

Navy Gaining Sea Control To Naples

Gulf Storm Has Shifted To The Southwest

Coastal Area Still On The Alert For Possible Blow

HOUSTON, Sept. 18 (AP)—The United States Weather Bureau reported in its late afternoon advisory that a dangerous tropical hurricane, originally plotted to strike the Texas coast in the Galveston-Freepport area, had been forced somewhat southeast of its previous position in the gulf and showed no movement to the north.

Hurricane warnings were ordered still up from Port O'Connor to Lake Charles, La., but the 5 p. m. (CWT) advisory made no prediction as to when the disturbance would move inland or where.

The advisory reiterated that the hurricane had not diminished in intensity and that all previous precautions should remain in effect. It was the third night the Texas gulf coast, its defenses up, waited for the storm to sweep inland.

Earlier the bureau had forecast it would strike tonight, centering over the Galveston-Freepport area. The evening advisory, saying the blow had been forced somewhat southeast of its previous position 160 miles east of Corpus Christi, said:

"There are no indications of any material advance during the next several hours but later movement toward the north is indicated.

"Winds 75 to 85 miles per hour with gusts to 100 miles per hour probably continue near center and all precautions against such winds in the Freepport-Galveston-Lake Charles area should be continued as the shift in the position of the storm center does not imply that the storm has become less dangerous.

"Precautions against dangerously high tides should be continued along the middle and upper Texas coast and in southern Louisiana."

Many sections of the coast, menaced since Thursday when the hurricane moved to the section off Corpus Christi and stalled, had been evacuated, particularly in the Freepport-Velasco district. Precautionary measures were rushed in the Freepport-Houston-Galveston area.

The advisory also continued storm warnings east of Lake Charles to New Orleans and south of Port O'Connor to Aransas Pass.

Reviewing The Big Spring -Week-

Joe Pickle

We're a long way from our September bond quota yet—but we've come a long way toward it. Certainly Big Spring and Howard county have never seen such enthusiastic and patriotic response as has been demonstrated in the past week—and if this keeps up, what some doubters believed "impossible" will be achieved.

If everybody could picture himself beside those boys at Salerno last week, we'd sell a whole lot of bonds this week. Every cent we have could hardly make our money match their courage and devotion.

The chamber of commerce is taking steps now to ward off an apparent protein feed shortage this winter. Last spring, working with the oil mill and milk processors, the chamber was successful in securing around 600 tons of vitally needed cottonseed and soybean meal. With the help of ranchers and dairy operators, the chamber and Big Spring Cotton Oil Co. might be able to shut the door before the horse gets out.

Based on the showing Friday evening, the Big Spring high school football team this year will be an improvement over last year's—offensively, at least. The youngsters are fast, and fighters all the way.

By the time Coahoma, Forsan, Knott and Stanton get through with their drives, the Boy Scout fund campaign will be over the top. This is fine, for we have an idea that scouting here is in for by far its biggest year—and too much praise can't be given Dr. W. B. Hardy, chairman, for that.

Some may think the chamber of commerce directors resolu-

Reds Approach Dnieperopetrovsk

Drive Brings Troops Nearer Capital City

Kiev Only 44 Miles Away As Conquests Aid Russians

LONDON, Sunday, Sept. 19 (AP)—Soviet columns have slashed to within 37 miles of Dnieperopetrovsk, Boulder Dam of the Dnieper river bend, and to within 44 miles of Kiev, capital of the Ukraine, by capturing the railway junction of Pavlograd and the railroad town of Bobrovitsa, Moscow said today.

Smashing ahead on ten important sectors on a 600-mile front, the Russians won back a total of 733 villages, killed 8,700 Germans, wounded 2,000 more, and took 500 prisoners during yesterday, a communique said.

The drive on Kiev from several directions reached closest to the middle Dnieper river bastion along the Kiev-Nezhin railway where a Red army column took Bobrovitsa.

Over 230 populated places were captured in this drive alone and more than 1,000 Germans fell to Russian fire, said the bulletin re-ported by the Soviet monitor.

Northeast of Kiev the important town of Chernigov came within Soviet artillery range as Vihil, six miles to the east, was captured and 26 other towns overrun. Thus the Russians were 80 miles north of Kiev and closing in on the highway linking that city and Chernigov.

Priukhi, another bastion 78 miles east of Kiev, was gripped by a semi-circle of Russian forces moving in from the north, south and east. The nearest Soviet unit was 15 miles from Priukhi.

Southeast of Kiev the Russian threat was more distant, but a surprise dash which swamped a Nazi rearguard resulted in a 12-mile Red army advance that cut the Kiev-Poltava railway at Mirgorod, 135 miles from Kiev and 50 miles northwest of Poltava.

Another threat to the lower German Dnieper river line developed when the Russians seized the town and railway junction of Pavlograd on the road to Dnieperopetrovsk.

Soviet troops first cracked German defenses on the Samara and Volchyn rivers, wedged themselves into enemy formations and then swept on to fierce street engagements inside Pavlograd. A regiment of German infantry was wiped out, the bulletin said.

The capture of Poltava put the Russians nearest the Dnieper which bends far to the east in lower Russia. Already the Red army's guns were audible at Dnieperopetrovsk, whose \$110,000,000 dam was dynamited by the Russians themselves on Aug. 28, 1941 during their scorched earth retreat.

Retired New York Officer Succumbs

F. Kelleher, about 70, retired New York City policeman, succumbed here Saturday afternoon following an illness for more than a month.

The body was at Nalley-Reeder funeral home pending word from Mrs. Elser Boucheer, New York, a niece.

Kelleher stopped here while enroute to Arizona for his health. After a prolonged stay at a hotel, he was transferred to a hospital for treatment.

MUSSO HAGGARD FROM THE STRAIN OF HIS CAPTIVITY

LONDON, Sept. 18. (AP)—Benito Mussolini, who was brought back to the axis radio tonight, was described in some dispatches from North Africa as thin-faced and haggard as a result of the physical and mental strain he underwent between his imprisonment by the Italians and his "liberation" by the Germans.

This information was represented as coming from reliable Italians who had been in Rome "within the past few days." They were quoted as saying that Mussolini had attempted no violence during his confinement, but had spent most of the time writing what was believed to be a defense of his regime and his personal part in bringing Italy into the alliance with Germany.

Yanks On Italian Beachhead—Extensively-trained soldiers of Lt. Gen. Mark W. Clark's Fifth Army gather swiftly on a beach on the Italian mainland for their thrust inland. Tanks from LST (Landing Ship, Tanks) boats off the beach come ashore. Right foreground is metal netting to provide traction for motorized vehicles on the sands. (AP photo from U.S. Signal Corps Radio photo from Algiers.)

Japs Risking More Planes In Desperate Pacific Fight

ALLIED HEADQUARTERS IN THE SOUTH PACIFIC, Sunday, Sept. 19. (AP)—American war planes in a new Solomons raid have added 20 to the more than 2,000 enemy aircraft destroyed in the South Pacific since August, 1942, but Japan is rushing in reinforcements and risking big formations in the mounting sky battles.

Today's communique reported that bombers "of all categories"—meaning Liberator heavy bombers, Mitchell medium bombers, Avenger torpedo bomb-

ers and Dauntless divebombers—struck twice Wednesday under a screen of fighters at the Kahili and Ballale airdromes in the vicinity of southern Bougainville. Fifty enemy planes challenged them.

Only the day before, more than 100 American bombers poured explosives on airdromes in the area from 9 o'clock in the morning until early afternoon while escorting fighters battled it out with 100 interceptors.

"The enemy is reinforcing his air forces in this area," today's communique said.

(Previously dispatches from the Solomons area said the Japanese may be ferrying planes from Japan down through Truk and Rabaul, New Britain, to Bougainville bases.)

Bougainville in the northern Solomons is the last air fortress barring American forces now entrenched on New Georgia and Vella Lavella from the enemy's all-important naval and air base of Rabaul.

The American airfield at Munda, on New Georgia, now serving with Guadalcanal's Henderson field as bases for American air raiders, has been raided three more times, headquarters said today.

Yesterday's communique had told of an enemy formation of 60 striking at Munda.

In the New Georgia war theater, mopping up operations are in progress around newly-captured Lae.

Off Kavieng, New Ireland, a 1,000-ton enemy freighter has been hit by aerial bombardment.

Agencies Get NYA Equipment

FORT WORTH, Sept. 18 (AP)—Millions of dollars worth of NYA equipment is being distributed to government agencies, the army and navy and vocational training institutions as a result of congressional voting NYA out of existence.

Hamilton Morton, regional director of the utilization branch of the U.S. treasury procurement office said today.

Most of the equipment in this region, which includes Texas, Oklahoma, Louisiana and Arkansas, will be distributed shortly after Oct. 11, Morton said. After needs of the government and institutional agencies are filled, the rest of the stock will be placed on sale for the public.

The act of congress, which ended the NYA, set up definite priority rules for disposal of the equipment, Morton said.

First priority goes to the vocational institutions which were operating with NYA and had the equipment in use at the time of the congressional action. The equipment is loaned to these institutions free of charge, Morton said.

Second priority goes to the army and navy and government agencies directly connected with the war effort.

Third priority goes to vocational training institutions which make request through the state vocational training office. They must show need for the equipment.

Index Under Compilation For Future Ration Books

NEW YORK, Sept. 18 (AP)—An alphabetical index containing the names of every family unit in the United States is being compiled by the Office of Price Administration and will be completed by Oct. 15, it was announced today by the regional OPA office.

The alphabetical files, compiled by states, have been based on the application cards for war ration book number three, and will be used for issuance of future books. The files, which include names and post office addresses, will be set up in a central location in each state.

SMOOTH WORKERS

BUFFALO, N. Y., Sept. 18 (AP)—When police searched four boys charged with several minor thefts, they found two wallets, "lifted" from policemen who had questioned the quartet.

Nazis Shifting Troops To Meet Any Invasion Blow

By JOHN H. COLBURN

STOCKHOLM, Sept. 18. (AP)—Germany is weakening her military position in Norway and Finland and retreating all along the line from the Smolensk area to the Sea of Azov to establish a shorter Russian front in a frantic shifting of troops to meet anticipated new Allied invasion blows, reports reaching Stockholm said today.

Twenty to 40,000 German troops have been removed from Norway in the last month, and thousands—one unconfirmed report said two divisions—have been withdrawn from Finland since Sept. 1.

Allied Armies Occupy Ischia

ALLIED HEADQUARTERS IN NORTH AFRICA, Sept. 18 (AP)—Allied naval units have opened a new phase in the battle for Italy by seizing three more islands commanding the immediate sea approaches to the great port of Naples, headquarters announced today as Allied troops emerged victorious in the bloody fighting at Salerno.

A special communique disclosed the occupation of Ischia, 16 miles southwest of Naples, only a few hours after the regular war bulletin from Gen. Dwight D. Eisenhower's headquarters announced the seizure of two other islands off the northern spur of the Bay of Naples.

Ischia was taken Thursday, one day after the occupation of Ponza, 65 miles west of Naples, and of Procida, 12 miles southwest of Naples and only two miles from the northern land arm of the bay.

Allied forces previously had occupied the island of Capri, on the southern side of the bay. Ischia, largest of the four, has an area of about 26 square miles and is only seven miles from the nearest mainland coast.

Berlin broadcast an announcement that the Germans had occupied the island of Elba, Napoleon's first home in exile, 32 miles east of Corsica and eight miles from the Italian coast. Seven thousand Italian troops were said by the Nazis to have surrendered there.

Allied armies emerged victors in the battle of Salerno—first great engagement with Hitler's legions—because of an abundance of grim courage on the part of American and British infantry, and overwhelming air and sea superiority.

The American Fifth and British Eighth armies merged in the final stages of the strategic victory which enlarged the Salerno bridgehead into a full fighting front.

German troops, who tried futilely for seven days to hammer the American and British forces into the sea, had retreated in the south, where the Allies smashed inland 11 miles but still clung savagely to the gateway to Naples in the north.

The headquarters communique announced the capture of the town of Roccaaspide, 11 miles inland from the coast on the southern flank, where the Germans were fleeing to escape entrapment.

The victory of Salerno belongs to the battle-grimed infantrymen under Lt. Gen. Mark W. Clark who fought ceaselessly for seven days without rest and who refused to be budged from their foxholes on the beaches by Nazi night and who died rather than give up an inch.

The infantry made the victory possible. Air power, which pulverized Nazi communications and front line positions, and sea power, which poured a tide of reserves on the beaches, won it.

Because of this combination, General Eisenhower has two great armies surging through the breach in Hitler's European front, with a third in reserve.

These are some of the fruits of the week's savage fighting: Lt. Gen. Carl A. Spaatz' Northwest African air forces have fighter fields within 10 minutes' flight of Naples.

At least five German divisions have been badly mauled, sapping strength which the German army can ill afford to lose.

Hundreds of square miles of southern Italy now are in Allied hands and will serve as the base for the drive north.

The next big German stand certainly will be before Naples. The capture of Naples would give the Allies one of the best and largest seaports in Italy, through which thousands of tons of supplies could be funneled.

Judge Allows Bond Retirements

ST. LOUIS, Sept. 18 (AP)—Federal Judge George H. Moore today granted Guy A. Thompson, trustee of the Missouri Pacific Lines, permission to spend \$44,274.118 for retirement of five bond issues, partial retirement of a sixth and payment of interest on these and three other bond issues.

In his order, the judge said bondholders accepting these payments would waive any further claim on the bonds.

Payments which the court approved included: \$3,425,025 for three 6-month interest payments on the first mortgage bonds, due in 1939-40, and on the non-cumulative income bonds, due in 1942-43, of the New Orleans, Texas and Mexico railroad.

Over 500 Axis Planes Downed In N. Africa

WASHINGTON, Sept. 18 (AP)—Gun crews of Allied anti-aircraft units knocked at least 501 enemy planes out of the North African skies during the campaign there and bagged 16 more during the first week of business in Sicily.

The war department, reporting this today, said the final score for the ground gunners, whose task is less spectacular than that of the fighter plane pilots, probably will be even higher because some of the crews hurriedly pulled up stakes when the North African campaign was over and moved to Sicily without getting a chance to tally their gains in the African war.

