

# Dunbar's Homecoming Set Friday Night

## 'Around the Hub City'

This is a very special week for the students of Dunbar High School. "AROUND THE HUB CITY" would like to take this time out and wish you a most enjoyable homecoming.

Panthers, this is your big game on Saturday night, and you know what, you can win this game without any sweat....

Congratulations to you "Miss Homecoming" we are proud of you.

Mr. and Mrs. Alex Kavanaugh of Los Angeles, California were guest of Mr. and Mrs. Willie Lusk on last week. Mrs. Lusk is a relative of the Kavanaughs.

There are many of our friends and readers of the "West Texas Times" on the sick list this week. Let us all say a prayer for the following:

Mrs. Leola Thornton who is a patient at Methodist Hospital.

Mr. Charles Jackson is a patient at Big Springs.

Mrs. Mary Brown, Wilmar Wilson, and Ernest Cook are all ill in their homes.

The Carver Heights Day Nursery is really coming along fine. It won't be long before the little tots will have a new home---thanks to YOU for your many splendid gifts to this worthy cause.

The Elks Lodge will be jumping on Saturday night when the fabulous "Blue Notes" will be featured in a big ELK DANCE.

We will be watching you on the fifty-yard line, Dunbar Marching Band, so turn on the works.....

A little bird told the "West Texas Times" that a Panther will be looking forward to breaking the ice at Texas Tech next football season. We hope its true.

## Community Barber's Club News

The Community Barber's Club, which is composed of the various barber shops in the City

This year's Homecoming is expected to be the greatest---greatest in the history of Dunbar---according to the Dunbar student body and the hard working Alumni Association.

On Friday evening at Lowery Field will be the scene of the annual game between two rival teams, Dunbar and Carver, and it will attract many fans from the South Plains area including graduates, ex-students, students, patrons, parents, and friends.

On tap for this week---which began on Monday---many splendid activities have been provided for this glorious affair. Each day has been erected to build a strong foundation toward the climax on Friday evening at Lowery Field.

Monday and lasting through today, Thursday, a "Display Contest" is being held with the winner to be announced on tomorrow, Friday, at the big Pep Rally.

Tuesday, the second day of homecoming activities, a masterpiece of a dragon was constructed by the Art Department in which the Panthers destroyed---and we may add they did a lovely job of destruction....

Wednesday, which was declared as "Beannie Day" and "Slogan Day", brought much morale to the team. The slogan for this year was: "Drag the Dragons". A Wishing Well was placed in the main hall way of the school and well wishers, student body, participated by dropping coins into the well for wishing the Panthers "Good Luck". The monies collected from this effort will be used for purchasing fruit for the Panthers.

Today, Thursday, is "Booster Day"---and we may add---a most exciting one---because of more reasons than one. "Miss Homecoming" will be presented to the student body along with the "Football Sweetheart", Rose Pillow, at the homecoming assembly.

Friday, which will climax this week of homecoming activities, will start off at the seventh period when the gigantic "Pep Rally" will be on tap. In addition to this the "Display Contest" winner will be presented to the student body.

Several hours from this rally, a most exciting gridiron fete will be featured and at half-time the presentation of "Miss Homecoming" to the many fans will be revealed.

## DRIVER EDUCATION IS IMPORTANT FOR TEENAGERS

Every state in the nation should have a law affecting every student between the ages of 16 and 18. The law should require all new drivers under the age of 18 to complete a Driver Education course before applying for a driver's license. Further, it should provide for faster suspension of the licenses of all drivers under 18 years of age for oiving violations.

Why do young people have to have such special attention? In the first place, they are our worst drivers. Drivers between the ages of 16 and 18 represent 2 percent of all drivers in the nation, but they are involved in 8 percent of all our accidents---four times as many fatal accidents as their proportion justifies.

The answer is very clear. To fight this terrible loss of life in this age group, there are two v e r y effective tools. First of all, a complete course in Driver Education, taught by competent teachers, and paid for out of state funds.

EDUCATION FIRST---because surveys show that groups which have completed a course in Driver Education have fewer fatal and non-fatal accidents than other groups.

