

Nosin...

With Polly

Faye Starkey has decided she doubtless needs glasses, or she has just plain wasted her money buying curtains...

Another conclusion she has reached... she never knew before... it took three hours to go to Muleshoe and back...

NOSIN'

Eldon Trotter, our boy Friday, was in the process of making an advertising layout, when he stopped, dashed to the telephone, and called John Adrian, asking this question...

NOSIN'

Leon Foster and son David made a trip to Oklahoma this week, Mary, who usually loves to go, was asked why she didn't go too...

NOSIN'

Polly, Jr. was only a bridesmaid, not a bride, and I didn't sleep a wink that night. How do folks survive their children getting married??

NOSIN'

"Ten Commandments for Husbands" from the Baptist Beacon...

1. Thou shalt not think that thy business is none of the wife's business. Remember, thy wife is thy partner, not thy property.

2. Thou shalt hold thy wife's love by the same means that thou won it.

3. Thou shalt not deal grudgingly with thy wife... half of the money is hers. Thou shalt not ask an accounting for every cent she spends until thou make a similar accounting to her.

4. Thou shalt make the building of thy home thy first business.

5. Thou shalt cooperate with thy wife in establishing family discipline.

6. Thou shalt not nag thy wife about dieting, for it will be as discord in the household harmony, and beside, it will do no good.

7. Thou shalt enter into thy house with cheerfulness. Always remember that thy wife assumed she was marrying a man, not a bear.

8. Thou shalt not let anyone criticize thy wife to thy face and get away with it; neither thy mother, nor thy father, nor thy brethren, nor thy sister, nor any that are thy relatives.

9. Thou shalt not take thy wife for granted.

10. Remember thy home and keep it holy!

CAPROCK TEAM HAS TWO LOSSES

The Earth-Springlake Caprock team lost to Matador Friday night, 9 to 2.

Monday night, the local team went to Floydada, and played a great game, but after 8 innings, the score came out 5 to 4 in favor of Floydada. The team has won 2 and lost five.

Betty Cody of Earth will leave Thursday for a three day visit in Dallas. She will accompany Mr. and Mrs. Curtis Parker of Muleshoe. While in Dallas, they plan to tour "Six Flags Over Texas."

Water-Sewer Extensions, Street Repairs And Health Hazard Survey On City Agenda

Two engineers, Cecil Hawk of Lubbock, and Calvin Shoup of Amarillo met Monday night with the Earth City Commission. The two presented plans and specifications on water and sewer extensions and repairs. Also discussed was the need of repairs and re-topping some of the existing pavement within the city.

A legal notice requesting sealed bids on the work to be submitted to the City Hall will be found elsewhere in this issue, and bids will be opened July 18. The lowest bidder, capable of quality workmanship, will be selected. Also meeting with the Commission for a discussion on public health hazards and control of weeds and mosquitoes was City Health Officer, Dr. W. D. Holt.

Following a lengthy discussion, the group voted to have a survey of the business establishments taken, in the near future, to determine the extent of the public health hazard existing, because of carelessness with garbage and rubbish in the alleys in the business district.

The group discussed the mowing of vacant city lots, and are ready to do so, with the small charge to owners of one dollar per lot, if the property is cleared of rubbish and garbage, permitting the mower to operate without damage.

The group voted to dig a new garbage dump pit, and work was begun Tuesday, with H. E. Newsum of Muleshoe in charge of the job.

Current bills were all paid. Those attending were the two engineers, Dr. Holt, Mayor Marcus Messer, Thurman Lewis, Richard Stockstill, Eldon Parish, Marshal Clarence Hazlett, Water Supt. John Fruedrich, and Rubye Anderson, City Secretary.

BIBLE SCHOOL UNDERWAY at the Mexican Baptist Mission in Earth. Approximately fifty children are attending. Heading the school are Mary Ann McAnally of Hardin-Simmons University at the left, and Muriel Johnson of Texas Tech, at the far right. Aiding the two girls are Jill McCord, Vicki Clayton, Joan Sanderson, and Pruda Sanders.

Five Day Bible School Begins At Spanish Mission

A Vacation Bible School for the Mexican Baptist Mission began Monday, and will continue through Friday.

Study sessions will begin daily at 9:00 a. m. and continue through 11:30.

Two Invincibles, Mary Ann McAnally, Senior student at Hardin-Simmons, and Muriel Johnson, senior at Tech, were selected to instruct the Bible School, with the aid of several local ladies, and young people of the local Baptist Church.

Thirty-five Spanish-American children attended Monday. Miss McAnally said she expected 50 or 60 to attend for the remainder of the sessions.

Miss McAnally and Miss Johnson have supervised schools at Brownfield, Rocky Ford and Springlake. They will be in Dimmitt next week to help with a school there.

While in Earth, the Misses McAnally and Johnson will be guests of Mr. and Mrs. Pat McCord, Jill and Jane.

New Committees Named By Lion Boss

Phil Raught, local Lion Boss announced the appointment of ten new committees Tuesday, at a regular noon day luncheon meeting.

The ten committees include twenty-six men of the local club membership. They are as follows: program committee, Carroll McDonald, chairman, Bill Mann; Finance-special projects, L. K. Anderson, chairman, M. E. Kelley, Melvin Bock, Richard Stockstill, Wendell Clayton and M. R. Phillips. Membership and Attendance, Edwin O'Hair, Chairman, Archie Tomlinson, Food, Jack Rylant, Chairman, Glenn McGeath and Rex Clayton. Ladies Night, Wendell Clayton, Chairman and Norman Hinchliffe, Sight conservation- Public School Health & Welfare- Boy & Girl, Cripple Children, Dr. W. D. Holt, Chairman, Bill Mann, Edwin O'Hair and George Laing, Publicity, Convention and Queen, M. B. Baldwin, Ch. Ross Middleton and Paul Wood, Agriculture, Roger Haberer, Chairman, and Norman Hinchliffe, Constitution and by-law, J. H. Angeley, Chairman and M. E. Kelley, Christmas Fund, Fred Clayton, Chairman, Leon Dent, Dutch Been, Melvin Bock and Richard Stockstill.

Earth's Biggest Event Of Year Scheduled July 11-12-13

The biggest and best of all the past Earth Rodeos is scheduled to be held July 11 through the 13th.

This big rodeo is the 19th rodeo to be staged in Earth, and in the past, record crowds reaching into the thousands have turned out to watch the big annual event in Earth.

Members of the Roping Club have been busy working on all phases of the rodeo, getting the grounds in readiness for the big show. Everything is organized, so there will be no dragged-out performances. A Thrill every minute is the aim of this hard working group.

A downtown parade will kick off the annual event.

The 10th Annual Earth Rodeo is scheduled July 11, 12 and 13 with a big downtown parade at 4 p. m. Thursday, July 11, kicking off the activities. The Earth Roping Club sponsors the rodeo annually.

The Earth Chamber of Commerce will present prizes of \$15, \$10, and \$5 for first, second and third place winners for the best floats in the parade. The CoFCh will also give trophies to the three best riding clubs in the parade. The clubs will be judged according to the American Sheriff's Posse and Riding Clubs Association.

The Earth Roping Club will furnish the meat for a free barbecue, which will follow the parade at the FFA Barn, near the Rodeo grounds, at 6 p. m. The barbecue is sponsored and prepared annually by members of the Earth Chamber of Commerce. The barbecue is free with a paid admission to the rodeo on Thursday night.

The Earth Rodeo, biggest and best in the Plains area, will feature three big performances beginning at 8 p. m. nightly, Thursday, Friday and Saturday. On the agenda will be bareback riding, saddle bronc riding, saddle bronc riding, calf roping, barrel racing, bull-dogging and bull riding will provide plenty of excitement for the spectators. An added feature this year at the rodeo will be team roping, heading and heeling.

A silver buckle will be awarded to first place winner in each event.

The best all around cowboy will be presented a pair of boots, also prize money will be awarded to the winners.

Stock has been secured from the Ratjen Rodeo Company of Happy, Texas.

Admission will be \$1.50 for adults and 75¢ for children.

Second Annual FFA Swine Sale Scheduled For July 15

The second annual big swine sale by the local FFA chapter will be at 2 p. m. Monday, July 15 in the FFA show barn.

E. G. Gaston, FFA instructor, said last year they had buyers from all over West Texas and they paid premium prices, but this sale would doubtless be a much better one than that of last year, because this year the boys really have some top quality swine for sale.

He went on to say this chapter probably has the highest quality of three breeds, Hampshire, Berkshire and Poland China, in the state, unless of course, it is an individual swine breeder. He said he expected some of the breed gilts to bring \$250 each.

Six members of the local chapter have 55 head to auction off in this sale. They are Jerry Jones, Charles Astell, Dale Montgomery, Bob Phipps, Gene and Bill Chaney.

The Monroe Doctrine was published in 1823.

Dennis Simmons Manager For Adrian Food

Dennis Simmons has been employed as manager for the Adrian Food Store, according to John Adrian, owner.

Simmons assumed his duties last Wednesday, and this week announced several hot specials for the weekend shoppers.

Simmons moved here in 1955 from Magnolia, Arkansas, and has been employed by Paul's Super Market and the local Piggly Wiggly Store since that time.

