## Surprise Linen Shower Held For Bride

A surprise linen shower was given Tuesday night for Mrs. Loyd Wooten by members of Beta Sigma Phi sorority in the home of Mrs. Paul Darrois.

Mrs. Wooten is the former Miss Margaret Alderson, whose marriage occurred recently.

Games were played and Mrs. R. L. LeFevre, who won the prize, presented it to the honoree. The home was decorated in fall flowers and the fall colors were used in both decorations and refreshments. A salad course was served.

The honoree told fortunes of those present and then the group took a "fortnight" and led her to the shower.

Guests present were Mrs. Dave Eastbourne, Mrs. Hiram Knox, Mrs. Emil Studer, Dorothy LeFevre, Elizabeth Northington, Marjorie Whitaker, Mrs. Jim Bob Pool, Evelyn Merrill, Mrs. S. R. Whaley.

## Attend Young People's Rally In Midland

Others going from here are Mr. and Mrs. F. H. Talbot, Ann and Blake Talbot, Dr. and Mrs. D. F. McConnell and David, Janice Carmack, Helen Weaver, Patay Mims, Dorothy Nell Tompkins.

## To Have Two Week Tour In Chicago, Ill.

Harold Talbot, son of Mr. and Mrs. C. E. Talbot, will leave Friday for Dallas where he will join four other A. & M. students and an instructor for a two week trip to Chicago, Ill.

Harold is a student of agricultural engineering and the tour will include visits to farm implement factories, where first hand knowledge of the tools and implements will be obtained.

## SCOUTS FIND IDEAL CAMP AT S'WATER

The Boy Scout camp on the shore of Lake Sweetwater is proving to be an ideal spot for a boy to enjoy camping to the fullest. The boys and leaders are well pleased with the location, which affords boating, swimming, hiking, archery, scoutcraft, and campfire programs. And of course the fishing is fine. With such a fine campsite and good equipment for caring for the boys it is no longer necessary to travel one or two hundred miles to camp.

Two expert colored chefs are cooking for the camp. A well balanced menu was planned and the boys are finding it hard to eat all of the good food that is being prepared for them.

## Cotton Stamp Plan Developing As A Program To Help Needy And Reduce The Crop Surplus

By KENNETH KITCH  
Associated Press Staff

Bombs over Europe help shatter America's cotton export market, but a cotton stamp plan operating along the general lines of the food stamp plan will contribute to the restoration of a balanced cotton economy for the nation.

The cotton stamp plan is a device enabling welfare clients, WPA employees and others of the country's poor to double their purchases of cotton goods, thereby reducing the American surplus that normally must be marketed abroad.

In less than six months, Memphis, Tenn., Springfield, Mass., Minneapolis and St. Paul have adopted the plan. Los Angeles is working on it.

Texas as yet has not participated. But James S. Allen of Dallas, regional supervisor of the Federal Surplus Marketing administration and organizer of the first unit at Memphis, believes Texas will have several cotton stamp areas within a year.

Closely paralleling the new food stamp plan now operating in eight Texas areas, the cotton plan is based on issuance of bonus stamps to low-income folk.

**More Bonus**

Principal difference between the two plans is that persons who receive cotton stamps get twice as much bonus. For each actual dollar the food stamp client spends, he receives 50 cents worth of free bonus stamps. For each cotton stamp dollar, the client receives a full dollar in free bonus stamps.

Cotton stamps are green. Cotton bonus stamps are brown. Each color is good at face value for purchase of specified cotton goods in any participating retail store or mail order house.

Any person receiving public as-

istance can purchase cotton stamps.

Cotton stamps of either color may be used to purchase any product completely manufactured or processed from domestic cotton in the United States or its possessions. Under the food stamp plan certain government-specified surplus foods are obtainable for stamps.

As under the food plan, the merchant sends his accepted stamps to his bank, which sends them to a government depository and receives in turn a check for the full amount.

The merchant is bound by restrictions, violation of which brings penalties ranging to 10 years in prison and \$10,000 fine.

Texas is the only certified eligible goods to certified eligible customers. Stamps are not good for payment of old accounts. They may be used as down payment on goods delivered immediately but not for future payments nor as payments on a lay-away basis.

The merchant cannot give cash for stamps. If he owes change for stamps, he must give credit slips. The same applies to refunds on returned articles.

As under the food stamp plan, cotton stamps are a means of returning business to regular retail trade channels. The merchant sells stamp goods as a part of his regular merchandising. In pushing his sales to stamp customers, the government also expects an additional increase in sales to regular customers.

The government finances stamp redemption by diverting portions of appropriations previously spent in purchasing surplus supplies for direct distribution to relief clients. The ultimate objective of the stamp plan is to increase trade sufficiently to warrant the government's retirement practically all together from surplus purchasing.

Whether the cotton plan is striding in this direction is too early to determine fully.

The department of agriculture figures that somewhere around 15 cents of the consumer's stamp dollar gets back to the cotton farmer. Most of the remaining 85 cents employs labor in transportation systems, cotton mills, garment factories, and wholesale and retail outlets.

"Our early statistics," Administrator Allen says, "also indicate increasing sales in stamp areas, better clothing low-income families, and clients and merchants that are pleased."

Texas cities or counties wishing to adopt cotton stamps follow approximately the same procedure required by the food plan: Application, regional approval, national designation, with actual operation about 30 days later.

