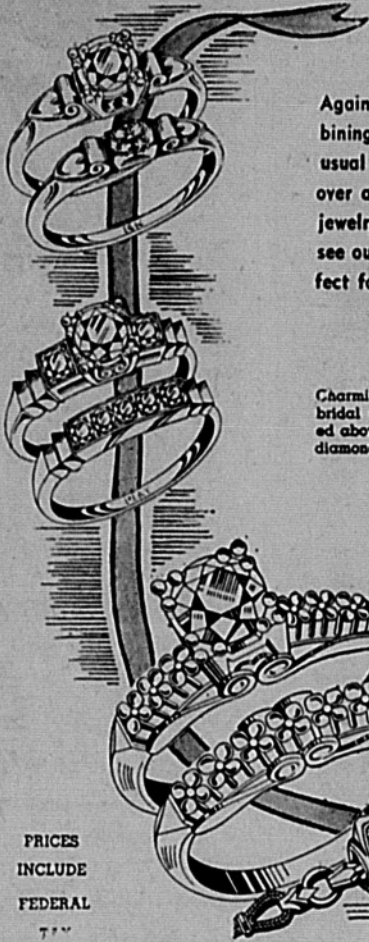

Xerxes was ruler of the Persians. Egbert was the first king of all England.

Mrs. Floy King

Southland's six-man football team defeated the Cooper sextet 40-26 Friday night on Cooper's grounds in the seasons grid finals. The victory gave the Southland team their tenth win of the season in eleven games. Billy Stone led the Southland attack with 24 points, with Harley Martin and Hollis Berkeley chipping in eight and six respectively. Kenneth Pierce led the losers with 24 points.

Rev. R. B. Walden, who has been ill so long, is feeling fine at this writing. Their visitors Sunday were their son, J. C. Walden and wife of Lubbock.

Mrs. J. L. Whited is suffering from an irritated throat and tonsils. Their son Wayne who is attending Tech spent the week-end at home.

Mrs. Marvin Truelock and children, Glenda and Calvin Grantham, visited her parents, Mr. and Mrs. W. M. Fletcher, of Plainview over the week-end. Marvin has gone deer hunting.

Misses Laverne Brooks and Joy Trimble visited Lena Mae Samples Sunday.

Mr. and Mrs. Henry (Babe) King and little daughter, Elaine, of Levelland spent the week-end with his parents, Mr. and Mrs. Harry King.

Mr. and Mrs. Harry King received a letter from their son, Bryce, and wife of Phoenix, Ari-

zona, saying she was busy "contesting" in her spare time and had recently won a radio, a wool blanket and a year's supply of canned peas and corn, "the sponsors products," as prizes in a letter contest sponsored by a Hollywood radio program.

Mrs. Joe Childres and baby, Beverly Jo, have moved to Slaton in an apartment on 4th Street.

Colene Gilliland is sick with a cold at this writing.

Roy Williams, O. R. and Elbert Carey and Walter Williams have gone deer hunting near Uvalde. They plan to stay a week or ten days.

Zelda Harris of Plainview spent a week here with her aunt, Mrs. Sampson Gilliland, and family, her grandparents, Mr. and Mrs. J. C.

Harris, and grandmother, Mrs. Tom Walker of Slaton.

Mrs. Will Basinger has returned from Oklahoma where she visited her mother, Mrs. Donohoo who is ill.

Jerry Donohoo had tonsillitis last week.

Mr. and Mrs. Edward Ussery returned from California Sunday, they will live at the Hotel. That night they and her parents Mr. and Mrs. Sam Marsh and daughters were supper guests of his parents, the E. H. Usserys.

Last Tuesday afternoon there was a P.T.A. meeting to take the place of the one missed because of the rain the week before.

Last Tuesday night 16 men met at the Baptist church and organized a Brotherhood. J. L. Gary was elected president; Ray Dick, vice-pres.; I. J. Duff, program chairman; Ben Bloxom, secretary; O. Quisenberry, social chairman; S. A. Fleming, membership chairman; and Earl Lancaster, chorister.

UNION NEWS

The farmers are busy this week gathering their feed and other crops since the big freeze.

Several of Mrs. George Eklund's friends gathered at her home the night of November 9th and enjoyed her birthday with her.

Mr. and Mrs. Joe Gamble and Joyce spent Sunday in the home of his sister Mr. and Mrs. R. D. Presley near Abernathy.

Mrs. Andrew Nelson was on the sick list last week.

Mr. and Mrs. S. M. Rogers has as their guests this week their son and wife, Mr. and Mrs. Lois Rogers of New Mexico. They had the misfortune of a negro running into their car on the Slaton and Lubbock highway coming down and tore their car up but no one was seriously hurt in the accident.

Visiting Mr. and Mrs. B. B. Jones Sunday, were their daughter and husband Mr. and Mrs. Bill

Jones of Lubbock.

Mrs. V. L. Cade and Nancy and Mrs. S. R. Cade of Lubbock visited with Mrs. George Eklund, Mrs. J. G. Hampton and other relatives Sunday afternoon.

We are glad to report Mr. Travis Davis, who has been in the Lubbock Memorial Hospital for six weeks was able to come home last Friday.

Mrs. Otho Doyle returned Dallas last Friday.

Mrs. Lula Gamble, George Mrs. Joe Gamble and Joyce with Mr. and Mrs. J. W. Eklund were one day last week near land.

Rembrandt's painting "The Anatomy Lesson" was done for a secting room.

"It's unfair! he's using Phillips 66 Motor Oil!"

