If you are member of the Class of 1966 of Dunbar High School, you will perhaps ask the question: "Has it really been 40 years since this class marched down the aisle to the tune of 'Pomp and Circumstance'?" Pictured above are more than 110

members of this class which took time to pose for this photo in the Dunbar Gym prior to graduation. The Class of 1966 are inviting as many of you who are Dunbar graduates or former students to join them at the Dunbar International 7th All-Class

Reunion which will be held July 13-15, 2006. The deadline, which is not far away, is May 31, 2006.

Registration fees are as follows: Single: \$75.00; Couples: \$135.00 (All-Combination); Lifetime Members: \$37.50. All

former Dunbar High School teachers are exempt from paying their registration fees.

The Class of 1966 has been working hard to have the largest members present at this upcoming event. According to an official of this event, as of Saturday,

May 20, 2006, more than 200 had registered. So the Class of 1966 is counting on more of you to join them.

As the Class of 1966 is saying, "We will be looking forward to seeing you July 13-16, 2006. It can't happen without YOU!"

In 1957, Black citizens were involved with Dunbar PTA!

Look what a great showing that the PTA had back in the day. If parents and faculty would get involved like this, think about what we could accomplish with our students. Thank you to all of the hard work of the Dunbar PTA.

It was just good to look back in the history of Dunbar High School, and see the involvement of Black citizens of the community involved. One way of getting involved was becoming a member of the Dunbar PTA. The officers of 1957 were Mrs. G. Sullivan, president; Mrs. A.G. Graves, vice president; Mrs. F. Parks, secretary; Mrs. R. B. Thompson, treasurer; and Mr. S. C. Struergs was principal.

The objectives of the Dunbar High School PTA, which coincided with those of the national scope, were:

1. Promote the welfare of children and youth in home, school, church, and community.

2. To raise the standards of home life.

3. To secure adequate laws for the care and protection of children and youth.

4. To bring into closer relations the home and school that the parents and teachers may cooperate intelligently in the training of the child.

5. To develop between educators and the general public such united efforts as will secure for every child the higher advantages in physical, mental, social, and spiritual education.

Wouldn't it be great to see this kind of Parent Teachers Associations in posture today? All could benefit from what was happening in those days.

Here she is, "Miss All Westerner" at Lubbock High

It's that time of the year for our young people to graduating from high school. As a matter of fact, the 2006 graduating class of Estacado High school will receive their diplomas Saturday morning, May 27, 2006, at 11:00 a. m. at the United Spirit Arena. It is our wish for this Class of 2006 to make many outstanding contributions which all of us will be proud. Not only is it pleasing to see these young people graduate, but the parents should be saluted for all they have done.

School doors will close for the summer for the Lubbock Independent School District today, Thursday, May 25, 2006. As of 2:00 p. m., another year will be officially over. Let's wish them the very best during their summer vacation. Let us who are driving in the community remember school is out. These young people are happy about being out and may not see you driving. Drive carefully!

The Christian Education Department of the Bethel African Methodist Episcopal Church, 2202 Southeast Drive, will sponsor its annual Vacation Bible School June 5 thru June 9, 2006, from 6:30 p. m. until 8:30 p. m. each evening. This year's theme is "The Jesus Family Reunion." Transportation will be available by calling 763-110 or 744-7552.

The public is invited. Come and join in with each evening of fun and celebration. Sister Elard Devenport is director.

Rev. Eddie L. Everline, Jr. is pastor. Delicious refreshments and crafts will be furnished each session.

The monthly meeting of the Federation of Choirs will be held Sunday afternoon, May 28, 2006, at the St. Matthew Baptist Church, 2020 East 14th Street, beginning at 2:30 p. m. Sister Bennie Sims is president of the Federation of Choirs, and she is personally inviting all who will be in attendance on Sunday afternoon. "We're looking for all of you!"

Rev. Eddie L. Everline, Jr., pastor of Bethel African Methodist Episcopal Church, will be preaching at the Bethel Baptist Church in Big Spring on Sunday afternoon, June 4, 2006, at 3:30 p. m. The Bethel Choir and members will be in attendance.

