NUMBER THIRTEEN

Four C. Of C. Representatives Attend CTC Organization In Lubbock Mon.

Four representatives from Slaton's Chamber of Commerce were among some 250 visitors and guests attending the banquet at Lubbock's Hilton Hotel Monday night where first steps were taken in the organization of a Citizens Traffic Commission in that city.

Going from Slaton were Lewis Hollingsworth, president of the Chamber of Commerce; Bud Englund, Chamber treasurer; Vern Johnson, director, and P. L. Vardy, director.

Special guests participating in the program were Carl J. Rutland, honorary life chairman of the Dallas Citizens Traffic Commission; L. H. Rideout, Jr., committee chairman; Rex V. Lentz, executive secretary; Lloyd Murray, executive secretary; Lloyd Murray, traffic engineer with the City of Dallas, and J. O. Musick, general manager of the Texas Safety Association, Inc., Austin, Texas.

Rideout, Rutland, and Murray outlined some of the operation methods, responsibilities, and control measures of the Dallas Commission. Rutland, principal speaker of the evening, spoke of the responsibilities of the Citizens Traffic Commission, the coordination of its various committees in finding out the fundamental things that need to be done for certain problems.

Lubbock, an executive committee has been named to start movement toward a Traffic Commission. Later on numerous committees will be formed to study and make recommendations concerning various phases of traffic problems. Several hundred members will be pressed into service in these groups.

The city will pattern its program after the plan now in use in the city of Dallas. The Dallas program since its forming in 1936 has reduced traffic deaths one-third of the average before it was organized, and is now credited with having the most successful record of its kind in the country.

Building Control Orders Plan For In-Theatre

Building controls imposed on the 27 by the National Prohibition Authority, banning indefinite construction of buildings for amusement purposes, in conventional and drive-in theatres, has developed local interest.

Children, operating the Slaton Theatres in Slaton are restrained from plans to build a new theatre here. Although the building has been procured and the company has no intention as to when the restriction building materials will be used, they may proceed with the project.

Probably the ban will remain in effect as long as vital materials are needed for the country's reconstruction program.

E. Dunham of Morton, Okla. and Mrs. Schermer of Slaton, who underwent surgery last week, have returned to her home and will be confined to her bed about six weeks.

Question

Slatonites Say That Everyone Should Have Some Kind Of Hobby

That "an idle mind is the devil's workshop," and with the conveniences of this modern age, it is confronting leisure time than ever had before. With the help of the radio, the news of life, many of us are becoming more and more interested in the things that are going on around us, and are prone to worry about the things that are going on around us, and are prone to worry about the things that are going on around us.

Legion Invites Veterans To Join Organization

National FHA Week Observed By Local Chapter

Sixty-six Slaton Future Homemakers of America participated in activities during National F.H.A. week which was proclaimed to be November 12 through 18 by Governor Allan Shivers.

Future Homemakers of America is a national organization of pupils who study homemaking in junior and senior high schools. The aim of the organization is to help to make happy homes, now and in the future.

The Slaton Chapter activities of the week include wearing F.H.A. badges to school and to church on Sunday. Putting posters in the grocery stores carrying warning messages given by Dr. J. V. Irons of the Texas State Department of Health.

School projects are initiation of freshmen members of the chapter. Cleaning of the hall trophy case and drinking fountains.

Mrs. A. E. Clark and Mrs. J. E. Short, chapter mothers, will entertain the members with a social. Due to a full school calendar this activity is being postponed. The date will be announced in the near future.

Officers of the Slaton Chapter are: Jo Ann Reissig, president; Joyce Voigt, vice-president; Jerry Short, secretary; Patsy McCormick, treasurer; May Belle Pembler, reporter; Patsy Hickman, song leader; Joyce Mann, parliamentarian; and Miss Frances Caffey, adviser.

FDIC Guarantee Now To \$10,000

Howard Swanner, president of the Citizens State Bank, announced this week that the maximum of insurance guarantee on deposits in the local bank and all other banks which are members of the Federal Deposit Insurance Corporation, has been increased from \$5,000 to \$10,000. The increase has been made possible largely by the excellent safety record of banks since the FDIC was formed in 1933.

Each depositor is insured up to the new maximum of \$10,000 for all deposits held in the same right and capacity.

"Federal" does not mean that the government pays for the deposit insurance. Each bank pays insurance premiums in the form of assessments on deposits. The Federal Deposit Insurance Corporation is really another service supplied at the expense of the bank for the protection of the money you deposit.

Among the Slaton men who went hunting this week are Ray C. Ayers, Harry Stokes, George Brassell, Doc Crow, and Otis Neill.

Get your Christmas silver early at Champions Jewelry.

WEATHER REPORT

Prospects For Festive Holiday Very Good Here

The confusion caused by Governor Allan Shivers' proclamation of two Thanksgivings in Texas this year has been cleared in Slaton, by the announcement of Mayor L. B. Wootton that November 23 will be observed as Thanksgiving Day here.

The number one objective of the American Legion is to see to it that the disabled of both World Wars and the dependents of those who have passed on are properly cared for. The Legion, in battles which began in 1920 and which have been fought right down through the years, has brought about the Veterans Administration and the present V. A. Hospital program.

"Hammer and tongs, tooth and toenail; the Legion is an exclusive outfit made up of folks who fought to keep America American—Folks who fought and paid for their stake in America with blood and sacrifice," say the leaders in the local American Legion post.

If some of the colleges observe the next Thursday, November 30 as Thanksgiving, some of the families with children in college may get to have two Thanksgiving dinners. At any rate November 23 will find most of the Slaton people carving the turkey, and expressing thanks for their blessings.

According to local dealers the price of turkeys for this year's festive board will be near the level of last year. Normally, competition among the corner grocers—in the light of plentiful supplies—will put a turkey on the average U. S. table at a reasonable price.

Cranberries are plentiful and a little cheaper than last year. The over supply of canned cranberry sauce left over from last year is a factor in the lower price of fresh cranberries.

The supply of pecans is shorter than last year and the price is a little higher. Walnuts are also shorter, but not to a great extent. The price of walnuts is a little less than pecans, which is a rare case. There is a good supply of them, and also most other kinds of nuts.

In general, the prospects for a festive Thanksgiving for average citizens, is very good for 1950.

Second Wild Cat Starts Howling

Crew members of the Gardner Drilling Co. of Kermit, Texas, were endeavoring to find apartments and places to live while a wild cat oil well is being drilled on a new location, a piece of property 4 1/2 miles east of the location of a well that is to be drilled on the Long property about three miles north of Slaton by the Burdell Oil Co. of Snyder, Texas.

Due to the secrecy that surrounds most of the activities of drilling operations little of the plans of the new venture were available at the time this paper went to press. Unconfirmed reports are that a deep test is to be made and drilling is to start as soon as equipment can be unloaded.

The well that is to be drilled by the Burdell interests was expected to be started Thursday morning.

The well that is being drilled on the Holland place about six miles south of Slaton was reported to be down to a depth of 8,530 feet, but no information was available on what the showing for oil has been so far.

"ONE TOO MANY" TO BE PRESENTED BY JUNIORS

The Junior Class play, "One Too Many," will be presented on Tuesday night, November 21, in the high school auditorium. Curtain time is at 7:30.

Slaton To Get All Lit Up

V.F.W. Post Raising Funds For State Polio Treatment Center At Gonzales

Veterans of Foreign Wars Post No. 6721, this city, is cooperating in every way possible with the state-wide fund raising campaign for the Gonzales Warm Springs Foundation, a state chartered non-profit center for the treatment of victims of polio and other crippling diseases.

Sponsoring the state-wide campaign is the Department of Texas, Veterans of Foreign Wars, acting through the more than 400 posts in all parts of the state.

Commander J. B. Clark of the local V.F.W. post says that every dime collected during this campaign will go directly to the Gonzales Foundation, and that the dues paying membership of the state V.F.W. organization will absorb all costs of the fund raising campaign.

Attractive pamphlets concerning the Gonzales Foundation and the state-wide V.F.W. campaign have been placed in scores of downtown offices and business establishments, according to Commander Clark. Those wishing to participate in this worthwhile project should send their checks to either Clark, or to J. J. Wicker, quartermaster of the local post.

All checks should be made payable to the Gonzales Foundation, and not to the local post or to the Department of Texas, V.F.W.

Commander Clark says members of his post have contributed \$200 to the campaign, and that individual members will give more before the campaign closes on Nov. 30th.

The money being raised will be used in providing additional facilities at the state's own polio treatment center, badly needed to care for the ever increasing waiting list of patients needing treatment. Polio has claimed more victims in Texas this year than ever before, Commander Clark said and the need for expansion at the Gonzales Foundation is acute.

Harvest Festival November 17 In Southland

Southland High School will hold its annual Harvest Festival November 17, at 8:00 o'clock in the High School Gym. The setting will be placed amid an Autumn Wonderland decorated with feeds, pumpkins and hay.

Numerous prizes, games, contests, cake walks, bingo parties, goal shooting contests, and a host of winter fun games will be played.

A Queen and King will be chosen by penny vote and the deadline for the final vote will be 7:00 o'clock, Nov. 17.

The coronation will be presented under the guidance of Mrs. Morris Foster, teacher at Southland High School.

Pictures and photos of the event will be made by Kertan Studio of Slaton. The public is cordially invited to attend this event.

Ronald Fitzgerald Loses Eye Sight

Condition of four-year-old Ronald Fitzgerald who had an eye removed last week was considered as greatly improved this week by the child's father, J. E. Fitzgerald.

Tigers-Cubs Meet Tonight In Last Game Of Season

The 1950 football campaign will lend tonight for Slaton's Tigers when they journey to Brownfield to take on the Cubs in a not-too-important game of District 4-A.

Outcome of this game will have little bearing on District standings other than to possibly settle the fifth place struggle the two squads are in at present. The Cubs have a 2-4 record in district play, while the Tigers have only one victory and were credited with a half game win last week in the 26-26 tie game with Post.

Competing in Class A football circles for the first time since 1941, the Cubs were placed in 4-A last winter after tough luck seasons in 3-AAA with such teams as Lubbock and Lamesa. But they have fared little better this season, winning only three while dropping six in regular play.

Coach Toby Greer had a green squad this year with only nine regulars returning from the 1949 team. Most of the Cub players are just up from Junior High school ranks, however.

Sparkplugs of the Cubs offense are Dale Cary, one of the best T formation quarterbacks in Class A, and Howard and Joe Swan. The two brothers teamed up last Friday to lead their squad to a 26-13 victory over the cellar-dwelling Indians from Morton in a rough and tumble affair at Brownfield.

Probable starters for the Cubs will be Max Black, center; Charles Cabbiness, guard; Dale Cary, back; Don Jones, tackle; Loman Jones, end; Bobby Latham, back; Charles Mayfield, back; Dean Murphy, tackle; Orbra Rowden, guard; Howard Swan, end.

Probable starters for Slaton have not been announced by Coach Tony Poulos.

Lutheran Pastor Buried Nov. 6th

Funeral services were held on November 6th for Rev. Ernest C. Poehlman at Greenville, Texas, near Brenham, Rev. Poehlman was a former Minister of the Saint John's Lutheran Church at Wilton and the Lutheran Evangelical Church of Southland.

He was a member of the Slaton Rotary Club at one time, and graduated from the Texas Technological College, and was well known in Slaton and this area. He died in an automobile accident near his former home of Greenville on November 3rd.

Mr. and Mrs. Willie Becker, Mr. and Mrs. Herman Klesel and their daughter Judy, and Pastor Lowell E. Green of the Evangelistic Lutheran Church attended the funeral. Rev. Poehlman was 34 years of age at the time of his death.

Work Underway On New Church

The steel has arrived and work has begun on the new Methodist Church building. Workers started excavation for the foundation Saturday, November 11. Foreman of the job is Homer E. Rantz of Abernathy. Architects for the new building are Atcheson and Atkinson of Lubbock.