Cecil Self—Editor
Howdy Folks; We had a talk with editor Jackson of the Slatonite, about writing columns and he gave us some advice about the popular profession.

He said there was money in writing, but he had never made much at it because he didn't have any rich relatives to write to.

He encouraged us, though. He said that by the time we had written long enough to discover that we had no talent for writing we'd probably be too successful to quit.

Of course we know how to write successfully for a magazine. Just write 'em a check for a subscription. They never reject that kind of writing.

Our neighbor wished us success. He said he was certain we'd be able to turn out a column a week on our typewriter.

We are certain that you will like our Mobiloil and Mobilgas if you'll give it a try. Drop in next time you're down our way.

We now lubricate cars while in a swaying motion—Try our MOTO-SWAY way of swaying squeaks away.

JUST TALK
 by **A.M.J.**

A well to do business man in discussing the big problem of making money told me not long ago that he had all the money he would ever need and could retire and have more than enough to live on comfortably for many years, but he said that he felt that he would not be able to enjoy the kind of life that he would live if he should retire and that his greatest pleasure is in making more money.

There is no doubt pleasure in having a considerable amount of money and one would feel pride in being able to accumulate even a fair amount of the stuff but money should be secondary to the pleasure of living for after a comfortable home is bought and one has enough income to keep the outfit going, money will buy little else. At least that is my idea and I hope to try it out some day and quit trying to catch up with those fellows who find such a great pleasure in piling up the dough.

My wife inveigled me into a trip over Armistice Day to Amarillo and we made all of the restaurants we had time to try out. One place had turkey dinner on the menu and she ordered it and I predicted that she would get a little sliver of turkey shaved off with a razor blade like the hotels in Lubbock serve and I was sitting back ready to give her the horse ha, ha—but

had the shock of my life. she really got three nice size slices of turkey and I got sore and did not enjoy my steak that might have tasted all right if she had not really gotten so much turkey.

And we went out to a place that features fish. Personally I had just as soon eat blotting paper as restaurant fish but I was not going to be scooped the second time so I ordered fish. To my surprise it was excellent eating and I have had the stomach ache ever since.

While we were there I visited around among some of the old sour pussers who used to buy advertising from me when I worked on the News Globe and sat around their desks asking what they thought future conditions would be. One man, an architect, said that he has booked orders for drawing plans for over a million dollars worth of construction in business buildings and he was just one of the smaller operators in the architectural field, another said that he expected a short depression by the end of next year but not a real blow up for five or six years, "it's going to be a lulu when it does come," he said.

Most business men seemed rather smugly pleased that the Republicans had taken over in Congress and predicted a tightening up in many ways.

R. H. Todd wants something done about the low hanging limbs on the trees that border the sidewalks, he says that since Mayor J. H. Teague passed away there has been no attention paid to the trimming of trees. R. H. showed me his hat which was rather beaten up and explained that it had been knocked off so many times that it fits his head like sox do a rooster and he says that it

CUTIES •• By E. Simms Campbell
Registered U. S. Patent Office

TOPIC IMAGE KING FEATURES SYNDICATE, INC. WORLD RIGHTS RESERVED. 10-18

"You needn't feel sorry for yourself, having to stay home with a book . . . that cheap jerk took me to the public library for the evening!"

would be useless to buy another as it would look the same way in a very short time.

Personally I do not think it does any good to howl about such things for I believe most tree growers like to see the few people who have enough energy to walk get their clothing ripped from their body and my advice to those energetic folks is to walk down the middle of the street and dodge automobiles like football players do tacklers, in fact folks like R. H. should take football practice with the team each season so that they can keep in trim.

When I first came to Slaton I used to walk a couple of blocks once in a while but it was like crawling through a tunnel and now I get in the car to go across the street.

Another thing I would advise J. H. Todd to throw his hat away and quit wearing the darn thing. If a limb snags him across the top of his dome he can put iodine on the wounds and it will heal in the course of time and a 10c bottle of iodine is much cheaper than hats

these days. Besides what good is a hat, it blows off the first day you buy it and lands in a mud puddle if there is one in the country, or if there is not a convenient mud puddle it slides under some truck or automobile and gets run over or gets grease all over it. From now on the only time I am going to wear a hat is when my wife makes me.

Another thing that I would like to air my opinion about is the wearing of ties, especially the lurid ones that K. C. Scott, Pete Pearson and Preacher Kirk sport these days.

All a tie is good for is to get in the soup, blow in your eyes while you are driving, and get tangled up in your underwear at night when you pile all your clothes up in the corner.

And at this time of the year when the women are apt to go to picking out Christmas ties it is a most discouraging subject to think about. There is no telling how many ties one might get as there is so little that a woman can buy a man these days, unless it could

be a fur neck piece or a piece of costume jewelry. For my part I am in favor of redesigning mens clothes all together and going back to the Roman toga days, we may have to do so or wear blankets like the Indians unless suits get plentiful and cheaper soon.

If the grocery and food dealers would double their present prices on all food products we would soon find the inflation broken for all of us but the very wealthiest would not have enough money left to pay the high prices for the other things and it would not be long before commodity prices would start down. When the downward trend starts it may be as hard to stop as the spiral we are now in but it would be something different at any rate.

Even though the women have done their best to invade the Barber shops they still look slightly embarrassed when they take Junior into have his hair trimmed and the men all look embarrassed until mama and little squalling Horace, Billie or Tommie are gone.

