Dunbar High School International 2012 All Class Reunion Honored

Dr. Charles Henry & Mrs. Celestene H. Kyle

If you would ask local citizens of Lubbock, "Did Dunbar come back home? The answer would be a resounding "Yes!" More than 500 hundred former graduates, students, friends and family of Dunbar High School came home for the 2012 All Class Reunion X. This exciting event took place July 12 through 15, 2012 at the Lubbock Memorial Civic Center. The highlight of this reunion, which was for class 1923 through 1993, was the banquet held Saturday evening, July 14th. This banquet was dedicated to Dr. Charles Henry and Mrs. Celestene Hatchett Kyle. Dr. Henry, owner of Henry Enterprises, where he is an education/management consultant at present time, received his first teaching position at Dunbar High School in 1956. A native of Palestine, Texas, Dr. Henry graduated from Lincoln High School in 1953. He was a "Cum Laude" graduate with a BS degree from Texas College (pre-med), Tyler, Texas in 1956. In 1971, Dr. Henry received a M. Ed. in 1971 from Texas Tech University in 1971. He continued his career by receiving a Ed.D from Texas Tech University in 1974.

Mrs. Kyle was a honor student and president of her 1938 graduating class of Navasota Colored High School. She was the first female to excel in the game of tennis. Celestene was introduced to

tennis by Professor Stroud, a coach and teacher who came to Navasota from the state of Colorado. Professor constructed the first tennis court for Navasota Colored High School students on a playground located across from the school. After a few months of some very hard work and daily practice sessions, Celestene became an excellent tennis player. Many times during her high school days, she entered and won the Class 3-AAA Tennis Singles Competitions held at Prairie View A&M College. She won her first championship competition during her sophomore year, the second championship her junior year, and her third championship her senior year. Celestene and her doubles partner, Alice Marie Jones, also won Doubles Championship each year they competed in championship matches at Prairie View. LISD & United Supermarkets Teaming Up To Supply School Supplies For Lubbock Students

Lubbock ISD and United Supermarkets are joining together to provide much-needed school supplies for students within the district. Donation barrels for the school supply drive, "Supply Our Students" (SOS), will be available at all nine United Supermarkets, Market Street, and Amigos locations in Lubbock from July 25 through August 19.

Among the items needed are: No. 2 pencils, glue sticks, crayons, ballpoint pens, composition books, highlighters, index cards and scissors. Shoppers will also be able to make a \$1 school supply donation at the check-out registers. Donation barrels are also located at LISD Central Office, 1628 -19th Street.

Donated supplies will be distributed at school to students needing assistance. Providing students with the necessary supplies creates a more effective

learning experience. More than 60 percent of Lubbock ISD students are identified as economically disadvantaged.

LISD Superintendent Karen Garza, Ph.D., said, "Being well prepared for school is essential to learning. We greatly appreciate the support of United Supermarkets in this partnership with our community. The donated supplies are an important element in student success."

United also provided six LISD principals with gift cards to purchase supplies for their schools at a media event today.

"We know that adequate school supplies can be a significant expense for many families in our community, and we are proud to be partnering with LISD to help ease the burden," said Shelby Crews, community relations manager for United Supermarkets, LLC.

LISD Board of Trustees Hires New Principal For Parkway Elementary School

In a called meeting of the Lubbock ISD Board of Trustees on Monday, July 16, 2012, Kevin N. Word was hired as the new principal for Parkway Elementary School. Beginning his career in Amarillo ISD (AISD) in 1996, Word has been a principal, assistant principal and teacher in AISD. Word received both his bachelor's and master's degrees from West Texas A & M University. Joshlyn Cotton will be the new associate principal for Parkway. She is currently the assistant principal at Whiteside Elementary.

In other action, trustees purchased computer-adaptive intervention software for reading and math instruction in grades K through 12. The software allows learning to be targeted to the individual instructional level of each student. The materials were purchased with designated state, federal and grant funding.

