

## CITY ELECTION PROMISES TO BE ONE OF HOTTEST IN YEARS

### April 2nd Is Last Day For Absentee Votes; Poll Tax Necessary

From all indication the coming city election promises to be one of the hottest contests in many years. With three city commissioners to be elected and the mayor and with only the commissioner of Ward 1 without competition, there should be a real foot race for all of the offices.

Due to the fact that most Slaton residents did not realize that the City offices would be up for elections a great many did not pay their poll tax and are not eligible to vote, however anyone who has reached their 60th birthday and has met all of the qualifications for voting need not have a poll tax as all voters over 60 are exempt from this restriction.

Those who wish to vote in the City election but who plan on being out of town on April 5th may vote absentee up until April 2nd. The ballots are available in the City Secretary's office and any qualified voter who is a resident of the City of Slaton may vote for Mayor. Votes for the Commissioners are restricted to the residents of each ward in which the candidates are running.

## Lions To Make A Drive For Funds

Beginning this week the Lions Club will endeavor to get in touch with every citizen in Slaton by telephone to solicit funds to secure lights for the Slaton Athletic field. The Club needs approximately \$4000.00 to pay for the installation of the lights and they hope to have them by the time the first ball game is played.

We pick up and deliver 5 days each week. O. Z. Ball & Co. Dry Cleaners and Clothiers.

New shipment of pastel spring pearls. Champion's Jewelry.

## Over the Wire

Reports are current that a big new building will be started in the business section of Slaton at an early date and that a considerable amount of money will be spent on fixtures and equipment for the place. According to reports it is scheduled to be finished by July.

The West Texas Cotton Oil Company and the Ray C. Ayers & Son Grain elevator operators report that the farmers are making advance reservations for seed and that the better breeds of seed are in demand.

Merchants over town report that business was better last week and so far this week than it has been since soon after the first of the year. The farmers are active and some more money is in circulation.

Key Ely reports that he will have his store considerably torn up for several weeks while repairs and improvements are in progress and that he expects to have one of the best looking establishments in Slaton before long.

Vic Payne, who has not been in the best of health, left last Wednesday for Abilene where he will visit his son. Mr. Payne expects to do a lot of fishing, as his son, who lives in Abilene, reports the fishing good. The son has a summer home on the lake at Abilene where he has a fishing wharf fixed up with rocking chairs with a fishing bait attachment, umbrellas and every thing a man of Mr. Payne's fishing abilities demand.

Chief of Police Ernest Ward, said that law infractions have been very scarce lately and that only a few arrests have been made and those for minor offenses. The men working on the railroad rightofway between here and Lubbock have some trouble, but not much.

## Driving Training In High School Proves Popular

A plea to parent-teacher associations to encourage a course in high school driver training in every major city and town in Texas next semester was made recently by W. A. "Cap" Williamson, Vice President of the Texas Automotive Dealers Association.

Started in 1943, high school driver training in 1948 was taught in 350 schools where credits were given, and in an additional 236 schools which granted no credit, a total of 586 schools.

Training of youth of high school age in theory of safe driving and actual driving experience has the approval of the Texas Congress of Parents and Teachers, the Texas Safety Association, the Department of Public Safety, Texas Automotive Dealers Association, and other groups.

"Driving habits are largely a matter of early training," Mr. Williamson said. "If a child grows up knowing the safe, courteous thing to do when he is behind a wheel, he has a much better chance of being an accident-free car driver."

During 1948, 13 courses in driver education and training were offered by the state at widely scattered colleges and universities. In these courses certificates were awarded 282 teachers and 143 prospective teachers. Thus, teachers themselves are trained before attempting to instruct students on how to drive a car.

The driving course was established in Slaton High School this year under direction of Clarence Tillery, who attended the training school offered at Wichita Falls. Mr. Tillery reports that interest and enthusiasm for the course has been high. He has thirty-one students in his driving class. Each student will receive an average of six hours behind the wheel in addition to class room procedure. Mock trials of imaginative accidents are held and it is planned in the near future to establish patrols on the street in front of high school during the noon hour and shortly before and after school time.

The car for the course has been furnished by the Slaton Motor Co.

## New Minister Of Baptist Church Moves To Slaton

Rev. and Mrs. James T. Bolding and son, J. T. Jr., 16, and daughter, Rebecca, 14, moved into the parsonage of the First Baptist Church on Wednesday of this week and are ready to get acquainted with the people of Slaton. Rev. and Mrs. Bolding also have a daughter who is a student in the Oklahoma Baptist University at Shawnee, Okla.

Rev. Bolding has accepted the call to minister to the congregation of the First Baptist Church here and has taken over his work. He comes here from Greenville.

## More Auto Licenses Than Ever Before

Up until last Tuesday afternoon a few over 725 passenger car licenses for 1949 had been issued at the F. A. Drewry real estate and insurance office. In addition approximately 75 commercial and 75 farm motor licenses had been issued.

While it is early to make accurate estimates Mr. Drewry believes that his office will issue over 200 more licenses this year than it did last year. This is due partly because there are more people coming to this area every day.

All motor vehicles must have the 1949 license numbers by the morning of April 2nd or their operators will be subject to arrest, said Mr. Drewry.

Mr. and Mrs. Charley Marriott and Mrs. Geo. Marriott returned Sunday morning from New Orleans where they attended the funeral of Mrs. Charley Marriott's brother, Mr. Joe Pugh.

20% discount on all our compact. Champion's Jewelry.

A group of Texas Tech students take time out for a picture as they make plans for the annual Western Days and Student Rodeo celebration planned for April 1 and 2 at Texas Tech. They are: left to right, top row, Clinton Ritter, Lawn; Pat Todd, Houston; Woody Allen, Winters; Betty Hudson, Seagraves; H. G. Bedford, Midland; second row, left to right, Bill Eiland, Snyder; Helen Calcote, Rankin; Polly Cook, Post; and Don Morrison, Pampa.

## Slaton's Oil Belt Club To Start Working Out Sun.

Spring training for the Slaton Oil Belt Club is scheduled to begin Sunday, if the weather permits. Prospects are bright for a very good club this season. With the new ball park completed and lights being installed there will be more games played here. Instead of just twenty-one games as last year, there are to be thirty-five games this year, with the night games to be played on Thursday nights, but these games are not scheduled to begin until April 24.

The House of David will bring their club here for a night game on May 10. Efforts are being made to bring other high class clubs to Slaton during the summer.

All men who are interested in playing should report to the Slaton Ball Park this Sunday at 2:00 p. m. If the weather is bad, training will start the following Sunday.

Sometime in July an all-star game is planned. This will be the first time the fans will choose the players to play in the all-star game. The Slaton Club is to try to get the game played here.

Hopes are high for a fine baseball season, with the fans being able to watch the games in comfort in the new Lions Club Ball Park.

## RED CROSS DRIVE FALLS SHORT OF \$2,000 GOAL

Mr. Lewis Hollingsworth reported this week that approximately \$1200 has been received as a result of the Red Cross drive for funds here the past two weeks. Though receipts were gratifying they were far short of the goal of \$2,000 which had been set for Slaton.

Born March 21 at Mercy Hospital to Mr. and Mrs. W. F. Porsch, Jr., a boy weighing 8 lbs., 3 ozs.

Born March 21 at Mercy Hospital to Mr. and Mrs. J. E. Holloway a girl weighing 7 lbs., 13 ozs.

Born March 21 at Mercy Hospital to Mr. and Mrs. Dan Aguirre a girl weighing 5 lbs., 13 ozs.

Born March 22 at Mercy Hospital to Mr. and Mrs. N. J. Lamer, a boy weighing 7 lbs., 3 ozs.

Born March 23 at Mercy Hospital to Mr. and Mrs. G. D. Barrett a girl weighing 6 lbs.

Born March 10 at Dodge City, Kansas, to Mr. and Mrs. Warren Henry a boy weighing 7 lbs.

Born March 16 at St. Mary's Hospital in Lubbock, to Mr. and Mrs. Sylvester Verkamp of Wilton, a son. He is the grandson of Mr. Herman Verkamp of Slaton.

## H. S. Athletics Keep Boys Busy

O'Donnell won first and Seagraves placed second in a five school track meet held at O'Donnell last Thursday afternoon. Post, Slaton and Tahoka were the other schools taking part. For Slaton, in the senior events, Laurence Morgan placed third in the 220 yd. dash; Tom Smith, second in shotput; Geo. Young, fourth in the mile; Elbert Strickland, fourth in the 880; and the relay team placed fourth in the 440.

Slaton's Junior track team won the meet in their division, with the following results: Bill Butler, first in the 100 yd. dash; Jerry in the 440 relay; R. A. Thompson, second in the 50 yd. dash; Jerry Reynolds, third in the 50, and Max Wilson, fourth in the 50.

Coach Clarence Tillery was scheduled to take his baseball team to Lubbock for a game today.

Coach Bill Barnett will take his Junior track team to Lubbock on April 2 to take part in the Annual Lubbock Public Schools Invitational Track Meet. Every school on the South Plains has been invited to participate in this meet, which will be divided into three divisions, the 7th, 8th, and 9th grades. Preliminaries are scheduled to begin at 10 a. m. and finals at 1:30 p. m. The meet will be held at Chapman Field, at 23rd St. and X. Mr. Barnett says he will take 7 or 8 boys from the 7th grade, 6 or 7 from the 8th, and 7 from the 9th.

## Mrs. Cam Evans Is Laid To Rest In Southland Tues.

Mrs. Cam Evans of 805 S. Ninth St., who has been a resident of Slaton and Southland communities since 1919, died at 4:35 a. m. Monday in a Muleshoe hospital. Mrs. Evans had been ill for about five months.

