Block Movement Continues to Gain Strength

"Natural" Style is Here to Stay They Say

Antionette Stevens

The "Natural" style is here to stay, says Mrs. Antionette Shipman Stevens. This style is worn by many young ladies throughout these United States as well as here in West Texas.

Not only is the "Natural" gaining popularity, but these days one can find that the "Natural" wig is a new fad. This natural wig fad is also gaining popularity among the whites who are intent on being "in" with the latest style.

Antionette's style was done by Matthew Rider, hair stylist at the Eastridge Barber Shop. Also styling many naturals is his brother, Johnnie Rider. Both are graduates of Tyler Barber College at Tyler, Tex-

Out of this meeting, three cochairmen were chosen to further organize their meeting Friday night the 31st of January at Ella Iles Elementary School, at 7:00 p.m. At this meeting, these residents will choose their block chairmen.

Chosen as temporary chairmen were Mrs. Lonnie Cox, Mrs. D. C. Fair, Sr., and Mrs. Grace Sullivan. At a meeting also held last Friday evening, at Ella Iles School, five residents living within the area of East 23rd Street as north boundary; Coronado Drive as south boundary; Ash Avenue as west boundary and the west side of Date Avenue as east boundary, were chosen as temporary chairmen. They were Mrs. Jones, Mrs. Lola Brown, Harry Stokley, Jr., Mrs. E. Furry and Mrs. McBride.

This group will meet Friday, January 31, at 8:00 p.m. at Ella Iles to further their organization.

Another group, including residents of those living in the area of Ash Avenue as the west boundary; the west side of Date Avenue as its east boundary; East 20th Street as its north boundary and East 23rd Street as its south boundary, will meet also Friday night at 8:00 p.m. at Ella Iles to further their organization.

At present the block concept is being directed at every resident living within Tract 12. This movement will involve every resident and each will make a contribution toward the betterment of their community.

Those of you living within Tract 12 are reminded to look forward to your block being organized.

Dunbar's Perryman Receives High Honors

An outstanding athlete and sport at Dunbar High School, A.G. Perryman, was named as one of the 100 high schoolers from 37 states to receive an honor as an All-American High School football player.

This award came to the young Perryman last week when he was chosen by Scholastic Magazine, who named its 18th Annual All-American High School Football Team.

Perryman, who recently signed a letter of intent with Colorado State University at Fort Collins, Colorado, was elated over the honor. He said, "I didn't expect anything like that. I feel like I'm in a dream."

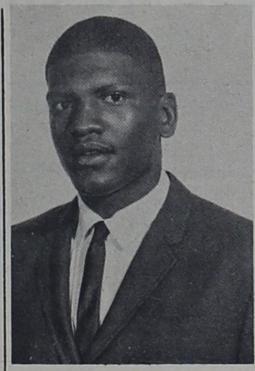

Not only was Perryman thrilled over the honor, but his coach dur-

The announcement was made last Saturday by Potter County Sheriff Paul Gaither. Jackson, who first joined the department in May of 1949, served until June, 1958, and returned to local law enforcement duty as a deputy on November 1, 1966.

Sheriff Gaither said, "Throughout his long law enforcement career, Jackson has been considered by his fellow officers and local citizens as one of the most colorful lawmen in the area."

Coach Curtis Gipson Could Do a Splendid Job

There's no doubt about it, Dunbar's basketball general, Curtis Gipson, could do a splendid job as coach of the North Squad in this summer's coaching school game.

Gipson, who took his fighting Panthers to the state finals in his first year of 3-AAA UIL competition last year, has been nominated to coach during this annual summer fete.

As of now, the selection of the North's coach will come from Gipson, Tommy Estes of Graham, Paul Stueckler of Midland and Jake Carter of Dallas Adamson. Of course, these men have all made constructive contributions to the game of basketball as a whole, but this writer feels that Coach Gipson could certainly make himself and his community proud by being accepted for the job.

The coach of this squad will be named following a ballot of the four regional meetings to be held early in February.

Good luck, Coach, the West Texas Times will endorse you for this assignment. Not entirely because we know you, but also because we know what you have done, and what you are capable of doing when it comes to working with youngsters.

Around The Hub City

The Multi-Service Center was a busy place Monday morning. There were nine ladies who had recently completed a three-week course as program aide for the Texas Extension Service. These ladies will be using their energy working with indigent families. They will have the opportunity of showing ladies of these households how to cook, sew and even shop for goods.

These ladies working in this new capacity are Ruthie Mae Harris, Janice Soldana, Cleo Hill, Anita Robinson, Ernestine Harris, Ruby Glaspie, Della L. Majors, Mary Lee Washington and Maud Cooper.

This is really a move in the right direction. Involving ladies of a community to use their talents in helping those who need help.

