## Estudiantes Terminan Otro Año de Escuela

Con esta edición presentamos los graduantes de las escuelas secundarias de Lubbock y la area. Le pedimos disculpa a los estudiantes que no fueron presentados en esta edición pero el espacio al igual que algunos fotos no podimos conseguir. Pero los felicitamos a todos los graduantes de toda la area.

Al terminar la escuela, estos jovenes acaban una epoca de su vida y empiesan otra. Ellos ahora tendran que trabajar para establecer su vida adulta la cual sera su futuro.

Nos dio bastante orgullo en ver todos los graduantes Chicanos, pero tambien nos dio tristesa en saber que quizas lo doble de los que terminaron esta semana empesaron hace 12 años. Muchos de esto jovens quien empesaron se salieron solo porque no se les animo que siguieran y que realizaran que la educación es necesaria. Ellos quizas fueron desanimados por sus amigos, por sus padres o es muy probable que por la misma administrad ón y maestros de las escuelas. Ellos quizas algun dia regresen a la escuela ya que nunca es muy tarde.

A los que si terminaron, otravez, los felicitamos. Y les aconsejamos q te no crean que este es la ultima vez que ellos van estudiar. El estudio sigue sea que empiesen el colegio o empieren a trabajar.

Ojala que algun dia podamos publicar todos estos mismos fotos felicitandolos en su recibimiento de la Universidad sea de doctores, abogados, arquitectos e otro tipo de profesional.

**OUR BEST TO YOU**  
Class of 1981...

At Graduation Time students begin to wonder about their future and what each person's job will be in today's world.

As the future of our nation, state and city, today's graduates will hopefully choose a field which will benefit their community.

There is much need for trained and professional chiropractors. As a Doctor of Chiropractic, a person can surely help and benefit their community. Look into the opportunities available in this professional field. Call or visit for more information:
