## West Texas Roundup

### At the election Saturday to determine if a tax of \$1.50 per hundred dollar valuation should be levied and collected in the Petersburg Independent School District under the new consolidation, and the assumption of bonds, carried by a large majority.

Andrews county's valuation for taxable purposes was placed at \$28,125,000, and the rate was raised from \$1.15 to \$1.42 on the one hundred valuation by the Commissioners Court in regular session last Monday.

W. E. (Happy) Smith announces that George Mahon, congressman from the 19th district, will spend Monday, August 18, in Tahoka, and will be available Monday morning in the county court room of the Courthouse to any one wishing to see him.

Contracts for a new and modern athletic stadium for Tahoka High School have been let as a result of action taken by the board of trustees of the school district in a meeting Thursday night of last week. Construction will start immediately, and it is hoped that the stadium will be ready for the first home football game with Morton on September 26.

Officials announced this week that the contract for the agricultural exhibits building in Seagraves has been let to the BMFP Construction Company of Lubbock, who submitted the low bid of \$48,950.00. According to the terms of the contract, the company which is also building the new jail at Seminole, must begin construction on the Seagraves project within thirty days.

Garza County again has a Farmers Home Administration (former Farm Security) office in the court house with Perry Walker in charge. The office will be open every Wednesday from 9 a. m. until 2 p. m. for consultation with farmers concerning loans and other matters pertaining to the administration.

A drive to raise \$45,000 in cash to subsidize the building of Hereford's proposed new 64-room Hotel Deaf Smith, was launched Tuesday afternoon by the Hereford Chamber of Commerce, following a meeting of members at the District Courtroom at one o'clock.

Construction on 216 miles of REA lines in the Deaf Smith County Electric Cooperative's new Section "N" will be started next Monday morning, Leo Forrest, project manager, announced this week.

Coach Windy Nicklaus is moving his family to Amarillo to assume his new position as athletic coach in the public school system. Mr. Nicklaus was the football coach at West Texas State until last fall when he resigned after Al Baggett and Lealie Van Meter were fired following the disturbance in the athletic department of the college.

E. V. Wilder, superintendent of the Lone Wolf Electric cooperative, has announced that his organization has signed a contract with the Southwestern Bell Telephone company whereby rural electric subscribers of this area may soon be able to have telephone connections.

## Tennis Tournament Plans Under Way

According to Max Arranst, plans are well under way for the tennis tournament to be held in Slaton in the near future. Contestants of all ages may enter in both women's and men's, boys' and girls', singles and doubles.

A number of contestants have listed their entries with Max, and he urges all who plan to enter to call him as soon as possible so that the schedule of games can be completed.

To make the tournament a well balanced program, Max says that more entries are needed in the doubles field.

This will be the closing event in the summer athletic program before the opening of school and the beginning of the football season, and there should be a full schedule of play affording plenty of entertainment for the athletically inclined of all ages in Slaton.

The West Texas Gas Co. thermometer readings up until Wednesday evening showed a high of 99. This was reached on last Monday afternoon. Most of the farmers are howling and the merchants moaning.

C. C. Weaver has just about completed a very novel boat that he hopes and believes will be a fast speed boat. The small body is made from a spare gasoline tank formerly used for extra fuel storage on a large fighter plane and which was discarded after the fuel had been used.

The body is buoyed by two fin like metal air floats that Mr. Weaver has designed to hold the boat on the top of the water. He does not know yet whether it is going to fly, sail or sink but he will try it out soon and another report will be made next week.

The Slaton Implement Co. is now the authorized dealer for Pontiac Automobiles and has a good stock of parts for these cars.

Estimates on the population of Slaton vary from 4200 to 5200 with most conservative estimates at about 5000. The Texas Almanac gives us the same as the 1940 census shows which was less than 3600 while many other towns are estimated as having much more than their 1940 figures. While Slaton has not boomed as much as some of the smaller towns, we do have a substantial growth in both population and in business expansion. Have you driven over the town lately? If not you should visit all sections and see how many new homes are being built and remodelled. They are not jerrybuilt outfits either, like many of the little shanties that are under construction in Lubbock that are being sold at extremely high prices.

Since the water shortage complaints have about subsided the Mayor says things seem very quiet especially in the late afternoon.

## Slaton Tigers Win 12 to 9 Over Post

The Slaton Tigers kept up their winning ways by beating the Post Millers at Slaton Sunday 12 to 9.

Tillery tied the game in the second by sending one over the left field fence; then with the bases loaded Presley hit one over the center fielder for a home run. Post tied the score in the fifth, but Tillery with his second home run put Slaton back in the lead in the seventh. Post came back in the eighth to score four runs; but the Tigers, not to be outdone, came back in the same inning to score six runs.

Holland was the leading hitter for Post getting 4 for 6 while Thomas got a home run and a triple. Tillery with two home runs and a double, McCoy with 3 for 4, and Presley with a home run and a double led the hitting for Slaton.

This Sunday the Slaton team goes to Post with hopes of earning a place in the play-off. Tuesday night Slaton invades Sundown for a night game.

## Meeting Begins At Church of Christ

Wednesday evening, August 20, the first of a series of services was held at the Slaton Church of Christ. Marshall E. Patton, evangelist of Alabama, is the director of the meeting and is assisted by Cecil Puckett of Crosbyton, singer.

