

## Area Snow And Ice Glaze Snarl Traffic

### Three Inches Of Snow Greet Area Residents

Area residents got a double whammy Friday night and Saturday morning with freezing rain, followed by sleet, followed by snow. At presstime Saturday, snow was continuing to fall, and an accumulation of approximately three inches was noted.

Traffic was moving at a snail's pace as the ice-glazed streets and highways prevented a normal flow of traffic. Law Enforcement officers throughout the Panhandle were discouraging traffic Saturday morning as the snow continued to fall.

By mid-morning Saturday, a brief glimpse of the sun was seen, although the National Weather Service indicated the weather would not clear until early this week.

No accidents around Muleshoe were reported by presstime, and the little traffic moving on the streets and highways was found to be creeping along.

Freezing rain had started falling around 10 p.m. Friday night, followed by sleet, which turned the yards, streets and vehicles white before the snow started during nighttime hours. Intermittent snow was continuing Saturday morning.

Sorry, folks! One and one-half days of springlike weather, then around two p.m. Friday, the temperature started plummeting again. By 4 p.m., the temperature was cut exactly to half the 60 degrees recorded at noon.

Blowing wind and a little dust ushered the areas latest wintry blast into the area, and within two hours, the sky was completely covered by low, grey clouds, with rain looming in the forecast.

Through this area, the National Weather Forecast called for a 20 percent chance of rain, turning to freezing rain or drizzle during nighttime hours. The drizzly weather was

expected to continue throughout the weekend, and into the early part of next week.

Soggy, soaked California was receiving more rain and new clouds were moving inland holding a promise of even more moisture for the residents

### Chamber Of Commerce Banquet Scheduled Here On March 15

John Gulley, manager of the Muleshoe C of C said Thursday morning, "The Muleshoe Chamber of Commerce and Agriculture is pleased to announce that the 30th annual Chamber banquet will be held on Saturday, March 15, at the Muleshoe High School Cafeteria."

He added that the speaker for the banquet this year will be the Honorable Kent Hance, Congressman for the 19th Congressional District. Tickets are not on sale at this time, said Gulley, but an announcement is expected in the next few days on ticket sales. He added that everyone in the community mark the banquet date on their calendar and plan to attend.

This year's banquet will feature awards for the Farm Family of the Year and Citizen of the Year. A new award will also be given this year. For the first time ever, an award will be made for Citizen of The Decade to the person who will be recognized as the outstanding citizen of the 1970's.

Gulley explained that the C of C is currently accepting nominations for these awards. He asked that persons who know of someone who would be deserving of any of the awards be submitted.

Persons are asked to make nominations in writing, including the reasons for the nomination, to the

### Production Starts In Alcohol Plant

Positive reaction to the sudden interest in the production of fuel alcohol prompted Leon Wilson,

Gene Paul Jarmon and Wade Wilson to install the first fuel alcohol distillery in this area.

Beginning in a small way and on an experimental basis, the trio has set up a fuel alcohol plant, which is located near Clay's Corner.

Last week, they 'cooked' off some fuel alcohol, which tested out to around 170 proof. Of course that will be changed when the dryer is installed and some

### Pleasant Valley Plans Pounding For Stewarts

Around 3:30 a.m. last Saturday, Mr. and Mrs. Charles Stewart, who resided northeast of Muleshoe were awakened by their dog, who was on their bed.

Mrs. Stewart said their dog woke them up just in time to keep them from being burned to death in their blazing home. Mrs. Stewart and her husband escaped from the fire in their nightwear, all that was salvaged from their large farm home.

Tuesday night, 6:30 p.m., Mr. and Mrs. Stewart will be 'pounded' at the Pleasant Valley Community Center by their friends and neighbors. The entire community is invited to attend the pounding and take food, clothing, furniture, linens, kitchenware, or other items for the Stewarts.

Refreshments will be served by the Pleasant Valley Community Center Pool.

Also, funds have been started in both the Muleshoe State and First National Bank for the Charles Stewarts.

IT'S REALLY ALCOHOL--A hydrometer proved to Leon Wilson, left, E.B. Wilhoit, center and Mitch Autry, that the group has indeed, produced a jar of fuel alcohol. The alcohol, which is just about the first produced by the group, tested out about 170 proof. Wilson, who is the owner of the distillery, said refinement will further reduce the water content of the alcohol and boost the proof percentage.

## MHS Superintendent Dillman Will Retire

Neal B. Dillman, superintendent of Muleshoe Schools for the past twenty years, will be honored at a retirement reception February 24, from 3 to 4 p.m. in the High School Cafeteria. The reception is sponsored by local units of the Classroom Teachers and Texas State Teachers Association. The public is invited to attend.

Dillman graduated from Newton, Kansas High School. He received his Bachelor of Science degree from Southwestern College, Winfield, Kansas and his masters degree from Western State, Gunnison, Colorado. He has done past graduate work at the University of Southern California, Eastern New Mexico University, Portales, and Western State, Gunnison. From 1940-1946 he served in the United States Army. He

enlisted as a private and was discharged as a major. Two of those years of service were overseas. He taught and coached at Newton, Kansas, and

### LCC Reps To Be Here On Tuesday

Muleshoe has been selected for a pilot project conducted by Lubbock Christian College. Tuesday night, at 7 p.m., several persons from LCC will be in Muleshoe for a dutch treat dinner at the Corral Restaurant.

Phillip Patterson of LCC said Jerry Don Sanders, head football coach; David Simpson, women's basketball coach; LCC President Dr. Harvey M. Pruitt; LCC Student Mark Harmon, of Muleshoe and at least one other person will be at the dinner for a 'Booster Club' type meeting.

Dr. Pruitt will be the chief speaker, and explain the LCC College recruitment program. LCC is allied with TIAA and compete for students on a non-scholarship basis.

The coaches will be explaining male and female sports, and will explain the athletic programs for both men and women.

Kermit and Borger, Texas. Neal Dillman served as high school principal at Kermit prior to becoming superintendent of the Muleshoe Schools.

Dillman is a life member of Texas State Teachers Association, was past president of District XIII 1967-68, and was vice-president

## Mullettes Lose To Dimmitt Team

Thursday night, the Muleshoe Mullettes, riding on a 23-3 season record, went to Friona to take on the Dimmitt Bobbies, who had a 23-9 overall season record. At stake was the district Championship.

The Mullettes had handed the Bobbies their only loss in loop action, and they were standing at 9-1 going into the Valentine night game.

Unfortunately, the Mullettes were 'cold' and hit only 33 percent of their field goal tries and lost to the Bobbies by a 61-48 margin.

Trailing all the way, the Mullettes got into foul trouble in the first four minutes of the game when Cindy Hamblen pulled in three fouls and was benched for awhile.

When she was on the floor, Cindy hit for 15 points to lead scoring for the Mullettes. Breaking the ice for the Mullettes and for the game was Janie Richards, who also was benched for a big part of the game after slamming into a wall under the basket and injuring her knee. She scored the first two points of the game, and came back into the game late to add an additional two points.

Cindy's points were not enough to overcome what proved to be a Bobbie game all the way. The

### Sudan Whistles Past Lazbuddie To Win District

After trailing through the first three quarters, the Sudan Hornets roared back in the fourth to snatch the district win from the Lazbuddie Longhorn girls.

Playing the District 6-B Championship game in the Muleshoe Junior High School gym Thursday night, the Sudan girls won the right to represent the district by 48-40.

At the end of the first, Lazbuddie was leading Sudan, 12-7; and widened that to a 23-18 halftime score. At the end of the third, the Sudan girls were trailing by three, 32-29 before coming back in the fourth to take the come-from-behind win.

Lisa Wood paced the winning Sudan team with 16 points and leading for Lazbuddie was a combination of Barbie Ivy and Sherrie Seaton, each with 11.

Lazbuddie ran into foul trouble, with 20 fouls to 16 for Sudan.

Sudan will play Nazareth in Bi-District on Tuesday night at 8 p.m. in the Texas Dome at South Plains College in Levelland.

Lazbuddie ended the season with 17-11 and Sudan widened their season record 27-2.

### UP FOR GRABS--A whole list of hands are up trying to latch onto the roundball being controlled, at the time, by Cindy Hamblen, during the Muleshoe Mullette-Dimmitt Bobbie playoff game Thursday night in Friona. Also reaching, in background is Janie Richards, while Lupe Pacheco, No. 22, looks on in the background.

at the end of the first quarter, and the margin was 33-16 at halftime. Shelly Dunham added 10 points; Kathleen Patterson hit eight points; and Lupe Pacheco had seven points with JoRonda Rhodes had four points. With 5:43 left to play, the Mullettes pulled to within 11 points of the

# The Sandhills Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm on Sandy Creek thinks he has found the answer to a problem that has bothered

him, even if it may not have bothered anyone else.  
Dear editor:  
In between world crises - a breathing spell easy to reach if you skip reading a

newspaper or listening to the radio or television for a day, thus giving you 24 crisis-free hours - I have for years been trying to figure out a scoring system where both teams in football, basketball, baseball, etc. can come out winners.

Like it is, half the followers in any sports event leave the stadium or turn off their TV sets disappointed or, if a really rabid fan, downright dejected. It's bound to be unwholesome for the nation when Steeler fans are jubilant over the outcome of the Superbowl, Ram fans moody and crestfallen. And why on a Saturday afternoon in the Fall should one college's students whoop for joy while the other mopes around with nothing to do but go to the library and drown their sorrow in reading?

