Reds Predict Nazi Collapse During Year

Allied Resources, German Army Losses Are Pointed Out

By The Associated Press Russia declared today that her great winter offensive was rolling on unbroken, crushing German counter-attacks with bloody losses, and the soviet army newspaper Red Star confidently predicted the defeat of Adolf Hitler's heralded spring campaign and the collapse of his armies this year.

Asserting that the fighting coalition of the United States, Britain and Russia far surpassed Germany in both resources and manpower reserves, Red Star declared:

"Economic resources will mean the final decision. The help we are receiving from our allies is growing continuously."

Red Star said that Hitler had already lost 6,000,000 men in Russia, and that he could not replenish his manpower.

A bulletin from Hitler's field headquarters acknowledged that the Russians were still on the offensive, and it reiterated the unsubstantiated claim that red army forces on the Moscow front had been encircled.

"Fresh attempts by the encircled enemy to break out were frustrated," the Nazi high command said, without specifying the locale of the alleged trap.

By contrast, up-to-date war maps show that Hitler's armies retreating from Moscow are themselves endangered by a gigantic Russian encirclement movement pressing down against both flanks of the "escape corridor" along the old Napoleonic road from Moscow to Smolensk.

On the North African front, bad weather brought a lull in the grim desert battle.

British headquarters, however, reported that axis armored forces withdrew after exchanging fire with British troops 10 miles southeast of Tmimi.

Brazil Loses Another Ship Off US Coast

NORFOLK, Va., Feb. 20 (AP)—A 4,000-ton Brazilian freighter, Olinde, was sunk by an axis submarine off the Atlantic coast Wednesday afternoon, the Fifth Naval District announced today, and crew members landed here declared the submarine was "pocket size."

The entire crew of 46 was picked up from two life boats by a rescue ship after alternately drifting and rowing for 20 hours.

Francisco Nogueira of Sao Paulo, Brazil, said that he and Captain Jacobs Benemonte were ordered aboard the submarine by its commander and were questioned concerning the nature of their cargo, where they were from and their destination.

The submarine, which fired "seventeen or eighteen shells — more or less" at the ship before the crew abandoned her, sent a torpedo into the Olinde about amidships after the crew had taken to the boats, Nogueira said, adding that the freighter went down about an hour and a half later.

Nogueira said the undersea raider was "small enough to put in my pocket." The submarine had one deck gun and two machine guns.

Ordnance Plant Blast Kills Two

LA PORTE, Ind., Feb. 20 (AP)—An explosion on the shell loading line in the war department's \$47,000,000 Kingsbury ordnance plant killed two men and hurt four yesterday.

The dead were First Lieutenant William H. Payne, 37, of Washington, D. C., who was with the U. S. public health service, and Leon Calhoun, 25, a worker in the plant.

Major Leslie S. Solar, executive officer in charge of the plant, said an investigation into possible causes would be arranged when the commandant, Major Edward J. Thomas, returned from Washington.

Was It The Draft?

1941 Baby Crop Largest Since '21

WASHINGTON, Feb. 20 (AP)—The census bureau today acclaimed the 1941 crop of American babies as the largest in two decades. The births numbered about 2,500,000 and were second only to the 2,600,000 record set in 1921.

One reason for last year's big crop was the fact, the bureau said, that a large number of the record 1921 babies themselves were married and producing children last year.

Japs Land On Bali, Timor

By The Associated Press Japan's sea-borne invasion armies stormed at the eastern gateway to Java today, attacking the storied island of Bali and landing troops on the jointly owned Dutch-Portuguese island of Timor farther to the east.

The Dutch high command said allied warships and submarines attacked the Japanese invasion armada around Bali last night, adding:

"Further particulars are lacking as no complete report has yet been received."

United Nations headquarters said allied planes smashed heavily at the invaders, scoring three direct hits on one or more Japanese cruisers, two direct hits on transports, and eight "near misses" on a destroyer.

There were also direct hits with lighter bombs on a cruiser and a transport ship, the communique said.

Four Japanese fighter planes were shot down in the attack, without loss to the allied defenders. The communique further reported that five Japanese bombers and five fighting planes were shot down in air battles over the big Dutch naval base at Soerabaya, Java.

Bali lies across only a mile-wide channel of water from Java, the heart of the Indies and headquarters of Gen. Sir Archibald F. Wavell's United Nations command in the far Pacific.

A bulletin from N. E. I. headquarters said Dutch troops were fiercely resisting the invaders on Bali, but details were lacking. The new assault completed a half-moon arc of Japanese bases threatening Java from the north, extending from lower Sumatra on the west, thence through Borneo and Celebes islands to Bali on the east.

Imperial Tokyo headquarters said that Japanese troops, protected by the guns of warships, landed at dawn on the mountainous 300-mile-long island of Timor. The landings were executed near Dilli and Koepang, respectively the Portuguese and Dutch capitals.

Tokyo made no mention of resistance, but Australian and Dutch troops were known to have occupied the Portuguese section of the island last December to combat such an assault.

Rich in gold, copper, gypsum and petroleum, Timor lies at the archipelago, only 400 miles north-eastern tip of the Dutch Indies west of Darwin, Australia.

Testimony Begins In Dean Spies' Hearing

GALVESTON, Feb. 20 (AP)—Dr. Donald Duncan, professor of anatomy at the University of Texas medical branch here, testified today that Dean John W. Spies told him last July "I'm going to get rid of some regents" of the university.

At that time, Doctor Duncan told a house of representatives investigating committee, it was reported that Doctor Spies would not be re-hired as dean of the medical school.

"I was in doubt as to what attitude I should take," Doctor Duncan said. "Doctor (Homer P.) Rainey, university president, was in town and the word passed around that he wanted to see the faculty members."

"Doctor Spies told me 'tell him anything you want, but I'm going to win this fight and then I'm going to get rid of some regents. Waggoner, Stark and Branson—they're all going to go.'"

Doctor Duncan testified that prior to the incident he was not one of those persons antagonistic to Doctor Spies, but that thereafter he went to Doctor Rainey and told him "I didn't think Doctor Spies should continue as dean."

The regents referred to were Leslie Waggoner of Fort Worth, Luther Stark of Orange, and Fred C. Branson of Galveston.

There was no elaboration of that part of Doctor Duncan's testimony.

The hearing, called by the house's committee to investigate un-American activities, was held in a classroom of the medical school, with a large number of students listening interestedly.

At the outset, Doctor Duncan, the first witness, was asked what his salary was. He answered: "\$6,000."

Chairman Jack Love, representative from Fort Worth, asked: "Have you been compelled to deposit \$1,000 of your salary in any bank?" And the witness answered "yes."

The questioning continued: Q. Was this account ever drawn on? A. Yes, to buy some dogs and cats, \$4.50 worth.

Q. Who told you to deposit that money? A. Nobody.

Q. You did it on your own? A. Yes, I'd say that. However, I was told to do it if I wanted this job.

Q. Who told you that? A. Doctor Spies.

Q. What did he say? A. "I want you to have this position but I don't want you to have this salary. We want to use this \$1,000."

Doctor Duncan testified he treated the \$1,000 account as under the control of his department and for use by the department with the full knowledge of other department members.

Chairman Love asked: "Don't you realize such an agreement is a conspiracy to violate the state law?" And Doctor Duncan answered: "No, sir, I didn't know that."

Jack-The-Ripper' Trial Postponed

LONDON, Feb. 20 (AP)—The hearing of Gordon Cummins, 28-year-old RAF leading aircraftman, charged with murder for the Jack-the-Ripper slayings of three women, was postponed today until March 13.

Cummins was charged Tuesday with the mutilation-killing of Mrs. Margot Florence Lowe, 43; Mrs. Doris Jouvance, 33; and Mrs. Evelyn Gately, 26.

Senators Ask Protection Of U. S. Coasts

Stimson Seeks To Keep From Scattering Power

WASHINGTON, Feb. 20 (AP)—Three influential senators demanded today that adequate provisions be made for defense of American coastlines.

Senators Walsh (D-Mass), Byrd (D-Va) and Johnson (R-Calif) urged this protection despite an assertion by Secretary of War Stimson that dispersal of forces to halt enemy coastal raids might retard offensives elsewhere.

A concrete location that such offensives might develop sooner than generally expected was contained in the latest advice from the Netherlands East Indies.

The Army said last night that a formation of 14 American B-29 superbomb planes intercepted 23 heavy Japanese bombers and two fighter planes which flew over Soerabaya, Java, and destroyed five bombers and one fighter. One American plane was shot down but the pilot was saved.

This was the first report of a considerable American fighter force of squadron strength—being in action over Java.

Secretary Stimson has warned that attacks might be extended to American shores, but that in the grand strategy of the war the most important step is to prepare an offensive against the axis.

Walsh, chairman of the senate naval affairs committee, told reporters that while nothing should be done to interfere with far-reaching military strategy, "inadequate" coast defenses ought to be strengthened speedily.

Byrd said he felt that the American people ought to be defended from attack to the extent that is necessary, although he was willing to leave the disposition of forces up to the military departments.

Johnson said he could see no reason why "some of the strength we have yielded so generously to Europe cannot be diverted to our own shores."

House Due To Vote Repeal Of Pensions

WASHINGTON, Feb. 20 (AP)—Senators who voted overwhelmingly for repeal of the pension law looked expectantly toward the house today to complete the lawmakers' about-face on the widely criticized legislation.

By a vote of 75 to 5, the senate late yesterday reversed its previous approval of pensions for congressmen, and then rejected 49 to 22, an attempt by Senator Vidor (D-Calif) to provide all needy persons of 60 and older with a monthly federal pension of \$30.

Because both senate and house were in weekend recess, house agreement to the senate action must wait until Monday, but Chairman Ramspeck (D-Ga.) of the house civil service committee said there was no doubt a majority of the house favored repeal.

Irritated by a barrage of caustic letters and public speeches during the month since congress voted itself pensions as a part of a general retirement bill for government workers, leaders at both ends of the capitol strove to get the entire subject quickly out of the way.

Churchill Reorganizes

Although He's Wealthy -- New British Mogul Is Pinkish

By The Associated Press Sir Stafford Cripps, new figure in Britain's war cabinet, is a scion of aristocracy who once was ousted from membership in the British labor party because he was considered too radical.

The recently retired ambassador to Russia and long-time advocate of co-operation with the Soviet Union was reported to have earned \$200,000 a year in legal practice—only to give it up in the '20s because he grew tired of "taking large sums of money from one capitalist to give it to another capitalist."

New Lord Privy Seal and leader of the Commons, where he will be Prime Minister Churchill's lieutenant, Sir Stafford once was called "the most dangerous revolutionary in England."

He is the youngest son of the first Lord Parmoor and was reared in the traditional "old school" atmosphere but this man who recently declared for full political collaboration among Britain, United States and Soviet Russia has shown scant regard for precedent.

Tall, bespectacled, 53, he appears in public in the conventional black coat and gray-striped trousers of the barrister—but to his farmer-neighbors he is known as "squire," recognition of his knowledge of agriculture demonstrated after his education at Winchester in the field.

Science was his first interest. He was a member of the Royal Society and University college, London, but he left the laboratories of Physicist Sir William Ramsay for a legal career.