The morning service is being held at 7 a. m. for the convenience of the business men who may wish to attend. The evening service is at 8:30 p. m.

Preparations have been made to accommodate a full attendance, and Lloyd Moyer, pastor, invites all members of all denominations to attend.

## Back-to-School Bonfire To Be Held

The southeast corner of the west ward school ground will be the site for the back-to-school bonfire and pep rally to be held Thursday night, August 28, at 8:15 p. m. The purpose of this rally is to create interest and spirit in the school and for the school. The ceremony will be dedicated to the exes of S. H. S.

The yells will be led by the cheer leaders of the '46 season. This is just the beginning of a series of bonfires that will be held later in the year. All plans were made by students, and they ask that all the town people and teachers be out to support the school.

ONLY THREE CASES FILED  
Chief of Police Ward reports that everything has been quite the past week in Slaton with only three charges filed in city court and none in county court.

Only three cases are on record for last week, two gambling and one drunk.

## Slaton Girl Is Seriously Hurt

Miss Verora Wilson, daughter of Mr. and Mrs. A. P. Wilson was seriously injured five miles west of Tatum, N. M., about 3:30 last Sunday afternoon when she lost control of her car after it hit the gravel alongside the paving. She attempted to stop the car with the brakes, but instead the car did a complete turnaround in the middle of the pavement, throwing her clear of the car. After she was thrown out the car turned over two and a half times, pinning her two companions, Miss Wilma Purvis, a registered nurse employed at West Texas Hospital, Lubbock, and Miss Geneva Enlow of Abertathy. Miss Purvis and Miss Enlow received only slight injuries. Miss Wilson suffered both arms broken above the wrists, a deep cut and fracture of the skull just over the left eye, and other severe bruises and burns about the body. The most severe, however, are the broken arms and the concussion of the head which to date, has rendered her unconscious. She is employed as secretary and stenographer for the Ray C. Ayers & Son feed company here in Slaton. She, a number of others from this vicinity had spent a week vacation in and around Ruidoso, N. M.

T. Sgt. C. W. Wilson, wife and baby, arrived Thursday morning from Andrews Field, Md., to be at the bedside of Miss Wilson.

## Welfare League Is Reorganized

Representatives of fourteen local civic organizations met in the city hall auditorium at 3:30 p. m. August 12 to reorganize the Slaton Welfare League.

The following officers were elected: Mrs. Lee Green, pres.; M. H. Lasater, vice-pres.; Mrs. R. L. Smith, sec'y.; Howard Swanner, treas.; Directors are Rev. R. G. Hodges, Rev. Cal Wright, and Rev. W. F. Ferguson.

The purpose of the league is the co-ordination of the charity work of the various religious and civic organizations of the city in an effort to secure a greater degree of efficiency in the expenditure of charity funds.

As has been reported, the league has been active in the Gomez case and reports that the family is being taken care of and that those ill are improving.

## Cummins Band To Be At Lubbock Club

The real clue to a band's success is repeat performances, and that's where Bernie Cummins and his orchestra, who are to be at the Lubbock Supper Club on August 26 for a one night engagement, lead the field.

To cite a few examples, the aloof Hotel Biltmore of New York featured the Cummins aggregation for three years. They have played four years at the famous Aragon and Trianon Ballrooms in Chicago. The Edgewater Beach Hotel in Chicago has called them back seven times, as has the Rice Hotel in Houston, and patrons of the Baker Hotel in Dallas have danced to the Cummins brand of music at no less than sixteen different engagements.

Featured soloists with the band besides the smiling maestro himself, are Walter Cummins, handsome singer, lovely Betty Griffin, petite girl vocalist, and comedy-singer Tony Moreno.

See the new expansion watch band Ming Tai by Spedel at Champion's Credit Jewelry.

## Doneky Soft Ball Coming Monday

If you would enjoy seeing the members of the Slaton Lions Club get skinned up and members of a soft ball team from Lorenzo get jolted then see the Doneky soft ball game scheduled for Monday night August 25th beginning at 8:00 at the Slaton Soft Ball Park.

All of the players except the catcher and pitcher will be mounted on donkeys and if you enjoy surprises, thrills, and spills you'll get a kick out of the game. If you, as a spectator, do not get a kick out of the game, the players most surely will. Proceeds will go toward the public benefit fund of the Lion's Club.

## Slaton Girl Scout Association Meets

The Slaton Girl Scouts Association met Monday, August 18, at 3:00 p. m. in the City Hall and elected the following officers for the ensuing year: president, T. H. Duckett; vice-president, J. J. Maxey; Secy., Mrs. R. H. Bailey; and Treas., W. L. Pearson.

The following standing committee chairmen were elected: Camp Committee, Mrs. W. D. Cooper; organization, Mrs. Jay Moore; Program, Mrs. Bruce Pemberton; training, Mrs. Jack Shepard; public relations, Mrs. Charlie Walton and Mrs. R. S. Mack.

The constitution and by-laws were read and adopted with provisions for a meeting to be held every third Monday in each month in the City Hall at 2:30 p. m.

Those attending the meeting were very enthusiastic about the Girl Scout work, says Mrs. R. H. Bailey, and many are interested in the area meeting to be held in Lubbock, September 5. At this time the year's budget is to be submitted for approval and the Slaton charter to be granted.

## Slaton Youth To Have Revival

A Slaton Youth Revival will be in progress from September first through the seventh on the lawn at the Methodist Church. All services will be held at night.