## Woman Flyer Is "One Of Gang" At The Airport

By HELEN POOL

With over 34 flying hours to her credit and looking forward this week to taking examinations for a pilot's license, Miss Ruth Fowler, Big Spring school teacher, is about to wind up her course in the initial C. A. A. training program given here.

Miss Fowler was chosen this spring with nine men as having the highest grades during the theory course held during the winter and qualifying for the flight training.

Involving a man's world, the teacher proved adept at the job but unlike most fliers who have made their first successful solos, Miss Fowler has no future plans for professional flying.

So far in her flying she has had no mishaps or very exciting moments but maintains that she still "keeps one hand on the parachute cord all the time she's in the air."

However, to watch her take-off and land a plane as skillfully as the others believes her words.

For the past five years Miss Fowler has been teaching in the Big Spring schools and specializes in biology and general science. She was graduated from the Llano high school and received her college training at Baylor university. She is one of five children and the daughter of Gray Fowler of Llano.

Being a woman has not proved to be a handicap, and at the airport she is accepted as "one of the gang" and can usually be found kidding and playing jokes on the others.

## E. E. Fahrenkamps Return From Trip To Louisiana

Mr. and Mrs. E. E. Fahrenkamp and son, Edmund, returned Monday night from a ten-day trip that included stops in Texas, Louisiana and Mississippi.

The Fahrenkamps visited in New Orleans, Baton Rouge and Shreveport after leaving Houston and Galveston. They went to Natchez, Miss., where they went through some of the famous old mansions. On their way home they stopped in Fort Worth and Dallas.

While in Houston they visited with Mr. and Mrs. E. M. Kline, former residents here, and in Alexandria, La., visited the J. A. Davis family, also former Big Spring residents.

## LET'S GET PERSONAL

Mr. and Mrs. Dalby Fleming and daughter, Barbara Sue, of Umbarger were the guests of Mrs. Estah Williams Tuesday night.

La Vaughn Bowden, who has been ill at her home, is reported to be much improved. She is the daughter of the Rev. and Mrs. R. E. Bowden.

Billy Jeff North of Waxahachie is visiting Marjorie Phillips here until Thursday.

Mr. and Mrs. H. L. Bunn have as guests their daughter and family, Mr. and Mrs. J. F. Griffin and daughter, Peggy, of Shreveport, La. Mrs. Griffin will spend a month here and Griffin will return home Wednesday.

Mr. W. M. Gage is spending three weeks in Austin. She was accompanied by Miss Anne Martin.

Mrs. L. C. Soidan of Chester, Neb., and L. C. Soidan, Jr., two daughters and Ed Saubier, all of Detroit, Mich., have returned home after spending several days here with Mr. and Mrs. F. H. Talbot.

Dr. and Mrs. D. F. McConnell and son, David, returned Tuesday from a month's vacation in Kerrville, Westminister and Cameron.

Mr. and Mrs. J. J. Roberson and daughter of Denton returned home Tuesday after a four-day visit with Mrs. Hattie Crosssett. The guests went on to El Paso and New Mexico on vacation.

Mrs. Essie Graves of Los Angeles, daughter of Mrs. Hattie Crosssett, is here to spend the winter with her mother.

## Elbow School Ready To Start Term On September 9th

Arrangements have been completed for opening of the Elbow school on Sept. 9. It was announced Wednesday by Principal Dan McRae. Assisting Mr. McRae on the faculty this year will be Mrs. McRae, Mrs. T. M. Dunagan and Mrs. Florine Neill.

The Elbow board of trustees recently granted salary increases of from \$5 to \$15 to the teachers there. Mr. McRae this summer completed work on his M.A. degree, at Austin college.

The board also joined the county board of trustees in recommending vaccination against smallpox for all children before entering school.

While most schools in the county will begin their terms on Sept. 9, some—Garner and Moore among them—will open next Monday, Sept. 2.

## FORGERY COMPLAINT

A charge of forgery was filed in justice court by Deputy Sheriff Andrew Merrick Wednesday against Everett Stack. The complaint alleged an attempt to pass a check which bore a false signature at a local store.

The government finances stamp redemption by diverting portions of appropriations previously spent in purchasing surplus supplies for direct distribution to relief clients. The ultimate objective of the stamp plan is to increase trade sufficiently to warrant the government's retirement practically all together from surplus purchasing.

## MISS LANCOSU NOTES

By Mary Whaley

For the feminine portion of the insomnia gang we have found a new way to pass the time of day—or rather night—and it is much less boring than counting sheep.

Counting sheep gets sort of monotonous and after awhile all look alike and you forget which one it was that just went over the edge.

Our new plan is to think up gorgeous new costumes for yourself without regard to price. Take right now, for instance, Fall's a-coming and you know you will have to get out some of your winter uniforms to wear, so when you can't locate sleep any place on your pillow, design a few knockout numbers of your own.

Take that little blue serge that you have been wearing until its cast is shiny and the cuffs frayed and in your mind you can transform it into the niftiest costume like one you saw the other day in the movies.

Add pleats or a wide belt and take off those white collar and cuffs and add a rope of pearls in your exalted state of your own image about now, the difficulties of dressmaking probably won't intrude on your consciousness.

Then to that beat-down little formal that you have been wearing since the depression you can add a sequin jacket (price prohibitive while fully awake) and lo, you are the belle of the dance.

The next day you probably will wish you could remember all the changes you effected with your last year's gowns but after all the object of this game is to go to sleep, not to look well-dressed all winter.