The board also approved the purchase of world language labs which will allow teachers and students to have more opportunities for oral expression. Research shows that acquisition of a language is accelerated as the amount of time spent speaking the language increases.

From the Desk of Parson D.A. Smith
"Hit The Road Newt!"
Don't Come Back No More! No More! No More!

The following are some comments on what went wrong with Newt Gingrich. Newt who? The guy who wanted to become president of the United States and take jobs away from lowly paid school janitors and give them to kids among other evil things.

Former member of Congress (R-Pa) Newt Gingrich ran an inventive guerilla idea-oriented campaign that captured the fancy of conservative primary voters looking for a home. The Speaker was at his best in debates, where a long career of inspirational presentations to grassroots audiences paid off. The Gingrich campaign cultivated the spirit of an insurgency, and attracted voters seeking to send an unambiguous message opposing the policies of President Obama and the governance model of recent Republican administrations.

Ultimately, the romance of a Gingrich candidacy was mooted by occasional message indiscipline and a failure to engage the GOP fundraising apparatus and build grassroots networks. New outperformed expectations, but was never able to completely-

completely reinvent himself as an alternative to the Republican Establishment he once led. In the primary environment dominated by tea party sensibilities,

a figure as storied and protean as the former Speaker was never able to lock in the activist base, nor fend off the disciplined Romney juggernaut.

We Thank God for Jesus
"America At Time Is Praying Time"

Written by Evangelist Billy "B.J." Morrison, II - Your brother in Christ Jesus always.

Jeremiah 8:7-8a -- Yes, the stork in the heavens knows her appointed times; and the turtle and the crane and the swallow observe the time of their coming; but my people know not the judgment of the Lord. How do you say, We are wise, and the law of the Lord is with us?
*** AMERICA IT'S CRYING TIME!***

My Last writings, 7-19-2012, The LORD blessed Me to PROPHESY right on TIME. In the writing " AMERICA CURSED WITH A CURSE" . In Deuteronomy 28:15-20, says places where AMERICA was CURSED AT; THE BIBLE LEFT OUT IN THE THE FATHERS!!!

America was found on the WORD OF GOD; IT WAS HER GUIDE LINE. BUT she wanted HER RIGHTS; Like ADAM in the GARDEN; and wanting to use HIS OWN MIND!!!

John 8:31-32b -- Jesus Said, If you continue in my words, then are you my disciples indeed; And you shall know the truth, and the truth shall make you free.

*** MANKIND CAN ONLY BE FREE; IN JESUS CHRIST!***

When the CHURCHES marched against THE LAWS OF THE LAND.

This started DISOBEDIENCE ALL OVER AMERICA; AND NOW IT'S OUT OF HAND!!!

1 Peter 2:13-16 -- Submit yourselves to every ordinance of man for the Lord's sake: whether it be to the king, as supreme; Or unto governors, as unto them that are sent by him (POLICEMEN) for the punishment of evildoers (MARCHERS), and for the praise of them that do well for so is the will of God, that with well-doing you may put to silence the ignorance of foolish men: As free, and not using your liberty (RIGHTS) for a cloak of maliciousness, but as the servants of God. (CHRISTIANS HAVE NO RIGHTS; ONLY IN CHRIST JESUS!!!)

*** CURSE ARE THE TROUBLES MAKERS!!-- YES; THE CHRISTIANS DID ROB GOD***

When the CHILDREN watched the ADULTS; brake the LAWS OF THE LAND. The CHILDREN used the MY RIGHTS THING; AND ITS OUT OF HAND!!!

Matthew 15:14 -- Jesus said, Let them along; they be blind

leaders of the blind. And if the blind lead the blind, both shall fall into the ditch.

CHRISTIANS AND M.L.K. MISLED THE PEOPLE!!! JESUS SAID, FOLLOW ME; MATT 4:10.!!!

