

# The Earth News Sun

## For The People

The regular city council meeting was held Monday night, discussed were the new trash pickup to go into effect by the 15th. The placement of the containers will begin immediately although they all will not be in service until the 15th. This means the city will empty the trash barrels once more, at that time they will turn the barrel upside down to discourage their use. There will be no burning of trash, no tires, or rocks will be allowed in the dumpsters. Brush will be allowed but only on the day of pickup if the dumpsters are not full. Grass clippings are to be dried before disposal to prevent mold in the dumpsters. Trash collectors are not allowed to empty barrels over a 30 gallon capacity. There is to be no increase in the trash charge for this service.

Also on the agenda was the purchase of a heater for the jail.

Those present were Glenn Bulls, Raiford Daniel, Bill Freeman, Jerry Been and Noel Pittman.

## School Board Meets

The Springlake-Earth Board of Trustees will meet Monday, November 14 at 4:00 p.m. in the school cafeteria to consider the following agenda:

1. Approval of Minutes
2. Consider bids on school building and improvements
3. Approval of bills
4. Enrollment
5. Awards bids on purchase of Vo-Ag pickup
6. Appointment of text book committee.
7. Review school furniture needs
8. Develop policy covering procedure for waiving student fees or deposits.
9. School maintenance program
10. Evaluation and employment of personnel
11. Adjournment

STUDENTS OF THE week are Frank DeLeon and Nancy Ontiveras.

## "Senior Adult"

The First Baptist Church of Earth honored Mrs. Alice Martin this past Sunday as its "Senior Adult of the Week". Mrs. Martin became a Christian in 1911 while living in Quanah, Texas. She and her husband joined the First Baptist Church of Earth in the fall of 1955. She served in the primary department of the Sunday School organization for three years. Her favorite Scripture verses are John 3:16

FIREMEN BATTLE blaze in effort to save cotton bales in a fire at Barton Brothers Gin Saturday night. Several bales were destroyed but the amount of loss was unknown.

## Band Prepares For Concert Season

With the end of football season fast approaching, members of the Springlake-Earth High School "Pride of the Wolverines" Marching Band is now moving inside for the coming concert season. Plans are now underway to bring a Christmas concert to our faithful and enthusiastic supporters sometime in December. The concert will feature all bands and will culminate with the crowning of the 1977-78 Band Sweetheart.

Band members enjoyed their trip to Lubbock last Saturday, where they participated in the Texas Tech Homecoming Parade in the morning and attended the Texas Tech-TCU game in the afternoon. The "Pride of the Wolverines" Marching Band was the first high school band behind the Texas Tech Band.

## Fry And Cox

### Hold Grand Opening

Fry & Cox will be holding the grand opening of their new building, November 14-19. Prizes will be given away during grand opening week.

They have been in business in Muleshoe since 1921, when T.B. Fry started the business in a 1,000 sq. ft. building. The business has grown through good service and quality merchandise, to necessitate the construction of a new building to accommodate their growing demand for more space. The new building is located at 401 S. 1st Street and has 27,875 Square Feet.

Mr. Ed Cox, manager would like to extend a cordial invitation for everyone to come and see the new building and get acquainted.

56 YEARS AGO Fry and Cox started business in this building.

## Shawndi Geissler Winner

In a 2 way tie this week in the football contest with the tie breaker making the decision, 1st place went to Shawndi Geissler and 2nd to Edna Sanders each having nine games correct.

There was also a 4 way tie for 3rd place, so the tie break was again used to make Larry Price third place winner with 8 games correct.

Others having eight games correct were Loyd Hood, William Holland Jr. and Tom Sanders.

Having seven games correct were Mike West, Bobby Angeley, Kevin Anderson, Vickie Kelley, Mike Eubanks, and Allen Moore.

Those with 6 correct were Lexie Fennell, James Hanson, and Doug Jones.

Cliff Sanders had 5 correct games.

Edna Sanders still holds the lead in the overall contest with 72 games correct. Close behind are James Hanson and Mike Eubanks both with 65

Due to an error we made, the Baylor-Arkansas game could not be counted.

## Witches And Goblins

Witches and Goblins knocked on the doors of Springlake residents on Halloween night and collected \$243.77. Many children and their mothers helped with this worthwhile effort.

"If you knew what we know about Cystic Fibrosis, you'd do anything to help" was the slogan for the 1977 Breath of Life Campaign. Millions of American children know what it's like to live with a life-threatening disease. They struggle for breath everyday and hope that research and improved medical care will continue to extend their lives.

Through the humanitarian efforts of volunteers, contributions and the news media, we may one day realize a future in which children no longer suffer from Cystic Fibrosis or any other lung damaging disease. When that day comes the people of Springlake will have helped to make this possible.

Mrs. Mary Washington, Springlake Chairman of the Cystic Fibrosis Foundation, wishes to thank all the "witches and goblins" and their mothers for their participation in this drive.

## PTA Meeting

Wildring S. Edwards (Mrs. Bryan Edwards) will be guest speaker for the first Springlake-Earth PTA meeting Monday night, November 14, 1977, at 7:00 p.m. in the Springlake-Earth School Cafeteria.

Mrs. Edwards will present a program on family relations. She has written articles published in the Journal of Home Economics and What's New in Home Economics.

She has been awarded many honors such as Who's Who in American Women and Personalities of the South.

The PTA of Springlake-Earth is honored in having Mrs. Edwards for our program. The officers of PTA invite you and all of your friends and neighbors to the S-E cafeteria for this our first PTA meeting for the 1977-1978 year.

A playroom will be provided for all children and a nursery for the younger ones. Refreshments will be served following the program.

## Clayton For Constituents

If you can't bring the people to the government take the government to the people, is the philosophy State Rep. Bill Clayton is using for his District 74 constituents.

Clayton is establishing a district office for the sprawling seven county legislative area which he serves. But, in an effort to bring the helping hand of government as close to home as possible, the office will not be in a fixed position.

Driving a converted van, Clayton and his district assistant, Bill Sarpalius, will make regular stops at convenient downtown locations in each of the towns in the district.

Because his duties as Speaker of the House require a part of his time to be spent at the Capitol in Austin, Sarpalius will do the traveling alone when Clayton is away.

"Since I became Speaker in 1975 and had to stretch my time, I have felt that something was needed so that people in the district could have contact with my office other than by telephone or when I had a chance to visit.

"The mobile office will solve that problem by giving people in the district towns the chance to stop by and visit on a regular basis. We will be coming to answer questions and want to be helpful in solving problems involving state government," Clayton said.

The van, a 1971 Dodge, has been modified as a traveling office. Painted signs on the sides and front make it instantly recognizable.

Citizens can also contact Clayton's office by telephone. The Austin number is 512-475-3311 and the number in Hereford is 806-364-7041.

Before taking the position with Rep. Clayton, Sarpalius taught vocational agriculture and operated the dairy at Boys Ranch. He and his wife, Donna, and four-year-old son David reside in Hereford.

The mobile office is a rarity among Texas legislators. The circulating office will be the first and only such office to service a state representative's entire legislative district.

They will be in Sudan December 22 from 1:30 to 4:00 p.m.

EARTHS VETERANS Were honored last week at a dinner sponsored by the Senior Citizens.