Second, STRICTER LAW ENFORCEMENT against these youngsters is required. Youngsters fear the loss of their drivers' licenses more than they fear the loss of their lives.

The ideal for every state would be universal Driver Education. Every new driver should be required to complete a standard Driver Education course, taught in every high school, and including thirty hours of classroom instruction, six hours of actual experience behind the wheel and twelve hours of observing other drivers in the car. Such course would help the student understand t h e seriousness of our traffic accident problem. It would help them develop desirable attitudes, teach them the laws and regulations governing drivers, and give them a better understanding of how they can work toward the solution of our traffic accident problem.

To complete a course, the student should be required to attend each scheduled class session. Students missing a session should be dropped but permitted to enter a later course. To pass the student should have a grade in excess of 75%. Upon completion the student should receive a certificate enabling him or her to take the examination required by the state's driver licening division.

There are approximately 93,000,000 licensed drivers in t h e nation. 6,450,000 are under 20 years of age. They were involved last year in 6,600 fatal accidents (13.2%) and 2,800,000 non-fatal accidents (14.7%) while they represent only 7.1% of all our drivers. These young people average a fatal record of 102 per 100,000 drivers, while the nation averages 55 per 100,000 drivers.

## Damon Hill, Jr., Elected City Hi-Y Prexy

Damon Hill, Jr. was elected president of the City Hi-Y Council on October 10 in the council's first official meeting at the Young Men's Christian Association.

On the second Sunday in each month two representatives from each club meet at the YMCA. This group constitutes the City Hi-Y Council.

Damon served as president of the Sophomore-Junior division of the Hi-Y organization at Dunbar during 1964-65 school year. He attended the Pre-Legislative meeting last October at Texas Tech and t h e Texas Youth a n d Government Hi-Y Youth Legislative in Austin last December. While attending this meeting he successfully passed a bill on Safety Belts.

The Texas Hi-Y Youth and Government program is a "laboratory experience in democracy."

Youth a n d Government is designed to underscore the slogans

that "Freedom must be earned by every generation" and that "with every freedom there is an attendant responsibility."

Although Youth and Government becomes for a few representatives and experience in the procedure used by our State in making its l a w s, it points up to every Hi-Y member the responsibility of every citizen to be informed on and to speak his mind on important issues.

**HOUSE BURGLARY**  
"Wife believes husband is guilty."

A Lubbock housewife told police that while she was visiting some friends in Amarillo on last week someone went into her home and stole some of her personal belongings. The items included twelve white sheets, \$2.79 each; twelve white pillow cases, \$1.89 a pair; seventy-two assorted colored wash clothes, eight for \$1.00; and fifteen large bath towels, \$1.89 each. The total amount of merchandise taken from the lady was approximately \$83.00.

She told police that she had been divorced

from her husband for several months and that he also had a key to her house. She went on to tell authorities that all of the windows and the doors were locked when she left, but upon her return she found the front door slightly open. There were no pry marks found on the door. There were beer cans and cigarette butts found on the floor, and in addition to this a woman's head scarf was found lying beside the bed.

The lady still believes that her husband is responsible for this incident.

**MORAL OF STORY:**  
"Women who divorce from husband make sure that he gives you his key."

**TRICK TREAT LEADS TO VANDILISM**

On last Saturday night, which was celebrated as Halloween, Lawrence Henry, 3609 East 14th Street, told police that some "trick or treater" made the best of the night by

knocking out his picture window, 3'x4' valued at twenty dollars. This was not enough for the prankster, he decided to explore his talent at the rear window. The windows were not the only things destroyed, there was a damage to the screen of the rear window. The value of the property was believed to be \$40.00.

Henry believes that a 19 year-old boy is responsible for the incident.

**BICYCLE STOLEN**

Tommy Davis reported to the police that he was at a party at the E. C. Struggs Junior High School last Friday night and upon going home he discovered that his red Texas Ranger, 26", boys bike with a banana seat was stolen. The value of the bike is believed to be \$15.00.

**THEFT OF PURSE**

There are twenty members in the club.

