PUBLISHED EVERY FRIDAY IN THE INTEREST OF SLATON AND SLATONITES

Vol. XXXVI

Slaton, Lubbock County, Texas. Friday, June 6, 1947

NO. 40

## Slaton Water System Improved During Past Twelve Months

During the war years water pumps, well pumps, and repair parts for both were extremely hard to get and consequently much higher in price than they should have been. Nevertheless improvements have been made that have almost trebled Slaton's water supply from the well site north of town since last June.

During the peak consumption month of June, 1946, the water department was able to deliver 442,080 gallons per day from the booster station north of town.

By cleaning out three wells and replacing worn parts on the old well pumps, the water department was able to increase the amount delivered from the same place to 639,360 gallons per day. The expense of this improvement was \$1,250.00.

By installing a new booster pump on the main line by the Ayers Grain Co., the department was able to increase the amount delivered from this same place to 1,146,240 gallons per day. The cost of this was about \$1,200.00.

With reasonable rainfall, together with the season already in the ground, and with these improvements and the increased water supply, Slaton residents should have all the water needed for personal uses and for irrigating gardens and yards and have a reserve supply for emergencies. Of course, an extremely dry summer might effect the amount needed to such an extent that reasonably conservative use might have to be recommended.

## Clean Up Program To Be Continued

According to Max Arrants, manager of the Slaton Chamber of Commerce, the clean-up campaign has been fairly successful, but as all the work has not been completed, the program will continue as long as there is trash to haul or other work to be done.

The collection of trash has not been finished and the city trucks will continue their work. If your trash is ready and has not been picked up, please call the Chamber of Commerce, says Max Arrants.

The work of spraying will be done as soon as the trash is collected and the alleys ready for the spray. Many have reported that the clean up and spraying last summer helped to keep down the flies and mosquitoes. If this work is done at this time, Slaton should have rather an enjoyable summer free from flies, mosquitoes and their disease germs.

There is much yet that can be done, says Mr. Arrants, to make Slaton the clean and progressive town that it could be. When one criticizes his town, he continued, one criticizes himself, for he is a part of the town and should help to make it a better and cleaner place in which to live.

Many have helped in the clean-up, fix up campaign and Mr. Arrants is sure that many more will respond.

## Rev. Luther Kirk Goes To Perryton

Reverend Luther Kirk and family leave Thursday, June 4, for their new home in Perryton, Texas. Rev. Kirk will serve as Superintendent of the Perryton District.

Re. Kirk and family have been in Slaton with the Methodist Church the past three years. He and his family have been an asset to Slaton, and it is with sincere regret that their friends bid them goodbye. This new position is quite a promotion which Rev. Kirk will fill with credit to himself and with satisfaction to the church officials.

Many may wonder why the change of ministers is being made at this time, as such changes have heretofore been made in the fall. The meeting of Conference has been changed to the last of May. One advantage of this change is that the children of Methodist ministers can now have undisturbed school years.

## Slaton Recreational Program Gets Under Way At City Park June 2

The Slaton Recreation Program began at the City Park on June 2 with Coach and Mrs. Tillery in charge. At the first meeting 38 boys and 14 girls reported, but Coach says he expects additional boys and girls to enter the activities as more games get under way.

Many very interesting phases of work have been planned. If attendance justifies it, a story telling hour will be set for the smaller children. Competitive games with Lubbock Boys Club and Optimist Club, tennis tournaments with trophies for winners, and a field day with awards are among the activities now being planned.

According to Max Arrants, this is the best thing ever offered in Slaton to aid the youth. The turnout the first few days has been somewhat disappointing, continued Max, as there are facilities to take care of 150 boys and 100 girls. Every sort of sport activities

known in this section is being offered. Max says it is up to the parents to see that their children take advantage of this program and take part in the activities. If Slaton parents want this program to succeed, Mr. Arrants feels that these Slaton parents must help to put it over, not so much by finances as by seeing that the young people can and do participate.

The meetings begin at 2 p. m. every day and last indefinitely. Any game desired is available, and there are no age limits for participants. To qualify for swimming, the boys and girls must sign up at the swimming pool and belong to the clubs there.

Mr. Arrants says, "Come on, Slaton Youth, get in the swim on this recreation program and have plenty of good clean fun this summer. If you want this program next summer, do your part to help put it over this summer."

## New Presbyterian Minister Arrives

The new minister for the Presbyterian Church, Rev. George Ray Hodge, arrived in Slaton Monday, June 2. He was accompanied by his wife. Temporarily, they will be located at the Forrest Hotel until the manse is vacated.

Rev. Hodge will divide his time between Slaton and Silverton, but will live in Slaton.

Rev. Hodge, formerly of Denison, Texas, and his wife, formerly of Nebraska, were married just before moving to Slaton. This is Rev. Hodge's first regular charge since finishing from the Seminary in Chicago. He will preach his first sermon in Slaton, Sunday at 11 a. m., at the First Presbyterian Church.

## J. R. THORNTON RITES CONDUCTED SATURDAY

Funeral services for J. R. Thornton, 65, of Lamesa were conducted Saturday at 2:30 p. m., in the Methodist Church with Rev. W. F. Ferguson, pastor of the First Baptist Church, officiating. Burial in Englewood Cemetery was under the direction of Williams Funeral Home.

Mr. Thornton was born February 17, 1882, at Mt. Pleasant, Texas. He moved to Commerce, Texas, at an early age and was married to Miss Itura Hanes in 1901. To this union were born four children, two of whom survive, 6 grandchildren, and 1 great grandchild. He moved to Slaton in 1925. Mrs. Thornton died that year. He was married to Miss Pearl Watkins of Lamesa in 1928.

Mr. Thornton was in the gin business in Slaton, Wilson and O'Donnell until 1945 at which time he retired to a farm near Lamesa.

Survivors include his wife of Lamesa; a daughter, Mrs. W. A. Johnson of Slaton; a son, L. B. Thornton of Amarillo; his mother, Mrs. L. B. Thornton of Slaton; a sister, Mrs. B. L. Taylor of Lubbock; and two brothers, E. I. Thornton of Albuquerque, N. M., and Bert Thornton of Slaton. Pallbearers were Derrell Ward, Carl Williams, Bob Swafford, Fred Walters, George Taylor, and Ben Sokoll.

## AREA GRAIN PROSPECTS CONSIDERED EXCELLENT

According to Henry Eidson of Ray C. Ayers & Son, the prospects are good for a bumper crop of small grains in the Slaton area.

Last year because of adverse weather conditions about ninety percent of cultivated land of the Slaton section was planted in small grains. The present estimate of plantings, says Mr. Eidson, is approximately forty per cent grain and sixty per cent cotton.

With the season already in the ground and with additional moisture in thirty or forty days, many farms will yield about a ton to the acre. Because of lack of moisture, the average yield last year was near the 800 pounds per acre mark.

Mr. Eidson could give no estimate of total acreage under irrigation, but said there is not much worry now about replanting small grains.

Wheat harvesting in this area should begin within the next fifteen days with promises of a good yield.

May 27, born at Mercy Hospital, to Mr. and Mrs. M. M. Burris of Lubbock, a son. Weight 6 lbs. 11 oz.

May 31, born at Mercy Hospital, to Mr. and Mrs. M. D. Edwards, a son. Weight 9 lbs. 2 oz.

**METHODIST MINISTER TO ARRIVE FRIDAY**  
Reverend Cal C. Wright of Lamesa will arrive Friday to assume the duties of the ministry of the Slaton Methodist Church.

With Rev. Wright will be his wife and son, who is now at home. All of the other children are married and away from home.

## Bumper Cotton Crop For Slaton And Lubbock County Predicted

### FOUR SOFT BALL TEAMS VIE FOR TOP HONORS

Now that the soft ball games are entering into the sixth week of the series, four teams are right at the top for honors. The crowds are not so large as they could be, says one fan, but nowhere can one get more for his time and money—two games in one evening.