Representatives and ministers from the Methodist, Baptist, Presbyterian, and First Christian Churches are to be present. Both song leaders and pianists will be selected from local talent.

The young people have set as their goal compete evangelistic fellowship and ask your help in helping them to attain it. Everyone is invited to attend each nightly service.

## Dance Sponsored To Raise Fiesta Funds

In an effort to raise the necessary funds for the yearly fiesta held by Slaton's Spanish-American Colony, the patriotic committee is sponsoring a dance to be held Saturday, August 23, at 9:00 p. m. on the platform where the fiesta is held.

Music will be furnished by the orchestra of the Five Aces directed by David Lucero of Lubbock.

## COLORED CHOIR TO SING

The Church of God and Christ will give a program in four nights starting Monday at 8 o'clock at the City Hall. A quartette of colored boys from out of the state will do the singing. White people are also invited.

Miss Louise Payne, flew back to Washington, D. C. after spending two weeks with her parents Mr. and Mrs. Geo. A. Payne. Miss Payne is a former Slaton High School teacher.

## Recreation Program For Boys Is Closed

### Let There Be Light In Night Driving

Afraid of the dark? You should be, for your own safety.

Paradoxically, during the hours where there are few automobiles on the streets more people are killed in traffic accidents. Traffic during the hours of darkness is less than half as heavy as by daylight, traffic and safety experts say, yet 60 per cent of the persons who lose their lives in traffic accidents are killed at night.

Several factors contribute to this paradox. First, there is the fact that drivers and pedestrians are generally more fatigued at the end of the day and as darkness approaches. Too—and an important point—there is more drinking at night and consequently more drivers under the influence of alcohol and more pedestrians who are less alert when crossing the street.

Then comes a long list of contributing factors brought on by darkness itself—poor vision, glaring headlights, misdirected street lighting, and on and on.

Many of the latter hazardous elements can be eliminated by proper traffic engineering and improved lighting of streets and directional signs. Every community in the country should do all within its power to see that its streets and surrounding highways are properly lighted and made more safe for its citizens.

## Rites Read For Dr. W. L. Huckabay

Funeral services for Dr. W. L. Huckabay, 85, were conducted on Saturday, August 16, at 3 p. m. at the Church of Christ with Rev. J. Lloyd Moyer officiating.

Dr. Huckabay, a retired physician and resident of Slaton since 1922, died at his home about 10 o'clock Thursday night, August 14, after a short illness.

Survivors include his wife, one daughter, Mrs. R. L. Cantrell, of Tulsa; three sons, U. L. Huckabay, Lubbock; J. V. Huckabay, Slaton; and W. L. Huckabay, Jr., of New Mexico; twelve grandchildren and six great-grandchildren.

## Personal

Mrs. A. R. Ellis visited her sister, Mrs. W. L. Davis, this week.

Visiting Mrs. M. W. King the past week was her sister, Mrs. H. E. Clingan of Levelland.

Mrs. Vinnie Portwood left this week for Dodson, Texas, where she has accepted a position in a bank.

Mrs. J. H. Teague, Sr., is visiting friends in Denver, Colo.

Mr. and Mrs. Jack Turner of Carlsbad, N. M., are visiting his parents, Mr. and Mrs. T. A. Turner.

Mr. and Mrs. C. C. Hoffman are vacationing in Colorado this week.

Mr. and Mrs. H. A. Ochse have been gone on an extended vacation in the mid-western states.

Mr. and Mrs. Grafton Henry of Austin and Durwood Crawford are visiting in Dallas.

Dr. and Mrs. A. L. Davis and family of Terrell visited his sister Mrs. W. T. Cherry and family over the week end.

Mr. and Mrs. Gilbert Self spent the week end with their daughter, Mrs. Woodrow Chandler, and husband in Greenville, Texas.

Mr. and Mrs. Jerry Mudgett plan to spend this week end in Olustee, Okla., visiting relatives.

The Slaton Boys Club closed its summer program Friday afternoon with a baseball game with the Lubbock Methodist club. The Lubbock team defeated the Slaton boys 11 to 6 on Slaton's own diamond.

Following the game, the Slaton club and the Lubbock team enjoyed an ice cream party.

This is the last activity of the summer recreation program directed in Slaton by Clarence Tillery, high school football coach.

"The boys' work of the summer program was a success," says Coach Tillery, "and Slaton citizens who helped put the program over are to be commended for their work. The boys and myself are very grateful to the various organizations of Slaton which made this recreation program possible. We sincerely hope that a similar program can be worked out again next summer."

## Services Held For W. E. McAllister

Funeral services for William Earl McAllister, 62, who died at 2:30 o'clock Saturday afternoon in an El Paso hospital, were conducted Tuesday at 10:30 o'clock at the Broadway Church of Christ, with Dr. M. Norvel Young, assisted by Liff Sanders, officiating.

Pallbearers were J. C. Watkins, Raymond Marshall, Earl Crell, Allen Ferrell, Leon Kennedy and Charles Whitesacre. Rix Funeral home was in charge of arrangements.

Mr. McAllister, who was a veteran Santa Fe engineer, had been ill health about a year and had been a patient at the El Paso hospital about three hours. He had gone there with another brother to visit a brother in El Paso.

He had been employed by the Santa Fe for the past 40 years. He moved to Lubbock from Slaton in 1939.

