## Victory Over Booker Ends Homecoming Week

The festivities began with the hilarious Mr. GHS contest. The "alluring" candidates were escorted by the following: Senior Ty "Sha-Na-Na" Lambert by Sandie Conrad; Junior Adam "Shonda" Odor by Sheri Koetting; Sophomore

Chris "Tawnya" Martin by Mary Hutsell; Senior Bo "Candy" Burgin by Jill Howard; Sophomore Brad "Lorraine" Sustaire by Misty Homen; Sophomore Joe "Sally" Britten by Angie Conrad; Freshman Ray "Laila" Lott and Junior

Andy "Mary Muff" Alexander by Martie Phillips.

After some very dramatic talent competition and interesting answers to brief interview questions the panel of judges picked "Miss Mary Muff", Andy Alexander as the new 1994 Mr. GHS.

Adam "Shonda" Odor was chosen as first runner up. Should Mary not be able to fulfill his duties as Mr. GHS, Shonda will assume the duties.

After the contest, students and fans moved to the site of the bonfire. The bonfire was bigger and better than ever despite the fact that just a week before someone had burned down the bonfire that the Freshmen had taken three weeks to build. In just one week they put together a bigger and better bonfire. It took nearly an hour and one half for the blaze to cool to the point that the students and fans could take the traditional walk around it.

On Tuesday night spectators were in for a real treat, as the student council sponsored a greasy pig

contest. The idea was for high school girls to chase a greased pig around a muddy pen. Whoever got the ribbon off of the pigs tail would win. In little or no time the ribbon was off and the pig chase turned into a grand mud fight/wrestling match. Although no winners were declared everyone who participated was a muddy mess and really seemed to have a good time. Those participating were Darcee Lyles, Misty Homen, Jill Howard, Ronnie Fields, Kecia Woods, Alicia Woods, Melanie Friemel, Stephanie Ollinger, April Burton, Martie Phillips, Mary Hutsell, Melissa Anthony, Maggie Thomas, Barbie Cockrell and LaDonna Walker.

On Thursday night gridiron action began with the Jr. High and Jr. Varsity traveling to Booker. Stories of the games are elsewhere in the paper.

Friday afternoon most of the town and all of the school turned out to the annual Downtown Pep Rally. The winner or loser, depending on how you looked at it, of the "Pie in

Face" contest were Cyndi Austin, third grade teacher who "won". She was to get a pie in the face by the other three contestants; Mitchell Davis, Steve Hutsell and Marion Pool. While, Ms. Austin did get a little meringue smeared on her chin, nose and cheeks, the contestants turned the tables on Steve Hutsell and gave him the pie in the face.

An inspirational Charles Burk gave a wonderful pep talk complete with his infamous card tricks. His prediction and his

explanation of the difference between involvement and commitment brought thunderous applause from the audience.

The event closed with the senior football boys feeding chocolate covered marshmallows to a very undignified group of blindfolded parents. Greg Lambert was the unofficial winner. Dena was penalized for throwing chocolate otherwise she would have been a contender.

Then the event that everyone had been waiting

### Groom Tigers Prove They Can Compete In Larger District League

It was a homecoming to remember for Groom students. The Tigers came out like days of old, letting Booker know immediately who would dominate the field. The teams battled full force through the entire four quarters with Groom in control, winning 15-0.

"We felt like we should have had more touchdowns," stated Coach Steve Lott. "We made some mental mistakes that we have not been making. We'll have to get that stopped."

Some of the confusion may stem from changing positions by a few of the

players. Bo Burgin has been replaced as quarterback by Collin Downs. Sean Crowell took on the duties of center against Booker, although Coach Lott may make more changes.

Tom Lambert had an exceptional night in his first game as a running back. Making 80% of his blocks he carried the ball 13 times for 67 yards and scored one touchdown.

Eric Weinheimer celebrated his birthday by playing an outstanding game. He made three catches for 55 yards, one

# Groom Junior Varsity, Junior High Travel To Booker

The Groom Junior Varsity played the only 8 man game in the history of the school to our knowledge last week at Booker.

Coach Mitchell Davis had no real trouble making the switch, with the Tigers winning handily, 26-13.

Toby Burgin ran 82 yards for the first touch down of the evening.

Booker came back and scored two TD's to put them in the lead at halftime, 13-6.