If you want to find any of your friends or acquaintances in Slaton you go to Frank Norris' or Travis Reynolds Barber shop and if you can recognize the man you are looking for with a glob of soap suds on his face and a towel wrapped around his head you can usually find him.

There is probably more business transacted in the barber shops than in most offices, there are

more stories of every degree and shade told in the barber shops than in any other place and if you want to catch a man in his best humor try him just after he steps out of the barber chair, preens himself and shakes the hair cuttings off his chest, if he still has one.

It has always been my hope to see or hear of a man getting nipped with a pair of scissors or a little hunk of his ear clipped off but so far I have never been present when such glad tidings happen. I always enjoy going in where ev-

erything smells of hair tonic, shoe shines, railroad men, bear grease and soap, but I do hate to have my hair cut.

A scarab is a stone carved in the form of a beetle.

YOUR THANKSGIVING TURKEY

Will Be More Tender . . . More Delicious
 When Baked In A **CP GAS RANGE**

MORE tender and more delicious because only in the fresh-air oven of a Live-Flame Gas Range, with CONTROLLED and sustained low temperature, do you get finest baking results. Not only will the turkey be uniformly done throughout, tender and juicy, but with low temperature, so easily and accurately maintained, you have minimum shrinkage. Nothing equals GAS for superb baking or roasting.

West Texas Gas Company

Daughters Of Pioneer Club Has Annual Guest Day Program

Daughters of Pioneer Study Club held their annual Guest Day meeting Monday evening at the Club House with about 60 attending.

The program was in the form of a style show entitled, "History of Fashion." Costumes dated from 1800 to 1946 and were modeled by Mary Leslie Culwell, Mrs. Curtis Dowell, Mrs. W. T. Howard, Myrtle Teague, Mrs. Garland Swan, Mrs. Vern Johnson, Mrs. Harmon Thompson, Mrs. J. P. Haliburton, Mrs. Joe Walker, Jr., Mrs. Melvin Tudor and daughter Peggy. Mrs. Earl Reasoner was narrator and described the costumes. Miss Wilda Hannah furnished the music.

Mrs. S. H. Adams and Mrs. Roy C. Ayers presided at the coffee table that held an attractive center piece carrying out the Thanksgiving theme.

Hostesses were Mrs. Dowell, Mrs. Swann and Mrs. Robert Hall Davis. The club meets next with Mrs. Oree Glasscock, December 2. Miss Myrtle Teague will give a book review.

LOYAL WORKERS CLASS HAVE REGULAR MEETING

The Loyal Workers Sunday School met in the basement of the church, Thur. 14th with Mrs. S. P. Ferguson, and Mrs. Ray Conner as hostesses.

In the absence of the president, Mrs. Foster, Mrs. W. E. McCain presided over the business. Mrs. Ferguson had charge of the program. She paid tribute to the beloved teacher, Mrs. W. H. Proctor.

Prayer was led by Rev. Kirk. A very interesting devotion was brought by Mrs. Clark, "What a Christian Character Means."

A violin solo was given by Roy German, accompanied by Eugene German.

Roll call was answered with scripture verses. The following report was given: 265 chapters read, 68 visits made, 28 cards sent, 19 followers and 10 trays given.

Mrs. Proctor gave a summary of the history of the Methodist Sunday School and Church of Slaton, which was first organized Aug. 1911, under Rev. Overton, now deceased. The only charter members now living are Mr. S. S. Forrest Sr. and Mrs. Gus Robertson.

The Loyal Workers Class was organized in 1927 with Mrs. Proctor as teacher, and are fortunate to still have her as their teacher. The first President was Mrs. Mildred Lokey, who attended this meeting.

The class is sponsoring a nursery during Sunday School and Church. Mrs. McCain secured a lady for keeping them.

Delicious refreshments were served to 19 members and 5 visitors.

BLUEBONNET CLUB TO HONOR HUSBANDS

The Blue Bonnet Club met in the home of Mrs. J. D. Barry on November 13, with 15 members answering roll call with their favorite color. The President, Mrs. Legg was in charge. The Thanksgiving banquet honoring the husbands of club members, was discussed and the menu planned.

It is to be held at the Club House tonight, November 22, at 7:00 p. m. All members and their husbands are invited.

The next meeting will be with Mrs. J. H. Teague Jr. on November 27th.

HOMEMAKER'S S S CLASS PLANS XMAS LUNCHEON

The Homemakers Sunday school class met in the home of Mrs. B. G. Norman, November 14th for their regular business and social meeting. Opening with singing and prayer by Mrs. J. W. Scott. Mrs. Fannie Patterson presided. Xmas luncheon was discussed and it was decided to have it December 17th, at 1:00 p. m. and to exchange gifts not to exceed fifty cents. Mrs. Henry Jarman was elected 2nd assistant secretary. Mrs. L. T. Arthur led the social part of the meeting, also gave a reading "The Service That Counts," closing prayer by Mrs. A. J. Baker. Offering \$2.13 for the treasury.

Refreshments were served to the following members, Mesdames A. J. Baker, W. Wilks, Henry Jarman, J. W. Scott, J. R. Robertson, C. B. Martin, L. S. Jeffcoat, Edd Meyers, I. C. Tucker, Vern Johnson, J. W. Ward, Fannie Patterson, Fred Stottlemire, D. W. Haliburton, A. B. Cloninger, A. P. Wilson, Mrs. W. D. Stickle and a visitor Mrs. Stottlemire.

Mrs. Cloninger assisted Mrs. Norman as hostess.

