Terrell State Hospital Does Not Have Graduate Nurses

TERRELL, Nov. 4.—If you can imagine such a thing, Texas has a state mental hospital with no graduate nurses for its 2,000 patients. It is the Terrell Institution where seven practical nurses are doing a job that should have the trained attention of 12 registered nurses. Texas newsmen on a tour of inspection of the state hospitals and special schools did not believe they heard correctly when Dr. A. D. Patillo, superintendent, said he had no registered nurses. They asked him to repeat and he said that's right. There have been no applicants because salaries and living quarters did not compare favorably

with those offered by private institutions. Dr. Patillo hoped that recent raises authorized would result in some applications. Likewise, there are seven doctors where there should be 12 by minimum standards, and 20 by first class standards. The Terrell State Hospital has long been noted in the Texas eleemosynary system as one where the buildings were about to fall down, but the outlook for improvement here is good. Work has started on new units costing \$2 million, to house 550 patients under conditions approaching the ideal, and there is hope the Legislature will authorize additional buildings that will bring the total to 218. Meanwhile until 1951—at least 77

patients will be living in a 47-year-old dormitory that has been condemned as a structural hazard and as a fire trap. Others will be in a remodeled laundry. And others here as in many institutions will have their beds on porches open to all kinds of weather. Dr. Patillo said the most acute physical needs are for a bed-patient hospital, an occupational therapy building, and a new store room, in addition to patient space to care for the institution's 25 per cent overload. With all the shortages here, the statistics show this hospital apparently is doing a good job with what it has to work with. From 40 to 60 per cent of its patients subject to treatment are channeled back into society. A Veteran Administration hospital also reported one case.

State Reports 35 New Polio Cases

AUSTIN, Nov. 4.—Texas had 35 new polio cases last week, bringing this year's total to 2,138. Twenty-four counties reported polio. Deaf Smith and Johnson reported their initial cases of 1949. The disease has struck in 194 of the state's 254 counties this year. For the same period a year ago, 158 counties and 1,612 cases, the State Health Department reported. Other counties listing new cases last week were the following: Harris and Tarrant, 4 each; Wichita, 3; Dallas, Taylor and Travis, 2 each; Brazoria, Coleman, Denton, Fannin, Floyd, Gray, Hale, McLennan, Midland, Nueces, San Patricio, Tom Green, Wheeler, Williamson, and Young, 1 each. Kent Art Collection Is Sold For \$50,000

By JACK QUIGG AP STAFF LOS ANGELES, Nov. 4.—The walls of the late Atwater Kent's "Capo di Monte" are bare today, stripped of their treasured paintings in an auction of old masterpieces at dollar day prices. The 300-odd pictures that hung in Kent's ornate 28-room mansion were knocked down Wednesday for approximately \$50,000, said Auctioneer Roy J. Goldenberg. He estimated that Kent paid more than \$1 million for the collection. The top price, \$1,000, went for an oil portrait of the English poet, Thomas Chatterton, by Thomas Gainsborough. The buyer, Edward C. Washer, represented a Los Angeles bookstore. Many canvases faded and cracked by age, went for as little as \$10. Runnerup at \$950 was a self-portrait by the 17th Century Dutch master, Peter Paul Rubens. Its purchaser was blond, handsome Leif Henle, brother of Ice Skater Sonja. One of the biggest buyers, Henle walked off with five pictures. Some 400 art dealers, dilettantes, and just plain curious, sat under palm trees in the courtyard of the 12-acre estate and eyed the array of etchings, oils, prints and watercolors. But their ears were deaf to the auctioneer's pleas for higher bids. Here are a few of the bargains: A marine scene and a forest scene by the English painter John Singer Sargent, for \$200 and \$500 respectively; a pair of water colors by the French Contemporary Honore Daubier \$275 each; Sir Joshua Reynolds' "Portrait of Lady Cockburn," \$750; George Morland's scene of an English pub,

Big Spring (Texas) Herald, Fri., Nov. 4, 1949 3 bought for more than \$20,000, \$750; a portrait of a countess by the 17th Century French painter, Pierre Mignard, \$925. Kent, who made a fortune manufacturing radios and retired to become Hollywood's favorite party-giver, shopped in the art galleries of the world. He favored 18th and 19th Century English artists, although French, Dutch, Italian and German painters were also represented in his collection. The sale ended liquidation of his hilltop estate in swanky Bel-Air. The terraced grounds, buildings and their furnishings were sold for \$113,000 on Tuesday to Milton J. Wershow, Los Angeles auctioneer, who said he bought it as an investment. New Jersey's Governor Seeks To Succeed Self

NEWARK, N. J., Nov. 4.—Gov. Alfred E. Driscoll next Tuesday will try to do something no other New Jersey governor could do—succeed himself as the state's chief executive.

A decisive victory might well stamp the 47-year-old governor as a front runner for the 1952 Republican presidential nomination. Driscoll is the first New Jersey governor to seek the office under a new state constitution, adopted in 1947, which permits a governor to serve a second consecutive term.

His opponent in the Tuesday election is Democrat Elmer H. Wene, a onetime congressman backed by Frank "Boss" Hague whose once all-powerful political machine has been creaking of late. How much influence Hague still wields may determine the election which many politicians see as a close one.

During his campaign, Driscoll has stressed his record as governor the past three years. On numerous occasions he has jabbed at the present Democratic national administration.