The first rained-out games of the season were played Saturday night with the following scores: Wilson, 11; Seras, 10. Drive-In, 4; Ayers, 6.

The scores for the regular games over the week end were as follows:

Thurs., May 29  
Pleasant Valley, 19; Santa Fe, 14.  
Ayers Feed, 16; Robertson, 5.  
Fri., May 30  
Wilson, 10; State Guard, 6.  
Southland, 10; Sears, 9.  
Mon., June 2  
Drive-In, 9; State Guard, 6.  
Pleasant Valley, 9; Robertson, 1.  
Tues., June 3  
Ayers Feed, 4; Santa Fe, 7.  
Barber College, 15; Wilson, 6.

The second rained-out games of the season are scheduled for Saturday night, June 7.  
Southland vs. Ayers Feed.  
Drive-In vs. Santa Fe.

The standing of the teams of the league was as follows on June 4:

Team	Won	Lost
Ayers	6	0
Drive-In	5	1
Southland	5	2
Pleasant Valley	5	2
Robertson	4	3
Sears	3	4
Wilson	3	4
Lubbock Barber College	2	5
Santa Fe	1	5
State Guard	0	7

Games scheduled over the week end are:

June 5—Southland vs. State Guard; Drive-In vs. Wilson.  
June 6—Pleasant Valley vs. Lub. Barber College; Ayers Feed vs. Sears.  
June 9—Santa Fe vs. Acuff; Southland vs. Drive-In.  
June 10—Pleasant Valley vs. Ayers Feed; Wilson vs. Santa Fe.

Betty Sue Layne returned from Hamlin Monday. She was accompanied home by Mrs. Layne's niece, Mrs. Weldon Savage of Seattle, Wash., who will visit in Slaton before continuing her trip home.

## New Business To Hold Grand Opening Saturday

A new business opening Saturday, of which Slaton can be justly proud, is the new Carl Sartain Super Auto Service at 855 South Ninth.

Mr. Sartain has all new machines and equipment to do the work on your car fast and economically. He is especially equipped for tune-up, brakes, and electrical work.

He carries a complete stock of accessories and parts of all kinds,

including tires, batteries and tubes. The motorist will also find a full supply of gasoline, lubricants, and oils. In fact one can drive in and get anything his car needs while he waits.

The building is new, clean, and spacious; the service courteous and expert. It will be a pleasure to wait for the work to be done.

Mr. Sartain is to be congratulated for his new business and his enterprising spirit.

## Slaton Oil Belt Team To Play At Post Sunday - Game Time 3

The Slaton Oil Belt Baseball team will play at Post, Sunday. The game promises to be a good one, as both teams are tied for the bottom rung. The game starts at 3 p. m.

In last Sunday's game played here the Slaton team won 6 to 5 with Faulkner pitching. Tillery made a home run in the 7th inning with one man on base.

Here is the box score:

Slaton	AB	R	H
Gray—ss	5	1	3
Carr—lf	4	1	1
Weaver—cf	3	1	1
Tillery—1b	3	1	1
McCoy—rf	4	1	1
Arrants—c	4	1	1
Lemon—2b	4	0	2
Guinn—3b	4	0	0
Faulkner—p	4	0	2

Seminole	AB	R	H
Brown—2b	4	0	1
McKeen—cf	4	0	0
Sebastia—ss	5	0	1
Pyle—1b	4	1	1

## Baptists To Close Vacation School

The Vacation Bible School that has been in progress at the First Baptist Church the last two weeks will close this Friday morning.

Rev. Ferguson reports that 201 enrolled and that the school has been a decided success. The workers have been faithful, and the children have received valuable training.

The climax of the school is the closing service at 8:45 Friday morning. This service is open to the public. At this time parents and other visitors can examine some of the work done by the children, see the grand march, and hear the closing program.

## EIGHT ARRESTS MADE DURING THE PAST WEEK

In City Court the past week charges were filed against 4 for affrays, 3 for gaming, and 1 for permitting gaming in a public place.

An assault and attempt to murder charge was filed in Justice of the Peace Smith's Court. Bond was set at \$1500, and the case is awaiting action of the grand jury.

## Over the Wire

Pete Pearson is back from South Texas, he says Dallas is still down there and is quite a place.

Sug Robertson says he feels old and decrepit since attending the Alumni meeting last week of Rice University at Houston. Sug still has more hair and less paunch than any of his former classmates, but he can imagine his condition a few years hence should he succumb to soft living.

Kirby Scudder, postmaster, says postal receipts are slightly less month for month in 1947 compared to 1946, but he expects to more than make up the loss if local crops turn out as well as prospects promise.

Considerable reaction from the remodeling campaign has been reported and one block in Slaton is being promoted for a model business block. Each property owner in that block will be requested to repaint and clean up the buildings so that other property owners can see how much better things can be made to look.

All of the shallow pools in and near Slaton have been treated with oil by the City sanitary department and the mosquito population is expected to decrease.

Some new paving projects are being considered and it is expected that we will have some other city improvements.

The weed crop is growing along with the cotton and grain and this area will probably lead the state in weeds along with bumper crops of other kinds, if conditions continue to improve.

A survey of Slaton High School graduates shows that nearly all of them are planning on attending college with business administration leading in the courses considered.

Leonard Hord and E. H. Holt returned this week from Possum Kingdom with all the fish the law would allow, and all the neighbors have been eating fish and singing their praises since, particularly Mrs. Alma Caldwell, who is urging them to go back down to the dam again next week.

## West Texas

## Roundup

A new \$30,000 commercial building job got under way this week at 624 Washington Avenue, following issuance of a building permit to Nate Chodorow. The one-story brick structure will have 26-foot frontage on Washington and 16-feet on McClellan, Brown and McClellan are the contractors.—The Waco Record.

Mayor Dawson Reid states the City Commission let a contract to Vinson and McGann, for the re-topping of five city blocks of paving.—The Paducah Post.

Repairmen are busy as bees at the Post Boy Scout Camp this week, putting the building and grounds in shape for the series of South Plains Boy Scout Encampments which get underway June 1. Al Smith of Lubbock, field executive for the South Plains Boy Scout Council is supervising the work.—The Post Dispatch.

Work is progressing rapidly on the erection of the new water tower. Mayor W. A. Warren states that the construction company has 90 more days in which to complete the job.—The Canyon News.

According to estimates on the population of various towns served by the West Texas Gas company, based on the number of gas meters in each town, Lorenzo and Idalou are now running neck and neck in population.—The Aribune (Lorenzo).

Several streets at the Crosbyton cemetery were made passable in any type of weather Monday when 11 trucks hauled caliche from the pit of Northwest Materials Company north of the city. Five streets running east and west received the caliche base.—The Crosbyton Review.

There will be enough combines for harvesting Crosby county's wheat crop this year, says W. R. Kimbrough, county agent. He bases his belief on the fact that wheat will mature earlier here than in other sections, which will permit orderly rotation of combine equipment.—The Ralls Banner.

Parent-Teacher Association recently sponsored a medical examination of the students in the four schools of Colorado City.—Colorado Record.

At a meeting of the board of trustees of the Tahoka Consolidated Independent School district Tuesday night plans were laid for the construction of an additional school building immediately across the street south of the present grade school. The new structure is to consist of six class rooms and a cafeteria.—The Lynn County News.

Dr. Hutcheson, Andrews County Health Officer, received a report from a representative of the Food and Drug Division of the State Department of Health to the effect that he has completed his inspection of the food-handling establishments in Andrews. He reported numerous deficiencies, but at the same time stated that most of them were probably due to lack of information, and that everyone has been very cooperative.—The Andrews County News.

A number of improvements have been made recently at the Seagraves Cemetery. A modern electric pump has been installed, with a 100-gallon pressure tank, insuring an adequate and dependable source of water for irrigating plants and shrubbery.—Gains County News.