An indication of how fast the gun crews went into action when they moved to Sicily is contained in this account by the war department:

"One AA battery, among the first to land on a Sicilian beach, was charged with protecting supplies which were being unloaded. With little warning, a Focke-Wulf 190 approached, flying at 500 feet. One of the AA guns immediately opened fire, although there had not been time to level it and the only ammunition immediately available was a small supply in the loader.

"The crew hit the fuselage of the plane behind the cockpit with the first round, and the second round hit the plane's nose, causing parts of the engine to break away. The plane burst into flames and crashed."

George Says Father Draft Is Threat

WASHINGTON, Sept. 18 (AP)—Senator George (D-Ga) declared today it is apparent that the move to draft fathers is intended to force men into essential industry and "I don't think that's the way it should be done."

"I know in all reason that the army doesn't want to take married men over 30, with families," he told reporters who sought his views on the Wheeler bill to grant blanket deferment to pre-Grand Harbor fathers.

The author of that measure, Senator Wheeler (D-Mont), said he is determined to push for a showdown vote in the senate next week. The bill now holds No. 1 priority on the senate's work sheet.

High army and navy officials, opposing the bill, have testified before the military committee that they must have more men to carry out strategic plans.

Wheeler commented at a press conference: "Every officer in the army wants the very cream of the nation's manpower—and I'd be the same way if I were in their position."

Debate will start in the senate either Tuesday or Wednesday.

Shows Back Bond Drive With Special Events This Week

Ah, Romance!—"The Road to Morocco" is where you find lovelies like Dottie Lamour, as Bob Hope learns, in that comedy which is featured today and Monday at the State theatre. The catch to it all, as far as Bob is concerned, is that Bing Crosby is in on the deal, too.

Ritz To Present Picture Of A & M Thursday Night

A special War Bond showing of a picture all Texans have a special interest in—"We've Never Been Licked," the story of Texas A&M—is announced for Thursday evening of this week at the Ritz theatre as one of the major programs of the week to stimulate further response in the county's Third War Loan drive.

Special events are being planned with the screen presentation, which will be a one-time show only, at 8:30 Thursday evening. Foremost of these will be the introduction, from the stage, of a group of war heroes who have played outstanding roles in the Yanks' fighting in the foreign theatres. These men, all of whom have served their full time in combat missions in bomber raids, and most of whom wear decorations presented for gallantry in action, will come from the Big Spring and Midland Bomber schools.

Admission to the show will be by War Bond only, and tickets are to be given with bond purchases made only under these circumstances:

The bonds must be purchased either in the Ritz lobby, or at Bond headquarters in the chamber of commerce—And they must be bonds purchased in the period beginning today—Sunday—through Thursday.

Any denomination bond will suffice for one ticket, with the exception that the Ritz theatre's 16 lounge seats must be purchased in bonds of \$1,000 denomination or larger. These will be the only reserved seats.

"We've Never Been Licked," features Richard Quine, Anne Gwynne, Noah Beery, Jr., and Martha O'Driscoll, and was filmed almost entirely on the campus at College Station. "The A. & M. cadet corps appears in many scenes, and many sequences in the movie are built around the customs and traditions of Aggie land. A&M's part in the war is forcefully told in the story.

Because of their unusual interest in the picture, members of the Aggie club here are taking an active part in promoting the sale of bonds as admissions. It is likely that a special section will be reserved for former Aggies and parents of A&M students.

The war heroes, whose names are yet to be announced, will be presented from the stage by a local master of ceremonies. The program will be brief and there will be no bond sales during the theatre program.

Band music will mark the opening of the special event at 8:30 p. m. Thursday.

What's \$560 Anyway? ORTING, Wash. — A deputy sheriff found \$560 in the possession of three children, who said they had taken it from a car.

He finally found a car answering the children's description. Yes, said John Sklauer, a logging camp worker, he had missed the money—but he'd been too busy to report it.

At Queen—Tyrone Power and Ann Baxter have principal roles in the Queen theatre's offering for today and Monday. It's one of the exciting war dramas, one dealing with the adventures of the men who ride the submarines. It's title is "Crash Dive."

Bonds Will Be Admission At State 3 Days

A War Bond purchase can replace your customary ticket as admission to the State theatre on three days of this week, as this showhouse joins in efforts to make the Third War Loan campaign a success in Howard county.

The management has announced that bonds will represent admission at the State on Tuesday, Wednesday and Thursday, at any show during these three days.

Arrangements have been made to handle bond sales at the State boxoffice, and bonds for admission must be purchased there. They will be available in any denomination. Those who purchase bonds at the State on any of the three days are given free admission; otherwise the regular ticket must be bought.

Offered at the State on these days are "Bedtime Story," with Fredric March and Loretta Young, which shows Tuesday and Wednesday; and "This Time For Keeps," with Ann Rutherford and Robert Sterling, the Thursday feature.

There will be someone at the boxoffice throughout the three days to handle bond applications, it was said, and moviegoers are invited to take advantage of this opportunity to add to the success of the Third War Loan as they see a show.

Malnutrition is believed to be the chief reason for the high death rate among children in India.

Crosby, Hope, Lamour Hold Forth At State

A couple of Arabian Knights, said to be fabulous beyond imagination, are to be loosed on a suspenseful movie public today and Monday, when Paramount's new "Road" picture, "Road to Morocco," travels into the State Theatre.

Said "knights" are none other than Bing Crosby and Bob Hope, ne'er-do-wells, shipwrecked on the coast of Morocco, to the bewilderment of Princess Shalmar who, on the slim chance that you haven't guessed it yet, is played by Dorothy Lamour.

"Road to Morocco," according to glowing advance reports, way out-does, by actual count of gags and laughs, "Road to Singapore" and "Road to Zanzibar," both of which also triple-starred Bing Crosby, Bob Hope and the beautiful Dorothy Lamour.

"Morocco" follows the same general idea as the other two "Road" films in that it concentrates on gags and laughs, girls and music, and just lets the story keep up with them as best it can.

A good many of the gags will have received wide circulation long before the picture is seen here. A lot of people will have heard about Mabel, the talking camel—about Bing's selling Bob into sup-

posed slavery and then finding him living in the lap of luxury in the palace of Princess Shalmar (Dorothy Lamour) — about the scene in the desert when Bob actually becomes "a monkey's uncle"—about the break-up of the sheik's retreat and the rescue of the Princess; all of the gags are the kind that are sure to get word-of-mouth build-up.

Just to think of Bing and Bob made up to look like Arabs is enough to get a laugh. And Hope's fans are going to howl with delight when they see him gotten up like a pampered Pasha.

U S Army Develops New Short-Range Bombers

These Planes Will Hasten Fall Of Nazi Germany

LONDON, Sept. 18 (AP) — The United States army air force is developing new short-range bombers capable of carrying a great weight of explosives to hasten the defeat of Germany, it was learned here today.

Up to now bomber development has been centered on long-range giants. It has been disclosed that super-flying Fortresses and super-Liberators capable of flying the Atlantic round-trip without refueling are in production, and these will be especially needed in the Pacific.

But the expected conquest of northern Italy—just across the Alps from Germany—has put a

premium on planes capable of carrying bigger loads of destruction for comparatively short distances. A large force of these planes is being prepared.

Details of the new bomb-carrier cannot be divulged, but it is sufficient to point out that many types of planes, even fighters, can be converted into short-range bombers by changing part of their load from gasoline to bombs.

Marauders today gave the Germans' Beauvais-Tille airbase in France its fourth battering within a month to carry the newest aerial assault on the continent through its fourth straight day.

RAF Mosquitos last night bombed Berlin for the third successive night, and other Mosquitos and Whifwinds swooped over Britain to shoot up a number of trains—all without loss.

Mitchell medium bombers of the Royal Dutch naval air service struck at railroad yards in Rouen, between Paris and Le Havre. Allied Spitfires escorted the raiders and engaged in supporting sweeps, destroying one Nazi fighter. One Spitfire was missing but its pilot was reported safe.

Shipping Board Meeting Slated

The Southwest Shippers Advisory Board, composed of more than 1,000 representatives of industry in the states of Arkansas, Louisiana, New Mexico, Oklahoma and Texas, will hold its 64th regular meeting at the Texas Hotel in Fort Worth on September 22nd and 23rd.

The second day of the session is open to the public. On that day shippers and transportation men will discuss their common problems. High ranking government officials have praised the nation's carriers for the manner in which they have met the demands of war time transportation. At this session forecast of carloadings for the fourth quarter of 1943 will be submitted by members of 29 commodity committees.

General chairman of the meeting is Joseph P. Gudger, traffic manager of the Gulf Companies, Houston, assisted by M. L. Dickerson, traffic manager of the Southern Advance Bag & Paper company, Hodges, Louisiana, and Wallace Green, general secretary, who is traffic manager for Huey & Philip Hardware company, Dallas.

Samuel B. Pettengill, former congressman, vice president and general counsel, Transportation Association of America, is the guest speaker and will talk on "The Battle on the Home Front." H. M. Lull, executive vice president, Southern Pacific Lines, Houston, will speak on "Post-war Transportation." R. E. Clark, manager, car service division, A.A.R., Washington, D. C., will present "General Transportation Conditions." C. P. Wasson, district manager, car service division, A.A.R., Dallas, will speak on "Transportation Conditions in the Southwest."

L. B. Wheat, son of J. B. Wheat of Coahoma, was recently graduated from the service school for torpedomen at the Great Lakes naval training station in Illinois, and won recognition as a "qualified striker."

His Bond Purchases Up To Four Million

NEW YORK, Sept. 18 (AP) — Appearance of Julius Klorfein at a war bond rally these days has become a signal for a sunburst of million dollar smiles on the faces of bond sellers.

Klorfein, a cigar manufacturer, strode into a war bond booth in

the Empire State building yesterday and made his fourth straight \$1,000,000 purchase of bonds.

Farmers Permitted To Buy Ammunition

By executing certificate No. 4 of L-286, Howard county farmers and ranchers may purchase up to 100 rounds of .22 calibre long rifle or other rim fire cartridges; 40 rounds of center fire cartridges such as .30-30 calibre and 25 rounds of any gauge shotgun shells.

These amounts are available to farmers and ranchers for any calendar quarter, announced L. H. Thomas, chairman of the Howard county USDA War Board.

Those needing larger amounts of ammunition than possible under No. 4 certificate may purchase a special quota of 50 rounds additional .22 long rifle, 20 additional center fire rifle cartridges, and an additional 25 shotgun shells by executing certificate No. 5, provided the shells are secured by Oct. 1 or written orders are filed with dealers by that date. Still larger amounts may be had upon application to the Government Division, War Production Board, Washington, D. C., by using form PD-860.

Quebec is the center of the Canadian pulp and paper industry.

New Army Head In Cent. Pacific

HONOLULU, Sept. 18 (AP)—Lt. Gen. Robert C. Richardson was designated commander of the U.S. Army forces in the central Pacific area today in a move viewed as indicative of Hawaii's transformation from a defensive bastion to an accelerated offensive against Japan.

General Richardson has been commanding general of the Hawaiian Department, U.S. Army, as successor to Lt. Gen. Lejos C. Emmons, new commanding general of the western defense command on mainland United States.

Two American Officers Visited Rome Before Invasion Under German Eyes

WITH GEN. DWIGHT D. EISENHOWER AT AN ADVANCED ALLIED COMMAND POST, Sept. 17 (Delayed AP)—It was disclosed today that two high-ranking American officers made a daring visit to Rome under the eyes of the Germans only a few hours before our invasion of Salerno and returned safely after conferring with Marshal Pietro Badoglio and Italian military commanders.

INJURIES FATAL
FRESNO, Calif., Sept. 18 (AP)—Earl Glassup, 17, died last night in a local hospital of injuries suffered Sunday. His neck was fractured during a drive in a canal in the Laton district.

The exact nature of their mission was not disclosed. They obtained vital information which has affected the whole course of events since the Italian armistice announcement.

The officers, who voluntarily carried out their dangerous assignment in the full knowledge that discovery would have meant certain execution by the Germans were Brig. Gen. Maxwell Taylor, a handsome, 42-year-old West Point graduate, formerly of Kansas City, Mo., and Col. William Tudor Gardiner, 53, a former Governor of Maine.

Landing Strip Built In Less Than A Day By Yank Engineers

AN ADVANCED AMERICAN AIR BASE IN SICILY, Sept. 18 (AP)—American engineers constructed a landing strip on the fifth army beachhead south of Naples in less than 24 hours despite continued strafing by enemy planes.

Ten P-38 pilots, completing a patrol mission in the area, received radio instructions to land on the beach, refuel and resume operations. Hastening to obey the order, they were surprised to find the landing strip waiting for them.

Besides filling their gas tanks, they flyers also picked up dispatch bags containing the first newsreels and correspondents' eyewitness accounts of the Gulf of Salerno landings. They brought them back to Sicily after flying another patrol.

Plea Denied In Suit Against O'Daniel

DALLAS, Sept. 18 (AP)—District Judge Claud M. McCallum today overruled a plea of privilege to try in Tarrant county a suit for a mandatory injunction instituted against W. Lee O'Daniel. The case was scheduled for hearing here Sept. 27.

Arthur Lee Moore, defense attorney, gave notice of appeal to the court of civil appeals.

C. L. Somerville, Dallas, filed the suit, seeking a court order for inspection of campaign expenses record of O'Daniel in his successful 1942 primary election for the United States senate. Defense counsel contended the hearing should be held in Tarrant county, residence of the senator and Mrs. O'Daniel, who also was named in the petition.

SALE OF USED TRUCKS UNDER OPA RULES

Beginning Friday, sale of used trucks comes under OPA regulations, the local ration board announced Saturday, and both buyer and seller must sign a certificate of transfer, showing terms of sale and declaring that maximum price regulations have been obeyed.

Copies of the certificate, OPA form 694-45, may be procured from the office. Buyers of used trucks must then deliver signed certificates to the local war price and rationing board.