In World War I he drove an ambulance in France, but officials "drafted" him, because of his scientific knowledge, as manager of a government explosive factory in England.

By the time he was 41, in 1930, he had been elected a member of the bench of the middle temple, named solicitor general in the labor government, and knighted by King George V.

As a labor member of parliament, he was a glib critic of the conservative policy of appeasement.

But he was as ready a critic of his own party leaders when he considered them over-cautious, leading to his expulsion by the laborites in 1939 for efforts to consolidate all progressive elements in a united front against fascism.

From the advent of Adolf Hitler to power in Germany in 1933, he began warning his country that "war is inevitable."

Early and late, even after the Russian-German non-aggression pact of 1939, he urged close relations with Soviet Russia as essential to the survival of both Britain and the Soviet Union.

SCHOOLS PLAN CENSUS FOR MARCH 2ND

WASHINGTON, Feb. 20 (AP)—Mrs. Eleanor Roosevelt today resigned her post as assistant director of the office of civilian defense.

James M. Landis, director, accepted the resignation in a letter voicing gratitude for her "vision and energy," but saying he could not ask her to continue "to give so greatly of your time and your talents."

Mrs. Roosevelt recently made known her intention to resign as soon as her division was functioning efficiently.

"That is now accomplished," her letter of resignation to Landis said, "and by remaining I would only wish to attack me, because of my beliefs, to attack an agency which I consider can prove its usefulness so completely to the people, that it should be free of attack, in order to render its maximum service."

"No individual is more important than a good program. I feel that yours is and will be a program vital to the well-being of the people of the country."

The first lady was appointed to OCD last September by former Director T. H. LeGuardia, and she had been in the post since then.

Under her leadership, the state is required to pay \$2.50 per pupil of school age and therefore the maximum number registered means more funds for the school.

As in previous years, the teachers will undertake the work of gathering the information and will contact each parent in the district. However, if no one is at home, a form will be left at the door to be filled out and returned.

Last year the total amount of students was down from previous years and may be so again this year, W. C. Blankenship, superintendent, pointed out. This makes it more necessary than ever, he said, that every child be accounted for.

He also noted that the state per capita support is given regardless of whether the over 6 and under 18 year old person is married or out of school. He urged the listing of all persons in the age limit whether they are attending school or not in order that the maximum state help can be received.

Steers In Abilene Tonight To Fight For Second Place

3-AA District Season Being Closed Out

Second place will be at stake this evening when Big Spring Steers cagers seek to Abilene to meet with the champion Eagles of that city.

For at the same time, Lamesa, now tied with the Steers for the second slot, must go to San Angelo, for a tough assignment.

And that's about all that may be said of the district 3-AA race in its final round today, except that the schedule makers couldn't have waited until the end of the season to have matched teams any more evenly than for the final game.

Big Spring and Abilene have been having it out down the stretch, with the Eagles winning out one notch from the promised land, Lamesa and San Angelo have been locked in a bitter struggle for the last several weeks for next honors.

Odean and Sweetwater, two dubbed as favorites at the outset of the race seven weeks back, have both run into hard luck but have been seen-sawing for fifth and sixth places. Fittingly, they clash in the last game of the season, Odean, the team with the better record having to give Sweetwater the at-home advantage.

And the same is true of Midland and Colorado City. Midland, after dropping six straight in the first half, pulled some surprises in the second, but not enough; but the team is just above winless Colorado City. However, the Mitchell county Wolves have one chance to avoid a shut-out for the season because the Bulldogs from Midland must invade Colorado City.

Indications are that the Steers will be in fine fettle for this evening's game in Abilene. Although he sustained an injury to his ankle in the Sweetwater game a week ago this evening, Peppy Blount, pivot man and high scorer for the Steers, is in fair condition. James Fallon is ready to go, and steady Horace Bostick is on hand. James Tidwell, Ernest Bostick, Billy Womack and Dewey Stevenson all are anxious to give Coach DeWard Marcus, whose genius has engineered many a close ball game for the Steers this year, one final victory.

They're champions when it comes to quality, although these Big Spring Steers missed out on their bid in the home stretch. Doped to be collar team at the start of the 3-AA season, the Steers started winning basketball games right and left under the foxy coaching of DeWard Marcus, left. Definitely, the Steers are without a peer in the district, and usually this has been enough to turn the tide in their favor. Pictured are the bunch of scrappy Steers. Top row, left to right, James Tidwell, James Fallon, Peppy Blount, Paul Kasch, and Billy Womack. Bottom row, Donald Patton, Horace Bostick, Dewey Stevenson, Ernest Bostick and Woodie Baker. Twilight Game To Be Tried On Coast

SAN FERNANDO, Calif., Feb. 20 (AP)—Baseball at the cocktail hour will be introduced to West Coast fans March 4 in an exhibition game between the Philadelphia Athletics and the Seattle Rainiers. Lest the customers misunderstand, Business Manager Bill McIligan of Seattle said cocktail hour was just a catchy expression. None will be served to players or fans. The game will start at 4:30 p. m. Swarms of locusts have been observed at sea one thousand miles from land.