## Former Teammates Become Rivals In Pro-All Star Game Thursday

By TOM SILER  
CHICAGO, Aug. 28 (AP)—Twenty-two years ago Eddie Anderson and Curley Lambeau were illustrious teammates when the immortal Knute Rockne began his dazzling climb to fame at Notre Dame.

Now both are famous football coaches in their own right, Anderson as the dynamic tutor at the University of Iowa, and Lambeau as director of the Green Bay Packers, pro champions and the "winningest" team in the money game.

Thursday night they meet for the first time as rival coaches in the seventh all star game in Soldier Field, which pits the Packers against the campus senior heroes of 1918.

Their paths divided after that one season together on the late Rockne's first Irish eleven in 1918. Anderson finished school, tried his hand at pro football while getting his medical degree, and finally wound up as a top flight college coach.

But Lambeau quit school and took a job as shipping clerk in the Acme Packing company back in his native Green Bay, Wis., then a city of 30,000. The bulky French-Belgian never had reason to regret that decision. His farewell to Notre Dame led to the birth and amazing growth of the Packer football machine.

Lambeau talked his boss into financing a plant team to the extent of \$500. The club was known as the Packers and held its name

through the years although it has had no connection with the firm since 1920.

Green Bay fans merely tolerated Lambeau's squad in those early days but did perk up a bit in 1920 when the Packers defeated the Minneapolis Marines, then a member of the National league.

By 1921 Lambeau knew he had something, so when a vacancy occurred in the National league that season he rushed to Columbus, O., and paid \$50 for a franchise. One of them now costs \$50,000. The Packers today have an estimated value of \$250,000.

## Tigers Drill For Alpine

The Big Spring Mexican Tigers baseball team recently reorganized under the management of Julian Vega and Elias Gamboa, will invade Alpine for a double header assignment with that city's crack Mexican team.

The Tigers last week lost a game to Pecos and were tied by Colorado City.

The Tigers' lineup has been strengthened with the addition of Lelo Cenceros, Juan Garcia, Rudy Rodriguez and Tony Garcia.

Vega and Gamboa are making plans to send the team to Carlsbad, N. M., early next month.

## Yates Fails To Qualify For Nat'l. Amateur

NEW YORK, Aug. 28 (AP)—After watching the scores roll in from the 28 sectional qualifying rounds for the national amateur championship, it is possible to understand Bud Ward's threat to round up a team of amateur golfers and lick the pros' Ryder cup team.

Not all the nation's best amateur golfers were competing yesterday when more than 700 players fired two rounds apiece in hopes of winning one of the 140 places in the amateur at New York's Winged Foot club Sept. 9. Ten of them drew automatic exemption because they had won the title in previous years. Still it would take a lot of sharp shooting to beat the kind of golf yesterday's leaders played.

The top men in three districts turned in 36-hole scores of 141 and four other players were only a stroke behind. There were a couple of 68's and 69's recorded on individual rounds and scores in the low 70's were common.

Practically all the nationally famous players who were required to play through the sectional tests were steady enough to qualify. The most notable failure was Charley Yates, 1938 British amateur champion and Walker cup star. He shot rounds of 77-72-149 at Atlanta and took only the first alternate's berth.

Among others who failed to qualify were Tommy Talley, Jack Munger and Don Schumacher. But such as Ray Hilborn, 1937 and 1939 runner up, Bob Stoney, former British amateur champion and Bob Clark, the Public Links champion, all qualified handily.

The leading scorers were Bobby Dunkelberger of High Point, N. C.; Jack Shields of Tulsa and Albert (Scotty) Campbell of Seattle, who shot the 141's.

Automatically exempted were former Champion Marvin (Bud) Ward, Willie Turnesa, Johnny Goodman, Johnny Fischer, George Dunlap, Jess Sweetser, Francis Outinet, Max Ma-ton, Jesse Guilford and Chick Evans.

# 5 Qualify For Invitational

## BULK OF FIELD IS EXPECTED LATER IN WEEK

Five of the 20 players who have entered the Big Spring invitational golf tournament, slated to be unraveled at the country club Aug. 31, Sept. 1-2, have already qualified for the affair.

Of the quintet, none bettered 90. Jeff Pike, Forsan, managed to score just that. He led Sam Bodin, Colorado City, by a stroke. Others and their scores were Harvey Smith, Forsan, 94, T. E. Yarbro, Forsan, 95, M. H. Dubrow, Forsan, 98.

Others who have paid their entry fee but have yet to qualify are E. M. Conley, Theron Hicks, V. V. Strahan, Robert Satterwhite, Tommy Neel and Claude Wilkins, all of Big Spring; D. F. Yarbro, J. E. Gardner, Sr., and J. E. Gardner, Jr., all of Forsan; Poe Woodard, Houston Woody, H. A. Poole, T. R. Landers and Clint Edson, all of Stanton, and E. B. Dozier, Midland.

Delegations from Colorado City, Lamesa and Midland were expected at the course today or Thursday to get in links for the affair.

The tournament will officially get underway Friday with the Hall & Bennett trophy matches with the local forces, this year captained by Obie Bristow, still trying to chalk up a team victory. Invading aggregations won top honors both in 1938 and '39.

The course is expected to be assembled Saturday by a record field. Match play will get underway Sunday and continue through Monday.

## The Sports Parade

By Hank Hart  
Surprise visitors in the village Tuesday afternoon were Mr. and Mrs. Charles Barnabe, he of the baseball family who managed the Big Spring professional club in 1938.

The couple were enroute from Long Beach and Los Angeles, California, where they have been vacationing for the past three weeks, to their home in Waco.

