

Community Problems

You know we could probably name many problems within our community, but perhaps the most important one is communication.

It's true, without any doubt, this is a great problem, and something has to be done about it.

Just the other day, I was able to hear someone talk about a problem which, I am sure, they had no idea of what they were talking about.

This type of communication is no good.

I only hope we will become more concerned about this problem.

Not only is this problem number one in our community, but it appears to have priority through out the 'Hub City'---including our city government.

If any of you have any suggestions toward this problem of COMMUNICATION, then drop it to this column and let our readers know about it.

We had a reader to call us the other day and asked if there was anyone concerned about running for a city or county office from our community?

You know, to be honest, I refused to answer the question, but you know as well as I do, there are some interested persons here.

The Man on East Broadway says if more of us took responsibility --fewer would have to take sides.

Mrs. Ona Lee Holiday visited her husband at Big Springs, Texas last week end.

He is a patient at the Veterans Hospital there.

The Tiara Social Club is sponsoring its sixth annual dance tomorrow night, Friday, October 27, at the American Legion Hall from 9 p.m. until 1 a.m.

This is a semi-formal affair.

Mrs. Maxine Fair is a patient at Methodist Hospital. She is reported improving nicely.

Mr. G. Holiday is yet a patient at the V. A. Hospital at Big Springs, Texas.

Mrs. C. Richardson is still a patient at Methodist Hospital.

Mrs. Betty Hollins Miller was released from Lubbock Osteopathic Hospital last Monday. She had been a patient for several days.

Mr. Raymond Peppers is a patient at St. Mary's Hospital.

Mrs. Sug Johnson, her brother-Mr. Frank Bluit-and Mr. G. C. Colvin left Friday afternoon for Jasper, Texas for a visit with their sister and mother-in-law, who is ill.

They stopped at Dallas, Texas for a brief visit with her daughter, Robertha Ann Johnson, who is a freshman at Bishop College and is a contestant for 'Miss Homecoming' from her class.

Mr. and Mrs. Willie Brown left last week for their new location at Albuquerque, New Mexico.

Mrs. Brown (nee Minnie Jean Mitchell) resigned her nursing job at Methodist Hospital, and hopes to find employment at their new abode.

Airman First Class Brown is stationed there. They were married September 16, 1967.

Mrs. Eva Hood of Pasadena, California arrived here via plane last Tuesday to visit her brother, Henry Hood of Tahoka, Texas, and is a patient at Methodist Hospital where he had to undergo surgery.

He is reported improving.

Mrs. Hood is a former resident of Lubbock, and a faithful mem-

Posey Neighborhood Improvement Council

A new organization was organized last Tuesday evening at the Posey Elementary School. The organization--which is designed primarily for improving the conditions of this community whether they be health or social--was named 'The Posey Neighborhood Improvement Council.

Aside from naming the organization, the following officers were elected by the members present: Mr. Ardando, chairman; Mrs. Clara Cage and Mr. Lorenzo Sedano, co-chairmen; and Mrs. Pauline Gutierrez, secretary with Mrs. McGee and Mrs. Mary Hill as assistants.

The members of this organization which are composed of residents of the Posey School area are very much concerned about the problems which engulf their community, and they feel that it is necessary for them, including the remaining community, to make such a constructive move in order for their community to be a much better place in which to live.

Mrs. Clara Cage, along with other members, gave brief summary of the past meetings.

Darrell Morris of the City-County Health Unit showed film strips of some of the health problems existing in the community.

T. J. Patterson, assistant director of the Community Action Board, presided over the election of officers.

Mr. Walkdrop of the U.S. Health Department of Atlanta, Georgia was present to give brief remarks.

This is a pilot program for our city, and it is the hope of the sponsor, City-County Health Department, that much can be accomplished to make this community and others a better place in which to live.

The next meeting of this organization will be held Tuesday, November 7, at 8 p.m. in the auditorium of Posey Elementary School.

All residents of the Posey Elementary School area is invited to attend.

Postmasters Meet Here

The Fall Meeting of the 19th Congressional District, Postmasters and Supervisors, was held in conjunction with the Christmas planning meeting Tuesday, October 24, at the Holiday Inn here.

Principal speakers at this meeting was Mr. Mel Benesch, field Service officer, from Amarillo, Texas; Mr. Floyd Klein and Mr. Robert De Moranville, postal inspectors, Lubbock, Texas.

An evening banquet was held after the meeting.

Entertainment for the banquet was furnished by the Singing Plainsmen of the local chapter of the SPEBSQSA, "Barbershoppers". This singing group includes two quartets, "The Texans" and "The Temporary Four".

Members of "The Texans" are John Redenburg, Lloyd Thompson, Jerry Medley and Robert Leonard.

Members of "The Temporary Four" are Les Schmidt, Chris Glamos, Armand Weathers and Leonard Woosley.

The singing group was introduced by New Hope Baptist Church.

She is a sister of Mr. Jeff Hood and has other relatives here.

Don't forget our Fighting Dunbar Panthers are playing tonight at Lowery Field.

Let's go out and give our boys all the support they need. Oh, by the way, they haven't lost a district game yet.

The Mom and Dad Club would like to have you join this Panther booster club.

