

Run-Off Election Set Saturday

Saturday is another election day in our city and state, for the ballots will carry two names for State Representative, Place 2; and two names for Attorney General of Texas.

On the ticket for state representative are two Lubbock men. One, an attorney, Bill Gillespie, and the other a businessman Elmer Tarbox. On the ticket for Attorney General are the names of Crawford Martin and Franklin Spears.

The polls will open at 7 a. m. and close at 7 p. m. You as a taxpayer and citizen should exercise your right and go out and vote.

'Around the Hub City'

Now that school is out, we should be careful more about our driving. The little tots are busily playing in the street. Be especially careful when driving down areas where the small ones are playing games.

Among the students home from the various colleges are Lois and Joyce Graves, Paul Quinn; Charles Williams and Vickie Kyle, Prairieview; and Freddie Simmons of Texas Southern University at Houston, Texas. He plans to attend summer school.

Hundreds of swimming sports were on hand last Sunday afternoon at the opening of Mae Simmons Swimming Pool. The pool will be open each day and will provide swimming classes for those who are interested.

Mrs. Thresa Richie, a native of Wichita Falls, Texas, was in the "Hub City" over the week-end visiting with her two sisters, Mrs. April Rose Hobdy and Mrs. L. S. Graves. Her main reason here was to attend the graduation exercise of her niece, Cecille Joyce Graves.

Students from Mary & Mac and Dunbar High School were presented in a "Musical Recital" last Saturday evening, May 28th, at 7:00 p. m., in the auditorium of the First Methodist Church.

Summer school for Mary & Mac Private School, 902 East 28th St., will start on June 6th and last through July 29th. This special school is designed for students who would like to get ahead or improve your skills for the coming year.

Hundreds of delegates to the Knights of Pythian and Court of Calanthe Lodge should be arriving in the "Hub City" this week-end from all points of Texas. We would like to take this time and welcome all of you to our city and may your stay here be a pleasant one. In the next edition of the West Texas Times, a complete story of the Grand Lodge Convention will appear for our many readers.

"Around the Hub City" has learned from the "Wichita Falls Watch" that the world's fastest schoolboy, Reginald Robinson, a student at Booker T. Washington High School of Wichita Falls, has been elected president of the Student Council and will captain the defending state champion's football team next fall. He averaged eight yards per carry as a junior.

Lubbock newcomer families last week totaled 51, bringing the cumulative year's number to 1,177. At a comparable date last year, 1,072 new families had arrived.

The members of the Knights of Pythian and Court of Calanthe are sponsoring a "Fish Fry", tonight, Thursday, at Mary & Mac Private School. Everyone is cordially invited to come by and eat all the fish you can hold.

ANTOINETTE ROBERSON SELECTED VALEDICTORIAN

Out of a class of one hundred and ten students, the largest class ever to have graduated from Dunbar High School, Antoinette Roberson, daughter of Mr. and Mrs. Lawrence Roberson, 2405 East 28th Street, was named valedictorian. Second to her in the standings was Jeanette Nathan, daughter of Mrs. Ella Mae Nathan, of 2101 East 29th Street, and Austin Garrett, Jr., son of Mr. and Mrs. Austin Garrett, Sr., of 2101 East 30th, was named the highest ranking boy.

The class of 1966 choose as their theme: "Contemporary Demands", with a panel of senior experts delivering dynamic speeches in regard to the theme. This particular theme which kept the entire audience spellbound for the entire thirty minutes of splendid delivery. Damon H. Hill, Jr., served as moderator; while Nancy C. Graves compared "Public Interest with Private Comfort"; "National Greatness and National Decline" could not have been more vividly explained as it was by Jeanette Nathan. "Fresh Air of Progress vs Stale Atmosphere of Complacency" was the topic placed under the hands of Patricia Moore, which she so nicely explained. Last, but not least, was "Dedication vs Creeping Mediocrity" which was presented by Dianna G. Henderson.

With the motivation given in the speech of the moderator, Damon, the entire audience felt as though these young minds were displaying to them what should be done and what we should stop doing as adults in this growing society.

