Python Hold Gets Test At AC Again

Frankie Hill Murdock, the sleepy-eyed Fort Worth veteran, will try to bring his python hold back into play on the main event of the Big Spring Athletic club's wrestling program this evening when he ties into Big Al Getz, the cut-throat from Pittsburgh.

REX MOBLEY Meets Freeman

Murdock made quite a hit with the newly developed grip here last week. After putting Bucko Lipscomb to sleep once Frankie decided to eliminate the doubt of the Doubting Thomases in the audience by calling for volunteers who would determine whether or not the python would work on them.

A couple of the more intrepid came forward and Murdock applied the pressure. Their glims went out and in a hurry. They were immediately revived and claimed they never knew they'd been mesmerized.

Murdock then returned to his original assignment and put Lipscomb in the land of nod with the self-same hold.

In Getz, Murdock gets one of the goliaths of the junior heavy-weight class. Al is almost big enough to go up against the super-dreadnaught of the business.

Last week, he knocked over Ace Freeman rather easily. Freeman will try to bring his batting average to .500 in his preliminary match against popular Rex Mobley in the 8:30 o'clock week. Mobley, quite a chunk of man himself, hasn't been beaten here but he missed a week, which is why Promoter Pat O'Dowdy relegated him to the preliminary spot.

Angelo Contest Is Postponed

The District 10AA baseball game between the high school teams of Big Spring and San Angelo, originally scheduled to be played here Tuesday afternoon, has been postponed at least one day, Coach Conn Isaacs of the Steers has announced.

San Angelo's mentor, Johnny Klieck, requested the delay. The game's starting time would have had to been reset due to the fact that the local professional team is still playing day games. There is a possibility the lights will go on here Wednesday.

Odessa's Broncs come here for a bout Friday. The Hosess defeated the Steers, 24-23, in a wild contest two weeks ago.

In six starts to date, the Longhorns have been able to break the win column three times. Isaacs has seen his team defeat San Angelo, Sweetwater and Lamesa and lost to Abilene, Odessa and Midland.

Locals Collect 15 Base Blows

Behind the excellent three-hit elbowing of dapper Jose Cindan, the Big Spring baseball Broncs cakewalked to their ninth straight Longhorn league success here Sunday afternoon, defeating the Odessa Oilers, 12-1, to sweep a two-game series.

Big Joe was all there. Harvill Jakes found him for a third inning double that scored Al Ziegler, man from second base but otherwise he could not be touched. The good looking Cuban cut down 13 men on strikes and issued only two walks to turn in, far and away, the best pitching performance witnessed here this year.

While Cindan was at his best, the Hosess were working over three Odessa hurlers with accustomed ease. They drove out 15 base hits, including home runs from Manager Pat Stasey and Tony Traspuesto, and won the contest in the initial canto with a five-run assault.

Tommy Tuttle, Odessa's starting hurler, lasted less than an inning. His two successors fared little better. Stasey cleared the fence in left-center field with Gaspar Del Toro up front in the fourth inning, the blow coming off Lefty Conniff. Traspuesto powered one out that must have cleared the road beyond the left field barrier as the lead-off man in the fifth round. It was his third round-tripper of the season.

For the fourth consecutive day, every man in the starting Big Spring lineup hit safely at least once. Stasey collected a double and a single in addition to his four-baser while Traspuesto sandwiched his four-master in between two singles.

Leamon Bostick, rookie first sacker, also hit to satisfaction. Bostick pumped out a brace of doubles and drove in four runs, two of them in the big inning.

A crowd of around 400 persons, smaller than expected, set through the bout in perfect baseball weather.

LOOKING 'EM OVER

Don't be surprised if the cry "Break Up The Broncs!" rings throughout the Longhorn baseball league any day now. Imagine a diamond crew where seven of the eight regulars hit .300 or better, a team which boasts four .400 hitters, all of whom play every day. Imagine a nine which has two pitchers clouting the apple at a better than .650 clip, two others hitting an even .500. You get a fair idea of the power that enemy teams in the Longhorn family are having to face.

Pitching tells part of the story of the Broncs success—no less than eight hurlers went the route in the first ten games—but the hitting has been the outstanding feature in the local team's makeup.

In the first ten bouts, the Hosess dented the dish 150 times and rattled the boards for the astonishing total of 166 blows. That makes for an average of 15 runs and 16.6 hits an outing.

The common foe, on the other hand, has been able to score but 56 runs while collecting 90 hits.

The adversary had its biggest day with the hickory last Saturday when Odessa banged out 15 hits good for 14 runs but the Steeds were particularly warm on that day, collecting 30 safeties for the amazing total of 34 runs.