The revised regulation does not apply to off-the-highway vehicles, passenger autos, taxicabs, station wagons, or farm and garden tractors designed for agricultural attachments.

Used trucks will be sold with a warranty or "as is." Those with warranties are guaranteed to be in good condition when sold, to remain in good condition for 30 days or for at least 1,000 miles. The buyer must bring his truck to the same dealer for service.

Those trucks sold with warranties will be lower in price. No certificate of transfer is necessary for sale to a dealer.

A tag giving the description of the truck must be attached to the car when the truck is offered for sale. If a dealer has a truck which he cannot price under OPA regulations, he may apply for a special price from the regional or district office.

The dealer will be required to keep records and copies of all warranties under OPA regulations. In determining the prices of used trucks, percentages will vary from 103 per cent of the base price of a "warranted" 1943 model and 1942 model sold in 1943, to 35 per cent for a 1933 model, or any late model when sold "as is."

Jurors Not Needed For Another Week

Jurors, who received notices the first of the week to report for duty Monday at 10 a. m., will not have to report until next Monday, Sept. 27, according to Judge Cecil Collings.

All cases scheduled for the third week of 70th district court term have either been settled or put off for the week, according to the judge, and no jury will be needed until the fourth week. Two venues will be summoned for the fourth week, however, and the second group of veniremen will be notified tomorrow to report for jury duty.

Heads Philatelics

FORT WORTH, Sept. 18 (AP)—Mail ballots tallied today by the Texas Philatelic association showed Louis A. Bernardi of Fort Worth as the group's new president.

Other officers named — Dr. Howard S. Aranson, Dallas, vice-president; Holland Howell, Galveston, secretary-treasurer; Dr. John A. Roberson, Abilene, and C. A. Caldwell and C. C. Love, of Fort Worth, directors.

Date Changed For Safety Clinic Meet

Date of the district one day safety clinic has been changed from October 8 to Thursday, October 7, Roy Reeder, local council president announced Saturday. Change of date was made due to a football game scheduled for the evening when Big Spring Steers play Odessa, Reeder said.

The program has nearly been completed and arrangements for the one-day safety clinic perfected.

The program includes registration at the Settles hotel, a luncheon at noon sponsored by the American Business club and Kiwanis club, and talks during the afternoon by Otto Peters on industrial safety and talks at night on Farm and Home Safety and Highway Safety.

A visitor to speak Thursday night will be Capt. J. O. Musick of the division of safety of state highway patrol. Burl Haynie, local highway patrolman, will be in charge of the Highway Safety program.

\$1,408,000 IN LOW BID
Robert E. McKee, El Paso, got contract for 1,000 dwelling units in Dallas at bid opening at Fort Worth today. Low bid of \$1,408,000. Contract be signed Monday and work begin Tuesday.

OPA CHECKS MOTORISTS

Regional Office of Price Administration said today two OPA investigators were at Laredo checking gasoline ration cards of motorists from states other than Texas travelling between the United States and Mexico.

OPA said that Laredo was the only Texas border point at which such investigators were now working.

New Superintendent At Gatssville School

AUSTIN, Sept. 18 (AP)—The state board of control today announced the appointment of Robert E. Blair, 47, as superintendent of the Gatesville state school for boys, succeeding the late R. N. Winship, Jr.

Blair, assistant superintendent at Gatesville for the last six months, was educational director at the Corsicana state home for a year and before that taught at Daniel Baker college in Brownwood.

School Leaders To Meet At Lubbock

County superintendents, city superintendents and principals of schools in the district will meet at 7:30 p. m., September 23, at the Hilton hotel, Lubbock for a session, it was announced Friday.

The program will include a talk by D. D. Jackson on school ethics; a talk by Murphy H. Fly on membership in the Texas State Teachers Association; and the possibilities of a spring meeting discussed by O. J. Laas.

TWO DIE AS NAVY PLANE CRASHES

CORPUS CHRISTI, Sept. 18 (AP)—Two men from Waldron Field, the naval air training center auxiliary station near here were killed when their navy training plane crashed Thursday at Crawford, near Waco, Tex.

The dead—Ensign Sanford P. Tomson, Jr., instructor at Waldron Field, son of Mr. and Mrs. S. P. Tomson of (3519 Locust St.) Kansas City, Mo., and Aviation Machinist's Mate George H. Allen, whose mother, Mrs. F. E. Allen, lives at (210 Gray St.) Ames, Iowa.

IN SWITZERLAND

LONDON, Sept. 18 (AP)—Count Gregorio Calvi Di Bergolo, son-in-law of King Vittorio Emanuele III, has arrived in Switzerland, the Swiss radio said tonight in a broadcast recorded by the British ministry of information.

Italians Fight Back As Nazis Try To Beat Them To Submission

New USO Head Arrives Soon

Word from the regional office in San Antonio to the local USO board of management this week notified members that Howard Bell's application for position of local USO director had been approved and that he would arrive here on September 25 to assume his duties.

Mrs. L. A. Eubanks, as chairman of the board, reported that his application showed that he would arrive here from Bay City, Tex., where he has been director of a USO unit there. His home is in Rochester, Tex., and before entering USO work, he was associated with the NYA in Marshall and was also athletic director in several high schools.

Bell has received specialized training required by both YMCA, the local sponsoring branch, and the USO.

The new director will replace Ross Clarke, who has been director here since the opening of the unit, and who recently asked to be released of his duties.

The army has fitted soldiers with shoes ranging in size from 2-12 to 18.

Nothing but trouble is gained by waiting until the point is reached, at which some "examiner" sends the child home for the attention his parents should have given his eyes previously.

Gestapo Runs Rampant Over Fallen Friends

Death Decree Placed On Persons Stealing Military Equipment

BERN, Switzerland, Sept. 18. (AP)—The German secret police went into full speed operation in Italy today with an order imposing death on all Italians caught hiding arms or molesting or stealing military equipment.

The death decree was published throughout occupied Italy—the best indication thus far of the underground resistance the nazis expect to encounter there and the ruthlessness with which they are determined to fight it.

The nazi pattern was the same as that first seen in Poland and later used with clocklike precision in Norway, the low countries, France and Russia—conspiration of labor, death to saboteurs and a command to the country's army to appear for surrender or induction.

There is yet no strong indication of sufficient sabotage within Italy to be of great assistance to the Allies.

Civilian resistance to German occupation so far has been mostly passive, although there have been reports of skirmishes in several northern cities and there were some efforts to strike immediately after the armistice.

The anti-fascists had their day—between Mussolini's fall and the armistice. The armistice, however, brought the Germans and the release from jail of the fascist-Badoglio had arrested. It also brought the arrest of anti-fascist who had enjoyed a few days of freedom of action.

The Germans have announced that they are taking over the railways of northern Italy with their own troops and crews, although the Italians still are manning trains reaching the Swiss frontier.

Germans Try To Suppress Former Allies

Desperate Attempt Made To Kick Beaten Partner Back In Line

LONDON, Sept. 18. (AP)—Disorder and misery on a scale not seen since the fall of France were reported in Italy tonight as the Germans sought to kick their beaten Allies back to an unwelcome partnership with them.

But the Italians were fighting back—in increasing numbers it appeared. They were reported ripping up German communications between northern and central Italy at a time when the German command most urgently needed them. At some points in the north they were said to be standing against the nazis and shooting it out.

A variety of accounts from neutral and Allied sources pictured this as part of the chaos in Italy:

1. No food received for days in Rome. No normal activity resumed in the city for more than a week after it had gone under nazi "protection." The Germans are being compelled to bring in still more troops.

2. The Vatican ringed about and virtually cut off from the world by nazi troops. Pope Pius XII was reported in neutral Stockholm dispatches to have strongly protested his status as a virtual prisoner as well as the treatment of the people in general. The same dispatches reported that the holy father had refused twice to see the German commander, Field Marshal Gen. Albert Von Kesselring, insisting that the Germans must first evacuate Rome and thus make good Hitler's promise that his soldiers would remain outside the city. The German news agency DNB claimed, however, that Luigi Cardinal Maglione, secretary of state, had received the German ambassador.

3. Savage fighting between German and Italian troops along the Brenner Pass railroad line, the means of entry and exit from it for the nazis, and at Turin and other parts of the upper peninsula, including the Genoa region.

4. Turin-Milan industrial regions in semi-paralysis, with anti-fascist workers refusing to go to their jobs.

5. All northern Italy short of food, with the Germans taking what is available.

6. Leaflets are being distributed to the Italians urging them to sabotage and fight the nazis.

House Predicts Passage Of Bill On Post-War Peace

WASHINGTON, Sept. 18. (AP)—A bi-partisan house group claimed today sufficient strength to obtain on Monday the first official expression of opinion by a branch of congress in favor of post-war collaboration between nations to maintain peace.

The house vote will come on a simply-worded resolution recording congress as "favoring the creation of appropriate international machinery with power adequate to establish and to maintain a just and lasting peace among the nations of the world, and as favoring participation by the United States therein."

So sure of approval is the house foreign affairs committee, which stamped an unanimous okay on the bill, that it risked bringing in the resolution under a procedure requiring a two thirds vote of the members present, and barring amendments.

"The question is just this," said Rep. Eaton (R-N.J.), ranking minority member on the foreign affairs committee, "do we want to substitute law for force in world affairs. If we do, then the United States must participate. And if the United States is to participate, then congress must say so."

Vernon Hayes Sends Purple Heart Home

COLORADO CITY, Sept. 18.—Pvt. Vernon Hayes, son of Mr. and Mrs. D. D. Hayes of Colorado City, has been decorated with the Purple Heart and has sent his medal to his parents for safe-keeping.

Wounded in action with the infantry in the Southwest Pacific, Pvt. Hayes has been in a hospital somewhere near the battle area since July 28.

He is one of the couple's three sons in service. Corporal Dalphin W. Hayes, his brother, was recently awarded a certificate upon having completed an eight weeks training period with the Rangers. The other brother, Wesley, is stationed with the air corps in Hawaii.

Colorado City Club Sponsors Meeting

COLORADO CITY, Sept. 18.—Pioneer residents of Mitchell county will perfect a permanent organization of the Mitchell County Pioneer association here Saturday, Sept. 25, in a meeting planned for 3:30 o'clock at the Barcraft hotel. Citizens who have lived in the county for a period of 50 years will automatically become honorary members, the sponsors announce. Residents of the county for a 25-year period are eligible as regular members. The Blue Bonnet club is sponsoring the meeting.

Livestock

FORT WORTH, Sept. 18. (AP)—Cattle 300; calves 150; steady with stockers and feeders carried over to Monday's market; no future steers offered; cull to medium yearlings 7.50-11.00; a few common to medium cows 8.00-9.50; some good fat calves 11.00-11.50; common to medium butcher calves 8.50-10.50.

Hogs 200; steady; good and choice 190-270-pound butcher hogs 14.65; good and choice 160-185-pound butchers 13.50-14.50; stocker pigs 12.00 down; packing sows 13.50 down.

Sheep 2,500; one sale reported early sales steady; slaughter ewes 5.25-6.25.

Stock Market Has Rising Currents

NEW YORK, Sept. 18. (AP)—Rising currents again swept through the stock market today and enabled the list to emerge from one of its best weeks of the past year. Gains ranged from fractions to more than 3 points on the liveliest Saturday dealings since July 31.

The Associated Press 60-stock average was up 5 of a point at 51.4, duplicating its bulge of yesterday. It was the widest Saturday upturn since Jan. 3, 1942 and gave the composite a net advance for the week of 1.3 points, best since last March. Transfers of 685,517 shares compared with 296,480 in the preceding short stretch. Breadth of the market was exemplified by the fact 804 individual issues were traded, also a new Saturday mark since July 31. Of these 566 were up, 80 down and 158 unchanged.

In the new high class for 143 were Sears Roebuck, Goodrich and Wilson & Co., well in front were U. S. Steel, Bethlehem, General Motors, Goodyear, J. I. Case, International Harvester, Oliver Farm, Douglas Aircraft, Glenn Martin, Sperry, Western Union, Santa Fe, N. Y. Central, Chesapeake & Ohio, Armour, Radio Corp., Anaconda, American Smelting, Allied Chemical, Du Pont, Johns-Manville, Eastman Kodak and U. S. Gypsum.

In the curb fractional plus signs were pinned on Aluminum of America, Lehigh Coal, Brewster Aero, Cities Service and International Petroleum. Turnover here was 146,750 shares versus 92,075 last Saturday.

Stanton Services For John Bassett

Funeral services will be held at the First Baptist church at Stanton today at 3:30 p. m. for John Ruben Bassett, who succumbed Thursday at his home in Stanton. The Rev. Torrence, pastor of the First Baptist church, will officiate.

Born April 19, 1878 in Sulphur Springs, he had resided in Stanton since 1911 and operated a barber shop.

Eberley funeral home is directing arrangements and pallbearers will be Werner Haney, John Priddy, Allen Kaderli, George Shelburne, Harry Hall, J. N. Woody, Raymond Bennett, Stanley Reid, J. L. Hull and Wilmer Jones, W. H. Zimmerman, H. A. Houston and Dr. Moffett.

Work Finished On New Library

Work on the new county library building has been completed, Mrs. J. E. Brigham, special library committee chairman, reported Saturday, with shelving for the books put up and the interior painted. The new library is situated in the building formerly occupied by the Texas Driver's License division of the highway patrol.

As soon as a librarian is ready to take over the job, Mrs. Brigham said, the books will be transferred from the city hall where they have been stored after the books have been catalogued the library will be opened to the public.

The stored books which originally were from the library sponsored here by women's clubs, will form the nucleus for the new library. Odelle McGregor of Knott was appointed as librarian by county commissioners several weeks ago, but must take a state sponsored examination before being able to qualify for the job.

Sentry Held After PX Employee Slain

PAMPA, Sept. 18. (AP)—Pampa army air field's public relations office said today a soldier guard was being held following the fatal shooting of Mrs. Eddie O'Mara, 19, civilian post exchange employee, at a guard gate post last night.

The public relations office described the shooting as accidental. The guard's name was not released pending filing of formal charges.

