

Romania Told She Must Fight With Soviets

NEW YORK, Aug. 25 (AP)—The Cairo radio said today that Romania had declared war on Germany and that German planes "heavily bombed" Bucharest. The FCC recorded the broadcast, which was without confirmation elsewhere.

LONDON, Aug. 25 (AP)—Germany announced officially today that "some" Romanian troops had stopped fighting and Moscow dispatches told of widespread local engagements between Nazi rear guards and King Mihai's army, thrown to the Allied side by the Balkan kingdom's abrupt capitulation and reversal.

While Russian armies drove swiftly through the oil and wheat empire to within 35 miles of the strategic Galati Gap between the Carpathians and the Danube delta, the Soviet Union informed Romania it could earn an armistice only by ordering her troops to fight "hand in hand with the Red army," a move ordered in King Mihai's dramatic proclamation Wednesday night.

Objectives In Germany Blasted Again By Planes

Repercussions were swift. Outraged Bulgaria intensified its search for peace and London speculated that a capitulation from the Bulgars would come shortly. Hungary's boundaries were bared to the advancing Russians, and, according to Bucharest broadcasts, to the Romanians too.

The liberation of adjoining Yugoslavia and nearby Greece were brought infinitely closer. Even Finland, far to the north, was reported in new peace overtures.

Moscow reported that Romanians, who previously had desecrated, told advancing Russian troops that Germans machine-gunned them for retreating and that they, the Romanians, in turn, killed their Nazi military masters.

Best estimates of German troops in Romania range up to 40 divisions, many under strength.

Romania has perhaps 25 to 30 divisions, many under strength from losses suffered in the ill-fated Russian campaigns which were estimated to have cost Romania up to 1,000,000 casualties.

A Rome dispatch said a huge German motor convoy stretching 20 miles was strafed on the road northward through Yugoslavia toward Belgrade yesterday.

An AP dispatch from Cairo said the Romanian army of King Mihai was understood to control the important Black Sea port of Constantia.

Considerable German shipping and the Nazis' small but effective Black Sea naval force, consisting chiefly of E and U-boats, are based there. Considerable German shipping also was to have arrived there from the Bulgarian ports of Varna and Burgas.

The expectation in Cairo was that the Germans would scuttle their ships.

Russia's offer of co-belligerent status to all Romanians willing to fight the Germans and Hungarians hastened a complete collapse of Nazi rule in the Balkans and implied recognition of Romania's right to Transylvania, the AP's Daniel De Luce cabled from Moscow.

Dealings with Bulgaria, it was reported in authoritative circles here, were initiated by a petition delivered to Sir Hughe M. Knatchbull-Hugesson, British ambassador in Turkey, by an accredited representative of the Sofia government. It was believed any terms would be based on unconditional surrender.

President Discusses Shake-Up In The WPB

WASHINGTON, Aug. 25 (AP)—President Roosevelt said today that Donald M. Nelson still is chairman of the War Production Board but added that he could say now whether that official would be in the same job when he returned from a special assignment to China.

Mr. Roosevelt told a news conference Nelson was going on a very important mission and that he believed questions about what is going to happen in the future were of "ifly" nature.

The exchange started at today's news conference when a reporter asked the chief executive whether Nelson would resume control of

Troops Attempt New Invasion Near Philippines

Gen. Stilwell Gives Summary Of His North Burma Operations

By J. B. KRUEGER Associated Press War Editor Allied troops have attempted a new island invasion nearer the Philippines, Tokyo radio said today without confirmation.

The same enemy source broadcast that 28 carrier planes raided western Sumatra at the other end of the Dutch East Indies, similarly without Allied confirmation.

These indications of a quickening tempo in the southern Pacific coincided with two London announcements promising harder blows against Japan from southeast Asia.

Adm. Lord Louis Mountbatten has returned to east Asia from Britain with new plans for stepping up the war in that relatively quiescent sector; Adm. Sir Bruce Fraser arrived in Ceylon to take command of the British Far Eastern fleet in succession to Adm. Sir James Somerville.

Fraser is known as a doughty sea commander outstandingly successful against the Germans. Allied troops landed on the Mopia (St. David) islands yesterday, Tokyo said, but the invaders were driven off in a few hours with heavy losses.

There was no indication of the scope of the reported action. The Mopias lie about 100 miles due north of Manokwari on northwest New Guinea, a bit over 400 miles from Palau which guards the eastern Philippines and some 300 miles east of Halmahera.