### Senior Citizens Meet

The Earth Senior Citizens met at noon for their regular meeting. Mr. Taylor returned "thanks" for our delicious meal. We sang "Happy Birthday" to Mr. Fanning and led in the Pledge of Allegiance to the Flag. After our meal Mr. Fanning introduced our guest speaker for the day who was Mr. Nevill Manning, an attorney from Littlefield who spoke on "What America and

Patriotism Means to Me." We enjoyed his comments very much. We then recognized our veterans. They told their names and where they served. We had 12 veterans present. Mr. Fanning read an article by Albert Smutzer, "To Give Thanks to God." Those attending were Nevill Manning, Edd Hoby, Melvin Parish, Elsie Hawkins, Art Haberer, Houlah Danforth, Carra Morgan, Ray and Lena

Taylor, Bigan and Marie McCrel, Adria Welch, Lupe Garcia, Lena Grace Griffin, Mary Butler, Florence Gover, Gladys Shiry, Mrs. R.C. Hyde, Goodwin, Marie Ross, Zou Wilson, Ruby Hodge, Mr. and Mrs. Ruel Fanning, Naomi Burgess, Judith Jones, Velma Jones, Bill Morris, Billy Hodge, W.C. Maxey, Earl E. Walker, Chester Kelley, Lilla Wuerflein, Eldon Parish, and Bossie Conley.

### Shower Honors Bride-Elect

A bridal shower honoring Christy Barlow was held November 5 at the Fellowship Hall of the First Baptist Church. The serving table was covered in white lace. The centerpiece was large white wedding bells sitting on a base of purple and violet and pink flowers, complimented by a small bride and groom. Serving cookies and punch were Miss Jaton Scheller from Muleshoe and Mrs. Tommy

Clayton from Springlake. Registering guests was Miss Kelly Jo Wheatley. Hostesses were Jerri Wheatley, Eleanor Haberer, Elaine Herring, Debbie Lively, Mary Pyle, Joy Runyon, LaJuana O'Hair, Beth Kelley, Jean Haberer,

Robbie Parish, Lavelle Clayton, Tommie Bills, Naomi. Others were Helen Huley, Ann Kelley, Edna Robust, Pat Jordan, Fern Beck, Evelyn Bridges, Everal Winders, Cecelia Goodwin, Paulette Gardner, and Marie Slover.

### School Agenda

Thursday November 10, there will be a JV football game against Farwell here. The Varsity football team play against Farwell there Friday. The Pep Rally is at 3:30.

Next week is trimester tests on the 16 and 17th. Tests periods 2, 4, 6 on Wednesday and periods 1, 3, 5, 7 on Thursday. We will have in class exemptions including English. Student Holiday on the 18th.

### Notice

There will be a bridal shower honoring Cindy Dent, bride-elect of John Cleavinger, Saturday, November 12 in the Fellowship Hall of the Earth Church of Christ.

Hours are from 9:30 to 11:00 a.m. Anyone wishing to be hostess may call Joan Branscum at 257-2026 or Emily Clayton at 257-3396.

### Notice

The annual School of Instruction for the Order of Eastern Star will be November 21 at 9:11 A.M. at Canyon. The banquet will be at 6:00 p.m. with the joint meeting following at 7:30. A quorum from our Chapter is needed for this meeting. Earth Chapter is in charge of decorations for the banquet. We will be meeting each Thursday night at the Muleshoe Lodge to make the fall decorations. Please contact Ann Kelly if you can attend some of these meetings and for tickets for the banquet.

### Church Fellowship

The youth of the First Baptist Church in Springlake invited the youth of the First Baptist Church in Earth

and the youth of Earth Methodist Church for lunch Sunday, after services. Afterwards they enjoyed playing games.

### Elder To Speak

Elder Sonny Pyle from Graham Texas will preach at Muleshoe Primitive Baptist

Church November 14 through the 18th at 7:30 each evening.

In some parts of the Sahara, it is so hot that any rain that might fall is evaporated before it reaches the ground. "Man is a bird without feathers." Plato

### Party Lines

Mr. and Mrs. Clay Mick and sons, Eddie and Darrell were weekend guests of Mr. and Mrs. R.G. Parker.

Mr. and Mrs. Ray Kelley, Marvin Sanders and Mrs. Clarence Kelley attended the funeral of Mrs. Luettie Coffee of Sweetwater, Oklahoma Wednesday of last week. They were met in Hereford by Mrs. Odie White of Bovina

who accompanied them. Mrs. Coffee, 95 years of age was a neighbor and life long friend of the group. She was the last one of the early settlers who filed on their land in the Buffalo Community.

The sphinx rooth has compound eyes, with each eye composed of hundreds of seeing units.

## Rainbow News

Beautiful Installation services were held recently for members of Earth Rainbow.

Miss Sharon Jones, daughter of Mr. and Mrs. A.J. Jones was installed as Worthy Advisor.

Mrs. Pat Jordan, Mother Advisor gave the welcome and presented the following Installing Officers: Installing Worthy Advisor-Gale Brown, Past Worthy Advisor and Past Grand Representative from New Mexico to New South Wales. Installing Marshall-Kelly Jo Wheatly, Past Worthy Advisor and Grand Service. Installing Chaplain-Rosie Lewis, Past Worthy Advisor. Installing Recorder-Elaine Bills, Past Worthy Advisor. Installing Musician-Mary McInroe, Past Worthy Matron.

As the new officers were installed they stepped through an arch way entwined with greenery and pink flowers and were handed pink flowers as their name was called. Wendy Kniffen served as flower girl.

Officers for the new term are: Worthy Advisor-Sharon Jones, Worthy Associate Advisor-Doniece Taylor, Charity-Stephanie Parish, Hope-Sheila Jordan, Faith-Jodie Daniels, Chaplain-Jolitta Schonenburger, Drill Leader-Stacy Tunnell, Treasurer-Merri Hausmann, Love-Vonda Stephens, Religion-Darcy Randolph, Nature-Michele McCarty, Immortality-LeAnn Haberer, Fidelity-Joan Nix, Patriotism-Carmen Kelley, Service-Sharla Herring, Confidential Observer-Jamie Ford, Outer Observer-Stephanie Herring, Musician-Joy Parish, Choir Director-Sheryl Clayton.

Following Installation the newly installed Worthy Advisor Sharon Jones was presented the gavel by her sister, Gale Brown, the Installing Officer.

Miss Jones then took charge of the meeting. The theme for the new term is: Will you stay where you are? Or will you reach for a star? Play the game? Be the fraid? Or Die to self and live to God?

Sharon's colors were pink hues with a touch of gold. Her motto was "The smiling sun within its tower sheds golden majesty". Her scripture was Deuteronomy 33:13 and was read by Doniece Taylor. Her flower was the pink rose. Her poem "Desiderata" was read by Pat Jordan.

Mrs. Mary Clayton accompanied by Mrs. Jean Craft sang "Somebody Bigger than You and I".

Miss Jones had her parents Mr. and Mrs. A.J. Jones presented to the East where she gave them flowers and read a special poem to them.

Next she presented the Jr. Past Worthy Advisor, Susan Clayton a gift and read a poem in her honor. Susan then presented the traveling Rainbow necklace to Sharon. Mrs. Pat Jordan, mother advisor then presented Susan with the Past Worthy Advisor pin.

Mrs. Pat Jordan then read a short program and presented Gale

Brown with her Majority Card.

Kelly Jo Wheatly, Grand Service, was presented in the East.

Following the benediction a beautiful retiring drill was presented by the members.

Punch and cake were served to approximately 45 guests.

Mothers of the line officers helped with the hospitalities. Guests were registered by Karen Jones.

Decorations of hues of pink were used throughout the hall and dining room.

## Hinson Honored

Mr. Hinson will celebrate his 87th birthday December 12, 1977. He has been in the Plains Memorial Hospital in Dimmitt for the past two weeks and it is inevitable that he will move from there to the South Hills Manor Nursing home in Dimmitt. He is unable to get up and down out of the bed by himself anymore. He can tolerate short visits from friends. However, a good plan has evolved to involve all who would like to share in a birthday wish to him.

