McLean Tigers Begin Practices For Upcoming Season

ARE YOU READY FOR SOME FOOTBALL! This is the year for the McLean Tigers. "Go-Go-Go, trust yourself, eyes up, pick it up, great job", and other words of encouragement carried across the practice field as Head Coach Jack Graves and Coach Blaze Herring put eighteen players through drills Monday morning. The first day of two a-days have begun. Suiting up for the tigers are Seniors-Matt Applewhite, Seth Childers, John Haynes, Anthony Ruiz, Jayme Welch. Juniors-Zach Richardson, Frank Saunders, Trey Skipper, Mark Smith and Logan Sparling. Sophomores-Corey Ashley, Chase Bohlar,, Dakota Taylor and Chris Wedgeworth. Freshmen-Corey Graham, Blake Lee, Ed Green and Cody Morris.

The first practice was actually held Monday at 12:01 AM. The coaches were glad to see the number of boys who came out for midnight madness practice. Coach Herring grinned and said, "The boys wanted the midnight practice. It has become an annual tradition and they look forward to it every year."

"We are excited about the season", Coach Graves stated.

According to Coach Graves there are ten starters returning, five on offense and five on defense. "Of course, some of the boys play both offense and defense", Coach Graves enthusiastically said. There are four freshmen and two sophomores with the remaining being either juniors or seniors.

The team will have experience in all positions

and this should help led the way for a successful year and a run for the district championship. "We are picked second behind Samnorwood", stated Coach Graves. "However, we match up player to player and I think McLean vs. Samnorwood will be the game to decide the district championship." Coach Graves went on to say that Matador Motley County and Groom were also going to be tough games. Although, Lazbuddie, the other team in our district is rebuilding, Coach Graves said, "We are not going to overlook any team in our district."

McLean's first scrimmage is August 19th, 10 AM in Kress. The Tigers scrimmage Lefors August 24 before opening home against Patton Springs August 31.

Alanreed Association Hears Extension Agent

Ranchers Joe Morgan and Ray Harris discuss brush control with Brandon McGinty

The Alanreed Community Association met Saturday August 5, 2006 for their regular monthly meeting. After the potluck supper, guest

speaker Brandon McGinty, Gray County Agricultural Extension Agent, gave the program.

Mr. McGinty presented a program on herbicides

and the control of mesquite, sagebrush, yucca or bear grass, and several other "pesky" common problems for farmers and ranchers in the area. The

program was very informative with a slide show presentation.

Mr. McGinty and several of the members of the association spoke after the meeting about the possibility of him conducting a class in Alanreed for persons who are interested in acquiring an Applicator License. The need for the license is because some of the herbicides can only be purchased and used by a licensed applicator.

The class for the license is a three and one half hour class, which includes instruction and testing. The license is good for five years.

The fee for the license from the state is \$50.00. Renewal of the license requires 15 unites of See Alanreed, pg.8

2006 Property Tax Rates in City of McLean

This notice concerns 2006 property tax rates for City of McLean. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:	
Last year's operating taxes	\$81,921
Last year's debt taxes	\$0
Last year's total taxes	\$81,921
Last year's tax base	\$13,015,150
Last year's total tax rate	0.629428 /\$100
This year's effective tax rate:	
Last year's adjusted taxes (after subtracting taxes on lost property)	\$80,474
+ This year's adjusted tax base (after subtracting value of new property)	\$12,555,851
= This year's effective tax rate	0.640928 /\$100
<i>(Maximum rate unless unit publishes notices and holds hearings.)</i>	
This year's rollback tax rate:	
Last year's adjusted operating taxes (after subtracting taxes on lost property and adjusting for any transferred function, tax increment financing, and/or enhanced indigent health care expenditures)	\$80,474
+ This year's adjusted tax base	\$0
= This year's effective operating rate	0.640928 /\$100
x 1.08 = this year's maximum operating r	0.692202 /\$100
+ This year's debt rate	0.000000 /\$100
= This year's total rollback rate	0.692202 /\$100

Statement of Increase/Decrease

If City of McLean adopts a 2006 tax rate equal to the effective tax rate of \$0.640928 per \$100 of value, taxes would decrease compared to 2005 taxes by \$1,268.

Schedule A - Unencumbered Fund Balances

The following estimated balances will be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

DPS Reminds Drivers To Be Aware of School Bus Laws

School starts Wednesday, August 16 in McLean. The Texas Department of Public Safety reminds all drivers to watch out for children walking to school or waiting for school buses and to obey all traffic laws related to school buses.

Drivers also need to slow down and pay attention in school zones. Children may not be looking for oncoming traffic when they step into the roadway, so drivers must remain alert.