Gen. Joseph Stilwell meanwhile offered a summary of his north Burma operations this year, reporting that 10,000 square miles of territory were retaken and more than 20,000 Japanese slain. He reckoned the campaign as partial recompense for the "hell of a beating" his forces "took in Burma in 1942."

Halmahera, stepping stone to the Philippines, took its heaviest bombing Wednesday. Gen. MacArthur's airmen unloaded 156 tons to good effect, destroying buildings and setting fires.

Adm. Nimitz announced a Sunday raid on off-hit Paramushiro north of Japan.

Some 20,000 prisoners already have passed through the pens established on the beachheads, and hundreds more continued to march back from the rapidly expanding front while hard-striking American and French troops wiped out small enemy units as fast as they were encountered.

Capture of Cannes in a five mile advance at the eastern end of the beachhead was the first offensive movement toward the Italian frontier reported in recent days. It came after bombardment of enemy coastal batteries in that vicinity by Allied warships.

The Germans reported several days ago they had destroyed the harbor installations at Cannes.

What Went Wrong With The Liberation Of Paris

By MERRILL MUELLER NBC Correspondent Representing the Combined American Networks WITH AMERICAN FORCES IN FRANCE, Aug. 25 (AP)—With the liberation of Paris by Franco-American troops now finally a fact, undoubtedly the world is asking what went wrong with the liberation of Paris following General Koenig's broadcast on Wednesday. French Draw Ring Of Steel Around Nazis

By NOLAN NORGAARD

ROME, Aug. 25 (AP)—American troops of the Seventh army have seized the resort of Cannes on the French Riviera and the nearby inland town of Grasse, extending the hold on southern France eastward today toward the Italian frontier, Allied headquarters announced.

Another U. S. column, smashing westward from Salon, northwest of Marseille, was reported within eight miles of Arles and the lower Rhone river, in the drive on that vital natural highway for a juncture with Allied armies in northern France.

Lt. Gen. Alexander M. Patch's headquarters said nothing of gains by American troops striking north of Grenoble. Geneva dispatches said the troops had reached the Swiss frontier, about 70 airline miles north of Grenoble.

The force which captured Grenoble after a spectacular advance northward from Draguignan was a flying column, including some armor operating in advance of the main body of the American troops, which subsequently has firmly occupied the area with the cooperation of the French forces of the interior, was the only official comment today on the activities of that swiftly striking force.

Fighting continued in both Marseille and Toulon—the two big ports needed as major supply bases for the Allied forces.

There were sporadic street battles in Marseille, chiefly in the harbor district, an Allied official said.

In Toulon French troops drew a ring of steel tighter around the desperate Germans entrenched in the naval port and the nearby coastal area. The French troops occupied the land arsenal within the city as well as the suburb of Ollioules to the northwest. The enemy's stiffest resistance was around the naval arsenal in the harbor and on the two peninsulas which almost landlock the harbor to the southwest and southeast.

Some 20,000 prisoners already have passed through the pens established on the beachheads, and hundreds more continued to march back from the rapidly expanding front while hard-striking American and French troops wiped out small enemy units as fast as they were encountered.

ish officer. They had come through to our lines in General Patton's area, reported to him and were sent back to General Bradley for a decision. None of their stories agreed. In fact, the one British officer had to act as moderator of the meeting to keep their reports to strict fact.

The Swedish diplomat was brief and fairly factual. He told Bradley the German high command felt itself unable to conserve in

Reds Within 35 Miles Of Galati Defenses

MOSCOW, Aug. 25 (AP)—Two red armies, slashing deeper into Romania against an apparently tottering enemy from whom 47,000 men have been taken as prisoners in five days, today were within 35 miles of the Galati Gap defenses guarding the Danube gateway to Bucharest and the Ploesti oil fields.

The armies of Gen. Rodio Y. Malinovsky and Gen. Feodor Tolbukhin, obviously taking no chances on the outcome of Romania's peace bid through King Mihai, swept up more than 550 cities, towns and villages yesterday, including the Bessarabian capital of Chisinau (Kishinev).

British, Russians Against Peace Conference Plan

WASHINGTON, Aug. 26 (AP)—Limitations expected to be imposed on the projected world security organization now being outlined at Dumbarton Oaks possibly will eliminate a plan advocated by some well-placed American officials to hand over peace conference problems to that agency, it was understood today.

British representatives are reported to have brought a strong conviction from the London government that the "liquidation of the war" must be separated from the organization of the peace.