Mrs. Simmons is bookkeeper for Earth Oil and Gas Co. and has been employed in the bookkeeping department for the past 8 1/2 years.

WANTED AUTOS AND PEOPLE!!

The Earth Jaycees are in need of volunteers to go on the Rodeo Booster trip, Saturday, July 6, at 8 a. m.

People and automobiles both are needed for the trip to advertise Earth's Rodeo, the best rodeo in the country.

The group is asked to meet at Earth Oil and Gas Company. The tour is scheduled to take in Amherst, Sudan, Littlefield, Spade, Olton, Hart, Dimmitt, Friona, Bovina, Farwell and Muleshoe.

This is an annual Jaycee project. However, Vice-president Rayburn Ott explained, "So many of the local Jaycees are working and unable to get off to take the tour, so we need help. We will appreciate any volunteers willing to help us out." He went on to suggest that if businessmen would send a representative from each store in town, it would certainly help out.

Shetland Pony To Be Given Away Saturday, July 13

The local Jaycee Club met Monday for a regular weekly noon day meet. During the short business session, the group voted to give away a Shetland pony, saddle and bridle, in connection with the rodeo. The winner will be announced at the last performance Saturday, July 13.

Tickets are now on sale for \$1 each, by any member of the local club. The holder of the lucky ticket does not have to be present to win.

This is an annual affair, sponsored by the Jaycees. The proceeds from the ticket sales will be used to help with many worthwhile community projects.

Local Pony Team Tops, No Losses For Season

The Earth-Springlake Pony team won top place in the league, with the season record of 9 wins and no losses.

This fine team, coached by E. C. "Shorty" Kelley, and assisted by Marvin Huff, has shown superiority on the field in every game played.

The final game of the season was played Tuesday night with Sudan. The score was 25 to 11 in the local team's favor.

Sudan was runner-up with a season record of 6 wins and 3 losses. Olton trailed with a total of 3 wins and 6 losses.

An All Star Team, selected from the best players on the three Pony Teams, Earth, Olton and Sudan, will be chosen Friday, 8 p. m. in the Community Room. This top team will play in a District Tournament to be scheduled later.

Earth-Springlake Pony team was sponsored by Springlake Elevator, Farmers Co-op Gin, Springlake and the Busy Farms.

Graveside Rites Tuesday For Former Resident

Graveside rites for Mrs. C. T. Bradford, 78, of Amarillo were conducted Tuesday at the Springlake Cemetery. Mrs. Bradford died Sunday, 12:30 p. m. in Amarillo.

She was a former resident of Earth, having lived here from 1929 to 1946.

She is survived by one daughter, Mrs. Dennis Stubbs of Amarillo.

Burial was in the Springlake Cemetery.

Drivers Ed Classes To Begin July 10

Drivers Ed Classes, under the direction of Cecil Slover, will begin July 10 at the Springlake School. Those in the area interested in taking these classes should register with Mrs. Marvin Sanders at the High School.

Two hour classes are scheduled for 3 to 5 p. m. The second class will be held on July 16, and will continue each day through the month of July. Following the July 16 class, daily class hours may be changed to a morning class.

The price for the series of classes is \$25 per pupil. No school credit is given upon completion of the course, however, most insurance companies allow a discount on automobile insurance fees to those who have taken driver's ed.

Mr. Slover said if the first class was missed, it could be made up at a later date.

Baptist Teachers And Officers To Meet Friday

Sunday School officers and teachers of the First Baptist Church will meet Friday at 8 p. m. for a general planning session.

This monthly meeting allows teachers and officers time to plan their work for the forthcoming month.

A discussion period is allowed to discuss any and all problems pertaining to the Sunday School, and to obtain new and better ideas for the betterment of the classes in the church.

Aunt Of Angeley Family Dies

Mrs. J. L. Wilson, 69, of Lipan, Texas, died Thursday at 6 a. m. in the Stephenville hospital, following a heart attack.

Final rites were held Friday at 5 p. m. in the Baptist Church in Lipan.

Mrs. Wilson had been in ill health for several months.

Mrs. Wilson was an aunt of Jarvis and E. K. Angeley and Mrs. Bonnie Haberer of Earth, and Bay Wilson of Muleshoe.

Mr. and Mrs. E. K. Angeley and Mrs. Haberer attended the funeral services Friday.

On October 28, 1919, the Volstead Act became law over the president's veto.

THE GIANTS... are on the bottom of the list in league standings for the Freshman League having won one game and lost six... The lads are good players, but somehow just couldn't quite beat any of the other teams... Back row, left to right, Wayne Henderson, James Lackey, ass't. mgr., Floyd Henderson and Mike Berry. Front row, Delbert and Elbert Rudd, Donny Galloway, David Holt, Dennis Rylant, Terry Bridge, and Jerry Townsend. Members of the team not present were Craig Barton, Kent Coker, Mike West, Refugio Gaus and Mgr. Bob Bell. Sponsors are Earth Tire and Supply and Earth Fence Company.

## Gregory-Stephens Vows Exchanged In Church Ceremony June 29

In an impressive candlelight ceremony at 8 p. m. Saturday, July 29, in the First Baptist Church in Earth, Carolyn Gregory became the bride of Gayland Stephens.

Parents of the couple are Mr. and Mrs. Carl Gregory and Mr. and Mrs. Johnny Murrell, all of Earth.

M. B. Baldwin, pastor of the church, read the impressive double ring ceremony beneath a lovely archway of red rose buds entwined with greenery and decorated at the top by white wedding bells. Baskets of red and white rose buds, mingled with greenery and candelabra with lighted white tapers, flanked each side of the archway.

Mrs. Kenny Hamilton sang "Oh, Promise Me" and "The Wedding Prayer", accompanied by Mrs. Larry Tunnell at the organ, and Miss Janice Cowley on the piano.

Given in marriage by her father, the bride was lovely in an original model of imported French lace and nylon tulle over net and taffeta. Designed with high neckline, framed with applique of lace, the fitted lace bodice was styled with a sheer yoke, out-

lined with lace applique, and ending in a deep point at the center front of the waistline. The bouffant skirt of shirred tulle was encircled by wide bands of scalloped lace ending in a wide ruffle of tulle. A hoop of crinolin was worn to emphasize the fullness. The full skirt of tulle, net and taffeta swept into a short chapel train. The long fitted sleeves ended in points over the hands. A matching waist length veil, trimmed in lace applique with pearls and sequins fell from a lovely tiara of seed pearls.

The bridal bouquet of white rosebuds enhanced with net and white ribbon streamers, was carried atop a white Bible.

She carried out the traditional, something old, something new, something borrowed and something blue, and for good luck, she wore a penny in her shoe.

Mrs. Kenny Stephens, of Whiteface, sister-in-law of the groom, served as Matron of Honor. She wore a red dress of nylon and cotton, designed with a fitted bodice and low rounded neckline, with a short bolero jacket

buttoned in the back, and styled with push-up sleeves. The full skirt fell into deep pleats. She carried a white carnation nosegay with red and white ribbon streamers.

Polly Jean Middleton and Ilene Angeley of Earth, and Bobby Fay Gregory, Ft. Worth, cousin of the bride, served as bridesmaids. They wore identical dresses of white nylon and cotton, in the same design as that of the matron of honor, and carried nosegays of red carnations with white net and streamers of white and red ribbons.

Troy Layman of Earth was best man.

Kenny Stephens, brother of the groom, Thomas Gregory, brother of the bride, and Clayborn Stewart served as groomsmen.

Candlelighters were Beth Dent of Earth and LaDon Messer of Lubbock. They wore matching dresses of white, with red carnation corsages.

Ring bearer was Glen Killough of Muleshoe.

Peggy Gregory served as flower girl for her sister.

Ushers were Gerald Pellham cousin of the bride, Gale Sawyer, Larry Glasscock and

## Bridal Shower Fetes Carol Bishop Friday

Mrs. Forrest Collins was hostess at a lovely bridal shower, Friday, feting Carol Bishop, bride-elect of James White.

The house was decorated in shades of blue and white, featuring the bride-elect's chosen colors. The serving table was enhanced by a lovely aqua crocheted table cloth, with blue underlay, centered with an arrangement of blue and white daisies. The living room was decorated with a lovely arrangement of red roses, entwined with greenery.

Individual cake squares, iced in white and decorated with blue wedding bells were served with red punch, to the twenty five guests who attended.

Miss Donna Lands of Muleshoe registered the guests. Hostesses were the Mrs. Paul Chance, Pat Meeks, Frank Meeks, Truman Lowe, Paul Frye, O. C. Frye, George Gable, Buddy Adrian, Bill Keilar, of Dodd and Sunnyside.

Mrs. Arthur Oakley, Mrs. DeWayne Brown, Mrs. Jeanne Dickie, Mrs. Iris Hamilton and Mrs. Dexter McGay, all of Dimmitt.

Mrs. Paul Poyner, Mrs. Ray Eagle, Mrs. O. D. Scheller and Mrs. Barney Scheller of Earth.

