5th Goat Race

### Borum Attends Brotherhood Conference

Ted Borum, director of the local Baptist Brotherhood, attended the Brotherhood Conference at Plains Baptist Assembly in Floydada Friday afternoon and Saturday.

The program was based on the fundamentals functions of a successful Brotherhood Organization and Royal Ambassadors. Borum reported it to be real inspirational, but involved much work that should be done in each community.

The program included addresses from director and special instructor Jerry Bob Taylor of Dallas, and Dallas Nash, instructor from Big Springs. Also instructors Allen Fleming and C. H. Humphrey of Amarillo and Gordon Davis of El Paso. Borum also attended the District Brotherhood meeting Tuesday night week at Lazbuddie.

### Tax Relief For New Home Buyers

Consumers expecting a tax credit for buying a new house should check with the Internal Revenue Service first, to be sure they meet the qualifications, Denise Beigbeder, a housing and home furnishings specialist, says.

"The Tax Reduction Act of 1975 does include a section designed as an incentive to buyers of new unoccupied homes currently on the market and to people custom-building their homes.

"And it provides a direct five per cent tax credit, figured on the purchase price of the house. The purchase price can't exceed an adjusted base of \$40,000, for a maximum credit of \$2,000.

"This isn't a deduction or adjustment to gross income, it's

DINA JO HAMPTON  
At press time her winnings were unavailable.

Miss Beigbeder is with the Texas Agricultural Extension Service, The Texas A&M University System.

Specific criteria for buyers of new homes include:

--The new dwelling must be a principal residence, not a sec-

ond or vacation home. It may be a single family house, a unit in a condominium or co-op, or a mobile home.

--Construction must have begun before March 26, 1975.

--The taxpayer must acquire and occupy the home between

March 12, 1975 and January 1, 1977.

WHEN IRONING emroideries, appliques or monograms, place them face down on a thick bathtowel. This makes the design stand out rather than be flattened.

# CIRCLE-MASTER

THE PIVOT WITH MORE QUALITY FEATURES THAN ANY OTHER CIRCLE SYSTEM ON THE MARKET.

Pierce has been building rugged, dependable irrigation equipment for over 43 years.

We have pioneered many innovations in equipment design and built into our system more quality features, making our Circle-Master the most durable and efficient pivot system on the market. Circle-Master's tough corrosion-resistant epoxy coating, flexible Uni-Knuckle, floating towers, special truss engineering and wide 14" wheel base are only part of the design features that build quality and make profit.

We challenge you to make us prove our point.

## TOPS Gather For Brief Meeting

Texas TOPS No. 217 met in the Earth Medical Building at 3:30 p.m. Thursday for a regular weekly meeting.

Mrs. W. B. Hucks opened the meeting by leading the TOPS Pledge. The group weighed in and answered roll call.

The brief meeting concluded with members singing the TOPS Song.

Those present were Mrs. W. B. Hucks, Mrs. Irvin Ott, Mrs. James Packard, Mrs. Carl Per-

kins, Mrs. Bob Robinson and Mrs. Ralph Rudd.

### Party Line

Mr. and Mrs. Bill Anderson were in Plainview Thursday evening to see their daughter Kathleen who is a freshman student at Wayland Baptist College. The threesome dined downtown before the Andersons returned home.

TOGETHERNESS... Gary and Joan Bulls found themselves alone at one end of the head table, because of the absence of the Earth Lion Boss and wife. However, that failed to slow them down on the conversation bit, they chatted together.

## Kelley-Allison Vows Exchanged

In an impressive double ring ceremony in the First Baptist Church in Earth at 6 p.m. on Saturday, September 13, Kathy Jean Kelley of Earth, became the wife of Sam Oscar Allison of Clovis, New Mexico. Rev. David Burum, pastor read the vows.

Parents of the bride are Mr. and Mrs. Chester Kelley of Earth. The grooms parents are Mr. and Mrs. Oscar Allison of near Muleshoe.

The altar was decorated with large white baskets of pastel colored carnations and pink gladiolas intermingled with babies breath and greenery.

Wedding selections were played by organist Mrs. Jean Craft.

Given in marriage by her father, the bride wore a floor length open blue chiffon gown accented by wide bands of white lace and long full sleeves. She wore a crown of pastel carnations in her hair and carried a nosegay of pastel carnations.

Attending the bride as matron of honor was her sister Mrs. Peggy Stephens of Clayton, N. M. She wore a formal length dress of polished cotton in a small floral print, trimmed in narrow bands of white lace. She carried a long stem pale pink silk rose.

Serving his brother as best man was Edward Mack Allison of Altus, Oklahoma. Ushers were John Kelley of Earth, brother of the bride and

Fred Allison, cousin of the groom.

Registering guests was Carmen Kelley, niece of the bride.

Honored guests were Mrs. Helen Steele of Electra, grandmother of the bride, Mrs. Sam McKinstry of Muleshoe and Mrs. Weley Grizzle of Fort Sumner, New Mexico, grandmothers of the groom.

Following the ceremony a reception was held in the fellowship hall of the church.

The bride's table was covered with a hand crocheted white

cloth over blue and high lighted by an arrangement of blue flowers. The 3-tiered wedding cake, accented by a swirl of pink roses was served with fruit punch. Teresa Thomas of Lubbock and Linda James of Amarillo assisted with hospitalities.

Distributing rice bags was Tammy Landis and Amanda Stephens, nieces of the bride.

Out of town guests were from Austin, Lubbock, Amarillo, Denton, Brownfield, Lazbuddie, Electra, Altus, Oklahoma; Clovis, Ft. Sumner, Lovington and Las Vegas, New Mexico and Castle Rock, Colorado.

The bride graduated from Springlake-Earth High School and La Plata Beauty School in Hereford.

The groom graduated from Muleshoe High School and Texas Tech. He is employed by Worley Mills in Clovis, N. M. After a short wedding trip to Santa Fe, the couple will be at home in Clovis.

### Notice

Miss Coelita Biles, bride-elect of Keith Curlee, will be honored with a bridal shower on Saturday, October 4 in the Hilbert Wisian home in Springlake. Hours are from 2:30 p.m. to 4 p.m.

Selections have been made at White's Auto Store, Bee Hive Mall, Earth Dry Goods and Howells 216 Floral.

Anyone wishing to be hostess may contact Mrs. Elroy Wisian in Springlake or Mrs. Norman Sulser in Earth.

### Party Line

Mr. and Mrs. Leon Foster visited Sunday with Floyd Reeves of Ruidosa, who is a patient in the Methodist Hospital in Lubbock.

Mr. and Mrs. Leon Foster spent Wednesday night as guest of their son and wife, Mr. and Mrs. David Foster of Clairmont. Thursday they drove on to Frisco where they visited their daughter and family. Mr. and Mrs. Walter Elam and children Cheri Lynn and David D. The couple returned to their home Saturday.

## Mrs. Pittman President Of Young Homemakers

Mrs. Barry Pittman was elected president of the Springlake-Earth Young Homemakers of Texas, when a group met Monday, September 15 to organize the local club. They met at 5 p.m. in the homemaking cottage on Springlake-Earth school campus.

Mrs. Linda Heizer was named Secretary during the meeting. Officers from the Roosevelt

Chapter of Young Homemakers were present to show slides on Young Homemakers of Texas, and to provide information and suggestions for programs. They also assisted in the election of the president and secretary.

Other new officers will be elected at the next meeting scheduled for 4:30 p.m. on Monday, September 29 in the

homemaking cottage. Baby sitters will again be available.

Those attending Monday nights meeting were Mrs. Jenna Parish, Mrs. Kathy West, Mrs. Jimma Bradley, Mrs. Linda Haber, Mrs. Sharron Angeley, Mrs. Barbara Cleavinger, Mrs. Connie Lewis, Mrs. Retha Pittman, Mrs. Linda James, Mrs. Linda Heizer, Mrs. Marie Slover and Mrs. Sue Haber, advisor.

## Jones Family Reunion Sunday

Approximately 75 relatives attended the annual Jones family reunion held Sunday in the home of Mr. and Mrs. Harvey Messamore, west of Amherst. Mrs. Messamore is a sister of the Jones family.