No 'World Series' This Year For Him, But Greg Rice Works Out Every Night

By GAYLE TALBOT
NEW YORK, Feb. 20.—Word that Gregory Rice, the greatest distance runner this nation has produced, was to be seen every night racing around a pitch-black track up at Columbia university all by himself, no matter how cold it got, was sufficient to haul this observer out of a warm room last night to make a personal check. Well, it looked for a long time like nothing was going to happen. The track was there, all right, and a biting wind, but no Rice. And then out of the gloom came an apologetic little guy bundled to the ears. It was Rice. "I'm awfully sorry I can't work out tonight," he said. "But I fell down a few steps a couple of days ago and sprained my knee. It isn't much. I'll be all right for the meet in the Garden Saturday night. I think, but it might do more harm than good to run tonight. You see, I haven't got a coach to tell me these things nowadays." Upon being reassured that he hadn't caused anybody much trouble, and that, anyway, it was mighty cold to be out running, Rice finally consented to go on home and forget about the whole thing. He still was protesting, though, as he walked off around the track. The darkness swallowed him after about 20 feet. This is the little athlete who has been dealt one of the cruelest blows of all by the war. In normal times he would have been very famous about now. In his United States finally has produced

a distance runner who could run the heels off the Finns, including the fabulous Paavo Nurmi and Talisto Maki. It is time for his "world series," but we are not having any this year. Instead, Rice is putting in a full day working for a toy manufacturer on Fifth Avenue, and then taking the subway up to Columbia and working out by himself. He goes round and round the track, with only a dim light down at one end. On Saturday nights he gets out and runs two or three miles here or in Philadelphia or Boston against the best opposition they can gather, but as a rule it isn't much of a race. Rice always wins. At least, he has won his last 41 races, indoors and outdoors. The little fellow with the big chest tried to get into the Army, but they turned him down. He has a double hernia, which causes him to wear a brace around his middle. In a big race here early this winter the brace came loose at the start and flopped disconcertingly against his legs for the best part of two miles, but didn't keep him from winning. Rice is the undoubted king of the two-milers. His time of 8 minutes, 51.1 seconds, made indoors, is the fastest ever run. Also, he holds the world record of 13:41 for the indoor three miles. Also, he is this country's cross-country champion. He beat Talisto Maki, the Finnish star, each of the three times they met in 1940.

Crane, Anson Meet Here In Title Game

Crane and Anson, champions of districts 6-A and 5-A, meet in the high school gymnasium here at 8:45 p. m. today in a game that will decide the bi-district championship.

Admission, said officials of the two schools, will be 25 cents for both students and adults.

Crane represents district 6-A, having paced the league composed of Pecos, Wink, McCamey, Fort Stockton, Monahans, Kermit and the winner. Out of 12 conference games, Crane won 11, losing only to McCamey in the opening district tilt by a 27-26 score.

Brady Nix, who got his cage experience at John Tarleton and at Texas Tech and who coached at Fortson for five years, is coach of the Crane Cranes.

Anson swept through competition in a fast district of central West Texas and under the direction of C. B. Rowland, an AOC grad, has a potent scoring machine.

Coaches of the two teams agreed early this week to play the deciding game first in the regional competition, in Big Spring.

Canyon Scorers Need Help Of An Adding Machine

ALBUQUERQUE, N. M., Feb. 20 (AP)—Has anybody a spare adding machine? If so, please ship same express collect to the scorekeeper in time for West Texas State's Border conference basketball engagement with Arizona University tonight at Canyon.

The way the Buffaloes are tearing into Arizona members of the circuit it probably will be black eraser and slow music for the Wildcats, who were knocked off last night by second place Texas Tech, 48 to 42.

The Buffaloes flattened third place Arizona State of Tempe, 37 to 35—their 11th straight circuit victory.

Hardis-Simmons also was taking the Arizona members into camp, bowling over Flagstaff 44 to 38 last night after disposing of Arizona University 26 to 31 the night before.

But the biggest surprise around the sagebrush circuit was the 38 to 34 shellacking administered to New Mexico University by the cellar-dwelling New Mexico Ag.

Barry Gets A New Contract

LOS ANGELES, Feb. 20 (AP)—The University of Southern California has given Justin (Slim) Barry another contract to coach its football team for the 1942 season. Barry succeeded the late Howard Jones last year. University officials said the Trojans would carry on the regular athletic program in 1942-43 and augment it as much as possible to give all students physical fitness.

Durocher Finds A New Twirler

HAVANA, Feb. 20 (AP)—Manager Leo Durocher of the Brooklyn Dodgers believes he has found that fourth starting pitcher he needs to help his club defend its National league championship. He is Newell Kimball, big, blond right-hander, who is getting ready for his third season with the Dodgers. "I told Kimball he has a job on my staff," Durocher said after the Dodgers hustled through their first spring workout yesterday. "I told him I'm going to pitch him in exhibition games right behind Wyatt and Higbe. I believe he can make it. If he has as much confidence in himself as I have in him, he'll be all right."

Vaughn Team Trampled By Carnett And Crystal Wins

Vaughn's championship bubble burst Thursday evening before the furious onslaught of a recharged Carnett squad, 45-7.

It wasn't so much that Carnett tripped the bakery boys, but the humiliating manner in which they dealt with Vaughn. From the start Vaughn didn't have a chance. Carnett and big Thomas South were out of the line-up and, with them missing, it was a lost cause.

Gartman may be out for the remainder of the season, further crippling hopes of Vaughn to take the second half title.

No rampant were the victors that they piled up 27 points in the second half while completely shutting out the opposition.

Crystal Cafe rode over Cosden, 43-27. The Oilers fought hard in the second period to trim the Crystal margin to 18-10 at the half, but

after that, Crystal went wild. Playing short-handed by special permission of their opponents, the Oilers lacked the good graces to let the Sea Scouts win. In fact, they trampled over the youngsters by a 38-17 score with Jack Smith, the majordomo of either league when it comes to scoring, collecting 34 points.

Vaughn, Carnett and Crystal all are tied up for the top spot in the fast league, each having won three games while losing two. Cosden, with one won and three lost brings up the rear.

Games Monday (last of the season) will see the Lions versus Radford, Carnett versus Cosden, and Crystal versus Vaughn.

GG Fighter Has Brains, But Finds Brawn Gets Job Done In The Ring

FORT WORTH, Feb. 20 (AP)—James Olcott Phillips is not one of those brain-over-brawn guys. You might expect him to claim that distinction since he was an honor student in college and was admitted to the practice of law.