Manager Pat Stasey and Tony Traspuesto have been busiest with the mace. Each has 20 blows in 45 official trips for marks of .444. Stasey, incidentally, seems to be bothered little by southpaw flingers. He hit for the circuit against a wronghander Saturday and came back Sunday to get three blows, one of them a round-tripper, off a postleider.

The average:

Player	AB	R	H	PO	EA
Patterson	13	9	28	9	4
Jose Cindan	9	6	27	8	4
Leamon Bostick	10	8	30	9	4
Gerrit Rodriguez	10	8	30	9	4
Pat Stasey	45	20	144	45	20
Tom Traspuesto	45	20	144	45	20
Pepper Martin	21	23	43	13	6
Orlie Moreno	20	20	40	12	6
Andy Vlamonte	47	18	38	13	6
Gaspar Del Toro	44	44	44	14	6
Conniff	40	14	34	14	6
Mario Varona	40	11	27	10	6
Joe Traspuesto	40	10	20	10	6

Grade of league pitching is bound to improve. The local lads are trying to get all the base hits they can before the "recession" sets in. They want a cushion to work with when the night games come on and the every-day play gets to be a grind.

Howard McFarland, the Odessa skipper, who, incidentally, is expecting pitching relief from the higher leagues within a few days, says Our Town's Gaspar Del Toro is the finest second sacker in the circuit, without a doubt.

Del Toro turned in the most sensational play of the season in the nightmare Saturday when he ran far to his right to take a blue darter off the bat of Moose Womack and threw to Andy Vlamonte with his gloved hand in time to nip Tom McMath coming down from second. Andy, in turn, flipped to Leamon Bostick for the twin killing.

It now comes out. Tony Traspuesto of the Broncs battery act says his name is spelled that way and not Traspusto. Not that it makes any difference, he added.

Rebels Defeat Sports Twice, Felines Split

The hottest day of the year hit Texas yesterday and the Texas league teams performed in mid-summer style.

Whether the temperature had anything to do with it is problematical, but the four doubleheaders yesterday produced 91 runs and 148 base hits.

San Antonio swept two games from Oklahoma City, 6-5, 16-1; Dallas defeated Shreveport twice 15-0, 4-0; Houston and Tulsa divided, 9-8, 5-3; and Fort Worth split with Beaumont, 9-5, 3-2.

The double victory of Dallas broke a drought on runs and hits. Red Davis and Bob Finley paced the 25-hit attack with home runs. A Sunday afternoon crowd of approximately 6,500 turned out at Shreveport to watch the Sports shut out.

Big Reuben Naranjo, who topped league batters with a .417 average through April 30, helped his standing with a couple of home runs in San Antonio's twin victory. His first round-tripper broke a deadlock in the ninth inning and gave Marlin Stewart his third win of the season.

A four-run rally in the ninth enabled Tulsa to get a couple of extra chances to win its opener at Houston. In the eleventh hour the dividend paid off, but in the nightcap Houston staged its own last inning rally that decided matters. Two runs added to one in the eighth did the trick.

Burt Boyer drove in five runs with a pair of home runs and a triple in Beaumont's victory over Fort Worth. The Cowtown nine evened things up in the nightcap, however.

The three-game series between opponents yesterday will wind up today. Dallas goes after a clean sweep at Shreveport, while Oklahoma City eyes its first win at San Antonio. Tulsa is at Houston and Fort Worth at Beaumont.

Longhorns Near League Crown

By The Associated Press

Chances are the Southwest Conference baseball race will be settled this week. The University of Texas have already clinched a tie for the title and need only one more victory to cop the pennant. They have three more chances to get this single win.

Two victories over Baylor net only gave Southern Methodist University some much needed strength in the win column, but knocked Baylor's chances at the title higher than a kite.

Texas and cellar dwelling Texas Christian tangle tomorrow, but SMU and Texas A&M open the week's play today in Dallas. Friday and Saturday, TCU and SMU tangle at Dallas and Baylor tackles Rice at Houston.

Greatest Schoolboy Track Meet In History Ends Year's Program

AUSTIN, May 5. (AP)—Except for baseball, in which no state champion will be determined, the sports year is at an end for the Texas Interscholastic League.

It was closed out last week-end with the greatest track and field meet in Texas schoolboy history, with three records being set, one tied and at least six marks hung up that should be tops in the nation's scholastic standings.

Corpus Christi's Buccaneers, who fought illness and other tough breaks all season, got well at just the right time. They swept up two first places, two seconds and a fourth for 46 points to beat out Austin High for the title. The mile relay team did 3:24.6, a new state record and probably the fastest time in the nation this year. Bill Graf won the half-mile in 1:58.8—the second fastest 880 yards ever run by a high school boy in this state. The fastest was 1:55.4 by Ross Bush of Stasest (Dallas) in 1933. Bush went on to establish the present national record of 1:54.4.