(JESUS didn't lead his SHEEP into a pack of WOLFS; to get CURSED AT, SPAT ON, KICKED, BEAT WITH CLUBS, BIT BY DOGS, SPRAYED WITH HI-POWDERED WATER HOSES.--IS THAT A GOOD SHEPHERD???)

John 10:11-12 -- Jesus Said, I am the good shepherd: the good shepherd gives his life for the sheep. But he that is an hireling, and not the shepherd, whose own the sheep are not, see the wolf coming, and leaves the sheep, and flees: and the wolf catch them and scatters the sheep.

Now AMERICA you bring forth YOUR FRUITS; the SIN OF HER LABOUR

The RIGHTS TO ROB, STEAL, KILL THE FAMILY; EVEN AT THE THEATER!!!

Galatians 6:7-8 -- Be not deceived; God is not mocked: for whatsoever a man sows, that

Outreach Prayer Breakfast

The members of the Outreach Prayer Breakfast want to share with each of you this Prayer.

"Prayer"

Daniel 57

Daniel interpreted the writing on the wall. Daniel answered: Keep your gift or give them to someone else. But I will tell you what the writing means.

They called for a Praying Man. Daniel, who prayed three times daily. This what it means. Numbered: God has numbered the days of your reign. They are ended. Tekel means weighed. You have been weighed in

God's balances and have failed the test.

Persians divided. Your kingdom will be divided and given to the Medes and Persians. At this time, Daniel was in his eighties and one Darius to three administrators, whom was working with and did not believe in God. How do you represent God on your job of non-Christian workers? Remember you are not fighting this battle alone. God is with you, and if He's for you, who can be against you? Remember God is in control, so go for it. Stomp on the enemy!

All we have to do is focus on Jesus as our Lord and Saviour. Do it now before you are forced to do so. Bow now and acknowledge Jesus is Lord!

Although Daniel knew about the law against praying, he still prayed three times a day. As he always did. Daniel had a discipline prayer life. Our prayers are usually interrupted not by threats, but simply by the pressure of our schedules. Don't let threats or pressure cut into your prayer time. Don't let threats cut into something as important as Prayer! Pray daily, Saints, like Daniel!!

We have many sick and shut-in citizens in our community. Let's keep smiling and praying, People!!!

Glory To Christ
II Thessalonians 1:3-12

Paul's letters to te church in Thessalonica reverberates with themes that are still revelant to us some 2,000 years later. The Christians in that vibrant metropolitan city were under pressure to return to their old way of life. They faced persecution for their faith. We all can relate to their everyday struggles of life, pain,

and the need for hope. In II Thessalonians, Paul immediately begins dealing with the dangers they faced.

Just keep studying the Word, Saints! God is able, no matter

what posture we are in!
Sister Dorothy Hood, president; and Sister Elnora Jones, teacher.
Keep praying, Saints!!

anything can tell you that cut the Medicare cost

We are now in the middle of summer and many recent high school graduates are frolicking in the sun, enjoying the season before assuming a serious mindset for college entrance or some form of higher education in late August or early September. Many of these young people have no idea what they really want their life's vocation to be. Some will even see college as a prolonged vacation, especially if they leave their home to attend one. In this vein, many students are checking to see which colleges are best known for partying and choose a major course of study which will fit into such a curriculum.

Prior to college, most students have taken aptitude tests to see what they would be most adept at doing. Many of these students will work toward a goal which reflects their abilities and it would appear that if one is able to do what one does to the best of one's ability that success should be the by product. It may not be.

With changes in time and technology, it is possible in these days to be an expert in some area in which the need has moved on or out. A student needs to have an alternate area of concentration which he can do well in. The other important thing to observe is the monetary rewards for the job one wishes to ultimately do. How much money does a school teacher make? Does the plumber earn more than the school teacher? These are the answers to the questions that one should ask.