CHARLES BARNABE

Asked if he aspired to get back into the swim (he was once a star tosser in Texas league, Southern Association and American league circles), Chollie said he might consider an offer in Class A or better but the smaller circuits "are too tough."

What with so many turn-overs expected in the Texas league, Barney sees the possibility of some kind of job in the league in which he earned his greatest fame.

The veteran tosser, who must be a bit chunkier than when here in '38, was recognized as one of the WT-NM circuit's craftiest skippers, occasionally made an appearance as a relief pitcher. His club, with Dick Hobson, Al Berndt, Harry Siegbert, Pat Stasey, Billy Capps and Johnny Soden as the mainstays, failed to make the grade in its bid for a Shaughnessy playoff berth but did not throw in the towel before putting up a rousing fight.

Bobbye Savage, one of Big Spring's better known athletes the past school term, leaves this weekend to enroll at John Tarleton college, Stephenville.

Bobbye had been approached on the possibility of attending Baylor university but decided to have a fling at the junior college work first.

He will play both football and baseball for the Plo-boys.

Doug Jones, Mundy golf champion and three times medalist of the Big Spring invitational tournament, may not compete in the country club affair this weekend.

Jones has been ill since returning from the Fayetteville invitational tournament in Fayetteville, Arkansas, last week, has not picked up a club since that time.

According to Jake Douglass, who chatted with him in Ruidoso, New Mexico, Jackie Vaughn, Lamesa's famed griddler, is dead set on attending the University of Texas this fall.

## Texas League Ready To Ship Tidy Crop Of Hurlers To Big Leagues

By FELIX R. MCKNIGHT  
DALLAS, Aug. 28 (AP)—Fertile soil of Texas league farms that gave baseball Dix and Daffy Dean, Carl Hubbell, Schoolboy Rowe, Wild Bill Hulaiah, Tex Carleton and a few other notable pitchers, now has ready for shipment its tidest crop.

Long noted as a pitcher's league, the loop has staggered organized baseball with five no-hit, no-run games to date—not to mention three one-hit shutouts.

Two of the league's finest, Bob Muncie and Maurice Newlin, San Antonio's 22-game winners and safely in the St. Louis Browns family, are not included in the horse-collar crew. Nor is Bob Uble, the Dallas contortionist whose left-hand stuff recently caused his sale to Detroit.

Naturally, the five perfect games are record shattering, by quite a margin, in the Texas league. Statistician Bill Ruggles, who wrestles with such problems, reports that the pitching as a whole, is probably the best yet. Less than 100 batters are doing 300 or better, which Mr. Ruggles reports, is just short of scandalous.

The no-hit epidemic broke out May 23 when Ed Wiseman, one of many fine Houston youngsters who toll in the St. Louis Cardinals chain, shackled Oklahoma City, 9-0. Three days later Virgil (Pete) Trucks, a Detroit chafed doing farm work at Beaumont, collared Tulsa, 1-0.

Things quieted down for almost a week before Charles Fuchs, then of Oklahoma City but immediately after Detroit property, whipped San Antonio, 5-0 on June 2. In less time than it takes to say "Judge Kenesaw Mountain Landis," the Detroiters waxed a draft for \$10,000, shipped Fuchs to Beaumont and filed him for future reference.

Next came Loy Hanning, 23-year-old San Antonio youngster and a Brown fixture, who spilled Tulsa, 4-0 on July 30.

The latest hero is Les Mueller, still another Detroit doing business at Beaumont, who worked nine beautiful innings to blank Dallas, 1-0, on Aug. 22. Mueller, incidentally, was regarded as another Bob Feller when Detroit took him fresh from his high school geography a couple of years ago. But he has streaks of wildness with that terrific fast ball.

Wiseman, Trucks, Fuchs and Hanning doubled everything in no-bitners in double-header nightcaps. Shutouts have come in droves this season. Boyish Howard Pollett, the Houston hurler just out of high school who won his first twelve games to set a Texas league record, recently chunked two in a row after forgetting his early season formula for a spell.

RECOMMENDS YET  
WASHINGTON, Aug. 28 (AP)—Representative Poage (D-Tex) recommended the appointment of Ernest A. White, former Baylor university professor and World war veteran, as postmaster at Belton, Tex.

## Hartnett Will Skipper Cubs Again In '41

By SID FEDER  
Associated Press Sports Writer

The sizzling Yankees and Cardinals were nearer the top today, but the best news of the sports page was that Gabby Hartnett will be back bossing the Chicago Cubs again next year.

Man and boy, Hartnett has been a ball-player's ball player for 19 years. For the last three, he's been running the Cubs, counting 1938, when he took over from Cholly Grimm in mid-season and went on to win the pennant.

He hasn't done so well the last couple of seasons, and you heard rumors the Cubs were getting ready to brush him off. But Phil Wrigley settled the thing yesterday. He admitted he wasn't too pleased with the Cubs' showing, but Gabby, he said flatly, will be back next year, although he won't sign a contract until December.

By way of celebration, the Cubs went out and knocked off the New York Giants, 3-1, behind the seventh hit hurling of Claude Passeau in one of three major league games that got by Old Man Weather. Passeau fanned five and didn't walk a man in chalking up his fifth victory in 13 days.

This decision, coupled with the St. Louis Cardinals' 4-3 win over the Boston Bees, shook up the National league standings although it didn't disturb the top. The Cubs went into a tie with Pittsburgh for fifth place, the Giants dropped to fourth and the red-hot Cards went into third all by themselves.

