Country Music Video Filmed Here

Fame once again finds Groom, Texas! Just as the dust was settling from the production of the major motion picture, "Leap of Faith," a production crew from CMT (Country Music Television) and Capricorn Records came to town to film a music video.

Billy Burnett is the feature artist in the soon to be hit song, "Tangled Up In

Texas." Burnett has quite a musical heritage. His father was Dorsey Burnett and his uncle, Johnny Burnett. They were pioneers in the rock-a-billy style of music that was the forerunner of what is known today as country music. They were also song writers and wrote many, many songs. Some of them were made famous by Ricky Nelson. One that

has been done by many famous artists is "You're 16".

Billy cut his first recording at the age of 7 for Dot Records. Growing up he sang on many of the "Dr. Seuss" records that were so popular with the young children in the 60's and 70's. At 14 he was touring with Brenda Lee. In 1986 he was a nominee

for the Best New Male Vocalist in the American Country Music Awards. That year Randy Travis was the winner.

Since then Billy has been a member of the Fleetwood Mac Band as well as writing hit songs for many country artists. One of the biggest was "Don't Let My Heart Be The Last To Know" sung by Ricky Van Shelton.

Marcia Beverly, director for Capricorn Records, said, "We have never been more excited about an artist. Billy has the country music heritage and the experience as a song writer as well as the level-headedness it takes to truly be a star. He also has terrific stage charisma and audience appeal."

The video will debut on CMT the first week in December and the song will be released to radio soon after.

Capricorn records is planning a tour of Texas Dance Clubs to kick off the song. Beverly told this reporter that we may see a new line dance craze come

Roger Pistole, director, discusses the next scene with singer Billy Burnett.

Varsity Storms By Meadow

rushed for 118 yards on 15 carries and two touchdowns.

Cody Andrews of Meadow the state qualifier in the 100 meters had a big night against the Groom defense, rushing for 255 yards on 20 carries.

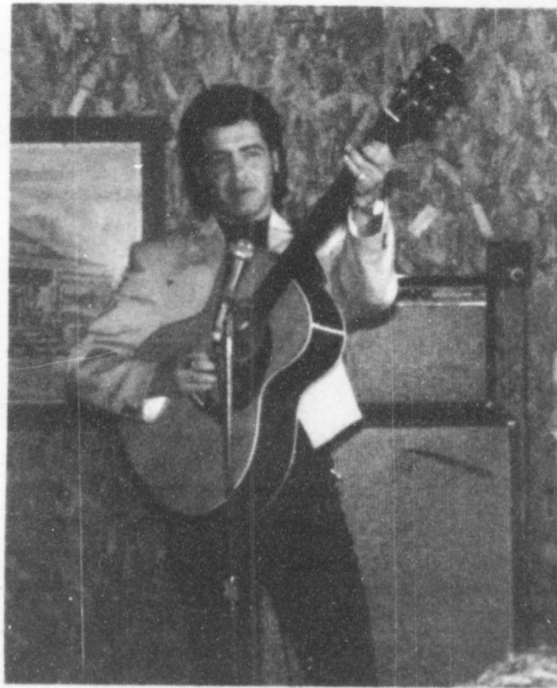

So with McLaughlin and Hickey for Groom and

Andrews for Meadow the track meet type of night ended with a lot of exciting long rushing plays for the good crowd gathered from Groom and Meadow.

There were four lead changes in the first half, but Groom ran off two quick scores with under two

minutes to go until halftime.

Groom was trailing 18-14 when Hickey broke down the sideline on a 51 yard touchdown run with 1:48 left in the first half. Meadow fumbled a pass deep in its own territory; Matt Fields recovered on the Broncos 25 yard line. Bo Burgin found Wes Hall in the end zone for a touchdown pass with five seconds left on the clock. Harold Cave's conversion run gave Groom a 27-18 halftime lead. Meadow came back in the fourth quarter scoring twice and holding Groom scoreless in the final period but Groom was able to run down the clock to preserve the victory.

J.V. Kicks McLean In Silverton

for Groom on a 10 yard run in the first quarter. The extra point was good when quarterback Matt Miller hit Eric Weinheimer with a pass.

Matt Miller hit Weinheimer again on a 25 yard pass scoring a touchdown, the extra point failed.