Students are flocking to the online schools that advertise medical technician, medical assistant and various other medical training for positions in hospitals and doctor's offices. These may be quick fixes, but the real money is in medical school. Students should take pre-medical college classes and then go on to medical school and accumulate the vast rewards of a medical career. It takes more to reap the re-

wards of hard work and study, but will be worth the effort in the long haul. The same is true for paralegals; take the college pre-law courses and go to law school.

Business is still a lucrative area of study especially if one has some kind of technology training along with the business skills. There should not be much difficulty in securing a job and even better if one can accumulate enough capital to start a business based on knowledge in an area of technology. If starting up a business, one has to remember that it takes time to make a new business successful. As a matter of fact, it takes time to make any career a success. It is most difficult to attempt to start at the top in most anything, even if you are the offspring of the owner. Students need to get 'in cinque' with that single-purpose of mind, remind themselves that they are setting out to shape the rest of their lives and that further education is serious business. There should naturally be some time for fun and a little foolishness, but it is necessary to stay focused to attain a goal whether it is to be a CEO (Chief Executive Officer) of a major corporation or a plumber, which is a lucrative business as well.

AME Church Urges Nation To Unite Against Gun Violence!

Los Angeles, CA. -- The African Methodist Episcopal Church (AME) joins with the entire nation and the global community in expressing our sympathy, and lifting our prayers for those who were tragically and senselessly killed and wounded in the July 20th shooting at the Century 16 Movie Theatre in Aurora, Colorado. "Words alone cannot express the depth of our pain and our compassion for each victim, their families, those who witnessed the carnage, and the stunned Aurora community, declares Bishop Samuel Lawrence Green, Sr., President of the Council of Bishops. "At this time none of us are strangers, but children of God who need and seek God's love and comfort for healing, comfort, and peace of mind. We stand readily available to minister to those who have been victimized. If we've ever needed the Lord before; we surely need him now. We also lift up prayers for the alleged perpetrator of this mass murder). Although we believe in redemption for every misguided soul; we also believe in justice," proclaims Bishop Theodore Larry Kirkland, Sr., Presiding Bishop of the 5th Episcopal District which includes the state of Colorado.

"As we lift all who are impacted in prayer, we also call upon the leadership of our nation and state governments to

matches in Louisiana, Alabama, Georgia and Texas. Later, Celestene had the opportunity to compete against a young rising tennis player from the New York City's Harlem, named Althea Gipson. She was the first Black woman asked to play in the U. S. National Championship Tournament in Forest Hills, New York -- now known as the U. S. Open, and the first Black to compete in and win the Wimbledon Championship in Wimbledon, England in 1957.

Celestene was a very good student as well as a good athlete. She received her Bachelor of Arts degree from Tillotson College, now known as Huston-Tillotson College. She studied portrait painting at the National Photo-Coloring School in Chicago. She received a Bachelor of Science degree and Master of Science degree from Prairie View A&M College. She has done further study at Texas Tech University and received certification in the field of Health Education.

After teaching thirty-two years in the Lubbock Independent School where she dedicated all of them to Dunbar High School. She retired May 31, 1981. She is a member of the Delta Sigma Theta Sorority, Inc., which is a community service organization, and is proud to be a member of Phi Delta Kappa, which is an organization for higher educational research.

Mrs. Kyle says she was so surprised and elated about the dedication. She said: "I was momentarily loss for words to say." When she was called to come forward for words to say, she thanked the association and students for the honor, and told the large body of those in attendance, "I am very proud to see so many of my students come back home for this reunion."

She praised all the students

take action to curb the increasing violence, hurt and death which is being caused by our failure to enact gun control legislation," asserts Bishop Reginald Thomas Jackson, chair of the Social Action Commission. "Today's tragedy is more evidence that gun violence is out of control," says Bishop Adam Jefferson Richardson, Jr., President of the General Board of the AME Church.