The new building is being erected by 115 ft. The sanctuary is to be connected by a cloister. The new part will be a semi-Gothic structure, with a tower and spire.

Vapor Lights To Be Ready Soon

Work was started Tuesday morning by a crew of the Southwestern Public Service Company on the placing of poles and the stringing of wire for an entirely new lighting system for the business section of Slaton.

When the work is completed there will be 29 Mercury vapor lights with 16000 lumens each to take the place of fewer lights with only 2500 lumens each. They will also be six lights of 6000 lumens each at heavy traffic points that are not in the business district. The six lights will not be the mercury vapor type, but will be incandescent lights of the newest type.

The lights will be mounted on the very newest type steel, 30 ft. high steel poles. All of the materials for the installation of the new lights has been received, but the standards and they are enroute.

The authorization for the installation of the new lights was given the Southwestern Public Service Company some time ago, but the difficulty of procuring the materials has delayed the installation.

The new Mercury Vapor lights are the very newest development in street lighting and have been found to be far more efficient and economical than the kind of lights that have been in use in Slaton for many years.

Lewis Hollingsworth, Slaton manager of the Public Service Company, says that he expects the new lights to be ready for use by the first day of December. Every effort will be made to get them installed by that time.

Slaton Woman Celebrates Her 80th Birthday

Mrs. W. H. Smith, who still thinks "it's a good old world," celebrated her 80th birthday on November 12 at the home of her son-in-law and daughter, Dr. and Mrs. Sam Ball, 3018 Washington, Amarillo.

Gathered for the birthday dinner were Mrs. Smith's four children, five grandchildren and four great-grandchildren.

Exceptionally bright and active for her four-score years, Mrs. Smith, as she always has, gets a "kick" out of life. "I don't see why people don't want to live as long as they can," she declares.

One thing that undoubtedly has helped keep alive her zest for life is her love for young people and the enjoyment of being around them. A widow for nine years, Mrs. Smith lives at the home of her daughter, Mrs. K. C. Scott of Slaton.

Mr. Smith was a retired railroad worker at the time of his death. The couple lived in the Texas plains area for many years.

In addition to Mrs. Ball and Mrs. Scott, Mrs. Smith is the mother of Mrs. George F. Everline of Amarillo, and W. H. Smith, Jr., of Glazier.

Her grandchildren are Mrs. Kenneth Bassett and Ann Everline of Amarillo; Mrs. Bill Aycock of Lubbock; Mrs. Ray Carson Wilson of Higgins, and Mrs. June Spikes of Slaton. Her great-grandchildren are the Wilson's daughters, Sue and Leona, Cindy Spikes, Mrs. Spikes' daughter and the Aycocks' son, Mark.

Mrs. Smith's birthday was Friday, but her party was held Sunday so all members of the family could be present.

Mrs. H. C. Bradley and Mrs. Daryl Pullen of Plainview, mother and sister of Mrs. Bentley Page, came to Slaton last Tuesday to attend the birthday party of Bentley Page, Jr.

Use our lay away for Christmas. Champions Jewelry.

THIS WEEK'S SMILES

"My, how you've changed! You used to have thick black hair and now you're bald. You used to have a ruddy complexion and now you're pale. You used to be fat and now you're thin. I'm surprised, Mr. Canning."

"But I'm not Mr. Canning. Look! You've even changed your name!"—The Great Northern Goat.

Word has been received that Sgt. Roland McCormick has been shipped out to Japan, November 9. Sgt. McCormick served in World War II and was called back into service on September 26.

New shipment costume earrings \$1.20 and up. Champions Jewelry.

Former Slaton Woman Succumbs In Amarillo

Mrs. Verona Blanton, mother of Mrs. J. V. Bickerstaff, with whom she made her home for many years in Slaton, died November 4 at another daughter's home in Amarillo. Mrs. Blanton was nearly 83 years old.

She is survived by 10 children, 13 grandchildren, and 13 great grandchildren.

Interment was in Cheyenne, Oklahoma.

Mrs. Harry Stokes went to Lamesa Wednesday to visit her parents and from there she will go to Duncan, Okla., to visit her daughter, Mrs. W. H. Mudgett and family.

Miss Joyce Pembler had as her house guest for the Tech homecoming celebration, Miss Mary Brian Woody of Ballinger, Tex.

West Texas Roundup

One of the great aids to safety in Hereford is the Safety Patrol which supervises traffic at both Central and Shirley Grade Schools during the hours when children are going to and from school.

Principals of the two schools, Byron Durham of Shirley and D. C. Martin of Central, believe the boys regulate the school traffic adequately.

One young policeman is stationed on each corner to see that children cross the streets safely.

The safety patrol is a serious matter in minds of the school children who treat the young patrolmen with all due respect just as adults respect police officers. Members of the patrol are very conscientious in taking special precautions for safety first. Their example is followed by the younger children, according to school officials.

—The Sunday Brand

The Levelland street markers, which have been on order with the George Toby Company of Dallas, are under construction, and the first shipment of the markers should arrive in Levelland sometime early this month, according to Ray Drain, city manager.

Erection of the markers should start here late in November, Mr. Drain said, if the necessary 2-inch pipe can be obtained.

—The Levelland American

Five miles southwest of the Mabee field in Southeast Andrews County, Anderson-Pritchard Oil Corporation and Stanolind Oil & Gas Company will drill a 5,000-foot wildcat as their No. 1-B-23 Fasken.

Location of the Grayburg prospector will be 660 feet from northwest and 1,980 feet from northeast lines of section 23, block 40, T-1-N, T&P survey.

It is one of such explorations Stanolind and Anderson-Pritchard agreed to drill on leases in the Midland Farms area by March 1, 1951.

—The Andrews County News

Floyd county cotton harvest had begun to gain momentum this week, with west Floyd county reports most encouraging of all. Here are the things the ginner says, reflecting the thinking of their respective communities:

Barwise Gin reports that they have ginned 580 bales of cotton today, ginned 86 on Tuesday. The gradie is good and could use more pullers. They have all they can house now. If more housing units were available they could use more pullers. The price ranges from \$1.75 to \$2.00 delivered. Jack Coffman, manager of the gin, says they are getting the best cotton in the county. The yield is good and grade and staple are good.

—The Floyd County Hesperian

On land where famous XIT line riders once roamed in quest of stray cattle will be constructed a giant, \$6,000,000 electric generating plant by the Southwestern Public Service Company.

The site selected for the station is a portion of the Halsell ranch, four miles south of Earth and 9.5 miles north of Amherst, the nearest rail point for the proposed plant.

Announcement of a conditional purchase agreement to acquire the power plant site was made today (Thursday) by J. E. Cunningham, president of the Southwestern Public Service Company, and Ewing Halsell, representing the Halsell Ranch.

—The County Wide News

Supervisors of Hockley County Soil Conservation district Thursday acknowledged receipt of the district's third allotment from the state SCD aid appropriation at their meeting in the county courtroom here. The state check was in the amount of \$8,702, to be set for conservation equipment. Board Chairman B. Forman of Anton announced.

—The Sun-News

New hope was held out for the Post-to-Spur road as a segment of the Broadway-to-Big-Bend highway when a group of 35 or 40 area representatives attended a conference in Lubbock Monday.

State Sen. Kilmer Corbin called the meeting to determine what portion of their secondary road funds the interested counties were willing to devote to the project. Delegations were present from Dickens, Garza, Crosby, Cottle and Dawson counties.

—The Post Dispatch

An election on a \$250,000 bond issue for additions and permanent improvements to the Terry county courthouse and jail will be held today (Tuesday) at the same time as the general election. Although little interest is being shown in the general election, a fairly heavy vote on the bond issue is expected

at all 11 of the county's voting boxes.

The funds sought in the bond issue would be used for construction of a four-story 50 by 60-foot addition and remodeling of the present building, which was constructed in 1925.

—The Brownfield News

During the past seven days four new locations and three new completions in the Levelland area were reported to the Oil and Gas Division of the Railroad Commission of Texas.

Cochran County listed two new locations and Hockley County reported two new sites.

The Levelland field of Cochran County had two new oil wells. The Slaughter field of Hockley County gained one new producer.

—The Morton Tribune

Tahoka may become the center of another major co-operative utility serving nine South Plains counties.

A conditional loan of \$1,837,000 for building the proposed Poka-Lambro Rural Telephone Co-Operative system, with headquarters in Tahoka, was announced last week-end in Washington, to serve Lynn, Garza, Terry, Hockley, Yoakum, Gaines, Dawson, Borden and Martin counties.

If sufficient memberships are signed, the proposed co-operative would serve approximately the same area as Lyntegar Rural Electric Co-operative, which has headquarters here and serves over 6,000 customers in these counties.

NO TUNNEL OF LOVE—Moving cautiously through a dense curtain of smoke, American G.I.'s enter a railroad tunnel near Sinmak, North Korea, in which a Communist troop train has been trapped by strafing allied planes. With a machine gun mounted on their jeep, the Yanks were ready to take prisoners or trade bullets with the unseen enemy.

Grady Smith Has A Paying FFA Project

The agriculture boys all have projects this year.

Mr. A. C. Strickland reports that Grady Smith has twelve acres of cotton. Grady has nine bales of cotton already gathered and he is expected to get at least two more bales. Grady's cotton is irrigated. His home is located three miles north of Slaton. No doubt, Grady will be a successful farmer someday. —The Tiger's Cage.

If An Atom Bomb Should Hit Slaton!

Have you read the Government book, that is said to be the best selling book on the market today, over and above all fiction, biographies and funny books? It is what to do in case an atom bomb is dropped two or three miles from you.

If it drops within a mile there is nothing you can do, for you'll be dead, if within a mile and one half you will have one chance in ten of surviving and if you do you won't look like much and likely won't live very long.

If you can look at such information without shuddering down to your toe nail and get so frightened that you quit reading then you can find out that if you are fortunate, or unfortunate, enough to still be alive then you will likely be so full of radiation that you won't last very long unless you were a considerable distance away when a bomb explodes.

Folks in this country of course do not know much about atom bombs or any other kind of bombs, but this booklet explains that the atom bomb is not a great deal more destructive than a whopping big bomb of some other kind. We in this country will just have to educate ourselves and become used to the gruesome details of bombs if this nation should ever get invaded.

Of course the folks in this part of the nation would likely be the last to feel the sting of bombs, as we do not have the targets that are important in war, and we can read the book as if it were a bloody detective yarn. If you are the kind of person who enjoys such things as the bloody details the book will make interesting reading for you, but you might at the same time keep in mind that the atom bomb must be a possibility for this country or the Government would not be distributing such literature. The war of Armageddon may not be far away.

Will Things Get In A Mess?

Now that the Republicans and the Byrnes Democrats have gotten back some of their power there is not telling what will happen. It is easy enough to stand off and criticize everything that is being done, but unless those who do the criticizing have something better to offer than those who are endeavoring to accomplish a task, then we at least will not be any better off than we are now.

Governor Dewey proved beyond a shadow of a doubt, in his last Presidential campaign, that it is better to have some kind of plan, even a poor one, than to have none at all, and depend upon support from the voters by criticizing what the other fellow is doing or plans to do.

The present administration has put in some very doubtful ideas and have entertained some very doubtful characters. The Republicans have said some very bitter things about the men in our Government, but the Democratic Party is not wholly wrong and the Republicans in their victory will do only harm if all they can do is to throw monkey wrenches into everything that is proposed, especially at a time like the present when a world war might require our closest cooperation if we succeed in defending the world against Communism.

Are We In A Fools Paradise?

People who have come to the United States as displaced persons and many who have lived in other countries and have come to this country as immigrants will tell you that most citizens in the United States have no idea how many advantages we enjoy compared to the people of every other nation in the world.

And people who live in other states will tell you that we, who are fortunate enough to live in Texas, are in better circumstances than those who live in many other states in the Union.

As people who live in South and East Texas who come to visit out here in West Texas say that our part of the state is the best and most prosperous of all parts of Texas and the people who live right here in Slaton should really give thanks that Slaton is their home.