The only American league tussle saw the New York Yankees nip Jimmy Dykes' miracle White Sox 5-4 on a tenth inning run sent home by Babe (batting average .283) Dahlgren's single and three innings of hitless relief hurling by Fireman Johnny Murphy. The victory boosted the Yanks to 2 1/2 games from second-place Detroit and 5 1/2 from the Cleveland Indians.

Defending champion Henry G. Picard trailed Metz and McSpaden with 73-69-142. Ben Hogan was fourth with 143, Ed Dudley had 145 and Vic Ghezzi and Johnny Kinder, 146.

Denny Shute, twice pro king and former British open titlist, qualified again for the jinx club yesterday. He turned in a creditable 151. Then admitted he had played all day with an ache, was examined by a physician, rushed to a hospital and operated for appendicitis.

This was Shute's "comeback" tournament after a long layoff occasioned by a wrist injury and an operation that kept him off the links all year until the recent Canadian open.

## Match Play In PGA Tourney Begins Today

HERSHEY, Pa., Aug. 28 (AP)—The 1940 professional golf championship boiled down today to a series of two man duels, holding more swift disaster for even the best of players than any other test in the game.

Over 18 holes anything can happen, and that's how this phase of the pro tournament starts out. Most of the players feel more comfortable about the 36 hole matches which come later in the week, until two men reach Sunday's finale.

Sixty-four players shot 154, or better Monday and yesterday to qualify for these matches. Dick Metz, of Oak Park, Ill., won the medal with 69-71-140, a stroke better than Harold (Jug) McSpaden, of Winchester, Mass.

Metz's performance was remarkable under the trying conditions of rain, mud and cold over the 7,017-yard course.

Defending champion Henry G. Picard trailed Metz and McSpaden with 73-69-142. Ben Hogan was fourth with 143, Ed Dudley had 145 and Vic Ghezzi and Johnny Kinder, 146.

## Roden To Face Luling Youth

SAN ANTONIO, Aug. 28 (AP)—Defending champion Joe Moore, Jr., of San Antonio tackled his fellow townsman, Stanley Callahan, in the second round of the state junior golf tournament today.

Medalist Bill Roden of Glen Rose squared off with Robert Lloyd Mular of Luling.

Moore defeated Bill Wigley of Waco 6 and 4 and Roden took out Bobby Davidson of Sweetwater 2 and 1 in the opening round yesterday.

Callahan downed Billy Paddock of Fort Worth 4 and 3 and Malar won over Jack Johnson of San Angelo 1 up.

Other second round matches: Chester Drake, Jr., Austin, vs. Claude Wild, Jr., Austin; Tom Miller, Jr., Austin, vs. George Hendrix, San Antonio; James Beardley, Refugio, vs. Gilbert Hickman, Austin; Ruddy Lockley, Del Rio, vs. Ed Brady, Jr., San Antonio; Douglas L. Rauschback, Jackboro, vs. Jack Heim, Decatur; Jimmie Chase vs. Sam Hickman, Austin.

The no-hit epidemic broke out May 23 when Ed Wiseman, one of many fine Houston youngsters who toll in the St. Louis Cardinals chain, shackled Oklahoma City, 9-0. Three days later Virgil (Pete) Trucks, a Detroit chafed doing farm work at Beaumont, collared Tulsa, 1-0.

Things quieted down for almost a week before Charles Fuchs, then of Oklahoma City but immediately after Detroit property, whipped San Antonio, 5-0 on June 2. In less time than it takes to say "Judge Kenesaw Mountain Landis," the Detroiters waxed a draft for \$10,000, shipped Fuchs to Beaumont and filed him for future reference.

Next came Loy Hanning, 23-year-old San Antonio youngster and a Brown fixture, who spilled Tulsa, 4-0 on July 30.

The latest hero is Les Mueller, still another Detroit doing business at Beaumont, who worked nine beautiful innings to blank Dallas, 1-0, on Aug. 22. Mueller, incidentally, was regarded as another Bob Feller when Detroit took him fresh from his high school geography a couple of years ago. But he has streaks of wildness with that terrific fast ball.

Wiseman, Trucks, Fuchs and Hanning doubled everything in no-bitners in double-header nightcaps. Shutouts have come in droves this season. Boyish Howard Pollett, the Houston hurler just out of high school who won his first twelve games to set a Texas league record, recently chunked two in a row after forgetting his early season formula for a spell.

RECOMMENDS YET  
WASHINGTON, Aug. 28 (AP)—Representative Poage (D-Tex) recommended the appointment of Ernest A. White, former Baylor university professor and World war veteran, as postmaster at Belton, Tex.

Defending champion Henry G. Picard trailed Metz and McSpaden with 73-69-142. Ben Hogan was fourth with 143, Ed Dudley had 145 and Vic Ghezzi and Johnny Kinder, 146.

Denny Shute, twice pro king and former British open titlist, qualified again for the jinx club yesterday. He turned in a creditable 151. Then admitted he had played all day with an ache, was examined by a physician, rushed to a hospital and operated for appendicitis.

This was Shute's "comeback" tournament after a long layoff occasioned by a wrist injury and an operation that kept him off the links all year until the recent Canadian open.

## It's "33 to 1"—I Know Why Gentlemen Prefer Pabst

## BLENDED 33 TIMES TO MAKE ONE GREAT BEER!

BLUE RIBBON is a blend of 33 separate brews—for smoothness, for flavor, for goodness that's always the same!