A tape recorder is available to give him a birthday message. Remember how he likes to reminisce, so speak your name clearly into the recorder. "Hello Jack," or Happy Birthday Mr. Hinson, this is Jo Smith." Recall something way back when or something humorous you recall, or something about his wife, Bea. He would be pleased by any of these. He would, of course, also enjoy receiving birthday cards.

If you are interested in the birthday message for Mr. Hinson, please call Rowena Cleavinger 986-2613 and they will arrange for you to give your message.

## Pleasant Valley

The Pleasant Valley Social Club traveled to Clovis Friday night to celebrate the clubs 30th birthday. This traditional dinner was held at the LaVilla Steak House where members

Mrs. John West, and Mrs. Sena Stevens had beautifully decorated with yellow mums and yellow candles at the annual dinner. The name of the clubs outstanding member for the past year is revealed during this dinner. Mrs. Lillie Wuerfline presented this years winner, Mrs. Sena Stevens with a small

decorative easel with a friendship poem picture. Mrs. Wuerfline told us some of the activities and reasons Mrs. Stevens was chosen.

Members and guests enjoying the occasion were: Mrs. John West, Mrs. Sena Stevens, Mrs. Dwayne Stevens, Mrs. Oscar Allison, Mrs. Jessie Fox, Mrs. Claude Hendricks, Mrs. Harold Allison, Mrs. Ennis Galyon, Mrs. Pauline Green, Mrs. Lillie Wuerfline, Mrs. Raymond Roubinek, all of Muleshoe and Mrs. Bobby Borden, Mrs. Sena Stevens daughter of Portales.

## 50th Anniversary Celebration

Mr. and Mrs. Arlon Hollingsworth of Springlake will be honored on their 50th wedding anniversary with a reception in their home on Sunday November 20, 1977 from 2:30 to 4:30 p.m. Hosting the party will be their son, Alton and his family of Hereford, Texas.

Hollingsworth and the

former Essa Maye Simmons were married in Olton, Texas on November 16, 1927 and have lived in the Springlake-Earth

community for the entire 50 years. Hollingsworth was a farmer before retiring in 1966. They have one son, three grandchildren and two great grandchildren.

Mrs. Leta Kelley visited with her sister Winnie Huff of Plain view Saturday afternoon.

Curtis Parker of Hub spent Sunday afternoon with his parents, Mr. and Mrs. R.G. Parker.

### PARTY LINES

Mr. and Mrs. Ed O'Hair and Shannon Pellham were guests in the home of Mrs. Maude Stout Sunday evening.

Mr. and Mrs. Glenn Robinson.

Bonnie Haberer is home from the hospital in Plainview and is feeling fine.

Cindy Hill and son, Lance spent the weekend in the home of her grandmother, Mrs. Jack Oakley of Anton.

Mr. and Mrs. Bob Robinson visited in the home of Mrs. Jack Oakley and Linda, Sunday afternoon. He also made a trip to Levelland to visit his brother and his family.

## IWY Convention

Mrs. L.C. McLain spoke at the First Baptist Church, Springlake, Texas, Wednesday November 9 pertaining to the Pro Family, Pro Life, Pro Coalition movement to counter the efforts of the International Women's Year (I.W.Y.) to convince Congress that they represent the grass roots of women.

The National I.W.Y. Convention will be meeting the weekend prior to Thanksgiving. Several busloads of women will be going

from Texas towns. The group from Plainview will be leaving at 6:00 p.m. Friday November 18. They will travel all night and attend the Pro-Coalition Rally and drive all night Saturday night arriving back at Plainview at 8:00 a.m.

This is necessary because the I.W.Y. has all the hotels and motels booked up. Those interested in attending contact Francis Watson, 986-2751, before November 15. Petitions are available.

### From Your Agent To You

By JOHN FARRIS  
Lamb County Extension Agent

**Lamb County Cotton:**  
The total number of bales ginned by the gins in Lamb County has increased to 35,141.

**New Agricultural Yearbook Is On "Gardening":**  
"Gardening for Food and Fun" is the title of the 1977 Yearbook of Agriculture just off the press.

The yearbook is a practical book for all types of gardeners, from beginners to those with "green thumbs."

The book's 400 pages feature numerous color pictures, and the text is organized into four sections: "Introduction to Gardening," "Home Garden Vegetables," "Fruits and Nuts," and "Home Food Preservation." Of special interest should be chapters on garden tools and equipment, managing garden soil, a gardener's glossary, a guide to home canning and freezing, and proper storage of home-preserved foods.

The new yearbook should be popular, because of the increased interest in gardening throughout the country. About half the households in the nation have a garden, and in Texas that number is even higher. Home gardening has increased rapidly in recent years because consumers prefer the taste of homegrown fruits and vegetables, it allows them to save on the food budget, and it is an excellent hobby.

The yearbook is available for \$6.50 from government bookstores or the U.S. Government Printing Office, Washington D.C. 20402. U.S. senators and representatives also have a limited number of the books for free distribution.

**Recycle-Don't Burn:**  
Rather than burning leaves or hauling them to the dump this fall, why not use them for a compost pile. The resulting compost will provide a good source of organic matter for potted plants, for topdressing the lawn, and for building up the soil in flower beds, shrub borders and vegetable gardens.

A simple method of composting leaves and other vegetable matter is to alternate four-to-six-inch layers of vegetable matter such as leaves or grass with two-to-four-inches of good garden

soil. If available, add manure to the soil layer. Make the compost pile four-to-six feet wide and any desired length depending on material and space available.

Sprinkle a commercial fertilizer on each layer of vegetable matter to hasten decomposition. Use about one-half pound, or one cupful, of any good commercial fertilizer with a 1-1-1 ratio per 10 square feet.

The top layer of the compost pile should be soil and the surface of the pile should be dish-shaped, forming a basin to hold water. Water each layer of organic matter thoroughly before adding the soil layer. This is especially true when composting leaves as they can be extremely slow to decompose if too dry. Water the pile thoroughly when completed and add additional water as needed to keep the material moist but not soggy.

Turn or mix the compost with a garden fork or shovel every three or four months. This aerates the material and speeds up the composting process. Most compost should be ready to use in six months to a year. The use of commercially available compost activators will reduce the time required for decomposition only if used according to directions.

**Well prepared compost** can be used anywhere peat moss is used and is an excellent way to dispose of garden debris, leaves and other organic material.

**Proper Dressing Of Deer Explained:** Deer season is just around the corner and hunters are getting prepared. Part of the preparation involves learning how to care for the venison.

Successful deer hunters have learned that for the best quality of venison, the time that is shortened between the kill and the freezer becomes the critical factor.

There are two basic ways of field dressing deer, and both require a sharp knife with a large handle so that it can be held firmly. The first method is usually recommended for game that is to be mounted later. The second way is slightly quicker and is used for game that is not too old or big and will

probably not be mounted.

The first method begins by placing the animal on its back and securing it by placing stones on either side. Remove the external sex organs first. Then make a vertical cut from the pelvic bone to the middle of the breastbone. Turn the knife blade up to prevent cutting into any of the internal organs.

Hold the entrails outside the rib cage and cut the outside layer, the diaphragm, to expose the esophagus and windpipe and pull them down. Pull the entrails free to the pelvic region. Finally, cut the skin and muscles around the anus but use care not to cut the bladder. Then remove the intestines.

The second method requires two basic cuts. Begin the first cut at the belly and slightly to one side of the breastbone to make cutting easier. After completing the cut up to the neck, sever the esophagus and windpipe. Pull the lungs and heart free of the diaphragm then cut the diaphragm. While still holding the esophagus and windpipe, lift out the remainder of the viscera.