The key to the win came during the halftime break when according to Coach Davis, when the boys took it upon themselves to "...become more aggressive, grow up and show some character."

Whatever happened in the dressing room worked because fans could immediately see the difference.

Joe Britten drove the field to score a T.D. on a 4 yard pass from Brad Sustaire.

A 55 yard pass from Brad Sustaire to Toby Burgin brought home another T. D. and put the Tigers in the lead, 18-13.

An exciting 65 yard run for the goal line by Sustaire

cinched the victory. Jimmy Chavedo made the 2 point conversion.

"We had about 400 yards offensively and over came 9 fumbles," commented Coach Davis.

Burgin and Sustaire each rushed for at least 100 yards. Jimmy Chavedo carried the ball 8 times for 60 yards. Joe Britten was also an offensive stand-out.

Defensively, Scott McLaughlin, Adam Odor, Jason Prather, and Scott Weinheimer did a great job holding Booker's tough offense.

## Junior High Loses

### Battle With Booker

The Groom Junior High, Cubs didn't play up to par according to Coach Hughes.

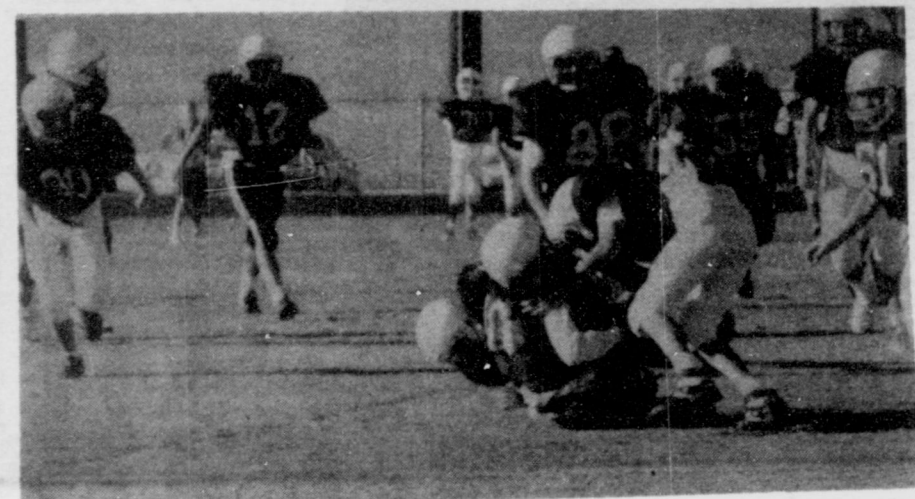

"Penalties and mental mistakes all hurt us a great deal," he said, "they (Booker) were a good deal bigger in size than us."

Wyatt Weinheimer made the only score of the evening.

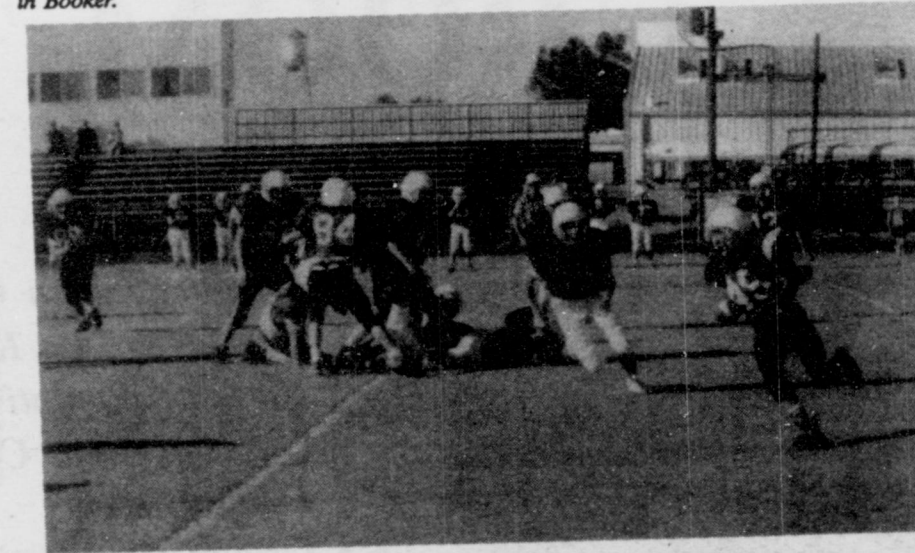

The Cubs lost 18-6.