Funeral services were conducted from the First Baptist Church Tuesday afternoon, with Rev. J. O. Harmonson of Lubbock officiating, assisted by Rev. J. T. Clinton of Lubbock and Rev. L. T. Merriott of Union. Burial was in Southland cemetery under the direction of the Williams Funeral Home.

Survivors include a daughter, Mrs. W. E. Howard, Muleshoe; two sons, M. H. Evans, Coyle, Okla., and L. E. Evans, Lubbock; three sisters, Mrs. C. F. Wilson, Dallas, and Mrs. C. W. Dean and Mrs. S. R. McKinnon, of Lubbock; one brother, E. A. Vernon, of Vernon, 10 grandchildren and one great-grandchild.

Mrs. Fent Stallings is spending a few days this week in Albuquerque, N. M., where Mr. Stallings is seriously ill in the hospital.

We pick up and deliver 5 days each week. O. Z. Ball & Co. Dry Cleaners and Clothiers.

## NAMES OF FIVE MEN PLACED ON SCHOOL ELECTION BALLOT

### "One Great Hour" To Be Broadcast Saturday Night

"One Great Hour" is to be the hour between ten and eleven on Saturday evening, March 26th (EST). The program of this hour will be broadcast, for America's churches, over nearly every major radio station in the country to an estimated audience of 50,000,000 people. At this time, it is known that their full networks have been contributed for this program by the Columbia Broadcasting System, American Broadcasting Company and the Mutual Broadcasting System.

"One Great Hour" written under the direction of the noted playwright and author, Robert Sherwood, and by Erik Barnouw, National President of the Radio Writers Guild, will dramatize the plight of the war-stricken and suffering people in countries of Europe and Asia. It will make real their desperate need for material aid—for food, medicine and clothing that will give them strength to build a new physical world. Even more important, it will make real their great hunger for the Christian faith that will give them strength to rebuild their spiritual world... the Christian faith that can be strengthened by this united action of Christian churches in America.

This drama will be brought to life by great stars of stage, screen and radio who offered to contribute their talents to "One Great Hour."

"One Great Hour" will close with an appeal from the churches of America to the people of America to go to their churches on Sunday morning, March 27, and make there a truly sacrificial gift which will be received in the name of Christ for all humanity to answer these great needs.

## H. C. Fountain Of Wilson Passes Away In Slaton

H. C. Fountain, 73, retired farmer who had lived in the Wilson community the past 29 years, died at 3:25 p. m. Tuesday in Mercy Hospital here.

Funeral services were conducted at 2:30 p. m. Wednesday in the First Baptist Church at Wilson, with Rev. Emmett Brooks, pastor, officiating, and Rev. Graves Darby assisting. Interment followed in Wilson cemetery under direction of Williams Funeral Home of Slaton.

Survivors include the wife; two sons, Clyde Fountain of Dallas and J. T. Fountain of Lubbock; two daughters, Mrs. Earl Tunnell of Tahoka and Mrs. Bill DeVaer of Slaton; a brother, Elmer Fountain of Smyrna, Ga.; two sisters, Mrs. Hettie Cowan of Albany, Ga., and Mrs. Josie McCoy of Akward, Ga.; seven grandchildren; and three great-grandchildren.

## LEGION HALL TO BE AVAILABLE TO PUBLIC

The use of the American Legion Hall, recently leased to the Slaton American Legion Post, may be used for any legitimate purpose if application is made to caretaker J. W. Jefferson by any responsible adult and through him get the building committee approval.

The building committee appointed by Commander E. T. Hillen is P. G. Meading, chairman, Wayne Liles, E. R. Heinrich and C. C. Hoffman representing the American Legion, and Mrs. George Green, Mrs. Arthur Dennis and Mrs. Fred Tudor representing the American Legion Auxiliary of Slaton.

## CORRECTION OF ERROR

An error was made in the Slaton Hardware Company advertisement in another part of this paper and in circulars printed for them. The address is given as being on the West side of the square next to the Bank. The proper address is on the North side of the square next to the Bank.

### Voters To Select Three; Census Is Almost Complete

Several names have been placed on the ballot for the election of three trustees to serve the Slaton Independent School District. The election is to be held Saturday, April 2, and three names are to be chosen from the following five candidates: Roy S. Mack (for re-election), Curtis Dowell, John Berkley, J. T. (Kip) Kendrick, and Dr. J. E. Loveless. The Board of Trustees has appointed Charley Whalen to be election judge. Polls are to be open from eight o'clock until seven in the office of the Chief of Police at the City Hall.

Present members of the Board of Trustees are: Roy S. Mack, president; W. T. Davis, B. B. Castleberry, Fred Stephens, Wayne Liles, Ray C. Ayers, and Travis Reynolds. The terms of Mr. Mack, Mr. Davis and Mr. Castleberry are expiring and are to be filled at the election April 2nd.

Mrs. F. A. Drewry, business manager for the Slaton Independent School District, has been conducting the annual school census the past week. She reports the work almost completed and requests that anyone who has children who will be six years of age before Sept. 1 and whom she has not been able to contact, will please get in touch with her. Mrs. Drewry states there will be a small increase in scholastics over last year, when totals were 1,080 whites and 140 colored.

## Boy Scouts To Give Free Show

Anyone who wishes to attend an Indian Dance and Minstrel Show to be held at the Slaton High School by the Boy Scout members of Lubbock Boy Scout teams, a team from Sudan and the Scout members of the Slaton team will be welcome. The show will start at 8 p. m. tonight and there will be no charge.

The boys are all adept at Indian Dancing most of them will take part in the program. The Minstrel Show will be given by members of the Slaton team.

## CIVIC CLUB SPONSORS SQUARE DANCING FOR SLATON TEEN-AGERS

Teen-agers of Slaton and surrounding communities are to be given an opportunity to learn square dancing free of charge. The Daughters of the Pioneer Study Club are sponsoring classes to be held in the V.F.W. auditorium beginning Friday, March 25. Everyone interested is urged to get in on the first lessons. The caller will be Mr. Lee Mason from Post. The use of the hall is being donated by the V.F.W.

Watch repairs, all work guaranteed. Certified watch maker. Irving's Jewelry, 106 N. 9th. adv

## Welcome To Slaton

From time to time the Slatonite with the cooperation of the Public Service Companies plans to publish the names of the new residents of Slaton and to welcome them to the City.

As this is a new program the full information as to the new residents was not available this week, however the following are listed as new patrons of the Public Service Companies of Slaton, although the names of their former home towns was not available. They are:

- A. T. Finch  
Route 1, Slaton.
- K. B. Harris  
Route 2, Slaton.
- John A. Jenkins  
330 W. Panhandle St.

To the new residents of Slaton the Slatonite and the Public Service Companies extend a welcome and with the citizens and business men of the community hope you will all find it both pleasant and profitable in Slaton and that you and your family and the town will be benefitted.

## THIS WEEK'S SMILES

A lady who may best be described as a "perpetual talker" was asked by one of her long-suffering neighbors if she ever thought about what she was going to say before saying it. "Why, no," said the lady solemnly. "How on earth could I know what I think about a thing until I've heard what I have to say on the subject?" —Reader's Digest

## West Texas Roundup

The Board of Directors of the Junior Chamber of Commerce announced today, plans to sponsor the erection of three huge fifty four foot "Scotchlite" Welcome signs to be erected at the east, west and north highway approaches to the city of Colorado City. These plans were worked out with a representative of the Western Sign company at the director's meeting Wednesday noon.

Snyder will install parking meters in the main business section within the next 30 days, it was voted at a special session of the City Council Wednesday night.

About 400 meters will be installed in the original plan, according to city officials. They will be placed on all sides of the square next to the business houses, on the outside ring of the courthouse square, and for one block each way on the eight streets leading off from the square.

—Scurry Co. Times

The Red Cross Drive recently completed exceeded the quota of \$1692 set for the county. Donations received amounted to \$1,789.33, exceeding the quota by approximately \$100.

Andrews county was the only county in this area of 14 counties that has reached its goal, according to Bob Roland, Special Field Representative for the Red Cross in his 14 county district.

—Andrews Co. News

Grafters and impostors are becoming more and more numerous in Canyon.

On Monday a fellow wearing an overseas cap stood in front of the postoffice begging. He was insulting to those who passed him by. He carried crutches.

A civic minded citizen approached the man to get a lineup on him, his record and his residence. He said that he was from "Clovis, Texas." He claimed that he was disabled while serving in World War I. He also claimed that the government paid him only \$18.75 per month.

When questioned further regarding his war record, he turned and walked away.

The Dallas News of Sunday had a story on these fake beggars who are becoming more and more numerous. Posing as war veterans is a favorite gag, which is being used effectively over the nation.

The article pointed out that about 90 per cent of these beggars are pure fakes. Most of them have criminal records.

When you are asked to make donations to any outside person or institution, better be sure that you are not supporting just another grafter who is living off the people of the nation.

This is true of hitch hikers as well as all other kinds of beggars.

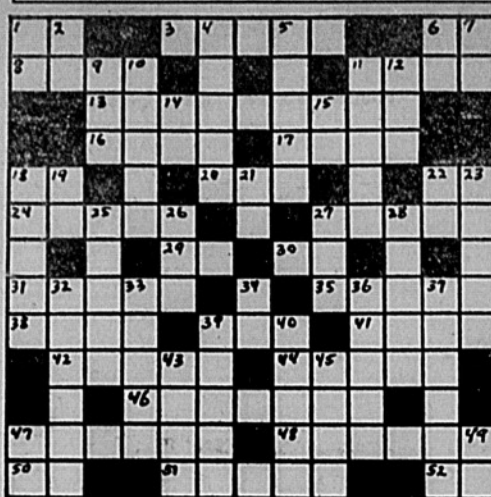

—Canyon News

The planting of potatoes in this section is now underway and more than four hundred acres will be planted by the last of this week. This is giving employment to several people and the planting is being done by a special planter furnished by Arthur Lay of Lubbock. There are several truck loads of onions here which will soon be planted. The farmers should make some money with the vegetables.