Mrs. Joyce Graves, 23, of 2604 Cedar Avenue, was treated for minor injuries last Friday afternoon at Methodist Hospital and released. She was injured in an auto accident at 34th Street and Avenue Q.

The Community Action Board in Lubbock County had its regular scheduled meeting last Tuesday night, January 28, at Posey Elementary School. This meeting consisted of election of new officers for the agency for the year.

Plans are being made for the Ella Iles Parent Teachers Association to present a panel which will involve fathers of children who are in school. The theme of this panel is: "Responsibility of Parents in Home and School."

This panel is set for sometime in February. It

Good Show for Youth

Last Friday afternoon, KTXT-TV, Channel 5, presented a most interesting program which was very educational to our youth. This special program was designed for our elementary school students to help them understand how important it is to have policemen in our community.

We can't start too early to show our young people how important it is for them to respect the law. I hope that those parents who saw this show will encourage their young to practice what they saw. Continue to teach them that a policeman is our friend, we will always need them to keep law and

According to Mrs. Baree, this is the third time that this type of incident has happened to her. This time, the daring unknown fellow was able to get Mrs. Baree's Social Security check-valued at \$50.00.

One would wonder if perhaps the daring young man had broken a federal law by putting the 'grab' on the Social Security check or perhaps was about to break a federal law by attempting to pass the check.

Perhaps this unknown person should realize that he will eventually get caught by authorities. Let's hope so.

United Methodist Church - Major Bank Join S.B.A. in Lending Programs

A plan to make additional funds 1 available for long term loans to minority businessmen through the Small Business Administration's "Project OWN" program was announced jointly last week by the Board of Missions of the United Methodist Church, Manufacturers Hanover Trust Company and the SBA. The purpose of the United Methodist action is to increase and speed up the flow of funds into minority business groups.

"Project OWN" was launched by SBA in a nationwide effort to help disadvantaged persons in the inner city become owners of their own businesses. It has a goal of creating new minority owned businesses at the rate of 10,000 a year by July 1969.

Presently, under "Project OWN"

Police Beat Prayer

Dear Lord, please help us to continue to help our young people find out what is right in life. Let us continue to teach them without being misunderstood as to what we are trying to do for them. Amen. the SBA will guarantee a major portion of each loan made by a participating bank to minority entrepreneurs, the bank advancing the balance at its own risk. The United Methodist group plans to make substantial funds available to banks in various cities for the purpose of increasing their participation in "Project OWN."

While the United Methodist Board of Missions has been making direct loans to emerging minority businesses for some time, it has also been seeking ways to put its available resources to wider use in this area. This step by the Board of Missions and the Manufactueres Hanover Trust Company is considered a forerunner of similar cooperation between other nonprofit charitable and community action groups and banks.

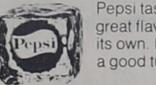

Mr. J. Henry Smith, President of the Equitable Life Assurance Society speaking for the Board of Missions said, "We believe this plan will offer a new opportunity for service by the Missions Enterprise Loan and Investment Committee in carrying out the purpose for which it was organized a year ago."

Scout Dinner to be Held February 3rd

The Annual Recognition Dinner of the South Plains Council, Boy Scouts of America will be held on February 3 at 7:00 p.m. in the Student Union Building at Texas Tech, according to Council President, Jack Strong.

An entertaining and inspiring evening is promised by Strong who reports that the guest speaker will be Dr. Tom Haggai of High Point, North Carolina. It is said of Dr. Haggai that his message is timeless, but his language is flavored with contemporary phrases; his warmth, humor and understanding indicates a very human guy, and so he is. Dr. Haggai is a minister who can communicate with both teenage rebels and conservative gray-suited business men.

As the Scout Council brings this outstanding speaker to this area. Strong is asking every Scouter in the Council to share this rare opportunity by inviting a non-Scouter to be his guest at the annual meeting. The wives of Scouters are also invited to participate.

A special recognition will be given to unit leaders and their wives who attend. In addition, other recognitions and awards will be presented to local Scouters, including the annual presentation of Silver Beaver awards for outstanding service to boyhood.

Tickets for the Recognition Dinner are in the hands of district and Council leaders throughout the twenty-county Council area, Strong said. Additional tickets can be obtained from the Scout Service Center in Lubbock. Strong asked that all tickets be purchased and reported by January 31.

Memo from Mac R. B. 'Mac' McAlister State Representative

Eight legislators in the house coffee shop one morning last week were of the unanamous opinion that Governor Preston Smith is going to work better with both the Senate and House than any Governor in modern history. The new Governor comes down on the floor and visits with any and all, and frankly so far they accept him as one of them. One big reason is because Governor Smith having served in both houses for 18 years knows their language. The honeymoon will soon be over, but we predict that the spirit of cooperation between the Executive and Legislative branches of our state Government will be the finest ever, and this should make for a "most effective" session.