Teacher Cyndi Austin and students show their spirit for the Tigers in Friday's Pep Rally.

Jr. High running back Marcus Miller is stopped after a good gain by Booker last Thursday night in Booker.

Jr. High running back Alberto Vega takes the ball around left end on a sweep against Booker for a good gain. Alberto had to leave the game early due to a bruised arm.

Jr. Varsity quarterback Brad Sustaire rolls out for good yardage against Booker. The JV Tigers played in an eight man game against Booker.

## Tigers

Turn out in force to support the Tigers in White Deer at 7:30 Friday night. Touchdown and one fumble recovery.

Other standouts include Brandon Crump, Chris Burger and Bo Burgin. Crump and Burger spent the night opening holes for pass receivers and generally dominating that side of the line. Burgin didn't miss a block all night and showed good power from the sweeps.

"The boys played with an intensity that we have not seen since Valley," stated Lott. "We are hoping to carry this over to White Deer."

"White Deer plays much better than what is reflected by their record," he continued. The Bucks have a successful running game. They do a better job stopping the P.A.T.'s than the runs.

Their standout offensive player is Dwayne Coffee. The Tigers can expect a good match defensively as well as offensively."

# Groom Celebrates National School Cafeteria Week

"Better than my mom usually makes..." stated Groom High School freshman, April Burton, when talking about the food at the Groom School Cafeteria.

Kade Brown loves the homemade hot rolls, while classmate Kendall Weller thinks the chicken nuggets are the best. Bryan Newton highly recommends the donuts for breakfast. Lance Ollinger thinks the cinnamon rolls are great. The entire 2nd grade voted the pizza as their favorite meal.

Recommendations like these are the norm when you ask kids how the food is at school. When you are feeding around 50 kids for breakfast and 175 for lunch every day you can imagine how difficult it must be to find good nutritious food that they will eat and enjoy.

Three women are responsible for these rave reviews, Nancy Patterson, Cafeteria Manager, Betty Rae Brown and Barbara Fraser.

Nancy Patterson grew up in Wheeler and graduated there with honors. She married Randel and they

have two children, Heather and Rhett.

Heather is a graduate of West Texas A & M University where she excelled in Mass Communications. She now works for Apple computers in Austin.

Rhett is currently

attending WTAMU and is a sophomore.

Nancy is a member of The First Baptist Church and the Alpha Mu Xi Sorority. Some of her hobbies are caring for her house plants, antiques and creating something usable from a discarded item.

Betty Rae Brown is

definitely a Groomite. She was born in Groom, grew up four miles west of Groom, and graduated from Groom High School. After she married, she lived 12 miles east of Groom for 17 years. During that time, her children, Heather and Kevin, were born. After the death of her husband, David, Betty moved to Groom where her two children graduated from Groom High School. Heather will graduate from Texas Tech in December with a degree in accounting, and Kevin farms the family land.

Betty Rae started to work in the Groom School Cafeteria in November, 1988. She enjoys working in the yard and working with her flowers and she reads in her spare time. She and her family attend St. Mary's Catholic Church.

Barbara Fraser has been an employee of Groom School Cafeteria for several years, as a substitute and as a full-time employee.

Barbara was born and raised in Boise City, OK, where she attended

elementary, junior high, and high school. After graduating from Boise City High School, she attended business college in Amarillo.

Barbara is married to Clifford W. Fraser, and they live on a farm east of Groom. Their family includes three grown children: Rodney who lives in Dallas and is employed by Garland NE Railroad, Vicki who lives in Amarillo and does heart sonograms, and Michael who lives in Groom and drives a truck for Circle 6. The family also includes four grandchildren.

Being an active member of the United Methodist Church, Barbara has served on numerous church committees. Her hobbies include painting, crocheting, sewing, and tending to houseplants and flowers.

In honor of National School Cafeteria Week, we salute these ladies who truly make an effort to prepare food that the children enjoy.

Parents are invited to eat lunch with their children at school this week. Notify the office by 8:00 a.m. the day you plan to come.

## Kenny Kotara Found Dead In His White Deer Home

Kenneth Kotara, a 36 year old White Deer man was discovered dead in the garage area of his home Sunday.

Carson County officials are investigating the death. Sheriff Loren Brand stated "Due to the suspicious circumstances the death was under investigation."