## Family Reunion Held In Haborer Home

Some 47 members of the James families met Sunday in the home of Mr. and Mrs. Johnie Haborer. Guests included Mrs. Lola Chenoweth and Kathy Yust of Houston, Mrs. Clara Harper and Mrs. Alvin Walton, California; Mr. and Mrs. C. W. James, Carolyn, Lynn, Maryann and Billy of Hereford; Mr. and Mrs. George Jesko, Deann and Tommy of Amarillo; Mr. and Mrs. Don Cantrell and Gary of Tucumcari, New Mexico; Mr. and Mrs. Cliff Cantrell, Teri Sue, Yvonne, Tracy and Don, Roswell, N. M.; Mary Cantrell and Warren Aylesworth of Plainview.

Herbert James, Raton, N. M., Noretta Briggs and Tonya, Ft. Worth; Mr. and Mrs. Dock James, Clarendon; Mr. and Mrs. Jerry Tunnell and Tonya of Littlefield; Rev. and Mrs. Frank Weir of Sudan; Mr. and Mrs. Orin Simms, Mr. and Mrs. Dub Bishop, Vanda and Darren, Mrs. Jessie Cantrell, Muleshoe; the host and hostess, Mr. and Mrs. Johnie Haborer and Gary Don.

A good old fashioned get-together was enjoyed by all. Lots of hellos and good-byes were said and everyone is looking forward to another meeting in 1966.

## Earth Rebekahs Meet Thursday

Don and Truman Layman.

The bride's mother wore a dress of beige linen with matching beige accessories. She wore a corsage of white rose buds.

For her son's wedding, Mrs. Murrell chose a beige linen sheath, worn under a lovely turquoise linen duster, with turquoise hat and gloves, and white rosebud corsage.

They will return July 6th to their home located one mile west and two miles south of Earth.

The couple graduated from Springlake High School in May of this year.

"Minute Men" was the name given to companies of militia organized at the time of the Revolution.

Orson Welles' radio program "Attack from Mars" caused wide-spread panic on October 30, 1938.

cousin of the bride. For the wedding trip to Carlsbad, and Ruidoso, New Mexico, the bride chose a two piece suit of black and white checked cotton. She wore black patent accessories and a white corsage.

The Earth Rebekah Lodge No. 139 met for their regular bi-monthly meeting in the IOOF Hall, Thursday at 8 p. m. Mrs. Bobette Marshall, Noble Grand, presided over the meeting. Those present were Mrs. Minnie Pate, Mrs. Henrietta Armstrong, Mrs. Mary Parish, Mrs. Minnie Parish, Mrs. Madell Simmons and Mrs. Marshall. The next meeting is scheduled for 8 p. m. Thursday, July 11.

## Friends Honor Mrs. Hodge With Housewarming

Friends honored Mrs. Billy Hodge with a surprise housewarming and china shower Tuesday afternoon.

The group of friends arrived at 4 p. m. with gifts galore. Refreshments of fudge squares, date roll cookies and coffee were furnished by Mrs. Everett Patterson.

Diane Hodge entertained the group with organ music.

Those attending were Mrs. John Welch, Bill Stockard, A. K. Shelby, Clarence Hamilton, C. O. Taylor, Jerry Kelley, Irvin Ott, Elmer Prather and Everett Patterson.

Those sending gifts were Mrs. Norman Sulser, Mrs. Jerry Devanport, Mrs. I. D. Newton and Mrs. Homer Statkey.

## NOTICE

The Cub Scouts will march in the Rodeo Parade, Thursday July 11, 4 p. m.

Scouts are expected to meet in uniform, at the La Casa Motel at 3:30 p. m. on Parade day.

The Cubs will have a float in the parade. Any parents who can, are invited to meet at the Wilson Lewis home on Wednesday, July 10 at 2:30 p. m., to help with the float.

Thursday, July 4 is Family Day at the Plains Baptist Assembly at Floydada, beginning at 10 a. m.

### Carolyn Gregory Is Feted With Shower

Miss Carolyn Gregory, bride-elect of Gayland Stephens, was honored with a wedding shower, Thursday, 7 p. m. to 9 p. m. in the lovely home of Mr. and Mrs. Jarvis Angeley, near Earth.

The house was decorated throughout in the bride's chosen colors of red and white. The serving table, laid with a white linen cutwork cloth, was centered with a lovely crescent arrangement of red and white artificial roses. Other beautiful arrangements of red and white rosebuds enhanced the coffee table and mantle in the den.

Pruda Kay Sanders, Beth Dent and Ilene Angeley registered guests, and served red punch with individual cake squares iced in white, and decorated with red bows, to the forty-two guests who attended.

Hostesses were Mrs. Marvin Sanders, Dutch Been, Ross Middleton, Kenneth Sawyer, Barney Scheiler, Paul Chance, L. G. Layman, Donald Layman, Bud Jones, Marcus Messer, Barney Glasscock, W. O. Wood, Hershel Martin, Chester Elmore, Neil Webb, Buddy Adrian, Frank Roberson and hosts Mr. and Mrs. Jarvis Angeley.

### Friends Surprise Mrs. Hooley With Coffee and Gifts

Friends of Mrs. Grace Hooley surprised her Wednesday at 10 a. m. with a coffee and gift shower.

Mrs. Hooley has recently purchased the Mackey McCarty home on East Highway 70, and moved from the school campus.

Coffee and doughnuts were served to the seventeen guests attending. Mrs. Hooley received many lovely miscellaneous household gifts.

### Altrui Study Club Has Dinner Party in Below Home

The Altrui Junior Study Club held its first summer social Friday night, June 28, in the home of Mr. and Mrs. Bob Belew.

Members of the club and their husbands were entertained with games of 42.

A dinner of baked ham, assorted salads, hot rolls, coffee and tea were served to Mr. and Mrs. Carroll McDonald, Mr. and Mrs. Cecil Maddox, Mr. and Mrs. Darrell Sawyer, Mr. and Mrs. Clinton Green, Mr. and Mrs. Billy Robnett, and Mr. and Mrs. Belew.

### MRS. STARKEY HOSTESS AT LAYETTE SHOWER

Mrs. Don De Hay was feted Tuesday afternoon with a layette shower in the home of Mrs. Homer Starkey. Mrs. De Hay was presented a lovely corsage, made of satin booties and diaper pins.

Miss Joyce Starkey registered guests from a white linen covered table in the living room. The dining table was covered with a white linen cloth, enhanced by an arrangement of pink larkspur and rosebuds, mingled with white mock orange.

Individual cake squares, iced in white with nuts and mints were served with pink punch to the twelve guests who attended.

Hostesses for the occasion were Mrs. Junior Lewis, Mrs. Nat Bearden, Mrs. Gerald Inglis, Mrs. Cecil Parish, Mrs. Grace Hooley, Mrs. Keith Jones, Mrs. Carl Jones and Mrs. Starkey.

Several people who were unable to attend sent gifts.

### Betrothed...

Lynda Rose

Mr. and Mrs. Emert Rose of Earth announce the engagement and approaching marriage of their daughter, Lynda to Lee Roy Nuttall of Amherst, son of Mrs. E. F. Nuttall. The wedding is scheduled for 8 p. m. August 24 in the First Baptist Church. The public is invited to attend.

Miss Rose was graduated from Springlake High School in '60, and attended WTSC for one and one-half years. Mr. Nuttall graduated from Amherst High school in 1956.

### STARKEYS FETED WITH SURPRISE HOUSEWARMING

Mr. and Mrs. Homer Starkey were honored with a surprise housewarming Saturday, 8 p. m.

Mrs. Lena Hite, a hostess for the occasion, was elected to get Mrs. Starkey out of town while the remaining hostesses arrived at the Starkey home and arranged the party.

Upon the return of the honoree and Mrs. Hite, refreshments of cheese sandwiches, cake, Coke and coffee were served from a table covered with white linen, centered with a beautiful arrangement of mint green flowers.

Approximately 35 guests attended the housewarming. Mr. and Mrs. Starkey received a beautiful assortment of nice household gifts.

### Party Line...

Mr. and Mrs. Bill Ferguson and children, Kathy and Karla of Midwest City, Oklahoma left Wednesday for home, after visiting several days in the E. C. Kelley home. Mrs. Ferguson is Mrs. Kelley's sister.

Mr. and Mrs. Frank Patton and daughter Robin of Newport News, Virginia are spending this week visiting with Mr. and Mrs. Jack Rylant, Sr. and family of Earth. Mr. Patton is Mrs. Rylant's brother.

Francis Implement Co., Your Ford Tractor Dealer Muleshoe, Texas Pd. Adv.

### Murrells Host Wedding Rehearsal Dinner Party

Mr. and Mrs. Johnny Murrell were hosts Friday night at the wedding rehearsal dinner party for their son, Gayland Stephens and bride-elect Carolyn Gregory.

Following rehearsal, a delicious dinner of smoked turkey, baked ham, beans, brussels sprouts, salads, cake and punch were served to the wedding party.

Those attending were Mr. and Mrs. Carl Gregory, Carolyn, Peggy and Thomas, Bro. and Mrs. M. B. Baldwin, Gayland Stephens, Beth Dent, Polly Jean Middleton, Ilene Angeley Clayborn Stewart, Troy, Don and Truman Layman, Gale Sawyer, Gerald Pellham and Larry Glasscock, all of Earth.