MEN order your made to measure suits today at Payne's Ready-to-Wear.

## Pleads For "Voice of America"

WASHINGTON, D. C.—(Soundphoto)—Secretary of State George C. Marshall, right, again took to Congress his plea for continuance of the "Voice of America" foreign broadcasts and asserted that the United States is a nation which is "misunderstood" abroad. Marshall is shown with Rep. Karl E. Mundt, (Rep., S.D.), chairman of a House foreign affairs subcommittee, before which he pleaded with members not to kill the State Department's information and cultural relations program. The house refused to grant the \$31,351,280 he requested for the 1948 fiscal year.

**THIS WEEK'S LESSON**

"God the Only Cause and Creator" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 8.

The Golden Text is: "Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear" (Hebrews 11:3).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "By the word of the Lord were the heavens made; and all the host of them by the breath of His mouth" (Psalms 33:6).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "There is but one primal cause. Therefore there can be no effect from any other cause, and there can be no reality in aught which does not proceed from this great and only cause" (page 207).

tion by the Democrats to restore the full \$300,000,000 for soil conservation payments and some of the other items, we lost by a count of 174 to 180.

What the Senate will now do with the bill remains to be seen. Undoubtedly some changes will be made by the Senate and House before the measure goes to the President for final approval late in June. The outcome of the controversy over this legislation is of vital importance to all farm areas.

KEESLER Field, Miss., May 26. —Pfc. Lloyd A. Kahlich, son of Mr. and Mrs. Arthur Kahlich, Rt. 1, Slaton, this week was graduated from one of the world's greatest educational programs—one of the Air Training Command's airplane mechanics training courses at Keesler Field.

The training he received in the mechanics school covered basic airplane and engine mechanic operations. The technical course extended over a period of approximately 16 weeks and included instruction in aircraft electrical systems, engine operation, fuel and oil systems, propellers, structures,

instruments and basic inspection. This qualified him for additional specialized training in the maintenance of heavy bombers, cargo planes, jet and rotor aircraft.

**THE YOUNG IN HEART** — "A houseful of children keeps a man young," says Charles (Andy) Correll of NBC's "Amos 'n Andy" team. Sitting for a Father's Day portrait with their famous daddy are (top to bottom) Barbara, age 5; Dorothy, 7; Charles, Jr., 3, and John, who will be one year old in August.

**SIDELIGHTS**  
—George Mahon

Previously I reported that the Republican majority in the House of Representatives would seek to reduce sharply the requests of the President for agriculture. Last week the Agricultural Appropriation Bill passed the House in a form that was very unsatisfactory to many members from farm areas. I voted against reporting the bill out of the Appropriations Committee and spoke and voted for many amendments offered to the bill.

Briefly, here is what the bill does:

1. Cuts AAA soil conservation payments from \$300,000,000 to \$164,000,000. Farmers will have every reason to feel that this is a breach of faith by the government as Congress and the President had in effect months ago promised to provide the full amount of \$300,000,000 for the 1947 crop year.

2. The bill provides that the Farmers Home Administration, successor to the FSA, must discontinue the farm ownership program known as the Farm Tenant Purchase Program. FHA loan funds for crop production are cut by one-third.

3. REA funds for administration of the program were cut by \$1,600,000 and loan authorizations for REA co-ops were reduced by \$25,000,000.

4. Funds for the Soil Conservation Service to be used in connection with the conservation districts, and otherwise, were cut by 10 per cent.

5. Funds for the school lunch program were reduced from \$75,000,000 to \$45,000,000.

6. In previous years 30 percent of the tariff receipts have been available for supporting farm prices and disposing of agricultural surpluses. The bill reduces this program by two-thirds.

The votes in the House of Representatives on most of the above issues were very close. On a mo-

Good lighting means more than protecting the eyesight of your family. With electric service so inexpensive, and such attractive lighting fixtures available, better lighting will help "dress up" your home at a low cost.

Just fill in and mail the coupon, or call your nearest Public Service office for a visit by a Public Service Company lighting specialist to tell you how to improve your lighting. He'll measure the light in every room of your home and provide you with valuable suggestions for better lighting... and remember... this service is absolutely without charge to you.

Miss Vivian McKnight of Hillsboro and Miss Ura John Skelton are visiting this week with Mr. and Mrs. Henry Eldson and daughter, Kathleen.  
Mr. and Mrs. T. E. McClanahan and son and Mrs. M. K. Williams and Mrs. Alice Moore of California spent Memorial Day in Lovington, N. Mex.  
Mr. and Mrs. T. E. McClanahan and Tommy left today for Denver, Colo., and Sinclair and Raleigh, Wyo., and plan to return by Yellowstone National Park.  
Mr. F. A. Drewry left today for a short visit in Dallas and Sherman.  
A card from Glyndon Dawson states that he enjoyed Los Angeles and the Pacific Ocean very much. With his mother and grandmother, he is now visiting in Oregon in the home of his uncle, Ted Nickel.  
Mr. and Mrs. Charlie Carter of Houston are visiting his sister, Mrs. Andy Caldwell, and other relatives of Slaton.  
Mr. and Mrs. G. B. Nesbitt and son, Stanley, and daughter, Mrs. Milton Schuette, have returned from Ft. Worth where they attended the graduation of their daughter, Charlotte, who was in training at the St. Joseph's hospital.  
Mr. and Mrs. Ray C. Ayers have returned from a week's visit in Sherman and Whitesboro.

Mr. and Mrs. K. C. Scott left Sunday for a two weeks visit with their daughter and son-in-law, Capt. Robert F. Spikes, in Riverside, California.  
Mr. and Mrs. R. W. Ragsdale, Jr., of Chicago, are visiting his parents, Mr. and Mrs. R. W. Ragsdale.  
Mr. and Mrs. Houston Spikes of Amarillo were here last week visiting Mr. and Mrs. K. C. Scott.  
Mrs. Keese of Jefferson is visiting her daughter, Mrs. Nat Heaton.  
Mrs. R. L. Wicker of 825 S. 11th is in California to welcome a new grandchild.  
Mr. and Mrs. J. D. Holt left Monday for a two weeks' visit in South and East Texas.  
Mr. and Mrs. W. H. Moore moved last week end to Amarillo, where Mr. Moore was transferred by the Santa Fe.  
Mr. and Mrs. Rex Howell and son of Andrews, Texas, visited G. T. Hammet and family last week end.  
Mrs. Raymond Cudd and daughters, Mary Ann and Martha, and her sister, Mrs. W. A. Cowan of Roswell, N. M., are visiting in Dal-

las, Dennison, and Temple. They left Thursday, May 29, and expect to be gone about ten days.  
Mrs. John Baker has returned from Oklahoma where she visited her daughter.  
Mr. and Mrs. Norman Spears are now living in Slaton, Norman having been transferred from Hamlin to Slaton.

**MRS. FLOY KING**

There were 103 present for Sunday School at the Baptist Church, Sunday, and Rev. Brooks delivered a good sermon at the regular eleven o'clock hour.

Wendel Howard of Lubbock spent all of last week with his grandparents, Mr. and Mrs. G. C. Anderson, and other relatives.

Mrs. J. L. Whited and Mrs. Alvin Dabb visited Mrs. W. W. Davies of New Home, Monday. Mrs. Davies was on the sick list at that time.

Mrs. Georgia Davidson happened to an accident while gathering eggs. She broke her ankle, but is doing as well as could be expected. Some of her Sunday School classmates and friends gave her a sunshine box Sunday.

Mr. and Mrs. George Sartain and little girl visited her brother, Mr. and Mrs. Arville Ferguson, Thursday.

Lois Ann Collins spent last week in Slide with friends.

Mr. and Mrs. L. A. Dunn visited in Shallowater last Sunday.

Mrs. Hansel Hallman and Miss Mattie Dabbs visited their brother, Mr. Charlie Dabbs, and family of Wilson, Thursday. Mr. Dabbs is recovering from an operation.