I can now report that an answer to this problem has been found. It was found by the 10 men now running for President of the United States.

They have discovered you can come in second or third or even fourth and still call yourself a winner. The discovery was made in the Iowa caucus.

It works this way: you pick out some candidate your private poll shows will come in fourth, and then announce to the press that if you can edge him out for third place you'll consider it a victory. Sure

enough, you beat him out for third place and announce the tide of victory has turned in your favor. Another candidate who thinks he's coming in first announces he'll consider himself a clear winner if he comes in second. He thus wins, however he places.

In college or pro football, all you have to do is say before the game if you

don't lose by more than 14 points against your powerhouse opponent you'll consider it a victory.

It may take time and will be a little difficult to convince sports fans you've won when you've lost, but politicians have no trouble at all with the problem.

Yours faithfully,  
J.A.

LIFE MEMBERSHIP...Virginia Bowers presented a P.T.A. Life Membership to Joyce Holmes. This is in honor of her services in the community.

## P T A News

The Muleshoe P.T.A. met Monday February 11, at Richland Hills. Doris Palmer called the meeting to order, a prayer was given by Margaret Copley, the minutes were read by Rita Lane and Linda Huckaby gave the treasurer's report.

Margret Copley reported that the profits from that Halloween Carnival will be used to purchase a recovery bed for the nurses station and a weather alarm system for Richland Hills and a letter director for the front corridor at Mary DeShazo.

Doris Palmer announced that the district spring conference will be held May 2, at the Hilton Inn in Lubbock.

The P.T.A. will assist D.E.C.A. in their 24 hour Rock-A-Thon, March 7 and 8 by running the concession stand from 7 p.m. to 12 p.m. midnight on March 7 the P.T.A. will furnish all food and beverages to be sold during this period. All proceeds will be donated to Muscular Dystrophy.

Elaine Stout and Joyce Scott from the executive committee and Pat Brewer from the body were elected to serve as the nominating committee.

The P.T.A. is sponsoring Elizabeth Watson to attend the fifth Annual Texas Panhandle Award luncheon at West Texas State University in Canyon, on April 19. One woman will be selected "Distinguished Woman of the Year" from either education, medicine, business, or civil service.

Virginia Bowers presen-

ted a life membership to Joyce Holmes. This is to honor someone, not necessarily from the P.T.A., that has been of service in the community.

### Cinderella Girl Pageant

International Production will be sponsoring a Cinderella Girl Scholarship Pageant, Saturday, March 15, in the Littlefield Auditorium.

The Pageant is open to all girls between the ages of 3-17. There will be four age groups; TOT 3 - 6, Miniature Miss 7 - 9, Miss 10-12, and Teen 13-17.

Miniature Miss, Miss and Teen, categories will compete in party dress, sports wear, interviews and talent, while the TOTS will compete only in party dress, sports wear and interview.

The winner of each age group will have their trip paid to the state pageant in June at Denton, Texas.

If you dance, sing or have other talents including playing and any musical instrument, you are encouraged to enter the competition, they would like to have a variety of talent, said Mrs. Houk.

For more information, contact Myreta Houk at 385-4903, Littlefield or District Director, Danna Powell, 298-2495 in Abernathy.

## Fashion Sense

Due to increasing clothing costs, more consumers will make a special effort to sew quality fabrics and buy quality garments.

"Cost-per-wearing" will be important.

We'll see longer-lasting, less-faddish garments.

For example, more women will reject suddenly shorter hemlines for spring, but may gradually inch them upward instead.

Clothing purchases may be postponed or budgeted carefully due to rising costs of other items, too, such as housing, transportation, medical care and food.

More consumers will update garments they already own to save money by accessorizing, mixing and matching or changing hem lengths.

FASHION COMFORT Energy will affect fashion two ways -- fabric and style.

We'll see more fabrics designed to offset warmer living conditions in the summer and cooler ones in the winter.

Styles will do the same. For example, the business world will wear more short sleeves, two-piece suits and open collars.

Also, if transportation becomes scarce-or prices spiral, one-step shopping in shopping centers and mail-order buying will increase.

FASHIONS FOR SELF "Individualized" will be a key mood for the 80's fashion atmosphere, Ms. Saunders says.

More consumers will insist on the "right" design for them to get the

most becoming looks.

Also, "image dressing" will be important, especially in career apparel. In other words, looking your best will pay off in the business world, the specialist says.

LENA FURGESON, MELVA DAVIS, ANN GLENN

### Old Friends Renunion

Mrs. Lena Ferguson, of Post and Mrs. Ann Glenn of Lubbock, paid Mrs. Cecil Davis a surprise visit, Tuesday, February 12. They were to spend the night and return home Wednesday.

Lena Ferguson, Ann Glenn and Melva Davis, were best friends in the Barnum Springs School, nine miles north of Post.