There are a good many towns where there is more excitement, there are many cities where there are bigger buildings, and more traffic and where it might seem that life is just one big event after another, but if those to whom such things seem worth while, could stop and analyze the real worth while things such as the peaceful operation of labor and capital, the fact that we do not have a lot of mixed races in West Texas and the fact that this is the most productive land in the nation, with a future that promises more than any other part can, then most of us would understand better what Slaton, Texas, and the United States means.

It is doubtful that many people in this part of the nation know what is going on beneath the surface in the congested part of the United States and such things as the attempted assassination of the President comes as more of a shock to us as it does in the East where there are controversies and uncertainties that we have no conception of, it is time that we wake up to the fact that the war in Korea is not only the beginning of a possible world conflict, but that we have people in the United States who are endeavoring to destroy what freedom we have left.

Are we here in Slaton living in a fools paradise?

Slaton Has A Big Opportunity!

Farmers are selling their cotton for the highest prices since the middle of World War I and most of them admit that they are getting a very substantial profit on the stuff.

There is of course a very high cost to gathering the cotton, and if the high prices that are present today are to stay then the farmers should have the money he is getting. Slaton is in the very center of the best cotton district in the world, if not in the nation, and regardless of how close Slaton is to Lubbock there is no good reason why Slaton could not become an active center of business activity.

There are a good many reasons why Slaton could be a mighty active business center. Real estate properties in Slaton have become exceedingly high, the town is greatly crowded and Slaton offers the shopper conveniences that are not available in Lubbock. Under present conditions the big stores do not have any price advantages that the firms in Slaton can meet, and the main thing that is holding Slaton back is being just as good a town as any in the South Plains is the fact that we do not have confidence in ourselves.

It is easy to shoot at the moon and miss it because your aim is too strong and would reach the moon and hit one of them center. Timidity usually brings a lot of success, but you take a lot of bows when you are brave enough to take the world. Slaton still could outstrip Lubbock.

Frequently we say a kind word about salesmen. We think salesmen and advertising men are the plugs that keep our American system rolling. The other

day we ran across a piece about salesmen by Jack Fisher. Here it is:

When I was a small lad, just about big enough to smoke corn silk even with my two missing front teeth, I thought salesmen were wonderful. Now that I am older and have more than two missing front teeth, I marvel at the bright active mind I had when I was so young. I still think salesmen are wonderful.

It has been said that salesmen as a whole are a very big problem to their wives, their bosses, to credit men, to hotels, and sometimes even to each other.

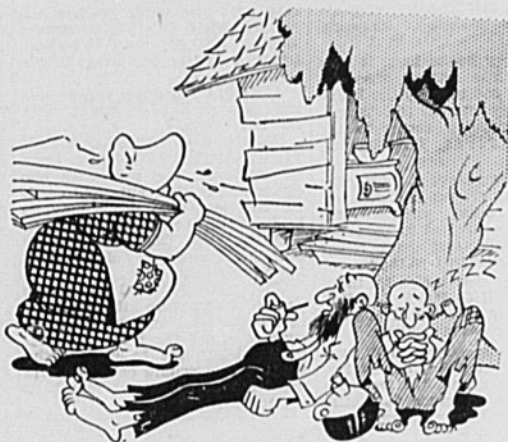

They draw and spend more money with less effort and get smaller value out of it than any other people in the world. They call to the most inopportune times, stay longer, ask more personal questions, make more comments, put up with more inconveniences, and take more for granted than any other group, including the United States Army.

They make more noise and mistakes, correct more errors, adjust more differences, cause more divorces, tell more white lies, explain more discrepancies, hear more grievances, pacify more belligerents, and lose more time under pressure without losing their tempers than any class we know, including ministers.

They introduce more new goods, dispose of more old goods, load more freight cars, unload more ships, build more factories, start more new businesses, and write more debits and credits in ledgers than anyone else. So-o-o, to make a short story even shorter, let's say that salesmen are wonderful guys and let it go at that.

It was Jimmy Durante who cautioned us to be nice to people going up, because you're going to meet them all coming down.—WES IZZARD, Amarillo Globe.

West Texas Gas Company
HELPING BUILD WEST TEXAS SINCE 1927

Naturally it's GAS

For Power with Economy...it's High Compression!

FOR HIGH COMPRESSION... IT'S THE "ROCKET"!

Ever since Oldsmobile introduced the "Rocket" Engine two years ago, seems like everybody claims "high-compression"—but nobody explains it. The phrase simply means squeezing the gasoline into a smaller space before exploding it. This gets more power out of the same amount of fuel. But the engine must be designed for high-compression all the way through to assure smooth, quiet, gas-saving performance. The "Rocket" is 100% high-compression—from the crankshaft out. And the lowest-priced "Rocket" Engine car is Oldsmobile's "88." Makes good sense to try it soon—doesn't it?

Slaton Women Give Their Favorite Tested Recipes

With Thanksgiving and Christmas "just around the corner", to coin a phrase, the ladies will be planning many "goodies" for the family. Most of us are always eager to try new recipes on holidays. Mrs. O. D. Kenney is sharing with us this week her favorite recipe, Date Cake Filling. You may want to try this one for a holiday special. It has been a favorite with the Kenney families for years.

The ingredients needed are:
2 cups milk
2 cups sugar
3 tsp. flour
2 eggs, beaten
1 pkg. dates
1/2 cup pecans

Mix flour and sugar, add milk, eggs, and dates. Cook until the dates are melted. Cool and add the nut meats. The filling is very tasty and doesn't get hard.

The Kenneys', residents of Slaton since 1924, have an interesting hobby of taking pictures and developing them themselves in their home. They are members of the First Christian Church.

They have four children. They are a daughter living in Seattle, Wash., a son in Slaton, a son in the Marines, and 12 year old Peggy Sue, who is at home with her parents.

Mrs. Kenney declares that Slaton is a "very good place to be".

Guild Sends Box To German Family

The Grace Haymes Guild met with Mrs. Jack Cooper, Wednesday night, November 8. Mrs. Mildred Loke gave the devotional. The lesson on Mid-Century Christians was given by Mrs. Virgie Hunter.

The Guild has sent a box of food and clothing to a German family in the English Zone of Germany, and also a crate of canned milk to the Children's Home in Amarillo.

Eight members were present for the meeting.

Jaynell Franklin Has Birthday Party

Jaynell Franklin was honored on her 11th birthday, November 11, with a party in her home at 440 S. 7th, given by her mother, Mrs. W. M. Franklin.

After refreshments of cake, cake, bubble gum, and candy were served, the honoree and guests went to the movie. The center of the birthday cake was a doll with the skirt of her dress made of pink icing with blue ribbons.

Those attending the party were Laura and Linda Isbell, Nancy Mosley, Keran Deaver, Helen Ann Norris, Neutle Ann Watson, Rose Marie Custer, Fred March, Dalene Meyers, Sandra Long, Pam Maxey, Martha Brake, Don Marsh, Mary Ann Klattenhoff, Dickie and Freddie Marriott, and Jo Rita Powers.

Mrs. H. T. Scurlock and Mrs. Julia K. Chance returned Sunday from a visit in San Angelo with Mrs. Scurlock's daughter and family, Mr. and Mrs. G. C. Roe.

Party Given For Bentley Page, Jr.

Bentley Page, Jr. was honored Tuesday, November 7 at a birthday party given by his mother, Mrs. Bentley Page, sr., on his 5th birthday.

The birthday cake, baked in the shape of a lamb, was the centerpiece on the table. Other refreshments served were ice cream, candy and punch. The favors were noise makers.

Games were played both outdoors and indoors. Movies were made of the party group.

Guests attending the party were Sharyel Pullen, Bruce Pember, Jr., Martha Sue Ellis, Jean Thompson, Butch Custer, Stephen Halliburton, Susan Hendrick, Robert Clark, Stephen Tarpley, Robert Hoffman, Judy Davis, Don Angerer, Jerry Miller, Dan Cross, and Gary Peebles.

Union HD Club Has Meeting

The Union Home Demonstration Club met in the home of Mrs. J. B. Patterson last week at noon for a covered dish luncheon and social.

In the afternoon the members studied crochet. Plans were made for a Christmas social in the home of Mrs. Harold Morrison, December 6.

Those attending the meeting were Mrs. E. C. Craddock, Mrs. C. L. Griffin, Mrs. Andy Nelson, Mrs. H. M. Cade, Mrs. Joe Gamble, Mrs. Harold Morrison, Mrs. John Griffin, Mrs. Rhea Pierce, and Mrs. Patterson.

The next meeting will be Nov. 22 in the home of Mrs. W. B. Jeter. The program will consist of a report on a magazine article by Mrs. H. M. Cade, a report by the clothing demonstrator, Mrs. W. B. Jeter, and a personal grooming demonstration by County Home Demonstration Agent, Miss Clara Pratt.

MRS. DRIVER HOSTESS OF SUNDAY SCHOOL CLASS

The Homemakers class of the Baptist Church met November 9 in the home of Mrs. W. T. Driver, Mrs. A. A. Devore and Mrs. D. W. Halliburton assisted her.

Mrs. J. W. Scott brought the devotional, followed by a prayer by Mrs. A. C. Strickland.

Mrs. Lott presided at the business meeting. Minutes were read and approved. Plans were made for the Christmas luncheon, which will be at West Ward School, December 14 at 7 p. m.

After the business session the meeting adjourned with a prayer by Mrs. F. Stottlemire. A social hour was spent in singing and playing games directed by Mrs. J. W. Scott and Mrs. C. W. Wilks. Refreshments of hot punch and pumpkin pie were served to 14 regular members and one visitor.

Bentley Page left Sunday for El Paso, on business.

Society Clubs

Culture Club Hears Report By Mrs. Forrest

Mrs. R. H. Todd was hostess for the Civic and Culture Club in her home, 855 W. Lubbock St., Saturday afternoon, November 11. Mrs. John Fertig presided at a short business session.

Mrs. Bessie Donald, the elected delegate, gave a detailed report of the County Federation, held at Idalou October 28. Mrs. W. E. Smart, Mrs. Fertig, Mrs. W. T. Cherry, Mrs. J. B. Huckaby, and Mrs. W. R. Lovett also attended the biannual meeting.

Mrs. S. S. Forrest's critic report concerned reasons why clubs should federate. Following are some of the reasons she gave: Federation brings broader contacts and view points, keeps the mind alert, offers many diversified interests, opens new avenues for worth while services, brings opportunities for stimulation and growth, prepares women for entrance into civic affairs, promotes harmonious, helpful relationships, furthers friendship, good will, and understanding, and is a power in molding public opinion. Federation promotes cooperation. Cooperation develops force and power and is a mighty aid for good in American life. Federation is a foe to narrowness, prejudice, bigotry, and selfishness. Federation maintains high standards of achievement and establishes records of accomplishment. Federation is concerted action and concerted action is better than individual action.

Mrs. W. R. Lovett's subject for the afternoon's program was Biography: General Douglas MacArthur. Clippings from recent articles concerning him were used in connection with the account of the life of this interesting character of today.

A salad plate was served to the members and one guest, Mrs. Gordon Greaves of Portales, N. M.

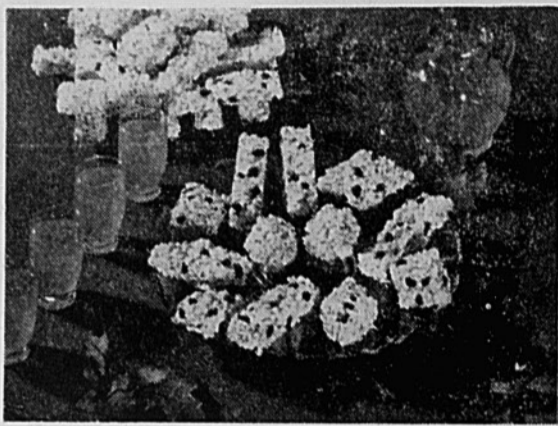

Sewing Club Has November Meetings

November 1 the Sew and Stitch Club met in the home of Mrs. David Hawk at 210 S. 12th street. Refreshments of pineapple upside down cake, whipped cream and coffee were served to Mrs. Arthur Romines, Mrs. Roy Hodges, Mrs. Ira McCarver, Mrs. James Bollier, Mrs. Keith Price, and Mrs. Frank Reed.

