SI USTED CREE QUE NO PUEDE COMPRAR UNA CASA, NOSOTROS LE OFRECEMOS VARIAS COSAS QUE DEBE INVESTIGAR.

Si está cansado de mirar por la pequeña ventana de su apartamento día tras día, es tiempo de pensar en comprar su propia casa con una cuota inicial muy pequeña. Una casa con toda clase de ventanas para que usted pueda empezar a ver la vida desde una nueva perspectiva.

VEA QUE TAN FÁCIL ES SER DUEÑO DE SU PROPIA CASA POR \$1,000 DE CUOTA INICIAL.

¿Cómo puede usted comprar la casa de sus sueños? Con la ayuda del Departamento de Vivienda y Desarrollo Urbano de los Estados Unidos (HUD), personas trabajadoras como usted pueden comprar una

casa con solamente \$1,000 de cuota inicial, y sus pagos mensuales de hipoteca probablemente serán por casi lo mismo que paga de renta.

Si desea mayor información acerca de esta gran oportunidad, consulte con un agente local de bienes raíces o llame al 1-800-767-4HUD para solicitar un folleto gratis sobre como comprar una Casa HUD. Investigue como realizar el sueño de su vida.

NOSOTROS LE AYUDAREMOS A POSEER UN PEDAZO DE ESTE PAÍS.

Para compradores que califiquen. Unicamente sobre casas con financiación asegurada por FHA. La cuota inicial y los pagos mensuales varían según el precio de la casa y los términos. Los costos de cierre y honorarios son adicionales.

Congratulations Seniors Of '96 FROM LULAC 263

*If you can keep your head when all a-bout you
 Are losing theirs, and blaming it on you,
 If you can trust yourself when all seem doubt you,
 That make allowances for their doubting, too;
 If you can wait and not be tired by waiting,
 Or being late about, don't think in time,
 Or being first, don't give way to last;
 And yet don't look too good nor talk too wise;
 If you can dream and not make dreams your master,
 If you can think and not make thoughts your aim,
 If you can meet with triumph and disaster,
 And treat those two imposters just the same;
 If you can bear to have the truth you've spoken
 Twisted by lies we to rack and to break,
 Or stick the things you give your life to broken,
 And sleep and build your life on broken words;
 If you can meet the triumph of all your enemies,
 And risk it on a turn of pitch and toss,
 And lose, and start again at your beginning,
 And never breathe a word about your loss.*

*If you can face your fears and nerve and nerve
 To serve your turn long after they are gone,
 And so hold on when there is nothing in you
 Except the will which says to them, "Hold on!"
 Or walk with limps, and bear the common touch,
 If neither face nor living friends can hurt you,
 If all men count with you, but none too much;
 If you can fill the suffering minute
 With sixty seconds' worth of distance run,
 Years to the end and everything that's in it,
 And which is none you'll be a man, my boy!*

Congratulations on Your Graduation!!!

You've come a long way! We're proud of you!!! Love, Mom, Dad, Morissa & Nicole
Congratulations!

**Permiso De Construccion
A Todas Las Personas Y Entidades Interesadas:**

Por el presente se les notifica que O'Hair Shutters, Inc. ha solicitado un Permiso de Calidad de Aire Número 32202 de la Comisión de Conservación de Recursos Naturales de Tejas (TNRCC o Texas Natural resource Conservation Commission). Si se aprueba este permiso, se autorizará la construcción de una quemador de madera en Lubbock, condado de Lubbock, Tejas. El sitio de la planta propuesta es 1401 North Loop 289. Esta planta va a emitir los siguientes contaminantes atmosféricos: óxidos de nitrógeno, materia particulada, dióxido de azufre, compuestos de carbono, y monóxido de carbono.

Una copia de todos los materiales en el archivo público puede ser inspeccionada o copiada en la oficina regional del TNRCC Lubbock Regional Office, Air Program, 4630 50th Street, Suite 600, Lubbock, Texas 79414-3509, teléfono (806) 796-3494, y en la oficina central del TNRCC, Oficina de Calidad de Aire, 12100 Park 35 Circle, Edificio C, Austin, Tejas 78753, teléfono (512) 239-1000. Los archivos del cumplimiento de las leyes de la planta, si existen, pueden ser evaluados por el público en la oficina regional del TNRCC. Cualquier información relacionada a la solicitud o a cualquiera de sus aspectos técnicos puede obtenerse escribiendo a Mr. Edward Rapier, TNRCC Office of Air Quality New Source Review Division (MC-162), P.O. Box 13087, Austin, Texas 78711-3087 en Austin o a la oficina regional del TNRCC en Lubbock.

Usted puede enviar comentarios escritos con respecto a esta solicitud de permiso a la Oficina de Calidad de Aire, División de Revisión de Fuentes Nuevas en Austin. Todos los comentarios escritos recibidos durante los 30 días después de la publicación de este aviso serán considerados por el Director Ejecutivo del TNRCC para determinar si se otorga o no el permiso. Todos los comentarios escritos estarán disponibles para inspección del público en la Oficina de Calidad de Aire en la Oficina Central del TNRCC en Austin.

Cualquier persona que puede ser afectada por la emisiones de contaminantes atmosféricos de la planta propuesta puede solicitar que la Comisión lleve a cabo una reunión pública informal y/o una audiencia en controversia sobre la solicitud de acuerdo a la sección 382.056(d) del Código de Salud y Seguridad de Tejas. La Comisión no esta obligada a llevar a cabo una audiencia en controversia si se considera que las bases de la petición son irracionales. Todas las peticiones para audiencia en controversia deben ser recibidas por escrito dentro de los 30 días del período de comentarios aunque se haya celebrado o planeado una reunión pública informal sobre este asunto. Si usted desea solicitar una audiencia pública, deberá someter su solicitud por escrito. Usted debe proporcionar su (1) nombre, dirección postal y número de teléfono durante el día; (2) el número del permiso u otra referencia apropiada a esta solicitud; (3) la oración en inglés "I/we request a public hearing"; (4) una descripción breve de como al otorgar el permiso se le perjudicaría a usted o las personas que usted representa; (5) una descripción de la posición de su propiedad en relación a las operaciones del solicitante; y (6) su propuesta de como ajustar el permiso de forma que se responda a sus inquietudes para que usted pueda retirar su petición de una audiencia. Peticiones para una audiencia pública deben ser enviadas por escrito a Office of the Chief Clerk (MC-105), Texas Natural Resource Conservation Commission, P.O. Box 13087, Austin, Texas 78711-3087, teléfono (512) 239-3300.

Para que el permiso sea otorgado a esta planta, el solicitante debe demostrar que todas las fuentes de contaminantes cumplen con las reglas y reglamentos de calidad de aire del TNRCC y los reglamentos aplicables del gobierno Federal. Esto incluye la aplicación de "la Mejor Tecnología de Control Disponible" (BACT o Best Available Control Technology) para cada fuente de emisiones nueva o modificada y cumplimiento de todas las normas relacionadas a la calidad del aire.