"Although school buses are the safest form of transportation for students, the most dangerous time of the journey is when children are entering and exiting the bus" said Col.

Thomas A. Davis, Jr., director of DPS. "When a school bus is loading or unloading students, the law requires drivers to stop.

State law requires approaching drivers to stop when a school bus is stopped and operating a visual signal (red flashing lights or a stop sign). Drivers should not proceed until the school bus resumes motion; the driver is signaled by the bus driver to proceed; or the visual signal is no longer activated. A driver does not have to stop for a school bus if it is on a highway with roadways separated by an intervening space or physical barrier. (If highway is divided only by a left-turning lane, the

roadways are not separated, and drivers must stop for

school buses.)

Drivers who do not stop for school buses face a fine of up to \$1,000. If a driver is convicted of this offense more than one time, DPS can suspend their license for up to six months.

"DPS has zero tolerance for vehicles that pass stopped buses," Davis said. "Drivers must slow down, obey school zone speed limits and stop for school buses to ensure the safety of Texas school children."

McLean ISD bus drivers are Clay Cooper, Joe Billingsley, Dick Crockett, Sally Seymour and Rhonda Sparling.

Clay Cooper and Sally Seymour service one of the buses before the first day of school.

The gathering begins at 6:30 PM and the village gates close at 8:30 PM. For more information, call 779-8836.

Matt Applewhite, Roman Soldier, Tyler Lamb (on donkey) and Katy Magee, market-goer take a break from the task of preparing the market place.

Library Renamed For Long Time Librarian Bertha Knight

Dignitaries from Carson County and The City of Groom were on hand on Groom Day to rededicate the Groom Branch Library to the memory of its long time librarian, Bertha Knight. Mayor Joe Homer, County Judge Lewis Powers, and County Commissioner Mike Britten proclaimed

the facility the Bertha Knight Memorial Library in a ceremony that drew nearly 100 people. Mayor Joe Homer welcomed the crowd and commented on what a wonderful person Bertha was and what a friend to the community, especially the children of Groom and the area the Mrs. Knight was. He also

told that a scholarship fund had been established in her name at The State National Bank. He introduced two of her relatives that were in attendance, Sue Norton of Amarillo (a niece) and Frank Neal (a nephew) of Bellview, Colorado.

Judge Powers invited the audience to share See Library, pg. 2

Groom Tigers Open 2006 Practice, Potential To Spread Field Offensively

Enthusiasm and optimism is high on the Groom Tiger football field as two a days began this week under new head coach Tim Davis. He takes over the head coaching duties with a team consisting of 14 players. Chad Barkley is recovering from mononucleosis. So it is questionable as just when he will be able to return to practice full time.

Coach Tim Davis played high school football in White Deer and was a part of the 1988 state championship team. He attended West Texas State University and then was an assistant coach under Caviler and Pampa. He and his wife, Miki have two sons residing in Pampa due

to the housing situation in Groom.

Coach Davis says that early in the season, players to watch and will be depended on for their

leadership are seniors Thane Barkley, and Blaine Britten. A big prospect showing great potential is freshman Eric Torres, Coach Davis adds, "He has looked sharp and runs good routes and has good hands."

The Tigers are ranked in preseason somewhere in the middle of the rankings thus far but are expected to surprise some people in their district. The Tigers are scheduled to scrimmage state ranked Follett there August 17. Then the first game will be here with second ranked Woodson.

The team is working offensively running a spread package with a solid running game, with the idea

Groom Day 2006 Celebrates Record Near Attendance

Groom Day has come and gone for the 30th consecutive year. We all Survived! It seems that this was a very good year with a "guess-timation" of about 1300 people in attendance over-all. Good feedback on the Ranch Rodeo time change and the outdoor dances on both Friday and Saturday nights have been reported to the newspaper and to many members of the Groom

Day Committee. The Friday night dance raised almost \$1500 for the Groom Volunteer Ambulance Service.

The Groom Lion's Club reported that approximately 700 people were served at the noon BBQ on Saturday afternoon. They also stated that they sold out of sausage on Friday night. This year the meat for the BBQ was donated in

memory of Al and Agnes Homer. Al was a lifelong member of Lion's Club and a great civic leader and one of Groom Day's biggest fans. Agnes always had kind words and encouragement for all. Anything Al did, she was right there to help. They would have loved this years celebration!