Mr. and Mrs. G. W. Basinger and their little grandson, Sam Ellis, have returned from a visit with relatives in Oklahoma.

Mr. and Mrs. J. L. Whited attended the funeral of a cousin at Crosbyton, Tuesday.

Visiting the Faye Collins family recently were Mr. and Mrs. Huber Whatley and family of Cooper.

Visiting the S. M. Truelock family Sunday were their son, S. I. C. Manuel Truelock, and daughter and her husband, Mr. and Mrs. Clarence Terry and baby of Lubbock.

Mr. and Mrs. Glenn Allen spent the week end with her parents, Mr.

Gum tape, 1 and 2 inch size at the Slatonite.

**FREE AIR**

CECIL SELF, Editor

Howdy Folks: Early to bed and early to rise, and your head will never feel three times its size. Sounds like Bob Hope, but it isn't.

And, as the old adage goes, the best way to get ahead is to have one.

And if we wanted to appear sage, we could say that your backbone won't get you anywhere if the knob at the top is made of the same stuff.

Most men lose their heads more often than they do their hats.

Of course, when you lose your head it's sometimes hard to save your face.

And speaking of heads, they say that father is the head of the house so he gets the headaches.

Poor old father. He likes to trade here, though, because he knows we carry only the best values. That puts us ahead.

and Mrs. J. C. Harris.

Mr. and Mrs. Ennis Harris and family of Sudan were visiting relatives in Southland and Slaton over the week end.

Mr. and Mrs. I. J. Duff and family were in Dallas over the week end and attended the wedding of their daughter, Pauline, Sunday, June 1.

Mrs. Bertha O'Keefe of Sweetwater spent the week end with her parents, Mr. and Mrs. Edd Liskie, and sister, Mrs. Helen Angle.

Mr. and Mrs. E. C. Stabauch visited her parents, Mr. and Mrs. A. Wilkie, Sunday.

Master Sgt. and Mrs. Jack T. Martin and family of McGregor, Tex., spent the week end with his parents, Mr. and Mrs. Sam Martin, and other relatives. Others in the Martin home Sunday were their daughter, Mrs. Herman Dabbs and family.

Congratulations to Mr. and Mrs. Roy King of Bellflower, Calif., formerly of Southland, on the birth of a son, David Roy, on May 24.

The E. L. Kings had dinner with the Harry Kings, Sunday.

**CARD OF THANKS**

Mr. and Mrs. J. E. Cherry and children wish to express their appreciation for the cards, letters, flowers, and many other kind deeds while Mr. Cherry was confined to the hospital in Topeka, Kansas.

Signed, Mr. and Mrs. J. E. Cherry, Mrs. W. W. Watson, Mrs. Roy Crittenden, Mrs. Roy Brown.

Adding Machine Paper at the Slatonite.

Just received—Air conditioned Kool Kushions for motorists and truck drivers, at the Slatonite.

**Personals**

Phil Brewer, son of Mr. and Mrs. J. H. Brewer, has returned from A & M for the summer.

Stanley Brown of Wellington, Kansas, is visiting Phil Brewer this week. Stacey attended Northwestern State of Alva, Okla., last year.

Mr. and Mrs. Joe Brewer of Ft.

Have your prescriptions filled at TEAGUE'S DRUG STORE by a registered pharmacist.

**GIVE NATURE A CHANCE...**

If you are run down, listless and tired because of poor digestion, give nature a chance. Don't use violent purges. Often all your digestive system needs is a little assistance. And that's just what the new, improved ADLERIKA will provide. It's a scientific blend of 7 effective ingredients that work quickly and pleasantly to relieve gas pressure and work waste matter gently through the alimentary canal. It's a kindly stimulant to sluggish intestinal muscles. Order a bottle of ADLERIKA, the "Tone-Up" laxative, from your druggist today. Caution: use only as directed.

ADLERIKA THE TONE-UP

Worth visited his parents over the week end.

Mrs. Glenn Offan and daughters, Sally Ann and Barbara Jean, arrived Tuesday from Chanute, Kansas, to spend most of the summer

with her parents, Mr. and Mrs. W. H. Jones.

Friends will be glad to know that Mr. J. E. Cherry is home from the hospital in Topeka, Kansas. He will be confined at home for

some time but can have callers at any time.

Don Jon Crow, Bobby Ray Conner, Billie Campbell, and Thurman Reynolds spent the week end in Carlsbad, New Mexico.

M. M. SALES & SERVICE

From where I sit... by Joe Marsh

**How to Go to Sleep**

We were sitting around Bill Webster's parlor Friday evening and the talk turned to the best way of overcoming sleeplessness...like breathing real slow and deep, imagining that you weigh a ton, or simply throwing away the pillow.

The consensus favored counting sheep. But right away was the question: what kind of sheep? There were some votes for countin' Merinos, Shropshires, Oxfords and Dorsets. Ed Mapes said he had best luck counting crossbreeds.

Finally, Bert Childers spoke up

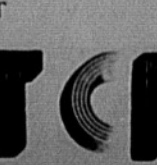

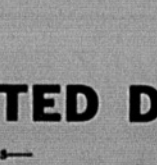

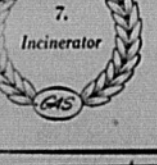

with his formula: A light snack and a mellow glass of beer at bedtime. Sort of puts you in the mood for quiet thoughts and peace of mind. Lets you relax... and "he hum," off to pleasant dreams!

From where I sit, there's nothing like a temperate glass of beer to smooth away the creases of the day, relax a body, and pave the way for a good night's sleep. Try it, and see if I'm not right.

Joe Marsh

**BUILDERS! ARCHITECTS!**

Now is the time to  
Join the Swing to **GAS**

Right now you could probably sell a grass hut to an Eskimo or an igloo to a Hottentot. Even so, it pays to build houses people really want. It pays... not only in immediate sales... but in long-term prestige.

That is why so many farsighted architects and builders are turning to the all-Gas home.

Especially in the Southwest, gas is the fuel people know and prefer. In our cities and towns, everyone uses gas. And modern Gas service—with postwar Gas appliances—promises even greater ease, comfort and efficiency. Here are a few ways it adds to better living:

House heating with an automatic Gas furnace assures cozy warmth on the rawest winter day. Year-round Gas air-conditioning goes even farther—actually brings healthful comfort in every kind of weather. Hot water in abundance is provided for every need... and with such economy and speed-of-recovery that it is possible to own both an automatic dishwasher and automatic laundry. Silent Gas refrigeration keeps foods fresh for long periods and eliminates daily shopping trips. The automatically controlled Gas range cooks meals and turns itself off while the homemaker relaxes or shops or attends to other duties. Incineration simplifies disposal of refuse. A Gas clothes-dryer makes laundering easy and rapid.

Yet, with all this, Gas is economical! Both the initial cost of equipment and carrying charges are low. Mass production, due to volume demand, has resulted in high quality without high cost. And this superior quality plus freedom from mechanical wear means that appliances stay at their peak of efficiency for a longer time. Add to that the well-known economy of operation and it is obvious why Gas is the best buy for any client's money.

Most important of all (from your point of view)... Gas appliances are designed compactly to save space—space that often allows you to put in an extra room or cut down the outside dimensions. They reduce building costs further because they require only simple connections. And the attractive streamlined design of each of the seven Gas appliances listed at the left is so recognizably modern that they help sell a house on sight!

**PLANS FOR POST RODEO ARE ALMOST COMPLETED**

All of Garza County donned western togs last Saturday night and attended a street dance which opened a western-clothes campaign which will last there until after the annual Post Stampede and Rodeo in the new arena June 11-14 inclusive.

The town is being decorated this week and Post merchants are readying their floats and naming their cowgirl sponsors for the most colorful daily rodeo parade the town has seen since before the war.