Minister Cheryl Martin, president of the Nurse Ministry of the New Hope Baptist Church, has some very good information about a Stroke. She advises if you are around someone who has apparently suffered a stroke. She advises to remember the first three letters: S - stick out tongue; T - ask them to talk; and R - raise their arms. This is very good information. This could become very valuable for anyone of us. Thanks, Minister Martin for sharing.

Speaking of other good

news happening at the New Hope Baptist Church where Rev. B. R. Moton is pastor. The New Hope Scholarship Committee is asking for young people who are members of New Hope and are graduating from high school or college/university to advise them. Could be there are opportunities for receiving a scholarship. The committee members are: Sister Dorothy Kinner, Brother Curtis Gipson, Sister Katie Gipson, and Brother Earnest Swain.

The deadline is May 31, 2006 for the registration to the Dunbar High School 7th All Class Reunion to be held July 13 thru 16, 2006. At this time, it has been reported more than 200 graduates, former students and friends have registered for this affair. Hopefully, more than five hundred will register for this event. Just think, thousands of graduates and former students have walked down the hallways of Dunbar on both campuses (Dante Avenue and East 26th Street). Surely, there are at least 500 who will register by May 31st. Shall we do so? Hope so!

Let us continue to pray for those who are sick and shut-in. Word comes that one of our retired educators, Mrs. Ruby Donaldson, has returned from her check-up with her physician at M. D. Anderson Hospital in Houston. She received a very positive report. Her husband, Brother E. J. Donaldson, traveled with her.

For some teens, summer means helping

ALPHARETTA, Ga. - As most teenagers spend their summer break soaking in rays at the beach or lounging around the house, some 215 junior high and high school-age students will be hard at work on a one week-long community service project in Lubbock, TX, June 10-17.

"World Changers," an initiative of the North American Mission Board (Southern Baptist Convention), is bringing a group of some 215 students to several Lubbock low-income neighborhoods to paint houses, replace roofs, and provide hope to residents in need.

"These students are showing the true heart of America," said Jim Burton, director of World Changers. "I think the people of Lubbock will be touched by their spirit and hard work."

This summer, more than 24,000 students nationwide will forego summer jobs and instead pay \$260 on average, to participate in 93 construction and community service projects from Alaska to Pennsylvania to South Carolina.

Lubbock's low-income neighborhoods will reap the benefits of

the visiting "World Changers," an initiative of the North American Mission Board (Southern Baptist Convention), in partnership with the Calvary Baptist Church and the City of Lubbock.

Teenagers serving Lubbock will take part in a variety of home improvement and cleanup tasks - including painting, laying drywall, repairing roofs, pouring cement, and planting flowers. The students are staying at Ed Irons Jr. High School for the week.

Special seats offer children a safety boost in vehicles

Children often leaping from child safety seats to seat belts, but when they do they miss an important transitional safety support - a special vehicle booster seat designed just for their size, according to safety experts at the Texas Department of State Health Services (DSHS).

When children outgrow child safety seats, usually at about 40 pounds, most are then restrained with a vehicle's safety belt alone, even though these restraints are designed for adults and do not fit children properly.

"If children have outgrown a safety seat but are less than 4 feet 9 inches tall, they need a booster seat," said Frank Lucera, director of DSHS Safe Riders Traffic Safety program. "It lifts the child so that the seat belt fits correctly." With a booster seat:

The lap belt will be placed low on the child's hips, rather than on the child's abdomen;

The shoulder belt will cross the center of the child's chest; and

The child's knees will bend at the edge of the booster seat, increasing comfort and fit. Only an estimated 10 to 20 percent of children 4 to 8 use booster seats, despite the fact that children in booster seats are 59 percent less likely to be injured in a motor-vehicle crash than are children who are restrained by safety belts alone, according to the Children's Hospital of Philadelphia.

Lucera also points out that airbags pose a high risk of death or serious, life-altering injury for children. "Even in vehicles with advanced airbags, which is a new technology that allows airbags to adjust deployment based on the occupant, children 12 and under should ride in the back seat," he said.

SAFE KIDS Worldwide estimates that children riding in the

back seat are 36 percent less likely to die in a crash than are children sitting in the front seat.