Make the second cut along the thin seam that holds the two pelvic bones together. The seam is pronounced on younger animals and can be cut easily with a sheath knife. Next set the animal in a spread-eagle position with one foot on each of the hind legs. A pull on the tail should then break open the pelvis so that the intestinal and reproductive tracts can be pulled from the body. Finally, cut the viscera free from around the anus.

If the head is to be mounted, hang the animal by its hind legs to allow the remaining blood to drain free of the body. Otherwise, hang the animal by the head or antlers. Place a stick between the halves of the rib cage to speed the cooling of the carcass.

Skinning the animal is easiest as soon as possible after the kill. After skinning, wrap the carcass with a solid cloth material rather than cheesecloth because flies can deposit eggs through the cheesecloth.

Keep the carcass clean and put it in cold storage as soon as possible to insure high meat

quality. Additional information on field dressing big game is available at the county Extension office.

stitute for Biotechnology, explained.

An ongoing project at the institute is designed to provide the U.S. Air Force a set of criteria by which jobs can be assigned to men and women according to physical characteristics.

"There are some 300 different types of jobs within the Air Force. We are matching the type of work with strength, physical work capacity, or stamina, and size of the individual, the ultimate objective being to improve human performance and productivity in blue collar jobs," Ayoub explained.

Besides human performance and productivity the research will also help in reducing industrial injuries, such as back injuries caused by manual handling of loads.

Biotechnological research is also finding effects of heat, wind and humidity stress in outdoor as well as indoor situations. Ramsey is investigating these effects.

"Using a technique called the Wet Globe Bulb Temperature (WGBT) we can specify various sets of 'ideal' conditions for labor jobs," Ramsey said.

Radiation from a heat source, whether it be a furnace or the direct light from the sun, natural or induced humidity, and wind can individually or collectively produce physiological responses that affect an employee's performance, Ramsey

## SWPS Announces Investment

Southwestern Public Service Company has announced that it will invest in excess of \$200-million during the next four years for the construction of a new electric generating station on the South Plains of Texas.

The announcement was made today by Bill Esler, SPS vice president of engineering and construction. Esler said the new plant would be located on the James Ranch about seven miles west of Southwestern's Plant X in Lamb County.

The plant will be called "Tolk Station" in honor of Roy Tolk, chairman of the board of SPS and it will have a generating capability of 565,000 kilowatts. Primary fuel for the station will be low-sulphur coal which will be brought in by unit

train from Wyoming. Construction of the new plant will begin next year and is scheduled for completion in 1982. Plans also call for a second 565,000 kilowatt unit to be completed in 1985.

**VACUUM REFRIGERATOR** condenser coils at 3-4 month intervals—they're in the back or at bottom of cabinet. Dust-covered coils impair the efficiency of the compressor operation and increase energy usage. \*\*\*\*\*

It is difficult to set individual degrees of temperature, humidity and radiation that can be called "ideal" because it is the combined effect of these factors plus the metabolic or internally generated heat that affect human performance. The WGBT method is assumed to represent all these thermal factors in combination.

Ramsey has served as chairman of the Standards Advisory Committee on Heat Stress of the Occupational Safety and Health Administration. He and Ayoub are recognized authorities in their individual subjects, according to a survey of American universities recently completed by a magazine, "The New Engineer."

**LOOK CLOSELY at contests and gifts.** If you must listen to a sales pitch or make a purchase first, then it's not free. In any "give-away," look for strings attached.

**FOR REROOFING,** use light-colored shingles. Light shingles absorb about half as much direct solar heat as black or dark shingles do.

"BECAUSE I said so" is not a reason. Neither adult, teenager nor child, accept is as a justification for behavior. \*\*\*\*\*

## BIRD Facts & Fancies

BIRD FEEDERS like these can give some birds the positive edge on survival.

The known living species of birds in the world number some 8,600.

The fastest animal known is a bird. In 1942, a spine-tailed swift was recorded as traveling at 106.25 miles per hour.

Because they often eat insects, birds can be very beneficial to man. In the 1800s, sea gulls appeared in Utah, far from the sea, and saved the crops of the pioneers from a cricket plague. Ducks are often brought into swamps and ponds to control mosquitoes.

When birds can't find enough to eat, many people hang out bird feeders. You can get many attractive

models that are easy to load and easy for the birds to use. The ones from Rubbermaid can be mounted on poles or hung by their own weather-resistant cords.

Many people believe it is good luck if a bird flies into the house, and some say it is especially good luck when a wren builds a nest near the house.

In general, wild birds are said to sing to establish their territories. The song informs other birds of the same species that a certain amount of land belongs to the singer—and no trespassers allowed. Other bird calls are food and danger calls, or to keep the flock together during migration.

# The heat pump

"THE ELECTRIC SAVINGS MACHINE"

BUYING, BUILDING, REMODELING?

It's time to consider the heat pump. Southwestern Public Service Company can suggest the system that will give you the most for your energy dollar, and come up with some accurate information on installation and operating costs.

The heat pump is the electric savings machine. And usually a machine of such sensitive operation calls for a lot of space and some pretty technical installation procedures. NOT SO WITH THE HEAT PUMP! Split systems — most adaptable to homes — consist of an outdoor and indoor section, easily tucked away in a closet, garage, basement or attic. The single package unit looks very similar to a central air-conditioning unit that's placed outdoors. Both systems can be installed in most every home or office that has central air ducts. If you're buying, building or remodeling, it's time you said . . .

"Yes, the heat pump!"

## Who Can Do What Kind Of Work---

If it is physical labor and a woman can do it, certainly a man can do it equally well. And one blue collar worker can do almost everything that another blue collar worker can.

These may well be chauvinistic statements but they are also proving to be myths, as engineering research indicates that there are certain physical jobs which either sexes can or cannot perform well and that even among males and females there are certain jobs which one individual can perform and others cannot.

The research is being conducted by Drs. M.M. Ayoub and Jerry D. Ramsey of Texas Tech University's Industrial

Engineering Department. Ayoub is studying, among other things, male and female performance, while Ramsey is concerned with environmental effects in work situations.

"In a simple comparison, a female's capacity is 60 per cent that of a male when it comes to manual handling of loads, but females are better at estimating the amount of weight they can lift from their past experiences. In jobs involving dexterity, fine manipulation or precision, as in micro-electronics, females are better than males," Ayoub explained.

The question is: who

can do what kind of work, under what conditions and for how long?

A pioneer in the field and a nationally recognized authority on ergonomics, also called biotechnology, Texas Tech is engaged in finding answers to this question.

"As more and more females enter the armed services, there will be questions of finding suitable jobs for males as well as females. Private industry will also be faced with similar questions as an increasing number of women apply for blue collar jobs traditionally assigned to men," Ayoub, who is also director of Tech's In-

## Summer Reading Club

The Summer Reading Club with the High Plains Library came to a close the last day of August, 1977. Since we go to each stop every three weeks it takes a while to get the reading material turned in to us and get their reading certificates back to them but we did have a very busy summer with 131 children reading in the Reading Club. The Bookmobile travels in Farmer, Lamb, Cochran and Bailey Counties.

Receiving awards for reading more than 10 books in the four Counties were: Julie Baldwin of Whiteface-Cochran County, Christy Hawkins and Leslie Glen of Bledsoe-Cochran County, Dawn Putnam--54 books--Bovina, Todd Schilling--Bovina, Janie Putnam--Bovina, Yesenia Antillon--Bovina, Laura Jesco--Lazbuddie

Lamb County: Rebecca Moorehead--92 books--Spade, Teresa Stewart--78 books--Spade, Alan Hausmann--83 books--Earth, Edward Elizonda--Spade

Bailey County

Tammy Nowell--Muleshoe, John Harlan--Bula, Laurie Damron--Circleback, Bill Gardner--Circleback

The following also read in the summer reading club: Olton

Ron Roffman, Lesley Kennedy, Jay Muller, Becky Hughes, Lynn Hughes, Angela Hughes

Springlake-Earth, Alan Hausmann, Melanie Ward, Timothy Gameros, Lisa Huckabey, Stacy Barden, Holly Moree, Wendy Bulls, Tommy Henderson, Carey Dayton, Hollie Huckabey, Jimmy Fulenwider, Cindy Fulenwider, Page Layman, Lacy Layman, Kenny Boteler, Dwaine Boteler, Ken Craft, Teresa Fulenwider.