Some new features have been planned for this year's rodeo celebration. Brownfield night at the rodeo, some Indian dances will be featured. On succeeding nights, each honoring a West Texas town, other special programs have been planned. Thursday, June 12, will be Snyder night; June 13, will be Levelland night; and the closing night, June 14, will be Colorado City night.

All cowgirls of West Texas are invited to enter the Cowgirl Sponsor Contest, for which a hand-

tooled saddle will be given as first prize. Second prize will be shop-made boots and the third prize will be silver spurs.

His Master's Return! Most of us know the joy in this pup's heart. Month's have passed since war's end, and with our boys and girls back home, life has taken on a new meaning.

It doesn't take a war to make us appreciate our loved ones. But today, more than ever, we yearn to express our thankfulness.

For the return of those who are unscathed, we shall be eternally grateful. For the wounded, the handicapped, we are preparing a place in industry and society worthy of their sacrifice. And for those who did not return, our hearts will always treasure the sacred memory of the young lives and noble hopes they laid upon the altar of Freedom.

There is a way each of us can show his appreciation most effectively. Our churches are the world's hope for peace! In worship we can express our heartfelt thanks to God; by living the truths our churches teach, we can build the spiritual foundation for lasting peace.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

## Slaton OES Holds Public Services

Slaton Chapter of the Order of the Eastern Star held public installation at the Masonic Hall Saturday evening, May 31, with the following installing officers presiding: Mrs. Mable Vaughn, Worthy Matron; J. W. Chenoweth, Worthy Patron; Mrs. Mamie Simmons, Secretary; Mrs. Ollie Ruth Chenoweth, Chaplain; Mrs. Mattie Lee Scroggins, Marshal, and Miss Wilda Hannar, Organist.

The following officers were installed: W. M., Mrs. Birdie Culver; W. P., Merl Nelson; Asso. M., Mrs. Lorene Berry; Asso. P., B. A. Hanna; Secy., Mrs. Vertner Merrill; Treas., Mrs. Willie Kate Schmidt; Cond., Mrs. Vera Bailey; Asso. Cond., Mrs. Fannie Patterson; Marshal, Mrs. Carrie Barry; Chaplain, Mrs. Edith Brooks; Org., Mrs. Audrea Thompson; Adah, Mrs. Billie Miles; Ruth, Mrs. Evelyn Fondy; Esther, Mrs. Minnie Kessel; Martha, Mrs. Janice Clack; Electa, Mrs. Mamie McCain; Warder, Mrs. Olan Bain; Sentinel, Mrs. Grace Smith.

After the installation ceremonies, the program was given by the pro-tem: Mesdames Ethel Young, Ethel Hopkins, Ruth Phillips, Clarice Layne, Mamie Simmons, Ethel Butler, Fern Thomas, Mamie Hill, Orris Wilkerson, Jeffie Dowell, Hulda Clifton, Maud Driver, and Doris Hendrix.

The pro-tem gave a drill forming the word, Myrtle, for the outgoing Worthy Matron; then Jimmy George sang "Perfect Day," accompanied by Miss Ogaline George; the word Birdie was formed for the incoming Worthy Matron; Helen Ferguson sang, "Think of Me"; the drill was completed by making the letter L for love.

Refreshments were served to approximately 75 guests.

### PERSONALS

Mr. and Mrs. M. H. Lasater flew to Fort Worth by Braniff, Sunday. They were accompanied home by Mrs. Lasater's sister, Mrs. Dorsey Collins of Cleburne. Mrs. Collins and daughters will make an extended visit in Slaton.

Milton Kessel is visiting his parents and will return to Houston in the near future.

## Miss Norma Bickers Becomes Bride Of Melvin L. Burrell

Miss Norma Jean Bickers daughter of Mr. and Mrs. T. N. Bickers, and Melvin L. Burrell, son of Mrs. Alva Burrell of Wichita, Kansas, were united in marriage Monday, June 2, in a twilight ceremony at the First Christian Church by Rev. Dale W. Medearis.

Decorating the altar space were four tall baskets of white gladioli and plumosa fern against a background of fern greenery. White tapers illuminated the wedding scene. The bridal aisle was marked with white bows of tulle. Mrs. Allen Ferrell, pianist, played a prelude of wedding music including "Traumeri," Schumann, "Always" "Indian Love Call," and accompanied Jimmy Cherry as he sang, "Ah, Sweet Mystery of Life," and "Because."

The bride, given in marriage by her father, chose a gown of traditional white satin, with a fitted bodice, an inset yoke of starched marquisette and long sleeves that tapered to points over her hands. The full skirt extended into a graceful train in the back, and her fingertip veil of bridal illusion was held with a heart shaped halo hat. Her jewelry was a lavalliere that the bride's mother wore on her wedding day and a gold bracelet set with diamonds that was fifty years old and borrowed from a friend, Mrs. Mora Culp. She wore a penny in her shoe. The bride's bouquet was a cascade arrangement of pink and white sweet peas and white satin streamers with an inserted orchid corsage.

Attending the bride as matron of honor was Mrs. R. C. Rogers of San Bernardino, Calif., dressed in pink satin with white mitts and a small hat fashioned with pink matching flowers. Misses Phyllis and Frances Hunter, twin bridesmaids, wore identical dresses of pale yellow taffeta made with drop shoulder lines and full skirts, with yellow mitts and small matching hats trimmed with tiny blue flowers. The matron of honor and bridesmaids carried nosegays of vari-colored sweetpeas.

Jeanette Burrell, dressed in delicate pink net with pink mitts and a corsage and headband of corn flowers, and Tommy Bickers were candle lighters.

Sarah Sue Bickers, in aqua net with a corsage of pink sweet peas was flower girl, and Larry Terry

was ring bearer. J. Felix Bolden of Lubbock served his brother-in-law as best man and Bobby Hoover and Jack Thompson were ushers.

At the reception which followed the ceremony, the bride's table was laid with lacecloth and centered with a three tiered wedding cake topped with a miniature bride and groom. Assisting with hospitalities were members of her wedding party.

For travel the bride wore a fuchsia dressmaker suit with black accessories and an orchid corsage. After a wedding trip to Galveston and Wichita, Kansas, the couple will be at home in Slaton, where the bridegroom is employed by the Santa Fe. Mr. Burrell served two years overseas with the 2nd Division. The bride is a graduate of Slaton High School.

Several out-of-town guests attended the wedding.

## Miss Birdie Dreyer Becomes Bride Of Steve Bratina Monday

The St. Elizabeth Catholic Church in Lubbock was the scene of the marriage of Miss Birdie Dreyer and Steve Bratina, with Rev. Father M. F. Fitzgerald officiating, Monday morning at 10:00 o'clock. The bride is the daughter of Mr. and Mrs. R. R. Dreyer of Wilson, Texas and the bridegroom is the son of Mr. and Mrs. Bratina of Pueblo, Colorado.

The altar space was decorated with roses and palms. Miss Joerita Kitten played the traditional wedding marches and accompanied a choral sextet composed of Mrs. D. J. Hlavity, Mrs. Edmund Kitten, Mrs. Nestor Kitten, sopranos, and Miss Mildren Heinrich, Miss Elvera Schilling, and Mrs. O. F. Kitten, altos, who sang, "On This Day, O Beautiful Mother," "Heart Of Jesus, Meek and Mild," and "Panis Angelicus." Mrs. D. J. Hlavity sang, "Mother at Your Feet is Kneeling," accompanied by the choir and Miss Joerita Kitten at the organ.

The bride wore a white gaberdine suit, with a blue blouse and gloves, and a black hat, shoes and bag. Her corsage was of pink carnations.

Miss Lorene Sander, maid of honor, wore a gold dress with

### MEETING OF CIVIC AND CULTURE CLUB HELD

The Civic and Culture Club met May 24 at 3 p. m. in the home of Mrs. S. S. Forrest.

Mrs. Henry Hollis was program chairman, assisted by Mrs. C. L. Heaton. A review of the Reader's Digest condensation of "Land of Plenty" by Walter Dorwin Teague was given by Mrs. Hollis and Mrs. Heaton.