Ann and Lena started to school in Barnum Springs in the first grade, in 1917. In 1921, Merva moved there and they attended school together three years.

The trio lived on adjoining farms and attended Church together, where they were in the same Sunday School Class. Ann

and Melva were baptized together in 1921, at the Caprock Baptist Church, where Lena was already a member.

Lena moved to Post in 1915, Melva 1921 and Ann in 1924.

Mrs. Ferguson's daughter, Mrs. LaVone Malouf, of Lubbock, met Mrs. Davis, when she lived in Muleshoe and worked at St. Clair's, was responsible for getting the trip together.

It had been 53 years since they had all been together. They planned to spend the night reminiscing about their childhood. They have a lot to catch up on, Mrs. Davis said, also they don't plan to let so much time go by before getting together again.

ARTIST OF MONTH...Beth Watson of the Baileyboro Community, has been named Artist of the Month of February. Mrs. Watson is a member of the Muleshoe Art Association. She does paintings in Oil, Acrylic, Pastel and Watercolor. Mrs. Watson said Water Color and Acrylic are her favorites.

The date for the spring show has been set, April 25 to May 2, at the Art Loft.

Guest Artist, Helga Stein from Shallowater, did pastel portraits of Sandy Turner and daughter Jill.

Twenty-seven members and three guests were present. They were: Emily Clayton, Shirley Hall, Ollvie Garret, Ginnie Seifert, Betty Embry, Barbara Carpenter, Velma Davis, Dana Arnold, Hazel Nowell, and Beth Watson. Gayle Littleton, June Gore, Lois Smith, Sue Kirkland, Nan Preston, Lovelle Childs, Sandi Chitwood, Dickie Magness, Gladys Armstrong, Sandy Turner, Jamie Smallwood, and Marilyn Young.

Also, Cora Juan Schuster, Mildred Williams, Debbie Brooks, Carrie

Bishop, and Blanche Lenderson. The three guests were; Joe Stein, Jill Turner and Kristen Chitwood.

update your collar size "Collar" the new look. Update your collars, with a special emphasis on size. Smaller collars are fashionable now. Most important in updating is to make the collar look like it's the original.

Before you can do that, take a quick look at collar styles and reshaping limits. Basic collar styles are flat, rolled or stand up at the neckline.

Those standing up at the based of the neck such as Mandarin, usually are small, and they don't need changes this season.

The ability to taste sweet foods diminishes with age.

Flat collars, often called "Peter Pan" collars, are a duplicate shape of the bodice area they cover. In other words, the collar neckline curve is identical to the bodice neckline curve.

Because it's flat, this collar can be any width or shape. To redesigning a flat collar, mark the shape you want along the outside collar seam. Add seam allowances. Turn new raw edges inward and topstitch. Or trim collar to the size you want and bind the edge.

A rolled collar stands up and turns back over itself at the base of the neck at center back. This collar's neckline shape is the same length as the bodice neckline, but the shape itself

will be different from the bodice neckline shape, varying from straight to slightly curved.

Remember, the outside shape of the collar must cover-or meet--the neckline seam at the center back. You can reduce wider rolled collars in the same manner as the flat collar described above.

Other changes that will update a collar include these: rounding collar points and changing the angle of the seamline edges at center front. Also you might remove an original collar, face the neckline, and cut a new collar from matching or contrasting fabric scraps. Or you might add a commercial lace collar.

**'80 Fund Drive Is Underway For Boy Scouts**

Stan Wood, District Scout Executive for the South Plains Council of the Boy Scouts of America, announced that a community fund raising drive to benefit the Boy Scouts got underway Thursday in Muleshoe.

According to the Boy Scout director, Tim McCormick is chairman of the local drive.

Wood explained that the South Plains Council covers a 20 county area with 9,800 youth involved from these counties during 1979. He said there are 3,000 volunteer leaders in the program in the 20-county area.

Budget for the South Plains Council for 1980 is

\$328,000 with some \$190,000 to be derived from 12 United Way Campaigns. Activities are expected to produce an additional \$23,000 and Sustaining Membership Enrollment is expected to produce an additional \$23,000 and Sustaining Membership Enrollment is expected to produce an additional \$115,000.

The executive said that in 1979, Scouting increased in the 20 counties by 4.7 percent, placing the local and area council seventh out of 45 Scout councils in the five state South Central Region.

From each dollar in the budget, 32 cents is used to direct service to Cub

Packs, Scout Troops and Explorer Posts; 29 cents is used for programs and activities; 23 cents for leadership training, recognition and advancement; 14 cents for local administration and two cents for National Council Services.

It was reported that 24 new scouting units were organized in 1979 with more planned for 1980.

Wood concluded, "Your concern, expressed materially through your sustaining membership

COLLEGE STATION — A growing number of women are entering non-traditional fields in agriculture — at least that is the trend at Texas A&M University, which has the nation's largest agricultural enrollment for a single campus.

