Man Tries Suicide In Colorado Jail

WM Barrett Convicted In Robbery Here

Cord Off Package From Mother Used In Attempt To Hang Self

COLORADO-W. M. Barrett, accused robber of the Berman department store here a few months ago Thursday night attempted suicide by hanging himself in the Mitchell county jail.

Using a cord from a carton in which his mother at Dublin had sent him a gift package, the man fashloned a noose about his neck. He was found by Newt Miller, another inmate in the jail and cut

Taken to a hospital, his injuries were found not to be serious. Barrett Friday expressed the desire to end it

Barrett recently pleaded guilty to robbing the Cunningham and Philips Settles hotel drug store safe and was given a suspended sen-tence. He worked at the drug store a few days during the Wes. Texas Chamber of Commerce convention last May.

THE KIND OF SUCCESS

What makes a man a success in fife? Just what is the prize most out winning it?

There are dozens of answers to world seldom knows. while you run into something that hints that the best answer may be simpler, and different, from any-

se you listen for a minute the story of a lad named Jack

raised in the famous home at clares that "our schools ought to be Jack was an orphan. He was Moosehart, III. He got into his the last to feel the pinch of economy," and warns that while school omy," and warns that while seconomies in the school system are course and set his heart on getting more education. So presently he found himself a student at John Carroll University, in Cleveland.

It's not so easy to work your way

through college in the midst of a depression, but Jack did it. He not only earned his way, but he manto pay for a \$1,000 insurance policy to take care of three brothers and his kid sister, back in

He played football, too-good foot He was halfback on the university team, for all that he was pint-sized chap. Well, Jack fell ill this fall and

Mooseheart.

was taken to a hospital Pretty soon he knew that he wasn't going to get well. He didn't have any relatives to sit by his bedside and comort

aged to score the kind of success Tuesday, Wednesday and Thrusday

questions, some of them right, of them wrong and some a bit of each. But once in a boundary large something that the work was a large something that the been." Wouldn't you say that he had "succeeded" pretty completely?

A NATIONAL DANGER

Speaking on a National Educa tion association program, Secretary of the Interior Harold Ickes deeconomies in the school system are necessary, we already have gone a bit too far along that road.

ten to attentively. A democracy such as our's must camp at night.

gence of the nation, as Mr. Ickes can legion post commander, conremarks, is nothing but the sum of ceived the idea the intelligences of all its citizens. If the school system which trains will suffer likewise. If the school system which trains will suffer likewise.

We owe it to ourselves to keep those intelligences suffers a collapse, the ability of the nation to the curtailment of our educational the curtailment of our education the curt govern itself properly inevitably facilities at an absolute minimum.

Three Of Deepest Canyons In Nation Along Big Bend Of Rio Grande River

AUSTIN, (UP)-Dug deep into the earth by the constant rippies of the Rio Grande are three of the deepest canyons in the United Sintes, the Grand Canyon excepted.

They are the largest pockets of the great are known as the Big Bend. On its limestone ribs, its lava beds, petrified woods and fossils, is written Nature's own history of the formation of the earth and the creation of a continent.

tory of the formation of the earth and the creation of a continent.

For nearly a century, while Texans were building asphalt meas, alyscrapers, factories, ports and ahlps to the north and east of the Big Bend, this last frontier of a continent was generally forgotten.

One man in particular did remember it. His name is E. E. Townsend, ranch owner, whose home is at Alpine. Through Rep.

me is at Alpine. Through Rep. cal ages the area lay beneath the wasend the state legislature, sit-salty waters of an unknown see. ownsend the state legislature, sitng in extraordinary seesion, also
The Big Bend's mountains and valleys are fossilized with many strata
of aquarium and animal remains.

At the upper end of the park area is the 25-mile crooked yawn of BILIOUSNESS area is the so-anic Conyon. It begins in a great varieolored limestone uplift. The canyon's sidewalls are The canyon's sidewalls are broken for the first 17 miles. The lower part is like a gigantic, im-pregnable coffin.

Centuries ago when the Rio Grande began its march to the sea, it was obstructed by the Mariscal Mountain more than 30 miles from the Santa Helena. By pressure and erosion the great river cut a 1,-.00 to 1,500 foot channel through rock and lava, then found itself free until it approached the western face of the Del Carmen Range, in Mexico.

C. T. Watson, chamber of commerce manager, whe wired Governor Fergusta Tuesday morning giving her information concerning activities at self-styled "agents" who have been soliciting farmers to obtain their plak bollworm compensation by payment of a commensation by payment of a commensation replied to Watson with the following felegram;

"No one has been appointed, commissioned or authorized to collect commissions on plak bollworm money for collecting claims and it is wholly minecessary for farmers to employ anyone, F. W. Davis, Austin, R. J. Murray Lubock, and Joe E. Edmondson, Palestine, compose the official board to heat claims and they are paid by the state. Anyone else claiming in have official authority to cellect commissions for collecting claims is an imposter."

A number of farmers in northern Howard county have, in the face of warmings from Austin, signed with purported compensation by paying the 'agent' 25 per cent commission, according to reports here Tuesday.

At least one and probably three men have been canvassing farmers in the area affected by the bill recently passed appropriating 2500,000 to repay farmers for losses dus

is some in Cincinnation of the area affected by the bili recently passed appropriating 2500.000 to repay farmers for losses due to bollworm quarantine regulations.

All farmers are again warned that the Compensation Board appointed to manage distribution of the money due the farmers qualified to serve only Monday and that no one is yet officially authorized to deal with the farmers, especially to solicit a commission for collecting the sums due them.