Arthur (Red) Brown surprised with second places in both the 100 and 220-yard dashes and Gene Wilson took fourth in the low hurdles.

Corpus Christi's triumph was something of a surprise all the way around. The Buccaneers had been considered strong but when their spirit relay team was disqualified in the preliminaries, their backers just about gave up on them. But Graf and Brown hadn't been expected to place as high as they did and when Brown topped-off a big day by running a blazing 49.5 in the anchor lap of the mile relay it meant the championship.

Other top marks turned in at the meet were a 4:25.0 mile by Javier Montes of Bowie (El Paso), a 14 flat high hurdles by Lee Miller of Burbank (San Antonio) that tied the national scholastic record, a 22.3 low hurdles by Cle-

burne Price of North Dallas and a 440-yard relay of 43.1 by San Antonio Tech.

Texas already hold one national scholastic record and a tie for another. Bush's mark has been on the books 14 years. Bill Hamman of Sunset (Dallas) tied the national 200-yard low hurdles record of 22.1 in 1941.

Charley Parker, when running for Thomas Jefferson (San Antonio) bettered the national 220-yards record of 20.7 with his 20.6 but it was never allowed because there was too much wind.

Montes' mile was within 2.7 seconds of the national record and Corpus Christi's relay mark lacked only 3.2 seconds of the record.

Here's play the whole family can enjoy! Make a night of it and enjoy laugh-filled companionship while muscles get a workout earning high score.

Former Aggie Raps Tendency For Controversy

COLLEGE STATION, May 5. (AP) A former president of the Texas A&M ex-students association, Marion Church, of Dallas called on all Aggies to act solely in the best interests of the college.

Church noted the tendency of older Aggies to take one position and younger Aggies the other at the annual spring meeting of the ex-student association yesterday. He urged both groups to act for the benefit of the college.

"Controversies come and go, but A&M goes on forever," he declared. Previously, the ex-students association council passed resolutions expressing full confidence in the college's board of directors and approval of the reorganization of the athletic department.

In a resolution taking a position on "recent serious and disturbing upheavals" at the college, the association said "we regret that the situation has resuscitated in such harmful publicity, inflicting great damage to our institution."

The resolution urged "that the legislative committee continue to make its investigation carefully, completely and without fear or favor" and make a full and complete report of findings to the people of Texas.

Officers elected yesterday were A. E. Hinman, Corpus Christi, president; Clarence Elwell, Austin, and Tom C. Morris, Waxahatchie, vice presidents; C. P. Dodson, Decatur, J. B. Hervey, Dallas, Ed Caraway, Kilgore, were named to the executive board of the association council.

Texas Jewish War Veterans Hold Meet

WACO, May 5. (AP)—Texas Jewish war veterans yesterday adopted a resolution asking the immediate admission of 100,000 Jews into Palestine at their one-day state convention.

The group also adopted a resolution asking the removal of ceilings on ex-service-men's on-the-job training benefits.

Dallas was selected as the site for the convention.

Charles Mayer, Dallas, was re-elected state commander and Henry Greenberg, Galveston, state junior vice-commander.

Cooperation But Not Combination

The CIO and the AFL have ended their merger talks without any sign of striking the long awaited peace within labor. The rival union combines, however, did agree to join hands in opposing anti-labor legislation. It is sort of an eleventh hour alliance and it may be too late to bring its full force to bear. The fact that little headway was made toward a merger may raise the question of whether they can cooperate unreservedly against restrictive labor statutes. If so, there may be reason to believe that they can compose internal differences and work out a plan for sound combination.

This does not necessarily imply monopoly. There is such a composite of organizations within a major group that the danger of monopoly is not there. It occurs in industry-wide fields just as in business. On the other hand, the reduction of rivalry might be a means of, avoiding many difficulties which arise out of ill-advised militancy born of a desire to draw others into the fold. It might also curb foolish but internal differences which have flared into violence and bitterness. Exigencies of the times may induce a new note of harmony within labor, but as to a merger, it seemingly is not near at hand.

Why Not Expand The Service, Too?

Within 10 days bids are to be received in Washington on continuation of a star route mail service from San Angelo to Big Spring. What we could never understand about the project is why, after hauling the mail 90 miles, it cannot be cleared through the Big Spring office. That would mean that mail service from San Angelo to Big Spring also would be improved by half to a full day. In the rare instances where Big Spring mail has found its way into the star route sacks, it works its way up and down the T&P for a day or so before it finally gets back. It would be equally as simple to have the mail left at the local post office at the depot, giving San Angelo and Big Spring residents both increased service. A return package would further promote benefits, giving San Angelo much earlier delivery on mail from the west.