November 8 the club met with Mrs. Keith Price at 250 S. 7th St. She served refreshments of ginger bread and lime sherbet to the ladies listed above and also, Mrs. J. T. Eaves and Mrs. Roy Bloodsworth.

The next meeting will be Nov. 22 in the home of Mrs. Frank Reed at 740 S. 12th.

Festive Treats For Thanksgiving

Pop corn and Thanksgiving are long time friends of historical fame.

The history books have it that the first white settlers were introduced to pop corn by the Indians when they brought the "magic, dancing, exploding corn", to the well-known first Thanksgiving festivity.

And you can serve it during the Thanksgiving season in a gay new way—with raisins, candied cherries and nuts—mingled in the tasty pop corn balls and bars, along with your favorite beverages.

Here is the easy recipe for those THANKSGIVING POP CORN TREATS—try it, serve it to your Thanksgiving season callers.

MIX one cup sugar, 1/3 cup white corn syrup, 1/3 cup water, 1/4 cup butter and 3/4 teaspoon salt and cook in sauce pan, stir-

ring until the sugar is dissolved. CONTINUE COOKING without stirring (270 F) until the syrup forms a brittle ball in cold water.

ADD 3/4 teaspoon vanilla and stir only enough to mix it with the hot syrup.

PLACE 3 QUARTS OF JOLLY TIME POPPED CORN in a large mixing bowl, and mix with one cup mixed raisins, nuts and candied cherries (gum drops may be preferred to the candied cherries).

POUR THE COOKED SYRUP over this mixture very slowly, mixing well as you pour.

WET THE HANDS and shape part of the mixture into small pop corn balls, using only enough pressure to make the balls stick together. Place the balance of the mixture in a square cake pan, and using a wet knife, cut into bars or squares.

HD Club Meeting At Mrs. Stokes Home

The Home Demonstration Club met in the new home of Mrs. E. W. Stokes Thursday, November 9, to begin work on the United Nations Flag. Members of the club worked on it in their homes in order to complete the Flag by Wednesday, November 15.

Mrs. Veri Woodfin showed moving pictures of their trip to Colorado and also, some pictures of the Grand Canyon and National Glacier Park, and some pictures of her family.

Mrs. Stokes served a Thanksgiving dinner consisting of baked hen, pumpkin pie and all the trimmings. Each member brought a covered dish.

Those present for the meeting were Mrs. A. R. McGuire, jr., Mrs. C. I. Young, Mrs. Veri Woodfin, Mrs. Douglas Wilson, Mrs. T. G. McEver, Mrs. Alton Meeks, and the hostess.

The next meeting was to be held November 15. The meeting was to be about the U. N. Flag. New members and visitors are always welcome.

MRS. DeMOSS RECEIVES WOMEN'S FELLOWSHIP

The Christian Women's Fellowship met with Mrs. Richard M. DeMoss, Monday, November 13. Mrs. P. J. Burns gave the devotional on Working Together With God.

In a brief business session the members decided to exchange Christmas gifts at their next meeting which will be in December.

Attending the meeting were Mrs. J. D. Norris, Mrs. C. G. Wicker, Mrs. Carl Lewis, Mrs. Elmer Nelson, Mrs. P. J. Burns, Mrs. J. A. Smith and Mrs. R. M. DeMoss.

PRESBYTERIAN SERVICES

George Young, pre-ministerial student at Texas Tech, will be the speaker at the Presbyterian Church Sunday morning at 11:00. All members are urged to be present for the service.

Mrs. L. C. Odom spent last week end in Guymon, Okla. as a guest of her niece, Mrs. Guy Bennett.

Bridal Showers Given In Honor Of Miss Kitten

Miss Betty Jo Kitten, bride-elect of Jack Reissig was honored with a bridal shower November 11 in the home of Mrs. August Kitten. Betty Jo is the daughter of Mr. and Mrs. Ray Kitten.

The honoree wore a black crepe dress with a pearl necklace with matching earrings and a corsage of white carnations. Mrs. E. R. Reissig presided at the coffee service while Miss Jeanette Reissig registered the guests in the bride's book.

The table was laid with a lace cloth with corners draping to the floor. It was centered with a miniature doll which stood in a wreath of pink carnations, flanked with white candles in crystal holders. The doll was dressed identical to Betty Jo. There were bowls of pink carnations throughout the house.

Hostesses were Mrs. August Kitten, Mrs. Frank Kitten, Mrs. Wilfred Kitten, and Mrs. Alfred Reissig.

Approximately 125 guests registered. Others who could not attend sent gifts.

November 7 a personal shower was given in honor of Miss Kitten in the home of Mrs. Hilda Reissig. As the honoree entered and was seated, Jeanette Reissig pinned a gardenia in her hair. Barbara Brooks and Jo Ann Reissig sang "The Girl That I Marry" and "Love Somebody" with words arranged for the special occasion.

Mrs. E. R. Reissig presided at the punch bowl. Small white cakes with pink rosebuds were served. The plate favors were miniature brides. Twenty six guests attended. Hostesses were Jeanette and Jo Ann Reissig.

CORRECTION

The County Federated Club Meeting held at Idalou October 28 was for all the clubs in Lubbock County, not just the Home Demonstration Clubs.

Contending Earnestly for the Faith

Another some one wants to know whether we are wrong in not keeping the Jewish Sabbath—rest on Saturday. Careful consideration of one passage of New Testament scripture will answer our question. Let us look at it.

"Let no man therefore judge you—in respect of—a Sabbath day (Col. 2:16). Here we understand that the Sabbath day commandment is not a rule by which one is to be judged whether he is a Christian. Under the law of Moses it was a rule for God's children to walk by, but it is not under the law of Christ. Here all Christians are commanded not to be judged by the Sabbath day commandment. Don't let anybody tell you that you are not a Christian if you don't keep Saturday as a day of rest. That is what God is telling you and me as a Christian. No we are not disobeying and disrespecting God by not keeping Saturday as a rest day.

ANDY W. BURKS, Minister
710 S. 11th, Slaton, Texas

The services of the First Baptist Church were supplemented last Sunday with reports from the Conventions attended last week by several of the church members. The conventions, which were the Baptist Brotherhood Convention and the Baptist Women's Missionary Union Convention, were held in the Will Rogers Coliseum and auditorium in Fort Worth Monday and Tuesday of last week. The report from the Brotherhood Convention was given at the morning service and W.M.U. Convention was given at the evening service.

Next Sunday night the report will be given from the Texas Baptist General Convention which was held also in the Will Rogers Coliseum, Wednesday and Thursday of last week.

Guests of Mr. and Mrs. R. D. Hickman, 635 S. 11th, over the week end were Mrs. R. H. Roach of Amarillo, Mrs. W. L. Robinson of Odessa, and Mr. and Mrs. Ace Hickman and Betsy of Baird.

Pvt. Terrell Nash, son of Mr. and Mrs. E. P. Nash, was shipped out to the Pacific, Monday, Nov. 13.

REVIVAL ANNOUNCED

A Revival is to begin at the Assembly of God Church, Sunday November 19. Rev. E. S. Walden is to be the speaker. He is also a talented musician on the electric guitar. He has been a youth director for the west central section of the Assembly of God churches.

Services will begin at 7:30 each evening. The local pastor, Rev. Claude Holt extends a welcome to all.

WILSON GIRLS DEFEAT SOUTHLAND 33 TO 26

Paced by the accurate scoring of Grovonda Coleman, Wilson girls defeated Southland Tuesday night 33 to 26 in Southland gym. Mary Campbell and Joy Corley each collected 8 points for Wilson.

Mary Frances King led the scoring for Southland with 19 points. Laquetta Bruster made 4, Emma Basinger 1, and Tommie Wicker 2 to complete the scoring for Southland high.

Joy Corley, forward for Wilson was injured when she struck her head against the gym wall. Southland will journey to Lorenzo on Thursday night to play Lorenzo high.

Referees for the game were Horace Hitt and Wesley Scott.

Lineups for the two teams: Southland: Mary F. King, Etta Hagler, Laquetta Bruster, Emma L. Basinger, Tommie Wicker, Jean Sims, Woodena Stewart, Joan Trimble, Wilson: Mary Campbell, Helen Stienhauser, Joy Corley, Edwards, Grovonda Coleman, Moore, Montgomery, Mona Campbell, Gladys Limmer.

CHRISTMAS SHOPPER?—This black-necked Crane buried his head in his resplendent wings to look like a bedraggled survivor of a bargain basement brawl. Photographers at the London zoo half expected the crane to complain, "Honestly, that Christmas crowd! I don't think my poor swollen feet will ever be the same."

Mrs. Webber Williams attended the District meeting of the West Texas Funeral Directors association in Abilene, November 7, at the Country Club.

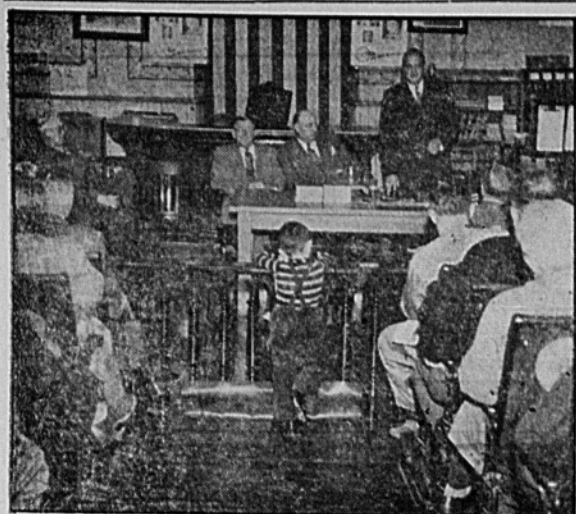

Mr. and Mrs. L. B. Hagerman and Mr. and Mrs. W. R. Lovett attended a reception for Mr. and Mrs. Pat Boone at the Littlefield Country Club in Littlefield Tuesday night. Mr. and Mrs. Boone are officers in the OES Grand Chapter.

SPEECH STUMPS SMALL FRY—When Sen. Scott Lucas, campaigning for reelection on the democratic ticket, spoke at Watska, Ill., one listener in the courthouse audience apparently had trouble following the theme of the senator's speech. And so the corduroy-clad youngster sauntered down the aisle to stand at the rail where he could pay closer attention.

Six Tigers Hang Up Football Togs After Game Today

After this Friday, six Slaton Tigers will hang up their football togs never to put them on again. The Tigers who have had more bad luck than good luck this season will lose five linemen and one back. The six seniors are: Ends, Jerry Huckabay, Alvis Collins, and "Pat" Patterson. Tackle, Leon Moore, Guard, Charles Norwood, and Halfback, Bob Taylor. Taylor and Moore are co-captains this year.

Although six seniors are leaving the squad, Coach Poulos intends to build a powerhouse out of next year's team. Returning "A" stringers for next year will be end, Ezra Corley, Tackles, Warren West, and Gene Berkley, Guard, Jerry Lemon, Center, Lee Ray Dillard. In the backfield Bill Butler, R. A. Thompson, Bob Lambert, Duane Sooter and Douglas Drewry, Berkley will probably get the nod at Moore's vacant spot, while big Marcus Crumbley will slip in one of the guard slots. With the big Tiger line and a more experienced backfield, Slaton is expected to have a top notch ball club next year. Better watch out, Levelland and Littlefield — The Tiger's Cage.