The Russians have taken the line that all work not connected directly with the settlement of international disputes and the preservation of peace should be handled by international groups other than the security agency, although they almost certainly would have to be coordinated with it.

Rodeo Described As The Best Yet

Most Big Springers agreed Friday that the opening performance of the ninth annual rodeo Thursday evening, although prolonged by technical difficulties, turned out to be one of the best in the history of the event.

Army Looks At Oct. 1 As Tentative Date For End Of German War

WASHINGTON, Aug. 25 (AP)—Chairman Woodrum (D-Va) of the house postwar military policy committee said today that the army "tentatively" looks to Oct. 1, 1944, as the date for the end of the war against Germany.

Woodrum interposed the statement at a hearing at which Rear Admiral James H. Irish, inventory control officer for the navy, indicated the navy expects to be still fighting in the Pacific through 1945.

Woodrum did not amplify nor explain the source of his information.

Admiral Irish made his comment after declaring that "the successful prosecution of the navy's war in the Pacific is being handicapped by the failure to obtain necessary ships, such as troop carriers, refrigerating ships, and other important parts of the shipbuilding program."

Americans Enter City In Support Of French Forces

LONDON, Aug. 25 (AP)—Paris appeared to be in Allied hands tonight with the French second armored division operating in the city. Fighting, however, still is going on in and around the French capital.

Gen. Eisenhower's supreme command declared that Brig. Gen. Jacques Le Clerc's armor was operating in the capital and a broadcast from Eisenhower's headquarters spoke of the liberation of Paris as "a fact."

As fighting continued, the French forces of the interior appealed by radio for Parisians to come to the barricades.

Broadcasts from the city of light said the joyous citizenry already were celebrating their freedom. Other radio dispatches said American troops had entered the city in support of the French.

The bulk of the French general's Second armored divisions—30,000 strong—was massed in the Port de Sevres sector in southwest Paris and already had begun to March in, said one Allied transmitter broadcasting from Paris.

Gen. Charles De Gaulle was said to be at Bagneux in southwestern Paris waiting to be conducted into the capital where the Carillons of Notre Dame and church bells throughout the city already heralded the entry of one spearhead.

In the courtyard of the Seine police prefecture the Marseillaise was sung and soon the anthem was taken up through the neighboring streets. Streets of the capital were draped with Allied flags.

The old revolutionary wargy of Parisians, "to the barricades," was sounded in appeals to the populace to rally to the final fight for liberation, which was said to center at the Ecole Militaire, the Palais Du Luxembourg and the district of Clichy in north Paris.

The FFI was ordered to hold its positions "at any price until relief arrived in strength."

Patriots in the town hall of the 11th ward in the northeast called for reinforcements and ammunition replenishment during the night.

The patriots were in control of several bridges and all barricades were declared manned.

Leclerc went through the Boulevard St. Germain and moved on the place De La Concorde. American forces stationed at Bourg La Reine and Bagneux started moving into the city at 8:15 a. m.

Other tanks and vehicles of Leclerc's command entered by the Chateillon gate at 7:15 a. m.

The arrival of a detachment in the center of the city was reported by an American correspondent in a broadcast.

Field Marshal Gen. Guenther von Kluge was reported swinging his beaten German armies back to the line of the Somme and the Marne today in a headlong retreat which would abandon much of the channel coast and the vicinity of Paris.

The battle in the pocket below the Seine, swiftly whittled to an area of only 20 miles long and 15 miles deep, appeared likely to be ended in another 24 hours as Americans, British, Canadians and Allied troops pressed in from all sides. The Canadians, advancing along the coast, captured Honfleur, five miles across the Seine Bay from Le Havre.

The Germans said they were engaged in a "detaching movement" below the Seine, and RAF intelligence reported the pattern of the retreat indicated Von Kluge's armor was in a mad dash across the Seine toward the Somme and the Marne.

"The wholesale slaughter of the cream of Von Kluge's armor may never be repeated again in this war," a senior RAF officer said in France.

"We just can't hit armor the enemy hasn't got," he explained. "Dispatches said side roads in the Seine pocket were lined for miles with the litter of wrecked German tanks and military vehicles, enemy dead piled in the ditches and under trees or draped over burned and smoldering equipment."

Even if an attempted stand is made on the Somme-Marne line, the RAF officer said, it was doubtful if the enemy has enough armor to make the stand he did in Normandy, and he spoke of the possibility the Germans would retire to the German border.