—Lorenzo Tribune

"Levelland Concert Association" was the name chosen by a group which met at the courthouse Monday evening, for the new organization they plan to form here for the purpose of securing a series of

AT SELF'S SERVICE STATION

Howdy Folks; Some where, we read that the progeny of a single fly runs into millions.

Gosh, it's a good thing the critters don't marry.

Flys annoy some people more than others because some people shoo them while others just let them walk around bare-footed.

Some wag has said that germs are usually caught on the fly.

One of our friends was asked if he fished with flies while on his trip. "Fished with them," was the reply, "we camped with them, ate with them and slept with them."

And, as a closing thought, as much as we like the radio, it will never take the place of the newspaper with us, because you can't swat flies with it.

Also, you'll agree that you can never find anything to take the place of our SERVICE. You'll swear by it too, if you will try it.

Come in and see us as soon as it's convenient.

**Hungarian Partridge**  
This European game bird was brought to this country in the early 1900's in large numbers for stocking purposes. Between 1900 and 1900 nearly 50,000 birds were liberated, principally in the north-eastern states. The "hunkie," as he is commonly called, is slightly larger than our "bob-white" quail.

**Woods Fires in South**  
In the South a fresh wild woods fire bursts into flames on an average of every three minutes.

**U.N. Scouts Help Refugees**

The United Nations Scout Association, sponsors of a drive for clothes, toys and food supplies from members of the U.N. staff and delegates, collected approximately two tons of supplies at a ceremony held at Parkway Village, Jamaica, New York (above). The clothing was turned over by the Scouts to the American Friends Committee for distribution to needy persons, especially Palestine refugees.

**Santa Fe Will Continue Awards**

The Atchison, Topeka and Santa Fe Railway System has announced plans to renew its program of providing educational awards to outstanding Future Farmers of America members in states served by the Santa Fe Railway.

Seventy awards will be available to Future Farmers in the states served by the railway, it was announced by Fred G. Gurley, president.

The cash awards will represent an amount approximating rail and Pullman fare, meals, lodging and other expenses of the trip to be made by the winners to the 1949 National F.F.A. convention in Kansas City next October. Those eligible will be the F.F.A. official delegates and candidates.

**Sleepy Ground Squirrels**  
Some species of ground squirrels in the West go into a summer sleep called "estivation" during the hot dry period of summer. They also hibernate during the winter, spending only two to four months above ground during the year.

**Beginning of U. S. Pottery**  
First potteries were established in the American colonies early in the 17th century. Modeled on the ageless potter's wheel, this 75 million dollar industry now employs nearly 50,000 people.

**Best for Woods**  
2-4-D is still the outstanding weed killer among a host of chemicals coming from the laboratories.

R. L. BOYD

Rev. J. T. Clinton of Lubbock has been asked to be present on the third Sunday of each month to hold services. He is a retired preacher and will not serve as pastor of any church.

Four names will be put on the ballot for two places to be filled in the school trustee election to be held Saturday, April 2, at the school house. The names are: Tom Respondik, A. A. Robertson, Paul Kitchen and M. T. Townsend, who is now filling an unexpired term. The polls open at 8 a. m and close at 7 p. m.

Robert Boyce went to Brownwood Friday to visit his brother. Fred Stolle has had a visitor his brother, August, of eastern

New Mexico.

Mr. and Mrs. Roy Ivey of Crosbyton were church visitors Sunday.

Posey's donation to the recent Lubbock County Heart Drive Fund was \$12.37.

A meeting was held Sunday which may be the first step in organizing a Baptist Church here.

Mrs. Wesley Gentry was elected assistant teacher of the young married people's class this week.

R. E. Jones, who was a patient in a hospital at Sanitorium, Texas, says he will probably return there for an occasional check-up.

About 400 acres of the J. M. Morrison land near the canyon has been sold to Mr. Leftwich of Lubbock. The price was \$70 an acre and was divided among the seven heirs.

Mr. and Mrs. J. C. Gentry visited Mr. and Mrs. C. E. Birdwell at Wolforth, Sunday.

Melvin Havis of Lubbock visited his parents, Mr. and Mrs. A. L. Havis, Saturday.

A large group of Boy Scouts from Lubbock who were riding bicycles stopped here Friday en route to their camp near Post.

Truman Shelton has charge of the school census this year.

Elwin Becker has moved to the old Dave Sooter farm.

Mrs. Deverelle Lewis of Lubbock was here the first of the week on business.

**Pig's Iron Reserve**

The iron reserve stored in the liver of a pig at birth usually is exhausted after about seven to ten days when sources of iron other than the sow's milk are not provided.

"Any car without new individual, inner-spring front shock suspension is out-of-date!"

For **RIDE**

It's **KAISER**

Engineered for comfort! Drive the roughest roads!

Less bounce over bumps—  
Less side-sway on curves!

To a new distribution of mass and load has been added a sturdy new frame, an engine so vibration-free you can scarcely hear it, finger-tip steering, new, longer springs. Inside you'll find wide, wide seats, deep and soft . . . These are just a few of the 103 new features in the 1949 Kaiser . . . backed by the RUGGED RELIABILITY proved by 330,000 owners in over three billion miles of postwar driving.

Most copied cars in America • KAISER-FRAZER • Dealers everywhere you go

**RIDE - THEN DECIDE!**

HEAR! HEAR! HEAR! *Walter Winchell* Every Sunday... same time... same staff!

**Advent of "Sleeping Car"**  
In the early 1850's, George Pullman began to remodel day coaches into sleeping cars at the Bloomington, Ill., shops of the Chicago and Alton. On the night of September 1, 1859, the initial trip of the first converted car was made between Bloomington and Chicago—and the first Pullman porter persuaded uneasy passengers to remove their boots, at least, before lying down.

**Straiten Yarn**  
To straighten yarn raveled from a knitted or crocheted garment, wind it around a board, dampen it well with water and let it dry on the board. It will become straight as a new skein.

Have your prescriptions filled at **TEAGUE'S DRUG STORE** by a registered pharmacist.

**Heading for New Homes at Last**

A total of 414,605 refugees or displaced persons have found new homes or have been returned to their countries through the efforts of the International Refugee Organization of the United Nations (IRO) during its first 18 months of operations. Here a group of displaced persons boards a train at one of IRO's centers in Europe.

**Shade for Birds**  
Framework made of poles and covered with palmetto leaves will provide good shade for birds on farms where natural shade of trees and other growth is not available. Shade and plenty of clean fresh water are essential for flocks in hot weather.

**Jet Aircraft Paint Test**  
A steel ball, dotted with paint and spinning in a centrifuge at 1,800 miles an hour, tells navy engineers how well the paint will stick on new jet aircraft. The ball reaches a speed of 2.4 million revolutions a minute in the test. When power is cut off, it travels around for a week before coming to a dead stop.

**Tip for Seamstress**  
Buttons on coats will stay on much longer if a small button is sewed on the underside of the garment, at the same time the button is sewed on the outside.

**Flight of Blue Geese**  
Blue geese travel from the coastal marshes of Louisiana to the James Bay region of Canada in almost a non-stop flight during their spring migration.

**Perfume From Coal**  
Scores of new perfumes now come from coal. By rearranging molecules the chemist now produces odors such as nature never could conjure.

**The Crop You Know Best DOES BEST**

It's just plain old common sense. All of us can do best the things we know the most about doing. In farming, that means the crops we know best usually produce higher yields per acre --- are more dependable --- and pay us better.

**COTTON IS THE CROP WE KNOW BEST.**  
Year-in and year-out, COTTON is the crop that produces best --- that is most dependable --- that pays us better.

That's why its good business to build a balanced farming program around enough cotton to produce the cash income --- plus needed feed products --- that you need to go along with your pastures and grains.

That's why it will pay to plant cotton in 1949 ---

**YOU KNOW COTTON BEST COTTON DOES BEST**

Your Best Bet For 1949 Is COTTON

**Western Cottonoil Co.**  
WEST TEXAS DIVISION  
SLATON, TEXAS

**Slaton Described By Evans Student**

Below is an essay written by Anie Laurie Cunningham, who attends the Evans Colored School. Mrs. I. W. Greer is one of the teachers and the following was judged one of the best turned in on the subject of Slaton:

"Slaton is a small town and has a population of 7,000 people. Slaton is a nice town. In the Colored section there is one grocery store and one drug store.

We also have a colored laundry. We have nice cafes in the colored section, two barber shops and two beauty parlors.

We have a High School and four nice teachers, we have about one hundred and thirty five students in our school. We have a nice basketball team, of course they lose sometime, we can't win all the time. I came to Slaton eight years ago and Slaton was kind of quiet but now it is some what noisy.

In the white part of town there are about twelve grocery stores and one bank, one post office. We also have about eight filling stations and one Produce house and four drug stores and food locker. We also have one City Hall, 8 cafes. Anyway, Slaton is still nice no matter how it may turn because I like Slaton and always will."

**Don Kendrick Gets Favorable Mention**

The following essay written by Don Kendrick in the contest recently held by the Slaton Retail Credit Association on "Why We Should Patronize Home Town Merchants," won favorable mention.

"There are several reasons for patronizing our home town merchants. These merchants have to pay taxes for the right to be in business here; therefore the people should appreciate this enough to do their buying in their home town. It helps to lift the standard of living in our own community, and it also helps to keep the merchants striving for more business. Also, it is much more convenient to go to town and do our shopping than to drive several miles and buy the same thing. Therefore, I believe it is much more practical and economical to do our shopping in our home town than in any other city.