Lazbuddie, Celia O'Brien, Jeana Mason, Shelia O'Brien, Guy Brockman, Tina Collins, Jason Schilling, Laura Jesco, Judith Schilling, Vivian Elliott, Anthony Elliott.

Sudan & Muleshoe, Laurie Damron, Jennifer Kirk, Bill Gardner, John Harlan, Jannette Testerman, Tammy Nowell, Tonya Nowell.

## Machine Embroidery

Since machine embroidery is quite different from regular machine sewing, proper technique is important, says Beverly Rhoades, clothing specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Sit comfortably, elbows level with bed of machine, hands placed carefully on either side of hoop to control movement, yet clear of the fast needle motion. To avoid eye strain, watch fabric being stitched, not the motion of the needle!

Raise the needle to its highest position, and

place the hoop under it, with fabric resting against machine bed. Avoid catching unwanted folded fabric in stitching. Lower the pressure foot lever for tension control.

Control stitch length by hand movement and set stitch width on straight or zigzag depending on desired result. To test tension, set the machine on a wide zigzag stitch and make a row of stitching forming a satin stitch effect. Loosen top thread on most machines; however, some machines may require tighter top tension. Experiment with your machine to obtain a perfect stitch. The bobbin thread should never show on the top side.

To practice designs, move hoop vertically, horizontally, or diagonally. Make outline

stitches in zigzag or stitch. For zigzag outline, use a wide zigzag stitch. High machine speed is best.

Vertical movement (moving hoop forward and backward, toward you and away from you) will create "U" shapes. Stitches should be close together like a satin stitch with no fabric showing through. Slow to moderate hoop motion works best.

Horizontal movement (side to side) creates "S" shapes. Moderate to fast hoop motion works best. Combine the vertical and horizontal movements to

form connecting circles. Do not rotate the hoop.

Use the same basic motions to fill in designs. Blended vertical rows produce a laddered appearance. Blended horizontal stitches across the design produce a smooth, satin shaded appearance.

For straight stitch outline and fill-in stitches, set the machine for straight stitch. Use moderate-to-high machine speed and slow hoop movement. For fun, try writing

## ARMY RESERVISTS MAKE GOOD CITIZENS.

The men and women of the Army Reserve all have one thing in common. Pride in their ability to do something worthwhile for their Country. Call your local unit for details. It's listed in the white pages of the phone book under "U.S. Government."

THE ARMY RESERVE. PART OF WHAT YOU EARN IS PRIDE.

your name with both the zigzag and straight stitch outline stitch, using the machine needle as a pencil. Practice until you're comfortable with the speed of the machine and action of the hoop. (Avoid rotating hoop until you have mastered the basic movements.)

Complete instructions on both freehand and programmed embroidery are available in commercial books and leaflets and often in classes at fabric stores, through Extension service, or schools.

## Dimmitt News

Mr. and Mrs. Woody Jones are the proud grandparents of a new grandson born October 20, 1977. Proud parents are Mr. and Mrs. Richard Berryman. Baby's name is Samuel Timothy of Hereford.

Mr. Thomas Persons of Tulsa and manager of the Dimmitt Sears Roebuck Store passed away also Mr. Robert Buntyn, county District Attorney passed away

The Senior Citizens of Castro County held their Halloween Carnival October 31. From all reports they had a real good time.

Burk Whittenburg candidate for Texas Senate was in Dimmitt October 27. He was honored with a 2 hour coffee at the Colonial Restaurant.

The United Way has reached 30 percent of its goal so far in its campaign to raise \$16,750. Campaign Chairman, Jack Edwards reported to the Lions Club of Dimmitt, Tuesday that \$5,014.40 had been turned in so far in cash donations and pledges, and that 19 businesses have already qualified for the 100 percent honor roll. The drive kicked off October 3, and will continue until November 10th.

...of the 364 pledge cards distributed so far, 34 have been returned so with only 10 percent of the cards in, we have reached 30 percent of our goal." Edwards told the Lions Tuesday. "We're optimistic at this point."

Mr. and Mrs. Michael Leavitt of Dimmitt are parents of a boy, Deric Lance born October 19 and weighed 7 pounds and 9 ounces.

Mr. and Mrs. Nelson Chavers are the parents of a boy, Nelson Eddy Jr. born October 20 and weighed 5 pounds 1 ounce.

Mr. and Mrs. Juan Francisco Hernandez are parents of a girl, Annie Louise born October 21 weighed 6 pounds 7 ounces.

The City of Dimmitt has signed a drilling contract for new water wells. A \$1.1 million dollar revenue bond issued by a 383 to 26 margin a ratio of almost 15 to 1 in favor. Drilling began last week at the City's new well sight 6 1/2 miles south of town. The election drew a 21 percent turnout of the city's 1,937 registered voters, and 94 percent of those who cast ballots were in favor of the expansion plan and the bond issue.

In the wake of the overwhelming voter approval, the City Commission Monday night signed a contract with Wall and Sons Drilling, Inc. of Hereford to drill three new wells at the site.

Wall and Sons bid of \$107,382.83 for the drilling project was the lowest bid of three submitted this month.

A flight school is being considered for here. The School will be started at the Municipal Airport of Dimmitt if enough students sign up, a Levelland Aviation firm announced this week. "We would need 15 to 20 to start a school here," said Larry Pittman, owner of Pittman Aviation of Levelland. His firm operates a V.A. approved flight school, charter service, air taxi service, aerial ambulance and plane rentals and sales in Levelland.

To determine the number of potential flight students here, Pittman asked that anyone wishing to take flying lessons mail a postcard to Pittman Aviation at Box 16,

Levelland, Texas 79336

Mrs. Jewel Sandal c Wolf City, a former cafeteria worker in the Dimmitt elementary school, died Sunday morning a week after a long illness.

Services were held Monday October 31, in the Wolf City First Baptist Church, with burial following in the Mt. Carmel Cemetery, directed by Bob Owen's Funeral Home.

Mrs. Sandal, 68 had worked for several years here in the cafeteria, she and her husband moved back to her native area of Wolf City in early 1976.

Survivors include her husband, Ernest, of Wolf City, and a brother, Earl Stewart of Dallas.

Cecilio M. Garcia of Tucumcari, N.M.\* brother of Mrs. Francis Ortega of Dimmitt died Sunday.

Rosary was held Wednesday evening in the Dunn Memorial Chapel, with mass set for 10 a.m. Thursday October 27, at St. Ann's Catholic Church with the Rev. James Vance, pastor, officiating. Burial was in Tucumcari Memorial Park Cemetery.

A lifelong resident of Tucumcari, Mr. Garcia 61 was a carpenter and a member of St. Ann's Catholic Church. Other survivors include his wife Adela, three sons, five daughters, one brother, three sisters and 19 grandchildren.

Members of the Dimmitt High School graduating class of 1968 are planning a class reunion and have unable to contact a number of former class members and teachers.

Any persons with addresses or any in-

formation pertaining to the following people is asked to contact Al Bradley 1009 West Stinson, Phone 647-3202; or Mrs. Stanley Byrnes 409 S.W. Fifth St., Phone 647,4490.