It must be good to be First in Hospitality—the most popular beer in the homes of America.

And one reason is—33 Blends! Something you enjoy in no other beer.

It takes not one, not five, not ten . . . but 33 separate brews, from 33 separate kettles, to make a single glass of BLUE RIBBON.

Each brew is as fine as choicest ingredients and Pabst's 96 years of experience can make it. Then all 33 are brought together in perfect balance.

It's like blending champagne, coffee or tobacco to produce the finest. An expensive way to brew? Of course. But that's what makes Blue Ribbon America's premium beer, with a smoothness that is unique . . . and a goodness that is always the same.

... WITH A BLUE RIBBON ON IT

### Deutsch Stops Buford, 6 To 0

WICHITA, Kas., Aug. 28 (AP)—Melvin Deutsch, six-foot-five University of Texas hurler, allowed Buford, Ga., only three hits last night as Houston walked off with a 6 to 0 fifth round victory in the national semi-pro baseball tournament.

The loss, its second, eliminated Buford.

Chicago Palmer (negro) eliminated the Kansas champion Wichita Steamers 4 to 1, to pare the tournament field to eight teams.

The only undefeated teams, Sanford, N. C., and Enid, Okla., battle tonight.

Houston and Chicago have won four games each. Three-game winners are Ntrona, Pa.; Duncan, Okla.; Mt. Pleasant, Tex., and Worcester, Mass. All have lost once. Worcester and Mt. Pleasant tangled tonight.

### Vern Olsen Is Named As Rookie All-Star

By DILLON GRAHAM  
Sports Editor, AP Feature Service  
NEW YORK—Every major league club shared in the bountiful rookie harvest this year and each can offer a candidate for All-Star rookie team selections.

Cleveland came up with a pair of aces, Lou Boudreau and Ray Mack, who are driving the Indians toward an American league pennant. Brooklyn brought up the most ballyhooed recruit—Harold (Pee Wee) Reese—and he more than lived up to his advance billing. In contrast to the failure of the advertised Fred Hutchinson of Detroit a year ago, the Boston Bees surprised with Carvel Rowell, who paced National league batters in mid-August.

Here It Is  
Considering hitting, fielding runs batted in, speed and all-round value to their teams, here is my idea of 1940's All-Star rookie squad:

First Base—Norman (Babe) Young, Giants.

Second Base—Ray Mack, Indians.

Third Base—Bob Kennedy, White Sox.

Shortstop—Lou Boudreau, Indians.

Left Field—Chet Ross, Bees.

Center Field—Dom DiMaggio, Red Sox.

Right Field—Bill Nicholson, Cubs.

Catcher—Warren Rosar, Yankees.

Utility—Hal Reese, Dodgers.

Utility—Frank Gustine, Pirates.

Utility—Carvel Rowell, Bees.

Pitcher—Sid Hudson, Senators.

Pitcher—Vern Olsen, Cubs.

There can be little argument about the choice of Young at first base and Kennedy at third. Young has helped tighten the Giants' defense and has also been one of their top thumpers with a mid-August average of around .300. Kennedy's hitting fell off during the summer but his fielding has been good and some say he has the strongest arm of any third baseman.

There are three strong second base contenders: Rowell has out-hit Gustine and Mack and for a stretch led his league. However, he isn't as much of a distance knocker as the others. And both

Mack and Gustine have driven in more runs. Rowell isn't as adept a fielder as the others although he is better at making double plays. Mack's all round ability, along with his value to a pennant contending team, rates him slightly ahead in our book. Gustine and Rowell are too good to be left off any selection and are named as utility men. Rowell can serve as a flycatcher, too, for he came up to the Bees as an outfielder.

Shortstop also presents an argument, with Joe Orenego of the Cardinals only a step behind Boudreau and Reese. Reese is generally accepted around the circuit as a better fielder than Boudreau and would bring more in the open market. But Boudreau gets our nod for these reasons. He has played the full season, while Reese was out of many early games, on the sidelines for several weeks after being hit on the head and likely out for the rest of the season following an injury in August. Lou has out-hit Reese by many points, driven in more runs and has meant more to his team than Reese, particularly with a star like Leo Durocher ready to replace Hal.

DiMaggio shadows Field  
Perhaps the only objection to DiMaggio's nomination would be that he has not played the full season. However, he has the highest batting average and appears a better, faster fielder than the others.

Chet Ross came up unheralded and turned out to be one of the finds of the year. Nicholson, like Boudreau and Mack, played quite a few games last year but this season is his first full campaign and entitles him to rookie consideration. He is hitting over .300 and has batted in upwards of 70 runs. Others who rate very close to this trio are Maurice Van Robays and Bob Elliott of Pittsburgh, Walt Judnich of the St. Louis Browns and Cincinnati's Mike McCormick.

WILKIE'S ELWOOD CAR USED GENERAL TIRES—Republican presidential candidate Wendell Wilkie rode to his recent nomination ceremonies at Elwood, Indiana, with his friend Bill O'Brien at the wheel of the car pictured above. Mr. O'Brien, Mercury-Lincoln Zephyr dealer in Gary, Indiana, had the car in which Mr. Wilkie was to ride, changed over to General Dual 8 tires, replacing the original tires. According to Courtesy Service Station a steadily increasing number of Big Spring motorists are having their cars changed over to General Tires before taking delivery.

### Rebs Continue Losing Streak

By The Associated Press  
At the rate they're now going, the Dallas Rebels, who had their eyes on a place in the Texas league playoff, may not even finish in fifth position.