Each one attending prepared covered dishes, and upon arrival the feast was spread on tables located throughout the kitchen,

dining room, living room and garage. Relatives from Missouri and Texas attended.

The afternoon was spent in visiting and enjoying the privilege of again being allowed to meet together.

Two visitors, Kim Haydon and Patricia James was present for the event.

## BILLY GRAHAM says about the new motion picture "Time to Run"...

There is no doubt that today we see the family unit being attacked from every side, torn apart and fragmented. *TIME TO RUN* is a motion picture about a family, about listening, about the silences between people, the unspoken moments, and the moments of anger that don't really accomplish anything. *TIME TO RUN* openly offers the reality of Jesus Christ as an answer to the human dilemma.

I feel that thousands of people will see a part of themselves in the film. Hopefully, families seeing it will be brought closer together in real understanding and communication.

I urge you to take your children... or your parents... to see *TIME TO RUN* when it comes to your community. You may find it more of a mirror than a motion picture!

## Town And Country Study Club Begins Year With Challenge

The Town and Country Study Club began the new year with a meeting Thursday, September 11 in the home of Mrs. Wayne Rutherford.

"Removing Your Mountains" with scriptures taken from Mark 11:22-23 was the topic of devotional given by Mrs. Sam Cearley. Many of her inspirational remarks were taken from the book "All Things Are Possible Through Prayer" by Charles L. Allen.

Mrs. C. P. Parish, president, conducted a business session. Changes in T. F. W. C. bylaws were explained by Mrs. Parish, after which she called for discussion of plans and projects by department chairmen.

Mrs. Grace Hooley, projects chairman reported a new shipment of pecans had arrived. Also she reported the blood bank would be at the Community Hall October 9, hours being from 1 to 5 p. m.

Mrs. Hooley asked club members to assist her in making posters for the blood bank. Mrs. John Laing, program chairman presented the new year books. Club members in turn expressed their appreciation for the beautiful books and a job well done.

Mrs. Parish urged members to attend the Caprock District Board meeting to be held at Girlstown U. S. A. on October 18.

The course of study for the

Town and Country Study Club for this year is concern, challenge and change. It is the hope of all members to lend more aid to the small civic organizations.

To conclude the meeting the club collect was led by Mrs. John Welch.

Delicious refreshments of strawberry cake, ice cream and punch were served. Those attending were: Mrs. Lucille Campbell, Mrs. Bessie Cearley, Mrs. Ola Fanning, Mrs. Grace Hooley, Mrs. Helen Kelley, Mrs. Gladys Laing, Mrs. Carra Morgan, Mrs. Gladys Parish, Mrs. Marie Ross, Mrs. Jessie Sanders, Mrs. Adria Welch and the hostess Mrs. Zella Mae Rutherford.

I want to thank all of the great people in a very special town for all your prayers, cards, visits and flowers while I was in the hospital and at home. The greatest people are really from Earth.

Sincerely,  
Linda G. James

Mrs. Jackie Martin of Covington is in Earth this week visiting friends and relatives.

## HD Club Has Program On Cake Decorating

Mrs. Herman Cooper was hostess Thursday, September 11 to members of the Springlake Home Demonstration Club.

President, Mrs. Keith Boone opened the meeting and the devotional was presented by Mrs. Cooper who gave a reading entitled "Private Line." Mrs. Harlan Watson presented a delightful program on "cake decorating." As she talked about the many, many ways of decorating cakes, she demonstrated on a delicious cake she had previously baked.

Following the program refreshments of punch and coffee were served with the delicious cake Mrs. Watson had used in the demonstration.

Three guests were present, they included Mrs. Sawnie Branscum, Mrs. Hazel LaDuke and Mrs. Watson.

Members attending were, Mrs. James Packard, Mrs. Bob Boone, Mrs. Keith Boone, Mrs. Myrtle Steinbock, Mrs. Bruce Higgins, Mrs. R. W. Fanning, Mrs. T. V. Murrell, Mrs. A. Hollingsworth, Mrs. Marvel Caruthers, and hostess Mrs. Cooper.

The next meeting is set for October 25 at 2 p. m. at R. W. Fanning home. The program will be "The Metrics Are Coming."

Mr. and Mrs. Vic Coker are the parents of a daughter born at 12:20 p. m. Monday, September 15 in St. Mary's Hospital in Lubbock.

The lovely little lass has been named Shana Elise. She weighed 7 pounds 2 1/2 ounces and measured 19 1/2 inches in height. She is a lucky little gal as she has a lovely little sister Valerie, two years old to play with her. Grandparents are Mr. and Mrs. J. W. Moore of Rising Star and Mrs. Beula Coker of Earth.

TYSON LEE SHIREY

Mr. and Mrs. Jimmy Shirey of Clovis announce the birth of a son on Thursday, September 11 at 2:38 p. m. in the Roosevelt General Hospital in Portales, New Mexico.

The lad is a heavy weight and beautiful too, according to his grandmother, Phine Brown, who already has grandmair. (Grandmair is a special kind of bragging, for instance, my crow is the blackest etc.)

Tyson Lee weighed 9 pounds and 13 1/2 ounces and measured 21 1/2 inches tall.

Grandparents are Mr. and Mrs. J. E. Shirey and Mr. and Mrs. Gene Brown, all of Earth.

Great grandparent of the lad is Mrs. Jack Brown of Hale Center.

To save breakfast bother, fry your bacon by the pound and freeze it in plastic containers. In the morning, simply reheat a few strips in the broiler or toaster oven. It works for sausage, too.

## Methodist Women Have Luncheon And Crafts Display

The United Methodist Women met Monday evening in fellowship hall of the church, following a delicious supper a business meeting was conducted.

Vice-president, Mrs. Ed Dawson presented an interesting program entitled "To Create and Recreate."

Many crafts and hobbies were

on display.

Plans were made to schedule many meetings to pursue different hobbies. Mrs. Pody Welch will instruct and demonstrate how to make many lovely things that she has found enjoyment in making.

Mrs. Norman Sulser closed the meeting with a devotional,

concerning the use of our God given talents.

29 women attended the meeting. Those present included, Mrs. B. T. Hamilton, Ruby Jones, Mrs. Ray Axtell, Mrs. Jack Hinson, Beula Coker, Mrs. Hilbert Wisian, Mrs. R. H. Belew, Mrs. Orville Phifer, Mrs. J. A. Littleton Jr., Beulah Newton, Lena Grace Griffin, Adria Welch,

Gladys Goodwin and Grace Hooley.

Also Mrs. J. J. Coker, Naomi Burgess, Mrs. W. E. McDonald, Mrs. Bill Watson, Mrs. Pody Welch, Mrs. W. O. Jones, Mrs. Kenneth Cowley, Mrs. William Holland, Gladys Parish, Mrs. Ed Dawson, Mrs. Gene Furr, Mrs. Bill Morris, Mrs. Cecil Curtis and Bessie Cearley.

## Rainbow Girls To Go To Girlstown Sunday

The Earth Rainbow Girls met at the Earth Masonic Hall at 6 p. m. Monday, September 15 with Christy Barlow, Worthy Advisor and Mrs. Ann Kelley, Mother Advisor presiding.

Following the opening ceremony, a lovely initiation service was held for Teress and Teresa Lively.

Following the initiation service several officers received their officer's pins.

The Mother Advisor discussed with the group the idea of attending the movie "The Hiding Place" at Lubbock in October.

The girls also made plans to go to Girlstown Sunday following church services. (Those who cannot attend are asked to please contact Christy Barlow

or the Mother Advisor before Sunday if you have anything to send.)

Christy thanked all her officers and sponsors for making her term of office a successful and happy time.

This was the last meeting for the summer term. Jason Schellar

will be assuming the station of Worthy Advisor for the fall term.

Refreshments of punch and cookies were served by Christy Barlow assisted by Kelly Wheatley. There were 12 members and 7 adults present for the meeting.