Survivors besides the widow, who lives at 2002 Tenth street, are three daughters, Mrs. J. A. Ewing of Texas City, Mrs. Jerry Williams and Mrs. D. A. Henriques of Lubbock, and two grandchildren.

## Grand High Priest Visits Slaton

Jesse D. Cox of Melvin, Texas, Grand High Priest of the Grand Royal Arch Chapter of Texas, was guest of honor at a District Meeting of Royal Arch Masons held at Masonic Hall in Slaton Tuesday evening.

About forty Royal Arch Masons from the several chapters in the district attended. A banquet was served by the Rainbow Girls which was greatly enjoyed by all present.

The Most Excellent Grand High Priest addressed the gathering in the auditorium, after which the Royal Arch Degree was conferred upon two candidates.

## FIRE ENGINE MAKES RUN

Slaton fire department was called to Hackberry below Southland to extinguish a fire Saturday afternoon. A fire in a garage owned by Mr. Smith threatened to do considerable damage but was under control by the time the Slaton trucks arrived.

The garage was not entirely destroyed but was badly burned.

Thursday evening, August 21, Mrs. Jay Moore, board member of the area council, attended a meeting of the Lubbock Area Council of Girl Scouts at the Little House in Lubbock.

Mrs. Pat L. Davis and her son, Bill, of Fort Worth are visiting her parents, Rev. and Mrs. Cal Wright. Also visiting in the home is Mrs. Wright's sister, Mrs. John B. Lewis, of Stanton.

**WORMS FOUND IN ALL FLOCKS**

It is a rare flock of chickens that is completely free of worms. Indeed, one is not far from wrong in assuming that worm parasites can be found wherever poultry rationing is practiced.

Most poultrymen begin to suspect worms only when their chickens develop symptoms which are visible to the eye. In reality, such symptoms are an indication that the affected birds are heavily ridden by parasites and that the infestations are so severe that the overall health of each bird is lowered in marked degree. When worms in great numbers infect a bird, the health of the bird may be damaged beyond hope of complete recovery; and even death may result.

**The Worm Cycle**

Of course there are thousands of flocks which are healthy in appearance and give no indications of worminess; yet, somewhere in each of these flocks there are apt to be worm parasites. There may not be enough of them to cause visible ill-effects among the chickens, but the worms are there—and they're dangerous because they multiply so rapidly, particularly during the summer season, that they soon may create wormy symptoms where none exist today.

Chickens become infected when they eat worm eggs in an intermediate host (insect) or from the soil litter or feed. Inside the chicken these eggs hatch, producing more worms which reach maturity in the intestinal tract—and lay more eggs. These eggs are passed in the droppings, completing the worm cycle.

**Extremely Prolific**

Some types of worms are said to lay up to 50,000,000 eggs each. So if only a tiny fraction of these eggs lodge and hatch inside a chicken there is a strong possibility that a heavy infestation may develop unless the flock manager takes counter action.

Because of the nature of the worm cycle, the obvious way to avoid worm damage is to practice ceaseless sanitation. It is when birds are reared in filth that the worm threat is most dangerous.

**MARKET NEWS**

(USDA) Most farm products sold steady to strong last week, but many weak spots developed in livestock and vegetable markets, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Cotton prices broke sharply following the government cotton crop report, but rallied late in the week to close mostly 25 to 75 cents lower. Lowered quality in South Texas caused by recent rains slowed interest of buyers who want higher grades.

Grain markets showed more settled tendencies last week. And wheat and barley changed very little, while corn and oats made slight gains, and sorghums closed a little higher after some fluctuation. Varying weather conditions in the corn belt affected the daily market on feed grains, and more new crop Texas corn was sold.

Northern Colorado potatoes sold about steady last week, but San Luis Valley peas and cauliflower dropped to lower levels. Watermelons moved in somewhat unsettled markets, as the changing

R. L. BOYD

Rev. Joe Seratt of the East Side Baptist Church of Lubbock began a revival at 11 o'clock Sunday morning. There will also be a prayer meeting each evening. Mr. and Mrs. W. L. Lourance have charge of the singing and music.

For the first time in several weeks all officers and teachers were present for the Sunday School and with a larger crowd than usual.

M. P. Gentry, F. H. Stahe, and clerk will have charge of the election to be held Saturday, August 23, at the school house. The election is concerned with raising taxes for state colleges. The polls will be open from 8 a.

m. to 7 p. m.

A. M. Cox has sold about 300 acres of growing cotton to Raymond, R. B. Boyd and son, Billy. The sum paid was about \$25 per acre and included a small amount of light farming equipment.

Fred Tudor is having the gin yard cleared of weeds and has the gin machinery repaired for the fall season.

Betty Ross Marker has started the second year of nurses training and her grades are averaging near the top of the class.

The delay of the rain is causing some anxiety among farmers, but it is believed that the yield will be better than for the past two years.

Fred Stolle and W. Cox have returned from a trip to western Colorado.

The R. B. Boyd family have been spending several days vacationing near Ruidoso, N. M.

S. N. Gentry, school trustee, has been inquiring for a school bus driver.

The Home Demonstration club had their meeting Wednesday evening at the T. A. Johnson home. Their families and friends were guests.

Since most crops are about laid by some home owners are having their houses repaired.

An electric water pump has been installed at the Fabian Stahe farm.