The National Highway Traffic Safety Administration has launched a new Web site at www.boosterseat.gov that features the following information for parents:

An interactive child seat guide. Enter the age, weight and height of your child and receive a recommendation for the type of child seat your youngster needs.

Child seat inspection information. Locate child seat fitting stations in your area where certified technicians can help make sure child seats are used correctly.

For more information about booster seats and other child passenger safety information, contact the DSHS Safe Riders program at 800-252-8255 or visit the DSHS Web site at www.dshs.state.tx.us/saferiders.

We Thank God for Jesus Lord, Thank You For The Un-Saved Man

Written by Evangelist Bill "B.I." Morrison, II - Your brother in Christ, Jesus always.

I Corinthians 9:19 - "What? Know you not that your body is the temple of the Holy Ghost, which is in you, and which you have of God, and you are not your own?"

Lord, I've been horn again, and I love you, and today I'm sanctified. I am a middle aged woman, and I need a husband, because I am 35.

Matthew 7:13 - Jesus said, enter ye at the strait gate; for wide is the gate, and broad is the way that leads to destruction, and many there be which go in thereat.

Sisters And Brothers, Wait On The Lord!!!

I've kept the first of your commandments, and done it from my youth. It is that I should love the Lord, my God, with all my heart, and that I do.

Luke 16:23 - Jesus said, no man can serve two masters, for either he will hate the one, and love the other, or else he will hold to the one, and despise the other.

Lord, I read and study your word, and I do witness to many folk. I'm a worker of the vineyard, and I'm out there everyday giving people hope!!!

Luke 6:42 - Jesus said, how can you say to your brother, "Brother, let me pull out the mote that is in your eye, when

you, yourself behold not the beam that is in your own eye?"

WPI A Sister Or Brother Rob God???

But Lord, I'm lonely, and years I've been patiently waiting on you to send a good man into my life, and that I know you should do.

Psaln 27:14 - Wait on the Lord; be of good courage, and he shall strengthen your heart. Wait, I say on the Lord!

Lord, now I've met this good looking man on drugs. I met him 2 months ago, and I'm dating him now to bring him to you, because he is on the wrong road!!!

I Corinthians 6:14 - Be you not unequally yoked together with unbelievers. For what fellowship has righteousness with unrighteousness? and what communion has light with darkness?

He is very poor looking, and has a very good job. This I can tell. I'm dating him now, because I don't want this good looking man in hell!!!

Genesis 6:23a - The sons of God saw the daughter of man that they were fair, and they took them wives of all which they chose. The Lord said, "My spirit shall not always strive with men for that he also is flesh."

Samson's Eyes Got Him Into Trouble!!!

Judges 14:2-3 - "not he came, and told his father and mother, and said, I have seen a woman in Timnath; the daughters of the Philistines. Now, therefore, get her for my wife. His father and mother said unto him, is there never a woman among the daughters of your brethren or among all my people that you go to take a wife of the uncircumcised Philistines? And Samson said unto his father, get her for me for she pleases me well.

Lord, he makes big money. He owns his own home, and has two Cadillacs. His wife died and left her wealth. It is just sitting there and I kind of like that!!!

I Corinthians 6:15-17 - What concord (agreement) has Christ with Be'lial-Ah? Or what pact has he that believes with an infidel (unbeliever)? And what agreement has the temple of God with idols? For you are the temple of the Living God. As God has said, "I will dwell in them, and walk with them, and I will be their God, and they shall be my people. Therefore, come out from among them, and be you separate, said the Lord, "And touch not the unclean thing, and I will receive you and you will be a father unto you, and you shall be my sons and daughters, said the Lord Almighty.

From the Desk of Parson D.A. Smith Hispanics must follow the "rule of law."

This writer continues to express his displeasure with the leadership of the Hispanic community who has put their people at risk in America for an agenda backed by the Mexican government. The poorest of the poor of Mexicans are being encouraged to immigrate to America at any cost to fix the hidden economic agenda of the rich and powerful of Mexico's ruling class and the greedy and wealthy cooperation of America through cheap labor. It is commonly believe by many that the Hispanic community in America should encourage the people of Mexico to remain in their homeland and stand for something and not be economically prostituted or pimped by the Mexican government. While it is true that many from other nations have left their homeland as immigrants and entered the United States legal and illegally, their journey to America was not being pimped by their government.