## Consumers Facts On Celery

Few foods add so much to so many different dishes as celery does, Mrs. Gwendolyn Clyatt, consumer marketing information specialist, said this week.

"It combines especially well in a salad with other vegetables or fruits. Celery sharpens the flavor of vegetable soup, and

when prepared with milk, it makes a hearty cream soup."

Two main varieties of celery are commonly found on the

market. Pascal varieties are green and may have coarse stalks. These are gaining popularity because of the distinct flavor and almost complete absence of "strings," Mrs. Clayatt explained.

"Yellow or golden varieties, sometimes called Golden Heart, are bleached white. "Top quality celery has thick, solid stalks that are brittle enough to snap easily. Leaves are fresh and green," she said.

Celery is highly perishable and needs a cool, moist temperature to keep its crispness. One average celery stalk weighs about one, one and a half pounds and can be diced up to make about one quart of celery cubes,

EQUAL OPPORTUNITY EMPLOYER

# Wolverines "Defense" - Plains 9-0

By: BILL WELDON

Led by an opening drive that accounted for nine plays and nearly six minutes of the opening quarter the "Green Machine" used the quick score and a tough ball-hawking defense to completely dominate the Plains Cowboys Friday night.

The Wolverine defense, with interior linemen Randy Bills, Bryan Taylor, Brent Been and linebackers Randy Latham and Jimmy Furr harassing the Cowboys backfield, gave the Plainsmen only one first down in the opening half and allowed them to cross mid-field under their own impetus only in the closing minutes of the ballgame.

After holding Plains on its first series the Wolverines set up shop at its own 27. After picking up two first downs, the Wolverines had the ball on the Cowboy 47. Geissler went for 4 on 1st down, Furr for 2 on 2nd. With 3rd and 4, Furr broke on the option, got good downfield blocking and won the race for a 41 yard TD. Barden was stopped on the try for two and with 5:54 left in the 1st quarter, it was 6-0.

On the next series, the Cowboys picked up their only first down when a roughing the kicker penalty gave them a first down at their 43. Plains then switched their offensive set from the T to the Power I, but against the stonewall "Machine" defense it was no avail.

Forcing Plains to punt the Wolverines quickly picked up a first down as the quarter ended. On the first play of the second quarter the Machine fumbled on its 41 with Palmer recovering for the Cowboys. Willis gained a quick 4 but on 3rd down and 6, Been and Willie Flores threw Willis for a 4 yard loss. Conner being pressured threw incomplete on 4th and the Wolverines took over on downs.

After being unable to move, Wood punted for 30 to Plains 38 where on 3rd and 9, Barden recovered a Cowboy fumble. Cleavinger picked up a first on the option at the Cowboy 28. Then on 2nd and 5 hit Furr with a 9 yard toss to the 15. Two plays gained six but on 3rd

WOLVERINES and FANS... were treated to an after game get together at the Earth Community Building Friday night. Everyone was having an enjoyable time replaying the game.

Geissler was thrown for a 2 yard loss. Andrew Monreal then tried a 28 yard field goal but the snap was bad and the kick was blocked at 2:04 in the half.

The Wolverines had one more chance but fumbled an option and gave up the ball at the Plains 43 with 0:12 left.

To open the second half, Mark Barton returned the kickoff to his own 47 with a 33 yard return. Geissler broke on a dive play for 15 and then Cleavinger nearly broke it all the way on an option to the Cowboy 14. After Plains was penalized for offside on 1st the drive bogged down on a bad pitch which lost 8 yards. Geissler only got 3 of it back and on 4th Monreal toed a 32 yard FG, (that barely made it inside the crossbar) to end the scoring for the night with 8:02 left in the 3rd quarter.

The Wolverines held the Cowboys with Bridges recovering a Duran fumble at the Plains 44. On 1st Cleavinger went right on the option and went for 25 yards to the 19. But three plays only gained six yards and Monreal's

fieldgoal try was blocked from the 20. But on first down Bryan Taylor recovered a bad handoff and the Wolverines were in business at the Plains 22. Plains stiffened and Sarden fumbled it back on the Cowboys 26.

After a Plains punt and two penalties against the Cowboys the "Machine" set up on the Plains 40. On 2nd down Furr took the pitch from Cleavinger and went 31 yards to the Plains 9. But the drive fizzle when on 4th from the 3 Furr was thrown for a loss.

Plains moved for a first, but Latham cracked Willis hard on 2nd and 6 from the 22 and Barton recovered. But a delay of game penalty and a Barton loss of 6 wiped that drive out.

The Wolverines had one last chance but another delay of game penalty and a sack of Cleavinger on 4th trying to pass ended the drive on the Plains 27.

Plains quickly moved for two first downs and with the aid of a 15 yard penalty for piling on moved to the Wolverine 31. But

the defense rose to the occasion when Been and Joe Fulfer threw the quarterback for an 11 yard loss. The Cowboys tried the bomb but it went incomplete and the Wolverines had win #2. Assistant coach Al Barnes of Plains praised the Wolverine defense and said it might be the "best we face all season." He also singled out Cleavinger, Furr and Geissler for their running, saying "that they ran the veer real well. We just couldn't handle it."

### JUNIOR VARSITY AND JR. - HI TEAMS SLATE GAMES

The Junior Varsity Wolverines will travel to Dimmitt to open their season Thursday, September 18 at 5:00 p.m. while the 7th and 8th graders are hosting the Bobcats at home on the same day. The first game will also start at 5:00 p.m.

### SORRY BOYS THE RAIN RUINED THE FOOTBALL PHOTOS

## SPEAKING OF SPORTS

By: BILL WELDON

Where would a coach be without his worries? Fortunately, for the time being the coaching staff at SEHS won't have to worry about not having anything to worry about.

They not only are concerned about winning the rest of the non-district games but have to be hoping that the Wolverines can start to gain momentum that will carry through the district title chase. And they have to be wondering what is the key to building consistency in the offensive and defensive performances.

As if this wasn't enough to concern them, they must begin to find the people who will start and the backup for each position. Each coach has to answer the question of whether to keep experimenting to give each player experience time or whether to begin to build offensive and defensive timing by choosing a starting lineup and sticking with it.

Included with these problems must be the idea of whether the team is being brought along at the right pace so that it won't peak too early in the season. Couple that with the usual worry about illness and injury and its little wonder that coaches are first in line for Anacin and Alka-Seltzer.

As if all of these problems

weren't enough the Dimmitt Bobcats come visiting Friday night with a young team just itching to explode. The Cats offensive attack has been held scoreless the first two weeks of the season and the law of average says it must catch up to the defense before long. Dimmitt uses the I formation with a slotback and will also use the Power I on occasion. Against a fine Slaton team the Bobcats were able to move the ball but could not cross the goal line, on one occasion fumbling at Slaton's six. Dimmitt uses varied defenses with the split-six as its basis, but will switch to a 4-4 or 6-1 diamond depending on the situation. The Wolverines will have to stop the running of Thompson Mayberry (Does that name sound familiar) 5'9", 170 lb, sophomore on offense and contain Keith Goldsmith 5'10" 200 lb, senior on defense.

But the picture is not as gloomy as the coaches would want us to believe. Against Plains the offense began to resemble, on its first drive, a well oiled machine that was clicking on all cylinders. The cohesion between backs and linemen, and in the offensive timing is slowly beginning to appear. The offensive line had fewer breakdowns in blocking assignments and enabled the Wolverines to sustain

two good drives which resulted in points on the scoreboard. Coach Phelps pointed out the improvement in the line and with the quarterbacks ability to read the defensive tackles and ends and make the pitch on the option. The passing game also showed considerable improvement with receivers running good routes and the line giving the QB enough time to throw.

The defense is still ahead of the offense at this stage of the season and was impressive against Plains. Brent Been, Bryan Taylor, Brad Bridges and Gary Bills all had a good night as interior linemen, holding the Cowboys to 6 first downs and throwing the backs for 30 yards in losses.

With only Craig Holland (blow to the head) being hurt Friday night, and at last report he is O.K. for Dimmitt, the Wolverines are in good physical shape. Now they must concentrate on eliminating mental mistakes which cost them against Plains. When they accomplish that ability they could make the scoreboard look like a Fourth of July celebration. Dimmitt has always been tough for the Wolverines. Friday night just might be the exception.