Last night they took another drubbing—their ninth straight—to drop six and one-half games behind fourth-place Oklahoma City and only one game ahead of sixth-place Tulsa.

It was Tulsa again that did the chopping act, blasting the Rebels 4-0 for the Oilers' fourth straight victory over Dallas.

Oklahoma City continued to win, beating Fort Worth 8-4. It was the Indians' third straight over the hapless Cats.

San Antonio took charge of Beaumont 9-6 in a slugfest that saw 24 hits rattle the fences.

Houston came from behind to beat Shreveport 8-4.

Anti-Third Term Club Is Planned  
DALLAS, Aug. 28 (AP)—An organization to support Wendell Wilkie, republican presidential nominee, will be perfected here tonight at a meeting of Texas democrats opposing a third term for President Roosevelt.

Mike Hogg of Houston, who called the meeting, predicted an audience filling the Fair Park auditorium.

At Saratoga Monday, Fred Keats the Daily Mirror's demon handicapper, picked the winners of all seven races on the card. A \$2 parlay on his selections and you would have gone home with \$6,446.52 in your kick.

Has reappeared upon the scene, And take it straight from Connie Mack—  
He's mighty glad to have him back.

No, football has not been abolished from Stagg Field, Chicago. University officials are lining up a schedule of high school games to replace the now defunct Maroons. New York papers are giving Leo Durocher three cheers for taking the rap for Medwick's slump—Leo says he put Joe back in there too soon after being beamed.

Homer Norton of Texas A. and M. is in town telling friends the rasazle dazzle Southwest conference has learned the value of one point wins and is stressing defensive play.

Six Texans Hurt In N.M. Wreck  
ALBUQUERQUE, N. M., Aug. 28 (AP)—Six Texans were injured yesterday in a collision between automobiles driven by Joe Ferris of Kahan, Tex., and W. W. McAdoo of Carlsbad, N. M., near Lucy, 70 miles southeast of here.

Riding with Ferris and hospitalized here were Mr. and Mrs. Jehu Barnes, Sherman, Tex., possibly hurt internally; their son, Curtis, 19, whose ankle was sprained and Mrs. Rose McLain, Cleveland, Tex., whose pelvis was fractured.

Another passenger, W. C. Hale, Arlington, Tex., and Ferris were bruised and shocked.

McAdoo and his wife and Mrs. John Sears, Carlsbad, also were reported injured.

### COFFEY LEADS DALLAS FIELD

DALLAS, Aug. 28 (AP)—Five of the six qualifiers from this section for the national amateur golf championships have competed in the event before, one of them—Reynolds Smith of Dallas—going to the semi-finals in 1934.

Billy Bob Coffey of Fort Worth led the field of 21 in yesterday's qualifying rounds, shooting a six above par 146 for the 36 holes. Fred Bedford of Dallas was runner-up with 147.

Harry Todd of Dallas, a quarter-finalist in the national amateur last year, shot 148 to finish third. Jack Tinnin, Dallas, had 149 and Charles L. Dexter and Smith each posted 151.

Only Bedford has never before competed in the national tournament. Alternates are O'Hara Watts, Dallas; Robert R. Walker, South Bend, Ind., and C. B. Kindred, Dallas.

Todd and Smith said they probably would be unable to attend the tournament.

**MOBILE, Ala. (UP)**—Money issued by this southern seaport city in 1875 has suddenly returned to haunt it.

**George A. Sossaman**, former state legislator and attorney, attempted to pay his city attorney's license fee of \$23.50 with some of the old money. The city refused to accept it and arrested him for practicing law without a license. Sossaman is contemplating court action to make the city take his money, which in reality is "L.O.U.'s" in \$1 and \$2 denominations put out by the city in 1875.

### CIRCUS CLOWNS LAMENT RIVALRY OF WOMEN'S HATS

**SHARON, Pa. (UP)**—The latest in millinery in making many men laugh—but not circus clowns.

**Al Kerber** struck up a conversation with a circus clown here. "What's the hardest part of your job?" he asked the clown.

"Trying to find clown hats," was the answer. "The women are stealing our thunder these days."

**La Guardia Pledges Canada-U.S. Unity**

OTTAWA, Ont., Aug. 28 (AP)—A pledge of a united front by the Canada-United States permanent joint defense board against foreign aggression in the western hemisphere was advanced Tuesday by F. H. LaGuardia, chairman of the United States section.

"I can assure you," the New York mayor said in an interview, "there will be no minority report from this board."

The board, appointed by governments of the two countries to study mutual defense methods, opened deliberations here yesterday under the joint chairmanship of Col. O. M. Biggar of Ottawa and Mayor

**City Requests 'Stamp Plan' Designation**

A request that Big Spring be included in the group of cities in which federal "stamp plans" are operating was directed by the city commission Tuesday evening to federal authorities.

The commission directed Mayor Grover C. Dunham to forward a letter of application to James S. Allen, regional director of the Federal Surplus Commodity corporation at Dallas, and pledging support in the stamp program in Big Spring.

Request was made for designation for both the Food Stamp and Cotton Stamp programs. Under the former, surplus commodities are disposed of through a stamp distribution system to relief clients, and under latter, cotton materials are distributed in similar fashion.

The commission Tuesday night passed on its second reading the new garbage collection ordinance, which provides for special household cooperation in the free removal of trash and refuse. The ordinance is to be approved a third time before going into effect, and it is possible that some slight changes will be made on the third reading.