Whatever happened to flaming youth? Winding up a week as Ernie Pyle memorial lecturer at Indiana University, I find myself even more of a stranger to campus life than I expected 15 years after they stuck a sheepskin into my hands and hoisted me off on a defenseless world. I have a depressing feeling that present day students are a lot drier behind the ears than friends I slept through classes with half a generation ago. They take their work and play and life in general more seriously than we ever did. Either that or—as I suspect—they regard me as too old and doddering at 36 to be let in on what really is going on in undergraduate life. When I was studying to get what euphemistically was called an education, everybody was convinced the younger generation was going to be the devil in a handwagon. At the very least they suspected we were learning more in rumble seats than we were in lecture halls. They had a point, too. We used to feel self-complacently, rascally and raffish because ministers across the land still were denouncing colleges as state-paid love nests and politicians were labeling them cesspools of sedition. Personally I never learned much about love nests—all the co-eds ever gave me was a hard earned slap in the face—and I couldn't even spell sedition. I just figured the ministers and politicians were talking about the boys in the fraternity house up the street, whose dads' sent them more money. But it was nice and soul-fill-

Flaming Youth Gone?

BLOOMINGTON, Ind. (AP)—Whatever happened to flaming youth? Winding up a week as Ernie Pyle memorial lecturer at Indiana University, I find myself even more of a stranger to campus life than I expected 15 years after they stuck a sheepskin into my hands and hoisted me off on a defenseless world. I have a depressing feeling that present day students are a lot drier behind the ears than friends I slept through classes with half a generation ago. ing to know that all our elders were worried over how we were gambling down the primrose path—even though, with only \$55 a month to live on, I thought I was walking on thorns. About the only thing the moral Beagles were right on was contention the college boys were drinking too much. I do believe that at the average Saturday night dance the blood content of most fraternity men contained more than the 3.2 per cent alcohol allowed by statute. Today the college students both men and women—seem to drink much less than in my time. Alcohol no longer is an adventure or a forbidden lure. Much of the fun of college drinking went out when you no longer had to buy it illegally behind a taxi stand at \$2 a pint—stomach-suffering stuff that aged a freshman into a senior overnight. Or so she felt the next morning.

US Synthetic Rubber Excels German

CLEVELAND, (UP)—American synthetic rubbers are widely different and vastly superior to those utilized by the Germans. Dr. Marlan L. Trumbull told the Petroleum Study Club of Cleveland. Dr. Trumbull said German synthetic rubbers were too tough and lost many of their desirable properties in reheating to soften them for use in the manufacture of tires. German synthetic rubber tires had only 20 per cent of the useful life of American synthetics," he said.

FDR'S PLANS FOR JEWS

In view of the current Palestine debate, some of the un-written history of Franklin Roosevelt's ideas on Jewish refugees may be important. This columnist is indebted to Morris Ernst, close friend of the late President who went to England to discuss the Jewish question with the British, for the details of Roosevelt's views. Roosevelt, according to Ernst, did not believe that the problem of Jewish refugees should be solved merely by taking over a large part of Palestine. He felt that the tragic uprooting of the Jews by Hitler was a world problem in which every nation should participate. In brief, FDR's plan included three parts: 1. Jewish migration to all countries—not merely Palestine. He figured 100,000 refugees should come to the United States, with a like number to England. 2. A world budget raised proportionately by all the United Nations to finance this migration. 3. Internal reparations for Jews inside Germany and Austria.

Washington Merry-Go-Round—Draw Pearson

WASHINGTON. — If the Army really wants to save money, here is one way they can do it: Eliminate such vacation-travel rackets as that pulled by Col. Maxwell Keeler, commanding officer of the Madigan General Hospital, Tacoma, Wash. Colonel Keeler recently had occasion to send an ambulatory patient, Pvt. Alvin Anenberg, from Tacoma to the Veterans Hospital in Northport, N. Y.—a trip across the continent. Ordinarily one non-commissioned officer is detailed to attend a patient of this kind who can walk. However, Colonel Keeler apparently saw Private Anenberg's trip as an excuse to go along himself, thereby visiting his old home in Connecticut; also to give several other men trips home—all at government expense. For the travel orders of Private Anenberg show that he was attended by a full colonel—Keeler, himself—together with Sgt. Lewis J. Braucher, Pvt. Lawrence Heding and Pvt. Donald J. Jenson. This is a big retinue of medical attendants to go across the continent with a patient who can walk. In addition, each attendant was given "ten days delay en route chargeable as leave."