## First Federal Savings & Loan Assn. Of Littlefield

"Roger Jones-Executive Vice-President"

A great many of us have had yearning to invest in a home of our own, but money problems seemed to make it impossible. This community is fortunate to have in its midst a firm which can make just such a thing possible.

Come in or call and talk your problems over with them. They are located at 301 XIT Drive in Littlefield, phone 385-5197.

The management has always had at heart the best interests of the community and has done its best at all times to serve the people.

They offer an excellent savings service. We have all promised ourselves again and again to start saving, but somehow we never quite get started. Don't wait any longer! Tomorrow morning go to the First

Federal Savings & Loan Assn. of Littlefield and open your savings account with even the smallest amount. Then add to it regularly and watch it grow.

The planners of this 1975 Review take great pride in pointing out this foremost concern and heartily recommend our readers discover for themselves the real satisfaction in their services.

## Dairy Mart

"Eldon Pat & Dan Sharp-Owners"

Good Food and fast service are the bywords of the Dairy Mart located at 1020 West 10th in Littlefield, phone 385-5022. As many people in this area have found, there is no better drive in than this one. They will be opening a dining room with accommodations for 150 people so be sure to watch for additional local advertisements for the grand opening.

On their menu you will find taste tempting hamburgers and sandwiches, french fries, all types of cold drinks, and some of the best shakes & malts you've

ever tasted, all prepared in the most sanitary conditions with modern equipment.

The management of this drive-in has made it a point to hire employees who are courteous and who will give you fast service.

The compilers of this 1975 Review suggest to our readers that the next time they are in town, they stop in at the Dairy Mart for a tasty filling meal at little cost. We compliment them for their reputation of quality food and friendly service.

## Pro-Sox, Inc.

"Dale Haynes-Owner and Manager"

The products manufactured by this company are recognized by the trade as made of the best materials and the very best workmanship. They are sold all over the country and the users have always been well satisfied and demand them when buying again. They not only bring in revenue from outside areas, but create many jobs for the people of this and surrounding communities.

This is a local business under competent direction of men interested in local development. Their well-merited progress is a matter of actual fact well known to the public. This

firm is located in Olton at 7th & Main, phone 285-2826. They are famous for the manufacture of Sox.

In making this Review of the business under competent direction of men interested in local development. Their well-merited progress is a matter of actual fact well known to the public by the location of this industry here. There is no concern more worthy of extended mention than this one. What we particularly call to our readers attention is the fact that this is a local manufacturing company.

## Shook Tire Company

Auto-Truck-Tractor  
"Orville Bassett-Manager"

The name of Shook Tire Company in Littlefield located at 1028 East 9th, phone 385-4405 has become a popular byword in the area for farmers, businessmen and drivers in general for their friendly service and excellent line of the popular high quality tires.

We all know that worn tires can be extremely dangerous, but sometimes the cost of buying new tires can make us put off taking the steps of retiring our car or truck. Don't let that factor bother you anymore. The management at this well liked tire store has made arrangements for easy budget terms

for tire purchases. Along with their fine line of reasonably priced tires, you'll not find a more friendly and honest firm to do business. Everyone in their employ is fully trained in selecting just the right tire to do the job and they also make sure that when it is mounted it will be in perfect balance.

In this 1975 Review, we, the authors, are pleased to recommend this tire dealer to all of our readers, the people of this section to the best of their ability. Remember the name, the Shook Tire Company for all your tire needs.

## Knight's Rest Home

"Jean Cheshier & Kenneth Knight-Administrators"

Knight's Rest Home is located at 520 Ash, phone 385-3921 in Littlefield. Here they offer complete care of the aged, sick and convalescent.

This nursing home is well located, has plenty of sunshine, never enough noise to bother the sick, yet near enough to town so friends and relatives of guests can call without inconvenience.

Heating, ventilation and sanitary arrangements are most completely planned for the comfort of each guest and all methods are approved by the supervising medical authorities. All rooms are light and cheerfully decorated, and have that home atmosphere which has a good psychological effect.

Their food is prepared by a specialist on diets under the most sanitary conditions, giving

the guests well balanced meals, nourishing and appetizing, for rebuilding the health and strength so necessary for the inactive person.

This and the surrounding territory is very fortunate in having a nursing home, "so like a home." The authors of this 1975 Review are proud to make particular mention of this well-run nursing home who opens their doors to all.

## Ernest Mills Cotton Company

"Also S & M Coins Ernest Mills-Owner"

This progressive firm is located at 1517 E. 9th in Littlefield, phone 385-5178. They are buyers of cotton & cotton equities & always at a fair price. At S & M Coins they buy, sell, and trade all types of rare coins.

As believed by the writers of this 1975 Review, no Review of the business, agricultural and

industrial interests of this section of the state would be complete without prominent mention of this company which aids in no little measure to the progress and prosperity of this section. By reason of the fact that the management has had wide experience in every feature of this business, this firm has continued to increase the number of their patrons.

There are no more public-spirited citizens in the community than Ernest Mills, the owner of this firm and in making this Business Review of the area it is natural to compliment them and to direct your attention to this business as one of the most reliable establishments which has added to the development and progress of this part of the state.

## Lamb Salvage Company

"Y. B. Thompson-Owner"

Why not gather up all that old scrap metal lying around the yard and turn it into dollars in your pocket? That is just what you can do because the Lamb Salvage Company located at 905 W. Delano in Littlefield, phone 385-5505 will pay you the highest prices for your scrap metal.

We all have scrap metal around our home or farm that is useless to us. With very little effort, you can gather it up and on your next trip to town bring it in to these dealers and they

will sort, weigh, and pay you for it while you wait. Copper, brass, lead, bronze, and aluminum will bring the highest prices.

This firm has built a fine reputation for reliable dealings and the editors of this 1975 Review recommend them to all in this section who have scrap metal to sell, or have need of selecting some materials for their own use.

Help beautify America, take your scrap metal to Lamb Salvage Company.

## Thompson Implement Inc.

"John Thompson-Owner"

This well known firm, located in Olton on Hwy 70 East, is the dealer for popular lines of farm equipment. Be sure you see this firm before you purchase your farm equipment. They have had years of experience in furnishing just the right machine for the job.

When you buy farm equipment, you want to know that you are getting machines that will stand up to the job. This equipment

has stood the test for years. It can be depended upon to give the maximum service per dollar invested.

We, the compilers of this 1975 Review, wish to point out the fine reputation the Thompson Implement Inc. has built. They are noted for square dealings and will stand behind every purchase. Drop in and see the new models the next time you are in the area.

## Birkelbach Machine & Pump, Inc.

"Werner, Kenny, and Randy Birkelbach-Owners"

Located at 1012 E. 9th in Littlefield, phone 385-5123, the Birkelbach Machine & Pump, Inc. is a vital element in the industrial progress of the state, for the services rendered are of great convenience to farmers, contractors, manufacturers and garage men.

Many times, a part can be made or repaired in much less

time than a new one can be obtained, thus saving many dollars annually.

They have the latest machine shop equipment to be found which enables them to execute all classes of work with promptness and dispatch, regardless of the size of the job.

The shop is convenient for the people of the surrounding terri-

tory, and is recognized as mechanical headquarters for this entire section of the state.

We, the authors, are more than glad in this 1975 Review to call the attention of the public to this firm, and to say that they are civic leaders and up-to-date in their methods, and are deserving of the undivided support of the people of this section of the state.

## Olton Spraying Service Inc.

"A. C. Light Jr. -Owner"

The special attention of our readers is called to the services provided by the Olton Spraying Service Inc. located 5 miles North of Olton on Hwy 168, phone 285-2028 or 285-2087.

Aerial crop dusting and spraying is rapidly becoming more and more important to ranches and farmers everywhere. A sud-

den plague of harmful insects can be quickly and easily destroyed by an airplane. This firm also renders a service for seeding and fertilizing. In just a few minutes an airplane can effectively cover a large area. You are cordially invited to call for information on estimates.