Thirty-one percent of the students enrolled in Texas A&M's agricultural programs are women. Animal science, wildlife and fisheries sciences and agricultural economics are the most popular degree programs for these women. Next in popularity are the more traditional fields such as horticulture, food science and technology and floriculture.

At Muleshoe Junior High

Teacher Feature

Mrs. Betty Jennings is counselor at M.J.H.S. She has taught 21 years, teaching 4 years at M.J.H. as counselor. Mrs. Jennings and her husband, Jim, have one child, Kathleen Hamilton, who teaches kindergarten at Richland Hills Elementary. They also have one grandson, Wesley Harrison Hamilton. Her hobbies are crocheting and collecting depression glass. The Annual Staff would like to congratulate Mrs. Jennings on receiving this honor!!!

MRS. BETTY JENNINGS

Mrs. Janna Wartes teaches 7th and 8th grade art at M.J.H.S. She has taught at Muleshoe 2 years and has also taught at Berger. Her 7th and 8th grade art students have been working on Graphics which include silk screens, woodcuts, etching, and linoleum.

Jana and her husband Mike have lived at Muleshoe for 2 years. She graduated from high school at Canyon High and graduated from W.T.S.U. where she earned her B.A. and M.E. When interviewed she commented, "The students really like to do art work and crafts and I have had some really nice projects turned in. It's inspiring to see the progress they make."

MRS. JANNA WARTES  
79-80 Annual  
Work Complete

The Jr. High Annual Staff is proud to announce that they have completed the 10th edition of the 1979-80 Muletrain Jr. They have been working hard since December, 1979, cropping pictures, typing pages, and doing layouts. All this takes time and hard work, but they finally finished February 1.

They expect the annuals to come in during April. Approximately 250 annuals have been sold and 10 extra annuals have been ordered. If anyone needs an annual, just contact anyone in the Jr. High annual staff.

Tournament News

During the 8th grade tournament at Bovina we played two very good games, and played for the championship, where we had a lot of trouble scoring. The main problem besides being unable to score was the fact that we fouled too much. We only hit 21 percent from the field and fouled 20 times to Farwell's 7. It is extremely hard to win in a case like this. Considering everything, I thought the girls played defense very well and did a very good job hustling.

Naturally we were disappointed with second place, but I was very proud of the way they kept hustling and giving it their best effort.

Teacher of The Week

Mrs. Aileen Siewert graduated from Texas Tech, where she majored in History and minored in English. She began her teaching career at the early age of 19, this is her 34th year of teaching and she has taught 22 of those years at Muleshoe. She is currently teaching 8th grade English. Mrs. Siewert has two children, Sharon Redden and Kerry Siewert. She also has two grandchildren, Kimberly and Scott.

CONGRATULATIONS!!!

By Sharon Flowers

Coach Flowers commented, "The 8th grade played a very good game against Olton Monday night by winning 39 to 23. Everyone played hard and put out a tremendous amount of hustle and desire. We scored first and kept it that way the entire game. We did a very good job stealing the ball on the press and fast breaking. Olton has a very good team and this is one of the few times they have been beaten this year."

I was very pleased with the effort put out by each member of the team. The game against Littlefield was a very good game for us even though we had a couple of players out with illness that normally play a great deal. I thought the team adjusted very well to the situation and several girls played positions they normally do not and did a good job. Dana Splawn did a very good job of setting up plays and filling in for us to allow Deena Burris to play outside. Marilyn Lewis did her usual good job of hustling and stealing the ball several times as well as getting many rebounds. Dee Kinard scored several inside baskets and saved many rebounds. Keisha Johnson made more outside shots than she ever had before.

We scored very consistently and had a 60 percent field goal record the first half and 50 percent the second half. We lead the entire game and most of the time stayed 9 and 11 points ahead. Littlefield got hot during the last quarter and came within three points of us, because we got excited for about four minutes that almost cost us the game.

Where Love Was Strong "Don't you think Egbert is of a very flighty disposition?" "Why, no, he'll never forget his first and only love." "So, he's been seriously enamored. Who was it?" "Himself."

Coach Scott chose Kayla Bayless for player of the week in the Littlefield tournament. She said, "Kayla has been doing a very good job on defense for the last couple of weeks. She has really started to hustle on defense and this also helps us on our rebounding. Kayla has not been playing very much, but if she continues to work hard like she has been doing we expect to see a lot more improvement in the next couple of weeks."

Girls' Basketball

The 7th grade Mulettes lost both games in their first tournament, at Littlefield. In their first game they played Littlefield with the score 19 to 39 Littlefield's favor. They played Abernathy for their second game and lost 18 to 35. Grace Garza was high pointer for both games scoring 9 points against Littlefield and 7 points against Abernathy.

