## 'Around the Hub City'

Despite the inclement weather here last Monday at noon, forty-nine residents of the City of Lubbock—including the City Manager and others—met at the Mae Simmons Community Center to discuss the communication problems which exist in our community.

*Around the Hub City* was impressed with the outcome of this type of "Town Hall" meeting where concerned individuals were present, not to express individual problems, but to show the need for constructive community communication. Of course, this reporter agrees, that communication is definitely needed here.

Out of the hour and half discussion period, a lot was revealed to everyone, but very few solutions were given. It is the hope of this group that at the next meeting—two weeks from his date, March 25th, a more specific agenda will be discussed for the betterment of this communication shortcoming.

The next meeting will be held at the Mae Simmons Community Center at 12:15 p.m. and everyone is asked to bring their sack lunch. This type of informal meeting has proved, thus far, to be constructive, and with a continuation of this type of attitude, perhaps the City of Lubbock can become a model city for others throughout the United States in working toward better race relations.

The community is invited to hear these meetings, and everyone is asked to help make constructive contributions to the cause of these meetings, by attending and taking part.

The reception given to the Panthers on their return to the City of Lubbock this week was one for which they should never forget. Actually, fellows, it's hard to express the sincere gratitude for your accomplishments this past year.

Good Luck to each of you in the future as either Dunbar Panthers or College Athletes and we hope you will always be members of our community.

Final rites were read for the father of James E. Fuller, an instructor at E. C. Struggs, Monday afternoon at San Angelo, Texas.

It's a good thing that the barbers of Lubbock didn't raise their haircut prices as those in Dallas. It's going to cost \$2.50 per head, or 50c more, to get clipped in Dallas on April Fool's Day and that's no joke.

A spokesman for an informal organization of barbers said last week the price for a haircut will jump.

And furthermore, manicures will cost the same as haircuts!

How about that?

The Posey P.T.A. met at 3:30 p.m. Tuesday at the cafeteria, at 1911 East 14th Street. Miss Trula Jetton, director of primary elementary curriculum, spoke to the group. Her topic was "Your child and the Curriculum."

## YOUNG ADULT PROGRESSIVE CLUB PARTICIPATES IN HUB CITY ACTIVITIES

The Young Adult Progressive Club got under way Sunday afternoon at 6 p.m. at the Community Pleasure Garden at Mae Simmons Park with Mrs. G.H. Davis, the club's newly elected counselor, opening the meeting with a prayer. Mrs. Davis was elected to work as counselor along with Mrs. D. C. Fair, Sr., Mrs. Lindsey, Mrs. Owens and Mrs. Janie Judie, Sunday, March 3rd.

The YACP members will take part in the annual March of the Courts of Calanthe and Knights of Pythian Lodge Sunday afternoon, March 31st, at 1:30 p.m. The march will begin in front of the Carver Heights Day Nurse and will climax at New Hope Baptist Church, Rev. A. L. Dunn is pastor.

Miss Jane McLaughlin, former vice president, succeeded Mrs. Camellis Pearson in her position as president. She is a prominent young student at Draughn's Business College and shows great promise as a successful leader of young adults. Miss McLaughlin's position as vice president was filled by Miss Shirley Moore who energetically accepted the position after being officially voted into office.

Rubin L. Livingston, club lecturer, made remarks regarding stepping stones to success for young adult members of the club. Livingston stated that socialability is the main objective. He went on to add, "the way to acquire this fete is by getting fully acquainted with the world. We should familiarize ourselves with national clubs." "We have to show concern before we can receive any", he stated "Remember, he noted, Patience is bitter; Reward is sweet."

Two officers were added to the previous list of officers. They were Miss Ruth Faulton, Scrap book chairman, and Miss Gloris Assistant critic.

All Future Young Adults desiring to join the club are asked to give their names to an established club member so that they can be voted into the club before attending any club meetings.

The YAPC is planning a Pre-Easter Tea for parents of the club members. It will be held April 7th. The hour and place has not been determined yet.

The annual kick-off luncheon for the YMCA was held Tuesday noon at the YMCA building here. Several hundred interested members were present for this annual affair.

*Around the Hub City* must agree with Capt. Cox of the Juvenile Office of the City of Lubbock, when he admits that there are only 25,000 people, a good estimate, attending Sunday School on Sundays, but we claim to be a Christian community. What is wrong?

Would you believe that according to the record, last March 11th, in 1967, the temperature was 86 degrees, but this March 11th, last Monday, it was below freezing?

## TOURS Y.M.C.A AT AMARILLO

T. J. Patterson, reporter and assistant director of the Community Action Board in Lubbock County, toured the YMCA facility at Amarillo, Texas, last Saturday with 13 other residents of Lubbock.

The purpose of the tour was to capture an idea for constructing a facility to meet the needs of community in Lubbock. It was made clear by spokesman of the Amarillo Branch that their "Y" is strictly a Christian organization, working hard to meet the needs of the community.