Now is the time to investigate

the many advantages of aerial crop dusting and spraying by writing or calling the Olton Spraying Service Inc. Don't lose a complete crop when for a small amount you can save it with this service from this reliable, well qualified company.

We the writers of this 1975 Review sincerely recommend this firm.

## Armes Equipment Company

"Barry Armes-Owner"

Located on the 84 by-pass 1/2 mile East of Littlefield, phone 385-4121 this outstanding firm features everything in the way of farm equipment and supplies. For many years, this widely known firm has provided the farmers with a supply of farm tractors and implements that are by all means some of the

best to be had. Many years of service put them in a position to give advice in the selection of implements and tractors most advantageous to the farmer's particular needs.

To complete their service to the farmer, the Armes Equipment Company maintains a department for all kinds of re-

pair work on farm machinery, where they employ expertly trained men who are very capable of taking care of any repair service. No job is too large or too small.

The writers of this 1975 Review highly recommend this firm to our readers for A-plus quality and dependable service.

millions of Americans are now drinking fluoridated water. The Texas Medical Association has officially stated that properly controlled fluoridation is a safe public health measure.

At a recent national convention the AMA adopted a formal resolution, updating an action of 15 years earlier which also endorsed fluoridation. The new statement declares: "The AMA

## Fluoridation Leads To Healthier Teeth

How about adding fluorides to a water supply for health's sake? Fluoridation is safe and is effective in reducing considerably the rate of tooth decay, among children, says the American Medical Association.

Addition of fluoride to the water has been in use as a public health measure for thirty years and few health measures have had greater research, study and public attention, both favorable and adverse. The research and study has established the value of fluoridation, the

## McCormick's Service Station

"Joe Rios-Manager"

This first class station is located at 917 E. Delano in Littlefield, phone 385-4320, and features the well known Fina products, along with tires, batteries, & accessories.

Nothing is more aggravating than to drive into a service station and have to wait several minutes before the operators of the station realize you are there. You can be assured this will never occur here. They realize their customers are often in a hurry and they make it a special point to take care of their needs just as quickly as possible.

This firm has enjoyed good business because they are on their toes and they handle the best grade of products. You can depend on quick service and complete understanding of the job. They don't have to be asked to check the oil and tires. These are some of the many services that make up this first rate service station.

The drafters of this 1975 Review unhesitatingly suggest to our readers that they make a point of depending on this reliable service station for all your auto service needs.

## J J's Cafe

Located on Main St. in Spade, Tx., phone 233-2821 this restaurant is recognized as headquarters for "good food." Come and bring your friends, you are always welcome. They specialize in Mexican & American foods & feature tacos, enchiladas, chili, stew, rib-eye steaks, and all kinds of sandwiches.

Here, people can be seen, from every walk of life, who make this popular restaurant their regular eating place.

In this entire section there is not another establishment that surpasses this well known restaurant in service and satisfaction. They are particularly well equipped for proper handling of food.

And last, but not least, the attention and courtesy of the attendants is a feature that receives more than passing notice from the customers.

In making this 1975 Review of the city, we, the writers, are pleased to give J J's Cafe commendation for the excellent service they give and for the leading position they hold here.

## Olton Tractor & Industrial

When service for which you cannot go window shopping such as tractor repairing & service is needed, it then becomes more important to know the reputation of the firm with which you do business. The Olton Tractor and Industrial located on Hwy 70 W in Olton, phone 285-3338, is a firm with which one can do business with confidence and assurance of receiving satisfaction.

They know the business perfectly and insist that each job be perfect. They employ only competent, well trained men who have the desire to please every customer.

This firm is favorably known for prompt service and fair prices. Much of their popularity is due to the fact that they stand behind every job.

The compilers of this 1975 Review suggest that you consider this reliable firm. We're sure you will be pleased with any work they do for you.

## Cox Furniture & Appliance

"We Service What We Sell"

Doubtless you plan some improvements in your home this season. If so, think of the Cox Furniture & Appliance, at 1804 Hall in Littlefield, phone 385-5883, where new and beautiful styles and patterns of suites, occasional pieces, appliances, lamps, and T. V.'s (Zenith and RCA) await your inspection.

This furniture company specializes in nationally advertised lines of furniture with complete delivery and installation facilities. In short, this progressive store offers the maximum of customer satisfaction at a minimum price with easy terms to fit your budget. Now is the time

to buy your wife the new furniture she wants for Christmas.

For some time, they have served the people of this area reliably and well. By stocking only items manufactured by well established and duly recognized home furnishing concerns, they have won and held the confidence of their many patrons. They now serve an ever growing clientele of satisfied customers.

No progress report would be complete without recommendation to the people of this area, and we, the writers, do so in our 1975 Review.

## W.O. Hampton Gin

The W.O. Hampton Gin is located in Spade, phone 233-2611. Here they feature quality & quantity cotton ginning.

Through all periods of economic fluctuation this firm has always been ready to serve the best interests of the farmers and general public of this section. They have derived more than the mere profit as measured by dollars and cents because there has been a real and genuine satisfaction to this firm to be able to render this service.

A business of this kind is essential to the entire section. By fair and honest methods they have gained the confidence and patronage of the people of this community.

A fine spirit of cooperation has always been in every transaction with this firm and we, the writers of this 1975 Review, wish to compliment them.

## Tommie Lewis Paint & Body Shop

The Tommie Lewis Paint & Body Shop is located at 1200 Delano in Littlefield. Phone 385-5545 for service. This enterprising shop specializes in auto painting and repair of auto bodies and fenders. They have a wide selection of paints from which to choose, or they can blend paint so that it will match your car perfectly. If you are having your car repainted, you will find just the color you want for your car. This firm has the finest in equipment and experience and is capable of giving your car a paint job equal to the one it had when it came from the factory.

Don't find yourself the owner of a car that is bent up as well as being dull and drab. For a very reasonable price you can make it look like new again. For estimates on your body and fender repair as well as auto painting, call TOMMIE LEWIS and he will gladly quote their prices to you.

We the writers of this 1975 Review unhesitatingly endorse this fine auto body shop.

are available, and appropriate safeguards have been established to assure that fluorides can be safely added to public water supplies at the optimum level.

COACHES ENJOY FOOD and FELLOWSHIP. Judging from the smiles, they've enjoyed their food and definitely the fellowship which followed.

## Deacons And Wives Meet For Quarterly Meeting And Luncheon

Mr. and Mrs. Ernest Green were hosts for the quarterly Springlake Baptist Church Deacons covered dish luncheon Monday night.

Ernest Baker, chairman of the deacons gave the devotional. He read several passages of scripture concerning duties of the deacons and duties of all Christians, stressing the importance of taking those duties seriously and being prepared to witness to others whenever the occasion arose.

Those present for the luncheon were Mr. and Mrs. Ernest Baker, Mr. and Mrs. Delvin Walden, Mr. and Mrs. Les Watson, Mr. and Mrs. F. W. Bearden, Mr. and Mrs. Bill Lunsford, Mr. and Mrs. Hollis Cain, Mr. and Mrs. Klent Kniffen, Rev. and Mrs. Glenn Smith, Mr. and Mrs. Jerry Hoover, G. H. Miller and son Harvey Miller and the host and hostess, Mr. and Mrs. Ernest Green.

Klent Kniffen was elected chairman of the board of deacons to replace Ernest Baker who served in that capacity last year.

## Central Compress & Warehouse

When in need of this service, call on this firm and you will be more than glad to do business with them. They are located at 205 Railroad in Sudan, phone 227-4771. They feature Cotton Compressing. That much discussed word, "service," find true meaning in the friendly atmosphere that envelops every customer of this popular firm because service is interpreted in so many ways that it may well be said to be the sign manual of the institution.

Fair and honest business methods at all times along with individual service to every patron has established for this firm a trade that has extended throughout the surrounding territory.

The drafters of this 1975 Review wish to take this opportunity to congratulate the management of this reliable firm on their policy of fair dealings.