News Summary Featured Weekly

"YOU'RE FIRED" — Sometimes it's good to be fired! Dancer Ray Bolger, fired from a \$20-a-week messenger's job, now makes \$8,000 a week. Thousands of men and women accept the loss of a job as a challenge, and many have gone on to success. For this and many other colorful features read the American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

"CHILDREN OF THE FRUGAL RICH" — What do children have a right to expect from their parents? John D. Rockefeller, Jr., as a boy had to earn most of his money by such jobs as cutting wood and sweeping sidewalks! Read this article in the American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

Arthur Bentley has as his guest this week, his cousin, Herman Simmons of Houston.

Where Well Dressed Men Dress Up

NOW \$10,000 Maximum Deposit Insurance

For Each Depositor of The
CITIZENS STATE BANK
SLATON, TEXAS

Deposits in this bank are now insured up to \$10,000 by the Federal Deposit Insurance Corporation.

The maximum amount previously covered by this insurance was \$5,000. This increase in coverage is made possible largely by the excellent safety record of banks since the Federal Deposit Insurance Corporation was formed in 1933.

Each depositor is insured up to this new maximum of \$10,000 for all deposits held in the same right and capacity.

Good bank management is the underlying factor in the protection of depositors' funds. Our bank policies are formed with this basic principle always uppermost in mind.

In addition, we are glad to provide the extra measure of protection which Federal Deposit Insur-

ce gives our depositors. To qualify for this insurance, our bank must meet rigid standards. Adherence to those standards is checked regularly through bank examinations.

Good bank management, sound bank supervision, and the security of deposit insurance work together to safeguard your deposits with us.

The word "Federal" in the name of the insurance corporation leads some to believe mistakenly that the Federal Government pays for the deposit insurance. Actually we and other insured banks pay the full cost of this insurance. Each bank pays "insurance premiums" in the form of assessments on deposits. Federal Deposit Insurance is thus really another bank service, supplied at bank expense, for the protection of the money you deposit with us.

Pember Heads SHS Tiger Band

The Slaton Tiger Band elected three officers for their organization last week. May Belle Pember was selected president, Donald Sikes was elected vice-president and Betty Dodson was chosen secretary of the band.

Recently Felix, Val, and G. W. Wiley, John Ritchey and Everett Hodge, aided by Mr. Reiger painted the walls and installed a place to keep their sheet music in the band hall. —The Tiger's Cage.

Kahlich, Sloan Make High English Grades

JeAnn Kahlich and Pansy Sloan made A plus grades in Senior English last six weeks. The instructor of the two senior English classes is Mrs. D. J. Neill. The Senior Class is very proud of these two brilliant students. —The Tiger's Cage.

Sewing Hazards

If the bedroom is used as a sewing room, take care that pins, needles, scissors, etc., are not left about for the baby to find. A pin in the bottom of an adult's bare foot is no joke, either.

THIS and THAT FROM HERE and THERE

AROUND TOWN

"I've had the hat a long time and it has been too small a long time," said Dick Cagle, minister of the First Baptist Church, when he was kidded for having his hat stretched to wear to the Texas Baptist Convention in Fort Worth next week where he is to make an important address. Cagle says, "Now, what will I do? I had the hat stretched and its too big." —The Sunday Brand

THE PASSING PARADE

With the peanut harvest about over, and the cotton practically all picked, this section is ready for that "million dollar" rain. As a matter of fact, most of the farmers and all of the ranchers have been ready and waiting for several days. Many stockmen are making plans to start feeding right away, unless moisture falls in sufficient quantity to insure good ranges and fields of small grain for grazing before cold weather sets in. —The Brady Standard

EDITOR'S COLUMN

A thousand hours of crocheting paid off for Carl I. Rhodes of Abernathy. His crocheted table cloth took first place in the men's division at the State Fair of Texas, which ended at Dallas Oct. 22. He received the entry and the blue ribbon in the mail last week. The 64 x 82-inch piece was done with number 30 crochet thread. Rhodes is entering the table cloth in the National contest for men's work in Chicago. Crocheting is a hobby with Rhodes, who farms northwest of Abernathy. The hours mentioned above are the number he put in on the prize-winning table cloth. —Abernathy Weekly Review

EDITORIAL

The United Nations troops have whipped the Red in Korea, and now we hear the familiar cry from Korea, "Get the boys home by Christmas."

Yes, that is the same thing we said after World War I, and we had to fight World War II. We heard the same thing after World War II, and we are priming for World War III.

We do not believe that our government will be as silly as it was after 1918 and 1945. We are confident that we shall keep a large army in Korea, Germany, and perhaps, other vital parts of the world. So far as the average citizen is concerned, we will never see the time when we shall not have a large standing army, as distasteful as military service is to American boys in time of piece.

They are the greatest fighters on earth because they hate war and want to get the job over so that they can come on home. It will probably be different this time. —The Canyon News

AROUND TOWN

Leo Forrest, manager of REA, is going to start drinking Hadacol (he says) as soon as the new REA building is completed. This, he says, will make his hair black and curly. Last week Leo visited the office of a friend whose beautiful desk was topped with a heavy layer of glass and a beautiful bouquet. That's just the thing, he says; those heel marks won't show at all on it. —The Hereford Bull

HEREFORD BULL

Everywhere you hear discussion of the oil play Hereford is getting. Some of the promoters get red in the face because citizens, in their opinion, do not want an oil boom. I think this is probably true, too. If the people had wanted to live in an oil boom town, they would have located in Borger or Snyder. I can see how a lot of people who wish to rear their children in a less confused atmosphere. A real oil boom would find lots of folks selling out and moving to some other area. Personally, I doubt if there will be a big oil boom, anyway. Everything is strictly speculation, but it does appear that Hereford may get some real tests which should settle the oil question for once and all. —The Hereford Bull

FYI

The chamber of commerce expects to open a membership drive next Monday. Every business man

in Seagraves should give some consideration to the things that need to be done for the community at this time. But the matter shouldn't be viewed from the standpoint of "they ought to do so and so," but rather, "Why don't WE do so and so." Acting together, business men can do more for the town than a whole panel of hired workers. But they'll have to work together—and they'll have to work! —Gaines County News

ODDS AND ENDS

In going down to Eddy from Waco one passes by the little town of Bruceville, situated less than three miles on this side of Eddy; and I never pass by that town without remembering a picnic which he and I and our father all attended in a grove on the outskirts of Bruceville many years ago, when my brother and I were still boys. The chief feature of the picnic was a political speech by Harry Tracy, who was then one of the leaders of the strong and militant Populist party. Now, a lot of you folks may wonder how a mere boy could have been so intensely interested in a political speech delivered back in the early 'Nineties. Well, politics were politics in those days and most any political orator could draw a vast crowd when he was booked as the chief speaker at such a political event. —The Lynn County News

RELIEF AT LAST For Your COUGH

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial membranes. Guaranteed to please you or money refunded. Creomulsion has stood the test of millions of users.

CREOMULSION relieves Coughs, Chest Colds, Acute Bronchitis

Fastest Stairways
People who ride the fastest moving stairways in the United States hardly notice the difference in speed. Two units at Rockefeller Center in New York, travel 125 feet a minute, while all standard moving stairways in this country move 90 feet or slower.

Sincerity
Sincerity is a fundamental part of affection that results in good relationships between child and parents. Children are quick to feel a lack of sincerity, and are equally quick to feel and respond to what ever is sincere and genuine.

Why Suffer With Any Of The Following Disease:
RHEUMATISM, SCIATICA, LUMBAGO, NEURALGIA, NEURITIS, PARTIAL PARALYSIS, MUSCLAR ACHES AND PAINS, ACHING FEET, AND OTHER DISEASES.

From where I sit... by Joe Marsh

Ought To "Polish Up" Her Traffic Manners!

Spent most of yesterday over at the Court House. "Tiny" Fields, the biggest and fastest-talking of our three policemen, was holding forth about his traffic troubles.

"Women drive just as good as men do," Tiny said, "and just as bad. For instance—a girl in a convertible today. She started a three-block tie-up all by herself.

"She's creeping down Main Street—left hand stuck out and sort of waving around. Never turns right or left, never stops. But, of course, everyone behind her thinks she's signaling about

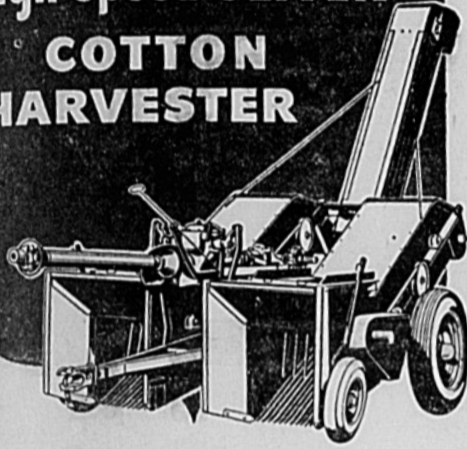

something. Nobody dares to pass. When I stop her and ask what's up, she smiles sweetly and explains that she's drying her nail polish!"

From where I sit, that girl's typical of certain folks who are so wrapped up in themselves, they never notice they're not being fair to others. Our neighbor has a right to drive in safety—just as he has a right to enjoy a glass of beer. Let's all respect the other fellow's rights.

Joe Marsh

200,000 freshmen can't be wrong!

We believe that something has happened in 1950 that you should take to heart.

Ever since this year's Buicks were introduced, their big bulge in sales has come from people who traded other makes of cars for this bounteous beauty.

The total is more than 200,000.

That's 200,000 "freshmen" added to the roll call of Buick owners—200,000 people who must have sized up the current version of the cars they owned, and decided that Buick offered more thrill, more comfort, more satisfaction for the money.

Beyond that, of course, there were other hundreds of thousands who already owned a Buick and bought a new one

this year. But we're speaking here of new owners only.

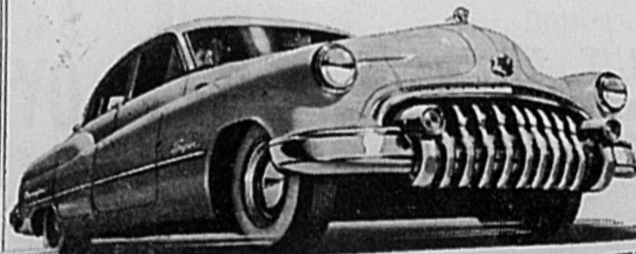

We can name many reasons for this landslide—including Fireball power—an incomparable ride—and Dynaflo Drive.*

We can remind you that the Buick SPECIAL, SUPER and ROADMASTER just about blanket the range of a car-owner's aspirations—matching prices with many sixes in the lower brackets—matching distinction with the finest in the fine-car field.

We might add that Buick prices are doubly attractive—since their list prices include many features customarily on the "extra" list.

But why try to spell out all the reasons Buick wins in a showdown? The proof of the pudding is in this great car itself. Better come in—look it over—and find out what an unbeatable buy it is.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

WHATEVER YOUR PRICE RANGE

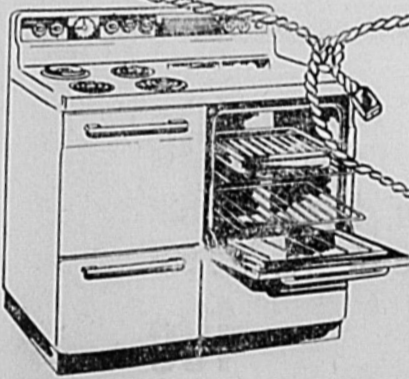

"Better Buy Buick"

GRASS-LESS GOLF COURSE—Playing on what would be a nightmare to most golfers, a grass-less golf course built in a giant sand trap, this Arab sets himself for a putt, while his partner, in background, explains the game to a mounted friend. The Arabs, oil company employes, learned the game from American co-workers, who built the course on the outskirts of Dharan, Saudi Arabia, using oil to color the sandy white "greens."

Union News
MRS. M. D. GAMBLE

Dr. J. O. Haymes preached at the Methodist Church Sunday night.

Rev. Bill Tanner and several of the Baptist young people and four Tech students visited some of the shut-ins Sunday afternoon and sang and had prayer service.