**To Promote Sleep**  
Homes should be chosen, whenever possible, for the quietness of their location. If they must be built on a busy street, bedrooms should be placed as far away from the street as possible. Only by constant attention to the causes of noise and their elimination will Americans be able to escape the enervating effects of this ailment of modern civilization.

### Better Sorghum Storage Planned

COLLEGE STATION, March 21—A series of experiments are underway to develop methods of safe storage of sorghum grain on the farm, according to Director R. D. Lewis of the Texas Agricultural Experiment Station. These experiments are centered at the Beeville substation. Cooperating with the Texas Station are the U. S. Production and Marketing Administration and the Corn Products Refining Company. Sorghum grain is considered a highly perishable crop by Gulf

Coast farmers because of its high moisture content. The crop is harvested during June and July and must be sold immediately since there are no facilities for on-the-farm storage.

If practical methods of safe on-the-farm storage can be developed through this study, the farmer will be able to market his sorghum grain in a more orderly manner, Lewis said. He will be better able to take advantage of fluctuations in market prices.

Sorghum grain production has had a tremendous expansion in the Gulf Coast area in the past few years. High temperatures and humidity, and severe insect damage make the safe storage of sor-

#### KITCHEN MEMO BY JEAN CLARKE

Many a good homemaker hesitates to cook fish. Yet it can be cooked so many different ways and is a welcome change for a main course. Fish Casserole uses either fresh or frozen fillets. Wash 2 lbs. fillets. Wipe with cloth. Break into large chunks and place in greased casserole. Cover with 1 pt. sour cream, 1/4 lb. grated cheddar cheese, 1 small minced onion, 1/2 cup white wine (or 1/4 cup lemon juice), 1 tsp. salt, 1/4 tsp. pepper. Bake in moderate gas oven (375°F.) for about 30 mins. Serve on hot noodles—2 cups noodles boiled in salted water for about 8 mins. Serves 4.

A new aluminum foil that saves cleaning time can be put on the bottom of your broiler to catch grease from cooking foods. Use once and throw away.

There are only three uses for cold water in the average home but there are 140 different uses for hot water. An automatic gas water heater ensures a reliable supply of hot water whenever it is needed.

Take eggs out of the refrigerator ahead of time when you plan to beat them. They whip up faster and better at room temperature.

Simmering is an excellent cooking method used by good cooks to retain food values. Turn the gas low to simmer position to keep soups, stews, vegetables and fruits gently cooking.

Evaporated milk can be soured by stirring in well 2 tbsp. lemon juice to one cup milk.

gnum grain in that section very hazardous, Lewis said.

Seventeen storage bins will be used at Beeville for these tests. Seven are made of steel, four of wood, three of temporary construction and four are underground pits. Each bin will hold from 1,000 to 2,000 bushels of grain.

You'll Be Well Dressed For Easter If You Wear A

JUST TALK

by  
A.M.J.

Bill Sledge took me riding in a putt putt automobile that was made in England and is being sold in this country by Ford dealers. It is made in England by the Ford Company and is supposed to go forty or fifty miles on a gallon of gasoline.

Bill was steamed up to 101 over the gasoline saving one could make and had me sold until I stopped and figured that I drive around 5000 miles a year and that if I bought one I'd come out about three dollars ahead on gasoline. What do I care for three dollars; it does not mean much more than ten or fifteen loaves of bread and I don't care for bread anyway, I want cake.

Bill is as proud of the little outfit as a boy with a pet frog or a college girl with a frat pin and if you do not take refuge in a bomb shelter he'll have you riding in it. This is just a warning.

Do you save things long after you have no further use for them and after no one else would wear them or even pick them up out of an ash can? My wife has been saving old shoes for years and she has the wall of a closet beautifully decorated with shoe bags full of white, red and black ones. They kick me in the pants every time I take a peek into the closet or go foraging for a blanket or some-

thing that she has endeavored to hide in case I need it. She also goes in for vases and has a top shelf on which vases of every shape, color and size teeter and rock and if you open the closet door carelessly a vase flops off and unless you are a quick dodger you get beamed. About once every two years she gets up on a chair and goes over these treasures and when she finds that I have broken her most cherished ones I get worked over in a tear strained voice.

My weakness is old hats. In the closet where she dumps my fishing tackle, boots and the harness for the dog I keep my collection of hats. There is one that was a bilious green when I first bought it and it looks like a sock and has faded to a muckel dunn, but I get it out and try it on when she is not looking, and admire the cocky way it fits on my noggin. It is light and rakish and gives me that devil may care assurance that a man of the world should have. When I hear her coming I hide it back in the corner in a fishing net I used back in the thirties.

We also have a collection of screwdrivers that are so beat up that they won't screw, the parts of three double action combination can openers, knife sharpeners, and egg beaters with none of them complete, several parts of an old vacuum cleaner and a half of a pair of kitchen shears that used to fall apart when they were to be cleaned. We have a dog collar that was bought to fit a dog much smaller than the one we now own and a big box full of things that must have come out of an air plane or tractor although we have never owned either of these.

We have three broken cots, an old rug that could be used for a mosquito net and a lot of fruit jars that are half filled with dirt along

with old mayonaise jars and jars in which cheese was packed, we have two rakes with the teeth all bent every which way, a thousand feet of old hose that leaks every six inches and a hose rack that takes up twenty square feet of space on which we have never racked the hose, but it was wished on us by some folks who moved away from here six years ago, we could not turn it down. I'd like to swap with some one who has some stuff just as valuable. I'm tired of looking at ours.

Now comes Mrs. L. M. Conner with a challenge to Judge Smith, P. G. Meading and all comers on roses this summer. Having won the Slaton rose crown for 1944, 45 and 46, I have retired from competition, especially since our fruit trees have just about ruined all our roses, but Judge Smith still claims he is the rose growing king of West Texas. P. G. talked big last year but could never produce anything. Judge Smith even went so far last summer as to buy roses from the hot house and claim they were his. I'd like to warn Mrs. Conner that she is up against some mighty slick competition.

Slaton is growing slowly but surely, and it is most probable that this part of the country has a very bright future. The central

FOR COMPLETE

SLATON, TEXAS

and southern part of the state is getting closely settled and folks who look to the future are moving into this section; the irrigation projects have greatly increased the production possibilities of this area and sooner or later it is most probable that oil will be found in this vicinity in quantities that will greatly increase the value of property and cause much business activity. Where there is smoke there must be fire, is an old time saying, and with as many oil companies sending their seismograph crews over this section there must be some oil for they are not spending all that money just to have it. Last summer a crew spent most of the season making tests and now there are more of the same breed snooping around. They must smell oil or they would not be coming back again this year.

Although Slaton now has more paving than most towns in West Texas it seems to me that the voters should say "Yes" to the proposed paving bonds when the election on them comes up soon. According to Mayor Lee Wootton, Slaton is in better financial condition than most any town in West Texas and no new taxes would be necessary. There are a number of residents who want to pay their share of having several miles of paving done and now is the time to do it if it is to be done any time within the near future.

Here is a letter from J. C. Fincher who used to live at Posey but who now is a resident of Morton:

Morton 3-19-49  
Yes the Slatonite gets bigger and better all the time. It gets to

Morton on time Friday evening. I read "Just Talk" first, which is worth the price of the paper alone, next the Posey Items. I do not understand why your paper is not read by more people from Slaton, being so many out here are from Slaton district. I have read the essay from the second grade colored pupil and am wondering if a second grader wrote it.

J. C. Fincher  
Box 744  
Morton, Texas  
Like Mr. Fincher I do not see how folks can keep from reading the Slatonite more. At times I pick up the Slatonite and gaze at it like a fond parent does its only child and then at other times I pick up a copy and try to analyze it and wonder why anyone would take time to read any of it.

There are times when I get so disgusted that I want to take a hammer and tear the whole outfit apart and then there are other times when I stroll through and look over the old covered rock crusher on which we print the paper and feel that perhaps we are saving America.

Thanks Mr. Fincher, you have enabled me to pull through one of my depressing periods and I am going to work with a grim determination to try to help make the Slatonite a bigger and better paper than ever.

Price of Meters is up 68%\*

Yet Natural Gas Service Remains At the Same Low Pre-War Prices!

Meters are but one item. Everything behind your natural gas service has increased in price.

Like everything else, gas is more expensive to produce and more expensive to deliver to your home, but not one cent of this increased cost has been passed on to you.

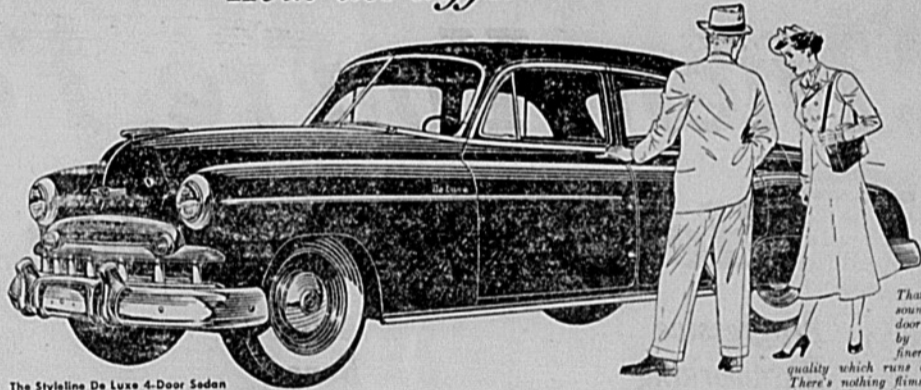

No expense has been spared to assure you an ample supply of gas when you need it. Natural gas service for your home and business is still furnished you at 1940 prices!