## The Tasty Taco

"Mr. & Mrs. Charlie Lara-Owners"

The Tasty Taco at 401 5th & XIT Dr. in Littlefield offers an enticing menu featuring taste tempting Mexican delicacies.

Some of the items that have made them famous in this area include: Tacos, Burritos, Taco Burgers, Sopapillas and Enchiladas, along with a large selection of your favorite beverages.

Delicious food and quick service is featured here. Call 385-6124 for quick take-out service.

Whenever you stop in here you are always assured of friendly, courteous service and

a pleasant, relaxing atmosphere to enjoy your dinner. Another reason for their success in this area is the fact that their kitchen is spotlessly clean under the latest approved sanitary methods.

No Review would be complete without particular mention of this popular well-managed Taco Restaurant and the authors of this 1975 Review take particular pleasure in recommending that the people of this area make it a special point to stop in for one of their many treats or let the Tasty Taco prepare an order for you to go.

## Littlefield Carpet Service

"Augustine Perez-Owner"

The Littlefield Carpet Service, located at 617 E. 9th in Littlefield, phone 385-4089 or 385-5613 is the carpet cleaning specialists in this area with deep steam carpet cleaning.

Deep steam carpet cleaning actually removes the deeply imbedded grit, dirt and even the detergents left by previous cleanings. What's more, you can see it being extracted. There are no brushes, nothing to distort pile or mat the fibers. Here is how it works, fine heated mist jets into carpet pile, high frequency vibrator loosens and lifts the dirt,

powerful extractor removes soil. This exclusive 3-way combination, mist/vibrator/extractor makes this system superior to all other methods employing steam or excessive amounts of hot water.

When you see the dirt leaving your carpet, you'll be astounded! The finished carpet is truly "Hospital Clean."

The writers of this 1975 Review invite you to call Littlefield Carpet Service today for the only wall-to-wall carpet cleaning that approaches inplant run cleaning results.

## Expectant Mothers Can Be More Comfortable

One old saying speaks of a "special glow of beauty that comes only during pregnancy."

"Today's woman may not agree with that, but some extra special care will go a long way toward achieving that 'glow,'" Marlene Odle, a clothing specialist, says.

A facial and different makeup can help cover skin discolorations that may occur during pregnancy.

The specialist suggested soft-blow-dry hair styles, "berry" shades of lipstick and powdery blue and green eye shadow.

"And remember, a cool shower can refresh you when nothing else can," she said.

"Wear the proper undergarments for comfort and health purposes, a well-fitting bra is important. And support hose help if varicose veins are a problem."

Choose maternity fashions with expandable features, elastic waistbands, elasticized front panels, extended fronts, for more comfort.

The fashionable loose chemise, big tops, and smocks make attractive designs for expectant women.

And longer length styles help slim the overall figure, she said.

"Wear comfortable shoes with good ankle support. High heels

can put unnecessary strain on the back and throw the body off balance.

"Concentrate on top interest to focus attention to your head, shoulders and face with colorful jewelry and cleverly-tied scarves," she advised.

I will establish my covenant between me and thee, and thy seed after thee, in their generations, for an everlasting covenant, to be a God unto thee, and to thy seed after thee.

## Microwave Ovens Save Energy

Microwave ovens can add energy conservation to their "plus" lists, but only if they cook for five people or fewer, one authority says.

"The microwave oven cooks most foods in about one-fourth the time of conventional ovens, and that means a significant cut in total energy consumption," Mrs. Lillian Chenoweth, family resource management specialist reported this week.

Translating that into numbers, this makes an average energy savings of 60-65 per cent for a family of four, the specialist added.

Mrs. Chenoweth, a Texas Agricultural Extension Service

The Texas A&M University System, specialist, also said that microwave cooking most food quantities for a four-member family actually saves from

50-70 per cent energy. "Smaller portion sizes (cooking for one or two persons) makes the microwave oven an even greater energy saver."

"By contrast, for larger portions of six or more, the microwave oven offers little energy consumption advantage," she admitted.

CUFFS ON MEN'S pants were first designed to hold cigar ashes.

## PUBLIC NOTICE

### SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS (S. J. R. NO. 11)

#### SPECIAL ELECTION NOVEMBER 4, 1975

### PROPOSITION NO. 1 ON THE BALLOT

Revising the separation of powers, legislative and executive provisions of the Texas Constitution. Article II, Separation of Powers, is amended to:

Provide that the powers of government of the State of Texas are divided among three distinct branches: legislative, executive, and judicial. Except as otherwise authorized by the constitution, members of one branch may not exercise any power properly attached to either of the others.

efficiency of the executive branch.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the SEPARATION OF POWERS, LEGISLATIVE, AND EXECUTIVE PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective January 1, 1976, except Article III, Section 5, which becomes effective January 1, 1981.

### PROPOSITION NO. 2 ON THE BALLOT

Revising the judiciary provisions of the Texas Constitution. Article V, The Judiciary is amended to:

Establish a unified judicial system consisting of the supreme court, court of appeals, district courts, and circuit courts. Existing county courts and county judges are continued until otherwise provided by law. All judges (except municipal judges), district attorneys and district clerks must be elected by the people. The supreme court and the court of criminal appeals are merged into a single court of last resort, and this supreme court is authorized to provide for efficient administration of the judicial system and to balance case loads. Individual rights for a trial by jury and appeal by the accused are continued. The state is granted the right to appeal in criminal cases in limited circumstances, and the legislature is permitted to establish methods of appeal to the courts from decisions of state agencies.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the JUDICIARY PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

### PROPOSITION NO. 3 ON THE BALLOT

Revising the voting and election provisions of the Texas Constitution. Article VI, Voter Qualifications and Elections, is amended to:

Provide for registration and qualifications for voting including voter residency requirements to be established by law. A citizen of the United States who is at least 18 years of age and who meets the registration and residence requirements provided by law is a qualified voter unless the person has been convicted of a felony and for that felony is incarcerated, on parole, or on probation, or unless the person is mentally incompetent as determined by a court. Voting by the people in all elections must be by secret ballot, and the legislature shall provide by law for residence, registration, and absentee voting

requirements, for the administration of elections, and for the protection of the electoral process. The general election for state and county officers is to be held in even-numbered years on a date prescribed by law.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the VOTING AND ELECTION PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

### PROPOSITION NO. 4 ON THE BALLOT

Revising the education provisions of the Texas Constitution. Article VII, Education, is amended to:

Provide that the Permanent and Available School Funds and the county public school funds are continued for the support of the free public schools. The State Board of Education is retained and the Permanent and Available University Funds are continued for the benefit of The University of Texas and Texas A&M Systems. A new Higher Education Fund for Texas is established for the benefit of colleges and universities outside The University of Texas and Texas A&M Systems. The state ad valorem tax of ten cents on \$100 valuation is continued as the source of revenue for the Fund. The ten cent higher education tax may be changed by law within the ten cent maximum. The legislature may allocate by law a portion of the Higher Education Fund to certain state vocational and technical institutes. The article provides that the public education system must furnish each individual an equal educational opportunity, but a school district may provide local enrichment of educational programs exceeding the level provided by the state consistent with general law. Authority to issue Permanent University Bonds is continued but the bonds may not exceed 30% of the Permanent University Fund.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the EDUCATION PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976, except Article VII, Section 9, which becomes effective January 1, 1979.