DOWNTOWN STROLLER

The Rodeo opened last night and almost all Big Spring turned out to see the big parade and the bang-up performance the cowboys and cowgirls gave. There's a time in everyone's life that you wish you were a rip-snortin' cowgirl or cowboy. This was it!

MRS. D. D. DOUGLASS was one of those in the full grandstand. Before the show began, she seemed to enjoy herself speaking to her friends in the crowd.

Noticed LIEUT. PEPPY BLOUNT, DORIS GLENN, HELEN BLOUNT, JANET ROBB buying tickets at the gate. Seems LT. BLOUNT has received several more days that he may spend at home.

MRS. DOUGLASS ORME, LIEUT. and MRS. FRANK LITTELL and EDITH GAY were among rodeo enthusiasts out for the show. Seemed they were up to the tricks of the weather and brought their coats.

Parading in the grand entry were MRS. TOOTS MANSFIELD, the former MARY NELL EDWARDS, who wore a natty green cowgirl outfit and her sister, MRS. DAN TAYLOR, the former ANNA BELLE EDWARDS, who wore a black riding habit with white hat and boots.

Shower, Luncheon Given For Mrs. Griffin By Class

A surprise covered dish luncheon and farewell shower was given for Mrs. O. P. Griffin Tuesday noon when members of the Homemaker's Class of the First Christian church met in the Griffin home.

Mr. and Mrs. Griffin will leave soon for Clyde where they will make their home.

Those present were Mrs. George Dabney, Mrs. J. H. Stiff, Mrs. F. C. Robinson, Mrs. Vorhels, Mrs. M. C. Lawrence, Mrs. C. M. Shaw, Mrs. Jerry McCoy, Mrs. A. J. Colton, Mrs. T. E. "Satisfying Amateur Buttonholers Is Really Tough" Congressmen Say

By CLAIR JOHNSON
WASHINGTON, Aug. 25 (AP)—Your congressmen blame most of their increasing gray hairs these days on the unusually heavy flow to Washington of home-town pressure groups.

The visiting firemen, it seems, have almost doubled since the war's start, because of price control, rationing restrictions, etc.

Coping with the old-line, professional lobbyists who have

headquarters here is hard enough, the legislators say, but satisfying the "amateur" buttonholers is really tough.

For one thing, the visitors usually are asking for changes in their special legislation. They want federal agency directives rather prices boosted on milk, or tobacco, or boxcars. They want a WPB priority, or exemption from an OPA order.

This means the congressman has to "put the pressure" on someone in a downtown bureau. Frequently he doesn't know the official. That makes it tough. But the biggest stumbling block is the fact he's bucking all sorts of war complications.

Most of the time the "we want this" men supply an imposing array of facts and figures. But, generally speaking, they don't get far except on minor matters.

OPA has been particularly tough. Frequently OPA officials will acknowledge some local injustice is being done. But they'll decline to act on the grounds that such action would destroy the balance of the national picture. One leak in the dam can let in lots of water.

The work pattern for the home-towners follows assorted lanes, but usually it shapes up something like this:

- (1) A state meeting is held, at which complaints are heard and requests prepared; (2) a delegation comes here and presents its demands to the agency involved; (3) the agency stalls, so the visitors dump the problem in their legislators' laps; (4) renewed pleas are made; and (5) if success is achieved joint credit goes to the congressmen and the delegation, but if things go wrong the lawmakers make a convenient scapegoat.

Yesterday and Today

There are three things which are absolutely essential to the preservation and perpetuation of the Christian Religion. To the extent we neglect or ignore these things to the same degree will Christianity suffer. These things are:

First, a recognition of the Bible as the inspired word of God. Whenever men and nations have made the Bible "a lamp unto their feet and a light unto their pathway," they have prospered. But when they have disbelieved it, or neglected it or refused to be directed by its teachings, they have become involved in war, social strife, economic difficulties and moral degradation. The answer to earth's perplexing questions and the solution to earth's disturbing problems may be found in the book which we call the "Holy Bible." God has promised to keep those who keep His Word. We earnestly recommend its daily reading by all classes of our people. David, "the man after God's own heart," said "Thy Word have I hid in my heart that I might not sin against Thee." As someone has well said, "Sin will keep us from this Book, and this Book will keep us from sin."

Second, the church is a divine institution and as such is destined to stand through all the ravages of time. Indeed, "The gates of hell shall not prevail against it." The church is more than an organization, it is an organism made up of regenerated, born again, children of God. It is, "The church of the living God, the pillar and ground of the truth." If Jesus loved the church enough to give His life for it, then we, His disciples, should love it enough to give ourselves to it.