This and the fact that he won the heavyweight championship of the Golden Gloves over opponents much larger than he would indicate the tall, handsome, 188-pounder made boxing a science just as he did everything else.

But Phillips didn't have to rely on science to win the Golden Gloves crown anyone than the men who tried to stop him. He just went in there and traded punch for punch and was the toughest guy at the finish.

He leaves tomorrow for Chicago with the Texas Golden Gloves team rated the best heavyweight ever to represent this state in national competition.

No Dictatorship For Southworth

COLUMBUS, O., Feb. 20 (AP)—By his own admission, William (Billy the Kid) Southworth has learned the hard way you can't be a dictator to a ball club.

Because, says the manager of the St. Louis Cardinals, "you can't beat players down these days. I found that out in '29."

Billy the Kid slipped off his overalls out at his Sunbury, O., farm, got into a suit, kissed the wife and child goodbye, and left for St. Petersburg Fla., last night to start his club on its spring training stint.

Riding to the depot, Southworth reflected a bit on his managerial chore, and remembered back in '29 when he bossed the Cardinals during the last half of a disastrous campaign that had started out well enough.

"I wasn't a good manager," he said. "I was too iron-handed. I acted like a dictator and you can't treat ball players that way."

Putting Tells The Story Ace Golfers Agree

NEW ORLEANS, Feb. 20 (AP)—Chick Harbert, one of golf's leading youngsters this season, and Jimmy Demaret, who ranked at the top two years ago, agreed today that a putting streak really makes the difference as they tied off in the New Orleans \$5,000 Open tournament.

Two seasons ago when I'maret came here to win the local event he said: "My putter is so hot I'm afraid to go to sleep at night for fear I'll lose it."

That was in the midst of his spectacular campaign of six victories in nine major events on the winter swing — a record no other golfer has ever equalled.

This season the best he's done is a single third place. "I'm hitting the ball better than I ever did before," he said, "but two years ago I averaged 28 or 30 putts a round and now I'm taking 23 or 24."

Guests Included At Afternoon Affair Here

A play "On the Air" was presented for the American Association of University Women at the Crawford hotel Thursday afternoon followed by a tea.

Elouise Halsey directed the play and taking part were Mrs. H. A. Stagner, Mrs. Roy Anderson, Nell Browne, Judith Pickle, and Mrs. Walter Wilson.

The theme of the play was the difficulties encountered by a local ladies cultural society in giving a program over the radio against such odds as competing with a prize fight and the president's speech. The parts were ably handled by the cast.

Mrs. Ray Lawrence gave the welcome talk and introduced Mrs. Shine Phillips who announced the antique tea for the federation convention to be held here March 2, 3, 4. Mrs. Phillips asked for the loan of antiques for the convention display.

Mrs. Lawrence announced the March 7th neighborhood conference of the association to be held in Lubbock. Mrs. Seth Parsons will take reservations.

The tea table was laid with an embroidered cloth and centered with red, white, and blue carnations and fern on a background of red cellophane. Silver services were at each end of the table.

Mrs. Lawrence and Mrs. G. H. Wood greeted guests at the door and Mrs. Gene McAllen was at the register book. Mrs. John Rattner was hostess.

Mrs. Stormy Thompson and Mrs. King Sides played piano selections during the tea. Others in the houseparty were Mrs. J. E. Mull and Mary Whaley. The houseparty dressed in formal gowns.

Others registering were Mrs. R. L. Baber, Mrs. H. H. Rutherford, Fern Smith, Clara Secrest, Mrs. Beth Parsons, Mrs. A. S. Barnett of Dallas, Mrs. John Griffin, Mrs. Charles Gibson, Mrs. Jack Wallace, Mrs. J. W. Broome, Mrs. Larson Lloyd, Mrs. Don Seale, Mrs. J. W. Burrell, Mrs. E. E. Fahrrenkamp.

Blackout Bridge Party Held For Matinee Club

Blackout bridge, with low scores as the prize winners, was entertainment for the Matinee Bridge club in the home of Mrs. Herschel Petty Thursday afternoon.

Idea behind the games was that anything can happen in a blackout to a bridge hand. Mrs. Petty had guests bid their hands and then change tables and play their bid with somebody else's cards. Another game, whoever held an ace of clubs had to bid five on the hand.

Winners of the backward bridge party were Mrs. Ray Shaw for club members and Mrs. C. B. South for guests. Both had the lowest scores. Mrs. Bill Edwards, Jr., binged.

During a business session, members voted to serve only light refreshments and to set a price limit on prizes.

Jongluts decorated the rooms and Mrs. Ray Shaw was named as hostess.

Guests were Mrs. W. M. Gage, Mrs. E. Compton, Mrs. L. B. Edwards, Mrs. J. D. Falkner, Mrs. M. C. Lawrence, Mrs. W. K. Edwards, Jr., Mrs. South, Mrs. H. W. Halbrook, Mrs. Clarence Allen.

DOWNTOWN STROLLER

After a visit here of several weeks, Mrs. ALICE SNYDER has returned to Shreveport, La. She has been visiting her sister and husband, Mr. and Mrs. W. H. SUMMERLIN.

Mrs. W. D. CARNETT and Mrs. A. C. SAVAGE gave a shower the other night for Mrs. EDDIE SAVAGE, the former EDDIE BISHOP. And it was really a surprise, too, because they lured her out of the house and kept her away until all the guests had gathered. Then she walked in on the party—for her.

Interest of the Mother Singers right now is pretty high so Mrs. BERNARD LAMUN says and the practice sessions have been well-attended. The reason for the interest is that the ladies will make their debut here during the federation convention on March 2nd.