\*House meters purchased new (made with cast iron tops and cast aluminum case) are \$2.10 higher than the 68 per cent increase quoted above on iron meters.

CHEVROLET

See the difference...  
Hear the difference!

The Stylized De Luxe 4-Door Sedan  
White sidewall tires optional at extra cost.

It's the most Beautiful BUY of all

The most Beautiful BUY for Driving and Riding Ease—with New Center-Point Design

The most Beautiful BUY for Styling. Not only is Chevrolet's Unisteel Body by Fisher more solid, more sturdy and more satisfying to ride in, but it is also more beautifully designed, upholstered, and appointed than other bodies in the Chevrolet field. It has smarter colors, too!

The most Beautiful BUY for Comfort. Here, you can relax as you ride... in a Super-Size Interior... featuring "Five-Foot Seats," extra-generous head, leg and elbowroom, and the advanced heating\* and ventilating system of a car that breathes. (\*Heater and defroster optional at extra cost.)

Just as you can see the difference and hear the difference born of quality when you close the door of a Chevrolet Body by Fisher, so you will experience the difference when you drive or ride in this car that America calls the most beautiful buy of all.

And what a decisive difference you will find in its driving and riding qualities! New Center-Point Design—including Center-Point Steering, Center-Point Seating, Lower Center of Gravity without loss of road clearance and Center-Point Rear Suspension—brings you an entirely new kind of driving and riding ease found elsewhere only in costlier cars.

Here, indeed, is the most beautiful buy of all—for total car value—because it brings you all these qualities of costlier cars at the lowest prices and with outstanding all-round economy!

The most Beautiful BUY for Thrills and Thrift. Nowhere else will you find such a perfect balance of power, acceleration, economy and dependability as you'll find in Chevrolet's Valve-in-Head Engine! That's why more and more makers are adopting Valve-in-Head design.

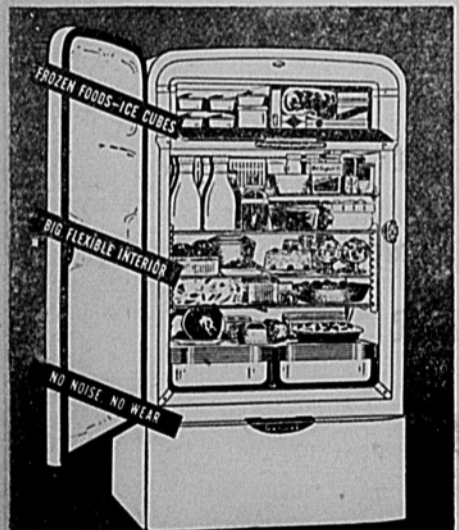

The most Beautiful BUY for All-Round Safety. You'll enjoy maximum safety with: (1) New Certi-Safe Hydraulic Brakes; (2) Extra-Strong Fisher Unisteel Body; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows; and (5) the super-safe Unitized Knee-Action Ride.

New "Dubi-Life" Rivetless Brake Linings—Last up to TWICE as Long!  
Linings are secured to brake shoes by a special "Perma-Bond" process thoroughly tested and proved by millions of units under all kinds of driving conditions. Because there are no rivets to limit lining wear or score brake drums, lining life is practically doubled. Chevrolet is the first full-sized car to bring you this important braking advancement!

The GAS Refrigerator

Only the GAS Refrigerator  
STAYS SILENT  
LASTS LONGER

Now you can get the famous Serwel Gas Refrigerator—only refrigerator that stays silent, lasts longer. The reason? Its different, simpler freezing system has no moving parts. Just a tiny gas flame does the work.

More than two million families are enjoying Serwel Gas Refrigerators right now. Many have had theirs 18' and 20 years. And all of them will tell you, "Pick Serwel. It stays noise-free, wear-free year after year."

FREE BOOK  
by Mary Margaret McBride

... tells why there's such a difference in refrigerators, and how to choose the right one for your home. Stop in and get your free copy of "Inside Story" by radio's beloved reporter. Don't delay! Don't put off getting yours.

**Mrs. Troy Pickens Is Club Hostess**

"Stories in Verse" was the theme of the evening for the Daughters of the Pioneer Study Club in their regular meeting held Monday night in the home of Mrs. P. A. Minor, with Mrs. Troy Pickens as hostess. Roll call was answered with familiar quotations. Mrs. Jack W. Edwards was leader of the program on Poetry. At the close of the program the hostess served the nineteen members present from a tea table centered with yellow jonquils.

**MARY MARTHA CLASS ATTENDS MEETING**

The monthly social for the Mary Martha Class of the First Baptist Church was given Tuesday with Mrs. R. C. Patton as hostess and Mesdames Travis Hendrix and Paula Leach as co-hostesses. Attending were Mesdames C. E. Hogue, E. L. Norris, Dave Draper, Shirley Butler, Joe Rhodes, Carter Caldwell, Ed Caldwell, Ira McCarver, Charles Felty, C. A. Wells, Perkins, and the teacher, Mrs. Allen Crowley. The meeting was called to order by Mrs. McCarver, in the absence of the president. Business was conducted and the devotional was brought by Mrs. Draper.

**WOMEN'S COUNCIL HAS MISSIONARY PROGRAM**

The Women's Council of the First Christian Church met Monday night in the home of Mrs. H. H. Edmondson, with Mrs. J. D. Norris presiding. Seven members were present, with one visitor, Miss Virginia Brasfield of Washington, D. C. After a short business session, Mrs. Irby Smith was leader of the program. Devotional message on the theme of, "Fishers of Men" was brought by Mrs. Smith from the first chapter of Mark. Mrs. O. D. Kenney talked on, "Christian Homes for German Youth." Mrs. Smith discussed the hymn, "Be Still My Soul, The Lord Is On Thy Side." The next meeting will be a business meeting in the home of Mrs. E. A. Gentry on April 4th. Mr. and Mrs. V. O. Newton and Norman went to Earth Saturday to attend the wedding of Mrs. Newton's niece, Cecelia Wray Woods, who was married at 7 p. m. Saturday to C. C. Goodwin of Earth.

**FUTURE HOMEMAKERS REPORT ON AREA MEET**

The Future Homemakers of America met March 11, 1949 for their regular meeting. The meeting was called to order by Paula Maxey, president. Lena Schmidt read the minutes of the last meeting. Carol Lemon gave a report on the area meeting at Whiteface. Barbara Stephens told about the program that was given and Patsy McCormick told about the Whiteface school building. Lena Schmidt and Pansy Sloan were nominated to go with Paula Maxey and Mrs. Phillips, to the State meeting at Dallas, which is to be held this spring. A program was given and a few games were played and then the meeting was adjourned by the president.

**TIMELY TOPICS ARE DISCUSSED BY H. D. CLUB**

A short recreational period opened the meeting of the Home Demonstration Club, March 16 at the Club House. Business followed and then Mrs. Earl Reasoner discussed "Timely Topics." Great interest was expressed in the latter part of the discussion since it dealt with, "How Should We Treat the Negro?" Miss Clara Pratt then gave directions for the selection of dress patterns, material as to type, color, materials needed, etc. Also the kind of tools needed to complete a well equipped sewing box was presented. The Club members will start work on garments in May. The meeting closed and refreshments were served to nine members by Mrs. Douglas Wilson. The next meeting will be at the home of Mrs. E. W. Stokes, 1125 W. Lynn St., April 6 at 2:30 p. m. "Plant Now for Summer Bouquets" will be discussed. A plant exchange is also scheduled. All members and especially new members are invited.

**SANTA FE WOMEN MEET**

The Santa Fe Women's Club met Friday, March 18, at the home of Mrs. Olen Dickerson. The meeting was called to order by the president, Mrs. R. J. Hurst. A pleasant social hour was closed by serving of refreshments to ten members and one visitor, Mrs. Boyd Wright. The next meeting will be held in the home of Mrs. C. A. Hopkins.

**Society - Clubs**

**Travel Movies Are Shown For Club**

The Junior Civic and Culture Club met Tuesday night, March 15, in the home of Mrs. Lee Vardy on West Garza St., with Mrs. J. H. Freeland and Mrs. Roy Saage as hostesses. Twenty members were present with one guest, Mrs. Haskell Lasater. The Club postponed the hour of the meeting until after the movie train had passed through Slaton, as the program for the evening was on the theme of movies. Mrs. J. J. Maxey was program chairman and gave an interesting account of Colombia, S. A. Mr. Freeland showed two travelogue pictures, one of Colombia, S. A., and one of Venezuela, S. A. During the business session the Club voted to donate \$25.00 to the Youth Center project. One new member, Mrs. Edwini Cummings, was introduced. Four members of the Club assisted in the recent Red Cross Drive.

**LUBBOCK CLUB SPONSORS TOUR OF HOMES**

The Lubbock Women's Club announced this week that they are sponsoring a conducted tour of beautiful homes of Lubbock on next Tuesday, Wednesday and Thursday. The tour is to begin at 2 p. m. and end about 5:30 p. m. Tea is to be served in one of the homes along the way. Anyone interested should contact Mrs. Geo. S. Berry, 2711 23rd St., Lubbock, for tickets.

**SLATON DECORATOR AND GIFT SHOP OFFERINGS**

Lots of new candy and cigarette boxes, also ash trays in a variety of colors. New pieces in copper. New numbers in scatter pins and costume jewelry. Beautiful china shoes and demitasse cups. Talley's, score pads and Culbertson Rule Books. adv.