In discussing his record, Driscoll points to a new streamlined state government and enactment of a program of civil rights and social measures. This, his associates say, has placed him among the leaders of the GOP liberal wing. His attacks on the federal government have centered on taxes and spending. The Democratic Party, he says, is the party of big government bent on "centralized power in Washington."

Some politicians have interpreted Driscoll's references to national affairs as indicating his desire to be associated with the national scene as well as the state.

George Hill, 57, Noted Oil Man, Dies Wednesday

HOUSTON, Nov. 4.—George A. Hill, Jr., nationally known independent oilman, died late Wednesday in a Greenville, S. C., hospital. He was 57.

The president of the Houston Oil Co. and Houston Pipe Line Co. had been in critical condition for several days. He was stricken Oct. 24 while on a train en route from Houston to Washington, D. C. Physicians at the hospital described his illness as a "cerebral accident."

Hill, a native of Corsicana, had been prominently mentioned as a possible nominee for president of the American Petroleum Institute, which meets next week in Chicago. Survivors include his wife and three children, all of Houston.

Hill received a law degree from the University of Texas in 1911. He worked with the legal department of the International Great Northern Railroad, then joined a Houston law firm where he remained until 1931 when he became vice president of the Houston Oil Co.

He had been a director of the Houston Pipeline since 1926 and had been general attorney for the Houston Oil Co. since 1916. He became president of the Houston Oil Co. and the Houston Pipeline Co. in 1932.

10 Airmen Die In Crack-Up Of Superfortress

HAMILTON, Bermuda, Nov. 4. (AP) — A B-29 superfortress, crippled by engine trouble, crashed into the sea a mile from shore last night. The big plane caught fire after hitting the water and 10 of the 35 U. S. airmen aboard were killed.

Four crewmen managed to jump out after the stricken bomber plowed into the waves but one died of burns a few minutes later. The three survivors, rescued by an oil company executive in a rowboat, were taken to the U. S. base hospital at nearby Kindley Field with minor injuries.

Bermudians watching from shore could hear the screams of the others trapped in the blazing ship. Col. Jack Merrill, Kindley Field commander, said the plane had turned back from a weather observation flight when one of its four engines failed. Losing altitude, the disabled plane approached Kindley Field but was unable to land because another plane was on the runway, Merrill said.

Unable to regain altitude on three motors, the ship crashed into the sea. Witnesses said the plane smacked into the sea with terrific force, skipped over the water like a skimming stone and then settled slowly a mile from Bermuda's north shore. Escaping gasoline caught fire.

William Gleason, operator manager of nearby Standard Oil Co. docks, and two St. George residents put out in a row boat and picked up the three survivors.

Dispute Over Gold Raging

By DAM DAWSON
AP Staff

NEW YORK, Nov. 3. — Gold—should the government let you have it in exchange for your paper dollars?

People who are supposed to know all about such things are choosing up sides on that question. Some of the nation's top bankers say, yes, the United States must go back to the good old days before 1933 when you could get gold coin for your paper money. Others say that such a return at this time would be "wildcat."

The dispute broke out this week in San Francisco at the American Bankers Assn. meeting. It came to the fore at the same time in New York at the National Foreign Trade Convention.

Washington officials have been dragged into the word battle, but mostly to deny reports they were thinking about changing the value of gold, now set at \$35 an ounce. Pressure to get Washington to pay from \$45 to \$55 an ounce has been strong of late. Obvious backers of the proposal are those who mine gold and have it for sale. But others urging it contend that by raising the paper dollar value of the huge hoard of gold buried at Fort Knox, Ky., the government would make a big paper profit it could apply to the soaring public debt.

Opponents of the proposal point out that at the same time the government, by raising the price of gold, would also be lowering the value of every savings account and life insurance policy in the country. This is because the dollar would be devalued in terms of its present purchasing power. Since only Congress has the legal right to raise the price of gold, the question is just talk at this time. But the debate over raising the bars against the coinage of gold and the possession of it by private citizens is getting hotter.

The National Foreign Trade Convention, attended by 1,800 leading businessmen and bankers, voted unanimously in favor of "the restoration in the near future of the free convertibility of the dollar into gold on the basis of its present gold value."

That means, the foreign traders want you to be able to take a \$5 paper bill into the bank and get a \$5 gold piece to put in the Christmas stocking, the way your grandfather used to do for you.

The American Bankers Assn. heard both sides and finally resolved that the price of gold should remain at \$35 an ounce, but took no stand on "free convertibility."

EX-CONVICT FINDS LEARNING A TRADE HAS ITS DISMAL SIDE

ST. LOUIS, Nov. 4. (AP) — An ex-convict meditated in jail today on the disheartening aspects of studying hard to learn a trade. His trade, Jack Doyle told police yesterday, is safecracking. The police acknowledge he's an expert. This, Doyle said, is how he gained his education:

He took notes and memorized details of specifications for strong boxes at the U. S. patent office in Washington. Then, posing as a businessman, he took refresher courses from safe manufacturers. Finally he studied law, learning safecrackers using explosives are open to stiffer penalties than those who don't.

Officers found him in a closed tavern after a tip from the owner and clipped his budding career. He was booked on suspicion of burglary and larceny.

Re-Check On Area's Pink Bollworm Infestation Slated

Gin trash inspectors for the Bureau of Entomology and Plant Quarantine are to make a re-check on the pink bollworm infestation in this area within the next two weeks, G. W. Chowns, director of the local Department of Agriculture entomology office, said Thursday.