MRS. ED HILL HOSTESS TO MISSIONARY GROUP

Missionary Society of the First Christian Church met Monday in the home of Mrs. Ed Hill.

Subject of the study was "Gods New World." Devotional was taken from the 8th Chapter of Romans and presented by Mrs. J. A. Smith. Mrs. Hill, Mrs. Earl Reasoner and Mrs. Carl Lewis discussed various aspects of the subject, including the need of food and the need for Brotherhood among the nations.

A box of clothing was packed to be sent to the Orphan's home at Dallas. Refreshments were served to the members and one guest, Mrs. O. A. Neely, mother of Mrs. Hill.

Next meeting will be December 9, in the home of Mrs. H. H. Edmondson.

Mrs. Joe Walker, Sr., visited Mrs. R. L. Tibbs in Amarillo over the week-end.

"COURAGE OF LASSIE" TO BE AT PALACE SOON

"Courage of Lassie," the new M-G-M Technicolor thriller at the Palace, preview Saturday night, Sunday and Monday, is Hollywood's first picture dealing with the rehabilitation of a soldier. An important phase of the outdoor story is the return of a war hero suffering from shell shock and the misunderstanding that greets him with his return to civil life.

The "war hero" of the picture, however, is not a human soldier but a collie dog that had been instrumental in saving a unit of American soldiers in battle with the Japs. Lassie, Hollywood's canine star, plays the role of the dog, who returns mean and vicious from his war experiences.

Tried in court as a vicious dog, he is released after Frank Morgan delivers an impassioned plea for his life, pointing out the problem that America faces in helping all returning war heroes to readjust their lives once more.

HIGH SCHOOL TEACHERS TO BE HONORED AT TEA

Honoring High school teachers, the Jr.-Sr. P.T.A. will entertain with a tea Saturday afternoon from 3 to 5 in the home of Mrs. L. A. Harral, 755 West Lubbock St.

Teachers will be in the house party and all mothers of High school students are invited. Girls from senior class and wives of school board will also be guests.

SLATON "BREAKFAST IN HOLLYWOOD" IS SUCCESS

The premier of Slaton "Breakfast in Hollywood" held recently was a pronounced success, being attended by a large, enthusiastic audience. Tom Breneman, originator of this radio show, sent two Arm-Roy orchids to be awarded to the two oldest guests, as well as one of his famous big cigars. Mrs. J. A. Lamb, aged 80, the eldest guest, and Mrs. Jessie McReynolds, aged 83, received the orchids. The

Tom Breneman cigar was awarded to George Brassell. Mrs. Alice Landers was judged the good, good neighbor and received an orchid. Mrs. Fred England won the wishing ring, which was given by Higginbotham-Bartlett Company. Many gifts, including two pair of nylon hose, were awarded to adults. There were also a number of gifts awarded to the younger group. All of these gifts were donated by local merchants, and given to those holding lucky numbers.

Mrs. Jerry Mudgett visited her son at Pampa over the week-end.

Superintendent of the Slaton schools M. S. Kavanaugh will leave next Wednesday for Houston to attend the State Teachers Convention that meets there next week.

SPEECH CLASS PUPILS GIVE PTA PROGRAM

Jr.-Sr. High School P.T.A. last Thursday afternoon at High School. A short meeting was presided over by L. A. Harral, president.

A program was presented two of Mrs. Caldwell's class. Ella Bell Johnson presented "Thanks For The Past" and Frances Hart gave "Thanks For Present."

Mr. and Mrs. C. C. Driver, Cleburne, Texas, Mr. and Mrs. F. Driver, of Hamilton, Texas, Mrs. R. L. Peters, of Sweetwater were visitors in the W. T. Dr. home over the last week-end.

Herodotus was called the Father of History.

Thoughts On Weighty Problems?

FLUSHING, N. Y. — (Soundphoto) — It may have been the unusually warm Indian Summer day, coupled with the monotonous drone of the routine business of getting the United Nations General Assembly underway that caused Dr. Francisco Castillo Najera (left), Chairman of the Mexican delegation, and Senator Tom Conally (right), Democrat, Texas, of the U.S. delegation, to enter what appears to be a state of extreme relaxation.

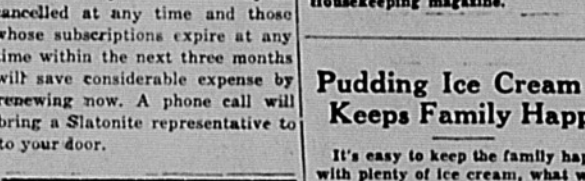

Special Renewal Rates On Daily Papers May Be Cancelled Soon

Many subscriber are taking advantage of the special low rates that are now available on the Lubbock Avalanche and the Fort Worth Star Telegram. Neither one of these papers will accept new subscriptions but the Slatonite is still accepting new subscribers.

Both the Star Telegram and the Lubbock papers have recently increased their rates but special bargain rates are now available at the Slatonite office on renewals either alone or in combination with the Slatonite.

According to reports the paper shortage is still stringent and will likely continue to be until the price ceilings are lifted and most all daily newspapers say it will be a considerable time before they will accept new subscriptions and a much longer time before rates are lowered. The present rates may be cancelled at any time and those whose subscriptions expire at any time within the next three months will save considerable expense by renewing now. A phone call will bring a Slatonite representative to your door.

Suggestions For Preparing Deer

Opening of deer season in Texas in the immediate future is certain to bring wives of successful hunters the problem of using less tender cuts of venison. Edith Lawrence, specialist in food preparation for the Texas A. and M. College Extension Service, offers venison sausage with its variety of uses as a solution.