ABCs Of The Telephone Strike

WASHINGTON, (AP)—If you've lost track of the telephone strike, here's an ABC-bringing it up to date. The strike started April 7. More than 300,000 workers walked out or stayed away from work, refusing to cross strikers' picket lines. Several thousands have reached settlements and gone back to work. But the unions claim more than 300,000 still are out. Local dial systems haven't suffered much. The big shutdown has been in the long-distance and toll lines and local manual services. The negotiations started last

Aleman Aids Hemispheric Security

PRESIDENT TRUMAN happily has described our distinguished guest, President Miguel Aleman of Mexico, as "a grand guy" — a designation which received thunderous endorsement Friday in New York City from an estimated million and a half cheering spectators who lined the streets through which the visitor rode under one of Manhattan's famous show-ers of ticker-tape. As that vast crowd indicated, it has been good to have Senor Aleman with us, and if he has enjoyed his stay half as much as we have, then a notable step has been made in strengthening the good-neighbor relations between our two countries. But his visit means more than that, for it moves us closer to that western hemispheric solidarity which is so essential to the peace and security of North and South America. That's a matter of extreme gratification in these hard days when the forces of peace work after the manner of our colonial pioneers — the loaded rifles at hand. President Aleman himself emphasized the necessity of solidarity in a speech which he delivered at New York's city hall where Mayor O'Dwyer conferred honorary citizenship of the city on him. Said the president: "Mexico's contributions to the work of the United Nations has been heartfelt and generous. But Mexico believes that the first step we must take in the furtherance of the ends pursued by that organization is to uphold a hemispheric solidarity strengthening the ties that bind the American Republics together."

Boy, 12, Writes Of Hollywood

HOLLYWOOD, (AP)—This is Boys Week; during which the nation's young men ride fire trucks, preside over court and perform other duties for their elders. In observance, Claude Jarman, Jr., is going to write a Hollywood column. The 12-year-old academy award winner strolled into the office with his baseball cap atop his head and looking as though he'd much prefer to be out fielding grounders than composing a movie column. Is he ambitious to be a newspaperman? "Only if I could be a sports writer," he said. The boy is nuts, about sports. Nonetheless, he set about his task of composition, while this boy left for the old swimming hole. By CLAUDE JARMAN, JR. Jane Powell went to New Orleans to raise money for the Texas disaster. . . Jose Iturbi leave the 3rd for Texas for the same purpose. . . Got a card from Margaret O'Brien who is in New York for a vacation. She told me that she was having a nice trip. . . Marshall Thompson better get back from Mexico City in a hurry. I hear his girl friend, Elizabeth Taylor, went to a dance at University High school while he was gone. I'm trying out for the baseball team being organized by the MGM studio club, under the direction of Cotton Warburton. I hope to make center field. But I'll stick to football. . . My favorite actor on the MGM lot is Wally Beery, now that Gregory Peck isn't there. I'm partial to Mr. Peck because of "The Yearling". I saw "The Mighty McGurk" three times. . . Another good picture is "Alexander's Ragtime Band." I like musicals. . . I'm going up to help out the Girl Scouts in Fresno this weekend. The girls are trying to raise funds for a camp. I told my dad I've got to be back by Sunday for baseball practice. I've been to a lot of Boy Scout camps and

Affairs Of The World—DeWitt MacKenzie

Prices Plummet, Business Brutal

NEW YORK — Broadway managements have been viewing with alarm for months, and their worst final fears apparently are realized. Business indeed is "brutal." Until recently, there had been a few gloomy optimists who insisted that bad as it was, the slump couldn't last. But it has. Convinced that an upsurge was around a corner somewhere, Dario and Jimmy Vernon reopened their La Martinique after folding two months ago, but after an expensive month of added operation they have given up again. Several famous Broadway clubs are "C.O.D." meaning they lay must pay for their food and liquor as it is delivered, so bad is their credit during this slackening period. There are all sorts of definite suggestions that the lads had better pull in their belts a few more notches and try to wait it out. The Paramount Theater, one of Times Square's biggest movie houses, was the first to drop prices. Several others have followed. New plays coming to town are announcing admission prices will be \$3 a ticket, lowest since before the war. LEON and EDDIE'S, one of the big burg's most famous clubs, dropped drink prices from a wartime top of a dollar or more to a prewar norm of 75 cents. Few night clubs are turning profits. The monetary plunge back to prewar prices also has hit the theater. Biggest musical hit on the street is "Brigadoon," which scales its tickets from \$4.80 on week days and slightly more on week ends. The last Broadway musical to arrive on Broadway with this comparatively skimpy ticket charge was "Oklahoma," now in its fourth year.