A light infestation of the insect was found in gin trash previously inspected here, Chowns said. Machines will be set up at gins in Coahoma, Big Spring, Stanton, and Midland to determine if there has been any changes in the infestation within the past few weeks. The killing frost early this week was probably fatal to a few of the younger bollworms in immature bolls, Chowns said, but no appreciable change in the infestation is expected from that cause. Howard county is part of a wide West Texas area that was placed under quarantine restrictions after pink bollworms were discovered here in 1948.

War Chiefs To Watch Infantry Maneuvers

FORT BENNING, Ga., Nov. 4. (AP) — The nation's military high command, led by Defense Secretary Johnson, converged on this home of the infantry today to see how the foot soldier fights.

The meeting of the point chiefs of staff and the secretary of the Defense Department and the three armed forces was slated to bring the new chief of naval operations, Adm. Forrest P. Sherman to his first meeting in the field with his colleagues.

Word was received here last night that Sherman had changed plans and decided to make a one-day flying trip to Benning to join the commanders of the Army and Air Force in what the defense secretary calls a "cross education" program for all the services.

This was the second such meeting for the high command. A month ago Johnson and the Pentagon brass got together on a carrier so that the Army and Air Force could see how the Navy waged war. That time Adm. Louis Denfeld, deposed Navy chief, was the ranking Navy officer.

For the joint chiefs — Gen. Omar Bradley, chairman of the JCS, Gen. J. Lawton Collins of the Army, Air Gen. Hoyt Vandenberg, and Sherman — the session at Fort Benning will be more in the nature of a "refresher course."

During World War II all of them worked with the other services in the large-scale combined operations of the European and Pacific campaigns. But now they had been asked by Johnson to come to Benning to see the new tricks in the hard fighting developed by the infantry, particularly an artillery-tank-infantry team of battalion size. The schedule called for Johnson, and Navy Secretary Francis Matthews, accompanied by Gen. Bradley, to fly from Washington this morning. Arriving at about the same time will be AiracayerSerW

same time will be Air Secretary Stuart Symington, Gen. Collins, with a speaking engagement in Washington, planned to arrive later in the day and Army Secretary Gordon Gray, who had an appointment in New York, arranged to leave there about noon and fly directly to Benning.

The military leaders will meet here with a civilian group comprising the fifth orientation conference. These conferences are designed to give representative cross-sections of the national civilian life — business, labor, education, religion and other components — and understanding of national defense problems by taking them on a tour of installations to see the armed forces at work.

Bolivian Pilot Is Given 60-40 Chance To Live

WASHINGTON, Nov. 4. (AP) — Doctors fought to save the life of Erick Rios Bridoux today after the Bolivian pilot suffered a sharp relapse upon learning that the plane collision which injured him had killed 55 others.

Attending physicians gave the battered young director of Bolivian aviation a 60-40 chance to pull through. He is in an Alexandria, Va., hospital with a broken spine, two broken ribs, head injuries and pneumonia.

The Bolivian was the only person to survive the crash. Doctors had kept from him all details of the accident. Bolivian Ambassador Ricardo Martinez Vargas had explained: "L. I. I. Americans are very sensitive, and it would kill him to hear about it."

Yesterday it was disclosed that a visitor had spilled the whole story to the injured pilot. Hospital attendants reported that Rios Bridoux, who had been on the mend, took a bad turn for the worse.

All but one of the victims' bodies had been recovered from the Potomac River last night. Navy divers who earlier had snatched a huge crane to lift part of the battered airliner off the river bed also succeeded late yesterday in locating the P-38. They marked it with buoys and planned to pull it to the surface today.

Officials hoped the fighter's instruments might give a clue to the cause of the crash. It occurred after frantic control tower operators had tried twice to warn Rios Bridoux away from the big transport.

The Bolivian had bought the P-38 here for his government and was giving it a final check ride.

Nurses Study Club To Meet Wednesday

The proposed structure plan for registered nurses' organizations will be the program topic when members of the Big Spring Graduate Nurses Study Club meet Wednesday, Doris K. Smith, president, announced today.

Round-table discussions will be held on both the structure plan and the re-alignment of districts in the state Registered Nurses association, the president stated. The structure plan, if adopted by the association, will liberalize requirements for membership in the organization.

The Wednesday meeting is to be held at 8 p. m. in the Malone-Hogan dining room.

Foreign Ministers To Meet At Paris

LONDON, Nov. 4. (AP) — The British foreign office announced today the foreign ministers of the United States, Great Britain and France will meet in Paris next week to discuss German problems.

The spokesman said the meeting probably would begin Wednesday or Thursday, depending on when U. S. Secretary of State Dean Acheson could reach Paris.

'Mastering Life' To Be Presbyterian Pastor's Sermon-Subject Here Sunday

The Rev. R. Gage Lloyd will be heard on the sermon-subject "Mastering Life," at the First Presbyterian church Sunday morning. Scriptural basis may be found in Moffett's translation, which reads: "Yes, but I am not going to let anything master me." Mrs. D. C. Chapman will sing the solo, "The Prayer Perfect," by Stenson, prior to the morning sermon. During the evening, the congregation will hear a recording by Dr. C. L. King of Houston on the "Reorganization of Presbyterian Machinery." Mrs. A. B. Brown will sing "God Holds the Future In

THE REV. DERBL DORITY

His Hands," by Vaughan. Presbyterian Youth Fellowship will meet at 8:30 o'clock.