United Fund Reaches 75%

The United Fund campaign advanced to a solid 75 per cent of its \$628,635.11 goal at the third report meeting Tuesday at noon at the First Methodist Church.

Volunteer worker, attending the luncheon meeting turned in cash and pledges to bring the current total to \$473,144.80.

Jim Spears, campaign chairman, expressed appreciation for the work contributed toward this report but added "We have a long way to go to meet the goal by the last scheduled report meeting on Friday, tomorrow. In order to go over the top, every worker must complete every call by Thursday."

Clinic Moves To

Bethel A.M.E. Church

The clinic which has been held at the Mae Simmons Community Center will be held at a new location beginning this week.

The clinic will be held in the basement of Bethel A.M.E. Church each Wednesday from 8 a.m. until 3 p.m.

Two Public Health Nurses will be on hand each day.

The clinic will offer free immunizations--including D.P.T., polio, smallpox and measles--for children and adults.

Aside from this, mother and infant counseling, referrals and other services will be handled.

Mom And Dad Club News

What's this! The Moms of the Mom and Dad's Club are up to something different.

You see, all ladies who would like to play FLAG FOOTBALL to please come to the practice football field at Dunbar High School Saturday afternoon at 5:30 p.m.

Of course, this is a new means of recreation, but it would certainly help.

This is only one of the many activities to be sponsored by this organization this year.

If there are any of you who would like to become a member of the Mom and Dad's Club to please come out to our meetings each Monday evening at Dunbar High School.

Absentee Voting

In County Slow

As late as Tuesday evening, the second absentee ballot was cast at the county clerk's office in the November 11 special election on six amendments to the Texas Constitution.

One ballot had been cast Monday. Absentee balloting will end November 7.

The County Commissioners Court Monday authorized a special absentee box in Slaton. Miss Beverly Kercheval is in charge of the box at Kertan's Studio, 112 South 9th Street.

It previously was announced that no box would be operated in Slaton.

duced and led by Dr. John Anderson, coordinator of music for the Lubbock Public School System.

Thank You

In grateful appreciation, Mrs. Leaner Goldstien and Mrs. Nellie Fuller wish to thank their many friends and members of the various churches for their many deeds of kindnesses shown them and their brother, James Jackson, during his recent illness at Las Vegas, Nevada.

He is in Lubbock now and is recuperating nicely.

You shall forever have our prayers and good wishes. May God bless each of you.

VICA Ex Is Loyal

Katharyn Ross, past president of V.I.C.A. chapter #403 and a member of the 1967 graduating class, proves her loyalty to V.I.C.A. by her early registration as an alumni member for the year '67-'68.

Katharyn, daughter of Mr. and Mrs. Willie Ross, is presently attending Texas Tech College and is employed by Isabell's Salon of Beauty.

"Thank you, Katharyn, for your support. We will strive hard to uphold the standards that you

and your fellow officers set for us during the '66-'67 V.I.C.A. year."

"We hope other ex-V.I.C.A. members will give us their support and register as an Alumni V.I.C.A."

If there are any interested in registering with our organization, please call PO2-1216 and ask for Mary Lewis, secretary, and we will be happy to pick up your dues. OK!

Liz Brown is your favorite V.I.C.A. reporter.

Sneed & Campbell Open Service Station

Smilie T. Sneed

Rev. Raymond Campbell

The grand opening of the Sneed and Campbell's Texaco Service Station will be held Saturday, October 28, all day. The service station is a partnership formed by Rev. Raymond Campbell and Mr. Smilie T. Sneed.

Rev. Campbell is the recently assigned pastor of Carter Chapel C.M.E. Church and Mr. Sneed is an agent for the Universal Life Insurance Company. He has been associated with the company for some years.

The station will be operated by Cleophus Hemphill.

The Texaco Station will offer more and better service under the new management. A full line of battery, oils, tires; new and used, tubes, oil changed, fan belts, major anti-freeze, brake fluid, flats fix, fuses, bulbs, etc.

Aside from these, a wide variety of candies, anacin and aspirins, cigarettes and pops.

Texaco credit cards will be honored and forms for credit cards can be obtained here at station.

Drop by the station at 1514 East Broadway and have a cup of coffee, while you become personal acquainted with the management. Road service is being offered. Battery charged, booster service and other services by merely calling PO2-9843.

Since this is a newly opened station, the management hopes that any mistake and inconvenience cause by the station will be minor.

U.S. Civil Service

The Interagency Board of U.S. Civil Service Examiners, San Antonio, Texas, announces an examination for Agricultural Stationist (trainee) paying \$4269 and \$4776 a year for employment with the U.S. Department of Agriculture in the states of Texas, Oklahoma, Louisiana, Arkansas, and others.

Further information may be obtained from the Interagency Board of U.S. Civil Examiners for

Texas General Election Nov. 11, 1967

AMENDMENT NO. 1 - AUTHORIZES COUNTIES TO PUT ALL COUNTY TAX REVENUE INTO ONE GENERAL FUND WITHOUT REGARD TO SOURCE OR PURPOSE.