Horses, Buggies, Taken In Strike

COLUMBIANA, Ala. (UP)—Thirty-one years ago this month, T. C. Rush became postal carrier on mail route No. 2. Today, four horses, two buggies, and 14 automobiles later, Rush is still on the route. Only seven of his original patrons are still with him. He has never missed a delivery and has swum across flood-swollen creeks and driven through forest fires to carry the mail. "LIFE WITH FATHER," faced with loss of its West 45th St. home before long when the handsome little Bijou Theater gets torn down to make room for a skyscrapering Broadway office building, has begun arrangements to shift for the warm months to the Alvin Theater, which has approximately twice the seating capacity of the Bijou. When it moves, plans now call for a ticket top of \$1.50 during the week, slightly higher week ends, in an attempt to catch movie audiences which have been educated to higher Broadway film admissions but not to the \$4.80 to \$7.20 which has been the expected charge for legitimate theatricals during the last five years. The fanciest night clubs have dropped cover charges. Some of the big, noisy Broadway saloons are experimenting with no minimum charges. Without much argument, it appears that Main Stem economists are following the Truman suggestion to cut prices. With these local lads, though, this new policy is as much a question of survival as it is a thumb in the national dike against inflation. MAHER STEPS DOWN ALDEN, Kan. (U. P.) His Honor, the Mayor, is just Mr. Maher now. Mayor Maher, who held the job for 28 years, has retired from the office.

Coal company Sends Bosses To School

RAYMONDVILLE, (UP)—Onion pies are no longer served in cafes at this southwestern "onion capital." Promoters of the Willacy County Union Fiesta, who long claimed they could prepare a full five-course dinner from onions, said they had learned from past boycotts that there was no demand for onion pie. "Only a few out-of-towners bought it," they lamented. "So our eating places stopped baking them."

Hyperion Clubs Hold Joint Meet

The 1946 Hyperion club entertained the 1905 and 1930 clubs in the parish house at St. Mary's Episcopal church Saturday afternoon.

Guest speaker was Max Reckner, interior decorator from Lubbock who displayed the latest materials and wallpaper combinations and gave a talk on house furnishings.

Mrs. R. E. McKinney presided over a short business session and officers for the three clubs were installed by Mrs. Maude Brooks.

Leslie Cathey sang two numbers accompanied by Mrs. Nell Frazier and around 60 persons attended.

High School PE Students Attend Mayday Gymboree

Big Spring high school students, accompanied by Arah Phillips and Anna Smith, physical education instructors, participated in a Mayday Gymboree at the Midland high school colors with each group teams from Odessa, Midland and Kermit.

The gymnasium was decorated in school colors with each group showing exhibits from their physical education departments. The local display included the top four books from a class of 200 in accident prevention. Books were made by Janice Dunnagan, Rebekah Lloyd, Betty Jean Underwood and Joycelyn Clark.

The local dance team was composed of Donald Phillips and Joyce Howard, Eddie Houser and Vera Dell Walker, George Worrell and June Cook, Forest Ebbs and Hazel Canning, Jerry Houser and Katie Jones, George Oldham and Frances Phillips, Pat Lamb and Betty Morgan, Corky McDonald and Leslie Cathey, Jimmie White and Bobby Dyess, Ronald Johnston and Yonnie Lomax, Pat McDaniel and Patsy McDaniel gave three numbers, Put Your Little Foot, "Mazurki," and "Ten Pretty Girls." Virginia and Domingo Costello presented a Mexican hot dance.

Students were welcomed by Midland superintendent of schools, Frank Monroe.

'Incorrect Appraisal' Charged To Marshall

MOSCOW, May 5. (AP)—The newspaper *Investia* today accused U.S. Secretary of State George C. Marshall of making an "incorrect appraisal" of the Moscow foreign ministers' conference in his recent radio address to the American people.

The editorial also criticized John Foster Dulles, Republican member of the US delegation to the conference, for "distorting the facts" in his summing up of the conference.

In Marshall's speech of April 28, *Investia* said, "efforts were made to place responsibility for the results of the work at the Moscow sessions of the council of foreign ministers on the Soviet delegation."

"The secretary of state does not conform to the facts in his analysis of the situation. He gives a picture of the Soviet delegation in a false light and distorts the meaning of the Soviet proposals."

Woman Missing Eight Days 'Just Shopping'

SHREVEPORT, La., May 5. (AP)—Forty-six-year-old Mrs. Loree Hartman, the object of an eight-day search in three states, has turned up at her Minden, La., home with the explanation: "I've been doing some shopping."

Mrs. Hartman said she had done her shopping in San Antonio, Tex. Furthermore she had the bundles to prove it.

She added later that she had been dependent since the recent fire which destroyed her home and "wanted to be alone for a while and rest up."

Officers Installed At Ranch-Style Luncheon Given Here For Study Club

Installation of new officers and introduction of guests highlighted the program and luncheon given Saturday by the Forsan Study club at the Settles hotel.