Kotara's body was found in his car in the garage by some children playing in the area, the sheriff said. The children alerted Kotara's neighbors who went to

check on the man.

When Kotara did not respond to attempts to revive him, the neighbors called authorities, Brand said. He was apparently alone at the time of his death, Brand said.

Kotara's body was sent to Lubbock for an autopsy, Brand said.

Carson County Justice of the Peace Sharon Harper said she ruled Monday that the cause of Kotara's death was carbon monoxide intoxication.

But Harper said it does not appear Kotara committed suicide.

"Usually, a person that's suicidal is going to let somebody know somehow, and it just wasn't there," Harper said. "He was a devout Catholic. It just does not point to that (suicide) at this time."

Brand said there was no suicide note nor other signs of suicide.

Harper said she expects to receive an autopsy report in five to seven days. Brand said the autopsy report could indicate whether Kotara's death was a suicide, a result of natural causes or a homicide.

## Tigers Pound Higgins In District Opener

The McLean Tigers and Cubs handed Higgins two smashing defeats last week, as the Cubs defeated the junior high squad from Higgins 32 to 0 at Duncan Field in McLean, and the Tigers won 58 to 24 at Higgins.

In the varsity game, the Tigers piled up 369 yards, with 270 rushing. Junior Ben Reeser completed four of six passes for 89 yards. Senior Brandon West carried 13 times for 132 yards.

West scored four touchdowns on carries, and

snagged one pass for a TD. Junior Seth Brown had two punts blocked and missed one, but still managed to hit five out of eight PATs.

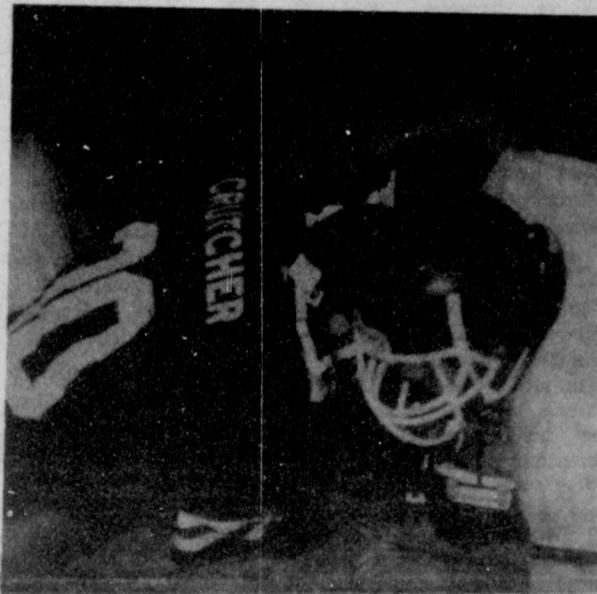

The varsity sat out the second half, as Coach Jerry Miller emptied the bench to let all the squad try their hand on the field.

The Cubs scored at will against Higgins, tallying one TD in each quarter, except the third quarter when they scored twice. Sy Brown scored the first TD on a run. Then Brett Montgomery scored on a dazzling 75-yard interception

return. The Cubs recovered a fumble, and Brown scored again. Ike Hanes also hit pay dirt, and Brown finished the game with one more score.

Coach Blaze Herring said that he was pleased with the overall performance by the team. "We shut down their big kid," Herring said. "I thought our defense played one of their best games."

The Cubs play Miami here Thursday beginning at 5 p.m., with the JV Tigers scheduled to play Thursday at 6:30 p.m.

#30 Jeremy Crutcher finds himself at the bottom of the pile as he grabs the loose ball during a fumble.

## Mc Lean High School, Junior High Get New Schedule

McLean High School and Junior High students started a new schedule Tuesday, according to MHS principal Rick Reeser. "We have added the tutorial session right before lunch back to the schedule," Reeser explained.

who have make-up work or need to catch up on class work will report to those teachers. The other students may seek help from the teacher of their

choice, report to the gymnasium, or go off campus for early lunch.

"We hope that most of our students will report to the gym," Reeser said. "They can use the time to shoot baskets, visit with

their friends, or catch up on their work. Students who are not taking advantage of the tutorial help must either report to the gym at the beginning of the period, or go off campus for lunch. They won't be allowed to go in and out of the gym."