The Church of God, located at 1018 West Fourth, is now in revival. The Rev. Derbl Dority of Boham has been engaged to conduct the services scheduled to continue through Sunday, November 13.

Members of the Ann Gibson Houser sextette will be featured in the special selection, "Sunrise Tomorrow," prior to the morning sermon at the First Methodist church. The Rev. Alsie H. Carleton will speak on the subject, "Our God." During the evening, the Rev. Carleton will discuss the topic, "How To Deal With Our Troubles."

"I Believe In God," will serve as the sermon topic to be presented by the Rev. C. C. Hardaway at the Wesley Methodist church Sunday morning. The Sunday school hour has been changed from 10

o'clock to 9:45 a. m. In the evening, the Rev. Hardaway will speak on the subject, "Faith and Brotherhood."

The Rev. John E. Kolar will use as his morning message, "Go Forward," at the Main Street Church of God, Tenth and Main, Sunday. He will base his evening message on the subject, "Court Trial," from Isaiah 18. Sunday school will be under the direction of Mrs. Nola Whitaker, superintendent. Youth Fellowship will be sponsored by Eddie Hickson, leader. Fred Whitaker is song director.

"Adam and Fallen Man," is the subject of the Lesson-sermon which will be read in all Churches of Christ, Scientist, and in the local reading room, 217 1/2 Main, Sunday. The Golden Text is: "Awake thou that sleepest, and arise from the dead, and Christ shall give thee light." (Ephesians 5:14) Among the citations which comprise the lesson-sermon is the following from the Bible: "Who so walketh uprightly shall be saved; but he that is perverse in his ways shall fall at once." (Proverbs 28:18) The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Scriptural man is the image or idea of God, an idea which cannot be lost nor separated from its divine Principle." (Page 303)

Revival services will be launched at the Church of Christ, East Fourth and Benton, Sunday morning. Rueben Stanley, minister of the Santa Rita Church of Christ in San Angelo, will conduct the services. The revival will continue through Sunday, November 13. Herbert Love will act as host minister. Daily services will be held at 10 a. m. and at 7:30 p. m. Sunday services are scheduled for 11 a. m. and 7:30 o'clock.

The Trinity Baptist church, now in its new building at 810 11th Place, will begin a new radio broadcast Sunday, when the evening service will be recorded over Station KTXC. Pastor Marvin H. Clark will speak on the subject, "I Shall Be Satisfied," from Psalms 17:15. Sunday morning, Pastor Clark will bring another in a series of messages on the Gospel of John, speaking on the topic, "Behold the Lamb of God that Taketh Away the Sin of the World." (John 1:29) Sunday school will be held in the separate departments now that the classrooms have been completed.

Sunday masses at St. Thomas Catholic church, 508 North Main, will be held at 7 and 9:30 a. m. and week day masses are at 7:30 a. m. Confessions are heard before the daily mass and from 7 to 8:30 p. m. Saturdays. At the Sacred Heart Catholic church (Latin American) Sunday masses are at 8:30 and 10:30 a. m. and week day mass is at 7 a. m.

The Rev. I. A. Smith will conduct both morning and evening worship services at the Park Methodist church Sunday. Morning sermons are at 11 a. m. Sunday school is at 9:45 a. m. Junior and senior league will convene at 7 o'clock under the direction of Mrs. Gould Winn. Mid-week prayer meetings are scheduled for 8 o'clock under the direction of the pastor.

Dr. P. D. O'Brien will discuss the topic, "Vain Labor," from Psalms 121:1 at the First Baptist church Sunday morning. A religious moving picture will be projected at 4 o'clock in the afternoon. The regular Sunday evening service will be conducted by Dr. O'Brien, who will speak on the subject, "Saving Goodness," from Hosea 6:4. The scriptural text reads: "O Ephraim, what shall I do unto thee? O Judah, what shall I do unto thee? For your goodness is as an empty vessel." See SERMON Pg. 7, Col. 2

IN GRANDMA'S DAY

In grandma's day the spinning wheel and the old hand loom were familiar sights. Long before this time, when great-grandmother was young, the girls of the family were taught to spin yarn and weave cloth, and many of the simple garments of those days were the products of their delicate hands.

The spinning wheel and hand loom have gone the way of the wooden plow, the ox cart, and the grandfather's clock. They exist today mainly as relics of a colorful past.

New inventions and new methods are constantly replacing old ones. Human life sweeps on in a world of change. The only abiding things are the things of the mind and spirit; faith, hope, and love are the great eternal.

Man needs a spiritual anchorage in a changing world. And the Church points him to God, who is the same yesterday, today, and forever. He is man's rock and refuge in every age.

**THE CHURCH FOR ALL...
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Rush Season Closed At Sorority Banquet

In concluding rush season activities, members of the Alpha Chi chapter of Epsilon Sigma Alpha honored their pledges with a banquet and ritual ceremony in the Maverick room of Hotel Douglas Thursday.

Rhoda Miller acted as master of ceremonies and presented the program, "Miss Alpha Chi of November 1949." Ruth Webb gave the welcome to the pledges and Betty Franklin gave the response.