Mrs. Bill Layne attended as a guest. Members attending were: Mesdames S. H. Adams, W. T. Cherry, Bessie Donald, J. A. Elliott, Lee Green, R. O. Hayes, C. L. Heaton, Nat Heaton, Henry Hollis, R. L. Kirk, W. R. Lovett, D. J. Neill, B. M. Pember, H. G. Sanders, R. G. Shankle, W. E. Smart, A. C. Strickland, R. H. Todd, J. L. Fertig, M. A. Pember, and the hostess.

Mr. and Mrs. T. E. McGehee were called to Silverton May 29 because of a fatal accident to a nephew. Another nephew was seriously injured but is now recovering.

Bill Bratina served his brother as best man.

A reception was given in the Dreyer home following the ceremony.

The couple will be at home in Clovis, New Mexico, where she teaches school and he is employed by the Santa Fe.

### FISH FRY ENJOYED BY FAMILY AND FRIENDS

Mr. and Mrs. W. A. Townsend entertained guests with a fish fry last Wednesday evening at their home five miles west of Slaton.

Guests were Mr. and Mrs. Leroy Rivers, W. W. Townsend and son of Lubbock, L. G. White and children of Slaton, Jimmie and Joy Hansen of Route 1.

The fishing party had good luck and brought in 62 nice catfish from Buffalo Lakes, Tuesday night.

Mr. and Mrs. W. T. Wilson and children and Mrs. L. B. Gray of Texon visited Mrs. Wilson's sisters, Mrs. A. D. Adams and Mrs. J. T. Donaldson the past week.

Mrs. J. E. Donaldson spent last week in Plainview visiting her parents.

### PERSONALS

Mrs. Gene Hamilton of Detroit, Michigan, has been visiting relatives in Post and Slaton the past month. Slatonites will remember her as Miss Asel Gray.

Mr. C. S. Harris, formerly Principal of Slaton High School, left Tuesday to enter Hardin-Simmons University to continue work on his Master's degree. Mrs. Harris and children accompanied him for a short visit with her mother.

Mr. and Mrs. Quincy Reeves and daughter, Susie, of Raton, N. M., visited in the home of Mr. and Mrs. J. C. Champion over the week end.

Mr. and Mrs. Fred Morrison and daughter of Morton visited Mr. and Mrs. J. C. Champion last week end.

Mr. and Mrs. R. E. Dunham and Mrs. L. J. Schermerhorn over the children of Morton visited Mr. and week end.

**Eugs in the Budget**  
 By GEORGE S. BENSON  
 President of Harding College  
 Searcy, Arkansas

**Looking Ahead**

**DID YOU KNOW** that income of the federal government for the next fiscal year will be nine times, maybe ten times, what it was in the boom period of 1929? It will be at least seven times the receipts the federal government had in 1939. Weak nation it would be, indeed, that could not balance a peacetime budget with the receipt side of the ledger at enormous peacetime highs.

Just to balance the budget during boom times, however, is not enough. We must retire debt and reduce taxes. Looking at another angle, the federal government wants to spend more than four times as much as it did in any year of the Thirties, when deficit spending was in the habit-forming stage. Has it now become fashionable for our government to spend all it can get? Have we forgotten that the more we spend the more we shall have to tax?

**Begin IF WE CAN'T**, under At Home favorable conditions of high employment and prosperous trade, get hold of ourselves long enough to retire our national debt and cut our taxes, at what future time do we expect to do so? Is our budgeting so out of hand that Congress cannot gain control over it? Or is the public thus unmindful of the trouble we're in for under a tax load required by the spending of \$37,500,000,000 annually?

Both the President and the Congress have given evidence of honest desire to keep the expenditure side of the budget down. But the pressures that are applied from every direction call for spending more money. As a people, we shall have to exert great moral fortitude at this time if we expect an about-face in a spend-

ing philosophy grown almost traditional. We need not complain to the government for being spendthrift, if at home we insist upon being spendthrift about our pet projects. Economy begins first at home.

**Examine** **ALTHOUGH** the war Everything has been over nearly two years, your government wishes to spend more in the next fiscal year more than was spent during the whole of World War I. Of course, this is a dangerous era, and no one wants to hamstring our national defenses. The whole nation wants the occupation program to succeed. But more efficiency and the least possible waste of manpower and money should be the order of the day.

As late as November the War and Navy Departments were still employing more than a million civilians. Spending in every department, military or non-military, should be studied carefully. Everyone knows it is easier to keep on spending government money than to retrench. This is just as true of the national defense. Despite warnings of what may happen, Congress will do well to examine these expenditures.

Trimming down expenses is not an easy task for Congress. Snail's progress will be made unless the people make themselves heard. A big and wasteful budget now, carrying with it a tax penalty upon the enterprise of our people, could do much to start us down hill toward the kind of economy Russia has. Most Americans, I believe, would rather be allowed to spend their own money than have the government spend it for them.

**IN LEAD AGAIN** — Lee Bowman will star again in a repeat broadcast of "The Stirring Blood" on NBC's "Cavalcade of America" June 2. Script about RH blood factor was first aired Mar. 10.

CHATS**  
by Robert Huser  
of  
'Huser's Hatchery

**DON'T NEGLECT  
YOUR LAYERS**  
In the springtime, when most  
poultrymen are intent on get-  
ting their young chicks off to a  
thriving start, there may be a  
tendency on the part of some to  
neglect the older stock remain-  
ing on the farm. The laying  
flock, which is just emerging  
from several months of heavy  
winter egg production still needs  
constant attention. Don't over-  
look this need now.

**Spring Cleaning**  
Give some special attention to  
the flock's quarters. After the  
long winter confinement, the  
laying house is probably in need  
of a thorough spring cleaning.  
Do a thorough cleaning job, and  
by using a reliable disinfectant.  
If the birds are being allowed  
out of the house now, it may be  
a good plan to keep them shut  
in during a good part of the  
morning so that most of their  
laying will have been done be-  
fore they venture out-of-doors.  
This practice will help keep  
eggs cleaner.

If some of the flock is wormy,  
consult your feed dealer or  
hatcheryman about how to treat  
the condition. He undoubtedly  
can recommend a reliable reme-  
dy.

**Call Non-Layers**  
Strive constantly to cull the  
non-laying birds. After the  
period of heavy laying, some of  
the birds will have used up much  
of their laying reserve. These  
should be removed from the  
flock to make more room for  
the birds which are still in high  
production.

If an all-pullet flock is kept,  
the poultry raiser should plan to  
sell the adult layers in time to  
give the laying house a 2- or 3-  
month airing before housing the  
new pullets next fall.  
Continue to gather eggs fre-  
quently. If eggs are gathered  
three times daily, they will be  
cleaner; and, in addition, the  
sooner they are placed in a cool  
storage place, the better will be  
their condition for marketing.

**SEE TEXAS ROOFING  
FOR YOUR PROBLEMS**

How is your roof since these  
hails and heavy rains? A slight  
break in your roof may result in  
serious damages to the interior  
finishing of your home or busi-  
ness. Such damages may be costly  
and difficult to repair. Let  
the Texas Roofing Company of  
1902 Avenue F, Lubbock, check  
and repair your roof now.

Texas Roofing Company is  
bonded and insured to build roofs  
"That Last". They give personal  
supervision on all work and make  
no charge on estimates. They can  
supply almost any type roofing  
material, such as asbestos shingles,  
composition shingles, tile,  
metal, various combinations with  
asphalt or tar, and genuine Ruber-  
oid shingles and roofing.

They also can solve your insula-  
tion problems in either summer  
or winter. Proper insulation will  
make your home more comfort-  
able in all seasons, making it cooler  
in summer and cutting your  
fuel bills in winter.

Let them plan with you and give  
you prices on your problems.