McLean was able to score prior to halftime but not before the Tiger defense held them three downs inside the three yard line. This concluded the first half scoring. Groom leading 13-6.

The second half scoring opened when Seth Ritter took the opening kickoff reverse from Matt Miller racing 60 yards down the sideline for a touchdown. This was the only scoring in the 3rd quarter giving Groom a 20-6 lead.

The fourth quarter scoring came when Matt Miller rolled out to his left and being chased by a defensive lineman hit Seth Ritter who went 40 yards for the touchdown. Josh Gray's extra point run was good.

McLean scored with 23 seconds remaining in the game on a 1 yard run. The extra point kick was blocked by Brandon Crump.

Craig Baker returned the pursuing kickoff back 30 yards with only one McLean defender left to make the tackle to close out the game.

The J.V.'s next game will be in Samnorwood on October 1.

Some of the others were Bill and Sam Riley, Lewis and Laura Leven, Pattie Finck, Sid Mansel, Glen and Brenda Sain, Barbara and Herman Leven, Marilyn Wilde, David and Dianne Brusoe, Patcine Jenkins, Jeff Jenkins, Chad Chadwell, Donnie and Nikey Evans, and Carol Newton.

will then be presented to the Department of Energy. "It's going to be a long process," Roselius said, "but we believe we have a good chance of getting our money."

Information on the meeting was given during the Monday, Sept. 14th, Commissioners' Court meeting.

Precinct 1 JP Phyllis Tyler met with the Court to advise them of the hiring of Renia Rourk as a part-time secretary in her office. Commissioners set Mrs. Rourk's annual salary at \$9,904.

County Auditor Agnes Bell informed the commissioners that in the future all diesel fuel for highway use will have to be logged as to the amount used.

The Court opened, reviewed and accepted a \$11,600 bid on a 1965 G6-B Bulldozer, Maurice Schooler of Amarillo was the purchaser.

Discussion was held on the burn pit in the northwest portion of the county. The pit was created by debris from the tornadoes that hit the Fritch area on June 27th.

"The Panhandle Regional Planning Commission is working with the county to formulate a grant application to be presented to the Texas Department of Community Affairs in order to receive funds to dispose of the debris," Judge Roselius said. "If received, these funds will come from the State Disaster Fund."

Floyd Wills was recently on the naval rescue ship USS Belleau Wood docked on the Hawaiian Islands during the hurricane last week. He worked along with the others in evacuating people from one island to another and delivering supplies. Floyd is on his way to Japan.

Groom Cubs Football

By Larry Reid

The Groom Cubs lost a close game Thursday at Lefors 26-21.

The Cubs started out sluggish and scored seven points in the first two quarters. Toby Burgin scored on a fine run and added a one point conversion.

The half score saw Lefors on top 13-7. The second half saw the Cubs come out a smoking on a two play drive that saw Sean Crowell make a fine run for a touchdown. The extra point was added by Justin Ritter.

The Cubs' final score was on a long run by Toby, who also added the extra point to put Groom within five points of Lefors. The Cub defense made Lefors turn the ball over with about 45 seconds to play. The Cubs got the ball in time to have

two plays. The first play saw Toby hit Scott Weinheimer on a long gainer and the clock expired on a tough run by Toby. The Cubs were within yards and seconds from victory and just ran short in both cases. "The defense gave a great effort by stopping Lefors on fourth down just to give us a chance to win the game," said Coach Larry Reid. "I am so proud of the kids, as there is no quit in them. They are very determined. We ask for your continued support."

A good game was also turned in by Michael Lewis, Brad Sustaie, Bryon Slaton, Leo Britten, Buck Babcock and Jason Prather.

"I can see great improvement in these kids each week. The kids played very well against a tough opponent," said Coach Reid.

Mindy Magee Crowned MHS Homecoming Queen

Mindy Magee was crowned Homecoming Queen in pregame ceremonies Friday night. Candidates were escorted under a golden arch by a family member and a football player. Mindy was accompanied by her father Joe Magee and Dennis Ward. Holly Hefley was attended by her father, James Hefley and Clay Reynolds. Karen Brass was escorted by her brother Sid Brass and Brandon West. Becki McCarty was accompanied by her father Jerry McCarty and Casey Carter. Holly Jasper was attended by her father Rick Jasper and Jeremy Thomas.