Financial irresponsibility in the post Civil War period caused the makers of the 1876 Constitution to adopt limitations on property tax rates. In 1883 the Constitution was amended to authorize counties to levy 3 separate taxes with maximum rates for each, and in 1907 a fourth tax was added. These taxes are for: county purposes, road and bridge, permanent improvements and the jury fund. This "Earmarking" of funds was very restrictive and was amended twice. Presently County Commissioners make 4 separate non-voted tax levies on property with the total not to exceed 80¢ on the \$100 valuation. Money placed in each fund may be used only for the purposes of that fund.

FOR: Many times there is a surplus in one fund while a shortage exists in another. This has caused surplus funds to be used unwisely while another fund has a great shortage. By permitting all county revenues from non-voted taxes to be placed and used from one general fund, this proposed amendment would give the county commissioners greater control over budgeting procedures and would provide the flexibility necessary to permit the use of revenues collected to meet rapidly changing or unforeseen needs.

AGAINST: This proposed amendment would eliminate the safeguards of proper county budgeting procedure and prompt county commissioners to raise the tax rate to the 80¢ per \$100 valuation. With all the money available for unrestricted use, the County Commissioners might not budget properly - - they would use available money as the need arises without any consideration of prior need or future plans.

AMENDMENT NO. 2 - PERMITS MUNICIPALITIES, POLITICAL SUBDIVISIONS, AND STATE SUPPORTED ENTITIES LOCATED WITHIN A HOSPITAL DISTRICT TO PARTICIPATE IN THE ESTABLISHMENT AND OPERATION OF MENTAL HEALTH, MENTAL RETARDATION, AND PUBLIC HEALTH SERVICES.

The current trend is to make mental health and mental retardation services available to people where they live. To this end the Texas Mental Health and Retardation Act was passed in 1965. It encourages local agencies to assume responsibility for the mental health and mental retardation services and gives local community centers authority to take advantage of staffing and construction grants available under federal legislation. The Attorney General of Texas has held that because the Texas Constitution does not permit other political subdivisions in the boundary of a hospital district to levy taxes for medical and hospital services these political subdivisions may not participate in the establishment of a community center for these purposes. This proposed amendment would change this by providing that the Legislature may authorize the creation of a hospital district and at the same time not restrict other political subdivisions within the hospital district from levying taxes to provide mental health and mental retardation services through community centers. Political subdivisions within existing hospital districts would be authorized to levy taxes for these purposes unless the statute authorizing the hospital district expressly forbids it.

FOR: Almost one-half of the Texas population is found in the metropolitan counties having hospital districts within their boundaries. The passage of this amendment would permit establishment of mental health and mental retardation services in local communities and encourage early treatment and diagnosis. Some political subdivisions have sources of revenue other than the property tax which support hospital districts, and new taxes to provide mental health and mental retardation services would not be necessary. Such taxes, when required at the local level, would eventually be offset by a reduction in the financial support now necessary for the large state mental hospitals and special schools.

AGAINST: A large share of the funds to support the community centers comes from state grants-in-aid. The local hospital district could receive this state aid in order to provide mental health and mental retardation services just as easily as could a community center supported by other than a hospital district. The proposed amendment makes possible a duplication of health programs within the area of a hospital district & could result in higher costs for services provided. Since hospital districts are already financed by a property tax, a similar tax by another political subdivision would create an unfair tax burden.

AMENDMENT NO. 3 - EXTENDS THE VETERANS' LAND PROGRAM BY AUTHORIZING THE SALE OF \$200 MILLION OF STATE BONDS TO PURCHASE LAND TO BE SOLD TO VETERANS AND EXPANDS THE PROGRAM TO INCLUDE VETERANS OF VIET NAM.

WORLD NEWS DIGEST

DEVALUATION

Accra--(NPI)--Inflation has come to Ghana in the post-Nkrumah days, with the nation's ruling junta devaluing the country's currency, the cedi, from its value of \$1.40 on the international scene, to 98 cents. Simultaneously, the price of the cocoa bean which is Ghana's chief foreign exchange earner, was raised from five cedis to six and one half cedis per 60 pound load. Under Nkrumah's regime, the bean price was four cedis.

SEVEN BEFORE 50

Nairobi--(NPI)--According to recent published reports by an advisory mission of the U.S. Population Council, the average Kenya woman will have between 7-8 children before she reaches the age of 50. This prediction was made in forecasting that Kenya will have a population of some 144 million souls within 100 years, as compared to its present nine million.

SAVINGS DRIVE

Lusaka--(NPI)--As of July, Zambia launched a nationwide savings program, designed to create a national attitude that will stress the benefits to be derived from savings and make the savings habit a common factor of life. The campaign, led by a National Savings association, composed of leaders of all sectors of the nation, will be widely publicized through posters, pamphlets, radio, television newspapers and films.

SUGAR PROJECT

Addis Ababa--(NPI)--The "go ahead" signal has been given the HVA Metahara Share Company by a \$22.5 million grant from the International Finance Corporation, a World Bank affiliate, to establish and cultivate a 9,000 acre sugar plantation, and construct and operate a sugar mill in Ethiopia. Site of the venture is an estate, 21,000 acres in size, located on both sides of the Awash river, some 100 miles east of the capital.

EXHIBIT

Chicago--(NPI)--A seven-week exhibit of 68 twin figures carved by the Yoruba people of western Nigeria opened last week at the Field Museum of Natural History. One of the largest collections of its kind outside Nigeria, the sculptures were gathered in Yorubaland by British artist John Underwood.