## BARWISE BOBCATS BAG EASTSIDE TIGERS 28-6

The statement, "The Bobcats came to play" was exactly correct, for the "Cats" rushed by the Tigers of Eastside with little or no trouble at all. Except for Herbert Smith's running and Frank Donaldson's pass catching the Tigers had little to growl about.

Barry Mennick and Mark Harris supplied the fine works for the large crowd on hand

last Wednesday afternoon and the Bobcat followers left the stadium on cloud nine for their heroes gave a fine account of themselves.

The Tigers have only three more games to play and if someone should lace the Bobcats one more time and if the Tigers win the remaining games, there will be a new City Champion. .EASTSIDE.....

Weekly meetings will be held in order for the club to enlarge its membership, promote a close relationship among its members, and plan a meaningful calendar of events for its members.

The club plans to enter a car and its queen in the Texas Southern Annual Homecoming Parade, which will be held on November 13th in downtown Houston.

The Booker T. Washington Leopards had what amounted to a "Fields Day" against Burnett of Terrell here Saturday night at Coyote Stadium. Lyday boomed the kick down into Terrell's end zone and J.C. Jennings tried to make a run back, but the onrushing Leopards popped the leather "for a safety." With 11:45 left to play in the first quarter the score was 2-0 in favor of the Leopards.

The following kick brought almost the same results but the ball was spotted deep in Terrell's territory. Terrell could not contain the ball and the Leopards made a 45 yard drive which ended with a 17 yard run by Reginald Robinson who flung-off would be tacklers and scampered in for the touchdown.

After an array of fumbles by both teams and the reiterated actions of

Terrell, the Leopards struck pay-dirt again. With 4:45 left in the first quarter another drive was started on Terrell's 29 yard line and ended again with another powerful scramble by Robinson. The score was then 20-0.

On the next kick-off Terrell was dropped for another safety on a third down situation when Raynard Manning dropped the quarter fading for a pass. In the second quarter of play the Leopards blocked a kick lead by Ronald Donaldson and set up another touchdown. Vester Nelson crashed over for another when he bullied his toiling way to pay-dirt. Harris conversion for point after failed.

Opening the second quarter with a bang, quarterback Davis lead his team to the golden door with a 64 yard drive and a three yard roll-out was the finale of the drive. From that play on, Coach Garnett sent in a flow of reserves and before the game ended everyone saw a little action.

In the second half, Quarterbacks Davis and Norris, one of the best shuttling combinations in the State, turned the deed into the hands of rookie quarterbacks Bedford and Colbert. When Terrell threatened for the first time Coach Garnett sent in the first line--superfluous defense. Donald Smith made it "May Day in Red Square" with a 50 yard scamper to the end zone.

The final score came when Smith, the left halfback, seized the ball for another long race but was up-ended at the 21 yard line. James Colbert put the finishing blow on the score board when he threaded the needle with a 21 yard pass to a brilliant rookie end Jerome Minor.

James Harris who missed all of the conversions he attempted and was aided by a fine PAT man Bruce Christian who booted two.

## Former Teacher Has Unique Hobby; Has 1060 Pipes

WASHINGTON-(UPI)-Cato W. Adams, 76, who retired in 1947 as assistant principal at Armstrong High School from which he was graduated, has an unusual hobby.

During the past 50 years, Adams has collected, oftentimes under unusual circumstances, 1060 pipes and has a story for each one of them.

Adams usually smokes a pipe in his den after dinner. There are pipes everywhere and he has a wide variety from which to choose. He can pick a meerschmum or a corn-cob -- the pipe that

started him smoking--- a briar or hickory, a carved or a plain pipe.

His collection of pipes on top of pipes, pipes behind pipes, on the walls, in racks, on tables, also includes a long ceremonial pipe, or a short everyday one.

Adams, who has never smoked a cigarette and picks up a cigar only occasionally, got started on pipes at 22 when he worked around older men who continually lit up corncobs.

Now selection of a pipe after dinner is something of a ceremony as he regales droppers-in with how he happened to obtain this pipe or that one.