It must be nice to have so many friends. When GEORGE GENTRY, former assistant superintendent of schools here and now of Temple, came through here the other night on the train en route to California, he had practically a mob at the depot to meet him. Seems the word got around that he was coming and nothing would do but all his friends go and have a chat between trains. GENTRY, so the folks say, was looking like a million dollars.

Calendar Of Weekly Events

COUPLE'S CLASS will meet at 8 o'clock at the First Methodist church for a box supper.

SATURDAY
HOWARD COUNTY FEDERATION will meet at 2 o'clock at the Judge's chambers.

COUNTRY CLUB members and out of town guests will be entertained with a special cabaret dance at the club house.

VISITS AND VISITORS

Leola Vinas returned Friday from Soper, La., where she has been for the past week visiting her sister, Mrs. Kerwin Price.

Gene Wilson, Elmo Oliver and Adolph Jahran, Jr., who are in Englewood, Calif., write that they are employed now in an airplane factory there and liking California.

Mrs. N. D. Cox of Pine Bluff, Ark., who has been visiting here for the past three weeks with Mr. and Mrs. Kirby Cook, has returned home.

Mrs. W. L. Gann of Eastland, who has been visiting her sisters, Mrs. M. E. Bostman and Mrs. E. E. Bryant, returned home Friday after a two week stay.

Knott School Has 3rd Sunday Service

KNOTT, Feb. 20 (Spl.)—The Knott Church of Christ held its regular third Sunday services at the church Sunday with Doyle Banta in charge of the activities.

Dinner was served at the noon hour and singing was enjoyed by the congregation in the afternoon. A number of student preachers accompanied Banta from Abilene, Christian college at Abilene, and entertained with singing: They John Murphy, Owen Alkin, Steve Patterson, Wayne Anderson, Leonard Little and Eugene Dement.

There were other visitors attending from Coahoma, Big Spring, Ackerly and Midland.

Supervised by Noel Burnett the registration was carried out at Garner with 84 men listed. Assisted by these community women and men Mrs. E. T. Johnson, Uns Pearl Nichols, Mrs. Orady Dorsey, Mrs. Curtis McCaulley, Ben Samples, L. H. Thomas and J. D. McGregor.

Mrs. Pearce Is Guest Speaker At East Ward

Mrs. Wayne Pearce, council president, was guest speaker at the East Ward Parent-Teacher Association Thursday afternoon at the school. Mrs. Pearce talked on "Training for Citizenship."

Third grade pupils taught by Velma Sharpe put on a patriotic musical program.

Mrs. R. E. Dunham presided and announced the state radio programs over Thursday. Mother Singers were urged to attend rehearsals each Wednesday at the Methodist church.

A proposed first aid class to be taught at the school was announced and parents were urged to sign with the group in order that a class may be started soon. Twenty-five are needed to organize a class.

Mrs. D. J. Sheppard was named chairman of the nominating committee and Mrs. L. D. Jenkins and Mrs. Tims Carter are to assist.

The district P-T. A. meeting in Sweetwater on April 15-16 was announced. Mrs. J. P. Thompson was appointed as council representative and Mrs. Carter, Mrs. J. J. Throp, and Mrs. Hiram Glover were named to the financial committee.

Attack On Pearl Harbor Films To B Shown Here

An unusual picture and program will be presented Sunday night at 8 o'clock at the First Christian church when a 15-minute movie film of the attack on Pearl Harbor will be shown.

The Rev. H. W. Halslip will give a prayer and Mrs. L. A. Ebanks will sing "Others."

The film will be followed by a message by the Rev. Halslip. Mr. and Mrs. W. H. Summerlin will give a dust, "I Won't Have to Cross Jordan Alone." Hymns and benediction will follow.

Mr. and Mrs. J. T. Allen are in charge of the program and urge that any interested in seeing the film attend the meeting.

Mr. And Mrs. Castle Entertain At Knott

KNOTT, Feb. 20 (Spl.)—Mr. and Mrs. Tom Castle entertained with a dinner in their home Sunday evening honoring guests from Abilene. They were Doyle Banta, Owen Alkin, Steve Patterson, Wayne Anderson, Leonard Little, and Mrs. A. C. C. of Abilene, also present were Mrs. and Mrs. Herman Gist and children J. M. Della, Ruth and Effie Mae; Lila Castle, Ennis Ramsey, Mrs. C. J. Martin and daughter, Joyce, and the host and hostess, Mr. and Mrs. Castle and son T. J.

Warning to Mothers: WORMS CAN CAUSE TROUBLE

Learn the truth! Anybody, anywhere, can have worms. And they can cause great distress inside your child without your even knowing what it is.

Many kids, however, understand that worms are nasty animals. They don't want to know about them. Don't take chances with your child's health! Get Jones' Vermicide today! It is America's best known, proprietary worm medicine—used by millions. For over a century, Jones' agents stubbornly recommend, and insist, that if there are no worms, it won't hurt to take. Based on Jones' Vermicide.

Big Spring Needs Baseball League If Bombers Leave

It begins to look as if all Big Spring will know about the West Texas-New Mexico baseball league is what its fans read in the paper.

Of hand, prospects are that there will be no professional baseball here for the franchise holders, Frank Riviere and Jodie Tate, are reported about to strike a deal with Lamesa sportsman to move the club up there. Lamesa's franchise might go to El Paso. While it is possible that Riviere and Tate will decide to stay here or some switch could be effected whereby a club would operate in Big Spring, as it now stands, this is not to be expected.

speculation: If professional ball goes by the board this season, why not utilize the baseball park for a good city league of some sort?