THE MANHATTAN HEIGHTS and WEST TEXAS TIMES is an independent, privately owned newspaper published each Thursday in Lubbock County, Lubbock, Texas, by Publication Service Co. This newspaper is dedicated to informing the Negro citizens of Lubbock and West Texas.

BETHEL A.M.E. CHURCH
 Sunday morning services marked the beginning of another conference year for our pastor and membership.

We are also happy to have our Presiding Elder, Rev. T.B. Reese, for another year. He delivered the message of the hour Sunday.

Our program for this year is a continuation of the past year. Our foremost interest is the burning of our mortgage. However, we have other outstanding works to accomplish.

SAINT JOHN BAPTIST CHURCH
 Our church was host to the monthly meeting of the Federation of Choirs Sunday afternoon, October 22.

The congregation was not as large as usual, but the interest was the same.

Several choirs were absent.

NEW HOPE BAPTIST CHURCH
 A pre-Halloween Carnival will be sponsored by the Senior Usher Board Saturday evening, October 28, at 7:30 p.m.

Children and adults are invited to join the evening of fun, see the House of Horror, Booth of Fortune, Sleeping Beauty and Professional swimmers.

Children will pay only \$.25 and adults \$1.00.

General Mission will be held Monday night, October 30, at 8 p.m.

All ladies are urged to attend. Anniversary for Rev. and Mrs. A. L. Dunn will begin November 5 and continue through November 12.

A Garage Sale will be held at Green-Fair Manor Apartments' garage Saturday, October 28,

from 8 a.m. to 7 p.m. The public is cordially invited to stop and shop.

This special effort is sponsored by the Senior Usher Board.

An Evening of Music was sponsored by the Tribe of Issachar--- Mrs. G. H. Davis, leader---at 7 p.m. last Sunday.

The W.M.S. will present a drama, "The Lords Prayer", Sunday, October 29, at 7 p.m.

The public is invited to attend the program.

The District Executive Board will convene here November 15 and 16.

A 'Stay At Home Tea' will be sponsored by the Solace Board on November 21.

Usher's annual day will be held Sunday, November 19, at 3 p.m.

GREATER SAINT LUKE BAPTIST CHURCH
 The Queen of Sheba Circle met in the home of Sis. Odie Lovings last Monday evening.

Let us pray for and visit our sick.

Sis. M.E. Newson is recuperating nicely in her home; Sis. Mary remains in the McMurray Rest Home.

Have you forgotten her? Bro. Wilmar Wilson is ill in his home. Let us not forget Sis. Odessa Mitchell's mother who is shut-in at her home, 2005 Date.

MOUNT GILEAD BAPTIST CHURCH
 November 19, at 3 p.m., the Mount Gilead Baptist Church will celebrate its 50 anniversary.

ANTIOCH BAPTIST CHURCH
 A dynamic revival closed at our church last Sunday evening when the Reverend Mrs. F.E. Moore, a well-known gospel

Seating For Football

Something new has happened to the seating arrangement of the Dunbar home games at Lowery Field.

According to George Scott, principal, the lower section of the Eaststands will be for the visiting band and student body and the home band and student body. The remaining section will be for visitors and patrons of the schools participating.

However, it is encouraged that all visitors and patrons sit in the West stands.

"This is a UIL regulation and it must be upheld," admits Mr. Scott. "If this regulation is not upheld, then we could suffer by being placed on probation."

All adults tickets will be \$1.50 at home or away; student tickets will be 50¢ at home or away.

minister of Dallas, completed a week long service.

Services were well attended last Sunday morning when two additions were made to our congregation.

The Freedom Gospel Singers of Amarillo, Texas will deliver a magnificent program Sunday afternoon and evening, October 29, at 3 p.m. and 8 p.m.

Our church is always glad to have you visit us. The Reverend C.D. Collins is pastor.

CARTER CHAPEL C.M.E. CHURCH

Carter Chapel is in preparation for one of its biggest events of the conference year--a Mammoth Tea. This will be an annual affair. The tea will be held in the Plains Co-op Oil Mill Board Room November 19 at 2:30 p.m.

Choirs of the city as well as others will make up the main part of the program.

Because of limited space, admittance will require a ticket or one of souvenir programs.

Persons who would like to be on the patron list should call Mrs. Dorothy Phea or Mrs. Dorothy McKeever before November 5th.

This will be a semi-formal event.

SEND YOUR CHURCH NEWS

This column invites each church to send their weekly announcement to the West Texas Times.

SERMON OF THE WEEK

Can Christians Support Vietnam War?

(These are excerpts from a sermon delivered at the Messiah Presbyterian Church by the Reverend John L. Walker)

Should we or should we not support our country in the present conflict in Vietnam? This is probably the most pressing question of our day.

It was brought to our attention recently when approximately 200,000 anti-war demonstrators held mass meetings on the East and West coasts of our country. This shocking opposition at a time of national crisis forces us to confront the problem.

It is our problem because each hour one million of our dollars is being spent on the Vietnam war. Already men have died in this conflict. Some of us have sons who will soon be draft age. If the conflict scatters, all of us will be subject to the devastation of a nuclear war which can easily result in the destruction of civilization.