It is commonly believe among others that the Hispanic community in America could use the wealth and knowledge they have received in America to change the face of Mexico by political and economic investment. If Vicente Fox tells President Bush what to do about illegal immigration, surely the Hispanic community could show him that he is not in charge in America! If the

Hispanic community leaders would make their case to the United Nations against the ill treatment of their brothers and sisters in Mexico by Vicente Fox and his evil kind and back it up with financial developments in Mexico their success rate would far exceed that of taking over a portion of the United States of America.

Hispanic leaders also need to know by their sanctioning of illegal immigration they may have put in jeopardy three crucial sections of the Voting Rights Act that is set to expire in 2007. The Voting Rights Act has guaranteed millions of Americans the equal opportunity to participate in the political process.

Hispanic leaders need to understand on March 7, 1965, 600 people protesting frustrated efforts to register black voters in Alabama began a 54-mile march to the Alabama's statehouse in Montgomery to commemorate the killing of a young civil rights worker three weeks earlier.

From the middle of a bridge crossing the Alabama River, these people saw a sea of blue Alabama police and state troopers riding horseback and brandishing Billy clubs, tear gas and whips. The policemen ordered the marchers back. Instead, the marchers, people of all races, knelt in prayer. These people were beaten with nightsticks,

trampling on by horses and choked and cried because of release tear gas.

This moment "in time" set the stage for the Voting Rights Act. The blood and bodies of American with horse hoop prints, horse manure, police beating are written on the pages of the Voting Rights Act. This act set the stage to deal a death-blow to Jim Crow laws that were central to economic exploitation of blacks for more than 100 years.

Hispanic leaders need to know that in 1944, through the efforts of the NAACP counsel and Supreme Court Justice Thurgood Marshall, the Supreme Court issued a landmark ruling, Smith vs. Allwright, banning all-white primary election in Texas and setting the stage for the first tentative increases in black and Hispanic voter registration in Texas and other states.

Hispanic leaders need to understand that this writers negative action against former House Leader Tom Delay was his push for Redistricting the State of Texas had a hidden sense of running afoul of the Voting Rights Act that protected minority voters and especially Hispanics in Texas.

All Americans must understand that if our country is to be free, we must follow the "RULE OF LAW."

St. Matthew's Baptist Church News

The St. Matthew Baptist Church, 2020 East 14th Street, had good services last Sunday morning, May 21, 2006, with many members in attendance. The proud pastor is Rev. Edward Canady.

This week, we'd like to share a few comments on the following words about our mighty God. He is so awesome until we can't even imagine.

Our "God Is Powerful and Personal" Acts 17:22-31 So Paul, standing before the Council, addressed them as follows: "Men of Athens, I notice that you are very religious, for as I was walking along I saw your many altars. And one of them had this inscription on it - To an Unknown God. You have been worshipping him: without knowing who is, and now I wish to tell you about him.

"He is the God who made the world and everything in it. Since he

is the Lord of heaven and earth, he doesn't live in man-made temples, and human hands can't serve his needs - for he has no needs. He himself gives life and breath to everything, and he satisfies every need there is. "From one man he created all the nations throughout the whole earth. He decided beforehand which should rise and fall, and he determined their boundaries.

His purpose in all of this was that the nations should seek after God and perhaps feel their way toward him and find him - though he is not far from any one of us. "For in him we live and move and exist. As one of our own poets says, "We are his offspring." And since this is true, we shouldn't think of God as an idol designed by craftsmen from gold or silver or stone. "God overlooked people's ignorance about these things, but now

he commands everyone everywhere to turn away from idols and turn to him."

Always keep in mind, "God Is Powerful and Personal."

The monthly meeting of the Federation of Choirs will meet Sunday afternoon, May 28, 2006, at St. Matthews, beginning at 2:30 p.m. We are just happy to be here for this meeting. Let us be in attendance.

Let us continue to pray for those who are sick and shut-in, no matter where they may reside. It is our Christian duty to pray for those who are in need. Also, let us not forget those who have lost loved ones.

Thought For The Week: "if your mind goes blank, don't forget to turn off the sound."

