The Clayton Bros., who farm 1/2 mile east of Springlake, also many other acres around the area, brought in this year's first load of grain sorghum in the Springlake area with DeKalb E56.

The Claytons delivered the first load on August 24. They expect to harvest approximately 5,000 pounds per acre.

They planted their E56 on April 19, putting down 7 pounds of seed to the acre on 40-inch rows. They watered the crop twice and cultivated it twice.

### Size up the BIG WAGON!

The new TRAVELALL® by INTERNATIONAL is stylishly low in height, big and roomy inside. With all 3 seats in, it carries 9 big people. With seats adjusted, 6 and big loads, or 3 and giant loads. V-8 power is standard. Some models offer torsion-bar front suspension and box-section frame.

### MEET THE SCOUT!

Made for work—and plenty of it—with a dash of fun thrown in. Carries 3 people up front. All-steel body hauls man-size loads of cargo. INTERNATIONAL 4-cylinder Comanche engine saves on gas and oil. Optional all-wheel drive provides traction anywhere. The Scout strips for action in minutes—doors, windshield and top come off. The Scout converts to a town delivery with an optional steel Travel-Top complete with side, rear windows, and lift gate.

### PICK OUT A PICKUP!

INTERNATIONAL's new light-duty trucks are different inside, outside and underneath. Plenty of head room, yet stylishly lower in overall height. Extra ground clearance, too—because mufflers and gas tanks do not hang down below frame level. INTERNATIONAL V-8 power is standard. # Boy Scout News

Approximately 35 boys were present Tuesday night at the community building for a watermelon feast which was the start of the recruiting program set up for the Scouts.

All boys between the ages of 11 and 17 who are interested in Scouting are urged to contact either the Scoutmaster, Travis Jaquess, or C. L. Berry, Scout Committeeman.

The Scoutmaster gave a short talk on getting more boys interested in Scouting through the boys themselves. There has been a reorganization of Patrols to make room for the new recruits.

A complete list of these patrols will be made in the near future.

The Webelos Den of the Cub Scouts were special guests of the Boy Scouts for the watermelon feast.

### CUB SCOUT NEWS

Den I has changed its meeting day to Wednesday at the community building and met last Wednesday with five members present and the den chief, Bobby Glasscock.

The boys worked on the rope achievement, as found in the Bear Cub Scout Book, under the supervision of Mrs. Jim Glasscock, den mother.

A booth to be used at the pack meeting on the fourth Tuesday was also started. The rest of the meeting time was spent playing games. Mrs. Glasscock served refreshments.

Den IV did not meet Monday due to the illness of Mrs. Lackey, den mother.

Den II met Tuesday afternoon at the community building with all eight members present and the den mothers, Mrs. Donald Street and Mrs. Wilson Lewis.

The boys joined in singing America, led by Steve Sanderson, to open the meeting. The boys completed their miniature shell gardens which will be shown at the pack meeting. Jimmy Littleton led the group in the Promise in a Living Circle and Steve Sanderson gave the Law of the Pack.

The reading of the story of Akela was started by the Cubs. Mrs. James Busby served refreshments.

Den III met Monday afternoon with seven members present and the den mothers, Mrs. W. D. Holt and Mrs. C. C. Goodwin. The boys started making paper-mache puppets and worked on the skit for the pack meeting. Mrs. Goodwin served refreshments.

Webelos den met Tuesday night with Jim Glasscock at the community building. A discussion of work as outlined in the Handbook was the project of the evening. They later enjoyed eating watermelon with the Boy Scouts who are recruiting new members.

REMEMBER HOW GREAT CIGARETTES USED TO TASTE? LUCKIES STILL DO

# LUCKIES DON'T SKIMP

They're so round, so firm, so fully packed—so free and easy on the draw. They're fully packed with fine tobacco. They're firmer than any other regular cigarette. And Luckies smoke longer. THAT'S WHY THEY TASTE SO GREAT.