Mrs. Irene Krey of Grand Prairie has been visiting relatives here for several days.

Mrs. J. Summersalin of Lubbock was a Sunday School visitor.

Mr. and Mrs. Silas Wilson, Paul Wilson, and Mr. and Mrs. Bill Waldrep of Hereford, have returned home from a three week trip spent at Yellowstone National Park and Vancouver.

Mrs. K. C. Scott and Mrs. Robert F. Spikes are in Amarillo this week to attend some parties being given for Mrs. Scott's niece, Jane Everline, whose marriage to Bill Aycock of Lubbock, will take place August 31.

Mrs. Robert E. Lee has as her guest this week her niece, Ina Jean Cato, of Post.

Mrs. Allen Ferrell was called to Plainview Sunday, August 10, because of the illness of her mother Mrs. E. Roper, who had suffered a heart attack and was in a Plainview hospital. Mrs. Roper's condition is improved enough for her to be moved to her home, but she will be in bed for some time yet.

# Slaton Boy In Japan

With the Eighth Army in Jimmachi, Japan (Delayed). Serving in the 11th Airborne Division with the Army of Occupation in Japan, is Private First Class Robert J. Fondy. He is the son of Mrs. Sophie B. Fondy who is a resident of this city. Pfc. Fondy is currently attached to the 674th Parachute Field Artillery Battalion stationed in Jimmachi, Japan, on the island of Honshu.

He enlisted in the Army on Sept. 27 and took his basic training at Fort Bliss, Texas. He then volunteered for parachute duty and went to the airborne center at Ft. Benning, Ga., for his training. In order to win the wings of a paratrooper, he was required to make five jumps from a plane in flight. Along with the prestige of wearing the boots and wings of a trooper, he is also eligible to draw an additional \$50 a month jump pay for this duty. To retain the status of a paratrooper, he must make at least one jump every three months.

After he completed this training, he reported to the replacement center at Camp Stoneman, Calif., and awaited overseas assignment. When he arrived in Yokohama last April, he became a member of the 11th Airborne Division.

A bumper rice crop of 75.5 million bushels is expected from U. S. rice growers this year. Such a crop would exceed last year's record crop by 4 million bushels.

The cotton leafworm is not known to survive the winters in the United States. New infestations are started each spring by moths that fly in from the south and lay their eggs on cotton.

## For Restful Sleep Try Inner Spring

Have you given thought to the fact that now that the war is over you can again obtain that inner-spring mattress that you just couldn't get during the war?

Inner-spring mattresses assure comfort and rest which are very important to your health. Starting on a day's work. Start proper rest may result in perfect coordination of the body and prevent you from correctly applying yourself to your job.

The Direct Mattress Company is among the world's largest exclusive mattress manufacturers. It operates under a State Health Department permit and is one of the finest equipped plants in the

South. The Direct Mattress Company is located at 1715 Ave. H in Lubbock which is a good location to serve both Lubbock and Slaton. They have been "selling sleep" for 29 years and cordially invite you to come in and compare the appearance and prices of their products which include the comfortable tuftless mattress.

Boll weevils pass the winter as adults in weeds, grass, woods or other protected places in cotton fields.

According to law, a cooperative marketing or buying association may be formed by five or more persons engaged in the production of agricultural products.

If you travel you want to stay at home, if you are a home body then the far distance places seem most attractive and if you are in the habit of eating at home then restaurant meals seem just what you would enjoy but if you have been living in restaurants for a long while then the old home meal would be the most appetizing thing you can think of which proves why Harley Sadler wants to settle down in some town and rock and why I want to see a lot more of the world than I have to date, and it also accounts for the fact that Harley has colon trouble from eating too many restaurant meals and why I have indigestion and an overstuffed figure from eating at home. Joe West thinks a night at home is better than ice cream at a picnic and when Ray Hickman gets away from home he is a real cut up.

At last I have heard what I believe to be a true fish story. Bill Lovett came into the office last

week and said that he had been to Pogos Springs, Colorado, last week and said that he did not catch a single fish.

Doc Crow, Don Crow and Dick Ragsdale and I went to Possum Kingdom Dam over the 4th of July and our story would be the same as Bills' if we were candid enough to say so but Doc is a little timid about admitting that he gets a goose egg once in a while. Personally I expect the worst and it usually happens.

Ray Hickman tells a story about an old rancher friend of his who bought his first automobile. He got a few suggestions on how to drive from the dealer and asked Ray to go riding with him. They lit out across the country and came to two cowboys riding along talking to the driver of the wagon. The old rancher put his foot on what he had a hazy idea was the break, but selected the accelerator and the car spurted forward, he managed to get most of the way around the wagon between the horsemen and the team but when they checked up several miles down the road there was a bridle off of one horse and one of the reins from the team of horses, hanging to the front of the model T Ford. "A close call wasn't it son," was the only comment the old fellow made.

Ray is wondering to this day what the horsemen and the wagon driver thought and said about his old friend.

western lines and the P. & S. F., with headquarters at Amarillo, and will be succeeded by Dale R. McNemar, Western Union audit clerk in the office of Santa Fe's assistant superintendent of communications at Topeka, Kansas.