Third, we must not forget the Lord's Day, it is a holy day, and that we are not permitted to do our own will's upon that day but sacredly set it aside for rest and worship.

Bulla Puts Pressure On Field Of Sharpshooters In Open Play

CHICAGO, Aug. 25 (UP)—Johnny Bulla's three-point landing with a sizzling 65 put the pressure on a select field of 126 other sharpshooters at the all American open golf tournament today.

The 36-year-old Bulla, an Eastern Airlines pilot, flew in to town from Atlanta and promptly whipped over Tam O'Shanter's fairways yesterday in a record-tying gall to gain a three-stroke advantage over his nearest foe after 18 holes in the open section of the \$42,500 three-day show.

As the 122 professionals and seven amateurs opened play in the second quarter of the 72-hole tournament which carries a rich first prize of \$13,462, Bulla led

favorite Byron Nelson, by three strokes.

Nelson, tourney winner in 1941 and 1942, pulled into the second spot with a 68.

Ken Hellmann, a St. Louis chemist, swept into the lead with a 70 for the first 18 holes of the amateur division.

Hellmann posted his two-under par for a one stroke advantage over John Markel, of Reading, Pa., and Ed Furgol of Detroit. Dale Morey, of Indianapolis, the 1943 champion via the match play route, was far back in the field of 26 with a 78.

First day leadership for the field of 27 women who also are deciding their all American title over the 72-hole route, went to Betty Hicks, of Long Beach, Calif. The far western star came in with a 78, two over women's par, to finish a stroke in front of Phyllis Otto, of Atlantic, Ia. Lt. Patty Berg, of the Marines, the defending champ, turned in an 81 as did Dot Germain, of Philadelphia.

In addition to Bulla, seven other shooters scored 70 or under in the open. They included the veteran Gene Sarazen, who shot his fifth 69 in tournament play this season.

Harold (Jug) McSpaden, leading money winner among the professionals this year, had a comfortable 71, while Bob Hamilton, of Evansville, Ind., the new P.G.A. champion, had a 73, one over par.

Softball Tourney Underway Today

AUSTIN, Aug. 25 (UP)—The Texas Amateur Athletic Federation softball championship tournament, with 17 teams competing, opened here today, with three morning games scheduled.

Globe Aircrafts of Fort Worth drew a bye and will play the winner of the Camp Swift (Austin)-Turkey Bird (Austin) game, set for 2 p. m.

The day's schedule:

Morning round—Hondo Army Air Forces vs. Pounds Field (Tyler); Sheppard Field (Wichita Falls) vs. Blackland Army Air Field (Waco); Public Workers of Corpus Christi vs. Normoyle Field (San Antonio).

Afternoon games—Camp Swift vs. Turkey Birds; Alamo Jewelers (San Antonio) vs. Bergstrom Field (Austin); Ellington Field (Houston) vs. Fort Worth Army Air Forces; Randolph Field instructors vs. San Marcos Navigators; Corpus Christi Electricians vs. Bell Cleaners (Dallas).

Playoffs will be held tonight.

LOS ANGELES, Aug. 25 (UP)—Almost wholly in the name of charity, the Washington Redskins of the National professional football league and a quite promising team representing March Field, army air forces establishment near Riverside, Calif., open the gridiron season tonight in Los Angeles' big Memorial coliseum.

George Marshall's Redskins, 2 to 1 favorites, will pocket \$12,500 but the rest of the gate will go for army recreational facilities in the Pacific area.

Biggest magnet for the crowd will be Slingin' Sammy Baugh, one of football's most remarkable performers. Sammy is starting his eighth season of pro football.

The Redskins have switched from the single and double wing to the T formation, and that's right down Sammy's alley.

Coach Dud De Groot thinks Sammy will give the enemy the jitters trying to find out just where the ball is.

Baugh will take the ball on every play, squatting right behind the center. He won't do much carrying, but he'll be throwing more than ever.

Detroit Prepares To Make Challenge For Pennant

By JACK HAND
Associated Press Sports Writer
Detroit's two-man pitching staff prepared to make its bold chal-

lenge for an American League pennant today as the St. Louis Browns dropped into the motor city for a four-game set showing

signs of wear and tear after a rough eastern trip.

If the Browns are going to "blow," the crystal ball gazers have selected this series as the time for it although Luke Sewell's leaders warped the Tigers 11 times in 14 early-season meetings.