DANGEROUS BAGGAGE

BY ELEANOR ATTERBURY

Chapter 23
One Mystery More
Blindfolded, gagged, and bound and racing through the city streets as if speed laws didn't exist, it couldn't possibly be really happening, Sharon thought wildly. It was too absurdly melodramatic. But, she tried vainly to free her hands, it was happening. Could it have been, this about which the Countess had warned her, she thought, trying to brace herself against the car's wild lurching. Or, was it some scheme evolved by the Countess herself to get Sharon out of her way? And what had they done with Tom? Slipping across the wide seat she made sure that she was the only "passenger." She was alone—with some madman at the wheel.

ing the second truck. Just follow me. It's after eleven now so we'll have to step on it."

marked "office" remained unoccupied. Stepping inside, Sharon found herself in a small, dimly lit room, crammed with tall filing cases, an old-fashioned roll-top desk. A door opposite her opened into the warehouse. Pursuing the sound of voices beyond, she crossed the tiny office, peered into the gloom beyond.

Hollywood Sights and Sounds—Lynn Bari Reaches Grade 'A' After Nine Long Years

By ROBBIN COONS
HOLLYWOOD—It's a temptation, but I guess we can skip the reference to the tortoise and the hare and just report that Lynn Bari, after nine years, has made the grade.

married ones — to Walter Kane, agent—built two houses, broken her left arm three times, and almost given up the movies twice, discouraged.

Washington Daybook — Roosevelt Proves To Be Prophet

By JACK STINNETT
WASHINGTON — In the small capital groups that assemble in Washington these days around the luncheon tables, over cocktails, or on "off evenings," a visitor would be impressed by the great number of times President Roosevelt is quoted as one of the major prophets of this war who has been almost invariably right.

the initiative, those words were considered throughout the world—and rightly so—with special gravity.

of silence, one reporter asked how the President thought the "lead" on this story should be written. Mr. Roosevelt didn't hesitate. He said: "President quotes Lincoln and draws parallel."

Bridge

Of course Lynn got a raise now and again, she got to be Queen of the B's when Claire Trevor left, and she played "other women" and "second leads" in a few A's. But nobody ever came out with a red velvet carpet for Bari to tread, and nobody suggested that she ought to have a silk-lined dressing room.

HD Club Members Breakfast Guests

KNOTT, Feb. 20. (Sp.)—Something different in the way of entertainment was undertaken by the Brown home demonstration club when the members were invited to a "come as you are" breakfast in the home of Mrs. C. J. Martin, Monday morning.

Students Dance for Defense

EAST LANSING, Mich. — dents at Michigan State college are ready to "dance for defense." A recent proposal by the student council provides that profits from winter formal parties be used to buy defense bonds.

When he'd closed the door, he said quietly, "I am sorry to have had to take such rough measures. I had to get Tom Stafford out of the way. I had the boys blind you up too, so Tom would not suspect you were an accomplice."

Scrap Collection Being Pushed In Glasscock Co.

GARDEN CITY, Feb. 20—Under the direction of the Glasscock county board, a campaign for the collection of scrap iron and steel is being pushed here.

Members of the county 4-H club, FFA and Boy Scouts are attempting to collect all scrap iron and steel now lying about the township. Farmers and ranchers have been urged to load up scrap lying around their places and bring them here to add to the scrap pile boys are stacking.

Receipts from sale of the material will go toward financing the annual livestock show here.

"It is estimated that there is an average of a ton of scrap iron or steel wasting away on farms and ranches of our county," said Berry Duff, Glasscock county agent. "Well, a thousand tons of this scrap will build a destroyer. So gather up this material and get it started toward the foundry as a patriotic action."

Salvation Army's Revival Series Ends Sunday

Sunday evening's services will mark the conclusion of a series of evangelistic services now being held by the Salvation Army at the local citadel. Envoys Hudson is conducting the services.

This evening at 8 p. m., Envoys Hudson will speak on "Baptism of the Holy Spirit." His topic for the remainder of the series: Saturday night, "The Character of Judas." Sunday morning at 11 o'clock, "Christ The True Vine." Sunday evening, "The Second Coming of Christ."

The public is invited to attend all services.

Man Dies During Visit At Moore

Body of Ernest Littlejohn, 44, was returned by train Thursday night to Corpus Christi, his home, for burial. Mr. Littlejohn succumbed unexpectedly at 11:30 Thursday morning while on a visit with friends in the Moore community victim of a heart attack.

He had been in the community only two days when he was stricken.

Mr. Littlejohn is survived by his father, Fred Littlejohn of Corpus Christi, and a niece in Big Spring, Mrs. A. L. Harrison. Local arrangements were in charge of the Tierley Funeral home.

Lecture Slated By Nazaries

Ernest Linwood Hawkes, Los Angeles, Calif., widely known lecturer-evangelist, will be featured in a free program at the Church of the Nazaries at 8:00 p. m. today and Saturday and Sunday.

He will project pictures of the heavens on a 12-foot screen while paralleling the sight with lecture material. The pictures were taken through the world's most powerful telescope, thus giving the audience the benefit of tremendous stellar magnification.

Voice recordings and reproductions will be demonstrated by Hawkes, and "common rocks" will be transformed into jewels of gorgeous color and beauty under powerful ultra-violet ray equipment.

The Rev. Ernest E. Orion, pastor, said that the public is invited to hear the lecture and witness the demonstrations.

Frogs Wind Up Season With A Full Schedule

FORT WORTH, Feb. 20—With still a mathematical shot at the Southwest conference cage title, the amazing 1942 Horned Frog basketball team will wind up its schedule by playing five games in nine days.

Coach Hub McQuillan's boys play Rice in Houston Friday night, the Aggies in College Station Saturday night, the Aggies again in Fort Worth the following Tuesday, and wind up with a pair of contests with Arkansas in Fayetteville Feb. 27 and 28.