**LUBBOCK AUTO RACES  
ARE IN FULL SWING**

Lubbock's 1947 midget auto  
racing season got under way, May  
29, with a nine-ree program at  
the Panhandle South Plains Fair  
grounds.

Lloyd Ruby of Wichita Falls  
took top money in the opening  
session. He had the evening's  
fastest time of 17.5 seconds. Other  
drivers there for the first races  
of the season included Don Brown,  
Wichita Falls, and Red Dowdy,  
Dallas.

The races will continue each  
Thursday night throughout the  
summer. Time trials begin at  
7:30 p. m. Races start at 8:00 p. m.

**WESTERN MARKET NEWS**

AS OF MAY 31st

Southwest farm markets re-  
mained mostly steady to strong  
last week, except for occasional  
easiness on some types of live-  
stock, poultry, feeds, fruits and  
vegetables, according to Produc-  
tion and Marketing Administra-  
tion, U. S. Department of Agri-  
culture.

Wheat and corn prices continued  
to climb last week, and closed  
Thursday 6 to 9 cents higher on  
corn and four cents on wheat.  
Barley recorded no changes, and  
sorghums fluctuated only mildly.  
Texas red oats came on the mar-  
ket at a cent or two above the  
dollar mark, and held about steady  
closing Thursday at \$1.01 per  
bushel in bulk carlots at Fort  
Worth and Galveston. Wheat  
closed \$2.91, and white corn \$2.13.

Light offerings of spot cotton  
and demand for only certain qual-  
ities held trading to a small vol-  
ume. Late rallies overcame early-  
week losses to the extent that  
Thursday close showed a net gain  
of 75 cents per bale, at some mar-  
kets to a loss of \$1.75.

Eggs and poultry held fairly  
steady at most southwest points  
last week. Fryers remained  
firm, but hens and roosters weak-  
ened at Denver. Heavy hens  
brought 24 to 26 cents per pound  
at Fort Worth, 26 at Dallas, and  
26 to 30 at Denver. Fryers sold  
generally around 3 to 36 cents.  
Most areas bought eggs at 37 to  
38 cents per dozen.

Most cattle remained steady to  
strong last week, but some class-  
es of cows lost ground, and calves  
weakened at Oklahoma City.  
Medium cows brought \$14.50 to

\$16 at San Antonio. Medium to  
good kinds turned at \$14.50 to  
\$17.50 at Fort Worth, and \$14 to  
\$17.50 at Oklahoma City. Wichita  
bought common to medium cows  
at \$13.50 to \$16, while Denver took  
most common to good kinds at  
\$15 to \$18.

Hogs gained mostly 25 to 75  
cents last week. Most good and  
choice butcher hogs sold from \$24  
to \$24.75, but Denver paid up to  
\$25.50. San Antonio bought sows  
at \$21 to \$22; but other southwest  
terminals paid only \$18 to \$19.

Mrs. Mae Masters of Mount Pleasant is visiting in the home of Mrs. E. E. Culver and Mrs. R. H. Bailey this week.

Mr and Mrs. W. A. Johnson went to Denton to attend the graduation exercises of their daughter, Virginia, from T. W. C.

Mr. and Mrs. Gilbert Self visited over the week end with their sons, Carl and Levi Self of Morton.

Mr. and Mrs. W. L. Pearson and family and his mother and father on Lorenzo went to Ft. Worth Saturday for a short visit.

Dorothy Davis, Betty Ann Williams, and R. L. Kirk left Monday on a Chartered Bus to attend Summer Assembly at Abilene. They will represent the local Methodist Youth Fellowship group. They will return Saturday morning.

Mrs. W. L. Holloman and children spent Sunday in Floydada. Patsy and Edith Ann stayed for **SCHOLARSHIP AWARDED TO MISS HLAVATY**

Miss Madeline Hlavaty, daughter of Mr. and Mrs. A. S. Hlavaty, formerly of Slaton, was awarded a scholarship to Incarnate Word College of San Antonio on May the thirtieth, for outstanding achievements during her high school years at Blessed Sacrament Academy in San Antonio.

**What They Write**

"I wonder why some one hasn't put in a complaint about the low-hanging limbs in front of the Methodist Church. They surely do slap you in the face when you come out of the church.

A Friend."

(Note): This is one of the reasons why church attendance drops off at this time for the year.

**CARD OF THANKS**

I wish to express my appreciation to those who helped during my illness at the hospital, especially to the doctors and nurses, the men who stayed at night, the ones that sent flowers and cards, and any others who helped in any way. The many kind words that were spoken helped me to endure the suffering. God's richest blessings be upon all of you is our prayer.  
F. D. Bostick and family.

a week's visit with Mrs. G. R. May.

Wallace King and family of Floydada visited in the M. W. King home over the week end.

Lieutenant and Mrs. Ellis P. Schmid, who are enroute to Ft. Sill where he will be stationed, are visiting Mrs. R. H. Bailey this week. Lt. Schmid received his commission at Ft. Benning, Ga., May 20.

Mrs. M. C. Hodge and children are visiting her mother in Chanute, Kans. Her husband will join her later.

Billy Avent and Jackie Berkley were home from ACC over the week end.

Mrs. William Gross of Atlantic City, New Jersey, is visiting her mother, Mrs. J. H. Watkins. She will be remembered by her friends in Slaton as Miss Mary Watkins.

R. L. BOYD

W. F. Gentry has returned from a few weeks visit to Houston, Ellis County, and Dallas. A grandson, Donald Davidson, accompanied him home.

Mr. and Mrs. W. E. Lowrance are enrolled at Texas Tech to obtain their degrees this summer. The school principal has recently been visiting relatives in Knox County. He says that because of much rain the farmers have been unable to work their fields in that section.

Mrs. Laura Hayes, M. P. Gentry, and Mrs. J. H. Slone have been appointed a committee to select and purchase new song books for the Sunday School.

Only one of the officers and teachers of the Sunday School was absent, with about average attendance.

The team on which several members have been playing in the Slaton League, has been about breaking even in games won and lost. Some of the younger players who have been showing up well are Earl Johnson and Alton Perry.

The farmers are hoping for a few weeks of open weather in order to get the crops started. One man said that he had been over part of his field four times, but still had no growing crop. It seems that those who have done little are faring as well as those who have been working hard.

The Women's Club met Monday instead of the regular Wednesday meeting date, so that the County Demonstration Agent might be present.

Mr. and Mrs. Willie Wilkie, a few night ago, attended an outing at a ranch in the canyon. They were with a Slaton Sunday School class.

An airplane was sky writing Sunday afternoon near Buffalo Lakes, advertising a soft drink.

C. E. Bridwell has been working the last few weeks for M. P. Gentry.

Miss Lillian Moss of Lubbock visited Mrs. A. J. Boyd Sunday afternoon.

John Adams of Tulsa spent Sunday night with relatives. He was en route home from Post City, where he had been on business.

C. D. Willis, who teaches a Pos-

ey Sunday school class, is now a Council Commander of a Slaton lodge.

Mrs. L. K. Hart and daughter plan to attend the Tech summer school.

Mr. and Mrs. Willie J. Shafer are the parents of a girl born Saturday, May 31, at Lubbock.

Miss Margaret Meicher and a Lubbock man have obtained a license to be married. She is the daughter of Mr. and Mrs. Leon Melcher.

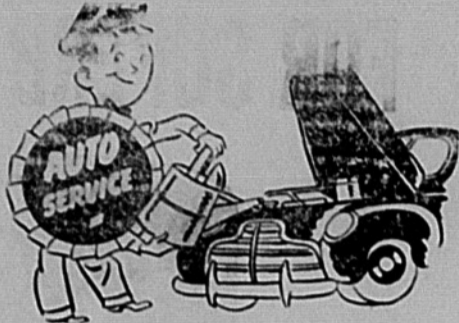

Edna Rose Maeker, student nurse of Lubbock, was visiting her parents Monday.