Detroit fans remembered how the Tigers drove on to a flag the last time the Yankees faltered in 1940 and figured it was time for the worm to turn in their relations with St. Louis if they were going to keep up their rep of winning when New York loses.

Partially balancing the Browns big series edge was the fact that the teams met seven times in April and hadn't seen one another since June 25. Since then the Tigers were strengthened by the return of Dick Wakefield who is hitting .303 to lead the club.

Hal Newhouser with a 20-8 win record and Dizzy Trout with 20-9 have accounted for almost two-thirds of the Detroit victories and Trout did not begin to get hot until the season neared the half-way mark. Newhouser topped the Browns twice and lost two but Trout took only one of four. None of the others were able to be.

St. Louis.

On the Browns side, Sig Jakucki held three decisions over the Tigers to one loss, Jack Kramer had 2-1, Nelson Potter 1-1, Tex Shirley, Steven Sundra and Al Hollingworth each 1-0 and Bob Muncie 2-0. It was the hurting department however, that had Sewell worried on the eastern trip. Since August 1 only four of his pitchers had gone the route. Muncie had been belted out three times running and Jakucki had finished only once in a month.

While the Browns and Tigers feud, second place Boston will be playing the rejuvenated Philadelphia A's and the Yankees, still in the race in third place 5 1/2 games back, will be in Washington.

St. Louis still was stung pretty with a 4 1/2 game lead and could dispose of Detroit's challenge by an even split. New York and Boston needed clean sweeps to do any extensive gaining.

Chicago's Cubs gave St. Louis a close scrap but succumbed for the 13th straight time last night in the only major league game played. A Philadelphia at Boston day game was rained out and no other clubs were scheduled.

Teddy Wilks, beaten only by the Giants, stretched his win streak to 10 and notched his 13th triumph by beating the Cubs, 2-1. He allowed only three hits in topping Claude Passeau.

Crowd Expected At Tigers-Army Game

ABILENE, Aug. 25 (UP)—Advance ticket sales for tomorrow night's football game between the Brooklyn Tigers of the National professional league and the Army all-stars indicate a crowd of 8,000 will see the game.

Meanwhile, coaches of the two clubs said their charges were ready for the game, first to be played under professional rules in West Texas.

Commented all-star coach Eck Curtis: "These army boys have been living this game for a week. They won't need firing up for this one."

Pete Cawthon, Tiger mentor, remarked: "We've put a lot of work behind us the past three weeks and the boys are anxious to get started on their schedule."

I again want to thank the voters for the lead they gave me over my opponents in the first primary and want to ask you for your continued support.

I want to thank my friends for their loyalty and assistance they have given me in my campaign for County Attorney.

I have lived here for the past sixteen years and have tried to build a reputation. I stand upon it.

I know I am qualified to handle the office efficiently and will devote my time and best efforts to giving you the service you deserve.

From reports coming in, I have no fear of the outcome. So please come in and vote for me, early.

H. J. R. No. 18
HOUSE JOINT RESOLUTION
proposing an Amendment to Section 9 of Article 8 of the Constitution of the State of Texas, so as to provide that the Commissioners Court in any county may re-allocate the county tax levies authorized in said section by changing the rates provided for any of the purposes authorized in said section by either increasing or decreasing the same, but in no event shall the total of such taxes exceed eighty (80) cents on the one hundred dollars valuation for any one year; providing that before such Commissioners Court may make such re-allocations and changes in such levies that the same shall be submitted to the qualified property tax paying voters of such county at a general or special election, and shall be approved by a majority of the qualified property tax paying voters of such county, voting on the proposition, after submission by the Commissioners Court at a general or special election for that purpose; and providing that this Amendment shall not be construed as a limitation on powers delegated to counties, cities or towns by any other section or sections of the Constitution."

Heavyweight Favored
GALVESTON, Aug. 25 (AP)—Jimmy Carolo, youthful New York heavyweight, appeared to be the favorite in his fight here tonight with Dallas' rugged Jack Marshall, although betting was about even.

Each man weighed 195 pounds for the battle, scheduled for ten rounds, and each seemed to be in good shape for the fray. Carolo has looked impressive in his workouts at Galveston army airfield, and Marshall appeared to be in the pink of condition.

CONDUCTOR LOSES
SHREVEPORT, La., Aug. 25 (AP)—The conductor was the only loser here last night when lightning struck a trolley car. Firemen reported that the bolt rang up an extra fare, and the conductor was seven cents short at checkup time.

within Paris and the British officer gave the real sound warning that German defense positions in Paris were still intact, and a clear approach to the city would be costly.