Mr. and Mrs. Morris Killough and Glenn, and Miss Jo Ann Mock, all of Muleshoe; Mr. and Mrs. Kenny Stephens of Sundown; Bobby Gregory of Ft. Worth; La Don Messer of Lubbock; Mrs. Jimmy Baldwin and son of Lubbock and Mrs. B. K. Baldwin of Albuquerque, and the host and hostess.

### Basketball Games Have Good Attendance

The summer basketball program goes into its second month of play, with good attendance, and much enthusiasm being shown by the teams.

As of July 2, the standings are as follows:

Girls	W	L
Team 3	5	0
Team 5	2	3
Team 4	2	3
Team 2	2	3
Team 1	2	4

Boys	W	L
Team 2	5	1
Team 5	4	2
Team 4	3	3
Team 1	2	3
Team 3	1	5

### CHERYL FOSTER EMPLOYED AS DENTAL ASSISTANT

Cheryl Foster has been employed, through the summer months, as an assistant to Dr. C. Thomas Richardson, local dentist.

Cheryl, 17, is the daughter of Mr. and Mrs. Leon Foster.

### PARTY LINE

Mr. and Mrs. Wayne Rutherford left Wednesday afternoon for Sweetwater, Oklahoma, where they will visit his brothers, Glen and K. R. Rutherford. On the return trip, they will visit George Albin at Sayre, Oklahoma. Mr. Albin is Mrs. Rutherford's uncle.

Tony Haberer has ridden in five rodeos in the past two weeks. All are AJRA rodeos. He rode at Andrews, Crane, San Antonio, Ballinger and Big Springs; he placed in all five. He will ride at Ft. Sumner, N. M., this weekend.

Texas is 620 miles wide.

### Operation BIG Has FHA Support

"The Operation BIG Program has the full support of the Farmers Home Administration," was the statement made by L. J. Cappelman, State Director, of the FHA, at a recent meeting. He said, "The Farmers Home Administration has out over \$50,000,000 in loans to farmers in the 51 counties that make up the Operation BIG area. During fiscal 1963 the FHA has made over 3,000 loans to farmers in this area for a total of over \$15,000,000.

"For instance," Mr. Cappelman said, "about 950 farmers who use FHA credit are growing about 10,000 acres in cotton. About 82,000 acres will be fertilized and about 99,500 acres will be protected by the insect control program advocated by FHA. They have borrowed \$487,000 for fertilizer and \$610,000 for insecticides. About 630 of these farmers are growing 32,000 acres of grain sorghum. In order for 440 farmers to grow 14,000 acres of wheat, FHA loaned them \$67,000 for fertilizer. Over 900 farmers wanted to improve 26,000 acres of old pasture and plant 10,000 acres in coastal bermuda grass so FHA loaned them \$205,000

for fertilizer.

"Beef cattle is a growing farm enterprise in the Operation BIG area and 1,254 farmers with herds of 10 head or over already have 25,000 head. FHA has loaned some 540 farmers \$1,552,000 to buy 9,500 head of cows and 326 improved beef bulls."

Mr. Cappelman, in commenting on dairying in the 51 counties, said, "FHA is helping 371 dairymen with an average herd of 50 cows. The 1962 average production of these herds was 8,086 pounds of milk per cow." The 1962 estimated Texas state average milk production was 5,610 pounds per cow and this was the highest annual Texas state average on record.

THE FHA makes several different type loans such as Farm Ownership, Rural Housing, etc., where payments are distributed over a period of years; and Mr. Cappelman said, "The balance owed FHA on loans in the BIG area as of December 1962 was about \$35,000,000. In addition to the above, the FHA has loaned in 1963, \$1,740,000 to 107 farmers to either buy a family farm or enlarge their present small farm. Also 290 persons borrowed \$2,812,000 to build rural homes under the Rural Housing Program.

"Water Distribution Loans are making it possible for over 3,200 users to have good water," he said, "as there are 34 of these associations opera-

ting in this area and the FHA has loaned them \$3,649,000 so they could get this water. The associations have to meet the standards of the Texas Public Health Department."

This amount of money released in this area has helped the overall economy of each community, town, or county as these farmers use this money to pay school taxes, church dues, and spend it with the businessmen, merchants, etc., in this area. Reputable authorities have said that a dollar such as this would turn over an average of five to seven times before leaving a community. This means a 75 to 150 million dollar impact on this area.

Missouri and Tennessee each are bordered by eight other states.

After reigning fifty years, Queen Wilhelmina of the Netherlands abdicated on September 6, 1948; Juliana became queen.

### OUTDOOR IN TEXAS

By VERN SANFORD

If you are looking for a primitive fishing trip you don't have to go to the headwaters of the Amazon or to the Everglades of Florida.

Texas has an area, practically unexplored, where fish-

ing is fabulous and the scenery is unbelievably beautiful. Just head for Jefferson in East Texas, near the Louisiana boundary line.

There you have two choices—Big Cypress or Little Cypress.

Big Cypress is the river which flows down from the Ferrell's Bridge Dam. That's the dam that creates Lake-o'-Pines. It is a wonderful float trip from the dam into the town of Jefferson.

Out of Jefferson you can take to the big river, or you can put into the wooded Little Cypress and float through miles and miles of the most wonderful scenery you've ever seen.

A Seldom Visited Jungle

It is a jungle so seldom visited you won't even spot a bear can on an entire day's float.

Two outdoor writers from Austin—Russell Tinsley and L. A. Wilks—recently made this trip. At Jefferson they got Roy Butler, a native of the area, as a guide. The three spent the day in a virtual wilderness where they saw no other human beings.

For fishing they got a mixed crew. They hooked bass, both black and white. Also several species of bream, catfish and pike. Here you never know what is going to hit when you toss out your lure.

Jon Boat Transportation

Trip was made in a heavy, 20-foot jon boat. It was equipped with a fish well, two deck chairs, a 5-hp motor and two heavy oars. Butler sat in the back of the boat and pushed it slowly through the bayous.

Here the water runs almost fast enough to keep the boat moving without pushing it either with oars or motor. On this particular trip the motor wasn't used until the return to camp which was made upstream in the big river.

Some 100 years ago Jefferson was the largest water port in Texas with shipping facilities. Big boats came up the Red River from New Orleans in the Civil War days. Later a log jam, which acted as a natural dam to keep the water high, was blasted out by engineers.

Jefferson, then a thriving city of 40,000, became almost a ghost town for awhile. Today it boasts only about 4,000 population.

Butler was reared in the country around Jefferson. He says the wilderness area today is almost exactly as he knew it when a boy.

Dogwoods Abound

Banks of the bayou are filled with dogwood and other blooming trees. Bayous themselves are thick with huge cypress trees, with great cypress knees (roots) in the most grotesque shapes. Wild grapevines in some spots furnish an entanglement you have to cut your way through.