The Dunbar Choir, under the direction of Mrs. Eula F. Williams and Mrs. Vivian T. Cooke, as the accompanist delivered two outstanding numbers, "Praise Ye the Lord, Ye Children", and "From Sea to Shining Sea".

Lubbock Barber Dies Saturday

Funeral services for Wash Coleman were conducted at 2:30 p. m. Tuesday, May 31, at the St. John Baptist Church.

Coleman, son of Mr. and Mrs. Willie Coleman, was a 1954 graduate of Dunbar High School. He attended barber college at Fort Worth, Texas in 1957 and barbered in Lubbock for nine years at his own shop, Coleman's Barber Shop.

Funeral services were conducted by Rev. E. D. Toins, pastor, with interment at the Peaceful Garden Cemetery under the direction of South Plains Funeral Home.

Coleman is survived by his wife, Reble F. Coleman; two sons, Llewlyn and Wendell, and two daughters, Watricia and Carlene, all of Lubbock; his parents, Mr. and Mrs. Willie Coleman, Lubbock, two brothers, Willie, Jr. of Houston, and Tarter, Odessa; two sisters, Mrs. Annie Ward, Lubbock, and Mrs. Hannah Hollie of Fort Worth, and a host of relatives and friends.

A very intelligent person, Wash Coleman was respected by all of his peers and has done a lot for bettering his community.

The presentation of the class was made by Principal George Scott, Jr., to Mr. Jay E. Gordon, Director of Curriculum, while the presentation of diplomas was made by Dr. James M. Reynolds, a member of the board of trustees. Principal Scott presented the awards.

Invocation was given by Austin Garrett, Jr., while the Reverend A. W. Wilson, pastor of the Bethel AME Church, gave the benediction.

The class of 1966 marched into the Dunbar auditorium with the music of "Pomp and Circumstance" and left very proudly to the beat of "War March of the Priests."

Mary & Mac's First Graduate Receives Four-Year Scholarship

Dr. Milton K. Curry, Jr., president of Bishop College at Dallas, Texas, presented the first graduate of Mary & Mac Private School, Cecille Joyce Graves, with a four year scholarship, \$3,600. In addition to this, it entitles the graduate to enroll for a special program to be given at Bishop College beginning on June 13, 1966, which will last ten weeks.

This particular award was announced last Sunday afternoon, May 29th, at the first commencement exercise for Mary & Mac which was held at the South Plains Boys Club.

The solo graduate heard Dr. Curry tell her of the trying world which lurks not far away, and that she should prepare herself now in order to be prepared for tomorrow. He chose the subject of "Great Ships in Great Waters" for the graduate and those attending.

Mrs. Doris Bunton, an active member of the Parent-Teachers Association, gave the history of Mary & Mac. Musical selections were given by the Joelettes and the Mary & Mac Acappella Choir. Talented Julius C. Graves, III, displayed his ability with one of his famous organ selections.

Dr. Curry was introduced by

Thomas James Patterson, a former graduate of Bishop College, while Julius C. Graves, II, presented awards and diploma. Mrs. L. S. Graves, principal and founder of this institution, climaxed the affair with joyous remarks which left tears in the eyes of those who were present. She presented her graduate with a special award.

"There are two times of the year for which I hate to see come, last summer will attend a forty

and they are Christmas holidays, and summer vacation, because I hate to loose my children, but yet here is another time I hate to see come, for my students to graduate", were the happy words of the hard working principal, Mrs. Graves.

Rev. C. D. Collins, pastor of the New Light Baptist Church, gave the invocation and benediction. Cecille gave the first Senior Address in the history of the school. She choose as her theme: "Education is a Mountain; Climb It."

OPERATION HEADSTART PROGRAM TO BEGIN IN LUBBOCK JUNE 13

June 13th, Monday, is scheduled date in Lubbock for the 1966 Operation Head Start, second year for the government-sponsored anti-poverty program for culturally and economically deprived pre-schoolers.

Nat Williams, superintendent of Lubbock Public Schools, received the go-ahead on the program locally Thursday in a telegram from Gov. John Connally approving Lubbock's Head Start grant of \$133,577.