A ranch theme was carried out in room and table decorations and Mrs. Jack Holladay acted as ranch foreman. The club colors of gold and brown were used on place cards.

Following the introduction of guests, the group sang "Home On The Range," and a trio composed of Mrs. E. N. Baker, Mrs. W. L. Johnson and Mrs. Bill Conger, Jr., sang the club song accompanied by Mrs. M. E. Perry.

Mrs. Bob Godwin gave the club collect and Mrs. W. B. Dunn gave the welcome address.

The trio sang "Ridin' Down The Canyon," and Mrs. Perry played several selections as the concluding number on the program.

Mrs. Herman Williams of Midland, former president of the club, presided at "branding time" which was the installation service. Corsages for new officers were on miniature wagon wheels, and participating in the ceremony were Mrs. W. B. Dunn, president; Mrs. Frank Tate, vice president; Mrs. Jeff English, recording secretary; Mrs. G. B. Hale, corresponding secretary; Mrs. J. B. Sowell, treasurer; Mrs. Bill Conger Jr., parliamentarian; Mrs. Bob Godwin, historian and librarian; Mrs. J. D. Leonard, critic and reporter. Mrs. Dunn was presented with a past presidents pin.

Members attending were Mrs. E. A. Grissom, Mrs. Ray Freeborne, Mrs. Lois O'Bar Smith, Mrs. C. V. Wash, Mrs. Baker, Mrs. Conger, Mrs. Dunn, Mrs. Hale, Mrs. Holladay, Mrs. English, Mrs. Godwin, Mrs. Johnson, Mrs. Miller, Mrs. Leonard, Mrs. Sowell, Mrs. Tate and Mrs. Perry.

Guests included Mrs. Williams, Mrs. Ben DeFever, Mrs. Watkins of Garden City, Mrs. Blessee Cathcart, Mrs. G. D. Kennedy, Mrs. Bob Huntcutt, Mrs. Muri Barley, Mrs. O. S. Clark, Mrs. Lillie Mae Johnson, Mrs. Clarence McCluskey, Miss Nell Rodgers, Miss Laura Whittenberg and Mrs. Glen Whittenberg.

Students At Five Schools Invited To HCJC Event

Invitations were extended today to students in five neighboring high schools to attend the climaxing event for Pioneer week at the Howard County Junior College.

The Pioneer week activity was launched this morning at a special assembly at the college. The high school students will be featured at the college Friday.

At the same time, a delegation of musical entertainers from the college, accompanied by Dean M. J. Fields, Joe Pickle and Edith Gay, departed on the first of three booster trips.

High schools on the itinerary today included Coahoma, Westbrook, Colorado City, Lorraine and Roscoe. Other groups will visit more area high schools and extend invitations to students on Tuesday and Wednesday. The Tuesday schedule will include stops at Forsan, Garden City, Midland and Stanton, and on Wednesday schools at Ackerly, Flower Grove, Spangenburg and Tamesa will be visited.

Highlights of the Friday program at the college will include a barbecue, sponsored jointly by local service clubs and the chamber of commerce. All service clubs of the city will have delegations on hand Friday to welcome the visitors. A ball in the gymnasium will conclude the day's activities.

Rural Grade School Exercises Scheduled

Graduation exercises for students of Howard county rural elementary school students will be conducted at the municipal auditorium starting at 8 p. m., Monday, May 19.

Principal speaker of the event will be Dr. Dick O'Brien. All schools outside of Big Spring will end classes Friday, May 23.

Joint P-TA Meet Wed.

A meeting of the Big Spring Parent-Teacher Association will be held Wednesday at the First Baptist church with an installation service in the afternoon.

Unit presidents and chairmen will give reports of the year's work from 10 to 12 o'clock and a covered dish luncheon will be held at noon.

Formal installation of officers in all P-TA units will be held at 1 o'clock, and a school of instruction will be conducted.

Mrs. Jimmie Mason, speaking for the council, has extended an invitation to everyone to attend the meeting, and has urged officers and chairman to be present and to bring scrapbooks.

Wade Trial Starts In District Court

Trial of Woodrow Wade, charged with driving while intoxicated (a second offense), got underway in 70th District court this morning.

Wade was picked up by members of the city police force last March 10. He requested a trial by jury.

Col. Coulter Sublett Heads Officers Group

SAN ANTONIO, May 5. (AP)—A two-time bronze star medalist, Col. Coulter R. Sublett, of Tyler, will head the Texas Department, Reserve Officers' Association for the coming year.

Col. Sublett was elected yesterday at the final session of the group's meeting. He commanded the 69th Ordnance group in the European theater of operations in World War II and is a past president of the Tyler chapter, ROA.