Solons Learn Of Discontent Over The Home Front

WASHINGTON, Sept. 18. (AP)—Congress members reported today much satisfaction among the folks back home with the way this country is conducting its war on foreign battlefields, but widespread discontent with various phases of the war on the home front.

The Associated Press, seeking a cross-section of the views constituents conveyed to the legislators who went home on vacation in July and returned last Tuesday, quizzed 69 democrats and republicans from 43 states.

The majority said they found their people pleased with the war's progress but critical of domestic affairs with most of the complaints mentioning restrictions and regulations.

In the poll of congress members, the OPA—responsible for price control and rationing—was the only government agency singled out by name for criticism.

And only 11 congressmen—most of them democrats—mentioned it.

Most of the legislators reported they had received no complaints about the way manpower has been handled and distributed although at the moment manpower is one of the nation's most critical problems with the war department urging a labor draft.

One southern democrat said his people "view with alarm the continued rapid growth of government agencies," and several were critical of the number of persons on federal payrolls.

Scab mites which cause sheep scab or mange are only one-tenth of an inch long.

President's Speech Campaign Material?

By JACK BELL
WASHINGTON, Sept. 18. (AP)—Republicans asserted and democrats denied today that President Roosevelt's war progress message contained "campaign material" an effort to minimize controversial domestic issues.

Mr. Roosevelt said that while some complaints about domestic activities were justified the people have reason to be proud of the successful conversion from a peace to war economy.

Senator Taft (R-Ohio) told reporters he interpreted that and some other statements by the president as indicating Mr. Roosevelt intends to "play down" home controversies and emphasize the foreign war effort if he seeks a fourth term—a view that was shared in part by Senator Bridges (R-N.H.).

"It was an adroitly written message which attempted to center the people's minds exclusively on the efforts of our fighting forces so as to overcome their concern about domestic blunders," Bridges declared.

Most democrats were quick to deny, however, that Mr. Roosevelt's message reflected political matters. Most of them called it a "factual report" on the progress of the war and Senator Stewart (D-Tenn.) said he thought Mr. Roosevelt had gauged the temper of the public aright in contending that home front mistakes are dwarfed by over-all accomplishments.

Most democrats were quick to deny, however, that Mr. Roosevelt's message reflected political matters. Most of them called it a "factual report" on the progress of the war and Senator Stewart (D-Tenn.) said he thought Mr. Roosevelt had gauged the temper of the public aright in contending that home front mistakes are dwarfed by over-all accomplishments.

Such a decision, he said, would mean a complete change in German strategy to that of holding a powerful defense line from the Baltic to the Black sea, withdrawing their forces from their threat to Leningrad in the north and evacuating such bastions as Smolensk.

The withdrawal would enable the nazis to free more troops and material to oppose the Allied thrust through Italy and the expected invasion of western Europe, he said.

Contest Starts, Coahoma Plans For Bond Rally

COAHOMA, Sept. 18.—Already in the midst of a spirited bond selling campaign through the local school system, Coahoma will get in its best jick against the axis Tuesday evening with a community-wide rally at the high school auditorium.

George M. Boswell, superintendent and chairman of bond sales activities at Coahoma for the third war loan drive, said that the program for the Tuesday rally was being arranged by Capt. W. E. Turner, public relations officer for the Big Spring Bombardier School. Included will be a talk by Maj. Harry Wheeler, special services officer, the post band, and other feature attractions.

"Of course," added Boswell, "our sale will be a vital part of the rally."

Meanwhile, students in the schools were making bond hay while September still shines on the calendar. The elementary schools were locked in a series of heated home-room contests while high school classes were competing against each other.

Only returns to date showed the seniors leading with total sales of \$1,300 after one day.

Sponsor for the seniors is Georgia Griffin while Eddie Jean Mann is the captain of the class. Junior sponsor is Marie Kelsey while Jim Owen is captain, Mary Frances White and Rufus Fowler, Jr., lieutenants; Mrs. Isabelle Auerback is sophomore sponsor with Bobby Joe Bell as captain.

Sponsor of the freshman class is John Hume with Bobby Addison as captain, Johnny Nell Henry and Larue Brown as lieutenants. Winners will be given a tour of the Big Spring Bombardier school and feted to a matinee at the field.

Some wrens build an auxiliary nest which is used by the male while the female is incubating.

NAZIS USE GREEN FLARES IN INEFFECTIVE BOMBING

WITH ALLIED NAVAL FORCES IN THE GULF OF SALERNO, Sept. 17. (Delayed AP)—German fliers raiding Allied beaches and shipping in this area last night used bright green flares, something like "day-light lamps" in a tailor shop, apparently designed to cut through fog and smoke. The German bombs were ineffective, however, and five Focke-Wulfers were reported downed in the eerie scene punctuated by heavy anti-aircraft fire of red, white and green tracers.

Three Messerschmitts were shot down today and this cruiser was widely missed by a large bomb dropped by a Junkers 88. Meanwhile Allied air attacks inland continue without interruption and the Allied position grows stronger by the hour. Naval guns keep blasting away at enemy strong points ahead of our troops. This cruiser won highest praise from the army for two bombardments. One was against enemy guns in action north of Battipaglia and the other against the enemy headquarters building in the same area. An army observer quickly signaled that the headquarters target was "absolutely destroyed."

Stevenson's Trip Brings Texas And Mexico Into Closer Understanding

By DAVE CHEAVENS
AUSTIN, Sept. 18. (AP)—While anything as intangible as a goodwill tour is difficult to appraise accurately, you would be safe in titling a book about Gov. Stevenson's jaunt "Coke's Conquest of Mexico."

This is testimony gathered first hand from such extreme sources as the president of Mexico and a taxi driver in Chihuahua City.

When the Texas governor and President Manuel Avila Camacho met at the national palace in Mexico City, Avila Camacho told Stevenson that he believed the things that were being done in Texas to bring about better understanding between Latin Americans and Anglo Americans would have a good effect.

Perhaps the best testimony of a will to achieve this end was in the fact that a Texas governor for the first time in history was invited to participate officially in the celebration of Mexican independence Day. There has been a day when such an invitation would have brought a storm of protest.

While the Mexico City newspapers did not hesitate to ask the Texas governor bluntly about stories of discrimination against

Mexicans in Texas, they very accurately reported his responses. And throughout his tour—which in all covered 3,400 miles—wherever he went the press gave the story a big play.

Chihuahua City newspapers and officials were obviously greatly impressed that it was the first time in history that a Texas governor had come to their city to call on their governor. Many a Texas governor has crossed the line into Chihuahua, but no farther south than Juarez.

Colorado Team Has Two Open Dates
COLORADO CITY, Sept. 18.—Colorado City Wolves are still hunting competition for two dates on their season's football schedule. Oct. 15 and Oct. 22 became open dates for the team after the Snyder school withdrew from football this fall. Coaches are trying to arrange games for the mid-October weeks.

The artsian-well salamander lives 200 feet below the earth's surface and is blind.

New Radio-News Program To Begin On KBST Monday

Big Spring radio listeners, through station KBST, will be able to hear the new coast-to-coast radio network program which features world-wide news gathered by the staff of the Christian Science Monitor.

The program starts Monday at 5:30 p. m. and is a quarter of an hour in length. It is to be presented Mondays through Fridays and features daily pickups from Monitor correspondents all over the world.

The new arrangement which puts the news on Mutual is believed to be the first between a great newspaper and a national radio system for broadcast of overseas news.

Miller-McClintock, president of Mutual, said that "these projected newscasts will be far different from any currently in use. They will open and close each day from the news room of the Christian Science Monitor in Boston with a news resume and analysis by Volney Hurt, director of broadcasting for the Monitor." He emphasized that program will "have the cohesion and unity of a well-edited newspaper."

WRIGHT ENTRY WINS
NEW YORK, Sept. 18 (AP)—Warren Wright's Mar-Kell today won the Beldame handicap at Aqueduct, richest race of the year for fillies and mares.

Report Nazis May Pull Back Defenses

MADRID, Sept. 18. (AP)—The newspaper Arriba's Berlin correspondent said today that the Germans might "abandon the Russian campaign," relinquish the Ukraine and their foothold in the Crimea, and drop back some 620 miles to a heavily fortified line along the Polish frontier.

(The correspondent's dispatch presumably was passed by German censors, perhaps for propaganda purposes.)

Such a decision, he said, would mean a complete change in German strategy to that of holding a powerful defense line from the Baltic to the Black sea, withdrawing their forces from their threat to Leningrad in the north and evacuating such bastions as Smolensk.

The withdrawal would enable the nazis to free more troops and material to oppose the Allied thrust through Italy and the expected invasion of western Europe, he said.

AAFBS Notes—

New Promotion List Announced

Two officers were promoted to rank of captain and nine others to first lieutenant in lists announced Saturday by Col. Robert W. Warren, commandant of the Big Spring Bombardier School.

Elevated from first lieutenant to captaincy were Olin Mann, Canton, Ga.; and James W. Strudwick, Tuscaloosa, Ala., both bombardier instructors.

Bombardier instructors who were upped from second to first lieutenant were Charles E. Corcoran, New Rochelle, N. Y.; Duane E. Crowley, Houston; Edward J. Devereux, St. Louis, Mo.; Van C. Elliott, Hickory Flat, Miss.; Oliver R. Holbrook, Jr., San Antonio; Richard F. Barber, Jr., Parkville, Md.

Pilots also made first lieutenants were Bernard P. Levin, St. Louis, Mo.; Gene Mitchell, Carl Junction, Mo.; and Carl S. Anderson, Syracuse, N. Y.

The following officers, graduates of Class 43-13, that graduated here last Thursday, have been assigned here for duty: 2nd Lt. Robert L. Catlin, Cleveland Heights, Ohio; F-O Roy L. Maddox, Jr., Pelham, Ga.; 2nd Lt. Howard R. Tully, Chicago, Ill.; 2nd Lt. George V. Keith, Milwaukee, Wis.; 2nd Lieut. Henry R. Sonnenfeld, New Orleans, La.; 2nd Lt. Eugene Kinal, Buffalo, N. Y. The following are student officers: Capt. Joel W. Sailors, Bangs, Tex.; 2nd Lt. Orval L. Schultz, Lorraine, Tex.

Hurry! Hurry! Hurry!

The end of September is in sight. And the end of September brings us close to the end of the 3rd War Loan drive.

If you haven't bought \$100 worth of extra War Bonds—extra, mind you—dig up that money and buy your share today!

Men who are fighting for you... bleeding for you... ready to die for you... are waiting for the news that you people at home are backing them up 100%.

They know what invasion costs in blood and lives. They know, too, what it costs in equipment, munitions, supplies, that must reach the front in a never-ending stream. And they're counting on you for the money that goes to keep that stream flowing.

No matter what you have to sacrifice... no matter how much it pinches... you cannot let them down!

They're calling on you to hurry, hurry, hurry! Get that \$100 extra into War Bonds before the drive is over.

3RD WAR LOAN

BACK THE ATTACK...WITH WAR BONDS

First National Bank

This advertisement should never have been written

There should be no need for any writer sitting down to his typewriter and hammering out phrases telling you why you should buy War Bonds.

There should be no need for hundreds of advertisements like this asking you to buy your share of Bonds, to lend your money to insure the Victory.

The men who are doing the fighting for us... the men who are dying, cannot understand why there should be any necessity to plead for the use of your money... money that is desperately needed to provide the weight of metal and manpower that will hasten the winning of this war.

If you are already lending 10 percent of your pay check... top that 10 percent... If you aren't lending 10 percent... ask yourself why... Ask yourself if your need is greater than your Country's. Figure it out yourself... and then boost your Bond buying through Payroll Savings.

YOU'VE DONE YOUR BIT --- NOW DO YOUR BEST!

BOOST YOUR BOND BUYING THROUGH THE PAYROLL SAVINGS PLAN

Steers Smack Colorado For 25-2 Win

Locals Flash A Potent Offense In '43 Opener

BIG SPRING	GAME STATISTICS	COLORADO CITY
292	Yds. Gained Rushing	85
59	Yds. Lost Rushing	25
8	Passes Completed	0
73	Yds. Gained Passing	0
3	Punts and Yardage	7 for 210
6	Fumbles Recovered by	2
2	Penalties and Yardage	3 for 15
11	First Downs	3

With occasional bursts of speed and bits of good blocking spread here and there, the Big Spring Steers got off to a good start on the 1943 season Friday evening by overwhelming the Colorado City Wolves, 25-2, before approximately 2,000 fans.

Offensively the Steers turned up as a refreshing surprise. Defensively, they remained a question mark for Colorado City never presented enough of an attack to really test the Big Spring Fumbles cost Big Spring one touchdown and probably did the same for Colorado City.

Hugh Cochran ran the opening kick-off back to the Big Spring 40 to set up a sparkling attack. Rusk picked up 16 around left end, Cochran made it 12 more at right tackle and Rusk reversed around right end for 23 more. Stevenson picked up a fumble and made three, Cochran was stopped and Barron picked up six more before Stevenson fumbled and Richard Thomas for Colorado City on the three-yard line.

Barron, who played well all evening, then grabbed Knoch's 33-yard punt and rushed it back 30 yards. Stevenson promptly ramed the line for the tally and added the extra point.

Rusk Tallies

Midway in the second Stevenson hit left tackle for 17, Barron darted off right end for 27 more before he was hauled down on the way across. Rusk powered his way through for the tally, but Stevenson's kick was wide.

The Wolves rallied momentarily when the Steer second string rushed in and picked up a first down. Knoch's punt carried to the Steer 15 from where a pass from center slithered into the end zone before Simmons covered it. It was good for Colorado's only points of the evening.

One of the thrillers of the game came after the pistol shot for the half caught Barron's pass in mid-air. Stevenson grabbed it, ran beautifully through all opposition only to stumble and fall as he cut back from the last defender on the 15-yard line.

Stalled drives and punt exchanges opened the third quarter before Tiller fumbled and Gene Smith covered for Big Spring on the Wolf 47. Barron had to rush back to capture another derelict pass from center and it cost the Steers 28 yards, but when Barron's 20 yard punt was juggled by the Colorado safety, Morgan grabbed it and butted his way to the Wolves' 22 yard stripe. Barron promptly cut around right end with three blockers to give him perfect interference for the score. The extra point try was blocked.