R. B. Wheeler, division lineman at Clovis, N. M., has been appointed to the newly-created position of assistant engineer at Amarillo. Coble succeeds O. D. Herron whose death August 7 created a vacancy. His Santa Fe service dates from October, 1926, when he began as a mail clerk in the superintendent's office, Amarillo. He advanced through several positions in the operating department, all at Amarillo, to that of chief clerk to communications manager in October, 1939. During his communications department service he has supplemented his working experience by attending night classes in radio communication at

Amarillo College.

McNemar started with the Santa Fe as messenger at Fresno, Calif., in May, 1937, transferring first to the mechanical department at Bakersfield, Calif., and then to the communications department, Los Angeles, in 1938. Since 1939 he has held various jobs in that department at Topeka.

**This Week's Lesson-Sermon**

"Mind" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, August 24.

The Golden Text is: "Righteous art thou, O Lord, and upright are thy judgements. . . Give me understanding and I shall live" (Psalms 119:137, 144).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The counsel of the Lord standeth for ever, the thoughts of his heart to all generations" (Psalms 33:11)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Few deny the hypothesis that intelligence, apart from man and matter, governs the universe; and it is generally admitted that this intelligence is the eternal Mind or divine Principle, Love" (page 270)

**IN THE STILL OF THE NIGHT**

**A MAN DIED -**

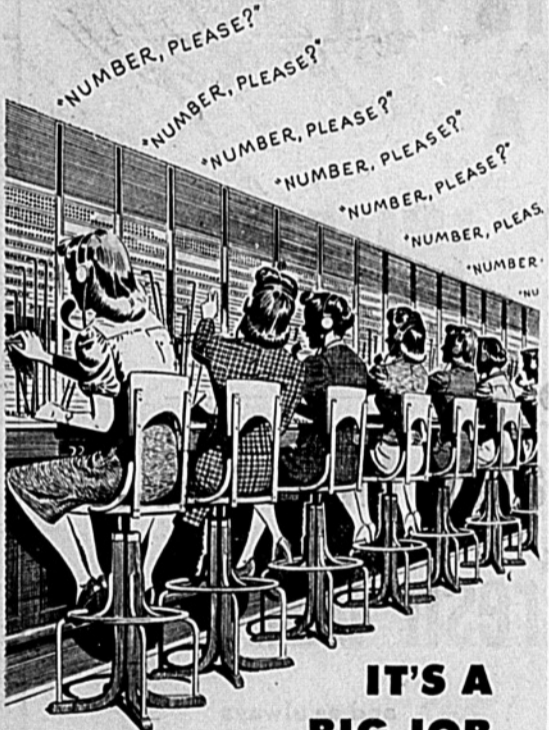

He had worked late—he was tired—thoughtlessly he walked to the right along the darkened highway. Beyond the turn of the road were the lights of home.

Speeding through the early darkness, a driver urged his car along, hugging the edge of the road. A dim shape, a sudden sickening jolt—and the terrorized driver, his car careening, sped on—around the curve, past the lighted cottage beside the road. And in the still of the night, a man died.

These are the ingredients of accidents and death at night. Often the victim contributes to his own death by not walking to the left, facing traffic. But far too many pay with their lives for the reckless driving of the hit-and-run car coward. To him self-preservation is more urgent than the saving of a life.

To his kind let this be a warning. Of all highway and traffic violators, the hit-and-run driver fares worst. Sooner or later, his crime leads to prison and disgrace.

The highways shall be cleared of these auto highwaymen.

**IT'S A BIG JOB THESE DAYS**

One of the first things a new telephone operator learns is to be always ready for the next call—your call—anybody's call!

Operators have a lot of calls to handle nowadays. There are more telephones in use than ever before and calling is at an all-time high. The switchboard at times is literally ablaze with lights—each one calling for "Number, please?" and each one getting a "Number, please?" as quickly as skilled and courteous operators can manage. If your call is not answered at once, you'll know that nimble fingers will reach it as soon as they possibly can.

As soon as much-needed new equipment can be obtained and installed, we'll be ready to handle your calls quicker and better than ever before.

## Stebens - Brown Rings Exchanged

Miss Verna Deane Stebbens, daughter of Mr. and Mrs. John Stebbens of Waynoka, Oklahoma, and G. Stanley Brown, son of Mr. and Mrs. G. A. Brown of Wellington, Kansas, were married August 16 at 6:30 o'clock in the First Methodist church in Waynoka, Oklahoma.

Rev. Hubert Biggs officiated for the double ring ceremony. Mrs. W. N. Pierce, pianist, played the traditional wedding march and was accompanied by Miss Norma Deane Vanderslice who sang "Because" and "I Love You Truly." The church was decorated with multi-color asters and a spray which gave the effect of a garden. Placed on either side of the altar were baskets of radiolus and candelabras.

The bride given in marriage by the groom's father wore an aqua tailored dress. Her hat was of white lace with a shoulder length veil and accessories were also borrowed and she carried a peach center and a white Bible. For the bride wore a white lace and a bouquet of pink asters.

Mr. Phillip B. Brewer, of Slaton served as best man. Misses Billie Louise and Myra Brown, sisters of the bridegroom lighted the tapers. They chose identical dresses and hats of rose and yellow and wore wristlets of multicolor asters. Serving as ushers were Messieurs William Deane Overstreet and Max C. Ritter, both of Waynoka.

The bride's mother wore a grey dress with black accessories and a corsage of pink carnations. The groom's mother chose navy blue with pink and black accessories. She also had a corsage of pink carnations.