### PROPOSITION NO. 5 ON THE BALLOT

Revising the finance provisions of the Texas Constitution. Article VIII, Finance, is amended to:

Provide that state taxes may be levied and collected only by general law and to prohibit any state ad valorem tax on real property or tangible personal property except the ten cent tax provided for in Article VII and a

tax of two cents on the \$100 assessed valuation to provide funds for the State Building Fund. Provides that all real property and tangible personal property must be taxed equally and uniformly in proportion to market value. Existing exemptions from ad valorem taxation are continued. The present deduction of motor fuel taxes for highway purposes and the Available School Fund is retained. The "pay-as-you-go" principle for the operation of state government is retained. The legislature shall establish separate formulas for appraising land to promote the preservation of open-space land devoted to farm or ranch purposes and may establish separate formulas for appraising land to promote the preservation of forest land devoted to timber production. The \$3000 exemption from state ad valorem taxation for residential homesteads is continued and the legislature by law may increase this amount. A separate \$3000 exemption from ad valorem taxation by political subdivisions is provided for the residential homestead of persons at least 65 years of age and the political subdivision may increase this amount. The legislature by law may exempt from ad valorem taxation certain property owned by veterans' organizations, non-profit water corporations, and persons in need because of age or disability, and economic circumstance. The legislature may also exempt property to preserve historical, cultural or natural history resources. Taxpayers are provided a new method of correcting inequitable tax assessments by paying ad valorem taxes under protest and suing for a refund in a district court. State debt may be authorized by law only if approved by a two-thirds vote of each house of the legislature and submitted to and approved by a majority of the qualified voters of the state voting on the question. Public funds and public credit may be used only for public purposes and no public funds or public credit may be used to influence the election of a public officer. The article prohibits a retail sales tax on agricultural machinery or parts, fertilizer, feeds or seeds, prescription drugs or medicine, or food, except food sold by restaurants for immediate consumption. An assessment voted by marine food or agricultural producers on their product sales is not a tax if provision is made for the individual producer to receive a refund of the assessment when the producer does not desire to be assessed.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the FINANCE PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective on September 1, 1976.

### PROPOSITION NO. 6 ON THE BALLOT

Revising the local government provisions of the Texas Constitution. Article IX, Local Government, is amended to:

Provide that the counties of the state are those that exist on the date of adoption of the local government article and that county boundaries may be changed if approved by a majority of the qualified voters in each affected county who vote on the question. Counties may be merged or county seats relocated if approved by two-thirds of the qualified voters in each affected county who vote on the question. The present elected constitutional county offices are retained and four year terms of office are provided. The voters of a county may create additional offices, eliminate the duties and functions of offices. The voters may also grant ordinance making power to the governing body of the county. Cities and towns having more than 1,500 inhabitants may become home-rule cities. Tax limitations are established for operating purposes for cities and counties and the legislature is required to fix debt limits for cities, towns, counties, and school and community junior college districts.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the LOCAL GOVERNMENT PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective on September 1, 1976.

### PROPOSITION NO. 7 ON THE BALLOT

Revising the general provisions of the Texas Constitution. Article X, General Provisions, is amended to:

Provide the basic requirements relating to public officeholders such as the official oath and residency requirements. The provision defining the separate and community property of spouses is retained, and the protection of a homestead from forced sale is continued. The legislature is required to protect certain personal property from forced sale. Current wages for personal service are not subject to garnishment. A private corporation may not be chartered except under general law, and no bank may engage in business at more than one place in this state. The legislature must provide for the regulation of bank holding companies. The present system of local-option elections for the prohibition or sale of alcoholic beverages is continued. The legislature is required to prohibit lotteries and gift enterprises but may permit certain bingo games and raffles. The presently existing provisions for retirement benefits of teachers and other public employees are modified to allow the state to con-

tribute more than 10%. A policy that the quality of the environment of the State of Texas is to be protected is established, and the legislature is required to implement and enforce this policy. No state funds may be used to remove surface water from the river basin of origin if the surface water is necessary to supply the reasonably foreseeable water requirements of the basin for the ensuing 50 years, unless the removal of water is sufficiently replaced to the point of removal from outside the state or is on a temporary, interim basis. The seaward beaches of the Gulf of Mexico and coastal submerged lands belonging to the state are held by the state in perpetual trust for the people, and subject to reasonable limitations prescribed by law, the public has the free and unrestricted right of use and benefit of the beaches. The provision is continued that, except as otherwise provided by law, a rate of interest in excess of ten percent a year is usurious, and that if a contract does not specify a rate of interest, the rate under the contract may not exceed six percent a year. Discrimination against handicapped persons is prohibited, and a goal of the state is established to provide every resident access to adequate, comprehensive health care.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the GENERAL PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

### PROPOSITION NO. 8 ON THE BALLOT

Revising the mode of amending provisions of the Texas Constitution. The proposed article will be the last article of the constitution. If only Proposition No. 8 is adopted, the article will replace Article XVII of the present constitution. If other propositions are adopted, the article will be appropriately renumbered to remain the last article of the constitution. If all propositions are adopted, the article will be Article XI. Article XVII, Mode of Amending the Constitution of the State, is amended to:

Establish a procedure for constitutional amendments requiring a two-thirds vote of each house of the legislature and majority approval by the voters. The calling of a limited or unlimited constitutional convention with voter approval is provided. The question of whether to call a constitutional convention must be submitted to the people every 30 years.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the MODE OF AMENDING PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

### PROPOSITION NO. 8 ON THE BALLOT

Revising the mode of amending provisions of the Texas Constitution. The proposed article will be the last article of the constitution. If only Proposition No. 8 is adopted, the article will replace Article XVII of the present constitution. If other propositions are adopted, the article will be appropriately renumbered to remain the last article of the constitution. If all propositions are adopted, the article will be Article XI. Article XVII, Mode of Amending the Constitution of the State, is amended to:

Establish a procedure for constitutional amendments requiring a two-thirds vote of each house of the legislature and majority approval by the voters. The calling of a limited or unlimited constitutional convention with voter approval is provided. The question of whether to call a constitutional convention must be submitted to the people every 30 years.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the MODE OF AMENDING PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

### PROPOSITION NO. 8 ON THE BALLOT

Revising the mode of amending provisions of the Texas Constitution. The proposed article will be the last article of the constitution. If only Proposition No. 8 is adopted, the article will replace Article XVII of the present constitution. If other propositions are adopted, the article will be appropriately renumbered to remain the last article of the constitution. If all propositions are adopted, the article will be Article XI. Article XVII, Mode of Amending the Constitution of the State, is amended to:

Establish a procedure for constitutional amendments requiring a two-thirds vote of each house of the legislature and majority approval by the voters. The calling of a limited or unlimited constitutional convention with voter approval is provided. The question of whether to call a constitutional convention must be submitted to the people every 30 years.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the MODE OF AMENDING PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

## Telephone Rates Increased, But You Can Save On Shorter Calls

A one-minute rate for all hours and all days, and special calling periods with up to 40 per cent savings over day time rates for customer dialed station-to-station long distance calls placed within Texas can help telephone customers save on toll calls even though all rates have been increased, according to L. L. Porter, traffic director for General Telephone Company of the Southwest.

Porter said the rates General Telephone charges customers for intrastate long distance calls were increased August 11 when Southwestern Bell placed new rates in effect. He explained that Bell operates most

of the long distance facilities in Texas and establish state-wide rates.

"Even though all of the intrastate rates have increased, customers can save money by taking advantage of the new one-minute rate which is in effect at all times," Porter said. He explained that prior to August 11 intrastate calls were charged for a minimum of three minutes plus charges for each additional minute except between 11 p.m. and 8 a.m., when the one-minute rate was in effect. Under the one-minute rate, customers are charged for each minute or fraction of minute they talk.

He continued by saying the day rate in effect from 8 a.m. until 5 p.m., Monday through Friday, is the highest dial it yourself rate in effect. However, he added, the day rate is reduced 30 per cent when the call is placed during the evening hours between 5 p.m. and 11 p.m., Sunday through Friday. In addition, the day rate is lowered 40 per cent for additional savings when the call is dialed by the customer under the night calling period in effect from 11 p.m. until 8 a.m., Monday through Friday, all hours on Saturday and until 5 p.m. Sunday.

Porter pointed out that rates for operator assisted calls have one rate regardless of the hour or day. Operator assisted calls include collect, credit card, third number billing, operator dialed station-to-station, time and charges and person-to-person.

## 11 Wrecks In Lamb In August

The Texas Highway Patrol investigated 11 accidents on rural highways in Lamb County during the month of August, 1975, according to Sergeant Thurman Keffer, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and two persons injured.

The rural traffic accident summary for this county during the first eight months of 1975 shows a total of 74 accidents resulting in three persons killed and 53 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for August, 1975, shows a total of 596 accidents resulting in 16 persons killed and 292 persons injured as compared to August, 1974, with 542 accidents resulting in 30 persons killed and 314 persons injured. This was 54 more accidents, 14 less killed, and 22 less injured in 1975 at the same period of time.