Six-Man Teams To Start Play Next Friday

Short three teams but still projecting its record of continuous competition, district No. 6 of the six-man football division of the interscholastic league will open its double round-robin schedule Friday.

Only Garden City, Forsan, Water Valley and Sterling City—the southern division of the district—remains in the race this season. Coahoma, Garner and Courtney have pulled stakes, possibly for the duration, Westbrook had checked out last year.

J. T. Holladay, principal of the Forsan school, was chosen as district chairman by school representatives who also voted to supply a permanent trophy to the school finishing the season with the highest percentage.

Garden City comes to Forsan and Water Valley to Sterling City for the opening tilt Friday afternoon. Schedule for the season follows:

Sept. 24—Garden City at Forsan; Water Valley at Sterling City.

Oct. 1—Sterling City at Garden City, Forsan at Water Valley.

Oct. 8—Sterling City at Forsan, Water Valley at Garden City.

Oct. 15—Forsan at Garden City; Sterling City at Water Valley.

Oct. 22—Water Valley at Forsan; Garden City at Sterling City.

Oct. 29—Forsan at Sterling City, Garden City at Water Valley.

FORSAN, Sept. 18.—Nineteen boys are working out daily under the direction of Joe T. Holladay, principal of Forsan school, in anticipation of the district No. 6 six-man grid race which opens Friday.

Harley Grant and Darnell Peacock are the only lettermen returning, but the showing of J. B. McDonald, Sammy Porter, Robert Milliken, Dwight Painter, Willie Hoard and Glenn Smith have contributed to a bright outlook for the season.

Holladay said his boys were rounding into shape well and he believed they would be ready for the opener at Forsan against Garden City on Friday.

STEIDLE LEADS AT 72 HOLES IN ANGELO TOURNEY

SAN ANGELO, Sept. 18 (AP)—Corporal Frank Steidle pounded his way around the San Angelo Country club course in 69 strokes here today to lead at 36 holes in the Goodfellow Field's all-service open golf tournament.

The mighty Arkansas, three times winner of his state championship and holder of numerous other invitational and military titles, put his total score at 141, overtaking the first round leader, Sgt. Jack Isaacs of Langley Field, Va., who skidded to 147 with today's 75.

Steidle, who is stationed at Camp Bowie, Texas, clipped one stroke off par on both nines.

Steidle's performance over the first 36 holes enabled Camp Bowie to nose out Kirtland Field, Albuquerque, N. M., by 693 strokes to 599.

Steidle, who came in late in the day, took the lead after it had changed hands half a dozen times. But, wherever the leadership shifted, the runner-up was the same struggling young man, Private Earl Stewart of Dallas and Fort Worth Army Air Field who came in with a 70 for 142. For the second straight day, a long chip shot on the 18th bounced out of the cup to prevent him going in to a tie for the lead.

At 143 was Staff Sgt. J. L. Varga, San Marcos, Tex., Navigation School and Peeks, N. Y. He scored 36-35-71.

Three were tied for fourth at 144: Lieut. E. H. McKinney of Kirtland Field, Albuquerque, N. M., 71; Sgt. Lloyd Wadkins, Midland, Tex., Bombardier School and Joplin, Mo., 72; and Lieut. Al Escalante of Brownsville, Tex., stationed at the Big Spring Field. He took even par 71.

The field for tomorrow's final 36 holes will be pared to 64 players, all of whom scored 164 or lower.

Tech Defeats Air Field Team 26-14

LUBBOCK, Sept. 18. (AP)—Texas Tech Red Raiders opened their 1943 football campaign here tonight with a bitterly fought 26 to 14 victory over the Lubbock Army Air Field juggernaut. The Red Raiders scored two touchdowns in the first period—one in the second and one in the fourth quarter—to take the game with a brilliant offense and a stout defense.

Michigan Shines As Gridders Open Another Season

By HAROLD CLAASSEN

NEW YORK, Sept. 18 (AP)—Michigan, with its all-everything backfield, came through as expected in its opening football game today but its 26 to 0 workout at the expense of the Camp Grant soldiers was overshadowed by the performances of Purdue and Duke.

Purdue, another of the teams that benefitted handsomely by the Navy's juggling of grid talent, decimated the vaunted eleven from the Great Lakes, 23 to 13, compared to the 42 to 0 lacing the Bollermakers absorbed from the same sailors a year ago.

Duke, another Navy school, mastered the Camp LeJeune Marines, 40 to 0, in a display of power that netted at least one touchdown in every period against a line that averaged 211 pounds from tackle to tackle.

Elroy (Crazy Legs) Hirsch, Wisconsin's contribution to the Michigan eleven, counted twice and Bill Daley, Minnesota's gift, once. The fourth marker was credited to the homebred, Paul White. The defeat followed by a week the Camp Grant victory over Illinois, 23 to 0.

The Illini this week fell before the cadets and officers of the Iowa pre-flights, 32 to 18. Lt. Don Faurot started his cadet lineup and when they couldn't subdue Illinois he waved in his officers. Top scorer for the day, however, was Cadet Frank Maznicki, late of the Chicago Bears.

The point after touchdown brought a flashy but erratic Cornell team a 7 to 6 verdict over stubborn Bucknell and Rochester, which has been trying to shed the designation as an eastern powerhouse for weeks, mastered Yale, 14 to 12, with a last period scoring spree in which George Sutch, last year of Temple, was the hero.

Miami's pass eleven was too much for Indiana and the Big Ten team was held to a 7 to 7 deadlock by the Ohioans while Marquette's well balanced outfit punched across a touchdown each quarter in its 33 to 7 victory over weakened Wisconsin.

Muhlenberg, which gave Yale a rugged afternoon a week ago before losing, was downed by Villanova, 35 to 12, today. The winning Wildcats scored on the fourth play when Halfback Al Postus let go with a 57-yard touchdown aerial to End Valerio Jansante.

Michigan Defeats Camp Grant 26-0

ROCKFORD, Ill., Sept. 18 (AP)—Michigan's high-gear collection of marines and navy footballers lived up to advance billing with a pulverizing 26-0 opening triumph over a once-tested Camp Grant team here today.

A capacity crowd of 11,000 in the small Rockford high school stadium saw Coach Fritz Cralier's well balanced team score in every period as the outmanned warriors fell under the hammering of Minnesota's Bill Daley, Wisconsin's Elroy Hirsch and Michigan's own Paul White.

Hirsch tallied two touchdowns on short bucks while White and Daley both scored on sweeps around Camp Grant's right flank from the 25-yard line. Daley missed Michigan's first two tries for points by place-kicks but Tackle Merv Pearlman connected twice in the second half.

ROCHESTER EDGES YALE

NEW HAVEN, Conn., Sept. 18 (AP)—Crashing across for two touchdowns and converting both of them in the final period, George Sutch, a marine trainee from Temple, led Rochester to a 14 to 12 triumph over Yale in the bowl today before 14,000.

Cards Clinch The Flag For Second Year

ST. LOUIS, Sept. 18 (AP)—The World Champion Cardinals today clinched their seventh National league championship and their second in succession by edging the Chicago Cubs 2 to 1 in the first game of a ladies day double-header.

Rookie Alpha Brasie, up from Sacramento in the Pacific Coast league, notched his seventh victory against one defeat in the second game as the Cardinals blanked the Cubs, 5 to 0. He allowed only four singles.

The Redbirds, with their second victory, went 19 games in front of the idle Cincinnati Reds who have only 18 games left to play. The second-place Brooklyn Dodgers were eliminated from mathematical chances to contest for the flag by the Cardinals' 2 to 1 victory last night.

The Dodgers, weathered into a cancellation this week, have one less game left than the Reds.

Lefty Max Lanier, who got credit for one of the Redbirds' four victories in the 1943 world series, scored his 13th victory of the campaign, beating Ed Hanzewski in a fine pitching duel.

The deciding run was scored in the last half of the ninth inning, when, with the bases loaded and one out, Lou Klein hit a ground ball to the infield and Ray Sanders scored as the Cubs unsuccessfully attempted to turn Klein's roller into a double play.

YANKEES NEXT?

By The Associated Press

Now that the St. Louis Cardinals have won their second successive National league championship, interest centers on when the New York Yankees will clinch the American league pennant.

The Yankees, idle yesterday, need five more victories or five Washington defeats to assure their seventh title in eight years. They play the runner-up Washington club in a twin bill today.

Market Wise Cops Narragansett Race

PAWTUCKET, R. I., Sept. 18 (AP)—Despite a bad quarter crack in his right front leg, Market Wise, Lou Tufano's handicap star, charged courageously through the stretch to win the \$25,000 added Narragansett Special by a head over John L. Sullivan's Air Master today at Narragansett Park.

Angelo, Sweetwater Impressive As 3-AA Race Gets Underway

If you want to take the opening games as any yardstick, San Angelo and Sweetwater look like the teams to beat in the district 3-AA football class this year.

Other clubs came through with wins Friday night, but the Bobcats looked especially impressive in running over Ballinger 38-7, and the Mustangs had an easy time in disposing of Roscoe, 35-0.

The Big Spring Steers looked strong offensively in overrunning the Colorado City Wolves—back in class A this year—25-2. Midland's Bulldogs turned back Brownfield 20-0, and Lamesa scored early and often to trounce Tahoka.

The one Friday night loss by a 3-AA club was that of Odessa, whose Bronchos bowed to the always-potent Lubbock Westerners, 18-6.

San Angelo is rated favorite as the 1943 race gets underway, and the Bobcats showed they had the stuff as they made runs almost at will. Three teams were thrown against the foe.

Sweetwater never permitted the Roscoans to get closer than the 22-yard line, and the Ponies themselves hit pay dirt with both ground plays and aerial attacks.

Lamesa scored against Tahoka in the third play of the game and added other touchdowns almost at will. Dallas Wise kicked all five points after touchdown.

Midland was far superior to Brownfield on ground and in the air, in registering tallies in the first, second and fourth quarters. Over at Odessa, it was Lubbock's air attack that downed the Bronchos. The Odessans had the edge in first downs and in yardage gained from scrimmage, but the Westerners caught them off balance with fancy passes.

San Angelo is rated favorite as the 1943 race gets underway, and the Bobcats showed they had the stuff as they made runs almost at will. Three teams were thrown against the foe.

San Angelo is rated favorite as the 1943 race gets underway, and the Bobcats showed they had the stuff as they made runs almost at will. Three teams were thrown against the foe.

KEEP YOUR CAR IN CONDITION

—For Yourself and Uncle Sam—

It's a proven fact, that a stored car deteriorates faster than one that is sensibly driven every day. The same is true of tires. As proof place a box of rubber bands in storage. After a few months they lose their resiliency, may even fall apart. So be patriotic and keep your car running—but remember drive fewer miles and sensibly!

WASHINGTON LUBRICATION

Justin Holmes, Mgr.

424 E. 3rd Phone 37

You Can't Drive On Promises!

We all look forward to the day when plenty of tires will be available. But what are you doing about them NOW? You can't drive on a tire you hope to have next summer — if everything goes well. You must drive today — and the only answer, the only sure method to keep your car rolling, is by RECAPPING. Not just any kind of recapping — but the kind that is safe and will add many thousands of miles of vital transportation.

REMEMBER THE FIRST AMERICAN FLAG?

The first American flag depicted the feeling of an aroused nation and bore the words, "Don't tread on me." Today an aroused and abused army of tires, worn to distraction, lacking for proper attention, is crying, "Please put a tread on me." It isn't only for the appearance, for the added comfort in driving—but for safety and economy.

LET US MAKE IT A GOOD RETREAD

Prices are set by the government. But the quality of work is not all alike. Recappers have developed the treading industry—they know every detail of it. They know how to make necessary repairs — they have the special type of equipment that is needed to produce the best recap, the proper curing, buffing, annealing of the tread stock and other important details that may be a mystery to the average car owner but essential to the number of safe miles of driving he will secure. A good recap is one of the best investments you can make today — a small amount for a lot of satisfaction.

This much we DO promise you — thorough Tire Inspection, Careful and Expert Workmanship, a desire to keep your car rolling — AND we'll turn out the job as fast as it is humanly possible — BUT GOOD!

Miss Marie Dunham And Lieut. Sills Are Married In Kearney, Nebraska

Mr. and Mrs. Grover C. Dunham of Big Spring announce the marriage of their daughter, Miss Marie Dunham, to Lieut. George W. Sills, son of Mrs. Sara E. Dye of Havre de Grace, Md.

The single ring ceremony was read in the post chapel at the Army Air Base in Kearney, Neb., Friday evening, September 10th, at 6:30 o'clock with Chaplain Thomas A. Edger officiating.

The wedding altar was banked with lacy fern and ornamented with floor baskets of peach and pink gladioli, and cathedral tapers in silver candelabra marked the place where the wedding party stood. Completely covering the altar background were gladioli and other fall flowers.

The bride, given in marriage by her father, was attired in a white wool gabardine two-piece suit, fashioned along tailored lines with white embroidered pockets. Her accessories were brown and she wore a fitted cap of gold feathers with a brown shouder veil.

The traditional "something old" was a cameo brooch belonging to her mother, and something borrowed was a good luck flying cross belonging to the best man. "Something blue" was a ribbon in her shoe, and something new was a strand of pearls, gift of the bridegroom. Mrs. Sills carried an ivory prayer book topped with a gardenia surrounded with stephanotis and fern.

Attendants Mrs. R. H. Langdon, matron of honor, wore a white sport suit with white accessories and a corsage of gardenias.

The bridegroom was attended by Lieut. Joe Chludzinski.

Mrs. Grover Dunham, the bride's mother, was attired in brown crepe ensemble, ornamented with gold nailhead trim. Her accessories were of matching shades and her flowers were tall man roses arranged into a shoulder corsage.

Pre-nuptial music and the traditional wedding marches were played at the chapel organ.

Wedding Dinner

Immediately following the ceremony, members of the wedding party and guests went to the Midway hotel for a wedding dinner which was held in a private banquet room. The U-shaped table was decorated with shell pink and peach gladioli, and ivory tapers in crystal holders were placed at vantage points down the table center.