**Oildom's Spirits On The Upswing**

TULSA, Okla., Aug. 28 (AP)—Oildom's spirits, moody at best, are going up as Illinois' crude flow goes down. But it isn't as simple as that. There's the everlasting bugbear of unbalance between raw and refined stocks.

Many Oklahoma and Kansas buyers are expected to oppose in both states the recommendation made last week by the interstate oil compact commission that September crude oil allowances be cut five per cent under estimated market demand.

Texas, giant of the producers, seems chary of a decision on the same point. The railroad commission indicated Texas' new allowable schedule will be announced today as a 90-day order expires Saturday night.

Gov. Leon C. Phillips asked the Oklahoma corporation commission to make the five per cent slash if evidence at a hearing Friday "justified."

The Kansas demand hearing is tomorrow and what happens there may foreshadow the next day's action in Oklahoma.

**CIO Union Mark On Austin Is Threatened**

PORT ARTHUR, Aug. 28 (AP)—A mass CIO union march on Austin to protest the "anti-labor" policies of certain oil companies was promised today by a labor organizer unless Gov. W. Lee O'Daniel agrees to see union delegates recently chosen at Houston.

Frederick Myers of New York, organizer for the National Maritime Union and a right-hand man of NMU President Joseph Curran, announced plans for the march.

He said delegates representing three unions had sought unsuccessfully to interview the governor. Their telegram to him went unanswered, Myers said.

The delegates will demand, he said, an investigation of what they believe to be the "international fascist connections of some oil companies."

The delegates were chosen to represent the NMU, and unions of oil, clothing and alkali workers.

**W. Lee Adopts "Hands Off" Policy Toward State Convention**

AUSTIN, Aug. 28 (AP)—Smashing precedent, Governor W. Lee O'Daniel has adopted a "hands off" policy with regard to the platform to be drafted at the state democratic convention in Mineral Wells September 10.

However, he plans to attend the convention to visit with his "many friends," he advised E. B. Germany, chairman of the state party executive committee.

In a letter, the governor pointed out that the law prohibits placing in the platform any demand for specific legislation unless such demand has been endorsed by the people in a referendum.

He also said he would leave to the convention delegates all general platform matters.

"I made my legislative program clear throughout my campaign and the people had a right to either endorse that program by electing me governor, or reject it by refusing to elect me," he said.

"The program I submitted to the people has been approved by them and it is this program which I shall seek to make effective when the legislature convenes."

Usually a newly-nominated governor virtually dictates the platform.

Two years ago at the state convention in Beaumont O'Daniel was booed from the rostrum when he attempted to give his views on an old age pension plank in the platform.

**Ten Miners Die In Explosion**

BATES, Ark., Aug. 28 (AP)—Ten men, the entire night crew of the Bates Coal Corporation mine, were killed by an explosion deep down in the slope-type shaft here a few minutes after they went to work yesterday.

State Mine Inspector J. W. Fitzjarrrell pressed an investigation.

The badly burned bodies were removed before midnight and taken to Heavener, Okla., and Hartford, Ark., mortuaries.

The miners were identified by corporation officials as: J. E. Manning, Hartford; Gilbert Johnson, Bates; Mayo Johnson, Jenny Lind; Alta Whitley, Greenwood; Earl Renfro, Bates; Tom Barkley, Huntington; Alvin L. Yakley, Mansfield; Odie Harris, Huntington; and Clint Huff, Clarkville.

Ben H. Bedwell, mine manager, said the miners appeared to have been killed instantly. Rescue workers reported it was difficult to reach their bodies through the debris from the blast.

**McNary Plans To Barnstorm**

SALEM, Ore., Aug. 28 (AP)—Charles L. McNary followed up his formal acceptance of the republican vice-presidential nomination by laying plans today for a campaign speaking tour.

The veteran Oregon senator had conferences scheduled with the national and state party leaders, who converged here yesterday to hear him criticize administration policies in his acceptance address.

McNary criticized the Roosevelt administration's farm program, particularly its reciprocal trade treaty system, which, he said, had failed to "dissipate, alleviate or liquidate the uneconomic conditions" facing agriculture.

He asserted that in spite of subsidy payments, farm income during the seven years of the new deal averaged two billion dollars less annually than during the previous seven years of republican administration.

The vice-presidential nominee urged that the federal government continue the development of hydro-electric power, declaring that power from navigable streams "should be a common heritage."

He told the crowd that he opposed "involvement in a foreign military adventure but scored a 'peace of appeasement' or the 'surrender to our national dignity, independence of action, our political freedom and the civilized values we cherish."

**British Lecturer Faces Inquiry**

WASHINGTON, Aug. 28 (AP)—A justice department investigation of the American visit of Sir George Paish is in prospect as an aftermath of senatorial charges—which the British economist denied—that he had said he was here to try to get the United States into war.

Major Lemuel E. Schofield, in charge of the immigration and naturalization service, said last night an inquiry would be made of the circumstances under which a visitor's visa was issued to the 72-year-old lecturer.

**Trained Men Needed Mexican Union Says**

MEXICO CITY, Aug. 28 (AP)—The Petroleum Workers' Union had on record today the blunt suggestion that the government get trained men to turn the oil industry it expropriated from British, Dutch and United States firms in 1938.

The union's position was made known in filing answer to a demand for an economic readjustment filed by the government petroleum agencies in labor court. It is a proceeding apart from the reorganization agreement recently signed between the union and the agencies.

More than 40 per cent of the workers in the women's and children's apparel industry are employed in New York state.