A distinguished-looking man whose demeanor and dapper appearance belie his age, he works part time in insurance, is secretary of the Pigskin Club and member of several alumni and fraternal groups, including the Bachelor-Benedict Club

Upon completion the student should receive a certificate enabling him or her to take the examination required by the state's driver licening division.

There are approximately 93,000,000 licensed drivers in the nation. 6,450,000 are under 20 years of age. They were involved last year in 6,600 fatal accidents (13.2%) and 2,800,000 non-fatal accidents (14.7%) while they represent only 7.1% of all our drivers. These young people average a fatal record of 102 per 100,000 drivers, while the nation averages 55 per 100,000 drivers.

## Damon Hill, Jr., Elected City Hi-Y Prexy

Damon Hill, Jr. was elected president of the City Hi-Y Council on October 10 in the council's first official meeting at the Young Men's Christian Association.

On the second Sunday in each month two representatives from each club meet at the YMCA. This group constitutes the City Hi-Y Council.

Damon served as president of the Sophomore-Junior division of the Hi-Y organization at Dunbar during 1964-65 school year. He attended the Pre-Legislative meeting last October at Texas Tech and the Texas Youth and Government Hi-Y Youth Legislative in Austin last December. While attending this meeting he successfully passed a bill on Safety Belts.

The Texas Hi-Y Youth and Government program is a "laboratory experience in democracy."

Youth and Government is designed to underscore the slogans

that "Freedom must be earned by every generation" and that "with every freedom there is an attendant responsibility."

Although Youth and Government becomes for a few representatives and experience in the procedure used by our State in making its laws, it points up to every Hi-Y member the responsibility of every citizen to be informed on and to speak his mind on important issues.

**HOUSE BURGLARY**  
"Wife believes husband is guilty."

A Lubbock housewife told police that while she was visiting some friends in Amarillo on last week someone went into her home and stole some of her personal belongings. These items included twelve white sheets, \$2.79 each; twelve white pillow cases, \$1.89 a pair; seventy-two assorted colored wash clothes, eight for \$1.00; and fifteen large bath towels, \$1.89 each. The total amount of merchandise taken from the lady was approximately \$83.00.

She told police that she had been divorced

from her husband for several months and that he also had a key to her house. She went on to tell authorities that all of the windows and the doors were locked when she left, but upon her return she found the front door slightly open. There were no pry marks found on the door. There were beer cans and cigarette butts found on the floor, and in addition to this a woman's head scarf was found lying beside the bed.

The lady still believes that her husband is responsible for this incident.

**MORAL OF STORY:**  
"Women who divorce from husband make sure that he gives you his key."

**TRICK TREAT LEADS TO VANDILISM**

On last Saturday night, which was celebrated as Halloween, Lawrence Henry, 3609 East 14th Street, told police that some "trick or treaters" made the best of the night by

knocking out his picture window, 3'x4' valued at twenty dollars. This was not enough for the prankster, he decided to explore his talent at the rear window. The windows were not the only things destroyed, there was a damage to the screen of the rear window. The value of the property was believed to be \$40.00.

Henry believes that a 19 year-old boy is responsible for the incident.

**BICYCLE STOLEN**

Tommy Davis reported to the police that he was at a party at the E. C. Struggs Junior High School last Friday night and upon going home he discovered that his red Texas Ranger, 26", boys bike with a banana seat was stolen. The value of the bike is believed to be \$15.00.

**THEFT OF PURSE**

Barney Bird, 1003 East 29th Street, told police that she left her purse at 2809 Ivory and while she went on an errand-leaving her purse there-came back and

Evoyne Harris, age 13, returned home last week from Mercy Hospital here, where she underwent minor surgery. Evoyne missed most of school term last year, because of lose of her voice, for which reason the doctors were unable to determine. After seeing several physicians in this vicinity to no avail, she was entered in the hospital in Wichita Falls. After being treated there several weeks, she returned home, and had regained her voice but continued to have some difficulty. The minor surgery Evoyne underwent last week was a Tonsillectomy, which has improved the slight speech defect. Evoyne's parents, Rev. and Mrs. J. V. Harris, express their Thanks to many friends for the kindness, deeds, and services rendered during their daughter's illness.