Joyce Howard, soloist, sang two special music selections, "Without A Song," and "Through the Long and Sleepless Night." Roberta Gay accompanied Miss Howard at the piano.

Banquet tables were arranged in a T formation. The tables were laid with white linen cloths and the head table was centered with a large arrangement of yellow roses interspersed with blue ribbon trim. Sorority colors are blue and gold. Autumnal leaves were placed along the center of the tables and various other arrangements of yellow mums completed the table decor.

Following dinner, Ruth Webb, president, assisted by Jamie Bilbo conducted to pledge ritual for the rushees.

Those attending were Gwen Oglesby, Sally Moore, Betty Franklin, Maxine White, Ida Stokes, Leslie Newton, Joyce Williamson, Gypsy McColium and Gayle Johnson, pledges. Members present were Stella Mae Wheat, Ruth Webb, Mary Ann Goodson, Jeanne Burnam, Maxine Ryan, Rhoda Miller, Jean Smith, Pat Shannon, Jean Phillips, Dot Day, Bo Bowen, Laura McFarlane, Jamie Bilbo, Minnie Earle Johnson, Myrtle Franklin, Billie Smith, Leta Cowley and Wanda Richardson.

RIBBON RAMBLINGS

By Mildred Young

Today, church women of our town are observing World Community Day. At 3 p. m. today, representatives from several Big Spring churches gathered at the First Presbyterian Church for a program entitled "Peace is Possible." Their theme was "therefore on that day women will watch, women will work and women will pray."

"World Community Day was first instituted because church women believe that God is the Father of all mankind and that it is His world. They believe also that the human family can learn to live together in peace.

"Pieces for Peace," a collection of poems for displaced housewives overseas were dedicated at the afternoon program.

This annual World Community Day observance can have an influence on all of us, not just the church women alone. Since world affairs have a significance for all of us, all of us should attempt to do whatever we are capable of doing to promote better understanding and a more workable world.

After all, our world conditions are as bad as the world's worse individual and as good as the world's greatest citizen.

We've said before that if you can do nothing more for the world you can leave it in as good a condition as you found it.

Candidates for office at the election to be held in Austin November 15 to choose leaders who will serve the Texas Federation of Women's clubs for the next two years, are: for president, Mrs. J. Howard Hodge, Midland; for vice president, Mrs. T. M. West, San Antonio, for second vice president, Mrs. John O. Douglas, Houston, and Mrs. L. James Wathen, Dallas, for secretary, Mrs. W. E. Cantrell, Lometa; for treasurer, Mrs. U. L. Willie, Matador.

Intermediate Scouts Have Regular Meeting

Intermediate Troop No. 1, Big Spring Girl Scouts met Wednesday morning at the Girl Scout house.

The troop has three patrols, the Bluebirds with Janet Stogan as leader, the Texas Stars with Sue Boykin as leader, and Red Roses with Dorothy Mabe as leader.

After the meeting opened with the scout promise, copper tooling was chosen as the craft project. Two items were chosen to be made as Christmas gifts. The group will also make Christmas cards. Christmas baskets will be given to the needy.

The next meeting will be health and safety program.

Those present were Darlene Agee, Sue Boykin, Anita Gardner, Jerry Lynn Girdner, Danna Green, Shirley Jean Harper, Janet Hogan, Fanny Fay Johnston, Betty Kennedy, Robert Keahly, Nancy Kay King, Dorothy Mabe, Linda Murrell, Marilyn McCrary, Nancy Newcomb, Darlene Parker, Linda Smith, Ann Taylor, Lou Ann White and Kay Wilcox.

Steers Seek Second District Win In San Angelo Tonight

Injuries Hurt Locals' Hopes

Franklin Paces Dogies To Win

A team that was doped to 'tear up the earth' in West Texas AA circles this season—San Angelo—and an eleven voted originally as the brigade most unlikely to succeed in District 5AA—Big Spring—have at it in their annual football skirmish in San Angelo, starting at 8 o'clock tonight.

Surprisingly enough, the Angelo club experienced rocky going at the beginning of the campaign, at which time it lost by a touchdown to a very ordinary Denison team, and has never quite straightened itself out, although it has experienced moments of greatness.

And, equally surprising, Big Spring has fared better than expected. It has already beaten Brownwood, 14-13—a team that tied Angelo only last week, 33-33.

Anything it picks up in the way of victories between now and the end of the campaign would be considered velvet. Tonight will mark their second league start.

The Steers can give the Cats a whole of a tussle, if they're amind to, and they usually are. There's something about the Purple and Orange that always makes the Bovines see red. Year in and year out, they've turned in their best games against the Felles.

Big Spring upset the Tabbies by a single point (20-19) two seasons ago. Floyd Martin and Howard Washburn, who have divided time at the quarterback slot for Big Spring, will probably see limited action for the Steers.

Probable lineups (with weights): SAN ANGELO—Bernard Peltz (175) and George Kendall (205); ends: Sam McKnight (190) and Walter Schleyer (183); tackles: Ray Barrett (170) and Lewis Woodward (165); guards: Ed Hartman (165); center: Bobby Clatterback (190); Clifford Rowland (160); Pat Hall (160) and Dwight Trice (175); backs: Big Spring—Howard Jones (153) and Aubrey Armistead (155); ends: Dick Laswell (193) and Paul Fortenberry (180); tackles: Red Cunningham (214) and J. W. Drake (145); guards: Lee Axtena (170); center: Robert Cobb (145); Carroll Cannon (153); Amos Jones (155); and Billy Tubb (150); backs:

In a game highlighted to two sensational touchdowns runs on the part of Charles (Speck) Franklin, the Big Spring high school B football string trampled the Snyder reserves, 27-7, here Thursday night.