As an assembled people of God, we ask whether we as Christians can support this war. It is not a question whether we are Republicans or Democrats--Negro or White--, rich or poor. We are asking whether we as Christians can support our country at this time. This is a controversial issue, and there are Christians who would answer either "yes" or "no".

According to a news release, Professor Altizer claimed in a speech that America is involved in this war because many of us still believe in a living God. Maybe Dr. Altizer is right for once.

It can be said that we are in Vietnam because we are obedient to the Word of God which urges us to be obedient to our nation's call for service. Jesus said we should render to Caesar what belonged to Caesar, and to God what belonged to Him. The greatest Apostle, Saint Paul, writes in Romans 13 that every person is to be subject to the governing authorities. Peter, another important Apostle, tells us in our text: "Be subject for the Lord's sake to every human institution."

On the other hand, there are Christians who are equally sincere and conscientious in saying that America should get out of Vietnam. Leaders like Dr. Martin Luther King and Dr. John C. Bennett, president of Union Seminary of New York City, and groups like the Quakers who are utterly opposed to the War in Vietnam. They hold that the is unjustified and that this country has no business there.

Vociferously they claim that this is a dirty, nasty war and that America is guilty in promoting it.

The Vietnam conflict is a part of a world conflict between two diametrically opposed systems of government and ways of life. Where ever Communism goes it brings death, destruction and enslavement. Our only hope is that these two worlds might co-exist in peace. However when one world tries to over run the other, it is only natural and right that the other world should defend itself and protect itself and protect its way of life.

If we have come to the conclusion that it is not a sin for a Christian to support his country in the conflict in Vietnam, we must ask: "What is the Christian stance in this war?"

For one thing, a Christian in the present situation will participate with reluctance. Christians will support their nation. Not to do so would only prolong the war and cause further loss of life. The anti-war demonstrations apparently did not realize that by trying to stop the war they were prolonging it. When Hanoi learned of the mass protest, it took heart that in a matter of time America will withdraw and the will be over.... and the South will be theirs. Unnecessarily, an unknown number of American lives will be the price of this liberty to protest.

Christians will participate, but with reluctance. Christians hate war as being against the will of God. War is a hell of death and destruction. We participate only because it is the lesser of two evils and there is nothing else for us to do if we are going to hold to our principles. We want peace so very badly that we almost went on our knees to every major leader of the world and begged them to use their influence to bring peace. In the past four months, we have made 32 offers, but every one has been turned down with scorn. How can you live at peace with those who do not want peace except at the price of capitulation? Thus we fight on, and we do it with sad and broken hearts. We cannot rejoice over the news report of 500 Viet Cong killed or cities bombed. We support the war because we must, but our hearts are not in it.

A Christian will also take the position of praying repentantly. This is one thing we can and must do.

We can pray for ourselves as a people. We are in a bad "fix". We are playing with fire, and we are taking a terrible risk of total conflict. All we can pray is: "Lord, have mercy upon us!"

Moreover, we need to pray for our national leaders and for our brave men who are fighting for us in Vietnam. Our leaders have heavy responsibilities in this conflict; to use patience and restraint in the conduct of the war, lest we escalate the conflict. It would be so easy to become desperate and use the nuclear power we possess. It would be simple to press a button and let fly the nuclear missiles. We need to pray for our leaders that they will fight responsibly and lead us into peace.

Nor should we forget to pray for our enemies. Let us pray that their hearts may be turned toward us, but that they may forsake hatred and selfishness, and think of the world's welfare. Maybe by the power of prayer, we can meet together and talk peace.

In this conflict, a Christian will work for reconstruction and reconciliation. Now is the time for burning, but the time is coming for building. When this war is over, our job will not be done. As we lifted western Europe after the last war through the Marshall Plan, and as we made a treaty of reconciliation with Japan and put it on its feet, we must spend billions of dollars to bind up the wounds of the war in Vietnam. There will be room for many Peace Corpsmen. We need to dot the land with schools and hospitals and churches. The standard of living must be raised. For years to come, we must help the depressed and destroyed nation to live again in peace and prosperity. That is our Christian calling for Vietnam.

Regardless of the controversial nature of this question, we as a nation face a deadly dilemma. If we listen to the anti-war proponents we will withdraw from Vietnam. But withdrawal would mean the progressive death of freedom. To stay in the war and press for a quick settlement can mean a total conflict to the destruction of all. In this valley of dilemma, we stand today.

As in the past, perhaps the best thing we can do is to take it to the Lord and let Him solve it. In the meantime, we can do the right as God gives us grace to see the right.

If our land takes this course of action, then every Christian can obey Peter's directive: "Be subject for the Lord's sake to every human institution....."

ANOTHER PATROLMAN

It's always good to inform our citizens of the progress made by our young men who wear the uniform of the Lubbock Police Department.

Another young man who is doing an outstanding job with the Force is Floyd Price who, like Fury, is a former student of Dunbar High School here.

Price admits that his duty is a very interesting type of work. When an individual has an opportunity of working with many different types of people from all walks of life, you are in for a lot of learning.

Actually Britt, Fury and Price are paving the way for other interested persons who would like to pursue this profession.