The Chiropractor and You

No. 12 of a series of articles published in the public interest to explain and illustrate the practice of Chiropractic

HOW ARE SUBLUXATIONS PRODUCED? Subluxations are produced in two ways. They may be produced by a sudden wrenching or twisting of the body and retain the position which they assume at this time for months or years, unless they meet with some concussion which returns them to normal positions. If these subluxations remain only that degree of abnormality which they originally assumed, and if they are severe enough to produce immediate symptoms, they may be designated as acute.

The other form of subluxation is that wherein the vertebrae gradually alters its position, becoming more and more abnormal as time progresses and producing an increased pressure which is manifested by a continually increasing abnormality in the tissue cells.

The Chiropractor is thoroughly trained to detect the abnormal positions of the vertebrae in the spine. He is further trained in the technique of restoring these vertebrae to their normal positions.

CASE HISTORY No. 27014. A business executive who had sat down sharply on the edge of a chair and hurt the base of his spine. The pain spread down his right leg to the tips of his toes and shortly the leg became paralyzed. Extensive medicinal treatment failed to relieve the condition and he was ordered to hospital for observation. After six weeks he was discharged as "incurable". A colleague suggested Chiropractic and with considerable skepticism he visited a Chiropractor's office with the help of friends. Spinal X-rays were taken and a badly misaligned vertebra was revealed. An adjustment was given and within two days the patient was able to get out of bed unassisted. Two weeks later he was able to take care of his business.

FOR FURTHER INFORMATION concerning the modern Chiropractor and what he can do for you, Phone 419. Appointment only.

Grocer Wants That Signature

WASHINGTON, May 5. (AP)—Comptroller General Lindsay C. Warren says he's sorry, but E. M. Lansborough can't get a \$37 government check cashed until he finds the woman in the case. That's what Lansborough—owner of a Park River, N.D., store—has been trying to do the past several months. He has enlisted the aid of Senator Young (R-ND) as well as the war department without success.

His troubles began when a new clerk in the store cashed a family allotment check for \$37 made out to Eva Johnson, rural, Dunseith, N.D. "She purchased some items at our meat counter, but neglected to endorse the check," Lansborough said in a letter to Young. The merchant tried to trace her—merely to get her endorsement on the check so he could cash it—but discovered she had moved and left no forwarding address. So Lansborough sent the check on to the comptroller general's office and asked if they couldn't cash it anyway—since it was just a technical error. But Warren said he couldn't. What's more, he kept the check, saying there was nothing on it to indicate that it belonged to Lansborough. His office will keep it until it receives a statement from Eva Johnson saying Lansborough is entitled to payment, Warren said. The war department told Lansborough the check was based on the military service of Mrs. Johnson's son, Robert. But it couldn't help. The only address it has for Johnson is general delivery, Dunseith.

Prison Race Riot Probed By Army

FORT LEAVENWORTH, Kas., May 5. (AP)—The army continued its investigation today, into the Fort Leavenworth disciplinary barracks race riot in which one person was killed and 11 injured, but made no comment on its preliminary findings. Normal routine was resumed at the barracks. The customary mess hall seating arrangement, out of which the rioting stemmed, was in effect with Negroes and whites being served in the same room but at separate tables. Long smoldering resentment of the whites over eating in the same mess hall with the Negroes flared into the open Friday. The rebellion was brought under control Saturday night.

STOMACH FELT TIED IN KNOTS

"Every time I ate a meal I felt like my stomach was tied in knots," related one man recently. He also said: "I would fill up with gas and have awful gas pains. I got short of breath and thought my heart would stop from gas pains around it. I tried pills, salts and powders of all kinds, but without relief. Then I got Inner-Aid and my gas, bloated and stomach gas pains have disappeared. Don't get short of breath any more and feel better all over. This medicine is the Best Ever."
INNER-AID is the new formula containing medicinal juices from 12 Great Herbs; these herbs cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering. Get Inner-Aid. Sold by all drug stores. (adv.)

Only Private Carrier In World On Cruise

LOS ANGELES (U.P.)—The world's only private aircraft carrier, the 142-foot motor yacht "Breerina Thru," is ready for a Central and South American cruise.

Owned by Mearl Sprout of Pasadena, the yacht carries on its "flight deck" a four-place amphibian sea-bee with which Sprout intends to explore the upper reaches of the Amazon. The plane is put on and off the ship by a crane.

FRESH BLOOD A MUST FOR FREE ENERGY

Do you feel like you are tied to a drag evertime you try to do something? If so, don't let a low blood count hold you down when you may release vibrant energy to every muscle, fibre, cell. Every day—every hour—millions of tiny red-blood-cells pour forth from the marrow of your bones to replace those that are worn-out. Low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.