Dinner guests Sunday in the home of Mr. and Mrs. L. E. Evans were James Moore, Oliver Aldridge, Billy Pope, Carole Koerige, Chester Malack, and Dale Booker, all of Lubbock, and Rev. and Mrs. Bill Tanner.

Mr. and Mrs. Alvin Dudley of near Abernathy were guests of Mr. and Mrs. Howard White Tuesday of last week.

Big plans are being made for the Harvest Festival that is to be at the school house November 21 at 7:30 p. m. Classes have chosen representatives in the queen contest. They are Frances Edwards, senior; Dorothy Straw, junior; Mary Lou Kitten, sophomore; and Joyce McMahon, freshman. The queen will be chosen and crowned the night of the festival. Carnival features are being planned for entertainment. The public is invited to attend. The grade school will also crown a princess at the festival.

Leslie Green and R. M. Cade served elk meat at the Civic Club Monday night. They killed the elk recently while on a deer hunt.

Gene Evans and Mr. and Mrs. Zack Payton left last week end for New Mexico on a deer hunting trip.

Mr. and Mrs. Preston Graham and R. D. Meyers were guests of Mr. and Mrs. Howard White Sun.

The Youth Revival, sponsored by the Tech students and Rev. Bill Tanner at the Baptist Church, was held from Friday night through Sunday night. A good meeting was reported.

Mr. and Mrs. A. W. Beard were guests of Mr. and Mrs. N. V. Beard Sunday.

The District Conference of the Methodist Church will meet at Tahoka Saturday, Nov. 18.

Mr. and Mrs. Floyd Pair visited Mr. and Mrs. Orvil Pair near Muleshoe Sunday.

Guests in the home of Rev. and Mrs. Bill Tanner last week were Mr. Tanner's parents from Abilene.

Mr. and Mrs. Troy Brown were guests of Mr. and Mrs. W. E. Meyers Sunday.

Mark and Martha Pair visited Theresa and Wade Griffin Sun.

Mr. and Mrs. Ansel Little had as their week end guest Mrs. Little's mother from Eastland.

Guests in the home of Mr. and Mrs. J. A. Russell Sunday were Mr. and Mrs. E. Henderson and Mrs. McCasland of Post, Mr. and Mrs. L. D. Peoples, Mr. and Mrs. J. C. Miller, Mr. and Mrs. Felix Buck, Mr. and Mrs. Alton Rus-

Posey Items
R. L. BOYD

H. T. Henziheffer of Kilgore, who has been working at the Tudor Gin, has returned home because of the illness of his daughter.

Mr. and Mrs. Ed Maeker, and Edward and Linden Lee were in Slaton Sunday where Frank Maeker celebrated his birthday.

The Home Demonstration Club was to meet Wednesday with Mrs. Betty Johnson.

J. C. Harper and Riggs Belcher have been hunting deer in New Mexico and J. E. Davis is a member of a hunting party in the Davis mountains.

R. B. Boyd has been on a deal to sell a farm near Wayside in Lynn County.

The new oil well which was started last week is located about 3 1/2 miles northeast of here. J. O. Long is the owner of the land where the well is being drilled.

Mr. and Mrs. J. T. Fullingim of Petersburg were visitors of Miss K. Boyd Saturday.

Rev. Bill Lewis of Lubbock was visiting friends here Friday.

F. B. Tudor says that he will probably gin more cotton than was estimated early in the season.

Jack Cooper and Mr. Richardson were here Friday on business.

A total of 29 votes was polled at the general election held Tuesday. M. P. Gentry, election judge, says it is, as far as he knows, the last election of the year.

sell, Mrs. G. J. Russell, and Mrs. Florence Buck, all of Slaton.

There were several visitors at the Methodist Church from Morse, Texas, and Mrs. McWhorter and 6 girls from the Baptist Church, Sunday.

Mrs. W. D. Meyers and two daughters, Dorothy Ann and Virginia and Mr. and Mrs. Charlie Meyers left Friday for Dallas to visit their daughter and sister, Mr. and Mrs. E. H. Milton, and another daughter, Mrs. Sallis, were going to meet them in Dallas for a visit.

Visiting in the home of Mrs. Lula Gamble Sunday were Mr. and Mrs. M. J. Ellenberger and Miss Christine Ellenberger of Roters, Texas, and Mr. and Mrs. J. W. Ellenberger and two daughters of Lubbock.

Mr. and Mrs. C. C. Nelson and son of Eastland were week end guests of their parents, Mr. and Mrs. Jess Joplin and Mrs. S. D. Nelson.

Mr. and Mrs. L. L. Green and children visited in Midland Sunday, in the home of Mr. Green's brother.

Mr. D. S. Paine of Nocona is visiting Mr. and Mrs. Claud Anderson, Mrs. Paine and Mrs. Anderson have been friends since they were eight years old.

Southland Victors Over Wilson 18-15

Southland Girls Basketball team won a hard-fought game over Wilson Tuesday night, November 7, in the Wilson Gym by a score of 18-15. Mary Francis King led the scoring for both teams with 14 points. Emma Basinger collected 4 for the Southland club.

For Wilson High School Campbell made 6, Limer, 5, and Coleman 4. L. G. Fuller was the referee.

The victory was a costly one for the Southland club as Laqueta Bruster, forward, suffered a fractured rib in the contest and had to be hospitalized after the game. Bruster continued to play the fourth quarter of the contest despite the injury.

HOSE SPRAYS SPIDER'S SILK—Camouflage experts could well take a lesson from the eight-legged architect in Port Washington, N. Y., who built this conical web on a garden hose connector. Anchored to a garage sash window, the spider's web appears to be nothing more than a harmless spray of mist but spells doom for unwary insects. Examining the booby trap is 11-year-old Denis McLane.

DR. W. E. PAYNE RECEIVES SPECIAL INSTRUCTION

Dr. W. E. Payne returned this week from Galveston where he attended a tumor school held by specialists in the treatment of tumors at the University of Texas Medical school.

Charlie and Jack Hughes, and Mrs. Effie Price and son Bill, all of Cleburne, attended the funeral of A. F. Pierce in Slaton November 7. Also, attending the funeral from out of town was Mrs. Lucie Dulaney of Ector, who is a sister of Mr. Pierce.

Mrs. J. G. Greaves of Portales, N. M., visited recently in the home of her sister and family, Mr. and Mrs. R. H. Todd.

Mr. and Mrs. Kenneth Tanner and daughter, Susan, of Portales, N. M., attended the Tech ex-student celebration in Lubbock Saturday, and visited Sunday with Mr. and Mrs. C. L. Tanner in Slaton.

Miss Myrtle Teague of Dallas and Mrs. Woody Davidson and small son of Arlington, Texas, were week end guests of Mrs. Joe Teague, sr.

OUT OF GODFREY'S TEABAG

This weather lately is certainly something. One minute it's stifling—the next you're freezing. Ever notice how women walk around on these nippy days in flimsy stuff and not seem cold? Well one of them told me her secret the other day. Yes sir, this is it. She said her hat was by Lily Dache, her suit by Jacques Fath—and her snuggles by Long-John!

Television is certainly different all over the country. In New York if something goes wrong you get snow on the screen; in Virginia you get ham and gravy.

A friend of ours had a new English butler in the household, and the first afternoon he served tea to some guests. Our hostess complimented him on the appearance of the tea table but quietly remarked that there was only a small amount of lemon and cream. The butler drew himself up and said he had done that on purpose. "I always thought Americans took their tea straight."

One of my friends has just gone into business for himself. Quite an undertaking, these business ventures—and he's really gone into this in a big way. Even went so far as to buy two new cars and everything! Only he has to go halves on everything. One of the cars belongs to him—and the other to the finance company.

Honest to goodness, some of the politicians really have a soft job. They work just so long—and before you know it they're off on vacation. I'm beginning to think some of them spend more time in Florida than an orange crop.

Sgt. and Mrs. Henry King and children of Lawton, Okla., spent from Thursday night until Saturday evening with the Harry Kings of Southland, and the Pete Kings of Slaton. Mrs. Harry King accompanied them to Wienert Saturday evening for a week end visit with her father, I. N. Furrh and other relatives and friends in and around Wienert, returning home Sunday afternoon, with Mrs. F. W. West and Ray and Francis Carnes of Slaton and Mrs. West's sister and husband from Lubbock.

Southland basketball girls beat the Wilson girls in a practice game Tuesday night at Wilson. This Tuesday Wilson comes to Southland for another game.

Mr. and Mrs. Otho Quisenberry and Charles visited Mr. and Mrs. Leon Bowman and Gerry of Lubbock, Sunday.

Mr. and Mrs. A. J. Becker and daughter, Margie and Otho Dillard left Friday night for Temple to visit Mrs. Becker's brother who is very ill.

Mr. and Mrs. D. D. Pennell and family visited the Bill Long family of Barnum Springs, Sunday.

Visiting Mr. and Mrs. J. H. Haire and Johnie last week was her mother, Mrs. J. H. Ramsey of Post.

Mr. and Mrs. J. R. King and Marck spent the week end in Midland with Mr. and Mrs. Malcolm Brennehan. Mrs. Brennehan has just returned from Italy and Paris.

Everyone is invited to attend the Harvest Festival at the Southland High School Friday night, Nov. 17. The Festival is being presented in place of the Halloween Carnival which was postponed because of the dismissal of school for cotton harvest. The same program will be given that had been prepared for the Halloween Carnival. The Queen will be crowned, etc. Everyone is invited to come and enjoy a night of fun.

Rev. Gray returned Friday from Fort Worth where he attended conference.

Mrs. Dol Haire and Mrs. Adlene King and their sons, Johnie and Marck, shopped in Lubbock Tuesday.

Wayne Rogers and Billy Lancaster left Saturday for Abilene to join the Air Corps. They were sent to Vernon from Abilene.

Mrs. L. B. Hambright has returned from Midland where she visited with her son and family.

Mr. and Mrs. Glen Burton and son, Mr. and Mrs. Junior Burton and baby, all had supper with the Huckabays in Slaton recently.

Mr. and Mrs. Carl Cedarholm of Post visited the A. A. Fergu-

POINTER AIDS TV SETTERS—Wizards in General Electric's Syracuse laboratory have devised an electronic pointer (vertical bar of white on screen above) which will be used to spot ball carriers on television screens. By following the back or white arrow on his set, the video viewer will know who's plunging with the pigskin unless the commentator isn't on the ball.

"COTTON SPECIAL" IS INAUGURATED BY SANTA FE RAILWAY

AMARILLO, Nov. 13 — The Santa Fe will inaugurate today a "Cotton Special," daily expedited freight train from Lubbock to the Gulf Coast.

H. C. Vincent, Traffic Manager at Amarillo, revealed that plans have been worked out with the cotton interests to operate a daily cotton special, leaving Lubbock at midnight for Houston and Galveston ports. Compresses and warehouses are stepping up their operations to feed into the special train service, thereby speeding the Plains crop to market.

The train will run during the cotton shipping season as long as the traffic justifies. It is designed to alleviate the congestion at compresses and interior storage points that is anticipated as a result of this year's crop.

sens Sundays.

Joe Gayle Fleming and Harry Nesmith of Kirkland Air Force Base, Albuquerque, N. M., were week end visitors in the home of the John Flemings. They attended home coming at Tech Saturday.

Funeral Services Are Held In Slaton For A. F. Pierce

Ambrose Ford Pierce, 81, was buried Tuesday afternoon in Slaton following funeral services in the Slaton Church of Christ.

The father of Mrs. Will Wright of Post, he died Sunday afternoon at his home. Other survivors include his wife, a sister, Mrs. Lucy Dulaney of Ector, a brother, Medford Pierce of Ector; four grandchildren and two great grandchildren.

Mr. Pierce had lived in Slaton 15 years. Prior to that he lived in the Graham and Close City communities. Dean Brookshire, and Andy Burks conducted the services.