The eight-week combined program from June 13 to August 5 will

be conducted at 14 elementary school sites in the city and will be directed by Miss Trula Maud Jetton, consultant of primary education for Lubbock Public Schools. The program is under the supervision of Floyd Honey, director of special projects for the schools.

Fifty Lubbock teachers have been selected to teach in the project, which has for the first time been combined with the schools' annual pre-school for non-english speaking children.

New Commandment Added: 'Thou Shall Love Other Negroes as Thyself'

Houston--NPI-- A new law has been added to the commandments: "Thou shall love other Negroes as thyself."

The weekly Forward Times Newspaper in an editorial in its April 23 issue, added the new law, declaring: "If the Negro isn't your neighbor, we don't know who is. White people are sure (that Negroes are not their neighbors) because they move out as soon as you move in."

So when we get right down to brass tacks, we've really got very little choice except to make up our minds to start loving those who already are, and will be for a long time to come, our neighbors...

"We have got to train ourselves to see quality, genius, and talent in the Negro boy--yes, even the one standing on the corner..."

"We have got to train ourselves to see virtue; and lady-like qualities in our young girls."

The newspaper noted that "group divisions, group splits, and group suspicions have played prominent parts in the mark-up of our organizations, our families, and even our lives" because "Negroes have had such a 'hard way to go'."

"We have been actually pulled apart at the seams for generations stacked upon generations..."

"Our job is to help other Negroes no matter what their station in life may be, or we are in trouble," the editorial commented.

"When we see a Negro in trouble, we have got to come to his aid. Every time we allow a Negro to go down the drain, a little piece of us goes down with him..."

"We are not afraid of getting caught loving a lot of undesirable people, because love has a way of changing things..."

"What once was ugly, love can make beautiful. Our women are now the most beautiful in the world. Absolutely nobody can prove anything to the contrary."

"We'll stand Negro women up against any women anywhere. But then we were talking about love. If we love them and treat them right, they are even more beautiful. Try it."

"Our men are smart and they have brains. We put them up against any race anywhere."

"In our travels we have seen marvelous achievements made by Negro men. Almost always these men who had made great gains had faithful Negro women at their sides who respected them and gave them the encouragement to push on. They gave them love."

"We have got to love those close to us and those down the street also. It is not enough to love the members of our family and call it quits. The cab driver, the policeman, the thug, the pimp, the thief, the wayward boy or girl--we've got to love every Negro in town."

"Now if you are concerned about how to go about showing love for less desirables in the community, just be realistic. Show your love by doing something about getting them straight..."

MAN MADE

Osaka, Japan--NPI--Japan, a land-hungry nation which is slightly less than California in size, once again is seriously thinking of making its own land area, to meet the heavy demand for terrain on which to build more factories, homes and farms. In the northwestern part of Honshu, there is an island in the Japanese archipelago, the government is having Lake Hachirogata drained to provide some 85 square miles of farm land. The lake is the country's second largest.

MODERNIZATION

Lamberene, Gabon--NPI--Plans are underway to modernize the late Dr. Albert Schweitzer Hospital, to provide electricity, an improved sewage disposal system and sufficient purified water to meet the needs of the area's 1,500 inhabitants. The move is being led by the daughter of Mrs. Rehna Eckert-Schweitzer, daughter of the late Nobel Peace prize winner, in answer to criticism by some medical men over the hospital's sanitary facilities.

STILL ACTIVE

Nairobi--NPI--Despite suffering four reverses in nominations for the "little general election" which is being held in June, the Kenya People's Union of former Vice-President Oginga Odinga, has made application to be registered officially as an opposition party in Kenya. KPU was formed after Odinga broke with President Jomo Kenyatta's ruling Kenya African National Union (KANU) in April.

PRESIDENT ELECT

Zomba, Malawi--NPI-- Like many another African head of state Prime Minister Hastings Kamuzu Banda will be the first president of Malawi when the country becomes a republic on July 6. Banda was elected president by members of Parliament, acting as an electoral college.

SHY AWAY

London--NPI--Scotland Yard last week disclosed that one reason there are no colored policemen on the force is that few applicants have come forward, and of those who did, they failed to meet required standards. The "colored" designation included not only black men, but Indians, Pakistanis and other non-whites.