The two small sons of Mr. and Mrs. Carl Miller visited last week with their grandparents, Mr. and Mrs. Levi P. Miller, at New Home.

Mr. and Mrs. L. G. White and family left Sunday for a two weeks' vacation in the west. They will visit Mr. White's brother in Phoenix, Arizona. From there they will go to Marysville, California, to visit Mrs. White's sister. On their return trip they will visit scenic places in Colorado. They will be back in Slaton about June 15.

Edwin Haddock and family left Tuesday, June 3, for a three weeks' vacation to points in Arkansas, Tennessee, Kentucky, and Michigan. Eddie says he plans to get in plenty of sight seeing.

Mrs. Cleveland Wilson of Houston is visiting this week with her sister and family, Mr. and Mrs. W. H. Eaves.

**JUST TALK**

by  
**A.M.J.**

There are folks who have ideas and help the world by developing conveniences and better things for better living, while the majority float along with the tide in simple bliss and provide nothing worth much.

Last week young Phil Brewer proved to me that I am one of the latter strain. Phil had just arrived from College Station via motorcycle, his hair was on end, his eyes bloodshot and his nose and ears the color of a beet. In an effort to sympathize with him I mentioned that my nose was constructed along the same generous lines that his is and that whenever I venture out into the open that my nose gets so sunburned and red that my wife complains that it shines in the dark and keeps her awake at nights, and she shows very little sympathy for me when I come back from a fishing trip with the skin off my knees, mosquito bitten and with my ears and nose full of fever and burning like a blow torch.

Phil admitted that his nose might be outstanding and he said that the next trip he takes he is going to have his mother make him a canvass sack to fit over it. This sounds like an idea that might be a

step forward for the world in general and especially for those who are afflicted with noses that stick out in the sun and I am placing Phil Brewer's name among those who thought up the Atom Bomb and in the same category as the man who invented the back scratcher, the man who discovered the combination corkscrew, bottle opener and pocket comb, and if Phil succeeds in getting a sack to fit over his proboscis, then I am going to find a tobacco sack or something to go over mine when I go out on my next fishing expedition.

Mrs. Bennett, a widow, owned and occupied a large mansion practically in the heart of a Southern town. During the recent war the housing shortage was acute, and one day the aged Negro who worked for her overheard a passer-by say, "There's that old witch who lives in that big house and won't rent any of it." When this was related to Mrs. Bennett, she said, "Why, John, didn't you take up for me when you heard that remark?" "Yas'm," John replied, "I did; I said, 'She ain't so old.'"

How much good a one or even a three day celebration does a town I do not know, but most communities, both small and large, seem to have one or more of them each year. Slaton used to go in for rodeos, 4th of July celebrations and Christmas parades in a big way, but since several years before the war our town has done nothing of this sort.

The soft ball games have made a lot of folks in this area conscious

of our town and the games have brought many of our neighbors to Slaton and I believe that something of this kind is more worth while than one or two big promotions, but there is no reason why we could not have some other entertainments to attract people to Slaton and if there are any people in our town who have some suggestions to make, if they will outline their plans, or ideas, I will be glad to print them in this paper.

In the past we have had several successful rodeos and I understand that Slaton use to celebrate the 4th of July with turtle races, pie eating contests and amateur baseball games. Seems to me we need to raise a little dust.

My rose that was supposed to be blue has bloomed and I must hang my head in shame and admit that the little flowers are not blue and do not look too much like a rose. However, they are very pretty, they grow on a rose bush, are about the size of a silver dollar and grow in big clusters and most every one who has seen them says they are pretty. Mrs. Lee Wootton says they are "beau-u-u-tiful", and I am challenging Judge Smith, P. G. Meading, Mrs. Sug Robertson and anyone else in this county, to show me another purple rose.

Jackson Weather Predictions exclusive with the Slatonite. I was slightly off the beam last week, as the rain did not come at the time, nor as heavy, as I predicted, but I'm still saying that we will have more rain and all that I am hoping for is that the cotton will have time to come up before the real rains start again.

It is my prediction that we will have one of the best fall and winter seasons that has ever come to this section and that the labor camp will be full before long, the postal receipts will pick up and everything will be hunkydory.

The Chamber of Commerce and

**MEDAL TO SLATON BOY FOR MARKSMANSHIP**

Ten medals were given to the winning rifle team at the 1947 final exercises last week at Schreiner Institute in Kerrville. Recipients of these awards were: Royce Hollaway, Pickton; Wayman Corbell; Sam Junkin, Kerrville; Welker McDonald, 145 South 5th Street, Slaton; David Garrett, Haslam; Dick Whitty, 2239 Troon Road, Houston; Fred Ellyson, Fort Stockton; Lloyd Elliott, LaFeria; Ernest Morris, 113 East Garfield Avenue, Del Rio; and Dick Mitlanck, Pleasanton.

Max Arrants seem to have had some good effects on the owners of business property over town, at least several of them have started to make improvements in the exteriors of their buildings. C. C. Hoffman has a new awning in front of his real estate office, the Citizen's State Bank has had a crew of painters and workmen doing over the face of their building and there are probably several others who are in the process of improving their places that I have not heard about.

It might be that Max and his letter have had some effect and I want to compliment the Chamber of Commerce and Max on their efforts. The appearance and first impression of a town is as important as the first impression that one person makes on other people; it may not be lasting, but it is very important because it is either encouraging or not. Slaton is a much better town than it appears to be and I hope the first impression can be improved. . . hats off to anyone who can influence the property owners of Slaton to make things look better.

Adding Machine Paper at the Slatonite.

ESTERBROOK FOUNTAIN PENS \$1.50 at the Slatonite

**Marble Pie Easy To Stir Together**

There's no difficulty whatever in keeping a supply of baked goods on hand these sugar-short days, once you start using prepared pudding mixes as sugar-stretchers in the baking job, writes the Country Cooking editor of nationally circulated Capper's Farmer. Marble pie is just one instance of how easily an ovenful of delicious desserts requiring no sugar can be stirred together when these mixes are used, she tells farra home-makers.

**Marble Pie**  
1 pkg. chocolate pudding mix  
2/3 c. milk  
1 pkg. vanilla pudding mix  
1 baked 9-inch pie shell

Using only 1 1/2 c. of the milk to a package of pudding, prepare each one individually according to directions on the box. Cool to lukewarm. Put into pie shell in large spoonfuls, alternating light and dark puddings. Then with a knife cut thru filling with a wide zigzag motion; repeat in opposite direction. Chill.

**Always a Reason**

Al: "There's a fellow over there who's really going places."  
Pal: "Ambitious, is he?"  
Al: "No, his wife's out of town."

**X-raying Oil Fields**

A new advance in petroleum research is this X-ray machine, which takes pictures of how oil, gas, and water flow thru rocks thousands of feet underground. The X-ray focusses on samples of oil well rock, into which fluids found below ground are injected. The resulting X-ray pictures reveal in miniature how oil behaves in various earth formations. An engineer in Gulf Research Laboratories, which pioneered the development, is shown adjusting a cylindrical rock sample, while a secretary prepares to record X-ray findings. The machine is expected to lead to greater percentage of oil recovery.

**LAFF-A-DAY**

"O. K. So I talk in my sleep. What other time do I get a chance?"

**LAFF-A-DAY**

"Here are your pipe and slippers, dear. Now get in there and do the dishes!"

HOPING SOME DAY to ride a real horse is 5-year-old Jeanie Monte of Nueces, Texas, a patient at the Scottish Rite Hospital for Crippled Children, Dallas. Giving Jeanie a ride on a new hobby horse is Dr. Marshall T. Steel, pastor of the Highland Park Methodist Church, Dallas, who will deliver the principal address at the 10th annual memorial service on the hospital grounds June 15. Services are held each year to honor men and women of Texas who have died and left bequests in their last wills and testaments to carry on the work of the hospital. Dr. Steel's address will be broadcast over the Texas State Network at 8 p.m.
