## Dunbar Goes All The Way - State Champs

Mildred Ellis, daughter of Mrs. Carrie Ellis, and James Jackson of Bryant, Texas, plan marriage ceremonies for Saturday, December 21, 1963.

The couple will marry in Houston, Texas at the home of Mr. Jackson's sister, Mrs. Elmora Price. Miss Ellis is a Nurse's Aid at Methodist Hospital and is a 1955 graduate of Paul L. Dunbar High School, Lubbock. The groom-to-be is an employee at Farm Pac Meat Company in the city.

Ruben Blakemore cleans and presses clothes at Ed's Drive-In Cleaners, 3405 Ave H.

Blakemore started this kind of work in Albuquerque, N. M. for Gus Kallos. He worked there for one year. He moved to Lubbock in 1935 from Palestine, Texas. Ruben worked two years

for Stinson Cleaners, and has worked at Ed's Drive In Cleaners for 15 years.

Altogether, Ruben has spent 25 years in the cleaning and pressing business.

In 1952, Ruben married Clara Colquitt. They now have four children, Robert 11, Ronald 10, Patricia 9, and Ruben Jr. 6.

The Blakemore's reside at 1314 East 14th St.

The Federation of Choirs took a collection of \$35.00 for Rev. Mrs. Clark Smith of Brownfield, Texas. The Rev. A.W. Wilson, pastor of the Bethel AME, commuted to Brownfield to deliver the money. Rev. Mrs. Clark

has been ill for quite some time. She is a well known minister in the Lubbock area.

Singer Marian Anderson and Dr. Ralph J. Bunche, United Nations Undersecretary for Special Political Affairs, were among 31 persons who received the Medal of Freedom at White House ceremonies last week.

President Lyndon Johnson presented the nation's highest civilian honor authorized in peace time to the Americans and foreign nationals in the State Dining Room which was draped in mourning for the man who conceived of the unprecedented awards.

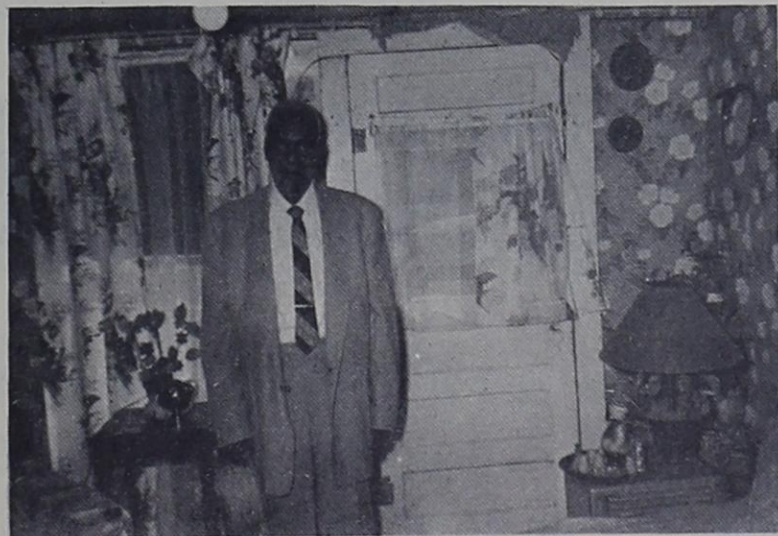

The late John F. Kennedy, whose idea it was to honor the group with a new Presidential Medal of Freedom, had wanted to present the awards himself. President Johnson did so instead.

President Johnson announced that he was adding his assassinated predecessor and the dead Pope to the list of winners of the new medal. This dimaxed the White House ceremony which had been planned by Kennedy himself.

Each of the 31 other winners of the Freedom Medal had been design-

Luther Harrell, age 78 died Tuesday, Dec. 3rd, in the Veteran Hospital, in Denver, Colorado, he was buried there Monday Dec. 9th. He had lived in Lubbock since 1923, and was a member of Mt. Gilead Baptist Church, as well as Post #808 of The American Legion.

He is survived by one brother, Horace Runnell, Midland, Texas; one sister, Marcello, also of Midland; three daughters, Mrs. M.B. Geary, Lubbock; Mrs. Pauline Davis of Lawton, Okla.; Mrs. Geraldine Thomas, Denver; one son, W.L. Brown, Lubbock; three gr-

anddaughters, three grandsons, and one great grandson.

His brother, sister, daughters, son, and relatives sincerely thank each of you for your kind and loyal sympathy.

The Dunbar Panthers captured the State Class AA football championship on last Saturday afternoon by defeating the Booker T. Washington Bulldogs of Conroe 19-14.

For the last 10 years Lubbockites have been looking forward to boasting about a state championship. The last championship was in 1952 when Lubbock High Westerners captured the Class AAAA crown.

The Panthers scored the third and fourth times it had possession of the pigskin. They led by a score of 13-0 at halftime. With victory on the Panthers minds they scored twice in the first period of play. The hard running Billy Jones received an 18 yard pass from their quick thinking quarterback, James McCormick, for the first score. Fullback Joe Newman took the pigskin over from the three yard line on the next possession of the ball.

Conroe scored their first time when Gipson, quarterback, connected with a seven yard pass to halfback Willie Moore for the tally.

James McCormick and Joe Newman combined efforts for the Panthers, accounting for the bulk of Dunbar's 210 yards gained in the rushing department. Newman was the leading individual rusher for the game with 81 yards in 26 carries. McCormick carried only four times, but one was for 50 yards.

The Dunbar Panthers picked up 15 first downs, 13 earned by rushing, 1 by passing, and 1 by a penalty; while Conroe had only 9 first downs, 6 by rushing, 2 by passing, and 1 by penalty. In the yardage department Dunbar had 210 by rushing and 43 by passing which gave a total of 253 for the day. Conroe fell short of the yardage in comparison with the Panthers. They gained 164 yards, 85 by rushing and 79 by passing.

With only seconds before the final buzzer of the game, the Panthers were quite confident they were making history. This state championship was the first that has ever been accomplished by the Panthers in the history of the school.

Mr. G.C. Clapp, director of audio-visual services and public information for the Lubbock Public Schools, spoke to the student body last Thursday, on the importance of audio visual aids in public schools. Following his presentation, a color film entitled "The John Glenn Story" was shown. The audio-visual club has a senior high and a

junior high group of officers. Frances Johns, a senior is president of the senior high division. James Rayford, an eighth grader, is president of the junior high division. Club colors are red and black. "Learning for Service" is the club's motto. Mrs. R.A. Malone sponsors the club.

Vivacious Head Cheerleader Joyce Hamilton, an eleventh grader, took the honor of top teenager for the month of November. Chemistry is Joyce's

A Dallas school teacher suspended for two days because of a letter she wrote to a magazine about President Kennedy's assassination, was scheduled to appear before school Supt. W.T. White this week.

Dr. White said the teacher, Mrs. Elenor Cowan, wrote a letter to the "Letters-to-the-Editor" column of Time Magazine. It appeared in last week's issue. The letter said Dallas "paved the way for the

Renewal grants of \$45,000 each were awarded Drs. L.L. Woods, left,

chairman of the Division of Natural Sciences and head of the department of chemistry, and Ray F. Wilson, professor of Physical Chemistry at Texas Southern University, in Houston. Each award will extend over a three year period, 1964-1967, and will provide a \$15,000 per year stipend. Dr. Woods who was recently elected counselor for the South-eastern section of the A-

merican Medical Society, is also a member of the AES Council. His research has been done with Oxygen Heterocycles, while that of Dr. Wilson has been done with Platinum Derivatives. Both chemists received similar grants for 1961-1964.