STARTING EARLY

Monrovia--NPI--Although the legislative elections in Liberia are still a year away, campaigns have already begun for seats in the 56-member House of Representatives and the 18-member Senate. Among the hopefuls is Shad Tubman, Jr., son of President W. V. S. Tubman, the chief of cabinet in his father's government. He is running for the senate in Maryland County.

LANGUAGE FIGHT

Kuala Lumpur--NPI--A major battle is developing in Malaysia over whether to make Malay the sole official language of the country and do away with English. The chief opponents in the row are Malaysian Premier Tunku Abdul Rahma, for Malay; and Sarawak's

'Norm's Notebook'

FROM THE PUBLISHER'S DESK...

Well, congratulations to all of you seniors who have just received that well deserved "Sheep-skin". You have earned something that was hardly possible for your people back at the time you were born.

Now, what do you do with it? You can hang it, frame it, claim it, and show it; be proud of it, and keep it all of your life, but there is no way you can eat it, and only one way you can use it to help you in later years to earn a living. Only by going back to school. That's right, back to school, and this time it's for keeps, because if you don't get another diploma to go along with the one the high school principal just handed you the first isn't worth very much.

Now the real test will come! For the last 12 years you have just had to put up with mom and dad, older brothers and sisters, uncles and aunts about you staying and graduating from high school. Remember how rough it was? Now you are going to find out how rough it can be. Now you are going to be faced with the problem of having to answer to your friends, acquaintances, and people you don't even know, wanting you to skip classes to play cards, go to shows, dancing, swimming, fishing, and even demonstrating.

This time though, there won't be anyone around to help you say no, it will be strictly up to you. This is your last chance, after 12 years, to determine whether you can pass up the temptations that may come your way and stay with a job that you have set out to do.

This is the last free ride you get, because as soon as you leave the institution of learning you have chosen to attend, then the world chief minister, Dato Stephen Kalang Ningkan.

WHAT'S IN A NAME?

Nukualofa, Tonga--NPI--- A dollar is a dollar in any other country except in this Polynesian kingdom of some 150 small islands east of Fiji. For this reason, instead of calling its new decimal current unit the dollar, the unit will be known as "pa'anga" which means a coin-shaped seed, land money. Seems the native equivalent of dollar, "tola", also means a pig's nose, soft end of a coconut, or mouth.

OPERATION HEAD START

Continued from Page One
hour seminar scheduled to begin this week at Tech.

Upon completion of the orientation course, teachers will be paid \$75 stipend, plus \$15 for each qualified dependent. A two day orientation program is scheduled for June 9 and 10 by the Lubbock system for Head Start teachers and employes.

A call is issued for volunteers to serve in the program, and interested persons may contact Miss Jetton at the schools' general administrative offices, 1715 26th Street. Volunteers are needed now for pre-enrollment recruitment, also persons to serve during the program as teacher aides, clerks, case work aides, cafeteria workers and the like.

Also in the Lubbock area, Cooper, Slaton, Roosevelt and Shallowater will have Operation Head Start. The Friendship and Idalou Schools incorporated the program with their curriculums during the past year.

REVERSAL ASKED

Oklahoma City--NPI--The board of education has called on the U. S. Court of Appeals for the 10th Circuit to overrule a lower court, desegregation ruling permitting pupils from the majority race in a school to transfer out. A previous policy allowed only pupils of the minority race in a school to transfer out, thus resegregating any school when Negroes become the majority.

GRADUATES FROM TEXAS TECH

Shirley Raye Nathan, daughter of Mrs. Ella Mae Nathan, was a member of the Texas Tech graduating class last Saturday night, at 8:00 p. m., in the Municipal Auditorium.

She came to Lubbock with her family and began her elementary schooling in the third grade and climaxed her public schooling by graduating from the Dunbar High School. At Texas Tech, she majored in Elementary Education, with a minor in English, and received her Bachelor of Science degree. She did her student teaching under the direction of Mrs. Donnie Silas and Mr. Clarence Priestly, working with the fourth

grade students. Now she is eagerly waiting to begin work in the teaching profession. While a student at Tech, Shirley was and still is a member of the faculty who is instructing adults in night school at Phillis Wheatley.