General Bradley himself told me that beyond the British officer he didn't know who to believe but

that he was in a position to spare the second French armored division and would order it to Paris. It was estimated that the Second French armored division could not be within the city within 48 hours—and that is exactly what it took.

Paris certainly helped liberate itself but it remained for the gallant French armored forces to together with large number of attached American units to drive the hated enemy from the city of glamour and strife.

Rodeo

Jeanne staying on like a veteran. She finally tumbled when an arena worker grabbed the bits and literally jerked the horse from under her. The crowd gave her a tremendous ovation.

Spills were plenty. Oscar Childress, Big Spring, was tossed by a devil bronc masquerading under the name of Pay Day. He was jarred unhurt but Muddywater got so serious about his bucking that G. K. Lewellen was obliged to grab a hunk of leather.

Two records were shattered by contestants. Dan Taylor, Doole, roped and tied his calf in 11.5 seconds, more than three seconds under the 14.8 set by Sonny Edwards, his brother-in-law, back in 1936 and tied the same afternoon by Charles Conway, Brownwood. Curiously, Edwards broke his own record with 14.4 for second money. Clyde Burke, Comanche, Okla., one of the world's top ropers, was third with 15.5 seconds.

Dub Phillips made a quick dive for his steer and wrestled him down in 7.5 seconds, lowering the record for the event in the Big Spring show. Mansfield Autrey, Coahoma, who finished in the money in regular calf roping, won the first round in the county event.

Only Dub Hunter, East Vaughn, N. M., was able to stay aboard his Brahma bull. Seven others tried gamely, but the humped brutes were just too uncommonly wild. Vic Schwarz, Wichita Falls, who started winning bronc bustin' events here with the outset of the local show, took the saddle bronc contest. Foster Parrish, Wolfe City, gave Blue Goose the best ride in the bare back event.

Billie Lee Hinson, Lampasas, had one leg on the sponsors race

for a \$150 saddle by negotiating the flag race in 16.1, a full second faster than other times. Times were slowed frequently when mounts shied at flags.

Fans got a big kick out of the Center Point quadrille team which went through a mounted dance in great style. Likewise, they gave big hands to John Lindsey, Wichita Falls, clown, and his trained mule and bull; and to Darrell (Levi) Garrett, Sterling City, and his trained horse.

In some respects the rodeo was like a reunion with Jess Slaughter, Charley Creighton, Marion Edwards, Charles Read, Ira Driver and many others on hand for the ninth year. Ticket sellers under Jack Smith were kept busy and Pancho Nall had a big job in sprinkling the arena with creek water.

Businessmen were urged Friday to put out their flags during the rodeo to add to the festive atmosphere. There will be a parade, forming again today at 6 p. m., and another at the same time Saturday. There were around 200 horses in the parade and 150 in the grand entry event, made more colorful by all the flags of the United Nations. In the decorated bike contest, Wanda Lou Petty won some saddle bags presented by Cecil Thixton. Douglas Hotel posted an award for Friday in the event. With light and speaker troubles ironed out, subsequent shows are due to move much more rapidly.

CREW HAPPY

ROME, Aug. 24 (AP)—A brand new American Liberator bomber on its first mission came back to an Italian base yesterday from the raid on Vienna punctured with at least 150 cannon shell, rocket, flak and bullet holes. But the crew was happy—they shot down seven enemy fighters.

Five Surrender After An Armed Break Into Jail

JACKSONVILLE, Fla., Aug. 25 (AP)—Sheriff Rex sweat said five men who forced their way into the county jail today and held several officers captive surrendered after a siege in which rifle fire and tear gas were poured into jail windows.

The men, who earlier had broken into the county armory in the jail and armed themselves with rifles and sub-machine guns, slowly filed out of a door of the jail as scores of city and county officers and soldiers kept them covered.

They gave up in response to the sheriff's threat over a loudspeaker to storm the jail with an armored car unless they surrendered.

The men appeared at the jail this morning in a county road patrol car, with a county patrolman as their captive. They also captured two city policemen who came to investigate, and took the jailer prisoner.

Three Posts At Stake In Run-Off

By The Associated Press

The democratic nomination for three U. S. congressional posts, attorney general and associate justice of the state supreme court are at stake tomorrow in a run-off primary.