**Southland Couple Celebrate Their Golden Wedding**

Mr. and Mrs. L. A. Dunn of Southland celebrated their Golden Wedding Anniversary on Sunday afternoon, March 20, with an open house beginning at 3 p. m. All of their children and most of their grandchildren were present. Several friends from various places over the South Plains visited with them throughout the afternoon. Approximately one hundred friends and neighbors called during the afternoon. Mr. and Mrs. Dunn received many lovely gifts and were especially thankful for the many friends they have made during their fifty years of married life, and for the excellent health which they have enjoyed. Mrs. Nellie Joe Powers and Mrs. Verna Jane Huckabee served refreshments and Miss Tommie Scott Goolsby registered the guests each of these being granddaughters of Mr. and Mrs. Dunn. Children present were as follows: Mr. and Mrs. V. O. Dunn, Mr. and Mrs. M. A. Dunn of Abilene; Mrs. Laura Brazil and family, Mineral Wells; Mrs. Naomi Robertson and family, Ft. Worth; H. C. Dunn and family, Slaton; Mr. and Mrs. J. W. Dunn, Slaton; D. F. Dunn and family, Post Rt. 2; D. F. Dunn's children were recovering from the measles and were not present.

**PAST MATRONS MEET**

Mrs. L. A. Harral was a delightful hostess for the Past Matrons Club Friday evening, March 18th, when the members enjoyed a dinner in her home on West Garza. Following a very short business session, with the president in the chair, the remainder of the evening was spent in social fellowship. The next regular meeting of the club will be held in the home of Mrs. H. S. Crews at 655 N. Ninth Street. Mr. and Mrs. Wm. R. Sewell and family moved to their new home in Lubbock on Friday of last week. They are now at home at 2206 32nd St., in Lubbock.

**Mrs. L. T. Arthur Is Hostess To Baptist Ladies**

The women of the First Baptist Church met at three o'clock Monday afternoon in the home of Mrs. L. T. Arthur for their Royal Service Program. Mrs. Fannie Patterson was co-hostess with Mrs. Arthur. Mrs. Arthur Dennis was leader of the program on, "Christ the Answer to Racial Tension." Devotional message was brought by Miss Grace McFarland. Assisting on the program were Mesdames M. O. Singleton, J. C. Leach, Fred Stottlemire, H. G. Stokes, Geo. Marriott, Fannie Patterson, P. G. Stokes, Carter Shaw and J. B. Huckabay. Sunbeam Workers were present with the children, who sang several numbers. Following the program refreshments were served to twenty-four in addition to the Sunbeam group.

**LEGION ENJOYS BIRTHDAY CELEBRATION HERE**

The Luther Powers Post of the American Legion celebrated the Legion's thirtieth birthday with a meeting held at the Slaton Club House Monday night. The Legion Auxiliary, with Mrs. George Green president were in charge of the especially enjoyable program. Mrs. Albert Morrow of Morton, District President of the Auxiliary, and Mrs. L. B. Elliott of Colorado City, District Vice President were present and made interesting talks. P. G. Meading, Post Adjutant, cut the birthday cake which held thirty candles.

**SLATON ART CLUB TO MEET WITH MRS. ARTHUR DENNIS**

The Slaton Art Club will meet at 3 o'clock Tuesday, March 29, in the home of Mrs. Arthur Dennis on the Lubbock highway.

**CARD OF THANKS**

For the many kind deeds, words of sympathy and for the floral offerings received by us during the illness and at the passing of our loved one, Mrs. Cam Evans, we wish to express our heart felt appreciation. These kinds acts will always be remembered by us. The family of Mrs. Cam Evans.

**GIRL SCOUT NEWS**

Girl Scout Troop 7, Patrol 1, met at the home of Mrs. Tom Herod. They went to the Clay Oates Dept. Store where they learned to recognize different kinds of cloth. They also looked at dresses and shoes that would be suitable for all occasions.

Mrs. Walter S. Parks, jr., and children of Cleveland, Ohio, and Mrs. Walter Parks, sr., of Breckenridge visited Tuesday in the home of Mr. and Mrs. W. J. Walker. Mrs. Parks, jr., and children are visiting in Texas for an indefinite time. Dr. Walter S. Parks is serving a residency in Cleveland. He is expected to arrive in Breckenridge Sunday to spend ten days in Texas.

Mr. and Mrs. Lee Jones and children of Meadow spent Sunday in Slaton.

Mr. and Mrs. J. S. Avent spent the week end in Earth visiting in the home of her brother, Mr. and Mrs. W. C. Maxcey, jr.

Pvt. Sammie F. Goad returned to Ft. Myers, Virginia, this week after spending a ten day furlough with his parents, Mr. and Mrs. Ernest Goad.

**NOTICE OF BOND ELECTION**

THE STATE OF TEXAS, )  
COUNTY OF LUBBOCK, )  
CITY OF SLATON. )

TO THE RESIDENT QUALIFIED TAXPAYING VOTERS OF THE CITY OF SLATON, TEXAS, WHO OWN TAXABLE PROPERTY THEREIN AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in the City of Slaton, Texas, on the 5th day of April, 1949, the same being the first Tuesday in April, 1949, on the proposition and at the places more particularly set forth in the election ordinance adopted by the City Commission on the 14th day of March, 1949, which election ordinance is substantially as follows:

Whereas, the City Commission of the City of Slaton, Texas, in Lubbock County, Texas, has determined that it is to the best interest of said City and for the protection of the well being of the citizens thereof that certain improvements, extensions and alterations be made to the Streets, Alleys, Avenues, and Highways of said City, and that negotiable interest bearing coupon bonds of said City should be issued for the purpose of paying the cost of such extensions and improvements, and that an immediate necessity exists for the extensions and improvements above mentioned for the convenience of the Citizens of Slaton, Texas and for the preservation of the safety of the Citizens of said City, which requires the suspension of the rule requiring that ordinances be read at more than one meeting of the City Commission; and it therefore having been affirmatively determined by the City Commission that the matter of determining whether or not bonds of said City should be issued for the purposes above mentioned should be submitted to the resident qualified property taxpaying voters of said City:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF SLATON, TEXAS:

Section 1: That an election be held within and throughout the boundaries of the City of Slaton, Texas, on the 5th day of April, A. D. 1949, the same being the first Tuesday in April, 1949, such date being not less than fifteen days nor more than thirty days from the date of this ordinance, at which time there shall be submitted to the resident qualified property taxpaying voters of Slaton, Texas, who own property therein subject to taxation and who have duly rendered the same for taxation, the following proposition:

**PROPOSITION**

Shall the City Commission of the City of Slaton, Texas, be authorized to issue the negotiable interest bearing coupon bonds of the City of Slaton, Texas, in the amount of \$40,000.00, bearing interest at a rate of not exceeding four per centum (4%) per annum from date and maturing at such time or times and in such amounts as may be deemed most expedient by the City Commission, serially not to exceed thirty years from their date, for the purpose of improving, extending and altering public streets, alleys, highways and boulevards by paving, widening, raising, grading, filling, repaving or resurfacing the same, or otherwise improving such streets and highways, and for the purpose of acquiring the necessary rights of way incidental thereto; and shall there be annually assessed, levied and collected upon all taxable property within the City of Slaton, Texas, while said bonds or any of them are outstanding, a tax sufficient in amount to pay the annual interest on such bonds and to provide a sinking fund for the redemption thereof at maturity.

Section 2: Said election shall be held under the provisions of and in strict conformity with the constitution and laws of the State of Texas, including Chapter I, Title 22 of the Revised Civil Statutes of Texas.

All persons who are legally qualified resident property taxpaying voters of the City of Slaton, Texas, who own property in said City subject to taxation and who have duly rendered the same for taxation shall be entitled to vote at said election.

Section 3: The ballots for said election shall have written or printed thereon the following, to-wit:

**OFFICIAL BALLOT PROPOSITION**

FOR THE ISSUANCE OF THE STREET IMPROVEMENT BONDS AND THE LEVYING OF TAXES IN PAYMENT THEREOF.

AGAINST THE ISSUANCE OF THE STREET IMPROVEMENT BONDS AND THE LEVYING OF TAXES IN PAYMENT THEREOF.

As to the foregoing proposition, each voter shall mark out with black ink or pencil one of the expressions, thus leaving the other as indicating his vote on the proposition.

Section 4: That said election shall be held at the following places within the City of Slaton, Texas:

(a) In Ward Number One in the room in the Northwest corner of the City Hall Building, with W. A. Robertson as Presiding Judge.

(b) In Ward Number Two in the room in the Southwest corner of the City Hall Building with M. J. Nelson as presiding judge.

(c) In Ward Number Three in the room in the Northeast corner of the City Hall Building with C. H. Whalen as presiding Judge.

(d) In Ward Number Four in the room in the Southeast corner of the City Hall Building with A. M. Fry as presiding Judge.

Section 5: Each presiding judge is authorized to appoint sufficient clerks to assist in holding said election; and notice of said election shall be given by posting a substantial copy of said election ordinance in each of the election precincts in the City of Slaton, Texas, and at the City Hall Building, and such notice shall also be published on the same day in each of two successive weeks, in the Slaton Slatonite, a newspaper of general circulation published in the City of Slaton, Texas, and the date of the first publication to be not less than fourteen days prior to the date set for said election; and, in deference to the provisions of Article 5, of Section I, of the Charter of the City of Slaton, Texas, such notice shall be published one additional week prior to the date of said election.

The Mayor and City Secretary shall cause such notices to be prepared and published and posted as provided for herein and shall make due returns of the publishing and posting of same to the City Commission.

Section 6: Immediately after said election has been held the officers holding the same shall make returns of the result thereof to the City Secretary of the City of Slaton, Texas, for canvassing by the City Commission and shall return the ballot boxes to the City Secretary for safekeeping.

The manner of holding such election and making and canvassing the returns thereto shall be governed by the general election laws of the State of Texas, when not in conflict with the provisions

of the herein above mentioned statutes, and the City Commission will furnish the necessary ballots and other election supplies requisite for said election.