Outreach Prayer Breakfast

The members of the Outreach Prayer Breakfast want to share a few thoughts with each of you as you may become frustrated in life about how things are going. This puts us in a posture to want to judge each other and want to put them down. Shall we look at these few words: "When To Judge"? Matthew 7:1-12.

"When To Judge!"

In life as look around in our community or in our own families, we will find many people who believe that Christians are told to never judge others. Now "proof" of this, they will quote Jesus' words in Matthew 7: "Judge not, that you be not judged." But in looking closer at what Jesus said shows that there are times when we must make judgments.

But in verses 1 to 5, Jesus warned us low easy it is to be blind to our own faults while we pick at the faults of others. For example, in verse 6, Jesus showed us the necessity of judging. He spelled it out clearly the necessity of judging. He told us, "Do not give what is holy to the dogs; nor cast your pearls before swine, lest they trample them under their feet, and turn and

tear you to pieces."

If we are going to follow Jesus' teaching, it is very important that we learn the difference between judging people and evaluating situations. But who among us is wise enough to consider any situation without condemning or judging the persons involved?

Therefore, it is why, in verses 7 to 11. We are told to earnestly ask, seek, and implore help from our heavenly Father. "Your Father who is in heaven (will) give good things to those who ask Him." Verse 11.

Let's keep in mind, if we must make judgments, it is important we must prayerful bare in mind that our God is the one who "will bring every work into judgment, including every secret thing, whether good or evil. (Ecclesiastes 12:14)

So no matter the situation you find yourself, remember always turn to God's Word for wisdom, no matter how bad things may seem. Always keep in mind, God loves all of us.

Saints, thanks for reading. Without your support, it would be more difficult. Let's stay on the same page, and continue to keep God's Word out front.

Thought of the Week: "The righteous Judge gives discernment to those who ask Him." Have you called on Him lately?"

Let us continue to pray for our sick and shut in citizens in our community and elsewhere. Just think there are many who are sick and shut-in today. Tomorrow it could be you. But no matter your posture today, still Thank God for all He has done for you.

Also, there are many of our Brothers and Sisters, who may not be physically ill, but are locked up in some City, County, State or Federal Prison. Don't forget about them as well. If we would look in our families, many of us would find we have someone in our families who have fallen short. But we can't give up on them. Shall we pray for them?"

If you are interested in attending our monthly sessions, let us hear from you. You may contact us by calling (806) 762-3347. Call us today. We'd love to have prayer with you.

1956 Panther Newspaper Staff

The Dunbar High School Panther newspaper in 1956 was a very hot item on campus. It sold for only a nickel.

The Panther staff was made up of students from the junior and senior classes. A student publication, The Panther was published once a month, and dedicated to finding all the news about Dunbar students, faculty, and relative community events. After news had been gathered, it was then printed and passed to everyone in the building.

The Panther staff members were: from left to right: Vernita Woods, proofreader; Bennie Johnson, Assistant editor; Johnnie Barnes, sports editor; Mary Austin, reporter; Betty Smith, editor-in-chief; Ola Smith, publicity manager; Bezel Bailey, reporter; Tommy Wyatt, business manager; and Miss Vivian Beverly, sponsor.

Hereford to be honored with fundraiser barbecue

A barbecue will be held Sunday evening, May 28, 2006, beginning at 6:30 p.m. in honor of Lubbock resident, Gayla Hereford. The event will be held in the residence of Coach Caylene Cadell, head coach of the Estacado High School Madador Girls' track team, 5609 72nd Street.

Gayla Hereford, a humble, courageous woman came to us a couple of years ago for help with what she described as "low self-esteem" and a poor self image. Now 43 years old, she recounts a story when, at age 15 and a student at Estacado High School, she was returning from a very successful track meet in Odessa. She medalled in every event she participated in and proudly displays these medals today.

However, tragedy struck on the return trip when a driver hit their vehicle, head on, causing massive head injuries to Gayla that left her face and neck disfigured.