The Mulettes last game will be Monday Feb. 11 against Morton. The 7th grade Mulettes were defeated by Olton 26 to 29, Jan. 21, here. The score was 8 to 10 at half time. The Mulettes just couldn't get ahead. Barbie Seaton was high pointer scoring 12 points. The Mulettes have their first tournament Jan. 24th thru the 26th and their next regular game is Littlefield Jan. 28.

MARILYN LEWIS

The 8th grade girls basketball team won their game against Dimmitt, Monday, February 4, 32 to 21. Dee Kinard was the

high pointer of the game, scoring 11 points. There were 51 fouls called in the 8th grade game altogether. Each team put out great effort and hustle to win.

The 8th grade girls basketball team won their game Monday, January 21 against Olton with a score of 39 to 23. The high pointer of the game was Marilyn Lewis, with 21 points.

Marilyn Lewis is player of the week considering she scored 21 points, made several steals, and assisted on many plays that helped us score. Marilyn is a very aggressive player who makes things happen and should be a tremendous player in the years to come. Her attitude is outstanding and most desirable.

The 7th grade Mulettes lost to Dimmitt, Feb. 4th, here. The final score was 16-20, Dimmitt's favor. Mary Norman was the high-pointer scoring 19 points.

The Mulettes last game will be Monday Feb. 11 against Morton.

The 7th grade Mulettes were defeated by Olton 26 to 29, Jan. 21, here. The score was 8 to 10 at half time. The Mulettes just couldn't get ahead. Barbie Seaton was high pointer scoring 12 points. The Mulettes have their first tournament Jan. 24th thru the 26th and their next regular game is Littlefield Jan. 28.

AGAIN?--What is fast becoming normal weekend procedure for the weather was evident again Saturday when a three inch blanket of white fell over night in the area. Traffic was very slow as drivers attempted to compensate for the ice glaze hiding beneath the snow. Wintry weather was predicted to carry over into next week.

Boys Basketball

7th Grade Mules Clawed by Dimmitt Bobcats.

The 7th grade Mules played the Dimmitt Bobcats in Dimmitt, Monday, February 4. The Mules were defeated by a score of Mules 17 Bobcats 38. High Pointer was Hector Flores with 7 points and John Isaac with 6.

When asked about the games Coach Cornelious replied, "We lost primarily because we shot so poorly from the floor. We shot only 13 percent from the floor. Hector had a good game however, shooting 3 of 6 attempts, from the floor and 1 of 2 from the foul line."

In the past weeks the 7th grade Mules defeated Olton Mustangs, but they were defeated by the Littlefield Wildcats. The next game is against Morton Indians at Morton.

The 8th grade Mules faced Olton, there, January 21, where they overpowered the Colts winning 27-20. The high pointer of the game was Darin Shaw

with 9 points.

Then on January 28, the Mules faced Littlefield and a sickness plagued the Mules team with two starters gone. They battled the Wildcats to a close and hard fought game, losing in a heartbreaker of Mules 36 and Littlefield 39. Darin Shaw led the team in scoring with 13 points.

On February 4, the Mules traveled to Dimmitt, attempting to upset the mighty Bobcats for the first time in two years. But the Bobcats rose to the occasion, shredding the mighty Mules 34 to 24. Richie Richards led the team in points, including a shot from the half court line at the buzzer.

FAYETTEVILLE, N.C. -- Preservation of the family farm was the cry U.S. Secretary of Agriculture Bob Bergland heard as farmers from North Carolina, Virginia and Georgia gathered in Fayetteville for a public hearing on federal farm policy. The session is the second of 10 meetings Bergland has scheduled across the nation to get comments from farmers.

**AIMING TRUE**--Breaking the ice on the scoring early in the Muleshoe-Dimmitt playoff game for the district championship was Janie Richards, right, No. 32. She got the first two points scored in the game by either team, but sat out a part of the game on the bench after injuring her knee. Kathleen Patterson, No. 34, leans back out of the way so Richards can make her shot.

**Valley builds them tougher.**

It isn't just one thing. It's the toughest gearbox in the industry — the ones they put on other make center pivots by the thousands when their gearboxes fail. It's a new, no-grease urethane U-joint that easily outlasts conventional U-joints. It's a proven three-direction flex joint guaranteed on grades of up to 30%. It's a structure where you can see the difference when you put a ruler to it. And that's just for starters. Let us show you the rest.

### DECA Rocks For Muscular Dystrophy

The Muleshoe High School chapter of Distributive Education Clubs of America has been very busy the past week preparing for the MDA Rock-A-Thon which will be held Friday and Saturday nights March 7 and 8. At the present time there are approximately 200 people taking pledges for the amount of time they can rock.

DECA students have been approaching area merchants asking for donations for door prizes that will be given away at regular intervals during the Rock-A-Thon.