Floods and winds of centuries have knocked down huge

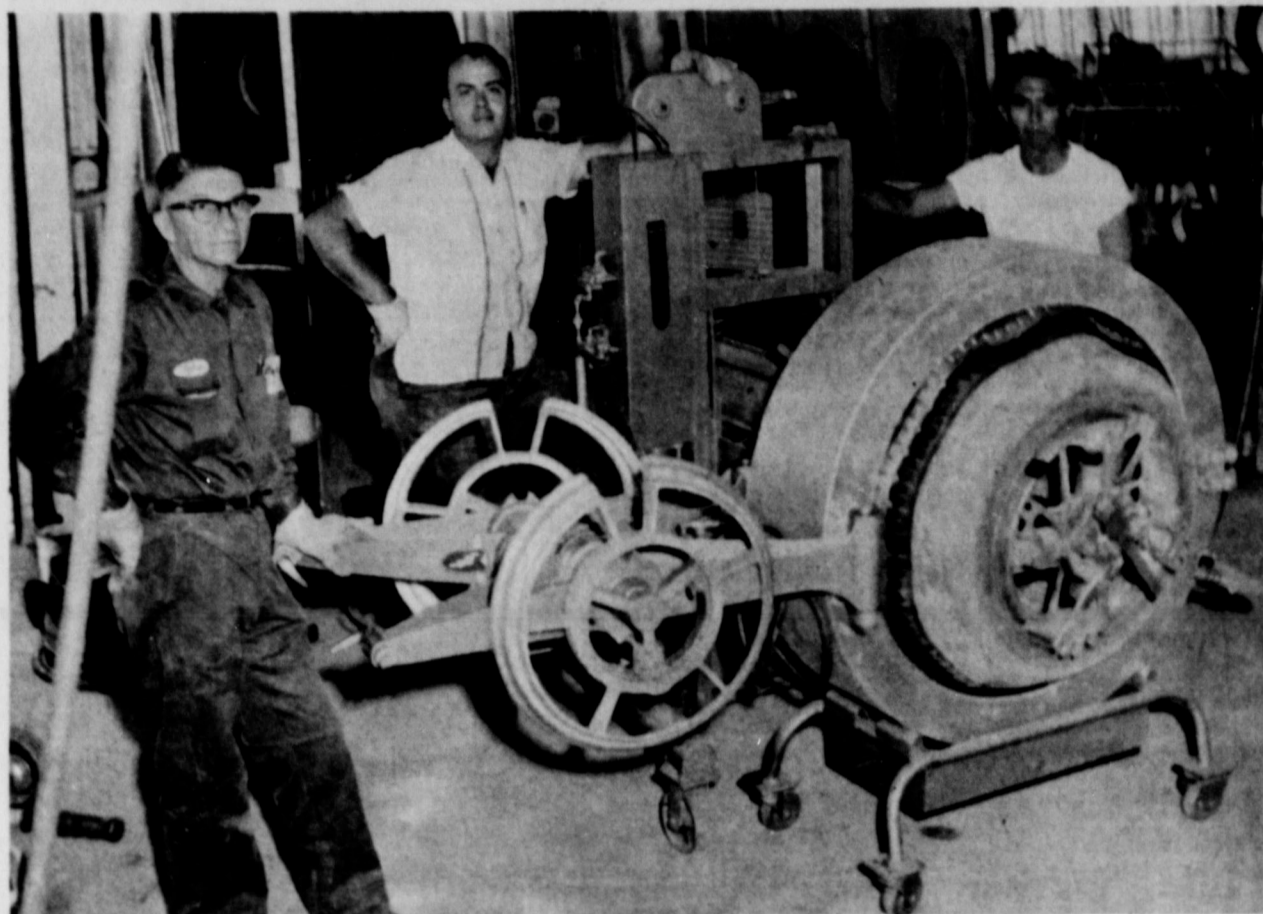

pine trees that stretch across the water. Debris lodged against these logs furnish places for wild flowers to

sprout and provide shade for the big bass that inhabit the waters.

Butler now has set up a

guide service. He has a half-dozen boats equipped to carry fishermen or sightseers through this strange land.

For an out-of-the-ordinary adventure—fishing or sightseeing—try Big Cypress or Little Cypress in East Texas.

ANNOUNCING A NEW BUSINESS TO TAKE CARE OF THE EARTH-SPRINGLAKE - LAZBUDDIE AREAS.

All Our Work is Fully Guaranteed.

We Specialize in Truck Tires From 825-20 through 1000-22.

One Day Service on Passenger Cars.

## Operation Sunflower Still Underway at Halfway

Sunflowers may be a new crop for the High Plains of Texas within the next three years. Research at the High Plains Research Foundation indicates that a profitable variety will soon be available for commercial production.

Seven hundred and twenty strains from seed selected in the breeding program in 1962 are growing at the Foundation farm at Halfway. These strains were planted on April 24 and many of them will be ready for harvest in early August. These plants have stood up under adverse weather conditions of wind, hail and hard rain. They are resistant to the ravages of the Sunflower Moth, which has been the scourge of sunflower development in the area in the past.

Scientists at the Foundation are seeking a plant with one head to the stalk; a bent or crook stem which makes it difficult for birds to feed on; and a seed yield from 3,000 to 4,000 pounds to the acre. Most of the desirable strains are 30 to 36 inches which makes them easy to combine. The sunflower plant has a low water requirement which is fine for this area.

The best sunflower strains have 25% protein and 30% high quality vegetable oil. Sunflower meal or flour contains about 50% protein, is unusually rich in calcium, an excellent source of thiamine or vitamin B1, and particularly outstanding in its supply of niacin. The meal is also highly digestible.

Barry Love, Assistant Agronomist in charge of sunflower research, is seeking a combine type variety with desirable chemical qualities. The market for sunflower seed is for human food, and as a protein feed for cattle, hogs, poultry and birds. It was used for food by the Indians before the white man came, and it is an important crop in Russia, South America and Canada. Sunflowers are subsidized in Canada as an oil seed.

Dr. Earl Collister, Director of the Foundation, who has conducted breeding work with sunflowers in Texas for fourteen years, stated that it offers great potential as another cash crop that can be grown in the diversified farming system on the High Plains.

## Stamps On Meat Assure Consumer Quality By State

The purple and red ink stamps placed on meat by federal, state, and municipal meat inspectors and graders are familiar to everyone but few know what the marks really mean. They are the seals of approval placed on meat as assurance of its quality and wholesomeness by meat inspecting and grading agencies in Texas.

A new publication of the Texas Agricultural Extension Service, L-585, "Meat Inspection and Grading in Texas" attempts to explain the history, purposes and methods of meat inspection and grading in the state. It tells of the early legislation which laid the foundation for meat inspection and grading, and explains the three levels of inspection in the state.

The publication points out that the bulk of the meat slaughtered in the country is examined by federal inspectors. This includes all meat transported in interstate commerce. However, meat that is not inspected by the Federal government does not necessarily reach the consumer's table without being examined. The Texas State Department of Health now has a meat inspection program in which 24 Texas meat plants participate. In addition some 12 cities have local ordinances requiring meat packers in their municipalities to inspect meat under the state rules and regulations.

A much smaller part of the meat slaughtered in the state is federally graded. But, since grade is a good standard to use in the selling of meat, the livestock industry relies heavily on grades in meat trading. In addition to federal grades, many packing plants sell meat with their own grade and brand name affixed to it.

Meat grading has changed many times to meet the demands of changing consumer desires and the latest adjustment is the dual grading system for beef offered to packing plants on a voluntary basis since last year. The system adds to the old quality grade the newly devised yield grade for beef carcasses.

The leaflet assures that Texas consumers may have confidence in the meat they buy inspected and graded under federal, state and local regulations. For a copy of L-585, see your county agent or write the Agricultural Information Office, College Station, Texas.

### TIPS FOR OUTDOORSMEN

#### Fish Cleaner

One of the fastest, safest and most convenient gadgets for cleaning bass and similar sized fish is the curved-bladed linoleum knife.

It has an excellent point for cutting purposes, very sharp on the inside (concave side) and its large handle makes for a firm grip and fast action. Price is very low, too.

#### Distress Signal

A simple distress signal that can be used by the lost-in-the-woods person—or lost anywhere outdoors for that matter—is the toy balloon.

Keep several brilliant colored ones in your knapsack or boat or tackle box, along with a roll of heavy nylon line and some strong string. A balloon attracts attention and helps point out the spot. In case it breaks away—attach a note telling of your approximate whereabouts and outlining your predicament, needs, etc., if possible.

#### Trout Temptors

Next time you're trout fishing and success seems to be nil, look for some live bait.

One angler achieved success by using insects caught in the radiator of his car.

#### Got A Tip?

This feature is written for you who hunt and fish, who boat and swim and ski, who like to camp out, picnic, skin-dive or enjoy one phase or another of the great outdoors in Texas.

Send in your Tips and share your ideas with others. Write TIPS FOR OUTDOORSMEN, c/o Texas Press Association, 1716 San Antonio St., Austin 1, Texas.

WONDERFUL SUNSHINE has worked miracles on many of the crops in this area. Crops that most folks thought could never pull through are looking better. This fine cotton crop is located northwest of Earth on the Kenneth Cowley farm.

Mrs. Johnie Haberer and Gary and Mrs. Jessie Cantrell spent Friday in Plainview shopping and visiting.

A spring in Marlin, Texas turns ordinary glass, when dipped into it, to a clear and permanent amber.

The George West, Texas, courthouse lawn holds a mounted Loughorn in a glass case. It is the last Loughorn steer of the great West herd.

## Flame Cultivation Research In Valley Eyed With Interest

A recent expansion of flame cultivation research in the lower Rio Grande Valley area has focused national attention to this area. Other row crops and vegetable growing areas throughout the United States are now looking to the Valley area with considerable interest and are in hope that the research being conducted here will enable them to reduce the labor costs in controlling weeds. Research in Flame Cultivation as a means of weed control was started at the High Plains Research Foundation in 1959 when a June hail caused cotton destruction and created a weed problem. Labor was not available for weed control and the research of weeds by flame research was started. Prior to 1959 weed control by flame had been tried in the Mississippi Delta.

With four years of constantly expanding research on various crops, the Foundation has been the main source of information on flame cultivation for many areas throughout the U.S. and several foreign countries including Australia, New Zealand, Colombia and Israel.

The High Plains Research Foundation is a private enterprise agricultural research foundation that receives support from farmers, businessmen and industry. The Foundation's 310 acre research farm is located at Halfway, Texas, 14 miles west of Plainview, in the High Plains of Texas.

vented growth and made research on these crops impossible. ## Springlake Lions Contest Winners Enjoy Dinner

The Lions and Lionesses of the Springlake club journeyed to Clovis, New Mexico, Thursday night to enjoy supper at the Holiday Inn. This was a supper that the losers in the membership contest honored the winners of the contest and the new members. Those attending had a choice of Mexican food or steak. Everyone expressed their appreciation to the losers for such a fine time and the good food.

Those going to Clovis were: Miss and Mrs. Willis White, Hilbert Wistan, Sport Byers, Elroy Wistan, Don Hatley, Bud Matlock, Bill Braden, J. J. Coker, Duane Jones, Ed Jones, On the C. Leavenger, Robert

Riley, John Bridges, Donnie Clayton, James Sanderson, Bill Clayton, Clifford Hopping, K. B. Parish and Billy Braden. The group enjoyed listening to a trio play and sing some of their favorite songs, before the food was served.