When Gayla came to see the folks at Covenant, one of her goals was to some day be trained in a career that she would enjoy. This led to her referral to the Department of Assistive and Rehabilitative Services who, for the past year, has worked with us and the Texas Medicaid office to secure the funding needed for Gayla to have the surgeries that would repair the damage left by the accident. After 28 years, her dream of having the surgery and finding meaningful employment is finally becoming a reality.

With the help of Covenant Medical Center, this Sunday's event will help to educate the public of the many resources

Covenant Health System have available to assist individuals or families.

One of the purposes of the event is to raise funds to assist Hereford. At this time, she has utilized all community resources and needs funds to pay her bills including, electric, water, gas, rent, and food.

The Southwest Digest has learned that there may be a possibility for Oprah Winfrey may air a show on Gayla Hereford. The hard-working staff at Covenant has been sending information to Oprah for her to feature on her internationally syndicated show.

First Bank and Trust is going even further and wants to host

another fundraising barbecue in Gayla's honor at Covenant on June 16, 2006. They are providing all of the food, equipment and peoplepower with all of the proceeds going directly to the Counseling Center Account for Gayla at their bank. Watch for flyers with the location and time of the fundraiser. We encourage everyone to help us support Gayla in this time in her life where she proclaims loudly, "I am blessed".

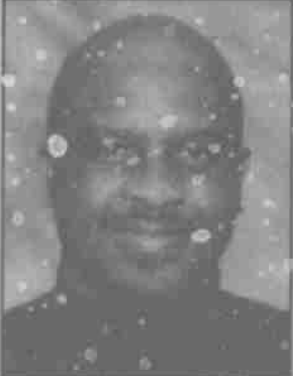

It is important for the community to know about these efforts. Perhaps the theme for this event is: "Rebuilding that Winning Smile: The Gayla Hereford Story."

THIS N THAT

by T.J. Patterson

EAST LUBBOCK CITIZENS COMING TOGETHER! THIS N THAT was invited to a meeting this week, **MONDAY, MAY 22, 2006**. The meeting was designed to discuss the upcoming **PUBLIC HEARING** to be held this Thursday morning, about the proposed **COMMUNITY DEVELOPMENT RESOURCES GRANTS**. The grants were recommended by the **CDBG BOARD**. The East Lubbock citizens were very **UPSET** over the amount of funds to be utilized for East Lubbock. The group thought the monies requested by the **NORTH & EAST LUBBOCK COMMUNITY DEVELOPMENT CORPORATION**, in the amount of **\$150,000**, would have been approved by the board. Because of this development, **A GROUP OF EAST LUBBOCK CITIZENS** is expected to address the new City Council beginning at 10:00 a.m. The group is hoping this meeting, which was held on Monday, will continue and there will be something positive from this effort. It was good to see the **LARGE NUMBER** of Black Pastors present. **THIS N THAT** has been looking forward for this kind of participation in the East Lubbock community. Anyway, the outcome should be positive, and the new

mayor, **DAVID MILLER**, will get a glimpse of what the **BLACK COMMUNITY** is all about. They are looking to see some changes in the relationship between **EAST LUBBOCK & THE CITY OF LUBBOCK**. Only time will tell, and **THIS N THAT** will eagerly be watching.

CHANGE PUBLIC HEARINGS BACK TO EVENINGS! **THIS N THAT** is hoping there will be wisdom on the new city council to bring back the **EVENING PUBLIC HEARINGS** when it comes to Community Development Funds. According to federal law, these funds are to be used in those neighborhoods. In past times, those **CDBG Public Hearings** were held at 6:00 p.m., and the City Council would sit in session until every citizen had spoken to the city council. Some sessions lasted until after midnight. No matter what one may think, it's just good to meet and see that things can happen when people sit down and communicate.

PENNY HASTINGS THE BARBER! **SAYS:** "The **CHARACTER** of your **CHILDREN** tomorrow, depends on what you put into their **HEARTS** today."

CONGRATS TO THE CLASS OF 2006! **THIS N THAT**

wants to take this time and wish the **CLASS OF 2006** the very best in all they may do in years to come. Young high school grads - don't get into a hurry, but take it **ONE DAY AT A TIME**. You've come a mighty long way, but still there is more you must do, and you can do anything you desire if you put your mind on it. There is no doubt about it **CLASS OF 2006**; the future awaits each of you. If you really look at life and begin to make positive steps in the right direction, there is nothing you can't do! **THIS N THAT** will be looking for you to do well. It is in each of you, and we're pulling for each of you. Each of you is wonderful and precious, and now comes the time when you need to get up and begin to make things happen. **STAY IN THERE** Class of 2006, because the world is waiting for you to make your mark.