Franklin turned in scoring dashes of 45 and 60 yards in a clambake which saw the smartly-coached Big Spring line outfight the Snyder primary all the way.

Big Spring rang up its first score in the early moments of the game after Franklin had returned a Snyder kick to the Tiger 15. The Dogies collected eight yards in three carries, then lost the ball momentarily on a fumble. They were back, hammering away at the visitors' goal, almost immediately, however, and this time went all the way.

Frank Phillley legged it around end for the tally to make it 8-0. Donald Mack Richardson missed the try for point with his kick but it was the only time he failed.

Dan Burns of the guests handled the ensuing kickoff like a hot rivet and was lucky to gain possession on his own four. After failing to gain, Snyder booted out to its own 30.

After the second quarter began, Snyder began his first real offensive after Clarence Minton had intercepted a Big Spring pass and returned to his own 40. A bobble put the Shortorns in command on the Tiger 44, however, and the locals moved down the field for another TD. Ray Adams chugging the last four steps for the score, Richardson's boot made it 13-0.

Red Green gathered in the kickoff which followed, picked his way through the onrushing Shortorns and raced 70 yards to what seemed a certain touchdown. But Aubrey Burk gave chase and caught him on the Big Spring one with a desperation tackle. It was a great effort on Burk's part.

Snyder made it easy from that point, Joy Thaymes crashing through for the score. A run by Green, following a Big Spring penalty, gave the Snyder gang another point.

Franklin then broke the game wide open with his great sprints in the last half. After Big Spring had taken the ball on its own 47 and moved it to the enemy 45, Franklin hit the line and slipped free. Half the Snyder team had chances to pen him but the ball eluded everyone on his mad rush to the goal. Richardson booted goal and the tally stood 20-7.

That took some of the fight out of the visitors. It remained for Speck to add insult to injury with an equally scintillating dash in the fourth, a 60-yard gallop that came on fourth down and the freckled one back in punt formation.

Snyder never again threatened. BIG SPRING... 7 7 7 7 27 SNYDER... 0 7 0 0 7 27 Starting lineups: BIG SPRING—Ronald Farjauer and Ken Phillips, ends; Joe Mizel and Raymond Gilstrap, tackles; Aubrey Burk and Joe Spinks, guards; Leonard Hartley, center; Ray Adams, Speck Franklin, Frank Phillley and Lowie Rice, backs. SNYDER—Hugh Smith and Monty Montgomery, ends; Ken Smith and C. W. Dorman, tackles; C. E. Rhoades and Jerry Allen, guards; Wayne Jenkins, center; Aubrey Bentley, Red Green, Dan Burns and Clarence Minton, backs.

LOOKING INTO BASEBALL FUTURE—Branch Rickey (left), president of the Brooklyn Dodgers, and Fred Saigh, owner of the St. Louis Cardinals, got together for dinner in St. Louis and undoubtedly discussed some baseball deals. Shrewdly, though, they kept their secrets to themselves. All Rickey would say was, "Mr. Saigh has a surplus in pitching." Saigh countered with, "Mr. Rickey has a surplus in outfielders." LOOKING 'EM OVER

With Tommy Hart

We're off on a one-way trip to nowhere. It's just as well none of the Herald Board of Football Oracles selects football winners for a living. If your teams win, then they were probably supposed to come out that way. And, if they lose, then you should have known better.

One thing we've all discovered since we took up the business. It's a lot easier to name the better club after two teams have played.

Table with 4 columns: Game, WM, RW, JP, TTH. Lists various teams and scores.

Jayhawks Wind Up Campaign Saturday Night

Howard County Junior college's battered Jayhawks hit the road again Saturday, moving to Cisco where they terminate their 1949 football season with Cisco Junior college in a night game.

The current campaign has been a rugged one for the Hawks. They will try to salvage something of the wreckage of seven straight defeats with a spartan effort against an eleven that has been fairly successful all year.

Gordon (Mac) Madison, who scored all three of the Hawk TD's against Weatherford last week, will not see action for the Big Springers. B. B. Lees will see limited action due to an injury.

Clisco walloped Odessa, a team that hurled HCJC Oleska, and led San Angelo JC in the mud. However, the Wranglers later lost a decision by two TD's to Decatur. This gives the Hawks hope.

Clisco's attack will feature Lonny Crosby, Olen Lewis, Paul Varner and Harold Sides.

Biggest man in the Clisco forward wall is Don Price, who tips the scales at 255. The Wranglers also have two reserve linemen in Harold Hill and Lee Kinard who go over 200.

SCORES 72

Marlene Bauer Shatters Links Record At Club

Marlene Bauer, the remarkable ten-year golfer from Aberdeen, South Dakota, by way of Los Angeles, set up a new course record for men players at the Big Spring country club Thursday afternoon when she sliced together a two-under-par 72.

The 16-year-old was teamed with her equally talented sister, Alice Bauer, in a match with J. R. Farmer and Joe Black, local males. Marlene's 72, considered all the more remarkable because she was firing from the men's tees, had a lot to do with the 5 and 4 victory the California girls fashioned.