Following the ceremony a reception was held on the lawn of the bride's parents. The brides table was laid with an imported lace cloth centered with a three tiered wedding cake. Assisting in serving were Miss Roseanu Goranflo and Mrs. L. E. Washburn. Presiding at the bride's book was Mrs. W. D. Overstreet.

The bride was wearing a pink linen suit with white accessories when the couple left for their wedding trip to Colorado. Mrs. Brown is a graduate of Waynoka High School and of Salt City Business College of Hutchinson, Kansas. Prior to her marriage she was an employee of the Santa

This reckless driver and his companion were speeding crazily through a thickly populated residential area, endangering the lives of dozens of people. Fortunately their wild ride ended before they had involved anyone else. The car went out of control on a medium curve and slammed into a gasoline pump, hurling its occupants onto the pavement. The driver was killed; his passenger lived—after many months in the hospital. Speeding was a reported violation in one out of every four motor vehicle fatalities last year. Strict enforcement of speed laws, and aroused public opinion are needed to prevent accidents of this type.

NEW YORK—Costumed in long flowing gowns, the waitresses at the Sheraton Lounge here are setting male hearts—and eyes—agog, for the skirts of the gowns are transparent! At first glance the boys are impressed with just beautiful girls garbed in evening dress, but as the glances pass the lights, glorious pairs of legs are revealed enhanced by the flow of the sheer black skirts. Evidence that intrigue is greater than exposure, the hotel has had to arrange to send the girls home nightly by cab to avoid the numerous hotel-door johnnies who gather 'round.

MRS. FLOY KING

The Baptist meeting closed on Sunday night. There was good attendance during the revival and good results. There were conversions, rededications, and several new additions by baptism to the church. The Methodist meeting begins Wednesday, August 20. Everyone is invited to attend.

Visiting the John Leake, Sunday were their children, Joe, who has been working with a construction crew, and Mr. and Mrs. Bobbie Leake of Slaton, and her brother, Mr. and Mrs. Buford Jones.

While the Wilbur Woods family were visiting friends at Tatum, New Mexico, last Friday, their son, J. Loyd, was accidentally shot in the eye with a B. B. gun and is in Mercy Hospital, Slaton, from infection caused from the shot. The bandage was removed Sunday but the doctors cannot tell yet how badly his eye is injured.

Mr. and Mrs. Marvin Truelock had a card from G. L. Dickinson

who is in Plainview Hospital with polio. He reports that he only has a light case and hopes to be able to visit friends in Southland soon.

Mr. and Mrs. Clarence Terry and baby of Lubbock visited her parents, the S. M. Turelocks. Other visitors in the afternoon were Mr. and Mrs. W. H. Fletcher and Mrs. Eella Grantham of Mineral Wells.

Herman Whited of Odessa spent the week end with his parents, Mr. and Mrs. J. L. Whited. Also visiting the Whites this week was Mrs. S. W. Potter.

Calvin Grantham stayed at the Smith home for a few days visiting with his grandmother.

Sandra Henderson of Lubbock is with her cousin, Glenda Grantham, for a short visit.

Mr. and Mrs. C. Terry and Norma Ruth of Tahoka visited the C. W. Grays Sunday.

Mr. and Mrs. J. C. Jopling and Milton of McAdoo spent the week end with their daughter, Mr. and Mrs. H. E. Trull.

Visiting the O. J. Harmonsons recently was their son, John, and

family of Olney.

Mr. and Mrs. Sam Marsh and girls returned from Ft. Worth on Friday night to find their daughter, Mrs. Edward Ussery, of California, had arrived here a couple of days ahead of them.

Mr. and Mrs. J. A. Sherrod of Idalou visited Mrs. G. W. Davis and the Buster Davis' family on Thursday.

Mrs. G. W. Davis, Maxine Davis, and their babies visited in Carlsbad with Mr. and Mrs. G. W. Davis, Jr., and Mrs. O. H. Willis. Mr. and Mrs. Sam Pendleton of Hillsboro, Texas, is now visiting Mrs. G. W. Davis and the Buster Davis' family.

R. J. Vannamen had the misfortune of breaking two of his toes while working on his car last week.

Mr. and Mrs. Glenn Allen of Amarillo visited her parents, Mr. and Mrs. J. C. Harris, and attended church here Sunday.

Mr. and Mrs. Pete King and baby, Clifford Allen, of Levelland spent the week end with their parents, Mr. and Mrs. Clifford Young of Slaton and Mr. and Mrs. Harry King of Southland. Mary Frances King accompanied them home for a few days visit.

Odell Donohoo and his bride of four weeks and her brother all from Stockton, California, are here with Odell's parents, Mr. and Mrs. Wesley Donohoo.

Tiny Tim Field of Dalhart was in Southland Saturday evening. His parents, Mr. and Mrs. Tim Field, and children had stopped off at Lubbock to visit her parents, Mr. and Mrs. Walter McNabb.

Visiting the R. L. Vannamens is her brother Mr. C. G. Gray and wife of DeRidder, La., and Mrs. E. L. Ginbey and son of Lake Charles, La., Luther Bursett and wife of Dry Creek, La. They plan to leave for home Friday.

W. L. Holloman, associate lay-leader of the Lubbock district of the Methodist church, left August 14 to attend a lay conference at Lake Juanuska, N. C. He will return August 23.