We have heard the retort of the gun lobby that guns don't kill people, but guns are in the hands of people. Gun laws have become so lax that it is easier to get a gun than it is to get a driver's license. Often individuals can get as many guns as they want with very lax if any background checks. "The African Methodist Episcopal Church does not question the right to bear arms, but we also believe that there must be some checks and balances to ensure that guns are not in the hands of persons who are a danger to themselves and others", adds Bishop John Richard Bryant, Senior Bishop.

The African Methodist Episcopal Church calls upon the candidates of both parties to lay before the nation their position as it relates to passing again the Assault Weapons Ban, and other gun control measures, and we call upon the Congress and state governors and legislatures to act in a bipartisan manner on gun control. "We also call upon other church communions, civic groups and national organizations to join with Faiths United Against Gun Violence in speak-

ing out and acting on this issue," concludes the Social Action Director, Jacquelyn Dupont-Walker. Daily, in our local communities, we experience maiming and murders from gun violence. On April 20, 1999, the Columbine senseless shootings took 12 lives and left 26 wounded. Exactly 13 years and 3 months later, the Aurora shootings create a new record of mass deaths by gun violence. How many tragedies does our nation have to endure, before we act on controlling the violence, injury and death caused by the increase and use of guns in our nation?

Actor Sherman Hemsley
"Played George Jefferson"

Actor Sherman Hemsley passed away at his home in El Paso, Texas, on Tuesday at the age of 74.

His booking agent confirmed the death to HLN Tuesday evening, July 24, 2012.

Hemsley was best known for his role as George Jefferson in the 1970's sitcom "All in the Family" and the show's spinoff "The Jeffersons."

Norman Lear, who created those shows, said, "With the passing of Sherman Hemsley, the world loses one of its most unique comedic talents, and a lovely man."

White Church Refuses To Marry Black Couple In Crystal Springs, Mississippi

(CNN) -- Hurt. Devastated. Crushed.

Those are words an African-American couple used to describe how they felt when they were forced to change the venue of their wedding because of their race.

"Because of the fact that we were black, some of the members of the congregation had got upset and decided that no black couple would ever be married at that church," Charles Wilson told CNN on Sunday night, July 29, 2012.

"All we wanted to do in the eyes of God was to be man and wife in a church that we thought we felt loved. What was wrong with that?"

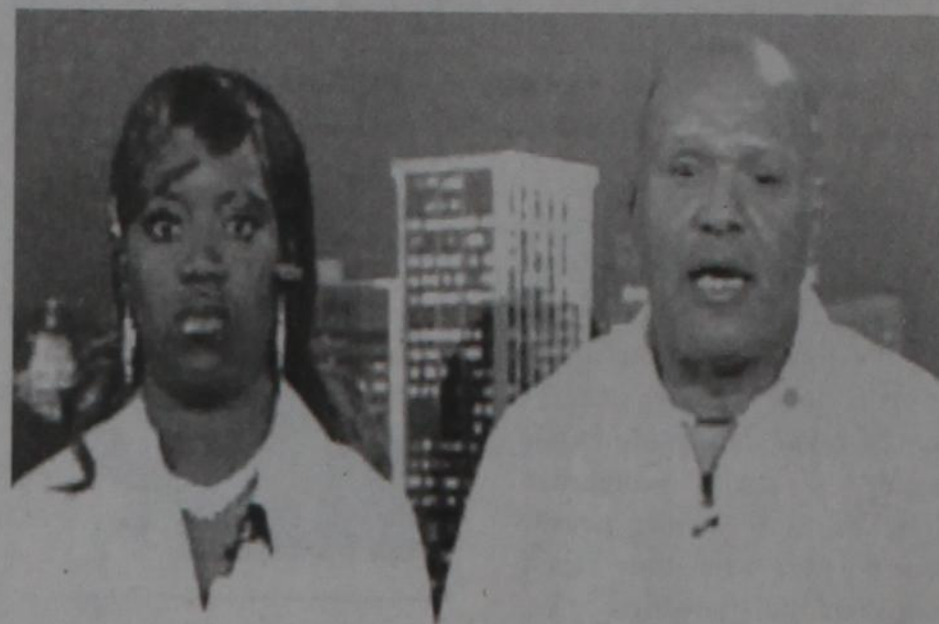

Black couple denied wedding in church Charles and Te'Andrea Wilson had planned to marry this month at the First Baptist Church of Crystal Springs in Mississippi, but were asked at the last minute to move.