First Secretary of the U. S. Treasury, Alexander Hamilton, was the father of our financial system.

Francis Implement Co. Your Ford Dealer, Muleshoe, Texas. Pa. Adv.

### LEGAL NOTICE

#### NOTICE TO BIDDERS

### LEGAL NOTICES

#### NOTICE TO BIDDERS

Scaled proposals addressed to Mr. M. W. Messer, Mayor of Earth, Texas, will be received at the office of the City Secretary until 7:00 p. m., July 18, 1963 for furnishing all necessary materials, machinery, equipment, superintendence and labor for constructing certain street improvements, for the City of Earth, Owner, of Earth, Texas.

Bidders must submit Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Bidder's Bond from a reliable Surety Company, payable without recourse to the order of the City of Earth, in an amount of not less than five (5%) per cent of the largest possible bid submitted as a guaranty that the Bidder will enter into a contract and execute bond and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without required check or proposal bond will not be considered.

The successful Bidder must furnish performance bond on the attached form - the amount of 100 per cent of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the Owner.

All lump sum and unit prices must be stated in both script and figures. The OWNER reserves the right to reject any and all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the prices in the bids the OWNER reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable or "unbalanced" unit prices will authorize the Owner to reject any bid.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions.

Instructions to Bidders, proposal forms, specifications, and plans are on file at the office of the City Secretary, City Hall, Earth, Texas.

Copies may be secured from the above upon payment of five (\$5.00) dollars, which is not subject to refund.

By BETTY MATLOCK

Mr. and Mrs. Bill Matlock, Hoby and Jeff, and Mr. and Mrs. Charles Hedrick, Brian and Brent, enjoyed a day of outing at the Clovis Park Sunday.

Mrs. Dorothy Washington, and family visited in Muleshoe with her sisters, Friday.

Mrs. Dot Parish, Mrs. Jean Byers, Mrs. Eva Hopping, and Mrs. Robbie Parish of Earth met Mrs. Carolyn Gibson in Clovis, and had lunch with her, Thursday.

Miss Debbie Matlock spent Thursday night with her grandparents, Mr. and Mrs. J. C. Matlock.

Mrs. Dorothy Matlock, Hoby and Jeff were in Littlefield, Friday afternoon.

Mrs. Jimmy Coleman and family, Dimmitt, visited Saturday with her mother, Mrs. Ilo Sanders. She went home with them and the Coleman's brought her back that night.

Mr. and Mrs. Lloyd Payne of Lubbock visited Saturday night with Mr. and Mrs. Wayne Davis, Del and Tammy, Mrs. Davis and children went home with them and then Wayne joined the family Sunday.

Brent, Jeffery and Cretia Washington were ill last week with a virus.

Mr. and Mrs. Robert Bridge, Terry, Janis, and Mark visited Sunday with Mr. and Mrs. Joe Bridge and Bailey Bridge of Lubbock.

Mr. and Mrs. Sport Byers and boys, Mr. and Mrs. K. B. Parish and boys, Mr. and Mrs. Fred Smith and family, Mr. and Mrs. J. B. James and family and Mr. and Mrs. Clifford Hopping and family enjoyed an outing at Almagordo Lake Sunday.

Mr. and Mrs. Bud Matlock, Sammie and Debbie visited Sunday night with Mr. and Mrs. Don Hatley, Kerry, Scarlet, Shannon and Donna of Littlefield.

Mr. and Mrs. Tommy Alair, Nancy, Jimmy, Johnny and Eddie left Saturday on a vacation to places of interest in Texas.

Mr. and Mrs. James Washington and Jamie were among the viewers at the Bar None Rodeo at Plainview Saturday night.

Also attending the Bar None Rodeo at Plainview Saturday night were Mr. and Mrs. Leslie Watson, Merle Johnson and Mary Ann McAnally.

Mr. and Mrs. Buck Turner of Lamar, Colorado visited Sunday night with his sister and family, Mr. and Mrs. Stump Washington.

Mr. and Mrs. J. B. James left Thursday night for Farmersville, where they attended the funeral of his aunt, Mrs. Dee James, Friday morning.

Mrs. Marie Bibby, Mrs. Lavern Fennell, Rex and Lexie of Earth, and Mrs. Betty Parish took the Junior G. A.'s to Lubbock Tuesday for an outing at the park. Also they enjoyed touring Buckner's Girls Home.

Enjoying the day were: Jenna and Jimma Banks, Susan Parish, Kathy Bibby, Nadine Jarsh, Janis Bridge and Kathy and Donna Anderson.

Mr. and Mrs. Doug Avery brought Pam and Diane Avery up to the home of Mr. and Mrs. Bill Matlock to stay until Wednesday night. Then they came after them and remained for supper.

Mrs. Alice Huckabee and Mrs. A. R. Stewart attended the W. M. U. Retreat at the Plains Baptist Assembly camp ground near Floydada, Thursday through Friday.

Mr. and Mrs. A. T. Stewart of Lubbock spent Sunday with their son and family, Rev. and Mrs. A. R. Stewart.

Mrs. J. B. James, Renay and Linda and Mrs. J. C. Matlock, were in Lubbock Monday.

ALREADY IRRIGATING... the grain crops, and only a week or ten days ago, most area folks thought they'd never need to irrigate again, following the terrible recent rainy season. This grain field is on the Kenneth Cowley farm, northwest of Earth.

where Linda and Mrs. Matlock had doctor's appointments.

Mrs. A. R. Stewart took the Intermediate G. A.'s to Lubbock Tuesday. They enjoyed playing miniature golf and then they ate lunch at Furr's Cafeteria. Those going were Dalpha Banks, Cynthia Busby, Carolyn Hucks, Rebecca and Jacqueline Parish and Nancy Alair.

Mr. and Mrs. Jimmy Banks and family entertained in their home Tuesday night with a fish fry. Those present were Mr. and Mrs. James Washington and family, Mr. and Mrs. Stump Washington and family, Mr. and Mrs. Jerry Barden and family, Mr. and Mrs. Bill Perkins and family, Mr. and Mrs. Sam Barden and family and Mr. and Mrs. Earl Parish.

Rev. and Mrs. A. R. Stewart and boys left Tuesday for Dallas, where they will attend

## Party Line

Mrs. Houston Stephens returned recently from a two week's visit in Santa Rosa, California, where she visited Mr. and Mrs. Ray Benson and family. Mrs. Benson is the Stephens' daughter.

Mr. and Mrs. Jimmy Baldwin and son of Lubbock returned home Sunday, following a week's visit with their parents, Mr. and Mrs. M. B. Baldwin and Mr. and Mrs. Price Hamilton. They accompanied the Hamilton's to Shamrock for three days visit with Mr. Hamilton's father.

Mrs. B. K. Baldwin, A'Dana and Sid West of Albuquerque, New Mexico spent last week visiting Bro. and Mrs. M. B. Baldwin.

Leon Foster and son, David left Wednesday for Martha, Oklahoma, where they will visit his mother. They plan to return home Saturday.

Mr. and Mrs. Leon Foster and David spent Sunday in Lubbock visiting Mr. and Mrs. Hobart Howard, Mrs. Howard is Mrs. Foster's sister.

Mr. and Mrs. Bill Morris and son, and Ralph Wisian spent the weekend in Ruidoso.

the Evangelistic Conference this week.

## SOL-U-PHOS. LIQUID FERTILIZER

"The SOLUTION For Your Fertilizer Problem"

Side dressing with SOL-U-PHOS Liquid Fertilizer will give your crops the plant nutrients needed now—at "Dinner Time"—and will carry them on to a fruitful harvest. By side dressing with SOL-U-PHOS, which is a chemical combination of plant nutrients forming a neutral SOLUTION, insures balanced fertility for your crops. Now, when your crop has gotten to the point that you are making your money, increase your crop yield and maintain a high fertility by side dressing with SOL-U-PHOS Liquid Fertilizer.

Everywhere you look more farmers are going "modern"—They are switching to SOL-U-PHOS Liquid Fertilizer . . . Why? The meter pictured above makes sure that your dealer—Lovington Storage delivers to you the exact gallonage of SOL-U-PHOS. Then by use of pumps the handling of SOL-U-PHOS is a "filling station" type of operation. There is no heavy lifting, you get the correct analysis of plant nutrients without having to buy unwanted quantities of other nutrients. SOL-U-PHOS doesn't require you to have a field full of farm labor to get the job done. One man can easily side dress and cultivate 50 acres or more per day and you pay only for the plant nutrients delivered by your dealer. That's why we say—

Go modern... See the man who Sells

## F-M Roads In Lamb, Hockley To Be Widened

A contract for 26.61 miles of construction on FM 168 in Lamb County has been awarded to a Lubbock firm, it was announced in Austin this week by the State Highway Commission.

Henry L. Stafford submitted the low bid of \$669,555.00 on the project. Reconstruct and widen base, structures, two course surface treatment from Lamb County line, south to U. S. 84 at Anton.

It is expected to take 280 working days, according to O. L. Crain, District Highway Engineer at Lubbock.