The parade was a good one this year with many See Groom Day, pg. 3

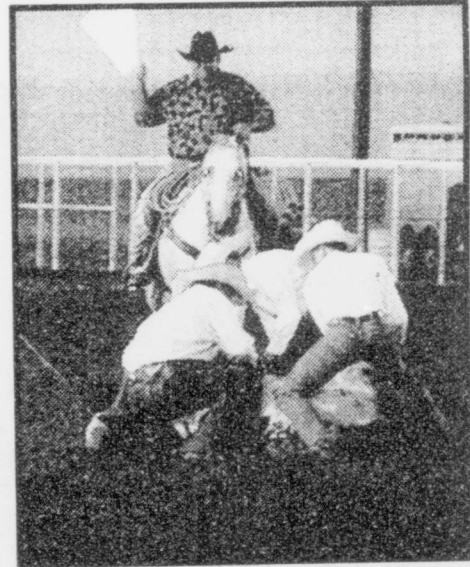

Ranch Rodeo Winner Tops \$4200.00 In Team Winnings

Groom Ranch Rodeo was a big success again this year. The facilities continue to be improved for the record number who attended and the cowboys and girls. Eighteen teams provided the entertainment for the two night event.

The Tongue River Ranch of Paducah, Tx won the All Around Average. Members of their team included Bubba Smith, Justin Johnson, Ty Smith, Ray Bradley and Hunter Meinzer. The group won the top prize of \$4200.00

2nd place in the Average was the J.A. Cattle Company of Clarendon Texas. Members of the team were Tim Stout, Teal Bennett, Tate Bennett, Klay Waters, and Steve Lookingbill.

3rd place was the Myers See Ranch, pg. 2

Letter to Editor Thanking

Hard Workers

My compliments to everyone who had any part in the activities of Groom Day 2006! The parade got the day off to a rousing start -- the pictures-on-stakes set a festive atmosphere everywhere you looked -- the food was plentiful and delicious -- the birthday cake made the meal even more fun -- citizens, both present and former, were friendly and

smiling -- it was a great day!

It's hard to believe that we've been celebrating Groom for 30 years -- that's a lot of memories. I haven't missed one and this was definitely the best one yet. Thanks to each and everyone of you.

Editorial Comment

A weekend of excitement and lots of visiting going on over the weekend for the Groom Day Celebration of 30 Years. The celebration as seen by many as one of the best and one of the better attended yet. It was thrilling to see because of so many hard workers to bring this weekend full of activities for all.

One of the recognizable

of the folks attending the celebration were our candidates for public office in November. This job is not an easy job, but we are all appreciated of these folks coming to Groom and shaking hands and making their attendance showing an interest in the Groom area.

These folks attending were Carson County Judge

Lewis Powers and his opponent Jackie West. Also seen attending were Dee Schroeder and Denise Salzbrenner, candidates for Carson County Treasurer. Also, attending but not up for re-election, was Sheriff Tam Terry. Thanks all of you for coming and showing an interest in

Groom and it's taxpayers. PJM

We Survived!

The Groom Day Committee would like to thank all the people who helped make this years Groom Day a huge success. The Volunteers who donated the supplies, money, time and ideas, helped make all the events successful. They ask nothing in return for their hard work but to see everyone enjoying themselves.

These same volunteers, who have to be exhausted, have already begun making plans to improve the events for next year. This is dedication and we are proud of you!

Germania Insurance Receives Top Honors For Fifth Year

When the founders of Germania Farm Mutual Insurance Association began providing protection for local farmers over 110 years ago, they probably never imagined Germania would be ranked among the top 50-property/casualty companies in the insurance industry.

Germania's Insurance is proven to be the insurance Texans trust by being recognized for the fifth year in a row by the Ward Group. "We are extremely proud of this accomplishment and of our entire Germania Team," says David Sommer, president of Germania Insurance.

Since 1991, the Cincinnati-based management-consulting firm has conducted an annual in-depth analysis of the insurance industry's top performing companies. The objective is to recognize the top 50 insurance companies that have excelled at balancing safety, consistency and performance over the past five years and benchmarked their performance within the industry.

"We look forward to the continued success of the Germania Companies and extend our thanks to all of the directors, agents and employees for giving the extra effort it takes to be a leader in our industry," says Sommer.

NOTE FROM THE EDITOR...

My sincerest thanks to everyone who has helped gather the information and shared pictures with us of the Groom Day Celebration. I appreciated all the help. Special thanks to Nila Burgin and Dondra Downs for sharing their "treasures". It is so hard to cover every event. We really appreciated you! We also would ask our

readers to be patient and we will try to run more stories and pictures next week. This is a busy time for news with Groom Day and School beginning. Be sure to turn in your Class Reunion News and your Family Reunion News, as well.

Thanks For Everything!