Edgar F. Mills, executive director of the Amarillo YMCA, was responsible for the explanation of the facility in Amarillo. He made it known that their organization was a "tool" of the community.

R. T. Schreiner, executive director of the Lubbock Branch of YMCA, accompanied the group to Amarillo.

The group departed for Amarillo at 8:00 a.m. and returned at 4:00 p.m. via chartered bus.

HARRY STOKLEY, JR.

Civil Affairs 413th of the United States Army Reserve in Lubbock, and has been active in reserve units for 14 years. He is past president of Planned Parenthood Education Committee of Lubbock, former member of the Board of Lubbock Day Care Association, Board of the Well Baby Clinic, and Men's Civic Club.

According to Stokley, he is presently seeking Day Care facilities for Green-Fair Manor, Arnett-Benson and Guadalupe areas; massive adjoining play space for Green-Fair Manor to be used for clinics, reading and study areas and for meetings and parties; and kindergarten schools under public and private sources.

## PANTHERS MON adn DADS CLUB MEETING WELL ATTENDED

The Dunbar Panther's Mom & Dads meeting was well attended Monday night. Mr. Gipson was presented and talked about the basketball game that was played in Austin Thursday night. Mr. P. Hines was also present, he said this was the finest group of boys they have ever had to work with. The club was also able to view the film of the game played Saturday before last.

The club still needs more parents and boosters to help make it what it should be. Even if you are not a parent, be a booster.

Pictured above are the boys and girls of Mrs. Charles Johnson's classroom who are proud to show their display of art to the many parents who visited Ella Iles Elementary School during Texas Education Week this month.

The pupils are third graders at Ella Iles and were happy to make this type of contribution to their school.

## AN OPEN LETTER FROM MOM AND DAD'S CLUB

PARENT'S PARENT'S PARENTS, we must wake up and remember that time is too short and valuable to waste. We need to work closer with our children. Several weeks ago, the WEST TEXAS TIMES was reporting about the fight between some of our young people. What about the rape also?

I wish every parent in this part of town would read this and check up on our daughters and see if you are guilty of these

Parents, Are You Concerned?

I hope that the Parents of our community are becoming more concerned about the welfare of our young people.

You know that there is a great deal that can be done if only we work together in order to help our youngsters.

I wish the parents of this city would drive around the community and witness some of the many things that our youth participate in.

Let's remember that the Lubbock Police Department cannot do it merely by themselves, they need your complete cooperation.

Why not pitch in and help? Together we live; divided we fall. Why not start becoming a concerned parent, and quit saying that people are picking on our little Johnny or Mary?

I would like to hear from some of you in regard to this problem, the problem of becoming a more concerned parent and adult.

House Burglary

Hardy Jones, 1608 Avenue A, reported to the Lubbock Police Department that someone broke into his apartment and took some of his possessions.

It was further learned that the door to his apartment was kicked open. He had no idea who took the merchandise.

Car Burglary

Monty Bell, Jr., 1013 East 29th Street, reported that his stereo record player and several 45 rpm records were taken from his 1956 model car.

According to Bell, the car was parked at his residence and was locked, but the looter gained entry by breaking the vent glass on the right side.

The damage to the auto and

record player is believed to be \$70.00.

Possible Gunshot Victim

Police received a call to go to a residence in Tampico Terrace Apartments in regard to a shooting. Once there, it was learned that the victim, Velner Williams, 66, of 616 7th, was not shot, but had fallen on the porch and suffered an injury.

It goes to show you that all kinds of reports are called in to the city police.

Vandalism

Annie Contee, 1713 East 28th Street, reported that someone did casue \$75.00 worth of damage to her property.

She had no idea who could have been responsible for this damage. At this time, she is still wondering why this damage was done to her property.

things. No mother would want anything to happen to her girl. We need to see who their company is and if the places they go are chaperoned.

We need to get on some of the committies in various organizations that our children are a part. Please, when you are asked to serve on a committee, do not say NO or I don't know what to do.

We need to work on these things before they happen. Check to see if they are dressed proper,

it just may be that their dresses are too short and too tight.

You know, sometimes, the girls lead boys to doing these things. Girls, you must remember, boys see you and they will like you better if you look and act like a young lady.

We need to talk to our boys just as much. It seems as though every one (boys and girls) try to carry a deadly weapon.

Aside from this, if they are not fighting, they are trying to rape our young ladies. Why not take time and drive by the shcool areas after school some afternoon or by some hop on the weekend

I know we all work, but then if you work all the time, you are perhaps too busy. You know if you were sick, you would have time to stay home.

PARENTS, we need to work together to the extent that when we see these children doing wrong, we can talk to the . . . and don't stop their, talk to their parents.

You know, WE can help these young people and doing so, they can become better people to tomorrow. We must work together and quit talking on the buses to

and from work, in the beauty shops of how bad our young people are. Let's start TODAY by helping our young people help themselves.

Some men succeed because they are destined to, but most men because they are determined to.