The shoulder, neck and lower portion of ribs when boned make good sausage, says Miss Lawrence. Here are the directions:

Grind the meat, using three parts deer meat to one part of fresh pork fat. If a drier sausage is preferred, use four parts deer meat and one part of pork fat. Season with one and one-third cups of salt and three-fourths of a cup of black pepper to 50 pounds of meat. About three-eighths of a cup of sage may be added to the seasoning mixture, according to taste. (Three-eighths of a cup equals one-fourth of a cup plus two table-spoons.)

If the sausage is to be kept for some time, stuff it in a casing or muslin bag, Miss Lawrence suggests. She adds that the sausage may be smoked, depending on family preferences.

Ground venison may be used as any other ground meat... in meat loaf, with spaghetti or in chili, for instance. Sometimes even the choice cuts from an old animal prove difficult to cook tender, and in this event should be ground. In addition to adding seasoning, add some fat, too, the specialist advises, for venison usually contains insufficient fat. That is sometimes a reason it remains tough after long cooking.

Deer season east of the Pecos river is from November 16-December 31. West of the Pecos it is November 19-November 24.

ROTENONE PROVES WORTH AGAINST GRUBS

Rotenone is proving to be a sure-fire treatment for cattle grubs in West Texas.

With 10 pounds of rotenone-sulphur dust, F. J. Jenkins, Edwards County ranchman, got rid of practically all the grubs on 55 head of beef cattle that were badly infested last fall. Edwards County Agricultural Agent A. A. Storey, Jr. reports that Jenkins' grub treatment was done at a cost of only \$7.50. Running the cattle through a chute, he brushed the rotenone-sulphur dust into the loins and backs of the animals with a wire brush. Prior to the treatment, which was given last fall, every animal in the herd of 55 had from forty to fifty grubs. A recent check-up by Jenkins and the county agent only nine of the animals carry grubs, and those were only slightly infested.

Jenkins is convinced, says Storey, that Texas ranchmen can eventu-

Ammonia Fumes Help Clean Ranges

Dark, greasy stains that accumulate on the interior surfaces of ovens in kitchen ranges are hard to clean. Ordinary washing or wiping will not often remove them because the grease has "baked on." Scouring often is used but, unless done with care, may damage the enamel finish.

Fumes of ammonia, however, are helpful in softening this substance to make cleaning easier, according to Mrs. Bernice Claytor, specialist in home management for the Texas A. and M. College Extension Service. She suggests placing a shallow bowl of household ammonia—or wadded cloth moistened with ammonia—in the oven for several hours or overnight. The fumes gradually rid their cattle of grubs and heel flies by giving regular rotenone each fall.

en off then will have time to loosen the greasy stains. A badly soiled oven may need this treatment for several successive nights.

To keep the oven door clean, Mrs. Claytor advises leaving the door open after use until the oven is cool. This will "air out" many of

the odors and oils from baking instead of holding them in to settle on oven surfaces. This also helps prevent rusting of metal surfaces by the steam from food.

Any food that boils over or spills in the oven should be wiped up at once and not allowed to burn on.

IS THERE SUCH A THING AS PERFECT WOMANHOOD?

"No"—claim medical authorities, who ought to know! Nature has so constructed and physically endowed woman that in many cases she's apt to suffer certain distressing symptoms during her life. For instance, when she enters womanhood—or during the menopause, the period when fertility ebbs away.

Now if on 'certain days' of the month—female functional monthly disturbances are causing you to suffer from pain, nervous distress and feel so tired, cranky, you snap at your children and husband—then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous for this purpose.

Made ESPECIALLY For Girls and Women

Pinkham's Compound does more than relieve such monthly pain. It also relieves accompanying nervous tension, irritability and weak, highstrung feelings—when due to this cause. Taken regularly thruout the month—this great medicine helps build up resistance against such distress. A thing any sensible woman should want to do!

Lydia Pinkham's Compound is also very effective to relieve hot flashes and those funny, embarrassing feelings during the years 38 to 52—when due to the functional 'middle-age' period peculiar to women.

Pinkham's Compound is worth trying!

More **ELECTRIC POWER TO MORE PEOPLE**

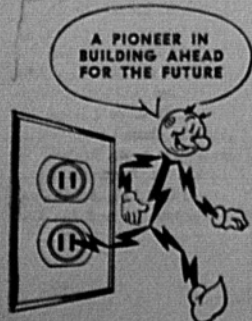

—AT A LOWER COST THAN EVER BEFORE

Thousands of hands in this entire area reach out to bring the magic of low-cost electricity.

A flick of a switch and safe, dependable, low-cost electric power is at the command of old and young folks alike.

Today, in our 22nd year, a pioneer in building ahead for the future, we're seeing these switches installed in homes by the hundreds. Our 12 million dollar expansion program is bringing electrical living to more and more people.

And, more important now than at any time during our history, we're keeping the cost of electric power at the bottom of your budget. Electricity is coming to you at a lower cost than ever before.

THE BRIGHTWAY TO HOOK MORE FISH!

WESTERN MARKET NEWS

Cotton took the spotlight at most southwest markets last week as it moved back to the 30 cents per pound level. Also wheat, sheep and hogs made small gains, but other farm products were steady to weak, according to USDA's Production and Marketing Administration.

Cotton went up about \$17.50 per bale last week as market activity in cotton textiles increased following the end of price controls. Spot market prices strengthened a little relative to March futures. However, country buyers' prices were generally low in relation to central and futures market prices.