Pallbearers were his grandsons, Kenneth and Jack Wright and Neely Eichelberger, and his nephews, Bill and Charles Beal and Bill Price. Honorary pallbearers included Clark Self, Key Ely, Paul Houston, Hershel Glasscock, Virgil Jones, Ed Golden, Charlie Walton, Joe Wicker, S. Eves, Gale Jenkins, Estell Ham, and Oran McWilliams.

Burial was in Englewood cemetery in Slaton.

Alliquippa, Pennsylvania

Queen Alliquippa of the Lenni-Lenapes Indian tribe ruled villages on the Monongahela and Ohio Rivers. She lent assistance to George Washington when he went into the Ohio Valley. The city which now bears her name is about 20 miles from Pittsburgh, on the Ohio River, in the region over which she once reigned. Steelmaking began in Alliquippa towards the end of the 19th Century. Today, the town has a capacity of more than 1,700,000 tons of open hearth, bessemer and electric furnace steel.

Leather Soles

Laboratory tests prove that there can be as much as 90 degree variation in temperature between the outside and inside of a leather sole on a winter's day.

New Corn Hybrids

Suitability of new hybrids and varieties of corn can best be determined by comparing them with locally adapted standard hybrids or varieties.

room enough to receive it" (Malachi 3:10).

The Lesson-Sermon also includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "To those leaning on the sustaining infinite, to-day is big with blessings" (Preface VII).

CHRISTIAN SCIENCE SERVICES HELD ON THANKSGIVING DAY

Thanksgiving Day services are held each year by The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. and its branches throughout the world. The order of service includes the reading of a Lesson-Sermon on the topic of "Thanksgiving," and opportunity is afforded for testimonies of gratitude to be expressed appropriate to the occasion. The public is cordially invited to attend these services.

The Golden Text is: "Oh that men would praise the Lord for his goodness, and for his wonderful works to the children of men! And let them sacrifice the sacrifices of thanksgiving, and declare his works with rejoicing" (Psalms 107:21,22).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be

HEIGHT OF PRODUCTION—In the Byelorussian Soviet Socialist Republic, better known as White Russia, these peasants are almost completely hidden by the tall wheat that will soon be harvested. The chief wheat-producing section of the Soviet Union is the Ukraine, with its famous belt of black soil. This Soviet photo, however, attests to the fact that modern drainage methods have greatly increased the arable area of White Russia's marshy land.

TACKLES EMBROIDERY—Six-foot-four Jack Trebilcock, 205-pound right tackle for DeAndreis high school in St. Louis, relaxes with embroidery before kick-off time. Engrossed with a "Lazy Daisy" stitch, the husky grid star says, "I do a little work before each game. It calms my nerves." You can bet that he takes plenty of needling from his team mates.

Mr. and Mrs. Charlie Walton and daughter, Viola Mae, drove to Dallas last week-end to attend the homecoming celebration at SMU. They attended the SMU-Texas A & M football game. Mrs. Walton said 4500 cadets were at the game.

W. E. McCain returned from the San Angelo Clinic November 7. He went back to the Clinic Monday, November 13 for a check up.

Mr. and Mrs. J. S. Edwards, jr. and sons have moved into their attractive new home at 745 So. 18th.

Mary Lou Punkoney, who was a telephone operator here for four years, moved to Dallas October 15, where she is employed at a Dental Clinic. She is making her home there with an older brother.

Miss Martha Cudd of Crosbyton and Mary Ann Cudd, a student at Tech, spent the week end with their parents, Mr. and Mrs. R. W. Cudd.

You May Never Get Such Low Prices Again

Newspapers May Be Hard To Get

It is the time of the year when a great many people renew their newspaper subscriptions and the Fort Worth Star-Telegram is offering advanced special rates on both new and renewal subscriptions. In a recent letter the Circulation manager of the Star-Telegram stated that there are indications that conditions similar to those that prevailed during World War II might prevail again and that the feature rates might be cancelled at any time, and new subscriptions become unobtainable.

Here are the rates now available on the Star-Telegram: 1 year by mail with Sunday, \$13.95; in combination with the Slatonite, \$15.95. The Star-Telegram, 1 year without the Sunday edition, \$12.60. The Star-Telegram, 1 year by mail without the Sunday edition and the Slatonite, \$14.60.

The Star-Telegram usually offers Bargain Prices later in the year, but it is likely that after the next sixty days that these special prices will be withdrawn.

The rates are for either renewal subscriptions or for new subscribers, and if you would like to get this paper along with the Slatonite we advise subscribing now at the Slatonite office.

Any one wishing to subscribe or renew mail subscriptions for the Lubbock Avalanche can do so at the Slatonite office. The present rates are: Avalanche with Sunday, \$10.95, without Sunday \$9.00 per year. Those who wish to subscribe to both the Avalanche and the Slatonite will be charged \$11.95 for Avalanche with Sunday and \$11.00 without the Sunday Avalanche Journal.

Even if your Avalanche and Slatonite do not expire at the same time the renewals can be made, and it is not necessary to wait until your Avalanche expires to renew, as the expiration dates will be moved up from the date of expiration, and not on the day when payments are made.

It would be well to subscribe now for the Avalanche, as the same conditions that control the Star-Telegram are likely to have the same effect upon all other newspapers over the nation.

JUST TALK

by A.M.J.

There are folks like Butch Hillen, George Taylor and Charlie Austin, who go around bundled up in woolen underwear and rosy noses, who will tell you that winter time is just what they like, it gives them zip and vitality, but to me it means misery.

Woolen underwear gives me a feeling that I am closed up in an airtight room so I put on about 4 inches of clothes and look like a picture of one of the Manchurian soldiers, with his quilted suit and fur cap, my nose is as rosey as any one else's, and usually drips, and right now, at the very beginning of winter, I am counting the days until the birds would be singing in the springtime, if there were any birds on the South Plains, and the bees will be stinging, the fish won't be biting and the women will be wearing sausage tight slacks.

There are folks, who usually have a cold from October until June, who insist on sleeping in a cold room with one or two windows open to the world, regardless of how cold things get. To think of such a thing chills my soul and I view with alarm the fact that the window has a wee bit of a crack open at the bottom and to get up on a cold morning and look out at frost on the next door neighbors roof sends me back to bed with rigors running up and down my spine like waves on a stormy sea and I have to be prodded out with an ice pick. To me, a trip around town on a cold day is just a foot race from one stove to the next and they cannot be too close together. There is one improvement in the town that I'd like to see made and that is a bigger and better stove at the Post Office.

As the official dish wiper at our house I am in the dog house, not far enough to lose my job but still I am not in good standing. A measuring cup is missing and as it was last seen knee deep in the rinsing water, it seems that I must have been the one who absconded with it. It is implied that I might have had use for it as a hiding place for fishing worms or that I have hidden it away to use in some devious ways at the Slatonite office and when I deny that

I have seen or hidden the cup I am eyed with a very suspicious glare.

Perhaps I should see a good psychiatrist for I have no remembrance of having taken the measuring cup nor can I imagine what I could do with it if I had absconded with it but there is no measuring cup in our kitchen when there was one there when I started wiping dishes. There must be some gremlins around our house and I am sure there are a whole flock of them at the Slatonite office for there are more little screws, nuts and screw drivers that vamoose in the thin air than at any place I know of. It is very inconvenient to live with gremlins that take things, especially things that are of no use to any one else, personally I would not blame a gremlin from making off with a big slice of pie, a dish of ice cream or a turkey sandwich but what he, or perhaps it is a she, is going to do with a measuring cup, I have no idea for I have never seen my wife use one for measuring anything with one since we have been married for when she makes stuff to eat, she mixes it by the handfull on the guess as guess can plan and why she wants the measuring cup, I have no idea; but since it is gone I feel very guilty, especially as it was placed in the rinse water to be wiped and has not been seen since. My conscience hurts.

There must be a mean streak in my disposition for I found real pleasure last Saturday evening when I went around to help do the yeoman service on the weekly shopping spree and I noticed with pleasure that most of the clerks in the stores and the managers in the stores looked as petted out as I do on Thursdays after the papers have been taken to the Post Office and the big job of the week is off our shoulders.

O. A. Griffith was scooting around Anthony's as if he were on roller skates, his red hair was waving in the air like ripe wheat on a breezy day, his knees were at low tide and his shoulders in the fix the last rose of summer must have been in. By most human standards I should have felt a twinge of sympathy but I was glad to find some one who had the same appearance as the folks at the Slatonite do on Thursdays.

Over at Piggly Wiggly I found Mr. and Mrs. Hack Lasater two jumps behind and in a high dither with the shelves almost empty and shoppers ganged up and grabbing things right and left, again I should have felt sympathetic but for some reason I felt a sense of glee. Mrs. Oates was banging away on the cash register as if she could hardly raise her cash drawer pushing finger and the shoppers were pushing and shoving away, the same was true at Salem's and Martin Collins was scooting around as if a bee had just sat down on him and pushed. Skinny Eaves and Mr. and Mrs. T. J. Eaves were all playing on cash registers as if they were a family of Swiss bell ringers and everybody looked as if they would be glad when Saturday would be over. It's a pleasure sometimes to watch the other folks suffer, especially on Saturday evening when you are taking things easy.

There are only a certain number of shopping days until Christmas, how many I do not know for I am too lazy to go to the trouble of counting them but I know that

"Francis" The Talking Mule, To Be At Slaton Sunday and Monday

ZaSu Pitts, as an army nurse, has plenty to wring her hands about in Universal-International's laugh-fest, "Francis." Not only must she care for a soldier, Donald O'Connor, who insists he knows a talking mule, but lovely Patricia Medina turns up and impedes her patient's "recovery."

I should start worrying about what I should give my wife, to my sister and to a few folks who are worrying about what to give me and who usually end up by sending ties that I don't like or shirts that do not fit.

Every year at this time I think of the little girl who received a pin cushion as a gift from a wealthy aunt and was forced by her mother to write and thank the aunt as there was a possibility that the aunt might leave the niece a nice sum of money some day.

The little girls letter read: "Dear Aunt Lizzie; I want to thank you so much for the beautiful pin cushion you sent me for Christmas. It was just what I wanted, but not very much."

It seems to me that my wife has most everything she needs except things that cost from \$1000 and up and as I am out of \$1000 bills and have very little hopes of digging any up in our back yard or having little bunnies leave any under a cabbage plant, I am beginning to feel a little nervous and the feeling will grow and grow and grow until I go down and buy my wife a beautiful little thing similar to the little girls pin cushion and my wife will feel about it about the same as the little girl did.

Christmas comes but once a year and its a mighty good thing for most of us.

FOOT-CUFFED - Seven-year-old Dick Perry of Detroit stuck his foot in it—his left and right—when he discovered his policeman father had forgotten his handcuffs. The "playthings" remained shackled on Dick's ankles until his father was located on his beat and rushed home to unlock his son.

Nurse Tells How Hadacol Was So Helpful To Her

Supplied Vitamins B₁, B₂, Iron and Niacin Which Her System Lacked

Mrs. Jennie Lee Adele, 412 N. 27 St., East St. Louis, Ill., a nurse, says she wishes she had found out about HADACOL sooner because since taking HADACOL she feels so good. Mrs. Adele was suffering a deficiency of Vitamins B₁, B₂, Niacin and Iron which HADACOL contains.

Here is Mrs. Adele's own statement: "I have been a nurse for over 14 years. My food never seemed to agree with me. I heard one day how so many folks were being helped because of HADACOL. I tried it and after 3 bottles I could tell a big improvement. Now I eat anything I want—sleep well and I am full of energy."

Why HADACOL Gives Such Fine Results

HADACOL does not bring just symptomatic relief. HADACOL now makes it possible to actually relieve the cause of aches and pains in the shoulders, legs and arms, certain nervous disturbances, and a general run-down weakened condition due to deficiencies of Vitamins B₁, B₂, Niacin and Iron in your system.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B₁, B₂, Iron, and Niacin but also helpful amounts of important Calcium and Phosphorus

elements so vital to help maintain good health and physical fitness.