At the present time, the following merchants have made contributions: Art Loft, Harvey Bass Appliance, Corral Restaurant, Cashway Grocery, Anthony's, Leal's, First National Bank, Muleshoe State Bank, Latrell's Fashions, Randy's Golf Shop, Robert D. Green, Inc., St. Clair's, Perry's, Western Auto, Albertson's, Dinner Bell, Gordon Wilson Appliance, Poyner's Whites Auto, Muleshoe Floral, Flowerland, Hidden Talents, Lonnie's, Anna's House of Beauty, Main Street Beauty Salon, Honey Comb Beauty Shop, Capitol Freehold Land and Investment Co. LTD, Chubby's Beauty Shop,

and the Kiwanis Club. Paul Moore, Fundraising Chairman of the South Plains Muscular Dystrophy Association, made the following statement concerning the local and area response to the Rock-A-Thon, "I am very impressed at the response by the people of Muleshoe toward the Rock-A-Thon. They all seem very concerned and willing to contribute what they can to help a very worthy cause."

The DECA organization would like to thank the area merchants for their contributions and support.

For more information concerning the Rock-A-Thon, call Mrs. Lola Pylant at home 272-5034 or at school 272-3080.

### Weekend At College

The Wayland Baptist College Department of Business has invited Muleshoe High School students to participate in a Business skills contest to be held on Friday, April 25, in conjunction with Big Weekend on Wayland Campus. There will be competitive events in accounting, typewriting, shorthand, business law, economics, business English, and business Math. Certificates will be presented to the top three students in each event, and a scholarship to attend Wayland Baptist College will be offered to the first place winners in each event.

During Big Weekend, Wayland hosts area high school students who are interested in attending Wayland. While on campus, students will have the opportunity to view the newly remodeled J. Lindsey Nunn Building which houses the Business Department. Other activities including musical, athletic, and social have been planned by the student Foundation to allow students to become acquainted with Wayland faculty and students.

Students are invited to attend classes at Wayland during Big Weekend to see what college classes are

### Valentine Carnations

The Junior Class sold carnations all week. The carnations were three different colors - red for love, pink for secret admirer, and white for friendship. The Junior class delivered 580 carnations to first period classes on Valentine.

### Search For Adventure

ALBUQUERQUE --- Search for adventure is still a big reason for young men and women who join the all Volunteer Army, according to Lieutenant Colonel Thomas Schatzman, Commander of Army recruiting activities in New Mexico and West Texas.

However adventure has a much broader meaning today than the old movie concepts of battles and war and cloak-and-dagger intrigue. Today, adventure can mean joining and being a part of the Ranger program, or learning electronics, interrogation, investigation, analysis and imagery interpretation.

For others it is the opportunity to travel either in their own country or abroad; to meet new people from all walks of life. The Army guarantees enlisted men and women the choice of where they would like to serve - either at home or abroad in Europe or Asia.

As one young soldier put it, "Well, I didn't know what I wanted to do and I wasn't trained for a specific job. I wasn't sure I wanted or needed to go to college. What I wanted was to find out and to do something that was a challenge. That's what I've found in the Army, a challenge as well as skill training and the opportunity to find out about myself. It's kind of a personal adventure."

**DREAM COMES TRUE**  
EASLEY, S.C. -- Sam Brown, the 12-year-old schoolboy who wants to meet President Anwar Sadat of Egypt, received a call from the Egyptian Tourism Office in New York which confirmed his all-expenses-paid trip to Egypt for one week beginning Dec. 17. The Egyptian

Lola Pylant (DECA) and Mary Furgeson (HERO). This year's HECE-DECA Banquet will be held April 15 at 7:00 p.m. Guest speaker will be Max Sherman, West Texas State University President.

Committee members decided, in order to strengthen the Cooperative Training Programs, work should be done on improving the public image. It was decided to develop a slide presentation for public relations. This presentation will be used as a tool for program interpretation, with an update planned for each year. The DECA and HERO members will make this presentation to civic organizations and any other interested groups to promote and encourage participation.

The Advisory Committee also suggests that a plaque be presented to

### Freshmen Win Over Morton

The Muleshoe Freshmen boys traveled to Morton Monday, and under the watchful eyes of their number one fans, Mr. and Mrs. Frank Wuerflein and Janna, defeated the Indians 65-64.

Ironically it was John Wuerflein's two clutch free throws that gave the Mules their final tally of 65 points, a season high. Scoring points for the Mules were Macario Reyes with 26, Leroy Hurtado with 10, Wuerflein with 9, Cubby Ramos with 7, Sammy Gonzales 6, Christ Kirvin 5, and Rene Reyes 2 points.

Other members of the Freshmen Mule team were Alex Navarra, Raul Garcia, Eddie Flowers, Mike Pugh, Scott Campbell, Roby Wilson, Todd Holt, Tyrii Vandiver, Darren Bratcher, Lee Free, and Jay Pearson.