They were many treats given to the children here during the weekend, but it seems the biggest treat for most of them was the Halloween Carnival, held at Evans School sponsored by our teachers. Thanks to our wonderful teachers for giving our youngsters this Big Treat.

Mrs. Washington was a resident here from 1939-1961 at which time she moved to Calif. While here she was an active member of the Triumph Baptist Church, and an Eastern Star.

Even though her remains will not be at rest

in this community, her many friends here feel a great loss.

Mr. and Mrs. W. E. Rainwater and Mr. and Mrs. Henry Clemons enjoyed a trip to Dallas last weekend. While there, Mr. and Mrs. Rainwater visited with their daughter Rose Gamble, there on an engagement with Langston University Band.

**TRIUMPH BAPTIST CHURCH**---The first Federational Choir singing, will be held here Sunday, Nov. 7, 3:00 p.m. Everyone is cordially invited to hear good Spiritual singing by Gospel Chapel Choir and Triumph Baptist Senior and Junior Choirs. Our pastor Rev. M. A. Brown, promoted the organizing of this Federation of Choirs here, and he is asking all churches here to join forces, and co-operate together to create a great Spiritual fellowship among our churches thereby creating a great Spiritual fire here that cannot be ceased.

Rev. Brown points out to us if we can work together in the commun-

ity and by working together we will not only keep our churches on a forward move, but our community also. He also points out to us in order to accomplish and maintain a forward move here we must keep "Putting Excuses In The Background," and "Rendering Services."

Evoynne Harris, age 13, returned home last week from Mercy Hospital here, where she underwent minor surgery. Evoynne missed most of school term last year, because of lose of her voice, for which reason the doctors were unable to determine. After seeing several physicians in this vicinity to no avail, she was entered in the hospital in Wichita Falls. After being treated there several weeks, she returned home, and had regained her voice but continued to have some difficulty. The minor surgery Evoynne underwent last week was a Tonsillectomy, which has improved the slight speech defect. Evoynne's parents, Rev. and Mrs. J. V. Harris, express their Thanks to many friends for the kindness, deeds, and services rendered during their daughter's illness.

 Their were many treats given to the children here during the weekend, but it seems the biggest treat for most of them was the Halloween Carnival, held at Evans School sponsored by our teachers. Thanks to our wonderful teachers for giving our youngsters this Big Treat.

### STITES PENDING FOR FORMER RESIDENT OF SLATON

Services are pending in San Diego, Calif. for Mrs. Rosie Lee Washington, 62, a former Slaton resident, who expired Sunday night, Oct. 31, at 11:05 in a hospital there after a lengthy illness.

Mrs. Washington was a resident here from 1939-1961 at which time she moved to Calif. While here she was an active member of the Triumph Baptist Church, and an Eastern Star.

Even though her remains will not be at rest

in this community, her many friends here feel a great loss.

Mr. and Mrs. W. E. Rainwater and Mr. and Mrs. Henry Clemons enjoyed a trip to Dallas last weekend. While there, Mr. and Mrs. Rainwater visited with their daughter Rose Gamble, there on an engagement with Langston University Band.

**TRIUMPH BAPTIST CHURCH**---The first Federational Choir singing, will be held here Sunday, Nov. 7, 3:00 p.m. Everyone is cordially invited to hear good Spiritual singing by Gospel Chapel Choir and Triumph Baptist Senior and Junior Choirs. Our pastor Rev. M. A. Brown, promoted the organizing of this Federation of Choirs here, and he is asking all churches here to join forces, and co-operate together to create a great Spiritual fellowship among our churches thereby creating a great Spiritual fire here that cannot be ceased.

Rev. Brown points out to us if we can work together in the commun-

ity and by working together we will not only keep our churches on a forward move, but our community also. He also points out to us in order to accomplish and maintain a forward move here we must keep "Putting Excuses In The Background," and "Rendering Services."

Mr. and Mrs. Jink Johnson and Mrs. Pearly Fields attended funeral services of a close relation in Austin, Tex. last Sunday.

Mrs. Earlene Thomas is under medical treatment in Methodist Hospital.