H. E. Deshazo, Resident Engineer at Lubbock will be in active charge of the project, while it is under construction. A total of \$1,250,000.00 for construction of new Farm to Market Road mileage was approved by the State Highway Commission for use in District Five as part of the 24.1 million 1963 FM Road Program, announced District Engineer Oscar Crain of Lubbock.

The District Engineer said 80.3 miles in District Five will be involved. This includes Castro, Floyd, Gaines, Garza, Hale, Hockley, Lamb, Lubbock, Swisher and Terry Counties.

The work authorized for this district is a part of the 1,060 miles of Farm to Market construction program set up by the Highway Commission this year toward completion of the State's Farm to Market Highway System.

## May Rural Wrecks

### Total Two For Lamb County

The Highway Patrol investigated two rural accidents in Lamb County during the month of May, according to Sergeant D. S. Lawson, Patrol Supervisor of this area.

These wrecks accounted for two persons injured and an estimated property damage in the amount of \$1,950.00.

The rural accident summary of Lamb County from January through May of 1963 shows a total of 36 crashes resulting in four persons killed, 33 persons injured and an estimated property damage of \$31,494.

It might well be said that many of our so called good citizens in their thinking do not associate good citizenship in a democracy with safety. The Patrol Supervisor reminds us that these two are so closely related that they cannot be separated. The word safety, as we understand it, implies everything that is good for the citizen. And citizenship also stands for everything that is good. If a person lays claim to being a good citizen, yet is careless in traffic, or disregards simple traffic rules and regulations, then he cannot be considered a good citizen.

What we must learn to accept and to face is that we cannot be good citizens if we do not practice the principles of good citizenship in every area of our lives. If we con-

## Loan Rates For '63 Cotton Set

The United States Department of Agriculture has announced the premiums and discounts for cotton qualities eligible for the 1963 Government loan, according to W. K. Palmer, Lubbock Cotton Classing Office.

To be eligible for the 1963 loan cotton must be classed by one of the Agricultural Marketing Service's cotton classing offices.

Mr. Palmer stated that the basic Middling 1 inch remained at 32.39 for the immediate Lubbock area. Most other qualities are 25 cents to 2 dollars per bale lower. This difference was brought about by the widening of prices paid for cotton purchased during the 1962 season.

The new loan rates for some of the predominate grades and staple lengths as compared to the 1962 loan rates are as follows: Strict Middling 15/16, 31.54-31.59; Middling 15/16, 31.14 - 31.14; Strict Low Middling 15/16, 29.74 - 29.94; Strict Middling Light Spotted 15/16, 30.54-30.59; Middling Light Spotted 15/16, 29.79 to 29.94; and Strict Low Middling Light Spotted 15/16, 28.54 to 28.94.

Anyone desiring additional information on the 1963 loan rates should contact the Lubbock Cotton Classing Office.

ine to disregard and break traffic laws and continue to behave in a careless manner in traffic, then certainly we are not good citizens in the true sense of the word, even though we apparently are living within the letter of every other law. Good behavior in traffic—good behavior in our contacts with other citizens; strict regard for all laws, traffic laws included, these are some of the qualities expected in the good citizen of today. And, to be sure, if he has the interest of his country, he will practice safety along with good citizenship, the officer concluded.

## Kenneth Clark Assigned Duty In ATS Unit

Technical Sergeant Kenneth A. Clark of Belsano, Pa., has arrived at Hickam AFB, Hawaii for assignment with a Military Air Transport Service unit.

Sergeant Clark, an aircraft mechanic, previously was assigned to Lockbourne AFB Ohio. The sergeant, son of John E. Clark of Belsano, is a graduate of Blacklick Township High School, Twin Rocks, Pennsylvania.

His wife, Bertha, is the daughter of Roscoe V. Wilson of 310 E. Elm Ave., Muleshoe, Texas.

COUNTY ROADS in the Earth area are in fairly poor condition, following the frequent hard down pours in the past few weeks. This road bed was washed out, caliche has been hauled in to improve passage. However, more work is needed here, and elsewhere over the area.

South Texans who want to fish or to play have a wonderful choice of locale.

They can divide their time between salt and fresh water angling.

South of San Antonio and only a short distance north of Corpus Christi is a wonderful lake for fishing or water sports. It is known both as Lake Corpus Christi and Lake Mathis. It's located between Highway 77 and Highway 9, just outside the city limits of Mathis.

This lake is comparatively new, having been built within the last decade for flood control and as a source of municipal water for Corpus Christi. With a shoreline of some

200 miles, extending for nearly 50 miles up the Nueces River, it ranks close to tops in size for Texas inland lakes.

Lake Mathis is fed from the upper Nueces and its tributaries. It was stocked with bass, both blacks and whites. Today it is one of the so-called "hot" lakes in a state where there are many.

But there is more to Lake Mathis. It is a beautiful lake, where nature has been lavish in her decor.

The Lake is completely surrounded by a tremendous variety of vegetation. Most of it stays green throughout the year. It is particularly impressive in the early spring when Yucca blooms in profusion,

blue bonnets dot the hillsides and yellow flowers are so abundant you can't keep from thinking of the toothpaste commercial.

One of the better state parks of the state is located alongside the lake, with fine concessions and abundant space. There are many spots where you can pitch camp or park your trailer. Also there are ample boat launching ramps around the lake and several nice boat barns and boat houses.

In the general vicinity of the state park there is a vast area of open water, ideal for water sports.

Back in the hundreds of small covers that dot the shoreline is wonderful cover for bass, bream and catfish.

This makes it an ideal lake for all of those game species.

Mathis isn't a constant-level lake. At certain times of the year, when there has been little rain on the upper reaches of the Nueces, the level goes down. While this is inconvenient to property owners around the lake, it does provide additional food sources for fish.

When the lake goes down, vegetation moves in. Then when the lake refills this vegetation becomes food for the fishes and the brush that has grown up provides additional

shelters. This brush also is one of the big tackle hazards. But any good fisherman will tell you that if you put it where the fish are you gamble on losing a lure . . . and landing a lunker.

At the present there is considerable development going on around the lake. Much of it is by people who live in San Antonio or Corpus Christi. The lake is only a short drive from both cities and provides an ideal location for a leisure home or a vacation sport.

The Game and Fish Commission keeps a close watch over the waters of Lake Mathis. Constant checks are being made of the growth of fish and the eradication of rough fish. Some intensive experimental work has gone on there, in an effort to keep down the rough fish population.

So if you want a place to fish, ski, have a general good time, watch the birds or just drive around, take a little week-end trip to Mathis.

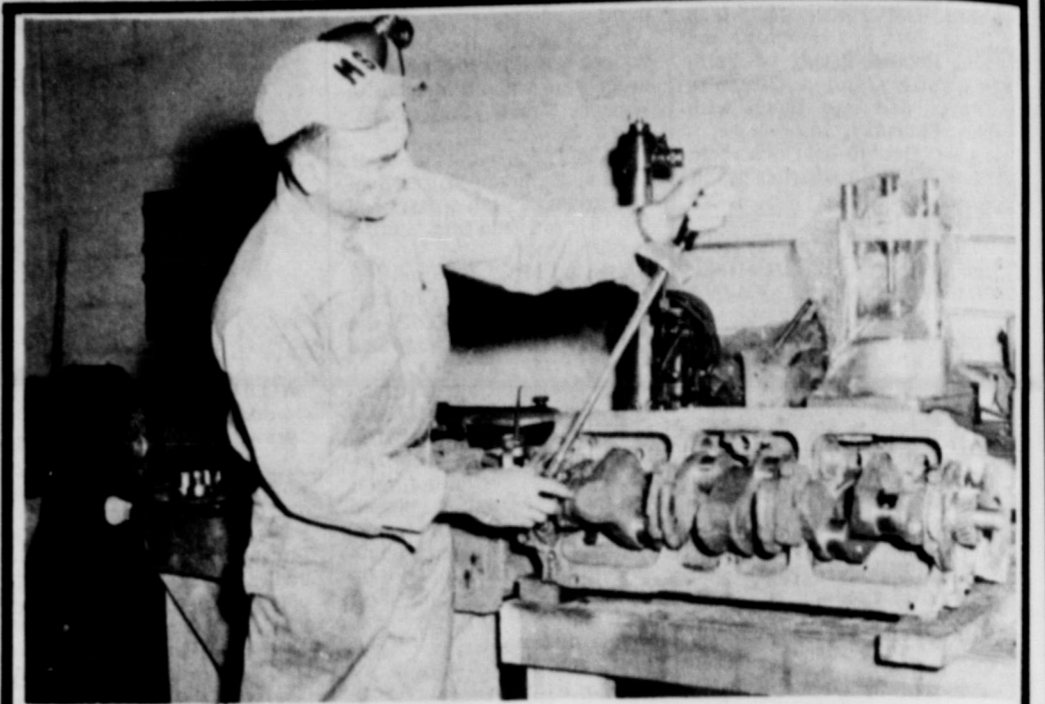

You can get a list of available motels from the Mathis

Chamber of Commerce. It's a trip you'll enjoy.

Mr. and Mrs. Forrest Simmons were in Lubbock Friday, for a medical check up. While in Lubbock, they visited with Earl Moore.

Honolulu, capital of the Hawaiian Islands, is located on the island of Oahu.