Turkeys were about steady at 35 to 38 cents per pound for hens and 26 to 28 cents for young toms at most southwest markets last week. Some rural prices were 3 to 5 cents per pound below these. Hens and fryers held about steady too, although demand was weak. Eggs reverse recent trends as expected holiday demand began to strengthen prices.

Cattle prices went up and down last week at most southwest markets despite active trading. However, no great losses or gains were registered. Top quality slaughter classes were steady to higher. Common and medium steers and yearlings brought \$12 to \$15 per hundred at Houston and \$11 to \$18 at Ft. Worth. San Antonio quoted common and medium grass fat steers and yearlings \$14.50 to \$16.50. Medium and good steers brought \$18 to \$20 at Oklahoma City while medium light steers realized \$16 to \$18 at Wichita. Medium to good steers ranged from \$17.50 to \$25 at Denver.

Last week saw hogs move gradually higher under active trading at most southwest markets. Friday's quotations for top butchers

J AFF - A - DAY

Progress on getting telephones to those waiting

Every day we're making progress on the big telephone job to bring service to the people who want it. New applicants serve the waiting list long, but as new equipment is placed in operation, we're able to put in telephones for those who have waited longest.

It's not a short or easy job, but we're hard at it. We are working at getting telephones for not a few persons or a few towns, but . . . for more than 230,000 persons . . . living in some 700 towns . . . in five states.

"Getting telephones" means making and shipping and installing switchboards and other telephone equipment, stringing wire and splicing cable, setting poles and placing conduit, and all the rest that adds up to a telephone system.

All over the United States people are waiting for telephones. Thus we get only our fair share of the new telephone equipment being made for the 48 states.

The raw materials the factories work with—copper, lead, rubber, cotton—are just as scarce as many of the hard-to-get things you yourself need these days. That's why getting telephones in takes longer today than we like.

That isn't normal, and it won't last. One of these days we'll be putting in telephones again the day people want them installed. Everyone who wants a telephone will have one, and service will be better than ever.

Meanwhile, the best way we know to hurry that day along is to work hard—harder than we once believed we could work—and make that badly needed telephone equipment faster than it has ever been made before. As you read this, 100,000 workers in telephone factories—an all-time high—are doing that. They are making telephone equipment in far greater volume than ever before. That's the best answer to a shortage that we know.

SOUTHWESTERN BELL TELEPHONE CO.

Continue to follow this wise rule on "the two most important cars to you"

Protect **YOUR PRESENT CAR** with our skilled service

You'll find it pays in all ways to get skilled service, now and at regular intervals, at our modern Service Headquarters! DOROTHY JEAN SLEDGE WEDS B. J. MOELLER

Mr. and Mrs. William Sledge are announcing the marriage of their daughter, Dorothy Jean to Bennie J. Moeller, son of Mr. and Mrs. Joe F. Moeller of Cooper.

The marriage was performed in Clovis, New Mexico, Monday evening at 6 o'clock, in the study of the First Baptist Church with a single ring ceremony, the Rev. Harold Dyes officiating.

The bride wore a rose wool suit with black accessories and a gardenia corsage.

Attendants were Miss Wilma Faulkner and John McCormick of Slaton.

Mrs. Moeller is employed in the office of the County Clerk, Lubbock. The bridegroom is a veteran of World War 11 having served 2 years with the Infantry, serving 18 months in the European Theatre. He is now employed by the Santa Fe in Lubbock, where the couple will make their home.

Staplers and staples at the Slatonite.

Methodist Group Meets In Circles

Mrs. K. C. Scott was hostess to Circle Two of Women's Society of Christian Service Monday afternoon, with her mother, Mrs. W. H. Smith as co-hostess.

Devotionals were given by Mrs. Smith and Mrs. Joe Walker gave the last lesson on the study of India. The whole course of this study has been taught by Mrs. Walker. Five members attended.

Circle Four met in the Church Auditorium with seven members present. Mrs. Vaskar Browning gave the devotionals and Mrs. Oree Glascock and Mrs. Sug Robertson the lesson on India.

All members of Circle Four are urged to attend a called meeting next Monday at 2:30 in the home of Mrs. S. H. Adams, at which time election of officers will be held.

Mrs. Harry Stokes is visiting her parents at Lamesa this week, while Mr. Stokes is on a hunting trip near Mason.

Society

POSEY H D CLUB MEETS IN PATTERSON HOME

The Posey Home Demonstration Club met in the home of Mrs. O. R. Patterson, with Mrs. Buck Craig as co-hostess.

Miss Pratt gave a very interesting program on closets and storage space in the home.

Mrs. Patterson (food demonstrator) showed her ventilated pantry and canned food.

The following officers were elected for the year: Mrs. F. T. Sager, president; Mrs. T. A. Johnston, vice-president; Mrs. O. E. Patterson, secretary; council members, Mrs. F. T. Sager, Mrs. B. L. Wood, Mrs. O. R. Patterson and Mrs. A. L. Havis; Mrs. Sam Gentry, reporter and good neighbor chairman.

Refreshments and a social hour was enjoyed by all present.

ANNA DORIS PHILLIPS HONORED ON BIRTHDAY

Honoring her daughter, Anna Doris, on her fifteenth birthday, Mrs. Sam T. Phillips entertained with a surprise luncheon Friday noon at her home, 350 W. Dickens.

Invited guests were Joyce Pember, Jimmy Cherry, Dorothy Davis, John Schmidt, Nancy Teague, Fred England, Lena Schmidt, Jack Thompson.