Class meetings are scheduled for every Friday during the tutorial time.

## Canadian's Fall Foliage Festival 1994

Canadian's Fall Foliage Festival '94, October 15th and 16th, will offer visitors an opportunity to view the colorful and lush foliage of the Canadian River Valley for the 37th year. The activity, begun in 1957, is one that draws many thousands of visitors, (over 5,000 in 1993) to Canadian for an experience not usually found in this region of the country. Originally begun as just an opportunity to see the beautiful colors of fall, the Festival is now a two-day event offering visitors a wide variety of activities to enjoy.

The foliage drive is located along the 8 mile drive to Lake Marvin and through the entire lake area. Walking trails are also available with foliage marked for the visitors. The unguided tours can take as little or as much time as the viewer requires. Lake Marvin is a US Forest Service property that offers many species of wildlife for viewing.

A Photography Exhibit of area scenery will be open to visitors Saturday and Sunday at Lake Marvin Recreation Building. Information for visitors about the lake area will be available as well. Area photographers are encouraged to enter their work for the event.

One of the drawing cards to Canadian is always the opportunity to see its beautiful historic homes. The, now traditional, Tour of Homes will be held on Saturday, October 15, between 12:00 noon and 5:00 p.m. The tour will include "The Citadel", owned by Dr. and Mrs. Malouf Abraham. The home, originally built as the First Baptist Church, is one which has been featured in magazines and is considered to be one of the finest and most interesting homes in the Panhandle. Art work abounds in the unusual structure as well as a most interesting sculpture garden.

The two-day Arts and Craft Show will be at the Canadian Elementary School located at 500 Dogwood.

Offering the finest in handmade crafts.

Another traditional event is the Quilt Show. Each year the number of handmade quilts has grown and now the show offers approximately 100 quilts. The event is sponsored by the River Valley Pioneer Museum and is located at 3rd and Main Street (across from The Dove Antiques).

The River Valley Pioneer Museum will be open for visitors both days and will have many antique and special exhibits. The Museum is located at 211 North 2nd in Canadian and is free to visitors.

Saturday will offer the second "Hogtown Satidy Night Chili Cookoff" at the Hemphill County Recreation Complex. Sponsored by the River Valley Pioneer Museum, the CASI sanctioned event will offer visitors a "taste" of real Texas chili.

Heart Rodeo Company will produce Canadian's second Fall Foliage Ranch Rodeo on Saturday and Sunday afternoon at 3:00 p.m. at the Canadian Rodeo Arena. There are sure to be many exciting and entertaining moments when these real cowboys compete

in events such as Calf Branding, Wild Cow Milking, Wild Horse Riding, Steer Doctoring, and Ranch Bronc Riding.

Visitors will enjoy the many fine eating establishments in Canadian and will also have the opportunity to enjoy a many-year tradition at Canadian Elementary School on Saturday with the Kountry Kitchen. Sponsored each year by the Women's Service League, the Kitchen offers a delicious brisket meal. Sunday will offer a Mexican Cafe at the same location with he Ladies of the Sacred Heart Catholic Church cooking the authentic Mexican dishes.

Area bands will have an opportunity to compete in the second Fall Foliage Festival Marching Competition. The bands

will begin performing at 9:00 a.m. on Saturday morning and continue through the day at Wildcat Stadium. The Canadian High School Wildcat Band will also perform in outdoor concert on Sunday afternoon at the corner of 2nd and Main.

Several new festival events will entertain visitors in 1994. The Fall Foliage and Ranch Rodeo parade will kick off at 10:00 a.m. Saturday, October 15th. ### Herbs, salads and such

Okay, you've decided to watch what you eat a little more carefully; maybe even cut down on those chicken fried steaks you like so much.

So here's some clarification on taxable and non-taxable food items.

For example, herb and spice plants are exempt from sales tax if they are annuals and taxable if the plants are perennials. There's no sales tax on edible flower seeds and dried teas. There's no tax on burdock root sold dry from a bulk container or fresh in the produce department. Dried, it's a tea. Fresh, it's used in stir-fry dishes.

### Herbal teas

When these products are sold as food products, they are not taxable. When they are sold as therapeutic, nutritional or medicinal, they are subject to sales tax. If the herbal product is not explicitly marketed as a food product, you can assume it is taxable.

Liquid extracts from herbal roots, beans and leaves, when used as a flavoring or a condiment, are not taxable.