SCHOOL IS OUT, DRIVE CAREFULLY! **THIS N THAT** is still asking that those of you who are driving to and from work or travel, to be careful because school doors closed this week, and our precious little children are very happy about it. They may forget to look before they cross the street, so **LOOK OUT FOR THEM!** Please drive carefully!

Think About It! Make the best of each day

by Eddie P. Richardson

No one knows what tomorrow will bring so that is why we should make the best of each second, minute, and hour of each day, because no one knows what lurks around the corner.

Yesterday is gone; tomorrow is not here. So be in love with today, and make the best of today. It is always good to plan and think ahead for the best. Even stride for the same, but always in the back of your mind, be aware that things do not always come as you would like. So be prepared just in case there is a bump in the road and things don't do go as you had planned. When there is a set back and unprepared accidents happen, stay tall and continue with vigor.

This writer has learned the hard way. Things can happen unexpectedly. Just as of April 5, 2006, between 8:15 p.m. and 8:30 p.m., I slipped and fell, breaking my knee in three places. I had surgery April 6th, and remained in the hospital until April 24th. At that time, I was transferred to the Lubbock Hospitality House Nursing and Rehabilitation Center for continuing therapy. As of May 15th, I was released to a friend's home and not my own, because I am still taking therapy and home care. My physicians

would not release me to go home and live alone because of safety reasons.

When a person is not mobile and in pain, they have plenty of time to reflect. You observe that many things are not as they appeared in life or as important as one would thought. Of course, there were some good things to recall. But the truth and no fiction is what one needs. One learns who their friends are and who they are not. You have time to focus on what's important and not. You will realize a lot of things are not as they may appear. Also, you will discover people are not what they may appear under other circumstances.

All that this writer is attempting to make known is that when you see the real light and see the truth, you will see the real important things in life. It is easy to see that your religion, family, love, and satisfaction in what you do are very important. Money does not buy happiness; it only buys convenience.

America is the land of the free! One very disgusting thing, at this time, is immigration from other countries. There is an apparent draining of our welfare and aid system in America.

But what really makes one become angry is when other countries flag and protesting America on our soil. Don't get us wrong, there is nothing wrong with protesting, because that is the America way, but don't protest in America with a flag of another country. This is complete disrespect of America.

The Dixie Chicks are Americans and a large taxpayers, because they have made large amounts of money. They spoke their own words in public. There are those who disagree with what they are saying, but they are citizens of the United States of America. For those of you who are complainers about what the Dixie Chicks may say, but don't condemn them and protect them.

Do they (Dixie Chicks) have a right to their opinion as tax-paying Americans? Agree or disagree with them, this is the United States of America. That is what makes America different and the greatest country in the entire world. You see we as Americans have the freedom of assembly, freedom of speech. You may agree or disagree, but disagree and still respect the American way of life. Don't protest with another country's flag when you are using America's resources.

In Cinque

by Renetta Howard

Almost every red blooded working American has the ideal dream of some day being a home owner. Some Americans do not have to work and dream because their parents or other relatives have done the work and make home ownership possible for them. None-the-less, they feel and experience the dream. Some people in realizing their dreams, often purchase more than one home in their lifetime. Some people sell their first home and move up the price ladder to a larger more comfortable home. Then there are those first home owners who choose to keep their first home when they move and use it as rental property.

Howard

meaning when you become involved in rental property. Sometimes the homeowner has not paid the mortgage on his first home when he embarks upon the second home and therefore uses rental income to offset the payments. In most cases however, due to credit ratings and personal income, most homeowner with two homes can meet their obligations without the rental income. As a matter of fact, it should be possible, because the rent business is not all that it is cracked up to be.