Mrs. W. L. Holloman and children visited in the C. R. Farrell home in Muleshoe.

**Slaton People Go To Visit Vic Payne**

Allan Payne, Rena Schram and Mr. and Mrs. Joe Schram and daughter went to Abilene Sunday to visit Vic Payne, who is still in Memorial Hospital.

Mr. Vic has two more weeks in the cast, then a brace is to be put on the injured knee.

He is improving but reports are that he will be unable to return to Slaton for some time yet.

**YOUR STATE TAXES DOUBLED**

The State Tax Rate This Year Is 72c On \$100 Valuation

Last Year the Rate Was 37c

Who Said, "No New Taxes"?

**VOTE! VOTE! VOTE!**

Saturday, August 23rd

**AGAINST**

An Additional 5c Tax

On Saturday, August 23, an amendment to the constitution of the State of Texas will be voted on to allocate 5c of the authorized 7c Confederate pension tax to finance a building program for State owned colleges other than the University of Texas and Texas A. & M.

**An Additional Tax**

"They" say this is not a new tax, but you have not been paying it for many years. It certainly will be an additional tax you have not been paying. If voted by the people of Texas on August 23, it will be added to your 72c State tax, making a total of 77c on the \$100 valuation.

**Small Taxpayers Pay**

The veteran, the farmer, the small home owner, the laborer, the small business man, everybody will have to pay this 5c tax in addition to the 72c State tax, if this amendment carries. This State tax is in addition to local taxes—County taxes—School taxes—City taxes—and perhaps others.

**Will Not Provide Buildings**

If passed, this 5c additional tax will not provide adequate and sufficient buildings at today's cost of construction. In the next 10 years West Texas State Teachers College at Canyon MIGHT get \$487,200. The College of Mines at El Paso MIGHT get \$423,000. Sul Ross at Alpine MIGHT get \$189,000. Texas Technological College at Lubbock MIGHT get \$1,500,000 in these 10 years.

**An Unnecessary Tax**

This is an unnecessary tax. By a division of the so-called Permanent University Fund more buildings can be built at all the State owned colleges than this tax will provide. They also can be built much sooner. And the State University and Texas A. & M. still can get more buildings than they can use.

**42 Counties Exempt**

42 of the State's richest counties pay no ad valorem taxes for State purposes. None of these counties are in West Texas.

W H Y?

Should you pay another unnecessary 5c tax when 42 of the State's 254 counties will not be paying to help our State colleges.

**Help Colleges—Vote Against**

You will actually be helping all 14 of our State colleges if you vote against this amendment. All these colleges can and will get more money by regular appropriations if this amendment is defeated than they could get by the passage of this 5c tax amendment. Your vote against the amendment will help instead of hurt these 14 State colleges.

**DON'T BE LED ASTRAY**

Do not be led astray by this proposed amendment which levies a 5c tax on your property for 30 years and saddles a \$45,000,000 debt on you and all other taxpayers. If passed, this amendment will open the flood gates of the State treasury to dozens of new colleges and you again will pay the bill.

Go Vote Saturday, August 23rd

**BUT WE'VE A \$35,000,000 PRESENT FOR YOU**

It's Southwestern Public Service Company's 23rd birthday, but there's a \$35,000,000 present for the folks in the Panhandle Plains Pecos Valley area.

It's our vast expansion program that will bring better electric service to more homes, more farms, more industries. There'll be improvements in all the areas we serve, designed and planned to bring better electric service to everyone.

This expansion program is a concrete example of the faith we have in the growing area we serve.

**LIL' BABY**

• Nothing brings more real pleasure into a home than the laughing face of a healthy, happy baby. It brightens the household and revitalizes the domestic relations of the family.

In the face of this happy child the whole purpose of marriage and of the home is fulfilled. For man's highest duty, next to that of living a just and useful life and honoring God, is to carry on the human race and transmit its priceless heritage to a new generation.

The greatest thrill on earth is that of the parent who looks into the wide, wondering eyes and smiling face of his own flesh and blood.

But parenthood carries great responsibilities which no father or mother can afford to ignore. It is the responsibility to bring the child up in an environment conducive to faith, honesty and right living. In this great task the Church can render invaluable assistance.

The churches of this community offer religious instruction and spiritual inspiration to young and old alike. Go to church on Sunday. Let the service lift you into the realms of the Infinite.

**THE CHURCH FOR ALL...  
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

**Oldest Living Thing**  
In Sequoia National park are thousands of giant Sequoias of which several hundred are more than 10 feet in diameter and 300 feet in height, while some have base diameters between 25 and 37 feet. The age of the Big Tree is difficult to realize. It is beyond comparison with the oldest living thing. Several of the trees were vigorous youngsters before the pyramids were built in Egypt and before Babylon was at its zenith. Thousands were flourishing trees when Christ was born in Bethlehem. Hundreds were lusty youngsters through all the ages of Greek art and Roman wars.

**Efficiency of Lamp**  
Electrical technicians report that the fluorescent lamp is 300 times more efficient as a light producer than the candle.

**Making Apple Juice**  
It takes a bushel of apples to make three gallons of cider or apple juice.

**Sap for Maple Syrup**  
It takes 32 gallons of maple tree sap to yield one gallon of maple syrup or eight pounds of sugar.

**Tomato a Wolf Peach**  
Believed to be poisonous, centuries ago the tomato was called "wolf peach."