Section 7: The fact that it is affirmatively found by the City Commission of the City of Slaton, Texas that there is an urgent need to proceed immediately with the construction, extension and improvement of the Streets, alleys and highways of said City in order to make the same more convenient for the public at large and to protect and preserve the health and welfare of the Citizens of Slaton, Texas, creates an emergency and public necessity demanding that the rule requiring the reading of this ordinance on more than one day before final passage be suspended, and such rule is hereby suspended; and it is ordained that this ordinance shall take effect from and after its passage.

PASSED, APPROVED AND ADOPTED, this the 14th day of March, 1949.

Attest: L. B. WOOTTON Mayor of Slaton, Texas

J. J. MAXEY City Secretary of Slaton, Texas (Corporate Seal of City of Slaton, Texas)

THE STATE OF TEXAS, )  
COUNTY OF LUBBOCK, )  
CITY OF SLATON. )

I, the undersigned, City Secretary of the City of Slaton, Texas, do hereby certify that the above and foregoing is a true, full, correct and exact executed copy of an ordinance passed by the City Commission of the City of Slaton, Texas, on the 14th day of March, 1949, as the same now appears of record in volume 2 at page 225 et. seq., of the Ordinance Register of said City.

Given under my hand and seal of the City of Slaton, Texas, this the 14th day of March, 1949.

J. J. MAXEY City Secretary, City of Slaton, Texas. (Corporate Seal) 4-1-c

**NOTICE OF ELECTION**

STATE OF TEXAS )  
COUNTY OF LUBBOCK )  
CITY OF SLATON )

PURSUANT TO AN ORDER OF THE BOARD OF TRUSTEES OF THE SLATON INDEPENDENT SCHOOL DISTRICT, SLATON, TEXAS. Notice is hereby given that an election will be held with in the City of Slaton, Texas, on the first Saturday in April A. D. 1949, the same being the 2nd day of April A. D. 1949, for the purpose of electing three trustees for the above named School District, and shall serve for a term of three (3) years, and/or until successors shall have been duly elected and qualified.

Said election shall be held in the City Hall in the City of Slaton, Texas for one day only. The polls shall be opened at 8 o'clock in the forenoon and remain open until seven (7) o'clock in the afternoon of said day.

All persons who are qualified electors under the constitution and laws of the State of Texas, and who have resided within the said School District for six months preceding said election shall be qualified to vote at said election.

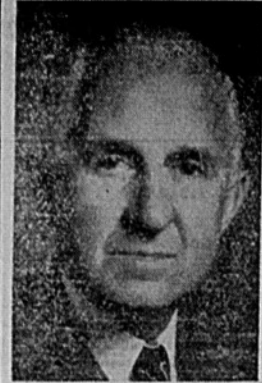

Charlie Whalen, having been appointed by the Trustees to hold said election on the above date.

The Judge shall appoint clerks to serve with him at the election. Said Election shall be held as nearly in accordance with the General Election Laws of the State of Texas affecting elections as may be practical.

In testimony whereof, witness the official hand and seal of the said Slaton Independent School District, this the 7th day of March, A. D. 1949.

ROY S. MACK Pres. Board of Trustees Slaton Independent School District, Slaton, Texas

WAYNE LILES Secretary, Board of Trustees of Slaton Independent School District, Slaton, Texas 3-25-c

H. L. NICHOLS

H. L. Nichols, Dallas utility executive, was elected a director of the Mercantile National Bank, Dallas, Texas, at the regular monthly board meeting. Milton Brown, president, has announced. A resident of Dallas since 1942, Nichols is chairman of the board and a director of the Southwestern Public Service Company, which operates in Texas, Oklahoma and New Mexico from headquarters in Dallas. He is also a director of the United Public Utility Corporation, General Telephone Corporation, and General Telephone Service Corporation, all of New York City. Nichols was graduated from Yale University with a degree in electrical engineering in 1907. Before coming to Dallas, he served as president and director of the Community Power & Light Company, Newark, New Jersey.

The NEW **54** COTTON PLANTING SEED NOW AVAILABLE

The NEW Paymaster "54" is now available for the 1949 planting season — ready for farmers who want more profit from Cotton. This quick-maturing, high-yielding, better-staple-producing planting seed answers the demand for a variety that is tested and proved for West Texas growers. It is the result of scientific selection and painstaking experiments to develop a seed that will produce more money per acre planted.

Here's why the NEW Paymaster "54" is a money-making Cotton . . .

- EARLY MATURITY  
Of 25 varieties tested recently . . . "54" was first in percentage of crop harvested in a four-month period.
- HIGH YIELD  
In this same test, "54" was third among all varieties in yield per acre.
- BETTER STAPLE  
"54" ran 15/16" to 1 inch throughout West Texas, assuring a better price.
- TESTED FOR DRY LAND  
"54" has been proved successful for dry land farming as well as for irrigated Plains areas.

Be among those profit-minded farmers who demand a money-making Cotton planting seed—the NEW "54"; order your supply of the improved, state-registered "54" NOW.

IT PAYS TO PLANT PAYMASTER "54"

Sold through your ginner, your seed dealer, all branches of the Western Cotton Oil Co., and at Lockview Farm, Plainview, Texas.

Mr. and Mrs. G. M. Middleton,  
Mr. and Mrs. D. L. McCain.

**Washington Monument**  
Cornerstone of the Washington monument was laid on July 4, 1848. The famous obelisk rests on a stone 20 feet or more underground at the base of the monument's original foundations. The stone was taken from a Baltimore quarry. The shaft is 555 feet high.

In cooperation with the Texas and Pacific Railway the Bureau of Business Research of the University of Texas, Austin, is planning to make in this area during the third week in March a series of local presentations of the complete county economic surveys which it has prepared for the railway with the assistance of the Colorado City Chamber of Commerce.

—Colorado Record

**Johnson Grass Best For Hay**

COLLEGE STATION, March 21—Johnsongrass is just an all-around good grass. It seems to lead the field for heavy yields of high-quality forage. This includes, of course, the cool-season grasses and legumes that may be grown in Johnsongrass fields.  
This information comes from Robert R. Lancaster, extension pasture specialist of Texas A. & M. College. Idle Johnsongrass land throughout the blacklands and elsewhere needs only fencing and stock water to make it available for leasing as hay or pasturage. So you don't need to apologize to anyone for growing Johnsongrass for pasture or hay, says Lancaster, except those whose fields become infested by seed from yours.

Six steers grazed 11 acres of fertilized Johnsongrass for five months at the Texas Agricultural Experiment Station at Temple, and gained 1.58 pounds a day. This indicates a yield of more than four tons of green forage to the acre, or one-fourth as much on a dry-matter basis.  
Results from these experiments station tests show that early-cut Johnsongrass hay is richer in protein, phosphorus and total nutri-

nts, and rates highest among other grasses in the most valuable nutrients. In addition to a summer graze of Johnsongrass equivalent to one ton of 10 percent protein, a cool-season crop of oats and sweetclover can follow. Lancaster says this would be expected to yield approximately two tons of 20 percent protein on a dry-matter basis.

**Leads of Hot Air**  
In 1947 200 million tons of air were blown into the steel industry's blast furnaces to produce over 48 million tons of pig iron and ferroalloys. Normally, four-and-a-half tons of air are used for every ton of pig iron produced.

**Home Talks**

"Enjoy Living At Home" could very well become the theme of home makers, and very often slight changes can accomplish that very thing without a great outlay of cash. The selection of serviceable, rather than fashionable living room pieces where there are "small fry" can make for comfortable living for the whole family, where more elaborate covers would keep the whole family on pins and needles trying to safeguard it. To accomplish this end it isn't necessary to sacrifice either. We like to emphasize value, style, comfort and livability in living room furniture.

If you happened to pass our place Tuesday morning I'm sure you noticed that big furniture van from Dulaney's unloading a variety of new living room and studio suites that combine all the things we have been talking about, and if you came in, I'm sure you were surprised at the low price of these suites.

If some one told you that you could buy a 2-piece Dulaney studio suite in a good grade velour for \$149.50, you would think they were giving you a "bum steer," but coming from us, you can believe it, and it is guaranteed.

Now here's the payoff — hold on to your hats — a 2-piece guaranteed Dulaney living room suite in a rose MOHAIR cover, for only \$133.20 and we'll arrange terms.

There are four things necessary for a good floor covering job in hard surface material. You provide a good floor, and good care after it is installed—we provide good material and expert workmanship. Our selection of materials is large and of the best grades. Our factory trained mechanic is making expert installations every day, so let us figure your job. When we make a mistake, and of course we do, wherever volume work is done the human element is bound to enter into it, we replace it immediately without additional cost to the customer. Could anything be more fair?

Mr. and Mrs. Ed Lott have had us cover their service porch in a durable plastic that will give them a long wearing, easily kept surface for years to come.

We have had several jobs in lower priced print linoleum during the past few days, among them were Mrs. L. C. Tucker's rent house, bath, hallway and kitchen; Claude Craven's kitchen; B. F. Smalley's table and cabinet top; Verdy Hollands' living room, and Ramon Florez covered all his floors.

Mr. and Mrs. W. R. Wilson have a beautiful, easily kept kitchen in plastic vinylite. Years from now it will still look good and be easy to keep.

Let us give you a free estimate of what it will cost to cover your floors in your choice of material.

MRS. FLOY KING

There was no school at Southland Friday, due to the teachers having to go to Lubbock to the District Teachers Association. The teachers who attended were Supt. and Mrs. C. S. Lindsey, Mr. and Mrs. I. J. Duff, Mr. and Mrs. Nixon, Mrs. Eula Tilley and Mrs. Dixie Roberts.