THESE YOUNG WOLVERINE FANS... were having as much fun Friday night as the older fans and players.

## "Life Values" Pass From Generation To Generation

Every generation passes four major "life values" to the next, one authority says.

"A person is himself because of what another generation has given to his development," Dorothy Taylor, a family life education specialist, said.

Miss Taylor is with the Texas Agricultural Extension Service, The Texas A&M University System.

She said the four life values are:

**AGRESSION OR HARMONY**  
"Alternate generations are characterized by predominant traits of aggression and harmony. Those generations who grew up in periods of unrest will try to ensure peaceful times for their children. Then, historically, aggression often surfaces after years of harmony."

**SOCIAL ORDER**  
"Children often relate better with their grandparents than with their parents on issues of aggression and harmony. The youngsters respect the older people's knowledge and experiences about problems they are confronting, problems their grandparents dealt with years ago," she explained.

**TIME ORDER**  
"Most children are, and usually remain, in their parents' social standing group."  
"A person's behavior indicates the period of history in which

he grew and developed. The things he likes and respects are associated with that time order which his parents 'gave' him by virtue of the time he was born."

One example is the "Great Depression" lifestyle, and its effect on the attitudes of those who grew up then. People who matured during this time tend to be more conservative and less wasteful, particularly with food and clothing, she noted.

"Those who grew up during the John F. Kennedy 'Camelot Years' will probably carry a greater appreciation for fine arts than those who are maturing today's 'Back to Nature' years," she said.

**QUALITY OF LIFE**  
"The newest generation's quality of life depends on the economic and social level associated with their parents."

"The quality of life parents experienced affects their ex-

pectations for their children. Parents continue to want their children to have opportunities they missed."

WHEN POSSIBLE use a reliable gauge of your own to check your tires for proper inflation. Due to lack of delicate calibration maintenance, many service station air towers are not accurate.

WHEN SHOES SCUFF you may not be walking properly, and when tires scuff they, too, may not be aligning properly. The alignment of your wheels in relation to the direction of travel should be checked if you're "scuffing."

WHEN MAKING A TRIP, plan a schedule that considers the children's regular meal and bed times.

# SUNNYSIDE NEWS

BY TEENY BOWDEN

New officers were elected and a new meeting date set at community meeting Tuesday night. Gale Sadler was elected president; R. J. Lefevre, vice-president; Teeny Bowden, secretary and Mrs. Henshel Wilson program chairman. Meeting date was changed from each first Tuesday nights to each first Monday nights because of school activities on Tuesday nights. At the October 6th meeting a Halloween party for the children of the community will be planned. A money raising Thanksgiving supper will be planned for November, to help pay for the building. Everyone in the community is urged to attend the next meeting.

Winners of the summer reading program of the church were presented their awards Sunday morning. Tammy Ross was the winner of the youth group with 22 books read, Wendy and Lisa Wilson tied for the childrens group with 29 books each, and Chanin Ross, Tommy Wilson and Betty and Janie tied with 25 books in the pre-school group. 259 books were read with 11 adults and 21 children participating.

The Week of Prayer for State Missions was begun Sunday. Baptist Women and BYW's will meet each morning at 9:00 for the prayer program. The church set a goal of \$678.90 in business

meeting Wednesday night. All women are invited.

Mrs. Embree Roy Sadler, Mrs. John Gilbreath, Mrs. Rodgers, Mrs. Winston Waggoner, and Mrs. L. B. Bowden attended the annual membership brunch of Plains Memorial Hospital Auxiliary at the country club in Dimmitt Wednesday morning. Mrs. Sadler presided, Mrs. Gilbreath helped with refreshments.

Mr. and Mrs. Rodgers of Gustine arrived last Wednesday to visit with her sister, Mr. and Mrs. John Gilbreath. He helps John through the corn harvest each year.

Mr. and Mrs. Cliff Brown attended the funeral services of his aunt, Mrs. P. Mae Stanford in Lubbock Tuesday morning. They visited in Methodist Hospital with his parents, Mr. and Mrs. F. R. Brown, and helped get his dad home from the hospital when he was dismissed.

The fall revival began Sunday with the pastor in charge of the services. Rev. Bobby Gordon of Dimmitt will be the evangelist and Vernon Patton, music director of Calvary Baptist Church in Tulia will be the song leader for the night services starting Monday night. Services will be held each night at 8:00. Prayer services and choir practice will be at 7:30. No morning revival services.

Lee Brown sprained his ankle in football practice Tuesday afternoon, but was able to play the last half of the Friday night game on the defense team. The Wolverines won over Plains 9-0 at the home field.

Mrs. Lillian Carson was honored with a birthday dinner in the home of Mr. and Mrs. Lee Bradley and family Sunday. Others present were Gene Carson of Hereford and Mr. and Mrs. Carl Dean Carson and Deakon.

Mr. and Mrs. Carl Bradley spent the week-end with Mr. and Mrs. Alford Gibbs of Dimmitt at Carlsbad and El Paso. Kent and Kelby stayed with their grandparents. Mr. and Mrs. Weldon Bradley in Dimmitt. Kyle stayed with a niece in Olton.

Rev. Raymond Jones, Roy Phelan and Thomas Parson attended the Llanos Altos Associational Baptist Men's meeting at Lazbuddie Tuesday night.

Henshel Wilson was honored with a birthday supper in his home Tuesday night. Those present were Mr. and Mrs. L. E. Wilson of Ropesville, Mr. and Mrs. Lonnie Wilson, Mr. and Mrs. Doug Freeman of Earth, Mrs. Henshel Wilson and Dancen and Mr. and Mrs. Phillip Jones.

Baptist Women met for the general program at the church Tuesday morning with Mrs. Roy Phelan in charge of the program.

Mrs. Gale Sadler met her father, E. E. Lewis of Mount Vernon, Missouri, at the plane in Lubbock Thursday afternoon. He will visit for a while with Mr. and Mrs. Gale Sadler, Cindy and Susan.

Cindy Sadler received a 3 1/2 oz. bottle of Charlie perfume as a gift for playing the piano during the Kiwanis Club banquet in Dimmitt Thursday night.

.35 inch of rain was received Thursday. .25 inch Friday and .10 inch Saturday.

Mrs. Gerald Graham and Mrs. Ray Joe Riley attended an adult 4-H leadership meeting in Littlefield Monday.

Cindy and Susan Sadler and

Daniel Montiel play in the rain didn't march at Dimmitt Stage Band this year. Try outs were Thursday. Lee will play shoe last week, but because of Lee and Lynn Brown and Gale Jones will play in the Wolverine Band this year. Try outs were Thursday. Lee will play (Continued on page 12)

**SPECIALS GOOD SEPTEMBER 18 THRU SEPTEMBER 24**

**Relieves the stress in your system.**

You're looking at Lindsay's patented Uni-Knuckle. It works on the same principle as a universal joint. Allows overhead pipe in a Lindsay Zimmatic center pivot to move up, down, back or forward with no stress on the system. Inside the Uni-Knuckle is a split sleeve coupler and rubber boot. This keeps the joint water-tight, even when the system is running over extremely rough ground. The boot is a special compound, selected for long life.

Of course, as time goes by, you may have to replace a boot or two. That happens with any coupler. But with a Zimmatic you don't need 10 men and a boy to do the job. There's no internal joint to worry about. No need to prop up and disconnect the line. The Uni-Knuckle stays in place, supporting the line. You just reach in, remove the split metal coupler and old boot. Slip in a new one, put the coupler back in place you're in business again. When it comes to making repairs, the Uni-Knuckle relieves the stress on your system. too.

In case you're wondering how the Uni-Knuckle handles twisting action in the line caused when one tower is going downhill and the next is going uphill — it doesn't. Lindsay takes care of that with a separate flex feature. It's patented, too. We'll be glad to show you how it works, tell you about all the other features that make Lindsay Zimmatic the new leader in center pivot irrigation systems.