Lieut. Fritz Albsicker, graduate of Percy Rector Stephens of New York, sang "The Rosary," "Ave Maria" and "Hills of Home," and Lieut. Ted Homling sang "Road to Mandalay" during the dinner. Around 25 guests, including officers in the bridegroom's squadron, their wives and guests, attended.

Schools

Mrs. Sills, who was graduated from the Big Spring high school in 1940, was a member of the Sub Deb club, and attended Texas State College for Women at Denton in 1940. She attended Texas Tech at Lubbock in 1941 and was a member of the DFD sorority. For the past several months she has been employed in the rail transportation division at the Big Spring Bombardier school.

The bridegroom was graduated

MRS. GEORGE SILLS (Bradshaw Photo)

Jeanne Slaughter Honored On 13th Birthday Anniversary With Dance

Mr. and Mrs. Tom Slaughter honored their daughter, Jeanne, with an informal dance at the VFW home Thursday evening in honor of her 13th birthday anniversary.

Hours were from 7 to 10 o'clock, and games and dancing were entertainment. Music was furnished by nickelodeon.

Mrs. Howard Schwarzenbach and Miss Marguerite Wood supervised games and assisted Mrs. Slaughter in serving. The ballroom was decorated with red, white and blue streamers, and table decorations furthered the

from the Havre de Grace high school an dattended Western Maryland college. He received his commission at Midland November 16, 1942 as a bombardier instructor, and was stationed at the Big Spring Bombardier school, prior to his transfer to the Kearney air base in Nebraska.

The young couple is now at home in Kearney at 312 W. 26th.

P-T-A Board Convenes In San Angelo

SAN ANGELO, Sept. 18.—Mrs. M. A. Taylor of Dallas, state field worker, discussed the duties of Parent-Teacher leaders when the board-of-managers of the sixth district, Texas Congress of Parents and Teachers, met in all-day session at the Hotel Cactus this week.

Mrs. J. C. Stewart of Lawn, district president, conducted a business session during the morning, and the meeting opened with group singing of "Good Morning, Mrs. Taylor." Mrs. W. H. James of Abilene gave the devotional and Mrs. Otis McDermitt led the pledge of allegiance to the flag.

Each vice-president, committee chairman, and city and county council chairman outlined their plan of work for the year. Mrs. Stewart gave a short talk and recommended that the Parent-Teacher organizations in sixth district sponsor recreational facilities and programs as meets the needs of the youth in the community and that a copy of the manual to be placed in the hands of every officer and committee chairman in every local unit in sixth district.

Resignations were read from Mrs. G. H. Davis of Sonora and Mrs. Carlita Cogdell of Abilene, vice-presidents; and Mrs. Bernard Lamun of Big Spring, music chairman.

A no-hostess luncheon was held in the main dining room, and at the opening of the afternoon session, Mrs. Stewart gave an examination on various mechanics of Parent-Teacher work.

Members of the board of managers present for the meeting were Mrs. Stewart, president; Mrs. W. H. Ward of Big Spring and Mrs. Philip Thompson of San Angelo, vice-presidents; Mrs. Robert Hill of Big Spring, publicity and yearbook chairman; Mrs. H. A. Haynes of Garden City, safety chairman; and Mrs. Ed Jensen, parent-educational chairman; Mrs. W. M. Yeager, radio chairman; Mrs. W. A. Hafamick, chairman of publications and magazines; and Mrs. Jewel Shelton, publicity chairman; all of San Angelo; Mrs. W. H. James of Abilene, city council president; and Mrs. W. I. Marshall, San Angelo city council president, who acted as secretary for the meeting.

Activities At The USO

SUNDAY
9 a. m.—Coffee Hour.
12:30 p. m.—Informal classic recordings.
5-7 p. m.—Hospitality hour, Volunteer service hostesses.

MONDAY
8:30-10:30—Open house for townspeople.
Let's Sing... Miss Helen Duley in charge.

TUESDAY
Free Alterations.
8:30 p. m.—Competition night, pool.

WEDNESDAY
3:30 p. m.—Service Men's Wives club meeting.
6:15 p. m.—Hospital visiting hour at post, Mrs. F. V. Finney, general chairman.
8:30 p. m.—General activities, Bomba-Bears, Junior hostesses.

THURSDAY
3:30 p. m.—Craft Class, Mrs. Mary Locke in charge.
8:30 p. m.—GSO and Beta Sigma Phi hostesses for dance night.

FRIDAY
8 p. m.—Ballroom dancing.

SATURDAY
4-9—Canteen open, cookies and iced tea.
8 p. m.—Recording hour.
8:45 p. m.—Informal dance.

Service men are urged to bring their winter uniforms to the local soldier center for alterations before cold weather sets in. Hostesses are anxious to mend the winter "OD's" now, in order to avoid a rush in alterations.

The second in a series of lectures was presented at the soldier center Wednesday evening by Lieut. H. L. Hoover of the Big Spring Bombardier School for Junior hostesses. Mrs. Ann Gibson Houser, program director for the club, announced Saturday that the third lecture would be held the first week in October, and would probably be a pep talk given by a WAC from the local field.

Monday evening programs have been discontinued for the present time, but members of the GSO and Business and Professional Women's club will still serve as Monday evening hostesses.

Mr. And Mrs. S. T. Eason Celebrate 50th Wedding Anniversary Today

Open House To Be Held Today At Their Home

MR. AND MRS. S. T. EASON (Bradshaw Photo)

Mr. and Mrs. S. T. Eason celebrated their 50th wedding anniversary Saturday noon with a family dinner and will hold open house for their friends Sunday from 3 p. m. to 10 p. m. at their home, 404 Goliad.

The couple was married at the old Adams House in Abilene on September 18, 1893 when Mrs. Eason was 20 years old and Mr. Eason was 21. Both were reared on ranches in Trent, Tex., and Mrs. Eason was Maud Martin before her marriage.

The ceremony was read by the Rev. Mr. Strickland, Methodist preacher. The couple returned to Trent after the wedding where Mr. Eason was engaged in the ranching business until 1896 when he entered the barber business. He was a barber for 35 years before entering the oil industry. He has been retired for the past ten years.

The Easons came to Big Spring 40 years ago. Five children born of the union are Wyatt Eason of San Francisco, Calif., Mrs. Kate Gillmore of Big Spring, Mrs. Lois Herring of Long Beach, Calif., and Mrs. Maud Waters of Big Spring.

The couple also has six grandchildren including George Holt, formerly of Fort Worth and now in the armed services, Betty Holt of Childress, Morice Kurst of Galveston, Lyska Herring of Long Beach, Calif., and Anne and Sammie Waters, both of Big Spring. They also have two great-grandchildren.

All of their children and one great grandchild, Morice Kurst are here to celebrate the anniversary.

Mr. and Mrs. E. J. Tatum have returned from Wichita Falls where Tatum has been receiving treatment at the Wichita Falls General hospital for the past five weeks. While there they visited with Tatum's parents, Mr. and Mrs. Carl Miller.

Recent Bride Is Honored At Party

A bridal shower was given in Mrs. Zula Reeves' home recently honoring Mrs. James Tidwell, who before her recent marriage to James Tidwell, was Miss Joyce Martin.

Hours were from 8 to 10 o'clock, and those attending were Mrs. C. H. Tidwell, Winona Bailey, Mrs. Viola Bailey, Mrs. Bernard Lamun, Mrs. Dock Young, Juanita McCarty, Charlene Tucker, Mrs. Ruby Tate, Lorena Huggins, Mrs. Lottie Holland, Joan Rice, Lillian Jordan, Roslene Balch, Mellie Balch.

Shirley Fisherman, Winnie Rogers, Mary Lee Cook, Joan Switzer, Jane McClendon, Mrs. C. B. Strain, Mrs. Burl Haynie, Mrs. Ruby Martin sent a gift.

Mrs. Tidwell left for Clarksville, Miss., where Tidwell is stationed.

Bride Is Honored In Hohertz Home

The Concordia Ladies Aid of St. Paul's Lutheran church met in Mrs. Albert Hohertz home this week with Mrs. Carl J. Stemple as co-hostess.

Following a brief business session, games were played, ending in a treasure hunt for Mrs. John R. Foster, who before her marriage Saturday evening was Miss Alma Rueckart.

Gifts were presented to the honoree and a salad course was served buffet style from a lacelaid table decorated with a patriotic color scheme.

Those attending were Mrs. W. F. Pachall, Mrs. E. L. Bynum, Mrs. Frank Auringer, Mrs. C. Thompson, Mrs. Tommie Lovelace, Mrs. W. D. Lovelace, Mrs. H. J. Whittington, Mrs. A. Keirne, Mrs. W. C. Heckler, Mrs. Albert Hohertz, Avelyn Hohertz, Darrel and Bobby Hohertz, Mrs. Carl J. C. Stemple and daughter, Johanna Ada, and the honoree.

Joyce Sewell Is Club President

FORSAN, Sept. 18—A Home-making club was organized in Forsan this past week with Joyce Sewell as president. The group is sponsored by Miss Mary Green, instructor.

Dorothy Mae Prichard will serve as vice president and other officers include Dorothy Jean Gressett, secretary; Pauline Pike, treasurer. Doris Whirly will be song leader and Mary Frances Oglesby, pianist. Beatrice Rowell was named reporter.

Other members include Lavonia Thieme, Velma Rowell, Jessie Bell McClusky, Goldie Marie Davis, Corrine Dorises, Wanda Whitley, Dannaebel McRae, Haroldine West, Lavonne Hoard, Vona Bell Grant, Bobbie Louise Calhoun, Blanche Drake, Evva Smith, LaRue May, Selastina Lujan, Juanna Lujan, Laverna Wilson, Charlene Greaves, Bobby Fern Beddel, Norma Roberts, Alta Jewel Boatler and Imogene Jones.

WAC Lieutenant Wears Bars Worn By Husband Who Was Lost At Bataan

It's letters like one which was received by Lieut. Mary Frances Goldmann, local WAC recruiting officer, from Lieut. Gertrude G. Oppenheim, former Big Spring resident, which gives her confidence in the work which she is carrying on.

Lieut. Oppenheim is stationed in Conway, Ark., and is the daughter of Mr. and Mrs. O. P. Griffin of Big Spring. Her husband, Lieut. Jimmy Oppenheim, was reported missing in action following the fall of Bataan.

The letter reads in part: "Dear Lieut. Goldmann: "I want to thank you for asking Mother to be on the radio to help with recruiting. She knows how much I love the WAC and how happy I am to be of service to my country. If there is anything I can do to help in my home town, I would be delighted to do it."

"It seems very strange to me to be able to say that I am wearing the bars that my husband wore before he sailed for the Philippine Islands two years ago. Although the silver is almost gone from them, they shine brighter to me than any bars one could buy."

"I have much to live up to when I'm wearing these bars as most of my friends there know, but my plans are to try to be the soldier that he was. I often say that I am trying to fill the place left vacant by Jimmy when Bataan fell. This, I believe, he would want me to do. I often wonder if he is not still alive and fighting in the Philippines. (At least he has never been on a prisoner list, and is still carried as missing in action.)

"If only the women of America knew that their government was calling upon them to help preserve their homes before they were forced to wonder why they didn't realize. If only I had given the army and war effort my all, maybe my loved ones could have been spared. It makes one think and think fast when there is only a thin straw of hope left."

"I am aware all the rotten publicity the WACs have had, has made your position a very unpleasant one, but I can truthfully say that I have never met so many real people in a group in my life than the girls in the WACs."

"It only everyone could know what a feeling of contentment one has when they give their all. I think we would have more recruits than training center facilities. It far surpasses the sacrifice one makes."

"Sincerely,
"Gertrude G. Oppenheim,
"1st. Lieut., WAC."

Pvt. Arvie Earl Walker has returned to his station at Vermilion, S. D., after spending a furlough with his parents, Mr. and Mrs. A. E. Walker. While visiting here his grandmother, Mrs. G. B. Sawyer, Sr., and his aunt and uncle, Mr. and Mrs. G. B. Sawyer, Jr., and Linda, were here from Littlefield.

LIEUT. OPPENHEIM

Convention Scheduled Sept. 30

Plans are being completed for the annual district two conference of the El Paso Presbyterial which will be held here Thursday, September 30th at the First Presbyterian church.

Mrs. Sam L. Baker, chairman of district two, will preside over the meeting which will be devoted to plans for auxiliary and church activities.

Towns to be represented at the parley will include Coahoma, Midland, Big Spring and Odessa, and Mrs. Preston Black of Barstow, president of the El Paso Presbyterial, will also attend.

Hours will be from 10 to 3 o'clock and a covered dish luncheon will be served at noon. Each auxiliary in the district will be represented by their president who will attend a conference during the morning.

Mrs. L. B. Edwards will be in charge of the worship service, and Mrs. Harry Hurt, Mrs. A. B. Brown and Mrs. Pat Kenney in charge of musical program for the day. Mrs. Kenney will serve as organist, and Mrs. F. H. Talbot, president of the local auxiliary, will take part in the convention.

Mrs. W. P. Cecil To Entertain Her Club

The Child Study club will meet Wednesday afternoon at 2:30 o'clock with Mrs. W. P. Cecil, 1810 11th Place. Mrs. Jack Smith will be co-hostess.

All members are urged to attend the meeting which is the first of the fall season.

Trainmen Ladies Have Meeting At The WOW Hall

The Trainmen Ladies met at the WOW hall Friday afternoon in regular semi-monthly session with Mrs. E. O. Hicks presiding over the meeting.

Mrs. W. R. Davis was elected and installed as pianist and participation in the bond drive discussed.

The attendance drive was started and members were urged to work at the Red-Cross surgical dressing room on Wednesday afternoon from 2 to 5 o'clock.