## Fond Memories Of Biscuits

By Delbert Trew

One of the most mind-boggling questions I've ever thought about is, "Wonder how many biscuits have been made since they were invented?" "Why was it called a biscuit?" There seems to be no rhyme or reason to the name, but the world is certainly a better place in which to live, because of the biscuit!

One of my "fond" memories was climbing up on the cabinet, opening a gallon syrup bucket, and getting two cold biscuits out of it for a snack. The first intricate and delicate procedure I learned in life, was how to hollow out a cold biscuit to its maximum, yet not puncture it anywhere. Then you could fill it with sugar or jelly and the day was saved.

I felt more secure as a

young boy, when I had a cold biscuit stowed away in a saddle bag, as we left out to round up cattle. While batching on the Ranch, I learned to make biscuits, but was amazed that they never turned out the same, even though I measured every ingredient in detail. Dad's biscuits were big as saucers and would hold a big slab of butter and not leak a drop. Grandma's biscuits were small and hard as hockey pucks.

One of my most embarrassing moments, involved many biscuits. Ruth and I were visiting relatives near Gladstone, NM. Ruby took out a blue spatter, round-bottomed bowl, and walked from one side of her kitchen to the other, pinching ingredients into the bowl from each cabinet or tin scattered about the kitchen. She

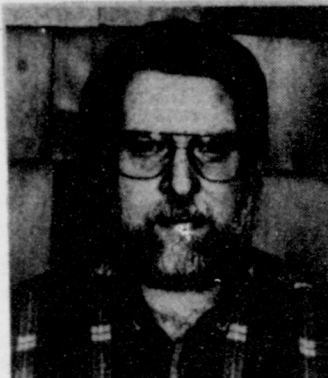

stirred and made up a pan of biscuits, dabbed them with lard, and placed them into the oven on the old wood cookstove. The embarrassing part came as Ruth ate seven biscuits and as I ducked away from the table, she was asking Ruby to pass the plate of biscuits again.

With the canned biscuits available today, and I might add that they are mighty good, I was afraid the art of biscuit making might be lost to the world. But, with the revival of chuck wagons and the competition cook-outs, sour-dough, yeast and flour covered hands, are again being observed. Hooray! for biscuits. I doubt the West would ever have been settled without them.

Miss Susan Dale Garner and Mr. Bradley John Burks were united in Holy Matrimony Saturday, October 15, 1994, at six o'clock in the evening in the sanctuary of Polk Street Methodist Church, Amarillo, Texas, with the Reverend James Garrett, Senior Pastor, and The Reverend Jeff Matsler, Associate Pastor, officiating the double ring ceremony.

Parents of the couple are Mr. and Mrs. Dale Lynn Garner, 3511 Langtry, Amarillo, Texas, and Mr. and Mrs. John Burks, 201 Red Bird, Mexia, Texas. Mr. Norman Goad, organist, provided music for the ceremony and Ms. Celia Rosenwald, soloist, sang "But the Lord is Mindful of His Own," and the "Wedding Hymn;" and Mr. Jeffrey Benson, uncle of the groom of Washington, DC, sang "In This Very Room," "The Lord's Prayer," and "On Eagle's Wings" as the couple lighted the unity candle.

Her cathedral-length veil of silk illusion was edged with pearls and the hand-rolled edged two layered finger-tip veil of silk illusion fell from a Juliet cap covered with pure Chinese silk shantung and decorated with hand-beaded pearls.

## McLean FFA Attends TCFA Jr. Beef Challenge

By Jaylene Watkins  
Saturday morning, six members of the McLean Chapter of FFA left for Amarillo to participate in the TCFA Jr. Beef Feed and Team Challenge. These contests were open to 4-H and FFA members in the Texas Cattle Feeders Association area.

Lee Shaw participated in the Jr. Beef Feed Challenge. By feeding a pen of three steers for this contest, Lee gained practical experience in the commercial cattle industry.

Britten Shipman, Michelle

Basham, Jaylene Watkins, David Fuller and Chris Flores participated in the TCFA Team Challenge. For this contest, a team of two to three individuals compete against other teams by testing their knowledge of commercial cattle feeding on a written exam and a live cattle evaluation.

Everyone who participated seemed to learn a lot about the cattle feeding industry. They are proud of their accomplishments and hope to do better next year!