The queen was crowned with a tiara and given a bouquet of yellow roses presented by Christian Looney and Tommy Pennington.

The queen and her court watched the game from the heart shaped throne area.

The game kicked off as Booster Club members released hundreds of gold, black and white balloons.

Although the final score was disappointing the McLean Tigers gave spectators a spiningling game that they will always remember.

With a shaky start, Silverton kicked off sides to open the game. McLean

fumbled at the 35 yard line and Silverton's Lance Holt scooped it up for an outstanding 77 yard run. Silverton came back quick to score another T.D. with Holt carrying the ball for 14 yards. Mike Hill's kick was successful.

With about six minutes to go Looney fired a 15 yard pass into the waiting hands of Toby Northcutt for a score.

Silverton worked the ball down field and again Lance Holt scored with a two yard run. Still in the first quarter Holt again ran 49 yards for a touchdown. Hill made good the extra points.

McLean started its upward swing in the second period with Looney scoring two T.D.'s, a 19 yard run and a 4 yard run. Jeremy Thomas made good on the

extra point kick. As the half-time gun sounded the score was 28-20 Silverton.

Looney came back after the half to score two consecutive T.D.'s, a one yard run and a two yard run.

Silverton's Holt scored on a 10 yard run for their only points in the third quarter.

Jeremy Thomas made a 12 yard pass to Looney to give McLean the lead after his extra point attempt was good.

The game was in the bag for the Owls, however, after Junior Ramirez scored on a 10 yard run and the kick was successful.

Silverton tallied 319 yards rushing while McLean only netted 143. McLean passed for 262 yards while Silverton had 136.

OIL & GAS DEVELOPMENT IN McLEAN AREA

A new project of the McLean-Alanreed Area Museum is a display of artifacts, pictures, and stories about the many different oil company camps and plants in our area.

A diorama of the Smith Brothers Refinery has been completed and is in the front display window at the museum.

If you worked for one of these camps and have stories and pictures you will share with us please bring them by the museum. No two stories are alike and many, many families were involved in each. This is turning out to be a wonderful preservation of our local history.

McLEAN, TEXAS 79057

Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas (PUC), hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas for optional Custom Calling Services and Touch-tone service, effective March 15, 1993, unless otherwise determined by the PUC.

These proposed rates will not increase or decrease the Company's overall revenues; the net effect will be neutral to the Company's annual revenues.

The Company proposes to decrease the rates for Touch-tone service for residential customers from \$1.00 to 68 cents, and also to reduce the Touch-tone rates for business customers from \$1.75 to \$1.70. In addition, the Touch-tone rates for business PBX trunks will be reduced from \$3.15 to \$2.18.

This proposal to decrease the rates for Touch-tone service does not change the commitment that the Company made in the Docket No. 8585 Stipulation to reduce the rates for Touch-tone service in 1993.

The Custom Calling Services affected by the Company's application are optional telephone service arrangements that provide the following features: Call Waiting, Call Forwarding, Three Way Calling, Speed Calling-8 and Speed Calling-30. Following are the feature combinations and their current and proposed rates.

	Residence		Business	
	Current Rate	Proposed Rate	Current Rate	Proposed Rate

Call Forwarding	2.10	2.10	2.65	3.50
3-Way Calling	2.10	2.10	2.65	2.50

Call Waiting, 3-Way Calling	3.70	4.25	4.75	4.75
Call Waiting, Speed Calling-8	3.70	4.25	4.75	4.75
Call Forwarding, 3-Way Calling	3.70	3.50	4.80	5.00
Call Forwarding, Speed Calling-8	3.70	3.50	4.75	5.00
3-Way Calling, Speed Calling-8	3.70	3.50	4.75	4.00

Call Waiting, Call Forwarding and Speed Calling-8	5.30	5.65	6.90	7.50
Call Waiting, 3-Way Calling and Speed Calling-8	5.30	5.65	6.90	6.25
Call Forwarding, 3-Way Calling and Speed Calling-8	5.30	4.90	6.90	6.50

Speed Calling - 30 code capacity	3.20	3.20	4.25	3.20

Most of the Company's residence and business customers who subscribe to Custom Calling Features and Touch-tone service will be affected by the proposed rate restructuring.