A quick look at that schedule accents the fact that the Frogs' chances are almost entirely "mathematical." The odds are almost overwhelming against their taking one game from Rice and two from Arkansas—the league leaders—within the week's time.

But the Frogs have every reason. They already have five victories in the bag, and it takes six seasons put together (1936-41, inclusive) to add up five victories prior to this year's winnings.

Man Dies During Visit At Moore

Body of Ernest Littlejohn, 44, was returned by train Thursday night to Corpus Christi, his home, for burial. Mr. Littlejohn succumbed unexpectedly at 11:30 Thursday morning while on a visit with friends in the Moore community victim of a heart attack.

He had been in the community only two days when he was stricken.

Mr. Littlejohn is survived by his father, Fred Littlejohn of Corpus Christi, and a niece in Big Spring, Mrs. A. L. Harrison. Local arrangements were in charge of the Tierley Funeral home.

Here And There

University women are cooperating in a program for Tuesday evening to raise funds for the Junior-Senior prom. They will present again their sketch, "On the Air," as a part of an hour's program set for 8 p. m. Tuesday in the high school gym. Tariff will be 10 and 25 cents.

Robert Patterson and M. W. Robert, who figured in a car collision at E. 2nd and Rannels streets Thursday evening, both escaped injury.

H. M. White, Coahoma, figures thieves will steal anything. Not only did they get a woman's coat and some groceries from his car shortly after midnight Thursday, but they snatched two pink baby blankets.

This might not have been so serious a few months back, but it is serious indeed now. Frank Kinsey had a tire and wheel in a local place of business for safe keeping. But it wasn't safe—somebody stole it.

Claude Tucker, 15-year-old negro, wants a slap at "them Japs." Under draft age, he nevertheless volunteered through the local selective service board and was given a "J" questionnaire, a physical examination all in one day. Thus, he may go for his army examination on Feb. 22.

James T. Brooks To Address Clubs

James T. Brooks will be guest speaker at the Howard County Federation of Clubs meeting Saturday at 2 o'clock in the corporation court chamber. Brooks is to give a patriotic talk.

Members are urged to attend this meeting.

Thirty Enter Essay Contest

Approximately 30 essays will figure in the final judging of the contest of the Ladies Auxiliary to the Veterans of Foreign Wars of the United States, it was announced Friday as the essay competition among students neared a close.

Eloise Haley, whose senior English students all submitted essays on "Unity for Victory," topic chosen for this year, has had the number for consideration cut to around 30.

Essays will be judged soon by a committee headed by Anne Martin. Winner here will be entered in the state competition, and state winners will vie in the national contest which holds out \$1,000 first prize, \$500 second, \$250 third, and \$100 fourth. There also will be 10 of \$10 prizes and 10 of \$5 prizes in national judging.

Markets At A Glance

NEW YORK, Feb. 20 (AP)—The stock market worked on a starvation diet today, and while numerous issues lacked even a semblance of recovery strength, the average managed to reach higher ground.

Uneven tendencies prevailed at the start and the direction remained foggy at the close. Gains ranged from fractions to a point for favorites. Declines were narrow for the most part, although a few wider setbacks were in evidence.

Transfers of around 350,000 were among the smallest since last June.

Livestock

FORT WORTH, Feb. 20 (AP)—(URDA) — Cattle 800; calves 200; all classes cattle and calves fully steady; good and choice fed steers and yearlings 10.25-12.50, common and medium grades 7.00-9.75; beef cows 7.10-8.75; canners and cutters 8.00-10.00; bulls 4.50-6.00; fat calves mostly 5.25-12.00, culls 7.00-8.00; stocker steer calves 12.50 down.

Hogs 1.70-1.80; market hunchers around 10-20% lower than Thursday's average; top 12.75; good and choice 180-200 lbs. 11.50-12.50; packing sows and pigs steady, packing sows 11.25-50; stocker pigs 10.00 down.

Sheep 1.200; fat lambs 25 higher; other killing classes steady to 25 higher; woolled fat lambs 11.00-25; shorn yearlings 7.25, shorn aged weathers 6.00, fall shorn ewes 6.00; medium grade feeder lambs 2.50.

Mitchell 'Air Well' To Be Plugged

COLORADO CITY, Feb. 20—Preparations were being made this week to plug Butler & Horns No. 1 Cora Hoyt Brown, Mitchell county's "wild air" well some six miles west of Colorado City.

The test was drilled to 3,200 feet. It was plugged back to 3,010 and shot from there to 2,930 with 210 quarts. There were no results from the shot.

Last summer, after air had roared from it for several weeks, the hole blew in at 1,000 feet as a salt water and air gusher. It blew wild for four days before "bleaving" itself, then was killed with rotary mud-and-cement.

Magnolia has started drilling its No. 13 Mary Foster in western Mitchell county.

The hole was at 300 feet in red rock at mid-week. Location is in section 7-29, Tn. 1a, T&P survey.

Aggie-Texas Swim Meet Set Saturday

COLLEGE STATION, Feb. 20—Back from their swing through the south, Coach Art Adamson's Texas Aggie swimmers will take on the champion Texas Longhorns in the Gregory gym pool at Austin Saturday night.

While on tour the Aggies tied the Dallas Athletic club and lost to Georgia Tech but ran off with their other meets with ease. Surprise of the whole trip was middle-distance swimmer Bobby Taylor participating in the winning diving events. Taylor holds the Southwest conference record in the 220 and 400 free-style events and also is current champ in the 100 backstroke, all titles won last spring.

What he will do in the Texas meet Coach Adamson says depends on how the score stands. On the trip he also took part in the sprints and won both 50 and 100 yard free-style events in good time.