Lovely gifts were presented the honoree.

MRS. J. B. CALDWELL GIVES BOOK REVIEW

Mrs. R. E. Ayers was hostess to the Junior Civic and Culture Club Tuesday evening, November 19.

Roll call was answered with "My Favorite Character of Fiction". Mrs. J. B. Caldwell reviewed "Out On A Limb" by Louise Baker.

Nineteen members and one new member, Mrs. W. T. Davis were present. The next meeting will be with Mrs. E. B. Morgan 520 E. Crosby on December third.

Attending the 38 Annual State Convention of Texas Congress of Parents and Teachers in Amarillo this week are Mrs. J. S. Teague, from Jr. Sr. High and Mrs. Charlie Walton from Elementary P.T.A.

From where I sit... by Joe Marsh

Why Bert Won First Prize

Folks weren't surprised when Bert Childers won first prize for his corn at the county fair.

Yet the judges admit it wasn't just because Bert had the finest ears of corn. He knew how to display them: neatly arranged, with the husks cleanly trimmed, and the cobs white and spotless.

"Trimmings" sure make a difference no matter what you're offering—as Andy Botkin, keeper of the garden Tavern, well knows. Andy doesn't just sell good beer. He sells in a place that's clean and attractive.

belong with the enjoyment of a wholesome beverage of moderation.

And Andy, of course, is a whole-hearted supporter of "Self Regulation." That's the system by which the Brewers and tavern keepers themselves make sure that taverns selling beer are clean and orderly.

From where I sit, people like Andy also rate a "First prize." Not just for the quality of the product—but for the "trimmings" too.

Joe Marsh

LUB. LITTLE SYMPHONY ANNOUNCES PROGRAM

The Lubbock Little Symphony announces the first of its season of four concerts to be on December 17. The enthusiastically received premier concert of October 22, amazed Lubbock music lovers by the result achieved by William Harrod, its conductor.

Guest artist for the December concert will be Myron Taylor, tenor from Denton, Texas, whose concert tours of Texas have made him well known and well loved. Miss Doris Kolb will be presented with the orchestra in the first movement of Mendelssohn's G minor Concerto for piano and orchestra. In addition to the soloist, Christmas music, both the well loved carols in an orchestral arrangement by J. Hollie Cross and Tchaikowsky's Nutcracker Suite, will be presented by the orchestra.

On February 12 the orchestra will appear in a concert featuring orchestral music with soloists within the organization. Lois Bannerman, an outstanding harpist, will appear as a guest artist. On March 25, Mrs. Lewis N. Thomas, soprano, will be the guest artist. The final number of the season will be on April 29.

Season tickets for the four concerts will be on sale at South Plains Music Store after November 18. Adult season tickets—including reserved seats—are \$7.20; student season tickets—also including reserved seats—are \$3.60.

Mr. and Mrs. H. G. Sanders have returned to Slaton after spending several months at Mayos in Rochester, Minn. Mr. Sanders is much improved in health and happy to be back in Slaton.

SLATON PHARMACY GIFT DEPARTMENT

TEXAS TECH NOTES

Only a slight increase in enrollment next spring at Tech is foreseen by officials, because the school, with more than 5300 students, has almost reached capacity enrollment. The FWA has allocated Tech a number of additional buildings, but they are not expected to be ready for use by the time the spring semester opens.

The registrar's office is receiving an average of 25 inquiries daily about enrolling. Most of the inquiries are from veterans.

The milk shortage will continue in West Texas for at least two years, it was predicted by Prof. K. M. Renner, head of the department of dairy manufactures at Tech.

A bumper crop of hegar, with an estimated average yield of five tons of dry feed per acre from 40 acres, was recently cut and shocked on an irrigated plot on the farms of Tech College. About 30 per cent of the yield, by weight, was grain.

Teachers of veterans' vocational schools conferred on problems of teaching agriculture when they met at Tech Thursday. About 40 teachers from 20 West Texas counties attended the session, the first of its kind in this part of the state.

The schools were established five or six months ago for veterans under the GI Bill and are supervised by the state board of education.

Elizabeth, Queen of Roumania (1843-1916) wrote as Carmen Sylva.

Titian colored hair was named for the noted artist Titian.

We have natural rubber bands at the Slatonite.

SLATON FLORAL CO.

Sowing the Seeds of Faith

Parents seldom realize how far-reaching and effective is the religious instruction they impart to their children. The simple stories and great truths of the Bible remain with them throughout life and influence their character and conduct.

One of the best stories coming out of the recent war was that of the lonely lad on Guadalcanal who wrote his mother asking her to join him in reading a certain Scripture passage at a stated hour each day.

This incident was a throwback to the religious instruction of the soldier's childhood, and it furnished the inspiration for the concerted daily Bible reading program now prepared annually by the American Bible Society.

The Guadalcanal incident was by no means an isolated case. Other men and women, in periods of great trial, have been sustained and strengthened by the religious training they received in childhood.

This is but one of many important reasons why parents should make religion the dominant factor in their homes, and should cultivate the Church as the vehicle through which faith in God and the truths of the Holy Scriptures are passed on from generation to generation.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

YOU CAN SUPPLY THE MISSING MEAL

Cottonseed Meal, needed to balance Grains and Roughages, is missing from many local livestock rations today.

It's missing because cotton production has been reduced, while our local livestock feed requirements have increased.

There's only one way to produce more Cottonseed Meal.

We've Got To Grow More Cotton

Cotton and livestock go hand-in-hand in a balanced farming program for our section. More cotton in '47 will mean a better balanced farming system—more feed for dairy cattle and other livestock—and more money for you.