It is expected that the restructuring of Custom Calling Features will result in a rate increase for approximately 2.9 million residence customers and 280,000 business customers. The reduction in rates for certain Custom Calling Services and Touch-tone Service will affect approximately 4.3 million residence customers and 1.7 million business customers.

This rate restructuring is expected to have a "revenue-neutral" effect on the Company's annual revenues. The proposed rate restructuring of Custom Calling Services will increase the Company's annual revenues by \$19.8 million; while the reduction in Touch-tone rates will decrease the Company's annual revenues by \$19.8 million.

This proceeding has been designated Docket No. 11382. Persons who wish to intervene or otherwise participate in this proceeding should notify the PUC as soon as possible. The deadline to intervene is October 30, 1992. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf.

This is a statewide Prayer Service for students only, to turn their campus over to God. If you did not get up early and participate you missed a very special blessing. This was a city-wide effort.

Adult representatives from all the churches met at the flag pole across from the bank for prayer for our youth in McLean. Attending were Dean

Williamson, Don Whettsall, Q.D. Beville, Pat Andrews and about 16 teachers, parents, grandparents and others there to help support our youth. Muffins and juice were provided by the churches and served at the Assembly of God Church parking lot.

Public Notice

Southwestern Bell Telephone Company has asked the Public Utility Commission of Texas (PUC) for approval to offer new optional call management services called Caller Identification Service (Caller ID) and Anonymous Call Rejection (ACR).

Caller ID is a new optional phone service which allows subscribers to see the phone number and/or name of most local calls before they answer the phone. Caller ID also allows the recording of the date, time, name and/or phone number of calls. Currently, Caller ID would work only on most local calls, not long distance calls. It would also require that a separate display unit be connected to the telephone. These units that attach to the telephone will be available from various retail vendors, including Southwestern Bell, at a cost starting at approximately \$50.

Southwestern Bell is also proposing that all customers be able to "block," or stop their name/number from being transmitted and displayed on a Caller ID device, free of charge. You would have this option of "blocking" your name/number on each call free of charge. There would be no need to subscribe to this service. All customers would have this capability when Caller ID is introduced in their area.

If you want to block your name or number, you need only press *67 on your touch-tone pad (or dial 1167 from a rotary phone) before dialing the telephone number. The person you're calling would see displayed a message such as "private" or "anonymous" on their Caller ID display unit.

Southwestern Bell also proposes that qualified domestic violence and law enforcement groups have the option of free per-line blocking, or free per-call blocking.

Anonymous Call Rejection (ACR or "block the blocker") allows subscribers to automatically reject all calls that have been marked anonymous, or "blocked" by the person calling. It is not necessary to subscribe to Caller ID Name/Number to subscribe to ACR. With ACR, your telephone will not ring if the person calling you has "blocked" his/her name or number. The person calling whose identification is blocked will receive a message to hang up and call back with caller identification unblocked. Following are the proposed monthly rates for Caller ID and ACR.

Proposed Rates (monthly)*	Residence	Business
Calling Number only	\$6.50	\$ 8.50
Calling Name only	\$6.50	\$ 8.50
Calling Name & Number	\$8.00	\$12.00
Anonymous Call Rejection	\$3/\$1**	\$3/\$1**

* These rates are in addition to the initial installation charges and monthly basic service rate. For residence customers, installation charges are \$2.70 per feature, with a maximum charge of \$5.40. For business customers, the charges are \$5.40 per feature, with a maximum charge of \$10.75.

** Anonymous Call Rejection is \$3 per month if purchased without Caller ID and is \$1 per month when purchased with Caller ID Name or Number.

This proceeding has been designated Docket No. 11362, and a hearing on the merits has been scheduled for November 16, 1992. The PUC has jurisdiction to consider this matter pursuant to Sections 16, 18, 37 and 38 of the Public Utility Regulatory Act (PURA). This application was filed pursuant to the provisions of the PUC's Substantive Rule 23.24. Among the issues that will be addressed in this proceeding is the legality of the Caller ID device and service under Texas wiretap laws.

Persons who wish to intervene or otherwise participate in these proceedings should notify the PUC as soon as possible. The deadline to intervene is October 26, 1992. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.