This is a wide open field and many opportunities are waiting for those who would like step forward.

If there are any young men who would like to apply for a position with the Lubbock Police Department, I am sure, they would be interested in talking with you.

FIGHT

Police were on a routine patrol on Ivory Avenue, when they were informed to go to 2608 Ivory in regard to a fight.

Upon arrival they found that a 26 year old man was responsible for the fight.

The man questioned was in a drunken condition and was using loud and profane language.

VANDALISM

Police investigated a vandalism at Hick's Washeteria, 1181 Avenue B.

According to police, someone had shot the windshield out of a 1966 model car. The car belonged to Lorenzo Ramirez, 3316 Duke Avenue.

The windshield was valued at

\$125.

BURGLARY

Kitty Mauldin, 620 Avenue C, reported that someone entered her place of business one night last week through a window. It was learned that exit was done by prying the window open.

Once inside, the coin boxes of the juke box and others were robbed of nearly \$30 in change.

According to police, the robbers left through a door.

BURGLARY

Matty Adams, 2419 East 28th Street, reported that someone had thrown a rock through the door of Tri-Way Grocery and entering the store.

It was learned that nothing was taken from the store.

The damage done to the glass door is believed to be \$80.

STABBING

Willie Mack Alexander, 1813 Avenue B, reported that he was stabbed by a 44 year old man in the 200 block of 18th Street.

According to Alexander, who was taken to Methodist Hospital by ambulance, the stabbing resulted from an argument which led to a fight.

The man who was responsible for the stabbing was arrested by police.

ATTEMPTED ARSON

Attempted arson was investigated early Tuesday at the residence of Mary Ransom, 2336 Railroad Avenue.

According to police, she told them that a man poured gasoline on windows and doors of her residence and threatened to set fire.

Some Veterans Get Boost In Benefits

Certain Vietnam veterans and older veterans and dependents will receive an increase in benefits from the Veterans Administration during the next 12 months amounting to \$545, 050, according to Rep. George Mahon of Lubbock, in a Washington announcement last Tuesday.

This means that a veteran drawing the maximum pension, with or without dependents, will receive an additional \$4 per month, according to local Veterans Administration officials.

A veteran's widow, with or without children, drawing the maximum pension will receive an additional \$6 per month.

Veterans eligible for house-bound benefits used to draw \$66. 15 per month, if they had been drawing less than 10 years and \$78.75 if they had been drawing

over 10 years. These veterans will now draw \$100 per month. These benefits are in accordance with Veterans Pension and Readjustment Assistance Act of 1967 recently signed by President Johnson.

WOMEN'S TALK

You can be original, and still save time when filling a basket for a picnic which does not need refrigeration. All foods suggested are canned, packaged, or bottled. No preparation time is involved and you don't have to worry about spoilage.

Packaged foods are perfect take alongs. These include potato chips, shoe string potatoes, pickles, olives, hot dill cauliflowers with peppers, canned Vienna sausages, luncheon meats, small hams, and chickens. Bread and rolls or buns are also easily carried.

With cheese in cans, add some crackers. Also pack jars of mus-

tard and bottled catsup for variety and flavor.

Dessert is simple. Take packaged or frozen pound cake, cookies or canned puddings. The nibblers will enjoy nuts, candied spearment leaves, and popcorn which could be packaged or popped at home and put in empty coffee cans.

The drink, of course, is lemonade. You won't even need a thermos if you take bottles of ReaLemon bottled juice and mix with water and sugar in individual cups. Ice cubes can be taken along in freezer bags or picked up from a vending machine.

Don't forget a bottle opener

Continued from page two

Presently the definition of "Texas veteran" eligible to participate in the program is left to the legislature. This proposed amendment would incorporate these qualifications in the Constitution as follows: Prescribed military service; citizen of the United States and resident of Texas at the time he files his application to purchase land; honorable discharge from the service; resident of Texas at the time he entered the service or has resided in Texas at least 5 years before the date of filing his application to purchase land. The main change in this from the present statute is that it does not require the veteran to be a resident of Texas at the time he entered the service.

The proposed amendment also authorizes an additional \$200 million in bonds be issued for this program and increases the maximum interest rate on all bonds sold from 3½% to 4½%. This program was started in 1949 when enabling legislation was passed for the Constitutional Amendment adopted in 1946 creating a \$25 million fund. In 1951 and 1956 amendments to the constitution were passed increasing the Fund to \$200 million. In 1963 and 1965 amendments were defeated that would have added to the fund. The program terminated on Dec. 1, 1965. This proposed amendment would re-activate the program and bring the veterans of Viet Nam under its provisions.

FOR: This program does not cost the taxpayer. It will produce an eventual profit on the \$400 million from the sale of bonds. The difference in interest paid on the bonds and that received from the veterans puts the program on the credit side of the ledger. Traditionally Texans have shown their appreciation to veterans by making land available - - it is only fair that veterans of Viet Nam should have the same privileges.

AGAINST: The availability of "cheap" money tends to invite land purchases by some veterans who have no intention of using it for productive purposes. The fact that the voters have twice defeated an amendment to increase the fund and extend the duration of the program shows that Texans do not want it. The program officially terminated in 1965 and should not be revived, as it is still too early to provide for veterans of Viet Nam, and veterans of other wars had ample time to take advantage of it if they had so wished. The Veterans Land Program may be considered unfair to private business since it is not a function of government to engage in the loan business.