Those attending the meeting were Mrs. J. T. Allen, Mrs. W. L. Baker, Mrs. T. A. Underhill, Mrs. Albert Smith, Mrs. G. B. Pittman, Mrs. W. R. Davis, Mrs. E. O. Hicks, Mrs. M. C. Knowles, Mrs. C. A. Schull, Mrs. N. R. Smith, Mrs. T. R. Roberts, Mrs. L. A. Webb, Mrs. Curtis Hood, Mrs. H. W. McCanness, Mrs. G. C. Ragsdale, Mrs. Frank Powell.

Mrs. Bloomberg Is Honored At Party In Officers' Club

Mrs. Bernard Levin honored Mrs. A. Bloomberg with a surprise pink and blue shower and bridge party in the officers' club at the Big Spring Bombardier School Friday afternoon.

In the center of the club was an artificial lamb on a train of blue and white crepe paper on which were strewn flowers in pastel shades and gifts.

Table decorations were carried out in pink and blue, and refreshments were served.

Those attending were Mrs. Sol Krupp, Mrs. Beatie Eckhaus, Mrs. Red Humphries, Mrs. Faye Fisher, Mrs. Bernard Fisher, Mrs. Max Jacobs, Mrs. Al Joe, Mrs. Ethel Jeldson, Mrs. A. J. Fraser, Mrs. Joe Luby, Mrs. Richard Hornbeak, Mrs. Thomas Coarano, Mrs. A. Bloomberg and Mrs. Bernard Levin.

Sending gifts was Mrs. Mable Avant.

Bridge prizes went to Mrs. Al Joseph and Mrs. Joe Luby.

Miss Alma Rueckart And Pvt. Foster Are Married At St. Paul's Church

Couple To Be Married Today

According to word in the Abilene Reporter-News of Saturday, the wedding of Dorothy Matthews of Abilene and Lieut. Leon F. Churchill of Midland will be held Sunday morning at 9 o'clock at St. Paul Methodist church in Abilene.

Miss Matthews, sister of Mrs. Ben LeFever of Big Spring, was to have been married Saturday, but the wedding had to be postponed because Lieut. Churchill was grounded in Honda due to storms in the Gulf of Mexico.

Lieut. Churchill is stationed at the Midland Bombardier School.

Arah Phillips Is Hostess To Modern Woman's Forum

The Modern Woman's Forum met in Arah Phillips' home Friday evening for a short business session, with Anna Smith as co-hostess.

Mrs. A. B. Wade gave a short talk on the work of DeGaulle, and announcement was made that the next meeting would be held in Mrs. Cecil Collings' home next Friday evening.

Those present were Mrs. W. J. McAdams, Twila Lomax, Mrs. Charles Koberg, Mrs. Cecil Collings, Mrs. A. B. Wade, Miss Smith and Miss Phillips.

Expecting a Baby?

Mother's Friend helps bring ease and comfort to expectant mothers.

MOTHER'S FRIEND, an exclusively prepared emollient, is useful in all conditions where a bland, mild anodyne massage medium in skin lubrication is desired. One condition in which women for more than 70 years have used it is an application for massaging the body during pregnancy... it helps keep the skin soft and pliable... thus avoiding unnecessary discomfort due to dryness and tightness. It refreshes and tones the skin. An ideal massage application for the numb, stinging or burning sensations of the skin... for the tired back muscles or cramp-like pains in the legs. Quickly absorbed. Delightful to use.

Mother's Friend Highly praised by users, many doctors and nurses. Just ask any druggist for Mother's Friend—the skin lubricant. Try it tonight.

Miss Lancous

Notes

MARY WHALEY

We don't know about anybody else, but it was quite a surprise and pleasant experience to see Ann Jeffreys, here to help the bond sale, ride a horse like she knew what she was doing.

We had lost confidence what with debunking articles in magazines and papers telling how the movie heroes and heroines who do breathless stunts on the screen don't really do them at all. The stories always tell how unusing and unheard of stunts double for the movie stars in anything involving more action than a few sighs, groans or love scenes.

After reading articles exposing ALL it makes a feller lose confidence in the silver screen. It makes a person look with more or less suspicion on current stars. When they swing from cliffs, rope the villain, and jump onto moving freight cars, there is a moment of breathless suspense. Then that little old voice says "Aw, they probably got a double to do that."

So to see Miss Jeffreys riding on a horse, unassisted, and looking like she had been on one before, walking her horse on slick pavement without a scared look on her face—well, it gave us back confidence in our celluloid heroines. The next time we see her galloping over the plains, just a horse's hair ahead of the villain, we won't scoff. We'll join the kids in the front row and believe.

GSO Entertains With A Picnic

Members of the Friday Girls Service Organization of the Big Spring USO entertained with a picnic at the city park Friday evening and guests were service men of the Big Spring Bombardier School.

Following the picnic at the city park the group returned to the USO for dancing and games. Food which was left over from the meal was distributed on a troop train.

Hostesses included Arline Robinson, Dorothy Long, Maxine Wallace, Mary Lee Beavers, Morelle Bradley, Margaret Burchell, Doris Roman, Ruby Ann Roberts.

Ina Fay Fryar, Mildred Lowe, Betty Leysath, Martha Leysath, Mrs. Ross Clarke, Mrs. Ann Houser, Mary Ruth Diltz, Mrs. Ruth Burnam and Annie May.

Around 35 service men from the Big Spring Bombardier School attended.

CEREMONY READ IN POST CHAPEL

Miss Fern English of Watertown, S. D., and Lieut. Alwood Steenmetz were married Friday evening in the post chapel at the Big Spring Bombardier School by Chaplain Emeric Lawrence.

The bride was attired in an off white two-piece wool dress with purple accessories, and her corsage was of deep shade orchids.

Attendants were Lieut. and Mrs. Bartley Kane. Mrs. Kane wore a moss green suit with brown accessories and a corsage of gardenias.

The couple will be at home at 309 Runnels here where the bridegroom is stationed at the Big Spring Bombardier School as a bombardier instructor.

PARTY HELD IN WALKER HOME

Following the Colorado City-Big Spring football game Friday evening, an informal party was held in Vera Dell Walker's home.

Refreshments were served and dancing was entertainment.

Those attending were Dorothy Satterwhite, Mary Louise Davies, Beverly Stulting, Patsy Ann Tompkins, Patsy Sue McDaniel, Celia Long, Murph Thorp, Ike Robb, Bo Bo Hardy, Harold Glenn Jones, Joe Rayzor, Wendell Strahan and the hostess.

Mrs. E. W. Currie and daughter Ann, have returned from Dallas.

Large Number Of Visitors In Forsan

FORSAN, Sept. 18.—Margaret Jackson of Washington, D. C. visited Mr. and Mrs. O. A. Rufin this past week.

Mr. and Mrs. O. B. Caldwell and Mrs. Buster Peek and Buster, Jr., visited at the Peek ranch near Paint Rock Sunday as guests of Mr. and Mrs. A. L. Peek.

Mr. and Mrs. W. B. Dunn and John Kubecka visited Lieut. and Mrs. Hubert Yeaden in San Angelo the past week and Mrs. Kubecka has been with her daughter for two weeks.

Mr. and Mrs. Bill Conger, Jr. and Bill III attended the funeral services for Mrs. George Conger held in Sterling City Monday.

Others going from Forsan included Mrs. Vera Harris and W. B. Dunn.

Lieut. Ted Wallir of Ft. Leonard Wood, Missouri, was guest of Joy Lane recently.

Mr. and Mrs. D. A. Oglesby and children were Westbrook visitors Sunday.

Cosden Chatter-

By ANNE ARSULICH

We are very proud to state that a \$35,000 war bond was pledged by Cosden, for the footballouctioned off at the game Friday evening. The football will be kept in the office for the time being.

R. L. Tollett and M. M. Miller are in New York attending a director's meeting. W. E. Gibson is also in New York on business.

J. B. Mull will leave Thursday for Houston, to attend a meeting of the P.W.A. refining committee. He will act as an alternate for R. L. Tollett.

Mrs. Rip Smith is spending the weekend in Fort Worth.

W. F. Juliff has gone to Fort Worth to join his son, W. F. Juliff who has a three day furlough.

Sara Reidy and Evelyn Merrill are spending the weekend in Abilene, visiting Sara's brother, Bill. Lucille Burke spent last weekend in Midland with Mr. and Mrs. Ralph Lowe.

Wanda McElhannon is no longer a widow. Her husband, Lt. Wm. E. McElhannon, has returned from navigation school at San Marcos.

J. L. LeBlou has been appointed city commissioner for the remainder of the term. Congratulations Mr. LeBlou.

Mr. and Mrs. Paul McCrary are in Sweetwater today, visiting Mr. and Mrs. R. T. McCrary.

Ren Hicks, an ex-Cosdenite, recently graduated from the army air field at Lubbock as a flight officer. He is now stationed at Clovis, N. M.

Mrs. M. S. Toops and daughter, Peggy, have returned from a short stay in New York.

Ray Simmons of Lubbock was in the office this week.

Dorothy Virginia Williams, employee in the sales department, has returned to her home in Houston.

Roxie Dobbins is back at his old post in the accounting department.

Lt. Vic Bales has been transferred somewhere in the desert of Arizona.

We have just completed arrangements of Christmas gifts for our boys in the service.

The boys are really in there pitching. They've had some really good success in selling bonds this past week.

We wish to welcome the following new employees, Will V. Selman, Jim Henry Huff, Jefferson P. Marion, E. D. Ferguson.

Beatrice Stacey's husband, Pat, was home on a furlough. They visited friends and relatives in Fort Worth and Stephenville.

Doug Orme will return tomorrow from Chicago where he attended an O.D.T. meeting the Sept. 14 and 15.

Local P.O. Receipts Showing Sharp Gain

Postal receipts are continuing a phenomenal rate of gain, figures released Friday by Postmaster Nat Shick showed.

The first 15 days of September showed a dollars and cents gain of \$1,396.51 over the same period a year ago, or a net increase of 41 per cent plus, the postmaster announced.

Seaweed was once used by the Indians to provide salt in their diet.

Mrs. E. E. Ecknes Honored At Shower

Mrs. James R. Anthony and Mrs. Raymond Troyer entertained with a pink and blue shower in the Anthony home Friday evening honoring Mrs. E. E. Ecknes.

The chosen color scheme was used in party decorations and gifts were presented to the honored guest.

Those attending were Mrs. James Blanding, Mrs. A. R. Armstrong, Mrs. Ada Shields, Mrs. Roscoe Booth, Mrs. G. G. Sawtelle, Mrs. John Aufderheide, Mrs. C. H. Lobaugh of Los Angeles, Calif., Mrs. W. E. Turner, Mrs. George Hubler, Mrs. E. C. Sims, Mrs. A. W. Dillon, Mrs. A. M. Burton and the hostesses.

Chaplain To Speak At B. & P. W. Meet

The first program meeting of the year for the Business and Professional Woman's club will be held Tuesday night at 7:30 o'clock at the Settles hotel.

Speaker for the evening with Chaplain James L. Patterson of the Big Spring Bombardier school, who will talk on "B. & P. W. Clubs on the Home Front."

Cpl. Bernice Sciora of the WAC will sing with Helen Duley at the piano. A general sing-song and get acquainted session will be held.

The membership committee composed of Alma Borders, Mary Louise Griffin, Winona Bailey and Mrs. L. A. Eubanks, chairman, will be in charge.

CALENDAR

WOMAN'S SOCIETY OF CHRISTIAN SERVICE of the First Methodist church meets in circles. Circle one will meet with Mrs. W. A. Miller at 104 Gregg; circle two with Mrs. Joe Robnett at 100 W. 8th; circle three with Mrs. E. C. Masters at 408 E. 3rd; circle four with Mrs. H. G. Keaton at 416 Dallas and circle five with Mrs. Garner McAdams at 208 Dixie.

FIRST CHRISTIAN COUNCIL meets at the church at 3 o'clock.

WOMAN'S MISSIONARY SOCIETY meets at the First Baptist church for an "orphan's home party" for children of Buckner's Orphanage at Dallas. All members of the society and church women are urged to attend the party and bring clothing which will be sent to the orphanage. Mrs. W. R. Creighton will be in charge of the program.

Red Cross Room To Be Re-Opened In Colorado Monday

COLORADO CITY, Sept. 18.—Reopening of the Red Cross surgical dressing work room in the junior high school building at Colorado City has been announced by Mrs. H. P. Sigel, chairman pro tem. The room will be opened again Monday afternoon, Sept. 20, after having been closed several weeks because of lack of materials.

The ninth quota of material for the folding of battle sponges arrived here this week. Women of the county, working in morning, afternoon, and evening sessions in Colorado City and in most of the smaller communities, have already completed more than 130,000 surgical dressings.

Mrs. L. L. Machin, directs the evening sessions and the packing chairmen are Mrs. W. W. Whipkey and Mrs. Chester L. Jones.

HOW'S Your HEALTH?

NO, it isn't just a polite query. If you are a bit under par physically, right now is the time to do something about it. You know the country can't afford to have you sick! Better see a good Doctor—and, of course, bring his prescription here for compounding.

Editorial -- This Is Our Toughest Battle

The American people, including those who celebrated the fall of Italy under the false assumption that it meant the Allies would simply march in and take over...

less when the task appears lighter. There is no question, but that the defection of Italy from the axis cause and its adherence to our cause helps us on our way to eventual victory...

prefer to fight the decisive battles in Italy, rather than in Germany; and for this reason the entire issue of war and peace may be decided on the peninsula.

Texas Today Good-Neighbor Policy Is Long-Term Affair

By DAVE CHEAVENS Associated Press Staff Texas' unique Good Neighbor Commission, whose task is to bring about a better understanding between residents of Latin America and Anglo American extraction...

of Juarez represented their national governments. Tom Sutherland, field representative of the coordinator of inter-American affairs, and Dr. George I. Sanchez, professor of Latin-American education at the University of Texas...

On the home front, knowing that our men are engaged in one of the greatest military enterprises of this or any other war, let us postpone our cheering and redouble our efforts to get them the weapons and supplies they need.

Hollywood-- Bert Lahr Proves That Vaudeville Was Never Dead

By ROBBIN COONS HOLLYWOOD--Bert Lahr, the former Broadway quipmaker and dealer in comedy, is out here now as a living demonstration that neither vaudeville nor burlesque is dead.