Dogdom To Have Its Own "Fidos"

NOT to be outdone by Hollywood and its "Oscars", America's dogdom is to have its own "Fido" awards for individuals of outstanding accomplishment in the dog field. Here we see Harry Miller (left), executive secretary of the Gaines Dog Research Center, New York, originators of the award, and Arthur J. Ritchotte, wood sculptor of New Haven, Conn., who executed the trophy, inspecting the first finished model of "Fido." Shown in the inset is a close-up of Mr. Ritchotte's original wood model.

The first two "Fidos" will go to Laurence A. Horswell, Elmhurst, N. Y., and Mrs. Milton Erlanger, Elberon, N. J., voted respectively "Dogdom's Man and Woman of 1945" by America's dog editors and writers in a poll conducted by the Gaines Dog Research Center. Mr. Horswell, secretary of the Dachshund Club of America, was selected because of his extraordinary contribution in establishing and maintaining the popularity of the Dachshund breed in recent years, and particularly during the war. Mrs. Erlanger, consultant to the Army's Quartermaster Corps, was picked because of her work with the nation's war dogs not only in 1945, but during the entire period of World War II.

PERSONALS

Mrs. David C. Todd and young son David Michael, returned to their home at Morton this week.

Miss Bessie Cole of Hico was a guest recently of Mr. and Mrs. Horace Smith. Mrs. Cole and Mr. Smith are cousins and had not seen each other for 65 years. Mrs. Cole was accompanied by her niece and husband, Mr. and Mrs. Edgar Wright of Littlefield.

THE ELMO COMPANY
DEPT. 304 BAYENPORT, IOWA

A MESSAGE TO INSPIRE CHRISTIAN UNITY

J. Lloyd Moyer Phone Res. 239 J
Box 583, Slaton, Texas Office 333

Subject: "Church Government—What Is It?"

Christians have no right whatsoever by themselves and of themselves to decide what kind of government the church should have. If we are endeavoring to please the Lord in our worship and work, then we simply must find out whether the New Testament furnishes us a pattern of government. Since it does, then that is settles it. It makes absolutely no difference what we think about the efficiency of such a plan. We may believe that some other sort of organization among Christians would more effectively work. But really would it? Do you actually believe that man can devise a plan in connection with any matter that is better than the Lord's? That is what we say we believe when we refuse to be satisfied with the divine pattern in reference to church government.

This one passage ought to be sufficient. According to Acts 13 and 14 Paul and Barnabas made a tour through Cyprus and Central Asia Minor preaching the gospel and thus establishing churches. Sometime after the establishing of these churches the Bible says Acts (14:23) Paul appointed for them, the churches, ELDERS IN EVERY

CHURCH. Each church or congregation had a plurality of elders. Now turn to Titus 1:5: "For this cause left I thee in Crete, that thou shouldst set in order the things that are wanting, and ORDAIN ELDERS IN EVERY CITY." If the gospel preaching resulted in the establishment of a church in a city, then later elders were ordained or selected for that church. Paul in his second missionary tour started a congregation in Philippi. Later he wrote to this church a letter. In Philippians 1:1 he refers to them as the saints in Philippi with the BISHOPS (ELDERS) and deacons. As a local church they had bishops as overseers of the work of that church.

At the end of Paul's tours he went by Miletus out from Ephesus and from there sent for the elders of the Ephesian Church. Acts 20:17. Hear what Paul said to them: "Take heed unto yourselves and unto all the flock, over which the Holy Ghost hath made you bishops, to feed the church of God, which he hath purchased with his own blood." Acts 20: 28. Verse 17 refers to these overseers of this local church as elders. Then verse 28 of the same chapter refers to these same men as bishops or

overseers. Of what? That one local church in Ephesus. Elders are bishops and bishops are elders in the church of the Lord. There can be no difference when we follow the divine pattern. Deacons were simply as the name implies, SERVANTS of that local church. But, in Ephesians 4:11 Paul in referring to the bishops or elders of the churches called them "pastors." In New Testament days each church had a group of men acting as overseers of the work of that church and only that church. These men were known as elders, bisops, or pastors. Their authority did not in any sense extend outside the work of that local church.

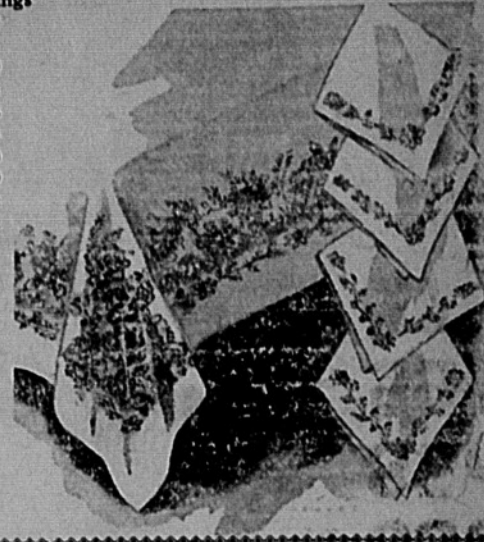

For us to have one man over one church is a digression from the divine pattern outlined in the New Testament. For us to have one man over several churches is a digression. And for several men to be over several churches in a district is clearly a digression from God's intended polity for his church. Shall we endeavor to please men or God?

Subjects: Sunday A. M. "LIVING ON PURPOSE." Sunday P. M. "HOLY GHOST," first in a series on this subject.