AMENDMENT NO. 4 - AUTHORIZES COUNTIES TO PAY MEDICAL, DOCTOR, AND HOSPITAL BILLS OF COUNTY LAW ENFORCEMENT OFFICERS FOR INJURIES RECEIVED IN LINE OF DUTY AND TO CONTINUE TO PAY SALARIES OF INJURED OFFICIALS DURING PERIOD OF INCAPACITATION.

This proposed amendment is permissive. At the present time Continued on page seven

and also take a can opener, if the cans don't have zip tops or wind-open keys. Remember a knife to slice the meats, a paper cloth, napkins, plates, cups, plastic forks and spoons.

If you are all ready to leave and the wind or weather changes, just move indoors and have your picnic. For this you may want to add a special drink to your menu.

We suggest two which are easy. They are sweetened with simple syrup. This is quickly made by simmering one cup of water and one cup of sugar for five minutes. It can be kept in the refrigerator for use in many beverages. Keep Vanilla ice cream in the freezer for the Lemon Blossom Soda.

LEMON BLOSSOM SODA

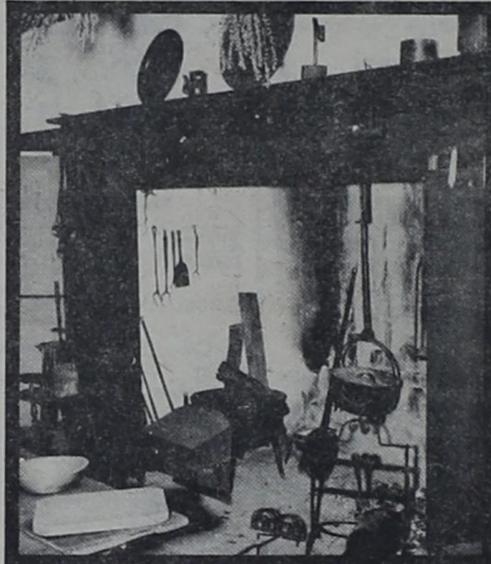

- 1/4 cup ReaLemon bottled lemon juice
 - 1/4 cup simple syrup
 - 1 bottle (7 ounces) lemon-lime carbonated beverage, chilled
- Combine ReaLemon bottled lemon juice and simple syrup; pour into two tall glasses. Add one scoop of ice cream to each glass and stir lightly. Fill glasses with carbonated beverage, top with another scoop of ice cream. Yield: two servings.

PINK FRUIT PUNCH

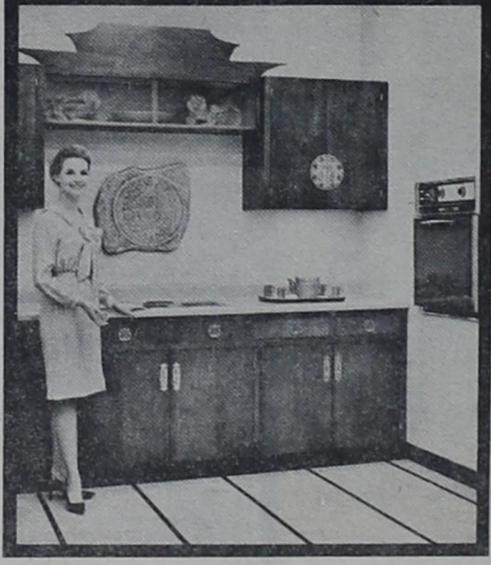

- 1 cup ReaLemon bottled lemon juice
 - 1 package (10 ounces frozen strawberries, partially thawed)
 - 3/4 cup simple syrup
 - 3 bottles (7 ounces each) chilled gingerale
- Combine first three ingredients in blender or put berries through a sieve. Chill. When ready to serve, place bowl and add carbonated beverage. Yield: 12 servings.

the Texas Constitution prohibits the payment of medical expenses of county law enforcement officers who are injured in the course of official duty. This amendment would make it possible for counties to assume these obligations if they should desire to do so. It does not require that any Commissioners Court must assume this responsibility. It also permits payment of maximum salaries to these officers during their incapacitation or hospitalization until the expiration of their term of office.

FOR: Law enforcement is a dangerous business. County officers often work under hazardous conditions. The medical protection provided for in this amendment is badly needed by county officers, who are not now covered by workmens compensation. Recruitment of law enforcement personnel is one of the greatest problems in the state today. Passage of this proposed amendment would enable counties to be competitive in attracting well trained, capable people. Definite guidelines for the salary continuation of officials will standardize the procedure for all counties.

AGAINST: This is another intrusion of government into what should be private business. It would be better to increase the salaries of the officers and let them plan their own insurance and disability programs. Other county employees should have the same treatment: not some having preferential treatment. Wealthier counties can provide better medical plans; thus making recruitment even harder for counties in a poor financial condition.

AMENDMENT NO. 5 — AUTHORIZES THE PARKS AND WILDLIFE DEPARTMENT TO ISSUE AND SELL GENERAL OBLIGATION BONDS IN THE AMOUNT OF \$75 MILLION TO FINANCE ACQUISITION AND DEVELOPMENT OF LANDS FOR STATE PARKS AND RECREATIONAL AREAS.