Class members whose current addresses are unavailable are Eleazar Gonzales, Wanda Newsom, Betty Newsom, Vicki Otte, Louis Rendoff, Shondra Shaw, Yolanda Abrego; Sammy King, Mark Brooke, and Audrey Campbell. Teachers include Jones and Carolyn Hedrick, Mrs. Marilyn Hardison (David Hardison) and Paul Diehl.

## DPS Report

The director of the Texas Department of Public Safety issued an appeal to Texas motorists to give better voluntary compliance to the 55 mile per hour speed limit on the state's highways.

Col. Wilson E. Speir said he is alarmed over the increasing percentage of drivers exceeding the speed limit, particularly in light of the increasing number of fatalities and major accidents in the state.

"From our own observations as well as surveys conducted by the Department of Highways and Public Transportation, it is indicated that the vast majority of vehicles on our roads are exceeding the legal speed limit of 55 MPH," he said.

"Meanwhile traffic fatalities are on the increase, showing an eight per cent rise over the same period last year. At last report traffic deaths have increased from 2,467 at this time last year to

2,675--an increase of 208 deaths.

"What's more, the percentage of increase in deaths is becoming greater with each passing week.

"The latest report indicates that some 74 per cent of motorists are exceeding 55 MPH. This compares to 69 per cent exceeding 55 during the calendar-quarter year ending December 1, 1976.

Speir noted that while the DPS enforcement effort has been increased tremendously--well over 100 per cent since the new speed law went into effect--shortage of highway patrol personnel makes the task extremely difficult when some three-fourths of the driving public is violating the speed law.

"We are therefore issuing this appeal to motorists in the hope they will realize that slower speeds will pay off in the saving of lives, suffering and money in the form of better gas mileage and insurance

## Our Man In Service

Staff Sergeant Juan M. Pesina-Avila of Muleshoe Texas and other members of the 82nd Airborne Division from Ft. Bragg, North Carolina, recently participated in exercise "Cavalier Devil" at Ft. A.P. Hill, Virginia.

The exercise tested the unit's abilities under simulated warfare conditions. Aggressor forces for the exercise were provided by the 3rd U.S. Infantry (The Old

Guard), regularly stationed in Washington, D.C.

S. Sgt. Pesina-Avila, son of Mr. and Mrs. Ambrosio Pesina, 207 E. Fifth St., Muleshoe, is regularly assigned as a TOW section leader with the division.

costs," he said, "in addition to extra wear and tear on vehicles."

Speir reported that there is an alarming increase of 50 per cent in deaths on the interstate system over last year, clearly indicating that excessive speed is a major factor in fatal accidents.

And he said the efforts of highway patrol troopers to remove dangerous drivers from the traffic stream will be continued.

"The ultimate solution to the problem of speeding above the limits on Texas highways will come only when the majority of Texas drivers accepts their responsibilities under the law," Speir added.

He entered the army High School  
in July 1972. His wife, Hannelore, is  
The sergeant is a 1972 graduate of Muleshoe with him in North Carolina.

# SLEW CREW

## SLEW Crew Loses

The SLEW CREW went to Kress and played well in a losing cause with the final score being 35-0. The CREW started off well with the defense having Kress 4th and 26 and on the 4th down punt the snap was bad and it looked as if Kress punter would be downed inside the five, but this was the 1st of several near big plays. The SLEW defense was good against the runs but was not as fortunate on 3 pass plays. The 1st two offensive possessions saw the CREW moving the football.

The 1st quarter ended 14-0. The second quarter saw Kress score 1 more to make it 21-0 at half. The second half saw the SLEW CREW recovered fumbles and a quick kick by William Flores, the hit that jarred the ball

loose was by Jeff Washington and recovered by Roy McGowan. The second one, a hit by James Herriage and recovered by Lloyd Smith. The CREW had 2 real bright spots in the second half as they had two goal line stands and both times Kress tried field goals and failed.

The offense did move the ball with Ronnie James, Ricky Smith, Hoby Matlock, Tim May, Mike Smith, Jim Gonzales and Ray Van Banks having a good night on offense. Mike Smith played well at corner. Tim May, Rudy DeLeon, Bryon Vaughn, Keith Clayton had good nights up from on defense. Allen Moore had a good night at center. It was not the night the SLEW would

have liked it to be, but the effort was there.

It has been a tough year for a very young SLEW CREW that will see 7 seniors play their last game Friday night at Farwell. The CREW have played several of the best teams on the Plains and have represented SLEW country with tremendous effort. The Farwell team was ranked 2nd in the state and the SLEW CREW will not forget this as they go to Farwell. It would be a feat to enjoy over the winter to defeat a team of their ability.

Fans, we would like to thank you for your support. We'll see you at Farwell.

Thursday will have Jr. High School and JV games here starting at 5:00.

## Varsity Defense

The SLEW defense was sited for the effort they showed Friday night as they made 2 goal line stands in the second half. They have played well this year. When you look at the scoreboard and record you say not perhaps,

but, you are wrong. They have played above their heads throughout this season. Tim May, Rudy DeLeon, Bryon Vaughn, Keith Clayton, Lexie Fennell, Hoby Matlock, Jimmy Randolph, William Flores, Matt Simpson,

Jaime Soto, Lonnie Neinast, Jim Gonzales, Joe Gonzales, Pat Fuller, Roy McGowan, Jeff Washington, Lloyd Smith, Mike Smith, Ray Van Banks, James Herriage, Ronnie James, and Ricky Smith have done a good job.

## JV Loses

The SLEW CREW Junior Varsity fell victim last Thursday night to the Kress Kangaroos by a score of 26-6.

The "Roos" scored first the extra point was

good and Kress led 8-0. Another quick touch down saw the Kangaroos lead extended to 14-0. However, the SLEW came right back with a 70 yard drive featuring runs by Elizar On-

tiveras, Kevin Riley, Melvin James and Lupe Duran and block in by the entire of offensive line. The drive culminated with Duran

## Lazbuddie News

Mae Davis has a new great-grandson, born November 3. His parents are Curtis and Pam McBride. His name is Jordan Chase and he weighed 7 pounds when he was born.

Lorie Bradshaw, daughter of Mr. and Mrs. Lloyd Bradshaw, turned 2 years old, Thursday, October 27. A birthday party was given in her honor on Sunday afternoon at her home in Lazbuddie. They played games and had cake baked by her mother.

Those attending the party from Amarillo were Mrs. Margret Hudson, Vickie and Chad Wakefield, Mr. and Mrs. J. H. Davis, and Tim Patterson.

Those attending from Lazbuddie were Charlotte and Susan Redwine, Marsha, Traci, and Cristi Collum, Joyce, Lisa, and Amy McGeehee, and her parents Mr. and Mrs. Lloyd Bradshaw and her big brother Casey.

Lorie would like to thank all of her friends for the presents and cards and would like to send a special get-well wish to her Ma (Mrs. C.W. Bradshaw).

The Lazbuddie FHA and Young Homemakers are sponsoring a Tasty Tea and Style Show Thursday (today) at 7:30. It will be in the school cafeteria and admission will be \$1.00. The FHA girls and the Young Homemakers will be modeling the latest winter fashions from stores in Muleshoe and Clovis and everyone is

invited to attend.

The Lazbuddie girls played their first basketball game Tuesday November 1st at Whiteface, with both the J.V. and Varsity losing. The J.V. score was 37-24 and their leading scorer was Angela Matthews and Sabrena Vincent with 6 points. The varsity's score was 54-59 and their leading scorer was Judy Lust with 21 points. Although both teams lost they played very well and everyone was pleased with their playing. The Horns next ballgame will be November 15 at Pep and the Varsity boys and girls will play starting at 5:30.