Mr. and Mrs. Kimp of Ft. Worth visited her parents, Mr. and Mrs. Ray Deck, over the week end.

Mr. and Mrs. W. H. Fletcher of Plainview visited the Marvin Truelocks, Sunday.

Mr. and Mrs. Clarence Terry and baby of Lubbock visited her parents, Mr. and Mrs. S. M. Truelock Sunday.

Mrs. Everett Samples and Joe Reatta visited Mr. and Mrs. W. W. Gilliland of Slaton Friday.

Mr. and Mrs. L. B. Hambricht and Shirley visited with their son and his wife in Midland Sunday.

Mr. and Mrs. T. P. Donohoo and Mr. and Mrs. R. C. McClure of Davis, Okla., are visiting Mr. and Mrs. Wesley Donohoo and Mr. and Mrs. G. W. Basinger.

Mr. and Mrs. S. C. Cummings and her brother, Mr. and Mrs. Sid Lacey were here Wednesday

night to move some of their household goods to Ackerley.

Mr. and Mrs. Neal Smallwood of Odessa were here visiting his parents, Mr. and Mrs. G. W. Smallwood, Sunday.

Marlyn Jane Trimble, granddaughter of Mr. and Mrs. M. E. Morris, had the measles last week.

Visiting Supt. and Mrs. C. S. Lindsey were Mr. and Mrs. Buck Taylor of Kalgary.

Calvin Klaus underwent minor surgery on an eyelid last week.

Mr. and Mrs. Herman Hagrove and children of Lubbock visited Jack Hagrove and family on Sunday.

Mr. and Mrs. Henry King and daughter of Lawton, Okla., visited

the Harry Kings over the week end.

Mr. and Mrs. Bus Fullingim of Petersburg attended church here Sunday and visited his cousin, Sam Ellis, and family.

Mr. and Mrs. L. K. Anderson and Kay and Mrs. Ida Stewart went to Levelland Sunday to visit the Ernest Stewarts. Mrs. Stewart will visit there a few days before returning to her home in California. She plans to stop off in Clovis, N. M., to visit a few days with a sister on her way home.

Mrs. Sam Hendrix and son, Jimmie, of Lubbock visited her parents, Mr. and Mrs. John Leake on Friday and the B. H. Jones, Saturday.

Mr. Jack Myers took his son, Ned, back to the hospital at Abilene Friday for a check-up. He was reported as doing just fine, but must return for another check-up in two weeks.

Visiting Mr. and Mrs. Buster McCoy Saturday night were Mr. and Mrs. Glen Holtman and Robert Paul of Slaton.

Visiting the Don Pennells over the week end were his mother and brother, Sgt. Chester Pennell of Lawton, Okla.

The Methodist Youth Fellowship sub-district meeting was held Monday night at O'Donnell. Those attending from Southland were: Stanley Wheeler, Bryan Clay Johnston, Valton Wheeler, E. H. Johnston, Ed Moorman, Mary Jane Jackson, Cookie and Dehlanah Winterrowd, and Rev. and Mrs. Scarlet

The district meeting of the Methodist Youth Fellowship will be held in O'Donnell, April 23.

A farewell shower honoring Mr. and Mrs. Leroy McGeehee and family was given at the Hackberry school house Saturday night.

Visiting the E. D. Jackson family of near Lubbock Sunday were Mr. and Mrs. Max Jackson, Glen Hill, Junior Jackson, Jigg and

Harold Hampton and Mrs. Zella Smith and Virgil, all of Southland.

**Sun Observation Post**

Smithsonian Institution maintains an observatory on the 9,500-foot-high summit of Mount Montezuma, Chile. Here they measure the minute day-to-day changes in the radiation of the sun, free from the disturbing influence of moisture and dust particles in the atmosphere.

**Loss of Vitamins**

The fresher foods are when we use them the higher the vitamin content will be. Raw fruits and vegetables, particularly those which are not very acid, gradually lose their vitamin C. Loss of vitamins can be retarded by storage in a refrigerator. This is especially true of the fresh, raw fruits and vegetables on which we must depend for vitamin C.

**Commercial Poultry Raisers**

*Use and Praise it!*

**CANADIAN'S BIG "C" FEED**

CANADIAN'S BIG "C" vitamin-rich GROWING MASH gets them up to husky size in a hurry. Saves money on feed because it shortens feeding time.

CANADIAN'S BIG "C" EGG MASH is a favorite with commercial poultry men. Cost per pound of feed compared with number of eggs produced is low. CANADIAN'S BIG "C" EGG MASH PELLETS pay dividends too in extra eggs. A real stimulant for lazy layers. Wakes 'em up and makes 'em lay.

CANADIAN'S BIG "C" FEEDS contain a wide range of vitamins, rich protein elements, plus essential minerals necessary for poultry growth and strength.

The BIG "C" line of feeds also includes the famous BIG "C" 16% DAIRY FEED that means more milk and butterfat for dairymen. In 100-pound cloth bags. FRESH. FULL STRENGTH.

Specialized feeds for any type of livestock or poultry. Consult us about your feeding problems.

**Terminal Island**  
Six-mile long Terminal Island, center of the region's big fishing and canning industry, lies two-thirds in Los Angeles and one-third in Long Beach. It is a largely man-made unit in the great artificial Los Angeles-Long Beach harbor with its shipbuilding plants, Navy Pacific fleet base, and piers used by 200 steamship lines.

**Mahogany in England**  
Earliest use of mahogany in England was in the construction of Nottingham castle in 1680. But at the early date there was no distinction between cedar (Spanish cedar) and mahogany, so the reference is to cedar. This particular "cedar," however, was very heavy and hard, so the conclusion is that it must have been West Indian mahogany.

**SLATON MASONS VISIT LAMESA WEDNESDAY**

A. L. Clifton, Master of the Slaton Masonic Lodge, and fifteen other members of the Slaton Degree team, went to Lamesa last Wednesday night to confer Masters Degrees in that city.

**SLATON HIGH SCHOOL BAND TO GIVE CONCERT**

Director Victor Williams is presenting his Slaton High School Band in their first spring concert at eight o'clock Monday night at the high school auditorium.

A very enjoyable program is promised and it is hoped that Slaton people will turn out in large numbers to hear them. Receipts from the concert are to be used to finance the trip to the Inter-scholastic League contest at Canyon on April 29th.

Mr. and Mrs. Gilbert Self returned Saturday from a three weeks visit in Greenville, Dallas and Houston, where they visited with relatives.

Mr. and Mrs. S. L. Alderson and Janet spent the week end in Hobbs, N. M., visiting in the home of Mrs. Alderson's brother, Mr. and Mrs. Hynson Shelton.

Mr. and Mrs. O. N. Alcorn made a business trip to Greenville the first of the week. Mrs. Alcorn also visited with a sister in Greenville.

Miss Virginia Brasfield came by plane from Washington, D. C. the latter part of last week and has been spending a few days vacation in the home of her parents, Mr. and Mrs. L. E. Brasfield.

Mrs. Johnnie Berkley and Johnette spent Friday in Hereford visiting with relatives.

Mrs. L. C. Odom returned on Thursday from Marlin where she has been since the first of March. Mrs. Odom accompanied Mr. and Mrs. J. P. Posey of Lubbock. On the return trip they stopped in Ft. Worth for two days visit.

**Twin Calves Die Young**  
The odds are against a long and healthy life for calves born as twins. Scientific studies show that mortality at birth is higher among twins than among single calves, and those which survive usually have lower vitality throughout life.

'CITIZEN MAMA'—Irene Dunne will play the title role in "Citizen Mama" on NBC's "Cavalcade of America" Monday, Apr. 4. This is the radio adaptation of the film "I Remember Mama," in which the actress was starred.

**YOUNG CONCERT PIANIST WINS NATIONAL EVENT**

James Robert Floyd, nineteen year old pianist from North Texas State Teachers College, who was presented in concert here a short time ago by the Methodist Choir, was the winner in the National Piano Playing Tournament sponsored by the National Piano Playing Guild in New York on Thursday, March 17. He received a \$250 cash award and a trip to Washington where he was presented in recital on Sunday. Next season he will be presented under Guild auspices in a Town Hall recital in New York.

Mr. and Mrs. Charles Marriott and children and Mr. and Mrs. Harmon Thompson and daughter visited relatives in Sherman the first of the week.

Mrs. Ray Conner has just returned from a visit with relatives in El Paso.

Mr. and Mrs. Douglas Wilson went to Spur Sunday to visit in the home of Mrs. Wilson's sister.

Mrs. Travis Reynolds is convalescing at home following minor surgery performed in Lubbock last week.

Mrs. G. W. Nickel of San Angelo spent the week end in the home of her daughter, Mrs. W. H. Dawson, and family.

Mr. and Mrs. Nat Heaton went to Lubbock Wednesday morning, when Mrs. Heaton caught the plane for Jefferson, where she went in response to a message containing the news of the death of her brother-in-law, G. T. Haggard.

Mr. and Mrs. T. A. Turner were called to Carlsbad, N. M., this week due to the serious illness of Mrs. Joe Turner.

Mrs. J. D. Barry is in Dallas this week, where she was scheduled to undergo surgery Thursday morning.

Mr. and Mrs. T. C. Parks of Aspermont came to Slaton Saturday and also attended the teachers meeting in Lubbock. They were entertained with a birthday dinner honoring Mrs. Parks in the home of Mr. and Mrs. J. L. Parks. Mr. and Mrs. James Parks of Southland were also visitors in the Parks home here. Mr. T. C. Parks is athletic director in the Aspermont schools.

Mrs. Hyden Edmondson was called to Lubbock Wednesday because of the serious illness of her sister.