Renting real estate property can be a disillusioning situation depending on the landlord-tenant relationship. It can be the kind of relationship where the tenant follows all of the provisions of the rental agreement and pays his rent on time and keeps his landlord up to date on the status of his rental unit and in turn the landlord makes all necessary adjustment in a timely manner. This kind of tenant understands the difference between renting property and owning property.

On the other hand, there is the landlord-tenant relationship where the tenant feels that while he is in possession of the property that the landlord has no rights. He feels that he should pay rent when he feels like it, late or sometimes not at all. This is the kind of tenant who has an excuse for paying rent late or not at all. His excuses sometimes may have nothing to do with the property in which he is renting. This is the kind of tenant whom the landlord eventually has to take to court to collect his rent or evict, especially for non-payment of rent. Very few states have a provision for withholding rent, and those which do, have an escrow board to which the tenant must continue to pay his rent, though it is withheld from the landlord until problems are remedied. HUD, in all states have an abatement program with which it deals with landlords of Section 8 housing, but renters need to get 'in cinque' and realize that their first obligation to the landlord is to **PAY RENT**.

United Supermarkets, KCBD-TV to pay special tribute to veterans during commercial-free Memorial Day newscasts

United Supermarkets will honor America's veterans and pay special tribute to those who made the ultimate sacrifice for our freedoms next Monday with an event that allows families to focus on the true meaning of the Memorial Day holiday.

"A United Tribute" will be held near the Lubbock War Memorial in Humeke Park, #2nd and Memphis, on Memorial Day evening.

Following a ceremony by the American Legion at 5 p.m., Lubbock's NBC affiliate, KCBD NewsChannel 11, will broadcast both its 6 and 10 p.m. newscasts live from

the park. The commercial-free telecasts are being made possible through funding by United Supermarkets, Ltd., and company co-president Matt Bumstead will provide a welcome at the beginning of each broadcast.

The newscast will include stories about local veterans' wartime experiences. A three-minute video, "America the Beautiful," featuring music by Lubbock native David Gaschen, will conclude each newscast.

Following the 6 p.m. newscast, Gaschen will perform a live concert from the City of Lubbock's portable

soundstage, and United will provide hot dogs, chips and a soft drink for \$1.00. All proceeds from food sales will go to the American Legion.

The event is open to the public, and everyone is encouraged to bring a lawn chair or blanket and help salute the men and women who Lubbock, TX 79423

Thank you and the Southwest Digest for being a beacon of light in support of the city of Lubbock in general and East Lubbock in particular.

While growing up in Lubbock 1960-64 the Southwest Digest was the only source media information about east Lubbock, in print, with pictures,

Scones: The southern biscuit's British cousin

NASHVILLE, Tenn. - Just a few years ago, we only heard about scones in British novels, but now they are in bakeries and coffeehouses all over the country. Food historians think of scones as the ancestor to our Southern biscuit, but they are usually sweeter and richer than biscuits and often include dried fruit or citrus. "Scones are easy to make with self-rising flour, and these don't even have to be rolled out. Simply drop the dough onto a baking sheet," advises Linda Carman, a baking expert for the Martha White baking company. In the tradition of our finest Southern biscuits, this scone recipe is made with buttermilk, which not only enhances the flavor, but also keeps the texture nice and moist. For more wonderful biscuit and scone recipes, visit www.marthawhite.com

1 (7 oz.) pkg. dried apricots, chopped (about 1 cup)
1 egg, beaten
Buttermilk (about 2/4 cup)
1/4 teaspoon almond extract
2 tablespoons butter, melted

Heat oven to 400°F. Grease large cookie sheet. In large bowl, combine flour and sugar. With pastry blender or fork, cut in 1/2 cup butter until mixture resembles coarse crumbs. Stir in apricots.

Beat egg in 1-cup measuring cup. Add enough buttermilk to mix in measuring cup to make 1 cup. Stir in almond extract. Add buttermilk mixture to flour mixture; stir gently until soft dough forms. Drop 1/4 cupful of dough about 2 inches apart onto greased baking sheet.

Bake at 400° F. for 20 to 25 minutes or until light golden brown. Brush with 2 tablespoons melted butter. Serve warm or cool. Makes 12 scones.

Apricot Almond Scones
2 1/2 cups Self-Rising Flour
1/3 cup sugar
1/2 cup butter, diced