Each player worked hard all year and, although their record was not that great, they improved tremendously. Muleshoe can really be proud of these young men.

### WHO KNOWS?

- When did the 1979 hurricane season end?
- Name the nine states admitted to the union in December.
- What percent of the world do the oceans cover?
- Define malingering.
- When will winter arrive?
- Where and when was the first powered flight?
- Who wrote Rip Van Winkle?
- What does Indiana mean?

### Answers To Who Knows

- November 30.
- Alabama, Delaware, Illinois, Indiana, Iowa, Mississippi, New Jersey, Pennsylvania and Texas.
- Seven tenths.
- A person who feigns illness to escape duty.
- December 22. 6:10 a.m.

each training station this year bearing the name of the student in training, and each year while the business is participating in the cooperative programs.

Suggestions were also made to find an evaluation form of the student's progress that is applicable for all training stations and students, since this is 50 percent of the student's report card grade.

Mrs. Pylant and Mrs. Furgeson appreciate each employer who supports DECA and HECE. At any time during the year, new ideas and suggestions are welcome. Thank you Muleshoe Merchants!

### Spotlight On FFA

This week the Mule's Tale staff is proud to focus on spotlight on FFA members at Muleshoe High. So far, four stock shows have been attended; Dallas, El Paso, and San Antonio. Next, members will attend the Houston Livestock Show, February 25 through March 2.

Other FFA activities completed this year include a Calf Fry with Donald Harrison cooking, fruit sales, parking cars at the football games, and Ag Boosters auction to support FFA. Also, Robert Green donated a pickup to the organization.

We wish all FFA members good luck in their projects and would like to feature the officers.

We talk about buying a car with all the options you might want at the time of purchase, but say very little about those that may be added after you have bought your car. We have in stock, or can get, any option and, in most cases, install it for you right here at our shop. Let's say, for instance, you have a car you bought over a year ago and you sure would like to have a tape player. Yes, we have these in stock and can install it for you. There are some options, of course, which are not feasible to install after purchase, such as, power steering, but many of the smaller items that would be handy for you - just come by and ask us. We are always happy to visit with you about your car.

**ATTEND THE CHURCH OF YOUR CHOICE**

**THE HIGHEST POINT**

A steeple was first built on the town church so that anyone anywhere in the village could look out and locate the house of worship. The steeple on the church was the highest point in town. This was a physical fact and the people of the Lord knew it was a spiritual fact also.

Although a church's steeple is no longer the highest physical point in the city because of all the many-storied buildings and towers, the church itself is still filled with people who have reached the highest point of Godly maturity and who are filled with the highest degree of Christian love for God and man.

**PUBLIC NOTICE  
NOTICE TO BIDDERS**

Notice is hereby given that Bailey County will offer for sale for cash to the highest bidder six radiant heaters as described below, and sealed bids for the purchase of the said heaters will be received until 11:00 o'clock A.M., Friday February 29.

The heaters are Lindie brand made by the Lindie Manufacturing Company, 1000 imput B.T.U. 85,000 output B.T.U. 115 volts ignitons, and they are each equipped with thermostats.

There are six heaters, and bidders are requested to submit bids on an individual and package deal basis also. The heaters may be inspected by contacting Joyce Holmes, manager of the Exhibition Center and Coliseum. These heaters were installed new when the Coliseum was constructed, they have been replaced with larger heaters, they have been used very little, and are in excellent condition.

Bids may be submitted at the office of the County Judge, and the Court reserves the right to reject any or all bids.

**Public Notice**

**NOTICE TO CONTRACTORS**

Sealed bids addressed to the City of Muleshoe, Texas, will be received at the City Hall until 8:30 a.m., March 4, 1980, and then publicly opened and read for furnishing all plant, labor, material and equipment, and performing all work required for seal coating city streets.

Bids shall be submitted in sealed envelopes upon the blank form of the proposal attached hereto and marked in the upper left hand corner.

All proposals shall be accompanied by a cashier's check or certified check upon a national or state bank in the amount of five (5 percent) of the total maximum bid price payable without recourse to the City or a bid bond in the same amount from a reliable surety company, as a guarantee that bidder will enter into a contract and execute performance bond within ten days after notice of award of contract to him. The bid security must be enclosed in the same envelope with the bid. Bids without check or bid bond will not be considered.

The successful bidder must furnish performance and payment bonds upon the forms which are attached hereto in the amount of 100 percent of the contract price from an approved surety company holding a permit from the State of Texas to act as surety or other surety or sureties acceptable to the Owner. (If contract is less than \$25,000, no performance or payment bond is required.)

The right is reserved to reject any and all bids and to waive any informality in bid: received. Plans, specifications and bidding documents may be secured from the office of the City Manager or at the