Aside from attending grammar school in Lubbock, she completed her first two school years in Corsicana, Texas, which is her former home.

Her sister, Jeanette, was one of the honor graduates at Dunbar High School last Thursday evening. Her mother is one of the city's leading barbers.

THEFT

Freddie Lee Clark, 3617 East 15th Street, told police he had parked his car in the back yard and sometimes during last week someone unknown took from it one radiator which was valued at \$15.00.

He told authorities that he had no idea as to who could have taken the radiator.

THEFT OF TIRE AND WHEELS

James Smith, 2105 East Broadway Avenue, told police that someone took two tires and two wheels from his car which was parked on his property. He could not imagine who could have jacked up his car and took this equipment which was valued at \$42.50.

THEFT OF BATTERY

The owner of Hilton Grocery, 17th and Avenue D, told police that she had parked her pickup in front of the store and that someone unknown came and lifted it of one battery valued at \$15.00.

It appears as though the burglars these days are looking for a battery or tire.

BURGLARY

Ullis Salayar, 3608 East 15th Street, told police that during the

evening of last Saturday, someone entered his garage by prying the hinges off. Once inside the burglar took from a car which was parked inside, one battery and two radiators.

The value of the goods stolen was believed to be nearly \$60.

THEFT OF DOG

Seretha Neal, 2723 East 9th Street, reported to the Lubbock Police Department that one night last week that she heard noises and her dog began to bark. She paid it no attention and decided to go to sleep. The next morning she discovered that her dog was gone. She said that there was no possible way for the dog to have gotten out of the back yard, because of the security she had in order to keep the dog inside.

The dog was a registered collie.

PROWLER

Velma Wade, 2616 Railroad Avenue, apt. A, reported to the police that about 12:50 a.m. last Sunday morning that someone was in her house. She said the lights were turned on when she returned. Police searched the house, which had been ransacked, apparently by someone who left a still-cold can of beer on a table.

She said that she had no idea who could have come into her residence.

DUBOIS AID CONVICTED

Brooklyn--NPI--Eric Eisenberg, 22, the Bronx, a coordinator of W.E.B. DuBois Clubs last week was convicted on charges of interfering with the arrest of another club member during a street disturbance, which resulted in a riot.

Eisenberg faces a maximum penalty of one year in prison and a \$500 fine when sentence is imposed July 7.

WALTERS-ANDERS VOWS READ IN HOME

Wichita Falls--Miss Opal Faye Sanders became the bride of Elwelch Walters, Saturday evening, May 21st. The Rev. L. W. Wash-

ington officiated. The bride is the granddaughter of Mrs. Edith Phillips and the daughter of Mrs. Edith Mae Williams of 1019 Marconi, and Mr. John Allen Anders of Mineral Wells, Texas. The bridegroom is the son of Mrs. Elizabeth Walters of Dallas, Texas.

Spiral candelabras formed the background for the wedding party. Given in marriage by her father, the bride wore a white crepe floorlength gown embossed with lace around the oval shaped neckline, with matching train. She carried a bouquet of white orchids. Miss Cora Dee Blackwell, the bridesmaid wore a blue silk street length dress.

Bestman was Earnest Calhoun. The flower girls were Mary Louise the sister of the bride, and Pamela Easter, daughter of Mr. and Mrs. Edward Easter.

Reception assistants were Mrs. Alfred Avery, Mrs. L.C. Childs, Misses Mary Jo Childs, and Janice Higgins.

Out of town guest were Mr. and Mrs. John Anders, the bride's father, Mrs. Nunley Aldridge, of Lawton, Oklahoma; Mrs. Birdie Haynes, Los Angeles, California; Mrs. Elizabeth Walters and family, the mother, sisters, and brother of the groom's family.

Johnsons Attend Convention

Wichita Falls--Attorney and Mrs. William L. Johnson, of Ft. Worth, Texas, left Monday for New Orleans, Louisiana, to attend the three-day Regional Conference sponsored by the Criminal Division of the Department of Justice.

The convention was held Tuesday through Thursday in the Sheraton-Charles Hotel in New Orleans.

The Johnsons flew via Eastern Airlines to the Crescent City.