Lahr is cutting vaudeville and burlesque pranks now in "Meet the People," film version of Hollywood's home-produced stage hit of a couple of seasons back.

Washington Daybook-- Veterans' Program In The 'Promising' Stage

(Third of four articles on the peacetime future of World War II veterans.)

By JACK STINNETT WASHINGTON -- So far most of the program for putting the veterans of World War II back to work in peacetime America is composed of plans and promises.

The President's program includes: (1) Mustering out pay for persons in the armed services and merchant marine.

There is certain to be considerable debate, too, over how much the Treasury can stand, with the economy-minded battling to keep within reasonable bounds those who think Uncle Sam's pocket has no bottom.

It is believed here now that the President has promised to outline specific legislation to cover his six points.

President's suggestions will run much in line with the post-war planning report of the now defunct National Resources Planning Board.

Veteran Missing

WICHITA, Kas.—Frank L. Roe is being sought here by postal officials; in fact, they've been looking for him ever since the last war.

THE LONG NIGHT By Eleanor Atterburg

Chapter 23 "The earth-shaking concussion from the bursting shells woke Bette from a deep sleep. Her senses still dulled, she jerked erect, tried to think what had happened.

Sue's full lips twisted bitterly. "Nobody has had a clean uniform since the hospital burned. Nor a decent meal. Nor an hour off duty. This is war, remember?"

waited was the longest of Bette's life. Outside, quiet persisted like a hovering threat. Until finally, Bette could stand it no longer.

The Thrill That Comes Once In A Lifetime

Suddenly the shelling subsided. Outside the world was ominously calm. "What does that mean?" Bette asked Dr. Farrell as she passed him on the way to the improvised kitchen.

Radio Voice Duce's (Maybe) Is Heard

LONDON, Sept. 18 (AP)—A voice purporting to be that of Benito Mussolini, the fallen founder of fascism, tonight heaped denunciation upon King Vittorio Emanuele, called for the "elimination of fascist traitors," and bade Italians take up arms again by the side of Germany and Japan.

In a 15-minute radio speech from an undisclosed place the speaker, represented as the ex-Duce liberated by the Germans, told a story of that rescue which he said would "become legendary" and outlined this 4-point program for "loyal" Italians:

1. Take up arms again by the side of Germany and Japan.
2. Reorganize at once the armed forces and militia.
3. Eliminate traitors, particularly those who went over to the enemy.
4. Make an end to plutocratic methods and establish social and fascist order.

Most listeners here who had heard Mussolini speak before said they believed the voice was actually that of the fallen Italian premier, whom the Germans have announced as the head of the nazispported "republican fascist party."

This program was offered to restore an Italy which the speaker said had yielded to the "hardest armistice terms known in history" and now was "thrown into a state of chaos and despair x x x all its possessions thrown away with the stroke of a hand."

Texas Today

(Continued from Page 10)

cases of discrimination here. Stevenson followed this correspondence with his official proclamation, stating that good neighborliness was the official policy of the state. Then he circulated all peace officers, ordering them to be on the alert for cases of discrimination. Then he appointed the Good Neighbor commission, and charged it with the responsibility of making the policy a further reality.

While one of the first specific tasks facing the commission involves human relationships, Chairman Roderick said the entire body was in agreement in hoping that its primary function would NOT be that of a grievance committee. The commission hopes to implement the Good Neighbor policy on this side of the Rio Grande by getting at and solving basic causes of misunderstanding.

It listed first in its three-fold outline of policy a plan to serve as a clearing house for public information on matters relating to Latin Americans and Anglo Americans. In this educational process the plan is to utilize existing agencies, such as schools, the press, radio. Second, it listed promotion of mutual markets, and in this, hopes to extend its activities into Mexico. The adjustment of human misunderstanding, commission members said, would be undertaken also through existing agencies.

For example, the commission, without police power or other specific authority, could NOT by any force except persuasion eliminate some individual case of discrimination against a Latin American. But it could bring considerable pressure to bear because it has back of it the state's declaration of policy made both by the legislature and the governor.

THE LONG NIGHT

(Continued from Page 10)

rapidity and hum of engines enough to prove they were not, came three huge transport planes. "There they are," Scott said with a calm that didn't match the excitement in his expression. "We got rid of those Japs not a minute too soon."

The rest of the weary men gathered on the shell-pitted flying field saw them now too. And for a long moment as they stood their tired faces turned skyward, a hush fell over the group as deep as if they stood in a great cathedral. Instinctively Bette knew that every man there was echoing silently the same silent prayer of thanksgiving as those great planes brought promise of new life to the hard-pressed little out-post.

Upton Wildcat In Spotlight

SAN ANGELO, Sept. 18—Prospects of production from the Silurian in the first Ordovician test drilled in the McCamey Permian lime field, Texas Pacific Coal & Oil Co. No. 52-A John F. Lane, Account 2, switched the West Texas oil spotlight this week to Upton county.

Principals extension of the week was that of a quarter mile east to the Fullerton deep Permian lime field in northwestern Andrews county by Fullerton Oil Co. of Los Angeles No. 1-B McKean & Eilers.

Staking of a wildcat each in Andrews, Mitchell, Martin, Pecos and Reagan counties sustained the high exploration pace that attained a new high for 1943 in the listing of 34 starters in proven areas and two wildcats in 13 counties.

T. P. No. 52-A Lane, Account 2, in Upton county on a 47-minute drillstem test from 7,100 to 7,203 feet under a 400-foot water blanket rated 109,000 cubic feet of gas daily and recovered 800 feet of oil-cut mud. It entered the Silurian at 7,115 feet, 4,526 feet below sea level, and topped the Montoya, upper Ordovician, at 7,200. Drilling continued below 7,292 feet in lime, possibly Simpson. Location is the C SW NE SE section 5, GC&SF Ry. Co. survey.

In the event the Ordovician is found barren, the test will plug back to the promising Silurian section. The Silurian is oil productive in West Texas only in two Gulf Oil Corp. wells on Wristen Bros. land on the southeast edge of the Shipley Permian lime pool in southeastern Ward county.

Barring mechanical troubles, Phillips Petroleum Co. No. 1 Ada C. Price, Pecos county wildcat 25 miles southeast of Fort Stockton, C SW NW 11-101-TCRR, appeared certain to establish a new depth record for West Texas. Drilling at 12,777 feet in unannounced formation, it was only seven feet short of the mark set by Gulf No. 103 McElroy in Crane county in 1935.

Shamrock Oil & Gas Co. of Amarillo staked location in Mitchell county for a proposed Ordovician wildcat on the W. L. Ellwood estate ranch on the E 1/2 19-17-SPRR, 16 miles southwest of Colorado City. The test will be on a farmout by Gulf, which retained large holdings in the area, and four miles west of Humble No. 1 Ellwood, an 8,902-foot failure.

Activities

Continued on Page 1

Workers in the rural areas were doing an excellent job. The Hartwells community was credited with sales of \$2,575; Lomax reported \$2,025; and \$375 was cleared through the Forsan postoffice.

Howard county was standing about on the average with the state as a whole—but Chairman Ted O. Groebel urged his workers to new efforts this week and called for all-out response from every citizen "so we can get this assignment completed ahead of schedule."

Efforts this week revolve around the theatres: On Thursday evening at 8:30, the Ritz is presenting, in a special war bond showing, "We've Never Been Licked," the film-story made at Texas A&M. Admission is by bond only, and these must be purchased at either the Ritz or bond headquarters in the chamber of commerce, beginning today. Admission tickets will be given with bond applications handled under those circumstances.

On the stage Thursday evening, war heroes will be presented. These include a group of army air force men from the Midland and Big Spring Bomberland schools who have returned from combat, with decorations.

Bonds of any denominations will get an admission ticket, with the exception that the Ritz logo seats go for a minimum of \$1,000. The State theatre is handling bond applications at its boxoffice, and every purchaser of a bond there will be admitted to the shows on Tuesday, Wednesday and Thursday.

War bond headquarters will be open daily, from 11 a. m. where names for the "Bonds for Buddies" Honor Roll may be listed. Persons buying bonds and dedicating them to service men (and bond to one man) will have their names published, and a special letter will be sent to the man in uniform telling him of the tribute paid him.

GREAT LAKES BEATEN
GREAT LAKES, Ill., Sept. 18 (AP)—Scoring in every period but the third, Purdue flashed an aggressive line led by Guard Alex Agase and a versatile backfield buoyed by Tony Butkovich to beat Great Lakes 23-13 today in the Boilermakers' opening game of the season.

Here 'n There

Youngest war bond purchaser at the Forsan postoffice this past week was Travis Dean Dempsey, four. He appeared at the office alone to buy a bond in honor of his Dad, who is in the service and stationed at Houston; and another for his uncle, Charles Dempsey, who is in India. Travis has another kinsman in the service, but will have to work a little longer to get enough money for the third bond.

Mr. and Mrs. Herman Whiteside, formerly of Big Spring, now of Slaton, are here visiting with Mr. and Mrs. J. F. Crenshaw until Sunday.

The Week

(Continued From Page 1)

tion calling for development of a water supply for a city of 100,000 people is somewhat far-fetched, but if the problem is attacked with this in mind, we may eventually see the end of worries that have plagued us periodically for more than a quarter of a century. Everybody seems agreed that we need a greater source of supply than we now have. We might as well face facts—it's going to cost us. It also will pay us.

Creation of a national U. S. 87 Highway association in Denver last week may have far reaching effects. Keen interest displayed by representatives from the north as well as those down this way demonstrated clearly that this can and ought to be made one of the nation's most important highway routes to handle traffic between the Americas.

Last week marked the first anniversary of the publication of "Big Spring—The Casual Biography of a Prairie Town." Thousands and thousands of copies have been sold and found their way all over the globe. Thus the community is indebted to Phillips not only for a good yarn about the town, but for more publicity than anyone ever dreamed this place would get.

Chiang Seeks New Offensive On All Fronts

CHUNGKING, Sept. 18. (AP)—Generalissimo Chiang Kai-Shek, making his first public appearance as president of China, called today for the cooperation of his country and her allies in an "all-front" offensive and declared that the surrender of the Italian fleet "determines Japan's ultimate doom."

China's war against aggression was effectively linked to the European battle theater by the surrender of the Italian navy, he said. "The safety of seaborne traffic through the Mediterranean has considerably shortened the Allies' route for the movement of troops and supplies," he declared. "Part of the Allied naval forces can now be shifted to the Far East. Broadly speaking, the capitulation of the Italian navy determines Japan's ultimate doom."

The generalissimo opened the fourth plenary session of the peoples political council and pledged the Chinese to fight until Manchuria is recovered. Reiterating a statement of 1941, Chiang said: "Our sacred resistance will not end until the last territory of our northeast is fully recovered and the liberty of our fellow-countrymen there regained."

This has been China's consistent policy, he said, adding: "military developments at present are bringing us closer to the attainment of our aim. We are more confident than ever in our ability to regain all our lost territory in the northeast and we will begrudge no sacrifice that the consummation of this task may entail."

Weather Forecast

Dept. of Commerce Weather Bureau

WEST TEXAS—Slightly warmer Sunday. Fresh to strong winds in the Panhandle.

EAST TEXAS—Not quite so cool Sunday. Rain northeast and extreme east portion. Rain moderate to heavy extreme northeast portion. Hurricane warnings on and near upper coast, strong to gale winds on central coast.

WOMEN MICE CATCHERS
SILETZ, Ore., Sept. 18. (AP)—Maybe the women of the Lincoln county Poma Grange are different.

The grange sponsored a rodent-catching contest, men against women.

The women won—bagging 92 mice.

9 Billions For Bonds Are In

WASHINGTON, Sept. 18 (AP)—The treasury announced tonight bond sales were \$9,532,000,000 in the first 10 days of the \$15,000,000,000 third war loan drive—and its figures are not complete for some areas.

Daniel W. Bell, undersecretary of the treasury, said the total includes \$516,000,000 of government trust funds. Not including the investment of these trust funds, \$9,016,000,000 or approximately 60 per cent of the goal has been raised.

The sales totals announced by the treasury include only money which has been actually banked through the Federal Reserve system. Consequently commitments and transactions not yet formally completed are not included.

Many municipalities and counties already have reached their quotas. Among the states, New Hampshire and Rhode Island have exceeded four-fifths of their quotas and New York and Utah have reached the three-fourths mark.

Delaware, Maine, Massachusetts, Minnesota and Virginia are other high-ranking states, averaging three-fifths of their quotas.

Summit County, Ohio, has reported a bond sold for every three persons in the county. For the state, the figure is one bond for every 23 persons.

Sermon Subjects Announced, New Pastor Arrives

The Rev. E. M. Smith, newest of the city's pastors, will fill the pulpit of the Church of God at West 4th and Galveston streets in both services today.

Formerly of Mineral Wells where he served for two years, the Rev. Smith will serve as district pastor (superintendent) of his denomination with supervision of charges at Lamesa, Sweetwater and Odessa.

Maj. L. W. Canning will bring two messages at the Salvation Army citadel today. His morning subject will be "The Attractions of True Religion," and in the evening, he speaks on "Where Is He."

The Salvation Army, incidentally, has launched a campaign to collect magazines and newspapers. Those who have them to give away should contact Maj. Canning.

"Matter" is the subject of the lesson-sermon to be read at the Church of Christ, Scientist today at 2 17 1-2 Main street at 11 a. m. today. The Golden Text is from Isaiah 42:8 and among citations from the Scriptures is Galatians 5:25. The passage from Mary Baker Eddy's "Science and Health with Key to the Scriptures" is from page 167.

At the First Baptist church the pastor, the Rev. P. D. O'Brien speaks twice today. In the morning his subject is "What Is Hell, Anyway." His evening subject is "Loyalty to God's House."

Acting Captains For Longhorns Named

AUSTIN, Sept. 18 (AP)—Coach D. X. Bible today named three letter-men who will alternate as acting captains of the University of Texas Longhorns during the 1943 football season.

They are Joe Magliolo of Galveston, blocking back; Joe Parker of Wichita Falls, end; and Ralph Fary of Austin, back.