Why These Vitamins and Minerals Come In Liquid Form There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

Don't Be A 'Doubting Thomas'

After reading Mrs. Adele's wonderful experience with HADACOL—how can you doubt that this great new nutritional formula will help you if your system lacks Vitamins B₁, B₂, Iron, and Niacin?

What HADACOL did for Mrs. Adele, it can do for you if you're troubled with aches and pains in the shoulders, legs, and arms, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for! Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

Sold On A Strict Money-Back Guarantee

HADACOL even helps build up the hemoglobin content of your blood (when Iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful.

Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around—a burden to yourself and your family—when relief may be as close at hand as your nearest drugstore if you suffer a deficiency of Vitamins B₁, B₂, Niacin and Iron. This great HADACOL is inexpensive, too—costs only a small amount a day. Trial size, only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana. © 1950, The LeBlanc Corporation.

SALEMS SLATON TEXAS

FORMERLY PAYNE'S

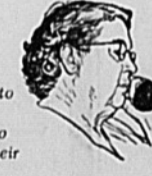

What a big help!

Monday—"Mrs. F. called to volunteer help on our Christmas dolls for the poor baskets. That will be a big help!"

Tuesday—"My neighbor, Wanda, wants me to help at her party this afternoon. Glad she called early!"

Thursday—"Hashed over school problems with Inez. Interested, because I'm still a substitute teacher!"

Wednesday—"Set to go to grocery when Edith called, wants me to drive over for some of their apples. The family loves apple pie."

Friday—"Daughter Mary Ann makes plans for a formal dance. Big event."

Friday—"Ed, my husband, called to tell me he'll catch a later bus from the city. Saves me a wait at the bus stop!"

There's a pleasant bustle of family life in the home of Mrs. Ida Bianchi, on the outskirts of Oklahoma City. And the telephone is right in the middle of everything.

Mrs. Bianchi proved that by keeping track of all calls, in and out, for five days. She's a substitute school teacher, mother of a teen-age daughter,

and does a lot of work for charity, so her telephone runs a variety of errands.

Even she was surprised to see how many there were, and how little they cost—only 14¢ a call!

"The telephone is a BIG help to me," she says. "It's certainly a bargain

when you stop to think of the time and steps it saves!"

To Mrs. Bianchi, our thanks for her kind words. We are doing our best to make telephone service a real bargain today—and to keep it growing in value! Southwestern Bell Telephone Co.

What else gives so much for so little?

Tigers Tie Post Antelopes 26-26 In 4-A Battle Here Friday Night

Slaton and Post—two great rivals clashing in their 29th annual meeting—fought to a 26-26 tie here last Friday night in a 4-A Conference contest played before a handful of spectators at Tiger Field.

Below-freezing weather kept an expected over-capacity crowd from the stadium, with most fans staying at home to hear the radio broadcast of the game.

The 26-26 tie game was not won on penetrations by Slaton as had been announced previously. No agreement on such a condition was made in District 4-A Conference. Therefore, the game goes as one-half won, one-half lost for both teams. Slaton held the edge in penetrations, however, over Post, 6-4.

Slaton jumped to a 14-0 lead in the first quarter before the Antelope offensive unit could get started. Bill Butler, 150-pound halfback, crashed over for two touchdowns and Lee Ray Dillard added two extra points to give the locals the lead.

Butler set up the first score with a 47-yard scamper down the right sideline to the Post 20. Bob Lambert was held for no gain, and then ripped around left end to the 11. Butler picked up three through center, and Lambert plowed to the six. Then Butler burst through for the score. Dillard added the extra point.

Post tried one play from scrimmage after receiving the Slaton kickoff, before a Jack Kirkpatrick pass was intercepted by Bob Taylor on the Slaton 47, and returned to the Post 40.

Taylor hit the line twice, gaining to the 31, and Douglas Dreyer picked up a first down on the 29. After Taylor gained another yard, Butler tore around right end for another first down on the 18. Three plays later, Taylor smashed to the four for a new series of downs, and then carried to the two. Swift-footed Butler romped around right end for the score, and Dillard converted.

Post took the ensuing kickoff and marched 80 yards to the score, with Quarterback Jack Kirkpatrick leading the attack. Norman Cash climaxed the drive by smashing over from two yards out, and Kirkpatrick's conversion attempt was broken up.

Shortly before the half, Post struck again. The Antelopes recovered a fumble on the Slaton 22. Kirkpatrick passed to Babb for a first down on the 10, and then heaved one to Cash for the touchdown. This time, Kirkpatrick's conversion was good.

Jack Schmidt recovered a Slaton fumble on the Post 40 midway of the third quarter, Kirkpatrick tried a pass on the first play from scrimmage, but the play was broken up. Then the brave quarterback flipped an arm to Cash, who gathered it.

in on the Slaton 47, eluded a Tiger defensive man, and sped down the sideline for the touchdown. Kirkpatrick added the point after touchdown, and Post led 20-14.

Late in the final period both teams broke loose with offensive shows. Slaton was the first to hit paydirt, R. A. Thompson flipping a touchdown pass to Shug Collins from 14 yards out. The scoring play terminated a 28-yard Tiger drive. Dillard missed the extra point, and the two teams were deadlocked, 20-20.

Post fumbled on the first play from scrimmage following the kickoff, Leon Moore pouncing on the pigskin at the 15. Taylor rambled to the seven, then to the four, and then to the two, before finally hitting paydirt. Dillard's conversion was no good.

With little over a minute remaining to play, the Antelopes took to the air. Don Brown passed to Gene King to the Slaton 32. Cash ran to the 25, and a pass from Brown to King clicked for 25 yards and a touchdown. Cash went back to try for the extra point, with R. J. Babb holding. But Babb flipped the ball high to Cash, who finally tried a desperation pass for the extra point. The ball fell away incomplete, and the score was deadlocked, 26-26. Time ran out moments later.

Mrs. Ella Sears and daughter, Mrs. Lacy Turner, and granddaughter, Lale of Snyder are visiting Mrs. Irene Elkins and Mr. and Mrs. Tom Keene.

Mrs. S. H. Adams has received word that her nephew, John Frye, is stationed on Midway. John is in the Navy Reserve and was recalled to active duty in August.

CHICK CHATS

NEWCASTLE ALSO STRIKES IN FALL

Sudden attacks of Newcastle in the fall and winter months are not unknown. In fact, a high percentage of Newcastle outbreaks have occurred during September, October, November, and December during the past few years.

When Newcastle disease strikes a flock at this time of year, the results can be disheartening as well as damaging, since birds commonly come down with the disease just after egg production gets underway. With Newcastle putting a flock out of action for 5 to 6 weeks, a raiser's entire laying program is interrupted, and his egg profits sink far below expectations.

How About Vaccination?
The control of Newcastle disease is largely a problem of sanitation and vaccination. Although vaccination for the disease is recommended at an early age, bird sanitation and vaccination. Although without ill effects.

Of course, this has been a risky practice up to this time, but with the introduction of a new, mild strain of live virus for use as an intranasal vaccine, most of the risk has been eliminated.

Newcastle vaccine of the intranasal, live virus variety is for use on birds of all ages, day-old chicks right on up to laying birds. It produces effective immunity and does not harm chick growth or affect egg production in layers.

Not Too Late
If you have not vaccinated your flock against Newcastle, and the disease is prevalent in your community, you can still vaccinate with intranasal, live virus vaccine, without endangering your birds or reducing egg production. Since Newcastle is swift-striking and gives little warning, it is wise to vaccinate now, before the disease appears in your locality.

You can use intranasal vaccine by simply dropping a dose of it in the upper nostril of each bird. Immunity is quickly obtained, in one day in most adult birds. And there is no danger of spread of the infection.

For those raisers who prefer the wing-stab method of vaccination, which is the same as fowl pox vaccination, various wing-stab vaccines are now available. They also produce effective immunity, but they are somewhat restricted in their usage.

STUDENTS FROM SLATON HIGH ATTEND AREA II FHA MEETING

Some members of the Slaton Future Homemakers of America Chapter attended the Area II meeting of the Future Homemakers of America in the Olney, Texas, High School auditorium Saturday, Nov. 4 and returned Sunday, Nov. 5. Mr. James Brooks took the group in his car.

Approximately 100 Lubbock County members and leaders were among the 650 delegates representing 65 schools present at the meeting.

In the major action of the day, the House of Delegates approved plans to select an "Area Mother." Suzy Hettler, area president, of Route 1, Lubbock, a student at Roosevelt High School, said the selection would be made on the basis of outstanding assistance in FHA work.

In approving the "Area Mother" award, the delegates outlined the qualifications to be used in making selections for candidates:

1. She must be a member of the Area II president's chapter of FHA.
2. She must attend FHA meetings.
3. She must make some worthy contribution to the organization.
4. She must have a genuine interest in homemaking and in FHA work.

Two special guests at the meeting were Rosemarie Witting and Ruth Bathow, German students in the home economics department at Texas Tech. They told the group of high school students in home economics that they appreciated the opportunity to visit in America to gather new ideas for improving similar programs in Germany.

Those who went from Slaton were: Barbara Brooks, historian, Patsy McCormick, treasurer, Joyce Mann, parliamentarian, Betty Sue Allred and Miss Frances Caffey, sponsor.

After attending the meeting, the group visited Kickapoo Lake where Mr. Brooks has a cabin under construction. They had dinner in the home of Mr. Brooks' brother, Mr. Lester Brooks, who is in charge of the Farm Experiment Station at Iowa Park, Texas. They also saw the color slides that were made by the farm group that toured the United States and Canada recently. —The Tiger's Cage.

Card Of Thanks

We wish to express our thanks and appreciations for all the kindness shown us during the illness and death of our loved one. Mrs. A. F. Pierce and Family Mrs. Lucy Dulaney, sister

What Happened In Slaton Last Year

Taken from the November 18, 1949 issue of the Slatonite:

Four Slaton citizens will attend the annual director's meeting of the West Texas Chamber of Commerce to be held in Ft. Worth, November 22. Those attending from here will be George W. Brasell, president of the local chamber; P. G. Meading, board manager; Lewis Hollingsworth, treasurer of the local board and member of the West Texas board, and J. B. Huckaby, Slaton city commissioner.

For the first time in two years, the West Ward elementary school has a lunchroom to accommodate children at the noon meal. Serving meals for the first day Monday, Mrs. D. W. Haliburton and Mrs. Toy Melton are in charge of the lunchroom. Mrs. D. W. Walston also assists.

Two champs—Slaton's Tigers of 4-A South and Littlefield's Wildcats of 4-A North—will clash today at 2:30 p. m. at Jones Stadium, Lubbock, in battle for the District title. Both teams advanced to the title playoff game last week end. Slaton nosed out Post 7-6, while Littlefield had a tough time downing Levelland 20-13. Use of the neutral field for the game was agreed on last Sunday at a meeting of school officials in Lubbock.

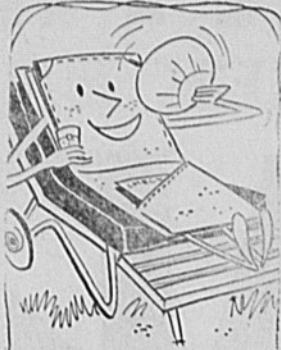

The First Methodist Church of Post was host Tuesday Nov. 15 to more than 250 pastors and delegates who gathered for the annual conference of the Lubbock district of the Methodist Church.

Mrs. W. T. Howard and her son Neill spent the week end in San Angelo where they visited Mrs. Howard's parents, Mr. and Mrs. G. B. Neill.

Mr. and Mrs. Harry Anderson and daughter, Nancy, from Albuquerque, N. M., former residents of Slaton, were week end visitors in the home of Mr. and Mrs. John Fertig.

Sam Elkins of Justiceburg is visiting in the home of Mr. and Mrs. Tom Keene.

T. E. Mann, is visiting with his sister and family, Mr. and Mrs. W. E. McCain He is from Brenham, Texas.