Texas needs much more park land. In the past, land has been offered to the State for parks and the offers have had to be refused because of lack of money for development. The Texas Park and Wildlife Department has a plan for the acquisition and development of park land for Texas, but it has been hampered by inadequate appropriations from the legislature. The creation of the Park Development Fund would allow the state

to buy land and develop recreational parks. It would also provide for the preservation of 41 historical sites. No one should be more than 2 hours from some park. The Texas Water Development Board has recognized and stressed the recreational value of water resources to be created by it but no provision has been made for acquisition and development of recreational areas adjacent to the reservoirs.

FOR: The investment in state park land acquisition and development would be made by state park users. A \$1.00 entrance fee at developed parks would pay off the principal and interest on the bonds. This method was proven feasible in the 1940's when repayment of a similar program was accomplished in 19 years instead of the 35 years expected. Texas needs to begin a program of land acquisition and development for park purposes to meet the demands of a growing population and to stimulate tourist trade. Money from the General Revenue Fund is not available to meet the immediate needs of such a program.

AGAINST: Many people feel that parks should be free with no admission fee expected. Maintenance must still come from legislative appropriation. Estimates of money to be received from admissions fees and costs of repaying the bonds are theoretical. The admission charges might not be sufficient and the taxpayers would have to pay part of the cost. The Land and Water Conservation Fund Act of 1965 provides federal funds on a matching basis for state park acquisition and development. The Legislature should appropriate funds to match federal grants after the amount of any federal grant is determined and as the need arises. It may be unnecessary to issue bonds to raise funds for matching federal grants.

AMENDMENT NO. 6 — PERMITS NON-ELECTIVE STATE OFFICERS AND EMPLOYEES TO SERVE IN OTHER NON-ELECTIVE POSITIONS UNDER THE STATE OR UNITED STATES GOVERNMENT WHERE THERE IS NO CONFLICT OF INTEREST AND WHERE THE STATE WILL BENEFIT.

The present law does not permit one to hold 2 positions under the state or United States. Over the years this section of the Constitution has been amended to exempt active and retired officers and enlisted men of various branches of the armed services from this provision; however, these amendments were added before the Air Force and Air National Guard were created as separate branches of the military service. This proposed amendment brings the Constitution up-to-date in this respect. This proposed amendment also states that if the second position is of benefit to Texas or is required by state or federal law and does not conflict with the original position held, the non-elective state officer may hold 2 positions. Also, the proposed amendment prohibits members of the Legislature from holding any other office or position of profit under the state or the United States.

FOR: This proposed amendment would make qualified personnel available for additional state services, thus doing away with the employment of special consultants in many instances. It would also make it possible for personnel of our state-supported schools to serve on national boards with a strong influence on allocation of federal grants. The failure of Texas to receive more than a minimum number of research grants in comparison to some other states has been attributed to this lack of representation on the influential national boards. This could result in governmental economy as funds now used for duplicating activities among the several departments by employees of each would be reduced.

AGAINST: Employees working for both Federal and State governments would be subject to conflicting loyalties. It might have the effect of encouraging state officers and employees to increase their spheres of influence so that power would be concentrated in the hands of a few, and government would become less responsive to the people. The additional burden imposed on state officials and employees through an additional position permitted under this proposed amendment would be unfair and could also lead to less efficiency by requiring that person to divide his time and loyalty between the 2 offices or positions.

Largest Class In M & M History

The largest senior class in the history of the Mary & Mac Private School, 902 East 28th Street, which is in its eleventh year, is expected to graduate this year.

The seven potential graduates are Mary Humphrey, Ira Fobbs, Peggie McLin, Dottie Lewis, Mary Lipscomb, James Rayford and Cynthia Buntun.

According to the principal, Mrs. L. S. Graves, "Mary & Mac is more than happy to have this class and much is expected of them."

The class has begun the year off with a bang by sponsoring a large number of projects.

It is the custom of the graduates to leave a token of appreciation to the school.

There have only been three students to graduate from this institution. They include Cecille Joyce Graves, Velma Mae Nash and Julius C. Graves—who are students at Bishop College—and James Struggs who is attending a technical school in Oklahoma.

Mrs. Graves has announced that Mary & Mac has organized a Board of Directors. It is the hope of our institution that these dedicated men and women will be a great aid in helping Mary & Mac move forward.

Mary & Mac is more than happy to have a new addition to her faculty in that of David Crockett, a graduate of Dunbar High School here and Langston University.

Mr. Crockett is an instructor in the high school department.

He is a member of Omega Psi Phi Fraternity.

The Student Council has organized and many projects are in the planning for this year's program.

The Student Council hope to make a trip this year as last. It is the hope that this project can be a success. Last year this organization was responsible for making a trip to Six Flags Over Texas.

We are happy to have the students from Panama with us again this year. They are Delcia Scarlett and Florence Roberts.

They are enjoying their enrollment at Mary & Mac, but hope one day to return to their home and be able to show young people how important a high school education can be.

The Mary & Mac P. T. A. will meet next month with much business to be discussed.

One of the main items to be considered at this meeting will be the election of officers.