Marlene put together two 38's on her way to the 72. Alice had some trouble—for a Bauer—on the front nine, at which time she zoomed to a 41, but recovered for a very respectable 38 coming in.

It was the first time either girl had seen the local course but they played the layout as if they owned it. They were three up on nine. Black came in for a 77, Farmer a 79.

Marlene, of course, fought a standoff with men's par all the way. She had a birdie and a bogie on the first nine and two birds and two bogies the second time around. Mrs. J. R. Farmer once shot a 37 on nine holes and that was considered to be a record for the women until Marlene came along.

Yearlings Romp On Lakeview

LAKEVIEW, Nov. 4—The Big Spring Yearling subdued the Lake View Junior high school Papooses, 26-7, in a football game unveiled here Thursday night.

A pass from Hill to Keel gave the home club a 6-0 lead early in the game. Keel then added the point on a conversion.

Big Spring came roaring back, however, when J. C. Armistead intercepted a pass and churned 85 yards for a score late in the first period.

Armistead added a second tally on a five-yard plunge in the second round and Bobby Hayward ripped through for the point to make it 13-7 at half-time.

In the last half, Hayward scored two touchdowns after the Armistead and Doyle Maynard had powered the ball downfield. Armistead also added a point on a conversion try.

Edgar Rose played a stout game for the Yearlings in the line, which was outstanding as a whole.

Cauble Leads Team To Win

Sparked by Dot Cauble who scored a 186 for high individual single game honors in the Women's classic bowling league, Zack's keglers defeated the Douglass team last night to regain the lead in league play.

The Douglass team had replaced Zack's at the top of the win column last week with three victories over Clark Motors while Zack's was losing to Nathan's.

Clark Motors beat Nathan's last night, two games to one, while Nathan's won two of three contests on Handy. Nathan's team took high aggregate laurels with a score of 1979, followed by Zack's with 1904.

Handy won team high honors with 678. Nathan's was second in that department with a score of 668. Mary Ruth Robertson was runner-up to Cauble for individual honors for single game play. She scored 177.

Lois Eason, a Nathan's kegler shares high individual series honors with Bonnie Carpenter of Hardy. Both rolled for scores of 468.

Standings: TEAM W L Pct. Zack's... 10 7 .741 Douglass... 18 9 .667 Nathan's... 11 16 .407 Handy... 10 17 .370 Clark Motors... 6 21 .222

Bulldogs Scrap To Remain In District

COAHOMA, Nov. 4.—Coach Ed Robertson's Bulldogs will be fighting to keep alive their district 8-B title chances when they play the Bronte Steers on the latter's home field tonight.

The Coahomans, who have lost only one conference game this season, will be playing their first district game in three weeks. During the intermission from conference competition, they have dropped contests to the Sweetwater B squad and the Seagraves Rams.

The Bulldogs' last district 8-B outing resulted in a defeat at the hands of the Hermleigh Cardinals, leaders in the title race. They opened earlier with a victory over the Stanton Buffaloes.

In addition to the Bronte tilt, the Bulldogs have two other district games. They play Robert Lee Nov. 19 on the Robert Lee gridiron, and clash with Lorraine on Nov. 11 in their last home game.

The Coahoma team has been plagued with injuries during their last three games. All but one of the Bulldog lineup are expected to be ready for the Steer clash tonight.

Big Jack Wolf, 220-pound fullback, is out for the season, but R. J. Echols, Edwin Dickson, and Gary Hoover have shaken off sprains and bruises in light practice sessions this week.

Probable starters for the Bulldogs tonight are Dickson and Paul Sheedy, at ends; Jim Minchew and Max Thomas, tackles; Maurice Duncan and Elvon DeVaney or Bill Bennett, guards; Freshman Don Sheffield or Rodney Cramer at center; and Echols, Bobby Caty, Jim Knight and Wendell Shive in the backfield.

Edgar Vinson, Billy Joe Cramer and Hoover will probably be in the Bulldog defensive lineup.

Reagan Gains 32-6 Victory

By WILBUR MARTIN Associated Press Staff. District title hopes and impressive records go on the line tonight in Texas schoolboy football's big two divisions—the City Conference and Class AA.

John Reagan of Houston kept its unbeaten, but tied, record last night by beating Jeff Davis of Houston, 32-6.

In other games last night, Crosier Tech of Dallas blanked Forest of Dallas, 18-0; Poly (Fort Worth) downed Fort Worth Tech, 40-0; Thomas Jefferson (San Antonio) smashed Alamo Heights (San Antonio) 31-0; and El Paso beat Mesa, Ariz., 14-7.

Entry lists for five Hialeah stakes—the \$50,000 Widener and Flaminio, \$25,000 McLennan, \$15,000 Black Helen and \$10,000 Juvenile—close Dec. 15.

God Gives Comfort To His Own People

Scripture—Isaiah 40: 41; 42: 5-9; 44; 51; 63: 7-9; Luke 4: 14-21.
 BY NEWMAN CAMPBELL

"Comfort ye, comfort ye, My People, saith your God." So Isaiah consoled the people whom at times he severely rebuked for their sins. Keep your faith in God, who is willing and able to help in all emergencies, he told them.

Dread and fear of what may be in store for the world in the coming years is rife today. Many, like the Jews of Isaiah's day, have suffered torture, death, bereavement, banishment from their home lands, all imaginable sorrows, but if they can keep that faith in the triumph of right, they may still—and many do—keep a serene mind and trust that eventually all will be well.