Mr. Johnson is the Assistant U. S. Attorney from the Northern District of Texas.

104 GRADUATE FROM B. T. WASHINGTON

Wichita Falls--The Booker T. Washington High School held its Commencement Exercises Thursday evening, May 26, at 8:15 o'clock with 104 students graduating.

They chose for their class motto, Sumus Prospecti Reorum Magnorum, "We are Prospectors of Great Things", and their class theme, "March Towards Excellence", and the red carnation as the class flower, along with Red and Charcoal Gray and the class colors.

Someone asked Freddie if he would like to play the church organ. Unabashed, he took his place at the instrument and manipulated its complex keyboards and pedals with ease.

Impromptu Performance at Church Organ Uncovers Child Prodigy

By MARION B. CAMPFIELD

Chicago--NPI--In 1963, fifteen hundred persons attending a musical in the First Church of Deliverance, listened with undisguised amazement when Frederick Nelson, III, then three years old, sat down at the Hammond organ and "just played."

by ear when he was two and one-half years old. Music came easily to him, his parents modestly admit.

The Nelsons, however, are more concerned about rearing their unusually gifted child as a normal six year-old. They want him to be a boy first and a musician second.

A friendly, extroverted child, he has a much fun tickling and teasing Lisa, his four year-old sister, as he does playing a lively version of "Hello Dolly."

A sixth grade elementary student, he likes other children and has had as many scrapes as any other boy of his years.

When his parents realized their son's innate talent for music and musical instruments--he has learned to play the violin, vibra harp and bass viola, in addition to the piano and organ--they enrolled

MOUTH BREATHING

Is your child a mouth breather? This habit is a much greater threat to his health than thumbsucking, because it distorts the entire face. The nostrils of the habitual mouth breather become pinched from disuse and the face of even a normally bright child acquires a look of stupidity.

The chronic mouth-breather's tonsils and adenoids are constantly exposed to cold air from which various contaminants have not been filtered by the nose.

Furthermore, although this is not important from the health standpoint, such a child misses the joy of fragrances that can best

be appreciated by breathing through the nose.

By the same token, he will not recognize such warning odors as escaping gas or smoke in a burning house as readily as he should. The true mouth-breather does not even close his mouth while eating except to swallow. If he has the further handicap of having asthma, his attacks will be aggravated because none of the offending pollens or animal dandruff is filtered out by his nose.

Some mouth-breathing asthmatics have been cured by teaching them to breathe through the nose. Another disadvantage of mouth-breathing is that it causes undue dryness of the mouth, tongue and throat.

In some children, mouth-breathing is caused by an obstruction in the nose but in others, it is

duating class he said, "You are graduating, school is out. Where are you heading now? Where are you going?" He answered by saying, "You are going where you headed twelve years ago. If you had a lazy head and narrow shoulder when you started, you will find that when you unrobe you will have that same lazy head and narrow shoulder."

He said, "Time is important, know the time, time is a must. There is five phases of time, Calendar Time, Biological Time, Time According to God, Time to wake up the hour, Time of look at things around you. Prepare for a new day, wake up and face the facts of life. You are emerging into a world that needs your skills.

Stand up for decency, stand up for order. Act like you know the time." In closing he said, "Begin now to make life count for something. You are living in a time that requires work. Whatever you decide to be---be the best, most of all be a Christian. Yesterday is spent cash, tomorrow is a pro-

simply a habit. Your doctor can quickly determine which cause is at work and whether your child needs an operation or a simpler remedy. Whatever the cause, it should be corrected.

One doctor pretends that he is Peter Rabbit and encourages his young patients to imitate him and breathe like a bunny. At the same time he teaches them not to exhale forcefully as is done when blowing the nose, because this may force germs into the middle ear.

missory note, today ism oney on hand. What about Jesus? What about Jesus and you? What time is it with you on God's Calendar. If you know the time in which you live you will walk with God."

Following the sermon, Prayer was offered by the Rev. L. D. Giddings, pastor, Church of God in Christ. Presentation of platform guests was by principal E. E. Cleaver.

The Benediction was offered by the Rev. L. D. Bell, pastor, St. John Baptist Church.