Todd Gregory was injured in a truck-motorcycle accident last Saturday morning. He suffered a broken leg and a broken wrist and has been in High Plains Baptist Hospital in Amarillo.

The Junior High boys won their last football game last Tuesday when they played Lubbock Christ the King. The game was played at Lazbuddie and the score was 35-6.

Sympathy is extended to the families of Cliff Layman and Henry Ivy on the death of their loved ones.

Mr. and Mrs. Kent Winders recently moved to Channing, Texas where they will be managing a ranch.

The Junior High boys

and girls played their first basketball games last Monday night at Happy. The boys lost by a score of 35-13. Bart Elliott and Shaine Vincent each had 4 points, Mark Lust had 3 points, and Jeff Jesko had 2 points. The girls won by a score of 35-25 and Susan Glover scored 16 points for them.

Mrs. Paula Tarter is a patient in Room 230 in Highland Hospital in Lubbock where she is recovering from phlebitis. She would be glad to hear from anyone who would like to send her a card.

## Bob Bullock

State Comptroller Bob Bullock said Friday that the price of natural gas produced and sold in Texas crept upwards 19 percent during the first half of Fiscal 1977.

During that same period (September 1, 1976-February 28, 1977), Texas-produced natural gas cost Texas purchasers more than twice as much as buyers from out-of-state, Bullock noted.

An analysis compiled for "Fiscal Notes", the monthly financial statement published by the Comptroller's Office, shows that the price for all Texas natural gas averaged 81.1 cents per thousand cubic feet (mcf) for the six month period.

This is 11.8 cents over the Fiscal 1976 average price of 69.3 cents per mcf for Texas natural gas.

The average price of Texas-produced natural

gas to in-state buyers during the six month period was 97.1 cents per mcf. This is 19 percent over the 81.5 cents per mcf average for intrastate sales in Fiscal 1976.

At the same time, out-of-state purchasers of Texas-produced gas paid an average of 46.8 cents per mcf during the first six months of Fiscal 1977.

Natural gas production for the six month period totaled 3.75 trillion cubic feet, according to the Comptroller. Slightly more than two-thirds of this gas was sold in-state.

The financial report also shows that state expenditures for the 1977 fiscal year which ended August 31 totaled \$6.6 billion. Revenues for the year totaled \$7.36 billion.

## PÂTE EN BAGUETTE FOR A DELUXE SUNDAY SUPPER

Modern French homemakers—just as hard-pressed for time as their American counterparts—have a talent for making a simple snack or Sunday night supper a delicious event. One example of this talent is Pâte en Baguette... simple to prepare and sensational to eat. All the ingredients are readily available to American homemakers. The pâte begins with a baguette—the crunchy, long loaf of French bread; cut it in half crosswise and hollow out. Then stuff with a mixture of Pâte Maison, liver pâté imported from France, which has been seasoned with chives and Armagnac brandy. Pâte Maison is a quality French food specialty ideal for canapés or in prepared dishes. A flavorful combination of meat and poultry livers, Pâte Maison slices evenly or can be softened easily with a fork for spreading.

To complete the menu a tossed green salad dressed with Sauce Vinaigrette—a delicate blending of pure French olive oil and wine vinegar. To accompany the Pâte en Baguette—in an authentic French manner—serve a bottle of fresh, fruity Beaujolais wine.

### PÂTE EN BAGUETTE (Makes 8-10 servings)

- 1 baguette (long, thin French bread)
- 1 14-oz. tin French Pâte Maison
- 2 tablespoons finely chopped chives
- 2 tablespoons Armagnac brandy

Cut baguette into halves crosswise. Using a long sharp knife, remove the center of each half leaving a crust shell 1/2 inch thick. Remove pâte from tin and mash until smooth. Stir in chives and Armagnac brandy. Use mixture to stuff each baguette half; place one half on top of the other. Chill. When ready to serve cut baguette into 1/2 inch thick slices. Serve with a salad of mixed greens.

The largest sundial, made in India in 1724, covered almost an acre and threw a hundred-foot shadow.

The SLEW JV had several excellent drives featuring blocks by Rex Fennell, Melvin James and Gregg Geissler. Also achieving success was running back Kenneth James as he sparked the JV to a last minute drive that fell just short.  
The JV's last ball game of the year will be at Wolverine field at 7:30 next Thursday against the Farwell stars.

The second half saw Kress as the only team able to break the scoring barrier, once in the third quarter, and the last with only 10 seconds left on the clock. Both point afters were unsuccessful, making the score 26-6.

### Junior Varsity Players

Elizar Ontiveros and Rex Fennell were sited for their effort last week. They have consistently contributed this year.

### 7th Grade Loses

The Jr. SLEW CREW went down in defeat to a stronger Kress team this week bringing their total play in district play to 1 and 3.  
The 7th grade was just not able to run or pass on the well disciplined Kress team. There were bright spots on defense with Rocky Lunsford recovering a fumble that set the S-E Jr. High in good shape, but were unable to capitalize on it.

Danny DeLeon and Hector Flores also had good nights. On one occasion Danny received a punt and was ready to be tackled and Hector put a block on to free Danny for a 20 yard gain.  
Others having good nights were Joe Olivaras and Lorenzo Monreal and Scott Shepard.  
One game remains for the 7th grade which is Thursday at 5:00 against Farwell at home.

### 8th Grade Loses

A gallant effort from the S-E 8th grade was Kress scoring only once on the 1st quarter and once in the 2nd, they were unable to score any more during the second half.  
Several good drives by S-E 8th grade were tried but none good enough to get the ball across the scoring line. Ramon Olivaras kept pounding away offensively and defensively having a good night both ways.

Claude Barlow and Sammy Ott had good line play, and Arturo Sammaron played well from his safety position. All in all it was a good ball game, spectators and players alike. The 8th grade now stands at 1-3 in district play. The last game of the season and district will be next week at home after the 7th grade game against Farwell. Support your young men. Come to the game and cheer.

### Longhorns Stampede

The Lazbuddie Longhorns traveled to Valley last Thursday night to play their last football game of the season. The Horns beat the Patriots by a 18-16 score in a very close game.  
The Horns final touchdown was made on a 4 yd. pass from Jr. quarter-back Charleson Steinbock to Sr. Rayburn Wenner with 12 seconds left in the game. The touchdown was set up when the Horns caused Valley to fumble on their own 10 yard line and then recovered the ball.  
Valley was the first to score with a 41-yard run in the second quarter. They then completed a pass for the 2 extra points making the score 8-0. Just before the half Dennis Steinbock caught a touchdown pass from Andy Rodgers to make the score 8-6. The PAT attempt failed.

In the third quarter the Longhorns took the lead when Charleson Steinbock made a 30 yard run for a touchdown. The kick failed making the score 12-8.  
In the last quarter Valley again took the lead after they scored a touchdown and 2 extra points. This made the score 16-12. Right after this the Horns caused the fumble that set up their last touchdown.  
The Horns had 220 total yards of offense while Valley had 251 total yards. Valley had 14 first downs and Lazbuddie had 13 first downs. The Patriots completed 1 out of 3

## SPRAYING SERVICE

Owner, Charlie H. Jones

# Springlake-Olton

by Mrs. Tom Stansell

Mrs. Maggie Banks was dismissed Tuesday from the Littlefield Hospital where she was a patient six days.

Mrs. Ola Gambrel returned home Tuesday from the Littlefield Hospital where she underwent surgery.

Mrs. Myrtle Clayton and Mrs. Myrtle Steinbock ate lunch in Muleshoe Sunday. They viewed the display on exhibit at the Muleshoe Art Loft.

Dr. Quylay Bishop, teacher of Bible History at Wayland Baptist College was speaker at the morning worship service of Springlake First Baptist Church.