# Growing With Better Farming

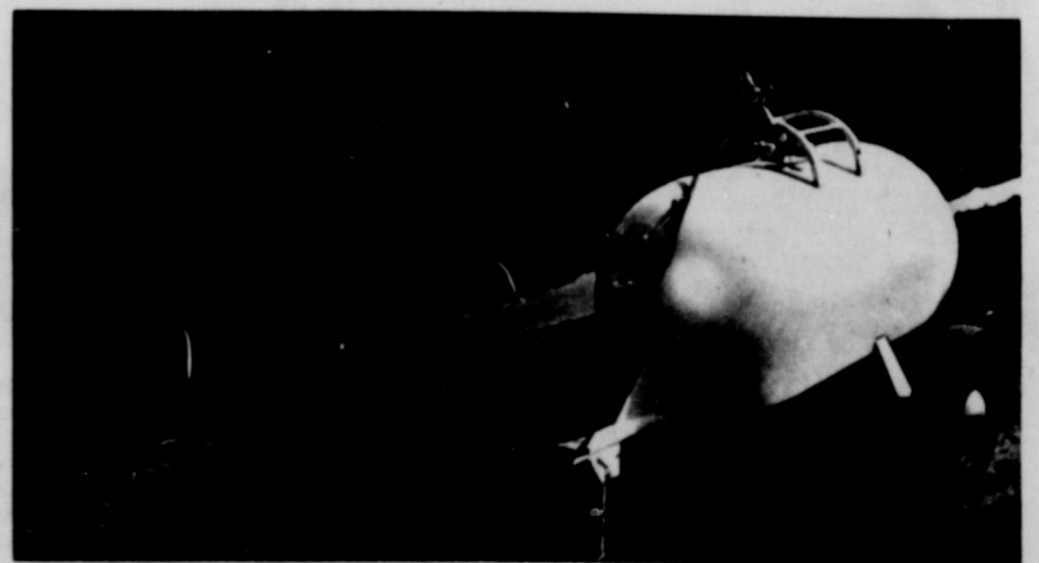

Thousands of farmers are realizing that the wise and timely application of Phillips 66 Agricultural Ammonia is a money-making practice. Here are some of the many benefits of Phillips 66 Agricultural Ammonia in your balanced fertilizer program:

- Increases profits . . . lowers unit costs
- Permits resting of permanent pastures
- Provides high protein content in forage
- Increases carrying capacity
- Extends grazing periods
- Increases seed production yields

Phillips 66 Agricultural Ammonia gives consistently high forage yields on fall seeded small grain, pastures and seed grasses when moisture and other plant foods are favorable.

An acre of small grain or improved pasture can be made to produce as much beef or dairy products as an acre of most any other crop. But this high protein, meat and milk producing forage requires plenty of nitrogen. Phillips 66 Agricultural Ammonia replaces nitrogen removed from the soil by harvest and grazing. And this high nitrogen fertilizer (82%) helps your pastures and small grains get the full benefit of other essential elements in the soil.

Mr. and Mrs. Carl Bradley visited with Mr. and Mrs. Charles Hall Jones of Olton Tuesday night.

day night.

The Associational Brotherhood met at the church Tuesday night with 56 present. Rev. J. L. Bass, Dwight Sherrif and Carl Davis all of Farwell were the speakers for the program. The Brotherhood served supper to the group. Eleven of our men helped with the meal.

The WMS Missionary Round Table met at the home of Mrs. Earl Phelan Wednesday afternoon. Humorous situations, religions of the people, and false impressions erased were discussed on each of the books present. The books reviewed were "Flamingo Feather," "Bridge to the Sun," "The Treasure One" and "O'Rugged Land of Gold."

The WMS met for a Program Emphasis Wednesday night. Mrs. M. D. Durham and Mrs. L. B. Bowden brought articles from the Commission and Home Mission magazines.

The Reviewing Council met Wednesday night and Bobby Jan Blackburn passed the Princess Step and Juanelle Conrad passed the step to be a Queen.

The Coronation Service will be Sunday night, July 7th. Mr. and Mrs. Lonnie Wallis of Weatherford visited Thursday and spent Thursday night with Mr. and Mrs. Larry Don Phelan, Danny Ray Wallis, and Mr. and Mrs. Earl Phelan. They are Mrs. Larry Don Phelan's parents. Danny Ray went home with them Friday morning.

A wedding shower honoring Mr. and Mrs. Larry Don Phelan was given at the Community Building Thursday night with both men and women attending. Hostesses for the occasion were Mrs. Charles Hedrick, Hershel Wilson, Robert Paschal, J. C. Holbrooks, Eddie Owsley of Dimmitt, Weldon Bradley, Ed Townsend, Billy Cooper, Woodrow Stewart and J. Paul Waggoner. Mrs. Phillip Jones, Mrs. Noah Spencer and Mrs. Ila Haydon were unable to attend. A large group attended.

Jimmy Waggoner was admitted to the Castro County Hospital in Dimmitt Thursday with what was believed to be an attack of appendicitis. He

was dismissed.

Mr. and Mrs. Frank Burroughs and children of San Diego, California, visited Thursday and spent Thursday night with Mr. and Mrs. James Powell and Cheryl Lynn and Mr. and Mrs. Ezell Sadler. They were on their way to Norfolk, Virginia where he will be stationed. He and Mr. Powell are Navy buddies.

The WMU Executive Committee met at the church Thursday afternoon for their quarterly meeting. The monthly business meeting was held following the Executive meeting. The president, Mrs. Roy Phelan was in charge of the meetings. Mrs. Raymond Lilley also conducted the Beginner Sunbeam meeting.

Mr. and Mrs. Jim Hargroves from Garland, Texas spent Monday night and visited Tuesday with Mr. and Mrs. R. V. Bills and Larry Don. Mrs. Hargroves is Mr. Bills' sister. Mrs. James Powell was dismissed from the Littlefield Hospital Friday morning. She will stay a few days with the Ezell Sadlers.

Howard Bridges went to Weatherford Saturday to drive Mrs. Bridges home. She has completed this series of treatments.

Mr. and Mrs. R. C. Morrow of Littlefield visited Saturday afternoon with Mr. and Mrs. John Spencer.

Winston Waggoner left Saturday for Lubbock where he will travel with his group to Fort Hood, Sunday, for his two week Reserve Training. Mrs. Waggoner will go with relatives to Colorado Springs Monday, to visit with an aunt there while he is gone.

Lee Bradley spent Friday night in Plainview with Mr. and Mrs. Bill Bailey and boys.

Mr. and Mrs. Prentice and family of Odessa visited Friday and Saturday with Mr. and Mrs. O. A. Oldham. Thomas stayed to visit a few days with Eugene and Kenneth.

Mr. and Mrs. Robert Paschal, Janie and Keith left Saturday to spend the weekend at the Paschal reunion in Winters, Mr. and Mrs. Weldon Bradley, Molly and Lee and Mr. and Mrs. O. A. Oldham attended

the housewarming in Dimmitt, Saturday night, for Mr. and Mrs. Melvin Summers and family. Mrs. Oldham was one of the hostesses.

Mr. and Mrs. Hollis Bills and family from Wichita Falls visited Sunday and spent Sunday night with his brother, Mr. and Mrs. R. V. Bills and Larry Don. They also attended the morning worship services with them. They all had supper Sunday night with Mr. and Mrs. Floyd Bills of Earth.

Mr. and Mrs. Raymond Lewis and family, and Mrs. T. D. Lewis of Olton were Sunday dinner guests of Mr. and Mrs. Raymond Lilley.

Mr. and Mrs. Charles Hedrick and children and Mr. and Mrs. Bill Matlock and children enjoyed a picnic lunch at the Clovis Park Sunday.

Some dishes were left in the Bridges and Bradley homes recently, which do not have names on them. If you took food to these homes, you may pick up your dishes at the store, or the Bradley home. Mrs. E. L. Cochran of Farwell visited Monday afternoon with

Rev. and Mrs. M. D. Durham and Marvalynne.

Mr. and Mrs. Ernest Sandel of Dimmitt were supper guests of Rev. and Mrs. M. D. Durham and Marvalynne Saturday night.

Seventy-seven attended Sunday School with 38 in Training Union Sunday. Mr. and Mrs. Clinton Kennedy and daughter of Muleshoe were visitors in the evening service. Mr. Kennedy showed slides and spoke on the New Life Movement in Japan recently. He was one of the three laymen from the First Baptist Church, in Muleshoe, who participated in the Crusade.

The Deacons of the church met for their regular monthly meeting after the Sunday evening services. They re-scheduled their meetings for Sunday afternoons, instead of Monday nights, for the future.

Mr. and Mrs. Harold Britton and family spent Sunday at Buffalo Lake.

Francis Implement Co., Muleshoe, Texas, Pd. Adv. Your Ford Tractor Dealer

**STRENGTH FOR THESE DAYS**

from The Bible

Thy faith hath made thee whole.—(Luke 18:42).

To express our true faith in God we should pray definitely and purposefully for healing. That is the way we receive answers to our prayers.

**New Process!!!**  
Photographic prints or enlargements in 5 to 15 SECONDS