These are races in which no candidate received a majority in the first democratic primary July 22. The names of the winners will go on the November election ballot, along with other democratic nominees, for a final vote. In Texas, the democratic nominee usually wins.

There are also races for the nomination of two state senators and 28 representatives in the legislature, as well as numerous local and district contests.

For the most part, state interest has centered on the races between the incumbent, Grover Sellers, and Jesse E. Martin of Fort Worth, for attorney general. In the race for associate justice of the supreme court, the incumbent Richard Critz is opposed by Gordon Simpson of Tyler, now in the armed forces abroad.

Downpours Send River On Rampage

EDINBURG, Aug. 25 (AP)—Heavy downpours along the Rio Grande and Mexico's San Juan river sent floodwaters surging south today from Rio Grande City to Brownsville.

The Rio Grande, a trickle of water for many weeks, yesterday reached flood stage at Rio Grande City. Within the next 24 hours, it was feared, the stream would rise above normal in many localities.

Owners of livestock in low places were warned by the weather bureau office to protect their property from the flood menace, which originated from rains following this week's gulf disturbances.

Henry P. Griffin of McAllen, Hidalgo county engineer, said the flow at Rio Grande City was 100,000 cubic feet per second and still rising, compared to 3,000 second feet last week-end.

At Hidalgo, south of McAllen, the flow was gauged at 45,000 second feet, and rising. Griffin said the water should enter floodways south of Mission and McAllen by tomorrow.

The floodwaters carry the excess river flow to the gulf during floods. The present flow was the heaviest in the last two years.

O. P. Griffin To Hold Final Meeting Sat.

Framework of plans for meeting labor, transportation, storage and other problems in regard to Howard county's 1944 crops will be laid at a farm meeting at 10 a. m. Saturday in district courtroom, when O. P. Griffin, county agent, will hold his final meeting as agent with farm leaders of the county.

Durward Lewter, who will report here from Abilene Saturday for duties preparatory to taking the agent's position, will be introduced. Griffin is to retire Sept. 1.

Faced with moving or storing an estimated 64,000,000 pounds of grain sorghum, farmers will have problems of storage and transportation which are to be discussed Saturday morning. Approximately 80,000 acres are planted in grain sorghums and, estimating conservative production of 800 pounds an acre, the yield would reach the 64,000,000 pounds. Griffin pointed out. He estimated 32,000,000 pounds of that will be sold and a large part will have to be shipped. A representative of the Texas & Pacific Railway company may be present at Saturday's meeting to discuss facilities for moving grain. Government loan and storage also will be discussed.

Both grain and cotton harvest in the county are expected to begin generally about Sept. 15, reaching the peak by Oct. 1.

The labor situation in regard to cotton pickers will be discussed under leadership of Griffin. At least 1,500 cotton pickers are expected to be needed and it will be necessary that farmers list requirements so agents may certify employment to the pickers in order for them to obtain gasoline. Some may have saved sufficient gasoline to come here, but the majority will require certificates. The agent's office will serve as a clearing house for farm labor and leaders will be asked to help inform farmers of information needed.

The Victory council, farm leaders, representatives of the AAA and war price and rationing board are to attend Saturday's meeting.

A representative of the war price and rationing board is to discuss tire and gasoline outlook, with special reference to truck and tractor tires.

FDR Has No Plans For Wilkie Meeting

WASHINGTON, Aug. 25 (AP)—President Roosevelt said today he had been in private contact with Wendell L. Wilkie, but that he knew of no plans for an immediate meeting with the 1940 republican presidential nominee.

A reporter asked the president whether he had been in communication with Wilkie and Mr. Roosevelt replied: Yes, privately.

"Mr. Roosevelt, does that preclude—" a reporter started to ask.

Yes, the president replied, obviously anticipating an inquiry whether the privacy of the contact would cut off further questioning.

Mr. Roosevelt said there is none in prospect that he knows of, but quickly added that he may see his former republican foe.

He added that he sees lots of people privately.

THE OLD JUDGE SAYS...

"Judge, would you mind tellin' Charlie here what you told me the other night walkin' home from lodge. I can't word it just the way you did."

"Sure thing, Tim. Here's what I told him, Charlie. There's no such thing as votin' a nation, a state, a county, or even a community dry. We had proof enough of that during our 13 years of prohibition. What you really vote for is whether liquor is going to be sold legally or illegally... whether the community is going to get needed taxes for schools, hospitals, and the like, or whether this money is going to go to gangsters and bootleggers. That's the answer, boys... simple as A-B-C."