The world needs the comfort that Isaiah gave his own people in that far-off time, as opposing ideologies battle to control the universe making the fear of wars to come—even more horrible than the one just ended—loom on the horizon.

"Behold, the Lord God will come with His strong hand. He shall feed His flock like a shepherd; He shall gather the lambs with His arm, and carry them in His bosom, and shall gently lead those that are with young."

The Lord who created all things—the vast dominion of the heavens, the earth, with its oceans, mountains, valleys, and all living things, also planted in man's heart a sense of right, need to worship, and courage to fight for high ideals that could make the world peaceful and happy.

If these ideals of a brotherhood of man, of service to all, of sharing with others, and the faith in God that Isaiah preached so many centuries ago, can be planted deep in the hearts and minds of the children who will be the next generation—those ideals will in time be realized.

"O thou afflicted, tossed with tempest, and not comforted, I will lay thy stones with fair colors, and lay thy foundations with sapphires. . . . And all thy children shall be taught of the Lord; and great shall be the peace of thy children."

"Hast thou not known? Hast thou not heard? The everlasting God,

Jehovah, the creator of the ends of the earth, fainteth not, neither is weary; there is no searching of His understanding."

"He giveth power to the faint; and to them that have no might He increaseth strength."

"Even the youths shall faint and be weary, and the young men shall utterly fail."

"But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk and not faint."

The eagle is a solitary bird. He is never seen in flocks, as other birds. He nests on inaccessible mountain crags, and soars far up in the sky—alone. We too should seek solitude now and then to commune with our Maker and gain renewed strength from Him.

"To walk and not faint." The walking may be likened to our daily tasks—in schools, homes, offices, factories. If we trust in God's help in the doing of these duties, we shall "renew our strength," even if we feel weary and faint. We will not then fall in our responsibilities.

Luke tells us how Jesus came to his home town—Nazareth—and, as was his habit on the Sabbath, he went to attend the service in the synagogue. As was the custom of the day, He, as a visitor, was handed the scriptures to read a portion thereof. Opening the book He read:

"The spirit of the Lord is upon Me; because the Lord hath anointed Me to preach good tidings unto the meek; He hath sent Me to bind up the broken-hearted, to proclaim liberty to the captives, and the opening of the prisons to them that are bound."

"To proclaim the acceptable year of the Lord, and the day of vengeance of our God; to comfort all that mourn."

Jesus then sat down, and as all those present looked upon Him in wonder, He said, "This day is this scripture fulfilled in your ears."

Thus began Christ's mission.

O'Neil's Writing Career May Be Ended By Disease

MARBLEHEAD, Mass., Nov. 4. — A nervous disorder apparently has closed the writing career of Eugene O'Neil, Nobel prize-winning dramatist and author of several Broadway hits.

His wife, Carlotta, said last night that he is suffering from Parkinson's disease and that it is "getting progressively worse."

She said his hands tremble so badly he is unable to write in long-hand—his customary form of composing—and efforts to dictate have not been too successful.

The disease also has affected the 61-year-old playwright's speech, his wife said, and he prefers to stay in seclusion on his seaside estate here. He bought the place about a year ago.

His last play, "The Ice Man Cometh," was produced on Broadway in 1946.

Holder of the Nobel Prize in literature and three Pulitzer prizes, O'Neil also has authored "Emperor Jones," "Stage Interlude," "Anna Christie," "Mourning becomes Electra," and "The Hairy Ape."

Since he was stricken a few years ago, he has received many letters from all parts of the world. Most of them are from sufferers from the same malady, offering advice.

New Soviet Foray Into Iran Reported

TEHRAN, Iran, Nov. 4. — A reported new foray into Iran by Soviet troops gave Russian-Iranian relations another jolt today.

A high ranking Iranian government source gave this account of the incident:

The foray occurred Sunday at Baghcheh Sara, north of Astara, a port on the western shore of the Caspian Sea. Soviet soldiers attacked Iranian border troops. The Iranian units resisted.

Firing lasted several hours, but no casualties were reported. The Russians withdrew when Iranian reinforcements arrived.

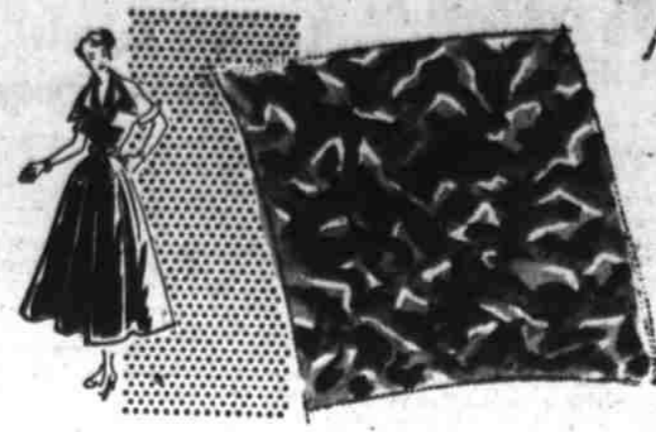

Iranians have accused the Russians several times in recent months of violating the frontier.

As Moscow Sees It

MOSCOW, Nov. 4. — The Moscow press today attributed the release on bail of the 11 convicted American Communist leaders to the "pressure of public opinion."