Mrs. Cordia Dyer of Grand Prairie visited Saturday and Sunday with her brother-in-law and sister, Mr. and Mrs. William Stradley.

Visiting during the weekend with Mr. and Mrs. Ernest Goforth were their daughter and family, Mr. and Mrs. Charles Moore and DeeDee of Lubbock.

Andy Jackson of Lubbock was a guest this weekend of his grandmother and mother and uncle, Mrs. W. R. Boone and Kenneth.

Rev. Glen Smith attended Baptist General Convention of Texas in Fort Worth last week.

Sunday afternoon, October 30 Springlake Girls Auxiliary and Acteens campaigned throughout the area in behalf of "Cans for Kids." Several sacks of canned food were collected to be contributed to Buckner's Baptist Childre's Home Lubbock.

Participating were G. A. members: Billie Jean Jones, Tammy Jones, Connie Cain, Wendy Kniffen, and Holly Moree. Mrs. Mike West is leader. Acteen members assisting in the project were Cathy Cain, Kelley Walden, Jennifer Pelham and Janie Moree. Leader is Mrs. Steve Busby.

Members of Children II Sunday School class of Springlake First Baptist Church went skating in Plainview Saturday morning. After eating lunch at Village Pizza or La Casa de Taco, the young people joined in games

at a Plainview Park.

Class members and guests attending the event were Marty Watson, Martin and Gregory Miller, Richard Walden, Carey Dayton, Connie Cain, Wendy Kniffen Kathy Pyle, Tammy Jones, and Jeri Kate Field.

Others were Mrs. Harlon Watson, teacher of the class, assisted by Mrs. Delvin Walden Kelley Walden and Mr. and Mrs. Clent Kniffen.

Visiting Sunday with Mr. and Mrs. J. J. Coker were their son and family, Mr. and Mrs. Bob Coker, Brent and Blake of Lubbock.

Mike Jones and Leland Harrison, students at Eastern New Mexico University, Portales, were here recently with Jones' parents, Mr. and Mrs. A. J. Jones, and daughters, Sharon and Karen.

Sunday guests of Mr. and Mrs. W.B. Hucks were his brother and sister-in-law, Mr. and Mrs. David Hucks of Lubbock who were accompanied by her parents, Mr. and Mrs. Allen, also of Lubbock.

Mr. and Mrs. James Sanderson spent the weekend with his parents, Mr. and Mrs. J. B. Sanderson who live at Paluxy.

Mr. and Mrs. William Stradley had with them at the noon meal Sunday her sister, Mrs. Cordia Dyer of Grand Prairie and the Stradley's daughter and family, Mr. and Mrs. Hollis Moree, Lisa, Janie and Holly.

Mrs. B. L. Skinner and her daughter, Mrs. T. V. Murrell of Earth, were in Littlefield Monday.

Mr. and Mrs. Ed Dawson and Clint and her brother-in-law and sister, Mr. and Mrs. Goldman Dyer of Dimmitt attended the Texas Tech Homecoming game Saturday.

The Dawsons, their son-in-law and daughter, Mr. and Mrs. Nathan Griffin of Lubbock, and Mr. and Mrs. Dyer dined in Lubbock that evening.

Mr. and Mrs. J. J. Coker viewed the Texas Tech vs TCU game Saturday. The Cokers visited their daughter Miss JoAnn Coker, and their son and daughter-in-law, Mr. and Mrs. Bob Coker.

Sunday luncheon guests of Mr. and Mrs. Leslie Watson were Dr. Quylay Bishop of Plainview, Mr. and Mrs. E. H. Green and Mr. and Mrs. Clent Kniffen and Wendy.

At last report Mrs. James Ralph Fulfer remained in the Dimmitt hospital where she was admitted Tuesday of last week.

Mrs. Bruce Bridges and Byron flew to Dallas Saturday to visit their sister and family, Mr. and Mrs. Jim Jones, Aimee and Jennie Suzanne.

Justin and Brandon, sons of Mr. and Mrs. Bill Chaney of Olton, stayed during the weekend with their grandparents, Mr. and Mrs. W. B. Hucks.

Mrs. James Packard was in Lubbock Monday and Tuesday. She stayed overnight with her brother's wife, Mrs.

Buck McClure.

Danny Wayne Boone of Muleshoe was Sunday afternoon caller of his father and grandmother, Kenneth Boone and Mrs. W. R. Boone.

Recent guests of Mr. and Mrs. Dale Chitwood were their son, Monte student at Texas Tech University, and their son and his wife, Mr. and Mrs. Joe Dale Chitwood of Houston.

Sunday morning Mr. and Mrs. Ernest Baker attended Kress First Baptist Church where Baker conducted a Gideon service.

Young people of Springlake First Baptist Church, Earth United Methodist Church and Earth First Baptist Church enjoyed a covered dish luncheon Sunday in Church Fellowship Hall at Springlake with 43 attending.

Sponsors were Mrs. Phil Neinst and Mrs. Jerry Jones of Earth United Methodist, Rev. and Mrs. David Burum, Mr. and Mrs. Pete O'Hair and Mr. and Mrs. Herschel Hulcy of Earth First Baptist, and Mrs. Bill Verden, Mrs. Kent Parish, Hollis Cain and Mr. and Mrs. A. J. Jones of Springlake First Baptist.

Mrs. Ola Gambrel had as callers Sunday afternoon her nephew-in-law and niece, Mr. and Mrs. Harold Bibby of Memphis, Mrs. T. V. Murrell of Earth, Mvs. Maggie Banks, Mrs. Hazle LaDuke Sue Smith Mrs. B. L. Skinner and Mrs. Esther Bomar, Also Mrs. Gambrels son-in-law and daughter, Mr. and Mrs. Larry Murrell.

Mrs. Glen Smith came home Sunday from Irving where she stayed three weeks with her daughter and family, the Jim Jones.

Mr. and Mrs. T. C. Kennedy Chuck and Connie attended a birthday dinner Sunday honoring Kennedy's father, L. B. Kennedy, 81 of Olton. Others present at the observance were the honoree wife their son and his wife, Mr. and Mrs. James Kennedy of Hart, and the other son and family, Mr. and Mrs. Leslie Kennedy, Vicky and Sheri Kay of Olton. Also a grand daughter and her husband, Mr. and Mrs. Larry Trimble of Hart, a grand daughter, Miss Karin Kennedy of Canyon, and a grandson and grand daughter in-law, Mr. and Mrs. Steve Kennedy, residents of Canyon. The L. B. Kennedy family lived many years in the Springlake area.

Mr. and Mrs. Malcom Ogletree were in Lubbock Thursday with their nephew-in-law and niece, Mr. and Mrs. Lewis Kimes. They also called on Mrs. Tom Kelly.

Friday Mrs. David Britton visited her parents and sister, Mr. and Mrs. Sid A. Lowery and Pam of Lubbock. Mrs. Britton was accompanied by her daughter, Melissa and her son, Kris.

Mrs. Tom Stansell spent Friday night with her daughter and family, Mr. and Mrs. Dwight Joiner Cory and Brandon of Dimmitt.

## It's The Most!

The world's most common sound is the vowel 'a' as in father. No language is known to be without it.

The world's finest photocopy equipment comes from Xerox. Xerox even offers small copiers which allow customers to stream-feed originals, without having to position documents, push buttons or move the cover, cutting operating time on large jobs by seconds a copy.

## Our Man In Service

Marine Private George T. Gauna, son of Mr. and Mrs. Elueterio P. Gauna of Earth, has completed recruit training at the Marine Corps Recruit Depot, San Diego. During the 11-week training cycle, he learned the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied professional standards traditionally exhibited by Marines. He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle. He joined the Marine Corps in July 1977.