Their pastor, Stan Weatherford, made the request on behalf of some congregants who didn't want to see the couple married there, according to CNN affiliate WLBT. He performed the ceremony at a nearby church.

"This was, had not, had never been done here before so it was setting a new (precedent) and there were those who reacted to that," Weatherford told WLBT.

"I didn't want to have a controversy within the church, and I didn't want a controversy to affect the wedding of Charles and Te' Andrea. I wanted to make sure their wedding day was a special day," he reportedly said.

On Sunday, some church members reacted to news of the

wedding with surprise, many hadn't known what happened to the Wilsons until they heard about it on the news, and offered apologies.

happened and would you forgive the people who caused it? Because we're gonna try to," Bob Mack told WLBT.

Talking about the group that opposed the wedding he said: "We hope we can straighten them out, you know, get them to understand what Christianity is all about because they have some misconceptions about it."

But for Charles and Te'Andrea Wilson, support from the church now might be too little, too late.

"I had dreams of having my wedding the way I wanted it, and I also dreamed of having it at the church and unfortunately, it didn't happen," Te'Andrea Wilson told CNN.

Her husband said if there was a time to "step up and be Christ-like," it was before their wedding. Hindsight is 20/20.

"If it was such a minority of people, why didn't the majority stand up and say, 'in God's house we don't do this?'" said Charles Wilson.

**Committee of Vamos a Pescar
(Let's Go Fishing) Fishing Event,**

Will Stock Lake with 900 Pounds of Catfish

In an effort to encourage children and families to enjoy more family time and the sport of fishing, Los Hermanos, a collaborative group of men, organizations, and volunteers who value God, family, and community, will hold the 4th Annual Vamos a Pescar (Let's Go Fishing) free fishing event!

"This year we will be stocking the lake with 900 pounds of hungry catfish," said Frank Garcia, co-chair.

He said that the Vamos a Pescar (Let's Go Fishing) free fishing event will be held Saturday, August 18, 2012. Fishing will begin at 6 a.m. and end at 2 p.m. Registration is free, which includes lunch for registered participants, a chance to win prizes, gift bags for the first 500 families, and lots of fun. All

children up to 17 years-old must be accompanied by an adult. Families can register by calling (806)792-1212.

Garcia added that a collective group of almost 20 organizations and volunteers have worked to raise money to stock the lake, which is the largest expense of the event. He said that they received a permit to properly stock the lake west of University at Buddy Holly Lake on the West side of Cesar E. Chavez Drive.

No fishing license will be needed during the designated time and in the designated area. Participants are encouraged to bring fishing gear and necessary items to protect themselves from the elements, and enjoying a day out for fishing.

Last year over 3,200 individ-

uals consisting of families, especially fathers and children, participated in the event, hosted by Los Hermanos Network, and co-sponsored by Texas Parks & Wildlife, the Texas Game Warden's Association, Lubbock's Fishing's Future, and various sponsors and media.

Los Hermanos consists of the Vamos a Pescar Committee, Knights of Columbus #8097 San Jose, Knights of Columbus #11807 Our Lady of Guadalupe, Our Lady of Grace Guadalupanos, Hispanic Peace Officers Association, LULAC #263, Sigma Lambda Beta, West Texas Lowriders Association, Catholic War Veterans #1942, 4th Degree Assembly 1101, Knights of Columbus #7590 St. John Neumann, Hispanic Student Society, TTU LULAC, as well as many individual volunteers and amigos are helping to organize and carry out this event.
